4. No Recourse Against Others. No manager, managing director, director, officer, employee, incorporator or holder of any Equity Interests in Dutch Co-Issuer, U.S. Co-Issuer, any Subsidiary or any direct or indirect parent of Dutch Co-Issuer, as such, shall have any liability for any obligations of the Issuers or the New Guarantors under the Notes, the Indenture, the Guarantees or for any claim based on, in respect of, or by reason of, such obligations or their creation. Each Holder of Notes, by accepting a Note, waives and releases all such liability. This waiver and release are part of the consideration for issuance of the Notes. This waiver may not be effective to waive liabilities under the federal securities laws and it is the view of the SEC that such a waiver is against public policy.

SCHEDULE 1

Limitations with respect to Guarantors incorporated in Germany.

(a) Definitions

(i) "German Guarantor" means a Guarantor incorporated or established in Germany in the legal form of a limited liability company (*GmbH*) or a limited partnership with a limited liability company as general partner (*GmbH & Co. KG*).

(ii) "Net Assets" means an amount equal to the sum of the amounts of the German Guarantor's (or, in the case of a GmbH & Co. KG, its general partner's) assets (consisting of all assets which correspond to the items set forth in section 266 paragraph 2 A, B, C, D and E of the German Commercial Code (*Handelsgesetzbuch* – "HGB")) less the aggregate amount of such German Guarantor's (or, in the case of a GmbH & Co. KG, its general partner's) liabilities (consisting of all liabilities and liability reserves which correspond to the items set forth in section 266 paragraph 3 B, C, D and E HGB), save that any obligations (*Verbindlichkeiten*) of the German Guarantor (and, in the case of a GmbH & Co. KG, of its general partner) (A) owing to Dutch Co-Issuer and/or any of Dutch Co-Issuer's Subsidiaries or any other affiliated company which are subordinated pursuant to section 39 paragraph 1 no. 5 or section 39 paragraph 2 of the German Insolvency Code (*Insolvenzordnung*) and including obligations under guarantees for obligations which are so subordinated or (B) incurred in violation of any of the provisions of the Indenture (unless neither with wilful misconduct nor gross negligence) shall be disregarded.

The Net Assets shall be determined in accordance with the generally accepted accounting principles applicable from time to time in Germany (*Grundsätze ordnungsmäßiger Buchführung*) and be based on the same principles that were applied by the German Guarantor (or, in the case of a GmbH & Co. KG, its general partner) in the preparation of its most recent annual balance sheet (*Jahresbilanz*).

(iii) "Protected Capital" means in relation to a German Guarantor the aggregate amount of:

(A) its (or, where the German Guarantor is a GmbH & Co. KG, its general partner's) share capital (*Stammkapital*) as registered in the commercial register (*Handelsregister*) provided that any increase registered after the date of the Indenture (or in case of a New Guarantor, the date it has become a party to the Indenture) shall not be taken into account unless (i) if the increase has been effected out of retained earnings (*Kapitalerhöhung aus Gesellschaftsmitteln*) such increase has been effected with the prior written consent of the Trustee and, in any case, (ii) only to the extent it is fully paid up; and

(B) its (or when applicable where the German Guarantor is a GmbH & Co. KG, its general partner's) amount of profits (*Gewinne*) which are not available for distribution to its shareholder(s) in accordance with section 268 paragraph 8 HGB.

(iv) "Up-stream and/or Cross-stream Guarantee" means the Guarantee (which, for the purpose of this Schedule 1, shall also include any other obligation of the German Guarantor to reimburse costs or pay indemnities under or in connection with the Indenture) if and to the extent the Guarantee secures the obligations of a Guarantor which is a shareholder of the German Guarantor (and/or, in the case of a GmbH & Co. KG, of its general partner) or an affiliated company (*verbundenes Unternehmen*) of such shareholder within the meaning of section 16, 17 or 18 of the German Stock Corporation Act (*Aktiengesetz*) (other than the German Guarantor and its Subsidiaries and, in the case of a GmbH & Co. KG, the general partner and its Subsidiaries), provided that it shall not constitute an Up-stream or Cross-stream Guarantee if and to the extent the Guarantee guarantees amounts outstanding under the Indenture in relation to any financial accommodation made available under the Indenture to any Issuer and on-lent to, or issued for the benefit of, the relevant German Guarantor or any of its Subsidiaries (and, where the German Guarantor is a GmbH & Co. KG, to, or for the benefit of, its general partner or any of its Subsidiaries) and still outstanding from time to time.

(b) This Section applies if and to the extent the Guarantee is given by a German Guarantor and is an Up-stream and/or Cross-stream Guarantee.

(c) The Trustee (acting for the Holders of the Notes) agrees that the enforcement of the Guarantee given by a German Guarantor shall be limited if:

(i) (and to the extent that) the Guarantee constitutes an Upstream- and/or Cross-Stream Guarantee; and

(ii) payment under the Guarantee would otherwise

(A) have the effect of reducing the German Guarantor's (or, where the German Guarantor is a GmbH & Co. KG, its general partner's) Net Assets to an amount that is lower than the amount of its (or, in the case of a GmbH & Co. KG, its general partner's) Protected Capital or, if the amount of the Net Assets is already lower than the amount of its (or, in the case of a GmbH & Co. KG, its general partner's) Protected Capital, cause the Net Assets to be further reduced; and

(B) thereby give rise to a violation of the capital maintenance requirement as set out in section 30 paragraph 1 of the German Limited Liability Companies Act (*Gesetz betreffend die Gesellschaften mit beschränkter Haftung*); and

(iii) the relevant German Guarantor has complied with its obligation to deliver the Management Determination and the Auditor's Determination, in each case together with an up-to-date balance sheet, in accordance with the requirements set out in paragraphs (d) and (e) below.

(d) Within ten (10) Business Days after a Holder of the Notes has made a demand under the Guarantee, the German Guarantor shall provide a certificate signed by its managing director(s) (*Geschäftsführer*) confirming in writing if and to what extent the Guarantee is an Up-stream and/or Cross-stream Guarantee and an enforcement of the Guarantee would have the effects referred to in paragraph (c) (ii) above (the "Management Determination"). Such confirmation shall comprise an up-to-date balance sheet of the German Guarantor (and, in the case of a GmbH & Co. KG, its general partner) and a detailed calculation, based on the provisions of this Supplemental Indenture of the amount of the Net Assets and Protected Capital of the German Guarantor (or, in the case of a GmbH & Co. KG, its general partner). The relevant German Guarantor shall fulfil its obligations under the Guarantee within three (3) Business Days of providing the Management Determination (and each Holder of the Notes and/or the Trustee shall be entitled to enforce the Guarantee) in an amount which pursuant to the Management Determination would not cause the effects set out in paragraph (c) (ii) above (irrespective of whether or not the Trustee agrees with the Management Determination).

(e) If the Trustee (acting on the instructions of the Holder of the Notes) disagrees with the Management Determination, it may within fifteen (15) Business Days of its receipt request the German Guarantor to deliver, at its own cost and expense, within thirty (30) Business Days of such request an up-to-date balance sheet of the German Guarantor (and, in the case of a GmbH & Co. KG, of its general partner), drawn-up by an auditor appointed by the German Guarantor in consultation with the Trustee, together with a detailed calculation, based on the provisions of this Supplemental Indenture, of the amount of the Net Assets and Protected Capital of the German Guarantor (or, in the case of a GmbH & Co. KG, its general partner) (the "Auditor's Determination"). The German Guarantor shall fulfil its obligations under the Guarantee within three (3) Business Days of providing the Auditor's Determination (and each Holder of the Notes and/or the Trustee shall be entitled to enforce the Guarantee) in an amount which pursuant to the Auditor's Determination would not cause the effects set out in paragraph (c) (ii) above.

(f) No reduction of the amount enforceable pursuant to this Schedule 1 will prejudice the right of the Holders of the Notes and/or the Trustee to continue to enforce the Guarantee (subject always to the operation of the limitations set out above at the time of such enforcement) until full satisfaction of the claims guaranteed.

(g) Each German Guarantor shall (and, in the case of a German Guarantor in the form of a GmbH & Co. KG, shall procure that its general partner will) do everything commercially justifiable and legally permitted to avoid the

enforcement of the Guarantee becoming limited pursuant to the terms of this Schedule and shall in particular, after the occurrence and continuation of an Enforcement Event and within three (3) months after a written request of the Trustee realize at least at market value any of its (and, in the case of a GmbH & Co. KG, any of its general partner's) assets that are not necessary, as determined by the relevant German Guarantor in its sole discretion, for its business (*nicht betriebsnotwendig*) (or, in the case of a GmbH & Co. KG, that of its general partner) and is shown in its (or, in the case of a GmbH & Co. KG, its general partner's) balance sheet with a book value that is in the reasonable opinion of the Trustee significantly lower than the market value.

Exhibit 4.7

Execution Version

THIS FIFTH SUPPLEMENTAL INDENTURE, dated as of September 17, 2013 (this "Supplemental Indenture"), is by and among Axalta Coating Systems U.S. Holdings, Inc. (formerly U.S. Coatings Acquisition Inc.), a corporation incorporated under the laws of the State of Delaware ("U.S. Co-Issuer"), and Axalta Coating Systems Dutch Holding B B.V. (formerly Flash Dutch 2 B.V.), a private company with limited liability (*besloten vennootschap met beperkte aansprakelijkheid*) incorporated under the laws of the Netherlands with corporate seat in Amsterdam, The Netherlands ("Dutch Co-Issuer" and, together with U.S. Co-Issuer, the "Issuers"), the party identified as a New Guarantor on the signature pages hereto (the "New Guarantor") and Wilmington Trust, National Association, as trustee (the "Trustee").

W I T N E S S E T H

WHEREAS, the Issuers, certain guarantors listed on the signature pages thereto and the Trustee are parties to an indenture dated as of February 1, 2013 (the "Indenture"), providing for the issuance of the Issuers' 7.375% Senior Notes due 2021 (the "Notes");

WHEREAS, Section 3.11 of the Indenture provides that under certain circumstances the New Guarantor shall execute and deliver to the Trustee a supplemental indenture pursuant to which the New Guarantor shall unconditionally guarantee all of the Issuers' obligations under the Notes and the Indenture on the terms and conditions set forth herein; and

WHEREAS, pursuant to Section 9.1 of the Indenture, the Trustee is authorized to execute and deliver this Supplemental Indenture.

NOW, THEREFORE, in consideration of the foregoing and for other good and valuable consideration, the receipt of which is hereby acknowledged, the Issuers, the New Guarantor and the Trustee mutually covenant and agree for the equal and ratable benefit of the Holders as follows:

1. Capitalized Terms. Capitalized terms used herein without definition shall have the meanings assigned to them in the Indenture.

2. Agreements to Become Guarantors. (a) The New Guarantor hereby unconditionally guarantees the Issuers' obligations for the due and punctual payment of the principal of, premium, if any, and interest on all the Notes and the performance and observance of each other obligation and covenant set forth in the Indenture to be performed or observed on the part of the Issuers, on the terms and subject to the conditions set forth in Article X of the Indenture and agrees to be bound by all other provisions of the Indenture and the Notes applicable to a Guarantor therein.

(b) The New Guarantor hereby expressly waives the benefits of Articles 366, 827, 835, 837 and 838 of the Brazilian law No. 10,406 of January 10, 2002. The enforceability of the Guarantee shall be limited by any applicable bankruptcy law, insolvency law, and any other similar laws relating to or affecting creditors' rights generally from time to time in effect in Brazil. As a matter of Brazilian law, in case the obligations under the Indenture or the Notes are deemed to be invalid and unenforceable, any ancillary obligation, including the Guarantee, in connection therewith shall be regarded as invalid and unenforceable as well.

3. Ratification of Indenture; Supplemental Indenture Part of Indenture. Except as expressly amended hereby, the Indenture is in all respects ratified and confirmed and all the terms, conditions and provisions thereof shall remain in full force and effect. This Supplemental Indenture shall form a part of the Indenture for all purposes, and every Holder of Notes heretofore or hereafter authenticated and delivered shall be bound hereby.

4. No Recourse Against Others. No manager, managing director, director, officer, employee, incorporator or holder of any Equity Interests in Dutch Co-Issuer, U.S. Co-Issuer, any Subsidiary or any direct or indirect parent of Dutch Co-Issuer, as such, shall have any liability for any obligations of the Issuers or the New Guarantor under the Notes, the Indenture, the Guarantees or for any claim based on, in respect of, or by reason of, such obligations or their creation. Each Holder of Notes, by accepting a Note, waives and releases all such liability. This waiver and release are part of the consideration for issuance of the Notes. This waiver may not be effective to waive liabilities under the federal securities laws and it is the view of the SEC that such a waiver is against public policy.

Execution Version

THIS SIXTH SUPPLEMENTAL INDENTURE, dated as of September 18, 2013 (this "Supplemental Indenture"), is by and among Axalta Coating Systems U.S. Holdings, Inc. (formerly U.S. Coatings Acquisition Inc.), a corporation incorporated under the laws of the State of Delaware ("U.S. Co-Issuer"), and Axalta Coating Systems Dutch Holding B B.V. (formerly Flash Dutch 2 B.V.), a private company with limited liability (*besloten vennootschap met beperkte aansprakelijkheid*) incorporated under the laws of the Netherlands with corporate seat in Amsterdam, The Netherlands ("Dutch Co-Issuer" and, together with U.S. Co-Issuer, the "Issuers"), each of the parties identified as a New Guarantor on the signature pages hereto (each, a "New Guarantor" and collectively, the "New Guarantors") and Wilmington Trust, National Association, as trustee (the "Trustee").

W I T N E S S E T H

WHEREAS, the Issuers, certain guarantors listed on the signature pages thereto and the Trustee are parties to an indenture dated as of February 1, 2013 (the "Indenture"), providing for the issuance of the Issuers' 7.375% Senior Notes due 2021 (the "Notes");

WHEREAS, Section 3.11 of the Indenture provides that under certain circumstances the New Guarantors shall execute and deliver to the Trustee a supplemental indenture pursuant to which the New Guarantors shall unconditionally guarantee all of the Issuers' obligations under the Notes and the Indenture on the terms and conditions set forth herein; and

WHEREAS, pursuant to Section 9.1 of the Indenture, the Trustee is authorized to execute and deliver this Supplemental Indenture.

NOW, THEREFORE, in consideration of the foregoing and for other good and valuable consideration, the receipt of which is hereby acknowledged, the Issuers, the New Guarantors and the Trustee mutually covenant and agree for the equal and ratable benefit of the Holders as follows:

1. Capitalized Terms. Capitalized terms used herein without definition shall have the meanings assigned to them in the Indenture.

2. Agreements to Become Guarantors. (a) Each of the New Guarantors hereby unconditionally guarantees the Issuers' obligations for the due and punctual payment of the principal of, premium, if any, and interest on all the Notes and the performance and observance of each other obligation and covenant set forth in the Indenture to be performed or observed on the part of the Issuers, on the terms and subject to the conditions set forth in Article X of the Indenture and agrees to be bound by all other provisions of the Indenture and the Notes applicable to a Guarantor therein.

(b) Each of the New Guarantors hereby expressly waives, irrevocably and unconditionally the benefits of *orden, excusión, division, quita* and *espera* and any right specified in Articles 2814, 2815, 2817, 2818, 2819, 2820, 2821, 2822, 2823, 2826, 2837, 2839, 2840, 2845, 2846, 2847 and any other related or applicable Articles that are not explicitly set forth herein because of the New Guarantors' knowledge thereof, of the *Código Civil Federal* of Mexico and the *Código Civil* of each State of the Mexican Republic and the Federal District of Mexico.

3. Ratification of Indenture; Supplemental Indenture Part of Indenture. Except as expressly amended hereby, the Indenture is in all respects ratified and confirmed and all the terms, conditions and provisions thereof shall remain in full force and effect. This Supplemental Indenture shall form a part of the Indenture for all purposes, and every Holder of Notes heretofore or hereafter authenticated and delivered shall be bound hereby.

4. No Recourse Against Others. No manager, managing director, director, officer, employee, incorporator or holder of any Equity Interests in Dutch Co-Issuer, U.S. Co-Issuer, any Subsidiary or any direct or indirect parent of Dutch Co-Issuer, as such, shall have any liability for any obligations of the Issuers or the New Guarantors under the Notes, the Indenture, the Guarantees or for any claim based on, in respect of, or by reason of, such obligations or their creation. Each Holder of Notes, by accepting a Note, waives and releases all such liability. This waiver and release are part of the consideration for issuance of the Notes. This waiver may not be effective to waive liabilities under the federal securities laws and it is the view of the SEC that such a waiver is against public policy.

SCHEDULE 1

Limitations with respect to Guarantors incorporated in Germany.

(a) Definitions

(i) "German Guarantor" means a Guarantor incorporated or established in Germany in the legal form of a limited liability company (*GmbH*) or a limited partnership with a limited liability company as general partner (*GmbH & Co. KG*).

(ii) "Net Assets" means an amount equal to the sum of the amounts of the German Guarantor's (or, in the case of a GmbH & Co. KG, its general partner's) assets (consisting of all assets which correspond to the items set forth in section 266 paragraph 2 A, B, C, D and E of the German Commercial Code (*Handelsgesetzbuch* – "HGB")) less the aggregate amount of such German Guarantor's (or, in the case of a GmbH & Co. KG, its general partner's) liabilities (consisting of all liabilities and liability reserves which correspond to the items set forth in section 266 paragraph 3 B, C, D and E HGB), save that any obligations (*Verbindlichkeiten*) of the German Guarantor (and, in the case of a GmbH & Co. KG, of its general partner) (A) owing to Dutch Co-Issuer and/or any of Dutch Co-Issuer's Subsidiaries or any other affiliated company which are subordinated pursuant to section 39 paragraph 1 no. 5 or section 39 paragraph 2 of the German Insolvency Code (*Insolvenzordnung*) and including obligations under guarantees for obligations which are so subordinated or (B) incurred in violation of any of the provisions of the Indenture (unless neither with wilful misconduct nor gross negligence) shall be disregarded.

The Net Assets shall be determined in accordance with the generally accepted accounting principles applicable from time to time in Germany (*Grundsätze ordnungsmäßiger Buchführung*) and be based on the same principles that were applied by the German Guarantor (or, in the case of a GmbH & Co. KG, its general partner) in the preparation of its most recent annual balance sheet (*Jahresbilanz*).

(iii) "Protected Capital" means in relation to a German Guarantor the aggregate amount of:

(A) its (or, where the German Guarantor is a GmbH & Co. KG, its general partner's) share capital (*Stammkapital*) as registered in the commercial register (*Handelsregister*) provided that any increase registered after the date of the Indenture (or in case of a New Guarantor, the date it has become a party to the Indenture) shall not be taken into account unless (i) if the increase has been effected out of retained earnings (*Kapitalerhöhung aus Gesellschaftsmitteln*) such increase has been effected with the prior written consent of the Trustee and, in any case, (ii) only to the extent it is fully paid up; and

(B) its (or when applicable where the German Guarantor is a GmbH & Co. KG, its general partner's) amount of profits (*Gewinne*) which are not available for distribution to its shareholder(s) in accordance with section 268 paragraph 8 HGB.

(iv) "Up-stream and/or Cross-stream Guarantee" means the Guarantee (which, for the purpose of this Schedule 1, shall also include any other obligation of the German Guarantor to reimburse costs or pay indemnities under or in connection with the Indenture) if and to the extent the Guarantee secures the obligations of a Guarantor which is a shareholder of the German Guarantor (and/or, in the case of a GmbH & Co. KG, of its general partner) or an affiliated company (*verbundenes Unternehmen*) of such shareholder within the meaning of section 16, 17 or 18 of the German Stock Corporation Act (*Aktiengesetz*) (other than the German Guarantor and its Subsidiaries and, in the case of a GmbH & Co. KG, the general partner and its Subsidiaries), provided that it shall not constitute an Up-stream or Cross-stream Guarantee if and to the extent the Guarantee guarantees amounts outstanding under the Indenture in relation to any financial accommodation made available under the Indenture to any Issuer and on-lent to, or issued for the benefit of, the relevant German Guarantor or any of its Subsidiaries (and, where the German Guarantor is a GmbH & Co. KG, to, or for the benefit of, its general partner or any of its Subsidiaries) and still outstanding from time to time.

(b) This Section applies if and to the extent the Guarantee is given by a German Guarantor and is an Up-stream and/or Cross-stream Guarantee.

(c) The Trustee (acting for the Holders of the Notes) agrees that the enforcement of the Guarantee given by a German Guarantor shall be limited if:

(i) (and to the extent that) the Guarantee constitutes an Upstream- and/or Cross-Stream Guarantee; and

(ii) payment under the Guarantee would otherwise

(A) have the effect of reducing the German Guarantor's (or, where the German Guarantor is a GmbH & Co. KG, its general partner's) Net Assets to an amount that is lower than the amount of its (or, in the case of a GmbH & Co. KG, its general partner's) Protected Capital or, if the amount of the Net Assets is already lower than the amount of its (or, in the case of a GmbH & Co. KG, its general partner's) Protected Capital, cause the Net Assets to be further reduced; and

(B) thereby give rise to a violation of the capital maintenance requirement as set out in section 30 paragraph 1 of the German Limited Liability Companies Act (*Gesetz betreffend die Gesellschaften mit beschränkter Haftung*); and

(iii) the relevant German Guarantor has complied with its obligation to deliver the Management Determination and the Auditor's Determination, in each case together with an up-to-date balance sheet, in accordance with the requirements set out in paragraphs (d) and (e) below.

(d) Within ten (10) Business Days after a Holder of the Notes has made a demand under the Guarantee, the German Guarantor shall provide a certificate signed by its managing director(s) (*Geschäftsführer*) confirming in writing if and to what extent the Guarantee is an Up-stream and/or Cross-stream Guarantee and an enforcement of the Guarantee would have the effects referred to in paragraph (c) (ii) above (the "Management Determination"). Such confirmation shall comprise an up-to-date balance sheet of the German Guarantor (and, in the case of a GmbH & Co. KG, its general partner) and a detailed calculation, based on the provisions of this Supplemental Indenture of the amount of the Net Assets and Protected Capital of the German Guarantor (or, in the case of a GmbH & Co. KG, its general partner). The relevant German Guarantor shall fulfil its obligations under the Guarantee within three (3) Business Days of providing the Management Determination (and each Holder of the Notes and/or the Trustee shall be entitled to enforce the Guarantee) in an amount which pursuant to the Management Determination would not cause the effects set out in paragraph (c) (ii) above (irrespective of whether or not the Trustee agrees with the Management Determination).

(e) If the Trustee (acting on the instructions of the Holder of the Notes) disagrees with the Management Determination, it may within fifteen (15) Business Days of its receipt request the German Guarantor to deliver, at its own cost and expense, within thirty (30) Business Days of such request an up-to-date balance sheet of the German Guarantor (and, in the case of a GmbH & Co. KG, of its general partner), drawn-up by an auditor appointed by the German Guarantor in consultation with the Trustee, together with a detailed calculation, based on the provisions of this Supplemental Indenture, of the amount of the Net Assets and Protected Capital of the German Guarantor (or, in the case of a GmbH & Co. KG, its general partner) (the "Auditor's Determination"). The German Guarantor shall fulfil its obligations under the Guarantee within three (3) Business Days of providing the Auditor's Determination (and each Holder of the Notes and/or the Trustee shall be entitled to enforce the Guarantee) in an amount which pursuant to the Auditor's Determination would not cause the effects set out in paragraph (c) (ii) above.

(f) No reduction of the amount enforceable pursuant to this Schedule 1 will prejudice the right of the Holders of the Notes and/or the Trustee to continue to enforce the Guarantee (subject always to the operation of the limitations set out above at the time of such enforcement) until full satisfaction of the claims guaranteed.

(g) Each German Guarantor shall (and, in the case of a German Guarantor in the form of a GmbH & Co. KG, shall procure that its general partner will) do everything commercially justifiable and legally permitted to avoid the

enforcement of the Guarantee becoming limited pursuant to the terms of this Schedule and shall in particular, after the occurrence and continuation of an Enforcement Event and within three (3) months after a written request of the Trustee realize at least at market value any of its (and, in the case of a GmbH & Co. KG, any of its general partner's) assets that are not necessary, as determined by the relevant German Guarantor in its sole discretion, for its business (*nicht betriebsnotwendig*) (or, in the case of a GmbH & Co. KG, that of its general partner) and is shown in its (or, in the case of a GmbH & Co. KG, its general partner's) balance sheet with a book value that is in the reasonable opinion of the Trustee significantly lower than the market value.

A Note shall not be valid until authenticated by the manual signature of the Trustee. The signature of the Trustee shall be conclusive evidence that the Note has been authenticated under this Indenture.

The Trustee shall authenticate, or cause the Authenticating Agent to authenticate, (i) Initial Notes for original issue on the Issue Date in an aggregate principal amount of €250,000,000, and (ii) subject to compliance with Section 3.3, one or more series of Notes ("Additional Notes") for original issue after the Issue Date (such Notes to be substantially in the form of Exhibit A) in an unlimited amount, in each case upon written order of each of the Issuers signed by an Officer of each of the Issuers (an "Authentication Order"), which Authentication Order shall, in the case of any issuance of Additional Notes, certify that such issuance is in compliance with Section 3.3. In addition, each such Authentication Order shall specify the amount of Notes to be authenticated, the date on which the Notes are to be authenticated, whether the securities are to be Initial Notes or Additional Notes and the aggregate principal amount of Notes outstanding on the date of authentication, and shall further specify the amount of such Notes to be issued as Global Notes or Definitive Notes. Such Notes shall initially be in the form of one or more Global Notes, which (i) shall represent, and shall be denominated in an amount equal to the aggregate principal amount of, the Notes to be issued, (ii) shall be registered in the name of Citivic Nominees Limited, as the nominee of the Common Depositary and (iii) shall be deposited with, or at the direction of, the Common Depositary for the accounts of Euroclear and Clearstream.

The Issuers shall have the right to designate the maturity date, interest rate and optional redemption provisions applicable to each series of Additional Notes, which may differ from the maturity date, interest rate and optional redemption provisions applicable to the Initial Notes. Additional Notes that differ with respect to maturity date, interest rate or optional redemption provisions from the Initial Notes will constitute a different series of Notes from the Initial Notes. Additional Notes that have the same maturity date, interest rate and optional redemption provisions as the Initial Notes will be treated as the same series as the Initial Notes unless otherwise designated by the Issuers. Except as otherwise provided in Section 9.2(a), the Initial Notes and any Additional Notes issued under this Indenture shall vote and consent together on all matters as one class and no series of Notes shall have the right to vote or consent as a separate class on any matter. Holders of Additional Notes actually issued will share equally and ratably in the Collateral with Holders of the Initial Notes. The Issuers shall also have, subject to the provisions of Section 9.2(a), the right to vary the application of the provisions of this Indenture to any series of Additional Notes, but not in respect of the security interest in the Collateral of the Additional Notes, which shall be secured equally and ratably with the Initial Notes.

The Initial Notes and any Additional Notes shall be resold initially only to (A) QIBs and (B) Persons other than U.S. Persons (as defined in Regulation S) in reliance on Regulation S. Such Initial Notes and Additional Notes may thereafter be transferred to, among others, QIBs and purchasers in reliance on Regulation S .

The Trustee may appoint an authenticating agent (each, an "Authenticating Agent") reasonably acceptable to the Issuers to authenticate Notes. Unless limited by the terms of such appointment, an authenticating agent may authenticate Notes whenever the Trustee may do so. Each reference in this Indenture to authentication by the Trustee includes authentication by such agent. An Authenticating Agent has the same rights as an Agent to deal with the Issuers or any Affiliate of the Issuers. The Trustee hereby initially appoints Citibank N.A., London Branch, as Authenticating Agent. Citibank N.A., London Branch, hereby accepts such initial appointment and the Issuers hereby confirm that such initial appointment is acceptable to them.

SECTION 2.3. Registrar and Paying Agent. The Issuers shall maintain (i) an office or agency where Notes may be presented for registration of transfer or for exchange (including any co-registrar, the "Registrar") and (ii) to the extent required, an office or agency in a city to be determined where Notes may be presented for payment ("Paying Agent"). The Issuers shall ensure, to the extent practicable and permitted by law, that they maintain a Paying Agent in a European Union member state that will not be obligated to withhold or deduct tax pursuant to the European Union Directive 2003/48/EC regarding the taxation of savings income (the "Directive"). The Issuers initially appoint Citigroup Global Markets Deutschland AG as Registrar and Citibank N.A., London Branch as Paying Agent, in each case,

with respect to the Notes. The Registrar shall keep a register of the Notes and of their transfer and exchange and, upon written request from the Issuers, the Registrar shall provide the Issuers with a copy of such register to enable them to maintain a register of the Notes at their registered offices. The Issuers may appoint one or more co-registrars and one or more additional paying agents. The term "Paying Agent" includes any additional paying agent. The Issuers may change any Paying Agent, Registrar or co-registrar without prior notice to any Holder. The Issuers shall notify the Trustee in writing and the Trustee shall notify the Holders of the name and address of any Agent not a party to this Indenture. The Issuers shall enter into an appropriate agency agreement with any Agent not a party to this Indenture. The agreement shall implement the provisions hereof that relate to such Agent. The Issuers shall notify the Trustee in writing of the name and address of any such Agent. If the Issuers fail to maintain a Registrar or Paying Agent in accordance with this Section 2.3, or fails to give the foregoing notice, the Trustee shall act as such, and shall be entitled to appropriate compensation in accordance with Section 7.6.

To the extent that and for so long as the Notes are listed on the Irish Official List of the Irish Stock Exchange and admitted to trading on the Global Exchange Market of the Irish Stock Exchange, copies of this Indenture and any supplement thereto may be inspected at the office of the Ireland listing agent appointed by the Issuers.

SECTION 2.4. Paying Agent to Hold Money. The Issuers shall require each Paying Agent to agree in writing that the Paying Agent shall hold for the benefit of the Holders or the Trustee all money held by the Paying Agent for the payment of principal of, premium, if any, and interest on the Notes, and shall notify the Trustee in writing of any Default by the Issuers in making any such payment. While any such Default continues, the Trustee may require a Paying Agent to pay all money held by it to the Trustee. The Issuers at any time may require a Paying Agent to pay all money held by such Paying Agent to the Trustee. Upon payment over to the Trustee, the Paying Agent (if other than either of the Issuers) shall have no further liability for the money delivered to the Trustee. If either of the Issuers acts as Paying Agent, it shall segregate and hold in a separate trust fund for the benefit of the Holders all money held by it as Paying Agent.

SECTION 2.5. Lists of Holders of the Notes. The Trustee shall preserve in as current a form as is reasonably practicable the most recent list available to it of the names and addresses of Holders and shall otherwise comply with TIA § 312(a). If the Trustee is not the Registrar and Paying Agent, the Issuers shall furnish to the Trustee and Paying Agent at least seven Business Days before each Interest Payment Date and at such other times as the Trustee may request in writing a list in such form and as of such date as the Trustee and Paying Agent may reasonably require of the names and addresses of Holders, including the aggregate principal amount of the Notes held by each thereof, and the Issuers shall otherwise comply with TIA § 312(a).

SECTION 2.6. Transfer and Exchange.

(a) Transfer and Exchange of Global Notes. A Global Note may not be transferred except, as a whole, by the Common Depositary to a nominee of the Common Depositary, by a nominee of the Common Depositary to the Common Depositary or to another nominee of the Common Depositary, or by the Common Depositary or any such nominee to a successor Common Depositary or a nominee of such successor Common Depositary. Global Notes shall be exchanged by the Issuers for Definitive Notes, subject to any applicable laws, only (i) if the Issuers deliver to the Trustee written notice from the Depositary that the Depositary is unwilling or unable to continue to act as Depositary for the Global Notes or that is it is no longer a clearing agency registered under the Exchange Act and, in either case, the Issuers fail to appoint a successor Depositary within 120 days after the date of such notice from the Depositary; or (ii) if an Event of Default shall have occurred and is continuing with respect to the Notes and the Depositary shall have requested in writing (or a beneficial owner shall have requested in writing delivered through the Depositary) the issuance of Definitive Notes following such occurrence. In any such case, the Issuers shall notify the Trustee in writing that, upon surrender by the Participants and Indirect Participants of their interests in such Global Note, certificated Notes shall be issued to each Person that such Participants, Indirect Participants and the Depositary jointly identify as being the beneficial owner of the related Notes. Global Notes also may be exchanged or replaced, in whole or in part, as provided in Sections 2.7 and 2.10. Every Note authenticated and delivered in exchange for, or in lieu of, a Global Note

or any portion thereof, pursuant to this Section 2.6 or Section 2.7 or 2.10 hereof, shall be authenticated and delivered in the form of, and shall be, a Global Note. A Global Note may not be exchanged for another Note other than as provided in this Section 2.6(a). However, beneficial interests in a Global Note may be transferred and exchanged as provided in Section 2.6(b) or (c) below.

(b) Transfer and Exchange of Beneficial Interests in the Global Notes. The transfer and exchange of beneficial interests in the Global Notes shall be effected through Euroclear and Clearstream, in accordance with the provisions hereof and the Applicable Procedures. Beneficial interests in the Restricted Global Notes shall be subject to restrictions on transfer comparable to those set forth in this Indenture to the extent required by the Securities Act. Transfers of beneficial interests in the Global Notes also shall require compliance with the applicable subparagraphs below.

(i) Transfer of Beneficial Interests in the Same Global Note. Beneficial interests in any Restricted Global Note may be transferred to Persons who take delivery thereof in the form of a beneficial interest in the same Restricted Global Note in accordance with the transfer restrictions set forth in the Private Placement Legend; *provided*, however, that prior to the expiration of the Restricted Period, no transfer of beneficial interests in a Temporary Regulation S Global Note may be made to a U.S. Person or for the account or benefit of a U.S. Person (other than an Initial Purchaser) unless permitted by applicable law and made in compliance with Sections 2.6(b)(ii) and (iii) below. Beneficial interests in any Unrestricted Global Note may be transferred to Persons who take delivery thereof in the form of a beneficial interest in an Unrestricted Global Note. No written orders or instructions shall be required to be delivered to the Registrar to effect the transfers described in this Section 2.6(b)(i) unless specifically stated above.

(ii) All Other Transfers and Exchanges of Beneficial Interests in Global Notes. In connection with all transfers and exchanges of beneficial interests that are not subject to Section 2.6(b)(i) above, the transferor of such beneficial interest must deliver to the Registrar either (A) (1) a written order from a Participant or an Indirect Participant given to Euroclear or Clearstream in accordance with the Applicable Procedures directing Euroclear or Clearstream, as applicable, to credit or cause to be credited a beneficial interest in another Global Note in an amount equal to the beneficial interest to be transferred or exchanged and (2) instructions given in accordance with the Applicable Procedures containing information regarding the Participant account to be credited with such increase, or (B) (1) if Definitive Notes are at such time permitted to be issued pursuant to this Indenture, a written order from a Participant or an Indirect Participant given to Euroclear or Clearstream in accordance with the Applicable Procedures directing Euroclear or Clearstream, as applicable, to cause to be issued a Definitive Note in an amount equal to the beneficial interest to be transferred or exchanged and (2) instructions given by Euroclear or Clearstream to the Registrar containing information regarding the Person in whose name such Definitive Note shall be registered to effect the transfer or exchange referred to in (1) above; *provided* that in no event shall Definitive Notes be issued upon the transfer or exchange of beneficial interests in the Temporary Regulation S Global Note prior to (A) the expiration of the Restricted Period and (B) the receipt by the Registrar of any certificates required pursuant to Rule 903 under the Securities Act. Upon satisfaction of all of the requirements for transfer or exchange of beneficial interests in Global Notes contained in this Indenture and the Notes or otherwise applicable under the Securities Act, the Registrar shall adjust the principal amount of the relevant Global Note(s) pursuant to Section 2.6(i) below.

(iii) Transfer of Beneficial Interests to Another Restricted Global Note. A beneficial interest in any Restricted Global Note may be transferred to a Person who takes delivery thereof in the form of a beneficial interest in another Restricted Global Note if the transfer complies with the requirements of Section 2.6(b)(ii) above and the Registrar receives the following:

(A) if the transferee shall take delivery in the form of a beneficial interest in a 144A Global Note, then the transferor must deliver a certificate in the form of Exhibit B hereto, including the certifications in item (1) thereof; and

(B) if the transferee shall take delivery in the form of a beneficial interest in the Temporary Regulation S Global Note or the Permanent Regulation S Global Note, then the transferor must deliver a certificate in the form of Exhibit B hereto, including the certifications in item (2) thereof.

(iv) Transfer and Exchange of Beneficial Interests in a Restricted Global Note for Beneficial Interests in an Unrestricted Global Note. A beneficial interest in any Restricted Global Note may be exchanged by any holder thereof for a beneficial interest in an Unrestricted Global Note or transferred to a Person who takes delivery thereof in the form of a beneficial interest in an Unrestricted Global Note if the exchange or transfer complies with the requirements of Section 2.6(b)(ii) above, and

(A) the Registrar receives the following:

(y) if the holder of such beneficial interest in a Restricted Global Note proposes to exchange such beneficial interest for a beneficial interest in an Unrestricted Global Note, a certificate from such holder in the form of Exhibit C hereto, including the certifications in item (1)(a) thereof; or

(z) if the holder of such beneficial interest in a Restricted Global Note proposes to transfer such beneficial interest to a Person who shall take delivery thereof in the form of a beneficial interest in an Unrestricted Global Note, a certificate from such holder in the form of Exhibit B hereto, including the applicable certifications in item (4) thereof;

and, in each such case set forth in this subparagraph (A), if the Registrar or the Issuers so request or if the Applicable Procedures so require, an Opinion of Counsel of the Holder or the Issuers (except in the case the Issuers have so requested) in form reasonably acceptable to the Issuers to the effect that such exchange or transfer is in compliance with the Securities Act and that the restrictions on transfer contained in this Indenture and in the Private Placement Legend are no longer required in order to maintain compliance with the Securities Act.

If any such transfer is effected pursuant to subparagraph (A) above at a time when an Unrestricted Global Note has not yet been issued, the Issuer shall issue and, upon receipt of an Authentication Order in accordance with Section 2.2, the Trustee shall authenticate one or more Unrestricted Global Notes in an aggregate principal amount equal to the aggregate principal amount of beneficial interests transferred pursuant to subparagraph (A) above.

Beneficial interests in an Unrestricted Global Note cannot be exchanged for, or transferred to Persons who take delivery thereof in the form of, a beneficial interest in a Restricted Global Note.

(c) Transfer and Exchange of Beneficial Interests for Definitive Notes.

(i) Transfer and Exchange of Beneficial Interests in Restricted Global Notes for Restricted Definitive Notes. Subject to Section 2.6(a), if any holder of a beneficial interest in a Restricted Global Note proposes to exchange such beneficial interest for a Restricted Definitive Note or to transfer such beneficial interest to a Person who takes delivery thereof in the form of a Restricted Definitive Note, then upon receipt by the Registrar of the following documentation:

(A) if the holder of such beneficial interest in a Restricted Global Note proposes to exchange such beneficial interest for a Restricted Definitive Note, a certificate from such holder in the form of Exhibit C hereto, including the certifications in item (2)(a) thereof;

(B) if such beneficial interest is being transferred to a QIB in accordance with Rule 144A under the Securities Act, a certificate to the effect set forth in Exhibit B hereto, including the certifications in item (1) thereof;

(C) if such beneficial interest is being transferred to a Non-U.S. Person in an offshore transaction in accordance with Rule 903 or Rule 904 under the Securities Act, a certificate to the effect set forth in Exhibit B hereto, including the certifications in item (2) thereof;

(D) if such beneficial interest is being transferred pursuant to an exemption from the registration requirements of the Securities Act in accordance with Rule 144, a certificate to the effect set forth in Exhibit B hereto, including the certifications in item (3)(a) thereof;

(E) if such beneficial interest is being transferred to the Issuers or any of their Subsidiaries, a certificate to the effect set forth in Exhibit B hereto, including the certifications in item (3)(b) thereof; or

(F) if such beneficial interest is being transferred pursuant to an effective registration statement under the Securities Act, a certificate to the effect set forth in Exhibit B hereto, including the certifications in item (3)(c) thereof;

the Registrar shall cause the aggregate principal amount of the applicable Global Note to be reduced accordingly pursuant to Section 2.6(i) below, and the Issuers shall execute and the Trustee shall authenticate and deliver to the Person designated in the certificate a Restricted Definitive Note in the appropriate principal amount. Any Restricted Definitive Note issued in exchange for a beneficial interest in a Restricted Global Note pursuant to this Section 2.6(c) shall be registered in such name or names and in such authorized denomination or denominations as the holder of such beneficial interest shall instruct the Registrar through instructions from the Common Depositary and the Participant or Indirect Participant. The Trustee shall deliver such Restricted Definitive Notes to the Persons in whose names such Notes are so registered. Any Restricted Definitive Note issued in exchange for a beneficial interest in a Restricted Global Note pursuant to this Section 2.6(c)(i) shall bear the Private Placement Legend and shall be subject to all restrictions on transfer contained therein.

(ii) Beneficial Interests in Regulation S Temporary Global Note to Definitive Notes. Notwithstanding Sections 2.6(c)(1)(A) and (C) hereof, a beneficial interest in the Regulation S Global Note may not be exchanged for a Definitive Note or transferred to a Person who takes delivery thereof in the form of a Definitive Note prior to (A) the expiration of the Restricted Period and (B) the receipt by the Registrar of any certificates required pursuant to Rule 903(b)(3)(ii)(B) under the Securities Act, except in the case of a transfer pursuant to an exemption from the registration requirements of the Securities Act other than Rule 903 or Rule 904.

(iii) Transfer and Exchange of Beneficial Interests in Restricted Global Notes for Unrestricted Definitive Notes. Subject to Section 2.6(a), a holder of a beneficial interest in a Restricted Global Note may exchange such beneficial interest for an Unrestricted Definitive Note or may transfer such beneficial interest to a Person who takes delivery thereof in the form of an Unrestricted Definitive Note only if:

(A) the Registrar receives the following:

(y) if the holder of such beneficial interest in a Restricted Global Note proposes to exchange such beneficial interest for a Definitive Note that does not bear the Private Placement Legend, a certificate from such holder in the form of Exhibit C hereto, including the certifications in item (1)(b) thereof; or

(z) if the holder of such beneficial interest in a Restricted Global Note proposes to transfer such beneficial interest to a Person who shall take delivery thereof in the form of an Unrestricted Definitive Note, a certificate from such holder in the form of Exhibit B hereto, including the applicable certifications in item (4) thereof,

and, in each such case set forth in this subparagraph (A), if the Registrar or the Issuers so request or if the Applicable Procedures so require, an Opinion of Counsel of the Holder or the Issuers (except in the case the Issuers have so requested) in form reasonably acceptable to the Issuers to the effect that such exchange or transfer is in compliance with the Securities Act and that the restrictions on transfer contained in this Indenture and in the Private Placement Legend are no longer required in order to maintain compliance with the Securities Act.

(iv) Transfer and Exchange of Beneficial Interests in Unrestricted Global Notes for Unrestricted Definitive Notes. Subject to Section 2.6(a), if any holder of a beneficial interest in an Unrestricted Global Note proposes to exchange such beneficial interest for an Unrestricted Definitive Note or to transfer such beneficial interest to a Person who takes delivery thereof in the form of an Unrestricted Definitive Note, then, upon satisfaction of the conditions set forth in Section 2.6(b)(ii) above, the Registrar shall cause the aggregate principal amount of the applicable Global Note to be reduced accordingly pursuant to Section 2.6(i) below, and the Issuers shall execute and the Trustee shall authenticate and deliver to the Person designated in the certificate an Unrestricted Definitive Note in the appropriate principal amount. Any Unrestricted Definitive Note issued in exchange for a beneficial interest pursuant to this Section 2.6(c)(iv) shall be registered in such name or names and in such authorized denomination or denominations as the holder of such beneficial interest shall instruct the Registrar through instructions from the Common Depositary and the Participant or Indirect Participant. The Trustee shall deliver such Unrestricted Definitive Notes to the Persons in whose names such Notes are so registered. Any Unrestricted Definitive Note issued in exchange for a beneficial interest pursuant to this Section 2.6(c)(iv) shall not bear the Private Placement Legend.

(d) Transfer and Exchange of Definitive Notes for Beneficial Interests.

(i) Transfer and Exchange of Restricted Definitive Notes for Beneficial Interests in Restricted Global Notes. If any Holder of a Restricted Definitive Note proposes to exchange such Note for a beneficial interest in a Restricted Global Note or to transfer such Restricted Definitive Notes to a Person who takes delivery thereof in the form of a beneficial interest in a Restricted Global Note, then, upon receipt by the Registrar of the following documentation:

(B) if such Restricted Definitive Note is being transferred to a QIB in accordance with Rule 144A under the Securities Act, a certificate to the effect set forth in Exhibit B hereto, including the certifications in item (1) thereof;

(C) if such Restricted Definitive Note is being transferred to a Non-U.S. Person in an offshore transaction in accordance with Rule 903 or Rule 904 under the Securities Act, a certificate to the effect set forth in Exhibit B hereto, including the certifications in item (2) thereof;

(E) if such Restricted Definitive Note is being transferred to the Issuers or any of their Subsidiaries, a certificate to the effect set forth in Exhibit B hereto, including the certifications in item (3)(b) thereof; or

(F) if such Restricted Definitive Note is being transferred pursuant to an effective registration statement under the Securities Act, a certificate to the effect set forth in Exhibit B hereto, including the certifications in item (3)(c) thereof,

the Paying Agent shall cancel the Restricted Definitive Note, and the Registrar shall increase or cause to be increased the aggregate principal amount of, in the case of clause (A) above, the appropriate Restricted Global Note, in the case of clause (B) above, the 144A Global Note, and in the case of clause (C) above, the Regulation S Global Note.

(ii) Transfer and Exchange of Restricted Definitive Notes for Beneficial Interests in Unrestricted Global Notes. A Holder of a Restricted Definitive Note may exchange such Note for a beneficial interest in an Unrestricted Global Note or transfer such Restricted Definitive Note to a Person who takes delivery thereof in the form of a beneficial interest in an Unrestricted Global Note only if:

(A) the Registrar receives the following:

(y) if the Holder of such Definitive Notes proposes to exchange such Notes for a beneficial interest in an Unrestricted Global Note, a certificate from such Holder in the form of Exhibit C hereto, including the certifications in item (1)(c) thereof; or

and, in each such case set forth in this subparagraph (A), if the Registrar or the Issuers so request or if the Applicable Procedures so require, an Opinion of Counsel of the Holder or the Issuers (except in the case the Issuers have so requested) in form reasonably acceptable to the Issuers to the effect that such exchange or transfer is in compliance with the Securities Act and that the restrictions on transfer contained in this Indenture and in the Private Placement Legend are no longer required in order to maintain compliance with the Securities Act.

Upon satisfaction of the conditions of any of the subparagraphs in this Section 2.6(d)(ii), the Paying Agent shall cancel the Definitive Notes and the Registrar shall increase or cause to be increased the aggregate principal amount of the Unrestricted Global Note.

(iii) Transfer and Exchange of Unrestricted Definitive Notes for Beneficial Interests in Unrestricted Global Notes. A Holder of an Unrestricted Definitive Note may exchange such Note for a beneficial interest in an Unrestricted Global Note or transfer such Unrestricted Definitive Notes to a Person who takes delivery thereof in the form of a beneficial interest in an Unrestricted Global Note at any time. Upon receipt of a request for such an exchange or transfer, the Paying Agent shall cancel the applicable Unrestricted Definitive Note and the Registrar shall increase or cause to be increased the aggregate principal amount of one of the Unrestricted Global Notes.

If any such exchange or transfer from an Unrestricted Definitive Note or a Restricted Definitive Note, as the case may be, to a beneficial interest is effected pursuant to (d)(ii)(A) or (d)(iii) above at a time when an Unrestricted Global Note has not yet been issued, the Issuers shall issue and, upon receipt of an Authentication Order in accordance with Section 2.2, the Trustee shall authenticate one or more Unrestricted Global Notes in an aggregate principal amount equal to the principal amount of Unrestricted Definitive Notes or Restricted Definitive Notes, as the case may be, so transferred.

(e) Transfer and Exchange of Definitive Notes for Definitive Notes. Upon request by a Holder of Definitive Notes and such Holder's compliance with the provisions of this Section 2.6(e), the Registrar shall register the transfer or exchange of Definitive Notes. Prior to such registration of transfer or exchange, the requesting Holder shall present or surrender to the Registrar the Definitive Notes duly endorsed or accompanied by a written instruction of transfer in form satisfactory to the Registrar duly executed by such Holder or its attorney, duly authorized in writing. In addition, the requesting Holder shall provide any additional certifications, documents and information, as applicable, required pursuant to the following provisions of this Section 2.6(e).

(i) Transfer of Restricted Definitive Notes to Restricted Definitive Notes. Any Restricted Definitive Note may be transferred to and registered in the name of Persons who take delivery thereof in the form of a Restricted Definitive Note if the Registrar receives the following:

(A) if the transfer shall be made pursuant to Rule 144A under the Securities Act, then the transferor must deliver a certificate in the form of Exhibit B hereto, including the certifications in item (1) thereof;

(B) if the transfer shall be made pursuant to Rule 903 or Rule 904, then the transferor must deliver a certificate in the form of Exhibit B hereto, including the certifications in item (2) thereof; and

(C) if the transfer shall be made pursuant to any other exemption from the registration requirements of the Securities Act, then the transferor must deliver a certificate in the form of Exhibit B hereto, including, if the Issuers so request, a certification and/or Opinion of Counsel in form reasonably acceptable to the Issuers to the effect that such transfer is in compliance with the Securities Act.

(ii) Transfer and Exchange of Restricted Definitive Notes for Unrestricted Definitive Notes. (z) if the Holder of such Restricted Definitive Notes proposes to transfer such Notes to a Person who shall take delivery thereof in the form of an Unrestricted Definitive Note, a certificate from such Holder in the form of Exhibit B hereto, including the applicable certifications in item (4) thereof;

and, in each such case set forth in this subparagraph (A), if the Registrar or the Issuers so request, an Opinion of Counsel of the Holder or the Issuers (except in the case the Issuers so request) in form reasonably acceptable to the Issuers to the effect that such exchange or transfer is in compliance with the Securities Act and that the restrictions on transfer contained in this Indenture and in the Private Placement Legend are no longer required in order to maintain compliance with the Securities Act.

(iii) Transfer of Unrestricted Definitive Notes to Unrestricted Definitive Notes. A Holder of Unrestricted Definitive Notes may transfer such Notes to a Person who takes delivery thereof in the form of an Unrestricted Definitive Note. Upon receipt of a request to register such a transfer, the Registrar shall register the Unrestricted Definitive Notes pursuant to the instructions from the Holder thereof.

(f) Temporary Regulation S Global Note.

(i) Notes offered and sold in reliance on Regulation S shall be issued initially in the form of the Temporary Regulation S Global Note, which shall be deposited on behalf of the purchasers of the Notes represented thereby with the Common Depositary and registered in the name of the nominee of the Common Depositary for the accounts of designated agents holding on behalf of Euroclear or Clearstream, duly executed by the Issuers and authenticated by the Trustee as hereinafter provided.

(ii) During the Restricted Period, beneficial ownership interests in Temporary Regulation S Global Notes may only be sold, pledged or transferred (A) to the Issuers, (B) in an offshore transaction in accordance with Rule 904 of Regulation S (other than a transaction resulting in an exchange for an interest in a Permanent Regulation S Global Note) or (C) pursuant to an effective registration statement under the Securities Act, in each case in accordance with any applicable securities laws of any State of the United States; and beneficial interests in a 144A Global Note may be transferred to a Person who takes delivery in the form of an interest in a Regulation S Global Note, whether before or after the expiration of the Restricted Period, only if the transferor first delivers to the Registrar a written certificate to the effect that such transfer is being made in accordance with Rule 903 or 904 of Regulation S or Rule 144 (if applicable).

(iii) Within a reasonable period after expiration or termination of the Restricted Period, beneficial interests in each Temporary Regulation S Global Note shall be exchanged for beneficial interests in a Permanent Regulation S Global Note upon delivery to the Common Depositary of the

certification of compliance and the transfer of applicable Notes pursuant to the Applicable Procedures. Simultaneously with the authentication of the corresponding Permanent Regulation S Global Note, the Paying Agent shall cancel the corresponding Temporary Regulation S Global Note. The aggregate principal amount of a Temporary Regulation S Global Note and a Permanent Regulation S Global Note may from time to time be increased or decreased by adjustments made on the records of the Registrar and the Common Depositary or its nominee, as the case may be, in connection with transfers of interest as hereinafter provided.

(iv) Notwithstanding anything to the contrary in this Section 2.6, a beneficial interest in the Temporary Regulation S Global Note may not be exchanged for a Definitive Note or transferred to a Person who takes delivery thereof in the form of a Definitive Note prior to (x) the expiration of the Restricted Period and (y) the receipt by the Registrar of any certificates required pursuant to Rule 903(b)(3)(ii)(B) of the Securities Act, except in the case of a transfer pursuant to an exemption from the registration requirements of the Securities Act other than Rule 903 or Rule 904.

(g) Private Placement Legend.

(i) Except as permitted by subparagraph (ii) below, each Restricted Global Note and each Restricted Definitive Note (and all Notes issued in exchange therefor or substitution thereof) shall bear the Private Placement Legend.

(ii) Notwithstanding the foregoing, any Global Note or Definitive Note issued pursuant to subparagraph (b)(iv), (c)(iii), (c)(iv), (d)(ii), (d)(iii), (e)(ii) or (e)(iii) of this Section 2.6 (and all Notes issued in exchange therefor or substitution thereof) shall not bear the Private Placement Legend.

(h) Global Note Legend. Each Global Note shall bear the Global Note Legend.

(i) Cancellation and/or Adjustment of Global Notes. At such time as all beneficial interests in a particular Global Note have been exchanged for Definitive Notes or a particular Global Note has been redeemed, repurchased or canceled in whole and not in part, each such Global Note shall be returned to or retained and canceled by the Paying Agent in accordance with Section 2.11 hereof. At any time prior to such cancellation, if any beneficial interest in a Global Note is exchanged for or transferred to a Person who shall take delivery thereof in the form of a beneficial interest in another Global Note or for Definitive Notes, the principal amount of Notes represented by such Global Note shall be reduced accordingly and an endorsement shall be made on such Global Note by the Registrar or by the Common Depositary at the direction of the Registrar to reflect such reduction; and if the beneficial interest is being exchanged for or transferred to a Person who shall take delivery thereof in the form of a beneficial interest in another Global Note, such other Global Note shall be increased accordingly and an endorsement shall be made on such Global Note by the Registrar or by the Common Depositary at the direction of the Registrar to reflect such increase.

(j) General Provisions Relating to Transfers and Exchanges.

(i) To permit registrations of transfers and exchanges, the Issuers shall execute and the Trustee shall authenticate Global Notes and Definitive Notes upon receipt of an Authentication Order in accordance with Section 2.2 or at the Registrar's request.

(ii) No service charge shall be made to a Holder of a beneficial interest in a Global Note or to a Holder of a Definitive Note for any registration of transfer or exchange, but the Issuers may require payment of a sum sufficient to cover any transfer tax or similar governmental charge payable in connection therewith (other than any such transfer taxes or similar governmental charge payable upon exchange or transfer pursuant to Sections 2.2, 2.10, 3.7, 3.9, 5.7, 5.8 and 9.4).

(iii) [Intentionally omitted].

(iv) All Global Notes and Definitive Notes issued upon any registration of transfer or exchange of Global Notes or Definitive Notes shall be the valid obligations of the Issuers, evidencing the same debt, and entitled to the same benefits hereof, as the Global Notes or Definitive Notes surrendered upon such registration of transfer or exchange.

(v) Neither the Registrar nor the Issuers shall be required (A) to issue, to register the transfer of or to exchange any Notes during a period beginning at the opening of business on a Business Day 15 days before the mailing of a notice of redemption of Notes and ending at the close of business on the day of such mailing, (B) to register the transfer of or to exchange any Note so selected for redemption in whole or in part, except the unredeemed portion of any Note being redeemed in part or (C) to register the transfer of or to exchange a Note between a Record Date and the next succeeding Interest Payment Date.

(vi) Prior to due presentment for the registration of a transfer of any Note, the Registrar, the Trustee, any Agent and the Issuers may deem and treat the Person in whose name any Note is registered as the absolute owner of such Note for the purpose of receiving payment of principal of and interest on such Notes and for all other purposes, and none of the Registrar, the Trustee, any Agent or the Issuers shall be affected by notice to the contrary.

(vii) The Trustee shall authenticate Global Notes and Definitive Notes in accordance with the provisions of Section 2.2.

(viii) All certifications, certificates and Opinions of Counsel required to be submitted to the Registrar pursuant to this Section 2.6 to effect a registration of transfer or exchange may be submitted by facsimile or electronically.

(ix) The Trustee shall have no obligation or duty to monitor, determine or inquire as to compliance with any restrictions on transfer imposed under this Indenture or under applicable law with respect to any transfer of any interest in any Note (including any transfers between or among Participants or Indirect Participants) other than to require delivery of such certificates and other documentation or evidence as are expressly required by, and to do so if and when expressly required by the terms of, this Indenture, and to examine the same to determine substantial compliance as to form with the express requirements hereof.

(x) Neither the Trustee, the Issuers nor any Agent shall have any responsibility for any actions taken or not taken by the Common Depositary.

(xi) Affiliates of the Issuers, including investment funds affiliated with the Sponsor, may acquire, hold and dispose of the Notes and exercise voting, consent and other similar rights with respect to such Notes (subject to the express restrictions contained in this Indenture).

(k) Public Offer Test.

(i) Neither the Notes nor any interest in the Notes may be acquired by or transferred to any person known or suspected by either Issuer or any Australian Party to be an Associate of any Issuer, any Australian Party or any other Guarantor that is a tax resident in Australia or acting as Guarantor through a Permanent Establishment in Australia.

(ii) Each Holder that acquires Notes (or an interest in the Notes) or to whom Notes are (or an interest in the Notes is) transferred is deemed to represent and warrant that, except as disclosed to the Issuers and each Australian Party, it is not, so far as its relevant officers involved in the transaction on a day to day basis are actually aware, an Offshore Associate of any Issuer, any Australian Party or any other Guarantor that is a tax resident in Australia or acting as Guarantor through a Permanent Establishment in Australia.

SECTION 2.7. Replacement Notes. If any mutilated Note is surrendered to the Trustee, or the Issuers and the Trustee receive evidence to their satisfaction of the destruction, loss or theft of any Note, the Issuers shall issue and the Trustee, upon receipt of an Authentication Order, shall authenticate a replacement Note if the Trustee's requirements for replacements of Notes are met. The Holder must supply indemnity or security sufficient in the judgment of the Trustee (with respect to the

Trustee) and the Issuers (with respect to the Issuers) to protect the Issuers, the Trustee, any Agent or any authenticating agent from any loss which any of them may suffer if a Note is replaced. The Issuers and the Trustee may charge for their fees and expenses in replacing a Note including amounts to cover any tax, assessment, fee or other governmental charge that may be imposed in relation thereto.

Every replacement Note is an obligation of the Issuers.

SECTION 2.8. Outstanding Notes. The Notes outstanding at any time are all the Notes authenticated by the Trustee except for those canceled by the Paying Agent, those delivered to the Registrar for cancellation and those described in this Section 2.8 as not outstanding.

If a Note is replaced pursuant to Section 2.7, it ceases to be outstanding unless the Trustee receives proof satisfactory to it that the replaced Note is held by a protected purchaser.

If the principal amount of any Note is considered paid under Section 3.1 hereof, it shall cease to be outstanding and interest on it shall cease to accrue.

Subject to Section 2.9, a Note does not cease to be outstanding because either of the Issuers, a Subsidiary of either of the Issuers or an Affiliate of either of the Issuers holds the Note.

SECTION 2.9. Treasury Notes. In determining whether the Holders of the requisite majority of outstanding Notes have concurred in any request, demand, authorization, direction, notice, waiver or consent (other than in respect of any action pursuant to Section 9.2(a), which requires the consent of each Holder of an affected Note), Notes owned by the Issuers, any Subsidiary of either of the Issuers or any Affiliate of either of the Issuers shall be disregarded and considered as though not outstanding, except that for purposes of determining whether the Trustee shall be protected in relying on any such request, demand, authorization, direction, notice, waiver or consent, only Notes which a Trust Officer actually knows to be owned by the Issuers, any Subsidiary of either of the Issuers, or any Affiliate of either of the Issuers shall be considered as not outstanding. Upon request of the Trustee, the Issuers shall promptly furnish to the Trustee an Officer's Certificate listing and identifying all Notes, if any, known by the Issuers to be owned or held by or for the account of any of the above-described persons, and the Trustee shall be entitled to accept such Officer's Certificate as conclusive evidence of the facts therein set forth and of the fact that all Notes not listed therein are outstanding for the purpose of any such determination.

SECTION 2.10. Temporary Notes. Until Definitive Notes are ready for delivery, the Issuers may prepare and the Trustee shall upon receipt of an Authentication Order authenticate temporary Notes. Temporary Notes shall be substantially in the form of Definitive Notes but may have variations that the Issuers consider appropriate for temporary Notes. Without unreasonable delay, the Issuers shall prepare and the Trustee, upon receipt of an Authentication Order, shall authenticate Definitive Notes in exchange for temporary Notes. Until such exchange, temporary Notes shall be entitled to the same rights, benefits and privileges as Definitive Notes.

SECTION 2.11. Cancellation. The Issuers at any time may deliver Notes to the Paying Agent for cancellation. The Paying Agent shall cancel all Notes surrendered for registration of transfer, exchange, payment, replacement or cancellation and shall dispose of all canceled Notes in its customary manner (subject to the record retention requirements of the Exchange Act and the Paying Agent), and shall procure that the Registrar makes the corresponding entries in the register. Upon the written request of the Issuers, the Paying Agent shall deliver copies of such canceled Notes to the Issuers. The Issuers may not issue new Notes to replace Notes that it has redeemed or paid or that have been delivered to the Paying Agent for cancellation.

SECTION 2.12. Payment of Interest; Defaulted Interest. Interest on any Note which is payable, and is punctually paid or duly provided for, on any Interest Payment Date shall be paid to the Person in whose name such Note (or one or more predecessor Notes) is registered at the close of business on the regular Record Date for such interest at the office or agency of the Issuers maintained for such purpose pursuant to Section 2.3.

Any interest on any Note which is payable, but is not paid when the same becomes due and payable and such nonpayment continues for a period of 30 days shall forthwith cease to be payable to the Holder on the regular Record Date by virtue of having been such Holder, and such defaulted interest and (to the extent lawful) interest on such defaulted interest at the rate borne by the Notes (such defaulted interest and interest thereon herein collectively called "Defaulted Interest") shall be paid by the Issuers, at their election in each case, as provided in clause (a) or (b) below:

(a) The Issuers may elect to make payment of any Defaulted Interest to the Persons in whose names the Notes (or their respective predecessor Notes) are registered at the close of business on a Special Record Date (as defined below) for the payment of such Defaulted Interest, which shall be fixed in the following manner. The Issuers shall notify the Trustee in writing of the amount of Defaulted Interest proposed to be paid on each Note and the date (not less than 30 days after such notice unless a shorter period shall be acceptable to the Trustee) of the proposed payment (the "Special Interest Payment Date"), and at the same time the Issuers shall deposit with the Trustee an amount of money equal to the aggregate amount proposed to be paid in respect of such Defaulted Interest or shall make arrangements for such deposit prior to the date of the proposed payment, such money when deposited to be held in trust for the benefit of the Persons entitled to such Defaulted Interest as in this clause provided. Thereupon the Issuers shall fix a record date (the "Special Record Date") for the payment of such Defaulted Interest, which shall be not more than 15 days and not less than 10 days prior to the Special Interest Payment Date and not less than 10 days after the receipt by the Trustee of the notice of the proposed payment. The Issuers shall promptly notify the Trustee of such Special Record Date and shall, or at the written request and in the name and expense of the Issuers, the Trustee shall, cause notice of the proposed payment of such Defaulted Interest and the Special Record Date and Special Interest Payment Date therefor to be given in the manner provided for in Section 12.1, not less than 10 days prior to such Special Record Date. Notice of the proposed payment of such Defaulted Interest and the Special Record Date and Special Interest Payment Date therefor having been so given, such Defaulted Interest shall be paid on the Special Interest Payment Date to the Persons in whose names the Notes (or their respective predecessor Notes) are registered at the close of business on such Special Record Date and shall no longer be payable pursuant to the following clause (b).

(b) The Issuers may make payment of any Defaulted Interest in any other lawful manner not inconsistent with the requirements of any securities exchange on which the Notes may be listed, and upon such notice as may be required by such exchange, if, after notice given by the Issuers to the Trustee of the proposed payment pursuant to this clause (b), such manner of payment shall be deemed practicable by the Trustee.

Subject to the foregoing provisions of this Section, each Note delivered under this Indenture upon registration of transfer of or in exchange for or in lieu of any other Note shall carry the rights to interest accrued and unpaid, and to accrue, which were carried by such other Note.

SECTION 2.13. ISIN and Common Code Numbers. The Issuers in issuing the Notes may use "ISIN" and/or "Common Code" numbers (if then generally in use). The Trustee shall not be responsible for the use of ISIN or Common Code numbers, and the Trustee makes no representation as to their correctness as printed on any Note or notice to Holders. The Issuers shall promptly notify the Trustee in writing of any change in the ISIN or Common Code numbers. A separate ISIN or Common Code number will be issued for any Additional Notes, unless (i) the Initial Notes and such Additional Notes have the same maturity date, interest rate and optional redemption provisions and are treated as "fungible" for U.S. federal income tax purposes, (ii) both the Initial Notes and such Additional Notes are issued in the same series (as set forth in Section 2.2) without (or with less than a de minimis amount of) original issue discount for U.S. federal income tax purposes or (iii) another then-recognized identifier is used.

SECTION 2.14. Record Date. The Record Date for purposes of determining the identity of Holders entitled to vote or consent to any action by vote or consent authorized or permitted under this Indenture shall be determined as provided for in TIA § 316(c).

SECTION 2.15. Additional Amounts. All payments made by any Issuer or any Guarantor or any successor in interest to any of the foregoing (each, a "Payor") on or with respect to the Notes or any Guarantee will be made without withholding or deduction for, or on account of, any present or future tax, duty, levy, impost, assessment or other similar governmental charge (collectively, "Taxes") unless such withholding or deduction is required by law. If any deduction or withholding for, or on account of, any Taxes imposed or levied by or on behalf of:

(a) any jurisdiction (other than the United States or any political subdivision or governmental authority thereof or therein having power to tax) from or through which payment on the Notes or any Guarantee is made by such Payor, or any political subdivision or governmental authority thereof or therein having the power to tax; or

(b) any other jurisdiction (other than the United States or any political subdivision or governmental authority thereof or therein having the power to tax) in which a Payor that actually makes a payment on the Notes or its Guarantee is organized or otherwise considered to be a resident for tax purposes, or any political subdivision or governmental authority thereof or therein having the power to tax,

(each of clause (a) and (b), a "Relevant Taxing Jurisdiction"), will at any time be required from any payments made with respect to the Notes or any Guarantee, including payments of principal, redemption price, interest or premium, if any, the Payor will pay (together with such payments) such additional amounts (the "Additional Amounts") as may be necessary in order that the net amounts received in respect of such payments by the Holders or the Trustee, as the case may be, after such withholding or deduction (including any such deduction or withholding from such Additional Amounts), will not be less than the amounts that would have been received in respect of such payments on the Notes or the Guarantees in the absence of such withholding or deduction; *provided*, however, that no such Additional Amounts will be payable for or on account of:

(i) any Taxes that would not have been so imposed or levied but for the existence of any present or former connection between the relevant Holder (or between a fiduciary, settlor, beneficiary, partner, member or shareholder of, or possessor of power over, the relevant Holder, if such Holder is an estate, nominee, trust, partnership, limited liability company or corporation) and the Relevant Taxing Jurisdiction (including being a citizen or resident or national of, or carrying on a business or maintaining a permanent establishment in, or being physically present in, the Relevant Taxing Jurisdiction) but excluding, in each case, any connection arising solely from the acquisition, ownership or holding of such Notes or the receipt of any payment in respect thereof;

(ii) any Taxes that would not have been so imposed or levied if the Holder of the Note had complied with a reasonable request in writing of the Payor (such request being made at a time that would enable such holder acting reasonably to comply with that request) to make a declaration of nonresidence or any other claim or filing or satisfy any certification, information or reporting requirement for exemption from, or reduction in the rate of, withholding to which it is entitled (*provided* that such declaration of nonresidence or other claim, filing or requirement is required by the applicable law, treaty, regulation or administrative practice of the Relevant Taxing Jurisdiction as a precondition to exemption from the requirement to deduct or withhold all or a part of any such Taxes);

(iii) any Taxes that are payable otherwise than by withholding from a payment on the Notes or any Guarantee;

(iv) any estate, inheritance, gift, sales, excise, transfer, personal property or similar Taxes;

(v) any Taxes that are required to be deducted or withheld on a payment pursuant to the Directive or any law implementing, or introduced in order to conform to, the Directive;

(vi) any Taxes imposed in connection with a Note presented for payment by or on behalf of a Holder or beneficial owner who would have been able to avoid such Tax by presenting the relevant Note to, or otherwise accepting payment from, another paying agent in a member state of the European Union;

(vii) any Taxes imposed pursuant to the Directive, or any law implementing or complying with, or introduced in order to conform to, the Directive;

(viii) any Taxes payable under Sections 1471 through 1474 of the Code, as of the date of the Offering Circular (or any amended or successor version that is substantively comparable and not materially more onerous to comply with), any current or future regulations or official interpretations thereof and any agreements (including any intergovernmental agreements) entered into pursuant thereto; or

(ix) any combination of the above.

Such Additional Amounts will also not be payable (x) if the payment could have been made without such deduction or withholding if the beneficiary of the payment had presented the Note for payment (where presentation is required) within 30 days after the relevant payment was first made available for payment to the Holder or (y) where, had the beneficial owner of the Note been the Holder of the Note, such beneficial owner would not have been entitled to payment of Additional Amounts by reason of any of clauses (i) to (viii) inclusive above.

The Payor will (1) make any required withholding or deduction and (2) remit the full amount deducted or withheld to the relevant taxing authority of the Relevant Taxing Jurisdiction in accordance with applicable law. Upon request, the Payor will use all reasonable efforts to obtain certified copies of tax receipts evidencing the payment of any Taxes so deducted or withheld from each relevant taxing authority of each Relevant Taxing Jurisdiction imposing such Taxes and will provide such certified copies to the Trustee. If, notwithstanding the efforts of such Payor to obtain such receipts, the same are not obtainable, such Payor will provide the Trustee with other reasonable evidence. Such receipts or other evidence will be made available by the Trustee to Holders on request.

If any Payor will be obligated to pay Additional Amounts under or with respect to any payment made on the Notes, at least 30 days prior to the date of such payment, the Payor will deliver to the Trustee and the Paying Agent an Officer's Certificate stating the fact that Additional Amounts will be payable and the amount so payable and such other information necessary to enable the Paying Agent to pay Additional Amounts to Holders on the relevant payment date (unless such obligation to pay Additional Amounts arises less than 45 days prior to the relevant payment date, in which case the Payor shall deliver such Officer's Certificate and such other information as promptly as practicable after the date that is 30 days prior to the payment date, but no less than five Business Days prior thereto, and otherwise in accordance with the requirements of Euroclear or Clearstream, as applicable).

Wherever in this Indenture, the Notes or any Guarantee there is mentioned, in any context:

(1) the payment of principal,

(2) redemption prices or purchase prices in connection with a redemption or purchase of Notes,

(3) interest, or

(4) any other amount payable on or with respect to any of the Notes or any Guarantee,

such reference shall be deemed to include payment of Additional Amounts as described in this Section 2.15 to the extent that, in such context, Additional Amounts are, were or would be payable in respect thereof.

The Payor will pay any present or future stamp, court or documentary Taxes, or any other excise, property or similar Taxes that arise in any Relevant Taxing Jurisdiction from the execution, delivery, issuance, initial resale, registration or enforcement of any Notes, this Indenture or any other document or instrument in relation thereto (other than a transfer of the Notes). The foregoing obligations will survive any termination, defeasance or discharge of this Indenture and will apply *mutatis mutandis* to any jurisdiction in which any successor to a Payor is organized or otherwise considered to be a resident for Tax purposes or any political subdivision or taxing authority or agency thereof or therein.

The Issuer and Guarantors shall ensure that no proceeds raised under the Notes will be used in a manner which would constitute a "use of proceeds in Switzerland" as interpreted by Swiss tax

authorities for the purposes of Swiss Withholding Tax (*Verrechnungssteuer*), except and to the extent that a written confirmation or tax ruling countersigned by the Swiss Federal Tax Administration (*Eidgenössische Steuerverwaltung*) has been obtained confirming that the intended "use of proceeds in Switzerland" if guaranteed by a Swiss resident Guarantor does not result in the Notes qualifying as a Swiss notes issue for Swiss Withholding Tax purposes.

SECTION 2.16. Conversion of Currency. The euro is the sole currency of account and payment for all sums payable by the Issuers or any Guarantor under or in connection with the Notes, this Indenture and the Guarantees, including damages. Any amount with respect to the Notes, Indenture or Guarantees received or recovered in a currency other than euros, whether as a result of, or the enforcement of, a judgment or order of a court of any jurisdiction, in the winding-up or dissolution of the Issuers or any Guarantor or otherwise by any Holder or by the Trustee, in respect of any sum expressed to be due to it from the Issuers or any Guarantor will only constitute a discharge to the Issuers or any Guarantor to the extent of the euro amount which the recipient is able to purchase with the amount so received or recovered in that other currency on the date of that receipt or recovery (or, if it is not practicable to make that purchase on that date, on the first date on which it is practicable to do so).

If that euro amount is less than the euro amount expressed to be due to the recipient or the Trustee, the Issuers and each Guarantor will indemnify such recipient and/or the Trustee against any loss sustained by it as a result. In any event, the Issuers and each Guarantor will indemnify the recipient against the cost of making any such purchase. For the purposes of this currency indemnity provision, it will be *prima facie* evidence of the matter stated therein, for the holder of a Note or the Trustee to certify in a manner satisfactory to the Issuers (indicating the sources of information used) the loss it incurred in making any such purchase. These indemnities constitute a separate and independent obligation from the Issuers' and each Guarantor's other obligations, will give rise to a separate and independent cause of action, will apply irrespective of any waiver granted by any Holder or the Trustee (other than a waiver of the indemnities set out herein) and will continue in full force and effect despite any other judgment, order, claim or proof for a liquidated amount in respect of any sum due under any note or to the Trustee. For the purposes of this indemnity, it will be sufficient for the Trustee or such recipient, as applicable, to certify (indicating the sources of information used) that it would have suffered a loss had the actual purchase of euro been made with the amount so received in that other currency on the date of receipt or recovery (or, if a purchase of euro on such date had not been practicable, on the first date on which it would have been practicable, it being required that the need for a change of date be certified in the manner mentioned above).

ARTICLE III

Covenants

SECTION 3.1. Payment of Notes. The Issuers shall promptly pay the principal of, premium, if any, and interest on the Notes on the dates and in the manner provided in the Notes and in this Indenture. Principal, premium, if any, and interest shall be considered paid on the date due if by 10:00 a.m. (London time) on such date the Trustee or the Paying Agent holds in accordance with this Indenture money sufficient to pay all principal, premium, if any, and interest then due and the Trustee or the Paying Agent, as the case may be, is not prohibited from paying such money to the Holders on that date pursuant to the terms of this Indenture.

The Issuers shall pay interest on overdue principal at the rate specified therefor in the Notes.

The Issuers shall procure payment confirmation on or prior to the second Business Day preceding payment. The Paying Agent shall not be bound to make payment until satisfied that full payment has been received by such Paying Agent from the Issuers in cleared funds by 10:00 a.m. London time on the date due.

Notwithstanding anything to the contrary contained in this Indenture, the Issuers may, to the extent they are required to do so by law, deduct or withhold income or other similar taxes imposed by the United States of America from principal or interest payments hereunder. Either Issuer or any other Payor may withhold from any interest payment made on any Note to or for the benefit of any Person who is not a "United States person" (as such term is defined for U.S. federal income tax purposes) U.S. federal withholding tax, and pay such withheld amounts to the Internal Revenue Service, unless such Person provides documentation to such Issuer or other Payor such that an exemption from U.S. federal withholding tax would apply to such payment if interest on such Note were treated entirely as income from sources within the United States for U.S. federal income tax purposes.

SECTION 3.2. Reports and Other Information.

(a) Dutch Co-Issuer shall provide to the Trustee and, upon request, to the Holders a copy of all of the following information and reports:

(i) within 90 days (145 days for the fiscal year ended December 31, 2012) after the end of each fiscal year (or such longer period as may be permitted by the SEC if Dutch Co-Issuer were then subject to SEC reporting requirements as a non-accelerated filer), annual audited financial statements for such fiscal year including a "Management's Discussion and Analysis of Financial Condition and Results of Operations" with respect to the periods presented and a report on the annual financial statements by Dutch Co-Issuer's independent registered public accounting firm (all of the foregoing financial information to be prepared on a basis substantially consistent with the corresponding financial information included in the Offering Circular),

(ii) within 45 days (90 days for the first fiscal quarter ending after the Issue Date and 60 days for the second fiscal quarter ending after the Issue Date) after the end of each of the first three fiscal quarters of each fiscal year (or such longer period as may be permitted by the SEC if Dutch Co-Issuer were then subject to SEC reporting requirements as a non-accelerated filer), unaudited financial statements for the interim period as of, and for the period ending on, the end of such fiscal quarter including a "Management's Discussion and Analysis of Financial Condition and Results of Operations" (all of the foregoing financial information to be prepared on a basis substantially consistent with the corresponding financial information included in the Offering Circular), and

(iii) within the time period specified for filing current reports on Form 8-K by the SEC, current reports containing information substantially similar to the information that would be required to be filed in a Current Report on Form 8-K under the Exchange Act as in effect on the Issue Date pursuant to Sections 1 and 4, and Items 2.01, 2.03, 2.04, 2.05, 5.01, 5.02(a)(1), 5.02(b), 5.02(c)(1) and (3), 5.02(d)(1), (2), (3) and (4) (other than compensation information), 5.03(b) and Item 9.01 (only to the extent relating to any of the foregoing) of Form 8-K (but excluding, for the avoidance of doubt, financial statements and exhibits that would be required pursuant to Item 9.01 of Form 8-K, other than financial statements and *pro forma* financial information required pursuant to clause (a) or (b) of Item 9.01 of Form 8-K (in each case relating to transactions required to be reported pursuant to Item 2.01 of Form 8-K) to the extent available (as determined by Dutch Co-Issuer in good faith, which determination shall be conclusive)) if Dutch Co-Issuer were a reporting company under the Exchange Act; *provided* that no such current report shall be required to be furnished if Dutch Co-Issuer determines in its good faith judgment that such event is not material to Holders or to the business, assets, operations, financial position or prospects of Dutch Co-Issuer and its Restricted Subsidiaries, taken as a whole, or if Dutch Co-Issuer determines in its good faith judgment that such disclosure would otherwise cause material competitive harm to the business, assets, operations, financial position or prospects of Dutch Co-Issuer and its Restricted Subsidiaries, taken as a whole; *provided, further*, that such non-disclosure shall be limited only to those specific provisions that would cause material competitive harm and not the occurrence of the event itself;

provided, however, that in addition to providing such information to the Trustee and, upon request, the Holders, Dutch Co-Issuer will make available to the Holders, prospective investors in the Notes, market makers in the Notes affiliated with any Initial Purchaser and securities analysts (to the extent providing analysis of investment in the Notes) such information by (A) posting to the website of either of the Issuers or on IntraLinks or any comparable password-protected online data system, in each case, within 15 days

after the time Dutch Co-Issuer would be required to provide such information pursuant to clause (i), (ii) or (iii) above, as applicable, or (B) otherwise providing substantially comparable availability of such reports (as determined by Dutch Co-Issuer in good faith) (it being understood that, without limitation, making such reports available on Bloomberg or another comparable private electronic information service shall constitute substantially comparable availability).

(b) Notwithstanding the foregoing, (i) Dutch Co-Issuer shall not be required to furnish any information, certificates or reports required by (A) Section 302, Section 404 or Section 906 of the Sarbanes-Oxley Act of 2002, or related Items 307 or 308 of Regulation S-K or (B) Regulation G or Item 10(e) of Regulation S-K promulgated by the SEC with respect to any non-generally accepted accounting principles financial measures contained therein, (ii) such reports shall not be required to contain the separate financial statements or other information contemplated by Rule 3-05, Rule 3-09, Rule 3-10 or Rule 3-16 of Regulation S-X, (iii) to the extent *pro forma* financial information regarding the Transactions is required to be provided by Dutch Co-Issuer, Dutch Co-Issuer may provide only *pro forma* revenues, net income, income before extraordinary items and the cumulative effect of accounting changes, EBITDA, Adjusted EBITDA (as such term is defined in the Offering Circular), senior secured debt, total debt and capital expenditures in lieu thereof and (iv) such reports shall not be required to present compensation or beneficial ownership information.

(c) For so long as Dutch Co-Issuer has designated certain of its Subsidiaries as Unrestricted Subsidiaries, then the quarterly and annual financial information required to be provided by this Section 3.2 shall include a reasonably detailed presentation, either on the face of the financial statements or in the footnotes thereto, or in the "Management's Discussion and Analysis of Financial Condition and Results of Operations" or other comparable section, of the financial condition and results of operations of Dutch Co-Issuer and its Restricted Subsidiaries separate from the financial condition and results of operations of the Unrestricted Subsidiaries of Dutch Co-Issuer.

(d) In addition, to the extent not satisfied by the foregoing, Dutch Co-Issuer shall agree that, for so long as any Notes are outstanding, it shall furnish to Holders and to securities analysts and prospective investors in the Notes, upon their request, the information required to be delivered pursuant to Rule 144A(d)(4) under the Securities Act (or any successor provision).

(e) Notwithstanding the foregoing, the financial statements, information, auditors' reports and other documents required to be provided as described above, may be, rather than those of Dutch Co-Issuer, those of any direct or indirect parent of Dutch Co-Issuer; *provided* that, if the financial information so furnished relates to such direct or indirect parent of Dutch Co-Issuer, the same is accompanied by consolidating information that explains in reasonable detail the differences between the information relating to such parent, on the one hand, and the information relating to Dutch Co-Issuer and its Restricted Subsidiaries on a standalone basis, on the other hand.

(f) Dutch Co-Issuer will be deemed to have satisfied the reporting requirements of Section 3.2(a) if Dutch Co-Issuer or any direct or indirect parent of Dutch Co-Issuer has filed such reports containing such information (including the information required pursuant to the first sentence of Section 3.2(e), which, for the avoidance of doubt, need not be filed with the SEC via EDGAR to the extent it is otherwise provided to Holders pursuant to this Section 3.2) with the SEC via the EDGAR (or successor) filing system within the applicable time periods required by the SEC and such reports are publicly available.

(g) So long as Notes are outstanding, Dutch Co-Issuer shall also:

(i) promptly after furnishing to the Trustee the annual and quarterly reports required by Sections 3.2(a)(i) and (ii), hold a conference call to discuss such reports and the results of operations for the relevant reporting period; and

(ii) post to its website or on IntraLinks or any comparable password-protected online data system, which shall require a confidentiality acknowledgment (but not restrict the recipients of such information from trading securities of Dutch Co-Issuer or its affiliates), prior to

the date of the conference call required to be held in accordance with Section 3.2(g)(i), the time and date of such conference call and either all information necessary to access the call or inform the Holders, prospective investors in the Notes, market makers in the Notes affiliated with any Initial Purchaser and securities analysts (to the extent providing analysis of an investment in the Notes) how they can obtain such information, including, without limitation, the applicable password or other login information.

(h) Any Person who requests or accesses such financial information or seeks to participate in any conference calls required by this covenant shall be required to represent to the Issuers (to the Issuers' reasonable good faith satisfaction) that:

(i) it is a Holder of the Notes, a beneficial owner of the Notes, a prospective investor in the Notes or a market maker in the Notes;

(ii) it shall not use the information in violation of applicable securities laws or regulations;

(iii) it shall keep such provided information confidential and shall not communicate the information to any Person; and

(iv) it is not a Person (which includes such Person's Affiliates) that (i) is principally engaged in a Similar Business or (ii) derives a significant portion of its revenues from operation of a Similar Business.

(i) Delivery of reports, information and documents (including without limitation reports contemplated under this Section 3.2) to the Trustee is for informational purposes only and the Trustee's receipt of such shall not constitute constructive notice of any information contained therein or determinable from information contained therein, including the Issuers' compliance with any of their covenants hereunder (as to which the Trustee is entitled to rely exclusively on Officer's Certificates).

SECTION 3.3. Limitation on Incurrence of Indebtedness and Issuance of Disqualified Stock and Preferred Stock.

For purposes of designating any Restricted Subsidiary as an Unrestricted Subsidiary, all outstanding Investments by Dutch Co-Issuer and its Restricted Subsidiaries (except to the extent repaid) in the Subsidiary so designated shall be deemed to be Restricted Payments or Permitted Investments in an amount determined as set forth in the last sentence of the definition of "Investments." For purposes of this Section 3.4, if any Investment or Restricted Payment (or a portion thereof) would be permitted pursuant to one or more provisions described above and/or one or more of the exceptions contained in the definition of "Permitted Investments," Dutch Co-Issuer may divide and classify such Investment or Restricted Payment (or a portion thereof) in any manner that complies with this covenant and may later divide and reclassify any such Investment or Restricted Payment so long as the Investment or Restricted Payment (as so divided and/or reclassified) would be permitted to be made in reliance on the applicable exception as of the date of such reclassification.

SECTION 3.5. Liens.

(a) The Issuers shall not, and shall not permit any Guarantor to, directly or indirectly, create, Incur or suffer to exist any Lien (other than Permitted Liens) on any asset or property of either of the Issuers or such Guarantor, or any income or profits therefrom, or assign or convey any right to receive income therefrom, that secures any Indebtedness of Dutch Co-Issuer or such Guarantor, unless (1) in the case of Liens on any property or asset that does not constitute and is not required to be Collateral, the Notes and this Indenture (or a Guarantee in the case of Liens of a Guarantor) are secured equally and ratably with (or prior to, in the case such Lien secures any Subordinated Indebtedness) the Indebtedness secured by such Lien on the same property or asset of such Issuer or such Guarantor, as the case may be, for so long as such Indebtedness is so secured, and (2) in the case of Liens on any Collateral, the Notes and this Indenture (or a Guarantee in the case of Liens of a Guarantor) are secured by a Lien on such property or asset of either of such Issuer or such Guarantor, as the case may be, that is senior in priority to such Liens, for so long as such Indebtedness is so secured.

(b) Any Lien that is granted to secure the Notes or such Guarantee pursuant to Section 3.5(a) shall be automatically and unconditionally released and discharged at the same time as the release of the Lien (other than a release as a result of the enforcement of remedies in respect of such Lien or the Obligations secured by such Lien) that gave rise to the obligation to secure the Notes or such Guarantee under Section 3.5(a).

(c) If an Issuer or any Guarantor creates any Lien upon any property or assets to secure any First Lien Obligations, it must concurrently grant a first-priority Lien upon such property or assets as security for the Notes or the applicable Guarantee such that the property or assets subject to such Lien will constitute Collateral under this Indenture and the Notes Security Documents (except to the extent such property or assets constitutes cash or Cash Equivalents required to secure only letter of credit obligations under the Senior Credit Agreement).

(d) If an Issuer or any Guarantor creates any Lien upon any Collateral to secure any Subordinated Indebtedness or Indebtedness secured by a junior Lien, the Issuers, the Guarantors, the Collateral Agent, the Bank Collateral Agent and the representative of such secured Subordinated Indebtedness or junior Lien Indebtedness shall enter into an intercreditor agreement governing the relative rights of the First Lien Obligations and the secured Subordinated Indebtedness or Indebtedness secured by a junior Lien on terms and conditions reasonably satisfactory to the Bank Collateral Agent.

(e) The Issuers and the Guarantors shall not enter into any agreement that requires the proceeds received from any sale of Collateral to be applied to repay, redeem, defease or otherwise acquire or retire any Indebtedness of any Person, other than as permitted by this Indenture, the Notes, the Notes Security Documents, the Credit Agreement, the Credit Agreement Security Documents, the First Lien Debt Documents and the Intercreditor Agreement.

SECTION 3.6. Dividend and Other Payment Restrictions Affecting Subsidiaries. Dutch Co-Issuer shall not, and shall not permit any of its Restricted Subsidiaries to, directly or indirectly, create or otherwise cause or suffer to exist or become effective any consensual encumbrance or consensual restriction on the ability of any Restricted Subsidiary to:

(a) (i) pay dividends or make any other distributions to Dutch Co-Issuer or any of its Restricted Subsidiaries on its Capital Stock or (ii) pay any Indebtedness owed to Dutch Co-Issuer or any of its Restricted Subsidiaries;

(b) make loans or advances to Dutch Co-Issuer or any of its Restricted Subsidiaries; or

(c) sell, lease or transfer any of its properties or assets to Dutch Co-Issuer or any of its Restricted Subsidiaries;

except in each case for such encumbrances or restrictions existing under or by reason of:

(i) contractual encumbrances or restrictions of Dutch Co-Issuer or any of its Restricted Subsidiaries in effect on the Issue Date, including pursuant to the Senior Credit Agreement and the other documents relating to the Senior Credit Agreement, the Dollar Notes Indenture and the notes, guarantees and other documents relating to the Dollar Notes Indenture and related Hedging Obligations;

(ii) this Indenture, the Notes and the Guarantees;

(iii) applicable law or any applicable rule, regulation or order;

(iv) any agreement or other instrument of a Person acquired by or merged or consolidated with or into Dutch Co-Issuer or any Restricted Subsidiary that was in existence at the time of such acquisition (or at the time it merges with or into Dutch Co-Issuer or any Restricted Subsidiary or assumed in connection with the acquisition of assets from such Person (but, in each case, not created in contemplation thereof)), which encumbrance or restriction is not applicable to any Person, or the properties or assets of any Person, other than the Person, or the property or assets of the Person, so acquired; *provided* that in connection with a merger under this clause (iv), if a Person other than Dutch Co-Issuer or such Restricted Subsidiary is the Successor Company with respect to such merger, any Subsidiary of such Person, or any agreement or instrument of such Person or any Subsidiary of such Person, shall be deemed acquired or assumed, as the case may be, by Dutch Co-Issuer or such Restricted Subsidiary, as the case may be, at the time of such merger;

(v) customary encumbrances or restrictions contained in contracts or agreements for the sale of assets applicable to such assets pending consummation of such sale, including customary restrictions with respect to a Restricted Subsidiary imposed pursuant to an agreement entered into for the sale or disposition of all or substantially all the Capital Stock or assets of such Restricted Subsidiary;

(vi) restrictions on cash or other deposits or net worth imposed by customers under contracts entered into in the ordinary course of business;

(vii) customary provisions in operating or other similar agreements, asset sale agreements and stock sale agreements entered into in connection with the entering into of such transaction, which limitation is applicable only to the assets that are the subject of those agreements;

(viii) purchase money obligations for property acquired and Capitalized Lease Obligations entered into in the ordinary course of business to the extent such obligations impose restrictions of the nature discussed in clause (c) above on the property so acquired;

(ix) customary provisions contained in leases, sub-leases, licenses, sublicenses, contracts and other similar agreements entered into in the ordinary course of business to the extent such obligations impose restrictions of the type described in clause (c) above on the property subject to such lease;

(x) any encumbrance or restriction of a Receivables Subsidiary effected in connection with a Qualified Receivables Financing; *provided*, *however*, that such restrictions apply only to such Receivables Subsidiary;

(xi) other Indebtedness, Disqualified Stock or Preferred Stock of Dutch Co-Issuer or any Restricted Subsidiary that is Incurred subsequent to the Issue Date pursuant to Section 3.3; *provided* that (i) such encumbrances and restrictions contained in any agreement or instrument shall not materially affect the Issuers' ability to make anticipated principal or interest payments on the Notes (as determined by Dutch Co-Issuer in good faith) or (ii) such encumbrances and restrictions contained in any agreement or instrument taken as a whole are not materially less favorable to the Holders than the encumbrances and restrictions contained in this Indenture, the Dollar Notes Indenture or the Senior Credit Agreement (as determined by Dutch Co-Issuer in good faith);

(xii) any encumbrance or restriction contained in Secured Indebtedness otherwise permitted to be Incurred pursuant to Sections 3.3 and 3.5 to the extent limiting the right of the debtor to dispose of the assets securing such Indebtedness;

(xiii) any encumbrance or restriction arising or agreed to in the ordinary course of business, not relating to any Indebtedness, and that do not, individually or in the aggregate, (x) detract from the value of the property or assets of Dutch Co-Issuer or any Restricted Subsidiary in any manner material to Dutch Co-Issuer or any Restricted Subsidiary or (y) materially affect the Issuers' ability to make future principal or interest payments on the Notes, in each case, as determined by Dutch Co-Issuer in good faith;

(xiv) customary provisions in joint venture agreements or arrangements and other similar agreements or arrangements relating solely to the applicable joint venture; and

(xv) any encumbrances or restrictions of the type referred to in clauses (a), (b) and (c) above imposed by any amendments, modifications, restatements, renewals, increases, supplements, refundings, replacements or refinancings of the contracts, instruments or obligations referred to in clauses (i) through (xiv) above; *provided* that such encumbrances and restrictions contained in any such amendment, modification, restatement, renewal, increase, supplement, refunding, replacement or refinancing are, in the good faith judgment of Dutch Co-Issuer, not materially more restrictive as a whole than the encumbrances and restrictions prior to such amendment, modification, restatement, renewal, increase, supplement, refunding, replacement or refinancing.

For purposes of determining compliance with this Section 3.6, (i) the priority of any Preferred Stock in receiving dividends or liquidating distributions prior to dividends or liquidating distributions being paid on common stock shall not be deemed a restriction on the ability to make distributions on Capital Stock and (ii) the subordination of loans or advances made to Dutch Co-Issuer or a Restricted Subsidiary to other Indebtedness Incurred by Dutch Co-Issuer or any such Restricted Subsidiary shall not be deemed a restriction on the ability to make loans or advances.

SECTION 3.7. Asset Sales.

(a) Dutch Co-Issuer shall not, and shall not permit any of its Restricted Subsidiaries to, cause or make an Asset Sale, unless:

(i) Dutch Co-Issuer or any of its Restricted Subsidiaries, as the case may be, receives consideration at the time of such Asset Sale at least equal to the Fair Market Value (as determined at the time of contractually agreeing to such Asset Sale) of the assets sold or otherwise disposed of; and

(ii) except in the case of a Permitted Asset Swap, at least 75.0% of the consideration therefor received by Dutch Co-Issuer or such Restricted Subsidiary, as the case may be, is in the form of cash or Cash Equivalents or Replacement Assets; *provided*, *however*, that the amount of:

(1) any liabilities (as shown on Dutch Co-Issuer's or such Restricted Subsidiary's most recent balance sheet or in the notes thereto) of Dutch Co-Issuer or such Restricted Subsidiary (other than liabilities that are by their terms subordinated to the Notes or are otherwise extinguished in connection with the transactions relating to such Asset Sale) that are assumed by the transferee of any such assets or Equity Interests pursuant to an agreement that releases or indemnifies Dutch Co-Issuer or such Restricted Subsidiary, as the case may be, from further liability;

(2) any notes or other obligations or other securities or assets received by Dutch Co-Issuer or such Restricted Subsidiary from such transferee that are converted by Dutch Co-Issuer or such Restricted Subsidiary into cash or Cash Equivalents, or by their terms are required to be satisfied for cash or Cash Equivalents (to the extent of the cash or Cash Equivalents received), in each case within 180 days of the receipt thereof; and

(3) any Designated Non-cash Consideration received by Dutch Co-Issuer or any of its Restricted Subsidiaries in such Asset Sale having an aggregate Fair Market Value, taken together with all other Designated Non-cash Consideration received pursuant to this clause (3) that is at that time outstanding, not to exceed the greater of (x) $150.0 million and (y) 2.25% of Total Assets, at the time of the receipt of such Designated Non-cash Consideration (with the Fair Market Value of each item of Designated Non-cash Consideration being measured at the time received and without giving effect to subsequent changes in value);

shall each be deemed to be Cash Equivalents for the purposes of this clause (ii).

(b) Within 365 days after Dutch Co-Issuer's or any Restricted Subsidiary's receipt of the Net Cash Proceeds of any Asset Sale, Dutch Co-Issuer or such Restricted Subsidiary may apply an amount equal to the Net Cash Proceeds from such Asset Sale, at its option:

(i) to permanently reduce (x) First Lien Obligations of the Issuers or the Guarantors (*provided* that if the Issuers or any Guarantor shall so reduce First Lien Obligations other than the Notes, Dutch Co-Issuer shall (A) equally and ratably reduce Obligations under the Notes as provided in Section 5.1 or through open-market purchases (to the extent such purchases are at or above 100.0% of the principal amount thereof) or (B) make an offer (in accordance with the procedures set forth below for an Asset Sale Offer) to all Holders to purchase at a purchase price equal to 100.0% of the principal amount thereof, plus accrued and unpaid interest, if any, the principal amount of Notes that would otherwise be redeemed under clause (A) above) or (y) Indebtedness of a Non-Guarantor Subsidiary, in each case, other than Indebtedness owed to Dutch Co-Issuer or another Restricted Subsidiary (and, in each case, correspondingly reduce commitments with respect thereto);

(ii) to make an investment in any one or more businesses (*provided* that if such investment is in the form of the acquisition of Capital Stock of a Person, such acquisition results in such Person becoming a Restricted Subsidiary), assets (other than working capital assets), or property or capital expenditures, in each case used or useful in a Similar Business;

(iii) to make an investment in any one or more businesses (*provided* that if such investment is in the form of the acquisition of Capital Stock of a Person, such acquisition results in such Person becoming a Restricted Subsidiary), properties (other than working capital assets) or assets (other than working capital assets) that replace the businesses, properties and/or assets that are the subject of such Asset Sale; or

(iv) any combination of the foregoing;

provided that Dutch Co-Issuer and its Restricted Subsidiaries shall be deemed to have complied with the provisions described in clause (ii) or (iii) of this Section 3.7(b) if and to the extent that, within 365 days after the Asset Sale that generated the Net Cash Proceeds, Dutch Co-Issuer or such Restricted Subsidiary, as applicable, has entered into and not abandoned or rejected a binding agreement to make an investment in compliance with the provision described in clauses (ii) and (iii) of this Section 3.7(b), and that investment is thereafter completed within 180 days after the end of such 365-day period.

(c) Pending the final application of any such amount of Net Cash Proceeds, Dutch Co-Issuer or such Restricted Subsidiary may temporarily reduce Indebtedness under a revolving credit facility, if any, or otherwise invest or utilize such Net Cash Proceeds in any manner not prohibited by this Indenture. Any amount of Net Cash Proceeds from any Asset Sale that are not invested or applied as provided and within the time period set forth in Section 3.7(b) shall be deemed to constitute "Excess Proceeds" (*provided* that any amount of proceeds offered to Holders pursuant to Section 3.7(b)(i)(x) or pursuant to an Asset Sale Offer made at any time after the Asset Sale shall be deemed to have been applied as required and shall not be deemed to be Excess Proceeds without regard to the extent to which such offer is accepted by the Holders). When the aggregate amount of Excess Proceeds exceeds $50.0 million, the Issuers shall make an offer (an "Asset Sale Offer") to all Holders and, if required by the terms of any other First Lien Obligations, to all holders of such First Lien Obligations, to purchase the maximum principal amount of such Notes and other First Lien Obligations, as appropriate, on a pro rata basis, that may be purchased out of the Excess Proceeds at an offer price, in the case of the Notes, in cash in an amount equal to 100.0% of the principal amount thereof (or in the event such other Indebtedness was issued with original issue discount, 100.0% of the accreted value thereof), plus accrued and unpaid interest, if any (or such lesser price, if any, as may be provided by the terms of such other Indebtedness), to the date fixed for the closing of such offer, in accordance with the procedures set forth in this Indenture and the agreement governing such other First Lien Obligations. The Issuers shall commence an Asset Sale Offer with respect to Excess Proceeds within ten Business Days after the date that Excess Proceeds exceed $50.0 million by transmitting electronically or by mailing to Holders the notice required pursuant to the terms of this Indenture, with a copy to the Trustee. For Notes that are represented by Global Notes held on behalf of Euroclear or Clearstream, such notice may be given by delivery of such notice to Euroclear or Clearstream, as applicable, for communication to entitled account holders in substitution for the aforementioned mailing. The Issuers may satisfy the foregoing obligations with respect to such Net Cash Proceeds from an Asset Sale by making an Asset Sale Offer with respect to such Net Cash Proceeds prior to the expiration of the application period or by electing to make an Asset Sale Offer with respect to such Net Cash Proceeds before the aggregate amount of Excess Proceeds exceeds $50.0 million. To the extent that the aggregate amount of Notes and such other First Lien Obligations tendered or otherwise surrendered is less than the Excess Proceeds, the Issuers may use any remaining Excess Proceeds for any purpose not otherwise prohibited by this Indenture. If the aggregate principal amount of Notes and other First Lien Obligations tendered or otherwise surrendered by holders thereof exceeds the amount of Excess Proceeds, the Paying Agent shall select the Notes (and the Issuers or their agents shall select such other First Lien Obligations) to be purchased in the manner described below. Upon completion of any such Asset Sale Offer, the amount of Excess Proceeds shall be reset at zero. To the extent the Excess Proceeds exceed the outstanding aggregate principal amount of the Notes (and, if required by the terms thereof, all other First Lien Obligations), the Issuers need only make an Asset Sale Offer up to the outstanding aggregate principal amount of Notes (and any such other First Lien Obligations), and any additional Excess Proceeds shall not be subject to this Section 3.7 and shall be permitted to be used for any purpose in the Issuers' discretion.

(d) The Issuers shall comply with the requirements of Rule 14e-1 under the Exchange Act and any other securities laws and regulations to the extent such laws or regulations are applicable in connection with the purchase of the Notes pursuant to an Asset Sale Offer. To the extent that the provisions of any securities laws or regulations conflict with the provisions of this Indenture, the Issuers shall comply with the applicable securities laws and regulations and shall not be deemed to have breached its obligations under this Section 3.7 by virtue of such compliance.

(e) If more Notes are tendered pursuant to an Asset Sale Offer than the Issuers are required to purchase, selection of such Notes for purchase shall be made in compliance with the requirements of the principal national securities exchange, if any, on which such Notes are listed (so long as the Paying Agent knows of such listing) or if such Notes are not listed, on a pro rata basis (with adjustments so that only Notes in denominations of the minimum denomination of €100,000 or integral multiples of €1,000 in excess thereof shall be purchased), by lot or by such other method as the Paying Agent shall deem fair and appropriate (and in such manner as complies with applicable legal requirements); *provided*, that the selection of Notes for purchase shall not result in a Holder with a principal amount of Notes less than the minimum denomination of €100,000. No Note will be repurchased in part if less than the minimum denomination of such Note would be left outstanding.

(f) Notices of an Asset Sale Offer shall be mailed by first class mail, postage prepaid, or sent electronically, at least 30 but not more than 60 days before the purchase date to each Holder at such Holder's registered address or otherwise in accordance with procedures of the applicable Clearing System. If any Note is to be purchased in part only, any notice of purchase that relates to such Note shall state the portion of the principal amount thereof that has been or is to be purchased.

A new Note in principal amount equal to the unpurchased portion of any Note purchased in part shall be issued in the name of the Holder thereof upon cancellation of the original Note. On and after the purchase date, unless the Issuers default in payment of the purchase price, interest shall cease to accrue on Notes or portions thereof purchased.

SECTION 3.8. Transactions with Affiliates.

(a) Dutch Co-Issuer shall not, and shall not permit any of its Restricted Subsidiaries to, directly or indirectly, make any payment to, or sell, lease, transfer or otherwise dispose of any of its properties or assets to, or purchase any property or assets from, or enter into or make or amend any transaction or series of transactions, contract, agreement, understanding, loan, advance or guarantee with, or for the benefit of, any Affiliate of Dutch Co-Issuer (each of the foregoing, an "Affiliate Transaction") involving aggregate consideration in excess of $40.0 million, unless:

(i) such Affiliate Transaction is on terms that are not materially less favorable to Dutch Co-Issuer or the relevant Restricted Subsidiary than those that could have been obtained in a comparable transaction by Dutch Co-Issuer or such Restricted Subsidiary with an unrelated Person on an arm's length basis; and

(ii) with respect to any Affiliate Transaction or series of related Affiliate Transactions involving aggregate consideration in excess of $60.0 million, Dutch Co-Issuer delivers to the Trustee a resolution adopted in good faith by the majority of the Board of Directors of Dutch Co-Issuer, approving such Affiliate Transaction, together with an Officer's Certificate certifying that the Board of Directors of Dutch Co-Issuer determined or resolved that such Affiliate Transaction complies with Section 3.8(a)(i).

(b) The provisions of Section 3.8(a) shall not apply to the following:

(i) (a) transactions between or among Dutch Co-Issuer and/or any of its Restricted Subsidiaries (or an entity that becomes a Restricted Subsidiary as a result of such transaction) and (b) any merger or consolidation of Dutch Co-Issuer and Parent or any other direct or indirect parent of Dutch Co-Issuer, *provided* that such parent company shall have no material liabilities and no material assets other than cash, Cash Equivalents and the Capital Stock of Dutch Co-Issuer and such merger or consolidation is otherwise in compliance with the terms of this Indenture and effected for a bona fide business purpose;

(ii) (a) Restricted Payments permitted by this Indenture and (b) Permitted Investments;

(iii) transactions in which Dutch Co-Issuer or any of its Restricted Subsidiaries, as the case may be, delivers to the Trustee a letter from an Independent Financial Advisor stating that such transaction is fair to Dutch Co-Issuer or such Restricted Subsidiary from a financial point of view or meets the requirements of Section 3.8(a)(i);

(iv) payments, loans, advances or guarantees (or cancellation of loans, advances or guarantees) to employees, officers, directors, managers, consultants or independent contractors for bona fide business purposes or in the ordinary course of business;

(v) any agreement or arrangement as in effect as of the Issue Date (other than the Management Agreement) or as thereafter amended, supplemented or replaced (so long as such amendment, supplement or replacement agreement is not materially disadvantageous to the Holders when taken as a whole as compared to the original agreement as in effect on the Issue Date) or any transaction or payments contemplated thereby;

SECTION 3.9. Change of Control.

(a) Upon the occurrence of a Change of Control after the Issue Date, each Holder shall have the right to require the Issuers to purchase all or any part of such Holder's Notes at a purchase price in cash (a "Change of Control Payment") equal to 101.0% of the principal amount thereof, plus accrued and unpaid interest, if any, to (but not including) the date of purchase (subject to the right of Holders of record on the relevant record date to receive interest due on the relevant interest payment date), except to the extent the Issuers have previously elected to redeem the Notes pursuant to Article V of this Indenture.

(b) Within 30 days following any Change of Control, except to the extent that the Issuers have exercised their right to redeem the Notes as described under Section 5.1, the Issuers shall deliver a notice (a "Change of Control Offer") to each Holder with a copy to the Trustee, or otherwise in accordance with the procedures of the applicable Clearing System, describing:

(i) that a Change of Control has occurred or, if the Change of Control Offer is being made in advance of a Change of Control, that a Change of Control is expected to occur, and that such Holder has, or upon such occurrence will have, the right to require the Issuers to purchase such Holder's Notes at a purchase price in cash equal to 101.0% of the principal amount thereof, plus accrued and unpaid interest, if any, to (but not including) the date of purchase (subject to the right of Holders of record on a Record Date to receive interest on the relevant Interest Payment Date);

(ii) the transaction or transactions that constitute, or are expected to constitute, such Change of Control;

(iii) the purchase date (which shall be no earlier than 30 days nor later than 60 days from the date such notice is delivered) (a "Change of Control Payment Date");

(iv) that any Note not properly tendered shall remain outstanding and continue to accrue interest;

(v) that unless the Issuers default in the payment of the Change of Control Payment, all Notes accepted for payment pursuant to the Change of Control Offer shall cease to accrue interest on the Change of Control Payment Date;

(vi) that Holders electing to have any Notes purchased pursuant to a Change of Control Offer shall be required to surrender such Notes, with the form entitled "Option of Holder to Elect Purchase" on the reverse of such Notes completed, to the Paying Agent specified in the notice at the address specified in the notice prior to the close of business on the third Business Day preceding the Change of Control Payment Date;

(vii) that Holders shall be entitled to withdraw their tendered Notes and their election to require the Issuers to purchase such Notes, *provided* that the Paying Agent receives, not later than one Business Day prior to the expiration time of the Change of Control Offer, a telegram, telex, facsimile transmission or letter setting forth the name of the Holder, the principal amount of Notes tendered for purchase, and a statement that such Holder is withdrawing its tendered Notes and its election to have such Notes purchased;

(viii) that if the Issuers are redeeming less than all of the Notes, the Holders of the remaining Notes shall be issued new Notes and such new Notes shall be equal in principal amount to the unpurchased portion of the Notes surrendered. The unpurchased portion of the Notes must be equal to €100,000 or an integral multiple of €1,000 in excess thereof;

(ix) if such notice is delivered prior to the occurrence of a Change of Control, stating that the Change of Control Offer is conditional on the occurrence of such Change of Control; and

(x) the other instructions determined by the Issuers, consistent with this covenant, that a Holder must follow in order to have its Notes purchased.

While the Notes are in global form and the Issuers make an offer to purchase all of the Notes pursuant to the Change of Control Offer, a Holder may exercise its option to elect for the purchase of the Notes to be made through the facilities of the applicable Clearing System in accordance with the rules and regulations thereof.

(c) Holders electing to have a Note purchased shall be required to surrender the Note, with an appropriate form duly completed, to the Issuers at the address specified in the notice at least three Business Days prior to the Change of Control Payment Date. Holders shall be entitled to withdraw their election if the Trustee or the Issuers receive not later than one Business Day prior to the expiration of the Change of Control Offer, a telegram, telex facsimile transmission or letter setting forth the name of the Holder, the principal amount at maturity of the Note which was delivered for purchase by the Holder and a statement that such Holder is withdrawing his selection to have such Note purchased.

(d) On the Change of Control Payment Date, all Notes purchased by the Issuers under this Section 3.9 shall be delivered by the Issuers to the Paying Agent for cancellation, and the Issuers shall pay through the Paying Agent the purchase price plus accrued and unpaid interest, if any, to the Holders entitled thereto. With respect to any Note purchased in part, the Issuers shall issue a new Note in a principal amount equal at maturity to the unpurchased portion of the original Note in the name of the Holder upon cancellation of the original Note.

(e) Notwithstanding the foregoing provisions of this Section 3.9, the Issuers shall not be required to make a Change of Control Offer upon a Change of Control if a third party makes the Change of Control Offer in the manner, at the times and otherwise in compliance with the requirements set forth in this Indenture applicable to a Change of Control Offer made by the Issuers and purchases all Notes validly tendered and not withdrawn under such Change of Control Offer.

(f) Prior to any Change of Control Offer, each of the Issuers shall deliver to the Trustee an Officer's Certificate stating that all conditions precedent contained herein to the right of each of the Issuers to make such offer have been complied with.

(g) The Issuers shall comply, to the extent applicable, with the requirements of Rule 14e-1 of the Exchange Act and any other securities laws or regulations in connection with the repurchase of Notes pursuant to this Section 3.9. To the extent that the provisions of any securities laws or regulations conflict with provisions of this Section 3.9, the Issuers shall comply with the applicable securities laws and regulations and shall not be deemed to have breached their obligations under this Section 3.9 by virtue of such compliance.

(h) A Change of Control Offer may be made in advance of a Change of Control, and conditioned upon such Change of Control.

(i) On the Change of Control Payment Date, the Issuers shall, to the extent permitted by law,

(i) accept for payment all Notes issued by them or portions thereof validly tendered and not withdrawn pursuant to the Change of Control Offer;

(ii) deposit with the Paying Agent an amount equal to the aggregate Change of Control Payment in respect of all Notes or portions thereof so tendered; and

(iii) deliver, or cause to be delivered, to the Paying Agent for cancellation the Notes so accepted together with an Officer's Certificate to the Trustee stating that such Notes or portions thereof have been tendered to and purchased by the Issuers.

SECTION 3.10. Maintenance of Insurance. The Issuers and the Subsidiary Guarantors shall maintain with financially sound and reputable insurance companies not Affiliates of the Issuers, insurance with respect to its properties and business against loss or damage of the kinds customarily insured against by Persons engaged in the same or similar business, of such types and in such amounts as are customarily carried under similar circumstances by such other Persons.

SECTION 3.11. Additional Guarantors. If, after the Issue Date, (a) any Restricted Subsidiary (including any newly formed, newly acquired or newly redesignated Restricted Subsidiary, but excluding any Receivables Subsidiary) that is not then an Issuer or a Guarantor guarantees or Incurs any Indebtedness under any Credit Agreement or the Dollar Notes or (b) Dutch Co-Issuer otherwise elects to have any Restricted Subsidiary become a Guarantor, then, in each such case, Dutch Co-Issuer shall cause such Restricted Subsidiary, in the case of clause (a) above, within 20 Business Days of the date that such Indebtedness has been guaranteed or Incurred, to execute and deliver to the Trustee a supplemental indenture pursuant to which such Restricted Subsidiary shall become a Guarantor under this Indenture providing for a Guarantee by such Restricted Subsidiary on the same terms and conditions as those set forth in this Indenture and applicable to the other Subsidiary Guarantors. Such supplemental indenture shall include local law limitations to the extent applicable. A form of supplemental indenture for such purpose is attached as Exhibit D hereto.

Each Guarantee shall be released in accordance Section 10.2(b).

SECTION 3.12. Compliance Certificate; Statement by Officers as to Default. Dutch Co-Issuer shall deliver to the Trustee, within 120 days after the end of each fiscal year of Dutch Co-Issuer ending after the Issue Date, an Officer's Certificate to the effect that to the best knowledge of the signer thereof on behalf of each of the Issuers, the Issuers are or are not in default in the performance and observance of any of the terms, provisions and conditions of this Indenture (without regard to any period of grace or requirement of notice provided hereunder) and, if the Issuers (through its own action or omission or through the action or omission of any Guarantor as applicable) shall be in default, specifying all such defaults and the nature and status thereof of which such signer may have knowledge. The individual signing any certificate given by any Person pursuant to this Section 3.12 shall be the principal executive, financial or accounting officer of such Person or the direct or indirect parent of such Person, in compliance with TIA § 314(a)(4).

So long as any of the Notes are outstanding, upon any Officer becoming aware of any Default or Event of Default, the Issuers shall deliver to the Trustee, within 30 days after the occurrence thereof, an Officer's Certificate specifying such Default or Event of Default and what action the Issuers are taking or propose to take with respect thereto.

SECTION 3.13. [Reserved].

SECTION 3.14. Designation of Restricted and Unrestricted Subsidiaries.

(a) The Board of Directors of Dutch Co-Issuer may designate any Subsidiary of Dutch Co-Issuer (including any existing Subsidiary and any newly acquired or newly formed Subsidiary of Dutch Co-Issuer) to be an Unrestricted Subsidiary unless such Subsidiary or any of its Subsidiaries owns any Equity Interests or Indebtedness of, or owns or holds any Lien on any property of, Dutch Co-Issuer or

any other Subsidiary of Dutch Co-Issuer that is not a Subsidiary of the Subsidiary to be so designated; *provided*, *however*, that the Subsidiary to be so designated and its Subsidiaries do not at the time of designation have any Indebtedness pursuant to which the lender has recourse to any of the assets of Dutch Co-Issuer or any of its Restricted Subsidiaries; *provided*, *further*, *however*, that either:

(i) the Subsidiary to be so designated has total consolidated assets of $1,000 or less; or

(ii) if such Subsidiary has consolidated assets greater than $1,000, then such designation would be permitted under Section 3.4.

(b) The Board of Directors of Dutch Co-Issuer may designate any Unrestricted Subsidiary to be a Restricted Subsidiary; *provided*, *however*, that immediately after giving effect to such designation:

(x) (1) Dutch Co-Issuer could Incur $1.00 of additional Indebtedness pursuant to the Fixed Charge Coverage Ratio test described under Section 3.3 or (2) the Fixed Charge Coverage Ratio for Dutch Co-Issuer and its Restricted Subsidiaries would be equal to or greater than such ratio for Dutch Co-Issuer and its Restricted Subsidiaries immediately prior to such designation, in each case on a *pro forma* basis taking into account such designation, and

(y) no Event of Default shall have occurred and be continuing.

(c) Any designation by the Board of Directors of Dutch Co-Issuer pursuant to Section 3.14(b) shall be evidenced to the Trustee by promptly filing with the Trustee a copy of the resolution of the Board of Directors of Dutch Co-Issuer giving effect to such designation and an Officer's Certificate certifying that such designation complied with this Section 3.14.

SECTION 3.15. Covenant Suspension.

(a) If on any date following the Issue Date (i) the Notes have Investment Grade Ratings from both Rating Agencies, and (ii) no Default has occurred and is continuing under this Indenture (the occurrence of the events described in the foregoing clauses (i) and (ii) being collectively referred to as a "Covenant Suspension Event"), Sections 3.3, 3.4, 3.6, 3.7 (but only to the extent relating to properties or assets of the Issuers or their Restricted Subsidiaries that do not constitute Collateral), 3.8, and 4.1(a)(iv) (collectively, the "Suspended Covenants") shall no longer be applicable to such Notes.

(b) In the event that Dutch Co-Issuer and its Restricted Subsidiaries are not subject to the Suspended Covenants under this Indenture for any period of time pursuant to Section 3.15(a) (any such period, a "Suspension Period"), and on any subsequent date (the "Reversion Date") one or both of the Rating Agencies withdraw their Investment Grade Rating or downgrade the rating assigned to the Notes below an Investment Grade Rating, then Dutch Co-Issuer and its Restricted Subsidiaries shall thereafter again be subject to the Suspended Covenants under this Indenture with respect to future events.

(c) Upon the occurrence of a Covenant Suspension Event, the amount of Excess Proceeds from Net Cash Proceeds shall be reset at zero.

(d) With respect to Restricted Payments made after any reinstatement of Suspended Covenants, the amount of Restricted Payments made shall be calculated as though Section 3.4 had been in effect prior to, but not during the Suspension Period. No Subsidiary may be designated as an Unrestricted Subsidiary during the Suspension Period unless such designation would have complied with Section 3.4 as if Section 3.4 were in effect during such period. In addition, all Indebtedness Incurred, or Disqualified Stock or Preferred Stock issued, during the Suspension Period shall be classified to have been Incurred or issued pursuant to Section 3.3(b)(iii). In addition, for purposes of Section 3.8, all agreements and arrangements entered into by Dutch Co-Issuer and any Restricted Subsidiary with an Affiliate of Dutch Co-Issuer during the Suspension Period prior to such Reversion Date shall be deemed to have been entered into on or prior to the Issue Date, and for purposes of Section 3.6, all contracts entered into during the Suspension Period prior to such Reversion Date that contain any of the restrictions contemplated by such Section shall be deemed to have been existing on the Issue Date.

(e) During the Suspension Period, any reference in the definitions of "Permitted Liens" and "Unrestricted Subsidiary" to Section 3.3 or any provision thereof shall be construed as if Section 3.3 had remained in effect since the Issue Date and during the Suspension Period.

(f) Notwithstanding that the Suspended Covenants may be reinstated, no Default or Event of Default will be deemed to have occurred as a result of any failure to comply with the Suspended Covenants during any Suspension Period, and Dutch Co-Issuer and any Subsidiary of Dutch Co-Issuer will be permitted, without causing a Default or Event of Default or breach of any of the Suspended Covenants (notwithstanding the reinstatement thereof) under this Indenture, to honor, comply with or otherwise perform any contractual commitments or obligations entered into during a Suspension Period following a Reversion Date and to consummate the transactions contemplated thereby; *provided* that, to the extent any such commitment or obligation results in the making of a Restricted Payment, such Restricted Payment shall be made under Section 3.4(a)(C) or Section 3.4(b) and if not permitted by Section 3.4(a)(C) or Section 3.4(b), such Restricted Payment shall be deemed permitted by Section 3.4(a)(C) and shall be deducted for purposes of calculating the amount pursuant to Section 3.4(a)(C) (so that the amount available under Section 3.4(a)(C) immediately following such Restricted Payment shall be negative).

Dutch Co-Issuer shall provide an Officer's Certificate to the Trustee indicating the occurrence of any Covenant Suspension Event or Reversion Date. The Trustee shall have no obligation to (i) independently determine or verify if such events have occurred, (ii) make any determination regarding the impact of actions taken during the Suspension Period on Dutch Co-Issuer and its Restricted Subsidiaries' future compliance with their covenants or (iii) notify the Holders of any Covenant Suspension Event or Reversion Date.

SECTION 3.16. Stay, Extension and Usury Laws. The Issuers and each of the Guarantors covenant (to the extent that they may lawfully do so) that they shall not at any time insist upon, plead, or in any manner whatsoever claim or take the benefit or advantage of, any stay, extension or usury law wherever enacted, now or at any time hereafter in force, that may affect the covenants or the performance of this Indenture; and the Issuers and each of the Guarantors (to the extent that they may lawfully do so) hereby expressly waive all benefit or advantage of any such law, and covenant that they shall not, by resort to any such law, hinder, delay or impede the execution of any power herein granted to the Trustee, but shall suffer and permit the execution of every such power as though no such law has been enacted.

SECTION 3.17. Listing. The Issuers shall use commercially reasonable efforts to list and maintain the listing of the Notes on the Irish Stock Exchange; *provided* that if (x) the Issuers are unable to list the Notes on the Irish Stock Exchange, (y) maintenance of such listing becomes unduly onerous or (z) the Irish Stock Exchange requires financial information from the Issuers or any of their Restricted Subsidiaries other than the information required by Section 3.2 hereof, then the Issuers will, prior to the delisting of the Notes from the Irish Stock Exchange (if then listed on the Irish Stock Exchange), use all commercially reasonable efforts to list and maintain a listing of the Notes on another internationally recognized stock exchange.

ARTICLE IV

Merger; Consolidation or Sale of Assets

SECTION 4.1. When the Issuers May Merge or Otherwise Dispose of Assets.

(a) Neither Issuer shall consolidate or merge with or into or wind up into (whether or not such Issuer is the surviving Person), or sell, assign, transfer, lease, convey or otherwise dispose of all or substantially all of its properties or assets in one or more related transactions, to any Person (other than the Acquisition and other than the merger of one Issuer into the other Issuer) unless:

(i) such Issuer is the surviving Person or the Person formed by or surviving any such consolidation, merger or winding up (if other than such Issuer) or to which such sale, assignment, transfer, lease, conveyance or other disposition shall have been made is a corporation or limited liability company organized or existing under the laws of the United States, any state thereof or the District of Columbia, any territory thereof or the Netherlands (such Issuer or such Person, as the case may be, being herein called the "Successor Company") and, if such entity is not (x) a corporation, a co-obligor of the Notes is a corporation organized or existing under such laws and (y) organized or existing under the laws of the United States, any state or territory thereof or the District of Columbia, a co-obligor of the Notes is organized or existing under such laws;

(ii) the Successor Company (if other than such Issuer) expressly assumes all the obligations of such Issuer under this Indenture, the Notes and the Notes Security Documents pursuant to supplemental indentures or other documents or instruments;

(iii) immediately after giving effect to such transaction (and treating any Indebtedness that becomes an obligation of the Successor Company or any of its Restricted Subsidiaries as a result of such transaction as having been Incurred by the Successor Company or such Restricted Subsidiary at the time of such transaction), no Default or Event of Default shall have occurred and be continuing;

(iv) immediately after giving *pro forma* effect to such transaction, as if such transaction had occurred at the beginning of the applicable four-quarter period, either:

(1) the Successor Company would be permitted to Incur at least $1.00 of additional Indebtedness pursuant to the Fixed Charge Coverage Ratio test set forth in Section 3.3(a); or

(2) the Fixed Charge Coverage Ratio for Dutch Co-Issuer (or, if applicable, the Successor Company thereto) and its Restricted Subsidiaries would be equal to or greater than such ratio for Dutch Co-Issuer and its Restricted Subsidiaries immediately prior to such transaction;

(v) each Guarantor, unless it is the other party to the transactions described above, shall have by supplemental indenture confirmed that its Guarantee shall apply to such Person's Obligations under this Indenture and the Notes;

(vi) such Issuer shall have delivered to the Trustee an Officer's Certificate and an Opinion of Counsel, each stating that such consolidation, merger or transfer and such supplemental indentures (if any) comply with this Indenture;

(vii) to the extent any property or assets of the Person that is merged, amalgamated or consolidated with or into the Successor Company are property or assets of the type that would constitute Collateral under the Notes Security Documents, the Successor Company will take such action as may be reasonably necessary or required to cause such property and assets to be made subject to a Lien securing the Notes or the applicable Guarantee pursuant to the Notes Security Documents in the manner and to the extent required by this Indenture or any of the Notes Security Documents and shall take all reasonably necessary action so that such Lien is perfected, preserved and protected to the extent required by this Indenture and the Notes Security Documents; and

(viii) the Collateral owned by or transferred to the Successor Company shall (a) continue to constitute Collateral under this Indenture and the Notes Security Documents, (b) be subject to the Lien in favor of the Collateral Agent for the benefit of the Trustee and the Holders and (c) not be subject to any Lien other than Permitted Liens and other Liens permitted under Section 3.5.

The Successor Company shall succeed to, and be substituted for, such Issuer under this Indenture, the Notes and the Notes Security Documents, and such Issuer shall automatically be released and

discharged from its obligations under this Indenture, the Notes and each Notes Security Document. Notwithstanding the foregoing clauses (iii) and (iv) above, (A) either of the Issuers or any Guarantor may consolidate with, merge into or sell, assign, transfer, lease, convey or otherwise dispose of all or part of its properties and assets to an Issuer or any Guarantor, (B) either of the Issuers may merge or consolidate with an Affiliate of such Issuer incorporated or organized solely for the purpose of reincorporating or reorganizing such Issuer in another state of the United States, the Netherlands, the District of Columbia or any territory of the United States so long as the principal amount of Indebtedness of Dutch Co-Issuer and its Restricted Subsidiaries is not increased thereby and (C) any Restricted Subsidiary may merge with Dutch Co-Issuer, *provided* that Dutch Co-Issuer is the Successor Company in such merger.

(b) Subject to Sections 10.2 and 10.5, each Guarantor shall not, and Dutch Co-Issuer shall not permit any Guarantor to, consolidate or merge with or into or wind up into (whether or not such Guarantor is the surviving corporation), or sell, assign, transfer, lease, convey or otherwise dispose of all or substantially all of its properties or assets in one or more related transactions to, any Person (other than in connection with the Transactions) unless:

(i) (A) such Guarantor is the surviving Person or the Person formed by or surviving any such consolidation, merger or winding up (if other than such Guarantor) or to which such sale, assignment, transfer, lease, conveyance or other disposition shall have been made is a corporation, partnership, limited partnership or limited liability company or trust organized or existing under the laws of the United States, any state or territory thereof, the District of Columbia or, in the case of a Guarantor organized or existing under the laws of any other jurisdiction, the laws of such jurisdiction (such Guarantor or such Person, as the case may be, being herein called the "Successor Guarantor");

(B) the Successor Guarantor (if other than such Guarantor) expressly assumes all the obligations of such Guarantor under this Indenture and the Notes Security Documents and such Guarantor's Guarantee pursuant to a supplemental indenture or other documents or instruments;

(C) immediately after giving effect to such transaction (and treating any Indebtedness that becomes an obligation of the Successor Guarantor or any of its Subsidiaries as a result of such transaction as having been Incurred by the Successor Guarantor or such Subsidiary at the time of such transaction) no Default or Event of Default shall have occurred and be continuing;

(D) the Successor Guarantor (if other than such Guarantor) shall have delivered or caused to be delivered to the Trustee an Officer's Certificate and an Opinion of Counsel, each stating that such consolidation, merger or transfer and such supplemental indenture (if any) comply with this Indenture;

(E) to the extent any property or assets of the Person that is merged, amalgamated or consolidated with or into the Successor Guarantor are property or assets of the type that would constitute Collateral under the Notes Security Documents, the Successor Guarantor will take such action as may be reasonably necessary or required to cause such property and assets to be made subject to a Lien securing the Notes pursuant to the Notes Security Documents in the manner and to the extent required by this Indenture or any of the Notes Security Documents and shall take all reasonably necessary action so that such Lien is perfected, preserved and protected to the extent required by this Indenture and the Notes Security Documents; and

(F) the Collateral owned by or transferred to the Successor Guarantor shall (a) continue to constitute Collateral under this Indenture and the Notes Security Documents, (b) be subject to the Lien in favor of the Collateral Agent for the benefit of the Trustee and the Holders and (c) not be subject to any Lien other than Permitted Liens and other Liens permitted under Section 3.5; or

(ii) such sale or disposition or consolidation or merger is made in compliance with Section 3.7.

(c) Subject to Article X, the Successor Guarantor shall succeed to, and be substituted for, such Guarantor under this Indenture and such Guarantor's Guarantee, and such Guarantor shall automatically be released and discharged from its obligations under this Indenture and such Guarantor's Guarantee. Notwithstanding the foregoing, (1) a Guarantor may merge or consolidate with an Affiliate of Dutch Co-Issuer incorporated or organized solely for the purpose of reincorporating or reorganizing such Guarantor in the United States, any state or territory thereof, the District of Columbia, the Netherlands or the jurisdiction of such Guarantor, so long as the principal amount of Indebtedness of Dutch Co-Issuer and the Restricted Subsidiaries is not increased thereby, (2) a Guarantor may consolidate or merge with or into or wind up into, or sell, assign, transfer, lease, convey or otherwise dispose of all or substantially all of its properties and assets to, another Guarantor or either of the Issuers, (3) a Guarantor may convert into a corporation, partnership, limited partnership, limited liability company or trust organized or existing under the laws of the jurisdiction of organization of such Guarantor or the laws of a jurisdiction in the United States and (4) any Restricted Subsidiary may merge into any Guarantor, *provided* in the case of this clause (4), that the surviving Person be a corporation, partnership, limited partnership, limited liability company or trust organized or existing under the laws of the United States, any state or territory thereof or the District of Columbia, the Netherlands, or the jurisdiction of organization of such Restricted Subsidiary or Guarantor and the surviving Person of such merger (if not the Guarantor) shall become a Guarantor upon such merger.

(d) For purposes of this Section 4.1, the sale, lease, conveyance, assignment, transfer or other disposition of all or substantially all of the properties and assets of one or more Subsidiaries of Dutch Co-Issuer, which properties and assets, if held by Dutch Co-Issuer instead of such Subsidiaries, would constitute all or substantially all of the properties and assets of Dutch Co-Issuer on a consolidated basis, shall be deemed to be the transfer of all or substantially all of the properties and assets of Dutch Co-Issuer.

ARTICLE V

Redemption of Notes

SECTION 5.1. Optional Redemption.

(a) The Notes may be redeemed, in whole at any time, or in part from time to time, subject to the conditions and at the redemption prices set forth in Paragraph 6 of the form of Note set forth in Exhibit A hereto, which are hereby incorporated by reference and made a part of this Indenture, together with accrued and unpaid interest to the redemption date.

(b) In connection with any redemption of Notes (including with the net cash proceeds of an Equity Offering), any such redemption may, at the Issuers' discretion, be subject to one or more conditions precedent, including, but not limited to, consummation of any related Equity Offering. In addition, if such redemption or notice is subject to satisfaction of one or more conditions precedent, such notice shall state that, in the Issuers' discretion, the redemption date may be delayed until such time as any or all such conditions shall be satisfied (or waived by the Issuers in their sole discretion), or such redemption may not occur and such notice may be rescinded in the event that any or all such conditions shall not have been satisfied (or waived by the Issuers in their sole discretion) by the redemption date, or by the redemption date so delayed.

(c) Unless the Issuers default in the payment of the redemption price, interest shall cease to accrue on the Notes or portions thereof called for redemption on the applicable Redemption Date.

SECTION 5.2. Election to Redeem; Notice to Trustee of Optional and Mandatory Redemptions. If the Issuers elect to redeem Notes pursuant to Section 5.1, the Issuers shall furnish to the Trustee, at least two Business Days for Global Notes and 10 calendar days for Definitive Notes before notice of redemption is required to be mailed or caused to be mailed to Holders pursuant to Section 5.4, an

Officer's Certificate setting forth (a) the paragraph or subparagraph of such Note and/or Section of this Indenture pursuant to which the redemption shall occur, (b) the Redemption Date, (c) the principal amount of the Notes to be redeemed and (d) the redemption price. The Issuers may also include a request in such Officer's Certificate that the Trustee give the notice of redemption in the Issuers' name and at their expense and setting forth the information to be stated in such notice as provided in Section 5.4. The Issuers shall deliver to the Paying Agent such documentation and records as shall enable the Paying Agent to select the Notes to be redeemed pursuant to Section 5.3.

SECTION 5.3. Selection by Paying Agent of Notes to Be Redeemed. If less than all of the Notes are to be redeemed at any time, the Paying Agent shall select Notes for redemption in compliance with the requirements of the principal national securities exchange, if any, on which such Notes are listed (so long as the Paying Agent knows of such listing), or if such Notes are not so listed, on a pro rata basis, by lot or by such other method as the Paying Agent shall deem fair and appropriate (and in such manner as complies with applicable legal requirements) in minimum denominations of €100,000 and in integral multiples of €1,000 in excess thereof; *provided*, *however*, that the selection of Notes for redemption shall not result in a Holder of Notes with a principal amount of Notes less than the minimum denomination of €100,000. If any Note is to be purchased or redeemed in part only, the notice of purchase or redemption relating to such Note shall state the portion of the principal amount thereof that has been or is to be purchased or redeemed. A new Note in principal amount equal to the unredeemed portion thereof shall be issued in the name of the Holder thereof upon cancellation of the original Note in accordance with Section 5.7. On and after the Redemption Date, interest will cease to accrue on Notes or portions thereof called for redemption so long as the Issuers have deposited with the Paying Agent funds sufficient to pay the principal and premium, if any, plus accrued and unpaid interest, if any, on the Notes to be redeemed.

The Paying Agent shall promptly notify the Issuers in writing of the Notes selected for redemption and, in the case of any Notes selected for partial redemption, the principal amount thereof to be redeemed.

For all purposes of this Indenture, unless the context otherwise requires, all provisions relating to redemption of Notes shall relate, in the case of any Note redeemed or to be redeemed only in part, to the portion of the principal amount of such Note which has been or is to be redeemed.

SECTION 5.4. Notice of Redemption. The Issuers shall mail or cause to be mailed by first class mail to each Holder's registered address or otherwise in accordance with the procedures of the applicable Clearing System, a notice of redemption to each Holder whose Notes are to be redeemed not less than 30 nor more than 60 days prior to a date fixed for redemption (a "Redemption Date"); *provided, however*, that redemption notices may be mailed more than 60 days prior to a Redemption Date if the notice is issued pursuant to Article VIII. At the Issuers' written request, the Trustee may give notice of redemption in the Issuers' name and at the Issuers' expense.

All notices of redemption shall be prepared by the Issuers and shall state:

(a) the Redemption Date,

(b) the redemption price and the amount of accrued interest to, but excluding, the Redemption Date payable as provided in Section 5.6, if any,

(c) if less than all outstanding Notes are to be redeemed, the identification of the particular Notes (or portion thereof) to be redeemed, as well as the aggregate principal amount of Notes to be redeemed and the aggregate principal amount of Notes to be outstanding after such partial redemption,

(d) in case any Note is to be redeemed in part only, the notice which relates to such Note shall state that on and after the Redemption Date, upon surrender of such Note, the Holder shall receive, without charge, a new Note or Notes of authorized denominations for the principal amount thereof remaining unredeemed,

(e) that on the Redemption Date the redemption price (and accrued interest to, but excluding, the Redemption Date payable as provided in Section 5.6, if any) shall become due and payable upon each such Note, or the portion thereof, to be redeemed, and, unless the Issuers default in making the redemption payment, that interest on Notes called for redemption (or the portion thereof) shall cease to accrue on and after said date,

(f) the place or places where such Notes are to be surrendered for payment of the redemption price and accrued interest, if any,

(g) the name and address of the Paying Agent,

(h) that Notes called for redemption must be surrendered to the Paying Agent to collect the redemption price,

(i) the ISIN or Common Code number, and that no representation is made as to the accuracy or correctness of the ISIN or Common Code number, if any, listed in such notice or printed on the Notes, and

(j) the Section of this Indenture pursuant to which the Notes are to be redeemed.

At the Issuers' request, the Trustee shall give the notice of redemption in the Issuers' name and at its expense; *provided*, *however*, that the Issuers shall have delivered to the Trustee, at least 45 days prior to the Redemption Date, an Officer's Certificate requesting that the Trustee give such notice and setting forth the information to be stated in such notice as provided in the preceding paragraph. Such Officer's Certificate shall state that all conditions precedent to the delivery of such notice have been complied with.

For Notes that are represented by Global Notes held on behalf of Euroclear or Clearstream, the foregoing notices may be given by delivery of the relevant notices to Euroclear or Clearstream, as applicable, for communication to entitled account holders in substitution for the aforesaid mailing.

SECTION 5.5. Deposit of Redemption Price. Prior to 10:00 a.m. London time, on any Redemption Date, the Issuers shall deposit with the Paying Agent (or, if the Issuers are acting as their own Paying Agent, segregate and hold in trust as provided in Section 2.4) an amount of money sufficient to pay the redemption price of, and accrued interest on, all the Notes which are to be redeemed on that date.

SECTION 5.6. Notes Payable on Redemption Date. Notice of redemption having been given as aforesaid, the Notes so to be redeemed shall, on the Redemption Date, become due and payable at the redemption price therein specified (together with accrued interest, if any, to, but excluding, the Redemption Date), and from and after such date (unless the Issuers shall default in the payment of the redemption price and accrued interest, if any, to, but excluding, the Redemption Date) such Notes shall cease to bear interest. Upon surrender of any such Note for redemption in accordance with said notice, such Note shall be paid by the Issuers at the redemption price, together with accrued interest, if any, to, but excluding, the Redemption Date (subject to the rights of Holders of record on the relevant Record Date to receive interest due on the relevant Interest Payment Date).

If any Note called for redemption shall not be so paid upon surrender thereof for redemption, the principal (and premium, if any) shall, until paid, bear interest from the Redemption Date at the rate borne by the Notes.

If a Redemption Date is on or after a Record Date and on or before the related Interest Payment Date, the accrued and unpaid interest, if any, shall be paid to the Person in whose name the Note is registered at the close of business on such Record Date, and no further interest shall be payable to Holders whose Notes shall be subject to redemption by the Issuers.

SECTION 5.7. Notes Redeemed in Part. Any Note which is to be redeemed only in part (pursuant to the provisions of this Article) shall be surrendered at the office or agency of the Issuers maintained for such purpose pursuant to Section 2.3 (with, if the Issuers so require, due endorsement by, or a written instrument of transfer in form satisfactory to the Issuers duly executed by, the Holder thereof or such Holder's attorney duly authorized in writing), and the Issuers shall execute, and the Trustee (or Authenticating Agent, if applicable) upon receipt of an Authentication Order shall authenticate and make available for delivery to the Holder of such Note at the expense of the Issuers, a new Note or Notes, of any authorized denomination as requested by such Holder, in an aggregate principal amount equal to and in exchange for the unredeemed portion of the principal of the Note so surrendered, *provided* that each such new Note shall be in a minimum principal amount of €100,000 and integral multiples of €1,000 in excess thereof.

SECTION 5.8. Offer to Repurchase. In the event that, pursuant to Section 3.7, the Issuers are required to commence an offer to all Holders to purchase the Notes (an "Offer to Repurchase"), it shall follow the procedures specified below:

(a) The Offer to Repurchase shall remain open for a period of at least 20 Business Days following its commencement and not more than 30 Business Days, except to the extent that a longer period is required by applicable law (the "Offer Period"). No later than five Business Days after the termination of the Offer Period (the "Purchase Date"), the Issuers shall apply all Excess Proceeds (the "Offer Amount"), to the purchase of Notes and such other First Lien Obligations, if any (in each instance, on a pro rata basis, if applicable), or, if less than the Offer Amount has been tendered, all Notes and other Indebtedness tendered in response to the Offer to Repurchase. Payment for any Notes so purchased shall be made pursuant to Section 3.1.

(b) If the Purchase Date is on or after an Interest Record Date and on or before the related Interest Payment Date, any accrued and unpaid interest, if any, shall be paid to the Person in whose name a Note is registered at the close of business on such Record Date, and no additional interest shall be payable to Holders who tender Notes pursuant to the Offer to Repurchase.

(c) Upon the commencement of an Offer to Repurchase, the Issuers shall send, by first class mail, a notice to the Trustee and each of the Holders. The notice shall contain all instructions and materials necessary to enable such Holders to tender Notes pursuant to the Offer to Repurchase. The notice, which shall govern the terms of the Offer to Repurchase, shall state:

(i) that the Offer to Repurchase is being made pursuant to this Section 5.8 and Section 3.7, and the length of time the Offer to Repurchase shall remain open;

(ii) the Offer Amount, the purchase price and the Purchase Date;

(iii) that any Note not tendered or accepted for payment shall continue to accrue interest;

(iv) that, unless the Issuers default in making such payment, any Note accepted for payment pursuant to the Offer to Repurchase shall cease to accrue interest after the Purchase Date;

(v) that Holders electing to have a Note purchased pursuant to an Offer to Repurchase may elect to have Notes purchased in a minimum amount of €100,000 or an integral multiple of €1,000 in excess thereof only;

(vi) that Holders electing to have Notes purchased pursuant to any Offer to Repurchase shall be required to surrender the Note, with the form entitled "Option of Holder to Elect Purchase" attached to the Notes completed, or transfer by book-entry transfer, to the Issuers, a Common Depositary, if appointed by the Issuers, or a Paying Agent at the address specified in the notice at least three days before the Purchase Date;

(vii) that Holders shall be entitled to withdraw their election if the Issuers, the Common Depositary or the Paying Agent, as the case may be, receives, not later than on the expiration of the Offer Period, a telegram, telex, facsimile transmission or letter setting forth the name of the Holder, the principal amount of Notes the Holder delivered for purchase and a statement that such Holder is withdrawing his election to have such Notes purchased;

(viii) that, if the aggregate principal amount of Notes and, if applicable, other First Lien Obligations, if any, surrendered by Holders thereof exceeds the Offer Amount, the Paying Agent shall select the Notes and, if applicable, the Issuers shall select such other First Lien Obligations to be purchased or prepaid, on a pro rata basis based on the principal amount of Notes and other First Lien Obligations, if any, surrendered (with such adjustments as may be deemed appropriate by the Issuers so that only Notes in minimum denominations of €100,000, or integral multiples of €1,000 in excess thereof, shall be purchased); and

(ix) that Holders whose Notes were purchased only in part shall be issued new Notes equal in principal amount to the unpurchased portion of the Notes surrendered (or transferred by book-entry transfer).

(d) On or before the Purchase Date, the Issuers shall, to the extent lawful, accept for payment, on a pro rata basis to the extent necessary, the Offer Amount of Notes or portions thereof tendered pursuant to the Offer to Repurchase, or if less than the Offer Amount has been tendered, all Notes tendered, and shall deliver or cause to be delivered to the Trustee the Notes properly accepted together with an Officer's Certificate stating that such Notes or portions thereof were accepted for payment by the Issuers in accordance with the terms of this Section 5.8. The Issuers, the Common Depositary or the Paying Agent, as the case may be, shall promptly (but in any case not later than five days after the Purchase Date) mail or deliver to each tendering Holder an amount equal to the purchase price of the Notes tendered by such Holder and accepted by the Issuers for purchase, and the Issuers shall promptly issue a new Note, and the Trustee, upon written request from the Issuers, shall authenticate and mail or deliver (or cause to be transferred by book entry) such new Note to such Holder, in a principal amount equal to any unpurchased portion of the Note surrendered. Any Note not so accepted shall be promptly mailed or delivered by the Issuers to the Holder thereof. The Issuers shall publicly announce the results of the Offer to Repurchase on the Purchase Date.

SECTION 5.9. Redemption for Taxation Reasons. The Issuers may redeem the Notes, at their option, in whole, but not in part, at a redemption price equal to 100% of the principal amount thereof, together with accrued and unpaid interest, if any, to (but not including) the date fixed for redemption (a "Tax Redemption Date") (subject to the right of Holders of record on the relevant record date to receive interest due on the relevant interest payment date) and all Additional Amounts, if any, then due or that will become due on the Tax Redemption Date as a result of the redemption or otherwise, if any, if the Issuers determine in good faith that, as a result of:

(a) any change in, or amendment to, the law or treaties (or any regulations, protocols or rulings promulgated thereunder) of a Relevant Taxing Jurisdiction affecting taxation; or

(b) any change in official position regarding the application, administration or interpretation of such laws, treaties, regulations, protocols or rulings (including a holding, judgment or order by a government agency or court of competent jurisdiction) (each of the foregoing in clauses (a) and (b), a "Change in Tax Law"),

any Payor with respect to the Notes or a Guarantee is, or on the next date on which any amount would be payable in respect of the Notes would be, required to pay any Additional Amounts, and such obligation cannot be avoided by taking reasonable measures available to such Payor (including the appointment of a new Paying Agent or, where such payment would be reasonable, the payment through another Payor); *provided* that no Payor shall be required to take any measures that in the Issuers' good-faith determination would result in the imposition on such person of any legal or regulatory burden or the incurrence by such person of additional costs, or would otherwise result in any adverse consequences to such person.

In the case of any Payor, the Change in Tax Law must become effective on or after the date of the Offering Circular. Notwithstanding the foregoing, no such notice of redemption will be given earlier than 90 days prior to the earliest date on which the Payor would be obligated to make such payment of Additional Amounts. Prior to the publication, mailing or delivery of any notice of redemption of the Notes pursuant to the foregoing, the Issuers will deliver to the Trustee (1) an Officer's Certificate stating that they are entitled to effect such redemption and setting forth a statement of facts showing that the conditions precedent to their right so to redeem have been satisfied and (2) an opinion of an independent tax counsel of recognized standing to the effect that the Payor would be obligated to pay Additional Amounts as a result of a Change in Tax Law. The Trustee will accept such Officer's Certificate and opinion as sufficient evidence of the satisfaction of the conditions precedent described above, in which event it will be conclusive and binding on the Holders.

The provisions of this Section 5.9 will apply *mutatis mutandis* to the laws and official positions of any jurisdiction in which any successor to a Payor is organized or otherwise considered to be a resident for tax purposes or any political subdivision or taxing authority or agency thereof or therein.

ARTICLE VI

Defaults and Remedies

SECTION 6.1. Events of Default. Each of the following is an "Event of Default":

(i) a default in any payment of interest on any Note when due continued for 30 days;

(ii) a default in the payment of principal or premium, if any, of any Note when due at its Stated Maturity, upon optional redemption, upon required purchase, upon acceleration or otherwise;

(iii) the failure by Dutch Co-Issuer or any Restricted Subsidiary to comply for 60 days after receipt of written notice with any of its obligations, covenants or agreements (other than a default pursuant to Sections 6.1(i) or 6.1(ii)) contained in the Notes or this Indenture;

(iv) the failure by Dutch Co-Issuer or any Restricted Subsidiary to pay any Indebtedness for borrowed money (other than Indebtedness for borrowed money owing to Dutch Co-Issuer or a Restricted Subsidiary) within any applicable grace period after final maturity or the acceleration of any such Indebtedness by the holders thereof because of a default, in each case, if the total amount of such Indebtedness unpaid or accelerated exceeds $75.0 million or its foreign currency equivalent;

(v) an Issuer or any Significant Subsidiary pursuant to or within the meaning of any Bankruptcy Law:

(1) commences a voluntary case;

(2) consents to the entry of an order for relief against it in any voluntary case;

(3) consents to the appointment of a Custodian of it or for any substantial part of its property; or

(4) makes a general assignment for the benefit of its creditors;

or takes any comparable action under any foreign laws relating to insolvency;

(vi) a court of competent jurisdiction enters an order or decree under any Bankruptcy Law that:

(1) is for relief against the Issuers or any Significant Subsidiary in an involuntary case;

(2) appoints a Custodian of the Issuers or any Significant Subsidiary or for any substantial part of its property; or

(3) orders the winding up or liquidation of either of the Issuers or any Significant Subsidiary;

or any similar relief is granted under any foreign laws and the order or decree remains unstayed and in effect for 60 days;

(vii) failure by either Issuer or any Significant Subsidiary to pay final and non-appealable judgments aggregating in excess of $75.0 million or its foreign currency equivalent (net of any amounts which are covered by enforceable insurance policies issued by solvent insurance companies), which judgments are not discharged, waived or stayed for a period of 60 days after such judgment becomes final and, in the event such judgment is covered by insurance, an enforcement proceeding has been commenced by any creditor upon such judgment or decree which is not promptly stayed;

(viii) the Guarantee of a Significant Subsidiary ceases to be in full force and effect (except as contemplated by the terms thereof or of this Indenture), or any Guarantor that is a Significant Subsidiary denies in writing that it has any further liability under its Guarantee or gives written notice to such effect, other than by reason of the termination or discharge of this Indenture or the release of any such Guarantee in accordance with this Indenture, and such Default continues for 10 days; or

(ix) (1) any material provision of any Notes Security Document or the Intercreditor Agreement, at any time, (a) ceases to be in full force and effect for any reason other than in accordance with the terms of this Indenture, the Notes Security Documents and the Intercreditor Agreement or (b) is declared invalid or unenforceable by a court of competent jurisdiction, (2) either of the Issuers or any Guarantor contests in writing the validity or enforceability of any provision of any Notes Security Document or the Intercreditor Agreement or (3) either of the Issuers or any Guarantor denies in writing that it has any further liability under this Indenture, any Notes Security Document or the Intercreditor Agreement or gives written notice to revoke or rescind any Notes Security Document or the perfected first-priority Liens created thereby other than in accordance with the terms of this Indenture, the Notes Security Documents and the Intercreditor Agreement.

The foregoing shall constitute Events of Default whatever the reason for any such Event of Default and whether it is voluntary or involuntary or is effected by operation of law or pursuant to any judgment, decree or order of any court or any order, rule or regulation of any administrative or governmental body.

However, a default under Section 6.1(iii) shall not constitute an Event of Default until the Trustee or the Holders of at least 25.0% in principal amount of outstanding Notes notify the Issuers of the default and such default is not cured within the time specified in Section 6.1(iii) after receipt of such notice.

SECTION 6.2. Acceleration. If an Event of Default (other than an Event of Default specified in Section 6.1(v) or (vi) above with respect to an Issuer) occurs and is continuing, the Trustee or the Holders of at least 25.0% in principal amount of outstanding Notes by written notice to the Issuers may declare the principal of, premium, if any, and accrued but unpaid interest on all the Notes to be due and payable. Upon such a declaration, such principal and interest shall be due and payable immediately. If an Event of Default arising from Section 6.1(v) or (vi) of an Issuer occurs, the principal of, premium, if any, and interest on all the Notes shall become immediately due and payable without any declaration or other act on the part of the Trustee or any Holders.

SECTION 6.3. Other Remedies. If an Event of Default occurs and is continuing, the Trustee may pursue any available remedy to collect the payment of principal of or interest on the Notes or to enforce the performance of any provision of the Notes, this Indenture (including sums owed to the Trustee and its agents and counsel) and the Guarantees.

The Trustee may maintain a proceeding even if it does not possess any of the Notes or does not produce any of them in the proceeding. A delay or omission by the Trustee or any Holder in exercising any right or remedy accruing upon an Event of Default shall not impair the right or remedy or constitute a waiver of or acquiescence in the Event of Default. No remedy is exclusive of any other remedy. All available remedies are cumulative.

SECTION 6.4. Waiver of Past Defaults. The Holders of a majority in aggregate principal amount of the then outstanding Notes by written notice to the Trustee may, on behalf of the Holders of all of the Notes, waive, rescind or cancel any declaration of an existing or past Default or Event of Default and its consequences under this Indenture if such waiver, rescission or cancellation would not conflict with any judgment or decree, except a continuing Default or Event of Default in the payment of interest on, or the principal of, the Notes (other than such nonpayment of principal or interest that has become due as a result of such acceleration). Upon any such waiver, such Default shall cease to exist, and any Event of Default arising therefrom shall be deemed to have been cured for every purpose of this Indenture; but no such waiver shall extend to any subsequent or other Default or impair any right consequent thereon.

In the event of any Event of Default arising from Section 6.1(iv), such Event of Default and all consequences thereof (excluding, however, any resulting payment default) shall be annulled, waived and rescinded, automatically and without any action by the Trustee or the Holders, if prior to 20 days after such Event of Default arose, Dutch Co-Issuer delivers an Officer's Certificate to the Trustee stating that (x) the Indebtedness or guarantee that is the basis for such Event of Default has been discharged or (y) the Holders thereof have rescinded or waived the acceleration, notice or action (as the case may be) giving rise to such Event of Default or (z) the default that is the basis for such Event of Default has been cured.

SECTION 6.5. Control by Majority. The Holders of a majority in principal amount of the then outstanding Notes may direct the time, method and place of conducting any proceeding for any remedy available to the Trustee or of exercising any trust or power conferred on the Trustee. The Trustee, however, may refuse to follow any direction that conflicts with law or this Indenture or that the Trustee determines is unduly prejudicial to the rights of any other Holder or that would involve the Trustee in personal liability unless such Holders have offered to the Trustee security and indemnity satisfactory to it against any loss, liability or expense. Prior to taking any action under this Indenture, the Trustee shall be entitled to security or indemnification satisfactory to it in its sole discretion against all losses, liabilities and expenses that may be caused by taking or not taking such action.

SECTION 6.6. Limitation on Suits. In case an Event of Default occurs and is continuing, the Trustee shall be under no obligation to exercise any of the rights or powers under this Indenture at the request or direction of any of the Holders unless such Holders have offered to the Trustee indemnity or security satisfactory to it against any loss, liability or expense. Except to enforce the right to receive payment of principal, premium, if any, or interest, when due, no Holder may pursue any remedy with respect to this Indenture or the Notes unless:

(i) such Holder has previously given the Trustee written notice that an Event of Default is continuing;

(ii) Holders of at least 25.0% of the aggregate principal amount of the outstanding Notes have requested in writing the Trustee to pursue the remedy;

(iii) such Holders have offered the Trustee security or indemnity reasonably satisfactory to it in any loss, liability or expense;

(iv) the Trustee has not complied with such request within 60 days after the receipt of the request and the offer of security or indemnity; and

(v) the Holders of a majority in principal amount of the outstanding Notes have not given the Trustee a written direction inconsistent with such request within such 60-day period.

SECTION 6.7. Rights of Holders to Receive Payment. Notwithstanding any other provision of this Indenture, the right of any Holder to receive payment of principal of, premium, if any, or interest on the Notes held by such Holder, on or after the respective due dates expressed in the Notes, or to bring suit for the enforcement of any such payment on or after such respective dates, shall not be impaired or affected without the consent of such Holder.

SECTION 6.8. Collection Suit by Trustee. If an Event of Default specified in Section 6.1(i) or (ii) occurs and is continuing, the Trustee may recover judgment in its own name and as trustee of an express trust against the Issuers for the whole amount then due and owing (together with interest on any unpaid interest to the extent lawful) and the amounts provided for in Section 7.6.

SECTION 6.9. Trustee May File Proofs of Claim. The Trustee may file such proofs of claim and other papers or documents as may be necessary or advisable in order to have the claims of the Trustee (including any claim for the reasonable compensation, expenses, disbursements and advances of the Trustee, its agents and counsel) and the Holders allowed in any judicial proceedings relative to the Issuers, its Subsidiaries or their respective creditors or properties and, unless prohibited by law or applicable regulations, may vote on behalf of the Holders (pursuant to the written direction of Holders of a majority in principal amount of the then outstanding Notes) in any election of a trustee in bankruptcy or other Person performing similar functions, and any Custodian in any such judicial proceeding is hereby authorized by each Holder to make payments to the Trustee and, in the event that the Trustee shall consent to the making of such payments directly to the Holders, to pay to the Trustee any amount due it for the reasonable compensation, expenses, disbursements and advances of the Trustee, its agents and its counsel, and any other amounts due the Trustee under Section 7.6. Nothing herein contained shall be deemed to authorize the Trustee to authorize or consent to or accept or adopt on behalf of any Holder any plan or reorganization, arrangement, adjustment or composition affecting the Notes or the rights of any Holder thereof, or to authorize the Trustee to vote in respect of the claim of any Holder in such proceeding.

SECTION 6.10. Priorities. The Trustee shall pay out any money or property received by it in the following order:

First: to the Trustee for amounts due under Section 7.6;

Second: to Holders for amounts due and unpaid on the Notes for principal, premium, if any, and interest, ratably, without preference or priority of any kind, according to the amounts due and payable on the Notes for principal, premium, if any, and interest, respectively; and

Third: to the Issuers or, to the extent the Trustee receives any amount for any Guarantor, to such Guarantor as a court of competent jurisdiction shall direct.

The Trustee may fix a record date and payment date for any payment to Holders pursuant to this Section. At least 15 days before such record date, the Issuers (or Trustee) shall mail to each Holder and the Trustee a notice that states the record date, the payment date and amount to be paid.

SECTION 6.11. Undertaking for Costs. In any suit for the enforcement of any right or remedy under this Indenture or in any suit against the Trustee for any action taken or omitted by it as Trustee, a court in its discretion may require the filing by any party litigant in the suit of an undertaking to pay the costs of the suit, and the court in its discretion may assess reasonable costs, including reasonable attorneys' fees and expenses, against any party litigant in the suit, having due regard to the merits and good faith of the claims or defenses made by the party litigant. This Section does not apply to a suit by the Trustee, a suit by a Holder pursuant to Section 6.7 or a suit by Holders of more than 10.0% in outstanding principal amount of the Notes.

ARTICLE VII

Trustee

SECTION 7.1. Duties of Trustee.

(a) If an Event of Default has occurred and is continuing, the Trustee shall, in the exercise of its rights and powers under this Indenture, use the same degree of care and skill in its exercise of such rights and powers as a prudent Person would exercise or use under the circumstances in the conduct of such Person's own affairs, subject to the provisions of clause (h) below.

(b) Except during the continuance of an Event of Default of which a Trust Officer has actual knowledge, the Trustee and the Agents:

(i) undertake to perform such duties and only such duties as are specifically set forth in this Indenture and no implied covenants or obligations shall be read into this Indenture against the Trustee or the Agents; and

(ii) in the absence of gross negligence or bad faith on its part, may conclusively rely, as to the truth of the statements and the correctness of the opinions expressed therein, upon certificates or opinions furnished to the Trustee under this Indenture, the Notes and the Guarantees, as applicable. However, in the case of any such certificates or opinions which by any provisions hereof are specifically required to be furnished to the Trustee, the Trustee shall examine such certificates and opinions to determine whether or not they conform to the requirements of this Indenture, the Notes and the Guarantees as the case may be (but need not confirm or investigate the accuracy of mathematical calculations or other facts stated therein).

(c) The Trustee and the Agents shall not be relieved from liability for its own negligent action, its own negligent failure to act or its own willful misconduct, except that:

(i) this Section 7.1(c) does not limit the effect of Section 7.1(b);

(ii) the Trustee and the Agents shall not be liable for any error of judgment made in good faith by a Trust Officer or Trust Officers unless it is proved in a final non-appealable decision of a court of competent jurisdiction that the Trustee was negligent in ascertaining the pertinent facts; and

(iii) the Trustee and the Agents shall not be liable with respect to any action it takes or omits to take in good faith in accordance with a direction received by it pursuant to Section 6.5.

(d) The Trustee and the Agents shall not be liable for interest on any money received by it except as the Trustee and the Agents may agree in writing with the Issuers.

(e) No Agent shall be under any fiduciary duty or other obligation towards, or have any relationship of agency and trust for or with any Person including the Issuers.

(f) Money held by the Trustee and the Agents need not be segregated from other funds except to the extent required by law.

(g) The Paying Agent holds all money as banker subject to the terms of this Indenture and, as a result, such money will not be held in accordance with the FSA Rules in relation to client money from time to time. For purposes of the foregoing provision, "FSA Rules" means the rules established by the FSA in the Financial Services Authority's Handbook of rules and guidance from time to time.

(h) No provision of this Indenture, the Notes or the Guarantees shall require the Trustee or an Agent to expend or risk its own funds or otherwise incur any financial liability in the performance of any of its duties hereunder or thereunder or in the exercise of any of its rights or powers, if it shall have reasonable grounds to believe that repayment of such funds or indemnity satisfactory to it against such risk or liability is not reasonably assured to it.

(i) Every provision of this Indenture relating to the conduct or affecting the liability of or affording protection to the Trustee and the Agents shall be subject to the provisions of this Section 7.1.

(j) The Trustee shall be under no obligation to exercise any of the rights or powers vested in it by this Indenture at the request or direction of any of the Holders unless such Holders shall have offered to the Trustee, security, prefunding or indemnity satisfactory to it against the costs, expenses (including reasonable attorneys' fees and expenses) and liabilities that might be incurred by it in compliance with such request or direction.

SECTION 7.2. Rights of Trustee.

(a) The Trustee and the Agents may conclusively rely and shall be protected in acting upon any resolution, certificate, statement, instrument, opinion, notice, request, direction, consent, order, bond or any other paper or document believed by it to be genuine and to have been signed or presented by the proper Person or Persons. The Trustee and the Agents need not investigate any fact or matter stated in the document.

(b) Before the Trustee acts or refrains from acting, it may require an Officer's Certificate or an Opinion of Counsel or both. The Trustee shall not be liable for any action it takes or omits to take in good faith in reliance on an Officer's Certificate or Opinion of Counsel.

(c) The Trustee may act through its attorneys, custodians, nominees and agents and shall not be responsible for the misconduct or negligence of or for the supervision of any agent, custodians, nominees or attorney appointed with due care.

(d) The Trustee shall not be liable for any action it takes or omits to take in good faith which it believes to be authorized or within its rights or powers; *provided*, *however*, that the Trustee's conduct does not constitute willful misconduct or negligence as determined in a final non-appealable decision of a court of competent jurisdiction.

(e) The Trustee and the Agents may consult with counsel of its selection, and the advice or opinion of counsel with respect to legal matters relating to this Indenture, the Notes and the Guarantees shall be full and complete authorization and protection from liability in respect to any action taken, omitted or suffered by it hereunder or under the Notes and the Guarantees in good faith and in accordance with the advice or opinion of such counsel.

(f) The Trustee and the Agents shall not be bound to make any investigation into any statement, warranty or representation, or the facts or matters stated in any resolution, certificate, statement, instrument, opinion, notice, request, direction, consent, order, bond or other paper or document made or in connection with this Indenture; moreover, the Trustee and the Agents shall not be bound to make any investigation into (i) the performance or observance of any of the covenants, agreements or other terms or conditions set forth herein, (ii) the occurrence of any default, or the validity, enforceability, effectiveness or genuineness of this Indenture or any other agreement, instrument or document, or (iii) the facts or matters stated in any resolution, certificate, statement, instrument, opinion, report, notice, request, direction, consent, order, bond, debenture, note other evidence of indebtedness or other paper or document, but the Trustee or an Agent, in its discretion, may make such further inquiry or investigation into such facts or matters as it may see fit, and, if the Trustee or an Agent, as applicable, shall determine to make such further inquiry or investigation, it shall be entitled to examine the books, records and premises of the Issuers, personally or by agent or attorney and shall incur no liability or additional liability of any kind by reason of such inquiry or investigation.

(g) The Trustee shall not be deemed to have knowledge of any Default or Event of Default except any Default or Event of Default of which a Trust Officer shall have (x) received written

notification from the Issuers or a Holder at the Corporate Trust Office of the Trustee and such notice references the Notes and this Indenture or (y) obtained "actual knowledge." "Actual knowledge" shall mean the actual fact or statement of knowing by a Trust Officer without independent investigation with respect thereto.

(h) In no event shall the Trustee or an Agent be responsible or liable for special, indirect, or consequential loss or damage of any kind whatsoever (including, but not limited to, loss of profit) irrespective of whether the Trustee or Agent has been advised of the likelihood of such loss or damage and regardless of the form of action.

(i) The rights, privileges, protections, immunities and benefits given to the Trustee, including, without limitation, its right to be indemnified, are extended to, and shall be enforceable by, the Trustee in each of its capacities hereunder, and each agent (including the Agents), custodian and other Person employed to act hereunder.

(j) The Trustee may request that the Issuers deliver a certificate setting forth the names of individuals and/or titles of officers authorized at such time to take specified actions pursuant to this Indenture.

(k) The Trustee shall not have any duty (A) to see to any recording, filing, or depositing of this Indenture or any agreement referred to herein, or to see to the maintenance of any such recording or filing or depositing or to any rerecording, re-filing or redepositing of any thereof or (B) to see to any insurance.

(l) The right of the Trustee or an Agent to perform any discretionary act enumerated in this Indenture shall not be construed as a duty.

(m) In the event that the Paying Agent receives conflicting, unclear or equivocal instructions, the Paying Agent shall be entitled not to take any action until such instructions have been resolved or clarified to its satisfaction and the Paying Agent shall not be or become liable in any way to any Person for any failure to comply with any such conflicting, unclear or equivocal instructions.

SECTION 7.3. Individual Rights of Trustee. Subject to the TIA, the Trustee, in its individual or any other capacity, may become the owner or pledgee of Notes and may otherwise deal with the Issuers, the Guarantors or their Affiliates with the same rights it would have if it were not Trustee. Any Paying Agent, Registrar, co-registrar or co-paying agent may do the same with like rights. However, the Trustee must comply with Section 7.9. In addition, the Trustee shall be permitted to engage in transactions with the Issuers; *provided*, *however*, that if the Trustee acquires any conflicting interest the Trustee must (i) eliminate such conflict within 90 days of acquiring such conflicting interest, (ii) apply to the SEC for permission to continue acting as Trustee or (iii) resign.

SECTION 7.4. Disclaimer. Neither the Trustee nor any Agent shall be responsible for and neither of them makes any representation as to the validity or adequacy of this Indenture, the Notes, the Guarantees or the Notes Security Documents, neither of them shall be accountable for the Issuers' use of the Notes or the proceeds from the Notes, and neither of them shall be responsible for any statement of the Issuers in this Indenture or in any document issued in connection with the sale of the Notes or in the Notes or any Notes Security Document other than the Trustee's certificate of authentication or for the use or application of any funds received by any Paying Agent other than the Trustee.

SECTION 7.5. Notice of Defaults. If a Default occurs and is continuing and is actually known to the Trustee, the Trustee shall mail to each Holder notice of the Default within 90 days after it is known to the Trustee. Except in the case of a Default in the payment of principal of, premium (if any) or interest on any Note, the Trustee may withhold notice if and so long as a committee of its Trust Officers in good faith determines that withholding notice is in the interests of the Holders.

SECTION 7.6. Compensation and Indemnity. The Issuers shall pay to the Trustee and the Agents from time to time such compensation for their services as the parties shall agree in writing from

time to time. The Trustee's compensation shall not be limited by any law on compensation of a trustee of an express trust. The Issuers shall reimburse the Trustee and the Agents upon request for all reasonable out-of-pocket expenses incurred or made by it, including, but not limited to, costs of collection, costs of preparing and reviewing reports, certificates and other documents, costs of preparation and mailing of notices to Holders and reasonable costs of counsel, in addition to the compensation for its services. Such expenses shall include the reasonable compensation and expenses, disbursements and advances of the Trustee's agents, counsel, accountants and experts. The Issuers shall indemnify the Trustee or any predecessor Trustee in each of its capacities hereunder (including as an Agent, if applicable), and each of their officers, directors, employees, counsel and agents, against any and all loss, liability or expense (including, but not limited to, reasonable attorneys' fees and expenses) incurred by it in connection with the administration of this trust and the performance of their duties hereunder and under the Notes and the Guarantees, including the costs and expenses of enforcing this Indenture (including this Section 7.6), the Notes and the Guarantees and of defending itself against any claims (whether asserted by any Holder, the Issuers or otherwise). The Trustee and the Agents shall notify the Issuers promptly of any claim for which they may seek indemnity. Failure by the Trustee or an Agent to so notify the Issuers shall not relieve the Issuers of their obligations hereunder. The Issuers shall defend the claim and the Trustee and the Agents may have separate counsel and the Issuers shall pay the reasonable fees and expenses of such counsel. The Issuers need not reimburse any expense or indemnify against any loss, liability or expense incurred by the Trustee or an Agent as a result of its own willful misconduct, negligence or bad faith.

To secure the Issuers' payment obligations in this Section, the Trustee shall have a lien prior to the Notes on all money or property held or collected by the Trustee other than money or property held in trust to pay principal of and interest on particular Notes. The right of the Trustee to receive payment of any amounts due under this Section 7.6 shall not be subordinate to any other liability or indebtedness of the Issuers.

The Issuers' obligations pursuant to this Section and any lien arising hereunder shall survive the satisfaction and discharge of this Indenture and the resignation or removal of the Trustee or an Agent. When the Trustee or an Agent incurs expenses after the occurrence of a Default specified in Section 6.1(v) or (vi) with respect to the Issuers, the expenses are intended to constitute expenses of administration under any Bankruptcy Law.

Pursuant to Section 10.1, the obligations of the Issuers hereunder are jointly and severally guaranteed by the Guarantors.

SECTION 7.7. Replacement of Trustee. (a) The Trustee may resign at any time by so notifying the Issuers. The Holders of a majority in principal amount of the Notes may remove the Trustee by so notifying the Issuers and the Trustee in writing and may appoint a successor Trustee. The Issuers shall remove the Trustee if:

(i) the Trustee fails to comply with Section 7.9;

(ii) the Trustee is adjudged bankrupt or insolvent;

(iii) a receiver or other public officer takes charge of the Trustee or its property; or

(iv) the Trustee otherwise becomes incapable of acting.

If the Trustee resigns or is removed by the Issuers or by the Holders of a majority in principal amount of the Notes and such Holders do not reasonably promptly appoint a successor Trustee, or if a vacancy exists in the office of Trustee for any reason (the Trustee in such event being referred to herein as the retiring Trustee), the Issuers shall promptly appoint a successor Trustee.

A successor Trustee shall deliver a written acceptance of its appointment to the retiring Trustee and to the Issuers. Thereupon the resignation or removal of the retiring Trustee shall become effective, and the successor Trustee shall have all the rights, powers and duties of the Trustee under this Indenture. The successor Trustee shall mail a notice of its succession to Holders. The retiring Trustee shall

promptly transfer all property held by it as Trustee to the successor Trustee, subject to the lien provided for in Section 7.6. All costs reasonably incurred in connection with any resignation or removal hereunder shall be borne by the Issuers.

If a successor Trustee does not take office within 60 days after the retiring Trustee resigns or is removed, the retiring Trustee or the Holders of at least 10.0% in principal amount of the Notes may petition, at the Issuers' expense, any court of competent jurisdiction for the appointment of a successor Trustee.

If the Trustee fails to comply with Section 7.9, unless the Trustee's duty to resign is stayed, any Holder may petition any court of competent jurisdiction for the removal of the Trustee and the appointment of a successor Trustee.

Notwithstanding the replacement of the Trustee pursuant to this Section 7.7, the Issuers' obligations under Section 7.6 shall continue for the benefit of the retiring Trustee.

(b) Any Agent may resign its appointment upon not less than 30 days' notice to the Issuer; *provided*, *however*, that:

(i) if such resignation would otherwise take effect less than 30 days before or after the maturity date or other date for redemption of the Notes or any interest payment date in relation to the Notes, such resignation will not take effect until the 30th day following such date;

(ii) such resignation shall not take effect until a successor has been duly appointed by the Issuers, and notice of such appointment has been given to the Holders.

(c) If any Agent gives notice of its resignation in accordance with subclause (b) above and a successor thereto has not been duly appointed by the Issuers by the 10th day before the expiry of such notice, such Agent may itself, following such consultation with the Issuers as is practicable in the circumstances, appoint as its successor any reputable and experienced financial institution and give notice of such appointment to the Issuers, the other Agents and the Holders, whereupon the Issuers, the other Agents and the successor appointed pursuant to this subclause (c) shall acquire and become subject to the same rights and obligations between themselves as if they had entered into an agreement in the form mutatis mutandis of this Indenture.

SECTION 7.8. Successor Trustee by Merger. If the Trustee, consolidates with, merges or converts into, or transfers all or substantially all its corporate trust business or assets to, another corporation or banking association, the resulting, surviving or transferee corporation without any further act shall be the successor Trustee.

In case at the time such successor or successors by merger, conversion or consolidation to the Trustee shall succeed to the trusts created by this Indenture, any of the Notes shall have been authenticated but not delivered, any such successor to the Trustee may adopt the certificate of authentication of any predecessor trustee, and deliver such Notes so authenticated; and in case at that time any of the Notes shall not have been authenticated, any successor to the Trustee may authenticate such Notes either in the name of any predecessor hereunder or in the name of the successor to the Trustee; and in all such cases such certificates shall have the full force which it is anywhere in the Notes or in this Indenture provided that the certificate of the Trustee shall have.

SECTION 7.9. Eligibility; Disqualification. The Trustee shall have a combined capital and surplus of at least $50 million as set forth in its most recent filed annual report of condition.

This Indenture shall always have a Trustee who satisfies the requirements of TIA § 310(a)(1), (2) and (5). The Trustee is subject to TIA § 310(b).

SECTION 7.10. Limitation on Duty of Trustee. The Trustee shall not have any duty to ascertain or inquire as to the performance or observance of any of the terms of this Indenture, the Notes and the Guarantees by the Issuers, the Guarantors or any other Person.

SECTION 7.11. Preferential Collection of Claims Against the Issuers. The Trustee is subject to TIA § 311(a), excluding any creditor relationship listed in TIA § 311(b). A Trustee who has resigned or been removed shall be subject to TIA § 311(a) to the extent indicated therein.

SECTION 7.12. Reports by Trustee to Holders of the Notes. Within 60 days after each December 15, beginning with December 15, 2013, the Trustee shall mail to the Holders a brief report dated as of such reporting date that complies with TIA § 313(a) (but if no event described in TIA § 313(a) has occurred within the twelve months preceding the reporting date, no report need be transmitted). The Trustee also shall comply with TIA § 313(b). The Trustee shall also transmit by mail all reports as required by TIA § 313(c).

The Issuers shall promptly notify the Trustee in writing when any Notes are listed on any stock exchange and of any delisting thereof.

ARTICLE VIII

Discharge of Indenture; Defeasance

SECTION 8.1. Discharge of Liability on Notes; Defeasance. This Indenture shall be discharged and shall cease to be of further effect (except as to surviving rights of registration or transfer or exchange of Notes, as expressly provided for in this Indenture) as to all outstanding Notes when:

(a) either (i) all the Notes theretofore authenticated and delivered (other than Notes pursuant to Section 2.7 which have been replaced or paid and Notes for whose payment money has theretofore been deposited in trust or segregated and held in trust by the Issuers and thereafter repaid to the Issuers or discharged from such trust) have been delivered to the Paying Agent for cancellation or (ii) all of the Notes not previously delivered to the Paying Agent for cancellation (a) have become due and payable, (b) shall become due and payable at their Stated Maturity within one year or (c) if redeemable at the option of the Issuers, have been called for redemption or are to be called for redemption within one year under arrangements satisfactory to the Trustee for the giving of notice of redemption by the Trustee in the name, and at the expense, of the Issuers, and either of the Issuers or any Guarantor has irrevocably deposited or caused to be deposited with the Paying Agent funds in cash in euros, euro-denominated European Government Obligations or a combination thereof in an amount sufficient to pay and discharge the entire Indebtedness on the Notes not theretofore delivered to the Paying Agent for cancellation, for principal of, premium, if any, and interest on the Notes to the date of deposit together with irrevocable instructions from the Issuers directing the Paying Agent to apply such funds to the payment thereof at maturity or redemption, as the case may be;

(b) the Issuers and/or the Guarantors have paid all other sums payable under this Indenture; and

(c) Dutch Co-Issuer has delivered to the Trustee an Officer's Certificate and an Opinion of Counsel stating that all conditions precedent under this Indenture relating to the satisfaction and discharge of this Indenture have been complied with.

Subject to Sections 8.1(c) and 8.2, the Issuers at any time may terminate (i) all of their obligations under the Notes and this Indenture (with respect to such Notes) and have each Guarantor's obligation discharged with respect to its Guarantee and cure any then-existing Events of Default ("legal defeasance option") or (ii) its obligations under Sections 3.2, 3.3, 3.4, 3.5, 3.6, 3.7, 3.8, 3.9 and 3.10 and the operation of Section 4.1 (other than Sections 4.1(a)(i), (ii) and (vi)) and Sections 6.1(iii) (with respect to any Default under Sections 3.2, 3.3, 3.4, 3.5, 3.6, 3.7, 3.8, 3.9 and 3.10), 6.1(iv), 6.1(v) (with respect to Significant Subsidiaries of the Issuers only), 6.1(vi) (with respect to Significant Subsidiaries of the Issuers

only) and 6.1(vii) ("covenant defeasance option"). The Issuers may exercise their legal defeasance option notwithstanding their prior exercise of the covenant defeasance option. In the event that the Issuers terminate all of their obligations under the Notes and this Indenture (with respect to such Notes) by exercising the legal defeasance option or the covenant defeasance option or the option to satisfy and discharge this Indenture, the Liens, as they pertain to the Notes and the Guarantees, shall be released and each Guarantor shall be released from all of its obligations with respect to its Guarantee of such Notes and, to the extent pertaining to the Notes and the Guarantees, the Notes Security Documents.

If the Issuers exercise their legal defeasance option, payment of the Notes so defeased may not be accelerated because of an Event of Default. If the Issuers exercises their covenant defeasance option, payment of the Notes so defeased may not be accelerated because of an Event of Default specified in Section 6.1(iii) (with respect to any Default by Dutch Co-Issuer or any of its Restricted Subsidiaries with any of their obligations under Article III other than Sections 3.1, 3.11, 3.15), 6.1(iv), 6.1(v) (with respect to Significant Subsidiaries of the Issuers only), 6.1(vi) (with respect to Significant Subsidiaries of the Issuers only) or 6.1(vii).

Upon satisfaction of the conditions set forth herein and upon request of the Issuers, the Trustee shall acknowledge in writing the discharge of those obligations that the Issuers terminate.

(d) Notwithstanding clauses (a) and (b) above, the Issuers' obligations in Sections 2.3, 2.4, 2.5, 2.6, 2.7, 2.8, 7.6, 7.7 and in this Article 8 shall survive until the Notes have been paid in full. Thereafter, the Issuers' obligations in Sections 7.6, 8.5 and 8.6 shall survive such satisfaction and discharge.

SECTION 8.2. Conditions to Defeasance.

(a) The Issuers may exercise their legal defeasance option or their covenant defeasance option only if:

(i) the Issuers irrevocably deposit or cause to be deposited in trust with the Paying Agent cash in euros, euro-denominated European Government Obligations or a combination thereof in an amount sufficient or U.S. Government Obligations, the principal of and the interest on which shall be sufficient, or a combination thereof sufficient, to pay the principal of, and premium (if any) and interest on the applicable Notes when due at maturity or redemption, as the case may be (*provided* that if such redemption is made pursuant to Paragraph 6(b) of the form of Note set forth in Exhibit A hereto (or any corresponding paragraph of a Global Note or a Definitive Note), (x) the amount of money or euro-denominated European Government Obligations that the Issuers must irrevocably deposit or cause to be deposited will be determined using an assumed Applicable Premium calculated as of the date of such deposit, as calculated by the Issuers in good faith, and (y) the Issuers must irrevocably deposit or cause to be deposited additional money in trust on the redemption date as necessary to pay the Applicable Premium as determined on such date);

(ii) the Issuers deliver to the Trustee a certificate from a nationally recognized firm of independent accountants expressing their opinion that the payments of principal and interest when due and without reinvestment on the deposited U.S. Government Obligations plus any deposited money without investment shall provide cash at such times and in such amounts as shall be sufficient to pay principal, premium, if any, and interest when due on all the Notes to maturity or redemption, as the case may be;

(iii) 91 days pass after the deposit is made and during the 91-day period no Default specified in Section 6.1(v) or (vi) with respect to the Issuers occurs which is continuing at the end of the period;

(iv) the deposit does not constitute a default under any other agreement binding on the Issuers;

(v) the Issuers deliver to the Trustee an Opinion of Counsel to the effect that the trust resulting from the deposit does not constitute, or is qualified as, a regulated investment advisor under the Investment Advisors Act of 1940;

(vi) in the case of the legal defeasance option, the Issuers shall have delivered to the Trustee an Opinion of Counsel stating that (1) the Issuers have received from, or there has been published by, the Internal Revenue Service a ruling, or (2) since the date of this Indenture there has been a change in the applicable U.S. federal income tax law, in either case to the effect that, and based thereon such Opinion of Counsel shall confirm that, the Holders shall not recognize income, gain or loss for U.S. federal income tax purposes as a result of such deposit and defeasance and shall be subject to U.S. federal income tax on the same amounts, in the same manner and at the same times as would have been the case if such deposit and defeasance had not occurred;

(vii) in the case of the covenant defeasance option, the Issuers shall have delivered to the Trustee an Opinion of Counsel to the effect that the Holders shall not recognize income, gain or loss for U.S. federal income tax purposes as a result of such deposit and defeasance and shall be subject to U.S. federal income tax on the same amounts, in the same manner and at the same times as would have been the case if such deposit and defeasance had not occurred; and

(viii) the Issuers deliver to the Trustee an Officer's Certificate and an Opinion of Counsel, each stating that all conditions precedent to the defeasance and discharge of the Notes to be so defeased and discharged as contemplated by this Article VIII have been complied with.

Before or after a deposit, the Issuers may make arrangements satisfactory to the Trustee for the redemption of such Notes at a future date in accordance with Article V.

SECTION 8.3. Application of Trust Money. The Trustee shall hold in trust money or U.S. Government Obligations deposited with it pursuant to this Article VIII. It shall apply the deposited money and the money from U.S. Government Obligations through the Paying Agent and in accordance with this Indenture to the payment of principal of and interest on the Notes.

SECTION 8.4. Repayment to Issuers. Anything herein to the contrary notwithstanding, the Trustee shall deliver or pay to the Issuers from time to time upon Company Order any money or U.S. Government Obligations held by it as provided in this Article VIII which, in the opinion of a nationally recognized firm of independent public accountants expressed in a written certification thereof delivered to the Trustee, are in excess of the amount thereof which would then be required to be deposited to effect legal defeasance or covenant defeasance, as applicable, *provided* that the Trustee shall not be required to liquidate any U.S. Government Obligations in order to comply with the provisions of this Section 8.4.

Subject to any applicable abandoned property law, the Trustee and the Paying Agent shall pay to the Issuers upon written request any money held by them for the payment of principal of or interest on the Notes that remains unclaimed for two years, and, thereafter, Holders entitled to the money must look to the Issuers for payment as general creditors.

SECTION 8.5. Indemnity for U.S. Government Obligations. The Issuers shall pay and shall indemnify the Trustee against any tax, fee or other charge imposed on or assessed against deposited U.S. Government Obligations or the principal and interest received on such U.S. Government Obligations.

SECTION 8.6. Reinstatement. If the Trustee or Paying Agent is unable to apply any money or U.S. Government Obligations in accordance with this Article VIII by reason of any legal proceeding or by reason of any order or judgment of any court or governmental authority enjoining, restraining or otherwise prohibiting such application, the obligations of the Issuers and each Guarantor under this Indenture, the Notes and the Guarantees shall be revived and reinstated as though no deposit had occurred pursuant to this Article VIII until such time as the Trustee or Paying Agent is permitted to apply all such money or U.S. Government Obligations in accordance with this Article VIII; *provided*, *however*,

that, if any of the Issuers or the Guarantors has made any payment of interest on or principal of any Notes because of the reinstatement of its obligations, the Issuers or any Guarantor, as the case may be, shall be subrogated to the rights of the Holders of such Notes to receive such payment from the money or U.S. Government Obligations held by the Trustee or Paying Agent.

ARTICLE IX

Amendments

SECTION 9.1. Without Consent of Holders. Notwithstanding Section 9.2 hereof, this Indenture, the Notes, the Notes Security Documents, the Intercreditor Agreement and the Guarantees may be amended or supplemented by the Issuers, any Guarantor (with respect to this Indenture or a Guarantee to which it is a party), the Trustee and, if applicable, the Collateral Agent without notice to or consent of any Holder:

(iii) to comply with the Section 4.1;

(iv) to provide for the assumption by a successor Person of the obligations of an Issuer or any Guarantor under this Indenture and the Notes or Guarantee or the Notes Security Documents, as the case may be;

(vi) to add or release Guarantees in accordance with the terms of this Indenture with respect to the Notes;

(vii) to make, complete or confirm any grant of Collateral permitted or required by this Indenture, any of the Notes Security Documents or the Intercreditor Agreement or any release of Collateral pursuant to the terms of this Indenture, any of the Notes Security Documents or the Intercreditor Agreement;

(x) to comply with any requirement of the SEC in connection with the qualification of this Indenture under the TIA;

(xi) to make any amendment to the provisions of this Indenture relating to the transfer and legending of Notes as permitted by this Indenture, including, without limitation, to facilitate the issuance and administration of the Notes; *provided, however,* that (i) compliance with

this Indenture as so amended would not result in Notes being transferred in violation of the Securities Act or any applicable securities law and (ii) such amendment does not materially and adversely affect the rights of Holders to transfer Notes;

(xii) to evidence and provide for the acceptance of appointment by a successor Trustee or Collateral Agent, *provided* that the successor Trustee or Collateral Agent, as the case may be, is otherwise qualified and eligible to act as such under the terms of this Indenture and the Notes Security Documents, as applicable;

(xiii) to provide for or confirm the issuance of Additional Notes; or

(xiv) to secure additional extensions of credit and add additional secured creditors holding other First Lien Obligations so long as such First Lien Obligations are not prohibited by the provisions of this Indenture or any other then-existing First Lien Debt Documents.

SECTION 9.2. With Consent of Holders.

(a) This Indenture, the Notes, the Notes Security Documents and the Guarantees may be amended or supplemented with the consent of the Holders of at least a majority in aggregate principal amount of the Notes then outstanding (including, without limitation, consents obtained in connection with a purchase of, or tender offer or exchange offer for, Notes) and any existing or past Default or compliance with any provisions of such documents may be waived with the consent of the Holders of a majority in principal amount of the Notes then outstanding other than the Notes beneficially owned by Dutch Co-Issuer or its Affiliates (including, without limitation, consents obtained in connection with a purchase of, or tender offer or exchange offer for, Notes); *provided* that (x) if any such amendment or waiver will only affect one series of Notes (or less than all series of Notes) then outstanding under this Indenture, then only the consent of the holders of a majority in principal amount of the Notes of such series then outstanding (including, without limitation, consents obtained in connection with a purchase of, or tender offer or exchange offer for, Notes) shall be required and (y) if any such amendment or waiver by its terms will affect a series of Notes in a manner different from and materially adverse relative to the manner in which such amendment or waiver affects other series of Notes, then the consent of the holders of a majority in principal amount of the Notes of such series then outstanding (including, without limitation, consents obtained in connection with a purchase of, or tender offer or exchange offer for, Notes) shall be required. However, without the consent of each Holder of a Note affected (including, for the avoidance of doubt, any Notes held by Affiliates), no amendment, supplement or waiver may (with respect to any Notes held by a non-consenting Holder):

(i) reduce the percentage of the aggregate principal amount of Notes whose Holders must consent to an amendment, supplement or waiver;

(ii) reduce the rate of or extend the time for payment of interest on any Note;

(iii) reduce the principal of or change the Stated Maturity of any Note;

(iv) waive a Default in the payment of principal of or premium, if any, or interest on the Notes, except a rescission of acceleration of the Notes by the Holders of at least a majority in aggregate principal amount of the Notes and a waiver of the payment default that resulted from such acceleration;

(v) reduce the premium payable upon the redemption of any Note or change the time at which any Note may be redeemed as described under Section 5.1;

(vi) make any Note payable in money other than that stated in such Note;

(vii) impair the right of any Holder to receive payment of principal of, premium, if any, or interest on such Holder's Notes on or after the due dates therefor or to institute suit for the enforcement of any payment on or with respect to such Holder's Notes;

(viii) make any change in the amendment or waiver provisions of this Indenture that require each Holder's consent, as described in clauses (i) through (vii) above;

(ix) make any change in the provisions of this Indenture relating to waivers of past Defaults or the rights of Holders to receive payments of principal of or premium, if any, or interest on the Notes; or

(x) make the Notes or any Guarantee subordinated in right of payment to any other obligations.

(b) Without the consent of the Holders of at least 66.7% in aggregate principal amount of the Notes then outstanding, no amendment, supplement or waiver may:

(i) have the effect of releasing all or substantially all of the Collateral from the Liens of the Notes Security Documents (except as permitted by the terms of this Indenture, the Intercreditor Agreement or the Notes Security Documents) or changing or altering the priority of the security interests of the Holders in the Collateral under the Intercreditor Agreement;

(ii) make any change in the Notes Security Documents, the Intercreditor Agreement or the provisions in this Indenture dealing with the application of proceeds of the Collateral that would adversely affect the Holders; or

(iii) modify the Notes Security Documents or the Intercreditor Agreement in any manner adverse to the Holders in any material respect other than in accordance with the terms of this Indenture, the Intercreditor Agreement or the Notes Security Documents.

(c) It shall not be necessary for the consent of the Holders under this Section 9.2 to approve the particular form of any proposed amendment, but it shall be sufficient if such consent approves the substance thereof.

(d) After an amendment under this Section 9.2 becomes effective, the Issuers shall (or shall cause the Trustee, at the expense of and at the written request of the Issuers, to) mail to the Holders of Notes affected thereby a notice briefly describing such amendment. The failure of the Issuers to mail such notice, or any defect therein, shall not in any way impair or affect the validity of an amendment under this Section 9.2.

(e) Notwithstanding the provisions of Section 9.1 and this Section 9.2, no amendment of, or supplement or waiver to, this Indenture, the Notes or the Notes Security Documents shall be permitted to be effected if such amendment, supplement or waiver is in violation of or inconsistent with the terms of the Intercreditor Agreement. No amendment of, or supplement or waiver to, the Intercreditor Agreement shall be permitted to be effected without the consent of the Collateral Agent, the Bank Collateral Agent and any other First Lien Agent then party thereto, other than pursuant to the terms thereof.

SECTION 9.3. Effect of Consents and Waivers. A consent to an amendment or a waiver by a Holder of a Note shall bind the Holder and every subsequent Holder of that Note or portion of the Note that evidences the same debt as the consenting Holder's Note, even if notation of the consent or waiver is not made on the Note. After an amendment or waiver becomes effective, it shall bind every Holder unless it makes a change described in clauses (i) through (ix) of Section 9.2(a), in which case the amendment or waiver or other action shall bind each Holder who has consented to it and every subsequent Holder that evidences the same debt as the consenting Holder's Notes. An amendment or waiver made pursuant to Section 9.2 shall become effective upon receipt by the Trustee of the requisite number of written consents.

The Issuers may, but shall not be obligated to, fix a record date for the purpose of determining the Holders entitled to give their consent or take any other action described above or required or permitted to be taken pursuant to this Indenture. If a record date is fixed, then notwithstanding the immediately preceding paragraph, those Persons who were Holders at such record date (or their duly designated proxies), and only those Persons, shall be entitled to give such consent or to take any such action, whether or not such Persons continue to be Holders after such record date.

SECTION 9.4. Notation on or Exchange of Notes. If an amendment changes the terms of a Note, the Trustee may require the Holder of the Note to deliver it to the Trustee. The Trustee may place an appropriate notation on the Note regarding the changed terms and return it to the Holder. Alternatively, if the Issuers or the Trustee so determines, the Issuers in exchange for the Note shall issue and the Trustee shall authenticate a new Note that reflects the changed terms. Failure to make the appropriate notation or to issue a new Note shall not affect the validity of such amendment.

SECTION 9.5. Trustee To Sign Amendments. The Trustee shall sign any amendment, supplement or waiver authorized pursuant to this Article IX if the amendment, supplement or waiver does not, in the sole determination of the Trustee, adversely affect the rights, duties, liabilities or immunities of the Trustee. If it does, the Trustee may but need not sign it. In signing any amendment, supplement or waiver pursuant to this Article IX, the Trustee shall be entitled to receive, and (subject to Sections 7.1 and 7.2) shall be fully protected in relying upon, an Officer's Certificate and an Opinion of Counsel stating that such amendment, supplement or waiver is authorized or permitted by or complies with this Indenture, that all conditions precedent to such amendment required by this Indenture have been complied with and that such amendment, supplement or waiver is the legal, valid and binding obligation of the Issuers, enforceable against the Issuers in accordance with its terms, subject to customary exceptions. Notwithstanding the foregoing, no Opinion of Counsel will be required for the Trustee to execute any amendment or supplement adding a new Guarantor under this Indenture.

ARTICLE X

Guarantees

SECTION 10.1. Guarantees.

(a) Subject to the provisions of this Article X, each Guarantor hereby jointly and severally, irrevocably, fully and unconditionally guarantees, as guarantor and not as a surety, with each other Guarantor, to each Holder of the Notes, to the extent lawful, and the Trustee the full and punctual payment when due, whether at maturity, by acceleration, by redemption or otherwise, of the principal of, premium, if any, and interest on the Notes and all other Obligations of the Issuers under this Indenture and the Notes (including, without limitation, interest accruing after the filing of any petition in bankruptcy, or the commencement of any insolvency, reorganization or like proceeding, relating to the Issuers or any Guarantor whether or not a claim for post-filing or post-petition interest is allowed in such proceeding and the obligations under Section 7.6) (all the foregoing being hereinafter collectively called the "Guarantor Obligations"). Each Guarantor agrees (to the extent lawful) that the Guarantor Obligations may be extended or renewed, in whole or in part, without notice or further assent from it, and that it shall remain bound under this Article X notwithstanding any extension or renewal of any Guarantor Obligation.

(b) Each Guarantor waives (to the extent lawful) presentation to, demand of, payment from and protest to the Issuers of any of the Guarantor Obligations and also waives (to the extent lawful) notice of protest for nonpayment. Each Guarantor waives (to the extent lawful) notice of any default under the Notes or the Guarantor Obligations.

(c) Each Guarantor further agrees that its Guarantee herein constitutes a Guarantee of payment when due (and not a Guarantee of collection) and waives any right to require that any resort be had by any Holder to any security held for payment of the Guarantor Obligations.

(d) Except as set forth in Section 10.2 and Article VIII, the obligations of each Guarantor hereunder shall not be subject to any reduction, limitation, impairment or termination for any reason (other than payment of the Guarantor Obligations in full), including any claim of waiver, release, surrender, alteration or compromise, and shall not (to the extent lawful) be subject to any defense of setoff, counterclaim, recoupment or termination whatsoever or by reason of the invalidity, illegality or unenforceability of the Guarantor Obligations or otherwise. Without limiting the generality of the

foregoing, the obligations of each Guarantor herein shall not (to the extent lawful) be discharged or impaired or otherwise affected by (a) the failure of any Holder to assert any claim or demand or to enforce any right or remedy against the Issuers or any other Person under this Indenture, the Notes or any other agreement or otherwise; (b) any extension or renewal of any thereof; (c) any rescission, waiver, amendment or modification of any of the terms or provisions of this Indenture, the Notes or any other agreement; (d) the release of any security held by any Holder for the Guarantor Obligations or any of them; (e) the failure of any Holder to exercise any right or remedy against any other Guarantor; (f) any change in the ownership of the Issuers; (g) any default, failure or delay, willful or otherwise, in the performance of the Guarantor Obligations; or (h) any other act or thing or omission or delay to do any other act or thing which may or might in any manner or to any extent vary the risk of any Guarantor or would otherwise operate as a discharge of such Guarantor as a matter of law or equity.

(e) Each Guarantor agrees that its Guarantee herein shall remain in full force and effect until payment in full of all the Guarantor Obligations or such Guarantor is released from its Guarantee in compliance with Section 4.1, Section 10.2 and Article VIII. Each Guarantor further agrees that its Guarantee herein shall continue to be effective or be reinstated, as the case may be, if at any time payment, or any part thereof, of principal of, premium, if any, or interest on any of the Guarantor Obligations is rescinded or must otherwise be restored by any Holder upon the bankruptcy or reorganization of the Issuers or otherwise.

(f) In furtherance of the foregoing and not in limitation of any other right which any Holder has at law or in equity against any Guarantor by virtue hereof, upon the failure of the Issuers to pay any of the Guarantor Obligations when and as the same shall become due, whether at maturity, by acceleration, by redemption or otherwise, each Guarantor hereby promises to and shall, upon receipt of written demand by the Trustee, forthwith pay, or cause to be paid, in cash, to the Trustee or the Trustee on behalf of the Holders an amount equal to the sum of (i) the unpaid amount of such Guarantor Obligations then due and owing and (ii) accrued and unpaid interest on such Guarantor Obligations then due and owing (but only to the extent not prohibited by law) (including interest accruing after the filing of any petition in bankruptcy or the commencement of any insolvency, reorganization or like proceeding relating to the Issuers or any Guarantor whether or not a claim for post-filing or post-petition interest is allowed in such proceeding).

(g) Each Guarantor further agrees that, as between such Guarantor, on the one hand, and the Holders, on the other hand, (x) the maturity of the Guarantor Obligations guaranteed hereby may be accelerated as provided in this Indenture for the purposes of its Guarantee herein, notwithstanding any stay, injunction or other prohibition preventing such acceleration in respect of the Guarantor Obligations guaranteed hereby and (y) in the event of any such declaration of acceleration of such Guarantor Obligations, such Guarantor Obligations (whether or not due and payable) shall forthwith become due and payable by the Guarantor for the purposes of this Guarantee.

(h) Each Guarantor also agrees to pay any and all reasonable costs and expenses (including reasonable attorneys' fees) incurred by the Trustee or the Holders in enforcing any rights under this Section.

(i) Neither the Issuers nor the Guarantors shall be required to make a notation on the Notes to reflect any Guarantee or any release, termination or discharge thereof and any such notation shall not be a condition to the validity of any Guarantee.

(j) Each Guarantee shall be subject to limitations in accordance with local law in the jurisdiction of organization of the applicable Guarantor and defenses generally available to guarantors in such jurisdiction. For the avoidance of doubt, such limitations and defenses may include, but are not limited to, (i) those related to fraudulent conveyance, fraudulent transfer, voidable preference, financial assistance, corporate purpose, corporate benefit, capital maintenance, earnings stripping, retention of title claims and similar laws, regulations and defenses affecting the rights of creditors generally, (ii) such limitations and defenses as are described in the Offering Circular under the caption "Limitations on Validity and Enforceability of the Guarantees and the Security Interests" and (iii) other considerations under applicable law.

(k) If and to the extent that a Guarantor incorporated in Switzerland (a "Swiss Guarantor**"**) is liable under the Guarantees or any other provision of the Notes or this Indenture, for obligations other than obligations of one of its wholly owned subsidiaries (being obligations of its direct or indirect parent companies (for purposes of this clause (k), an "up-stream guarantee") or sister companies (for purposes of this clause (k), a "cross-stream guarantee")) (for purposes of this clause (k), the "Restricted Obligations"), and that the making of a payment in fulfilling Restricted Obligations would under Swiss corporate law (*inter alia*, prohibiting capital repayments or restricting distributions) at the time payment is due, not be permitted, then such obligations and payment amount shall from time to time be limited to the amount permitted to be paid under Swiss corporate law; provided that such limited amount shall at no time be less than such Swiss Guarantor's distributable reserves (presently being the balance sheet profits and any reserves available for distribution, including, without limitation, *Kapitaleinlagereserven*) at the time or times payment is requested from the relevant Swiss Guarantor, and further provided that such limitation (as may apply from time to time or not) shall not (generally or definitively) release such Swiss Guarantor from payment obligations hereunder in excess thereof, but merely postpone the payment date therefore until such times as payment is again permitted notwithstanding such limitation. Any and all indemnities and guarantees contained in the Notes or this Indenture shall be construed in a manner consistent with the provisos herein contained.

In case a Swiss Guarantor who must make a payment in respect of Restricted Obligations under its Guarantee is obliged to withhold Swiss Withholding Tax (*Verrechnungssteuer*) in respect of such payment, such Swiss Guarantor shall:

(i) procure that such payments can be made without deduction of Swiss Withholding Tax, or with deduction of Swiss Withholding Tax at a reduced rate, by discharging the liability to such tax by notification pursuant to applicable law (including double tax treaties) rather than payment of the tax;

(ii) if the notification procedure pursuant to sub-paragraph (i) above does not apply, deduct Swiss Withholding Tax at the rate of 35% (or such other rate as in force from time to time), or if the notification procedure pursuant to sub-paragraph (i) above applies for a part of the Swiss Withholding Tax only, deduct Swiss Withholding Tax at the reduced rate resulting after the discharge of part of such tax by notification under applicable law, from any payment made by it in respect of Restricted Obligations and promptly pay any such taxes to the Swiss Federal Tax Administration (*Eidgenössische Steuerverwaltung*);

(iii) notify the Trustee in writing that such notification, or as the case may be, deduction has been made and provide the Trustee with evidence that such a notification of the Swiss Federal Tax Administration has been made or, as the case may be, such taxes deducted have been paid to the Swiss Federal Tax Administration;

(iv) in the case of a deduction of Swiss Withholding Tax:

(1) use its best efforts to ensure that any Person other than a Secured Party which is entitled to a full or partial refund of the Swiss Withholding Tax deducted from such payment in respect of Restricted Obligations, will, as soon as possible after such deduction (A) request a refund of the Swiss Withholding Tax under applicable law (including tax treaties) and (B) pay to the Trustee upon receipt any amounts so refunded; and

(2) if a Secured Party is entitled to a full or partial refund of the Swiss Withholding Tax deducted from such payment, shall provide the Trustee (on its behalf or on behalf of any Secured Party) those documents that are required by law and applicable tax treaties to be provided by the payer of such tax, for each relevant Secured Party, to prepare a claim for refund of Swiss Withholding Tax.

If a Swiss Guarantor is obliged to withhold Swiss Withholding Tax in accordance with the previous paragraph, the Trustee shall be entitled to further enforce the Guarantees or any other indemnity

granted by the respective Swiss Guarantor under this Indenture and apply proceeds therefrom against the Restricted Obligations up to an amount which is equal to that amount which would have been obtained if no withholding of Swiss Withholding Tax were required, whereby such further enforcements shall always be limited to the maximum amount of the freely distributable reserves of the respective Swiss Guarantor as set out above.

If and to the extent a demand for payment against a Swiss Guarantor is made by the Trustee and if and to the extent required under Swiss mandatory law (with regards to restricting distributions) applicable at the relevant time, in order to allow the Trustee (and the Secured Parties) to obtain a maximum benefit under the Guarantees, the relevant Swiss Guarantor shall, and any parent company of the Swiss Guarantor being a party to this Indenture shall procure that the Swiss Guarantor will, promptly implement all such measures and/or promptly procure the fulfillment of all prerequisites allowing it to promptly make the (requested) payment(s) hereunder from time to time, including the following:

(i) preparation of an up-to-date audited balance sheet of the Swiss Guarantor;

(ii) obtain a confirmation of the auditors of the Swiss Guarantor confirming the maximum amount of the freely distributable reserves; and

(iii) approval by a shareholders' meeting of the Swiss Guarantor of the (resulting) distribution

(iv) to the extent permitted by applicable law write up or realize any of the Swiss Guarantor's assets that are shown in its balance sheet with a book value that is significantly lower than the market value of the assets, in case of realization, however, only if such assets are not necessary for the Swiss Guarantor's business (*nicht betriebsnotwendig*); and

(v) all such other measures necessary or useful to allow the Swiss Guarantor to make the payments and perform the obligations hereunder with a minimum of limitations.

(l) The obligations and liabilities of each Guarantor incorporated in Sweden (each a "Swedish Guarantor") incurred under its Guarantee shall be limited if (and only if) and to the extent required by the provisions of the Swedish Companies Act (Sw. Aktiebolagslagen (2005:551)) regulating (i) distribution of assets (Chapter 17, Sections 1-4 (or its equivalent from time to time)) and (ii) unlawful financial assistance and other prohibited loans and guarantees (Chapter 21, Section 5 (or its equivalent from time to time)), and it is understood that the obligations and liabilities of each Swedish Guarantor in its capacity as Guarantor under its Guarantee only applies to the extent permitted by the aforementioned provisions of the Swedish Companies Act.

(m) (i) The obligations and liabilities of any Guarantor incorporated in France (each such Guarantor, a "French Guarantor") under the Notes or this Indenture and in particular under this Article X shall not include any obligation or liability which, if incurred, would constitute the provision of financial assistance within the meaning of article L.225-216 of the French *Code de Commerce* and/or would constitute a misuse of corporate assets within the meaning of articles L.242-6 or L.244-1 of the French *Code de Commerce* or any other law or regulation having the same effect, as interpreted by French courts.

(ii) The obligations and liabilities of each French Guarantor under this Article X for the obligations under the Notes or this Indenture of any other obligor which is not a Subsidiary of such French Guarantor shall be limited, at any time to an amount equal to the proceeds from the offering of the Notes which the Issuers have applied for the direct or indirect benefit of each French Guarantor through the intercompany loan agreements and cash pooling arrangements that are outstanding on the date a payment is requested to be made by such French Guarantor under this Article X; it being specified that any payment made by a French Guarantor under this Article X in respect of the obligations of the Issuers shall reduce *pro tanto* the outstanding amount due by such French Guarantor under the intercompany loan agreements or cash pooling arrangements referred to above and that any repayment of the intercompany loans or of the cash pooling arrangements by the French Guarantor shall reduce *pro tanto* the amount payable under this Article X;

(iii) The obligations and liabilities of each French Guarantor under this Article X for the obligations under the Notes or this Indenture of any other obligor which is its Subsidiary shall not be limited, and shall therefore cover all amounts due by such obligor. However, where such Subsidiary is itself a Guarantor that guarantees the obligations of an obligor that is not a Subsidiary of the relevant French Guarantor, the amounts payable by such French Guarantor under this paragraph (iii) in respect of the obligations of this Subsidiary as Guarantor, shall be limited as set out in paragraph (ii) above.

(n) With respect to any Guarantor that is a Foreign Subsidiary which is incorporated in Germany (each a "German Guarantor"), the limitations and defenses in relation to such German Guarantor's obligations and liabilities under its Guarantee shall be as agreed in the supplemental indenture to be entered into by the relevant German Guarantors after the date of this Indenture.

(o) (i) Notwithstanding anything to the contrary contained in this Indenture or the Notes Security Documents, the aggregate maximum amount payable by any Guarantor incorporated in Luxembourg (each, a "Luxembourg Guarantor") in respect of the aggregate amount of its Guarantee obligations under this Indenture and the Notes Security Documents for the obligations of any Issuer which is not its direct or indirect subsidiary shall be limited at any time to an amount (the "Amount") not exceeding the higher of:

(A) 95 percent of such Luxembourg Guarantor's net assets (*capitaux propres*) and the subordinated debt (*dettes subordonnées)* owed by such Luxembourg Guarantor (excluding however any amounts borrowed by such Luxembourg Guarantor as per Section 10.1(o)(ii)) (the "Luxembourg Subordinated Debt"), as determined by article 34 of the Luxembourg law of December 19, 2002 on the Register of Commerce and Companies, on accounting and on annual accounts of the companies (the "2002 Law") at the date of this Indenture; and

(B) 95 percent of such Luxembourg Guarantor's net assets (*capitaux propres*) and the Luxembourg Subordinated Debt as determined by article 34 of the 2002 Law at the date the guarantee is called.

(ii) The above limitation shall not apply to any amounts (if any) issued by an Issuer under this Indenture where the issued amounts have been directly or indirectly lent or otherwise made available by such Issuer to a Luxembourg Guarantor or to any direct or indirect subsidiary of a Luxembourg Guarantor;

(iii) Any Amount called under the Guarantee of a Luxembourg Guarantor is to be deducted from the Amount as defined in the Subsidiary Guaranty (as defined in the Senior Credit Agreement) and from the Amount as defined in the Dollar Notes Indenture at the moment of such calling.

SECTION 10.2. Limitation on Liability; Termination, Release and Discharge.

(a) Any term or provision of this Indenture to the contrary notwithstanding, the obligations of each Guarantor hereunder shall be limited to the maximum amount as shall, after giving effect to all other contingent and fixed liabilities of such Guarantor and after giving effect to any collections from or payments made by or on behalf of any other Guarantor in respect of the obligations of such other Guarantor under its Guarantee or pursuant to its contribution obligations under this Indenture, result in the obligations of such Guarantor under its Guarantee not constituting a fraudulent conveyance or fraudulent transfer under federal or state law or the laws of the jurisdiction of organization of such Guarantor and not otherwise being void or voidable under any similar laws affecting the rights of creditors generally.

(b) A Guarantee by a Subsidiary Guarantor shall be automatically and unconditionally released and discharged, and each Subsidiary Guarantor and its obligations under the Guarantee and this Indenture shall be released and discharged upon:

(1) the sale, exchange, disposition or other transfer (including through merger or consolidation) of (x) the Capital Stock of such Subsidiary Guarantor, after which the applicable Subsidiary Guarantor is no longer a Restricted Subsidiary, or (y) all or substantially all the assets

of such Subsidiary Guarantor if such sale, exchange, disposition or other transfer is made in compliance with this Indenture, so long as such Subsidiary Guarantor is also released from its guarantee and all pledges and security interests granted in connection with the Senior Credit Agreement;

(2) Dutch Co-Issuer designating such Subsidiary Guarantor to be an Unrestricted Subsidiary in accordance with the provisions set forth in Section 3.4, Section 3.14 and the definition of "Unrestricted Subsidiary;"

(3) in the case of any Restricted Subsidiary that after the Issue Date is required to guarantee the Notes pursuant to Section 3.11, the release or discharge of the guarantee by such Restricted Subsidiary of Indebtedness or the repayment of Indebtedness of an Issuer or any Restricted Subsidiary, in each case, which resulted in the obligation to guarantee the Notes, except if a release or discharge is by or as a result of payment under such other guarantee;

(4) the Issuers' exercise of their legal defeasance option or covenant defeasance option as described under Article VIII or if the Issuers' Obligations under this Indenture are discharged in accordance with the terms of this Indenture; or

(5) upon the release or discharge of the guarantee by, or direct obligation of, such Subsidiary Guarantor of the obligations under the Senior Credit Agreement, except a discharge or release by or as a result of payment under such guarantee or direct obligation.

(c) The Guarantee of Parent shall be released if the Issuers exercise their legal defeasance option or covenant defeasance option pursuant to Section 8.1, or if the Issuers' obligations under this Indenture are discharged in accordance with this Indenture.

(d) If any Guarantor is released from its Guarantee, any of its Subsidiaries that are Guarantors shall be released from their Guarantees, if any.

(e) In the case of Section 10.2(b), the Issuers shall deliver to the Trustee an Officer's Certificate and Opinion of Counsel, each stating that all conditions precedent provided for in this Indenture relating to such transaction have been complied with.

(f) The release of a Guarantor from its Guarantee and its obligations under this Indenture in accordance with the provisions of this Section 10.2 shall not preclude the future applications of Section 3.11 to such Person.

SECTION 10.3. Right of Contribution. Each Guarantor hereby agrees that to the extent that any such Guarantor shall have paid more than its proportionate share of any payment made on the obligations under its Guarantee, such Guarantor shall be entitled to seek and receive contribution from and against the Issuers or any other Guarantor who have not paid their proportionate share of such payment. The provisions of this Section 10.3 shall in no respect limit the obligations and liabilities of each Guarantor to the Trustee and the Holders and each Guarantor shall remain liable to the Trustee and the Holders for the full amount guaranteed by such Guarantor hereunder.

SECTION 10.4. No Subrogation. Notwithstanding any payment or payments made by each Guarantor hereunder, no Guarantor shall be entitled to be subrogated to any of the rights of the Trustee or any Holder against the Issuers or any other Guarantor or any collateral security or guarantee or right of offset held by the Trustee or any Holder for the payment of the Guarantor Obligations, nor shall any Guarantor seek or be entitled to seek any contribution or reimbursement from the Issuers or any other Guarantor in respect of payments made by such Guarantor hereunder, until all amounts owing to the Trustee and the Holders by the Issuers on account of the Guarantor Obligations are paid in full. If any amount shall be paid to any Guarantor on account of such subrogation rights at any time when all of the Guarantor Obligations shall not have been paid in full, such amount shall be held by such Guarantor in trust

for the Trustee and the Holders, segregated from other funds of such Guarantor, and shall, forthwith upon receipt by such Guarantor, be turned over to the Trustee in the exact form received by such Guarantor (duly indorsed by such Guarantor to the Trustee, if required), to be applied against the Guarantor Obligations.

SECTION 10.5. Limitations on Merger. Subject to Sections 4.1 and 10.2, a Guarantor shall not, and Dutch Co-Issuer shall not permit any Guarantor to, consolidate or merge with or into or wind up into (whether or not such Guarantor is the surviving corporation), or sell, assign, transfer, lease, convey or otherwise dispose of all or substantially all of its properties or assets in one or more related transactions to, any Person (other than in connection with the Transactions) unless:

(1) (a) such Guarantor is a Successor Guarantor;

(b) the Successor Guarantor (if other than such Guarantor) expressly assumes all the obligations of such Guarantor under this Indenture and the Notes Security Documents and such Guarantor's Guarantee pursuant to a supplemental indenture or other documents or instruments;

(c) immediately after giving effect to such transaction (and treating any Indebtedness that becomes an obligation of the Successor Guarantor or any of its Subsidiaries as a result of such transaction as having been Incurred by the Successor Guarantor or such Subsidiary at the time of such transaction) no Default or Event of Default shall have occurred and be continuing;

(d) the Successor Guarantor (if other than such Guarantor) shall have delivered or caused to be delivered to the Trustee an Officer's Certificate and an Opinion of Counsel, each stating that such consolidation, merger or transfer and such supplemental indenture (if any) comply with this Indenture;

(e) to the extent any property or assets of the Person that is merged, amalgamated or consolidated with or into the Successor Guarantor are property or assets of the type that would constitute Collateral under the Notes Security Documents, the Successor Guarantor will take such action as may be reasonably necessary or required to cause such property and assets to be made subject to a Lien securing the Notes or the applicable Guarantee pursuant to the Notes Security Documents in the manner and to the extent required by this Indenture or any of the Notes Security Documents and shall take all reasonably necessary action so that such Lien is perfected, preserved and protected to the extent required by this Indenture and the Notes Security Documents; and

(f) the Collateral owned by or transferred to the Successor Guarantor shall (i) continue to constitute Collateral under this Indenture and the Notes Security Documents, (ii) be subject to the Lien in favor of the Collateral Agent for the benefit of the Trustee and the Holders and (iii) not be subject to any Lien other than Permitted Liens and other Liens permitted under Section 3.5; or

(2) such sale or disposition or consolidation or merger is made in compliance with Section 3.7.

The Successor Guarantor shall succeed to, and be substituted for, such Guarantor under this Indenture and such Guarantor's Guarantee, and such Guarantor shall automatically be released and discharged from its obligations under this Indenture and such Guarantor's Guarantee. Notwithstanding the foregoing, (1) a Guarantor may merge or consolidate with an Affiliate of Dutch Co-Issuer incorporated or organized solely for the purpose of reincorporating or reorganizing such Guarantor in the United States, any state or territory thereof, the District of Columbia, the Netherlands or the jurisdiction of such Guarantor, so long as the principal amount of Indebtedness of Dutch Co-Issuer and the Restricted Subsidiaries is not increased thereby, (2) a Guarantor may consolidate or merge with or into or wind up into, or sell, assign, transfer, lease, convey or otherwise dispose of all or substantially all of its properties and assets to another Guarantor or either of the Issuers, (3) a Guarantor may convert into a corporation,

partnership, limited partnership, limited liability company or trust organized or existing under the laws of the jurisdiction of organization of such Guarantor, the laws of a jurisdiction in the United States and (4) any Restricted Subsidiary may merge into any Guarantor, *provided* that, in the case of this clause (4), the surviving Person be a corporation, partnership, limited partnership, limited liability company or trust organized or existing under the laws of the United States, any state or territory thereof or the District of Columbia, the Netherlands, or the jurisdiction of organization of such Restricted Subsidiary or Guarantor and the surviving Person of such merger (if not the Guarantor) shall become a Guarantor upon such merger.

ARTICLE XI

Security and Collateral

SECTION 11.1. The Collateral Agent. (a) By accepting a Note, each Holder will be deemed to have irrevocably appointed the Collateral Agent to act as its agent under the Notes Security Documents and the Intercreditor Agreement and to have irrevocably authorized the Collateral Agent to (i) perform the duties and exercise the rights, powers and discretions that are specifically given to it under the Notes Security Documents, the Intercreditor Agreement or other documents to which it is a party, together with any other incidental rights, powers and discretions; and (ii) execute each document expressed to be executed by the Collateral Agent on its behalf.

Each of the Holders hereby exempts the Collateral Agent from any restrictions on representing several persons and self-dealing under any applicable law, and in particular from the restrictions of Section 181 of the German Civil Code (*Bürgerliches Gesetzbuch*), in each case to the extent legally possible for such Holder.

(b) The Collateral Agent is authorized and empowered to appoint one or more subagents or co-collateral agents as it deems necessary or appropriate, including without limitation the Bank Collateral Agent (and any successor Bank Collateral Agent).

(c) The Collateral Agent shall have all the rights and protection provided in the Notes Security Documents as well as the rights and protections afforded to the Trustee in Sections 7.2 and 7.6 hereof; *provided*, *however*, that the Issuers shall not reimburse any expense or indemnify against any loss, liability or expense incurred by the Collateral Agent through the Collateral Agent's own willful misconduct, gross neglience or bad fath.

(d) Subject to Section 7.1 hereof, none of the Trustee, the Collateral Agent or any of their respective officers, directors, employees, attorneys or agents will be responsible or liable for the existence, genuineness, value or protection of any Collateral, for the legality, enforceability, effectiveness or sufficiency of the Notes Security Documents, for the creation, perfection, priority, sufficiency or protection of any Lien securing the Notes or any defect or deficiency as to any such matters.

(e) Subject to the Notes Security Documents, except as directed by the Trustee as required or permitted by this Indenture, the Holders acknowledge that the Collateral Agent will not be obligated:

(i) to act upon directions purported to be delivered to it by any other Person;

(ii) to foreclose upon or otherwise enforce any Lien securing the Notes; or

(iii) to take any other action whatsoever with regard to any or all Liens securing the Notes, the Notes Security Documents or the Collateral.

(f) In acting as Collateral Agent, co-collateral agent or sub-collateral agent, the Collateral Agent, each co-collateral agent and each sub-collateral agent may rely upon and enforce each and all of the rights, powers, immunities, indemnities and benefits of the Trustee under Article 7 hereof.

(g) The Collateral Agent is hereby appointed and authorized to act as the person holding the power of attorney of creditors *(fondé de pouvoir)* (within the meaning of Article 2692 of the *Civil Code of Québec*; in such capacity, the "Attorney") in order to hold any hypothec granted under the laws of the Province of Quebec as security for any debenture, bond or other title of indebtedness that may be issued and secured pursuant to a deed of hypothec and to exercise such rights and duties as are conferred upon a *fondé de pouvoir* under any such deed of hypothec and applicable laws (with the power to delegate any such rights or duties) subject to the terms hereof. Moreover, without prejudice to such appointment and authorization to act as Attorney, the Collateral Agent is hereby appointed and authorized to act as agent and custodian (in such capacity, the "Collateral Custodian") for and on behalf of itself and the Holders to hold, and to be the sole registered holder of, any bond, debenture or other title of indebtedness which may be issued under or secured by any deed of hypothec, the whole notwithstanding Section 32 of the *Act respecting the special powers of legal persons (Quebec)* or any other applicable law. For greater certainty, the Collateral Agent, in acting as Attorney and Collateral Custodian, shall have the same rights, powers, immunities, indemnities and exclusions for liability as are prescribed in favour of the Collateral Agent in this Indenture, which shall apply *mutatis mutandis*. In the event of the resignation and appointment of a successor Collateral Agent, such successor Collateral Agent also shall act as Attorney and Collateral Custodian. (ii) a legal defeasance or covenant defeasance under this Indenture in accordance with the provisions of Section 8.1 and 8.2.

SECTION 11.7. Parallel Debt.

(a) (i) Without prejudice to the provisions of this Indenture and the Notes Security Documents and for the purposes of preserving the initial and continuing validity of the security interests in the Collateral granted and to be granted by the Issuers and the Guarantors to the Collateral Agent, as creditor in its own right and not as representative of the other Secured Parties, for the benefit of the Secured Parties and/or to the Secured Parties (or any of them), an amount equal to and in the same currency as the Obligations under the Notes, the Guarantees and this Indenture from time to time due by an Issuer and/or a Guarantor in accordance with the terms and conditions of the Notes and the Guarantees, including, for the avoidance of doubt, any limitations set forth therein, shall be owing as separate and independent obligations of such Issuer and/or such Guarantor to the Collateral Agent (such payment undertaking and the obligations and liabilities with are the result thereof, the "Parallel Debt").

(iii) Every payment of monies made by the Issuers or a Guarantor to the Collateral Agent (or any sub-agent thereof) shall (conditionally upon such payment not subsequently being avoided or reduced by virtue of any provisions or enactments relating to bankruptcy, insolvency, liquidation or similar laws of general application) be in satisfaction *pro tanto* of the covenant by such Issuers or such Guarantor contained in Section 11.7(a)(i); *provided* that if any such payment as is mentioned above is subsequently avoided or reduced by virtue of any provisions or enactments relating to bankruptcy, liquidation or similar laws of general application, the Collateral Agent (any sub-agent thereof) shall be entitled to receive the amount of such payment from an Issuers or a Guarantor and such Issuer or Guarantor shall remain liable to perform the relevant obligation and the relevant liability shall be deemed not to have been discharged.

(iv) Subject to Section 11.7(a)(iii), but notwithstanding any of the other provisions of this paragraph (iv):

(A) the total amount due and payable as Parallel Debt under this Section 11.7 shall be decreased to the extent that an Issuer or a Guarantor shall have paid any amounts to the Collateral Agent (or any sub-agent thereof) on behalf of the applicable Secured Parties or any of them to reduce the outstanding principal amount of the applicable Obligations or the Collateral Agent (or any sub-agent thereof) on behalf of the applicable Secured Parties otherwise receives any amount in payment of such Obligations; and

(B) to the extent that an Issuer or a Guarantor shall have paid any amounts to the Collateral Agent (or any sub-agent thereof) under the Parallel Debt owed to it or the Collateral Agent (or any sub-agent thereof) shall have otherwise received monies in payment of the Parallel Debt owed to it, the amount due and payable under the Notes, the Guarantees and this Indenture shall be decreased as if said amounts were received directly in payment of the applicable Obligations.

(v) In the event of a resignation of the Collateral Agent or any of its sub-agents or the appointment of a new Collateral Agent or sub-agent pursuant to this Indenture, the retiring or replaced Collateral Agent or sub-agent shall at the Issuers' and the Guarantors' sole cost and expense (including legal fees) (A) assign the Parallel Debt owed to it (but not by way of novation) and (B) transfer any Collateral granted to it securing such Parallel Debt, in each case to the successor Collateral Agent or sub-agent, as applicable.

(b) Without limiting any other rights of the Collateral Agent under this Indenture or the Notes, in relation to the Notes Security Documents governed by the laws of Switzerland, the Collateral Agent, when acting in its capacity as creditor of the Parallel Debt, holds (i) any Swiss law pledge or any other Swiss law accessory (*akzessorische*) security, (ii) any proceeds of such security and (iii) the benefit of this paragraph and of the Parallel Debt as creditor in its own right but for the benefit of the Secured Parties in accordance with this Indenture.

6 With respect to the Initial Notes.
7 With respect to the Initial Notes.

(c) At any time and from time to time, upon notice as described in Section 5.4 of the Indenture, prior to February 1, 2016[8], the Issuers may redeem in the aggregate up to 40.0% of the original aggregate principal amount of the Notes (calculated after giving effect to any issuance of Additional Notes) with an amount equal to the net cash proceeds of one or more Equity Offerings by Dutch Co-Issuer or any direct or indirect parent of Dutch Co-Issuer, to the extent the net cash proceeds thereof are contributed to the common equity capital of Dutch Co-Issuer or used to purchase Capital Stock (other than Disqualified Stock) of Dutch Co-Issuer from it, at a redemption price (expressed as a percentage of the principal amount thereof) equal to 105.750% plus accrued and unpaid interest, if any, to (but not including) the redemption date (subject to the right of Holders of record on the relevant record date to receive interest due on the relevant interest payment date); *provided*, *however*, that at least 50.0% of the original aggregate principal amount of the Notes (calculated after giving effect to any issuance of Additional Notes) must remain outstanding after each such redemption; and *provided*, *further*, that such redemption shall occur within 120 days after the date on which any such Equity Offering is consummated.

(d) During each 12-month period, commencing with the 12-month period from the Issue Date to February 1, 2014, to and including the 12-month period from February 1, 2015 to February 1, 2016, the Issuers shall be entitled to redeem up to 10% of the aggregate principal amount of the Notes at a redemption price equal to 103.0% of the aggregate principal amount thereof, plus accrued and unpaid interest, if any, to (but not including) the redemption date (subject to the right of Holders of record on the relevant record date to receive interest due on the relevant interest payment date).

(e) In connection with any redemption of Notes (including with the net cash proceeds of an Equity Offering), any such redemption may, at the Issuers' discretion, be subject to one or more conditions precedent, including, but not limited to, consummation of any related Equity Offering. In addition, if such redemption or notice is subject to satisfaction of one or more conditions precedent, such notice shall state that, in the Issuers' discretion, the redemption date may be delayed until such time as any or all such conditions shall be satisfied (or waived by the Issuers in their sole discretion), or such redemption may not occur and such notice may be rescinded in the event that any or all such conditions shall not have been satisfied (or waived by the Issuers in their sole discretion) by the redemption date, or by the redemption date so delayed.

(f) Unless the Issuers default in the payment of the redemption price, interest shall cease to accrue on the Notes or portions thereof called for redemption on the applicable redemption date.

(g) Any redemption pursuant to this paragraph 6 shall be made pursuant to the provisions of Article V of the Indenture.

7. Redemption for Taxation Reasons

The Issuers may redeem the Notes, at their option, in whole, but not in part, at a redemption price equal to 100% of the principal amount thereof, together with accrued and unpaid interest, if any, to (but not including) the Tax Redemption Date (subject to the right of Holders of record on the relevant record date to receive interest due on the relevant interest payment date) and all Additional Amounts, if any, then due or that will become due on the Tax Redemption Date as a result of the redemption or otherwise, if any, if the Issuers determine in good faith that, as a result of a Change in Tax Law, any Payor with respect to the Notes or a Guarantee is, or on the next date on which any amount would be payable in respect of the Notes would be, required to pay any Additional Amounts, and such obligation cannot be avoided by taking reasonable measures available to such Payor (including the appointment of a new Paying Agent or, where such payment would be reasonable, the payment through another Payor); *provided* that no Payor shall be required to take any measures that in the Issuers' good-faith determination would result in the imposition on such person of any legal or regulatory burden or the incurrence by such person of additional costs, or would otherwise result in any adverse consequences to such person.

[8] With respect to the Initial Notes.

In the case of any Payor, the Change in Tax Law must become effective on or after the date of the Offering Circular. Notwithstanding the foregoing, no such notice of redemption will be given earlier than 90 days prior to the earliest date on which the Payor would be obligated to make such payment of Additional Amounts. Prior to the publication, mailing or delivery of any notice of redemption of the Notes pursuant to the foregoing, the Issuers will deliver to the Trustee (1) an Officer's Certificate stating that they are entitled to effect such redemption and setting forth a statement of facts showing that the conditions precedent to their right so to redeem have been satisfied and (2) an opinion of an independent tax counsel of recognized standing to the effect that the Payor would be obligated to pay Additional Amounts as a result of a Change in Tax Law. The Trustee will accept such Officer's Certificate and opinion as sufficient evidence of the satisfaction of the conditions precedent described above, in which event it will be conclusive and binding on the Holders.

The foregoing provisions will apply *mutatis mutandis* to the laws and official positions of any jurisdiction in which any successor to a Payor is organized or otherwise considered to be a resident for tax purposes or any political subdivision or taxing authority or agency thereof or therein.

8. Change of Control; Asset Sales

(a) If a Change of Control occurs, unless the Issuers have exercised their right to redeem all of the Notes under Section 5.1 of the Indenture, each Holder shall have the right to require the Issuers to repurchase all or any part (in minimum denominations of €100,000 and in integral multiples of €1,000 in excess thereof; *provided* that the Notes submitted or selected for purchase shall not result in a Holder with a principal amount of Notes less than the minimum denomination of €100,000) of such Holder's Notes at a purchase price in cash equal to 101.0% of the principal amount of the Notes plus accrued and unpaid interest, if any, to, but excluding, the date of purchase (subject to the right of Holders of record on the relevant Record Date to receive interest due on the relevant Interest Payment Date) as provided in, and subject to the terms of, the Indenture.

(b) In connection with any Change of Control Offer (including with the net cash proceeds of an Equity Offering), any such Change of Control Offer may, at the Issuers' discretion, be subject to one or more conditions precedent, including, but not limited to, consummation of any related Equity Offering. In addition, if such Change of Control Offer or notice is subject to satisfaction of one or more conditions precedent, such notice shall state that, in the Issuers' discretion, the purchase date may be delayed until such time as any or all such conditions shall be satisfied (or waived by the Issuers in their sole discretion), or such purchase may not occur and such notice may be rescinded in the event that any or all such conditions shall not have been satisfied (or waived by the Issuers in their sole discretion) by the purchase date, or by the purchase date so delayed.

(c) In the event of an Asset Sale Offer that requires the purchase of Notes pursuant to Section 3.7(c) of the Indenture, the Issuers shall be required to make an offer to all Holders to purchase Notes in accordance with Section 3.7(c) and 5.8 of the Indenture at an offer price in cash in an amount equal to 100.0% of the principal amount of the Notes, plus accrued and unpaid interest to, but excluding, the date of purchase (subject to the rights of Holders of record on any Record Date to receive payments of interest on the related Interest Payment Date). Holders that are the subject of an offer to purchase shall receive an Asset Sale Offer from the Issuers prior to any related purchase date and may elect to have such Note purchased pursuant to such offer by completing the form entitled "Option of Holder To Elect Purchase" attached hereto, or transferring its interest in such Note by book-entry transfer, to the Issuers, a Common Depositary, if appointed by the Issuers, or a Paying Agent at the address specified in the notice at least three Business Days before the Purchase Date.

9. Denominations; Transfer; Exchange

The Notes are in registered form without coupons in minimum denominations of principal amount of €100,000 and whole multiples of €1,000 in excess thereof. A Holder may transfer or

exchange Notes in accordance with the Indenture. The Registrar may require a Holder, among other things, to furnish appropriate endorsements or transfer documents and to pay any taxes and fees required by law or permitted by the Indenture. The Registrar need not register the transfer of or exchange any Notes for a period beginning 15 Business Days before an Interest Payment Date and ending on such Interest Payment Date.

10. Persons Deemed Owners

The registered Holder of this Note may be treated as the owner of it for all purposes.

11. Unclaimed Money

If money for the payment of the principal of or premium, if any, or interest remains unclaimed for two years, the Trustee or Paying Agent shall pay the money back to the Issuers at their request unless an abandoned property law designates another person. After any such payment, Holders entitled to the money must look only to the Issuers and not to the Trustee for payment.

12. Discharge and Defeasance

Subject to certain conditions set forth in the Indenture, the Issuers at any time may terminate some or all of their obligations under the Notes and the Indenture if the Issuers irrevocably deposit in trust with the Trustee money or euro-denominated European Government Obligations (sufficient, without reinvestment, in the opinion of a nationally-recognized certified public accounting firm) for the payment of principal, premium (if any) and interest on the Notes to redemption or maturity, as the case may be.

13. Amendment, Waiver

The Indenture and the Notes may be amended or waived as set forth in Article IX of the Indenture.

14. Defaults and Remedies

Events of Default shall be as set forth in Article VI of the Indenture.

If an Event of Default occurs and is continuing, the Trustee or Holders of at least 25.0% in aggregate principal amount of the outstanding Notes then outstanding may declare all the Notes to be due and payable immediately. Certain events of bankruptcy or insolvency with respect to the Issuers are Events of Default which shall result in the Notes being due and payable immediately upon the occurrence of such Events of Default.

Holders may not enforce the Indenture or the Notes except as provided in the Indenture. The Trustee may refuse to enforce the Indenture or the Notes unless it receives indemnity or security reasonably satisfactory to the Trustee. Subject to certain limitations, Holders of a majority in principal amount of the Notes may direct the Trustee in its exercise of any trust or power. The Trustee may withhold from Holders notice of any continuing Default or Event of Default (except a Default or Event of Default in payment of principal or interest) if it determines that withholding notice is in their interest.

15. Trustee Dealings with the Issuers

Subject to certain limitations set forth in the Indenture, the Trustee under the Indenture, in its individual or any other capacity, may become the owner or pledgee of Notes and may otherwise deal with and collect obligations owed to it by the Issuers or their Affiliates and may otherwise deal with the Issuers or their Affiliates with the same rights it would have if it were not Trustee.

16. No Recourse Against Others

No manager, managing director, director, officer, employee, incorporator or Holder of any Equity Interests in Dutch Co-Issuer, U.S. Co-Issuer, any Subsidiary or any direct or indirect parent of Dutch Co-Issuer, as such, shall not have any liability for any obligations of the Issuers or any Guarantor under the Notes, the Indenture, the Guarantees or the Notes Security Documents or for any claim based on, in respect of, or by reason of, such obligations or their creation. By accepting a Note, each Holder waives and releases all such liability. The waiver and release shall be part of the consideration for the issuance of the Notes. This waiver may not be effective to waive liabilities under the federal securities laws and it is the view of the SEC that such a waiver is against public policy.

17. Authentication

This Note shall not be valid until an authorized signatory of the Trustee (or an Authenticating Agent acting on its behalf) manually signs the certificate of authentication on the other side of this Note.

18. Abbreviations

Customary abbreviations may be used in the name of a Holder or an assignee, such as TEN COM (=tenants in common), TEN ENT (=tenants by the entirety), JT TEN (=joint tenants with rights of survivorship and not as tenants in common), CUST (=custodian) and U/G/M/A (=Uniform Gift to Minors Act).

19. Common Codes

The Issuers have caused Common Codes to be printed on the Notes. No representation is made as to the accuracy of such numbers as printed on the Notes and reliance may be placed only on the other identification numbers placed thereon.

20. Successor Entity

When a successor entity assumes, in accordance with the Indenture, all the obligations of its predecessor under the Notes and the Indenture, and immediately before and thereafter no Default or Event of Default exists and all other conditions of the Indenture are satisfied, the predecessor entity shall be released from those obligations.

21. Governing Law

This Note shall be governed by, and construed in accordance with, the laws of the State of New York.

SCHEDULE 1

Limitations with respect to Guarantors incorporated in Germany.

(a) Definitions

(i) "German Guarantor" means a Guarantor incorporated or established in Germany in the legal form of a limited liability company (*GmbH*) or a limited partnership with a limited liability company as general partner (*GmbH & Co. KG*).

(ii) "Net Assets" means an amount equal to the sum of the amounts of the German Guarantor's (or, in the case of a GmbH & Co. KG, its general partner's) assets (consisting of all assets which correspond to the items set forth in section 266 paragraph 2 A, B, C, D and E of the German Commercial Code (*Handelsgesetzbuch* – "HGB")) less the aggregate amount of such German Guarantor's (or, in the case of a GmbH & Co. KG, its general partner's) liabilities (consisting of all liabilities and liability reserves which correspond to the items set forth in section 266 paragraph 3 B, C, D and E HGB), save that any obligations (*Verbindlichkeiten*) of the German Guarantor (and, in the case of a GmbH & Co. KG, of its general partner) (A) owing to Dutch Co-Issuer and/or any of Dutch Co-Issuer's Subsidiaries or any other affiliated company which are subordinated pursuant to section 39 paragraph 1 no. 5 or section 39 paragraph 2 of the German Insolvency Code (*Insolvenzordnung*) and including obligations under guarantees for obligations which are so subordinated or (B) incurred in violation of any of the provisions of the Indenture (unless neither with wilful misconduct nor gross negligence) shall be disregarded.

The Net Assets shall be determined in accordance with the generally accepted accounting principles applicable from time to time in Germany (*Grundsätze ordnungsmäßiger Buchführung*) and be based on the same principles that were applied by the German Guarantor (or, in the case of a GmbH & Co. KG, its general partner) in the preparation of its most recent annual balance sheet (*Jahresbilanz*).

(iii) "Protected Capital" means in relation to a German Guarantor the aggregate amount of:

(A) its (or, where the German Guarantor is a GmbH & Co. KG, its general partner's) share capital (*Stammkapital*) as registered in the commercial register (*Handelsregister*) provided that any increase registered after the date of the Indenture (or in case of a New Guarantor, the date it has become a party to the Indenture) shall not be taken into account unless (i) if the increase has been effected out of retained earnings (*Kapitalerhöhung aus Gesellschaftsmitteln*) such increase has been effected with the prior written consent of the Trustee and, in any case, (ii) only to the extent it is fully paid up; and

(B) its (or when applicable where the German Guarantor is a GmbH & Co. KG, its general partner's) amount of profits (*Gewinne*) which are not available for distribution to its shareholder(s) in accordance with section 268 paragraph 8 HGB.

(iv) "Up-stream and/or Cross-stream Guarantee" means the Guarantee (which, for the purpose of this Schedule 1, shall also include any other obligation of the German Guarantor to reimburse costs or pay indemnities under or in connection with the Indenture) if and to the extent the Guarantee secures the obligations of a Guarantor which is a shareholder of the German Guarantor (and/or, in the case of a GmbH & Co. KG, of its general partner) or an affiliated company (*verbundenes Unternehmen*) of such shareholder within the meaning of section 16, 17 or 18 of the German Stock Corporation Act (*Aktiengesetz*) (other than the German Guarantor and its Subsidiaries and, in the case of a GmbH & Co. KG, the general partner and its Subsidiaries), provided that it shall not constitute an Up-stream or Cross-stream Guarantee if and to the extent the Guarantee guarantees amounts outstanding under the Indenture in relation to any financial accommodation made available under the Indenture to any Issuer and on-lent to, or issued for the benefit of, the relevant German Guarantor or any of its Subsidiaries (and, where the German Guarantor is a GmbH & Co. KG, to, or for the benefit of, its general partner or any of its Subsidiaries) and still outstanding from time to time.

(b) This Section applies if and to the extent the Guarantee is given by a German Guarantor and is an Up-stream and/or Cross-stream Guarantee.

(c) The Trustee (acting for the Holders of the Notes) agrees that the enforcement of the Guarantee given by a German Guarantor shall be limited if:

(i) (and to the extent that) the Guarantee constitutes an Upstream- and/or Cross-Stream Guarantee; and

(ii) payment under the Guarantee would otherwise

(A) have the effect of reducing the German Guarantor's (or, where the German Guarantor is a GmbH & Co. KG, its general partner's) Net Assets to an amount that is lower than the amount of its (or, in the case of a GmbH & Co. KG, its general partner's) Protected Capital or, if the amount of the Net Assets is already lower than the amount of its (or, in the case of a GmbH & Co. KG, its general partner's) Protected Capital, cause the Net Assets to be further reduced; and

(B) thereby give rise to a violation of the capital maintenance requirement as set out in section 30 paragraph 1 of the German Limited Liability Companies Act (*Gesetz betreffend die Gesellschaften mit beschränkter Haftung*); and

(iii) the relevant German Guarantor has complied with its obligation to deliver the Management Determination and the Auditor's Determination, in each case together with an up-to-date balance sheet, in accordance with the requirements set out in paragraphs (d) and (e) below.

(d) Within ten (10) Business Days after a Holder of the Notes has made a demand under the Guarantee, the German Guarantor shall provide a certificate signed by its managing director(s) (*Geschäftsführer*) confirming in writing if and to what extent the Guarantee is an Up-stream and/or Cross-stream Guarantee and an enforcement of the Guarantee would have the effects referred to in paragraph (c) (ii) above (the "Management Determination"). Such confirmation shall comprise an up-to-date balance sheet of the German Guarantor (and, in the case of a GmbH & Co. KG, its general partner) and a detailed calculation, based on the provisions of this Supplemental Indenture of the amount of the Net Assets and Protected Capital of the German Guarantor (or, in the case of a GmbH & Co. KG, its general partner). The relevant German Guarantor shall fulfil its obligations under the Guarantee within three (3) Business Days of providing the Management Determination (and each Holder of the Notes and/or the Trustee shall be entitled to enforce the Guarantee) in an amount which pursuant to the Management Determination would not cause the effects set out in paragraph (c) (ii) above (irrespective of whether or not the Trustee agrees with the Management Determination).

(e) If the Trustee (acting on the instructions of the Holder of the Notes) disagrees with the Management Determination, it may within fifteen (15) Business Days of its receipt request the German Guarantor to deliver, at its own cost and expense, within thirty (30) Business Days of such request an up-to-date balance sheet of the German Guarantor (and, in the case of a GmbH & Co. KG, of its general partner), drawn-up by an auditor appointed by the German Guarantor in consultation with the Trustee, together with a detailed calculation, based on the provisions of this Supplemental Indenture, of the amount of the Net Assets and Protected Capital of the German Guarantor (or, in the case of a GmbH & Co. KG, its general partner) (the "Auditor's Determination"). The German Guarantor shall fulfil its obligations under the Guarantee within three (3) Business Days of providing the Auditor's Determination (and each Holder of the Notes and/or the Trustee shall be entitled to enforce the Guarantee) in an amount which pursuant to the Auditor's Determination would not cause the effects set out in paragraph (c) (ii) above.

(f) No reduction of the amount enforceable pursuant to this Schedule 1 will prejudice the right of the Holders of the Notes and/or the Trustee to continue to enforce the Guarantee (subject always to the operation of the limitations set out above at the time of such enforcement) until full satisfaction of the claims guaranteed.

(g) Each German Guarantor shall (and, in the case of a German Guarantor in the form of a GmbH & Co. KG, shall procure that its general partner will) do everything commercially justifiable and legally permitted to avoid the

enforcement of the Guarantee becoming limited pursuant to the terms of this Schedule 1 and shall in particular, after the occurrence and continuation of an Enforcement Event and within three (3) months after a written request of the Trustee realize at least at market value any of its (and, in the case of a GmbH & Co. KG, any of its general partner's) assets that are not necessary, as determined by the relevant German Guarantor in its sole discretion, for its business (*nicht betriebsnotwendig*) (or, in the case of a GmbH & Co. KG, that of its general partner) and is shown in its (or, in the case of a GmbH & Co. KG, its general partner's) balance sheet with a book value that is in the reasonable opinion of the Trustee significantly lower than the market value.

(formerly U.S. Coatings Acquisition Inc.), a corporation incorporated under the laws of the State of Delaware ("U.S. Co-Issuer"), and Axalta Coating Systems Dutch Holding B B.V. (formerly Flash Dutch 2 B.V.), a private company with limited liability (*besloten vennootschap met beperkte aansprakelijkheid*) incorporated under the laws of the Netherlands with corporate seat in Amsterdam, The Netherlands ("Dutch Co-Issuer" and, together with U.S. Co-Issuer, the "Issuers"), the party identified as a New Guarantor on the signature pages hereto (the "New Guarantor") and Wilmington Trust, National Association, as trustee (in such capacity, the "Trustee") and collateral agent (in such capacity, the "Collateral Agent").

W I T N E S S E T H

WHEREAS, the Issuers, certain guarantors listed on the signature pages thereto, the Trustee, the Collateral Agent, Citigroup Global Markets Deutschland AG, as Registrar, and Citibank N.A., London Branch, as Paying Agent and Authenticating Agent, are parties to an indenture dated as of February 1, 2013 (the "Indenture"), providing for the issuance of the Issuers' 5.750% Senior Secured Notes due 2021 (the "Notes");

WHEREAS, Section 3.11 of the Indenture provides that under certain circumstances the New Guarantor shall execute and deliver to the Trustee a supplemental indenture pursuant to which the New Guarantor shall unconditionally guarantee all of the Issuers' obligations under the Notes and the Indenture on the terms and conditions set forth herein; and

WHEREAS, pursuant to Section 9.1 of the Indenture, the Trustee is authorized to execute and deliver this Supplemental Indenture.

NOW, THEREFORE, in consideration of the foregoing and for other good and valuable consideration, the receipt of which is hereby acknowledged, the Issuers, the New Guarantor and the Trustee mutually covenant and agree for the equal and ratable benefit of the Holders as follows:

1. Capitalized Terms. Capitalized terms used herein without definition shall have the meanings assigned to them in the Indenture.

2. Agreements to Become Guarantors. (a) The New Guarantor hereby unconditionally guarantees the Issuers' obligations for the due and punctual payment of the principal of, premium, if any, and interest on all the Notes and the performance and observance of each other obligation and covenant set forth in the Indenture to be performed or observed on the part of the Issuers, on the terms and subject to the conditions set forth in Article X of the Indenture and agrees to be bound by all other provisions of the Indenture and the Notes applicable to a Guarantor therein.

(b) The New Guarantor hereby expressly waives the benefits of Articles 366, 827, 835, 837 and 838 of the Brazilian law No. 10,406 of January 10, 2002. The enforceability of the Guarantee shall be limited by any applicable bankruptcy law, insolvency law, and any other similar laws relating to or affecting creditors' rights generally from time to time in effect in Brazil. As a matter of Brazilian law, in case the obligations under the Indenture or the Notes are deemed to be invalid and unenforceable, any ancillary obligation, including the Guarantee, in connection therewith shall be regarded as invalid and unenforceable as well.

3. Ratification of Indenture; Supplemental Indenture Part of Indenture. Except as expressly amended hereby, the Indenture is in all respects ratified and confirmed and all the terms, conditions and provisions thereof shall remain in full force and effect. This Supplemental Indenture shall form a part of the Indenture for all purposes, and every Holder of Notes heretofore or hereafter authenticated and delivered shall be bound hereby.

4. No Recourse Against Others. No manager, managing director, director, officer, employee, incorporator or holder of any Equity Interests in Dutch Co-Issuer, U.S. Co-Issuer, any Subsidiary or any direct or indirect parent of Dutch Co-Issuer, as such, shall have any liability for any

obligations of the Issuers or the New Guarantor under the Notes, the Indenture, the Guarantees or the Notes Security Documents or for any claim based on, in respect of, or by reason of, such obligations or their creation. Each Holder of Notes, by accepting a Note, waives and releases all such liability. This waiver and release are part of the consideration for issuance of the Notes. This waiver may not be effective to waive liabilities under the federal securities laws and it is the view of the SEC that such a waiver is against public policy.

This Supplemental Indenture shall form a part of the Indenture for all purposes, and every Holder of Notes heretofore or hereafter authenticated and delivered shall be bound hereby.

4. No Recourse Against Others. No manager, managing director, director, officer, employee, incorporator or holder of any Equity Interests in Dutch Co-Issuer, U.S. Co-Issuer, any Subsidiary or any direct or indirect parent of Dutch Co-Issuer, as such, shall have any liability for any obligations of the Issuers or the New Guarantor under the Notes, the Indenture, the Guarantees or the Notes Security Documents or for any claim based on, in respect of, or by reason of, such obligations or their creation. Each Holder of Notes, by accepting a Note, waives and releases all such liability. This waiver and release are part of the consideration for issuance of the Notes. This waiver may not be effective to waive liabilities under the federal securities laws and it is the view of the SEC that such a waiver is against public policy.

SCHEDULE 1

Limitations with respect to Guarantors incorporated in Germany.

(a) Definitions

(i) "German Guarantor" means a Guarantor incorporated or established in Germany in the legal form of a limited liability company (*GmbH*) or a limited partnership with a limited liability company as general partner (*GmbH & Co. KG*).

(ii) "Net Assets" means an amount equal to the sum of the amounts of the German Guarantor's (or, in the case of a GmbH & Co. KG, its general partner's) assets (consisting of all assets which correspond to the items set forth in section 266 paragraph 2 A, B, C, D and E of the German Commercial Code (*Handelsgesetzbuch* – "HGB")) less the aggregate amount of such German Guarantor's (or, in the case of a GmbH & Co. KG, its general partner's) liabilities (consisting of all liabilities and liability reserves which correspond to the items set forth in section 266 paragraph 3 B, C, D and E HGB), save that any obligations (*Verbindlichkeiten*) of the German Guarantor (and, in the case of a GmbH & Co. KG, of its general partner) (A) owing to Dutch Co-Issuer and/or any of Dutch Co-Issuer's Subsidiaries or any other affiliated company which are subordinated pursuant to section 39 paragraph 1 no. 5 or section 39 paragraph 2 of the German Insolvency Code (*Insolvenzordnung*) and including obligations under guarantees for obligations which are so subordinated or (B) incurred in violation of any of the provisions of the Indenture (unless neither with wilful misconduct nor gross negligence) shall be disregarded.

The Net Assets shall be determined in accordance with the generally accepted accounting principles applicable from time to time in Germany (*Grundsätze ordnungsmäßiger Buchführung*) and be based on the same principles that were applied by the German Guarantor (or, in the case of a GmbH & Co. KG, its general partner) in the preparation of its most recent annual balance sheet (*Jahresbilanz*).

(iii) "Protected Capital" means in relation to a German Guarantor the aggregate amount of:

(A) its (or, where the German Guarantor is a GmbH & Co. KG, its general partner's) share capital (*Stammkapital*) as registered in the commercial register (*Handelsregister*) provided that any increase registered after the date of the Indenture (or in case of a New Guarantor, the date it has become a party to the Indenture) shall not be taken into account unless (i) if the increase has been effected out of retained earnings (*Kapitalerhöhung aus Gesellschaftsmitteln*) such increase has been effected with the prior written consent of the Trustee and, in any case, (ii) only to the extent it is fully paid up; and

(B) its (or when applicable where the German Guarantor is a GmbH & Co. KG, its general partner's) amount of profits (*Gewinne*) which are not available for distribution to its shareholder(s) in accordance with section 268 paragraph 8 HGB.

(iv) "Up-stream and/or Cross-stream Guarantee" means the Guarantee (which, for the purpose of this Schedule 1, shall also include any other obligation of the German Guarantor to reimburse costs or pay indemnities under or in connection with the Indenture) if and to the extent the Guarantee secures the obligations of a Guarantor which is a shareholder of the German Guarantor (and/or, in the case of a GmbH & Co. KG, of its general partner) or an affiliated company (*verbundenes Unternehmen*) of such shareholder within the meaning of section 16, 17 or 18 of the German Stock Corporation Act (*Aktiengesetz*) (other than the German Guarantor and its Subsidiaries and, in the case of a GmbH & Co. KG, the general partner and its Subsidiaries), provided that it shall not constitute an Up-stream or Cross-stream Guarantee if and to the extent the Guarantee guarantees amounts outstanding under the Indenture in relation to any financial accommodation made available under the Indenture to any Issuer and on-lent to, or issued for the benefit of, the relevant German Guarantor or any of its Subsidiaries (and, where the German Guarantor is a GmbH & Co. KG, to, or for the benefit of, its general partner or any of its Subsidiaries) and still outstanding from time to time.

(b) This Section applies if and to the extent the Guarantee is given by a German Guarantor and is an Up-stream and/or Cross-stream Guarantee.

(c) The Trustee (acting for the Holders of the Notes) agrees that the enforcement of the Guarantee given by a German Guarantor shall be limited if:

(i) (and to the extent that) the Guarantee constitutes an Upstream- and/or Cross-Stream Guarantee; and

(ii) payment under the Guarantee would otherwise

(A) have the effect of reducing the German Guarantor's (or, where the German Guarantor is a GmbH & Co. KG, its general partner's) Net Assets to an amount that is lower than the amount of its (or, in the case of a GmbH & Co. KG, its general partner's) Protected Capital or, if the amount of the Net Assets is already lower than the amount of its (or, in the case of a GmbH & Co. KG, its general partner's) Protected Capital, cause the Net Assets to be further reduced; and

(B) thereby give rise to a violation of the capital maintenance requirement as set out in section 30 paragraph 1 of the German Limited Liability Companies Act (*Gesetz betreffend die Gesellschaften mit beschränkter Haftung*); and

(iii) the relevant German Guarantor has complied with its obligation to deliver the Management Determination and the Auditor's Determination, in each case together with an up-to-date balance sheet, in accordance with the requirements set out in paragraphs (d) and (e) below.

(d) Within ten (10) Business Days after a Holder of the Notes has made a demand under the Guarantee, the German Guarantor shall provide a certificate signed by its managing director(s) (*Geschäftsführer*) confirming in writing if and to what extent the Guarantee is an Up-stream and/or Cross-stream Guarantee and an enforcement of the Guarantee would have the effects referred to in paragraph (c) (ii) above (the "Management Determination"). Such confirmation shall comprise an up-to-date balance sheet of the German Guarantor (and, in the case of a GmbH & Co. KG, its general partner) and a detailed calculation, based on the provisions of this Supplemental Indenture of the amount of the Net Assets and Protected Capital of the German Guarantor (or, in the case of a GmbH & Co. KG, its general partner). The relevant German Guarantor shall fulfil its obligations under the Guarantee within three (3) Business Days of providing the Management Determination (and each Holder of the Notes and/or the Trustee shall be entitled to enforce the Guarantee) in an amount which pursuant to the Management Determination would not cause the effects set out in paragraph (c) (ii) above (irrespective of whether or not the Trustee agrees with the Management Determination).

(e) If the Trustee (acting on the instructions of the Holder of the Notes) disagrees with the Management Determination, it may within fifteen (15) Business Days of its receipt request the German Guarantor to deliver, at its own cost and expense, within thirty (30) Business Days of such request an up-to-date balance sheet of the German Guarantor (and, in the case of a GmbH & Co. KG, of its general partner), drawn-up by an auditor appointed by the German Guarantor in consultation with the Trustee, together with a detailed calculation, based on the provisions of this Supplemental Indenture, of the amount of the Net Assets and Protected Capital of the German Guarantor (or, in the case of a GmbH & Co. KG, its general partner) (the "Auditor's Determination"). The German Guarantor shall fulfil its obligations under the Guarantee within three (3) Business Days of providing the Auditor's Determination (and each Holder of the Notes and/or the Trustee shall be entitled to enforce the Guarantee) in an amount which pursuant to the Auditor's Determination would not cause the effects set out in paragraph (c) (ii) above.

(f) No reduction of the amount enforceable pursuant to this Schedule 1 will prejudice the right of the Holders of the Notes and/or the Trustee to continue to enforce the Guarantee (subject always to the operation of the limitations set out above at the time of such enforcement) until full satisfaction of the claims guaranteed.

(g) Each German Guarantor shall (and, in the case of a German Guarantor in the form of a GmbH & Co. KG, shall procure that its general partner will) do everything commercially justifiable and legally permitted to avoid the

enforcement of the Guarantee becoming limited pursuant to the terms of this Schedule 1 and shall in particular, after the occurrence and continuation of an Enforcement Event and within three (3) months after a written request of the Trustee realize at least at market value any of its (and, in the case of a GmbH & Co. KG, any of its general partner's) assets that are not necessary, as determined by the relevant German Guarantor in its sole discretion, for its business (*nicht betriebsnotwendig*) (or, in the case of a GmbH & Co. KG, that of its general partner) and is shown in its (or, in the case of a GmbH & Co. KG, its general partner's) balance sheet with a book value that is in the reasonable opinion of the Trustee significantly lower than the market value.

(b) If at any time any change in GAAP or the application thereof would affect the computation or interpretation of any financial ratio, basket, requirement or other provision set forth in any Loan Document, and either the Borrowers or the Required Lenders shall so request, the Administrative Agent and the Borrower Representative shall negotiate in good faith to amend such ratio, basket, requirement or other provision to preserve the original intent thereof in light of such change in GAAP or the application thereof (subject to the approval of the Required Lenders not to be unreasonably withheld, conditioned or delayed) (provided that any change affecting the computation of the ratio set forth in Section 7.11 shall be subject solely to the approval of the Required Revolving Lenders (not to be unreasonably withheld, conditioned or delayed) and the Borrowers); provided that, until so amended, (i) (A) such ratio, basket, requirement or other provision shall continue to be computed or interpreted in accordance with GAAP or the application thereof prior to such change therein and (B) the Borrower Representative shall provide to the Administrative Agent and the Lenders a written reconciliation in form and substance reasonably satisfactory to the Administrative Agent, between calculations of such ratio, basket, requirement or other provision made before and after giving effect to such change in GAAP or the application thereof or (ii) the Borrower Representative may elect to fix GAAP (for purposes of such ratio, basket, requirement or other provision) as of another later date notified in writing to the Administrative Agent from time to time.

Section 1.05 Rounding. Any financial ratios required to be maintained by the Dutch Borrower, or satisfied in order for a specific action to be permitted, under this Agreement shall be calculated by dividing the appropriate component by the other component, carrying the result to one place more than the number of places by which such ratio is expressed herein and rounding the result up or down to the nearest number (with a rounding-up if there is no nearest number).

Section 1.06 References to Agreements and Laws. Unless otherwise expressly provided herein, (a) references to Organization Documents, agreements (including the Loan Documents) and other contractual instruments shall be deemed to include all subsequent amendments, restatements, extensions, supplements and other modifications thereto, but only to the extent that such amendments, restatements, extensions, supplements and other modifications are permitted by any Loan Document and (b) references to any Law shall include all statutory and regulatory provisions consolidating, amending, replacing, supplementing or interpreting such Law.

(a) Any amount specified in this Agreement (other than in Articles II, IX and X or as set forth in paragraph (b) of this Section) or any of the other Loan Documents to be in Dollars shall also include the equivalent of such amount in any currency other than Dollars, such equivalent amount to be determined at the rate of exchange quoted by the Reuters World Currency Page for the Alternative Currency at 11:00 a.m. (London time) on such day (or, in the event such rate does not appear on any Reuters World Currency Page, by reference to such other publicly available service for displaying exchange rates as may be agreed upon by the Administrative Agent and the Borrower Representative, or, in the absence of such agreement, such rate shall instead be the arithmetic average of the spot rates of exchange of the Administrative Agent in the market where its foreign currency exchange operations in respect of such currency are then being conducted, at or about 10:00 a.m. (New York City time) on such date for the purchase of Dollars for delivery two Business Days later); provided that the determination of any Dollar Amount shall be made in accordance with Section 2.21; provided that if any basket is exceeded solely as a result of fluctuations in applicable currency exchange rates after the last time such basket was utilized, such basket will not be deemed to have been exceeded solely as a result of such fluctuations in currency exchange rates.

(b) For purposes of determining the First Lien Net Leverage Ratio, the Senior Secured Net Leverage Ratio and the Total Net Leverage Ratio, amounts denominated in a currency other than Dollars will be converted to Dollars for the purposes of (A) testing the financial covenant under Section 7.11, at the Exchange Rate as of the last day of the fiscal quarter for which such measurement is being made, and (B) calculating any Total Net Leverage Ratio, Senior Secured Net Leverage Ratio and the First Lien Net Leverage Ratio (other than for the purposes of determining compliance with Section 7.11), at the Exchange Rate as of the date of calculation, and will, in the case of Indebtedness, reflect the currency translation effects, determined in accordance with GAAP, of Swap Contracts permitted hereunder for currency exchange risks with respect to the applicable currency in effect on the date of determination of the Dollar equivalent of such Indebtedness.

Section 1.10 Change in Currency.

(a) Each obligation of any Loan Party to make a payment denominated in the national currency unit of any member state of the European Union that adopts the Euro as its lawful currency after the date hereof shall be redenominated into Euro at the time of such adoption (in accordance with the EMU Legislation). If, in relation to the currency of any such member state, the basis of accrual of interest expressed in this Agreement in respect of that currency shall be inconsistent with any convention or practice in the London interbank market for the basis of accrual of interest in respect of the Euro, such expressed basis shall be replaced by such convention or practice with effect from the date on which such member state adopts the Euro as its lawful currency; provided that if any Borrowing in the currency of such member state is outstanding immediately prior to such date, such replacement shall take effect, with respect to such Borrowing, at the end of the then current Interest Period.

(b) Each provision of this Agreement shall be subject to such reasonable changes of construction as the Administrative Agent may from time to time specify to be appropriate to reflect the adoption of the Euro by any member state of the European Union and any relevant market conventions or practices relating to the Euro.

(c) Each provision of this Agreement also shall be subject to such reasonable changes of construction as the Administrative Agent may from time to time specify to be appropriate to reflect a change in currency of any other country and any relevant market conventions or practices relating to the change in currency.

Section 1.11 Letter of Credit Amounts. Unless otherwise specified herein, the amount of a Letter of Credit at any time shall be deemed to be the stated amount of such Letter of Credit in effect at such time after giving effect to any expiration periods applicable thereto; provided, however, that with respect to any Letter of Credit that, by its terms or the terms of any Issuer Document related thereto, provides for one or more automatic increases in the stated amount thereof, the amount of such Letter of Credit shall be deemed to be the maximum stated amount of such Letter of Credit after giving effect to all such increases, whether or not such maximum stated amount is in effect at such time.

Section 1.12 Pro Forma Calculations. Notwithstanding anything to the contrary herein, the First Lien Net Leverage Ratio, the Senior Secured Net Leverage Ratio and the Total Net Leverage Ratio shall be calculated (including for purposes of Sections 2.14 and 2.17) on a Pro Forma Basis with respect to each Specified Transaction occurring during the applicable four quarter period to which such calculation relates, and/or subsequent to the end of such four-quarter period but not later than the date of such calculation; provided that notwithstanding the foregoing, when calculating the First Lien Net Leverage Ratio for purposes of (i) determining the applicable percentage of Excess Cash Flow for purposes of Section 2.05(b), (ii) the Applicable Rate, (iii) the Applicable Commitment Fee and (iv) determining actual compliance (and not Pro Forma Compliance or compliance on a Pro Forma Basis) with the financial covenant set forth in Section 7.11, any Specified Transaction and any related adjustment contemplated in the definition of Pro Forma Basis (and corresponding provisions of the definition of Consolidated EBITDA) that occurred subsequent to the end of the applicable four quarter period shall not be given Pro Forma Effect. For purposes of determining compliance with any provision of this Agreement which requires Pro Forma Compliance with the financial covenant set forth in Section 7.11, (x) in the case of any such compliance required after delivery of financial statements for the fiscal quarter ending September 30, 2013, such Pro Forma Compliance shall be determined by reference to the maximum First Lien Net Leverage Ratio permitted for the fiscal quarter most recently then ended for which financial statements have been delivered (or were required to have been delivered) in accordance with Section 6.01, or (y) in the case of any such compliance required prior to the delivery referred to in clause (x) above, such Pro Forma Compliance shall be determined by reference to the maximum First Lien Net Leverage Ratio permitted for the fiscal quarter ending September 30, 2013. With respect to any provision of this Agreement (other than the provisions of Section 6.02(a) or Section 7.11) that requires compliance or Pro Forma Compliance with the financial covenant set forth in Section 7.11, such compliance or Pro Forma Compliance shall be required regardless of whether the Dutch Borrower is otherwise required to comply with such covenant under the terms of Section 7.11 at such time.

Section 1.13 Calculation of Baskets. If any of the baskets set forth in Article VII of this Agreement are exceeded solely as a result of fluctuations to Consolidated Total Assets for the most recently completed fiscal quarter after the last time such baskets were calculated for any purpose under Article VII, such baskets will not be deemed to have been exceeded solely as a result of such fluctuations.

Section 1.14 Guaranty and Security Principles. The Collateral Documents and each other guaranty and security document delivered or to be delivered under this Agreement and any obligation to enter into such document or obligation by any Foreign Subsidiary shall be subject in all respects to the Guaranty and Security Principles set forth in Schedule 1.12.

Section 1.15 Borrower Representative. Each Borrower hereby designates the U.S. Borrower as its Borrower Representative. The Borrower Representative will be acting as agent on each of the Borrowers behalf for the purposes of issuing notices of Borrowing and notices of conversion/continuation of any Loans pursuant to Section 2.02 or similar notices, giving instructions with respect to the disbursement of the proceeds of the Loans, selecting interest rate options, requesting Letters of Credit, giving and receiving all other notices and consents hereunder or under any of the other Loan Documents and taking all other actions (including in respect of compliance with covenants and certifications) on behalf of any Borrower or the Borrowers under the Loan Documents. The Borrower Representative hereby accepts such appointment. Each Borrower agrees that each notice, election, representation and warranty, covenant, agreement and undertaking made on its behalf by the Borrower Representative shall be deemed for all purposes to have been made by such Borrower and shall be binding upon and enforceable against such Borrower to the same extent as if the same had been made directly by such Borrower.

Section 1.16 Foreign Guarantor Provisions. This Agreement and all of the other Loan Documents shall be subject in all respects to the Foreign Guarantor Provisions set forth in Schedule 1.16 (as may be supplemented pursuant to Section 10.01 or as otherwise agreed to by the Administrative Agent).

Section 1.17 Australian Code of Banking Practice. The parties hereto agree that the Australian Code of Banking Practice does not apply to the Loan Documents.

(a) The Initial Term B Borrowing. Subject to the terms and conditions set forth herein, each Term B Lender with an Initial Term B Commitment severally agrees to make a single loan denominated in Dollars (the "Initial Term B Loans") to the Borrowers (on a joint and several basis) on the Closing Date in an amount not to exceed such Term B Lender's Initial Term B Commitment. The Initial Term B Borrowing shall consist of Initial Term B Loans made simultaneously by the Term B Lenders in accordance with their respective Term Commitments. Amounts borrowed under this Section 2.01(a) and subsequently repaid or prepaid may not be reborrowed. Initial Term B Loans may be Base Rate Loans or Eurocurrency Rate Loans as further provided herein.

(b) The Initial Euro Term Borrowing. Subject to the terms and conditions set forth herein, each Euro Term Lender with an Initial Euro Term Commitment severally agrees to make a single loan denominated in Euros (the "Initial Euro Term Loans") to the Borrowers (on a joint and several basis) on the Closing Date in an amount not to exceed such Euro Term Lender's Initial Euro Term Commitment. The Initial Euro Term Borrowing shall consist of Initial Euro Term Loans made simultaneously by the Euro Term Lenders in accordance with their respective Euro Term Commitments. Amounts borrowed under this Section 2.01(b) and subsequently repaid or prepaid may not be reborrowed. Initial Euro Term Loans may be Eurocurrency Rate Loans as further provided herein.

(c) The Revolving Credit Borrowings. Subject to the terms and conditions set forth herein, each Dollar Revolving Credit Lender severally agrees to make loans denominated in Dollars (each such loan, a "Dollar Revolving Credit Loan") to the Borrowers (on a joint and several basis) from time to time on and after the Closing Date, on any Business Day until and excluding the Business Day preceding the Maturity Date for the Revolving Credit Facility, in an aggregate amount not to exceed at any time outstanding the amount of such Lender's Dollar Revolving Credit Commitment; provided, however, that after giving effect to any Revolving Credit Borrowing under the Dollar Tranche, (i) the Total Revolving Credit Outstandings shall not exceed the Revolving Credit Facility and (ii) the aggregate Outstanding Amount of the Dollar Revolving Credit Loans of any Lender, plus such Lender's Pro Rata Share of the Outstanding Amount of all L/C Obligations, plus such Lender's Pro Rata Share of the Outstanding Amount of all Swing Line Loans shall not exceed such Lender's Dollar Revolving Credit Commitment. Within the limits of each Lender's Dollar Revolving Credit Commitment, and subject to the other terms and conditions hereof, the Borrowers may borrow under this Section 2.01(c)(i), prepay under Section 2.05, and reborrow under this Section 2.01(c)(i). Dollar Revolving Credit Loans may be Base Rate Loans or Eurocurrency Rate Loans, as further provided herein. To the extent that any portion of the Dollar Tranche has been refinanced with one or more new revolving credit facilities constituting Specified Refinancing Debt, each Revolving Credit Borrowing under the Dollar Tranche (including any deemed Revolving Credit Borrowings made pursuant to Sections 2.03 and 2.04) shall be allocated pro rata among the Facilities constituting the Dollar Tranche.

(d) Subject to the terms and conditions set forth herein, each Multicurrency Revolving Credit Lender severally agrees to make loans denominated in Dollars or in one or more Alternative Currencies (each such loan, a "Multicurrency Revolving Credit Loan" and, collectively with the Dollar Revolving Credit Loans, the "Revolving Credit Loans") to the Borrowers (on a joint and several basis) from time to time on and after the Closing Date, on any Business Day until and excluding the Business Day preceding the Maturity Date for the Revolving Credit Facility, in an aggregate amount not to exceed at any time outstanding the amount of such Lender's Multicurrency Revolving Credit Commitment; provided, however, that after giving effect to any Revolving Credit Borrowing under

the Multicurrency Tranche, (i) the Total Revolving Credit Outstandings shall not exceed the Revolving Credit Facility and (ii) the aggregate Outstanding Amount of the Multicurrency Revolving Credit Loans of any Lender, plus such Lender's Pro Rata Share of the Outstanding Amount of all L/C Obligations, plus such Lender's Pro Rata Share of the Outstanding Amount of all Swing Line Loans shall not exceed such Lender's Multicurrency Revolving Credit Commitment. Within the limits of each Lender's Multicurrency Revolving Credit Commitment, and subject to the other terms and conditions hereof, the Borrowers may borrow under this Section 2.01(d)(ii), prepay under Section 2.05, and reborrow under this Section 2.01(d)(ii). Multicurrency Revolving Credit Loans may be Base Rate Loans (if denominated in Dollars) or Eurocurrency Rate Loans, as further provided herein. To the extent that any portion of the Multicurrency Tranche has been refinanced with one or more new revolving credit facilities constituting Specified Refinancing Debt, each Revolving Credit Borrowing under the Multicurrency Tranche (including any deemed Revolving Credit Borrowings made pursuant to Sections 2.03 and 2.04) shall be allocated pro rata among the Facilities constituting the Multicurrency Tranche.

(e) After the Closing Date, subject to and upon the terms and conditions set forth herein, each Lender with a Term Commitment (other than an Initial Term Commitment) with respect to any Tranche of Term Loans (other than Initial Term Loans) severally agrees to make a Term Loan under such Tranche to the Borrowers (on a joint and several basis) in an amount not to exceed such Term Lender's Term Commitment under such Tranche on the date of incurrence thereof, which Term Loans under such Tranche shall be incurred pursuant to a single drawing on the date set forth for such incurrence. Such Term Loans may be Base Rate Loans if denominated in Dollars or Eurocurrency Rate Loans as further provided herein. Once repaid, Term Loans incurred hereunder may not be reborrowed.

Section 2.02 Borrowings, Conversions and Continuations of Loans.

(a) Each Term Borrowing, each Revolving Credit Borrowing, each conversion of Term Loans, Specified Refinancing Revolving Loans or Revolving Credit Loans from one Type to the other, and each continuation of Eurocurrency Rate Loans shall be made upon irrevocable notice by the Borrower Representative (on behalf of the Borrowers) to the Administrative Agent; provided that Euro Term Loans may not be converted into Base Rate Loans. Each such notice must be in writing and must be received by the Administrative Agent not later than 11:00 a.m. (New York City time in the case of Loans denominated in Dollars, or London time in the case of any Borrowing denominated in an Alternative Currency) (i) three Business Days prior to the requested date of any Borrowing of, conversion of Base Rate Loans to, or continuation of, Eurocurrency Rate Loans denominated in Dollars, (ii) (x) four Business Days prior to the requested date of any Borrowing or continuation of Eurocurrency Rate Loans denominated in Yen or Australian Dollars and (y) three Business Days prior to the requested date of any Borrowing or continuation of Eurocurrency Rate Loans denominated in any other Alternative Currency, (iii) three Business Days prior to the requested date of any conversion of Eurocurrency Rate Loans to Base Rate Loans denominated in Dollars and (iv) one Business Day prior to the requested date of any Borrowing of Base Rate Loans denominated in Dollars; provided, however, that if the Borrowers wish to request Eurocurrency Rate Loans in an Alternative Currency having an Interest Period other than one, two, three or six months in duration as provided in the definition of Interest Period, the applicable notice from the Borrower Representative (on behalf of the Borrowers) must be received by the Administrative Agent not later than 11:00 a.m. (New York City time) five Business Days prior to the requested date of such Borrowing, conversion or continuation, whereupon the Administrative Agent shall give prompt notice to the Appropriate Lenders of such request and determine whether the requested Interest Period is acceptable to all of them. Not later than 10:00 a.m. (New York City time) three Business Days before the requested date of such Borrowing, conversion or continuation, the Administrative Agent shall notify the Borrowers whether or not the requested Interest Period has been consented to by all the Appropriate Lenders. Each notice by the Borrower Representative pursuant to this Section 2.02(a) shall be delivered to the Administrative Agent in the form of a written Committed Loan Notice, appropriately completed and signed by a Responsible Officer of the Borrower Representative (on behalf of the Borrowers). Each Borrowing of, conversion to or continuation of Eurocurrency Rate Loans shall be in a principal Dollar Amount of $5,000,000 or a whole multiple of a Dollar Amount of $1,000,000 in excess thereof. Except as provided in Sections 2.03(d) and 2.04(c), each Borrowing of, or conversion to, Base Rate Loans shall be in a principal Dollar Amount of $1,000,000 or a whole multiple of a Dollar Amount of $1,000,000 in excess thereof. Each Committed Loan Notice shall specify (i) whether the Borrowers are requesting a Term Borrowing (and whether such Term Borrowing is a Borrowing of Euro Term Loans or Term B Loans), a Revolving Credit Borrowing, a conversion of a Tranche of Term Loans, Specified Refinancing Revolving Loans or Revolving Credit Loans from one Type to the other, or a continuation of Eurocurrency Rate Loans, (ii) the requested date of the

Borrowing, conversion or continuation, as the case may be (which shall be a Business Day), (iii) the principal amount of Loans to be borrowed, converted or continued, (iv) in the case of Revolving Credit Loans, whether such Borrowing is to be made under the Dollar Tranche or the Multicurrency Tranche and the currency in which the Revolving Credit Loans to be borrowed are to be denominated, (v) the Type of Loans to be borrowed or to which existing Tranche of Term Loans, Specified Refinancing Revolving Loans or Revolving Credit Loans are to be converted and (vi) if applicable, the duration of the Interest Period with respect thereto. If, (x) with respect to any Eurocurrency Rate Loans denominated in Dollars, the Borrowers fail to specify a Type of Loan in a Committed Loan Notice or if the Borrowers fail to give a timely notice requesting a conversion or continuation, then the applicable Tranche of Term Loans, Specified Refinancing Revolving Loans, or Revolving Credit Loans shall be made as, or converted to, Base Rate Loans or (y) with respect to any Eurocurrency Rate Loans denominated in an Alternative Currency, the Borrowers fail to specify a Type of Loan in a Committed Loan Notice or if the Borrowers fail to give a timely notice requesting a conversion or continuation, then the applicable Tranche of Term Loans, Specified Refinancing Revolving Loans or Revolving Credit Loans shall be made as, or converted to, a Eurocurrency Rate Loan with an Interest Period of one month. Any such automatic conversion or continuation pursuant to the immediately preceding sentence shall be effective as of the last day of the Interest Period then in effect with respect to the applicable Eurocurrency Rate Loans. If no election as to Tranche of Revolving Credit Loans is requested, and the Revolving Credit Loans requested are in Dollars, such election shall be deemed to be made under the Dollar Tranche. If the Borrower Representative (on behalf of the Borrowers) requests a Borrowing of, conversion to, or continuation of Eurocurrency Rate Loans in any such Committed Loan Notice, but fails to specify an Interest Period, it will be deemed to have specified an Interest Period of one month. If no currency is specified, the requested Borrowing shall be in Dollars. Notwithstanding anything to the contrary herein, a Swing Line Loan may not be converted to a Eurocurrency Rate Loan.

(b) Following receipt of a Committed Loan Notice, the Administrative Agent shall promptly notify each applicable Lender of the amount of its ratable share of the applicable Tranche of Term Loans, Specified Refinancing Revolving Loans or Revolving Credit Loans, and if no timely notice of a conversion or continuation of Eurocurrency Rate Loan is provided by the Borrower Representative (on behalf of the Borrowers), the Administrative Agent shall notify each Lender of the details of any automatic conversion to Eurocurrency Rate Loans with an Interest Period of one month or Base Rate Loans, as applicable, as described in Section 2.02(a). In the case of a Term Borrowing or a Revolving Credit Borrowing, each Appropriate Lender shall make the amount of its Loan available to the Administrative Agent in immediately available funds at the Administrative Agent's Office not later than 12:00 p.m. (New York City time), in the case of any Loan denominated in Dollars, and not later than 10:00 a.m. (Local Time) in the case of any Loan denominated in an Alternative Currency, in each case, on the Business Day specified in the applicable Committed Loan Notice. Each Lender may, at its option, make any Loan available to the Dutch Borrower by causing any foreign or domestic branch or Affiliate of such Lender to make such Loan; provided that any exercise of such option shall not affect the obligation of the Dutch Borrower to repay such Loan in accordance with the terms of this Agreement. Upon satisfaction of the applicable conditions set forth in Section 4.02 (or, if such Borrowing is the initial Credit Extension, Section 4.01), the Administrative Agent shall make all funds so received available to the applicable Borrower in like funds as received by the Administrative Agent either by (i) crediting the account of the applicable Borrower on the books of the Administrative Agent with the amount of such funds or (ii) wire transfer of such funds, in each case in accordance with instructions provided to (and reasonably acceptable to) the Administrative Agent by the Borrower Representative (on behalf of the Borrower); provided, however, that if, on the date the Committed Loan Notice with respect to such Borrowing is given by the Borrower Representative (on behalf of the Borrowers), there are Swing Line Loans or L/C Borrowings outstanding, then the proceeds of such Borrowing shall be applied, first, to the payment in full of any such L/C Borrowings, second, to the payment in full of any such Swing Line Loans, and third, to the applicable Borrower as provided above.

(c) Except as otherwise provided herein, a Eurocurrency Rate Loan may be continued or converted only on the last day of an Interest Period for such Eurocurrency Rate Loan unless the Borrowers pay the amount due under Section 3.06 in connection therewith. During the existence of an Event of Default, at the election of the Administrative Agent or the Required Lenders, no Loans denominated in Dollars may be requested as, converted to or continued as Eurocurrency Rate Loans.

(d) The Administrative Agent shall promptly notify the Borrowers and the Lenders of the interest rate applicable to any Interest Period for Eurocurrency Rate Loans upon determination of such interest rate. The determination of the Eurocurrency Rate by the Administrative Agent shall be conclusive in the absence of manifest error.

(e) After giving effect to all Term Borrowings, all Revolving Credit Borrowings, all conversions of Term Loans or Revolving Credit Loans from one Type to the other, and all continuations of Term Loans or Revolving Credit Loans as the same Type, there shall not be more than ten Interest Periods in effect.

(f) The failure of any Lender to make the Loan to be made by it as part of any Borrowing shall not relieve any other Lender of its obligation, if any, hereunder to make its Loan on the date of such Borrowing, but no Lender shall be responsible for the failure of any other Lender to make the Loan to be made by such other Lender on the date of any Borrowing.

Section 2.03 Letters of Credit.

(a) The Letter of Credit Commitment. (i) On and after the Closing Date the Existing Letters of Credit will constitute Letters of Credit under this Agreement and for purposes hereof (i) Existing Letters of Credit denominated in Dollars will be deemed to have been issued under the Dollar Tranche and (ii) Existing Letters of Credit denominated in any Alternative Currency will be deemed to have been issued under the Multicurrency Tranche, in each case on the Closing Date. Subject to the terms and conditions set forth herein, (A) each L/C Issuer of a Tranche of the Revolving Credit Facility agrees, in reliance upon the agreements of the other Revolving Credit Lenders of such Tranche set forth in this Section 2.03, (1) from time to time on any Business Day during the period from the Closing Date until the Letter of Credit Expiration Date, to issue Letters of Credit under the Dollar Tranche or the Multicurrency Tranche for the account of the Dutch Borrower or any Restricted Subsidiary (provided that the Borrowers hereby irrevocably agree to reimburse the applicable L/C Issuer for amounts drawn on any Letters of Credit issued for the account of any other Borrower or any Restricted Subsidiary on a joint and several basis with such Restricted Subsidiary) and to amend or renew Letters of Credit previously issued by it, in accordance with Section 2.03(c), and (2) to honor drafts under the Letters of Credit and (B) the Revolving Credit Lenders under any Tranche severally agree to participate in Letters of Credit issued for the account of the Dutch Borrower or any Restricted Subsidiary; provided that no L/C Issuer shall be obligated to make any L/C Credit Extension with respect to any Letter of Credit, and no Lender shall be obligated to participate in any Letter of Credit, if as of the date of such L/C Credit Extension (x) the Total Revolving Credit Outstandings would exceed the Revolving Credit Facility, (y) the aggregate Outstanding Amount of the Revolving Credit Loans of any Lender under the applicable Tranche, plus such Lender's Pro Rata Share of the Outstanding Amount of all L/C Obligations under such Tranche, plus such Lender's Pro Rata Share of the Outstanding Amount of all Swing Line Loans under such Tranche would exceed such Lender's Revolving Credit Commitment under such Tranche or (z) the Outstanding Amount of the L/C Obligations would exceed the Letter of Credit Sublimit. Within the foregoing limits, and subject to the terms and conditions hereof, the Borrowers' ability to obtain Letters of Credit shall be fully revolving, and accordingly the Borrowers may, during the foregoing period, obtain Letters of Credit to replace Letters of Credit that have expired or that have been drawn upon and reimbursed.

(iii) No L/C Issuer shall be under any obligation to issue any Letter of Credit if:

(A) any order, judgment or decree of any Governmental Authority or arbitrator shall by its terms purport to enjoin or restrain such L/C Issuer from issuing such Letter of Credit, or any Law applicable to such L/C Issuer or any request or directive (whether or not having the force of Law) from any Governmental Authority with jurisdiction over such L/C Issuer shall prohibit, or request that such L/C Issuer refrain from, the issuance of letters of credit generally or such Letter of Credit in particular or shall impose upon such L/C Issuer with respect to such Letter of Credit any restriction, reserve or capital requirement (for which such L/C Issuer is not otherwise compensated hereunder) not in effect on the Closing Date, or shall impose upon such L/C Issuer any unreimbursed loss, cost or expense which was not applicable on the Closing Date and which, in each case, such L/C Issuer in good faith deems material to it;

(B) subject to Section 2.03(c)(iii), the expiry date of such requested Letter of Credit would occur more than 12 months after the date of issuance or last renewal, unless the Required Revolving Lenders and the L/C Issuer, in their sole discretion, have approved such expiry date;

(C) the expiry date of such requested Letter of Credit would occur after the Letter of Credit Expiration Date, unless (i) all the Revolving Credit Lenders and the L/C Issuer have approved such expiry date and/or (ii) the L/C Issuer has approved such expiry date and such requested Letter of Credit has been Cash Collateralized by the applicant requesting such Letter of Credit in accordance with Section 2.18 at least five Business Days prior to the Letter of Credit Expiration Date;

(D) the issuance of such Letter of Credit would violate one or more generally applicable policies of such L/C Issuer in place at the time of such request;

(E) such Letter of Credit is in an initial stated amount of less than a Dollar Amount equal to $10,000 or such lesser amount as is acceptable to the applicable L/C Issuer in its sole discretion;

(F) such Letter of Credit is denominated in a currency other than Dollars or an Alternative Currency;

(G) the L/C Issuer does not as of the issuance date of such requested Letter of Credit issue Letters of Credit in the requested currency; or

(H) any Revolving Credit Lender under the applicable Tranche is at that time a Defaulting Lender, unless the applicable L/C Issuer has entered into arrangements, including reallocation of the Defaulting Lender's Pro Rata Share of the outstanding L/C Obligations pursuant to Section 2.19(a)(iv) or the delivery of Cash Collateral in accordance with Section 2.18 with the Borrowers or such Lender to eliminate such L/C Issuer's actual or potential Fronting Exposure under such Tranche (after giving effect to Section 2.19(a)(iv)) with respect to the Defaulting Lender arising from either the Letter of Credit then proposed to be issued or that Letter of Credit and all other L/C Obligations as to which such L/C Issuer has actual or potential Fronting Exposure under such Tranche.

(iv) No L/C Issuer shall be under any obligation to amend any Letter of Credit if (A) such L/C Issuer would have no obligation at such time to issue such Letter of Credit in its amended form under the terms hereof or (B) the beneficiary of such Letter of Credit does not accept the proposed amendment to such Letter of Credit.

(v) Each L/C Issuer shall act on behalf of the Revolving Credit Lenders under the applicable Tranche with respect to any Letters of Credit issued by it and the documents associated therewith, and each L/C Issuer shall have all of the benefits and immunities (A) provided to the Administrative Agent in Article IX with respect to any acts taken or omissions suffered by such L/C Issuer in connection with Letters of Credit issued by it or proposed to be issued by it and Issuer Documents pertaining to such Letters of Credit as fully as if the term "Administrative Agent" as used in Article IX included each L/C Issuer with respect to such acts or omissions, and (B) as additionally provided herein with respect to each L/C Issuer.

(b) Provided that the foregoing shall not excuse the L/C Issuer from liability to the Borrowers to the extent of any direct damages (as opposed to consequential damages claims in respect of which are waived by the Borrowers to the extent permitted by applicable law) suffered by the Borrowers that are caused by the L/C Issuer's gross negligence or willful misconduct as determined by a court of competent jurisdiction in a final and nonappealable judgment.

(c) Procedures for Issuance and Amendment of Letters of Credit; Auto-Renewal Letters of Credit. (i) Each Letter of Credit shall be issued or amended, as the case may be, upon the request of the Borrower Representative delivered to the applicable L/C Issuer (with a copy to the Administrative Agent) in the form of a Letter of Credit Application, including agreed-upon draft language for such Letter of Credit reasonably acceptable to the applicable L/C Issuer (it being understood that such draft language for each such Letter of Credit must be in English or, if agreed to in the sole discretion of the applicable L/C issuer, accompanied by an English translation certified by the applicable Borrower to be a true and correct English translation), appropriately completed and signed by a Responsible Officer of the applicable Borrower. Such Letter of Credit Application must be received by the applicable L/C Issuer and the Administrative Agent not later than 11:00 a.m. (New York City time) at least three Business Days in the case of a Letter of Credit to be denominated in Dollars, or at least five Business Days in the case of a Letter of Credit to be denominated in an Alternative Currency (or, in either case, such shorter period as such L/C Issuer and the Administrative Agent may agree in a particular instance in their sole discretion) prior to the proposed issuance date or date of amendment, as the case may be. In the case of a request for an initial issuance of a Letter of Credit,

such Letter of Credit Application shall specify in form and detail reasonably satisfactory to the applicable L/C Issuer: (A) the proposed issuance date of the requested Letter of Credit (which shall be a Business Day not later than 30 days prior to the Maturity Date of the Revolving Credit Facility, unless the Administrative Agent and the L/C Issuer otherwise agree); (B) the amount thereof; (C) the expiry date thereof; (D) the name and address of the beneficiary thereof; (E) the documents to be presented by such beneficiary in case of any drawing thereunder; (F) the full text of any certificate to be presented by such beneficiary in case of any drawing thereunder; (G) the currency in which the requested Letter of Credit will be denominated; (H) the Person for whose account the requested Letter of Credit is to be issued (which must be a Borrower Party); and (I) such other matters as the applicable L/C Issuer may reasonably request. In the case of a request for an amendment of any outstanding Letter of Credit, such Letter of Credit Application shall specify in form and detail reasonably satisfactory to the applicable L/C Issuer: (1) the Letter of Credit to be amended; (2) the proposed date of amendment thereof (which shall be a Business Day); (3) the nature of the proposed amendment and (4) such other matters as the applicable L/C Issuer may reasonably request.

(ii) Promptly after receipt of any Letter of Credit Application, the applicable L/C Issuer will confirm with the Administrative Agent that the Administrative Agent has received a copy of such Letter of Credit Application from the Borrower Representative on behalf of the applicable Borrower and, if not, such L/C Issuer will provide the Administrative Agent with a copy thereof. Upon receipt by such L/C Issuer of confirmation from the Administrative Agent that the requested issuance or amendment is permitted in accordance with the terms hereof, then, subject to the terms and conditions hereof, such L/C Issuer shall, on the requested date, issue a Letter of Credit for the account of the applicable Borrower or any Restricted Subsidiary (as designated in the Letter of Credit Application) or enter into the applicable amendment, as the case may be. Immediately upon the issuance of each Letter of Credit under any Tranche, each Revolving Credit Lender under such Tranche shall be deemed to, and hereby irrevocably and unconditionally agrees to, purchase from the applicable L/C Issuer a risk participation in such Letter of Credit in an amount equal to such Lender's Pro Rata Share of such Tranche multiplied by the amount of such Letter of Credit.

(iii) If the Borrower Representative on behalf of the applicable Borrower Party so requests in any applicable Letter of Credit Application, the applicable L/C Issuer may, in its sole and absolute discretion, agree to issue a Letter of Credit that has automatic renewal provisions (each, an "Auto-Renewal Letter of Credit"); provided that any such Auto-Renewal Letter of Credit must permit such L/C Issuer to prevent any such renewal at least once in each twelve-month period (commencing with the date of issuance of such Letter of Credit) by giving prior notice to the beneficiary thereof not later than a day in each such twelve-month period to be agreed upon at the time such Letter of Credit is issued. Unless otherwise directed by the applicable L/C Issuer, the Borrower Representative shall not be required to make a specific request to such L/C Issuer for any such renewal. Once an Auto-Renewal Letter of Credit has been issued, the Lenders under the applicable Tranche shall be deemed to have authorized (but may not require) the applicable L/C Issuer to permit the renewal of such Letter of Credit at any time to an expiry date not later than the Letter of Credit Expiration Date; provided, however, that such L/C Issuer shall not permit any such renewal if such L/C Issuer has determined that it would have no obligation at such time to issue such Letter of Credit in its renewed form under the terms hereof (by reason of the provisions of Section 2.03(a)(ii) or otherwise).

(iv) Promptly after its delivery of any Letter of Credit or any amendment to a Letter of Credit to an advising bank with respect thereto or to the beneficiary thereof, the applicable L/C Issuer will also (A) deliver to the Borrower Representative, the applicable Borrower Party and the Administrative Agent a true and complete copy of such Letter of Credit or amendment and (B) notify each Revolving Credit Lender of the applicable Tranche of such issuance or amendment and the amount of such Revolving Credit Lender's Pro Rata Share therein.

(v) Notwithstanding anything to the contrary set forth above, the issuance of any Letters of Credit by Barclays under this Agreement shall be subject to such reasonable additional letter of credit issuance procedures and requirements as may be required by Barclays' internal letter of credit issuance policies and procedures, in its sole discretion, as in effect at the time of such issuance, including requirements with respect to the prior receipt by Barclays of customary "know your customer" information regarding a prospective account party or applicant that is not a Borrower hereunder, as well as regarding any beneficiaries of a requested Letter of Credit. Additionally, if (a) the beneficiary of a Letter of Credit issued hereunder is an issuer of a letter of credit not governed by this Agreement to a Borrower or any Restricted Subsidiary (an "Other LC"), and (b) such Letter of Credit is issued to provide credit support for such Other LC, no amendments may be made to such Other LC without the consent of the applicable L/C Issuer hereunder.

(d) Drawings and Reimbursements; Funding of Participations. (i) Upon receipt from the beneficiary of any Letter of Credit of any notice of a drawing under such Letter of Credit, the applicable L/C Issuer shall notify the Borrower Representative (on behalf of the Borrowers) and the Administrative Agent thereof. Each L/C Issuer shall notify the Borrower Representative (on behalf of the Borrowers) on the date of any payment by such L/C Issuer under a Letter of Credit (each such date, an "Honor Date"), and the Borrowers shall reimburse such L/C Issuer through the Administrative Agent in an amount equal to the amount of such drawing (and in the same currency in which such drawing was made) no later than on the next succeeding Business Day (and any reimbursement made on such next Business Day shall be taken into account in computing interest and fees in respect of any such Letter of Credit) after the Borrower Representative shall have received notice of such payment with interest on the amount so paid or disbursed by such L/C Issuer, to the extent not reimbursed prior to 3:00 p.m. in the case of drawings in Dollars or 2:00 p.m. (London time) (or, if earlier, 9:00 a.m. New York city time) in the case of drawings in an Alternative Currency, in each case, on the respective Honor Date, from and including the date paid or disbursed to but excluding the date such L/C Issuer was reimbursed by the Borrowers therefor at a rate per annum equal to the Base Rate as in effect from time to time plus the Applicable Rate as in effect from time to time for Revolving Credit Loans that are maintained as Base Rate Loans. If the Borrowers fail to so reimburse such L/C Issuer on such next Business Day, the Administrative Agent shall promptly notify each Revolving Credit Lender of the applicable Tranche of the Honor Date, the amount of the unreimbursed drawing (expressed in Dollars in the Dollar Amount thereof in the case of an Alternative Currency) (the "Unreimbursed Amount"), and the amount of such Revolving Credit Lender's Pro Rata Share thereof. In such event, (x) in the case of an Unreimbursed Amount denominated in Dollars, the Borrowers shall be deemed to have requested a Revolving Credit Borrowing of Base Rate Loans and (y) in the case of an Unreimbursed Amount denominated in an Alternative Currency, the Borrowers shall be deemed to have requested a Revolving Credit Borrowing of Eurocurrency Rate Loans, in each case, under the applicable Tranche and to be disbursed on such date in an amount equal to the Unreimbursed Amount, without regard to the minimum and multiples specified in Section 2.02 for the principal amount of Base Rate Loans or Eurocurrency Rate Loans, as the case may be, but subject to the amount of the unutilized portion of the Revolving Credit Commitments under the applicable Tranche and the conditions set forth in Section 4.02 (other than the delivery of a Committed Loan Notice). Any notice given by an L/C Issuer or the Administrative Agent pursuant to this Section 2.03(d)(i) may be given by telephone if promptly confirmed in writing; provided that the lack of such a prompt confirmation shall not affect the conclusiveness or binding effect of such notice.

(ii) Each Revolving Credit Lender under the applicable Tranche (including each Lender acting as an L/C Issuer) shall upon any notice pursuant to Section 2.03(d)(i) make funds available (and the Administrative Agent may apply Cash Collateral provided for this purpose) for the account of the applicable L/C Issuer, in Dollars or the applicable Alternative Currency, at the Administrative Agent's Office in an amount equal to its Pro Rata Share of the Unreimbursed Amount not later than 3:00 p.m. (New York City time) on the Business Day specified in such notice by the Administrative Agent, whereupon, subject to the provisions of Section 2.03(d)(iii), each Revolving Credit Lender that so makes funds available shall be deemed to have made a Revolving Credit Loan in the form of in the case of a Letter of Credit (x) denominated in Dollars, a Base Rate Loan to the Borrowers in such amount and (y) denominated in an Alternative Currency, a Eurocurrency Rate Loan to the Borrowers in such amount. The Administrative Agent shall remit the funds so received to the applicable L/C Issuer.

(iii) With respect to any Unreimbursed Amount that is not fully refinanced by a Revolving Credit Borrowing of Base Rate Loans for Letters of Credit denominated in Dollars or Eurocurrency Rate Loans for Letters of Credit denominated in an Alternative Currency, as the case may be, because the conditions set forth in Section 4.02 cannot be satisfied or for any other reason, the Borrowers shall be deemed to have incurred from the applicable L/C Issuer an L/C Borrowing in the amount of the Unreimbursed Amount that is not so refinanced, which L/C Borrowing shall be due and payable on demand (together with interest) and shall bear interest at the Default Rate then applicable to Revolving Credit Loans. In such event, each Revolving Credit Lender's payment to the Administrative Agent for the account of the applicable L/C Issuer pursuant to Section 2.03(d)(ii) shall be deemed payment in respect of its participation in such L/C Borrowing and shall constitute an L/C Advance from such Lender in satisfaction of its participation obligation under this Section 2.03.

(iv) Until each Revolving Credit Lender under the applicable Tranche funds its Revolving Credit Loan or L/C Advance pursuant to this Section 2.03(c) to reimburse the applicable L/C Issuer for any amount drawn under any Letter of Credit, interest in respect of such Lender's Pro Rata Share of such amount shall be solely for the account of such L/C Issuer.

(v) Each Revolving Credit Lender's obligation to make Revolving Credit Loans or L/C Advances to reimburse the applicable L/C Issuer for amounts drawn under Letters of Credit, as contemplated by this Section 2.03(d), shall be absolute and unconditional and shall not be affected by any circumstance, including (A) any setoff, counterclaim, recoupment, defense or other right which such Lender may have against such L/C Issuer, any Borrower or any other Person for any reason whatsoever, (B) the occurrence or continuance of a Default or (C) any other occurrence, event or condition, whether or not similar to any of the foregoing; provided, however, that each Revolving Credit Lender's obligation to make Revolving Credit Loans pursuant to this Section 2.03(d) is subject to the conditions set forth in Section 4.02 (other than delivery by the Borrower Representative (on behalf of the Borrowers) of a Committed Loan Notice). No such making of an L/C Advance shall relieve or otherwise impair the obligation of the Borrowers to reimburse the applicable L/C Issuer for the amount of any payment made by the applicable L/C Issuer under any Letter of Credit, together with interest as provided herein.

(vi) If any Revolving Credit Lender fails to make available to the Administrative Agent for the account of the applicable L/C Issuer any amount required to be paid by such Lender pursuant to the foregoing provisions of this Section 2.03(d) by the time specified in Section 2.03(d)(ii), then, without limiting the other provisions of this Agreement, such L/C Issuer shall be entitled to recover from such Lender (acting through the Administrative Agent), on demand, such amount with interest thereon for the period from the date such payment is required to the date on which such payment is immediately available to such L/C Issuer at a rate per annum equal to the greater of the applicable Overnight Rate from time to time in effect and a rate reasonably determined by such L/C Issuer in accordance with banking industry rules on interbank compensation, plus any reasonable administrative, processing or similar fees customarily charged by such L/C Issuer in connection with the foregoing. If such Lender pays such principal amount, the amount so paid (less interest and fees) shall constitute such Lender's Loan included in the relevant Borrowing or L/C Advance in respect of the relevant L/C Borrowing, as the case may be. A certificate of the applicable L/C Issuer submitted to any Revolving Credit Lender (through the Administrative Agent) with respect to any amounts owing under this Section 2.03(d)(vi) shall be conclusive absent manifest error.

(e) Repayment of Participations. (i) If, at any time after an L/C Issuer under any Tranche has made a payment under any Letter of Credit issued by it and has received from any Revolving Credit Lender under such Tranche such Lender's L/C Advance in respect of such payment in accordance with Section 2.03(d), the Administrative Agent receives for the account of such L/C Issuer any payment in respect of the related Unreimbursed Amount or interest thereon (whether directly from the Borrowers or otherwise, including proceeds of Cash Collateral applied thereto by the Administrative Agent), the Administrative Agent will distribute to such Lender its Pro Rata Share thereof (appropriately adjusted, in the case of interest payments, to reflect the period of time during which such Lender's L/C Advance was outstanding) in the same funds as those received by the Administrative Agent.

(ii) If any payment received by the Administrative Agent for the account of an L/C Issuer pursuant to Section 2.03(d)(i) is required to be returned under any of the circumstances described in Section 10.06 (including pursuant to any settlement entered into by such L/C Issuer in its discretion), each Revolving Credit Lender under the applicable Tranche shall pay to the Administrative Agent for the account of such L/C Issuer its Pro Rata Share thereof on demand of the Administrative Agent, plus interest thereon from the date of such demand to the date such amount is returned by such Lender, at a rate per annum equal to the Federal Funds Rate from time to time in effect. The obligations of the Lenders under this clause shall survive the payment in full of the Obligations and the termination of this Agreement.

(f) Obligations Absolute. The obligation of the Borrowers to reimburse the applicable L/C Issuer for each drawing under each Letter of Credit and to repay each L/C Borrowing shall be absolute, unconditional and irrevocable, and shall be paid strictly in accordance with the terms of this Agreement under all circumstances, including the following:

(i) any lack of validity or enforceability of such Letter of Credit, this Agreement, or any other agreement or instrument relating thereto;

(ii) the existence of any claim, counterclaim, setoff, defense or other right that the Borrowers may have at any time against any beneficiary or any transferee of such Letter of Credit (or any Person for whom any such beneficiary or any such transferee may be acting), the applicable L/C Issuer or any other Person, whether in connection with this Agreement, the transactions contemplated hereby or by such Letter of Credit or any agreement or instrument relating thereto, or any unrelated transaction;

(iii) any draft, demand, certificate or other document presented under such Letter of Credit proving to be forged, fraudulent, invalid or insufficient in any respect or any statement therein being untrue or inaccurate in any respect; or any loss or delay in the transmission or otherwise of any document required in order to make a drawing under such Letter of Credit;

(iv) any payment by the applicable L/C Issuer under such Letter of Credit against presentation of a draft or certificate that does not strictly comply with the terms of such Letter of Credit; or any payment made by the applicable L/C Issuer under such Letter of Credit to any Person purporting to be a trustee in bankruptcy, debtor-in-possession, assignee for the benefit of creditors, administrator, administrative receiver, judicial manager, liquidator, receiver or other representative of or successor to any beneficiary or any transferee of such Letter of Credit, including any arising in connection with any proceeding under any Debtor Relief Law;

(v) any exchange, release or non-perfection of any Collateral, or any release or amendment or waiver of or consent to departure from the Guaranty or any other guarantee, for all or any of the Obligations of the Borrowers in respect of such Letter of Credit; or

(vi) any other circumstance or happening whatsoever, whether or not similar to any of the foregoing, including any other circumstance that might otherwise constitute a defense available to, or a discharge of, the Borrowers.

The Borrowers shall promptly examine a copy of each Letter of Credit and each amendment thereto that is delivered to them and, in the event of any claim of noncompliance with the instructions of the Borrower Representative (on behalf of the Borrowers) or other irregularity, the Borrower Representative (on behalf of the Borrowers) will promptly notify the applicable L/C Issuer. The Borrowers shall be conclusively deemed to have waived any such claim against any L/C Issuer and its correspondents unless such notice is given as aforesaid.

(g) Role of L/C Issuer. Each Lender and the Borrowers agree that, in paying any drawing under a Letter of Credit, the applicable L/C Issuer shall not have any responsibility to obtain any document (other than any sight draft, certificates and documents expressly required by the Letter of Credit) or to ascertain or inquire as to the validity or accuracy of any such document or the authority of the Person executing or delivering any such document. None of the applicable L/C Issuer, any Agent-Related Person nor any of the respective correspondents, participants or assignees of the applicable L/C Issuer shall be liable to any Lender for (i) any action taken or omitted in connection herewith at the request or with the approval of the Revolving Credit Lenders or the Required Revolving Lenders, as applicable; (ii) any action taken or omitted in the absence of gross negligence or willful misconduct or (iii) the due execution, effectiveness, validity or enforceability of any document or instrument related to any Letter of Credit or Letter of Credit Application. The Borrowers hereby assume all risks of the acts or omissions of any beneficiary or transferee with respect to its use of any Letter of Credit; provided, however, that this assumption is not intended to, and shall not, preclude the Borrowers from pursuing such rights and remedies as they may have against the beneficiary or transferee at Law or under any other agreement. None of the applicable L/C Issuer, any Agent-Related Person, nor any of the respective correspondents, participants or assignees of such L/C Issuer, shall be liable or responsible for any of the matters described in clauses (i) through (v) of Section 2.03(f); provided, however, that anything in such clauses to the contrary notwithstanding, the Borrowers may have a claim against such L/C Issuer, and such L/C Issuer may be liable to the Borrowers, to the extent, but only to the extent, of any direct, as opposed to indirect, special, punitive, consequential or exemplary, damages suffered by the Borrowers which a court of competent jurisdiction determines in a final non-appealable judgment were caused by such L/C Issuer's willful misconduct or gross negligence. In furtherance and not in limitation of the foregoing, the applicable L/C Issuer may accept documents that appear on their face to be in order, without responsibility for further investigation, regardless of any notice or information to the contrary, and such L/C Issuer shall not be responsible for the validity or sufficiency of any instrument transferring or assigning or purporting to transfer or assign a Letter of Credit or the rights or benefits thereunder or proceeds thereof, in whole or in part, which may prove to be invalid or ineffective for any reason.

(h) [Reserved].

(i) Letter of Credit Fees. The Borrowers shall pay to the Administrative Agent for the account of each Revolving Credit Lender in accordance with its Pro Rata Share, a Letter of Credit fee which shall accrue for each Letter of Credit of each Tranche in an amount equal to the Applicable Rate then in effect for Eurocurrency Rate Loans with respect to the Revolving Credit Facility multiplied by the daily maximum amount then available to be drawn under such Letter of Credit (whether or not such maximum amount is then in effect under such Letter of Credit if such maximum amount increases periodically pursuant to the terms of such Letter of Credit); provided, however, that any Letter of Credit fees otherwise payable for the account of a Defaulting Lender with respect to any Letter of Credit as to which such Defaulting Lender has not provided Cash Collateral satisfactory to the applicable L/C Issuer pursuant to this Section 2.03 shall be payable, to the maximum extent permitted by applicable Law, to the other Lenders under the applicable Tranche in accordance with the upward adjustments in their respective Pro Rata Shares allocable to such Letter of Credit pursuant to Section 2.19(a)(iv), with the balance of such fee, if any, payable to the applicable L/C Issuer for its own account. Such Letter of Credit fees shall be computed on a quarterly basis in arrears and shall be due and payable on the last Business Day of each March, June, September and December, in respect of the quarterly period then ending (or portion thereof, in the case of the first payment), commencing with the first such date to occur after the issuance of such Letter of Credit, on the Letter of Credit Expiration Date and thereafter on demand. If there is any change in the Applicable Rate during any quarter, the daily maximum amount of each Letter of Credit shall be computed and multiplied by the Applicable Rate separately for each period during such quarter that such Applicable Rate was in effect.Each payment of fees under this clause (h) on any Letters of Credit shall be made in Dollars.

(j) Fronting Fee and Documentary and Processing Charges Payable to an L/C Issuer. The Borrowers shall pay directly to the applicable L/C Issuer for its own account a fronting fee at a rate equal to 0.125% per annum computed on the maximum daily amount available to be drawn under such Letter of Credit on a quarterly basis in arrears. Such fronting fee shall be due and payable on the last Business Day of each March, June, September and December in respect of the quarterly period then ending (or portion thereof, in the case of the first payment), commencing with the first such date to occur after the issuance of such Letter of Credit, on the Letter of Credit Expiration Date and thereafter on demand. For purposes of computing the maximum daily amount available to be drawn under any Letter of Credit, the amount of such Letter of Credit shall be determined in accordance with Section 1.09. Each payment of fees required above under this clause (i) on any Letters of Credit denominated in an Alternative Currency shall be made in the relevant Alternative Currency (even if the Borrowers are required to convert currency to do so). In addition, the Borrowers shall pay directly to the applicable L/C Issuer for its own account the customary issuance, presentation, administration, amendment and other processing fees, and other standard costs and charges, of such L/C Issuer relating to letters of credit as from time to time in effect. Such customary fees and standard costs and charges are due and payable within five Business Days of demand and are nonrefundable.

(k) Conflict with Letter of Credit Application. In the event of any conflict between the terms hereof and the terms of any Letter of Credit Application, the terms hereof shall control.

(l) Reporting. To the extent that any Letters of Credit are issued by an L/C Issuer other than the Administrative Agent, each such L/C Issuer shall furnish to the Administrative Agent a report detailing the daily L/C Obligations outstanding under all Letters of Credit issued by it under any Tranche of the Revolving Credit Facility, such report to be in a form and at reporting intervals as shall be agreed between the Administrative Agent and such L/C Issuer; provided that in no event shall such reports be furnished at intervals greater than 31 days.

(m) Provisions Related to Extended Revolving Credit Commitments. If the Maturity Date in respect of any Tranche of Revolving Credit Commitments occurs prior to the expiration of any Letter of Credit, then (i) if one or more other tranches of Revolving Credit Commitments in respect of which the Maturity Date shall not have occurred are then in effect, such Letters of Credit shall automatically be deemed to have been issued (including for purposes of the obligations of the Revolving Credit Lenders to purchase participations therein and to make Revolving Credit Loans and payments in respect thereof pursuant to this Section 2.03) under (and ratably participated in by Lenders pursuant to) the Revolving Credit Commitments in respect of such non-terminating Tranches up to an aggregate amount not to exceed the aggregate principal amount of the unutilized Revolving Credit Commitments thereunder at such time (it being understood that no partial face amount of any Letter of Credit may be so reallocated) and to the extent any Letters of Credit are not able to be reallocated pursuant to this clause (i) and there are outstanding Revolving Credit Loans under the non-terminating Tranches, the Borrowers agree to repay all such Revolving Credit Loans (or such lesser amount as is necessary to reallocate all Letters of Credit pursuant to this clause (i))

or (ii) to the extent not reallocated pursuant to immediately preceding clause (i), the Dutch Borrower shall Cash Collateralize any such Letter of Credit in accordance with Section 2.18 but only up to the amount of such Letter of Credit not so reallocated. Except to the extent of reallocations of participations pursuant to clause (i) of the immediately preceding sentence, the occurrence of a Maturity Date with respect to a given tranche of Revolving Credit Commitments shall have no effect upon (and shall not diminish) the percentage participations of the Revolving Credit Lenders in any Letter of Credit issued before such Maturity Date

Section 2.04 Swing Line Loans.

(a) The Swing Line. Subject to the terms and conditions set forth herein, the Swing Line Lender, in reliance upon the agreements of the other Lenders set forth in this Section 2.04, shall make loans in Dollars (each such loan, a "Swing Line Loan") under either the Dollar Tranche or the Multicurrency Tranche to the Borrowers (on a joint and several basis) from time to time on any Business Day until the Maturity Date in an aggregate amount not to exceed at any time outstanding the Swing Line Sublimit, notwithstanding the fact that such Swing Line Loans under such Tranche, when aggregated with the Pro Rata Share of the Outstanding Amount of Loans and L/C Obligations under such Tranche of the Lender acting as Swing Line Lender, may exceed the amount of such Lender's Revolving Credit Commitment under such Tranche; provided, however, that after giving effect to any Swing Line Loan, (i) the Total Revolving Credit Outstandings shall not exceed the Revolving Credit Facility and (ii) the aggregate Outstanding Amount of the Revolving Credit Loans of any Revolving Credit Lender under the applicable Tranche, plus such Revolving Credit Lender's Pro Rata Share of the Outstanding Amount of all L/C Obligations under such Tranche at such time, plus such Revolving Credit Lender's Pro Rata Share of the Outstanding Amount of all Swing Line Loans under such Tranche at such time shall not exceed such Revolving Credit Lender's Revolving Credit Commitment under such Tranche; provided, further, that the Borrowers shall not use the proceeds of any Swing Line Loan to refinance any outstanding Swing Line Loan. Within the foregoing limits, and subject to the other terms and conditions hereof, the Borrowers may borrow under this Section 2.04, prepay under Section 2.05, and reborrow under this Section 2.04. Each Swing Line Loan shall bear interest only at a rate based on the Base Rate. Immediately upon the making of a Swing Line Loan under any Tranche, each Revolving Credit Lender under such Tranche shall be deemed to, and hereby irrevocably and unconditionally agrees to, purchase from the Swing Line Lender a risk participation in such Swing Line Loan in an amount equal to such Revolving Credit Lender's Pro Rata Share of such Tranche multiplied by the amount of such Swing Line Loan.

(b) Borrowing Procedures. Each Swing Line Borrowing shall be made upon the irrevocable notice by the Borrower Representative (on behalf of the Borrowers) to the Swing Line Lender and the Administrative Agent, which notice may be by telephone. Each such notice must be received by the Swing Line Lender and the Administrative Agent not later than 1:00 p.m. (New York City time) on the requested borrowing date, and shall specify (i) the amount to be borrowed, which shall be a minimum of $100,000 or a whole multiple of $100,000 in excess thereof, (ii) the requested borrowing date, which shall be a Business Day and (iii) whether such borrowing is to be made under the Dollar Tranche or the Multicurrency Tranche. The Borrower Representative (on behalf of the Borrowers) shall deliver to the Swing Line Lender and the Administrative Agent a written Swing Line Loan Notice, appropriately completed and signed by a Responsible Officer of the Borrower Representative. Promptly after receipt by the Swing Line Lender of any Swing Line Loan Notice, the Swing Line Lender will confirm with the Administrative Agent that the Administrative Agent has also received such Swing Line Loan Notice and, if not, the Swing Line Lender will notify the Administrative Agent of the contents thereof. Unless the Swing Line Lender has received notice from the Administrative Agent (including at the request of any Revolving Credit Lender) prior to 1:00 p.m. (New York City time) on the date of the proposed Swing Line Borrowing (A) directing the Swing Line Lender not to make such Swing Line Loan as a result of the limitations set forth in the first proviso to the first sentence of Section 2.04(a) or (B) that one or more of the applicable conditions specified in Article IV is not then satisfied, then, subject to the terms and conditions hereof, the Swing Line Lender will, not later than 4:00 p.m. (New York City time) on the borrowing date specified in such Swing Line Loan Notice, make the amount of its Swing Line Loan available to the Borrowers. If no election as to the Tranche of Swing Line Loans is requested, such election shall be deemed to be made under the Dollar Tranche.

(c) Refinancing of Swing Line Loans. (i) The Swing Line Lender with respect to each Tranche at any time in its sole and absolute discretion may request, on behalf of the Borrowers (and the Borrowers hereby irrevocably authorize the Swing Line Lender to so request on their behalf), that each Revolving Credit Lender of the applicable Tranche make a Base Rate Loan in an amount equal to such Lender's Pro Rata Share of the amount of

Swing Line Loans under the Dollar Tranche or the Multicurrency Tranche, as applicable, then outstanding. Such request shall be made in writing (which written request shall be deemed to be a Committed Loan Notice for purposes hereof) and in accordance with the requirements of Section 2.02, without regard to the minimum and multiples specified therein for the principal amount of Base Rate Loans, but subject to the unutilized portion of the Revolving Credit Facility and the conditions set forth in Section 4.02. The Swing Line Lender shall furnish the Borrower Representative and the Borrowers with a copy of the applicable Committed Loan Notice promptly after delivering such notice to the Administrative Agent. Each Revolving Credit Lender of the applicable Tranche shall make an amount equal to its Pro Rata Share of the amount specified in such Committed Loan Notice available to the Administrative Agent in immediately available funds (and the Administrative Agent may apply Cash Collateral available with respect to the applicable Swing Line Loan) for the account of the Swing Line Lender at the Administrative Agent's Office not later than 1:00 p.m. (New York City time) on the day specified in such Committed Loan Notice, whereupon, subject to Section 2.04(c)(ii), each Revolving Credit Lender that so makes funds available shall be deemed to have made a Base Rate Loan to the Borrowers in such amount. The Administrative Agent shall remit the funds so received to the Swing Line Lender.

(ii) If for any reason any Swing Line Loan cannot be refinanced by such a Revolving Credit Borrowing in accordance with Section 2.04(c)(i), the request for Base Rate Loans submitted by the Swing Line Lender as set forth herein shall be deemed to be a request by the Swing Line Lender that each of the Revolving Credit Lenders of the applicable Tranche fund its risk participation in the relevant Swing Line Loan and each Revolving Credit Lender's payment to the Administrative Agent for the account of the Swing Line Lender pursuant to Section 2.04(c)(i) shall be deemed payment in respect of such participation.

(iii) If any Revolving Credit Lender fails to make available to the Administrative Agent for the account of the Swing Line Lender any amount required to be paid by such Lender pursuant to the foregoing provisions of this Section 2.04(c) by the time specified in Section 2.04(c)(i), the Swing Line Lender shall be entitled to recover from such Lender (acting through the Administrative Agent), on demand, such amount with interest thereon for the period from the date such payment is required to the date on which such payment is immediately available to the Swing Line Lender at a rate per annum equal to the greater of the applicable Overnight Rate from time to time in effect and a rate reasonably determined by the Swing Line Lender in accordance with banking industry rules on interbank compensation, plus any reasonable administrative, processing or similar fees customarily charged by the Swing Line Lender in connection with the foregoing. If such Lender pays such amount (with interest and fees as aforesaid) the amount so paid shall constitute such Lender's committed Loan included in the relevant committed Borrowing or funded participation in the relevant Swing Line Loan, as the case may be. A certificate of the Swing Line Lender submitted to any Lender (through the Administrative Agent) with respect to any amounts owing under this clause (iii) shall be conclusive absent manifest error.

(iv) Each Revolving Credit Lender's obligation to make Revolving Credit Loans or to purchase and fund risk participations in Swing Line Loans pursuant to this Section 2.04(c) shall be absolute and unconditional and shall not be affected by any circumstance, including (A) any setoff, counterclaim, recoupment, defense or other right which such Lender may have against the Swing Line Lender, the Borrowers or any other Person for any reason whatsoever, (B) the occurrence or continuance of a Default or (C) any other occurrence, event or condition, whether or not similar to any of the foregoing; provided, however, that each Revolving Credit Lender's obligation to make Revolving Credit Loans pursuant to this Section 2.04(c) is subject to the conditions set forth in Section 4.02. No such funding of risk participations shall relieve or otherwise impair the obligation of the Borrowers to repay Swing Line Loans, together with interest as provided herein.

(d) Repayment of Participations. (i) At any time after any Revolving Credit Lender under any Tranche has purchased and funded a risk participation in a Swing Line Loan, if the Swing Line Lender receives any payment on account of such Swing Line Loan under such Tranche, the Swing Line Lender will distribute to such Lender its Pro Rata Share of such payment (appropriately adjusted, in the case of interest payments, to reflect the period of time during which such Lender's risk participation was funded) in the same funds as those received by the Swing Line Lender.

(ii) If any payment received by the Swing Line Lender in respect of principal or interest on any Swing Line Loan under any Tranche is required to be returned by the Swing Line Lender under any of the circumstances described in Section 10.06 (including pursuant to any settlement entered into by the Swing Line Lender in its discretion),

each Revolving Credit Lender under such Tranche shall pay to the Swing Line Lender its Pro Rata Share thereof on demand of the Administrative Agent, plus interest thereon from the date of such demand to the date such amount is returned, at a rate per annum equal to the applicable Overnight Rate. The Administrative Agent will make such demand upon the request of the Swing Line Lender. The obligations of the Lenders under this clause shall survive the payment in full of the Obligations and the termination of this Agreement.

(e) Interest for Account of Swing Line Lender. The Swing Line Lender shall be responsible for invoicing the Borrowers for interest on the Swing Line Loans. Until each Revolving Credit Lender under the applicable Tranche funds its Base Rate Loan or risk participation pursuant to this Section 2.04 to refinance such Lender's Pro Rata Share of any Swing Line Loan made under such Tranche, interest in respect of such Pro Rata Share shall be solely for the account of the Swing Line Lender.

(f) Payments Directly to Swing Line Lender. The Borrowers shall make all payments of principal and interest in respect of the Swing Line Loans directly to the Swing Line Lender.

(g) Extended Revolving Credit Commitments. If the Maturity Date shall have occurred in respect of any Tranche of Revolving Credit Commitments at a time when another tranche or tranches of Revolving Credit Commitments is or are in effect with a longer Maturity Date, then on the earliest occurring Maturity Date all then outstanding Swing Line Loans shall be repaid in full on such date (and there shall be no adjustment to the participations in such Swing Line Loans as a result of the occurrence of such Maturity Date); provided, however, that if on the occurrence of such earliest Maturity Date (after giving effect to any repayments of Revolving Credit Loans and any reallocation of Letter of Credit participations as contemplated in Section 2.03(m)), no Default then exists or would result therefrom and there shall exist sufficient unutilized Revolving Credit Commitments in effect with a longer Maturity Date so that the respective outstanding Swing Line Loans could be incurred pursuant the such Revolving Credit Commitments which will remain in effect after the occurrence of such Maturity Date, then there shall be an automatic adjustment on such date of the participations in such Swing Line Loans and same shall be deemed to have been incurred solely pursuant to the relevant Revolving Credit Commitments in effect with a longer Maturity Date, and such Swing Line Loans shall not be so required to be repaid in full on such earliest Maturity Date.

Section 2.05 Prepayments.

(a) Optional. (i) The Borrowers may, upon notice by the Borrower Representative (on behalf of the Borrowers) substantially in the form of Exhibit M-1 to the Administrative Agent, at any time or from time to time voluntarily prepay Loans in whole or in part without premium or penalty except as set forth in Section 2.05(a)(iv) below; provided that (1) such notice must be received by the Administrative Agent not later than 12:00 p.m. (New York City time in the case of Loans denominated in Dollars, or Local Time in the case of Loans denominated in an Alternative Currency) (A) three Business Days prior to any date of prepayment of Eurocurrency Rate Loan and (B) one Business Day prior to any date of prepayment of Base Rate Loans; (2) any prepayment of Eurocurrency Rate Loans shall be in a principal Dollar Amount of $5,000,000 or a whole multiple of the Dollar Amount of $1,000,000 in excess thereof; and (3) any prepayment of Base Rate Loans shall be in a principal amount of $1,000,000 or a whole multiple of the Dollar Amount of $100,000 in excess thereof or, in each case, if less, the entire principal amount thereof then outstanding (it being understood that Base Rate Loans shall be denominated in Dollars only). Each such notice shall specify the date and amount of such prepayment, the Tranche of Loans to be prepaid, the Type(s) of Loans to be prepaid and, if Eurocurrency Rate Loans are to be prepaid, the Interest Period(s) of such Loans (except that if the class of Loans to be prepaid includes both Base Rate Loans and Eurocurrency Rate Loans, absent direction by the Borrower Representative (on behalf of the Borrowers), the applicable prepayment shall be applied first to Base Rate Loans to the full extent thereof before application to Eurocurrency Rate Loans, in each case in a manner that minimizes the amount payable by the Borrowers in respect of such prepayment pursuant to Section 3.06). The Administrative Agent will promptly notify each Lender of its receipt of each such notice, and of the amount of such Lender's ratable portion of such prepayment (based on such Lender's ratable share of the relevant Facility or, in the case of the Revolving Credit Facility, Tranche of Loans). If such notice is given by the Borrower Representative (on behalf of the Borrowers), subject to clause (iii) below, the Borrowers shall make such prepayment and the payment amount specified in such notice shall be due and payable on the date specified therein. Any prepayment of a Eurocurrency Rate Loan shall be accompanied by all accrued interest thereon, together with any additional amounts required pursuant to Section 2.05(a)(iv) and Section 3.06. Each prepayment of the principal of, and interest on, any Revolving Credit Loans denominated in an Alternative Currency shall be made in the relevant

Alternative Currency (even if the Borrowers are required to convert currency to do so). Subject to Section 2.19, each prepayment of outstanding Term Loan Tranches pursuant to this Section 2.05(a) shall be applied to such Term Loan Tranche on a pro rata basis (or, if agreed to in writing by the Majority Lenders of a Term Loan Tranche, in a manner that provides for more favorable prepayment treatment of other Term Loan Tranches, so long as each other such Term Loan Tranche receives its Pro Rata Share of any amount to be applied more favorably, except to the extent otherwise agreed by the Majority Lenders of each Term Loan Tranche receiving less than such Pro Rata Share) (other than a prepayment of Term Loans with the proceeds of (x) Indebtedness incurred pursuant to Section 2.20 or (y) any Refinancing Notes issued to the extent permitted under Section 7.03(b), which, in each case, shall be applied to the Term Loan Tranche being refinanced pursuant thereto). All voluntary prepayments of a Term Loan Tranche in accordance with this Section 2.05(a) shall be applied to the remaining amortization payments of the respective Term Loan Tranche as directed by the Borrowers (or, if the Borrowers have not made such designation, in direct order of maturity); and each such prepayment shall be paid to the Appropriate Lenders on a pro rata basis, except as set forth above.

(ii) The Borrowers may, upon notice by the Borrower Representative (on behalf of the Borrowers) to the Swing Line Lender substantially in the form of Exhibit M-2 (with a copy to the Administrative Agent), at any time or from time to time, voluntarily prepay Swing Line Loans in whole or in part without premium or penalty; provided that (A) such notice must be received by the Swing Line Lender and the Administrative Agent not later than 12:00 p.m. (New York City time) on the date of the prepayment and (B) any such prepayment shall be in a minimum principal amount of $100,000 or a whole multiple of $100,000 in excess thereof or, if less, the entire principal amount thereof then outstanding. Each such notice shall specify the date, the applicable Tranche and amount of such prepayment. If such notice is given the Borrower Representative (on behalf of the Borrowers), subject to clause (iii) below, the Borrowers shall make such prepayment and the payment amount specified in such notice shall be due and payable on the date specified therein.

(iii) Notwithstanding anything to the contrary contained in this Agreement, any notice of prepayment under Section 2.05(a)(i) or (a)(ii) may state that it is conditioned upon the occurrence or non-occurrence of any event specified therein (including the effectiveness of other credit facilities), in which case such notice may be revoked by the applicable Borrowers (by written notice to the Administrative Agent on or prior to the specified effective date) if such condition is not satisfied.

(iv) If any applicable Borrower, in connection with, or resulting in, any Repricing Event (A) makes a voluntary prepayment of any Initial Term Loans pursuant to Section 2.05(a), (B) makes a repayment of any Initial Term Loans pursuant to Section 2.05(b)(iii) or (C) effects any amendment with respect to the Initial Term loans, in each case, on or prior to the one year anniversary of the Closing Date, the applicable Borrower(s) shall pay to the Administrative Agent, for the ratable account of the applicable Term Lenders (x) with respect to clauses (A) and (B), a prepayment premium in an amount equal to 1.00% of the principal amount of Term Loans prepaid or repaid and (y) with respect to clause (C), a prepayment premium in an amount equal to 1.00% of the principal amount of the affected Term Loans held by the Term Lenders consenting to such amendment.

(b) Mandatory. (i) Within ten Business Days after financial statements have been delivered pursuant to Section 6.01(a) and the related Compliance Certificate has been delivered pursuant to Section 6.02(b) (or, if later, the date on which such financial statements and such Compliance Certificate are required to be delivered), the Borrowers shall prepay an aggregate principal amount of Term Loans in an amount equal to (A) 50% (as may be adjusted pursuant to the proviso below) of Excess Cash Flow for the fiscal year covered by such financial statements commencing with the fiscal year ending on December 31, 2014 , minus (B) the sum of (1) the aggregate amount of voluntary principal prepayments of the Loans (except prepayments of (x) Swing Line Loans and (y) Loans under any Revolving Tranche that are not accompanied by a corresponding permanent commitment reduction of the Revolving Tranches and Loans repurchased pursuant to Dutch Auctions or open market purchases in an amount equal to the discounted purchase price of such Loans paid in respect of such Loans pursuant to such Dutch Auctions or through open market purchases), in each case other than to the extent that any such prepayment is funded with the proceeds of Specified Refinancing Debt, Refinancing Notes or any other long-term Indebtedness and (2) any amount not required to be applied pursuant to Section 2.05(b)(viii); provided that such percentage in respect of any Excess Cash Flow Period shall be reduced to 25% or 0% if the First Lien Net Leverage Ratio as of the last day of the fiscal year to which such Excess Cash Flow Period relates was less than 4.25:1.00 or 3.50:1.00, respectively.

(ii) (A) If (x) the Dutch Borrower or any Restricted Subsidiary Disposes of any property or assets (other than any Disposition (1) to a Loan Party or (2) by a Restricted Subsidiary that is not a Loan Party to another Restricted Subsidiary that is not a Loan Party) pursuant to Section 7.05(e), (m), (n), (p), (s), or (t), or (y) any Casualty Event occurs, and any transaction or series of related transactions described in the foregoing clauses (x) and (y) results in the receipt by the Dutch Borrower or such Restricted Subsidiary of aggregate Net Cash Proceeds in excess of $25,000,000 in any fiscal year (any such transaction or series of related transactions resulting in Net Cash Proceeds being a "Relevant Transaction"), (1) the Borrower Representative (on behalf of the Borrowers) shall give written notice to the Administrative Agent thereof promptly after the date of receipt of such Net Cash Proceeds and (2) except to the extent the Borrowers elect in such notice to reinvest all or a portion of such Net Cash Proceeds in accordance with Section 2.05(b)(ii)(B), the Borrowers shall prepay, subject to Section 2.05(b)(viii) an aggregate principal amount of Term Loans in an amount equal to all Net Cash Proceeds received from such Relevant Transaction within 15 Business Days of receipt thereof by the Dutch Borrower or such Restricted Subsidiary; provided that the Borrowers may use a portion of the Net Cash Proceeds received from such Relevant Transaction to prepay or repurchase any other Indebtedness that is secured by the Collateral on a first lien "equal and ratable" basis with Liens securing the Obligations to the extent such other Indebtedness and the Liens securing the same are permitted hereunder and the documentation governing such other Indebtedness requires such a prepayment or repurchase thereof with the proceeds of such Relevant Transaction, to the extent not deducted in the calculation of Net Cash Proceeds, in each case in an amount not to exceed the product of (1) the amount of such Net Cash Proceeds and (2) a fraction, the numerator of which is the outstanding principal amount of such other Indebtedness (or to the extent such amount is not in Dollars, such equivalent amount of such Indebtedness converted into Dollars as determined in accordance with Section 1.10) and the denominator of which is the aggregate outstanding principal amount of Term Loans and such other Indebtedness (or to the extent such amount is not in Dollars, such equivalent amount of such Indebtedness converted into Dollars as determined in accordance with Article I).

(B) With respect to any Net Cash Proceeds realized or received with respect to any Relevant Transaction at the option of the Borrowers, the Borrowers may reinvest all or any portion of such Net Cash Proceeds in the business within 365 days following receipt of such Net Cash Proceeds (or, if the Dutch Borrower or the relevant Restricted Subsidiary, as applicable, has contractually committed within 365 days following receipt of such Net Cash Proceeds to reinvest such Net Cash Proceeds, then within 545 days following receipt of such Net Cash Proceeds); provided, however, that if any of such Net Cash Proceeds are no longer intended to be so reinvested at any time after the occurrence of the Relevant Transaction (or are not reinvested within such 365 days or 545 days, as applicable), an amount equal to any such Net Cash Proceeds shall be promptly applied to the prepayment of Term Loans (subject to the proviso set forth in clause (A) above) as set forth in this Section 2.05.

(iii) (A) Upon the incurrence or issuance by the Dutch Borrower or any Restricted Subsidiary of any Refinancing Notes, any Specified Refinancing Term Loans or any Indebtedness not expressly permitted to be incurred or issued pursuant to Section 7.03, the Borrowers shall prepay an aggregate principal amount of Term Loan Tranches in an amount equal to 100% of all Net Cash Proceeds received therefrom immediately upon receipt thereof by the Dutch Borrower or such Restricted Subsidiary.

(B) Without duplication, upon the receipt by the Dutch Borrower or any Restricted Subsidiary of Net Cash Proceeds of the type described in clause (d) of the definition of "Net Cash Proceeds," the Borrowers shall immediately apply such proceeds to the prepayment of Term Loan Tranches as set forth in this Section 2.05.

(iv) Upon the incurrence by the Dutch Borrower or any Restricted Subsidiary of any Specified Refinancing Debt constituting revolving credit facilities, the Borrowers shall prepay an aggregate principal amount of the Tranche of Revolving Credit Loans in an amount equal to 100% of all Net Cash Proceeds received therefrom immediately upon receipt thereof by the Dutch Borrower or such Restricted Subsidiary.

(v) If for any reason the sum of the Total Revolving Credit Outstandings under any Tranche and the outstanding Specified Refinancing Revolving Loans at any time exceed the sum of the Revolving Tranches then in effect (including after giving effect to any reduction in the Revolving Credit Commitments pursuant to Section 2.06), the Borrowers shall immediately prepay Revolving Tranches and/or Cash Collateralize the L/C Obligations in an aggregate amount equal to such excess; provided, however, that the Borrowers shall not be required to Cash Collateralize the L/C Obligations pursuant to this Section 2.05(b)(v) unless after the prepayment in full of the Revolving Tranches and Swing Line Loans the sum of the Total Revolving Credit Outstandings and the outstanding Specified Refinancing Revolving Loans exceed the aggregate Revolving Credit Commitments under such Tranche and commitments to make Specified Refinancing Revolving Loans then in effect.

(vi) Subject to Section 2.19, each prepayment of Term Loans pursuant to this Section 2.05(b) shall be applied to each Term Loan Tranche on a pro rata basis (or, if agreed to in writing by the Majority Lenders of a Term Loan Tranche, in a manner that provides for more favorable prepayment treatment of other Term Loan Tranches, so long as each other such Term Loan Tranche receives its Pro Rata Share of any amount to be applied more favorably, except to the extent otherwise agreed by the Majority Lenders of each Term Loan Tranche receiving less than such Pro Rata Share) (other than a prepayment of (x) Term Loans or Revolving Loans, as applicable, with the proceeds of Indebtedness incurred pursuant to Section 2.20, which shall be applied to the Term Loan Tranche or Revolving Tranche, as applicable, being refinanced pursuant thereto or (y) Term Loans with the proceeds of any Refinancing Notes issued to the extent permitted under Section 7.03(b)(i), which shall be applied to the Term Loan Tranche being refinanced pursuant thereto). Amounts to be applied to a Term Loan Tranche in connection with prepayments made pursuant to this Section 2.05(b) shall be applied to the remaining scheduled installments with respect to such Term Loan Tranche in direct order of maturity. Each prepayment of Term Loans under a Facility pursuant to this Section 2.05(b) shall be applied on a pro rata basis to the then outstanding Base Rate Loans and Eurocurrency Rate Loans under such Facility; provided that, if there are no Declining Lenders with respect to such prepayment, then the amount thereof shall be applied first to Base Rate Loans under such Facility to the full extent thereof before application to Eurocurrency Rate Loans, in each case in a manner that minimizes the amount payable by the Borrowers in respect of such prepayment pursuant to Section 3.06.

(vii) All prepayments under this Section 2.05 shall be made together with, in the case of any such prepayment of a Eurocurrency Rate Loan on a date other than the last day of an Interest Period therefor, any amounts owing in respect of such Eurocurrency Rate Loan pursuant to Section 3.06 and, to the extent applicable, any additional amounts required pursuant to Section 2.05(a)(iv). Notwithstanding any of the other provisions of this Section 2.05(b), so long as no Event of Default shall have occurred and be continuing, if any prepayment of Eurocurrency Rate Loans is required to be made under this Section 2.05(b), other than on the last day of the Interest Period therefor, either Borrower may, in its sole discretion, deposit the amount of any such prepayment otherwise required to be made thereunder into a Cash Collateral account until the last day of such Interest Period, at which time the Administrative Agent shall be authorized (without any further action by or notice to or from the Borrower or any other Loan Party) to apply such amount to the prepayment of such Loans in accordance with this Section 2.05(b). Upon the occurrence and during the continuance of any Event of Default, the Administrative Agent shall also be authorized (without any further action by or notice to or from the Borrower or any other Loan Party) to apply such amount to the prepayment of the outstanding Loans in accordance with this Section 2.05(b).

(viii) Notwithstanding any other provisions of this Section 2.05, to the extent that any or all of the Net Cash Proceeds of any Disposition by a Foreign Subsidiary (a "Foreign Disposition") or the Net Cash Proceeds of any Casualty Event from a Foreign Subsidiary (a "Foreign Casualty Event"), in each case giving rise to a prepayment event pursuant to Section 2.05(b)(ii), or Excess Cash Flow giving rise to a prepayment event pursuant to Section 2.05(b)(i) are or is prohibited, restricted or delayed by applicable local law from being repatriated to the United States or the Netherlands, (A) the portion of such Net Cash Proceeds or Excess Cash Flow so affected will not be required to be applied to repay Term Loans at the times provided in this Section 2.05 but may be retained by the applicable Foreign Subsidiary so long, but only so long, as the applicable local law will not permit repatriation to the United States or the Netherlands (the Borrowers hereby agreeing to use commercially reasonable efforts to cause the applicable Foreign Subsidiary to promptly take all actions reasonably required by the applicable local law to permit such repatriation), and once such repatriation of any of such affected Net Cash Proceeds or Excess Cash Flow is permitted under the applicable local law, such repatriation will be immediately effected and such repatriated Net Cash Proceeds or Excess Cash Flow will be promptly (and in any event not later than two Business Days after such repatriation) applied (net of additional taxes payable or reserved against as a result thereof) to the repayment of the Loans pursuant to this Section 2.05 to the extent provided herein and (B) to the extent that the Borrower Representative has determined in good faith that repatriation of any or all of the Net Cash Proceeds of any Foreign Disposition, any Foreign Casualty Event or Excess Cash Flow would have a material adverse tax cost consequence (taking into account any foreign tax credit or benefit actually realized in connection with such repatriation) with respect to such Net Cash Proceeds or Excess Cash Flow, the Net Cash Proceeds or Excess Cash Flow so affected may be retained by the applicable Foreign Subsidiary, provided that, in the case of this clause (B), on or before the date on which any Net Cash Proceeds so retained would otherwise have been required to be applied to reinvestments or prepayments

pursuant to this Section 2.05 (or twelve months after the date such Excess Cash Flow would have been so required to be applied if it were Net Cash Proceeds), (x) the applicable Borrower shall apply an amount equal to such Net Cash Proceeds or Excess Cash Flow to such reinvestments or prepayments as if such Net Cash Proceeds or Excess Cash Flow had been received by the applicable Borrower rather than such Foreign Subsidiary, less the amount of additional taxes that would have been payable or reserved against if such Net Cash Proceeds or Excess Cash Flow had been repatriated (or, if less, the Net Cash Proceeds or Excess Cash Flow that would be calculated if received by such Foreign Subsidiary) or (y) such Net Cash Proceeds or Excess Cash Flow are applied to the repayment of Indebtedness of a Foreign Subsidiary, in each case, other than as mutually agreed by the Borrower Representative and the Administrative Agent.

(c) Term Lender Opt-Out. With respect to any prepayment of Initial Term Loans and, unless otherwise specified in the documents therefor, other Term Loan Tranches pursuant to Section 2.05(b)(ii) or (iii), any Appropriate Lender, at its option (but solely to the extent the Borrower elects for this clause (c) to be applicable to a given prepayment), may elect not to accept such prepayment as provided below. The Borrower Representative (on behalf of the Borrowers) may notify the Administrative Agent of any event giving rise to a prepayment under Section 2.05(b)(ii) or (iii) at least ten Business Days prior to the date of such prepayment. Each such notice shall specify the date of such prepayment and provide a reasonably detailed calculation of the amount of such prepayment that is required to be made under Section 2.05(b)(ii) or (iii) (the "Prepayment Amount"). The Administrative Agent will promptly notify each Appropriate Lender of the contents of any such prepayment notice so received from the Borrower Representative (on behalf of the Borrowers), including the date on which such prepayment is to be made (the "Prepayment Date"). Any Appropriate Lender may (but solely to the extent the Borrower elects for this clause (c) to be applicable to a given prepayment) decline to accept all (but not less than all) of its share of any such prepayment (any such Lender, a "Declining Lender") by providing written notice to the Administrative Agent no later than five Business Days after the date of such Appropriate Lender's receipt of notice from the Administrative Agent regarding such prepayment. If any Appropriate Lender does not give a notice to the Administrative Agent on or prior to such fifth Business Day informing the Administrative Agent that it declines to accept the applicable prepayment, then such Lender will be deemed to have accepted such prepayment. On any Prepayment Date, an amount equal to the Prepayment Amount minus the portion thereof allocable to Declining Lenders, in each case for such Prepayment Date, shall be paid to the Administrative Agent by the Borrowers and applied by the Administrative Agent ratably to prepay Term Loans under the Term Loan Tranches owing to Appropriate Lenders (other than Declining Lenders) in the manner described in Section 2.05(b) for such prepayment. Any amounts that would otherwise have been applied to prepay Term Loans, New Term Loans or Specified Refinancing Term Loans owing to Declining Lenders shall be retained by the Borrowers (such amounts, "Declined Amounts").

(d) All Loans shall be repaid, whether pursuant to this Section 2.05 or otherwise, in the currency in which they were made.

Section 2.06 Termination or Reduction of Commitments.

(a) Optional. The Borrowers may, upon written notice by the Borrower Representative (on behalf of the Borrowers) to the Administrative Agent, terminate the unused portions of the Commitments under any Term Loan Tranche, the Letter of Credit Sublimit, or the unused Revolving Credit Commitments under any Revolving Credit Tranche, or from time to time permanently reduce the unused portions of the Commitments under any Term Loan Tranche, the Letter of Credit Sublimit, or the unused Revolving Credit Commitments under any Revolving Credit Tranche; provided that (i) any such notice shall be received by the Administrative Agent five Business Days (or such shorter period as the Administrative Agent shall agree) prior to the date of termination or reduction, (ii) any such partial reduction shall be in an aggregate amount of $2,000,000 or any whole multiple of $500,000 in excess thereof and (iii) the Borrowers shall not terminate or reduce (A) the Commitments under any Tranche of the Revolving Credit Facility if, after giving effect thereto and to any concurrent prepayments hereunder, (x) the Total Revolving Credit Outstandings would exceed the Revolving Credit Facility or (y) the Total Revolving Credit Outstandings with respect to such Tranche would exceed the Revolving Credit Commitments under such Tranche, (B) the Letter of Credit Sublimit if, after giving effect thereto, the Outstanding Amount of L/C Obligations not fully Cash Collateralized hereunder would exceed the Letter of Credit Sublimit or (C) the Swing Line Sublimit if, after giving effect thereto and to any concurrent prepayments hereunder, the Outstanding Amount of Swing Line Loans would exceed the Swing Line Sublimit. Any such notice of termination or reduction of commitments pursuant to this Section 2.06(a) may state that it is conditioned upon the occurrence or non-occurrence of any event specified therein (including

the effectiveness of other credit facilities), in which case such notice may be revoked by the Borrower Representative (by written notice to the Administrative Agent on or prior to the specified effective date) if such condition is not satisfied.

(b) Mandatory. (i) The Aggregate Commitments under a Term Loan Tranche shall be automatically and permanently reduced to zero on the date of the initial incurrence of Term Loans under such Term Loan Tranche.

(ii) Upon the incurrence by any Borrower or any Restricted Subsidiary of any Specified Refinancing Debt constituting revolving credit facilities, the Revolving Credit Commitments of the Lenders of the Tranche of Revolving Credit Loans being refinanced shall be automatically and permanently reduced on a ratable basis by an amount equal to 100% of the Commitments under such revolving credit facilities.

(iii) If after giving effect to any reduction or termination of Revolving Credit Commitments under this Section 2.06, the Letter of Credit Sublimit or the Swing Line Sublimit exceeds the amount of the Revolving Credit Facility at such time, the Letter of Credit Sublimit or the Swing Line Sublimit, as the case may be, shall be automatically reduced by the amount of such excess.

(iv) The aggregate Revolving Credit Commitments with respect to the applicable Revolving Credit Facility shall automatically and permanently be reduced to zero on the Maturity Date with respect to such Revolving Credit Facility.

(c) Application of Commitment Reductions; Payment of Fees. The Administrative Agent will promptly notify the Lenders of the applicable Revolving Credit Facility of any termination or reduction of the Commitments under any Term Loan Tranche, the Letter of Credit Sublimit or the Revolving Credit Commitment under this Section 2.06. Upon any reduction of Commitments under a Facility or Tranche thereof, the Commitment of each Lender under such Facility or Tranche thereof shall be reduced by such Lender's ratable share of the amount by which such Facility or Tranche thereof is reduced (other than the termination of the Commitment of any Lender as provided in Section 3.07). All commitment fees accrued until the effective date of any termination of the Aggregate Commitments and unpaid, shall be paid on the effective date of such termination. For the avoidance of doubt, to the extent that any portion of the Revolving Credit Loans have been refinanced with one or more new revolving credit facilities constituting Specified Refinancing Debt, any prepayments of revolving Loans made pursuant to this Section 2.06 (other than any prepayments of revolving Loans made pursuant to Section 2.06(b)(ii)) shall be allocated ratably among the Revolving Tranches.

Section 2.07 Repayment of Loans.

(a) Initial Term Loans. The Borrowers shall repay to the Administrative Agent (i) for the ratable account of the Term B Lenders holding Initial Term B Loans the aggregate principal amount of all Initial Term B Loans outstanding and (ii) for the ratable account of the Euro Term Lenders holding Initial Euro Term Loans the aggregate principal amount of all Initial Euro Term Loans outstanding, in each case, in consecutive quarterly installments as follows (which installments shall, to the extent applicable, be reduced as a result of the application of prepayments in accordance with the order of priority set forth in Sections 2.05 and 2.06, or be increased as a result of any increase in the amount of Initial Term B Loans or Initial Euro Term Loans, as applicable, pursuant to Section 2.14 (such increased amortization payments to be calculated in the same manner (and on the same basis) as the schedule set forth below for the Initial Term B Loans or Initial Euro Term Loans, as applicable, made as of the Closing Date)):

Date	Amount
Each March 31, June 30, September 30 and December 31 ending prior to the Maturity Date for the Term Facilities starting with June 30, 2013	0.25% of the aggregate principal amount of the aggregate initial principal amount of the Initial Term B Loans or Initial Euro Term Loans, as applicable, on the Closing Date

Date	Amount
Maturity Date for the Term Facilities	all unpaid aggregate principal amounts of any outstanding Initial Term B Loans or Initial Euro Term Loans, as applicable

provided, however, that the final principal repayment installment of the Initial Term B Loans or Initial Euro Term Loans, as applicable, shall be repaid on the Maturity Date for the Initial Term Loans and in any event shall be in an amount equal to the aggregate principal amount of all Initial Term B Loans or Initial Euro Term Loans, as applicable, outstanding on such date.

(b) Revolving Credit Loans. The Borrowers shall repay to the Administrative Agent for the ratable account of the Appropriate Lenders on the applicable Maturity Date for the Revolving Credit Facilities of a given Tranche the aggregate principal amount of all of its Revolving Credit Loans of such Tranche outstanding on such date.

(c) Swing Line Loans. The Borrowers shall repay each Swing Line Loan on the earlier to occur of (i) the date five Business Days after such Loan is made and (ii) the Maturity Date for the Revolving Credit Facility. At any time that there shall exist a Defaulting Lender, immediately upon the request of the Swing Line Lender, the Borrowers shall repay Swing Line Loans in an amount sufficient to eliminate any Fronting Exposure in respect of the Swing Line Loans.

(d) All Loans shall be repaid, whether pursuant to this Section 2.07 or otherwise, in the currency in which they were made.

Section 2.08 Interest.

(a) Subject to the provisions of Section 2.08(b), (i) each Eurocurrency Rate Loan under a Facility shall bear interest on the outstanding principal amount thereof for each Interest Period at a rate per annum equal to the sum of (A) the Adjusted Eurocurrency Rate applicable to the currency in which such Eurocurrency Rate Loan is incurred for such Interest Period plus (B) the Applicable Rate for Eurocurrency Rate Loans under such Facility; (ii) each Base Rate Loan under a Facility shall bear interest on the outstanding principal amount thereof from the applicable borrowing date or conversion date, as the case may be, at a rate per annum equal to the sum of (A) the Base Rate plus (B) the Applicable Rate for Base Rate Loans under such Facility; and (iii) each Swing Line Loan shall bear interest on the outstanding principal amount thereof from the applicable borrowing date at a rate per annum equal to the sum of (A) the Base Rate plus (B) the Applicable Rate for Base Rate Loans under the Revolving Credit Facility. Each Revolving Credit Loan denominated in an Alternative Currency shall be a Eurocurrency Rate Loan.

(b) The Borrowers shall pay interest on all overdue Obligations hereunder, which shall include all Obligations following an acceleration pursuant to Section 8.02 (including an automatic acceleration) at a fluctuating interest rate per annum at all times equal to the Default Rate to the fullest extent permitted by applicable Laws. Accrued and unpaid interest on past due amounts (including interest on past due interest) shall be due and payable upon demand.

(c) Accrued interest on each Loan shall be due and payable in arrears on each Interest Payment Date applicable thereto and at such other times as may be specified herein; provided that in the event of any repayment or prepayment of any Loan (other than Revolving Credit Loans bearing interest based on the Base Rate that are repaid or prepaid without any corresponding termination or reduction of the Revolving Credit Commitments other than as set forth in Section 2.14(e)), accrued interest on the principal amount repaid or prepaid shall be payable on the date of such repayment or prepayment. Interest hereunder shall be due and payable in accordance with the terms hereof before and after judgment, and before and after the commencement of any proceeding under any Debtor Relief Law.

(d) Interest on each Loan shall be payable in the currency in which each Loan was made.

(e) All computations of interest hereunder shall be made in accordance with Section 2.10 of this Agreement.

(f) The parties hereto have assumed that interest at such rates is not and will not become subject to Swiss Withholding Tax (*Verrechnungssteuer*). Notwithstanding that the parties hereto do not anticipate that any payment of interest will be subject to Swiss Withholding Tax, each Lender, each Borrower, each Guarantor and the Administrative Agent agree that if Swiss Withholding Tax is imposed on or in respect of any interest payment by the Borrowers or the Guarantors to any Lender and it is unlawful for any reason for the Borrowers or the Guarantors to comply with Section 3.01 when it would otherwise be required to make any payment under such Section, then any payment of interest to be made by the Borrowers or Guarantors to such Lender shall be increased to an amount which (after making any deduction of the Non-refundable Portion of Swiss Withholding Tax (as defined below)) results in a payment to such Lender of an amount equal to the payment which would have been due had no deduction of Swiss Withholding Tax been required. In calculating the amount due pursuant to the foregoing sentence, Swiss Withholding Tax shall be calculated on the full grossed-up interest amount. For purposes of the foregoing, "Non-refundable Portion of Swiss Withholding Tax" means Swiss Withholding Tax at the standard rate (which, as of the date of this Agreement, is 35%) unless according to an applicable double tax treaty, the Non-refundable Portion of Swiss Withholding Tax for any Lender is a specified lower rate, in which case such lower rate shall be applied in relation to such Lender. No payment pursuant to this Section 2.08(f) shall be in duplication of any payment pursuant to Section 3.01.

Section 2.09 Fees. In addition to certain fees described in Sections 2.03(i) and (j):

(a) Commitment Fee. The Borrowers shall pay to the Administrative Agent for the account of each Revolving Credit Lender in accordance with its Pro Rata Share of each Tranche of the Revolving Credit Facility, a commitment fee in Dollars equal to the Applicable Commitment Fee multiplied by the actual daily amount by which the aggregate Revolving Credit Commitments under such Tranche exceed the sum of (A) the Outstanding Amount of Revolving Credit Loans under such Tranche (which, for the avoidance of doubt, shall not include the Outstanding Amount of any Swing Line Loans) and (B) the Outstanding Amount of L/C Obligations under such Tranche, subject to adjustment as provided in Section 2.19. The commitment fee shall accrue at all times from the Closing Date until the Maturity Date for the Revolving Credit Facility, and shall be due and payable quarterly in arrears on the last Business Day of each March, June, September and December, commencing with the last Business Day of the first full fiscal quarter to end following the Closing Date, and on the Maturity Date for the Revolving Credit Facility.

(b) Other Fees. (i) The Borrowers shall pay to the Arrangers and the Administrative Agent for their own respective accounts fees in the amounts and at the times specified in the Fee Letter.

(ii) The Borrowers shall pay to the Lenders such fees as shall have been separately agreed upon in writing in the amounts and at the times so specified.

Section 2.10 Computation of Interest and Fees; Retroactive Adjustments of Applicable Rate.

(a) All computations of interest for (i) Base Rate Loans based on the Prime Lending Rate and (ii) Eurocurrency Rate Loans denominated in Australian Dollars, Canadian Dollars and Pounds Sterling shall be made on the basis of a year of 365 or 366 days, as the case may be, and actual days elapsed. All other computations of fees and interest shall be made on the basis of a 360-day year and actual days elapsed (which results in more fees or interest, as applicable, being paid than if computed on the basis of a 365-day year). Interest shall accrue on each Loan for the day on which the Loan is made, and shall not accrue on a Loan, or any portion thereof, for the day on which the Loan or such portion is paid; provided that any Loan that is repaid on the same day on which it is made shall, subject to Section 2.12(a), bear interest for one day. Each determination by the Administrative Agent of an interest rate or fee hereunder shall be conclusive and binding for all purposes, absent manifest error.

(b) If, as a result of any restatement of or other adjustment to the financial statements of the Dutch Borrower or for any other reason, the Borrower Representative or the Lenders determine that (i) the First Lien Net Leverage Ratio as calculated by the Borrower Representative as of any applicable date was inaccurate and (ii) a proper calculation of such ratio would have resulted in higher interest for any period, the Borrowers shall be obligated to pay to the Administrative Agent for the account of the applicable Lenders or the applicable L/C Issuer, as the case may be, promptly on demand by the Administrative Agent (or, after the occurrence of an actual or deemed entry of an order for relief with respect to any Borrower under the Bankruptcy Code of the United States, automatically and

with any such demand by the Administrative Agent being excused), an amount equal to the excess of the amount of interest that should have been paid for such period over the amount of interest actually paid for such period. This paragraph shall not limit the rights of the Administrative Agent, any Lender or the applicable L/C Issuer, as the case may be, under Section 2.03(d)(iii), Section 2.03(i) or (j), Section 2.08(b) or under Article VIII. The Borrowers' obligations under this Section 2.10(b) shall survive the termination of the Aggregate Commitments and acceleration of the Loans pursuant to Section 8.02 and the repayment of all other Obligations after an acceleration of the Loans pursuant to Sections 8.02. Except in any case where a demand is excused as provided above, any additional interest under this Section 2.10(b) shall not be due and payable until a demand is made for such payment by the Administrative Agent and accordingly, any nonpayment of such interest or fees as result of any such inaccuracy shall not constitute a Default (whether retroactively or otherwise), and none of such additional amounts shall be deemed overdue or accrue interest at the Default Rate, in each case at any time prior to the date that is five Business Days following such demand.

Section 2.11 Evidence of Indebtedness.

(a) The Credit Extensions made by each Lender shall be evidenced by one or more accounts or records maintained by such Lender and evidenced by one or more entries in the Register maintained by the Administrative Agent, acting solely for purposes of Treasury Regulation Section 5f.103-1(c), as a non-fiduciary agent for the Borrowers, in each case in the ordinary course of business. The accounts or records maintained by the Administrative Agent and each Lender shall be prima facie evidence absent manifest error of the amount of the Credit Extensions made by the Lenders to the Borrowers and the interest and payments thereon. Any failure to so record or any error in doing so shall not, however, limit the obligation of the Borrowers hereunder to pay any amount owing with respect to the Obligations. In the event of any conflict between the accounts and records maintained by any Lender and the accounts and records of the Administrative Agent in respect of such matters, the accounts and records of the Administrative Agent shall control in the absence of manifest error. Upon the request of any Lender made through the Administrative Agent, the Borrowers shall execute and deliver to such Lender (through the Administrative Agent) a Note payable to such Lender, which shall evidence such Lender's Loans in addition to such accounts or records. Each Lender may attach schedules to its Note and endorse thereon the date, Type (if applicable), amount and maturity of its Loans and payments with respect thereto.

(b) In addition to the accounts and records referred to in Section 2.11(a), each Lender and the Administrative Agent shall maintain in accordance with its usual practice accounts or records and, in the case of the Administrative Agent, entries in the Register, evidencing the purchases and sales by such Lender of participations in Letters of Credit and Swing Line Loans. In the event of any conflict between the accounts and records maintained by the Administrative Agent and the accounts and records of any Lender in respect of such matters, the accounts and records of the Administrative Agent shall control in the absence of manifest error.

(c) Entries made in good faith by the Administrative Agent in the Register pursuant to Sections 2.11(a) and (b), and by each Lender in its accounts or records pursuant to Sections 2.11(a) and (b), shall be prima facie evidence of the amount of principal and interest due and payable or to become due and payable from the Borrowers to, in the case of the Register, each Lender and, in the case of such accounts or records, such Lender, under this Agreement and the other Loan Documents, absent manifest error; provided that the failure of the Administrative Agent or such Lender to make an entry, or any finding that an entry is incorrect, in the Register or such accounts or records shall not limit the obligations of the Borrowers under this Agreement and the other Loan Documents.

Section 2.12 Payments Generally; Administrative Agent's Clawback.

(a) General. All payments to be made by the Borrowers shall be made without condition or deduction for any counterclaim, defense, recoupment or setoff. Except as otherwise expressly provided herein and except with respect to payments in an Alternative Currency, all payments by the Borrowers hereunder shall be made to the Administrative Agent, for the account of the respective Lenders to which such payment is owed, at the Administrative Agent's Office in Dollars and in immediately available funds not later than 12:00 p.m. (New York City time) on the date specified herein. Except as otherwise expressly provided herein, all payments by any Borrower hereunder in an Alternative Currency shall be made to the Administrative Agent, for the account of the respective Lenders to which such payment is owed, at the applicable Administrative Agent's Office in such Alternative Currency and in Same Day Funds not later than 2:00 p.m. (Local Time) on the dates specified herein. If, for any reason, any Borrower is

prohibited by any Law from making any required payment hereunder in an Alternative Currency, such Borrower shall make such payment in Dollars in the Dollar Amount of the Alternative Currency payment amount. The Administrative Agent will promptly distribute to each Lender its ratable share in respect of the relevant Facility or Tranche thereof (or other applicable share as provided herein) of such payment in like funds as received by wire transfer to such Lender's Lending Office. All payments received by the Administrative Agent (i) after 12:00 p.m. (New York City time) in the case of payments in Dollars or (ii) after 2:00 p.m. (Local Time) in the case of payments in an Alternative Currency, shall, in each case, be deemed received on the next succeeding Business Day and any applicable interest or fee shall continue to accrue. If any payment to be made by the Borrowers shall come due on a day other than a Business Day, payment shall be made on the next following Business Day, and such extension of time shall be reflected in computing interest or fees, as the case may be; provided, however, that, if such extension would cause payment of interest on or principal of Eurocurrency Rate Loans to be made in the next succeeding calendar month, such payment shall be made on the immediately preceding Business Day.

(b) (i) Funding by Lenders; Presumption by Administrative Agent. Unless the Administrative Agent shall have received notice from a Lender prior to the proposed date of any Borrowing of Eurocurrency Rate Loans (or, in the case of any Borrowing of Base Rate Loans, prior to 12:00 p.m. (New York City time) on the date of such Borrowing) that such Lender will not make available to the Administrative Agent such Lender's share of such Borrowing, the Administrative Agent may assume that such Lender has made such share available on such date in accordance with and at the time required by Section 2.02(b) and may, in reliance upon such assumption, make available to the Borrowers a corresponding amount. In such event, if any Lender does not in fact make its share of the applicable Borrowing available to the Administrative Agent, then such Lender and the Borrowers severally agree to pay to the Administrative Agent forthwith on demand an amount equal to such applicable share in immediately available funds with interest thereon, for each day from and including the date such amount is made available to the Borrowers by the Administrative Agent to but excluding the date of payment to the Administrative Agent, at (A) in the case of a payment to be made by such Lender, the greater of the applicable Overnight Rate and a rate reasonably determined by the Administrative Agent in accordance with banking industry rules on interbank compensation, plus any reasonable administrative, processing or similar fees customarily charged by the Administrative Agent in connection with the foregoing and (B) in the case of a payment to be made by the Borrowers, the interest rate applicable to Base Rate Loans. If both the Borrowers and such Lender pay such interest to the Administrative Agent for the same or an overlapping period, the Administrative Agent shall promptly remit to the Borrowers the amount of such interest paid by the Borrowers for such period. If such Lender pays its share of the applicable Borrowing to the Administrative Agent, then the amount so paid (less interest and fees) shall constitute such Lender's Loan included in such Borrowing. Any payment by the Borrowers shall be without prejudice to any claim the Borrowers may have against a Lender that shall have failed to make its share of any Borrowing available to the Administrative Agent.

(ii) Payments by the Borrowers; Presumptions by Administrative Agent. Unless the Administrative Agent shall have received notice from the Borrower Representative (on behalf of the Borrowers) prior to the date on which any payment is due to the Administrative Agent for the account of the Lenders or an L/C Issuer hereunder that the Borrowers will not make such payment, the Administrative Agent may assume that the Borrowers have made such payment on such date in accordance herewith and may, in reliance upon such assumption, distribute to the Appropriate Lenders or the applicable L/C Issuer, as the case may be, the amount due. In such event, if the Borrowers do not in fact make such payment, then each of the Appropriate Lenders or the applicable L/C Issuer, as the case may be, severally agrees to repay to the Administrative Agent forthwith on demand the amount so distributed to such Lender or such L/C Issuer, in immediately available funds with interest thereon, for each day from and including the date such amount is distributed by the Administrative Agent to but excluding the date of payment to the Administrative Agent, at the greater of the applicable Overnight Rate and a rate reasonably determined by the Administrative Agent in accordance with banking industry rules on interbank compensation, plus any reasonable administrative, processing or similar fees customarily charged by the Administrative Agent in connection with the foregoing.

A notice of the Administrative Agent to any Lender or the Borrowers with respect to any amount owing under this Section 2.12(b) shall be conclusive, absent manifest error.

(c) Failure to Satisfy Conditions Precedent. If any Lender makes available to the Administrative Agent funds for any Loan to be made by such Lender as provided in the foregoing provisions of this Article II, and such funds are not made available to the Borrowers by the Administrative Agent because the conditions to the applicable Credit Extension set forth in Article IV are not satisfied or waived in accordance with the terms hereof, the Administrative Agent shall return such funds (in like funds as received from such Lender) to such Lender on demand, without interest.

(d) Obligations of the Lenders Several. The obligations of the Lenders hereunder to make Loans, to fund participations in Letters of Credit and Swing Line Loans and to make payments pursuant to Section 9.07 are several and not joint. The failure of any Lender to make any Loan or to fund any such participation or to make any payment under Section 9.07 on any date required hereunder shall not relieve any other Lender of its corresponding obligation to do so on such date, and no Lender shall be responsible for the failure of any other Lender to so make its Loan or, to fund its participation or to make its payment under Section 9.07.

(e) Funding Source. Nothing herein shall be deemed to obligate any Lender to obtain the funds for any Loan in any particular place or manner or to constitute a representation by any Lender that it has obtained or will obtain the funds for any Loan in any particular place or manner.

(f) Insufficient Funds. If at any time insufficient funds are received by and available to the Administrative Agent to pay fully all amounts of principal, L/C Borrowings, interest and fees then due hereunder, such funds shall be applied (i) first, toward payment of interest and fees then due hereunder, ratably among the parties entitled thereto in accordance with the amounts of interest and fees then due to such parties, and (ii) second, toward payment of principal and L/C Borrowings then due hereunder, ratably among the parties entitled thereto in accordance with the amounts of principal and L/C Borrowings then due to such parties.

(g) Unallocated Funds. If the Administrative Agent receives funds for application to the Obligations of the Loan Parties under or in respect of the Loan Documents under circumstances for which the Loan Documents do not specify the manner in which such funds are to be applied, the Administrative Agent may, but shall not be obligated to, elect to distribute such funds to each of the Lenders in accordance with such Lender's ratable share of the sum of (a) the Outstanding Amount of all Loans outstanding at such time and (b) the Outstanding Amount of all L/C Obligations outstanding at such time, in repayment or prepayment of such of the outstanding Loans or other Obligations then owing to such Lender.

Section 2.13 Sharing of Payments. If, other than as expressly provided elsewhere herein (including the application of funds arising from the existence of a Defaulting Lender), any Lender shall obtain on account of the Loans made by it, or the participations in L/C Obligations or in Swing Line Loans held by it, any payment (whether voluntary, involuntary, through the exercise of any right of setoff, or otherwise) in excess of its ratable share (or other share contemplated hereunder) thereof, such Lender shall immediately (a) notify the Administrative Agent of such fact and (b) purchase from the other Lenders such participations in the Loans made by them and/or such subparticipations in the participations in L/C Obligations or Swing Line Loans held by them, as the case may be, as shall be necessary to cause such purchasing Lender to share the excess payment in respect of such Loans or such participations, as the case may be, pro rata with each of them; provided, however, that if all or any portion of such excess payment is thereafter recovered from the purchasing Lender under any of the circumstances described in Section 10.06 (including pursuant to any settlement entered into by the purchasing Lender in its discretion), such purchase shall to that extent be rescinded and each other Lender shall repay to the purchasing Lender the purchase price paid therefor, together with an amount equal to such paying Lender's ratable share (according to the proportion of (i) the amount of such paying Lender's required repayment to (ii) the total amount so recovered from the purchasing Lender) of any interest or other amount paid or payable by the purchasing Lender in respect of the total amount so recovered, without further interest thereon. The Borrowers agree that any Lender so purchasing a participation from another Lender may, to the fullest extent permitted by Law, exercise all its rights of payment (including the right of setoff, but subject to Section 10.09) with respect to such participation as fully as if such Lender were the direct creditor of each Borrower in the amount of such participation. The Administrative Agent will keep records (which shall be conclusive and binding in the absence of manifest error) of participations purchased under this Section 2.13 and will in each case notify the Lenders following any such purchases or repayments. Each Lender that purchases a participation pursuant to this Section 2.13 shall from and after such purchase have the right to give all notices, requests, demands, directions and other communications under this Agreement with respect to the portion of the Obligations purchased to the same extent as though the purchasing Lender were the original owner of the Obligations purchased. For the avoidance of doubt, the provisions of this Section shall not be construed to apply to (A) the application of Cash Collateral provided for in Section 2.18, (B) the assignments and participations (including by means of a Dutch Auction and open market debt repurchases) described in Section 10.07, (C) (i) the incurrence of

any New Term Loans in accordance with Section 2.14, (ii) the prepayment of Revolving Credit Loans in accordance with Section 2.14(e) in connection with a Revolving Commitment Increase or (iii) any Specified Refinancing Debt in accordance with Section 2.20, (D) any loan modification offer described in Section 10.01, or (E) any applicable circumstances contemplated by Sections 2.05(b), 2.14, 2.19 or 3.08.

Section 2.14 Incremental Facilities.

(a) The Borrowers may (on a joint and several basis), from time to time after the Closing Date, upon notice by the Borrower Representative to the Administrative Agent (who shall promptly notify the applicable Lenders) specifying the proposed amount thereof, request (i) an increase in the Commitments under any Revolving Tranche (which shall be on the same terms as, and become part of, the Revolving Tranche proposed to be increased) (a "Revolving Credit Commitment Increase"), (ii) an increase in any Term Loan Tranche then outstanding (which shall be on the same terms as, and become part of, the Term Loan Tranche proposed to be increased hereunder (except as otherwise provided in clause (d) below with respect to amortization)) (each, a "Term Commitment Increase") and (iii) the addition of one or more new term loan facilities to the Facilities (each, a "New Term Facility"; and any advance made by a Lender thereunder, a "New Term Loan"; and the commitments thereof, the "New Term Commitment" and together with the Revolving Credit Commitment Increase and the Term Commitment Increase, the "New Loan Commitments") by an amount not to exceed (x) a Dollar Amount of $400,000,000 (the "Cash-Capped Incremental Facility") plus (y) an unlimited amount (the "Ratio-Based Incremental Facility") so long as the Maximum First Lien Leverage Requirement is satisfied (such amount, at any such time, the "Incremental Amount"); provided that (i) no Event of Default would exist after giving effect to any such request and (ii) any such request for an increase shall be in a minimum amount of the lesser of (x) a Dollar Amount of $20,000,000 and (y) the entire amount of any increase that may be requested under this Section 2.14; provided, further, that any New Loan Commitments established pursuant to this Section 2.14 and New Incremental Notes issued pursuant to Section 2.17, will count towards the Ratio-Based Incremental Facility prior to reducing the maximum amount under the Cash-Capped Incremental Facilities (to the extent permitted by the pro forma calculation of the First Lien Net Leverage Ratio required prior to the incurrence of such Ratio-Based Incremental Facility). At the time of sending such notice to the applicable Lenders, the Borrower Representative (in consultation with the Administrative Agent) shall specify the time period within which each applicable Lender is requested to respond (which, unless the Administrative Agent otherwise agrees, shall in no event be less than ten Business Days from the date of delivery of such notice).

(b) Each applicable Lender shall notify the Administrative Agent within such time period whether or not it agrees to participate in such new facility or increase of the existing Tranche and, if so, whether by a percentage of the requested increase equal to, greater than, or less than its Pro Rata Share of any then-existing Tranche. Any Lender approached may elect or decline, in its sole discretion, to provide such increase or new facility. Any Lender not responding within such time period shall be deemed to have declined to increase its Commitment with respect to such Tranche or to provide a new Tranche. The Administrative Agent shall notify the Borrowers of the Lenders' responses to each request made under this Section 2.14. To achieve the full amount of a requested increase or issuance of New Term Facility, as applicable, the Borrowers may also invite additional Eligible Assignees reasonably satisfactory to the Administrative Agent, each L/C Issuer and the Swing Line Lender (to the extent the consent of any of the foregoing would be required to assign Revolving Credit Loans to such Eligible Assignee, which consent shall not be unreasonably withheld or delayed) to become Lenders pursuant to a joinder agreement to this Agreement in form and substance reasonably satisfactory to the Administrative Agent.

(c) If (i) a Revolving Tranche or a Term Loan Tranche is increased in accordance with this Section 2.14 or (ii) a New Term Loan Facility is added in accordance with this Section 2.14, the Administrative Agent and the Borrowers shall determine the effective date (the "Increase Effective Date") and the final allocation of such increase or New Term Facility among the applicable Lenders. The Administrative Agent shall promptly notify the applicable Lenders of the final allocation of such increase or New Term Facility and the Increase Effective Date. In connection with (i) any increase in a Term Loan Tranche or Revolving Tranche or (ii) any addition of a New Term Facility, in each case, pursuant to this Section 2.14, this Agreement and the other Loan Documents may be amended in a writing (which may be executed and delivered by the Borrowers and the Administrative Agent) in order to establish the New Term Facility or to effectuate the increases to the Term Loan Tranche or Revolving Tranche and to reflect any technical changes necessary or appropriate to give effect to such increase or new facility in accordance with its terms as set forth herein. As of the Increase Effective Date, the amortization schedule for the Term Loan Tranche then increased set forth in Section 2.07(a) (or any other applicable amortization schedule for New Term

Loans or Specified Refinancing Term Loans) shall be amended in a writing (which may be executed and delivered by the Borrowers and the Administrative Agent) to increase the then-remaining unpaid installments of principal by an aggregate amount equal to the additional Loans under such Term Loan Tranche being made on such date, such aggregate amount to be applied to increase such installments ratably in accordance with the amounts in effect immediately prior to the Increase Effective Date.

(d) With respect to any Revolving Credit Commitment Increase, Term Commitment Increase or addition of New Term Facility pursuant to this Section 2.14, (i) no Event of Default would exist after giving effect to such increase, (ii) (A) in the case of any increase of the Revolving Tranche, (1) the final maturity shall be the same as the Maturity Date applicable to the Revolving Credit Facility, (2) no amortization or mandatory commitment reduction prior to the Maturity Date applicable to the Revolving Credit Facility shall be required and (3) the terms and documentation applicable to the Revolving Credit Facility shall apply, (B) in the case of any increase of a Term Loan Tranche, the final maturity of the Term Loans, New Term Loans or Specified Refinancing Term Loans increased pursuant to this Section shall be no earlier than the Latest Maturity Date for, and such additional Loans shall not have a Weighted Average Life to Maturity shorter than the longest remaining weighted average life of, any other outstanding Term Loans, New Term Loans or Specified Refinancing Term Loans, as applicable, and (C) in the case of any New Term Facility, such New Term Facility shall have a final maturity no earlier than the then Latest Maturity Date of any Term Loan Tranche and the Weighted Average Life to Maturity of such New Term Facility shall be no shorter than that of any existing Term Loan Tranche, (iii) except with respect to all-in yield and as set forth in subclause (C) above with respect to final maturity and Weighted Average Life to Maturity, or otherwise as shall be reasonably satisfactory to the Administrative Agent, any such New Term Facility shall have the same terms as the Term B Facility and (iv) to the extent reasonably requested by the Administrative Agent, the Administrative Agent shall have received legal opinions, resolutions, officers' certificates and/or reaffirmation agreements consistent with those delivered on the Closing Date under Section 4.01 or delivered from time to time pursuant to Section 6.12 and/or Section 6.16 with respect to Holdings, the Borrowers, all Material Subsidiary Guarantors and each other Subsidiary Guarantor that is organized in a jurisdiction for which local counsel to the Administrative Agent in such jurisdiction advises that such deliveries are reasonably necessary to preserve the Collateral in such jurisdiction (other than changes to such legal opinions resulting from a change in Law, change in fact or change to counsel's form of opinion reasonably satisfactory to the Administrative Agent). Notwithstanding the foregoing, the conditions precedent to each such increase or New Term Facility shall be agreed to by the Lenders providing such increase or New Term Facility, as applicable, and the Administrative Agent and the Borrowers; provided, further, in connection with the incurrence of any New Term Loans, if the proceeds of such New Term Loans are, substantially concurrently with the receipt thereof, to be used, in whole or in part, by the Borrowers or any other Loan Party to finance, in whole or in part, a Permitted Acquisition, then (A) the only representations and warranties that will be required to be true and correct in all material respects as of the applicable Increase Effective Date shall be (x) the Specified Representations and (y) such of the representations and warranties made by or on behalf of the applicable acquired company or business in the applicable acquisition agreement as are material to the interests of the Lenders, but only to the extent that Holdings or the Borrowers (or any Affiliate of Holdings or the Borrowers) has the right to terminate the obligations of Holdings, the Borrowers or such Affiliate under such acquisition agreement or not consummate such acquisition as a result of a breach of such representations or warranties in such acquisition agreement and (B) no Event of Default under Sections 8.01(a), (f) or (g) would exist after giving effect to such incurrence ("Permitted Acquisition Provisions").

(e) On the Increase Effective Date with respect to a Revolving Tranche, (x) each Revolving Credit Lender immediately prior to such increase or incurrence will automatically and without further act be deemed to have assigned to each Lender providing a portion of the increase to the Revolving Credit Commitments (each, a "Revolving Commitment Increase Lender"), and each such Revolving Commitment Increase Lender will automatically and without further act be deemed to have assumed, a portion of such Revolving Credit Lender's participations hereunder in outstanding L/C Advances and Swing Line Loans such that, after giving effect to each such deemed assignment and assumption of participations, the percentage of the aggregate outstanding (i) participations hereunder in L/C Advances and (ii) participations hereunder in Swing Line Loans held by each Revolving Credit Lender (including each such Revolving Commitment Increase Lender) will equal the percentage of the aggregate Revolving Credit Commitments of all Revolving Credit Lenders represented by such Revolving Credit Lender's Revolving Credit Commitment and (y) if, on the date of such increase, there are any Revolving Credit Loans outstanding, such Revolving Credit Loans shall on or prior to the Increase Effective Date be prepaid from the proceeds of Revolving Credit Loans made hereunder (reflecting such increase in Revolving Credit Commitments), which prepayment shall

be accompanied by accrued interest on the Revolving Credit Loans being prepaid and any costs incurred by any Lender in accordance with Section 3.06. The Administrative Agent and the Lenders hereby agree that the minimum borrowing, pro rata borrowing and pro rata payment requirements contained elsewhere in this Agreement shall not apply to the transactions effected pursuant to the immediately preceding sentence. The additional Term Loans made under the Term Loan Tranche subject to the increases shall be made by the applicable Lenders participating therein pursuant to the procedures set forth in Sections 2.01 and 2.02 and on the date of the making of such new Term Loans, and notwithstanding anything to the contrary set forth in Sections 2.01 and 2.02, such new Loans shall be added to (and form part of) each Borrowing of outstanding Term Loans under such Term Loan Tranche on a pro rata basis (based on the relative sizes of the various outstanding Borrowings), so that each Lender under such Term Loan Tranche will participate proportionately in each then outstanding Borrowing of Term Loans under the Term Loan Tranche.

(f) (i) Any New Term Facility shall rank pari passu in right of payment, have the same guarantees as, and be unsecured, secured either on a first lien "equal and ratable" basis with the other Facilities or on a "junior" basis, in each case over the same Collateral that secures the Facilities (and in each case, the application of any proceeds of the Collateral securing such New Term Facility shall be subject to intercreditor arrangements that are reasonably satisfactory to the Administrative Agent; it being understood that the Intercreditor Agreement is reasonably satisfactory to the Administrative Agent), (ii) the New Term Facility shall share ratably in any prepayments of the Term Loans pursuant to Section 2.05 (or otherwise provide for more favorable prepayment treatment for the then outstanding Term Loan Tranches than the Term Loans under such New Term Facility) and (iii) the all-in yield (whether in the form of interest rate margins, original issue discount, upfront fees, or Eurocurrency Rate or Base Rate floors (but not arrangement or underwriting fees paid to arrangers for their own account) and equating original issue discount and upfront fees to interest rate for purposes of this calculation, assuming a four-year life to maturity) applicable to such New Term Facility shall be determined by the Borrowers and the Lenders providing such New Term Facility and shall not be more than 50 basis points higher than the corresponding all-in yield (giving effect to interest rate margins, original issue discount, upfront fees and Eurocurrency Rate and Base Rate floors, in the case of original issue discount and upfront fees calculated as provided in the preceding parenthetical) for any Term Loan Tranche incurred on the Closing Date, unless the all-in yield with respect to each applicable Term Loan Tranche is increased to the amount necessary so that the difference between the all-in yield with respect to such New Term Facility and the corresponding all-in yield on such applicable Term Loan Tranche is equal to 50 basis points.

Section 2.16 Reserved.

Section 2.17 New Incremental Notes.

(a) The Borrowers, on a joint and several basis, may from time to time after the Closing Date, upon notice by the Borrower Representative to the Administrative Agent, specifying in reasonable detail the proposed terms thereof, request to issue one or more series of senior secured, senior unsecured, senior subordinated or subordinated notes (which notes, if secured by the Collateral, are secured on a first lien "equal and ratable" basis with the Liens securing the Obligations or secured on a "junior" basis with the Liens securing the Obligations) and guaranteed only by the guarantors (such notes, collectively, "New Incremental Notes") in an amount to exceed the Incremental Amount (at the time of issuance); provided that (i) no Event of Default would exist after giving Pro Forma Effect to any such request subject to the Permitted Acquisition Provisions, and (ii) any such issuance of New Incremental Notes shall be in a minimum amount of the lesser of (x) a Dollar Amount of $20,000,000 and (y) the entire amount that may be requested under this Section 2.17; provided, further, that any Incremental Commitments established pursuant to Section 2.14 and New Incremental Notes issued pursuant to this Section 2.17, will count towards the Ratio-Based Incremental Facility prior to reducing the maximum amount under the Cash-Capped Incremental Facilities (to the extent permitted by the pro forma calculation of the First Lien Net Leverage Ratio required prior to the incurrence of such Ratio-Based Incremental Facility).

(b) As a condition precedent to the issuance of any New Incremental Notes pursuant to this Section 2.17, (i) the Borrower Representative (on behalf of the Borrowers) shall deliver to the Administrative Agent a certificate dated as of the date of issuance of the New Incremental Notes signed by a Responsible Officer of the Borrower Representative, certifying and attaching the resolutions adopted by each Borrower approving or consenting to the

issuance of such New Incremental Notes, and certifying that the conditions precedent set forth in the following subclauses (ii) through (v) have been satisfied (which certificate shall include supporting calculations demonstrating compliance, if applicable, with the Maximum First Lien Leverage Requirement), (ii) such New Incremental Notes shall not be Guaranteed by any Person that is not a Guarantor, (iii) to the extent secured, such New Incremental Notes shall be subject to intercreditor arrangements that are reasonably satisfactory to the Administrative Agent); (iv) such New Incremental Notes shall have a final maturity no earlier than 91 days after the then Latest Maturity Date, (v) the Weighted Average Life to Maturity of such New Incremental Notes shall not (A) be shorter than 91 days after that of any then-existing Term Loan Tranche, or (B) to the extent unsecured, be subject to any amortization prior to the final maturity thereof, or be subject to any mandatory redemption or prepayment provisions or rights (except customary assets sale or change of control provisions), (vi) such New Incremental Notes shall not be subject to any mandatory redemption or prepayment provisions or rights (except to the extent any such mandatory redemption or prepayment is required to be applied pro rata to the Term Loans and other Indebtedness that is secured on a pari passu basis with the Obligations) and (vii) the covenants, events of default, guarantees, collateral and other terms of such New Incremental Notes are customary for similar debt securities in light of then-prevailing market conditions at the time of issuance (it being understood that (x) no New Incremental Notes shall include any financial maintenance covenants (including indirectly by way of a cross-default to this Agreement), but that customary cross-acceleration provisions may be included) and (y) any negative covenants with respect to indebtedness, investments, liens or restricted payments shall be incurrence-based) and in any event are not more restrictive to the Borrowers and their Restricted Subsidiaries than those set forth in this Agreement (other than with respect to interest rate and redemption provisions), except for covenants or other provisions applicable only to periods after the then Latest Maturity Date (provided that a certificate of a Responsible Officer of the Dutch Borrower delivered to the Administrative Agent in good faith at least five Business Days prior to the incurrence of such New Incremental Notes, together with a reasonably detailed description of the material terms and conditions of such New Incremental Notes or drafts of the documentation relating thereto, stating that the Dutch Borrower has determined in good faith that such terms and conditions satisfy the requirement set forth in this clause (b), shall be conclusive evidence that such terms and conditions satisfy such requirement unless the Administrative Agent provides notice to the Borrowers of its objection during such five Business Day period (including a reasonable description of the basis upon which it objects) and provided, further, that if the terms of the New Incremental Notes are substantially identical to the Senior Notes, the conditions in this clause (b) shall be deemed to be satisfied). Notwithstanding the foregoing, the conditions precedent to each such increase shall be agreed to by the Lenders providing such increase and the Borrowers.

(c) The issuance of any New Incremental Notes shall also be subject, to the extent reasonably requested by the Administrative Agent, to receipt by the Administrative Agent of legal opinions, board resolutions, officers' certificates and/or reaffirmation agreements, including any supplements or amendments to the Collateral Documents providing for such New Incremental Notes and the Borrowers. The Lenders hereby authorize the Administrative Agent to enter into amendments to this Agreement and the other Loan Documents with the Borrowers as may be necessary or appropriate in order to secure any New Incremental Notes with the Collateral and/or to make such technical amendments as may be necessary or appropriate in the reasonable opinion of the Administrative Agent and the Borrower Representative in connection with the issuance of such New Incremental Notes, in each case on terms consistent with this Section 2.17.

Section 2.18 Cash Collateral.

(a) Upon the request of the Administrative Agent or the applicable L/C Issuer (i) if the applicable L/C Issuer has honored any full or partial drawing request under any Letter of Credit and such drawing has resulted in an L/C Borrowing or (ii) if, as of the Letter of Credit Expiration Date, any L/C Obligation for any reason remains outstanding, the Borrowers shall, in each case, immediately Cash Collateralize the then Outstanding Amount of all L/C Obligations. At any time that there shall exist a Defaulting Lender, immediately upon the request of the Administrative Agent, the applicable L/C Issuer or the Swing Line Lender, the Borrowers shall deliver to the Administrative Agent Cash Collateral in an amount sufficient to cover (i) 103% of all Fronting Exposure of such Defaulting Lender after giving effect to Section 2.19(a)(iv) and any Cash Collateral provided by such Defaulting Lender.

(b) All Cash Collateral (other than credit support not constituting funds subject to deposit) shall be maintained in blocked, interest bearing deposit accounts at the Administrative Agent or the Collateral Agent. The Borrowers, and to the extent provided by any Lender, such Lender, hereby grants to (and subjects to the control of) the Administrative Agent and the Collateral Agent, for the benefit of the Administrative Agent, the applicable L/C

Issuer and the Lenders (including the Swing Line Lender), and agrees to maintain, a first priority security interest in all such cash, deposit accounts and all balances therein, and all other property so provided as collateral pursuant hereto, and in all proceeds of the foregoing, all as security for the obligations to which such Cash Collateral may be applied pursuant to Section 2.18(c). If at any time the Administrative Agent determines that Cash Collateral is subject to any right or claim of any Person other than the Administrative Agent as herein provided or that the total amount of such Cash Collateral is less than the applicable Fronting Exposure and other obligations secured thereby, the Borrowers and the relevant Defaulting Lender shall, promptly upon demand by the Administrative Agent, pay or provide to the Administrative Agent additional Cash Collateral in an amount sufficient to eliminate such deficiency.

(c) Notwithstanding anything to the contrary contained in this Agreement, Cash Collateral provided under any of this Section 2.18 or Sections 2.03, 2.04, 2.05, 2.06, 2.19, 8.02 or 8.04 in respect of Letters of Credit or Swing Line Loans shall be held and applied to the satisfaction of the specific L/C Obligations, Swing Line Loans, obligations to fund participations therein (including, as to Cash Collateral provided by a Defaulting Lender, any interest accrued on such obligation) and other obligations for which the Cash Collateral was so provided prior to any other application of such property as may be provided for herein.

(d) Cash Collateral (or the appropriate portion thereof) provided to reduce Fronting Exposure or other obligations shall be released promptly following (i) the elimination of the applicable Fronting Exposure (after giving effect to such release) or other obligations giving rise thereto (including by the termination of Defaulting Lender status of the applicable Lender (or, as appropriate, its assignee following compliance with Section 10.07(b)(viii))) or (ii) the Administrative Agent's good faith determination that there exists excess Cash Collateral; provided, however, (x) that Cash Collateral furnished by or on behalf of a Loan Party shall not be released during the continuance of a Default under Sections 8.01(a), (f) or (g) or an Event of Default (and following application as provided in this Section 2.18 may be otherwise applied in accordance with Section 8.04) and (y) the Person providing Cash Collateral and the applicable L/C Issuer or Swing Line Lender, as applicable, may agree that Cash Collateral shall not be released but instead held to support future anticipated Fronting Exposure or other obligations.

Section 2.19 Defaulting Lenders.

(a) Notwithstanding anything to the contrary contained in this Agreement, if any Lender becomes a Defaulting Lender, then, until such time as that Lender is no longer a Defaulting Lender, to the extent permitted by applicable Law:

(i) That Defaulting Lender's right to approve or disapprove any amendment, waiver or consent with respect to this Agreement shall be restricted as set forth in Section 10.01.

(ii) Any payment of principal, interest, fees or other amounts received by the Administrative Agent for the account of that Defaulting Lender (whether voluntary or mandatory, at maturity, pursuant to Article VIII or otherwise, and including any amounts made available to the Administrative Agent by that Defaulting Lender pursuant to Section 10.09), shall be applied at such time or times as may be determined by the Administrative Agent as follows: first, to the payment of any amounts owing by that Defaulting Lender to the Administrative Agent hereunder; second, to the payment on a pro rata basis of any amounts owing by that Defaulting Lender to the applicable L/C Issuer or Swing Line Lender hereunder; third, if so reasonably determined by the Administrative Agent or reasonably requested by the applicable L/C Issuer or Swing Line Lender, to be held as Cash Collateral for future funding obligations of that Defaulting Lender of any participation in any Swing Line Loan or Letter of Credit; fourth, as the Borrower Representative (on behalf of the Borrowers) may request (so long as no Default or Event of Default exists), to the funding of any Loan in respect of which that Defaulting Lender has failed to fund its portion thereof as required by this Agreement, as determined by the Administrative Agent; fifth, if so determined by the Administrative Agent and the Borrowers, to be held in a non-interest bearing deposit account and released in order to satisfy obligations of that Defaulting Lender to fund Loans under this Agreement; sixth, to the payment of any amounts owing to the Lenders, the applicable L/C Issuer or Swing Line Lender as a result of any non-appealable judgment of a court of competent jurisdiction obtained by any Lender, the applicable L/C Issuer or Swing Line Lender against that Defaulting Lender as a result of that Defaulting Lender's breach of its obligations under this Agreement; seventh, so long as no Default or Event of Default pursuant to Sections 8.01(a), (f) or (g) exists, to the payment of any amounts owing to the Borrowers as a result of any non-appealable

judgment of a court of competent jurisdiction obtained by the Borrowers against that Defaulting Lender as a result of that Defaulting Lender's breach of its obligations under this Agreement; and eighth, to that Defaulting Lender or as otherwise directed by a court of competent jurisdiction; provided that if (x) such payment is a payment of the principal amount of any Loans or L/C Borrowings in respect of which that Defaulting Lender has not fully funded its appropriate share and (y) such Loans or L/C Borrowings were made at a time when the conditions set forth in Section 4.02 were satisfied or waived, such payment shall be applied solely to pay the Loans of, and L/C Borrowings owed to, all non-Defaulting Lenders on a pro rata basis prior to being applied to the payment of any Loans of, or L/C Borrowings owed to, that Defaulting Lender. Any payments, prepayments or other amounts paid or payable to a Defaulting Lender that are applied (or held) to pay amounts owed by a Defaulting Lender or to post Cash Collateral pursuant to this Section 2.19(a)(ii) shall be deemed paid to and redirected by that Defaulting Lender, and each Lender irrevocably consents hereto.

(iii) That Defaulting Lender (x) shall not be entitled to receive any commitment fee pursuant to Section 2.09(a) for any period during which that Lender is a Defaulting Lender (and the Borrowers shall not be required to pay any such fee that otherwise would have been required to have been paid to that Defaulting Lender) and (y) shall be limited in its right to receive Letter of Credit fees as provided in Section 2.03(i).

(iv) During any period in which there is a Defaulting Lender, for purposes of computing the amount of the obligation of each non-Defaulting Lender to acquire, refinance or fund participations in Letters of Credit or Swing Line Loans pursuant to Sections 2.03 and 2.04, the "Pro Rata Share" of each non-Defaulting Lender under a Revolving Credit Tranche shall be determined without giving effect to the Commitment under such Revolving Credit Tranche of that Defaulting Lender; provided that (i) each such reallocation shall be given effect unless an Event of Default exists; and (ii) the aggregate obligation of each non-Defaulting Lender under a Revolving Credit Tranche to acquire, refinance or fund participations in Letters of Credit issued, and Swing Line Loans incurred, under such Revolving Credit Tranche shall not exceed the positive difference, if any, of (1) the Commitment under such Revolving Credit Tranche of that non-Defaulting Lender minus (2) the aggregate Outstanding Amount of the Loans under such Revolving Credit Tranche of that Revolving Credit Lender.

(b) If the Borrowers, the Administrative Agent, the Swing Line Lender and each L/C Issuer agree in writing in their sole discretion that a Defaulting Lender should no longer be deemed to be a Defaulting Lender, the Administrative Agent will so notify the parties hereto, whereupon as of the effective date specified in such notice and subject to any conditions set forth therein (which may include arrangements with respect to any Cash Collateral), that Lender will, to the extent applicable, purchase that portion of outstanding Loans of the other Lenders or take such other actions as the Administrative Agent may reasonably determine to be necessary to cause the Loans and funded and unfunded participations in Letters of Credit and Swing Line Loans to be held on a pro rata basis by the Lenders in accordance with their ratable shares (without giving effect to the application of Section 2.19(a)(iv)) in respect of that Lender, whereupon that Lender will cease to be a Defaulting Lender; provided that no adjustments will be made retroactively with respect to fees accrued or payments made by or on behalf of the Borrowers while that Lender was a Defaulting Lender; and provided further, that except to the extent otherwise expressly agreed by the affected parties, no change hereunder from Defaulting Lender to Lender will constitute a waiver or release of any claim of any party hereunder arising from that Lender having been a Defaulting Lender.

Section 2.20 Specified Refinancing Debt.

(a) The Borrowers may on a joint and several basis, from time to time after the Closing Date, and subject to the consent of the Administrative Agent (which consent shall not be unreasonably withheld, delayed or conditioned), add one or more new term loan facilities and new revolving credit facilities to the Facilities ("Specified Refinancing Debt"; and the commitments in respect of such new term facilities, the "Specified Refinancing Term Commitment" and the commitments in respect of such new revolving credit facilities, the "Specified Refinancing Revolving Credit Commitment") pursuant to procedures reasonably specified by the Administrative Agent and reasonably acceptable to the Borrowers, to refinance (i) all or any portion of any Term Loan Tranches then outstanding under this Agreement and (ii) all or any portion of any Revolving Credit Tranches then in effect under this Agreement, in each case pursuant to a Refinancing Amendment; provided that such Specified Refinancing Debt: (i) will

rank pari passu in right of payment as the other Loans and Commitments hereunder; (ii) will not be Guaranteed by any Person that is not a Guarantor; (iii) will be (x) unsecured or (y) secured by the Collateral on a first lien "equal and ratable" basis with the Liens securing the Obligations or on a "junior" basis with the Liens securing the Obligations (in each case pursuant to intercreditor arrangements reasonably satisfactory to the Administrative Agent); (iv) will have such pricing and optional prepayment terms as may be agreed by the Borrowers and the applicable Lenders thereof; (v) (x) to the extent constituting revolving credit facilities, will not have a maturity date (or have mandatory commitment reductions or amortization) that is prior to the scheduled Maturity Date of the Revolving Tranche being refinanced and (y) to the extent constituting term loan facilities, will have a maturity date that is not prior to the date that is after the scheduled Maturity Date of, and will have a Weighted Average Life to Maturity that is not shorter than the Weighted Average Life to Maturity of, the Term Loans being refinanced; (vi) any Specified Refinancing Term Loans shall share ratably in any prepayments of Term Loans pursuant to Section 2.05 (or otherwise provide for more favorable prepayment treatment for the then outstanding Term Loan Tranches than the Specified Refinancing Term Loans); (vii) each Revolving Credit Borrowing (including any deemed Revolving Credit Borrowings made pursuant to Sections 2.03 and 2.04) and participations in Letters of Credit or Swing Line Loans pursuant to Sections 2.03 and 2.04 shall be allocated pro rata among the Revolving Tranches; (viii) subject to clauses (iv) and (v) above, will have terms and conditions (other than pricing and optional prepayment and redemption terms) that are substantially identical to, or less favorable, when taken as a whole, to the lenders providing such Specified Refinancing Debt than, the terms and conditions of the Facilities and Loans being refinanced (as reasonably determined by the Borrower Representative in good faith, which determination shall be conclusive evidence that such terms and conditions satisfy such requirement unless the Administrative Agent provides notice to the Dutch Borrower of an objection (including a reasonable description of the basis upon which it objects) within five Business Days after being notified of such determination by the Dutch Borrower); and (ix) the Net Cash Proceeds of such Specified Refinancing Debt shall be applied, substantially concurrently with the incurrence thereof, to the pro rata prepayment of outstanding Loans being so refinanced (and, in the case of Revolving Credit Loans, a corresponding amount of Revolving Credit Commitments shall be permanently reduced), in each case pursuant to Section 2.05 and 2.06, as applicable; provided however, that such Specified Refinancing Debt (x) may provide for any additional or different financial or other covenants or other provisions that are agreed among the Borrowers and the Lenders thereof and applicable only during periods after the then Latest Maturity Date in effect and (y) shall not have a principal or commitment amount (or accreted value) greater than the Loans being refinanced (excluding accrued interest, fees, discounts, premiums or expenses).

(b) The Borrower Representative (on behalf of the Borrowers) shall make any request for Specified Refinancing Debt pursuant to a written notice to the Administrative Agent specifying in reasonable detail the proposed terms thereof. Any proposed Specified Refinancing Debt shall first be requested on a ratable basis from existing Lenders in respect of the Facility and Loans being refinanced. At the time of sending such notice to such Lenders, the Borrowers (in consultation with the Administrative Agent) shall specify the time period within which each applicable Lender is requested to respond (which shall in no event be less than ten Business Days from the date of delivery of such notice or such shorter period as may be agreed by the Administrative Agent). Each applicable Lender shall notify the Administrative Agent within such time period whether or not it agrees to participate in providing such Specified Refinancing Debt and, if so, whether by an amount equal to, greater than, or less than its ratable portion (based on such Lender's ratable share in respect of the applicable Facility) of such Specified Refinancing Debt. Any Lender approached to provide all or a portion of any Specified Refinancing Debt may elect or decline, in its sole discretion, to provide such Specified Refinancing Debt. Any Lender not responding within such time period shall be deemed to have declined to participate in providing such Specified Refinancing Debt. The Administrative Agent shall notify the Borrowers and each applicable Lender of the Lenders' responses to each request made hereunder. To achieve the full amount of a requested issuance of Specified Refinancing Debt, and subject to the approval of the Administrative Agent, each L/C Issuer and the Swing Line Lender, if applicable (in each case, which approval shall not be unreasonably withheld, conditioned or delayed), the Borrowers may also invite additional Eligible Assignees to become Lenders in respect of such Specified Refinancing Debt pursuant to a joinder agreement to this Agreement in form and substance reasonably satisfactory to the Administrative Agent.

(c) The effectiveness of any Refinancing Amendment shall be subject to the satisfaction on the date thereof of each of the conditions set forth in Section 4.02 and, to the extent reasonably requested by the Administrative Agent, receipt by the Administrative Agent of legal opinions, board resolutions, officers' certificates and/or reaffirmation agreements with respect to the Borrowers, including any supplements or amendments to the Collateral Documents providing for such Specified Refinancing Debt to be secured thereby, consistent with those delivered on the Closing Date under Section 4.01 or delivered from time to time pursuant to Section 6.12 and/or Section 6.16 (other than changes to such legal opinions resulting from a change in Law, change in fact or change to counsel's

form of opinion reasonably satisfactory to the Administrative Agent). The Lenders hereby authorize the Administrative Agent to enter into amendments to this Agreement and the other Loan Documents with the Borrowers as may be necessary in order to establish new Tranches of Specified Refinancing Debt and to make such technical amendments as may be necessary or appropriate in the reasonable opinion of the Administrative Agent and the Borrowers in connection with the establishment of such new Tranches, in each case on terms consistent with and/or to effect the provisions of this Section 2.20.

(d) Each class of Specified Refinancing Debt incurred under this Section 2.20 shall be in an aggregate principal amount that is (x) not less than a Dollar Amount of $20,000,000 and (y) an integral multiple of a Dollar Amount of $1,000,000 in excess thereof. Any Refinancing Amendment may provide for the issuance of Letters of Credit for the account of the Borrowers (on a joint and several basis) in respect of a Revolving Tranche, or the provision to the Borrowers (on a joint and several basis) of Swing Line Loans, pursuant to any revolving credit facility established thereby, in each case on terms substantially equivalent to the terms applicable to Letters of Credit and Swing Line Loans under the Revolving Credit Commitments.

(e) The Administrative Agent shall promptly notify each Lender as to the effectiveness of each Refinancing Amendment. Each of the parties hereto hereby agrees that, upon the effectiveness of any Refinancing Amendment, this Agreement shall be deemed amended to the extent (but only to the extent) necessary to reflect the existence and terms of the Specified Refinancing Debt incurred pursuant thereto (including the addition of such Specified Refinancing Debt as separate "Facilities" hereunder and treated in a manner consistent with the Facilities being refinanced, including for purposes of prepayments and voting). Any Refinancing Amendment may, without the consent of any Person other than the Borrowers, the Administrative Agent and the Lenders providing such Specified Refinancing Debt, effect such amendments to this Agreement and the other Loan Documents as may be necessary or appropriate, in the reasonable opinion of the Administrative Agent and the Borrowers, to effect the provisions of or consistent with this Section 2.20. In addition, if so provided in the relevant Refinancing Amendment and with the consent of each L/C Issuer, participations in Letters of Credit expiring on or after the scheduled Maturity Date in respect of the Revolving Tranche shall be reallocated from Lenders holding Revolving Credit Commitments to Lenders holding extended revolving commitments in accordance with the terms of such Refinancing Amendment; provided, however, that such participation interests shall, upon receipt thereof by the relevant Lenders holding extended revolving commitments, be deemed to be participation interests in respect of such extended revolving commitments and the terms of such participation interests (including the commission applicable thereto) shall be adjusted accordingly.

ARTICLE III.
Taxes, Increased Costs Protection and Illegality

Section 3.01 Taxes.

(a) Any and all payments by or on account of any obligation of the Borrowers or any other Loan Party hereunder or under any other Loan Document shall be made without deduction or withholding for any Taxes, except as required by applicable Law. If any applicable Law (as determined in the good faith discretion of an applicable withholding agent) requires the deduction or withholding of any Tax from or in respect of any such payment, then the other Loan Party, Administrative Agent or other applicable withholding agent shall be entitled to make such deduction or withholding and shall timely pay the full amount deducted or withheld to the relevant Governmental Authority in accordance with applicable Law and, if such Tax is an Indemnified Tax, the sum payable by the applicable Borrower or other applicable Loan Party shall be increased as necessary so that after all such deductions or withholdings have been made (including such deductions and withholdings applicable to additional sums payable under this Section 3.01) the applicable Recipient receives an amount equal to the sum it would have received had no such deduction or withholding been made.

(b) In addition but without duplication, the Loan Parties shall timely pay to the relevant Governmental Authority in accordance with applicable Law, or at the option of the Administrative Agent timely reimburse it for the payment of, any Other Taxes.

(c) The Loan Parties shall jointly and severally indemnify each Recipient, within 30 days after demand therefor, for the full amount of any Indemnified Taxes (including Indemnified Taxes imposed or asserted on

or attributable to amounts payable under this Section 3.01) payable or paid by such Recipient or required to be withheld or deducted from a payment to such Recipient and any reasonable out-of-pocket expenses arising therefrom or with respect thereto, whether or not such Indemnified Taxes were correctly or legally imposed or asserted by the relevant Governmental Authority. A certificate as to the amount of such payment or liability delivered to the Borrower by a Lender (with a copy to the Administrative Agent), or by the Administrative Agent on its own behalf or on behalf of a Lender, shall be conclusive absent manifest error.

(d) Within 30 days after any payment of Taxes any Loan Party to a Governmental Authority pursuant to this Section 3.01, such Loan Party shall deliver to the Administrative Agent the original or a certified copy of a receipt issued by such Governmental Authority evidencing such Payment, a copy of the return reporting such payment or other evidence of such payment reasonably satisfactory to the Administrative Agent.

(e) If any Recipient determines, in its sole discretion exercised in good faith, that it has received a refund of any Indemnified Taxes as to which it has been indemnified pursuant to this Section 3.01 (including by the payment of additional amounts pursuant to this Section 3.01), it shall pay to the indemnifying party an amount equal to such refund (but only to the extent of indemnity payments made under this Section 3.01 with respect to the Indemnified Taxes giving rise to such refund), net of all out-of-pocket expenses (including Taxes) of such indemnified party and without interest (other than any interest paid by the relevant Governmental Authority with respect to such refund). Such indemnifying party, upon the request of such indemnified party, shall promptly repay to such indemnified party the amount paid over pursuant to this paragraph (e) (plus any penalties, interest or other charges imposed by the relevant Governmental Authority) in the event that such indemnified party is required to repay such refund to such Governmental Authority. Notwithstanding anything to the contrary in this paragraph (e), in no event will the indemnified party be required to pay any amount to an indemnifying party pursuant to this paragraph (e) the payment of which would place the indemnified party in a less favorable net after-Tax position than the indemnified party would have been in if the Tax subject to indemnification and giving rise to such refund had not been deducted, withheld or otherwise imposed and the indemnification payments or additional amounts with respect to such Tax had never been paid. This paragraph shall not be construed to require any indemnified party to make available its Tax returns (or any other information relating to its Taxes that it deems confidential) to the indemnifying party or any other Person.

(f) Each Lender agrees that, upon the occurrence of any event giving rise to the operation of Section 3.01(a) or (c) with respect to such Lender it will, if requested by the Borrower Representative (on behalf of the Borrowers), use commercially reasonable efforts (subject to such Lender's overall internal policies of general application and legal and regulatory restrictions) to avoid or reduce to the greatest extent possible any indemnification or additional amounts being due under this Section 3.01, including to designate another Lending Office for any Loan or Letter of Credit affected by such event; provided that such efforts are made on terms that, in the reasonable judgment of such Lender, cause such Lender and its Lending Office(s) to suffer no material economic, legal or regulatory disadvantage; and provided further that nothing in this Section 3.01(f) shall affect or postpone any of the Obligations of the Borrowers or the rights of such Lender pursuant to Sections 3.01(a) and (c). The Borrowers hereby agree to pay all reasonable costs and expenses incurred by any Lender as a result of a request by the Borrower Representative (on behalf of the Borrowers) under this Section 3.01(f).

(g) (i) Any Lender that is entitled to an exemption from or reduction of withholding Tax with respect to any payments made under any Loan Document shall deliver to the Borrowers and the Administrative Agent, at the time or times reasonably requested by the Borrower Representative (on behalf of the Borrowers) or the Administrative Agent, such properly completed and executed documentation reasonably requested by the Borrower Representative (on behalf of the Borrowers) or the Administrative Agent as will permit such payments to be made without withholding or at a reduced rate of withholding. In addition, any Lender, if reasonably requested by the Borrower Representative (on behalf of the Borrowers) or the Administrative Agent, shall deliver such other documentation prescribed by applicable Law or reasonably requested by the Borrower Representative (on behalf of the Borrowers) or the Administrative Agent as will enable the Borrowers or the Administrative Agent to determine whether or not such Lender is subject to backup withholding or information reporting requirements. Notwithstanding anything to the contrary in the preceding two sentences, the completion, execution and submission of such documentation (other than such documentation set forth in Section 3.01(g)(ii)(A), (ii)(B) and (ii)(D) below) shall not be required if in the Lender's reasonable judgment such completion, execution or submission would subject such Lender to any material unreimbursed cost or expense or would materially prejudice the legal or commercial position of such Lender.

(ii) Without limiting the generality of the foregoing, in the case of the U.S. Borrower,

(A) any Lender that is a U.S. Person shall deliver to the Borrower Representative (on behalf of the U.S. Borrower) and the Administrative Agent on or prior to the date on which such Lender becomes a Lender under this Agreement (and from time to time thereafter upon the reasonable request of the Borrower Representative (on behalf of the U.S. Borrower) or the Administrative Agent), executed originals of IRS Form W-9 (or any successor form) certifying that such Lender is exempt from U.S. federal backup withholding;

(B) any Foreign Lender shall, to the extent it is legally eligible to do so, deliver to the Borrower Representative (on behalf of the U.S. Borrower) and the Administrative Agent (in such number of copies as shall be requested by the recipient) on or prior to the date on which such Foreign Lender becomes a Lender under this Agreement (and from time to time thereafter upon the reasonable request of the Borrower Representative (on behalf of the U.S. Borrower) or the Administrative Agent), whichever of the following is applicable:

(i) in the case of a Foreign Lender claiming the benefits of an income tax treaty to which the United States is a party, executed originals of IRS Form W-8BEN (or any successor form) establishing an exemption from, or reduction of, U.S. federal withholding Tax;

(ii) executed originals of IRS Form W-8ECI (or any successor form);

(iii) in the case of a Foreign Lender claiming the benefits of the exemption for portfolio interest under Section 871(h) or Section 881(c) of the Code, (x) a certificate substantially in the form of Exhibit N-1 to the effect that such Foreign Lender is not a "bank" within the meaning of Section 881(c)(3)(A) of the Code, a "10 percent shareholder" of any Borrower within the meaning of Section 881(c)(3)(B) of the Code, a "controlled foreign corporation" described in Section 881(c)(3)(C) of the Code and that no payments in connection with any Loan Document are effectively connected with such Lender's conduct of a U.S. trade or business (a "U.S. Tax Compliance Certificate") and (y) executed originals of IRS Form W-8BEN (or any successor form); or

(iv) to the extent a Foreign Lender is not the beneficial owner (*e.g.*, where the Foreign Lender is a partnership or a participating Lender), executed originals of IRS Form W-8IMY, accompanied by IRS Form W-8ECI, IRS Form W-8BEN, a U.S. Tax Compliance Certificate substantially in the form of Exhibit N, IRS Form W-9, and/or other certification documents from each beneficial owner, as applicable; provided that if the Foreign Lender is a partnership (and not a participating Lender) and one or more direct or indirect partners of such Foreign Lender are claiming the portfolio interest exemption, such Foreign Lender may provide a U.S. Tax Compliance Certificate substantially in the form of Exhibit N-4 on behalf of each such direct and indirect partner;

(C) any Foreign Lender shall, to the extent it is legally eligible to do so, deliver to the Borrower Representative (on behalf of the U.S. Borrower) or the Administrative Agent, executed originals of any other form prescribed by applicable Law as a basis for claiming exemption from or a reduction in U.S. federal withholding Tax, duly completed, together with such supplementary documentation as may be prescribed by applicable Law to permit the U.S. Borrower or the Administrative Agent to determine the withholding or deduction required to be made; and

(D) if a payment made to a Lender under any Loan Document would be subject to U.S. federal withholding Tax imposed by FATCA if such Lender were to fail to comply with the applicable reporting requirements of FATCA (including those contained in Section 1471(b) or 1472(b) of the Code, as applicable), such Lender shall deliver to the Borrower Representative (on behalf of the Borrowers) and the Administrative Agent at the time or times prescribed by Law and at such time or times reasonably requested by the Borrowers or the Administrative Agent such documentation prescribed by applicable Law (including as prescribed by Section 1471(b)(3)(C)(i) of the Code) and such additional documentation reasonably requested by the Borrower Representative (on behalf of the Borrowers) or the Administrative Agent as may be necessary for the Borrowers and the Administrative Agent to comply with their obligations under FATCA

to determine whether such Lender has complied with such Lender's obligations under FATCA and, if necessary, to determine the amount to deduct and withhold from such payment. Solely for purposes of this clause (D), "FATCA" shall include any amendments made to FATCA after the date of this Agreement.

Each Lender agrees that if any documentation it previously delivered expires or becomes obsolete or inaccurate in any respect, it shall promptly update and deliver such form or certification to the Borrowers and the Administrative Agent or promptly notify the Borrowers and the Administrative Agent in writing of its legal ineligibility to do so.

Notwithstanding any other provision of this Section 3.01(g), a Lender shall not be required to deliver any documentation that such Lender is not legally eligible to deliver.

(h) VAT. (i) All amounts expressed to be payable under any Loan Document by any Loan Party to a Finance Party which (in whole or in part) constitute the consideration for any supply for VAT purposes are deemed to be exclusive of any VAT which is chargeable on that supply, and accordingly, subject to Section 3.01(h)(ii) below, if VAT is or becomes chargeable on any supply made by any Finance Party to any Loan Party under any Loan Document and such Finance Party is required to account to the relevant tax authority for the VAT, that Loan Party must pay to such Finance Party (in addition to and at the same time as paying any other consideration for such supply) an amount equal to the amount of the VAT (and such Finance Party must promptly provide an appropriate VAT invoice to that Loan Party).

(ii) If VAT is or becomes chargeable on any supply made by any Finance Party (the "Supplier") to any other Finance Party (the "Recipient") under any Loan Document, and any Loan Party (the "Relevant Party") is required by the terms of any Loan Document to pay an amount equal to the consideration for that supply to the Supplier (rather than being required to reimburse or indemnify the Recipient in respect of that consideration):

(A) (where the Supplier is the person required to account to the relevant tax authority for the VAT) the Relevant Party must also pay to the Supplier (at the same time as paying that amount) an additional amount equal to the amount of the VAT. The Recipient must (where this paragraph (A) applies) promptly pay to the Relevant Party an amount equal to any credit or repayment the Recipient receives from the relevant tax authority which the Recipient reasonably determines relates to the VAT chargeable on that supply; and

(B) (where the Recipient is the person required to account to the relevant tax authority for the VAT) the Relevant Party must promptly, following demand from the Recipient, pay to the Recipient an amount equal to the VAT chargeable on that supply but only to the extent that the Recipient reasonably determines that it is not entitled to credit or repayment from the relevant tax authority in respect of that VAT.

(iii) Where a Loan Document requires any Loan Party to reimburse or indemnify a Finance Party for any cost or expense, that Loan Party shall reimburse or indemnify (as the case may be) such Finance Party for the full amount of such cost or expense, including such part thereof as represents VAT, save to the extent that such Finance Party is entitled to credit or repayment in respect of such VAT from the relevant tax authority.

(iv) Any reference in this Section 3.01(h) to any Loan Party shall, at any time when such Loan Party is treated as a member of a group (including but not limited to any fiscal unities) for VAT purposes, include (where appropriate and unless the context otherwise requires) a reference to the person who is treated as making the supply, or (as appropriate) receiving the supply under the grouping rules.

(v) In relation to any supply made by a Finance Party to any Loan Party under a Loan Document, if reasonably requested by such Finance Party, that Loan Party must promptly provide such Finance Party with details of that Loan Party's VAT registration and such other information as is reasonably requested in connection with such Finance Party's VAT reporting requirements in relation to such supply.

(i) For the avoidance of doubt, the term "Lender" shall, for purposes of this Section 3.01, include any L/C Issuer and any Swing Line Lender.

Section 3.02 Currency Equivalents.

(a) The Administrative Agent shall determine the Dollar Amount of each Revolving Credit Loan denominated in an Alternative Currency and L/C Obligation in respect of Letters of Credit denominated in an Alternative Currency (i) as of the first day of each Interest Period applicable thereto and (ii) as of the end of each fiscal quarter of the Dutch Borrower, and shall promptly notify the Borrowers and the Lenders of each Dollar Amount so determined by it. Each such determination shall be based on the Exchange Rate (x) on the date of the related Borrowing request for purposes of the initial such determination for any Revolving Credit Loan and (y) on the fourth Business Day prior to the date as of which such Dollar Amount is to be determined, for purposes of any subsequent determination.

(b) If after giving effect to any such determination of a Dollar Amount, the sum of the aggregate Outstanding Amount of the Revolving Credit Loans denominated in Alternative Currencies and the L/C Obligations denominated in Alternative Currencies under the Multicurrency Tranche exceeds the aggregate amount of Multicurrency Revolving Credit Commitments then in effect by 5.0% or more, the Borrowers shall, within five Business Days of receipt of notice thereof from the Administrative Agent setting forth such calculation in reasonable detail, prepay the applicable outstanding Dollar Amount of the Revolving Credit Loans denominated in Alternative Currencies under the Multicurrency Tranche or take other action as the Administrative Agent, in its discretion, may direct (including Cash Collateralization of the applicable L/C Obligations in amounts from time to time equal to such excess) to the extent necessary to eliminate any such excess.

Section 3.03 Illegality. If any Lender reasonably determines that any Law has made it unlawful, or that any Governmental Authority has asserted that it is unlawful, for any Lender or its applicable Lending Office to make, maintain or fund Loans whose interest is determined by reference to the Eurocurrency Rate (whether denominated in Dollars or an Alternative Currency), or to determine or charge interest rates based upon the Adjusted Eurocurrency Rate, or any Governmental Authority has imposed material restrictions on the authority of such Lender to purchase or sell, or to take deposits of, Dollars or any Alternative Currency in the applicable interbank market, then, on notice thereof by such Lender to the Borrower through the Administrative Agent, (i) any obligation of such Lender to make or continue Eurocurrency Rate Loans in the affected currency or currencies or to convert Base Rate Loans to Eurocurrency Rate Loans shall be suspended and (ii) if such notice asserts the illegality of such Lender making or maintaining Base Rate Loans the interest rate on which is determined by reference to the Adjusted Eurocurrency Rate component of the Base Rate, the interest rate on which Base Rate Loans of such Lender, shall, if necessary to avoid such illegality, be determined by the Administrative Agent without reference to the Eurocurrency Rate component of the Base Rate, in each case until such Lender notifies the Administrative Agent and the Borrowers that the circumstances giving rise to such determination no longer exist. Upon receipt of such notice, (x) the Borrowers shall, upon demand from such Lender (with a copy to the Administrative Agent), prepay or, (I) if applicable and such Loans are denominated in Dollars, convert all of such Lender's Eurocurrency Rate Loans to Base Rate Loans (the interest rate on which Base Rate Loans of such Lender shall, if necessary to avoid such illegality, be determined by the Administrative Agent without reference to the Adjusted Eurocurrency Rate component of the Base Rate) or (II) if applicable and such Loans are denominated in Alternative Currencies, the interest rate with respect to such Loans shall be determined by an alternative rate mutually acceptable to the Borrowers and the Lenders, either on the last day of the Interest Period therefor, if such Lender may lawfully continue to maintain such Eurocurrency Rate Loans to such day, or immediately, if such Lender may not lawfully continue to maintain such Eurocurrency Rate Loans. Upon any such prepayment or conversion, the applicable Borrower shall also pay accrued interest on the amount so prepaid or converted and all amounts due, if any, in connection with such prepayment or conversion under Section 3.06. Each Lender agrees to designate a different Lending Office if such designation will avoid the need for such notice and will not, in the good faith judgment of such Lender, otherwise be materially disadvantageous to such Lender.

Section 3.04 Inability to Determine Rates. If the Required Lenders reasonably determine that for any reason, adequate and reasonable means do not exist for determining the Eurocurrency Rate for any requested Interest Period with respect to a proposed Eurocurrency Rate Loan, or that the Eurocurrency Rate for any requested Interest Period with respect to a proposed Eurocurrency Rate Loan does not adequately and fairly reflect the cost to such Lenders of funding such Loan, or that deposits are not being offered to banks in the relevant interbank market for the applicable amount and the Interest Period of such Eurocurrency Rate Loan, the Administrative Agent will promptly so notify the Borrowers and each Lender. Thereafter, (x) the obligation of the Lenders to make or maintain Eurocurrency

Rate Loans in the affected currency or currencies shall be suspended and (y) in the event of a determination described in the preceding sentence with respect to the Eurocurrency Rate component of the Base Rate, the utilization of the Eurocurrency Rate component in determining the Base Rate shall be suspended, in each case until the Administrative Agent (upon the instruction of the Required Lenders) revokes such notice. Upon receipt of such notice, the Borrower Representative (on behalf of the Borrowers) may revoke any pending request for a Borrowing of, conversion to or continuation of Eurocurrency Rate Loans or, failing that, will be deemed to have converted such request into a request for a Borrowing of Base Rate Loans in the amount specified therein (or, in the case of a pending request for a Loan denominated in an Alternative Currency, the Borrowers and the Lenders may establish a mutually acceptable alternative rate).

Section 3.05 Increased Cost and Reduced Return; Capital Adequacy.

(a) If any Lender reasonably determines that as a result of the introduction of or any change in or in the interpretation of any Law, in each case after the date hereof, or such Lender's compliance therewith, there shall be any material increase in the cost to such Lender of agreeing to make or making, funding or maintaining any Loan the interest on which is determined by reference to the Eurocurrency Rate or (as the case may be) issuing or participating in Letters of Credit, or a material reduction in the amount received or receivable by such Lender in connection with any of the foregoing (including Taxes on or in respect of its loans, letters of credit, commitments, or other obligations, or its deposits, reserves, other liabilities or capital attributable thereto, but excluding for purposes of this Section 3.05(a) any such increased costs or reduction in amount resulting from (i) Indemnified Taxes indemnifiable under Section 3.01, (ii) Excluded Taxes, and (iii) reserve requirements reflected in the Eurocurrency Rate), then within 15 days after demand of such Lender setting forth in reasonable detail such increased costs (with a copy of such demand to the Administrative Agent given in accordance with Section 3.06), the Borrowers shall pay to such Lender such additional amounts as will compensate such Lender for such increased cost or reduction.

(b) If any Lender reasonably determines that the introduction of any Law regarding capital adequacy or any change therein or in the interpretation thereof, in each case after the date hereof, or compliance by such Lender (or its Lending Office) therewith, has the effect of materially reducing the rate of return on the capital of such Lender or any corporation controlling such Lender as a consequence of such Lender's obligations hereunder (taking into consideration its policies with respect to capital adequacy and such Lender's desired return on capital), then within 15 days after demand of such Lender setting forth in reasonable detail the charge and the calculation of such reduced rate of return (with a copy of such demand to the Administrative Agent given in accordance with Section 3.06), the Borrowers shall pay to such Lender such additional amounts as will compensate such Lender for such reduction.

(c) The Borrowers shall pay to each Lender, (i) as long as such Lender shall be required to maintain reserves or liquidity with respect to liabilities or assets consisting of or including Eurocurrency funds or deposits, additional interest on the unpaid principal amount of each Eurocurrency Rate Loan equal to the actual costs of such reserves or liquidity allocated to such Loan by such Lender (as determined by such Lender in good faith, which determination shall be conclusive in the absence of manifest error), and (ii) as long as such Lender shall be required to comply with any liquidity requirement, reserve ratio requirement or analogous requirement of any other central banking or financial regulatory authority imposed in respect of the maintenance of the Commitments or the funding of the Eurocurrency Rate Loans, such additional costs (expressed as a percentage per annum and rounded upwards, if necessary, to the nearest five decimal places) equal to the actual costs allocated to such Commitment or Loan by such Lender (as determined by such Lender in good faith, which determination shall be conclusive absent manifest error) which in each case shall be due and payable on each date on which interest is payable on such Loan; provided the Borrowers shall have received at least 15 days' prior notice (with a copy to the Administrative Agent) of such additional interest or cost from such Lender. If a Lender fails to give notice fifteen days prior to the relevant Interest Payment Date, such additional interest or cost shall be due and payable 15 days from receipt of such notice.

(d) For purposes of this Section 3.05, (i) the Dodd-Frank Wall Street Reform and Consumer Protection Act and all requests, rules, regulations, guidelines or directives thereunder or issued in connection therewith and (ii) all requests, rules, guidelines, requirements and directives promulgated by the Bank for International Settlements, the Basel Committee on Banking Supervision (or any successor or similar authority) or the United States or foreign regulatory authorities (other than foreign regulatory authorities in Switzerland), in each case pursuant to Basel III, shall, in each case, be deemed to have gone into effect after the date hereof, regardless of the date enacted, adopted or issued.

Section 3.06 Funding Losses. Upon written demand of any Lender (with a copy to the Administrative Agent) from time to time, setting forth in reasonable detail the basis for calculating such compensation, the Borrowers shall promptly compensate such Lender for and hold such Lender harmless from any loss, cost or expense incurred by it as a result of:

(a) any continuation, conversion, payment or prepayment of any Eurocurrency Rate Loan on a day other than the last day of the Interest Period for such Loan (whether voluntary, mandatory, automatic, by reason of acceleration, or otherwise);

(b) any failure by the Borrowers (for a reason other than the failure of such Lender to make a Loan or pursuant to a conditional notice) to prepay, borrow, continue or convert any Eurocurrency Rate Loan on the date or in the amount notified by the Borrowers; or

(c) any failure by a Borrower to make payment of any Loan or drawing under any Letter of Credit (or interest due thereon) denominated in an Alternative Currency on its scheduled due date or any payment of any Loan or drawing under any Letter of Credit (or interest due thereon) in a different currency from such Loan or Letter of Credit drawing; or

(d) any mandatory assignment of such Lender's Eurocurrency Rate Loans pursuant to Section 3.07 on a day other than the last day of the Interest Period for such Loans,

including foreign exchange losses and any loss or expense arising from the liquidation or reemployment of funds obtained by it to maintain such Loan or from fees payable to terminate the deposits from which such funds were obtained, or from the performance of any foreign exchange contract (but excluding anticipated profits). The Borrowers shall also pay any customary administrative fees charged by such Lender in connection with the foregoing.

Section 3.07 Matters Applicable to All Requests for Compensation.

(a) A certificate of any Agent or any Lender claiming compensation under this Article III and setting forth in reasonable detail a calculation of the additional amount or amounts to be paid to it hereunder shall be conclusive in the absence of manifest error. In determining such amount, such Agent or such Lender may use any reasonable averaging and attribution methods. With respect to any Lender's claim for compensation under Section 3.03, 3.04 or 3.05, the Loan Parties shall not be required to compensate such Lender for any amount incurred more than 180 days prior to the date that such Lender notifies the Borrower Representative of the event that gives rise to such claim; provided that, if the circumstance giving rise to such claim is retroactive, then such 180-day period referred to above shall be extended to include the period of retroactive effect thereof.

(b) If any Lender requests compensation under Section 3.05, or a Borrower is required to pay any additional amount to any Lender, the L/C Issuer, or any Governmental Authority for the account of any Lender or the L/C Issuer pursuant to Section 3.01, or if any Lender gives a notice pursuant to Section 3.03, then such Lender or the L/C Issuer, as applicable, will, if requested by the Borrower Representative (on behalf of the Borrowers) and at the Borrowers' expense, use commercially reasonable efforts to designate another Lending Office for any Loan or Letter of Credit affected by such event; provided that such efforts (i) would eliminate or reduce amounts payable pursuant to Section 3.01, 3.02 or 3.04, as applicable, in the future and (ii) would not, in the judgment of such Lender or such L/C Issuer, as applicable, be inconsistent with the internal policies of, or otherwise be disadvantageous in any material legal, economic or regulatory respect to such Lender or its Lending Office or such L/C Issuer. The provisions of this clause (c) shall not affect or postpone any Obligations of the Borrowers or rights of such Lender pursuant to Section 3.05.

(c) If any Lender requests compensation by the Borrowers under Section 3.05, the Borrower Representative (on behalf of the Borrowers) may, by notice to such Lender (with a copy to the Administrative Agent), suspend the obligation of such Lender to make or continue from one Interest Period to another Eurocurrency Rate

Loans denominated in Dollars, or to convert Base Rate Loans into Eurocurrency Rate Loans denominated in Dollars, until the event or condition giving rise to such request ceases to be in effect (in which case the provisions of Section 3.06(e) shall be applicable); provided that such suspension shall not affect the right of such Lender to receive the compensation so requested.

(d) If the obligation of any Lender to make or continue from one Interest Period to another any Eurocurrency Rate Loan denominated in Dollars, or to convert Base Rate Loans into Eurocurrency Rate Loans denominated in Dollars shall be suspended pursuant to this Section 3.07(d) hereof, such Lender's Eurocurrency Rate Loans denominated in Dollars shall be automatically converted into Base Rate Loans on the last day(s) of the then current Interest Period(s) for such Eurocurrency Rate Loans (or, in the case of an immediate conversion required by Section 3.03, on such earlier date as required by Law) and, unless and until such Lender gives notice as provided below that the circumstances specified in Section 3.03, 3.04 or 3.05 hereof that gave rise to such conversion no longer exist:

(i) to the extent that such Lender's Eurocurrency Rate Loans denominated in Dollars have been so converted, all payments and prepayments of principal that would otherwise be applied to such Lender's Eurocurrency Rate Loans denominated in Dollars shall be applied instead to its Base Rate Loans; and

(ii) all Loans that would otherwise be made or continued from one Interest Period to another by such Lender as Eurocurrency Rate Loans denominated in Dollars shall be made or continued instead as Base Rate Loans, and all Base Rate Loans of such Lender that would otherwise be converted into Eurocurrency Rate Loans denominated in Dollars shall remain as Base Rate Loans.

(e) If any Lender gives notice to the Borrower Representative (with a copy to the Administrative Agent) that the circumstances specified in Section 3.03, 3.04 or 3.05 hereof that gave rise to the conversion of such Lender's Eurocurrency Rate Loans denominated in Dollars pursuant to this Section 3.07 no longer exist (which such Lender agrees to do promptly upon such circumstances ceasing to exist) at a time when Eurocurrency Rate Loans denominated in Dollars made by other Lenders are outstanding, such Lender's Base Rate Loans shall be automatically converted, on the first day(s) of the next succeeding Interest Period(s) for such outstanding Eurocurrency Rate Loans denominated in Dollars, to the extent necessary so that, after giving effect thereto, all Loans held by the Lenders holding Eurocurrency Rate Loans denominated in Dollars and by such Lender are held pro rata (as to principal amounts, interest rate basis, and Interest Periods) in accordance with their respective Commitments.

(f) A Lender shall not be entitled to any compensation pursuant to the foregoing sections to the extent such Lender is not imposing such charges or requesting such compensation from borrowers (similarly situated to the Borrowers hereunder) under comparable syndicated credit facilities.

Section 3.08 Replacement of Lenders under Certain Circumstances.

(a) If at any time (i) the Borrowers become obligated to pay additional amounts or indemnity payments described in Section 3.01 or 3.05 (other than with respect to Other Taxes) as a result of any condition described in such Sections or any Lender ceases to make Eurocurrency Rate Loans as a result of any condition described in Section 3.03 or 3.04, (ii) any Lender becomes a Defaulting Lender or (iii) any Lender becomes a Non-Consenting Lender (as defined below in this Section 3.08) (collectively, a "Replaceable Lender"), then the Borrowers may, on ten Business Days' prior written notice from the Borrower Representative to the Administrative Agent and such Lender, either (i) replace such Lender by causing such Lender to (and such Lender shall be obligated to) assign pursuant to Section 10.07(b) (with the assignment fee to be paid by the Borrowers in such instance unless waived by the Administrative Agent) all of its rights and obligations under this Agreement (or, in the case of a Non-Consenting Lender, all of its rights and obligations under this Agreement with respect to the Facility or Facilities for which its consent is required) to one or more Eligible Assignees; provided that neither the Administrative Agent nor any Lender shall have any obligation to the Borrowers to find a replacement Lender or other such Person or (ii) so long as no Default or Event of Default shall have occurred and be continuing, terminate the Commitment of such Lender or L/C Issuer, as the case may be, and (1) in the case of a Lender (other than an L/C Issuer), repay all Obligations of the Borrowers owing (and the amount of all accrued interest and fees in respect thereof) to such Lender relating to the Loans and participations held by such Lender as of such termination date and (2) in the case of an L/C Issuer, repay all obligations of the Borrowers owing to such L/C Issuer relating to the Loans and participations held

by such L/C Issuer as of such termination date and cancel or backstop on terms satisfactory to such L/C Issuer any Letters of Credit issued by it; provided that (i) in the case of any such replacement of, or termination of Commitments with respect to a Non-Consenting Lender such replacement or termination shall be sufficient (together with all other consenting Lenders including any other Replacement Lender) to cause the adoption of the applicable modification, waiver or amendment of the Loan Documents and (ii) in the case of any such replacement as a result of Borrowers having become obligated to pay amounts described in Section 3.01 or 3.04, such replacement would eliminate or reduce payments pursuant to Section 3.01 or 3.04, as applicable, in the future. Any Lender being replaced pursuant to this Section 3.08(a) shall (i) execute and deliver an Assignment and Assumption with respect to such Lender's Commitment and outstanding Loans and participations in L/C Obligations and Swing Line Loans and (ii) deliver any Notes evidencing such Loans to the Borrower Representative (for return to the applicable Borrower) or the Administrative Agent. Pursuant to such Assignment and Assumption, (A) the assignee Lender shall acquire all or a portion, as the case may be, of the assigning Lender's Commitment and outstanding Loans and participations in L/C Obligations and Swing Line Loans, (B) all Obligations relating to the Loans and participations (and the amount of all accrued interest and fees in respect thereof) so assigned shall be paid in full by the assignee Lender to such assigning Lender concurrently with such assignment and assumption and (C) upon such payment and, if so requested by the assignee Lender, the assigning Lender shall deliver to the assignee Lender the applicable Note or Notes executed by the Borrowers, the assignee Lender shall become a Lender hereunder and the assigning Lender shall cease to constitute a Lender hereunder with respect to such assigned Loans, Commitments and participations, except with respect to indemnification provisions under this Agreement, which shall survive as to such assigning Lender. In connection with any such replacement, if any such Replaceable Lender does not execute and deliver to the Administrative Agent a duly executed Assignment and Assumption reflecting such replacement within five Business Days of the date on which the assignee Lender executes and delivers such Assignment and Assumption to such Replaceable Lender, then such Replaceable Lender shall be deemed to have executed and delivered such Assignment and Assumption without any action on the part of the Replaceable Lender. In connection with the replacement of any Lender pursuant to this Section 3.08(a), the Borrowers shall pay to such Lender such amounts as may be required pursuant to Section 3.06.

(b) Notwithstanding anything to the contrary contained above, (i) any Lender that acts as an L/C Issuer may not be replaced hereunder at any time that it has any Letter of Credit outstanding hereunder unless arrangements satisfactory to such L/C Issuer (including the furnishing of a back-up standby letter of credit in form and substance, and issued by an issuer reasonably satisfactory to such L/C Issuer or the depositing of Cash Collateral into a cash collateral account in amounts and pursuant to arrangements consistent with the requirements of Section 2.18) have been made with respect to such outstanding Letter of Credit and (ii) the Lender that acts as the Administrative Agent may not be replaced hereunder except in accordance with the terms of Section 9.09.

(c) In the event that (i) the Borrower Representative (on behalf of the Borrowers) or the Administrative Agent has requested the Lenders to consent to a waiver of any provisions of the Loan Documents or to agree to any amendment or other modification thereto, (ii) the waiver, amendment or modification in question requires the agreement of all affected Lenders in accordance with the terms of Section 10.01 or all the Lenders with respect to a certain class of the Loans and (iii) the Required Lenders have agreed to such waiver, amendment or modification, then any Lender who does not agree to such waiver, amendment or modification, in each case, shall be deemed a "Non-Consenting Lender"; provided, that the term "Non-Consenting Lender" shall also include any Lender that rejects (or is deemed to reject) (x) a loan modification offer under Section 10.01, which loan modification has been accepted by at least the Majority Lenders of the respective Tranche of Loans whose Loans and/or Commitments are to be extended pursuant to such loan modification and (y) any Lender that does not elect to become a lender in respect of any Specified Refinancing Debt pursuant to Section 2.20.

(d) Survival. All of the Loan Parties' obligations under this Article III shall survive termination of the Aggregate Commitments and repayment of all other Obligations hereunder, any assignment by or replacement of a Lender and any resignation of the Administrative Agent.

ARTICLE IV.
Conditions Precedent to Credit Extensions

Section 4.01 Conditions to the Initial Credit Extension on the Closing Date. The obligation of each Lender to make its initial Credit Extension hereunder on the Closing Date is subject to satisfaction or due waiver in accordance with Section 10.01 of each of the following conditions precedent, except as otherwise agreed between the Borrowers and the Administrative Agent:

(a) The Administrative Agent shall have received all of the following, each of which shall be originals or facsimiles or "pdf" files (followed promptly by originals) unless otherwise specified, each properly executed by a Responsible Officer of the signing Loan Party, each dated as of the Closing Date (or, in the case of certificates of governmental officials, as of a recent date before the Closing Date), each in form and substance reasonably satisfactory to the Administrative Agent, and each accompanied by their respective required schedules and other attachments (and set forth thereon shall be all required information with respect to Holdings and its Subsidiaries, giving effect to the Transaction):

(A) certificates, if any, representing the Pledged Interests in the Dutch Borrower, U.S. Borrower and, to the extent received from the Sellers after Holdings' use of commercially reasonable efforts to receive such certificates or otherwise without undue burden or expense, each wholly owned Domestic Subsidiary other than Immaterial Subsidiaries referred to therein accompanied by undated stock powers executed in blank (or stock transfer forms, as applicable) and instruments evidencing the Pledged Debt indorsed in blank (or instrument of transfer, as applicable),

(B) copies of proper financing statements, filed or duly prepared for filing under the Uniform Commercial Code in all jurisdictions that the Administrative Agent may deem reasonably necessary in order to perfect and protect the Liens on assets of Holdings, each Borrower and each Subsidiary Guarantor that is party to the Security Agreement created under the Security Agreement, covering the Collateral described in the Security Agreement, and

(C) evidence that all other actions, recordings and filings of or with respect to the Security Agreement that the Administrative Agent may deem reasonably necessary or desirable in order to perfect and protect the Liens created thereby shall have been taken, completed or otherwise provided for in a manner reasonably satisfactory to the Administrative Agent (including receipt of duly executed payoff letters, customary lien searches and UCC-3 termination statements); provided, however, that this provision does not apply with respect to foreign intellectual property;

(iii) an Intellectual Property Security Agreement, duly executed by the U.S. Borrower and each Subsidiary Guarantor that is a Domestic Subsidiary that owns intellectual property that is required to be pledged in accordance with the Security Agreement, together with (subject to the last paragraph of this Section 4.01) evidence that all action that the Administrative Agent in its reasonable judgment may deem reasonably necessary or desirable in order to perfect and protect the Liens created under the Intellectual Property Security Agreement has been taken; provided, however, that this provision does not apply with respect to perfection and protections of the Liens over foreign intellectual property;

(iv) those certain Collateral Documents required to be delivered on the Closing Date pursuant to Schedule 1.01(l) duly executed by the parties thereto;

(viii) such documents and certifications (including Organization Documents and, if applicable, good standing certificates (which, in the case of Holdings and the Dutch Borrower, shall be an excerpt of the Trade Register of the Netherlands, dated not later than one day prior to the Closing Date)) as the Administrative Agent may reasonably require to evidence that Holdings, each Borrower and each Subsidiary Guarantor is duly organized or formed, and that each of them is validly existing and, to the extent applicable, in good standing, except to the extent that failure to be so qualified could not reasonably be expected to have a Material Adverse Effect;

(ix) an opinion of Latham & Watkins LLP, special New York counsel to Holdings, the Borrowers and the Subsidiary Guarantors, addressed to each Secured Party, in form and substance reasonably satisfactory to the Administrative Agent; and

(x) opinions of local and foreign counsel for the Borrowers and the Subsidiary Guarantors (or the Administrative Agent, as applicable) listed on Schedule 4.01(a)(x) hereto, in form and substance reasonably satisfactory to the Administrative Agent.

(b) Except as set forth on the Disclosure Schedules to the Purchase Agreement, since December 31, 2011, through and including the Closing Date, no Company Material Adverse Effect has occurred.

Section 8.03 Right to Cure.

(a) Notwithstanding anything to the contrary contained in Section 8.01 or 8.02, in the event that the Borrowers fail to comply with the requirements of the financial covenant set forth in Section 7.11 at any time when the Borrowers are required to comply with such financial covenant, pursuant to the terms thereof, then (A) from the end of the most recently ended fiscal quarter of the Dutch Borrower until the expiration of the tenth Business Day subsequent to the date the relevant financial statements are required to be delivered pursuant to Sections 6.01 (a) or (b) (the last day of such period being the "Anticipated Cure Deadline"), Holdings shall have the right to issue common Equity Interests for cash and contribute the proceeds therefrom in the form of common Equity Interests or in another form reasonably acceptable to the Administrative Agent to the Dutch Borrower or obtain a contribution to its equity (which shall be in the form of common equity or otherwise in a form reasonably acceptable to the Administrative Agent) (the "Cure Right"), and upon the receipt by the Dutch Borrower of such cash (the "Cure Amount"), pursuant to the exercise by the Borrowers of such Cure Right, the calculation of Consolidated EBITDA as used in the financial covenant set forth in Section 7.11 shall be recalculated giving effect to the following pro forma adjustments:

(i) Consolidated EBITDA shall be increased, solely for the purpose of measuring the financial covenant set forth in Section 7.11 and not for any other purpose under this Agreement (including but not limited to determining the availability or amount of any covenant baskets or carve-outs (including the

determination of Cumulative Credit) or determining the Applicable Commitment Fee or Applicable Rate), by an amount equal to the Cure Amount; provided that (1) the receipt by the Dutch Borrower of the Cure Amount pursuant to the Cure Right shall be deemed to have no other effect whatsoever under this Agreement (including but not limited to determining the availability or amount of any covenant baskets or carve-outs or determining the Applicable Commitment Fee or Applicable Rate) and (2) no Cure Amount shall reduce Indebtedness on a Pro Forma Basis for the applicable period for purposes of calculating the financial covenant set forth in Section 7.11 or calculating the First Lien Net Leverage Ratio, the Senior Secured Net Leverage Ratio or the Total Net Leverage Ratio, nor shall any Cure Amount held by any Borrower Party qualify as "unrestricted cash or Cash Equivalents of the Borrower Parties" for the purposes of calculating any net obligations or liabilities under the terms of this Agreement; and

(ii) If, after giving effect to the foregoing recalculations, the Borrowers shall then be in compliance with the requirements of the financial covenant set forth in Section 7.11, the Borrowers shall be deemed to have satisfied the requirements of the financial covenant set forth in Section 7.11 as of the relevant date of determination with the same effect as though there had been no failure to comply therewith at such date, and the applicable breach or default of the financial covenant set forth in Section 7.11 that had occurred shall be deemed cured for the purposes of this Agreement; and

(B) upon receipt by the Administrative Agent of written notice, on or prior to the Anticipated Cure Deadline, that the Borrowers intend to exercise the Cure Right in respect of a fiscal quarter, the Lenders shall not be permitted to accelerate Loans held by them, to terminate the Revolving Credit Commitments held by them or to exercise remedies against the Collateral on the basis of a failure to comply with the requirements of the financial covenant set forth in Section 7.11, unless such failure is not cured pursuant to the exercise of the Cure Right on or prior to the Anticipated Cure Deadline.

(b) Notwithstanding anything herein to the contrary, (i) in each four consecutive fiscal-quarter period there shall be at least two fiscal quarters in respect of which the Cure Right is not exercised, (ii) there can be no more than five fiscal quarters in respect of which the Cure Right is exercised during the term of the Facilities and (iii) for purposes of this Section 8.03, the Cure Amount utilized shall be no greater than the minimum amount required to remedy the applicable failure to comply with the financial covenant set forth in Section 7.11.

Section 8.04 Application of Funds. After the exercise of remedies provided for in Section 8.02 (or after an actual or deemed entry of an order for relief with respect to any Borrower under any Debtor Relief Law), any amounts received on account of the Obligations shall, subject to the provisions of Sections 2.18 and 2.19, be applied by the Administrative Agent in the following order:

(a) first, to payment of that portion of the Obligations constituting fees, indemnities, expenses and other amounts (including fees, disbursements and other charges of counsel payable under Section 10.04 and amounts payable under Article III and amounts owing in respect of (x) the preservation of Collateral or the Collateral Agent's security interest in the Collateral or (y) with respect to enforcing the rights of the Secured Parties under the Loan Documents) payable to the Administrative Agent and the Collateral Agent in their respective capacity as such;

(b) second, to payment in full of Unfunded Advances/Participations (the amounts so applied to be distributed between or among, as applicable, the Administrative Agent, the Swing Line Lender and the L/C Issuers pro rata in accordance with the amounts of Unfunded Advances/Participations owed to them on the date of any such distribution);

(c) third, to payment of that portion of the Obligations constituting fees, indemnities, expenses and other amounts (other than principal, interest and Letter of Credit fees) payable to the Lenders and the L/C Issuers (including fees, disbursements and other charges of counsel payable under Sections 10.04 and 10.05) arising under the Loan Documents and amounts payable under Article III, ratably among them in proportion to the respective amounts described in this clause (b) held by them;

(d) fourth, to payment of that portion of the Obligations constituting accrued and unpaid Letter of Credit fees and interest on the Loans and L/C Borrowings, ratably among the Lenders and the L/C Issuers in proportion to the respective amounts described in this clause (d) held by them;

(e) fifth, (i) to payment of that portion of the Obligations constituting unpaid principal of the Loans, the L/C Borrowings and obligations of the Loan Parties then owing under Secured Hedge Agreements and the Secured Cash Management Agreements and (ii) to Cash Collateralize that portion of L/C Obligations comprising the aggregate undrawn amount of Letters of Credit to the extent not otherwise Cash Collateralized by the Borrowers pursuant to Sections 2.03 and 2.18, ratably among the Lenders, the L/C Issuers, the Hedge Banks party to such Secured Hedge Agreements and the Cash Management Banks party to such Secured Cash Management Agreements in proportion to the respective amounts described in this clause (e) held by them; provided that (x) any such amounts applied pursuant to the foregoing subclause (ii) shall be paid to the Administrative Agent for the ratable account of the applicable L/C Issuers to Cash Collateralize such L/C Obligations, (y) subject to Sections 2.03(d) and 2.18, amounts used to Cash Collateralize the aggregate undrawn amount of Letters of Credit pursuant to this clause (e) shall be applied to satisfy drawings under such Letters of Credit as they occur and (z) upon the expiration of any Letter of Credit, the pro rata share of Cash Collateral attributable to such expired Letter of Credit shall be applied by the Administrative Agent in accordance with the priority of payments set forth in this Section 8.04;

(f) sixth, to the payment of all other Obligations of the Loan Parties owing under or in respect of the Loan Documents that are then due and payable to the Administrative Agent and the other Secured Parties, ratably based upon the respective aggregate amounts of all such Obligations then owing to the Administrative Agent and the other Secured Parties; and

(g) last, after all of the Obligations have been paid in full (other than contingent indemnification obligations not yet due and owing), to the Borrowers or as otherwise required by Law.

If any amount remains on deposit as Cash Collateral after all Letters of Credit have either been fully drawn or expired, such remaining amount shall be applied to the other Obligations, if any, in accordance with the priority of payments set forth above. Notwithstanding the foregoing, Obligations arising under Secured Cash Management Agreements and Secured Hedge Agreements shall be excluded from the application of payments described above if the Administrative Agent has not received written notice thereof, together with such supporting documentation as the Administrative Agent may reasonably request, from the applicable Cash Management Bank or Hedge Bank, as the case may be. Each Cash Management Bank or Hedge Bank not a party to this Agreement that has given the notice contemplated by the preceding sentence shall, by such notice, be deemed to have acknowledged and accepted the appointment of the Administrative Agent pursuant to the terms of Article IX for itself and its Affiliates as if a "Lender" party hereto.

It is understood and agreed by each Loan Party and each Secured Party that the Administrative Agent and Collateral Agent shall have no liability for any determinations made by it in this Section 8.04, in each case except to the extent resulting from the gross negligence or willful misconduct of the Administrative Agent or the Collateral Agent, as applicable (as determined by a court of competent jurisdiction in a final and non-appealable decision). Each Loan Party and each Secured Party also agrees that the Administrative Agent and the Collateral Agent may (but shall not be required to), at any time and in its sole discretion, and with no liability resulting therefrom, petition a court of competent jurisdiction regarding any application of Collateral in accordance with the requirements hereof, and the Administrative Agent and the Collateral Agent shall be entitled to wait for, and may conclusively rely on, any such determination.

ARTICLE IX.
Administrative Agent and Other Agents

Section 9.01 Appointment and Authorization of Agents.

(a) Each Lender, L/C Issuer and Swing Line Lender hereby irrevocably appoints Barclays to act on its behalf as Administrative Agent hereunder and under the other Loan Documents, and designates and authorizes the Administrative Agent to take such actions on its behalf under the provisions of this Agreement and each other Loan

Document and to exercise such powers and perform such duties as are expressly delegated to the Administrative Agent by the terms of this Agreement or any other Loan Document, together with such actions and powers as are reasonably incidental thereto. Notwithstanding any provision to the contrary contained elsewhere herein or in any other Loan Document no Agent shall have any duties or responsibilities, except those expressly set forth herein, nor shall any Agent have or be deemed to have any fiduciary relationship with any Lender or participant, and no implied covenants, functions, responsibilities, duties, obligations or liabilities shall be read into this Agreement or any other Loan Document or otherwise exist against any Agent. Regardless of whether a Default has occurred and is continuing and without limiting the generality of the foregoing sentence, the use of the term "agent" herein and in the other Loan Documents with reference to any Agent is not intended to connote any fiduciary or other implied (or express) obligations arising under agency doctrine of any applicable Law. Instead, such term is used merely as a matter of market custom, and is intended to create or reflect only an administrative relationship between independent contracting parties.

(b) Each L/C Issuer shall act on behalf of the Lenders with respect to any Letters of Credit issued by it and the documents associated therewith, and such L/C Issuer shall have all of the benefits and immunities (i) provided to the Agents in this Article IX with respect to any acts taken or omissions suffered by such L/C Issuer in connection with Letters of Credit issued by it or proposed to be issued by it and the applications and agreements for letters of credit pertaining to such Letters of Credit as fully as if the term "Agent" as used in this Article IX and in the definition of "Agent-Related Person" included such L/C Issuer with respect to such acts or omissions, and (ii) as additionally provided herein with respect to such L/C Issuer.

(c) The Administrative Agent shall also act as the Collateral Agent under the Loan Documents, and each of the Lenders (including in its capacities as a Lender, Swing Line Lender (if applicable), L/C Issuer (if applicable) and a potential Cash Management Bank party to a Secured Cash Management Agreement and/or a potential Hedge Bank party to a Secured Hedge Agreement) hereby irrevocably appoints and authorizes the Administrative Agent to act as the agent of (and to hold any security interest created by the Collateral Documents for and on behalf of or in trust for) such Lender for purposes of acquiring, holding and enforcing any and all Liens on Collateral granted by any of the Loan Parties to secure any of the Secured Obligations, together with such powers and discretion as are reasonably incidental thereto. In this connection, the Administrative Agent as Collateral Agent (and any co-agents, sub-agents and attorneys-in-fact appointed by the Administrative Agent pursuant to Section 9.02 for purposes of holding or enforcing any Lien on the Collateral (or any portion thereof) granted under the Collateral Documents, or for exercising any rights and remedies thereunder at the direction of the Administrative Agent), shall be entitled to the benefits of all provisions of this Article IX (including Section 9.07, as though such co-agents, sub-agents and attorneys-in-fact were the Collateral Agent under the Loan Documents) and Section 10.04 as if set forth in full herein with respect thereto and all references to Administrative Agent in this Article IX shall, where applicable, be read as including a reference to the Collateral Agent. Without limiting the generality of the foregoing, the Lenders hereby expressly authorize the Administrative Agent as Collateral Agent to execute any and all documents (including releases) with respect to the Collateral and the rights of the Secured Parties with respect thereto (including the Intercreditor Agreement), as contemplated by and in accordance with the provisions of this Agreement and the Collateral Documents and acknowledge and agree that any such action by any Agent shall bind the Lenders (including in its capacities as a Lender, Swing Line Lender (if applicable), L/C Issuer (if applicable) and a potential Cash Management Bank party to a Secured Cash Management Agreement and/or a potential Hedge Bank party to a Secured Hedge Agreement).

(d) Each of the Lenders hereby relieves the Administrative Agent from the restrictions pursuant to section 181 of the German Civil Code (Bürgerliches Gesetzbuch) and similar restrictions applicable to it pursuant to any other applicable law, in each case to the extent legally possible to such Lender. Any Lender which is barred by its constitutional documents or by-laws from granting such exemption shall notify the Administrative Agent accordingly.

Section 9.02 Delegation of Duties. The Administrative Agent may execute any of its duties and exercise its rights and powers under this Agreement or any other Loan Document (including for purposes of holding or enforcing any Lien on the Collateral (or any portion thereof) granted under the Collateral Documents or of exercising any rights and remedies thereunder) by or through agents, employees or attorneys-in-fact and shall be entitled to advice of counsel and other consultants or experts concerning all matters pertaining to such duties. The Administrative Agent and any such sub agent may perform any and all of its duties and exercise its rights and powers by or

through their respective Agent-Related Persons. The Administrative Agent shall not be responsible for the negligence or misconduct of any agent or attorney-in-fact that it selects in the absence of gross negligence or willful misconduct by the Administrative Agent, as determined by a final non-appealable judgment by a court of competent jurisdiction. The exculpatory provisions of this Article IX shall apply to any such sub agent and to the Agent-Related Persons of the Administrative Agent and any such sub agent, and shall apply to their respective activities in connection with the syndication of the credit facilities provided for herein as well as activities as Administrative Agent.

Section 9.03 Liability of Agents.

(a) No Agent-Related Person shall be (i) liable for any action taken or omitted to be taken by any of them under or in connection with this Agreement or any other Loan Document or the transactions contemplated hereby (except for its own gross negligence or willful misconduct in connection with its duties expressly set forth herein, to the extent determined in a final, non-appealable judgment by a court of competent jurisdiction), (ii) liable for any action taken or not taken by it (A) with the consent or at the request of the Required Lenders (or such other number or percentage of the Lenders as shall be necessary, or as the Administrative Agent shall believe in good faith shall be necessary, under the circumstances as provided in Sections 10.01 and 8.02) or (B) in the absence of its own gross negligence or willful misconduct as determined by the final judgment of a court of competent jurisdiction, in connection with its duties expressly set forth herein, (iii) responsible in any manner to any Lender or participant for any recital, statement, representation or warranty made by any Loan Party or any officer thereof, contained herein or in any other Loan Document, or in any certificate, report, statement or other document referred to or provided for in, or received by the Administrative Agent under or in connection with, this Agreement or any other Loan Document, (iv) responsible for or have any duty to ascertain or inquire into the validity, effectiveness, genuineness, enforceability or sufficiency of this Agreement or any other Loan Document or any other agreement, instrument or document, or the creation, perfection or priority of any Lien, or security interest created or purported to be created under the Collateral Documents, or for any failure of any Loan Party or any other party to any Loan Document to perform its obligations hereunder, (v) responsible for or have any duty to ascertain or inquire into the value or the sufficiency of any Collateral or (vi) responsible for or have any duty to ascertain or inquire into the satisfaction of any condition set forth in Article IV or elsewhere herein, other than to confirm receipt of items expressly required to be delivered to the Administrative Agent. No Agent-Related Person shall be under any obligation to any Lender or participant to ascertain or to inquire as to the observance or performance of any of the agreements contained in, or conditions of, this Agreement or any other Loan Document, or to inspect the properties, books or records of any Loan Party or any Affiliate thereof.

(b) The Administrative Agent shall not have any duty to (i) take any discretionary action or exercise any discretionary powers, except discretionary rights and powers expressly contemplated hereby or by the other Loan Documents that such Agent is required to exercise as directed in writing by the Required Lenders (or such other number or percentage of the Lenders as shall be expressly provided for herein or in the other Loan Documents); provided that no Agent shall be required to take any action that, in its opinion or the opinion of its counsel, may expose such Agent to liability or that is contrary to any Loan Document or applicable Law; and (ii) to disclose, except as expressly set forth herein and in the other Loan Documents, and shall not be liable for the failure to disclose, any information relating to any Borrower or any of its Affiliates that is communicated to or obtained by any Person serving as an Agent or any of its Affiliates in any capacity.

(c) Any assignor of a Loan or seller of a participation hereunder shall be entitled to rely conclusively on a representation of the assignee Lender or Participant in the relevant Assignment and Assumption or participation agreement, as applicable, that such assignee or purchaser is not a Disqualified Institution. No Agent shall have any responsibility or liability for monitoring the list or identities of, or enforcing provisions relating to, Disqualified Institutions.

Section 9.04 Reliance by Agents.

(a) Each Agent shall be entitled to rely, and shall be fully protected in relying, upon any writing, communication, signature, resolution, representation, notice, request, consent, certificate, instrument, affidavit, letter, telegram, facsimile, telex or telephone message, electronic mail message, Internet or intranet website posting or other distribution statement or other document or conversation believed by it to be genuine and correct and to have

been signed, sent or made by the proper Person or Persons. Each Agent also may rely upon any statement made to it orally or by telephone and believed by it to have been made by the proper Person, and shall not incur any liability for relying thereon. In determining compliance with any condition hereunder to the making of a Loan that by its terms must be fulfilled to the satisfaction of a Lender, the Administrative Agent may presume that such condition is satisfactory to such Lender unless the Administrative Agent shall have received notice to the contrary from such Lender prior to the making of such Loan. Each Agent may consult with, and rely upon (and be fully protected in relying upon), advice and statements of legal counsel (including counsel to any Loan Party), independent accountants and other experts selected by such Agent. Each Agent shall be fully justified in failing or refusing to take any action under any Loan Document unless it shall first receive such advice or concurrence of the Required Lenders (or such greater number of Lenders as may be expressly required hereby in any instance) as it deems appropriate and, if it so requests, it shall first be indemnified to its satisfaction by the Lenders against any and all liability and expense which may be incurred by it by reason of taking or continuing to take any such action. Each Agent shall in all cases be fully protected in acting, or in refraining from acting, under this Agreement or any other Loan Document in accordance with a request or consent of the Required Lenders (or such greater number of Lenders as may be expressly required hereby in any instance) and such request and any action taken or failure to act pursuant thereto shall be binding upon all the Lenders.

(b) For purposes of determining compliance with the conditions specified in Sections 4.01 and 4.02, each Lender that has signed this Agreement shall be deemed to have consented to, approved or accepted or to be satisfied with, each document or other matter required thereunder to be consented to or approved by or acceptable or satisfactory to a Lender unless the Administrative Agent shall have received notice from such Lender prior to the proposed Closing Date, specifying its objection thereto.

Section 9.05 Notice of Default. The Administrative Agent shall not be deemed to have knowledge or notice of the occurrence of any Default, except with respect to defaults in the payment of principal, interest and fees required to be paid to the Administrative Agent for the account of the Lenders, unless the Administrative Agent shall have received written notice from a Lender or any Borrower referring to this Agreement, describing such Default and stating that such notice is a "notice of default." The Administrative Agent will notify the Lenders of its receipt of any such notice. The Administrative Agent shall take such action with respect to any Event of Default as may be directed by the Required Lenders or the Required Revolving Lenders, as applicable, in accordance with Article VIII; provided, however, that unless and until the Administrative Agent has received any such direction, the Administrative Agent may (but shall not be obligated to) take such action, or refrain from taking such action, with respect to such Event of Default as it shall deem advisable or in the best interest of the Lenders.

Section 9.06 Credit Decision; Disclosure of Information by Agents. Each Lender acknowledges that no Agent-Related Person has made any representation or warranty to it, and that no act by any Agent hereafter taken, including any consent to and acceptance of any assignment or review of the affairs of any Loan Party or any Affiliate thereof, shall be deemed to constitute any representation or warranty by any Agent-Related Person to any Lender as to any matter, including whether Agent-Related Persons have disclosed material information in their possession. Each Lender represents to each Agent that it has, independently and without reliance upon any Agent-Related Person and based on such documents and information as it has deemed appropriate, made its own appraisal of, and investigation into, the business, prospects, operations, property, financial and other condition and creditworthiness of the Loan Parties and their respective Subsidiaries, and all applicable bank or other regulatory Laws relating to the transactions contemplated hereby, and made its own decision to enter into this Agreement and to extend credit to the Borrowers and the other Loan Parties hereunder. Each Lender also represents that it will, independently and without reliance upon any Agent-Related Person and based on such documents and information as it shall deem appropriate at the time, continue to make its own credit analysis, appraisals and decisions in taking or not taking action under this Agreement and the other Loan Documents, and to make such investigations as it deems necessary to inform itself as to the business, prospects, operations, property, financial and other condition and creditworthiness of the Borrowers and the other Loan Parties. Except for notices, reports and other documents expressly required to be furnished to the Lenders by any Agent herein, such Agent shall not have any duty or responsibility to provide any Lender with any credit or other information concerning the business, prospects, operations, property, financial and other condition or creditworthiness of any of the Loan Parties or any of their respective Affiliates which may come into the possession of any Agent-Related Person.

Section 9.07 Indemnification of Agents. Whether or not the transactions contemplated hereby are consummated, each Lender shall, on a ratable basis based on such Lender's Pro Rata Share of all the Facilities, indemnify upon demand each Agent-Related Person (to the extent not reimbursed by or on behalf of any Loan Party and without limiting the obligation of any Loan Party to do so), and hold harmless each Agent-Related Person in each case from and against any and all Indemnified Liabilities incurred by such Agent-Related Person; provided, however, that no Lender shall be liable for any Indemnified Liabilities incurred by an Agent-Related Person to the extent such Indemnified Liabilities are determined in a final, non-appealable judgment by a court of competent jurisdiction to have resulted from such Agent-Related Person's own gross negligence or willful misconduct; provided, however, that no action taken in accordance with the directions of the Required Lenders (or such other number or percentage of the Lenders as shall be required by the Loan Documents) shall be deemed to constitute gross negligence or willful misconduct for purposes of this Section 9.07; provided, further, that to the extent any L/C Issuer is entitled to indemnification under this Section 9.07 solely in its capacity and role as an L/C Issuer, only the Revolving Credit Lenders shall be required to indemnify such L/C Issuer under this Section 9.07 (which indemnity shall be provided by such Lenders based upon their respective Pro Rata Share of the Revolving Credit Facility). In the case of any investigation, litigation or proceeding giving rise to any Indemnified Liabilities, this Section 9.07 shall apply whether or not any such investigation, litigation or proceeding is brought by any Lender or any other Person. Without limiting the foregoing, each Lender shall reimburse the Administrative Agent upon demand for its Pro Rata Share of any costs or out-of-pocket expenses (including the fees, disbursements and other charges of counsel) incurred by the Administrative Agent in connection with the preparation, execution, delivery, administration, modification, amendment or enforcement (whether through negotiations, legal proceedings or otherwise) of, or legal advice in respect of rights or responsibilities under, this Agreement, any other Loan Document, or any document contemplated by or referred to herein, to the extent that the Administrative Agent is not reimbursed for such expenses by or on behalf of the Borrowers; provided that such reimbursement by the Lenders shall not affect the Borrowers' continuing reimbursement obligations with respect thereto; provided, further, that failure of any Lender to indemnify or reimburse the Administrative Agent shall not relieve any other Lender of its obligation in respect thereof. The undertaking in this Section 9.07 shall survive termination of the Aggregate Commitments, the payment of all other Obligations and the resignation of the Administrative Agent.

Section 9.08 Agents in their Individual Capacities. Any Agent and its Affiliates may make loans to, issue letters of credit for the account of, accept deposits from, acquire Equity Interests in and generally engage in any kind of banking, trust, financial advisory, underwriting or other business with each of the Loan Parties and their respective Affiliates as though it were not an Agent or an L/C Issuer hereunder and without notice to or consent of the Lenders. The Lenders acknowledge that, pursuant to such activities, an Agent or its Affiliates may receive information regarding any Loan Party or its Affiliates (including information that may be subject to confidentiality obligations in favor of such Loan Party or such Affiliate) and acknowledge that such Agent shall be under no obligation to provide such information to them. With respect to its Loans, such Agent shall have the same rights and powers under this Agreement as any other Lender and may exercise such rights and powers as though it were not an Agent or an L/C Issuer, and the terms "Lender" and "Lenders" include such Agent in its individual capacity (unless otherwise expressly indicated or unless the context otherwise requires).

Section 9.09 Successor Agents.

(a) The Administrative Agent or Collateral Agent may resign as the Administrative Agent or Collateral Agent, as applicable, upon 30 days' notice to the Lenders. If the Administrative Agent or Collateral Agent resigns under this Agreement, the Required Lenders shall appoint from among the Lenders a successor agent for the Lenders, which successor agent shall be consented to by the Borrowers at all times other than during the existence of an Event of Default under Section 8.01(a), (f), or (g) (which consent of the Borrowers shall not be unreasonably withheld or delayed). If no successor agent is appointed prior to the effective date of the resignation of the Administrative Agent or Collateral Agent, as applicable, the Administrative Agent or Collateral Agent, as applicable, may appoint, after consulting with the Lenders and the Borrowers, a successor agent from among the Lenders. Upon the acceptance of its appointment as successor agent hereunder, the Person acting as such successor agent shall succeed to all the rights, powers and duties of the retiring Administrative Agent or Collateral Agent, as applicable, and the term "Administrative Agent" or "Collateral Agent," as applicable, shall mean such successor administrative agent or such successor collateral agent, as applicable, and the retiring Administrative Agent's or Collateral Agent's appointment, powers and duties as the Administrative Agent or Collateral Agent, as applicable, shall be terminated. After the retiring Administrative Agent's or Collateral Agent's resignation hereunder as the Administrative Agent or

Collateral Agent, the provisions of this Article IX and Sections 10.04 and 10.05 shall continue in effect for its benefit as to any actions taken or omitted to be taken by it while it was the Administrative Agent or Collateral Agent under this Agreement. If no successor agent has accepted appointment as the Administrative Agent or Collateral Agent by the date which is 30 days following the retiring Administrative Agent's or Collateral Agent's notice of resignation, the retiring Administrative Agent's or Collateral Agent's resignation shall nevertheless thereupon become effective and (i) the retiring Administrative Agent or Collateral Agent, as applicable, shall be discharged from its duties and obligations hereunder and under the other Loan Documents (except that in the case of any collateral security held by the Administrative Agent or Collateral Agent on behalf of the Lenders under any of the Loan Documents, the retiring Agent shall continue to hold such collateral security as bailee, trustee or other applicable capacity until such time as a successor of such Agent is appointed), (ii) all payments, communications and determinations provided to be made by, to or through the Administrative Agent shall instead be made by or to each Lender directly, until such time as the Required Lenders appoint a successor Administrative Agent as provided for above in this Section 9.09 and (iii) the Lenders shall perform all of the duties of the Administrative Agent or Collateral Agent, as applicable, hereunder until such time, if any, as the Required Lenders appoint a successor agent as provided for above. Upon the acceptance of any appointment as the Administrative Agent or Collateral Agent hereunder by a successor and upon the execution and filing or recording of such financing statements, or amendments thereto, and such amendments or supplements to the Mortgages, and such other instruments or notices, as may be necessary or desirable, or as the Required Lenders may request, in order to continue the perfection of the Liens granted or purported to be granted by the Collateral Documents, the Administrative Agent or Collateral Agent, as applicable, shall thereupon succeed to and become vested with all the rights, powers, discretion, privileges, and duties of the retiring Administrative Agent or Collateral Agent. Upon the acceptance of any appointment as the Administrative Agent or Collateral Agent hereunder by a successor or upon the expiration of the 30-day period following the retiring Administrative Agent's or Collateral Agent's notice of resignation without a successor agent having been appointed, the retiring Administrative Agent or Collateral Agent, as applicable, shall be discharged from its duties and obligations hereunder and under the other Loan Documents but the provisions of this Article IX and Sections 10.04 and 10.05 shall continue in effect for the benefit of such retiring Agent, its sub-agents and their respective Agent-Related Persons in respect of any actions taken or omitted to be taken by any of them solely in respect of the Loan Documents or Obligations, as applicable, while the retiring Agent was acting as Administrative Agent or Collateral Agent, as applicable. At any time the Administrative Agent or Collateral Agent is a Defaulting Lender pursuant to clause (d) of the definition thereof, the Administrative Agent or Collateral Agent may be removed as the Administrative Agent or Collateral Agent hereunder at the request of the Dutch Borrower (on behalf of the Borrowers) and the Required Lenders.

(b) Any resignation by Barclays as Administrative Agent or Collateral Agent pursuant to this Section 9.09 shall also constitute its resignation as an L/C Issuer and as Swing Line Lender, in which case the resigning Administrative Agent (x) shall not be required to issue any further Letters of Credit or make any additional Swing Line Loans hereunder and (y) shall maintain all of its rights as L/C Issuer or Swing Line Lender, as the case may be, with respect to any Letters of Credit issued by it, or Swing Line Loans made by it, prior to the date of such resignation. Upon the acceptance of a successor's appointment as Administrative Agent or Collateral Agent hereunder or upon the expiration of the 30-day period following the retiring Administrative Agent or Collateral Agent's notice of resignation without a successor agent having been appointed, (i) such successor (if any) shall succeed to and become vested with all of the rights, powers, privileges and duties of the retiring L/C Issuer and Swing Line Lender, (ii) the retiring L/C Issuer and Swing Line Lender shall be discharged from all of their respective duties and obligations hereunder or under the other Loan Documents and (iii) the successor L/C Issuer (if any) shall issue letters of credit in substitution for the Letters of Credit, if any, outstanding at the time of such succession or make (or the Borrowers shall enter into) other arrangements satisfactory to the retiring L/C Issuer to effectively assume the obligations of the retiring L/C Issuer with respect to such Letters of Credit.

Section 9.10 Administrative Agent May File Proofs of Claim. In case of the pendency of any receivership, administrative receivership, judicial management, insolvency, liquidation, bankruptcy, reorganization (by way of voluntary arrangement, schemes of arrangement or otherwise), arrangement, adjustment, composition or other judicial proceeding relative to any Loan Party, the Administrative Agent (irrespective of whether the principal of any Loan or L/C Obligation shall then be due and payable as herein expressed or by declaration or otherwise and irrespective of whether the Administrative Agent shall have made any demand on the Borrowers) shall be entitled and empowered, by intervention in such proceeding or otherwise:

(a) to file and prove a claim for the whole amount of the principal and interest owing and unpaid in respect of the Loans, L/C Obligations and all other Obligations that are owing and unpaid and to file such other documents as may be necessary or advisable in order to have the claims of the Lenders and the Administrative Agent (including any claim for the reasonable compensation, expenses, disbursements and advances of the Lenders and the Administrative Agent and their respective agents and counsel and all other amounts due the Lenders and the Administrative Agent under Sections 2.03(i) and (j), 2.09 and 10.04) allowed in such judicial proceeding; and

(b) to collect and receive any monies or other property payable or deliverable on any such claims and to distribute the same;

and any administrator, administrative receiver, custodian, receiver, assignee, trustee, judicial manager, liquidator, sequestrator or other similar official in any such judicial proceeding is hereby authorized by each Lender to make such payments to the Administrative Agent and, in the event that the Administrative Agent shall consent to the making of such payments directly to the Lenders, to pay to the Administrative Agent any amount due for the reasonable compensation, expenses, disbursements and advances of the Agents and their respective agents and counsel, and any other amounts due the Administrative Agent under Sections 2.09 and 10.04.

Nothing contained herein shall be deemed to authorize the Administrative Agent to authorize or consent to or accept or adopt on behalf of any Lender any plan of reorganization (by way of voluntary arrangement, schemes of arrangement or otherwise), arrangement, adjustment or composition affecting the Obligations or the rights of any Lender or to authorize the Administrative Agent to vote in respect of the claim of any Lender in any such proceeding.

Section 9.11 Collateral and Guaranty Matters. Each of the Lenders (including in their capacities as potential Hedge Banks party to a Secured Hedge Agreement and potential Cash Management Banks party to a Secured Cash Management Agreement) and each L/C Issuer irrevocably authorize the Administrative Agent and the Collateral Agent, and each of the Administrative Agent and the Collateral Agent shall to the extent requested by the Borrower Representative or, solely in the case of clause (d) below, to the extent provided for under this Agreement,

(a) release any Lien on any property granted to or held by the Administrative Agent or Collateral Agent under any Loan Document (i) upon termination of the Aggregate Commitments and payment in full of all Obligations (other than (A) contingent indemnification obligations as to which no claim has been asserted and (B) obligations and liabilities under Secured Cash Management Agreements and Secured Hedge Agreements) and the expiration or termination of all Letters of Credit (other than Letters of Credit which have been Cash Collateralized), (ii) that is sold, disposed of or distributed or to be sold, disposed of or distributed as part of or in connection with any transaction permitted hereunder or under any other Loan Document, in each case to a Person that is not a Loan Party, (iii) subject to Section 10.01, if approved, authorized or ratified in writing by the Required Lenders or (iv) owned by a Subsidiary Guarantor upon release of such Subsidiary Guarantor from its obligations under its Guaranty pursuant to clause (c) below;

(b) release or subordinate any Lien on any property granted to or held by the Administrative Agent or Collateral Agent under any Loan Document to the holder of any Lien on such property that is permitted by Section 7.01(e) (other than with respect to self-insurance arrangements), (f), (i), (m), (p), (s), (u), (w), (z), (aa), (bb), (dd), (ee), (ff), (hh) and (ll);

(c) release any Guarantor from its obligations under the applicable Guaranty if in the case of any Subsidiary, such Person ceases to be a Restricted Subsidiary or otherwise becomes an Excluded Subsidiary as a result of a transaction or designation permitted hereunder; provided that no such release shall occur if such Guarantor continues to be a guarantor in respect of any Specified Refinancing Debt, any Refinancing Notes, the Senior Notes, any New Incremental Notes and, to the extent incurred by a Loan Party, any Permitted Additional Debt; and

(d) establish intercreditor arrangements as contemplated by this Agreement.

Upon request by the Administrative Agent at any time, the Required Lenders will confirm in writing the Collateral Agent's authority to release or subordinate its interest in particular types or items of property, or to release any Guarantor from its obligations under the Guaranty pursuant to this Section 9.11. In each case as specified in this Section 9.11, the applicable Agent will (and each Lender irrevocably authorizes the applicable Agent to), at the Borrowers' expense, execute and deliver to the applicable Loan Party such documents as such Loan Party may reasonably request to evidence the release or subordination of such item of Collateral from the assignment and security interest granted under the Collateral Documents, or to evidence the release of such Guarantor from its obligations under the Guaranty, in each case in accordance with the terms of the Loan Documents and this Section 9.11; provided that the Borrowers shall have delivered to the Administrative Agent a certificate of a Responsible Officer of the Borrower Representative certifying that any such transaction has been consummated in compliance with this Agreement and the other Loan Documents.

Section 9.12 [Reserved].

Section 9.13 [Reserved].

Section 9.14 Other Agents; Arranger and Managers. None of the Lenders or other Persons identified on the facing page or signature pages of this Agreement as a "syndication agent," "co-documentation agent," "joint lead arranger," or "joint bookrunner" shall have any right, power, obligation, liability, responsibility or duty under this Agreement other than those applicable to all Lenders as such. Without limiting the foregoing, none of the Lenders or other Persons so identified shall have or be deemed to have any fiduciary relationship with any Lender. Each Lender acknowledges that it has not relied, and will not rely, on any of the Lenders or other Persons so identified in deciding to enter into this Agreement or in taking or not taking action hereunder.

Section 9.15 Secured Cash Management Agreements and Secured Hedge Agreements. No Cash Management Bank or Hedge Bank that obtains the benefits of Section 8.03, any Guaranty or any Collateral by virtue of the provisions hereof or of any Guaranty or any Collateral Document shall have any right to notice of any action or to consent to, direct or object to any action hereunder or under any other Loan Document or otherwise in respect of the Collateral (including the release or impairment of any Collateral) other than in its capacity as a Lender and, in such case, only to the extent expressly provided in the Loan Documents. Notwithstanding any other provision of this Article IX to the contrary, the Administrative Agent shall not be required to verify the payment of, or that other satisfactory arrangements have been made with respect to, Obligations arising under Secured Cash Management Agreements and Secured Hedge Agreements unless the Administrative Agent has received written notice of such Obligations, together with such supporting documentation as the Administrative Agent may request, from the applicable Cash Management Bank or Hedge Bank, as the case may be.

Section 9.16 Appointment of Supplemental Agents.

(a) It is the purpose of this Agreement and the other Loan Documents that there shall be no violation of any Law of any jurisdiction denying or restricting the right of banking corporations or associations to transact business as agent or trustee in such jurisdiction. It is recognized that in case of litigation under this Agreement or any of the other Loan Documents, and in particular in case of the enforcement of any of the Loan Documents, or in case the Administrative Agent or the Collateral Agent deems that by reason of any present or future Law of any jurisdiction it may not exercise any of the rights, powers or remedies granted herein or in any of the other Loan Documents or take any other action which may be desirable or necessary in connection therewith, the Administrative Agent and the Collateral Agent are hereby authorized to appoint an additional individual or institution selected by them in their sole discretion as a separate trustee, co-trustee, administrative agent, collateral agent, administrative sub-agent or administrative co-agent, as applicable (any such additional individual or institution being referred to herein individually as a "Supplemental Agent" and collectively as "Supplemental Agents").

(b) In the event that the Administrative Agent or the Collateral Agent appoints a Supplemental Agent with respect to any Collateral, (i) each and every right, power, privilege or duty expressed or intended by this Agreement or any of the other Loan Documents to be exercised by or vested in or conveyed to the Administrative Agent or the Collateral Agent with respect to such Collateral shall be exercisable by and vest in such Supplemental Agent to the extent, and only to the extent, necessary to enable such Supplemental Agent to exercise such rights, powers and privileges with respect to such Collateral and to perform such duties with respect to such Collateral, and

every covenant and obligation contained in the Loan Documents and necessary to the exercise or performance thereof by such Supplemental Agent shall run to and be enforceable by either the Administrative Agent and the Collateral Agent or such Supplemental Agent, and (ii) the provisions of this Article IX and of Sections 10.04 and 10.05 (obligating the Borrowers to pay the Administrative Agent's and the Collateral Agent's expenses and to indemnify the Administrative Agent and the Collateral Agent) that refer to the Administrative Agent and/or the Collateral Agent shall inure to the benefit of such Supplemental Agent and all references therein to the Administrative Agent and/or Collateral Agent shall be deemed to be references to the Administrative Agent and/or Collateral Agent and/or such Supplemental Agent, as the context may require.

(c) Should any instrument in writing from the Borrowers, Holdings or any other Loan Party be required by any Supplemental Agent so appointed by the Administrative Agent or the Collateral Agent for more fully and certainly vesting in and confirming to him or it such rights, powers, privileges and duties, the Borrowers or Holdings, as applicable, shall, or shall cause such Loan Party to, execute, acknowledge and deliver any and all such instruments promptly upon request by the Administrative Agent or the Collateral Agent. In case any Supplemental Agent, or a successor thereto, shall die, become incapable of acting, resign or be removed, all the rights, powers, privileges and duties of such Supplemental Agent, to the extent permitted by Law, shall vest in and be exercised by the Administrative Agent or the Collateral Agent, as applicable, until the appointment of a new Supplemental Agent.

(d) Intercreditor Agreement. The Administrative Agent and the Collateral Agent are authorized to, to the extent required by the terms of the Loan Documents, enter into (i) any Intercreditor Agreement, (ii) any Collateral Document, (iii) or shall make or consent to any filings or take any other actions in connection therewith (and any amendments, amendments and restatements, restatements or waivers of or supplements to or other modifications to, such agreements in connection with the incurrence by any Loan Party of any Indebtedness of such Loan Party that is permitted to be secured pursuant to Sections 7.01 and 7.03 of this Agreement, in order to permit such Indebtedness to be secured by a valid, perfected lien on the Collateral (with such priority as may be designated by such Loan Party, to the extent such priority is permitted by the Loan Documents)), and the parties hereto acknowledge that any Intercreditor Agreement, Collateral Document, consent, filing or other action will be binding upon them. Each Lender (a) hereby agrees that it will be bound by and will take no actions contrary to the provisions of any Intercreditor Agreement (if entered into) and (b) hereby authorizes and instructs the Administrative Agent and the Collateral Agent to enter into any Intercreditor Agreement or Collateral Document (and any amendments, amendments and restatements, restatements or waivers of or supplements to or other modifications to, such agreements in connection with the incurrence by any Loan Party of any Indebtedness of such Loan Party that is permitted to be secured pursuant to Sections 7.01 and 7.03 of this Agreement, in order to permit such Indebtedness to be secured by a valid, perfected lien on the Collateral (with such priority as may be designated by such Loan Party, to the extent such priority is permitted by the Loan Documents)), and to subject the Liens on the Collateral securing the Obligations to the provisions thereof.

Section 9.17 Withholding Tax. To the extent required by any applicable Laws, the Administrative Agent may withhold from any payment to any Lender an amount equivalent to any withholding tax applicable to such payment. If the IRS or any other Governmental Authority asserts a claim that the Administrative Agent did not properly withhold tax from amounts paid to or for the account of any Lender for any reason, or the Administrative Agent has paid over to the IRS or other Governmental Authority applicable withholding tax relating to a payment to a Lender but no deduction has been made from such payment, such Lender shall indemnify the Administrative Agent fully for all amounts paid, directly or indirectly, by the Administrative Agent as Tax or otherwise, including any penalties, additions to tax or interest and together with any and all expenses incurred, unless such amounts have been indemnified by any Borrower or other Loan Party. A certificate as to the amount of such payment or liability delivered to any Lender by the Administrative Agent shall be conclusive absent manifest error. Each Lender hereby authorizes the Administrative Agent to set off and apply any and all amounts at any time owing to such Lender under this Agreement or any other Loan Document against any amount due the Administrative Agent under this Section 9.17. The agreements in this Section 9.17 shall survive the resignation and/or replacement of the Administrative Agent, any assignment of rights by, or the replacement of, a Lender, the termination of the Commitments and the repayment, satisfaction or discharge of all other Obligations.

ARTICLE X.
Miscellaneous

Section 10.01 Amendments, Etc. Except as otherwise expressly set forth in this Agreement, no amendment or waiver of any provision of this Agreement or any other Loan Document, and no consent to any departure by any Borrower or any other Loan Party therefrom, shall be effective unless in writing signed by the Required Lenders and the Borrowers or the applicable Loan Party, as the case may be, and acknowledged by the Administrative Agent to the extent the Administrative Agent is not a Defaulting Lender (other than with respect to any amendment or waiver contemplated in clause (h) below, which shall only require the consent of the Required Revolving Lenders), and each such amendment, waiver or consent shall be effective only in the specific instance and for the specific purpose for which given; provided, however, that no such amendment, waiver or consent shall:

(a) extend or increase the Commitment of any Lender, or reinstate the Commitment of any Lender after the termination of such Commitment pursuant to Section 8.02, in each case without the written consent of such Lender (it being understood that a waiver of any condition precedent set forth in Section 4.02 or the waiver of (or amendment to the terms of) any Default or Event of Default, mandatory prepayment or mandatory reduction of the Commitments shall not constitute an extension or increase of any Commitment of any Lender);

(b) postpone any date scheduled for, or reduce the amount of, any payment of principal of, or interest on, any Loan or L/C Borrowing or any fees or other amounts payable hereunder, without the written consent of each Lender directly and adversely affected thereby (and subject to such further requirements as may be applicable thereto under the last two paragraphs of this Section 10.01), it being understood that the waiver of any obligation to pay interest at the Default Rate, the amendment or waiver and any mandatory prepayment of Loans under the Term Facilities shall not constitute a postponement of any date scheduled for the payment of principal, interest or fees;

(c) reduce the principal of, or the rate of interest specified herein on, any Loan or L/C Borrowing, or (subject to clause (iii) of the proviso following clause (i) below) any fees or other amounts payable hereunder or under any other Loan Document without the written consent of each Lender directly and adversely affected thereby, it being understood that any change to the definitions of First Lien Net Leverage Ratio, Senior Secured Net Leverage Ratio, Total Net Leverage Ratio or, in each case, in the component definitions thereof shall not constitute a reduction in any rate of interest or any fees based thereon; provided, however, that only the consent of the Required Lenders shall be necessary to amend the definition of "Default Rate" or to waive any obligation of the Borrowers to pay interest at the Default Rate;

(d) modify Section 2.06(c) or 2.13 without the written consent of each Lender directly and adversely affected thereby;

(e) change (i) any provision of this Section 10.01 (other than the last two paragraphs of this Section), or the definition of Required Lenders, or any other provision hereof specifying the number or percentage of Lenders or portion of the Loans or Commitments required to amend, waive or otherwise modify any rights hereunder or make any determination or grant any consent hereunder (other than the definition specified in clause (ii) of this Section 10.01(e)), without the written consent of each Lender, or (ii) the definition of "Required Revolving Lenders," without the written consent of each Lender under the Revolving Credit Facility;

(f) other than in a transaction permitted under Section 7.04 or 7.05, release all or substantially all of the Collateral in any transaction or series of related transactions, without the written consent of each Lender;

(g) other than in a transaction permitted under Section 7.04 or 7.05, release all or substantially all of the aggregate value of the Guaranty, or all or substantially all of the Guarantors, without the written consent of each Lender;

(h) (i) amend or otherwise modify Section 7.11 (or for the purposes of determining compliance with Section 7.11, any defined terms used therein), or (ii) waive or consent to any Default or Event of Default resulting from a breach of Section 7.11 or (iii) alter the rights or remedies of the Required Revolving Lenders arising pursuant to Article VIII as a result of a breach of Section 7.11, in each case, without the written consent of the Required Revolving Lenders; provided, however, that the amendments, modifications, waivers and consents described in this clause (h) shall not require the consent of any Lenders other than the Required Revolving Lenders;

(j) amend, modify or waive Article XI, without the written consent of the Administrative Agent and the Supermajority Lenders of each Facility; provided that (x) if the amendments, modifications or waivers described in this clause (i) affect any Lender pursuant to a given Facility in a manner different than that applicable to the other Lenders of such Facility, then the adversely affected Lender must provide prior written consent, (y) if the amendments, modifications or waivers described in this clause (i) adversely affect (or impose additional duties upon) the Administrative Agent, then the Administrative Agent must provide prior written consent and (z) the Administrative Agent may amend or modify Article XI to cause Lenders of additional Facilities (or new Lenders with respect to existing Facilities) to become parties hereto, so long as such additional Facilities or new Lenders are permitted in accordance with Sections 2.14 or 2.17 or a loan modification offer pursuant to this Section 10.01 (on substantially the same terms as apply to the Facilities) without the consent of the other Lenders; provided, further, that in no event may Article XI be amended to cause Holdings or any of its Subsidiaries to have obligations under Article XI without the prior written consent of Holdings; or

(k) change the currency in which any Loan is denominated without the written consent of the Lender holding such Loans;

and provided further that (i) no amendment, waiver or consent shall, unless in writing and signed by an L/C Issuer in addition to the Borrowers and the Lenders required above, affect the rights or duties of such L/C Issuer, in its capacity as such, under this Agreement or any Letter of Credit Application relating to any Letter of Credit issued or to be issued by it; (ii) no amendment, waiver or consent shall, unless in writing and signed by the Swing Line Lender in addition to the Borrowers and the Lenders required above, affect the rights or duties of the Swing Line Lender, in its capacity as such, under this Agreement; (iii) no amendment, waiver or consent shall, unless in writing and signed by the Administrative Agent, in its capacity as such, in addition to the Borrowers and the Lenders required above, affect the rights or duties of, or any fees or other amounts payable to, the Administrative Agent under this Agreement or any other Loan Document; (iv) Section 10.07(g) may not be amended, waived or otherwise modified without the consent of each Granting Lender all or any part of whose Loans are being funded by an SPC at the time of such amendment, waiver or other modification; and (v) the Fee Letter may be amended, or rights or privileges thereunder waived, in a writing executed only by the parties thereto. Notwithstanding anything to the contrary herein, any amendment, modification, waiver or other action which by its terms requires the consent of all Lenders or each affected Lender may be effected with the consent of the applicable Lenders other than Defaulting Lenders or Affiliate Lenders (other than Debt Fund Affiliates), except that (x) no amendment, waiver or consent relating to Section 10.01(a), (b) or (c) may be effected, in each case without the consent of such Defaulting Lender or Affiliate Lender and (y) any amendment, modification, waiver or other action that by its terms adversely affects any Defaulting Lender or Affiliate Lender in its capacity as a Lender in a manner that differs in any material respect from, and is more adverse to such Defaulting Lender or Affiliate Lender than it is to, other affected Lenders shall require the consent of such Defaulting Lender or Affiliate Lender. Notwithstanding anything to the contrary herein, any waiver, amendment, modification or consent in respect of this Agreement or any other Loan Document that by its terms affects the rights or duties under this Agreement or any other Loan Document of Lenders holding Loans or Commitments of a particular Tranche (but not the Lenders holding Loans or Commitments of any other Tranche) may be effected by an agreement or agreements in writing entered into by the Borrowers and the requisite percentage in interest of the Lenders with respect to such Tranche that would be required to consent thereto under this Section 10.01 if such Lenders were the only Lenders hereunder at the time.

This Section 10.01 shall be subject to any contrary provision of Sections 2.14 or 2.20. In addition, notwithstanding anything else to the contrary contained in this Section 10.01, (a) if the Administrative Agent and the Borrowers shall have jointly identified an obvious error or any error or omission of a technical nature, in each case, in any provision of the Loan Documents, then the Administrative Agent and the Borrowers shall be permitted to amend

such provision and (b) the Administrative Agent and the Borrowers shall be permitted to amend any provision of any Collateral Document, the Guaranty, or Schedule 1.01(l), or enter into any new agreement or instrument, to better implement the intentions of this Agreement and the other Loan Documents or as required by local law to give effect to any guaranty, or to give effect to or to protect any security interest for the benefit of the Secured Parties, in any property so that the security interests comply with applicable Law, and in each case, such amendments, documents and agreements shall become effective without any further action or consent of any other party to any Loan Document if in the case of amendments contemplated by clause (a) the same is not objected to in writing by the Required Lenders within ten Business Days following receipt of notice thereof.

Notwithstanding anything to the contrary herein, in connection with any amendment, modification, waiver or other action requiring the consent or approval of Required Lenders, Lenders that are Debt Fund Affiliates shall not be permitted, in the aggregate, to account for more than 50% of the amounts actually included in determining whether the threshold in the definition of Required Lenders has been satisfied. The voting power of each Lender that is a Debt Fund Affiliate shall be reduced, pro rata, to the extent necessary in order to comply with the immediately preceding sentence.

Notwithstanding anything to the contrary herein, at any time and from time to time, upon notice to the Administrative Agent (who shall promptly notify the applicable Lenders) specifying in reasonable detail the proposed terms thereof, the Borrowers may make one or more loan modification offers to all the Lenders of any Facility that would, if and to the extent accepted by any such Lender, (a) extend the scheduled Maturity Date and any amortization of the Loans and Commitments under such Facility and/or change the Applicable Rate and/or fees payable with respect to the Loans and Commitments under such Facility (in each case solely with respect to the Loans and Commitments of accepting Lenders in respect of which an acceptance is delivered) and (b) treat the Loans and Commitments so modified as a new "Facility" for all purposes under this Agreement; provided that (i) such loan modification offer is made to each Lender under the applicable Facility on the same terms and subject to the same procedures as are applicable to all other Lenders under such Facility (which procedures in any case shall be reasonably satisfactory to the Administrative Agent) and (ii) no loan modification shall affect the rights or duties of, or any fees or other amounts payable to, the Administrative Agent, the Swing Line Lender or any L/C Issuer, without its prior written consent.

In connection with any such loan modification offer, the Borrowers and each accepting Lender shall execute and deliver to the Administrative Agent such agreements and other documentation as the Administrative Agent shall reasonably specify to evidence the acceptance of the applicable loan modification offer and the terms and conditions thereof, and this Agreement and the other Loan Documents shall be amended in a writing (which may be executed and delivered by the Borrowers and the Administrative Agent and shall be effective only with respect to the applicable Loans and Commitments of Lenders that shall have accepted the relevant loan modification offer (and only with respect to Loans and Commitments as to which any such Lender has accepted the loan modification offer)) to the extent necessary or appropriate, in the judgment of the Administrative Agent, to reflect the existence of, and to give effect to the terms and conditions of, the applicable loan modification (including the addition of such modified Loans and/or Commitments as a "Facility" hereunder). No Lender shall have any obligation whatsoever to accept any loan modification offer, and may reject any such offer in its sole discretion. On the effective date of any loan modification applicable to the Revolving Credit Facility, the Borrowers shall prepay any Revolving Credit Loans, L/C Advances or Swing Line Loans (to the extent participated to Revolving Credit Lenders) outstanding on such effective date (and pay any additional amounts required pursuant to Section 3.06) to the extent necessary to keep the outstanding Revolving Credit Loans, L/C Advances or Swing Line Loans (to the extent participated to Revolving Credit Lenders), as the case may be, ratable with any revised Pro Rata Share of a Revolving Credit Lender in respect of the Revolving Credit Facility arising from any non-ratable loan modification to the Revolving Credit Commitments under this Section 10.01. Notwithstanding the foregoing, no modification referred to above shall become effective unless the Administrative Agent, to the extent reasonably requested by the Administrative Agent, shall have received legal opinions, board resolutions, officers' certificates and/or reaffirmation agreements consistent with those delivered on the Closing Date under Section 4.01 or delivered from time to time pursuant to Section 6.12 and/or Section 6.16 with respect to Holdings, the Borrowers, all Material Subsidiary Guarantors and each other Subsidiary Guarantor that is organized in a jurisdiction for which local counsel to the Administrative Agent in such jurisdiction advises that such deliveries are reasonably necessary to preserve the Collateral in such jurisdiction.

Section 10.02 Notices; Electronic Communications.

(a) General. Unless otherwise expressly provided herein, all notices and other communications provided for herein shall be in writing and shall be delivered by hand or overnight courier service, mailed by certified or registered mail or sent by telecopier as follows, and all notices and other communications expressly permitted hereunder to be given by telephone shall be made to the applicable telephone number, as follows:

(i) if to Holdings, any Borrower, the Administrative Agent, the Collateral Agent, an L/C Issuer or the Swing Line Lender, to the address, telecopier number, electronic mail address or telephone number specified for such Person on Schedule 10.02 or to such other address, telecopier number, electronic mail address or telephone number as shall be designated by such party in a notice to the other parties hereto, as provided in Section 10.02(d); and

(ii) if to any other Lender, to the address, telecopier number, electronic mail address or telephone number specified in its Administrative Questionnaire.

Notices and other communications sent by hand or overnight courier service, or mailed by certified or registered mail, shall be deemed to have been given when received; notices and other communications sent by telecopier shall be deemed to have been given when sent (except that, if not given during normal business hours for the recipient, shall be deemed to have been given at the opening of business on the next Business Day for the recipient). Notices and other communications delivered through electronic communications to the extent provided in clause (b) below shall be effective as provided in such clause (b).

(b) Electronic Communications. Notices and other communications to the Lenders and the L/C Issuers hereunder may be delivered or furnished by electronic communication (including e-mail and Internet or intranet websites) pursuant to procedures approved by the Administrative Agent; provided that the foregoing shall not apply to notices to any Lender or any L/C Issuer pursuant to Article II if such Lender or such L/C Issuer, as applicable, has notified the Administrative Agent that it is incapable of receiving, or is unwilling to receive, notices under Article II by electronic communication. The Administrative Agent or any Borrower may, in its discretion, agree to accept notices and other communications to it hereunder by electronic communications pursuant to procedures approved by it; provided that approval of such procedures may be limited to particular notices or communications.

Unless the Administrative Agent otherwise prescribes (with the Borrower Representative's consent), (i) notices and other communications sent to an e-mail address shall be deemed received upon the sender's receipt of an acknowledgment from the intended recipient (such as by the "return receipt requested" function, as available, return e-mail or other written acknowledgement); provided that if such notice or other communication is not sent during the normal business hours of the recipient, such notice or communication shall be deemed to have been sent at the opening of business on the next Business Day for the recipient, and (ii) notices or communications posted to an Internet or intranet website shall be deemed received upon the deemed receipt by the intended recipient at its e-mail address as described in the foregoing clause (i) of notification that such notice or communication is available and identifying the website address therefor.

(c) The Platform. THE PLATFORM IS PROVIDED "AS IS" AND "AS AVAILABLE." THE AGENT-RELATED PERSONS DO NOT WARRANT THE ACCURACY OR COMPLETENESS OF THE BORROWER MATERIALS OR THE ADEQUACY OF THE PLATFORM, AND EXPRESSLY DISCLAIM LIABILITY FOR ERRORS IN OR OMISSIONS FROM THE BORROWER MATERIALS. NO WARRANTY OF ANY KIND, EXPRESS, IMPLIED OR STATUTORY, INCLUDING ANY WARRANTY OF MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE, NON-INFRINGEMENT OF THIRD PARTY RIGHTS OR FREEDOM FROM VIRUSES OR OTHER CODE DEFECTS, IS MADE BY ANY AGENT-RELATED PERSON IN CONNECTION WITH THE BORROWER MATERIALS OR THE PLATFORM. In no event shall any Agent-Related Person have any liability to any Loan Party or any of their respective Subsidiaries, any Lender, any L/C Issuer or any other Person for losses, claims, damages, liabilities or expenses of any kind (whether in tort, contract or otherwise) arising out of any Borrower's or the Administrative Agent's transmission of Borrower Materials through the Internet, except to the extent that such losses, claims, damages, liabilities or expenses are determined by a court of competent jurisdiction by a final and non-appealable judgment to have resulted from the gross negligence or willful misconduct of such Agent-Related Person; provided, however, that in no event shall

any Agent-Related Person have any liability to any Loan Party or any of their respective Subsidiaries, any Lender, any L/C Issuer or any other Person for indirect, special, incidental, consequential or punitive damages (as opposed to direct or actual damages).

(d) Change of Address, Etc. Each of Holdings, the Borrowers, the Guarantors, the Administrative Agent, the Collateral Agent, each L/C Issuer and the Swing Line Lender may change its address, telecopier, telephone number or electronic mail address for notices and other communications hereunder by notice to the other parties hereto. Each other Lender may change its address, telecopier, telephone number or electronic mail address for notices and other communications hereunder by notice to the Borrowers, the Administrative Agent, each L/C Issuer and the Swing Line Lender. In addition, each Lender agrees to notify the Administrative Agent from time to time to ensure that the Administrative Agent has on record (i) an effective address, contact name, telephone number, telecopier number and electronic mail address to which notices and other communications may be sent and (ii) accurate wire instructions for such Lender. Furthermore, each Public Lender agrees to cause at least one individual at or on behalf of such Public Lender to at all times have selected the "Private Side Information" or similar designation on the content declaration screen of the Platform in order to enable such Public Lender or its delegate, in accordance with such Public Lender's compliance procedures and applicable Law, including United States federal and state securities Laws, to make reference to Borrower Materials that are not made available through the "Public Side Information" portion of the Platform and that may contain material non-public information with respect to the Borrowers or their securities for purposes of United States federal or state securities laws.

(e) Reliance by Administrative Agent, Collateral Agent, L/C Issuer and Lenders. The Administrative Agent, the Collateral Agent, the L/C Issuers and the Lenders shall be entitled to rely and act upon any notices (including telephonic Committed Loan Notices and Swing Line Loan Notices) purportedly given by or on behalf of the Borrowers even if (i) such notices were not made in a manner specified herein, were incomplete or were not preceded or followed by any other form of notice specified herein, or (ii) the terms thereof, as understood by the recipient, varied from any confirmation thereof. The Borrowers shall indemnify the Administrative Agent, the Collateral Agent, each L/C Issuer, each Lender and the Related Parties of each of them from all losses, costs, expenses and liabilities resulting from the reliance by such Person on each notice purportedly given by or on behalf of any Borrower to the extent required by Section 10.05. All telephonic notices to and other telephonic communications with the Administrative Agent may be recorded by the Administrative Agent, and each of the parties hereto hereby consents to such recording.

Section 10.03 No Waiver; Cumulative Remedies; Enforcement.

(a) No failure by any Lender, any L/C Issuer, the Administrative Agent or the Collateral Agent to exercise, and no delay by any such Person in exercising, any right, remedy, power or privilege hereunder or under any other Loan Document shall operate as a waiver thereof; nor shall any single or partial exercise of any right, remedy, power or privilege hereunder preclude any other or further exercise thereof or the exercise of any other right, remedy, power or privilege. The rights, remedies, powers and privileges provided hereunder and under each other Loan Document, are cumulative and not exclusive of any rights, remedies, powers and privileges provided by Law.

(b) Notwithstanding anything to the contrary contained herein or in any other Loan Document, the authority to enforce rights and remedies hereunder and under the other Loan Documents against the Loan Parties or any of them shall be vested exclusively in, and all actions and proceedings at law in connection with such enforcement shall be instituted and maintained exclusively by, the Administrative Agent in accordance with Section 8.02 for the benefit of all the Lenders and the L/C Issuers; provided, however, that the foregoing shall not prohibit (a) the Administrative Agent from exercising on its own behalf the rights and remedies that inure to its benefit (solely in its capacity as Administrative Agent) hereunder and under the other Loan Documents, (b) each L/C Issuer or the Swing Line Lender from exercising the rights and remedies that inure to its benefit (solely in its capacity as an L/C Issuer or Swing Line Lender, as the case may be) hereunder and under the other Loan Documents, (c) any Lender from exercising setoff rights in accordance with Section 10.09 (subject to the terms of Section 2.13), or (d) any Lender from filing proofs of claim or appearing and filing pleadings on its own behalf during the pendency of a proceeding relative to any Loan Party under any Debtor Relief Law; and provided, further, that if at any time there is no Person acting as Administrative Agent hereunder and under the other Loan Documents, then (i) the Required Lenders shall have the rights otherwise ascribed to the Administrative Agent pursuant to Section 8.02 and (ii) in addition to the matters set forth in clauses (b), (c) and (d) of the preceding proviso and subject to Section 2.13, any Lender may,

with the consent of the Required Lenders, enforce any rights and remedies available to it and as authorized by the Required Lenders. In the event of a foreclosure by the Collateral Agent on any of the Collateral pursuant to a public or private sale, the Administrative Agent, the Collateral Agent or any Lender (or any person nominated by them) may be the purchaser of any or all of such Collateral at any such sale and the Administrative Agent, as agent for and representative of the Lenders (but not any Lender or Lenders in its or their respective individual capacities unless the Required Lenders shall otherwise agree in writing), shall be entitled, for the purpose of bidding and making settlement or payment of the purchase price for all or any portion of the Collateral sold in any such public sale, to use and apply any of the Obligations as a credit on account of the purchase price for any Collateral payable by the Administrative Agent at such sale.

Section 10.04 Expenses and Taxes. The Borrowers agree (a) to pay or reimburse the Administrative Agent and the other Agents for all reasonable and out-of-pocket costs and expenses incurred in connection with the preparation, negotiation, syndication and execution of this Agreement and the other Loan Documents (including reasonable expenses incurred in connection with due diligence and travel, courier, reproduction, printing and delivery expenses), and any amendment, waiver, consent or other modification of the provisions hereof and thereof (whether or not the transactions contemplated hereby or thereby are consummated), and the consummation and administration of the transactions contemplated hereby and thereby, including the reasonable fees, disbursements and other charges of counsel (limited to the reasonable fees, disbursements and other charges of one primary counsel to the Agents and, if necessary, one local counsel in each relevant jurisdiction (which may include a single special counsel acting in multiple jurisdictions) and special counsel for each relevant specialty, and (b) to pay or reimburse the Administrative Agent, the other Agents and each Lender for all reasonable documented out-of-pocket costs and expenses incurred in connection with the enforcement of any rights or remedies under this Agreement or the other Loan Documents (including all such costs and expenses incurred during any legal proceeding, including, without duplication of Indemnified Taxes or Other Taxes paid or indemnified pursuant to Sections 3.01 and 3.04, any proceeding under any Debtor Relief Law or in connection with any workout or restructuring and all documentary taxes associated with the Facilities), including the fees, disbursements and other charges of counsel (limited to the reasonable fees, disbursements and other charges of one counsel to the Administrative Agent, the other Agents and the Lenders taken as a whole, and, if necessary, of one local counsel in each relevant jurisdiction (which may include a single special counsel acting in multiple jurisdictions) and of special counsel for each relevant specialty and, in the event of any actual or potential conflict of interest, one additional counsel in each relevant jurisdiction for each Lender or group of Lenders or Agents subject to such conflict), in each case without duplication for any amounts paid (or indemnified) under Section 3.01. The foregoing costs and expenses shall include, without duplication of Indemnified Taxes or Other Taxes paid or indemnified pursuant to Sections 3.01 and 3.04, all reasonable search, filing, recording, title insurance and appraisal charges and fees and taxes related thereto, and other out-of-pocket expenses incurred by any Agent. All amounts due under this Section 10.04 shall be paid within 30 days after invoiced or demand therefor (with a reasonably detailed invoice with respect thereto) (except for any such costs and expenses incurred prior to the Closing Date, which shall be paid on the Closing Date to the extent invoiced at least 5 Business Days prior to the Closing Date). The agreements in this Section 10.04 shall survive the termination of the Aggregate Commitments and repayment of all other Obligations. If any Loan Party fails to pay when due any costs, expenses or other amounts payable by it hereunder or under any Loan Document, such amount may be paid on behalf of such Loan Party by the Administrative Agent after any applicable grace periods have expired, in its sole discretion and the Borrowers shall, on a joint and several basis, immediately reimburse the Administrative Agent, as applicable.

Section 10.05 Indemnification by the Borrowers. The Borrowers shall indemnify and hold harmless each Arranger, each Agent-Related Person, each Lender, each L/C Issuer, each of their respective Affiliates and each partner, director, officer, employee, counsel, agent and representative of the foregoing and, in the case of any funds, trustees and advisors and attorneys-in-fact (collectively, the "Indemnitees") from and against (and will reimburse each Indemnitee, as and when incurred, for) any and all liabilities, obligations, losses, damages, penalties, claims, demands, actions, judgments, suits, costs (including settlement costs), disbursements, and reasonable and documented or invoiced out-of-pocket fees and expenses (including the fees, disbursements and other charges of (i) one counsel to the Indemnitees taken as a whole, (ii) in the case of an actual or perceived conflict of interest, where the Indemnitee affected by such conflict informs the Borrowers of such conflict and thereafter retains its own counsel, of another firm of counsel for each such affected Indemnitee in each relevant jurisdiction, and (iii) if necessary, one local counsel in each relevant jurisdiction (which may include a single special counsel acting in multiple jurisdictions) and special counsel for each relevant specialty) of any kind or nature whatsoever which may at any time be

imposed on, incurred by or asserted or awarded against any such Indemnitee in any way relating to or arising out of or in connection with or by reason of (x) any actual or prospective claim, litigation, investigation or proceeding in any way relating to, arising out of, in connection with or by reason of any of the following, whether based on contract, tort or any other theory (including any investigation of, preparation for, or defense of any pending or threatened claim, investigation, litigation or proceeding): (a) the execution, delivery, enforcement, performance or administration of any Loan Document or any other agreement, letter or instrument delivered in connection with the transactions contemplated thereby or the consummation of the transactions contemplated thereby or (b) any Commitment, Loan or Letter of Credit or the use or proposed use of the proceeds therefrom (including any refusal by any L/C Issuer to honor a demand for payment under a Letter of Credit if the documents presented in connection with such demand do not strictly comply with the terms of such Letter of Credit); provided that such indemnity shall not, as to any Indemnitee, be available to the extent that such liabilities, obligations, losses, damages, penalties, claims, demands, actions, judgments, suits, costs, disbursements, fees or expenses are determined by a court of competent jurisdiction in a final and non-appealable judgment to have resulted from (A) the bad faith, gross negligence or willful misconduct of such Indemnitee or any of its Affiliates or controlling persons or any of the officers, directors, employees, agents, advisors, or members of any of the foregoing or (B) any dispute that is among Indemnitees (other than any dispute involving claims against the Administrative Agent, any Arranger or any other Agent, the Swing Line Lender or any L/C Issuer, in each case in their respective capacities as such, or any Initial Lender solely in connection with its syndication activities as contemplated under the Commitment Letter) that a court of competent jurisdiction has determined in a final and non-appealable judgment did not involve actions or omissions of any direct or indirect parent or controlling person of the Borrowers or their Subsidiaries; or (y) any actual or alleged presence or release of Hazardous Materials on or from any property currently or formerly owned or operated by Holdings or any of its Subsidiaries, or any Environmental Liability related in any way to Holdings or any of its Subsidiaries, ((x) and (y), collectively, the "Indemnified Liabilities") in all cases, whether or not caused by or arising, in whole or in part, out of the negligence of the Indemnitee and regardless of whether such Indemnitee is a party thereto, and whether or not such proceedings are brought by any Borrower, its equity holders, its Affiliates, creditors or any other third person. No Indemnitee shall be liable for any damages arising from the use by others of any information or other materials obtained through the Platform or other information transmission systems (including electronic telecommunications) in connection with this Agreement unless determined by a court of competent jurisdiction in a final and non-appealable judgment to have resulted from the gross negligence, bad faith or willful misconduct of such Indemnitee, nor shall any Indemnitee or any Loan Party have any liability for any special, punitive, indirect or consequential damages relating to this Agreement or any other Loan Document or arising out of its activities in connection herewith or therewith (whether before or after the Closing Date); provided that such waiver of special, punitive, indirect or consequential damages shall not limit the indemnification obligations of the Loan Parties under this Section 10.05. In the case of an investigation, litigation or other proceeding to which the indemnity in this Section 10.05 applies, such indemnity shall be effective whether or not such investigation, litigation or proceeding is brought by any Loan Party, its directors, shareholders or creditors or an Indemnitee or any other Person, and whether or not any Indemnitee is otherwise a party thereto. Should any investigation, litigation or proceeding be settled, or if there is a judgment against an Indemnitee in any such investigation, litigation or proceeding, the Borrowers shall indemnify and hold harmless each Indemnitee in the manner set forth above. All amounts due under this Section 10.05 shall be payable within 30 days after demand therefor. The agreements in this Section 10.05 shall survive the resignation of the Administrative Agent, the replacement of any Lender, the termination of the Aggregate Commitments and the repayment, satisfaction or discharge of all the other Obligations.

Section 10.06 Payments Set Aside. To the extent that any payment by or on behalf of any Borrower is made to any Agent, to any L/C Issuer or any Lender, or any Agent, any L/C Issuer or any Lender exercises its right of setoff, and such payment or the proceeds of such setoff or any part thereof is subsequently invalidated, declared to be fraudulent or preferential, set aside or required (including pursuant to any settlement entered into by such Agent, such L/C Issuer or such Lender in its discretion) to be repaid to a trustee, receiver or any other party, in connection with any proceeding under any Debtor Relief Law or otherwise, then (a) to the extent of such recovery, the obligation or part thereof originally intended to be satisfied shall be revived and continued in full force and effect as if such payment had not been made or such setoff had not occurred, and (b) each Lender and each L/C Issuer severally agrees to pay to the Administrative Agent upon demand its applicable share (without duplication) of any amount so recovered from or repaid by any Agent, plus interest thereon from the date of such demand to the date such payment is made at a rate per annum equal to the Federal Funds Rate from time to time in effect in the applicable currency of such recovery or payment. The obligations of the Lenders and the L/C Issuers under clause (b) of the preceding sentence shall survive the payment in full of the Obligations and the termination of this Agreement.

Section 10.07 Successors and Assigns.

(a) The provisions of this Agreement shall be binding upon and inure to the benefit of the parties hereto and their respective successors and assigns permitted hereby, except that no Borrower may assign or otherwise transfer any of its rights or obligations hereunder without the prior written consent of the Administrative Agent and each Lender and no Lender may assign or otherwise transfer any of its rights or obligations hereunder except (i) to an Eligible Assignee (other than to any Disqualified Institution) in accordance with the provisions of Section 10.07(b), (ii) by way of participation in accordance with the provisions of Section 10.07(d), (iii) by way of pledge or assignment of a security interest subject to the restrictions of Section 10.07(f) or (iv) to an SPC in accordance with the provisions of Section 10.07(g) (and any other attempted assignment or transfer by any party hereto shall be null and void). Nothing in this Agreement, expressed or implied, shall be construed to confer upon any Person (other than the parties hereto, their respective successors and assigns permitted hereby, Participants to the extent provided in Section 10.07(d) and, to the extent expressly contemplated hereby, the Indemnitees) any legal or equitable right, remedy or claim under or by reason of this Agreement.

(b) Any Lender may at any time assign to one or more assignees all or a portion of its rights and obligations under this Agreement (including all or a portion of its Commitment(s) and the Loans (including for purposes of this Section 10.07(b), participations in L/C Obligations and in Swing Line Loans) at the time owing to it); provided that:

(i) (A) in the case of an assignment of the entire remaining amount of the assigning Lender's Commitment under any Facility and the Loans at the time owing to it under such Facility, no minimum amount shall need be assigned, and (B) in any case not described in clause (b)(i)(A) of this Section, the aggregate amount of the Commitment (which for this purpose includes Loans outstanding thereunder) or, if the applicable Commitment is not then in effect, the outstanding principal balance of the Loans of the assigning Lender subject to each such assignment, determined as of the date the Assignment and Assumption with respect to such assignment is delivered to the Administrative Agent or, if "Trade Date" is specified in the Assignment and Assumption, as of the Trade Date, shall not be less than a Dollar Amount of $5,000,000 (or such lesser amount as is acceptable to the Administrative Agent and the Borrowers), in the case of any assignment in respect of the Revolving Credit Facility, or a Dollar Amount of $1,000,000 (or such lesser amount as is acceptable to the Administrative Agent and the Borrowers), in the case of any assignment in respect of a Term Facility, in each case unless each of the Administrative Agent and, so long as no Event of Default under Section 8.01(a), (f) or (g) has occurred and is continuing, the Borrowers otherwise consent (each such consent not to be unreasonably withheld, conditioned or delayed; provided, however, that concurrent assignments to members of an Assignee Group and concurrent assignments from members of an Assignee Group to a single Eligible Assignee (or to an Eligible Assignee and members of its Assignee Group)) will be treated as a single assignment for purposes of determining whether such minimum amount has been met;

(ii) each partial assignment shall be made as an assignment of a proportionate part of all the assigning Lender's rights and obligations under this Agreement with respect to the Loans or the Commitment assigned, except that this clause (ii) shall not (x) apply to the Swing Line Lender's rights and obligations in respect of Swing Line Loans or (y) prohibit any Lender from assigning all or a portion of its rights and obligations among separate Facilities on a non-pro rata basis;

(iii) no consent shall be required for any assignment except to the extent required by clause (b)(i)(B) of this Section and, in addition (A) the consent of the Borrowers (such consent not to be unreasonably withheld, conditioned or delayed) shall be required for any assignment unless (1) an Event of Default under Section 8.01(a), (f) or (g) has occurred and is continuing at the time of such assignment, (2) such assignment is in respect of a Term Facility and is to a Lender, an Affiliate of a Lender or an Approved Fund (other than any Disqualified Institution) or (3) such assignment is in respect of the Revolving Credit Facility and is to a Revolving Credit Lender, an Affiliate of a Revolving Credit Lender or an Approved Fund related thereto (other than any Disqualified Institution); provided that (1) the Borrowers shall be deemed to have consented to any assignment unless they object thereto by written notice to the Administrative Agent within ten Business Days after having received notice thereof and (2) during the forty-five (45) day period following the Closing Date, the Borrowers shall be deemed to have consented to an assignment to any

Lender if such Lender was previously identified and approved in the initial allocations of the Loans provided by the Arrangers to the Borrowers (B) the consent of the Administrative Agent (such consent not to be unreasonably withheld or delayed) shall be required for any assignment unless (1) such assignment is in respect of a Term Facility and to a Lender, an Affiliate of a Lender or an Approved Fund or (2) such assignment is in respect of the Revolving Credit Facility and is to a Revolving Credit Lender, an Affiliate of a Revolving Credit Lender or an Approved Fund related thereto (provided that the Administrative Agent shall acknowledge any such assignment) and (C) the consent of each L/C Issuer and the Swing Line Lender (each such consent not to be unreasonably withheld, conditioned or delayed) shall be required for any assignment in respect of the Revolving Credit Facility; provided, however, that the consent of each L/C Issuer and the Swing Line Lender shall not be required for any assignment of a Term Loan;

(iv) the parties to each assignment shall execute and deliver to the Administrative Agent an Assignment and Assumption via an electronic settlement system acceptable to the Administrative Agent (or, if previously agreed with the Administrative Agent, manually), together with a processing and recordation fee of $3,500 (except, (x) in the case of contemporaneous assignments by any Lender to one or more Approved Funds, only a single processing and recording fee shall be payable for such assignments, (y) in the case of assignments by any of the Initial Lenders or any of their Affiliates and (z) the Administrative Agent, in its sole discretion, may elect to waive such processing and recording fee in the case of any assignment). Each Eligible Assignee that is not an existing Lender shall deliver to the Administrative Agent an Administrative Questionnaire;

(v) no such assignment shall be made (A) to any Defaulting Lender or any of its Subsidiaries, or any Person who, upon becoming a Lender hereunder, would constitute any of the foregoing Persons described in this clause (A), (B) to any natural person, (C) to any Disqualified Institution, (D) to Holdings, the Dutch Borrower or any its Subsidiaries except as permitted under clause (j) below or (E) to any Affiliated Lender except as permitted under Section 10.07(i);

(vi) no Revolving Credit Commitments or Revolving Credit Loans may be assigned to any Affiliate Lender;

(vii) the assigning Lender shall deliver any Notes or, in lieu thereof, a lost note affidavit and indemnity reasonably acceptable to the Borrowers evidencing such Loans to the Borrowers or the Administrative Agent;

(viii) in connection with any assignment of rights and obligations of any Defaulting Lender hereunder, no such assignment shall be effective unless and until, in addition to the other conditions thereto set forth herein, the parties to the assignment shall make such additional payments to the Administrative Agent in an aggregate amount sufficient, upon distribution thereof as appropriate (which may be outright payment, purchases by the assignee of participations or subparticipations, or other compensating actions, including funding, with the consent of the Borrowers and the Administrative Agent, the applicable Pro Rata Share of Loans previously requested but not funded by the Defaulting Lender, to each of which the applicable assignee and assignor hereby irrevocably consent), to (x) pay and satisfy in full all payment liabilities then owed by such Defaulting Lender to the Administrative Agent or any Lender hereunder (and interest accrued thereon) and (y) acquire (and fund as appropriate) its full Pro Rata share of all Loans and participations in Letters of Credit and Swing Line Loans in accordance with its Pro Rata Share; provided that notwithstanding the foregoing, in the event that any assignment of rights and obligations of any Defaulting Lender hereunder shall become effective under applicable Law without compliance with the provisions of this paragraph, then the assignee of such interest shall be deemed to be a Defaulting Lender for all purposes of this Agreement until such compliance occurs; and

(ix) if an assignment or transfer (including any assignment of a Commitment) does not include a principal amount outstanding from the Borrower of at least EUR 100,000 (or its equivalent in other currencies) (or such other amount as may be required from time to time under the Dutch Financial Supervision Act (*Wet op het financieel toezicht*)), the assignee shall confirm in the relevant Assignment and Assumption to the Borrower that it is a professional market party (*professionele marktpartij*) within the meaning of the Dutch Financial Supervision Act.

Subject to acceptance and recording thereof by the Administrative Agent pursuant to Section 10.07(c), from and after the effective date specified in each Assignment and Assumption, the Eligible Assignee thereunder shall be a party to this Agreement and, to the extent of the interest assigned by such Assignment and Assumption, have the rights and obligations of a Lender under this Agreement, and the assigning Lender thereunder shall, to the extent of the interest assigned by such Assignment and Assumption, be released from its obligations under this Agreement (and, in the case of an Assignment and Assumption covering all of the assigning Lender's rights and obligations under this Agreement, such Lender shall cease to be a party hereto but shall continue to be entitled to the benefits of Sections 3.01, 3.04, 3.05, 10.04 and 10.05 with respect to facts and circumstances occurring prior to the effective date of such assignment, and subject to the obligations set forth in Section 10.08). Upon request, and the surrender by the assigning Lender of its Note, each Borrower (at its expense) shall execute and deliver a Note to the assignee Lender. Any assignment or transfer by a Lender of rights or obligations under this Agreement (other than any purported assignment or transfer to a Disqualified Institution) that does not comply with this clause (b) shall be treated for purposes of this Agreement as a sale by such Lender of a participation in such rights and obligations in accordance with Section 10.07(d).

(c) The Administrative Agent, acting solely for this purpose as an agent of the Borrowers (and such agency being solely for tax purposes), shall maintain at the Administrative Agent's Office a copy of each Assignment and Assumption delivered to it and a register for the recordation of the names and addresses of the Lenders, and the Commitments of, and principal amounts (and related interest amounts) of the Loans, L/C Obligations (specifying the Unreimbursed Amounts), L/C Borrowings and amounts due under Section 2.03, owing to, each Lender pursuant to the terms hereof from time to time (the "Register"). The entries in the Register shall be conclusive, absent manifest error, and the Borrowers, the Agents and the Lenders shall treat each Person whose name is recorded in the Register pursuant to the terms hereof as a Lender hereunder for all purposes of this Agreement, notwithstanding notice to the contrary. In addition, the Administrative Agent shall maintain on the Register information regarding the designation, and revocation of designation, of any Lender as Defaulting Lender. The Register shall be available for inspection by the Borrowers, any Agent and any Lender (with respect to itself), at any reasonable time and from time to time upon reasonable prior notice. This Section 10.07(c) and Section 2.11 shall be construed so that all Loans are at all times maintained in "registered form" within the meaning of Sections 163(f), 871(h)(2) and 881(c)(2) of the Code and any related Treasury regulations (or any other relevant or successor provisions of the Code or of such Treasury regulations).

(d) Any Lender may at any time, without the consent of, or notice to, the Borrowers, the Administrative Agent, the L/C Issuers or Swing Line Lender, sell participations to any Person (other than a natural person, an Affiliate Lender (other than a Debt Fund Affiliate), a Person that the Administrative Agent has identified in a notice to the Lenders as a Defaulting Lender or a Disqualified Institution (each, a "Participant") in all or a portion of such Lender's rights and/or obligations under this Agreement (including all or a portion of its Commitment and/or the Loans (including such Lender's participations in L/C Obligations and/or Swing Line Loans) owing to it); provided that (i) such Lender's obligations under this Agreement shall remain unchanged, (ii) such Lender shall remain solely responsible to the other parties hereto for the performance of such obligations and (iii) the Borrowers, the Agents and the other Lenders shall continue to deal solely and directly with such Lender in connection with such Lender's rights and obligations under this Agreement. Any agreement or instrument pursuant to which a Lender sells such a participation shall provide that such Lender shall retain the sole right to enforce this Agreement and the other Loan Documents and to approve any amendment, modification or waiver of any provision of this Agreement or any other Loan Document; provided that such agreement or instrument may provide that such Lender will not, without the consent of the Participant, agree to any amendment, waiver or other modification described in the first proviso to Section 10.01 that directly affects such Participant. Subject to Section 10.07(e), the Borrowers agree that each Participant shall be entitled to the benefits of Sections 3.01, 3.04 and 3.05 (subject to the requirements and the limitations of such Sections and Section 3.08) to the same extent as if it were a Lender and had acquired its interest by assignment pursuant to Section 10.07(b). To the extent permitted by law, each Participant also shall be entitled to the benefits of Section 10.09 as though it were a Lender; provided such Participant agrees to be subject to Section 2.13 as though it were a Lender.

(e) A Participant shall not be entitled to receive any greater payment under Section 3.01, 3.04 or 3.05 than the applicable Lender would have been entitled to receive with respect to the participation sold to such Participant, except to the extent that a Participant's right to a greater payment results from a change in any Law after the Participant becomes a Participant.

(f) Any Lender may at any time pledge or assign a security interest in all or any portion of its rights under this Agreement (including under its Note, if any) (other than to a Disqualified Institution or a natural person) to secure obligations of such Lender, including any pledge or assignment to secure obligations to a Federal Reserve Bank or any central bank having jurisdiction over such Lender; provided that no such pledge or assignment, and no foreclosure or other enforcement action in respect thereof, shall release such Lender from any of its obligations hereunder or substitute any such pledgee or assignee for such Lender as a party hereto.

(g) Notwithstanding anything to the contrary herein, any Lender (a "Granting Lender") may grant to a special purpose funding vehicle identified as such in writing from time to time by the Granting Lender to the Administrative Agent and the Borrowers (an "SPC") the option to provide all or any part of any Loan that such Granting Lender would otherwise be obligated to make pursuant to this Agreement; provided that (i) nothing herein shall constitute a commitment by any SPC to fund any Loan, and (ii) if an SPC elects not to exercise such option or otherwise fails to make all or any part of such Loan, the Granting Lender shall be obligated to make such Loan pursuant to the terms hereof or, if it fails to do so, to make such payment to the Administrative Agent as is required under Section 2.12(b)(ii). Each party hereto hereby agrees that an SPC shall be entitled to the benefits of Sections 3.01, 3.04 and 3.05 (subject to the requirements and the limitations of such Sections and Section 3.08); provided that neither the grant to any SPC nor the exercise by any SPC of such option shall increase the costs or expenses or otherwise increase or change the obligations of the Borrowers under this Agreement (including under Section 3.01, 3.04 or 3.05), except to the extent that the SPC's right to a greater payment results from a change in any Law after the grant to the SPC takes place. Each party hereto further agrees that (i) no SPC shall be liable for any indemnity or similar payment obligation under this Agreement for which a Lender would be liable, and (ii) the Granting Lender shall for all purposes, including the approval of any amendment, waiver or other modification of any provision of any Loan Document, remain the Lender of record hereunder. Other than as expressly provided in this Section 10.07(g), (A) such Granting Lender's obligations under this Agreement shall remain unchanged, (B) such Granting Lender shall remain solely responsible to the other parties hereto for the performance of such obligations and (C) the Borrowers, the Agents and the other Lenders shall continue to deal solely and directly with such Granting Lender in connection with such Granting Lender's rights and obligations under this Agreement. The making of a Loan by an SPC hereunder shall utilize the Commitment of the Granting Lender to the same extent, and as if, such Loan were made by such Granting Lender. In furtherance of the foregoing, each party hereto hereby agrees (which agreement shall survive the termination of this Agreement) that, prior to the date that is one year and one day after the payment in full of all outstanding commercial paper or other senior debt of any SPC, it will not, other than in respect of matters unrelated to this Agreement or the transactions contemplated hereby, institute against, or join any other Person in instituting against, such SPC any bankruptcy, reorganization, arrangement, insolvency, or liquidation proceeding under the laws of the United States or any State thereof. Notwithstanding anything to the contrary contained herein, any SPC may (i) with notice to, but without prior consent of the Borrowers and the Administrative Agent and with the payment of a processing fee of $3,500, assign all or any portion of its rights hereunder with respect to any Loan to the Granting Lender and (ii) subject to Section 10.08, disclose on a confidential basis any non-public information relating to its funding of Loans to any rating agency, commercial paper dealer or provider of any surety or Guarantee or credit or liquidity enhancement to such SPC.

(h) Notwithstanding anything to the contrary herein, any Lender that is a Fund may create a security interest in all or any portion of the Loans owing to it and the Note, if any, held by it to the trustee for holders of obligations owed, or securities issued, by such Fund as security for such obligations or securities; provided that unless and until such trustee actually becomes a Lender in compliance with the other provisions of this Section 10.07, (i) no such pledge shall release the pledging Lender from any of its obligations under the Loan Documents, and (ii) such trustee shall not be entitled to exercise any of the rights of a Lender under the Loan Documents even though such trustee may have acquired ownership rights with respect to the pledged interest through foreclosure or otherwise.

(i) Notwithstanding anything to the contrary herein, any Lender may assign all or any portion of its Term Loans, Specified Refinancing Term Loans and New Term Loans hereunder to any Other Affiliate (including any Debt Fund Affiliate), but only if:

(i) no Default has occurred and is continuing or would result therefrom;

(ii) the assigning Lender and Other Affiliate purchasing such Lender's Term Loans, Specified Refinancing Term Loans or New Term Loans, as applicable, shall execute and deliver to the Administrative Agent an assignment agreement substantially in the form of Exhibit E-2 hereto (an "Affiliate Lender Assignment and Assumption") in lieu of an Assignment and Assumption;

(iii) after giving effect to such assignment, Other Affiliates (other than Debt Fund Affiliates) shall not, in the aggregate, own or hold Term Loans, Specified Refinancing Term Loans and New Term Loans with an aggregate principal amount in excess of 20% of the principal amount of all Term Loans then outstanding (calculated as of the date of such purchase); and

(iv) such Other Affiliate (other than Debt Fund Affiliates) shall (A) at the time of such assignment affirm the No Undisclosed Information Representation, (B) all times thereafter be subject to the voting restrictions specified in Section 10.01 and (C) at the time of any sale by it of any portion of such Term Loans, Specified Refinancing Term Loans or New Term Loans (other than a sale to another Other Affiliate), affirm the No Undisclosed Information Representation.

(j) Notwithstanding anything to the contrary herein, any Lender may assign all or any portion of its Term Loans, Specified Refinancing Term Loans and New Term Loans hereunder to Holdings or any of its Subsidiaries, but only if:

(i) (A) such assignment is made pursuant to a Dutch Auction open to all Term Lenders, Specified Refinancing Term Loan lenders or New Term Loan lenders on a pro rata basis or (B) such assignment is made as an open market purchase;

(ii) no Default has occurred and is continuing or would result therefrom;

(iii) Holdings or its Subsidiary, as applicable, shall at the time of such assignment affirm the No Undisclosed Information Representation;

(iv) any such Term Loans shall be automatically and permanently cancelled immediately upon acquisition thereof by Holdings or any of its Subsidiaries;

(v) Holdings and its Subsidiaries do not use the proceeds of the Revolving Credit Facility (whether or not the Revolving Credit Facility has been increased pursuant to Section 2.14 or refinanced pursuant to Section 2.20) to acquire such Term Loans; and

(vi) In the case of an open market purchase, the aggregate principal amount of all Term Loans purchased pursuant to open market purchases since the Closing Date shall not, in the aggregate, exceed 20.0% of the principal amount of all Term Loans then outstanding (calculated as of the date of such purchase).

(k) Notwithstanding anything to the contrary herein, (i) Affiliate Lenders (other than Debt Fund Affiliates) shall not have any right to attend (including by telephone) any meeting or discussions (or portion thereof) among the Administrative Agent or any other Lender to which representatives of the Borrowers are not then present, (ii) Affiliate Lenders (other than Debt Fund Affiliates) shall not have any right to receive any information or material prepared by the Administrative Agent or any other Lender or any communication by or among the Administrative Agent and one or more other Lenders, except to the extent such information or materials have been made available to the Borrowers or their representatives, (iii) no assignments in respect of the Revolving Credit Facility may be made to the Sponsor or any Affiliate of the Sponsor and (iv) neither the Sponsor nor any Affiliate of the Sponsor (other than Debt Fund Affiliates) may be entitled to receive advice of counsel to the Agents or other Lenders and none of them shall challenge any assertion of attorney-client privilege by any Agent or other Lender.

(l) Notwithstanding anything to the contrary herein, Barclays may, (i) upon 30 days' notice to the Borrowers and the Lenders, resign as L/C Issuer and/or (ii) upon 30 days' notice to the Borrowers, resign as Swing Line Lender; provided that on or prior to the expiration of such 30-day period with respect to such resignation, the relevant L/C Issuer shall have identified a successor L/C Issuer willing to accept its appointment as successor L/C Issuer, and the effectiveness of such resignation shall be conditioned upon such successor assuming the rights and

duties of the L/C Issuer. In the event of any such resignation as L/C Issuer or Swing Line Lender, the Borrowers shall be entitled to appoint from among the Lenders a successor L/C Issuer or Swing Line Lender hereunder; provided, however, that no failure by the Borrowers to appoint any such successor shall affect the resignation of Barclays as L/C Issuer or Swing Line Lender, as the case may be. If Barclays resigns as L/C Issuer, it shall retain all the rights and obligations of an L/C Issuer hereunder with respect to all Letters of Credit outstanding as of the effective date of its resignation as L/C Issuer and all L/C Obligations with respect thereto (including the right to require the Lenders to make Base Rate Loans or fund risk participations in Unreimbursed Amounts pursuant to Section 2.03(d)). If Barclays resigns as Swing Line Lender, it shall retain all the rights of the Swing Line Lender provided for hereunder with respect to Swing Line Loans made by it and outstanding as of the effective date of such resignation, including the right to require the Lenders to make Base Rate Loans or fund risk participations in outstanding Swing Line Loans pursuant to Section 2.04(c). Upon the appointment of a successor L/C Issuer and/or Swing Line Lender, (A) such successor shall succeed to and become vested with all of the rights, powers, privileges and duties of the retiring L/C Issuer or Swing Line Lender, as the case may be, and (B) the successor L/C Issuer shall issue letters of credit in substitution for the Letters of Credit, if any, outstanding at the time of such succession or make other arrangements satisfactory to Barclays to effectively assume the obligations of Barclays with respect to such Letters of Credit.

(m) The applicable Lender, acting solely for this purpose as a non-fiduciary agent of the Borrowers (solely for tax purposes), shall maintain a register on which it enters the name and address of (i) each SPC (other than any SPC that is treated as a disregarded entity of the Granting Lender for U.S. federal income tax purposes) that has exercised its option pursuant to Section 10.07(g) and (ii) each Participant, and the amount of each such SPC's and Participant's interest in such Lender's rights and/or obligations under this Agreement complying with the requirements of Sections 163(f), 871(h) and 881(c)(2) of the Code and the United States Treasury Regulations (the "Participant Register"); provided that no Lender shall have any obligation to disclose all or any portion of the Participant Register (including the identity of any Participant or any information relating to a Participant's interest in any commitments, loans, letters of credit or its other obligations under any Loan Document) to any Person except to the extent that such disclosure is necessary in connection with a Tax audit or other proceeding to establish that such commitment, loan, letter of credit or other obligation is in registered form under Section 5f.103-1(c) of the United States Treasury Regulations. The entries in the Participant Register shall be conclusive absent manifest error, and the Borrower and such Lender shall treat each Person whose name is recorded in the Participant Register as the owner of the applicable rights and/or obligations of such Lender under this Agreement, notwithstanding notice to the contrary.

(n) In the event that a transfer by any of the Secured Parties of its rights and/or obligations under this Agreement (and/or any relevant Loan Document) occurred or was deemed to occur by way of novation, the Borrowers and any other Loan Parties explicitly agree that all securities and guarantees created under any Loan Documents shall be preserved for the benefit of the new Lender and the other Secured Parties.

Section 10.08 Confidentiality. Each of the Agents and the Lenders agrees to maintain the confidentiality of the Information, except that Information may be disclosed (a) to its Affiliates and to its and its Affiliate's respective partners, directors, officers, employees, trustees, representatives and agents, including accountants, legal counsel and other advisors and numbering administration and settlement service providers on a need to know basis it being understood that the Persons to whom such disclosure is made will be informed of the confidential nature of such Information and instructed to keep such Information confidential in accordance with customary practices; (b) to the extent requested by any regulatory authority having jurisdiction over such Agent, Lender or its respective Affiliates or in connection with any pledge or assignment permitted under Section 10.07(f); (c) in any legal, judicial, administrative proceeding or other compulsory process or otherwise as required by applicable Laws or regulations or by any subpoena or similar legal process, in each case based upon the reasonable advice of the disclosing Agent's or Lender's legal counsel (in which case the disclosing Agent or Lender, as applicable, agrees (except with respect to any audit or examination conducted by bank accountants or any governmental bank regulatory authority exercising examination or regulatory authority), to the extent practicable and not prohibited by applicable Law, to promptly notify the Dutch Borrower after disclosure); (d) to any other party to this Agreement; (e) in connection with the exercise of any remedies hereunder or under any other Loan Document or any action or proceeding relating to this Agreement or any other Loan Document or the enforcement of rights hereunder or thereunder; (f) subject to an agreement containing provisions substantially the same (or at least as restrictive) as those of this Section 10.08 (or as may otherwise be reasonably acceptable to the Borrowers), to any Eligible Assignee of or Participant in, or any prospective

Eligible Assignee of or Participant in, any of its rights or obligations under this Agreement; provided, that no such disclosure shall be made by such Lender or such Agent or any of their respective Affiliates to any such Person that is a Disqualified Institution; (g) with the written consent of Holdings; (h) to the extent such Information becomes publicly available other than as a result of a breach of this Section 10.08; (i) to any state, federal or foreign authority or examiner (including the National Association of Insurance Commissioners or any other similar organization) regulating any Lender; or (j) to any rating agency when required by it (it being understood that, prior to any such disclosure, such rating agency shall undertake to preserve the confidentiality of any Information relating to the Loan Parties received by it from such Lender). In addition, the Agents and the Lenders may disclose the existence of this Agreement and information about this Agreement to market data collectors, similar service providers to the lending industry, and service providers to the Agents and the Lenders in connection with the administration and management of this Agreement, the other Loan Documents, the Commitments, and the Credit Extensions; provided that such Person is advised and agrees to be bound by the provisions of this Section 10.08.

For the purposes of this Section 10.08, "Information" means all information received from any Loan Party or any Subsidiary thereof relating to any Loan Party or any Subsidiary thereof or their respective businesses, other than any such information that is publicly available to any Agent or any Lender prior to disclosure by any Loan Party other than as a result of a breach of this Section 10.08 by such Lender or Agent. Any Person required to maintain the confidentiality of Information as provided in this Section 10.08 shall be considered to have complied with its obligation to do so if such Person has exercised the same degree of care to maintain the confidentiality of such Information as such Person would accord to its own confidential information.

Each of the Administrative Agent, the Lenders and each L/C Issuer acknowledges that (i) the Information may include material non-public information concerning Holdings or any of its Subsidiaries, (ii) it has developed compliance procedures regarding the use of material non-public information and (iii) it will handle such material non-public information in accordance with applicable Law, including United States federal and state securities Laws.

Section 10.09 Setoff. In addition to any rights and remedies of the Lenders provided by Law, upon the occurrence and during the continuance of any Event of Default, each Secured Party is authorized at any time and from time to time, after obtaining the prior written consent of the Administrative Agent, without prior notice to the Borrowers or any other Loan Party, any such notice being waived by each Borrower (on its own behalf and on behalf of each Loan Party) to the fullest extent permitted by Law, to set off and apply any and all deposits (general or special, time or demand, provisional or final, in any currency), other than deposits in fiduciary accounts as to which a Loan Party is acting as fiduciary for another Person who is not a Loan Party, at any time held by, and other Indebtedness (in any currency) at any time owing by, such Lender to or for the credit or the account of the respective Loan Parties against any and all Obligations owing to such Secured Party hereunder or under any other Loan Document (or other Secured Agreement (as defined in the Security Agreement)), now or hereafter existing, irrespective of whether or not such Agent or such Lender shall have made demand under this Agreement or any other Loan Document (or other Secured Agreement (as defined in the Security Agreement)) and although such Obligations may be contingent or unmatured or denominated in a currency different from that of the applicable deposit or Indebtedness or are owed to a branch or office of such Lender different from the branch or office holding such deposit or obligated on such Indebtedness; provided that in the event that any Defaulting Lender shall exercise any such right of setoff, (x) all amounts so set off shall be paid over immediately to the Administrative Agent for further application in accordance with the provisions of Section 2.19 and, pending such payment, shall be segregated by such Defaulting Lender from its other funds and deemed held in trust for the benefit of the Administrative Agent and the Lenders, and (y) the Defaulting Lender shall provide promptly to the Administrative Agent a statement describing in reasonable detail the Obligations owing to such Defaulting Lender as to which it exercised such right of setoff. Each Secured Party agrees promptly to notify the Borrowers and the Administrative Agent after any such set-off and application made by such Secured Party; provided, however, that the failure to give such notice shall not affect the validity of such setoff and application. The rights of the Administrative Agent and each Secured Party under this Section 10.09 are in addition to other rights and remedies (including other rights of setoff) that the Administrative Agent and such Secured Party may have. Notwithstanding anything herein or in any other Loan Document to the contrary, in no event shall the assets of any Controlled Foreign Subsidiary or FSHCO constitute security, or shall the proceeds of such assets be available for, payment of the Obligations of the U.S. Borrower, it being understood that (a) the Equity Interests of any Controlled Foreign Subsidiary or FSHCO that is directly owned by the U.S. Borrower or a Domestic Subsidiary does constitute such an asset, and may be pledged, to the extent set forth in Section 6.12 and (b) the provisions hereof shall not limit, reduce or otherwise diminish in any respect the Borrowers' obligations to make any mandatory prepayment pursuant to Section 2.05(b)(ii).

Section 10.10 Interest Rate Limitation. Notwithstanding anything to the contrary in any Loan Document, the interest paid or agreed to be paid under the Loan Documents shall not exceed the maximum rate of non-usurious interest permitted by applicable Law (the "Maximum Rate"). If any Agent or any Lender shall receive interest in an amount that exceeds the Maximum Rate, the excess interest shall be applied to the principal of the Loans or, if it exceeds such unpaid principal, refunded to any Borrower. In determining whether the interest contracted for, charged, or received by an Agent or a Lender exceeds the Maximum Rate, such Person may, to the extent permitted by applicable Law, (a) characterize any payment that is not principal as an expense, fee, or premium rather than interest, (b) exclude voluntary prepayments and the effects thereof and (c) amortize, prorate, allocate, and spread in equal or unequal parts the total amount of interest throughout the contemplated term of the Obligations hereunder.

Section 10.11 Counterparts. This Agreement and each other Loan Document may be executed in one or more counterparts (and by different parties hereto in different counterparts), each of which shall be deemed an original, but all of which together shall constitute one and the same instrument. Delivery by telecopier or other electronic transmission of an executed counterpart of a signature page to this Agreement and each other Loan Document shall be effective as delivery of an original executed counterpart of this Agreement and such other Loan Document. The Agents may also require that any such documents and signatures delivered by telecopier or other electronic transmission be confirmed by a manually-signed original thereof; provided that the failure to request or deliver the same shall not limit the effectiveness of any document or signature delivered by telecopier or other electronic transmission.

Section 10.12 Integration; Effectiveness. This Agreement and the other Loan Documents, and those provisions of the Commitment Letter that, by its terms, survive the termination or expiration of the Commitment Letter and/or the execution and delivery of the Facilities Documentation (as defined in the Commitment Letter), constitute the entire contract among the parties relating to the subject matter hereof and supersede any and all previous agreements and understandings, oral or written, relating to the subject matter hereof. It is expressly agreed and confirmed by the parties hereto that the provisions of the Fee Letter shall survive the execution and delivery of this Agreement, the occurrence of the Closing Date, and shall continue in effect thereafter in accordance with their terms. In the event of any conflict between the provisions of this Agreement and those of any other Loan Document, the provisions of this Agreement shall control; provided that the inclusion of supplemental rights or remedies in favor of the Agents or the Lenders in any other Loan Document shall not be deemed a conflict with this Agreement. Each Loan Document was drafted with the joint participation of the respective parties thereto and shall be construed neither against nor in favor of any party, but rather in accordance with the fair meaning thereof. Except as provided in Section 4.01, this Agreement shall become effective when it shall have been executed by the Administrative Agent and when the Administrative Agent shall have received counterparts hereof that, when taken together, bear the signatures of each of the other parties hereto.

Section 10.13 Survival of Representations and Warranties. All representations and warranties made hereunder and in any other Loan Document or other document delivered pursuant hereto or thereto or in connection herewith or therewith shall survive the execution and delivery hereof and thereof. Such representations and warranties have been or will be relied upon by each Agent and each Lender, regardless of any investigation made by any Agent or any Lender or on their behalf and notwithstanding that any Agent or any Lender may have had notice or knowledge of any Default at the time of any Credit Extension, and shall continue in full force and effect as long as any Loan or any other Obligation (other than contingent indemnification or other obligations and obligations and liabilities under Secured Cash Management Agreements and Secured Hedge Agreements) hereunder shall remain unpaid or unsatisfied or any Letter of Credit shall remain outstanding (other than Letters of Credit which have been Cash Collateralized).

Section 10.14 Severability. If any provision of this Agreement or the other Loan Documents is held to be illegal, invalid or unenforceable, (a) the legality, validity and enforceability of the remaining provisions of this Agreement and the other Loan Documents shall not be affected or impaired thereby and (b) the parties shall endeavor in good faith negotiations to replace the illegal, invalid or unenforceable provisions with valid provisions the economic effect of which comes as close as possible to that of the illegal, invalid or unenforceable provisions. The invalidity

of a provision in a particular jurisdiction shall not invalidate or render unenforceable such provision in any other jurisdiction. Without limiting the foregoing provisions of this Section 10.14, if and to the extent that the enforceability of any provisions in this Agreement relating to Defaulting Lenders shall be limited by Debtor Relief Laws then such provisions shall be deemed to be in effect only to the extent not so limited.

Section 10.15 Governing Law; Jurisdiction; Etc.

(a) GOVERNING LAW. EACH OF THE PARTIES HERETO HEREBY IRREVOCABLY WAIVES, TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, THE DEFENSE OF AN INCONVENIENT FORUM TO THE MAINTENANCE OF SUCH ACTION OR PROCEEDING IN ANY SUCH COURT.

Section 10.16 SERVICE OF PROCESS. EACH PARTY HERETO IRREVOCABLY CONSENTS TO SERVICE OF PROCESS IN THE MANNER PROVIDED FOR NOTICES IN SECTION 10.02. Section 10.18 Binding Effect. When this Agreement shall have become effective in accordance with Section 10.12, it shall thereafter shall be binding upon and inure to the benefit of the Borrowers, each Agent and each Lender and their respective successors and permitted assigns, except that the Borrowers shall not have the right to assign its rights hereunder or any interest herein without the prior written consent of the Lenders except as permitted by Section 7.04.

Section 10.19 No Advisory or Fiduciary Responsibility. In connection with all aspects of each transaction contemplated hereby (including in connection with any amendment, waiver or other modification hereof or of any other Loan Document), each Borrower and Holdings acknowledges and agrees, and each of them acknowledges and agrees that it has informed its other Affiliates, that: (i) (A) no fiduciary, advisory or agency relationship between any of Holdings and its Subsidiaries and any Agent or any Arranger is intended to be or has been created in respect of any of the transactions contemplated hereby and by the other Loan Documents, irrespective of whether any Agent or any Arranger has advised or is advising Holdings and its Subsidiaries on other matters, (B) the arranging and other services regarding this Agreement provided by the Agents and the Arrangers are arm's-length commercial transactions between Holdings and its Subsidiaries, on the one hand, and the Agents and the Arrangers, on the other hand, (C) each Borrower and Holdings has consulted its own legal, accounting, regulatory and tax advisors to the extent it has deemed appropriate, and (D) each Borrower and Holdings is capable of evaluating, and understands and accepts, the terms, risks and conditions of the transactions contemplated hereby and by the other Loan Documents; (ii) (A) each Agent and Arranger is and has been acting solely as a principal and, except as may otherwise be expressly agreed in writing by the relevant parties, has not been, is not, and will not be acting as an advisor, agent or fiduciary for Holdings or any Borrower or any of their respective Affiliates, or any other Person and (B) neither any Agent nor any Arranger has any obligation to Holdings or any of its Affiliates with respect to the transactions contemplated hereby except those obligations expressly set forth herein and in the other Loan Documents; and (iii) the Agents and the Arrangers and their respective Affiliates may be engaged in a broad range of transactions that involve interests that differ from those of Holdings, the Borrowers and their respective Affiliates, and neither any Agent nor any Arranger has any obligation to disclose any of such interests and transactions to Holdings, the Borrowers or their respective Affiliates. To the fullest extent permitted by law, each Borrower and Holdings hereby waives and releases any claims that it may have against the Agents, the Arrangers, and the Lenders with respect to any breach or alleged breach of agency or fiduciary duty in connection with any aspect of any transaction contemplated hereby.

Section 10.20 Affiliate Activities. Each Borrower and Holdings acknowledge that each Agent and each Arranger (and their respective Affiliates) is a full service securities firm engaged, either directly or through affiliates, in various activities, including securities trading, investment banking and financial advisory, investment management, principal investment, hedging, financing and brokerage activities and financial planning and benefits counseling for both companies and individuals. In the ordinary course of these activities, any of them may make or hold a broad array of investments and actively trade debt and equity securities (or related derivative securities) and/or financial instruments (including bank loans) for their own account and for the accounts of customers and may at any time hold long and short positions in such securities and/or instruments. Such investment and other activities may

involve securities and instruments of Holdings and its Affiliates, as well as of other entities and persons and their Affiliates which may (i) be involved in transactions arising from or relating to the engagement contemplated hereby and by the other Loan documents, (ii) be customers or competitors of Holdings and its Affiliates or (iii) have other relationships with Holdings and its Affiliates. In addition, it may provide investment banking, underwriting and financial advisory services to such other entities and persons. It may also co-invest with, make direct investments in, and invest or co-invest client monies in or with funds or other investment vehicles managed by other parties, and such funds or other investment vehicles may trade or make investments in securities of Holdings and its Affiliates or such other entities. The transactions contemplated hereby and by the other Loan Documents may have a direct or indirect impact on the investments, securities or instruments referred to in this paragraph.

Section 10.21 Electronic Execution of Assignments and Certain Other Documents. The words "execution," "signed," "signature," and words of like import in any Assignment and Assumption or in any amendment or other modification hereof (including waivers and consents) shall be deemed to include electronic signatures or the keeping of records in electronic form, each of which shall be of the same legal effect, validity or enforceability as a manually executed signature or the use of a paper-based recordkeeping system, as the case may be, to the extent and as provided for in any applicable Law, including the Federal Electronic Signatures in Global and National Commerce Act, the New York State Electronic Signatures and Records Act, or any other similar state laws based on the Uniform Electronic Transactions Act.

Section 10.22 USA PATRIOT ACT. Each Lender that is subject to the PATRIOT Act and the Administrative Agent (for itself and not on behalf of any Lender) hereby notifies the Borrowers that pursuant to the requirements of the USA PATRIOT Act (Title III of Pub. L. 107-56 (signed into law October 26, 2001, as amended from time to time)) (the "PATRIOT Act"), it is required to obtain, verify and record information that identifies each Loan Party, which information includes the name and address of each Loan Party and other information that will allow such Lender or the Administrative Agent, as applicable, to identify each Loan Party in accordance with the PATRIOT Act. The Borrowers shall, promptly following a request by the Administrative Agent or any Lender, provide all documentation and other information that the Administrative Agent or such Lender requests in order to comply with its ongoing obligations under applicable "know your customer" and anti-money laundering rules and regulations, including the PATRIOT Act.

Section 10.23 Joint and Several Liability of the Borrowers.

(a) Each Borrower agrees that it is jointly and severally liable for the obligations of the other Borrowers hereunder, including with respect to the payment of principal of and interest on all Loans and the payment of fees and indemnities and reimbursement of costs and expenses. Each Borrower is accepting joint and several liability hereunder in consideration of the financial accommodations to be provided by the Administrative Agent, the Collateral Agent and the Lenders under this Agreement, for the mutual benefit, directly and indirectly, of each of the Borrowers and in consideration of the undertakings of each of the Borrowers to accept joint and several liability for the obligations of each of them. Each Borrower, jointly and severally, hereby irrevocably and unconditionally accepts, as a co-debtor, joint and several liability with each other Borrower, with respect to the payment and performance of all of the Obligations, it being the intention of the parties hereto that all Obligations shall be the joint and several obligations of all of the Borrowers without preferences or distinction among them. If and to the extent that any of the Borrowers shall fail to make any payment with respect to any of the Obligations as and when due or to perform any of such Obligations in accordance with the terms thereof, then in each such event each other Borrower will make such payment with respect to, or perform, such Obligations. A breach hereof or Default or Event of Default hereunder as to any single Borrower shall constitute a breach, Default or Event of Default as to all the Borrowers. Each Borrower hereby waives notice of acceptance of its joint and several liability, notice of the Loans made under this Agreement, notice of the occurrence of any Default or Event of Default, or of any demand for any payment under this Agreement, notice of any action at any time taken or omitted by the Administrative Agent, the Collateral Agent or the Lenders under or in respect of any of the Obligations, any requirement of diligence or to mitigate damages and, generally, all demands, notices and other formalities of every kind in connection with this Agreement, except for any demands, notices and other formalities expressly required under the terms of this Agreement. Each Borrower hereby assents to, and waives notice of, any extension or postponement of the time for the payment of any of the Obligations, the acceptance of any partial payment thereon, any waiver, consent or other action or acquiescence by the Administrative Agent, the Collateral Agent or the Lenders at any time or times in respect of any default (including any Default or Event of Default) by any Borrower in the performance or satisfaction of any

term, covenant, condition or provision of this Agreement, any and all other indulgences whatsoever by the Administrative Agent, the Collateral Agent or the Lenders in respect of any of the obligations hereunder, and the taking, addition, substitution or release, in whole or in part, at any time or times, of any security for any of such obligations or the addition, substitution or release, in whole or in part, of any Borrower. Without limiting the generality of the foregoing, each Borrower assents to any other action or delay in acting or failure to act on the part of the Administrative Agent, the Collateral Agent or the Lenders, including any failure strictly or diligently to assert any right or to pursue any remedy or to comply fully with applicable laws or regulations thereunder, which might, but for the provisions of this Section 10.23, afford grounds for terminating, discharging or relieving such Borrower, in whole or in part, from any of its Obligations under this Section 10.23, it being the intention of each Borrower that, so long as any of the Obligations remain unsatisfied, the Obligations of such Borrower under this Section 10.23 shall not be discharged except by performance and then only to the extent of such performance. The joint and several liability of the Borrowers hereunder shall continue in full force and effect notwithstanding any absorption, merger, amalgamation or any other change whatsoever in the name, membership, constitution or place of formation of any Borrower. With respect to any Borrower's Obligations arising as a result of the joint and several liability of the Borrowers hereunder with respect to Loans or other extensions of credit made to any of the other Borrowers hereunder, such Borrower waives, until the Obligations shall have been paid in full (other than contingent indemnification obligations that are not yet due and payable or as to which no claim has been asserted) and this Agreement shall have been terminated, any right to enforce any right of subrogation or any remedy which an Agent and/or any Lender now has or may hereafter have against any other Borrower, any endorser or any guarantor of all or any part of the Obligations, and any benefit of, and any right to participate in, any security or collateral given to an Agent and/or any Lender to secure payment of the Obligations or any other liability of any Borrower to an Agent and/or any Lender.

(b) Subject to the immediately preceding sentence, to the extent that any Borrower shall be required to pay a portion of the Obligations which shall exceed the amount of Loans other extensions of credit received by such Borrower and all interest, costs, fees and expenses attributable to such Loans or other extensions of credit, then such Borrower shall be reimbursed by the other Borrowers for the amount of such excess. This paragraph is intended only to define the relative rights of Borrowers, and nothing set forth in this paragraph is intended or shall impair the obligations of each Borrower, jointly and severally, to pay to Administrative Agent and Lenders the Obligations as and when the same shall become due and payable in accordance with the terms hereof. Notwithstanding anything to the contrary set forth in this paragraph or any other provisions of this Agreement, it is the intent of the parties hereto that the liability incurred by each Borrower in respect of the Obligations of the other Borrowers (and any Lien granted by each Borrower to secure such Obligations), not constitute a fraudulent conveyance or fraudulent transfer under the provisions of any applicable law of any state or other governmental unit ("Fraudulent Conveyance"). Consequently, each Borrower, each Agent and each Lender hereby agree that if a court of competent jurisdiction determines that the incurrence of liability by any Borrower in respect of the Obligations of any other Borrower (or any Liens granted by such Borrower to secure such Obligations) would, but for the application of this sentence, constitute a Fraudulent Conveyance, such liability (and such Liens) shall be valid and enforceable only to the maximum extent that would not cause the same to constitute a Fraudulent Conveyance, and this Agreement and the other Loan Documents shall automatically be deemed to have been amended accordingly, nunc pro tunc.

(c) Each Borrower's obligation to pay and perform the Obligations shall be absolute, unconditional and irrevocable, and shall be paid and performed strictly in accordance with the terms of this Agreement under any and all circumstances whatsoever and irrespective of (i) any lack of validity or enforceability of this Agreement, or any term or provision therein, as to any other Borrower, (ii) any amendment or waiver of or any consent to departure from this Agreement or any other Loan Document, in respect of any other Borrower, (iii) the application of any Loan proceeds to, or the extension of any other credit for the benefit of, any other Borrower, any other Loan Party, or any of their Subsidiaries or (iv) any other event or circumstance whatsoever, whether or not similar to any of the foregoing, that might, but for the provisions of this Section 10.23, constitute a legal or equitable discharge of, or provide a right of setoff against, any Borrower's obligations hereunder, in each case other than any payment in full of the Obligations (other than contingent indemnification obligations not yet due or owing). Each of the Borrowers further agree that (i) its obligations under this Agreement and the other Loan Documents shall continue to be effective or be reinstated, as the case may be, if at any time any payment of any such obligations is rescinded or must otherwise be returned by any Person upon the insolvency, bankruptcy or reorganization of, or the application of any Debtor Relief Laws to, any other Borrower, all as though such payment had not been made and (ii) it hereby unconditionally and irrevocably waives any right to revoke its joint and several liability under the Loan Documents and acknowledges that such liability is continuing in nature and applies to all obligations of the Borrowers under the Loan Documents, whether existing now or in the future.

Section 10.24 Judgment Currency. If, for the purposes of obtaining judgment in any court, it is necessary to convert a sum due hereunder or any other Loan Document in one currency into another currency, the rate of exchange used shall be that at which in accordance with normal banking procedures the Administrative Agent could purchase the first currency with such other currency on the Business Day preceding that on which final judgment is given. The obligation of the Borrowers in respect of any such sum due from it to the Administrative Agent or the Lenders hereunder or under the other Loan Documents shall, notwithstanding any judgment in a currency (the "Judgment Currency") other than that in which such sum is denominated in accordance with the applicable provisions of this Agreement (the "Agreement Currency"), be discharged only to the extent that on the Business Day following receipt by the Administrative Agent of any sum adjudged to be so due in the Judgment Currency, the Administrative Agent may in accordance with normal banking procedures purchase the Agreement Currency with the Judgment Currency. If the amount of the Agreement Currency so purchased is less than the sum originally due to the Administrative Agent from the Borrowers in the Agreement Currency, the Borrowers agree, as a separate obligation and notwithstanding any such judgment, to indemnify the Administrative Agent or the Person to whom such obligation was owing against such loss. If the amount of the Agreement Currency so purchased is greater than the sum originally due to the Administrative Agent in such currency, the Administrative Agent agrees to return the amount of any excess to the Borrowers (or to any other Person who may be entitled thereto under applicable Law).

Section 10.25 Waiver of Sovereign Immunity. Each Loan Party that is incorporated outside the United States, in respect of itself, its Subsidiaries, its process agents, and its properties and revenues, hereby irrevocably agrees that, to the extent that such Loan Party or its respective Subsidiaries or any of its or its respective Subsidiaries' properties has or may hereafter acquire any right of immunity, whether characterized as sovereign immunity or otherwise, from any legal proceedings, whether in the United States or elsewhere, to enforce or collect upon the Loans or any Loan Document or any other liability or obligation of such Loan Party or any of their respective Subsidiaries related to or arising from the transactions contemplated by any of the Loan Documents, including, without limitation, immunity from suit, immunity from service of process, immunity from jurisdiction or judgment of any court or tribunal, immunity from execution of a judgment, and immunity of any of its property from attachment prior to any entry of judgment, or from attachment in aid of execution upon a judgment, such Loan Party, for itself and on behalf of its Subsidiaries, hereby expressly waives, to the fullest extent permissible under applicable law, any such immunity, and agrees not to assert any such right or claim in any such proceeding, whether in the United States or elsewhere. Without limiting the generality of the foregoing, each Loan Party further agrees that the waivers set forth in this Section 10.25 shall have the fullest extent permitted under the Foreign Sovereign Immunities Act of 1976 of the United States and are intended to be irrevocable for purposes of such Act.

ARTICLE XI.

Lender Loss Sharing Intercreditor Agreement

The provisions of this Article XI sets forth restrictions on transfer of Loans and Commitments hereunder for the purposes of allocating risks between and among Lenders in relation to the Term Loans, Revolving Credit Loans, Swing Line Loans and L/C Obligations and in effecting the allocations and exchanges to give effect to the provisions hereof, the intention is not to increase any obligations of any Borrower or Guarantor. None of Holdings, the Borrower Parties or any other creditor thereof (other than a Lender in its capacity as such) shall have any rights or obligations under this Article XI. Each Person which becomes a Lender or purchases a participation in a Lender's interest agrees to be bound by the following terms of this Article XI:

Section 11.01 Defined Terms. As used in this Section 11.01, the following terms shall have the following meanings:

(a) "Exchange Percentage" means, as to each Lender, a fraction, expressed as a decimal, in each case determined on the date of occurrence of a Re-Allocation Event (but before giving effect to any actions to occur on such date pursuant to Section 11.02) of which (a) the numerator shall be the sum of (i) the Pro Rata Share of such Lender of (x) the aggregate outstanding principal amount of all Revolving Credit Loans and Swing Line Loans and (y) the L/C Obligations with respect to Letters of Credit and (ii) the aggregate outstanding principal amount of all

Term Loans of such Lender, and (b) the denominator of which shall be the sum of (x) the aggregate outstanding principal amount of all Loans and (y) the L/C Obligations. Amounts not expressed in Dollars shall be determined by taking the Dollar Amount thereof (determined on the date of the occurrence of a Re-Allocation Event).

Section 11.02 Special Provisions Applicable to Lenders Upon the Occurrence of a Re-Allocation Event.

(a) On the date of the occurrence of any Re-Allocation Event, (i) if any Swing Line Loans are outstanding, the Revolving Credit Lenders shall pay to the Administrative Agent, for the account of the Swing Line Lender, its Pro Rata Share of each Swing Line Loan in accordance with the requirements of Section 2.04(c) (with the notice to be given by the Swing Line Lender to the Administrative Agent (and by the Administrative Agent to the Revolving Credit Lenders) thereunder to be deemed to have been given on the date of the occurrence of any Re-Allocation Event) and (ii) if there have been any L/C Borrowings pursuant to Letters of Credit which have not yet been reimbursed to the L/C Issuer pursuant to Section 2.03(d), the Revolving Credit Lenders shall make payments to the Administrative Agent (for the account of the L/C Issuer) therefor in accordance with the requirements of Section 2.03(d) (with the notice to be given by the L/C Issuer to the Administrative Agent (and by the Administrative Agent to the Revolving Credit Lenders) thereunder to be deemed to be given on the date of the occurrence of any Re-Allocation Event). For purposes of making calculations pursuant to the following provisions of this Section 11.02, such payments shall be deemed to have been made on the date of the occurrence of the Re-Allocation Event, before making such calculations. Notwithstanding anything to the contrary contained in the immediately preceding sentence, any Lender which has failed, or fails, to make any payments required to be made by it as described in this Article XI shall remain obligated to make such payments, together with interest thereon, and shall be obligated to the Swing Line Lender or the L/C Issuer, as the case may be, for any damages caused by its delay or failure in making any payments required to be made by it as described above.

(b) In the event that upon the occurrence of a Re-Allocation Event any Letter of Credit under any Tranche shall be outstanding and undrawn in whole or in part, each Revolving Credit Lender under such Tranche shall on the date of the occurrence of such Re-Allocation Event, but before giving effect to the purchases and sales of participations on such date pursuant to Section 11.02(c), promptly pay over to the Administrative Agent, in immediately available funds in the currency in which such Letter of Credit is denominated an amount equal to such Revolving Credit Lender's Pro Rata Share of such undrawn face amount, together with interest thereon from the date of the Re-Allocation Event to the date on which such amount shall be paid to the Administrative Agent at a rate per annum equal to the Overnight Rate. The Administrative Agent shall establish a separate account for each currency in which such funds are paid in an amount equal to the aggregate amount of such currency received from such Revolving Credit Lenders, along with a record detailing the amount received from each such Revolving Credit Lender pursuant to the preceding sentence. The Administrative Agent shall have sole dominion and control over each such account (each, a "Special Reserve Account"), and the amounts deposited in each Special Reserve Account shall be held in such Special Reserve Account until withdrawn as provided in paragraph (e) or (f) below in this Section 11.02. The Administrative Agent shall maintain records enabling it to determine the amounts paid over to it and deposited in the Special Reserve Accounts. As amounts are drawn under outstanding Letters of Credit in respect of which amounts have been paid into the various Special Reserve Accounts pursuant to this Section 11.02(b), amounts shall be drawn ratably from the Special Reserve Accounts of the various currencies to pay such amounts. The amounts paid to the Administrative Agent pursuant to this Section 11.02(b) shall be held as a reserve against the L/C Borrowings, shall not constitute Loans or extensions of credit to the Borrowers and shall not give rise to any obligation on the part of the Borrowers to pay interest to any Lender (although the Borrowers shall remain obligated to pay Letter of Credit fees and fronting fees in accordance with the requirements of Sections 2.03(i) and (j)), it being agreed that the Borrowers' reimbursement obligations in respect of Letters of Credit shall arise only at such times as drawings or payments are made thereunder as provided in Section 2.03(d). The Administrative Agent may agree with the respective Revolving Credit Lenders to invest amounts attributable to such Revolving Credit Lender's Pro Rata Share from time to time deposited in such Special Reserve Accounts in Cash Equivalents or other similar investments reasonably satisfactory to both the Administrative Agent and the applicable Revolving Credit Lender, in which case (x) any returns on such investments shall be deposited in the respective Special Reserve Account (until applied as provided in clauses (e) and (f) below) and (y) any risk of loss on investments in each Special Reserve Account shall be for the sole account of the respective Revolving Credit Lender.

(c) Upon the occurrence of a Re-Allocation Event, but after giving effect to the actions required to be taken pursuant to preceding clauses (a) and (b) (although any failure by any Lender to take the actions required of it

pursuant to said clauses shall not prevent the actions required hereby, but the respective Lender shall continue to be obligated to perform its obligations as required above and the Administrative Agent shall be authorized to make any equitable adjustments as may be deemed necessary or, in the reasonable opinion of the Administrative Agent, advisable pursuant to the following Section 11.02(g) of this Section 11.02), the Lenders shall purchase participations from other Lenders in the various Facilities (including participations in (x) each outstanding Letter of Credit, (y) each L/C Borrowing which has not been reimbursed pursuant to Section 2.03(d), and (z) each Special Reserve Account and amounts deposited therein or to be returned to the Lenders in accordance with the provisions of Section 11.02(f)) so that, after giving effect to such purchases, each Lender shall have the same credit exposure in each Facility at such time (including a participation in (x) each outstanding Letter of Credit, (y) each L/C Borrowing which has not been reimbursed pursuant to Section 2.03(d), and (z) each Special Reserve Account and amounts deposited therein or to be returned to the Lenders in accordance with the provisions of Section 11.02(f)), whether or not such Lender shall previously have participated therein, equal to such Lender's Exchange Percentage thereof. The foregoing actions shall be accomplished pursuant to this Section 11.02(c) through purchases and sales of participations in the various Facilities as required hereby, and at the request of the Administrative Agent each Lender hereby agrees to enter into customary participation agreements approved by the Administrative Agent to evidence same. All purchases and sales of participations pursuant to this Section 11.02(c) shall be made in Dollars. At the request of the Administrative Agent, each Lender which has sold participations in any of the Facilities and/or Special Reserve Accounts as provided above (through the Administrative Agent) will deliver to each Lender (through the Administrative Agent) which has so purchased a participation therein a participation certificate in the appropriate amount as determined in conjunction with the Administrative Agent. It is understood that the amount of funds delivered by each Lender shall be calculated on a net basis, giving effect to both the sales and purchases of participations by the various Lenders as required above.

(d) Notwithstanding anything to the contrary contained above or elsewhere in this Agreement, in determining the participations to be purchased as described in preceding Section 11.02(c), regularly accruing interest and fees through the date of the respective Re-Allocation Event (as well as amounts owing to any Lender pursuant to Sections 3.01, 3.04, 3.05, 10.04 and 10.05 or similar provisions pursuant to the other Loan Documents) shall be ignored, and such amounts shall be retained by the respective Lenders to which such amounts were owing and shall not be subject to the participations purchased as otherwise required hereby. In calculating the amounts of participations, with respect to any amounts expressed in a currency other than Dollars, the Administrative Agent shall use the Dollar Amount thereof as calculated on the date of the occurrence of the respective Re-Allocation Event.

(e) In the event that after the occurrence of a Re-Allocation Event any drawing or payment shall be made in respect of a Letter of Credit, the Administrative Agent shall, at the request of the L/C Issuer, withdraw from the Special Reserve Account of the applicable currency any amounts, up to the amount of such drawing or payment, deposited in the respective Special Reserve Account and remaining on deposit and deliver such amounts to the L/C Issuer, in satisfaction of the reimbursement obligations of the Revolving Credit Lenders under Section 2.03(d) (but not of the Borrowers under Section 2.03(d)). In the event that any Revolving Credit Lender shall default on its obligation to pay over any amount to the Administrative Agent in respect of any Letter of Credit as provided in Section 11.02(b), the L/C Issuer shall, in the event of a drawing or payment thereunder, have a claim against such Revolving Credit Lender to the same extent as if such Revolving Credit Lender had defaulted on its obligations under Section 2.03(d), but shall have no claim against any other Lender, notwithstanding the exchange of interests in the Borrowers' reimbursement obligations pursuant to Section 11.02(c). Each other Lender shall have a claim against such defaulting Revolving Credit Lender for any damages sustained by it as a result of such default.

(f) In the event that after the occurrence of a Re-Allocation Event any Letter of Credit shall terminate or expire undrawn or unpaid upon, then, if and so long as the Administrative Agent determines (in its reasonable discretion) that adequate funds remain on deposit in the Special Reserve Accounts of the applicable currency to fund (without giving effect to the purchases of participation pursuant to Section 11.02(c)) all remaining drawings or payments which could come due in respect of outstanding Letters of Credit, the Administrative Agent shall withdraw from the Special Reserve Account of the applicable currency the amount remaining on deposit therein in respect of such Letter of Credit (or in any case, such lesser amount as the Administrative Agent reasonably determines can be distributed without causing the amount on deposit from the Revolving Credit Lenders to be less than the remaining exposure on outstanding Letters of Credit) and promptly distribute such amount to such Revolving Credit Lender in accordance with each such Revolving Credit Lender's Pro Rata Share, provided that, if such amount is not denominated in Dollars, the Administrative Agent shall distribute to each such relevant Revolving Credit Lender the Dollar

Amount of such amount. All amounts received by any Revolving Credit Lender pursuant to this Section 11.02(f) shall, to the extent it has sold participations therein in accordance with the requirements of Section 11.02(c), be distributed by it to the various participants therein in accordance with their participating interests.

(g) All determinations by the Administrative Agent pursuant to this Section 11.02 shall be made by it in accordance with the provisions herein and with the intent being to equitably share the credit risk for all Facilities under this Agreement in accordance with the provisions hereof. Absent manifest error, all determinations by the Administrative Agent hereunder shall be binding on each of the Lenders. The Administrative Agent shall have no liability to any Borrower, any Lender or any other Person hereunder for any determinations made by it hereunder except to the extent resulting from the Administrative Agent's gross negligence or willful misconduct (as determined by a court of competent jurisdiction).

(h) Notwithstanding anything to the contrary contained above, the failure of any Lender to purchase its participating interests as required above in any extensions of credit upon the occurrence of a Re-Allocation Event shall not relieve any other Lender of its obligation hereunder to purchase its participating interests in a timely manner, but no Lender shall be responsible for the failure of any other Lender to purchase the participating interest to be purchased by such other Lender on any date.

(i) If any amount required to be paid by any Lender pursuant to this Section 11.02 is not paid to the Administrative Agent on the date upon which the Re-Allocation Event occurred (if the event occurred before 1:00 p.m. (New York time), otherwise on the following Business Day), such Lender shall, in addition to such aforementioned amount, also pay to the Administrative Agent on demand an amount equal to the product of (i) the amount so required to be paid by such Lender for the purchase of its participations, (ii) the daily average Overnight Rate during the period from and including the date of request for payment to the date on which such payment is immediately available to the Administrative Agent and (iii) a fraction the numerator of which is the actual number of days that elapsed during such period and the denominator of which is 360. A certificate of the Administrative Agent submitted to any Lender with respect to any amounts payable under this Agreement shall be conclusive in the absence of manifest error. Amounts payable by any Lender pursuant to this Section 11.02 shall be paid to the Administrative Agent for the account of the relevant Lenders, provided that, if the Administrative Agent (in its sole discretion) has elected to fund on behalf of such other Lender the amounts owing to such other Lenders, then the amounts shall be paid to the Administrative Agent for its own account.

(j) Whenever, at any time after the relevant Lenders have received from any other Lenders purchases of participations pursuant to this Section 11.02, the various Lenders receive any payment on account thereof, such Lenders will distribute to the Administrative Agent, for the account of the various Lenders participating therein, such Lenders' participating interests in such amounts (appropriately adjusted, in the case of interest payments, to reflect the period of time during which such participations were outstanding) in like funds as received, provided, however, that in the event that such payment received by any Lenders is required to be returned, the Lenders who received previous distributions in respect of their participating interests therein will return to the respective Lenders any portion thereof previously so distributed to them in like funds as such payment is required to be returned by the respective Lenders.

(k) Each Lender's obligation to purchase participating interests pursuant to this Section shall be absolute and unconditional and shall not be affected by any circumstance including, without limitation, (i) any setoff, counterclaim, recoupment, defense or other right which such Lender may have against any other Lender, any Borrower or any other Person for any reason whatsoever, (ii) the occurrence or continuance of an Event of Default, (iii) any adverse change in the condition (financial or otherwise) of any Borrower or any other Person, (iv) any breach of this Section 11.02 by any Borrower, any Lender or any other Person, or (v) any other circumstance, happening or event whatsoever, whether or not similar to any of the foregoing.

(l) Notwithstanding any other provision of this Agreement, each of the Administrative Agent and each Lender agrees that if the Administrative Agent or any Lender is required under applicable law to withhold or deduct any taxes or other amounts from payments made by it hereunder or as a result hereof, such Person shall be entitled to withhold or deduct such amounts and pay over such taxes or other amounts to the applicable Governmental Authority imposing such tax without any obligation to indemnify the Administrative Agent or any Lender with respect to such amounts and without any other obligation of gross up or offset with respect thereto and there shall be

no recourse whatsoever by the Administrative Agent or any Lender subject to such withholding to the Administrative Agent or Lender making such withholding and paying over such amounts, but without diminution of the rights of the Administrative Agent or any Lender subject to such withholding as against the Borrowers and the other Loan Parties to the extent provided in this Agreement and the other Loan Documents.

provided that notwithstanding anything to the contrary contained in the foregoing clauses (a) through (s), the security interest created by this Agreement shall not extend to, and the terms "Collateral," "Security Collateral," "Agreement Collateral," "Intellectual Property Collateral" and other terms defining the components of the Collateral in the foregoing clauses (a) through (s) shall not include Excluded Property;

provided, further, that notwithstanding anything to the contrary contained in the foregoing clauses (a) through (s), no Grantor shall be required to (x) take any action or enter into any agreement in contravention of the Perfection Exceptions (determined, solely for the purposes of this Agreement, as if each Grantor was a Domestic Loan Party) or (y) make any filing with respect to any Intellectual Property Collateral other than filing a UCC financing statement and filings at the U.S. Patent and Trademark Office or U.S. Copyright Office and any other U.S. federal governmental authorities (or such other filings as agreed to by the Luxembourg Borrower and the Collateral Agent);

provided, further, that solely for the purposes of this Agreement the Collateral shall not include any Equity Interests and, the certificates, if any, representing such Equity Interests of any Subsidiary held by a Grantor that is organized under the laws of any jurisdiction other than the United States of America, any state thereof and the District of Columbia to the extent and for so long as such Equity Interests are subject to a valid and perfected (or the foreign equivalent) security interest under a foreign law Collateral Document.

Section 2. Security for Obligations. This Agreement secures, in the case of each Grantor, the payment of all Obligations of such Grantor now or hereafter existing under the Loan Documents, any Secured Cash Management Agreement or any Secured Hedge Agreement (the Loan Documents, Secured Cash Management Agreements and Secured Hedge Agreements, collectively, the "Secured Documents") (as such Secured Documents may be amended, amended and restated, supplemented, replaced, refinanced or otherwise modified from time to time (including any increases of the principal amount outstanding thereunder)), whether direct or indirect, absolute or contingent, and whether for principal, reimbursement obligations, interest, fees, premiums, penalties, indemnifications, contract causes of action, costs, expenses or

otherwise (all such Obligations being the "Secured Obligations"). Without limiting the generality of the foregoing, this Agreement secures, as to each Grantor, the payment of all amounts that constitute part of the Secured Obligations that would be owed by such Grantor to any Secured Party under the Secured Documents but for the fact that they are unenforceable or not allowable due to the existence of a bankruptcy, reorganization or similar proceeding involving a Loan Party.

Section 3. Grantors Remain Liable. Anything herein to the contrary notwithstanding, (a) each Grantor shall remain liable under its contracts and agreements included in the Collateral to the extent set forth therein to perform all of its duties and obligations thereunder to the same extent as if this Agreement had not been executed, (b) the exercise by the Collateral Agent of any of the rights hereunder shall not release any Grantor from any of its duties or obligations under the contracts and agreements included in the Collateral and (c) no Secured Party shall have any obligation or liability under the contracts and agreements included in the Collateral by reason of this Agreement or any other Secured Document, nor shall any Secured Party be obligated to perform any of the obligations or duties of any Grantor thereunder or to take any action to collect or enforce any claim for payment assigned hereunder.

Section 4. Delivery and Control of Security Collateral. (a) All certificates, if any, representing or evidencing the Pledged Interests (other than Equity Interests of non-wholly owned Subsidiaries with a fair market value of less than $7,500,000) and all instruments representing or evidencing the Pledged Debt in an aggregate principal amount in excess of $7,500,000 (other than any short-term intercompany current liabilities incurred in the ordinary course of business and consistent with past practice in connection with the cash management operations of the Dutch Borrower and its Restricted Subsidiaries) shall be promptly delivered to and held by or on behalf of the Collateral Agent pursuant hereto and shall be in suitable form for transfer by delivery, or shall be accompanied by duly executed instruments of transfer or assignment in blank, all in form and substance reasonably satisfactory to the Collateral Agent. During the continuation of an Event of Default, the Collateral Agent shall have the right, at any time in its discretion and without notice to any Grantor, to (i) transfer to or to register in the name of the Collateral Agent or any of its nominees any or all of the Security Collateral, subject only to the revocable rights specified in Section 11(a), (ii) exchange certificates or instruments representing or evidencing Security Collateral for certificates or instruments of smaller or larger denominations and (iii) convert Security Collateral consisting of Financial Assets credited to any Securities Account to Security Collateral consisting of Financial Assets held directly by the Collateral Agent, and to convert Security Collateral consisting of Financial Assets held directly by the Collateral Agent to Security Collateral consisting of Financial Assets credited to any Securities Account.

(b) Promptly upon the request of the Collateral Agent, with respect to any Security Collateral (other than Equity Interests of non-wholly owned Subsidiaries with a fair market value of less than $7,500,000) in which any Grantor has any right, title or interest and that constitutes an uncertificated security of a Subsidiary, such Grantor will cause the issuer thereof either (i) to register the Collateral Agent as the registered owner of such security or (ii) to agree in an authenticated record with such Grantor and the Collateral Agent that such issuer will comply with instructions with respect to such security originated by the Collateral Agent without further consent of such Grantor, such authenticated record to be in form and substance

reasonably satisfactory to the Collateral Agent. During the continuation of an Event of Default, with respect to any Security Collateral in which any Grantor has any right, title or interest and that is not an uncertificated security, promptly upon the request of the Collateral Agent, such Grantor will notify each issuer of Pledged Interests that such Pledged Interests are subject to the security interests granted hereunder.

(c) Each Grantor agrees that (i) to the extent each interest in any limited liability company or limited partnership controlled now or in the future by such Grantor and pledged hereunder is a "security" within the meaning of Article 8 of the UCC and is governed by Article 8 of the UCC, such interest shall be certificated and (ii) each such interest shall at all times hereafter continue to be such a security and represented by such certificate. Each Grantor further acknowledges and agrees that with respect to any interest in any limited liability company or limited partnership controlled now or in the future by such Grantor and pledged hereunder that is not a "security" within the meaning of Article 8 of the UCC, such Grantor shall at no time elect to treat any such interest as a "security" within the meaning of Article 8 of the UCC, nor shall such interest be represented by a certificate, unless such Grantor provides written notification to the Collateral Agent of such election and such interest is thereafter represented by a certificate that is promptly delivered to the Collateral Agent pursuant to the terms hereof.

(d) During the continuation of an Event of Default, promptly upon the request of the Collateral Agent, such Grantor will notify each issuer of Pledged Debt that such Pledged Debt is subject to the security interests granted hereunder.

Section 5. Maintaining Collateral Accounts, Electronic Chattel Paper, Transferable Records and Letter-of-Credit Rights; Giving Notice of Commercial Tort Claims; Letter of Credit Rights. So long as any Secured Obligation of any Loan Party shall remain unpaid (other than contingent indemnification obligations as to which no claim has been asserted and obligations and liabilities under Secured Cash Management Agreements and Secured Hedge Agreements as to which arrangements satisfactory to the applicable Cash Management Bank or Hedge Bank shall have been made) or any Letter of Credit shall be outstanding (other than Letters of Credit which have been Cash Collateralized):

(a) during the continuation of an Event of Default, promptly upon the request of the Collateral Agent, each Grantor will maintain all (i) Electronic Chattel Paper so that the Collateral Agent has control of the Electronic Chattel Paper in the manner specified in Section 9-105 of the UCC and (ii) all transferable records so that the Collateral Agent has control of the transferable records in the manner specified in Section 16 of the Uniform Electronic Transactions Act, as in effect in the jurisdiction governing such transferable record;

(b) each Grantor will give prompt notice to the Collateral Agent of any individual Commercial Tort Claim with a claimed amount in excess of $7,500,000 that may arise in the future and will promptly execute or otherwise authenticate a supplement to this Agreement and otherwise take all necessary action, to subject such Commercial Tort Claim to the security interests granted under this Agreement;

(c) with respect to any Deposit Accounts containing Cash Collateral, each Grantor will maintain such Deposit Accounts only with the Administrative Agent or the Collateral Agent or with another commercial bank reasonably acceptable to the Collateral Agent that has agreed with such Grantor and the Collateral Agent to comply with instructions originated by the Collateral Agent directing the disposition of funds in such accounts without the further consent of such Grantor, such agreement to be in form and substance reasonably satisfactory to the Collateral Agent; and

(d) each Grantor, by granting a security interest in Letter of Credit Rights with a stated amount in excess of $7,500,000 to the Collateral Agent, intends to (and hereby does) collaterally assign to the Collateral Agent its rights (including its contingent rights) to the proceeds of all Letter of Credit Rights of which it is or hereafter becomes a beneficiary or assignee.

Section 6. Representations and Warranties. Each Grantor represents and warrants as follows (it being understood that none of the foregoing applies to the Excluded Property):

All Pledged Interests consisting of certificated securities (other than Equity Interests of non-wholly owned Subsidiaries with a fair market value of less than $7,500,000) and all Pledged Debt consisting of instruments in an aggregate principal amount in excess of $7,500,000 have been delivered to the Collateral Agent in accordance herewith and with the Credit Agreement;

(d) the Pledged Interests pledged by such Grantor on the Closing Date (after giving effect to the Transactions) constitute the percentage of the issued and outstanding Equity Interests of the issuers thereof indicated on Schedule II hereto, which schedule correctly represents as of the date hereof (i) the issuer, the issuer's jurisdiction of formation, the certificate number, if any, the Grantor and the record owner, the number and class and the percentage of the issued and outstanding Equity Interests of such class of all Pledged Interests, (ii) no amount payable under or in connection with any of the Pledged Debt in an aggregate principal amount in excess of $7,500,000 on the Closing Date is evidenced by an instrument or Tangible Chattel Paper other than such instruments and Tangible Chattel Paper indicated on Schedule II, which Schedule correctly represents the issuers thereof, the issuers' jurisdiction, the initial principal amount, the Grantor and holder, date of issuance and maturity date of all Pledged Debt, and (iii) as of the Closing Date, the Pledged Interests pledged by such Grantor hereunder have been validly issued and, in the case of Pledged Interests issued by a corporation, are fully paid and non-assessable (to the extent such concepts are applicable in the relevant jurisdiction);

(e) such Grantor has full power, authority and legal right to pledge all the Collateral pledged by such Grantor pursuant to this Agreement and upon the filing of appropriate financing statements under the UCC and the recordation of the Intellectual Property Security Agreement with the U.S. Patent and Trademark Office and the U.S. Copyright Office and the taking of possession or control by the Collateral Agent of such Collateral with respect to which a security interest may be perfected only by possession or control (which possession or control shall be given to the Collateral Agent to the extent required by this Agreement), all actions necessary to perfect the security interest, so far as perfection is possible under relevant law, in the Collateral of such Grantor created under this Agreement with respect to which a Lien may be perfected by filing or possession or control pursuant to the UCC or 35 U.S.C. §261, 15 U.S.C. §1060 or 17 U.S.C. §205 shall have been duly made or taken and are in full force and effect, and this Agreement creates in favor of the Collateral Agent for the benefit of the Secured Parties a valid, enforceable and, together with such filings and other actions, perfected, so far as perfection is possible under relevant law, first priority security interest in such Collateral of such Grantor (subject to the Perfection Exceptions and Liens permitted by Section 7.01 of the Credit Agreement), securing the payment of the Secured Obligations;

(f) except with respect to Holdings and as could not reasonably be expected to have a Material Adverse Effect:

(i) to the knowledge of any Grantor, the conduct of the business of such Grantor as currently conducted does not infringe upon, misappropriate, dilute, misuse or otherwise violate the intellectual property rights of any third party;

(iii) as of the Closing Date (after giving effect to the Transaction), the Intellectual Property Collateral set forth on Schedule III hereto includes (A) all of the patents, patent applications, trademark registrations and applications, copyright registrations and applications filed at the U.S. Patent and Trademark Office or the U.S. Copyright Office material to such Grantor's business (hereinafter "Registered Intellectual Property Collateral"), and (B) all domain names owned by any Grantor;

(iv) the Registered Intellectual Property Collateral is subsisting and none of the Intellectual Property Collateral has been adjudged invalid or unenforceable in whole or part, and to such Grantor's knowledge, is valid and enforceable; and such Grantor is not aware of any uses of any item of Intellectual Property Collateral that could be expected to lead to such item becoming invalid or unenforceable;

(v) [reserved];

(vi) no claim, action, suit, investigation, litigation or proceeding has been asserted or is pending or, to the knowledge of such Grantor, is threatened in writing against such Grantor (i) based upon or challenging or seeking to deny or restrict the Grantor's rights in or use of any of the Intellectual Property Collateral, (ii) alleging that the services provided by, processes used by, or products manufactured or sold by, such Grantor infringe, misappropriate, dilute, misuse or otherwise violate any patent, trademark, copyright or any other intellectual property right of any third party or (iii) alleging that the Intellectual Property Collateral is being licensed or sublicensed in violation or contravention of the terms of any license; and, to the knowledge of any Grantor, no Person is engaging in any activity that infringes, misappropriates, dilutes, misuses or otherwise violates the Intellectual Property Collateral or the Grantor's rights in or use thereof;

(vii) with respect to each material IP Agreement: to the knowledge of any Grantor, such Grantor is not in material default under or in material breach of any material IP Agreements (other than agreements between or among any of the Grantors and their Subsidiaries), and, to the knowledge of any Grantor, no event has occurred that with or without notice or lapse of time or both would constitute such a material breach or material default thereunder;

(i) such Grantor has no Letter of Credit Rights with an individual stated amount in excess of $7,500,000 other than those listed in Schedule V.

Section 7. Further Assurances. (a) Each Grantor agrees that from time to time, at the expense of such Grantor, such Grantor will promptly execute and deliver, or otherwise authenticate, all further instruments and documents, and take all further action that may be necessary or that the Collateral Agent may reasonably request, in order to grant, preserve, perfect and/or protect any pledge or security interest granted or purported to be granted by such Grantor hereunder or to enable the Collateral Agent to exercise and enforce its rights and remedies hereunder with respect to any Collateral of such Grantor, subject in each case to the Perfection Exceptions**.** Without limiting the generality of the foregoing, each Grantor will, upon the Collateral Agent's reasonable request, promptly with respect to Collateral of such Grantor: (i) if any such Collateral with a value in excess of $7,500,000 shall be evidenced by a promissory note or other instrument or Chattel Paper, deliver and pledge to the Collateral Agent hereunder such note or instrument or Chattel Paper duly indorsed and accompanied by duly executed instruments of transfer or assignment, all in form and substance reasonably satisfactory to the Collateral Agent; (ii) execute or authenticate and file such financing or continuation statements, or amendments thereto, and such other instruments or notices, as may be reasonably necessary, or as the Collateral Agent may reasonably request, in order to perfect and preserve the perfected security interest granted or purported to be granted by such Grantor hereunder; (iii) deliver and pledge to the Collateral Agent for benefit of the Secured Parties certificates representing Security Collateral that constitutes certificated securities, accompanied by undated stock or bond powers executed in blank (to the extent required to be pledged pursuant to the Credit Agreement or this Agreement); and (iv) deliver to the Collateral Agent evidence that all other action (subject to the Perfection Exceptions) that the Collateral Agent may deem reasonably necessary or desirable in order to grant, preserve, perfect and protect the security interest granted or purported to be granted by such Grantor under this Agreement has been taken.

(b) Each Grantor hereby authorizes the Collateral Agent to file one or more financing or continuation statements, and amendments thereto, including, without limitation, one or more financing statements indicating that such financing statements cover all assets or all personal property (or words of similar effect), whether now owned or hereafter acquired, of such Grantor, in each case without the signature of such Grantor, and regardless of whether any particular asset described in such financing statements falls within the scope of the UCC or the granting clause of this Agreement. Each Grantor ratifies its authorization for the Collateral Agent to have filed such financing statements, continuation statements or amendments filed prior to the date hereof.

(c) At the time of delivery of quarterly or annual financial statements with respect to the preceding fiscal quarter or year pursuant to Section 6.01(a) and (b) of the Credit Agreement, the Borrower shall update Schedules I through VI of this Agreement with any changes since the Closing Date or the delivery of the previous quarterly or annual financial statements, as applicable, or confirm that there have been no such changes during such period.

Section 8. As to Insurance. Each general liability (other than director and officer policies and workers compensation) and property insurance policy of each Grantor (other than Holdings) shall name the Collateral Agent as loss payee and additional insured thereunder, in each case in a manner reasonably satisfactory to the Collateral Agent, and shall in addition, unless otherwise agreed by the Collateral Agent in its sole discretion, (i) provide for all losses to be paid on behalf of the Collateral Agent and such Grantor as their interests may appear, (ii) name such Grantor and the Collateral Agent as insured parties thereunder (without any representation or warranty by or obligation upon the Collateral Agent) as their interests may appear, (iii) provide that there shall be no recourse against the Collateral Agent for payment of premiums or other amounts with respect thereto and (iv) provide that at least 10 days' prior written notice of cancellation or of lapse shall be given to the Collateral Agent by the insurer.

Section 9. Post-Closing Changes; Bailees; Collections on Assigned Agreements and Accounts. (a) No Grantor will change its name, type of organization, jurisdiction of organization or incorporation, organizational identification number (if any), taxpayer identification number (if any) or location from those referred to in Section 6(a) of this Agreement without first giving at least 3 days' (or such lesser period of time as the Collateral Agent may agree) prior written notice (or subsequent written notice if the Collateral Agent agrees in its reasonable discretion) to the Collateral Agent and taking all action required by the Collateral Agent for the purpose of maintaining the perfection and priority of the security interest created by this Agreement.

(b) During the continuation of an Event of Default, if Collateral of any Grantor with an aggregate value in excess of $7,500,000 is at any time in the possession or control of a warehouseman, bailee or agent, upon the request of the Collateral Agent such Grantor will (i) notify such warehouseman, bailee or agent of the security interest created hereunder and (ii) instruct such warehouseman, bailee or agent to hold all such Collateral solely for the Collateral Agent's account subject only to the Collateral Agent's instructions.

(c) Except as otherwise provided in this Section 9(c), each Grantor (other than Holdings) will continue to collect, at its own expense, all amounts due or to become due such Grantor under the Accounts. In connection with such collections, such Grantor may take (and, at the Collateral Agent's direction during the continuation of an Event of Default, shall take) such commercially reasonable action as such Grantor (or the Collateral Agent) may deem necessary or advisable to enforce collection thereof; provided, however, that the Collateral Agent shall have the right at any time upon the occurrence and during the continuance of an Event of Default and upon written notice to such Grantor of its intention to do so, to notify the Obligors under any Accounts, of the assignment of such Accounts to the Collateral Agent and to direct such Obligors to make payment of all amounts due or to become due to such Grantor thereunder directly to the Collateral Agent and, upon such notification and at the expense of such Grantor, to enforce collection of any such Accounts, to adjust, settle or compromise the amount or payment thereof, in the same manner and to the same extent as such Grantor might have done, and to otherwise exercise all rights with respect to such Accounts, including, without limitation, those set forth set forth in Section 9-607 of the UCC. After receipt by any Grantor of the notice from the Collateral

Agent referred to in the proviso to the preceding sentence, (i) all amounts and proceeds (including, without limitation, instruments) received by such Grantor in respect of the Accounts, of such Grantor shall be received in trust for the benefit of the Collateral Agent hereunder, shall be segregated from other funds of such Grantor and shall be either (A) released to such Grantor to the extent permitted under the terms of the Credit Agreement so long as no Event of Default shall have occurred and be continuing or (B) if any Event of Default shall have occurred and be continuing, applied as provided in Section 8.04 of the Credit Agreement and (ii) except with the consent of the Collateral Agent, such Grantor will not adjust, settle or compromise the amount or payment of any Account, release wholly or partly any Obligor thereof, or allow any credit or discount thereon. No Grantor will permit or consent to the subordination of its right to payment under any of the Accounts to any other indebtedness or obligations of the Obligor thereof.

Section 10. As to Intellectual Property Collateral. (a) With respect to each item of its Intellectual Property Collateral registered with, issued by, or applied for with the USPTO or the USCO, each Grantor agrees to take, at its expense, all commercially reasonable steps, including, without limitation, in the USPTO, the USCO and any other domestic federal governmental authority, to (i) maintain the validity and enforceability of such Intellectual Property Collateral and maintain such Intellectual Property Collateral in full force and effect, and (ii) pursue the registration and maintenance of each patent, trademark, or copyright registration or application, now or hereafter included in such Intellectual Property Collateral of such Grantor, including, without limitation, the payment of required fees and taxes, the filing of responses to office actions issued by the USPTO, the USCO or other domestic federal governmental authorities, the filing of applications for renewal or extension, the filing of affidavits under Sections 8 and 15 of the U.S. Trademark Act, the filing of divisional, continuation, continuation-in-part, reissue and renewal applications or extensions, the payment of maintenance fees and the participation in interference, reexamination, opposition, cancellation, infringement and misappropriation proceedings, except, in each case, to the extent failure to do so could not reasonably be expected to cause a Material Adverse Effect.

(b) Except as could not reasonably be expected to have a Material Adverse Effect, each Grantor shall use proper statutory notice in connection with its use of Intellectual Property Collateral registered with, issued by, or applied for with the USPTO or USCO that is material to the business of the U.S. Borrower and its Restricted Subsidiaries. Except as could not be reasonably expected to have a Material Adverse Effect, no Grantor shall do or permit any act or knowingly omit to do any act whereby any of its Intellectual Property Collateral registered with, issued by, or applied for with the USPTO or USCO may lapse or become invalid or unenforceable or placed in the public domain.

(c) Except where failure to do so could not reasonably be expected to cause a Material Adverse Effect, each Grantor shall take all commercially reasonable steps which it or the Collateral Agent (during the continuation of an Event of Default) deems reasonable and appropriate under the circumstances to preserve and protect each item of its Intellectual Property Collateral registered with, issued by, or applied for with the USPTO or USCO, including, without limitation, maintaining the quality of any and all products or services used or provided in connection with any of the Trademarks, consistent with the quality of the products and services as of the date hereof, and taking all steps necessary to ensure that all licensed users of any of the Trademarks use such consistent standards of quality.

(d) Notwithstanding the foregoing, each Grantor may refrain from taking, or shall be permitted to take, as the case may be, any actions otherwise prohibited or required by the foregoing Section 10 clauses (a) to (c) with respect to Intellectual Property Collateral which it determines in its good faith commercially reasonable business judgment not to be useful to its business or worth protecting or maintaining (including without limitation by abandoning, failing to defend or maintain or causing any such Intellectual Property Collateral to become unenforceable, abandoned, invalidated or publicly available).

(e) With respect to its Intellectual Property Collateral registered with, issued by, or applied for with the USPTO or USCO, each Grantor agrees to execute or otherwise authenticate an agreement, in substantially the form set forth in Exhibit B hereto or otherwise in form and substance satisfactory to the Collateral Agent (an "Intellectual Property Security Agreement"), for recording the security interest granted hereunder to the Collateral Agent in such Intellectual Property Collateral with the USPTO, the USCO and any other domestic federal governmental authorities necessary to perfect in the U.S. the security interest granted hereunder in such Intellectual Property Collateral.

(f) Without limiting Section 1, each Grantor agrees that should it obtain an ownership interest in any item of the type set forth in Section 1(p) that is not, as of the Closing Date, a part of the Intellectual Property Collateral ("After-Acquired Intellectual Property") (i) the provisions of this Agreement shall automatically apply thereto, and (ii) any such After-Acquired Intellectual Property and, in the case of trademarks, the goodwill symbolized thereby, shall automatically become part of the Intellectual Property Collateral subject to the terms and conditions of this Agreement with respect thereto. Each Grantor shall, as required pursuant to Section 6.12 of the Credit Agreement, execute and deliver to the Collateral Agent, or otherwise authenticate, an agreement substantially in the form of Exhibit C hereto or otherwise in form and substance satisfactory to the Collateral Agent (an "IP Security Agreement Supplement") covering such After-Acquired Intellectual Property which IP Security Agreement Supplement shall be recorded with the USPTO, the USCO and any other U.S. federal governmental authorities necessary to perfect the security interest granted hereunder in such After-Acquired Intellectual Property.

(g) At such time as the Collateral Agent is lawfully entitled to exercise its rights and remedies under Section 16, each Grantor grants to the Collateral Agent an irrevocable, non-exclusive license (exercisable without payment of royalty or other compensation to such Grantor) to use, assign or sublicense any Intellectual Property Collateral in which such Grantor has rights wherever the same may be located, including, without limitation, in such license access to (i) all media in which any of the licensed items may be recorded or stored, and (ii) all software and computer programs used for compilation or print-out. The license granted under this Section is to enable the Collateral Agent to exercise its rights and remedies under Section 16 and for no other purpose.

Section 11. Voting Rights; Dividends; Etc. (a) So long as no Event of Default shall have occurred and be continuing and, other than in the case of an Event of Default under Section 8.01(f) or (g) of the Credit Agreement, Collateral Agent has not notified such Grantor of its intent to exercise remedies as set forth below:

(i) each Grantor shall be entitled to exercise any and all voting and other consensual rights pertaining to the Security Collateral of such Grantor or any part thereof for any purpose; provided, however, that such Grantor will not exercise or refrain from exercising any such right in a manner prohibited by the Loan Documents;

(ii) each Grantor shall be entitled to receive and retain any and all dividends, interest and other distributions paid in respect of the Security Collateral of such Grantor if and to the extent that the payment thereof is not otherwise prohibited by the terms of the Loan Documents; provided, however, that any and all:

(A) dividends, interest and other distributions paid or payable other than in cash in respect of, and instruments and other property received, receivable or otherwise distributed in respect of, or in exchange for, any Security Collateral,

(B) dividends and other distributions paid or payable in cash in respect of any Security Collateral in connection with a partial or total liquidation or dissolution or in connection with a reduction of capital, capital surplus or paid-in-surplus and

(C) cash paid, payable or otherwise distributed in respect of principal of, or in redemption of, or in exchange for, any Security Collateral,

(x) in the case of the foregoing clause (A), any such property distributed in respect of any Security Collateral, shall be deemed to constitute acquired property and shall be forthwith delivered to the Collateral Agent as Security Collateral in the same form as so received (with any necessary indorsement) in accordance with the provisions of Section 6.12 of the Credit Agreement and (y) in the case of the foregoing clauses (B) and (C), any such cash distributed in respect of any Security Collateral shall be subject to the provisions of the Credit Agreement applicable to the proceeds of a Disposition of property; and

(iii) the Collateral Agent will execute and deliver (or cause to be executed and delivered) to each Grantor all such proxies and other instruments as such Grantor may reasonably request for the purpose of enabling such Grantor to exercise the voting and other rights that it is entitled to exercise pursuant to paragraph (i) above and to receive the dividends or interest payments that it is authorized to receive and retain pursuant to paragraph (ii) above.

(b) Upon the occurrence and during the continuance of an Event of Default:

(i) upon notice to the applicable Grantor (and automatically in the case of clause (y) below to the extent such Event of Default is under Section 8.01(f) or (g) of the Credit Agreement), all rights of each Grantor (x) to exercise or refrain from exercising the voting and other consensual rights that it would otherwise be entitled to exercise pursuant to Section 11(a)(i) shall, upon notice to such Grantor by the Collateral Agent, cease and (y) to receive the dividends, interest and other distributions that it would otherwise be authorized to receive and retain pursuant to Section 11(a)(ii) shall automatically cease, and all such rights shall thereupon become vested in the Collateral Agent, which shall thereupon have the sole right to exercise or refrain from exercising such voting and other consensual rights and to receive and hold as Security Collateral such dividends, interest and other distributions; and

(ii) all dividends, interest and other distributions that are received by any Grantor contrary to the provisions of paragraph (i) of this Section 11(b) shall be received in trust for the benefit of the Collateral Agent, shall be segregated from other funds of such Grantor and shall be forthwith paid over to the Collateral Agent as Security Collateral in the same form as so received (with any necessary indorsement).

Section 13. Collateral Agent Appointed Attorney-in-Fact. Each Grantor hereby irrevocably appoints the Collateral Agent such Grantor's attorney-in-fact, with full authority in the place and stead of such Grantor and in the name of such Grantor or otherwise, from time to time, upon the occurrence and during the continuance of an Event of Default, in the Collateral Agent's discretion, to take any action and to execute any instrument that the Collateral Agent may deem necessary or advisable to accomplish the purposes of this Agreement (in accordance with this Agreement and each other applicable Loan Document), including, without limitation:

(a) to obtain and adjust insurance required to be paid to the Collateral Agent;

(b) to ask for, demand, collect, sue for, recover, compromise, receive and give acquittance and receipts for moneys due and to become due under or in respect of any of the Collateral;

(c) to receive, indorse and collect any drafts or other instruments, documents and Chattel Paper, in connection with clause (a) or (b) above; and

(d) to file any claims or take any action or institute any proceedings that the Collateral Agent may deem necessary or desirable for the collection of any of the Collateral or otherwise to enforce compliance with the terms and conditions of any Assigned Agreement or the rights of the Collateral Agent with respect to any of the Collateral.

Section 14. Collateral Agent May Perform. If any Grantor fails to perform any agreement contained herein after the expiration or termination of any applicable cure or grace periods, the Collateral Agent may, after providing notice to such Grantor of its intent to do so, but without any obligation to do so, itself perform, or cause performance of, such agreement, and the expenses of the Collateral Agent incurred in connection therewith shall be payable by such Grantor under Section 17.

Section 15. The Collateral Agent's Duties. (a) The powers conferred on the Collateral Agent hereunder are solely to protect the Secured Parties' interest in the Collateral and shall not impose any duty upon it to exercise any such powers. Except for the exercise of reasonable care with respect to the custody of any Collateral in its possession and the accounting for moneys actually received by it hereunder, the Collateral Agent shall have no duty as to any Collateral, as to ascertaining or taking action with respect to calls, conversions, exchanges, maturities, tenders or other matters relative to any Collateral, whether or not any Secured Party has or is deemed to have knowledge of such matters, or as to the taking of any necessary steps to preserve rights against any parties or any other rights pertaining to any Collateral. The Collateral

Agent shall be deemed to have exercised reasonable care in the custody and preservation of any Collateral in its possession if such Collateral is accorded treatment substantially equal to that which it accords its own property. It is expressly understood and agreed that the obligations of the Collateral Agent as holder of the Collateral and interests therein and with respect to the disposition thereof, and otherwise under this Agreement, are only those expressly set forth in this Agreement and in Article 9 of the Credit Agreement. The Collateral Agent shall act hereunder on the terms and conditions set forth herein and in Article 9 of the Credit Agreement.

(b) The Secured Parties and the Collateral Agent have no obligation to keep Collateral in their possession identifiable. The Collateral Agent has no obligation to collect dividends, distributions or interest payable on, or exercise any option or right in connection with any Collateral. The Collateral Agent has no obligation to protect or preserve any Collateral from depreciating in value or becoming worthless and is released from all responsibility for any loss of value, whether such Collateral is in the possession of, is a security entitlement of, or is subject to the control of, the Collateral Agent, a securities intermediary, the Grantor or any other Person.

(c) The Collateral Agent may from time to time, when the Collateral Agent deems it to be necessary, appoint one or more subagents (each a "Subagent") for the Collateral Agent hereunder with respect to all or any part of the Collateral. In the event that the Collateral Agent so appoints any Subagent with respect to any Collateral, (i) the assignment and pledge of such Collateral and the security interest granted in such Collateral by each Grantor hereunder shall be deemed for purposes of this Security Agreement to have been made to such Subagent, in addition to the Collateral Agent, for the ratable benefit of the Secured Parties, as security for the Secured Obligations of such Grantor, (ii) such Subagent shall automatically be vested, in addition to the Collateral Agent, with all rights, powers, privileges, interests and remedies of the Collateral Agent hereunder with respect to such Collateral, and (iii) the term "Collateral Agent," when used herein in relation to any rights, powers, privileges, interests and remedies of the Collateral Agent with respect to such Collateral, shall include such Subagent; provided, however, that no such Subagent shall be authorized to take any action with respect to any such Collateral unless and except to the extent expressly authorized in writing by the Collateral Agent.

Section 16. Remedies. If any Event of Default shall have occurred and be continuing:

(a) The Collateral Agent may exercise in respect of the Collateral, in addition to other rights and remedies provided for herein or otherwise available to it, all the rights and remedies of a secured party upon default under the UCC (whether or not the UCC applies to the affected Collateral) and also may: (i) require each Grantor to, and each Grantor hereby agrees that it will at its expense and upon request of the Collateral Agent forthwith, assemble all or part of the Collateral as directed by the Collateral Agent and make it available to the Collateral Agent at a place and time to be designated by the Collateral Agent that is reasonably convenient to both parties; (ii) without notice except as specified below, sell the Collateral or any part thereof in one or more parcels at public or private sale, at any of the Collateral Agent's offices or elsewhere, for cash, on credit or for future delivery, and upon such other terms as the Collateral Agent may deem commercially reasonable; (iii) occupy any premises owned or leased by any of the Grantors where the Collateral or any part thereof is assembled or located for a reasonable

period in order to effectuate its rights and remedies hereunder or under law, without obligation to such Grantor in respect of such occupation; and (iv) exercise any and all rights and remedies of any of the Grantors under or in connection with the Collateral, or otherwise in respect of the Collateral, including, without limitation, (A) any and all rights of such Grantor to demand or otherwise require payment of any amount under, or performance of any provision of, the Assigned Agreements, the Accounts and the other Collateral, (B) withdraw, or cause or direct the withdrawal, of all funds with respect to accounts containing Cash Collateral and (C) exercise all other rights and remedies with respect to the Assigned Agreements, the Accounts and the other Collateral, including, without limitation, those set forth in Section 9-607 of the UCC, in each case in accordance with the other provisions of this Agreement. Each Grantor agrees that, to the extent notice of sale shall be required by law, at least ten days' notice to such Grantor of the time and place of any public sale or the time after which any private sale is to be made shall constitute reasonable notification. The Collateral Agent shall not be obligated to make any sale of Collateral regardless of notice of sale having been given. The Collateral Agent may adjourn any public or private sale from time to time by announcement at the time and place fixed therefor, and such sale may, without further notice, be made at the time and place to which it was so adjourned.

(b) All payments received by any Grantor under or in connection with any Assigned Agreement or otherwise in respect of the Collateral shall be received in trust for the benefit of the Collateral Agent, shall be segregated from other funds of such Grantor and shall be forthwith paid over to the Collateral Agent in the same form as so received (with any necessary indorsement).

(c) The Collateral Agent may, without notice to any Grantor except as required by law and at any time or from time to time, charge, set-off and otherwise apply all or any part of the Secured Obligations against any funds held with respect to any Deposit Account of a Grantor that is not an Exempt Deposit Account. For purposes of this Agreement, the term "Exempt Deposit Account" shall mean any Deposit Account owned by or in the name of a Loan Party with respect to which such Loan Party is acting as a fiduciary for another Person who is not a Loan Party.

(d) Any cash held by or on behalf of the Collateral Agent and all cash proceeds received by or on behalf of the Collateral Agent in respect of any sale of, collection from, or other realization upon all or any part of the Collateral may, in the discretion of the Collateral Agent, be held by the Collateral Agent as collateral for, and/or then or at any time thereafter applied (after payment of any amounts payable to the Collateral Agent pursuant to Section 17) in whole or in part by the Collateral Agent against, all or any part of the Secured Obligations, in the manner set forth in Section 8.04 of the Credit Agreement. Notwithstanding the foregoing, if an intercreditor agreement (including the Intercreditor Agreement) has been entered into in accordance with Section 9.11 of the Credit Agreement among the holders of the Secured Obligations and holders of any other Indebtedness permitted under the Credit Agreement which provides for the application of proceeds received by the Collateral Agent in respect of any sale of, collection from or other realization upon all or any part of the Collateral, then such proceeds may be applied pursuant to the terms of such intercreditor agreement (including the Intercreditor Agreement).

(e) In the event of any sale or other disposition of any of the Intellectual Property Collateral of any Grantor, the goodwill symbolized by any Trademarks subject to such sale or other disposition shall be included therein, and such Grantor shall supply to the Collateral Agent or its designee such Grantor's know-how and expertise, and documents and things relating to any Intellectual Property Collateral subject to such sale or other disposition, and such Grantor's customer lists and other records and documents relating to such Intellectual Property Collateral and to the manufacture, distribution, advertising and sale of products and services of such Grantor.

(f) If the Collateral Agent shall determine to exercise its right to sell all or any of the Security Collateral of any Grantor pursuant to this Section 16, each Grantor agrees that, upon request of the Collateral Agent, such Grantor will, at its own expense, do or cause to be done all such other acts and things as may be necessary to make such sale of such Security Collateral or any part thereof valid and binding and in compliance with applicable law.

(g) The Collateral Agent is authorized, in connection with any sale of the Security Collateral pursuant to this Section 16, to deliver or otherwise disclose to any prospective purchaser of the Security Collateral: (i) any registration statement or prospectus, and all supplements and amendments thereto; (ii) any information and projections; and (iii) any other information in its possession relating to such Security Collateral.

(h) Except as otherwise provided in any Loan Documents, with the written consent of the Administrative Agent and the Required Lenders, to the extent permitted by any such requirement of Law (including, without limitation, Section 9-610 of the UCC), the Collateral Agent (or any other Person on its behalf) may bid for and become the purchaser (and may pay all or any portion of the purchase price by crediting Obligations against the purchase price) of the Collateral or any item thereof, offered for Disposition in accordance with this Section 16 without accountability to the relevant Grantor.

(i) Each Grantor acknowledges the impossibility of ascertaining the amount of damages that would be suffered by the Secured Parties by reason of the failure by such Grantor to perform any of the covenants contained in Section 16(f) above and, consequently, agrees that, if such Grantor shall fail to perform any of such covenants, it will pay, as liquidated damages and not as a penalty, an amount equal to the value of the Security Collateral on the date the Collateral Agent shall demand compliance with Section 16(f) above.

Section 17. Expenses. (a) Each Grantor will upon demand pay to the Collateral Agent the amount of any and all reasonable expenses, including, without limitation, the reasonable fees and expenses of its counsel that the Collateral Agent may incur in connection with (i) the administration of this Agreement, (ii) the custody, preservation, use or operation of, or the sale of, collection from or other realization upon, any of the Collateral of such Grantor,

(iii) the exercise or enforcement of any of the rights of the Collateral Agent or the other Secured Parties hereunder or (iv) the failure by such Grantor to perform or observe any of the provisions hereof, in each case, in the manner and to the extent set forth in Section 10.04 of the Credit Agreement.

(b) The parties hereto agree that the Collateral Agent shall be entitled to the benefits of, and the Grantors shall jointly and severally have the indemnification obligations described in, Section 10.05 of the Credit Agreement.

(c) Any such amounts payable as provided hereunder shall be additional Secured Obligations secured hereby and by the other Secured Documents. The provisions of this Section 17 shall remain operative and in full force and effect regardless of the termination of this Agreement or any other Loan Document, the repayment of any of the Secured Obligations, the invalidity or unenforceability of any term or provision of this Agreement or any other Loan Document, any resignation of the Collateral Agent, or any investigation made by or on behalf of the Collateral Agent or any Secured Party. Grantors shall promptly pay or promptly reimburse the Collateral Agent and each Secured Party, as applicable, for all amounts due under this Section 17.

Section 18. Amendments; Waivers; Additional Grantors; Etc. (a) Subject to Section 10.01 of the Credit Agreement, no amendment or waiver of any provision of this Agreement, and no consent to any departure by any Grantor herefrom, shall in any event be effective unless the same shall be in writing and signed by the Collateral Agent, and then such waiver or consent shall be effective only in the specific instance and for the specific purpose for which given. No failure on the part of the Collateral Agent or any other Secured Party to exercise, and no delay in exercising any right hereunder, shall operate as a waiver thereof; nor shall any single or partial exercise of any such right preclude any other or further exercise thereof or the exercise of any other right.

(b) Upon the execution and delivery, or authentication, by any Person of a security agreement supplement in substantially the form of Exhibit A hereto (each a "Security Agreement Supplement"), (i) such Person shall be referred to as an "Additional Grantor" and shall be and become a Grantor hereunder, and each reference in this Agreement, the other Loan Documents and any Secured Cash Management Agreement or Secured Hedge Agreement, to "Grantor" shall also mean and be a reference to such Additional Grantor, and each reference in this Agreement, the other Loan Documents and any Secured Cash Management Agreement or Secured Hedge Agreement, to "Collateral" shall also mean and be a reference to the Collateral of such Additional Grantor, and (ii) the supplemental schedules I through VI attached to each Security Agreement Supplement shall be incorporated into and become a part of and supplement Schedules I through VI, respectively, hereto, and the Collateral Agent may attach such supplemental schedules to such Schedules; and each reference to such Schedules shall mean and be a reference to such Schedules as supplemented pursuant to each Security Agreement Supplement.

Section 19. Notices, Etc. All notices and other communications provided for hereunder shall be in writing (including telegraphic, telecopy or telex communication or facsimile transmission) and mailed, telegraphed, telecopied, telexed, faxed or delivered to it, if to

any Grantor, addressed to it in care of the Dutch Borrower's address specified in Section 10.02 of the Credit Agreement, if to the Collateral Agent, at its address specified in Section 10.02 of the Credit Agreement. All such notices and other communications shall be deemed to be given or made at such time as shall be set forth in Section 10.02 of the Credit Agreement. Delivery by telecopier or in .pdf or similar format by electronic mail of an executed counterpart of any amendment or waiver of any provision of this Agreement or of any Security Agreement Supplement or Schedule hereto shall be effective as delivery of an original executed counterpart thereof.

Section 20. Continuing Security Interest; Assignments under the Credit Agreement. This Agreement shall create a continuing security interest in the Collateral and shall (a) remain in full force and effect until the termination of the Aggregate Commitments and the payment in full in cash of the Secured Obligations (other than (A) contingent indemnification obligations as to which no claim has been asserted and (B) obligations and liabilities under Secured Cash Management Agreements and Secured Hedge Agreements as to which arrangements satisfactory to the applicable Cash Management Bank or Hedge Bank shall have been made) and the termination or expiration of all Letters of Credit (other than Letters of Credit which have been Cash Collateralized), (b) be binding upon each Grantor, its successors and assigns and (c) inure, together with the rights and remedies of the Collateral Agent hereunder, to the benefit of the Secured Parties and their respective successors, transferees and assigns. Without limiting the generality of the foregoing clause (c), any Lender may assign or otherwise transfer all or any portion of its rights and obligations under the Credit Agreement (including, without limitation, all or any portion of its Commitments, the Loans owing to it and the Note or Notes, if any, held by it) to any other Person, and such other Person shall thereupon become vested with all the benefits in respect thereof granted to such Lender herein or otherwise, in each case as provided in Section 10.07 of the Credit Agreement.

Section 21. Release; Termination. (a) Upon any sale, transfer or other disposition of any item of Collateral of any Grantor permitted by, and in accordance with, the terms of the Loan Documents to a Person that is not a Loan Party or in connection with any other release of the Liens on the Collateral provided for in Section 9.11 of the Credit Agreement, the Collateral Agent will, at such Grantor's expense, execute and deliver without recourse and without any representation or warranty of any kind (either express or implied) to such Grantor such documents as such Grantor shall reasonably request to evidence the release of such item of Collateral from the assignment and security interest granted hereby; provided, however, that such Grantor shall have delivered to the Collateral Agent a written request for release, together with a form of release for execution by the Collateral Agent, a certificate of such Grantor to the effect that the transaction is in compliance with the Loan Documents and such other supporting information as the Collateral Agent may reasonably request.

(b) Upon the termination of the Aggregate Commitments and the payment in full in cash of the Secured Obligations (other than (A) contingent indemnification obligations as to which no claim has been asserted and (B) obligations and liabilities under Secured Cash Management Agreements and Secured Hedge Agreements as to which arrangements satisfactory to the applicable Cash Management Bank or Hedge Bank shall have been made) and the termination or expiration of all Letters of Credit (other than Letters of Credit which have been Cash Collateralized), the pledge and security interests granted hereby shall automatically

terminate and all rights to the Collateral shall revert to the applicable Grantor. Upon any such termination, the Collateral Agent will, at the applicable Grantor's expense, execute and deliver to such Grantor such documents as such Grantor shall reasonably request to evidence such termination.

Section 22. Execution in Counterparts. This Agreement may be executed in any number of counterparts, each of which when so executed shall be deemed to be an original and all of which taken together shall constitute one and the same agreement. Delivery of an executed counterpart of a signature page to this Agreement by telecopier or in .pdf or similar format by electronic mail shall be effective as delivery of an original executed counterpart of this Agreement.

Section 23. The Mortgages. In the event that any of the Collateral hereunder is also subject to a valid and enforceable Lien under the terms of any Mortgage and the terms of such Mortgage are inconsistent with the terms of this Agreement, then with respect to such Collateral, the terms of such Mortgage shall be controlling in the case of fixtures and real estate leases, letting and licenses of, and contracts and agreements relating to the lease of, real property, and the terms of this Agreement shall be controlling in the case of all other Collateral.

Section 24. Governing Law; Jurisdiction; Etc. (a) THIS AGREEMENT SHALL BE GOVERNED BY, AND CONSTRUED IN ACCORDANCE WITH, THE LAW OF THE STATE OF NEW YORK.

(b) EACH PARTY HERETO IRREVOCABLY AND UNCONDITIONALLY SUBMITS, FOR ITSELF AND ITS PROPERTY, TO THE EXCLUSIVE JURISDICTION OF THE COURTS OF THE STATE OF NEW YORK SITTING IN THE STATE, COUNTY AND CITY OF NEW YORK AND OF THE UNITED STATES FOR THE SOUTHERN DISTRICT OF NEW YORK, AND ANY APPELLATE COURT FROM ANY THEREOF, IN ANY ACTION OR PROCEEDING ARISING OUT OF OR RELATING TO THIS AGREEMENT, AND EACH OF THE PARTIES HERETO IRREVOCABLY AND UNCONDITIONALLY AGREES THAT ALL CLAIMS IN RESPECT OF ANY SUCH ACTION OR PROCEEDING MAY BE HEARD AND DETERMINED IN SUCH NEW YORK STATE COURT OR, TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, IN SUCH FEDERAL COURT. EACH OF THE PARTIES HERETO AGREES THAT A FINAL JUDGMENT IN ANY SUCH ACTION OR PROCEEDING SHALL BE CONCLUSIVE AND MAY BE ENFORCED IN OTHER JURISDICTIONS BY SUIT ON THE JUDGMENT OR IN ANY OTHER MANNER PROVIDED BY LAW. NOTHING IN THIS AGREEMENT SHALL AFFECT ANY RIGHT THAT THE ADMINISTRATIVE AGENT, THE COLLATERAL AGENT, ANY LENDER OR ANY L/C ISSUER MAY OTHERWISE HAVE TO BRING ANY ACTION OR PROCEEDING RELATING TO THIS AGREEMENT AGAINST THE BORROWER OR ANY OTHER LOAN PARTY OR ITS PROPERTIES IN THE COURTS OF ANY JURISDICTION.

(c) EACH PARTY HERETO IRREVOCABLY AND UNCONDITIONALLY WAIVES, TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, ANY OBJECTION THAT IT MAY NOW OR HEREAFTER HAVE TO THE LAYING OF VENUE OF ANY ACTION OR PROCEEDING ARISING OUT OF OR

RELATING TO THIS AGREEMENT IN ANY COURT REFERRED TO IN PARAGRAPH (B) OF THIS SECTION. EACH OF THE PARTIES HERETO HEREBY IRREVOCABLY WAIVES, TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, THE DEFENSE OF AN INCONVENIENT FORUM TO THE MAINTENANCE OF SUCH ACTION OR PROCEEDING IN ANY SUCH COURT.

(d) EACH PARTY HERETO IRREVOCABLY CONSENTS TO SERVICE OF PROCESS IN THE MANNER PROVIDED FOR NOTICES IN SECTION 10.02 OF THE CREDIT AGREEMENT. NOTHING IN THIS AGREEMENT WILL AFFECT THE RIGHT OF ANY PARTY HERETO TO SERVE PROCESS IN ANY OTHER MANNER PERMITTED BY APPLICABLE LAW.

(e) EACH PARTY TO THIS AGREEMENT HEREBY EXPRESSLY WAIVES ANY RIGHT TO TRIAL BY JURY OF ANY CLAIM, DEMAND, ACTION OR CAUSE OF ACTION ARISING UNDER THIS AGREEMENT OR IN ANY WAY CONNECTED WITH OR RELATED OR INCIDENTAL TO THE DEALINGS OF THE PARTIES HERETO OR ANY OF THEM WITH RESPECT TO THIS AGREEMENT, OR THE TRANSACTIONS RELATED THERETO, IN EACH CASE WHETHER NOW EXISTING OR HEREAFTER ARISING, AND WHETHER FOUNDED IN CONTRACT OR TORT OR OTHERWISE; AND EACH PARTY HEREBY AGREES AND CONSENTS THAT ANY SUCH CLAIM, DEMAND, ACTION OR CAUSE OF ACTION SHALL BE DECIDED BY COURT TRIAL WITHOUT A JURY, AND THAT ANY PARTY TO THIS AGREEMENT MAY FILE AN ORIGINAL COUNTERPART OR A COPY OF THIS SECTION 24(E) WITH ANY COURT AS WRITTEN EVIDENCE OF THE CONSENT OF THE SIGNATORIES HERETO TO THE WAIVER OF THEIR RIGHT TO TRIAL BY JURY.

Section 25. Intercreditor Agreement. Notwithstanding any provision to the contrary in this Agreement, if any intercreditor agreement is entered into in accordance with Section 9.11 of the Credit Agreement (including the Intercreditor Agreement), in the event of any conflict or inconsistency between the provisions of such intercreditor agreement (including the Intercreditor Agreement) and this Agreement, the provisions of such intercreditor agreement (including the Intercreditor Agreement) shall prevail.

provided that notwithstanding anything to the contrary contained in the foregoing clauses (a) through (s), the security interest created by this Agreement shall not extend to, and the terms

"Collateral," "Security Collateral," "Agreement Collateral," "Intellectual Property Collateral" and other terms defining the components of the Collateral in the foregoing clauses (a) through (s) shall not include Excluded Assets;

provided, further, that notwithstanding anything to the contrary contained in the foregoing clauses (a) through (s), no Grantor shall be required to (x) take any action or enter into any agreement in contravention of the Perfection Exceptions (determined, solely for the purposes of this Agreement, as if each Grantor was a Domestic Subsidiary) or (y) make any filing with respect to any Intellectual Property Collateral other than filing a UCC financing statement and filings at the U.S. Patent and Trademark Office or U.S. Copyright Office and any other U.S. federal governmental authorities (or such other filings as agreed to by the Issuer and the Bank Collateral Agent);

provided, further, that solely for the purposes of this Agreement the Collateral shall not include any Equity Interests and, the certificates, if any, representing such Equity Interests of any Subsidiary held by a Grantor that is organized under the laws of any jurisdiction other than the United States of America, any state thereof and the District of Columbia to the extent and for so long as such Equity Interests are subject to a valid and perfected (or the foreign equivalent) security interest under a foreign law Notes Security Document.

Section 2. Security for Obligations. This Agreement secures, in the case of each Grantor, any principal, interest (including any interest accruing subsequent to the filing of a petition in bankruptcy, reorganization or similar proceeding at the rate provided for in the documentation with respect thereto, whether or not such interest is an allowed claim under applicable state, federal or foreign law), premium, penalties, fees, indemnifications, reimbursements (including, without limitation, reimbursement obligations with respect to letters of credit and bankers' acceptances), damages and other liabilities (including guarantee obligations) in respect of such Grantor, now or hereafter existing, under the Euro Notes Indenture, the Euro Notes and any Notes Security Document (the foregoing being the "Secured Obligations" and the Indenture, the Euro Notes and any Notes Security Document collectively being herein the "Secured Documents"). Without limiting the generality of the foregoing, this Agreement secures, as to each Grantor, the payment of all amounts that constitute part of the Secured Obligations that would be owed by such Grantor to any Secured Party under the Secured Documents but for the fact that they are unenforceable or not allowable due to the existence of a bankruptcy, reorganization or similar proceeding involving a Grantor.

Section 3. Grantors Remain Liable. Anything herein to the contrary notwithstanding, (a) each Grantor shall remain liable under its contracts and agreements included in the Collateral to the extent set forth therein to perform all of its duties and obligations thereunder to the same extent as if this Agreement had not been executed, (b) the exercise by the Collateral Agent of any of the rights hereunder shall not release any Grantor from any of its duties or obligations under the contracts and agreements included in the Collateral and (c) no Secured Party shall have any obligation or liability under the contracts and agreements included in the Collateral by reason of this Agreement or any other Secured Document, nor shall any Secured Party be obligated to perform any of the obligations or duties of any Grantor thereunder or to take any action to collect or enforce any claim for payment assigned hereunder.

Section 4. Delivery and Control of Security Collateral. (a) All certificates, if any, representing or evidencing the Pledged Interests (other than Equity Interests of non-wholly owned Subsidiaries with a fair market value of less than $7,500,000) and all instruments representing or evidencing the Pledged Debt in an aggregate principal amount in excess of $7,500,000 (other than any short-term intercompany current liabilities incurred in the ordinary course of business and consistent with past practice in connection with the cash management operations of the Dutch Co-Issuer and its Restricted Subsidiaries) shall be promptly delivered to and held by or on behalf of the Collateral Agent pursuant hereto and shall be in suitable form for transfer by delivery, or shall be accompanied by duly executed instruments of transfer or assignment in blank. During the continuation of an Event of Default, the Collateral Agent shall have the right, at any time in its discretion and without notice to any Grantor, to (i) transfer to or to register in the name of the Collateral Agent or any of its nominees any or all of the Security Collateral, subject only to the revocable rights specified in Section 11(a), (ii) exchange certificates or instruments representing or evidencing Security Collateral for certificates or instruments of smaller or larger denominations and (iii) convert Security Collateral consisting of Financial Assets credited to any Securities Account to Security Collateral consisting of Financial Assets held directly by the Collateral Agent, and to convert Security Collateral consisting of Financial Assets held directly by the Collateral Agent to Security Collateral consisting of Financial Assets credited to any Securities Account.

(b) With respect to any Security Collateral (other than Equity Interests of non-wholly owned Subsidiaries with a fair market value of less than $7,500,000) in which any Grantor has any right, title or interest and that constitutes an uncertificated security of a Subsidiary, such Grantor will cause the issuer thereof to agree in an authenticated record with such Grantor and the Collateral Agent that such issuer will comply with instructions with respect to such security originated by the Collateral Agent without further consent of such Grantor. During the continuation of an Event of Default, with respect to any Security Collateral in which any Grantor has any right, title or interest and that is not an uncertificated security, promptly upon the request of the Collateral Agent, such Grantor will notify each issuer of Pledged Interests that such Pledged Interests are subject to the security interests granted hereunder.

(c) Each Grantor agrees that (i) to the extent each interest in any limited liability company or limited partnership controlled now or in the future by such Grantor and pledged hereunder is a "security" within the meaning of Article 8 of the UCC and is governed by Article 8 of the UCC, such interest shall be certificated and (ii) each such interest shall at all times hereafter continue to be such a security and represented by such certificate. Each Grantor further acknowledges and agrees that with respect to any interest in any limited liability company or limited partnership controlled now or in the future by such Grantor and pledged hereunder that is not a "security" within the meaning of Article 8 of the UCC, such Grantor shall at no time elect to treat any such interest as a "security" within the meaning of Article 8 of the UCC, nor shall such interest be represented by a certificate, unless such Grantor provides written notification to the Collateral Agent of such election and such interest is thereafter represented by a certificate that is promptly delivered to the Collateral Agent pursuant to the terms hereof.

(d) During the continuation of an Event of Default, promptly upon the request of the Applicable Collateral Agent, such Grantor will notify each issuer of Pledged Debt that such Pledged Debt is subject to the security interests granted hereunder.

(b) each Grantor will give prompt written notice to the Collateral Agent of any individual Commercial Tort Claim with a claimed amount in excess of $7,500,000 that may arise in the future and will promptly execute or otherwise authenticate a supplement to this Agreement and otherwise take all necessary action, to subject such Commercial Tort Claim to the security interests granted under this Agreement;

(c) with respect to any Deposit Accounts constituting accounts containing Cash Collateral (as defined in the Credit Agreement), each Grantor will maintain such Deposit Accounts only with the Collateral Agent or with another commercial bank that has agreed with such Grantor and the Collateral Agent to comply with instructions originated by the Collateral Agent directing the disposition of funds in such accounts without the further consent of such Grantor; and

(d) each Grantor, by granting a security interest in Letter-of-Credit Rights with a stated amount in excess of $7,500,000 to the Collateral Agent, intends to (and hereby does) collaterally assign to the Collateral Agent its rights (including its contingent rights) to the proceeds of all Letter-of-Credit Rights of which it is or hereafter becomes a beneficiary or assignee.

Each Grantor ratifies its authorization for the Collateral Agent to have filed such financing statements, continuation statements or amendments filed prior to the date hereof.

(c) At the time of delivery of quarterly or annual financial statements with respect to the preceding fiscal quarter or year pursuant to Section 3.2.(a)(i) and (ii) of the Euro Notes Indenture, the U.S. Co-Issuer shall update Schedules I through VI of this Agreement with any changes since the Issue Date or the delivery of the previous quarterly or annual financial statements, as applicable, or confirm that there have been no such changes during such period.

(a) With respect to each item of its Intellectual Property Collateral registered with, issued by, or applied for with the USPTO or the USCO, each Grantor agrees to take, at its expense, all commercially reasonable steps, including, without limitation, in the U.S. Patent and Trademark Office, the U.S. Copyright Office and any other U.S. federal governmental authority, to (i) maintain the validity and enforceability of such Intellectual Property Collateral and maintain such Intellectual Property Collateral in full force and effect, and (ii) pursue the registration and maintenance of each patent, trademark, or copyright registration or application, now or hereafter included in such Intellectual Property Collateral of such Grantor, including, without limitation, the payment of required fees and taxes, the filing of responses to office actions issued by the U.S. Patent and Trademark Office, the U.S. Copyright Office or other U.S. federal governmental authorities, the filing of applications for renewal or extension, the filing of affidavits under Sections 8 and 15 of the U.S. Trademark Act, the filing of divisional, continuation, continuation-in-part, reissue and renewal applications or extensions, the payment of maintenance fees and the participation in interference, reexamination, opposition, cancellation, infringement and misappropriation proceedings, except, in each case, to the extent failure to do so could not reasonably be expected to cause a Material Adverse Effect.

(b) Except as could not reasonably be expected to have a Material Adverse Effect, each Grantor shall use proper statutory notice in connection with its use of Intellectual Property Collateral registered with, issued by, or applied for with the USPTO or USCO that is material to the business of the U.S. Co-Issuer and its Restricted Subsidiaries. Except as could not be reasonably expected to have a Material Adverse Effect, no Grantor shall do or permit any act or knowingly omit to do any act whereby any of its Intellectual Property Collateral registered with, issued by, or applied for with the USPTO or USCO may lapse or become invalid or unenforceable or placed in the public domain.

(c) Except where failure to do so could not reasonably be expected to cause a Material Adverse Effect, each Grantor shall take all commercially reasonable steps which it or the Collateral Agent (during the continuation of an Event of Default) deems reasonable and appropriate under the circumstances to preserve and protect each item of its Intellectual Property Collateral registered with, issued by, or applied for with the USPTO or USCO, including, without limitation, maintaining the quality of any and all products or services used or provided in connection with any of the Trademarks, consistent with the quality of the products and services as of the date hereof, and taking all steps necessary to ensure that all licensed users of any of the Trademarks use such consistent standards of quality.

(d) Notwithstanding the foregoing, each Grantor may refrain from taking, or shall be permitted to take, as the case may be, any actions otherwise prohibited or required by the foregoing Section 10 clauses (a) to (c) with respect to Intellectual Property Collateral which it determines in its good faith commercially reasonable business judgment not to be useful to its business or worth protecting or maintaining (including without limitation by abandoning, failing to defend or maintain or causing any such Intellectual Property Collateral to become unenforceable, abandoned, invalidated or publicly available).

(e) With respect to its Intellectual Property Collateral registered with, issued by, or applied for with the USPTO or USCO, each Grantor agrees to execute or otherwise authenticate an agreement, in substantially the form set forth in Exhibit B hereto (an "Intellectual Property Security Agreement"), for recording the security interest granted hereunder to the Collateral Agent in such Intellectual Property Collateral with the USPTO, the USCO and any other U.S. federal governmental authorities necessary to perfect in the United States the security interest granted hereunder in such Intellectual Property Collateral.

(f) Without limiting Section 1, each Grantor agrees that should it obtain an ownership interest in any item of the type set forth in Section 1(p) that is not, as of the Issue Date, a part of the Intellectual Property Collateral ("After-Acquired Intellectual Property") (i) the provisions of this Agreement shall automatically apply thereto, and (ii) any such After-Acquired Intellectual Property and, in the case of trademarks, the goodwill symbolized thereby, shall automatically become part of the Intellectual Property Collateral subject to the terms and conditions of this Agreement with respect thereto. Each Grantor shall, substantially concurrently with the delivery thereof under Section 11.5 of the Euro Notes Indenture, execute and deliver to the Collateral Agent, or otherwise authenticate, an agreement substantially in the form of Exhibit C

hereto (an "IP Security Agreement Supplement") covering such After-Acquired Intellectual Property which IP Security Agreement Supplement shall be recorded with the USPTO, the USCO and any other U.S. federal governmental authorities necessary to perfect the security interest granted hereunder in such After-Acquired Intellectual Property.

(g) At such time as the Collateral Agent is lawfully entitled to exercise its rights and remedies under Section 16, each Grantor grants to the Collateral Agent an irrevocable, non-exclusive license (exercisable without payment of royalty or other compensation to such Grantor) to use, assign or sublicense any Intellectual Property Collateral in which such Grantor has rights wherever the same may be located, including, without limitation, in such license access to (i) all media in which any of the licensed items may be recorded or stored, and (ii) all software and computer programs used for compilation or print-out. The license granted under this Section is to enable the Collateral Agent to exercise its rights and remedies under Section 16 and for no other purpose.

Section 11. Voting Rights; Dividends; Etc. (a) So long as no Event of Default shall have occurred and be continuing and, other than in the case of an Event of Default under Section 6.1.(v) or (vi) of the Euro Notes Indenture, Collateral Agent has not notified such Grantor of its intent to exercise remedies as set forth below:

(i) each Grantor shall be entitled to exercise any and all voting and other consensual rights pertaining to the Security Collateral of such Grantor or any part thereof for any purpose; provided, however, that such Grantor will not exercise or refrain from exercising any such right in a manner prohibited by the Euro Notes Indenture;

(ii) each Grantor shall be entitled to receive and retain any and all dividends, interest and other distributions paid in respect of the Security Collateral of such Grantor if and to the extent that the payment thereof is not otherwise prohibited by the terms of the Secured Documents; provided, however, that any and all:

(A) dividends, interest and other distributions paid or payable other than in cash in respect of, and instruments and other property received, receivable or otherwise distributed in respect of, or in exchange for, any Security Collateral,

(B) dividends and other distributions paid or payable in cash in respect of any Security Collateral in connection with a partial or total liquidation or dissolution or in connection with a reduction of capital, capital surplus or paid-in-surplus and

(C) cash paid, payable or otherwise distributed in respect of principal of, or in redemption of, or in exchange for, any Security Collateral,

(x) in the case of the foregoing clause (A), any such property distributed in respect of any Security Collateral, shall be deemed to constitute acquired property and shall be forthwith delivered to the Collateral Agent as Security Collateral in the same form as so received (with any necessary indorsement) in accordance with the provisions of Section 11.4. of the Euro Notes Indenture and (y) in the case of the foregoing clauses (B) and (C), any such cash distributed in respect of any Security Collateral shall be subject to the provisions of the Euro Notes Indenture applicable to the proceeds of an Asset Sale of property; and

(iii) the Collateral Agent will execute and deliver (or cause to be executed and delivered) to each Grantor all such proxies and other instruments as such Grantor may reasonably request for the purpose of enabling such Grantor to exercise the voting and other rights that it is entitled to exercise pursuant to paragraph (i) above and to receive the dividends or interest payments that it is authorized to receive and retain pursuant to paragraph (ii) above.

(b) Upon the occurrence and during the continuance of an Event of Default:

(i) upon notice to the applicable Grantor (and automatically in the case of clause (y) below to the extent such Event of Default is under Section 6.1(v) or (vi) of the Euro Notes Indenture), all rights of each Grantor (x) to exercise or refrain from exercising the voting and other consensual rights that it would otherwise be entitled to exercise pursuant to Section 11(a)(i) shall, upon notice to such Grantor by the Collateral Agent, cease and (y) to receive the dividends, interest and other distributions that it would otherwise be authorized to receive and retain pursuant to Section 11(a)(ii) shall automatically cease, and all such rights shall thereupon become vested in the Collateral Agent, which shall thereupon have the sole right to exercise or refrain from exercising such voting and other consensual rights and to receive and hold as Security Collateral such dividends, interest and other distributions; and

(ii) all dividends, interest and other distributions that are received by any Grantor contrary to the provisions of paragraph (i) of this Section 11(b) shall be received in trust for the benefit of the Collateral Agent, shall be segregated from other funds of such Grantor and shall be forthwith paid over to the Collateral Agent as Security Collateral in the same form as so received (with any necessary indorsement).

(d) to file any claims or take any action or institute any proceedings that the Collateral Agent may deem necessary or desirable for the collection of any of the Collateral or otherwise to enforce compliance with the terms and conditions of any Assigned Agreement or the rights of the Collateral Agent with respect to any of the Collateral.

Section 14. Collateral Agent May Perform. If any Grantor fails to perform any agreement contained herein after the expiration or termination of any applicable cure or grace periods, the Collateral Agent may, after providing notice to such Grantor of its intent to do so, but without any obligation to do so, itself perform, or cause performance of, such agreement, and the expenses of the Collateral Agent incurred in connection therewith shall be payable by such Grantor under Section 17.

Section 15. The Collateral Agent's Duties. (a) The powers conferred on the Collateral Agent hereunder are solely to protect the Secured Parties' interest in the Collateral and shall not impose any duty upon it to exercise any such powers. Except for the exercise of reasonable care with respect to the custody of any Collateral in its possession and the accounting for moneys actually received by it hereunder, the Collateral Agent shall have no duty as to any Collateral, as to ascertaining or taking action with respect to calls, conversions, exchanges, maturities, tenders or other matters relative to any Collateral, whether or not any Secured Party has or is deemed to have knowledge of such matters, or as to the taking of any necessary steps to preserve rights against any parties or any other rights pertaining to any Collateral. The Collateral Agent shall be deemed to have exercised reasonable care in the custody and preservation of any Collateral in its possession if such Collateral is accorded treatment substantially equal to that which it accords its own property. It is expressly understood and agreed that the obligations of the Collateral Agent as holder of the Collateral and interests therein and with respect to the disposition thereof, and otherwise under this Agreement, are only those expressly set forth in this Agreement. The Collateral Agent shall act hereunder on the terms and conditions set forth herein.

(b) The Secured Parties and the Collateral Agent have no obligation to keep Collateral in their possession identifiable. The Collateral Agent has no obligation to collect dividends, distributions or interest payable on, or exercise any option or right in connection with any Collateral. The Collateral Agent has no obligation to protect or preserve any Collateral from depreciating in value or becoming worthless and is released from all responsibility for any loss of value, whether such Collateral is in the possession of, is a security entitlement of, or is subject to the control of, the Collateral Agent, a securities intermediary, the Grantor or any other Person.

(c) The Collateral Agent may from time to time, when the Collateral Agent deems it to be necessary, appoint one or more subagents (each a "Subagent") for the Collateral Agent hereunder with respect to all or any part of the Collateral. In the event that the Collateral Agent so appoints any Subagent with respect to any Collateral, (i) the assignment and pledge of such Collateral and the security interest granted in such Collateral by each Grantor hereunder shall be deemed for purposes of this Security Agreement to have been made to such Subagent, in

addition to the Collateral Agent, for the ratable benefit of the Secured Parties, as security for the Secured Obligations of such Grantor, (ii) such Subagent shall automatically be vested, in addition to the Collateral Agent, with all rights, powers, privileges, interests and remedies of the Collateral Agent hereunder with respect to such Collateral, and (iii) the term "Collateral Agent," when used herein in relation to any rights, powers, privileges, interests and remedies of the Collateral Agent with respect to such Collateral, shall include such Subagent; provided, however, that no such Subagent shall be authorized to take any action with respect to any such Collateral unless and except to the extent expressly authorized in writing by the Collateral Agent.

Section 16. Remedies. If any Event of Default shall have occurred and be continuing:

(a) The Collateral Agent may exercise in respect of the Collateral, in addition to other rights and remedies provided for herein or otherwise available to it, all the rights and remedies of a secured party upon default under the UCC (whether or not the UCC applies to the affected Collateral) and also may: (i) require each Grantor to, and each Grantor hereby agrees that it will at its expense and upon request of the Collateral Agent forthwith, assemble all or part of the Collateral as directed by the Collateral Agent and make it available to the Collateral Agent at a place and time to be designated by the Collateral Agent that is reasonably convenient to both parties; (ii) without notice except as specified below, sell the Collateral or any part thereof in one or more parcels at public or private sale, at any of the Collateral Agent's offices or elsewhere, for cash, on credit or for future delivery, and upon such other terms as the Collateral Agent may deem commercially reasonable; (iii) occupy any premises owned or leased by any of the Grantors where the Collateral or any part thereof is assembled or located for a reasonable period in order to effectuate its rights and remedies hereunder or under law, without obligation to such Grantor in respect of such occupation; and (iv) exercise any and all rights and remedies of any of the Grantors under or in connection with the Collateral, or otherwise in respect of the Collateral, including, without limitation, (A) any and all rights of such Grantor to demand or otherwise require payment of any amount under, or performance of any provision of, the Assigned Agreements, the Accounts and the other Collateral, (B) withdraw, or cause or direct the withdrawal, of all funds with respect accounts containing Cash Collateral and (C) exercise all other rights and remedies with respect to the Assigned Agreements, the Accounts and the other Collateral, including, without limitation, those set forth in Section 9-607 of the UCC, in each case in accordance with the other provisions of this Agreement. Each Grantor agrees that, to the extent notice of sale shall be required by law, at least ten days' notice to such Grantor of the time and place of any public sale or the time after which any private sale is to be made shall constitute reasonable notification. The Collateral Agent shall not be obligated to make any sale of Collateral regardless of notice of sale having been given. The Collateral Agent may adjourn any public or private sale from time to time by announcement at the time and place fixed therefor, and such sale may, without further notice, be made at the time and place to which it was so adjourned.

(b) All payments received by any Grantor under or in connection with any Assigned Agreement or otherwise in respect of the Collateral shall be received in trust for the benefit of the Collateral Agent, shall be segregated from other funds of such Grantor and shall be forthwith paid over to the Collateral Agent in the same form as so received (with any necessary indorsement).

(c) The Collateral Agent may, without notice to any Grantor except as required by law and at any time or from time to time, charge, set-off and otherwise apply all or any part of the Secured Obligations against any funds held with respect to any Deposit Account of a Grantor that is not an Exempt Deposit Account. For purposes of this Agreement, the term "Exempt Deposit Account" shall mean any Deposit Account owned by or in the name of a Grantor with respect to which such Grantor is acting as a fiduciary for another Person who is not a Grantor.

(d) Any cash held by or on behalf of the Collateral Agent and all cash proceeds received by or on behalf of the Collateral Agent in respect of any sale of, collection from, or other realization upon all or any part of the Collateral may, in the discretion of the Collateral Agent, be held by the Collateral Agent as collateral for, and/or then or at any time thereafter applied (after payment of any amounts payable to the Collateral Agent pursuant to Section 17) in whole or in part by the Collateral Agent against, all or any part of the Secured Obligations, in the manner set forth in Section 6.10 of the Euro Notes Indenture. Notwithstanding the foregoing, if an intercreditor agreement (including the Intercreditor Agreement) has been entered into in accordance with Section 11.3. of the Euro Notes Indenture among the holders of the Secured Obligations and holders of any other Indebtedness permitted under the Euro Notes Indenture which provides for the application of proceeds received by the Collateral Agent in respect of any sale of, collection from or other realization upon all or any part of the Collateral, then such proceeds may be applied pursuant to the terms of such intercreditor agreement (including the Intercreditor Agreement)

(e) In the event of any sale or other disposition of any of the Intellectual Property Collateral of any Grantor, the goodwill symbolized by any Trademarks subject to such sale or other disposition shall be included therein, and such Grantor shall supply to the Collateral Agent or its designee such Grantor's know-how and expertise, and documents and things relating to any Intellectual Property Collateral subject to such sale or other disposition, and such Grantor's customer lists and other records and documents relating to such Intellectual Property Collateral and to the manufacture, distribution, advertising and sale of products and services of such Grantor.

(f) If the Collateral Agent shall determine to exercise its right to sell all or any of the Security Collateral of any Grantor pursuant to this Section 16, each Grantor agrees that, upon request of the Collateral Agent, such Grantor will, at its own expense, do or cause to be done all such other acts and things as may be necessary to make such sale of such Security Collateral or any part thereof valid and binding and in compliance with applicable law.

(g) The Collateral Agent is authorized, in connection with any sale of the Security Collateral pursuant to this Section 16, to deliver or otherwise disclose to any prospective purchaser of the Security Collateral: (i) any registration statement or prospectus, and all supplements and amendments thereto; (ii) any information and projections; and (iii) any other information in its possession relating to such Security Collateral.

(h) Except as otherwise provided in any Notes Security Document, with the written consent of the Trustee and the holders of a majority in aggregate principal amount of the then outstanding Euro Notes, to the extent permitted by any such requirement of law (including, without limitation, Section 9-610 of the UCC), the Collateral Agent (or any other Person on its behalf) may bid for and become the purchaser (and may pay all or any portion of the purchase price by crediting Obligations against the purchase price) of the Collateral or any item thereof, offered for disposition in accordance with this Section 16 without accountability to the relevant Grantor.

(i) Each Grantor acknowledges the impossibility of ascertaining the amount of damages that would be suffered by the Secured Parties by reason of the failure by such Grantor to perform any of the covenants contained in Section 16(f) above and, consequently, agrees that, if such Grantor shall fail to perform any of such covenants, it will pay, as liquidated damages and not as a penalty, an amount equal to the value of the Security Collateral on the date the Collateral Agent shall demand compliance with Section 16(f) above.

Section 17. Expenses. (a) Each Grantor will upon demand pay to the Collateral Agent the amount of any and all reasonable expenses, including, without limitation, the reasonable fees and expenses of its counsel that the Collateral Agent may incur in connection with (i) the administration of this Agreement, (ii) the custody, preservation, use or operation of, or the sale of, collection from or other realization upon, any of the Collateral of such Grantor, (iii) the exercise or enforcement of any of the rights of the Collateral Agent or the other Secured Parties hereunder or (iv) the failure by such Grantor to perform or observe any of the provisions hereof, in each case, in the manner and to the extent set forth in Section 7.6 of the Euro Notes Indenture.

(b) The parties hereto agree that the Collateral Agent shall be entitled to the benefits of, and the Grantors shall jointly and severally have the indemnification obligations described in, Section 7.6 of the Euro Notes Indenture.

(c) Any such amounts payable as provided hereunder shall be additional Secured Obligations secured hereby and by the other Secured Documents. The provisions of this Section 17 shall remain operative and in full force and effect regardless of the termination of this Agreement or any other Secured Document, the repayment of any of the Secured Obligations, the invalidity or unenforceability of any term or provision of this Agreement or any other Secured Document, any resignation of the Collateral Agent, or any investigation made by or on behalf of the Collateral Agent or any Secured Party. Grantors shall promptly pay or promptly reimburse the Collateral Agent and each Secured Party, as applicable, for all amounts due under this Section 17.

Section 18. Amendments; Waivers; Additional Grantors; Etc. (a) Subject to Article IX of the Euro Notes Indenture, no amendment or waiver of any provision of this Agreement, and no consent to any departure by any Grantor herefrom, shall in any event be

effective unless the same shall be in writing and signed by the Collateral Agent, and then such waiver or consent shall be effective only in the specific instance and for the specific purpose for which given. No failure on the part of the Collateral Agent or any other Secured Party to exercise, and no delay in exercising any right hereunder, shall operate as a waiver thereof; nor shall any single or partial exercise of any such right preclude any other or further exercise thereof or the exercise of any other right.

(b) Upon the execution and delivery, or authentication, by any Person of a security agreement supplement in substantially the form of Exhibit A hereto (each a "Security Agreement Supplement"), (i) such Person shall be referred to as an "Additional Grantor" and shall be and become a Grantor hereunder, and each reference in this Agreement and the other Secured Documents, to "Grantor" shall also mean and be a reference to such Additional Grantor, and each reference in this Agreement and the other Secured Documents, to "Collateral" shall also mean and be a reference to the Collateral of such Additional Grantor, and (ii) the supplemental schedules I through VI attached to each Security Agreement Supplement shall be incorporated into and become a part of and supplement Schedules I through VI, respectively, hereto, and the Collateral Agent may attach such supplemental schedules to such Schedules; and each reference to such Schedules shall mean and be a reference to such Schedules as supplemented pursuant to each Security Agreement Supplement.

Section 19. Notices, Etc. All notices and other communications provided for hereunder shall be in writing (including telegraphic, telecopy or telex communication or facsimile transmission) and mailed, telegraphed, telecopied, telexed, faxed or delivered to it, if to any Grantor, addressed to it in care of the Dutch Co-Issuer's address specified in Section 12.1 of the Euro Notes Indenture and, if to the Collateral Agent, at its address specified in Section 12.1 of the Euro Notes Indenture. All such notices and other communications shall be deemed to be given or made at such time as shall be set forth in Section 12.1 of the Euro Notes Indenture. Delivery by telecopier or in .pdf or similar format by electronic mail of an executed counterpart of any amendment or waiver of any provision of this Agreement or of any Security Agreement Supplement or Schedule hereto shall be effective as delivery of an original executed counterpart thereof.

Section 20. Continuing Security Interest. This Agreement shall create a continuing security interest in the Collateral and shall (a) remain in full force and effect until the payment in full in cash of the Secured Obligations (other than contingent indemnification obligations as to which no claim has been asserted), (b) be binding upon each Grantor, its successors and assigns and (c) inure, together with the rights and remedies of the Collateral Agent hereunder, to the benefit of the Secured Parties and their respective successors, transferees and assigns.

Section 21. Release; Termination. (a) Upon any sale, transfer or other disposition of any item of Collateral of any Grantor permitted by, and in accordance with, the terms of the Euro Notes Indenture to a Person that is not a Grantor or in connection with any other release of the Liens on the Collateral provided for in Section 11.6. of the Euro Notes Indenture, the Collateral Agent will, at such Grantor's expense, execute and deliver without recourse and without any representation or warranty of any kind (either express or implied) to such Grantor such documents as such Grantor shall reasonably request to evidence the release of such item of

Collateral from the assignment and security interest granted hereby; provided, however, that such Grantor shall have delivered to the Collateral Agent a written request for release, together with a form of release for execution by the Collateral Agent, a certificate of such Grantor to the effect that the transaction is in compliance with the Euro Notes Indenture .

(b) Upon the payment in full in cash of the Secured Obligations (other than contingent indemnification obligations as to which no claim has been asserted), the pledge and security interests granted hereby shall automatically terminate and all rights to the Collateral shall revert to the applicable Grantor. Upon any such termination, the Collateral Agent will, at the applicable Grantor's expense, execute and deliver to such Grantor such documents as such Grantor shall reasonably request to evidence such termination.

Section 22. Execution in Counterparts. This Agreement may be executed in any number of counterparts, each of which when so executed shall be deemed to be an original and all of which taken together shall constitute one and the same agreement. Delivery of an executed counterpart of a signature page to this Agreement by telecopier or in .pdf or similar format by electronic mail shall be effective as delivery of an original executed counterpart of this Agreement.

Section 23. The Mortgages. In the event that any of the Collateral hereunder is also subject to a valid and enforceable Lien under the terms of any Mortgage and the terms of such Mortgage are inconsistent with the terms of this Agreement, then with respect to such Collateral, the terms of such Mortgage shall be controlling in the case of fixtures and real estate leases, letting and licenses of, and contracts and agreements relating to the lease of, real property, and the terms of this Agreement shall be controlling in the case of all other Collateral.

Section 24. Governing Law; Jurisdiction; Etc. (a) THIS AGREEMENT SHALL BE GOVERNED BY, AND CONSTRUED IN ACCORDANCE WITH, THE LAW OF THE STATE OF NEW YORK.

(b) EACH PARTY HERETO IRREVOCABLY AND UNCONDITIONALLY SUBMITS, FOR ITSELF AND ITS PROPERTY, TO THE EXCLUSIVE JURISDICTION OF THE COURTS OF THE STATE OF NEW YORK SITTING IN THE STATE, COUNTY AND CITY OF NEW YORK AND OF THE UNITED STATES FOR THE SOUTHERN DISTRICT OF NEW YORK, AND ANY APPELLATE COURT FROM ANY THEREOF, IN ANY ACTION OR PROCEEDING ARISING OUT OF OR RELATING TO THIS AGREEMENT, AND EACH OF THE PARTIES HERETO IRREVOCABLY AND UNCONDITIONALLY AGREES THAT ALL CLAIMS IN RESPECT OF ANY SUCH ACTION OR PROCEEDING MAY BE HEARD AND DETERMINED IN SUCH NEW YORK STATE COURT OR, TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, IN SUCH FEDERAL COURT. EACH OF THE PARTIES HERETO AGREES THAT A FINAL JUDGMENT IN ANY SUCH ACTION OR PROCEEDING SHALL BE CONCLUSIVE AND MAY BE ENFORCED IN OTHER JURISDICTIONS BY SUIT ON THE JUDGMENT OR IN ANY OTHER MANNER PROVIDED BY LAW. NOTHING IN THIS AGREEMENT SHALL AFFECT ANY RIGHT THAT ANY SECURED PARTY MAY OTHERWISE HAVE TO BRING ANY ACTION OR PROCEEDING RELATING TO THIS AGREEMENT AGAINST THE ISSUER OR ANY OTHER GRANTOR OR ITS PROPERTIES IN THE COURTS OF ANY JURISDICTION.

(c) EACH PARTY HERETO IRREVOCABLY AND UNCONDITIONALLY WAIVES, TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, ANY OBJECTION THAT IT MAY NOW OR HEREAFTER HAVE TO THE LAYING OF VENUE OF ANY ACTION OR PROCEEDING ARISING OUT OF OR RELATING TO THIS AGREEMENT IN ANY COURT REFERRED TO IN PARAGRAPH (b) OF THIS SECTION. EACH OF THE PARTIES HERETO HEREBY IRREVOCABLY WAIVES, TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, THE DEFENSE OF AN INCONVENIENT FORUM TO THE MAINTENANCE OF SUCH ACTION OR PROCEEDING IN ANY SUCH COURT.

(d) EACH PARTY HERETO IRREVOCABLY CONSENTS TO SERVICE OF PROCESS IN THE MANNER PROVIDED FOR NOTICES IN SECTION 12.8 OF THE EURO NOTES INDENTURE. NOTHING IN THIS AGREEMENT WILL AFFECT THE RIGHT OF ANY PARTY HERETO TO SERVE PROCESS IN ANY OTHER MANNER PERMITTED BY APPLICABLE LAW.

(e) EACH PARTY TO THIS AGREEMENT HEREBY EXPRESSLY WAIVES ANY RIGHT TO TRIAL BY JURY OF ANY CLAIM, DEMAND, ACTION OR CAUSE OF ACTION ARISING UNDER THIS AGREEMENT OR IN ANY WAY CONNECTED WITH OR RELATED OR INCIDENTAL TO THE DEALINGS OF THE PARTIES HERETO OR ANY OF THEM WITH RESPECT TO THIS AGREEMENT, OR THE TRANSACTIONS RELATED THERETO, IN EACH CASE WHETHER NOW EXISTING OR HEREAFTER ARISING, AND WHETHER FOUNDED IN CONTRACT OR TORT OR OTHERWISE; AND EACH PARTY HEREBY AGREES AND CONSENTS THAT ANY SUCH CLAIM, DEMAND, ACTION OR CAUSE OF ACTION SHALL BE DECIDED BY COURT TRIAL WITHOUT A JURY, AND THAT ANY PARTY TO THIS AGREEMENT MAY FILE AN ORIGINAL COUNTERPART OR A COPY OF THIS SECTION 24(E) WITH ANY COURT AS WRITTEN EVIDENCE OF THE CONSENT OF THE SIGNATORIES HERETO TO THE WAIVER OF THEIR RIGHT TO TRIAL BY JURY.

Section 25. Intercreditor Agreement. Notwithstanding anything herein to the contrary, the lien and security interest granted to the Collateral Agent pursuant to this Agreement or any other Notes Security Document and the exercise of any right or remedy by the Collateral Agent hereunder or under any other Notes Security Document are subject to the provisions of the Intercreditor Agreement. In the event of any conflict between the terms of the Intercreditor Agreement, this Agreement and any other Notes Security Document, the terms of the Intercreditor Agreement shall govern and control with respect to any right or remedy. Without limiting the generality of the foregoing, and notwithstanding anything herein to the contrary, all rights and remedies of the Collateral Agent (and the Secured Parties) shall be subject to the terms of the Intercreditor Agreement, and until the Discharge of the Credit Agreement Obligations (as defined in the Intercreditor Agreement), (i) no Grantor shall be required hereunder or under any other Notes Security Document to take any action that is inconsistent with such Grantor's obligations under the Loan Documents (as defined in the Intercreditor Agreement) and (ii) any obligation of any Grantor hereunder or under any other Notes Security Document with respect to

the delivery or control of any Collateral, the novation of any lien on any certificate of title, bill of lading or other document, the giving of any notice to any bailee or other Person, the provision of voting rights or the obtaining of any consent of any Person shall be deemed to be satisfied if the Grantor complies with the requirements of the similar provision of the applicable Loan Document. Until the Discharge of the Credit Agreement Obligations, the Collateral Agent may not require any Grantor to take any action with respect to the creation, perfection or priority of its security interest, whether pursuant to the express terms hereof or of any other Notes Security Document or pursuant to the further assurances provisions hereof or any other Notes Security Document, unless the Applicable Collateral Agent shall have required such Grantor to take similar action (provided that the Collateral Agent may take any action to preserve or protect the validity and enforceability of the Liens granted hereunder in accordance with the Intercreditor Agreement), and delivery of any Collateral to the Applicable Collateral Agent pursuant to the Loan Documents shall satisfy any delivery requirement hereunder or under any other Notes Security Document.

Reference is made to (i) the Credit Agreement dated as of February 1, 2013 (as it may hereafter be amended, amended and restated, supplemented, replaced, refinanced or otherwise modified from time to time (including any increases of the principal amount outstanding thereunder) among Flash Dutch 2 B.V. and U.S. Coatings Acquisition Inc., as Borrowers, Flash Dutch 1 B.V., as Holdings, Coatings Co. U.S. Inc., as U.S. Holdings, Barclays Bank PLC, as Administrative Agent and Collateral Agent, and the other parties thereto and (ii) the Security Agreement dated February 1, 2013 (as amended, amended and restated, supplemented or otherwise modified from time to time, the "Security Agreement"), among the Grantor, the other parties from time to time party thereto and the Collateral Agent. Terms defined in the Credit Agreement or the Security Agreement and not otherwise defined herein are used herein as defined in the Credit Agreement or the Security Agreement (and in the event of a conflict, the applicable definition shall be the one given to such term in the Security Agreement).

WHEREAS, as a condition precedent to the making of the Loans by the Lenders from time to time and the issuance of Letters of Credit by the L/C Issuers from time to time, the entry into Secured Hedge Agreements by the Hedge Banks from time to time and the entry into Secured Cash Management Agreements by the Cash Management Banks from time to time, the Grantor and the other parties to the Security Agreement have executed and delivered the Security Agreement.

WHEREAS, under the terms of the Security Agreement, the Grantor has granted to the Collateral Agent, for the benefit of the Secured Parties, a security interest in, among other property, certain intellectual property of the Grantor, and has agreed thereunder to execute this IP Security Agreement for recording with the U.S. Patent and Trademark Office, the United States Copyright Office and any other appropriate domestic federal governmental authorities.

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the Grantor agrees as follows:

SECTION 1. Grant of Security. The Grantor hereby grants to the Collateral Agent for the benefit of the Secured Parties a security interest in all of the Grantor's right, title and interest in and to the following, whether now owned or hereafter acquired by the undersigned (the "Collateral"):

(i) the patents and patent applications set forth in Schedule A hereto (the "Patents");

(ii) the trademark and service mark registrations and applications set forth in Schedule B hereto (provided that no security interest shall be granted in United States intent-to-use trademark applications to the extent that, and so long as creation of a security interest therein or the assignment thereof would result in the loss of any material rights therein), together with the goodwill symbolized thereby (the "Trademarks");

(iii) all copyrights, whether registered or unregistered, including, without limitation, the copyright registrations and applications and exclusive copyright licenses set forth in Schedule C hereto (the "Copyrights");

(iv) all reissues, divisions, continuations, continuations-in-part, extensions, renewals and reexaminations of any of the foregoing, all rights in the foregoing provided by international treaties or conventions, all rights corresponding thereto throughout the world and all other rights of any kind whatsoever of the Grantor accruing thereunder or pertaining thereto;

(v) any and all claims for damages and injunctive relief for past, present and future infringement, dilution, misappropriation, violation, misuse or breach with respect to any of the foregoing, with the right, but not the obligation, to sue for and collect, or otherwise recover, such damages; and

(vi) any and all proceeds of, collateral for, income, royalties and other payments now or hereafter due and payable with respect to, and supporting obligations relating to, any and all of the Collateral of or arising from any of the foregoing;

provided that notwithstanding anything to the contrary contained in the foregoing clauses (i) through (vi), the security interest created hereby shall not extend to, and the term "Collateral" shall not include, any Excluded Property.

SECTION 2. Security for Obligations. The grant of a security interest in, the Collateral by the Grantor under this IP Security Agreement secures the payment of all Secured Obligations of the Grantor now or hereafter existing under or in respect of the Secured Documents (as such Secured Documents may be amended, amended and restated, supplemented, replaced, refinanced or otherwise modified from time to time (including any increases of the principal amount outstanding thereunder)), whether direct or indirect, absolute or contingent, and whether for principal, reimbursement obligations, interest, premiums, penalties, fees, indemnifications, contract causes of action, costs, expenses or otherwise. Without limiting the generality of the foregoing, this IP Security Agreement secures, as to the Grantor, the payment of all amounts that constitute part of the Secured Obligations that would be owed by the Grantor to any Secured Party under the Secured Documents but for the fact that they are unenforceable or not allowable due to the existence of a bankruptcy, or reorganization or similar proceeding involving a Loan Party.

SECTION 3. Recordation. The Grantor authorizes and requests that the Register of Copyrights, the Commissioner for Patents and the Commissioner for Trademarks and any other applicable domestic federal government officer record this IP Security Agreement.

SECTION 4. Execution in Counterparts. This IP Security Agreement may be executed in any number of counterparts, each of which when so executed shall be deemed to be an original and all of which taken together shall constitute one and the same agreement.

SECTION 5. Grants, Rights and Remedies. This IP Security Agreement has been entered into in conjunction with the provisions of the Security Agreement. The Grantor does hereby acknowledge and confirm that the grant of the security interest hereunder to, and the rights and remedies of, the Collateral Agent with respect to the Collateral are more fully set forth in the Security Agreement, the terms and provisions of which are incorporated herein by reference as if fully set forth herein. In the event of any conflict between the terms of this IP Security Agreement and the terms of the Security Agreement, the terms of the Security Agreement shall govern.

SECTION 6. Governing Law; Jurisdiction; Etc. (a) THIS IP SECURITY AGREEMENT SHALL BE GOVERNED BY, AND CONSTRUED IN ACCORDANCE WITH, THE LAW OF THE STATE OF NEW YORK.

(b) EACH PARTY HERETO IRREVOCABLY AND UNCONDITIONALLY SUBMITS, FOR ITSELF AND ITS PROPERTY, TO THE EXCLUSIVE JURISDICTION OF THE COURTS OF THE STATE OF NEW YORK SITTING IN THE STATE, COUNTY AND CITY OF NEW YORK AND OF THE UNITED STATES FOR THE SOUTHERN DISTRICT OF NEW YORK, AND ANY APPELLATE COURT FROM ANY THEREOF, IN ANY ACTION OR PROCEEDING ARISING OUT OF OR RELATING TO THIS IP SECURITY AGREEMENT, AND EACH OF THE PARTIES HERETO IRREVOCABLY AND UNCONDITIONALLY AGREES THAT ALL CLAIMS IN RESPECT OF ANY SUCH ACTION OR PROCEEDING MAY BE HEARD AND DETERMINED IN SUCH NEW YORK STATE COURT OR, TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, IN SUCH FEDERAL COURT. EACH OF THE PARTIES HERETO AGREES THAT A FINAL JUDGMENT IN ANY SUCH ACTION OR PROCEEDING SHALL BE CONCLUSIVE AND MAY BE ENFORCED IN OTHER JURISDICTIONS BY SUIT ON THE JUDGMENT OR IN ANY OTHER MANNER PROVIDED BY LAW. NOTHING IN THIS IP SECURITY AGREEMENT SHALL AFFECT ANY RIGHT THAT THE COLLATERAL AGENT, ANY LENDER OR ANY L/C ISSUER MAY OTHERWISE HAVE TO BRING ANY ACTION OR PROCEEDING RELATING TO THIS IP SECURITY AGREEMENT AGAINST THE BORROWERS OR ANY OTHER LOAN PARTY OR ITS PROPERTIES IN THE COURTS OF ANY JURISDICTION.

(c) EACH PARTY HERETO IRREVOCABLY AND UNCONDITIONALLY WAIVES, TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, ANY OBJECTION THAT IT MAY NOW OR HEREAFTER HAVE TO THE LAYING OF VENUE OF ANY ACTION OR PROCEEDING ARISING OUT OF OR RELATING TO THIS IP SECURITY AGREEMENT IN ANY COURT REFERRED TO IN PARAGRAPH (b) OF THIS SECTION. EACH OF THE PARTIES HERETO HEREBY IRREVOCABLY WAIVES, TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, THE DEFENSE OF AN INCONVENIENT FORUM TO THE MAINTENANCE OF SUCH ACTION OR PROCEEDING IN ANY SUCH COURT.

(d) EACH PARTY HERETO IRREVOCABLY CONSENTS TO SERVICE OF PROCESS IN THE MANNER PROVIDED FOR NOTICES IN SECTION 10.02 OF THE CREDIT AGREEMENT. NOTHING IN THIS IP SECURITY AGREEMENT WILL AFFECT THE RIGHT OF ANY PARTY HERETO TO SERVE PROCESS IN ANY OTHER MANNER PERMITTED BY APPLICABLE LAW.

(e) EACH PARTY TO THIS IP SECURITY AGREEMENT HEREBY EXPRESSLY WAIVES ANY RIGHT TO TRIAL BY JURY OF ANY CLAIM, DEMAND, ACTION OR CAUSE OF ACTION ARISING UNDER THIS IP SECURITY AGREEMENT OR IN ANY WAY CONNECTED WITH OR RELATED OR INCIDENTAL TO THE DEALINGS OF THE PARTIES HERETO OR ANY OF THEM WITH RESPECT TO THIS IP SECURITY AGREEMENT, OR THE TRANSACTIONS RELATED THERETO, IN EACH CASE WHETHER NOW EXISTING OR HEREAFTER ARISING, AND WHETHER FOUNDED IN CONTRACT OR TORT OR OTHERWISE; AND EACH PARTY HEREBY AGREES AND CONSENTS THAT ANY SUCH CLAIM, DEMAND, ACTION OR CAUSE OF ACTION SHALL BE DECIDED BY COURT TRIAL WITHOUT A JURY, AND THAT ANY PARTY TO THIS AGREEMENT MAY FILE AN ORIGINAL COUNTERPART OR A COPY OF THIS SECTION 6(e) WITH ANY COURT AS WRITTEN EVIDENCE OF THE CONSENT OF THE SIGNATORIES HERETO TO THE WAIVER OF THEIR RIGHT TO TRIAL BY JURY.

IN WITNESS WHEREOF, the Grantor and the Collateral Agent have caused this IP Security Agreement to be duly executed and delivered by its officer thereunto duly authorized as of the date first written above.

WHEREAS, under the terms of the Security Agreement, the Grantors have granted to the Collateral Agent, for the benefit of the Secured Parties, a security interest in, among other property, certain intellectual property of the Grantors, and have agreed thereunder to execute this IP Security Agreement for recording with the U.S. Patent and Trademark Office, the United States Copyright Office and any other appropriate U.S. governmental authorities.

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, each Grantor agrees as follows:

SECTION 1. Grant of Security. Each Grantor hereby grants to the Collateral Agent for the benefit of the Secured Parties a security interest in all of such Grantor's right, title and interest in and to the following, whether now owned or hereafter acquired by the undersigned (the "Collateral"):

(i) the patents and patent applications set forth in Schedule A hereto (the "Patents");

(ii) the trademark and service mark registrations and applications set forth in Schedule B hereto (provided that no security interest shall be granted in United States intent-to-use trademark applications to the extent that, and so long as creation of a security interest therein or the assignment thereof would result in the loss of any material rights therein), together with the goodwill symbolized thereby (the "Trademarks");

(iii) all copyrights, whether registered or unregistered, including, without limitation, the copyright registrations and applications and exclusive copyright licenses set forth in Schedule C hereto (the "Copyrights");

(iv) all reissues, divisions, continuations, continuations-in-part, extensions, renewals and reexaminations of any of the foregoing, all rights in the foregoing provided by international treaties or conventions, all rights corresponding thereto throughout the world and all other rights of any kind whatsoever of such Grantor accruing thereunder or pertaining thereto;

(v) any and all claims for damages and injunctive relief for past, present and future infringement, dilution, misappropriation, violation, misuse or breach with respect to any of the foregoing, with the right, but not the obligation, to sue for and collect, or otherwise recover, such damages; and

(vi) any and all proceeds of, collateral for, income, royalties and other payments now or hereafter due and payable with respect to, and supporting obligations relating to, any and all of the Collateral of or arising from any of the foregoing;

provided that notwithstanding anything to the contrary contained in the foregoing clauses (i) through (vi), the security interest created hereby shall not extend to, and the term "Collateral" shall not include, any Excluded Property.

SECTION 2. Security for Obligations. The grant of a security interest in, the Collateral by each Grantor under this IP Security Agreement secures the payment of all Secured Obligations of such Grantor now or hereafter existing under or in respect of the Secured Documents (as such Secured Documents may be amended, amended and restated, supplemented, replaced, refinanced or otherwise modified from time to time (including any increases of the principal amount outstanding thereunder)). Without limiting the generality of the foregoing, this IP Security Agreement secures, as to each Grantor, the payment of all amounts that constitute part of the Secured Obligations that would be owed by such Grantor to any Secured Party under the Secured Documents but for the fact that they are unenforceable or not allowable due to the existence of a bankruptcy, or reorganization or similar proceeding involving a Grantor.

SECTION 3. Recordation. Each Grantor authorizes and requests that the Register of Copyrights, the Commissioner for Patents and the Commissioner for Trademarks and any other applicable U.S. federal government officer record this IP Security Agreement.

SECTION 4. Execution in Counterparts. This IP Security Agreement may be executed in any number of counterparts, each of which when so executed shall be deemed to be an original and all of which taken together shall constitute one and the same agreement.

SECTION 5. Grants, Rights and Remedies. This IP Security Agreement has been entered into in conjunction with the provisions of the Security Agreement. Each Grantor does hereby acknowledge and confirm that the grant of the security interest hereunder to, and the rights and remedies of, the Collateral Agent with respect to the Collateral are more fully set forth in the Security Agreement, the terms and provisions of which are incorporated herein by reference as if fully set forth herein. In the event of any conflict between the terms of this IP Security Agreement and the terms of the Security Agreement, the terms of the Security Agreement shall govern.

SECTION 6. Governing Law; Jurisdiction; Etc. (a) THIS IP SECURITY AGREEMENT SHALL BE GOVERNED BY, AND CONSTRUED IN ACCORDANCE WITH, THE LAW OF THE STATE OF NEW YORK.

(b) EACH PARTY HERETO IRREVOCABLY AND UNCONDITIONALLY SUBMITS, FOR ITSELF AND ITS PROPERTY, TO THE EXCLUSIVE JURISDICTION OF THE COURTS OF THE STATE OF NEW YORK SITTING IN THE STATE, COUNTY AND CITY OF NEW YORK AND OF THE UNITED STATES FOR THE SOUTHERN DISTRICT OF NEW YORK, AND ANY APPELLATE COURT FROM ANY THEREOF, IN ANY ACTION OR PROCEEDING ARISING OUT OF OR RELATING TO THIS IP SECURITY AGREEMENT, AND EACH OF THE PARTIES HERETO IRREVOCABLY AND UNCONDITIONALLY AGREES THAT ALL CLAIMS IN RESPECT OF ANY SUCH ACTION OR PROCEEDING MAY BE HEARD AND DETERMINED IN SUCH NEW YORK STATE COURT OR, TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, IN SUCH FEDERAL COURT. EACH OF THE PARTIES HERETO AGREES THAT A FINAL JUDGMENT IN ANY SUCH ACTION OR PROCEEDING SHALL BE CONCLUSIVE AND MAY BE ENFORCED IN OTHER JURISDICTIONS BY SUIT ON THE JUDGMENT OR IN ANY OTHER MANNER PROVIDED BY LAW. NOTHING IN THIS IP SECURITY AGREEMENT SHALL AFFECT ANY RIGHT THAT ANY SECURED PARTY MAY OTHERWISE HAVE TO BRING ANY ACTION OR PROCEEDING RELATING TO THIS IP SECURITY AGREEMENT AGAINST HOLDINGS, THE ISSUERS OR ANY OTHER GRANTOR OR ITS PROPERTIES IN THE COURTS OF ANY JURISDICTION.

(c) EACH PARTY HERETO IRREVOCABLY AND UNCONDITIONALLY WAIVES, TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, ANY OBJECTION THAT IT MAY NOW OR HEREAFTER HAVE TO THE LAYING OF VENUE OF ANY ACTION OR PROCEEDING ARISING OUT OF OR RELATING TO THIS IP SECURITY AGREEMENT IN ANY COURT REFERRED TO IN PARAGRAPH (b) OF THIS SECTION. EACH OF THE PARTIES HERETO HEREBY IRREVOCABLY WAIVES, TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, THE DEFENSE OF AN INCONVENIENT FORUM TO THE MAINTENANCE OF SUCH ACTION OR PROCEEDING IN ANY SUCH COURT.

(d) EACH PARTY HERETO IRREVOCABLY CONSENTS TO SERVICE OF PROCESS IN THE MANNER PROVIDED FOR NOTICES IN SECTION 12.8 OF THE EURO NOTES INDENTURE. NOTHING IN THIS IP SECURITY AGREEMENT WILL AFFECT THE RIGHT OF ANY PARTY HERETO TO SERVE PROCESS IN ANY OTHER MANNER PERMITTED BY APPLICABLE LAW.

(e) EACH PARTY TO THIS IP SECURITY AGREEMENT HEREBY EXPRESSLY WAIVES ANY RIGHT TO TRIAL BY JURY OF ANY CLAIM, DEMAND, ACTION OR CAUSE OF ACTION ARISING UNDER THIS IP SECURITY AGREEMENT OR IN ANY WAY CONNECTED WITH OR RELATED OR INCIDENTAL TO THE

DEALINGS OF THE PARTIES HERETO OR ANY OF THEM WITH RESPECT TO THIS IP SECURITY AGREEMENT, OR THE TRANSACTIONS RELATED THERETO, IN EACH CASE WHETHER NOW EXISTING OR HEREAFTER ARISING, AND WHETHER FOUNDED IN CONTRACT OR TORT OR OTHERWISE; AND EACH PARTY HEREBY AGREES AND CONSENTS THAT ANY SUCH CLAIM, DEMAND, ACTION OR CAUSE OF ACTION SHALL BE DECIDED BY COURT TRIAL WITHOUT A JURY, AND THAT ANY PARTY TO THIS AGREEMENT MAY FILE AN ORIGINAL COUNTERPART OR A COPY OF THIS SECTION 6(e) WITH ANY COURT AS WRITTEN EVIDENCE OF THE CONSENT OF THE SIGNATORIES HERETO TO THE WAIVER OF THEIR RIGHT TO TRIAL BY JURY.

IN WITNESS WHEREOF, each Grantor and the Collateral Agent have caused this IP Security Agreement to be duly executed and delivered by its officer thereunto duly authorized as of the date first written above.

Terms defined in the Credit Agreement and not otherwise defined in this Guaranty are used in this Guaranty as defined in the Credit Agreement.

WHEREAS, it is a condition precedent to the making of Loans by the Lenders from time to time and the issuance of Letters of Credit by the L/C Issuers from time to time, the entry by the Hedge Banks into Secured Hedge Agreements from time to time and the entry by the Cash Management Banks into Secured Cash Management Agreements from time to time, that each Guarantor shall have executed and delivered this Guaranty.

WHEREAS, each Guarantor will obtain benefits from the incurrence of Loans by the Borrowers and the issuance of, and participation in, Letters of Credit for the account of the Borrowers under the Credit Agreement and the entering into by the Loan Parties of Secured Hedge Agreements and Secured Cash Management Agreements and, accordingly, desires to execute this Guaranty in order to satisfy the condition described in the preceding paragraph and to induce the Lenders to make Loans from time to time, the L/C Issuers to issue Letters of Credit from time to time, the Hedge Banks to enter into Secured Hedge Agreements from time to time and the Cash Management Banks to enter into Secured Cash Management Agreements from time to time;

NOW, THEREFORE, in consideration of the premises, the other benefits accruing to each Guarantor, the receipt and sufficiency of which are hereby acknowledged and each Guarantor hereby makes the following representations and warranties to the Administrative Agent for the benefit of the Secured Parties and each Guarantor, jointly and severally with each other Guarantor, hereby covenants and agrees as follows:

SECTION 1. Guaranty; Limitation of Liability.

(a) Each Guarantor hereby, jointly and severally, absolutely, unconditionally and irrevocably guarantees, as a primary obligor and not merely as a surety, the full and punctual payment when due and performance, whether at scheduled maturity or on any date of a required prepayment or by acceleration, demand or otherwise, of all Obligations of each other Loan Party now or hereafter existing under or in respect of the Loan Documents, any Letter of Credit, any Secured Cash Management Agreement or any Secured Hedge Agreement (the Loan Documents, Letters of Credit, Secured Cash Management Agreements and Secured Hedge Agreements, collectively, the "Secured Documents") (including, without limitation, any extensions, increases, modifications, substitutions, amendments or renewals of any or all of the foregoing Obligations), whether direct or indirect, absolute or contingent, and whether for principal, interest, premiums, fees, indemnities, contract causes of action, costs, expenses or otherwise (such Obligations being the "Guaranteed Obligations"), and agrees to pay any and all expenses (including, without limitation, fees and expenses of counsel) incurred by the Administrative Agent or any other Secured Party in enforcing any rights under this Guaranty or any other Secured Document, to the extent reimbursable under Section 10.04 of the Credit Agreement. Without limiting the generality of the foregoing, each Guarantor's liability shall extend to all amounts that constitute part of the Guaranteed Obligations and would be owed by any other Loan Party to any Secured Party under or in respect of the Secured Documents but for the fact that they are unenforceable or not allowable due to the existence of a bankruptcy, reorganization or similar proceeding involving such other Loan Party.

(b) Each Guarantor that is a Domestic Subsidiary, and by its acceptance of the benefits of this Guaranty, the Administrative Agent and each other Secured Party, hereby confirms that it is the intention of all such Persons that this Guaranty and the obligations of each Guarantor that is a Domestic Subsidiary not constitute a fraudulent transfer or conveyance for purposes of any Debtor Relief Law, the Uniform Fraudulent Conveyance Act, the Uniform Fraudulent Transfer Act or any similar foreign, federal or state law to the extent applicable to such Guarantor that is a Domestic Subsidiary. To effectuate the foregoing intention, by acceptance of the benefits of this Guaranty, the Administrative Agent, the other Secured Parties and the Guarantors hereby irrevocably agree that the obligations of each Guarantor that is a Domestic Subsidiary under this Guaranty at any time shall be limited to the maximum amount as will result in the obligations of such Guarantor that is a Domestic Subsidiary under this Guaranty not constituting a fraudulent transfer or conveyance or subject to avoidance under Debtor Relief Laws or any similar foreign, federal or state law, in each case applicable to such Guarantor that is a Domestic Subsidiary.

(c) Each Guarantor hereby unconditionally and irrevocably agrees that in the event any payment shall be required to be made to any Secured Party under this Guaranty, the Holdings Guaranty or any other guaranty pertaining to the Guaranteed Obligations, such Guarantor will contribute, to the maximum extent permitted by law, such amounts to each other Guarantor, Dutch Holdings and any other guarantor, as applicable, so as to maximize the aggregate amount paid to the Secured Parties under or in respect of the Secured Documents.

(d) Notwithstanding any provisions to the contrary contained in this Guaranty, the obligations and liabilities under this Guaranty of a Guarantor that is a Foreign Subsidiary shall be limited (i) by the applicable local provisions and laws set forth in Schedule I (as may be supplemented pursuant to Section 8 or as otherwise agreed to by the Administrative Agent) with respect to such Guarantor (to the extent such Schedule I includes limitations) and (ii) with respect to any Guarantor that is a Foreign Subsidiary which is incorporated in Germany (each, a "German Guarantor") in relation to such German Guarantor's obligations and liabilities under this Guaranty (including, for the avoidance of doubt, any obligations and liabilities arising under this Guaranty other than this Section 1), to the extent as will be agreed in the Guaranty Supplement to be entered into by the relevant German Guarantors after the date of this Guaranty.

SECTION 2. Guaranty Absolute. Each Guarantor agrees its guarantee constitutes a guarantee of payment when due of the Guaranteed Obligations and not of collection, which will be paid strictly in accordance with the terms of the Secured Documents, regardless of any law, regulation or order now or hereafter in effect in any jurisdiction affecting any of such terms or the rights of any Secured Party with respect thereto. The obligations of each Guarantor under or in respect of this Guaranty are independent of the Guaranteed Obligations or any other Obligations of any other Loan Party under or in respect of the Secured Documents, and a separate action or actions may be brought and prosecuted against any Guarantor to enforce this Guaranty, irrespective of whether any action is brought against any Borrower or any other Loan Party or whether any Borrower or any other Loan Party are joined in any such action or actions. Except as set forth in Section 1(d) above, the liability of each Guarantor under this Guaranty shall be joint and several, irrevocable, absolute and unconditional and shall not be affected or impaired by any circumstance or occurrence whatsoever irrespective of, and each Guarantor hereby irrevocably waives any defenses (other than a defense of payment in full in cash of the Guaranteed Obligations (excluding contingent obligations as to which no claim has been made) or the release of this Guaranty in accordance with any relevant release provisions in the Secured Documents) it may now have or hereafter acquire in any way relating to, any or all of the following:

(i) any lack of validity or enforceability, at any time, of any Secured Document (including this Guaranty) or any agreement or instrument relating thereto;

(ii) any change in the time, manner or place of payment of, or in any other term of, all or any of the Guaranteed Obligations or any other Obligations of any other Loan Party under or in respect of the Secured Documents, or any other amendment or waiver of or any consent to departure from any Secured Document, including, without limitation, any increase in the Guaranteed Obligations resulting from the extension of additional credit to any Loan Party or any of its Subsidiaries or otherwise;

(iii) any taking, exchange, impairment, release or non-perfection of any Collateral or any other collateral, or any taking, release or amendment or waiver of, or consent to departure from, any other guaranty, for all or any of the Guaranteed Obligations;

(iv) any manner of application of Collateral or any other collateral, or proceeds thereof, to all or any of the Guaranteed Obligations, or any manner of sale or other disposition of any Collateral or any other collateral for all or any of the Guaranteed Obligations or any other Obligations of any Loan Party under the Secured Documents or any other assets of any Loan Party or any of its Subsidiaries;

(v) any change, restructuring or termination of the corporate structure or existence of any Loan Party or any of its Subsidiaries;

(vi) any failure of any Secured Party to disclose to any Loan Party any information relating to the business, condition (financial or otherwise), operations, performance, properties or prospects of any other Loan Party now or hereafter known to such Secured Party;

(vii) the failure of any other Person to execute or deliver this Guaranty, any Guaranty Supplement (as hereinafter defined) or any other guaranty or agreement or the release or reduction of liability of any Guarantor or any other guarantor or surety with respect to the Guaranteed Obligations;

(viii) any rescission, waiver, amendment or modification of, or any release from any of the terms or provisions of, any Loan Document or any other agreement, including with respect to any other Guarantor under this Agreement;

(ix) any payment made to any secured creditor on the Indebtedness which any Secured Party repays any Borrower or any other Secured Party pursuant to court order in any bankruptcy, reorganization, arrangement, moratorium or other debtor relief proceeding, and each Guarantor waives any right to the deferral or modification of its obligations hereunder by reason of any such proceeding;

(x) any invalidity, rescission, irregularity or unenforceability of all or any part of the Guaranteed Obligations or of any security therefor; or

(xi) any other circumstance (including, without limitation, any statute of limitations), any act or omission, or any existence of or reliance on any representation by any Secured Party that might otherwise constitute a defense available to, or a discharge of, any Loan Party or any other guarantor or surety.

This Guaranty shall continue to be effective or be reinstated, as the case may be, if at any time any payment or any part thereof, of any of the Guaranteed Obligations is rescinded or must otherwise be returned by any Secured Party or any other Person upon the insolvency, bankruptcy or reorganization (or any analogous proceeding in any jurisdiction) of any Borrower or any other Loan Party or otherwise, all as though such payment had not been made. For the avoidance of doubt this paragraph shall survive the termination of this Guaranty.

SECTION 3. Waivers and Acknowledgments.

(a) Each Guarantor hereby unconditionally and irrevocably waives promptness, diligence, notice of acceptance, presentment, demand for performance, notice of nonperformance, default, acceleration, protest or dishonor and any other notice with respect to any of the Guaranteed Obligations and this Guaranty and any requirement that any Secured Party protect, secure, perfect or insure any Lien or any property subject thereto or exhaust any right or take any action against any Loan Party or any other Person or any Collateral.

(b) Each Guarantor hereby unconditionally and irrevocably waives any right to revoke this Guaranty and acknowledges that this Guaranty is continuing in nature (in accordance with the terms hereof) and applies to all Guaranteed Obligations, whether existing now or in the future.

(c) Each Guarantor hereby unconditionally and irrevocably waives (i) any defense arising by reason of any claim or defense based upon an election of remedies by any Secured Party that in any manner impairs, reduces, limits, releases or otherwise adversely affects the subrogation, reimbursement, exoneration, contribution or indemnification rights of such Guarantor, (ii) any defense based on any right of set-off or counterclaim against or in respect of the Obligations of such Guarantor hereunder, (iii) any right to proceed against any Borrower, any other Guarantor, any other guarantor of the Guaranteed Obligations or any other party and (iv) any right to proceed against or exhaust any security held from any Borrower, any other Guarantor, any other guarantor of the Guaranteed Obligations or any other party.

(d) Each Guarantor acknowledges that the Administrative Agent may, in accordance with the Loan Documents, without notice to or demand upon such Guarantor and without affecting the liability of such Guarantor under this Guaranty, foreclose under any mortgage or any collateral serving as security held by the Administrative Agent or Collateral Agent by nonjudicial sale, and each Guarantor hereby waives any defense to the recovery by the Administrative Agent and the other Secured Parties against such Guarantor of any deficiency after such nonjudicial sale and any defense or benefits that may be afforded by applicable laws.

(e) Each Guarantor hereby unconditionally and irrevocably waives any duty on the part of any Secured Party to disclose to such Guarantor any matter, fact or thing relating to the business, condition (financial or otherwise), operations, performance, properties or prospects of any other Loan Party or any of their respective Subsidiaries now or hereafter known by such Secured Party. Each Guarantor acknowledges that the Secured Parties shall have no obligation to investigate the financial condition or affairs of any Borrower or any other Loan Party or any of their respective Subsidiaries.

(f) Each Guarantor hereby unconditionally and irrevocably waives any right (i) to require the Administrative Agent or any of the Secured Parties to first proceed against, initiate any actions before a court or any other judge or authority, or enforce any other rights or security or claim payment from the Borrowers or any other person, before claiming any amounts due from the Guarantor hereunder; (ii) to which it may be entitled to have the assets of the Borrowers or any other person first be used, applied or depleted as payment of the Borrowers' obligations hereunder, prior to any amount being claimed from or paid by the Guarantor hereunder; and (iii) to which it may be entitled to have claims against it, or assets to be used or applied as payment, divided between the Borrowers and the Guarantor (including other Guarantors).

(g) Each Guarantor acknowledges that it will receive substantial direct and indirect benefits from the financing arrangements contemplated by the Secured Documents and that the waivers set forth in Section 2 and this Section 3 are knowingly made in contemplation of such benefits and with full knowledge of its significance and consequences and that if any of such waivers are determined to be contrary to any applicable law or public policy, such waivers shall be effective only to the maximum extent permitted by applicable law.

(h) Each Guarantor confirms that it is aware of the content of the Credit Agreement, in particular of Schedule 1.16 thereto, and acknowledges and agrees that this Guaranty and any and all of its obligations under the Secured Documents shall be subject in all respects to the provisions set forth in Schedule 1.16 to the Credit Agreement as such provisions relate to and are applicable to such Guarantor (in any capacity).

SECTION 4. Subrogation. Each Guarantor hereby unconditionally and irrevocably agrees not to exercise any rights that it may now have or hereafter acquire against any Borrower, any other Loan Party or any other insider guarantor that arise from the existence, payment, performance or enforcement of such Guarantor's obligations under or in respect of this Guaranty or any other Secured Document, including, without limitation, any right of subrogation, reimbursement, exoneration, contribution or indemnification and any right to participate in any claim or remedy of any Secured Party against any Borrower, any other Loan Party or any other insider guarantor or any Collateral, whether or not such claim, remedy or right arises in equity or under contract, statute or common law, including, without limitation, the right to take or receive from any Borrower, any other Loan Party or any other insider guarantor, directly or indirectly, in cash or other property or by set-off or in any other manner, payment or security on account of such claim, remedy or right, unless and until all of the Guaranteed Obligations and all other amounts payable under this Guaranty shall have been paid in full in cash (other than contingent indemnification

obligations as to which no claim has been asserted and obligations and liabilities under Secured Cash Management Agreements and Secured Hedge Agreements as to which arrangements satisfactory to the applicable Cash Management Bank or Hedge Bank shall have been made), the expiration or termination of all Letters of Credit (other than Letters of Credit which have been Cash Collateralized or arrangements satisfactory to the L/C Issuer that issued such Letters of Credit shall have been made) and the expiration or termination of all Commitments. If any amount shall be paid to any Guarantor in violation of the immediately preceding sentence at any time prior to the later of (a) the termination of the Aggregate Commitments and the payment in full in cash of the Guaranteed Obligations and all other amounts (other than contingent indemnification obligations as to which no claim has been asserted and obligations and liabilities under Secured Cash Management Agreements and Secured Hedge Agreements as to which arrangements satisfactory to the applicable Cash Management Bank or Hedge Bank shall have been made) payable under this Guaranty and (b) the latest date of expiration or termination of all Letters of Credit (other than Letters of Credit which have been Cash Collateralized or arrangements satisfactory to the L/C Issuer that issued such Letters of Credit shall have been made), such amount shall be received and held in trust for the benefit of the Secured Parties, shall be segregated from other property and funds of such Guarantor and shall forthwith be paid or delivered to the Administrative Agent in the same form as so received (with any necessary endorsement or assignment) to be credited and applied to the Guaranteed Obligations and all other amounts payable under this Guaranty, whether matured or unmatured, in accordance with the terms of the Secured Documents, or to be held as Collateral for any Guaranteed Obligations or other amounts payable under this Guaranty thereafter arising. If (i) any Guarantor shall make payment to any Secured Party of all or any part of the Guaranteed Obligations, (ii) the Aggregate Commitments shall have been terminated and all of the Guaranteed Obligations and all other amounts (other than contingent indemnification obligations as to which no claim has been asserted and obligations and liabilities under Secured Cash Management Agreements and Secured Hedge Agreements as to which arrangements satisfactory to the applicable Cash Management Bank or Hedge Bank shall have been made) payable under this Guaranty shall have been paid in full in cash and (iii) all Letters of Credit (other than Letters of Credit which have been Cash Collateralized or arrangements satisfactory to the L/C Issuer that issued such Letters of Credit shall have been made) shall have expired or been terminated, the Secured Parties will, at such Guarantor's request and expense, execute and deliver to such Guarantor appropriate documents, without recourse and without representation or warranty of any kind (either express or implied), necessary to evidence the transfer by subrogation to such Guarantor of an interest in the Guaranteed Obligations resulting from such payment made by such Guarantor pursuant to this Guaranty.

SECTION 5. Payments Free and Clear of Taxes, Etc.

(a) Any and all payments by any Guarantor under this Guaranty or any other Loan Document shall be made, in accordance with the terms of the Credit Agreement, without setoff, counterclaim or other defense, free and clear of and without deduction for any and all present or future Taxes. The provisions of Section 3.01 of the Credit Agreement are hereby incorporated by reference and each Guarantor agrees to be bound by such provisions as if such provisions were set forth in full herein, provided that each reference therein to the "Borrowers" shall be deemed to be a reference to the "Guarantors" hereunder.

(b) Each Guarantor's obligations hereunder to make payments in the respective applicable currency (such applicable currency being herein called the "Obligation Currency") shall not be discharged or satisfied by any tender or recovery pursuant to any judgment expressed in or converted into any currency other than the Obligation Currency, except to the extent that such tender or recovery results in the effective receipt by the Administrative Agent, the Collateral Agent or the respective other Secured Party of the full amount of the Obligation Currency expressed to be payable to the Administrative Agent,

the Collateral Agent or such other Secured Party under this Guaranty or the other Loan Documents or any Secured Hedge Agreement, as applicable. If for the purpose of obtaining or enforcing judgment against any Guarantor in any court or in any jurisdiction, it becomes necessary to convert into or from any currency other than the Obligation Currency (such other currency being hereinafter referred to as the "Judgment Currency") an amount due in the Obligation Currency, the conversion shall be made in a manner consistent with Section 10.24 of the Credit Agreement as determined on the date immediately preceding the day on which the judgment is given (such day being hereinafter referred to as the "Judgment Currency Conversion Date").

(c) If there is a change in the rate of exchange prevailing between the Judgment Currency Conversion Date and the date of actual payment of the amount due, the Guarantors jointly and severally covenant and agree to pay, or cause to be paid, such additional amounts, if any (but in any event not a lesser amount), as may be necessary to ensure that the amount paid in the Judgment Currency, when converted at the rate of exchange prevailing on the date of payment, will produce the amount of the Obligation Currency which could have been purchased with the amount of Judgment Currency stipulated in the judgment or judicial award at the rate of exchange prevailing on the Judgment Currency Conversion Date. If the amount of the Judgment Currency actually paid is greater than the sum originally due to the Administrative Agent in the Obligation Currency, the Administrative Agent agrees to return the amount of any excess to the Borrowers (or to any other Person who may be entitled thereto under applicable Law).

For purposes of determining the rate of exchange for this Section 5, such amounts shall include any premium and costs payable in connection with the purchase of the Obligation Currency.

SECTION 6. Representations and Warranties. Each Guarantor hereby makes each representation and warranty made in the Loan Documents by the Borrowers with respect to the Guarantors and each Guarantor hereby further represents and warrants as follows:

(a) there are no conditions precedent to the effectiveness of this Guaranty that have not been satisfied or waived; and

(b) each Guarantor has, independently and without reliance upon any Secured Party and based on such documents and information as it has deemed appropriate, made its own credit analysis and decision to enter into this Guaranty and each other Secured Document to which it is or is to be a party, and each Guarantor has established adequate means of obtaining from each other Loan Party on a continuing basis information pertaining to, and is now and on a continuing basis will be completely familiar with, the business, condition (financial or otherwise), operations, performance, properties and prospects of such other Loan Party.

SECTION 7. Covenants. Each Guarantor covenants and agrees that unless and until all of the Guaranteed Obligations and all other amounts payable under this Guaranty shall have been paid in full in cash (other than contingent indemnification obligations as to which no claim has been asserted and obligations and liabilities under Secured Cash Management Agreements and Secured Hedge Agreements as to which arrangements satisfactory to the applicable Cash Management Bank or Hedge Bank shall have been made), the expiration or termination of all Letters of Credit (other than Letters of Credit which have been Cash Collateralized or arrangements satisfactory to the L/C Issuer that issued such Letters of Credit shall have been made) and the expiration or termination of all Commitments, such Guarantor will perform and observe, and cause each of their respective Restricted Subsidiaries to perform and observe, all of the terms, covenants and agreements set forth in the Loan Documents applicable to such Guarantor on its or their part to be performed or observed or that the Borrowers have agreed to cause such Guarantor or such Restricted Subsidiaries to perform or observe.

SECTION 8. Amendments, Guaranty Supplements, Etc. Subject to Section 10.01 of the Credit Agreement, no amendment or waiver of any provision of this Guaranty and no consent to any departure by any Guarantor therefrom shall in any event be effective unless the same shall be in writing and signed by the Administrative Agent (at the direction of the Required Lenders) and the Guarantors, and then such waiver or consent shall be effective only in the specific instance and for the specific purpose for which given. Upon a Guarantor becoming an Unrestricted Subsidiary or Immaterial Subsidiary, or ceasing to be a Restricted Subsidiary, in each case as a result of a transaction permitted under the Loan Documents, such Guarantor shall be released from this Guaranty in accordance with the provisions of Section 9.11 of the Credit Agreement.

It is understood and agreed that any Subsidiary of Holdings that is required to execute a counterpart of this Guaranty after the date hereof pursuant to the Credit Agreement shall upon the execution and delivery by any Person of a guaranty supplement in substantially the form of Exhibit A hereto (each, a "Guaranty Supplement"), (i) such Person shall be referred to as an "Additional Guarantor" and shall become and be a Guarantor hereunder, and each reference in this Guaranty to a "Guarantor" shall also mean and be a reference to such Additional Guarantor, and each reference in any other Loan Document to a "Subsidiary Guarantor" shall also mean and be a reference to such Additional Guarantor, (ii) each reference herein to "this Guaranty," "hereunder," "hereof" or words of like import referring to this Guaranty, and each reference in any other Loan Document to the "Subsidiary Guaranty," "thereunder," "thereof" or words of like import referring to this Guaranty, shall mean and be a reference to this Guaranty as supplemented by such Guaranty Supplement and (iii) if such Person is a Foreign Subsidiary, to the extent required pursuant to the jurisdiction of organization of such Foreign Subsidiary, include supplements to Schedule I hereto (and Schedule I shall be deemed to be supplemented to reflect any such supplements to such Schedule I contained in such Guaranty Supplement).

SECTION 9. Notices, Etc. All notices and other communications provided for hereunder shall be in writing (including telegraphic, telecopy or telex communication or facsimile transmission) and mailed, telegraphed, telecopied, telexed, faxed or delivered as follows: if to any Guarantor, addressed to it in care of each Borrower at its address specified in Section 10.02 of the Credit Agreement; if to any Agent or any Lender, at its address specified in Section 10.02 of the Credit Agreement; if to any Hedge Bank, at its address specified in the Secured Hedge Agreement to which it is a party; if to any Cash Management Bank, at its address specified in the Secured Cash Management Agreement to which it is a party; or at such other address as shall be designated by the recipient in a written notice to each other party. All such notices and other communications shall be deemed to be given or made at such time as shall be set forth in Section 10.02 of the Credit Agreement.

SECTION 10. No Waiver; Remedies. No failure on the part of any Secured Party to exercise, and no delay in exercising, any right hereunder shall operate as a waiver thereof; nor shall any single or partial exercise of any right hereunder preclude any other or further exercise thereof or the exercise of any other right. The remedies herein provided are cumulative and not exclusive of any remedies provided by law.

SECTION 11. Right of Set-off. Upon (a) the occurrence and during the continuance of any Event of Default and (b) the making of the request or the granting of the consent specified by Section 8.02 of the Credit Agreement to authorize the Administrative Agent to declare the Loans immediately due and payable pursuant to the provisions of said Section 8.02, each Agent and each Lender is hereby authorized at any time and from time to time, to the fullest extent permitted by law, to set off and apply

any and all deposits (general or special, time or demand, provisional or final) at any time held and other indebtedness at any time owing by such Agent or such Lender, other than deposits held in "Exempt Deposit Accounts" (as such term is defined in the Security Agreement), to or for the credit or the account of any Guarantor against any and all of the Obligations of such Guarantor now or hereafter existing under the Secured Documents, irrespective of whether such Agent or such Lender shall have made any demand under this Guaranty or any other Secured Document and although such Obligations may be contingent or unmatured or denominated in a currency different from that of the applicable deposit or indebtedness. Each Lender agrees promptly to notify the Borrowers and the Administrative Agent after any such set-off and application made by such Lender; provided that the failure to give such notice shall not affect the validity of such set-off and application. The rights of each Agent and each Lender under this Section 11 are in addition to other rights and remedies (including, without limitation, other rights of set-off) that such Agent and such Lender may have. This Section 11 is subject to the terms and conditions set forth in Section 10.09 of the Credit Agreement.

SECTION 12. Continuing Guaranty; Assignments under the Credit Agreement. This Guaranty is a continuing guaranty and shall (a) remain in full force and effect until the later of (i) the termination of the Aggregate Commitments and the payment in full in cash of the Guaranteed Obligations and all other amounts (other than contingent indemnification obligations as to which no claim has been asserted and obligations and liabilities under Secured Cash Management Agreements and Secured Hedge Agreements as to which arrangements satisfactory to the applicable Cash Management Bank or Hedge Bank shall have been made) payable under this Guaranty and the Lenders have no further commitment to lend under the Credit Agreement and (ii) the latest date of expiration or termination of all Letters of Credit (other than Letters of Credit which have been Cash Collateralized or arrangements satisfactory to the L/C Issuer that issued such Letters of Credit shall have been made), (b) be binding upon each Guarantor, its successors and assigns and (c) bind and inure to the benefit of and be enforceable by the Secured Parties and their permitted successors, permitted transferees and permitted assigns. Without limiting the generality of clause (c) of the immediately preceding sentence, any Secured Party may assign or otherwise transfer all or any portion of its rights and obligations under the Credit Agreement (including, without limitation, all or any portion of its Commitments, the Loans owing to it and the Note or Notes held by it) to any other Person in accordance with Section 10.07 of the Credit Agreement, and such other Person shall thereupon become vested with all the benefits in respect thereof granted to such Secured Party herein or otherwise, in each case as and to the extent provided in Section 10.07 of the Credit Agreement. No Guarantor shall have the right to assign its rights hereunder or any interest herein without the prior written consent of the Secured Parties, other than pursuant to a transaction permitted by the Credit Agreement and consummated in accordance with the terms and conditions contained therein.

SECTION 13. Fees and Expenses; Indemnification.

(a) Each Guarantor, jointly and severally, agrees to reimburse the Administrative Agent for its fees and expenses incurred hereunder to the extent provided in Section 10.04 of the Credit Agreement; provided that each reference therein to the "Borrowers" shall be deemed to be a reference to the "Guarantors."

(b) Without limitation of any other Obligations of any Guarantor or remedies of the Secured Parties under this Guaranty, each Guarantor shall, to the fullest extent permitted by applicable law, indemnify, defend and save and hold harmless each Indemnitee from and against, and shall pay as and when incurred, any and all liabilities, obligations, losses, damages, penalties, claims, demands, actions, judgments, suits, costs (including settlement costs), disbursements, and reasonable and documented or invoiced out-of-pocket fees and expenses (including the fees, disbursements and other charges of (i) one counsel to the Indemnitees taken as a whole, (ii) in the case of an actual or perceived conflict of interest,

where the Indemnitee affected by such conflict informs the Borrowers of such conflict and thereafter retains its own counsel, of another firm of counsel for each such affected Indemnitee and (iii) if necessary, one local counsel in each relevant jurisdiction (which may include a single special counsel acting in multiple jurisdictions) and special counsel for each relevant specialty) of any kind or nature whatsoever which may at any time be imposed on, incurred by or asserted or awarded against any such Indemnitee in any way relating to or arising out of or in connection with or as a result of any failure of any Guaranteed Obligations to be the legal, valid, binding obligations of any Loan Party enforceable against such Loan Party in accordance with its terms.

(c) Any such amounts payable as provided hereunder shall be additional Guaranteed Obligations guaranteed hereby and secured by the Collateral Documents. The provisions of this Section 13 shall remain operative and in full force and effect regardless of the termination of this Agreement, any other Loan Document, any Letter of Credit, any Secured Hedge Agreement or any Secured Cash Management Agreement, the consummation of the transactions contemplated hereby, the repayment of any of the other Guaranteed Obligations, the invalidity or unenforceability of any term or provision of this Agreement or any other Loan Document or any document governing any of the Obligations arising under any Secured Hedge Agreements or any Secured Cash Management Agreement, any resignation of the Administrative Agent or the Collateral Agent or any investigation made by or on behalf of the Administrative Agent or any other Secured Party. All amounts due under this Section 13 shall be payable within twenty (20) Business Days after written demand therefor.

SECTION 14. Subordination. Each Guarantor hereby subordinates any and all debts, liabilities and other obligations now or hereafter owing to such Guarantor by each other Loan Party (the "Subordinated Obligations") to the Guaranteed Obligations to the extent and in the manner hereinafter set forth in this Section 14:

(i) Prohibited Payments, Etc. Except as otherwise set forth in this Section 14(a), a Guarantor may receive regularly scheduled payments from any other Loan Party on account of the Subordinated Obligations. After the occurrence and during the continuance of any Event of Default under Sections 8.01(a), (b) (solely with respect to Section 7.11), (f) or (g) of the Credit Agreement (including the commencement and continuation of any proceeding under any Debtor Relief Law relating to any other Loan Party), unless the Administrative Agent otherwise agrees, no Guarantor shall demand, accept or take any action to collect any payment on account of the Subordinated Obligations. After the occurrence and during the continuance of any Event of Default not described in the preceding sentence, upon notice from the Administrative Agent, no Guarantor shall demand, accept or take any action to collect any payment on account of the Subordinated Obligations.

(ii) Prior Payment of Guaranteed Obligations. In any proceeding under any Debtor Relief Law relating to any other Loan Party, each Guarantor agrees that the Secured Parties shall be entitled to receive payment in full in cash of all Guaranteed Obligations (including all interest and expenses accruing after the commencement of a proceeding under any Debtor Relief Law, whether or not constituting an allowed claim in such proceeding ("Post Petition Interest")) before such Guarantor receives payment of any Subordinated Obligations.

(iii) Turn-Over. After the occurrence and during the continuance of any Event of Default (including the commencement and continuation of any proceeding under any Debtor Relief Law relating to any other Loan Party), each Guarantor shall, if the Administrative Agent so requests, collect, enforce and receive payments on account of the Subordinated Obligations as trustee for the Secured Parties and deliver such payments to the Administrative Agent on account of

the Guaranteed Obligations (including all Post Petition Interest), together with any necessary endorsements or other instruments of transfer, but without reducing or affecting in any manner the liability of such Guarantor under the other provisions of this Guaranty.

(iv) Administrative Agent Authorization. After the occurrence and during the continuance of any Event of Default (including the commencement and continuation of any proceeding under any Debtor Relief Law relating to any other Loan Party) the Administrative Agent is authorized and empowered (but without any obligation to do so), in its discretion, (i) in the name of each Guarantor, to collect and enforce, and to submit claims in respect of, Subordinated Obligations and to apply any amounts received thereon to the Guaranteed Obligations (including any and all Post Petition Interest), and (ii) to require each Guarantor (A) to collect and enforce, and to submit claims in respect of, Subordinated Obligations and (B) to pay any amounts received on such obligations to the Administrative Agent for application to the Guaranteed Obligations (including any and all Post Petition Interest). Each of the Guarantors hereby relieves the Administrative Agent from the restrictions pursuant to section 181 of the German Civil Code (*Bürgerliches Gesetzbuch*) and similar restrictions applicable to it pursuant to any other applicable law, to the extent legally permitted.

SECTION 15. Right of Contribution.

(a) Each Guarantor agrees that to the extent that any Guarantor shall have paid more than its proportionate share of any payment made hereunder in respect of any Guaranteed Obligation of any other Guarantor, such Guarantor shall be entitled to seek and receive contribution from and against any other Guarantor which has not paid its proportionate share of such payment.

(b) Each Guarantor's right of contribution under this Section 15 shall be subject to the terms and conditions of Section 4. The provisions of this Section 15 shall in no respect limit the obligations and liabilities of the Borrowers or any Guarantor to the Administrative Agent and the Secured Parties, and each Guarantor shall remain liable to the Administrative Agent and the Secured Parties for the full amount guaranteed by such Guarantor hereunder. Each Guarantor agrees to contribute, to the maximum extent permitted by law, such amounts to each other Guarantor so as to maximize the aggregate amount paid to the Secured Parties under or in respect of the Loan Documents.

SECTION 16. Execution in Counterparts. This Guaranty and each amendment, waiver and consent with respect hereto may be executed in any number of counterparts and by different parties thereto in separate counterparts, each of which when so executed shall be deemed to be an original and all of which taken together shall constitute one and the same agreement. Delivery of an executed counterpart of a signature page to this Guaranty and each amendment, waiver and consent with respect hereto by telecopier or other electronic transmission shall be effective as delivery of an original executed counterpart thereof.

SECTION 17. Governing Law; Jurisdiction; Waiver of Jury Trial, Etc.

(a) THIS GUARANTY SHALL BE GOVERNED BY, AND CONSTRUED IN ACCORDANCE WITH, THE LAW OF THE STATE OF NEW YORK WITHOUT GIVING EFFECT TO THE CONFLICTS OF LAWS PRINCIPLES THEREOF, BUT INCLUDING SECTION 5-1401 OF THE NEW YORK GENERAL OBLIGATIONS LAW.

(b) EACH GUARANTOR, AND BY ITS ACCEPTANCE OF THE BENEFITS OF THIS GUARANTY, THE ADMINISTRATIVE AGENT AND EACH SECURED PARTY, IRREVOCABLY

AND UNCONDITIONALLY SUBMITS, FOR ITSELF AND ITS PROPERTY, TO THE EXCLUSIVE JURISDICTION OF THE COURTS OF THE STATE OF NEW YORK SITTING IN THE STATE, COUNTY AND CITY OF NEW YORK SITTING IN THE BOROUGH OF MANHATTAN AND OF THE UNITED STATES FOR THE SOUTHERN DISTRICT OF NEW YORK SITTING IN THE BOROUGH OF MANHATTAN, AND ANY APPELLATE COURT FROM ANY THEREOF, IN ANY ACTION OR PROCEEDING ARISING OUT OF OR RELATING TO THIS GUARANTY OR ANY OTHER LOAN DOCUMENT (OTHER THAN WITH RESPECT TO ANY COLLATERAL DOCUMENTS TO THE EXTENT EXPRESSLY PROVIDED THEREIN), AND EACH GUARANTOR, AND BY ITS ACCEPTANCE OF THE BENEFITS OF THIS GUARANTY, THE ADMINISTRATIVE AGENT AND EACH SECURED PARTY, IRREVOCABLY AND UNCONDITIONALLY AGREES THAT ALL CLAIMS IN RESPECT OF ANY SUCH ACTION OR PROCEEDING MAY BE HEARD AND DETERMINED IN SUCH NEW YORK STATE COURT OR, TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, IN SUCH FEDERAL COURT. EACH GUARANTOR, AND BY ITS ACCEPTANCE OF THE BENEFITS OF THIS GUARANTY, THE ADMINISTRATIVE AGENT AND EACH SECURED PARTY, AGREES THAT A FINAL JUDGMENT IN ANY SUCH ACTION OR PROCEEDING SHALL BE CONCLUSIVE AND MAY BE ENFORCED IN OTHER JURISDICTIONS BY SUIT ON THE JUDGMENT OR IN ANY OTHER MANNER PROVIDED BY LAW.

(c) EACH GUARANTOR, AND BY ITS ACCEPTANCE OF THE BENEFITS OF THIS GUARANTY, THE ADMINISTRATIVE AGENT AND EACH SECURED PARTY, IRREVOCABLY AND UNCONDITIONALLY WAIVES, TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, ANY OBJECTION THAT IT MAY NOW OR HEREAFTER HAVE TO THE LAYING OF VENUE OF ANY ACTION OR PROCEEDING ARISING OUT OF OR RELATING TO THIS GUARANTY OR ANY OTHER LOAN DOCUMENT (OTHER THAN WITH RESPECT TO ANY COLLATERAL DOCUMENTS TO THE EXTENT EXPRESSLY PROVIDED THEREIN) IN ANY COURT REFERRED TO IN PARAGRAPH (b) OF THIS SECTION. EACH GUARANTOR, AND BY ITS ACCEPTANCE OF THIS GUARANTY, THE ADMINISTRATIVE AGENT AND EACH SECURED PARTY, HEREBY IRREVOCABLY WAIVES, TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, THE DEFENSE OF AN INCONVENIENT FORUM TO THE MAINTENANCE OF SUCH ACTION OR PROCEEDING IN ANY SUCH COURT.

(d) EACH GUARANTOR, AND BY ITS ACCEPTANCE OF THE BENEFITS OF THIS GUARANTY, THE ADMINISTRATIVE AGENT AND EACH SECURED PARTY, IRREVOCABLY CONSENTS TO SERVICE OF PROCESS IN THE MANNER PROVIDED FOR NOTICES IN SECTION 9 OF THIS GUARANTY. NOTHING IN THIS GUARANTY WILL AFFECT THE RIGHT OF ANY GUARANTOR, THE ADMINISTRATIVE AGENT OR ANY SECURED PARTY TO SERVE PROCESS IN ANY OTHER MANNER PERMITTED BY APPLICABLE LAW. WITHOUT LIMITING THE OTHER PROVISIONS OF THIS SECTION 17(D) AND IN ADDITION TO THE SERVICE OF PROCESS PROVIDED FOR HEREIN, EACH GUARANTOR THAT IS A FOREIGN SUBSIDIARY HEREBY IRREVOCABLY DESIGNATES, APPOINTS AND EMPOWERS THE U.S. BORROWER (AND THE U.S. BORROWER HEREBY IRREVOCABLY ACCEPTS SUCH APPOINTMENT), AS ITS AUTHORIZED DESIGNEE, APPOINTEE AND AGENT TO RECEIVE, ACCEPT AND ACKNOWLEDGE FOR AND ON ITS BEHALF, AND IN RESPECT OF ITS PROPERTY, SERVICE OF ANY AND ALL LEGAL PROCESS, SUMMONS, NOTICES AND DOCUMENTS WHICH MAY BE SERVED IN ANY SUCH ACTION OR PROCEEDING. IF FOR ANY REASON THE U.S. BORROWER SHALL CEASE TO BE AVAILABLE TO ACT AS SUCH, SUCH FOREIGN SUBSIDIARY AGREES TO PROMPTLY DESIGNATE A NEW AUTHORIZED DESIGNEE, APPOINTEE AND AGENT IN NEW YORK CITY ON THE TERMS AND FOR THE PURPOSES OF THIS PROVISION REASONABLY SATISFACTORY TO THE ADMINISTRATIVE AGENT UNDER THIS AGREEMENT.

(e) EACH GUARANTOR, AND BY ITS ACCEPTANCE OF THE BENEFITS OF THIS GUARANTY, THE ADMINISTRATIVE AGENT AND EACH SECURED PARTY, HEREBY EXPRESSLY WAIVES ANY RIGHT TO TRIAL BY JURY OF ANY CLAIM, DEMAND, ACTION OR CAUSE OF ACTION ARISING UNDER THIS GUARANTY OR IN ANY WAY CONNECTED WITH OR RELATED OR INCIDENTAL TO THE DEALINGS WITH RESPECT TO THIS GUARANTY, OR THE TRANSACTIONS RELATED THERETO, IN EACH CASE WHETHER NOW EXISTING OR HEREAFTER ARISING, AND WHETHER FOUNDED IN CONTRACT OR TORT OR OTHERWISE; AND EACH GUARANTOR, AND BY ITS ACCEPTANCE OF THIS GUARANTY, THE ADMINISTRATIVE AGENT AND EACH SECURED PARTY, HEREBY AGREES AND CONSENTS THAT ANY SUCH CLAIM, DEMAND, ACTION OR CAUSE OF ACTION SHALL BE DECIDED BY COURT TRIAL WITHOUT A JURY, AND THAT ANY SECURED PARTY MAY FILE AN ORIGINAL COUNTERPART OR A COPY OF THIS SECTION 17(e) WITH ANY COURT AS WRITTEN EVIDENCE OF THE CONSENT OF SUCH GUARANTOR, THE ADMINISTRATIVE AGENT AND EACH SECURED PARTY TO THE WAIVER OF ITS RIGHT TO TRIAL BY JURY.

SECTION 18. Severability. If any provision of this Guaranty is held to be illegal, invalid or unenforceable, (a) the legality, validity and enforceability of the remaining provisions of this Guaranty shall not be affected or impaired thereby and (b) the parties shall endeavour in good faith negotiations to replace the illegal, invalid or unenforceable provisions with valid provisions the economic effect of which comes as close as possible to that of the illegal, invalid or unenforceable provisions. The invalidity of a provision in a particular jurisdiction shall not invalidate or render unenforceable such provision in any other jurisdiction.

SECTION 19. Headings. Article and Section headings and the Table of Contents used herein are for convenience of reference only, are not part of this Guaranty and are not to affect the construction of, or to be taken into consideration in interpreting, this Guaranty.

SECTION 20. Guaranty Enforceable by Administrative Agent or Collateral Agent. Notwithstanding anything to the contrary contained elsewhere in this Guaranty, the Secured Parties agree (by their acceptance of the benefits of this Guaranty) that this Guaranty may be enforced only by the action of the Administrative Agent or the Collateral Agent, in each case acting upon the instructions of the Required Lenders and that no other Secured Party shall have any right individually to seek to enforce or to enforce this Guaranty or to realize upon the security to be granted by the Collateral Documents, it being understood and agreed that such rights and remedies may be exercised by the Administrative Agent or the Collateral Agent. The Secured Parties further agree that this Guaranty may not be enforced against any director, officer, employee, partner, member or stockholder of any Guarantor (except to the extent such partner, member or stockholder is also a Guarantor hereunder).

[Remainder of page left intentionally blank]

IN WITNESS WHEREOF, each Guarantor has caused this Subsidiary Guaranty to be duly executed and delivered by its officer thereunto duly authorized as of the date first above written.

HOLDINGS GUARANTY

HOLDINGS GUARANTY dated as of February 1, 2013 (as amended, modified, restated and/or supplemented from time to time, this "Guaranty") between FLASH DUTCH 1 B.V., a private limited liability company (*besloten vennootschap met beperkte aansprakelijkheid*) organized and established under the laws of the Netherlands, having its corporate seat in Amsterdam, the Netherlands, registered with the Trade Register of the Netherlands under number 55947107 (the "Guarantor"), and BARCLAYS BANK PLC, as administrative agent (in such capacity together with any successor administrative agent, the "Administrative Agent") for the benefit of the Secured Parties (as defined in the Credit Agreement referred to below).

PRELIMINARY STATEMENT

Reference is made to that certain Credit Agreement dated as of February 1, 2013 (as amended, amended and restated, supplemented or otherwise modified from time to time, the "Credit Agreement"), among the Guarantor, Flash Dutch 2 B.V., a private limited liability company (*besloten vennootschap met beperkte aansprakelijkheid*) organized and established under the laws of the Netherlands, having its corporate seat in Amsterdam, the Netherlands, registered with the Trade Register of the Netherlands under number 55948308 (the "Dutch Borrower"), U.S. Coatings Acquisition Inc., a Delaware corporation (the "U.S. Borrower" and together with the Dutch Borrower, collectively, the "Borrowers"), Coatings Co. U.S. Inc., a Delaware corporation ("U.S. Holdings"), each lender from time to time party thereto (collectively, the "Lenders" and individually, a "Lender"), and Barclays Bank PLC, as Administrative Agent and Collateral Agent. Terms defined in the Credit Agreement and not otherwise defined in this Guaranty are used in this Guaranty as defined in the Credit Agreement.

WHEREAS, it is a condition precedent to the making of Loans by the Lenders from time to time and the issuance of Letters of Credit by the L/C Issuers from time to time, the entry by the Hedge Banks into Secured Hedge Agreements from time to time and the entry by the Cash Management Banks into Secured Cash Management Agreements from time to time, that the Guarantor shall have executed and delivered this Guaranty.

WHEREAS, the Guarantor will obtain benefits from the incurrence of Loans by the Borrowers and the issuance of, and participation in, Letters of Credit for the account of the Borrowers under the Credit Agreement and the entering into by the Loan Parties of Secured Hedge Agreements and Secured Cash Management Agreements and, accordingly, desires to execute this Guaranty in order to satisfy the condition described in the preceding paragraph and to induce the Lenders to make Loans from time to time, the L/C Issuers to issue Letters of Credit from time to time, the Hedge Banks to enter into Secured Hedge Agreements from time to time and the Cash Management Banks to enter into Secured Cash Management Agreements from time to time.

NOW, THEREFORE, in consideration of the premises, the other benefits accruing to the Guarantor, the receipt and sufficiency of which are hereby acknowledged, the Guarantor hereby makes the following representations and warranties to the Administrative Agent for the benefit of the Secured Parties and the Guarantor hereby covenants and agrees as follows:

SECTION 1. Guaranty. (a) The Guarantor hereby absolutely, unconditionally and irrevocably guarantees, as a primary obligor and not merely as a surety, the full and punctual payment when due and performance, whether at scheduled maturity or on any date of a required prepayment or by acceleration, demand or otherwise, of all Obligations of each other Loan Party now or hereafter existing under or in respect of the Loan Documents, any Letter of Credit, any Secured Cash Management Agreement or any Secured Hedge Agreement (the Loan Documents, Letters of Credit, Secured Cash Management

Agreements and Secured Hedge Agreements, collectively, the "Secured Documents") (including, without limitation, any extensions, increases, modifications, substitutions, amendments or renewals of any or all of the foregoing Obligations), whether direct or indirect, absolute or contingent, and whether for principal, interest, premiums, fees, indemnities, contract causes of action, costs, expenses or otherwise (such Obligations being the "Guaranteed Obligations"), and agrees to pay any and all expenses (including, without limitation, fees and expenses of counsel) incurred by the Administrative Agent or any other Secured Party in enforcing any rights under this Guaranty or any other Secured Document, to the extent reimbursable under Section 10.04 of the Credit Agreement. Without limiting the generality of the foregoing, the Guarantor's liability shall extend to all amounts that constitute part of the Guaranteed Obligations and would be owed by any other Loan Party to any Secured Party under or in respect of the Secured Documents but for the fact that they are unenforceable or not allowable due to the existence of a bankruptcy, reorganization or similar proceeding involving such other Loan Party.

(b) The Guarantor hereby unconditionally and irrevocably agrees that in the event any payment shall be required to be made to any Secured Party under this Guaranty or the Subsidiary Guaranty or any other guaranty pertaining to the Guaranteed Obligations, the Guarantor will contribute, to the maximum extent permitted by law, such amounts to each other guarantor so as to maximize the aggregate amount paid to the Secured Parties under or in respect of the Secured Documents.

SECTION 2. Guaranty Absolute. The Guarantor agrees its guarantee constitutes a guarantee of payment when due of the Guaranteed Obligations and not of collection, which will be paid strictly in accordance with the terms of the Secured Documents, regardless of any law, regulation or order now or hereafter in effect in any jurisdiction affecting any of such terms or the rights of any Secured Party with respect thereto. The obligations of the Guarantor under or in respect of this Guaranty are independent of the Guaranteed Obligations or any other Obligations of any other Loan Party under or in respect of the Secured Documents, and a separate action or actions may be brought and prosecuted against the Guarantor to enforce this Guaranty, irrespective of whether any action is brought against any Borrower or any other Loan Party or whether any Borrower or any other Loan Party are joined in any such action or actions. The liability of the Guarantor under this Guaranty shall be irrevocable, absolute and unconditional and shall not be affected or impaired by any circumstance or occurrence whatsoever irrespective of, and the Guarantor hereby irrevocably waives any defenses (other than a defense of payment in full in cash of the Guaranteed Obligations (excluding contingent obligations as to which no claim has been made) or the release of this Guaranty in accordance with any relevant release provisions in the Secured Documents) it may now have or hereafter acquire in any way relating to, any or all of the following:

(i) any lack of validity or enforceability, at any time, of any Secured Document (including this Guaranty) or any agreement or instrument relating thereto;

(ii) any change in the time, manner or place of payment of, or in any other term of, all or any of the Guaranteed Obligations or any other Obligations of any other Loan Party under or in respect of the Secured Documents, or any other amendment or waiver of or any consent to departure from any Secured Document, including, without limitation, any increase in the Guaranteed Obligations resulting from the extension of additional credit to any Loan Party or any of its Subsidiaries or otherwise;

(iii) any taking, exchange, impairment, release or non-perfection of any Collateral or any other collateral, or any taking, release or amendment or waiver of, or consent to departure from, any other guaranty, for all or any of the Guaranteed Obligations;

(iv) any manner of application of Collateral or any other collateral, or proceeds thereof, to all or any of the Guaranteed Obligations, or any manner of sale or other disposition of any Collateral or any other collateral for all or any of the Guaranteed Obligations or any other Obligations of any Loan Party under the Secured Documents or any other assets of any Loan Party or any of its Subsidiaries;

(v) any change, restructuring or termination of the corporate structure or existence of any Loan Party or any of its Subsidiaries;

(vi) any failure of any Secured Party to disclose to any Loan Party any information relating to the business, condition (financial or otherwise), operations, performance, properties or prospects of any other Loan Party now or hereafter known to such Secured Party;

(vii) the failure of any other Person to execute or deliver this Guaranty or any other guaranty or agreement or the release or reduction of liability of the Guarantor or any other guarantor or surety with respect to the Guaranteed Obligations;

(viii) any rescission, waiver, amendment or modification of, or any release from any of the terms or provisions of, any Loan Document or any other agreement;

(ix) any payment made to any secured creditor on the Indebtedness which any Secured Party repays any Borrower or any other Secured Party pursuant to court order in any bankruptcy, reorganization, arrangement, moratorium or other debtor relief proceeding, and the Guarantor waives any right to the deferral or modification of its obligations hereunder by reason of any such proceeding;

(x) any invalidity, rescission, irregularity or unenforceability of all or any part of the Guaranteed Obligations or any security therefor; or

(xi) any other circumstance (including, without limitation, any statute of limitations), any act or omission, or any existence of or reliance on any representation by any Secured Party that might otherwise constitute a defense available to, or a discharge of, any Loan Party or any other guarantor or surety.

This Guaranty shall continue to be effective or be reinstated, as the case may be, if at any time any payment or any part thereof, of any of the Guaranteed Obligations is rescinded or must otherwise be returned by any Secured Party or any other Person upon the insolvency, bankruptcy or reorganization (or any analogous proceeding in any jurisdiction) of any Borrower or any other Loan Party or otherwise, all as though such payment had not been made. For the avoidance of doubt this paragraph shall survive the termination of this Guaranty.

SECTION 3. Waivers and Acknowledgments. (a) The Guarantor hereby unconditionally and irrevocably waives promptness, diligence, notice of acceptance, presentment, demand for performance, notice of nonperformance, default, acceleration, protest or dishonor and any other notice with respect to any of the Guaranteed Obligations and this Guaranty and any requirement that any Secured Party protect, secure, perfect or insure any Lien or any property subject thereto or exhaust any right or take any action against any Loan Party or any other Person or any Collateral.

(b) The Guarantor hereby unconditionally and irrevocably waives any right to revoke this Guaranty and acknowledges that this Guaranty is continuing in nature (in accordance with the terms hereof) and applies to all Guaranteed Obligations, whether existing now or in the future.

(c) The Guarantor hereby unconditionally and irrevocably waives (i) any defense arising by reason of any claim or defense based upon an election of remedies by any Secured Party that in any manner impairs, reduces, limits, releases or otherwise adversely affects the subrogation, reimbursement, exoneration, contribution or indemnification rights of the Guarantor, (ii) any defense based on any right of set-off or counterclaim against or in respect of the Obligations of the Guarantor hereunder, (iii) any right to proceed against any Borrower, any other guarantor of the Guaranteed Obligations or any other party and (iv) any right to proceed against or exhaust any security held from any Borrower, any other guarantor of the Guaranteed Obligations or any other party.

(d) The Guarantor acknowledges that the Administrative Agent may, in accordance with the Loan Documents, without notice to or demand upon the Guarantor and without affecting the liability of the Guarantor under this Guaranty, foreclose under any mortgage or any collateral serving as security held by the Administrative Agent or Collateral Agent by nonjudicial sale, and the Guarantor hereby waives any defense to the recovery by the Administrative Agent and the other Secured Parties against the Guarantor of any deficiency after such nonjudicial sale and any defense or benefits that may be afforded by applicable laws.

(e) The Guarantor hereby unconditionally and irrevocably waives any duty on the part of any Secured Party to disclose to the Guarantor any matter, fact or thing relating to the business, condition (financial or otherwise), operations, performance, properties or prospects of any other Loan Party or any of their respective Subsidiaries now or hereafter known by such Secured Party. The Guarantor acknowledges that the Secured Parties shall have no obligation to investigate the financial condition or affairs of any Borrower or any other Loan Party or any of their respective Subsidiaries.

(f) The Guarantor acknowledges that it will receive substantial direct and indirect benefits from the financing arrangements contemplated by the Secured Documents and that the waivers set forth in Section 2 and this Section 3 are knowingly made in contemplation of such benefits and with full knowledge of its significance and consequences and that if any of such waivers are determined to be contrary to any applicable law or public policy, such waivers shall be effective only to the maximum extent permitted by applicable law.

(g) The Guarantor confirms that it is aware of the content of the Credit Agreement, in particular of Schedule 1.16 thereto, and acknowledges and agrees that this Guaranty and any and all of its obligations under the Secured Documents shall be subject in all respects to the provisions set forth in Schedule 1.16 to the Credit Agreement as such provisions relate to and are applicable to the Guarantor (in any capacity).

SECTION 4. Subrogation. The Guarantor hereby unconditionally and irrevocably agrees not to exercise any rights that it may now have or hereafter acquire against any Borrower, any other Loan Party or any other insider guarantor that arise from the existence, payment, performance or enforcement of the Guarantor's obligations under or in respect of this Guaranty or any other Secured Document, including, without limitation, any right of subrogation, reimbursement, exoneration, contribution or indemnification and any right to participate in any claim or remedy of any Secured Party against any Borrower, any other Loan Party or any other insider guarantor or any Collateral, whether or not such claim, remedy or right arises in equity or under contract, statute or common law, including, without limitation, the right to take or receive from any Borrower, any other Loan Party or any other insider guarantor, directly or indirectly, in cash or other property or by set-off or in any other manner, payment or security on account of such claim, remedy or right, unless and until all of the Guaranteed Obligations and all other amounts payable under this Guaranty shall have been paid in full in cash (other than contingent indemnification obligations as to which no claim has been asserted and obligations and liabilities under Secured Cash Management Agreements and Secured Hedge Agreements as to which arrangements satisfactory to

the applicable Cash Management Bank or Hedge Bank shall have been made), the expiration or termination of all Letters of Credit (other than Letters of Credit which have been Cash Collateralized or arrangements satisfactory to the L/C Issuer that issued such Letters of Credit shall have been made) and the expiration or termination of all Commitments. If any amount shall be paid to the Guarantor in violation of the immediately preceding sentence at any time prior to the later of (a) the termination of the Aggregate Commitments and the payment in full in cash of the Guaranteed Obligations and all other amounts (other than contingent indemnification obligations as to which no claim has been asserted and obligations and liabilities under Secured Cash Management Agreements and Secured Hedge Agreements as to which arrangements satisfactory to the applicable Cash Management Bank or Hedge Bank shall have been made) payable under this Guaranty and (b) the latest date of expiration or termination of all Letters of Credit (other than Letters of Credit which have been Cash Collateralized or arrangements satisfactory to the L/C Issuer that issued such Letters of Credit shall have been made), such amount shall be received and held in trust for the benefit of the Secured Parties, shall be segregated from other property and funds of the Guarantor and shall forthwith be paid or delivered to the Administrative Agent in the same form as so received (with any necessary endorsement or assignment) to be credited and applied to the Guaranteed Obligations and all other amounts payable under this Guaranty, whether matured or unmatured, in accordance with the terms of the Secured Documents, or to be held as Collateral for any Guaranteed Obligations or other amounts payable under this Guaranty thereafter arising. If (i) the Guarantor shall make payment to any Secured Party of all or any part of the Guaranteed Obligations, (ii) the Aggregate Commitments shall have been terminated and all of the Guaranteed Obligations and all other amounts (other than contingent indemnification obligations as to which no claim has been asserted and obligations and liabilities under Secured Cash Management Agreements and Secured Hedge Agreements as to which arrangements satisfactory to the applicable Cash Management Bank or Hedge Bank shall have been made) payable under this Guaranty shall have been paid in full in cash and (iii) all Letters of Credit (other than Letters of Credit which have been Cash Collateralized or arrangements satisfactory to the L/C Issuer that issued such Letters of Credit shall have been made) shall have expired or been terminated, the Secured Parties will, at the Guarantor's request and expense, execute and deliver to the Guarantor appropriate documents, without recourse and without representation or warranty of any kind (either express or implied), necessary to evidence the transfer by subrogation to the Guarantor of an interest in the Guaranteed Obligations resulting from such payment made by the Guarantor pursuant to this Guaranty.

SECTION 5. Payments Free and Clear of Taxes, Etc.

(a) Any and all payments by the Guarantor under this Guaranty or any other Loan Document shall be made, in accordance with the terms of the Credit Agreement, without setoff, counterclaim or other defense, free and clear of and without deduction for any and all present or future Taxes. The provisions of Section 3.01 of the Credit Agreement are hereby incorporated by reference and the Guarantor agrees to be bound by such provisions as if such provisions were set forth in full herein, provided that each reference therein to the "Borrowers" shall be deemed to be a reference to the "Guarantor" hereunder.

(b) The Guarantor's obligations hereunder to make payments in the respective applicable currency (such applicable currency being herein called the "Obligation Currency") shall not be discharged or satisfied by any tender or recovery pursuant to any judgment expressed in or converted into any currency other than the Obligation Currency, except to the extent that such tender or recovery results in the effective receipt by the Administrative Agent, the Collateral Agent or the respective other Secured Party of the full amount of the Obligation Currency expressed to be payable to the Administrative Agent, the Collateral Agent or such other Secured Party under this Guaranty or the other Loan Documents or any Secured Hedge Agreement, as applicable. If for the purpose of obtaining or enforcing judgment against the Guarantor in any court or in any jurisdiction, it becomes necessary to convert into or from any currency other than the Obligation Currency (such other currency being hereinafter referred to as the "Judgment

Currency") an amount due in the Obligation Currency, the conversion shall be made in a manner consistent with Section 10.24 of the Credit Agreement as determined on the date immediately preceding the day on which the judgment is given (such day being hereinafter referred to as the "Judgment Currency Conversion Date").

(c) If there is a change in the rate of exchange prevailing between the Judgment Currency Conversion Date and the date of actual payment of the amount due, the Guarantor covenants and agrees to pay, or cause to be paid, such additional amounts, if any (but in any event not a lesser amount), as may be necessary to ensure that the amount paid in the Judgment Currency, when converted at the rate of exchange prevailing on the date of payment, will produce the amount of the Obligation Currency which could have been purchased with the amount of Judgment Currency stipulated in the judgment or judicial award at the rate of exchange prevailing on the Judgment Currency Conversion Date. If the amount of the Judgment Currency actually paid is greater than the sum originally due to the Administrative Agent in the Obligation Currency, the Administrative Agent agrees to return the amount of any excess to the Borrowers (or to any other Person who may be entitled thereto under applicable Law).

For purposes of determining the rate of exchange for this Section 5, such amounts shall include any premium and costs payable in connection with the purchase of the Obligation Currency.

SECTION 6. Representations and Warranties. The Guarantor hereby makes each representation and warranty made in the Credit Agreement by the Guarantor with respect to the Guarantor and the Guarantor hereby further represents and warrants as follows:

(a) there are no conditions precedent to the effectiveness of this Guaranty that have not been satisfied or waived; and

(b) the Guarantor has, independently and without reliance upon any Secured Party and based on such documents and information as it has deemed appropriate, made its own credit analysis and decision to enter into this Guaranty and each other Secured Document to which it is or is to be a party, and the Guarantor has established adequate means of obtaining from each other Loan Party on a continuing basis information pertaining to, and is now and on a continuing basis will be completely familiar with, the business, condition (financial or otherwise), operations, performance, properties and prospects of such other Loan Party.

SECTION 7. Covenants. The Guarantor covenants and agrees that unless and until all of the Guaranteed Obligations and all other amounts payable under this Guaranty shall have been paid in full in cash (other than contingent indemnification obligations as to which no claim has been asserted and obligations and liabilities under Secured Cash Management Agreements and Secured Hedge Agreements as to which arrangements satisfactory to the applicable Cash Management Bank or Hedge Bank shall have been made), the expiration or termination of all Letters of Credit (other than Letters of Credit which have been Cash Collateralized or arrangements satisfactory to the L/C Issuer that issued such Letters of Credit shall have been made) and the expiration or termination of all Commitments, the Guarantor will perform and observe, and cause the Borrowers and each of their respective Restricted Subsidiaries to perform and observe, all of the terms, covenants and agreements set forth in the Loan Documents applicable to the Guarantor on its or their part to be performed or observed or that the Borrowers have agreed to cause the Guarantor or such Restricted Subsidiaries to perform or observe.

SECTION 8. Amendments, Etc. Subject to Section 10.01 of the Credit Agreement, no amendment or waiver of any provision of this Guaranty and no consent to any departure by the Guarantor therefrom shall in any event be effective unless the same shall be in writing and signed by the Administrative Agent (at the direction of the Required Lenders) and the Guarantor, and then such waiver or consent shall be effective only in the specific instance and for the specific purpose for which given.

SECTION 9. Notices, Etc. All notices and other communications provided for hereunder shall be in writing (including telegraphic, telecopy or telex communication or facsimile transmission) and mailed, telegraphed, telecopied, telexed, faxed or delivered as follows: if to the Guarantor, addressed to it in care of each Borrower at its address specified in Section 10.02 of the Credit Agreement; if to any Agent or any Lender, at its address specified in Section 10.02 of the Credit Agreement; if to any Hedge Bank, at its address specified in the Secured Hedge Agreement to which it is a party; if to any Cash Management Bank, at its address specified in the Secured Cash Management Agreement to which it is a party; or at such other address as shall be designated by the recipient in a written notice to each other party. All such notices and other communications shall be deemed to be given or made at such time as shall be set forth in Section 10.02 of the Credit Agreement.

SECTION 10. No Waiver; Remedies. No failure on the part of any Secured Party to exercise, and no delay in exercising, any right hereunder shall operate as a waiver thereof; nor shall any single or partial exercise of any right hereunder preclude any other or further exercise thereof or the exercise of any other right. The remedies herein provided are cumulative and not exclusive of any remedies provided by law.

SECTION 11. Right of Set-off. Upon (a) the occurrence and during the continuance of any Event of Default and (b) the making of the request or the granting of the consent specified by Section 8.02 of the Credit Agreement to authorize the Administrative Agent to declare the Loans immediately due and payable pursuant to the provisions of said Section 8.02, each Agent and each Lender is hereby authorized at any time and from time to time, to the fullest extent permitted by law, to set off and apply any and all deposits (general or special, time or demand, provisional or final) at any time held and other indebtedness at any time owing by such Agent or such Lender, other than deposits held in "Exempt Deposit Accounts" (as such term is defined in the Security Agreement), to or for the credit or the account of the Guarantor against any and all of the Obligations of the Guarantor now or hereafter existing under the Secured Documents, irrespective of whether such Agent or such Lender shall have made any demand under this Guaranty or any other Secured Document and although such Obligations may be contingent or unmatured or denominated in a currency different from that of the applicable deposit or indebtedness. Each Lender agrees promptly to notify the Borrowers and the Administrative Agent after any such set-off and application made by such Lender; provided that the failure to give such notice shall not affect the validity of such set-off and application. The rights of each Agent and each Lender under this Section 11 are in addition to other rights and remedies (including, without limitation, other rights of set-off) that such Agent and such Lender may have. This Section 11 is subject to the terms and conditions set forth in Section 10.09 of the Credit Agreement.

SECTION 12. Continuing Guaranty; Assignments under the Credit Agreement. This Guaranty is a continuing guaranty and shall (a) remain in full force and effect until the later of (i) the termination of the Aggregate Commitments and the payment in full in cash of the Guaranteed Obligations and all other amounts (other than contingent indemnification obligations as to which no claim has been asserted and obligations and liabilities under Secured Cash Management Agreements and Secured Hedge Agreements as to which arrangements satisfactory to the applicable Cash Management Bank or Hedge Bank shall have been made) payable under this Guaranty and the Lenders have no further commitment to lend under the Credit Agreement and (ii) the latest date of expiration or termination of all Letters of Credit (other than Letters of Credit which have been Cash Collateralized or arrangements satisfactory to the L/C Issuer that issued such Letters of Credit shall have been made), (b) be binding upon the Guarantor, its successors and assigns and (c) bind and inure to the benefit of and be enforceable by the Secured Parties and their permitted successors, permitted transferees and permitted assigns. Without limiting the generality

of clause (c) of the immediately preceding sentence, any Secured Party may assign or otherwise transfer all or any portion of its rights and obligations under the Credit Agreement (including, without limitation, all or any portion of its Commitments, the Loans owing to it and the Note or Notes held by it) to any other Person in accordance with Section 10.07 of the Credit Agreement, and such other Person shall thereupon become vested with all the benefits in respect thereof granted to such Secured Party herein or otherwise, in each case as and to the extent provided in Section 10.07 of the Credit Agreement. The Guarantor shall not have the right to assign its rights hereunder or any interest herein without the prior written consent of the Secured Parties, other than pursuant to a transaction permitted by the Credit Agreement and consummated in accordance with the terms and conditions contained therein.

SECTION 13. Fees and Expenses; Indemnification. (a) The Guarantor agrees to reimburse the Administrative Agent for its fees and expenses incurred hereunder to the extent provided in Section 10.04 of the Credit Agreement; provided that each reference therein to the "Borrowers" shall be deemed to be a reference to the "Guarantor".

(b) Without limitation of any other Obligations of the Guarantor or remedies of the Secured Parties under this Guaranty, the Guarantor shall, to the fullest extent permitted by applicable law, indemnify, defend and save and hold harmless each Indemnitee from and against, and shall pay as and when incurred, any and all liabilities, obligations, losses, damages, penalties, claims, demands, actions, judgments, suits, costs (including settlement costs), disbursements, and reasonable and documented or invoiced out-of-pocket fees and expenses (including the fees, disbursements and other charges of (i) one counsel to the Indemnitees taken as a whole, (ii) in the case of an actual or perceived conflict of interest, where the Indemnitee affected by such conflict informs the Borrowers of such conflict and thereafter retains its own counsel, of another firm of counsel for each such affected Indemnitee and (iii) if necessary, one local counsel in each relevant jurisdiction (which may include a single special counsel acting in multiple jurisdictions) and special counsel for each relevant specialty) of any kind or nature whatsoever which may at any time be imposed on, incurred by or asserted or awarded against any such Indemnitee in any way relating to or arising out of or in connection with or as a result of any failure of any Guaranteed Obligations to be the legal, valid, binding obligations of any Loan Party enforceable against such Loan Party in accordance with its terms.

(c) Any such amounts payable as provided hereunder shall be additional Guaranteed Obligations guaranteed hereby and secured by the Collateral Documents. The provisions of this Section 13 shall remain operative and in full force and effect regardless of the termination of this Agreement, any other Loan Document, any Letter of Credit, any Secured Hedge Agreement or any Secured Cash Management Agreement, the consummation of the transactions contemplated hereby, the repayment of any of the Guaranteed Obligations, the invalidity or unenforceability of any term or provision of this Agreement or any other Loan Document or any document governing any of the Obligations arising under any Secured Hedge Agreements or any Secured Cash Management Agreement, any resignation of the Administrative Agent or the Collateral Agent or any investigation made by or on behalf of the Administrative Agent or any other Secured Party. All amounts due under this Section 13 shall be payable within twenty (20) Business Days after written demand therefor.

SECTION 14. Subordination. The Guarantor hereby subordinates any and all debts, liabilities and other obligations now or hereafter owing to the Guarantor by each other Loan Party (the "Subordinated Obligations") to the Guaranteed Obligations to the extent and in the manner hereinafter set forth in this Section 14:

(i) Prohibited Payments, Etc. Except as otherwise set forth in this Section 14(a), the Guarantor may receive regularly scheduled payments from any other Loan Party on account of the Subordinated Obligations. After the occurrence and during the continuance of any Event of

Default under Sections 8.01(a), (b) (solely with respect to Section 7.11), (f) or (g) of the Credit Agreement (including the commencement and continuation of any proceeding under any Debtor Relief Law relating to any other Loan Party), unless the Administrative Agent otherwise agrees, the Guarantor shall not demand, accept or take any action to collect any payment on account of the Subordinated Obligations. After the occurrence and during the continuance of any Event of Default not described in the preceding sentence, upon notice from the Administrative Agent, the Guarantor shall not demand, accept or take any action to collect any payment on account of the Subordinated Obligations.

(ii) Prior Payment of Guaranteed Obligations. In any proceeding under any Debtor Relief Law relating to any other Loan Party, the Guarantor agrees that the Secured Parties shall be entitled to receive payment in full in cash of all Guaranteed Obligations (including all interest and expenses accruing after the commencement of a proceeding under any Debtor Relief Law, whether or not constituting an allowed claim in such proceeding ("Post Petition Interest")) before the Guarantor receives payment of any Subordinated Obligations.

(iii) Turn-Over. After the occurrence and during the continuance of any Event of Default (including the commencement and continuation of any proceeding under any Debtor Relief Law relating to any other Loan Party), the Guarantor shall, if the Administrative Agent so requests, collect, enforce and receive payments on account of the Subordinated Obligations as trustee (or on behalf of) for the Secured Parties and deliver such payments to the Administrative Agent on account of the Guaranteed Obligations (including all Post Petition Interest), together with any necessary endorsements or other instruments of transfer, but without reducing or affecting in any manner the liability of the Guarantor under the other provisions of this Guaranty.

(iv) Administrative Agent Authorization. After the occurrence and during the continuance of any Event of Default (including the commencement and continuation of any proceeding under any Debtor Relief Law relating to any other Loan Party), the Administrative Agent is authorized and empowered (but without any obligation to do so), in its discretion, (i) in the name of the Guarantor, to collect and enforce, and to submit claims in respect of, Subordinated Obligations and to apply any amounts received thereon to the Guaranteed Obligations (including any and all Post Petition Interest), and (ii) to require the Guarantor (A) to collect and enforce, and to submit claims in respect of, Subordinated Obligations and (B) to pay any amounts received on such obligations to the Administrative Agent for application to the Guaranteed Obligations (including any and all Post Petition Interest).

SECTION 15. Execution in Counterparts. This Guaranty and each amendment, waiver and consent with respect hereto may be executed in any number of counterparts and by different parties thereto in separate counterparts, each of which when so executed shall be deemed to be an original and all of which taken together shall constitute one and the same agreement. Delivery of an executed counterpart of a signature page to this Guaranty and each amendment, waiver and consent with respect hereto by telecopier or other electronic transmission shall be effective as delivery of an original executed counterpart thereof.

(b) THE GUARANTOR, AND BY ITS ACCEPTANCE OF THE BENEFITS OF THIS GUARANTY, THE ADMINISTRATIVE AGENT AND EACH SECURED PARTY, IRREVOCABLY AND UNCONDITIONALLY SUBMITS, FOR ITSELF AND ITS PROPERTY, TO THE EXCLUSIVE JURISDICTION OF THE COURTS OF THE STATE OF NEW YORK SITTING IN THE STATE, COUNTY AND CITY OF NEW YORK SITTING IN THE BOROUGH OF MANHATTAN AND OF THE UNITED STATES FOR THE SOUTHERN DISTRICT OF NEW YORK SITTING IN THE BOROUGH OF MANHATTAN, AND ANY APPELLATE COURT FROM ANY THEREOF, IN ANY ACTION OR PROCEEDING ARISING OUT OF OR RELATING TO THIS GUARANTY OR ANY OTHER LOAN DOCUMENT (OTHER THAN WITH RESPECT TO ANY COLLATERAL DOCUMENTS TO THE EXTENT EXPRESSLY PROVIDED THEREIN), AND THE GUARANTOR, AND BY ITS ACCEPTANCE OF THE BENEFITS OF THIS GUARANTY, THE ADMINISTRATIVE AGENT AND EACH SECURED PARTY, IRREVOCABLY AND UNCONDITIONALLY AGREES THAT ALL CLAIMS IN RESPECT OF ANY SUCH ACTION OR PROCEEDING MAY BE HEARD AND DETERMINED IN SUCH NEW YORK STATE COURT OR, TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, IN SUCH FEDERAL COURT. ARTICLE I

Definitions

SECTION 1.01. Construction; Certain Defined Terms.

(a) The definitions of terms herein shall apply equally to the singular and plural forms of the terms defined. Whenever the context may require, any pronoun shall include the corresponding masculine, feminine and neuter forms. The words "include," "includes" and "including" shall be deemed to be followed by the phrase "without limitation." The word "will" shall be construed to have the same meaning and effect as the word "shall." Unless the context

requires otherwise, (i) any definition of or reference to any agreement, instrument, other document, statute or regulation herein shall be construed as referring to such agreement, instrument, other document, statute or regulation as from time to time amended, supplemented or otherwise modified, (ii) any reference herein to any Person shall be construed to include such Person's successors and assigns, but shall not be deemed to include the subsidiaries of such Person unless express reference is made to such subsidiaries, (iii) the words "herein," "hereof and "hereunder," and words of similar import, shall be construed to refer to this Agreement in its entirety and not to any particular provision hereof, (iv) all references herein to Articles, Sections and Annexes shall be construed to refer to Articles, Sections and Annexes of this Agreement unless the context requires otherwise, (v) unless otherwise expressly qualified herein, the words "asset" and "property" shall be construed to have the same meaning and effect and to refer to any and all tangible and intangible assets and properties, including cash, securities, accounts and contract rights and (vi) the term "or" is not exclusive.

(b) It is the intention of the Secured Parties of each Series that the Additional Secured Parties with respect to any Series of Additional Obligations (and not the Secured Parties of any other Series) bear the risk of any determination by a court of competent jurisdiction that (w) any of the Obligations of such Series are unenforceable under applicable law or are subordinated to any other obligations (other than another Series of Obligations), (x) the security interest of such Series of Obligations in any of the Collateral securing any other Series is not enforceable, (y) any intervening security interest exists securing any other obligations (other than another Series of Obligations) on a basis ranking prior to the security interest of such Series of Obligations or (z) a Guarantee of such Series of Obligations is unenforceable (any such condition, an "Impairment" of such Series). In the event of any Impairment with respect to any Series of Additional Obligations, the results of such Impairment shall be borne solely by the holders of such Series, and the rights of the holders of such Series (including, without limitation, the right to receive distributions in respect of such Series pursuant to Section 2.01) set forth herein shall be modified to the extent necessary so that the effects of such Impairment are borne solely by the holders of the Series subject to such Impairment. Additionally, in the event the Obligations of any Series are modified pursuant to applicable law (including, without limitation, pursuant to Section 1129 of the Bankruptcy Code), then, subject to Section 2.05(a), any reference to such Obligations or the documents governing such Obligations shall refer to such obligations or such documents as so modified.

(c) Any references herein to provisions of the Bankruptcy Code, and the use of concepts or terms that find meaning in connection therewith (e.g., "debtor-in-possession") shall be deemed to refer as well to similar provisions, concepts or terms under any other Bankruptcy Law. Any references herein to a security interest being "perfected" shall be deemed to refer to perfection under the Uniform Commercial Code of any U.S. jurisdiction and to similar provisions, concepts or terms under the law of any other jurisdiction (it being understood that in jurisdictions where no such similar provisions, concepts or terms exist, the term "perfected" shall not be given any effect hereunder).

(d) Each Security Document is subject to the terms of this Agreement. In the event of a conflict between the terms of any Security Document and this Agreement, the terms of this Agreement will prevail.

(e) Capitalized terms used and not otherwise defined herein shall have the meanings set forth in the Credit Agreement and the Indenture, as applicable, with the Credit Agreement controlling, in the event of discrepancies. As used in this Agreement, the following terms have the meanings specified below:

"Additional Agent" means, in respect of any Series of Additional Obligations, the collateral agent, the administrative agent and/or trustee (as applicable) under the applicable Additional Agreement that is designated as "Additional Agent" in the applicable Joinder delivered pursuant to Section 5.02(c) in respect of such Series of Additional Obligations, in each case, together with its successors in such capacity.

"Additional Agreement" shall mean any indenture, credit agreement or other agreement, document or instrument, if any, pursuant to which any Grantor has or will incur, or evidencing the incurrence by any Grantor of, Additional Obligations; provided that, in each case, the Indebtedness and other obligations thereunder have been designated as Additional Obligations pursuant to and in accordance with Section 5.02(c).

"Additional Obligations" shall mean all advances to, and debts, liabilities, obligations, covenants and duties of, any Grantor arising under any Additional Agreement, whether direct or indirect (including those acquired by assumption), absolute or contingent, due or to become due, now existing or hereafter arising and including interest and fees that accrue after the commencement by or against any Grantor or any Affiliate thereof of any Insolvency or Liquidation Proceeding, regardless of whether such interest and fees are allowed claims in such Insolvency or Liquidation Proceeding, in each case, that have been designated as Additional Obligations pursuant to and in accordance with Section 5.02(c), but which shall not include the Credit Agreement Obligations or the Indenture Obligations.

"Additional Secured Party" means the holders of any Additional Obligations and any Additional Agent with respect thereto.

"Agreement" shall have the meaning assigned to such term in the introductory paragraph of this Agreement.

"Applicable Collateral Agent" means (i) until the earlier of (x) the Discharge of Credit Agreement Obligations and (y) the Cut-Off Date (and for these purposes, the Cut-Off Date shall be deemed to have not yet occurred at any time that it has been stayed, deemed not to have occurred or rescinded pursuant to the proviso in the definition thereof), the Bank Collateral Agent and (ii) from and after the time referred to in clause (i), the Major Non-Controlling Collateral Agent.

"Bank Collateral Agent" means Barclays Bank PLC, in its capacity as Collateral Agent (as defined in the Credit Agreement) together with its successors in such capacity.

"Bankruptcy Case" shall have the meaning assigned to such term in Section 2.05(b).

(c) [reserved].

(d) Notwithstanding the date, time, method, manner or order of grant, attachment or perfection of any Liens securing any Series of Obligations granted on the Shared Collateral and notwithstanding any provision of the Uniform Commercial Code as in effect in any U.S. jurisdiction, or any other applicable law or the Credit Documents or any defect or deficiencies in the Liens securing the Obligations of any Series or any other circumstance whatsoever (but, in each case, subject to Section 1.01(b)), each Secured Party hereby agrees that (i) the Liens securing each Series of Obligations on any Shared Collateral shall be of equal priority and (ii) the benefits and proceeds of the Shared Collateral shall be shared among the Secured Parties as provided herein.

SECTION 2.02. Actions With Respect to Shared Collateral; Prohibition on Contesting Liens.

(a) With respect to any Shared Collateral, (i) only the Applicable Collateral Agent shall act or refrain from acting with respect to the Shared Collateral (including with respect to any intercreditor agreement with respect to any Shared Collateral), (ii) the Applicable Collateral Agent shall not be obligated to, and shall not, follow any instructions with respect to such Shared Collateral (including with respect to any intercreditor agreement with respect to any Shared Collateral) from any Non-Controlling Collateral Agent (or any other Secured Party other than the Controlling Secured Parties) and (iii) no Non-Controlling Collateral Agent or other Secured Party (other than the Controlling Secured Parties) shall, or shall instruct the Applicable Collateral Agent to, commence any judicial or nonjudicial foreclosure proceedings with respect to, seek to have a trustee, receiver, liquidator or similar official appointed for or over, attempt any action to take possession of, exercise any right, remedy or power with respect to, or otherwise take any action to enforce its security interest in or realize upon, or take any other action available to it in respect of, any Shared Collateral (including with respect to any intercreditor agreement with respect to any Shared Collateral), whether under any Security Document, applicable law or otherwise, it being agreed that only the Applicable Collateral Agent, acting in accordance with the applicable Security Documents, shall be entitled to take any such actions or

Notwithstanding the equal priority of the Liens (but subject to Section 2.01(a)), the Applicable Collateral Agent may deal with the Shared Collateral as if the Applicable Collateral Agent had a senior and exclusive Lien on such Collateral. No other Secured Party will contest, protest or object to any foreclosure proceeding or action brought by the Applicable Collateral Agent or any other exercise by the Applicable Collateral Agent of any rights and remedies relating to the Shared Collateral. (a) Each Secured Party agrees that (i) it will not challenge or question, or support any other Person in challenging or questioning, in any proceeding the validity or enforceability of any Obligations of any Series or any Security Document or the validity, attachment, perfection or priority of any Lien under any Security Document or the validity or enforceability of the priorities, rights or duties established by, or other provisions of, this Agreement; provided that nothing in this Agreement shall be construed to prevent or impair the rights of any Secured Party from challenging or questioning the validity or enforceability of any Obligations constituting

unmatured interest or the validity of any Lien relating thereto pursuant to Section 502(b)(2) of the Bankruptcy Code or any similar provision of foreign law; (ii) it will not take or cause to be taken any action the purpose or intent of which is, or could be, to interfere, hinder or delay, in any manner, whether by judicial proceedings or otherwise, any sale, transfer or other disposition of the Shared Collateral by the Applicable Collateral Agent, (iii) except as provided in Section 2.02, it shall have no right to (A) direct any Collateral Agent or any other Secured Party to exercise any right, remedy or power with respect to any Shared Collateral (including pursuant to any intercreditor agreement) or (B) consent to the exercise by any Collateral Agent or any other Secured Party of any right, remedy or power with respect to any Shared Collateral (including pursuant to any intercreditor agreement), (iv) it will not institute any suit or assert in any Insolvency or Litigation Proceeding or other proceeding any claim against the Applicable Collateral Agent or any other Secured Party seeking damages from or other relief by way of specific performance, instructions or otherwise with respect to any Shared Collateral, and the Applicable Collateral Agent or other Secured Party shall not be liable for any action taken or omitted to be taken by such Applicable Collateral Agent or other Secured Party with respect to any Shared Collateral in accordance with the provisions of this Agreement, (v) it will not attempt, directly or indirectly, whether by judicial proceedings or otherwise, to challenge the enforceability of any provision of this Agreement and (vi) it will not seek, and hereby waives any right, to have any Shared Collateral or any part thereof marshaled upon any foreclosure or other disposition of such Collateral; provided that nothing in this Agreement shall be construed to prevent or impair the rights of any Collateral Agent or any other Secured Party to enforce this Agreement in accordance with its terms.

(b) Each Secured Party hereby agrees that if it shall obtain possession of any Shared Collateral or shall realize any proceeds or payment in respect of any such Shared Collateral, pursuant to any Security Document or by the exercise of any rights available to it under applicable law or in any Insolvency or Liquidation Proceeding or through any other exercise of remedies (including pursuant to any intercreditor agreement), at any time prior to the Discharge of each of the Obligations, then it shall hold such Shared Collateral, Proceeds or payment in trust for the other Secured Parties that have a security interest in such Shared Collateral and promptly transfer such Shared Collateral, Proceeds or payment, as the case may be, to the Applicable Collateral Agent, to be distributed in accordance with the provisions of Section 2.01.

SECTION 2.04. Automatic Release of Liens; Amendments to Security Documents.

(a) If, at any time, the Applicable Collateral Agent forecloses upon or otherwise exercises remedies against any Shared Collateral, and in connection therewith takes action to release any Liens over such Shared Collateral, then (whether or not any Insolvency or Liquidation Proceeding is pending at the time) the Liens in favor of each other Collateral Agent for the benefit of each Series of Secured Parties upon such Shared Collateral will automatically be released and discharged as and when, but only to the extent, such Liens of the Applicable Collateral Agent on such Shared Collateral are released and discharged; provided that any proceeds of any Shared Collateral realized therefrom shall be applied pursuant to Section 2.01. Each Collateral Agent agrees to promptly execute and deliver (at the sole cost and expense of the Grantors) all such authorizations and other instruments as shall reasonably be requested by the Applicable Collateral Agent to evidence and confirm any release of Shared Collateral provided for in this Section 2.04(a).

(b) Each Secured Party agrees that if the Applicable Collateral Agent enters into any amendment to any Security Document relating to the Series of Obligations for which the Applicable Collateral Agent is acting, the Company may require each other Collateral Agent to enter into corresponding amendments to the Security Documents governing the Series of Obligations for which such Collateral Agent is acting so long as (i) the effect of such amendments are consistent with the effect to the Security Documents for the Series of Obligations for which the Applicable Collateral Agent is acting, (ii) the effect of such amendment is not to release or subordinate the Liens securing such Series of Obligations or otherwise adverse to the holders of such Series of Obligations (except to the extent already permitted by the Credit Documents governing such Series of Obligations) and (iii) the Company delivers a certificate of an executive officer of the Company to such Collateral Agent stating that the requirements of this sentence have been satisfied.

SECTION 2.05. Certain Agreements With Respect to Bankruptcy or Insolvency Proceedings.

(a) This Agreement shall continue in full force and effect notwithstanding the commencement of any Insolvency or Liquidation Proceeding by or against any Grantor or any of its subsidiaries. If, in any Insolvency or Liquidation Proceeding, debt obligations of the reorganized debtor secured by Liens upon any property of the reorganized debtor are distributed, pursuant to a plan of reorganization or similar dispositive restructuring plan, on account of each Series of Obligations, then, to the extent the debt obligations distributed on account of each Series of Obligations are secured by Liens upon the same assets or property, the provisions of this Agreement will survive the distribution of such debt obligations pursuant to such plan and will apply with like effect to the Liens securing such debt obligations.

(b) If any Grantor shall become subject to a case (a "Bankruptcy Case") under the Bankruptcy Code or any other Bankruptcy Law and shall, as debtor(s)-in-possession, move for approval of financing ("DIP Financing") to be provided by one or more lenders (the "DIP Lenders") under Section 364 of the Bankruptcy Code or any similar provision of foreign law or the use of cash collateral under Section 363 of the Bankruptcy Code or any similar provision of foreign law, each Secured Party agrees that it will raise no objection to any such financing or to the Liens on the Shared Collateral securing the same ("DIP Financing Liens") or to any use of cash collateral that constitutes Shared Collateral, in each case unless the Applicable Collateral Agent shall then oppose or object to such DIP Financing or such DIP Financing Liens or use of cash collateral (and (i) to the extent that such DIP Financing Liens are senior to the Liens on any such Shared Collateral for the benefit of Controlling Secured Parties, each other Secured Party will subordinate its Liens with respect to such Shared Collateral on the same terms as the Liens of the Controlling Secured Parties (other than any Liens of any Secured Parties constituting DIP Financing Liens) are subordinated thereto, and (ii) to the extent that such DIP Financing Liens rank pari passu with the Liens on any such Shared Collateral granted to secure the Obligations of the Controlling Secured Parties, each other Secured Party will confirm the priorities with respect to such Shared Collateral as set forth herein), in each case so long as (A) the Secured Parties of

each Series retain the benefit of their Liens on all such Shared Collateral pledged to the DIP Lenders, including proceeds thereof arising after the commencement of such proceeding, with the same priority vis-à-vis all the other Secured Parties (other than any Liens of the Secured Parties constituting DIP Financing Liens) as existed prior to the commencement of such Bankruptcy Case, (B) the Secured Parties of each Series are granted Liens on any additional collateral pledged to any Secured Parties as adequate protection or otherwise in connection with such DIP Financing or use of cash collateral, with the same priority vis-à-vis the Secured Parties as set forth in this Agreement, (C) if any amount of such DIP Financing or cash collateral is applied to repay any of the Obligations, such amount is applied pursuant to Section 2.01, and (D) if any Secured Parties are granted adequate protection with respect to Obligations subject hereto, including in the form of periodic payments, in connection with such DIP Financing or use of cash collateral, the proceeds of such adequate protection are applied pursuant to Section 2.01; provided that the Secured Parties of any Series shall have a right to object to the grant of a Lien to secure the DIP Financing over any collateral securing such Series that is not Shared Collateral; and provided, further, that the Secured Parties receiving adequate protection shall not object to any other Secured Party receiving adequate protection comparable to any adequate protection granted to such Secured Parties in connection with a DIP Financing or use of cash collateral.

SECTION 2.06. Reinstatement. The Obligations of any Series may be Refinanced, in whole or in part, in each case, without notice to, or the consent (except to the extent a consent is otherwise required to permit the Refinancing transaction under any Credit Document) of any Secured Party of any other Series, all without affecting the priorities provided for herein or the other provisions hereof in compliance with Section 5.02(c); provided that nothing in this Section shall affect any limitation on any such Refinancing that is set forth in the Credit Documents of any such other Series; and provided, further that, if any obligations of the Grantors in respect of such Refinancing indebtedness shall be secured by Liens on any Shared Collateral, then such obligations and the holders thereof shall be subject to and bound by the provisions of this Agreement and the Collateral Agent and any Additional Agent of the holders of any such Refinancing indebtedness shall have executed a Joinder. The Grantors and the Secured Parties agree to enter into any documents or take any other actions reasonably necessary to preserve the priorities provided for herein in light of, and after giving effect to, such Refinancing.

The Applicable Collateral Agent

SECTION 4.01. Appointment and Authority.

(a) Each of the Secured Parties hereby irrevocably appoints and authorizes the Applicable Collateral Agent to take such actions on its behalf and to exercise such powers as are delegated to the Applicable Collateral Agent by the terms hereof or thereof, including for purposes of acquiring, holding and enforcing any and all Liens on Collateral granted by any Grantor to secure any of the Obligations, together with such powers and discretion as are reasonably incidental thereto. In this connection, the Applicable Collateral Agent and any co-agents, sub-agents, delegates, receivers and attorneys-in-fact appointed by the Applicable Collateral Agent pursuant to Section 4.05 for purposes of holding or enforcing any Lien on the Collateral (or any portion thereof) granted under any of the Security Documents, or for exercising any rights and remedies thereunder, shall be entitled to the benefits of all provisions of this Article IV (as though such co-agents, sub-agents and attorneys-in-fact were the collateral agent under the Security Documents) as if set forth in full herein with respect thereto. Without limiting the foregoing, each of the Secured Parties, and each Collateral Agent, hereby agrees to provide such cooperation and assistance as may be reasonably requested by the Applicable Collateral Agent to facilitate and effect actions taken or intended to be taken by the Applicable Collateral Agent pursuant to this Article IV, such cooperation to include execution and delivery of notices, instruments and other documents as are reasonably deemed necessary by the Applicable Collateral Agent to effect such actions, and joining in any action, motion or proceeding initiated by the Applicable Collateral Agent for such purposes.

(b) Each Secured Party acknowledges and agrees that, subject to the express terms of this Agreement, the Applicable Collateral Agent shall be entitled, for the benefit of the Secured Parties, to sell, transfer or otherwise dispose of or deal with any Shared Collateral as provided herein and in any of the Security Documents, without regard to any rights to which the holders of the Secured Obligations would otherwise be entitled as a result of such Secured Obligations. Without limiting the foregoing, each Secured Party agrees that no Collateral Agent or other Secured Party shall have any duty or obligation first to marshal or realize upon any type of Shared Collateral (or any other Collateral securing any of the Obligations), or to sell, dispose of

or otherwise liquidate all or any portion of such Shared Collateral (or any other Collateral securing any Obligations), in any manner that would maximize the return to such Secured Party or any Series of Secured Parties, notwithstanding that the order and timing of any such realization, sale, disposition or liquidation may affect the amount of proceeds actually received by such Secured Party from such realization, sale, disposition or liquidation. Each of the Secured Parties waives any claim it may now or hereafter have against any Collateral Agent for any other Series of Obligations or any other Secured Party of any other Series arising out of (i) any actions which any Collateral Agent or any Secured Party takes or omits to take (including actions with respect to the creation, perfection or continuation of Liens on any Collateral, actions with respect to the foreclosure upon, sale, release or depreciation of, or failure to realize upon, any of the Collateral and actions with respect to the collection of any claim for all or any part of the Obligations from any account debtor, guarantor or any other party) in accordance with the Security Documents or any other agreement related thereto or in connection with the collection of the Obligations or the valuation, use, protection or release of any security for the Obligations, (ii) any election by any Collateral Agent or any holders of Obligations, in any proceeding instituted under the Bankruptcy Code, of the application of Section 1111(b) of the Bankruptcy Code or (iii) subject to Section 2.05, any borrowing by, or grant of a security interest or administrative expense priority under Section 364 of the Bankruptcy Code by, any Grantor or any of its subsidiaries, as debtor-in-possession, in each case, except as a result of a breach of this Agreement.

SECTION 4.02. Rights as a Secured Party.

(a) The Person serving as the Applicable Collateral Agent hereunder shall have the same rights and powers in its capacity as a Secured Party under any Series of Obligations that it holds as any other Secured Party of such Series and may exercise the same as though it were not the Applicable Collateral Agent and the term "Secured Party" or "Secured Parties" or (as applicable) "Credit Agreement Secured Party," "Credit Agreement Secured Parties," "Indenture Secured Party," "Indenture Secured Parties," "Additional Secured Party" or "Additional Secured Parties" shall, unless otherwise expressly indicated or unless the context otherwise requires, include the Person serving as the Applicable Collateral Agent hereunder in its individual capacity. Such Person and its Affiliates may accept deposits from, lend money to, act as the financial advisor or in any other advisory capacity for and generally engage in any kind of business with the Grantors or any subsidiary or other Affiliate thereof as if such Person were not the Applicable Collateral Agent hereunder and without any duty to account therefor to any other Secured Party.

SECTION 4.03. Exculpatory Provisions.

(a) No Collateral Agent shall have any duties or obligations under this Agreement except those expressly set forth herein. Without limiting the generality of the foregoing, each Collateral Agent:

(i) shall not be subject to any fiduciary or other implied duties, regardless of whether an Event of Default has occurred and is continuing;

(ii) shall not have any duty to take any discretionary action or exercise any discretionary powers contemplated hereby and such Collateral Agent shall not be required to take any action that, in its opinion or the opinion of its counsel, may expose such Collateral Agent to liability or that is contrary to this Agreement or applicable law;

(iii) shall not, except as expressly set forth herein, have any duty to disclose, and shall not be liable for the failure to disclose, any information relating to a Grantor or any of its affiliates that is communicated to or obtained by the entities serving as a Collateral Agent or any of its affiliates in any capacity;

(iv) shall not be liable for any action taken or not taken by it (1) in the absence of its own gross negligence or willful misconduct or (2) in reliance on a certificate of an authorized officer of the Company stating that such action is permitted by the terms of this Agreement. Each Collateral Agent shall be deemed not to have knowledge of any Default or Event of Default under any Series of Obligations unless and until notice describing such Default or Event of Default and referencing the applicable agreement is given to such Collateral Agent at the address provided in Section 5.01 by the Collateral Agent of such Obligations or a Grantor;

(v) shall not be responsible for or have any duty to ascertain or inquire into (1) any statement, warranty or representation made in or in connection with this Agreement (except for its representations and warranties set forth in Article V) or any Security Document, (2) the contents of any certificate, report or other document delivered hereunder or thereunder or in connection herewith or therewith, (3) the performance or observance by any other Person of any of the covenants, agreements or other terms or conditions set forth herein or therein or the occurrence of any Default or Event of Default, (4) the validity, enforceability, effectiveness or genuineness of this Agreement, any other Security Document or any other agreement, instrument or document, or the creation, perfection or priority of any Lien purported to be created by the Security Documents, (5) the value or the sufficiency of any Collateral for any Series of Obligations or (6) the satisfaction of any condition set forth in any Credit Document, other than to confirm receipt of items expressly required to be delivered to such Collateral Agent;

(vi) shall not be required to expend, advance or risk its own funds or otherwise incur any financial liability in the performance of any of its duties hereunder or in any of the Security Documents or in the exercise of any of its rights or powers hereunder or under any of the Security Documents unless it is indemnified to its satisfaction and the Collateral Agent shall have no liability to any person for any loss occasioned by any delay in taking or failure to take any such action while it is awaiting an indemnity satisfactory to it;

(vii) need not segregate money held in trust hereunder from other funds except to the extent required by law. No Collateral Agent shall be liable for interest on any money received by it hereunder except as otherwise agreed in writing; and

(viii) beyond the exercise of reasonable care in the custody thereof, no Collateral Agent shall have any duty as to any Collateral in its possession or control or in the possession or control of any agent or bailee or any income thereon or as to preservation of rights against prior parties or any other rights pertaining thereto, and no Collateral

Agent shall be responsible for filing any financing or continuation statements or recording any documents or instruments in any public office at any time or times or otherwise perfecting or maintaining the perfection of any security interest in the Collateral. Each Collateral Agent shall be deemed to have exercised reasonable care in the custody of the Collateral in its possession if the Collateral is accorded treatment substantially equal to that which it accords similar collateral and shall not be liable or responsible for any loss or diminution in the value of any of the Collateral, by reason of the act or omission of any carrier, forwarding agency or other agent or bailee.

(b) Upon any payment or distribution of assets hereunder, the Collateral Agents and the Secured Parties shall be entitled to conclusively rely upon any order or decree entered by any court of competent jurisdiction in which an Insolvency or Liquidation Proceeding is pending, or a certificate of the trustee in bankruptcy, liquidating trustee, custodian, receiver, assignee for the benefit of creditors, agent or other person making such payment or distribution in the Insolvency or Liquidation Proceeding, delivered to any Collateral Agent, for the purpose of ascertaining the persons entitled to participate in such payment or distribution, the amount thereof or payable thereon, the amount or amounts paid or distributed thereon and all other facts pertinent thereto.

(c) In the event that, following a foreclosure in respect of any Collateral, the Applicable Collateral Agent acquires title to any portion of such Collateral or takes any managerial action of any kind in regard thereto in order to carry out any fiduciary or trust obligation for the benefit of another, which in the Applicable Collateral Agent's sole discretion may cause the Applicable Collateral Agent to be considered an "owner or operator" under the provisions of CERCLA or otherwise cause the Applicable Collateral Agent to incur liability under CERCLA or any other Federal, state or local law, the Applicable Collateral Agent reserves the right, instead of taking such action, to either resign as the Applicable Collateral Agent or arrange for the transfer of the title or control of the asset to a court-appointed receiver.

(d) The rights and protections of the Collateral Agents set forth herein shall also be applicable to each Collateral Agent in its roles as mortgagee, beneficiary, pledgee or any of its other roles (including as Collateral Agent) under the Security Documents.

SECTION 4.04. Reliance by Collateral Agents. Each Collateral Agent shall be entitled to rely upon, and shall not incur any liability for relying upon, any notice, request, certificate, consent, statement, instrument, document or other writing (including any electronic message, Internet or intranet website posting or other distribution) believed by it to be genuine and to have been signed, sent or otherwise authenticated by the proper Person. Each Collateral Agent also may rely upon any statement made to it orally or by telephone and reasonably believed by it to have been made by the proper Person, and shall not incur any liability for relying thereon. Each Collateral Agent may consult with legal counsel (who may be counsel for the Company, a Collateral Agent or counsel of its choice), independent accountants and other experts selected by it, and shall not be liable for any action taken or not taken by it in accordance with the advice of any such counsel, accountants or experts.

SECTION 4.05. Delegation of Duties. Any Collateral Agent may perform any and all of its duties and exercise its rights and powers hereunder or under any other Security Document by or through any one or more sub-agents, delegates or attorneys-in-fact appointed by such Collateral Agent and shall not be responsible for acts or omissions of any such sub-agents, delegates or attorneys-in-fact appointed by it with due care. Any Collateral Agent and any such sub-agent may perform any and all of its duties and exercise its rights and powers by or through its respective Affiliates. The exculpatory provisions of this Article shall apply to any such sub-agent and to the Affiliates of any Collateral Agent and any such sub-agent.

It is the purpose of this Section that there shall be no violation of any law of any jurisdiction (including particularly the law of any sovereign state) denying or restricting the right of the Applicable Collateral Agent to transact business or bring legal proceedings in such jurisdiction. It is recognized that in case of litigation under this Agreement, and in particular in case of the enforcement thereof on default, or in the case the Applicable Collateral Agent deems that by reason of any present or future law of any jurisdiction it may not exercise any of the powers, rights or remedies herein granted to the Applicable Collateral Agent or hold title to the properties, in trust, as herein granted or take any action which may be desirable or necessary in connection therewith, it may be necessary that the Applicable Collateral Agent appoint an individual or institution as a collateral agent or agent. The following provisions of this Section are adopted to these ends.

In the event that the Applicable Collateral Agent appoints an additional individual or institution as a collateral agent or agent, each and every remedy, power, right, claim, demand, cause of action, immunity, estate, title, interest and lien expressed or intended by this Agreement to be exercised by or vested in or conveyed to the Applicable Collateral Agent with respect thereto shall be exercisable by and vest in such separate collateral agent or agent but only to the extent necessary to enable such collateral agent or agent to exercise such powers, rights and remedies.

SECTION 4.06. Non-Reliance on Collateral Agent and other Secured Parties. Each Secured Party acknowledges that it has not relied upon any Collateral Agent or any other Secured Party or any of their Affiliates in making its own credit analysis and decision to enter into this Agreement and the other Credit Documents. Each Secured Party also acknowledges that in the future it will not reply upon any Collateral Agent or any other Secured Party or any of their Affiliates in making its own decisions in taking or not taking action under or based upon this Agreement, any other Credit Document or any related agreement or any document furnished hereunder or thereunder.

SECTION 4.07. Indemnity. The Company, failing which the other Grantors, shall reimburse each Collateral Agent (which, for purposes of this Section, shall include its officers, directors, employees, agents, delegates, counsel and any receiver appointed under this Agreement) upon request for all properly incurred, reasonable and documented out-of-pocket expenses incurred or made by it in connection with this Agreement. Such expenses shall include the properly incurred, reasonable and documented compensation and expenses, disbursements and advances of each Collateral Agent's agents, delegates, counsel, accountants and experts and any receiver appointed by the Collateral Agent. The Grantors jointly and severally shall indemnify

each Collateral Agent (which for purposes of this Section shall include its officers, directors, employees, agents delegates and counsel and any receiver appointed under this Agreement) against any and all loss, liability, claim, taxes, costs, damage or expense (including properly incurred, reasonable and documented attorneys' fees and expenses) incurred by or in connection with the acceptance or administration of each Collateral Agent's performance of its duties hereunder and under applicable law, including the costs and expenses of enforcing this Agreement and any Collateral hereunder and defending itself against or investigating any claim. The obligation to pay such amounts shall survive the payment in full or defeasance of the Obligations or the removal or resignation of any such Collateral Agent. Each Collateral Agent shall notify the Company of any claim for which it may seek indemnity promptly upon obtaining actual knowledge thereof; provided that any failure so to notify the Company shall not relieve any Grantor of its indemnity obligations hereunder. The Company may defend the claim and such Collateral Agent shall provide reasonable cooperation in the defense thereof. The Company or the other Grantors, as applicable, shall pay the properly incurred, reasonable and documented fees and expenses of one primary counsel (and, if reasonably necessary, one local counsel in each relevant jurisdiction) for each Collateral Agent. The Company and the other Grantors need not reimburse any expense or indemnify against any loss, liability or expense incurred by any Collateral Agent through such Collateral Agent's own willful misconduct or gross negligence. No provision of this Agreement requires a Collateral Agent to expend or risk its own funds or otherwise incur any financial liability in the performance of any of its duties hereunder, or in the exercise of any of its rights or powers, if repayment of such funds or adequate indemnity against such risk or liability is not assured to its satisfaction. The provisions of this Section 4.07 shall survive the termination of this Agreement or the resignation or removal of any Collateral Agent.

SECTION 5.02. Waivers; Amendment.

(a) No failure or delay on the part of any party hereto in exercising any right or power hereunder shall operate as a waiver thereof, nor shall any single or partial exercise of any such right or power, or any abandonment or discontinuance of steps to enforce such a right or power, preclude any other or further exercise thereof or the exercise of any other right or power. The rights and remedies of the parties hereto are cumulative and are not exclusive of any rights or remedies that they would otherwise have. No waiver of any provision of this Agreement or consent to any departure by any party therefrom shall in any event be effective unless the same shall be permitted by paragraph (b) of this Section, and then such waiver or consent shall be effective only in the specific instance and for the purpose for which given. No notice or demand on any party hereto in any case shall entitle such party to any other or further notice or demand in similar or other circumstances.

(b) This Agreement or any provision hereof may be terminated, waived, amended or modified (other than pursuant to any Joinder) only pursuant to an agreement or agreements in writing entered into by each Collateral Agent. Notwithstanding the foregoing no provision of this Agreement may be terminated, waived, amended or modified without the prior written consent of the Company if such termination, waiver, amendment or modification would adversely affect any Grantor. Notwithstanding the foregoing, without the consent of any Secured Party or any other Collateral Agent, (i) the Collateral Agent for any Additional Obligations may become a party hereto in accordance with Section 5.02(c), (ii) any Subsidiary of the Company may become a party hereto in accordance with Section 5.16 and (iii) the Applicable Collateral Agent may effect amendments and modifications to this Agreement (which may be in the form of an amendment and restatement) to the extent the Applicable Collateral Agent reasonably deems necessary to incorporate Additional Obligations into this Agreement.

(c) So long as permitted by the Credit Documents then in effect, the Company may from time to time designate Indebtedness and other obligations as Additional Obligations hereunder by delivering to the Applicable Collateral Agent and each Collateral Agent (i) a certificate signed by a Responsible Officer of the Company (A) identifying the Indebtedness and other obligations so designated and the aggregate principal amount or face amount thereof, (B) stating that such Indebtedness and other obligations are designated as Additional Obligations for purposes hereof, (C) representing that such designation of such Indebtedness and other obligations

as Additional Obligations complies with the terms of the Credit Documents then outstanding and that, after giving effect to the designation of such Additional Obligations, such Additional Obligations and the holders thereof shall be subject to and bound by this Agreement and (D) specifying the name and address of the Collateral Agent for such Indebtedness and other obligations and (ii) a fully executed Joinder (substantially in the form attached as Annex A). Each Collateral Agent agrees that upon the satisfaction of all conditions set forth in the preceding sentence, the Collateral Agent identified in such Joinder shall act hereunder for the benefit of all Additional Secured Parties under such Joinder, and each Collateral Agent agrees to the appointment, and acceptance of the appointment, of the Applicable Collateral Agent as agent for the holders of such Additional Obligations as set forth in each Joinder and agrees, on behalf of itself and each Secured Party it represents, to be bound by this Agreement.

SECTION 5.03. Parties in Interest. This Agreement shall be binding upon and inure to the benefit of the parties hereto and their respective successors and assigns, as well as the other Secured Parties, all of whom are intended to be bound by, and to be third party beneficiaries of, this Agreement.

SECTION 5.04. Survival of Agreement. All covenants, agreements, representations and warranties made by any party in this Agreement shall be considered to have been relied upon by the other parties hereto and shall survive the execution and delivery of this Agreement.

SECTION 5.05. Obligations Absolute. Except as otherwise provided herein, the Lien priorities provided for herein and the respective rights, interests, agreements and obligations hereunder of the Collateral Agent and the other Secured Parties shall remain in full force and effect irrespective of:

(a) any lack of validity or enforceability of any Credit Document;

(b) any change in the time, place or manner of payment of, or in any other term of (including the Refinancing of), all or any portion of the Obligations, it being specifically acknowledged that a portion of the Obligations consists or may consist of Indebtedness that is revolving in nature, and the amount thereof that may be outstanding at any time or from time to time may be increased or reduced and subsequently reborrowed;

(c) any change in the time, place or manner of payment of, or in any other term of, all or any portion of the Obligations;

(d) any amendment, waiver or other modification, whether by course of conduct or otherwise, of any Credit Document;

(e) the securing of any Obligations with any additional collateral or guarantees, or any exchange, release, voiding, avoidance or non-perfection of any security interest in any Collateral or any other collateral or any release of any guarantee securing any Obligations; or

(f) any other circumstances that otherwise might constitute a defense available to, or a discharge of, any Grantor in respect of the Obligations or this Agreement, other than discharge in full of such Obligations.

SECTION 5.06. Counterparts. This Agreement may be executed in counterparts, each of which shall constitute an original but all of which when taken together shall constitute a single contract. Delivery of an executed signature page to this Agreement by facsimile transmission or e-mail shall be as effective as delivery of a manually signed counterpart of this Agreement.

SECTION 5.07. Severability. Any provision of this Agreement held to be invalid, illegal or unenforceable in any jurisdiction shall, as to such jurisdiction, be ineffective to the extent of such invalidity, illegality or unenforceability without affecting the validity, legality and enforceability of the remaining provisions hereof; and the invalidity of a particular provision in a particular jurisdiction shall not invalidate such provision in any other jurisdiction. The parties shall endeavor in good-faith negotiations to replace the invalid, illegal or unenforceable provisions with valid provisions the economic effect of which comes as close as possible to that of the invalid, illegal or unenforceable provisions.

SECTION 5.08. Governing Law. This Agreement shall be construed in accordance with and governed by the laws of the State of New York.

SECTION 5.09. Submission To Jurisdiction Waivers. Each of the parties hereto, on behalf of itself and the Secured Parties of the Series for whom it is acting, irrevocably and unconditionally:

(a) submits for itself and its property in any legal action or proceeding relating to this Agreement and the Security Documents, or for recognition and enforcement of any judgment in respect thereof, to the exclusive jurisdiction of the courts of the State of New York in the Borough of Manhattan, the courts of the United States of America for the Southern District of New York, and appellate courts from any thereof;

(b) agrees that a final judgment in any such action or proceeding shall be conclusive and may be entered and enforced in other jurisdictions by suit on the judgment or in any other manner provided or permitted by law;

(c) consents that any such action or proceeding may be brought in such courts and waives any objection that it may now or hereafter have to the venue of any such action or proceeding in any such court or that such action or proceeding was brought in an inconvenient court and agrees not to plead or claim the same and any right to which it may be entitled on account of place of residence or domicile;

(d) agrees that service of process in any such action or proceeding may be effected by mailing a copy thereof by registered or certified mail (or any substantially similar form of mail), postage prepaid, to such Person (or its Collateral Agent) at the address referred to in Section 5.01 or at such other address of which the other parties hereto shall have been notified pursuant thereto;

(e) agrees that nothing herein shall affect the right of any other party hereto (or any Secured Party) to effect service of process in any other manner permitted by law or shall limit the right of any party hereto (or any Secured Party) to sue in any other jurisdiction; and

(f) waives, to the maximum extent not prohibited by law, any right it may have to claim or recover in any legal action or proceeding referred to in this Section 5.09 any special, exemplary, punitive or consequential damages.

SECTION 5.10. WAIVER OF JURY TRIAL. EACH PARTY HERETO HEREBY IRREVOCABLY AND UNCONDITIONALLY WAIVES TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, ANY RIGHT IT MAY HAVE TO TRIAL BY JURY IN ANY LEGAL ACTION OR PROCEEDING DIRECTLY OR INDIRECTLY ARISING OUT OF, UNDER OR IN CONNECTION WITH THIS AGREEMENT AND FOR ANY COUNTERCLAIM THEREIN. EACH PARTY HERETO (A) CERTIFIES THAT NO REPRESENTATIVE, AGENT OR ATTORNEY OF ANY OTHER PARTY HAS REPRESENTED, EXPRESSLY OR OTHERWISE, THAT SUCH OTHER PARTY WOULD NOT, IN THE EVENT OF LITIGATION, SEEK TO ENFORCE THE FOREGOING WAIVER AND (B) ACKNOWLEDGES THAT IT AND THE OTHER PARTIES HERETO HAVE BEEN INDUCED TO ENTER INTO THIS AGREEMENT, BY, AMONG OTHER THINGS, THE MUTUAL WAIVERS AND CERTIFICATIONS IN THIS SECTION 5.10.

SECTION 5.11. Headings. Article, Section and Annex headings used herein are for convenience of reference only, are not part of this Agreement and are not to affect the construction of, or to be taken into consideration in interpreting, this Agreement.

SECTION 5.12. Conflicts. In the event of any conflict or inconsistency between the provisions of this Agreement and the provisions of any of the other Credit Documents or Security Documents, the provisions of this Agreement shall control.

SECTION 5.13. Provisions Solely to Define Relative Rights.

(a) The provisions of this Agreement are and are intended solely for the purpose of defining the relative rights of the Secured Parties in relation to one another. None of the Company, any other Grantor or any other creditor thereof shall have any rights or obligations hereunder, except as expressly provided in this Agreement (provided that nothing in this Agreement (other than Section 2.04, 2.05, 2.08, 2.10 or Article V) is intended to or will amend, waive or otherwise modify the provisions of the Credit Documents), and none of the Company or any other Grantor may rely on the terms hereof (other than Sections 2.04, 2.05, 2.08, 2.10 and Article V, which provision may be relied upon and enforced by the Company and each Guarantor). Nothing in this Agreement is intended to or shall impair the obligations of any Grantor, which are absolute and unconditional, to pay the Obligations as and when the same shall become due and payable in accordance with their terms.

(b) The undertakings, obligations and liabilities of each Grantor incorporated under the laws of Sweden under this Agreement shall be limited if (and only if) and to the extent they would constitute unlawful distribution of assets within the meaning of Chapter

17 Sections 1-4 (or its equivalent from time to time) of the Swedish Companies Act (*Sw. Aktiebolagslagen* (2005:551)) (the "Swedish Companies Act") or unlawful financial assistance within the meaning of Chapter 21 Section 5 (or its equivalent from time to time) of the Swedish Companies Act, and it is understood that the undertakings, obligations and liabilities of each Grantor incorporated under the laws of Sweden under this Agreement only apply to the extent permitted by the above mentioned provisions of the Swedish Companies Act.

SECTION 5.14. Collateral Agents. It is understood and agreed that (a) Barclays Bank PLC, is entering into this Agreement in its capacity as collateral agent under the Credit Agreement, and the provisions of Article IX of the Credit Agreement applicable to Barclays Bank PLC, as collateral agent thereunder shall also apply to Barclays Bank PLC, as Bank Collateral Agent hereunder, and (b) Wilmington Trust, National Association is entering into this Agreement in its capacity as Trustee pursuant to the Indenture and Collateral Agent pursuant to the Indenture and the Notes Collateral Agreement and, as such is entitled to all rights, privileges, protections, benefits, immunities and indemnities provided in the Indenture and the Notes Collateral Agreement.

SECTION 5.15. Integration. This Agreement together with the other Credit Documents and the Security Documents represents the entire agreement of each of the Grantors and the Secured Parties with respect to the subject matter hereof and there are no promises, undertakings, representations or warranties by any Grantor, the Collateral Agent or any other Secured Party relative to the subject matter hereof not expressly set forth or referred to herein or in the other Credit Documents or the Security Documents.

SECTION 5.16. Additional Grantors. In the event any Subsidiary shall have granted a Lien on any of its assets to secure any Obligations, the Company shall cause such Subsidiary, if not already a party hereto, to become a party hereto as a "Grantor." Upon the execution and delivery by any Subsidiary of a Grantor Joinder (substantially in the form attached as Annex B), any such Subsidiary shall become a party hereto and a Grantor hereunder with the same force and effect as if originally named as such herein. The execution and delivery of any such instrument shall not require the consent of any other party hereto. The rights and obligations of each party hereto shall remain in full force and effect notwithstanding the addition of any new Grantor as a party to this Agreement.

SECTION 5.17. Appointment of Barclays Bank PLC as Notes Foreign Collateral Agent.

(a) (i) The Notes Collateral Agent hereby appoints the Notes Foreign Collateral Agent as its "collateral sub-agent" solely for purposes of the Notes Foreign Collateral Documents and authorizes the Notes Foreign Collateral Agent to enter into the Notes Foreign Collateral Documents also as "collateral sub-agent" of the Notes Collateral Agent and to hold the security interests granted thereunder in the Collateral on behalf of and for the benefit of the Notes Collateral Agent and the Indenture Secured Parties, pursuant to the terms of the Notes Foreign Collateral Documents, the Indenture and this Section 5.17. Each of the parties hereto agrees that the Notes Foreign Collateral Agent shall

have only those duties, obligations and responsibilities expressly specified in this Agreement or in the Notes Foreign Collateral Document and no other duties, obligations or responsibilities shall be implied.

(ii) Subject to this Section 5.17, in relation to the Notes Foreign Collateral Documents governed by the laws of Switzerland ("Swiss Notes Collateral Documents"), the Notes Collateral Agent in its capacity as creditor of the Parallel Debt (as defined in the Indenture) hereby authorizes the Notes Foreign Collateral Agent to act in the name and for the account of the Notes Collateral Agent and thereby to (1) accept and hold as its direct representative (*direkter Stellvertreter*) any Swiss law pledge or any other Swiss law accessory (*akzessorische*) security made or expressed to be made to the Notes Collateral Agent, (2) agree as its direct representative (*direkter Stellvertreter*) to amendments and alterations to any Swiss Notes Collateral Document, (3) effect as its direct representative (*direkter Stellvertreter*) any release of such security, and (4) exercise as its direct representative (*direkter Stellvertreter*) such other rights granted to the Notes Collateral Agent under this Agreement, under the Indenture or under the relevant Swiss Notes Collateral Document.

(iii) The Notes Foreign Collateral Agent shall have no independent power to enforce or have recourse to, any of the Applicable Collateral solely in its capacity as Notes Foreign Collateral Agent for the benefit of the Notes Collateral Agent and the Indenture Secured Parties or to exercise any rights or powers arising under the Notes Foreign Collateral Documents solely in such capacity except, in each case, as directed by the Notes Collateral Agent in writing. Notwithstanding the foregoing or anything in this Section 5.17 or any Notes Foreign Collateral Documents, Barclays Bank PLC, solely in its capacity as Bank Collateral Agent for the benefit of the Credit Agreement Secured Parties under the Notes Foreign Collateral Documents, is not subject to any of the terms of this Section 5.17 and this Section 5.17 shall in no way restrict the duties, rights, obligations and responsibilities of Barclays Bank PLC in such capacity under the Notes Foreign Collateral Documents or under this Agreement.

(b) Application of Proceeds.

(i) All moneys and property from time to time received or recovered by the Notes Foreign Collateral Agent in connection with or as a consequence of the Notes Foreign Collateral Documents shall be held by the Notes Foreign Collateral Agent in trust for the Notes Collateral Agent and shall be applied in accordance with this Agreement.

(ii) The Notes Foreign Collateral Agent shall promptly notify the Notes Collateral Agent in writing upon receiving or recovering any monies or property in connection with or as a consequence of the Notes Foreign Collateral Documents.

(c) Notes Foreign Collateral Agent's Duties, Rights and Protections.

(i) The Notes Foreign Collateral Agent shall:

(A) act solely in accordance with any written instructions or directions given to it by the Notes Collateral Agent and shall be entitled to assume that, unless it has received actual written notice of revocation, any instructions or directions previously given by the Notes Collateral Agent have not been revoked; and

(B) be entitled to request instructions, or clarification of any direction, from the Notes Collateral Agent as to whether, and in what manner, it should exercise or refrain from exercising any rights, powers and discretions and the Notes Foreign Collateral Agent shall refrain from acting unless and until those instructions or clarification are received by it. Upon being requested for instructions, the Notes Collateral Agent will use best endeavors to provide such instructions (including seeking instructions from the Indenture Secured Parties) promptly.

(ii) The Notes Foreign Collateral Agent shall promptly inform the Notes Collateral Agent in writing of:

(A) the contents of any notice or document received by it in its capacity as Notes Foreign Collateral Agent from any Grantor under the Notes Foreign Collateral Documents; and

(B) the occurrence of any Event of Default (as defined in the Notes Foreign Collateral Document) of which the Notes Foreign Collateral Agent has received written notice from any other party in its capacity as Notes Foreign Collateral Agent.

(iii) At any time after receipt by the Notes Foreign Collateral Agent of notice from the Notes Collateral Agent directing the Notes Foreign Collateral Agent to exercise all or any of its rights, remedies, powers or discretions under the Notes Foreign Collateral Documents in its capacity as Notes Foreign Collateral Agent, the Notes Foreign Collateral Agent shall use commercially reasonable efforts to comply with such directions.

(iv) The Notes Foreign Collateral Agent shall, if it receives any instructions or directions from the Notes Collateral Agent to take any action in relation to the Applicable Collateral, assume that all applicable conditions under the Notes Foreign Collateral Documents for taking that action have been satisfied and that the Notes Collateral Agent is entitled to give such instructions or directions.

(v) In no circumstances shall the Notes Foreign Collateral Agent be obliged to verify the contents of any notice or communication received by it.

(vi) In no event shall the permissive right of the Notes Foreign Collateral Agent to take any actions pursuant to this Agreement or any Notes Foreign Collateral Document be construed as an obligation or duty to do so.

(vii) The Notes Foreign Collateral Agent may with the consent of the Notes Collateral Agent, which consent will not be unreasonably withheld, instead of acting personally, employ and pay an agent on any terms, to transact or conduct, or concur in transacting

or conducting, any business and to do or concur in doing all acts required to be done by the Notes Foreign Collateral Agent pursuant to this Agreement and the Notes Foreign Collateral Documents (including the receipt and payment of money) and the Notes Foreign Collateral Agent shall not be responsible for any loss, liability, expense, demand, cost, claim or proceedings incurred by reason of any misconduct, omission or default on the part of any person appointed by it hereunder or be bound to supervise the proceedings or acts of any such person, provided that due care is taken by the Notes Foreign Collateral Agent in the selection of that person. Any agent so employed shall be entitled to receive all properly incurred professional and other charges for business transacted and acts done in connection with such employment.

(viii) In no event shall the Notes Foreign Collateral Agent be responsible or liable for any failure or delay in the performance of its obligations hereunder or under the Notes Foreign Collateral Documents arising out of or caused by, directly or indirectly, forces beyond its control, including, without limitation, strikes, work stoppages, accidents, acts of war or terrorism, civil or military disturbances, nuclear or natural catastrophes or acts of God.

(ix) No provision of this Agreement or the Notes Foreign Collateral Documents shall require the Notes Foreign Collateral Agent to expend or risk its own funds or otherwise incur any financial liability in the performance of any of its duties, or in the exercise of any rights or powers and the Notes Foreign Collateral Agent shall not have any obligation to take any action under this Agreement or the Notes Foreign Collateral Documents (including, but not limited to, in the event of enforcement) unless it is indemnified and/or secured to its satisfaction (whether by way of payment in advance or otherwise), provided that this shall not affect any obligation of the Notes Foreign Collateral Agent arising under this Agreement or the Notes Foreign Collateral Documents to apply monies received by it in accordance with this Agreement.

(x) Notwithstanding anything contained in this Agreement or the Notes Foreign Collateral Documents, the Notes Foreign Collateral Agent shall not be responsible for (i) payment of any taxes, stamp duty or any other governmental levy, charges or impost as a result of it acting as Notes Foreign Collateral Agent or enforcing any security hold by it pursuant to this Agreement or the Notes Foreign Collateral Documents or (ii) making any deduction or withholding in respect of any taxes, duty or any other governmental levy, charges or impost in respect of any amounts paid, received or distributed to it from the proceeds of any enforcement of the Applicable Collateral; provided, however, that if, notwithstanding the foregoing, the Notes Foreign Collateral Agent is required by applicable law to make any deduction or withholding from any distribution or payment made by it under this Agreement or the Notes Foreign Collateral Documents or the Notes Foreign Collateral Agent is otherwise charged to, or may become liable to, any tax, levy, charge or impost as a consequence of performing its duties under this Agreement or Notes Foreign Collateral Documents, or otherwise, then the Notes Foreign Collateral Agent shall be entitled to make such deduction or withholding or (as the case may be) to retain out of sums received or held by it pursuant to this Agreement or the Notes Foreign Collateral Documents an amount sufficient to discharge any such liability.

(xi) Notwithstanding anything contained in this Agreement or the Notes Foreign Collateral Documents, the Notes Foreign Collateral Agent may refrain from doing anything which would or might in its opinion be contrary to any law of any jurisdiction or any directive or regulation of any governmental agency or authority of any jurisdiction or which would or might in its opinion otherwise render it liable to any person and may do anything which is, in its absolute opinion and discretion, necessary to comply with any such law, directive or regulation.

(xii) The Notes Foreign Collateral Agent and its subsidiaries and affiliates may accept deposits from, lend money to, and generally engage in any kind of banking or other business with any of the parties to this Agreement, the Notes Foreign Collateral Documents and any other grantor of Applicable Collateral.

(xiii) The Notes Foreign Collateral Agent shall not be under any obligation to insure any of the Applicable Collateral or to require any other person to maintain any insurance or otherwise to see to any matters relating to insurance. The Notes Foreign Collateral Agent shall not be responsible for any loss which may be suffered by any person as a result of the lack of or inadequacy of any such insurance.

(xiv) The Notes Foreign Collateral Agent shall accept without enquiry, requisition, objection or investigation such title as the Grantors may have to the Applicable Collateral and shall not be liable for any failure or omission to ascertain or investigate such title.

(xv) The Notes Foreign Collateral Agent shall not have or be deemed to have any relationship of trust or agency with any Grantor.

(xvi) For the avoidance of doubt, the parties to this Agreement acknowledge and agree that in discharging any of its duties, rights, powers or discretions hereunder or pursuant to the terms of the Notes Foreign Collateral Documents the Notes Foreign Collateral Agent shall be accorded the benefit of all the rights, powers, protections and indemnities set out in this Agreement.

(d) Limitation of Notes Foreign Collateral Agent's Liability. The Notes Foreign Collateral Agent shall not have any responsibility or be liable for:

(i) the adequacy, accuracy and/or completeness of any information supplied by the Notes Foreign Collateral Agent from any other person in connection with the Notes Foreign Collateral Documents or the transactions contemplated therein, or any other agreement, arrangement or document entered into, made or executed in anticipation of, pursuant to or in connection with the Notes Foreign Collateral Documents;

(ii) the legality, validity, effectiveness, perfection or failure to perfect, adequacy or enforceability of the Notes Foreign Collateral Documents or the security purported to be granted thereby or any other agreement, arrangement or document entered into, made or executed in anticipation of, pursuant to or in connection therewith;

(iii) any losses to any person or any liability arising as a result of taking or refraining from taking any action in relation to the Notes Foreign Collateral Documents or otherwise, whether in accordance with an instruction from the Collateral Agent or otherwise, unless caused directly by the Notes Foreign Collateral Agent's gross negligence or willful misconduct;

(iv) any shortfall which arises on or as a result of the enforcement of the Applicable Collateral, searches, reports, certificates, valuations or investigations given or required in connection with or pursuant to the Notes Foreign Collateral Documents or any of the assets purported to be the subject of the Notes Foreign Collateral Documents; or

(v) the existence, accuracy or sufficiency of any legal or other opinions, searches, reports, certificates, valuations or investigations given or required in connection with or pursuant to the Notes Foreign Collateral Documents or any of the assets purported to be the subject of the Notes Foreign Collateral Documents.

(e) Costs and Expenses; Indemnities.

(i) The Notes Collateral Agent shall pay the Notes Foreign Collateral Agent's costs (including legal fees) and expenses (together with any applicable VAT) properly incurred by the Notes Foreign Collateral Agent in performing its functions pursuant to its delegation under this Agreement. Each Grantor agrees that all such costs and expenses paid by the Notes Collateral Agent shall be subject to reimbursement pursuant to Section 7.6 of the Indenture, but the obligation of the Notes Collateral Agent to pay the Notes Foreign Collateral Agent pursuant to this Section 5.17(e) is absolute and shall remain in full force and effect regardless of whether it is reimbursed pursuant to the Indenture.

(ii) The Notes Collateral Agent and each Grantor, jointly and severally, shall on demand by the Notes Foreign Collateral Agent indemnify and keep indemnified the Notes Foreign Collateral Agent, its directors, employees, agents and affiliates acting in connection with this Agreement and the Notes Foreign Collateral Documents (the "Indemnified Persons") (a) against all liabilities, costs, charges and expenses to which the Indemnified Persons become subject or properly incurred by any of them in the execution or purported execution of the trusts, powers, authorities and discretions vested in them by, or otherwise arising out of or in connection with, this Agreement and the Notes Foreign Collateral Documents, and (b) against all liabilities, actions, proceedings, costs, claims and demands in respect of any matter or thing done or omitted relating to, or otherwise arising out of or in connection with, this Agreement and the Notes Foreign Collateral Documents, except to the extent that they are sustained or incurred as a result of the gross negligence or willful misconduct of any of them.

(iii) Any person seeking indemnification hereunder shall notify the person from whom it is seeking indemnification of the commencement of any identifiable action or claim as promptly as practicable after such Indemnified Person becomes aware of such commencement and shall consult in good faith with the indemnifying person as to the conduct of the defense or such action or claim, which defense shall be reasonable under

the circumstances. No Indemnified Person shall comprise or settle any such action or claim without the consent in writing of the indemnifying person, which consent shall not be unreasonably withheld.

(f) Resignation of Notes Foreign Collateral Agent. Any resignation by Barclays Bank PLC as Bank Collateral Agent pursuant to Section 9.09 of the Credit Agreement shall also constitute its resignation as Notes Foreign Collateral Agent hereunder and under any Notes Foreign Collateral Document.

(g) Termination. The obligations of the Notes Foreign Collateral Agent under this Section 5.17 shall terminate upon the Notes Foreign Collateral Agent's receipt of written notice from the Notes Collateral Agent confirming that either the Indenture Obligations are no longer secured by any of the Liens on the Applicable Collateral or that all of the Indenture Obligations have been paid in full (other than any contingent obligations).

(iii) Every payment of monies made by a French Collateral Provider to the Notes Foreign Collateral Agent shall (conditionally upon such payment not subsequently being avoided or reduced by virtue of any provisions or enactments relating to bankruptcy, insolvency, liquidation or similar laws of general application) be in satisfaction *pro tanto* of the covenant by such French Collateral Provider contained in Section 5.17(h)(i); provided that if any such payment as is mentioned above is subsequently avoided or reduced by virtue of any provisions or enactments relating to bankruptcy, liquidation or similar laws of general application the Foreign Notes Collateral Agent shall be entitled to receive the amount of such payment from such French Collateral Provider and such French Collateral Provider shall remain liable to perform the relevant obligation and the relevant liability shall be deemed not to have been discharged.

(iv) Subject to the provision in Section 5.17(h)(iii), but notwithstanding any of the other provisions of this Section 5.17(h):

(A) the total amount due and payable as Parallel Debt under this Section 5.17(h) shall be decreased to the extent that a French Collateral Provider shall have paid any amounts to the Notes Foreign Collateral Agent on behalf of the applicable Credit Agreement Secured Parties and/or Indenture Secured Parties or any of them to reduce the outstanding principal amount of the applicable Credit Agreement Obligation or the Indenture Obligations or the Notes Foreign Collateral Agent on behalf of the applicable Credit Agreement Secured Parties or Indenture Secured Parties otherwise receives any amount in payment of such Credit Agreement Obligations and/or Indenture Obligations; and

(B) to the extent that a French Collateral Provider shall have paid any amounts to the Notes Foreign Collateral Agent under the Parallel Debt owed to it or the Notes Foreign Collateral Agent shall have otherwise received monies in payment of the Parallel Debt owed to it, the total amount due and payable under the Credit Documents and the French Collateral Documents shall be decreased as if said amounts were received directly in payment of the applicable Credit Agreement Obligations and/or Indenture Obligations.

(v) In the event of a resignation or replacement of the Notes Foreign Collateral Agent under the Credit Documents and the French Collateral Documents, the retiring or replaced agent shall at the French Collateral Providers' sole cost and expense (including legal fees) (i) assign the Parallel Debt owed to it (but not by way of novation) and (ii) transfer any Collateral granted to it securing such Parallel Debt, in each case to the successor agent.

(i) German Collateral Documents.

(i) The Notes Foreign Collateral Agent shall:

(A) hold and administer any Collateral governed by German law which is security assigned (*Sicherungseigentum/Sicherungsabtretung*) or otherwise transferred under a non-accessory security right (*nicht-akzessorische Sicherheit*) to it as trustee (*treuhänderisch*) for the benefit of the Secured Parties; and

(B) administer any Collateral governed by German law which is pledged (*Verpfändung*) or otherwise transferred to any Secured Party under an accessory security right (*akzessorische Sicherheit*) as agent.

(ii) Each Secured Party hereby authorizes the Notes Foreign Collateral Agent (whether or not by or through employees or agents):

(A) to exercise such rights, remedies, powers and discretions as are specifically delegated to or conferred upon the Notes Foreign Collateral Agent under the Security Documents together with such powers and discretions as are reasonably incidental thereto;

(B) to take such action on its behalf as may from time to time be authorized under or in accordance with the Security Documents; and

(C) to accept as its representative (*Stellvertreter*) any pledge or other creation of any accessory security right granted in favor of such Secured Party in connection with the Credit Agreement, the 2021 Notes and the Indenture under German law and to agree to and execute on its behalf as its representative (*Stellvertreter*) any amendments and/or alterations to any Security Document governed by German law which creates a pledge or any other accessory security right (*akzessorische Sicherheit*) including the release or confirmation of release of such Collateral.

(iii) Each of the Secured Parties hereby exempts the Notes Foreign Collateral Agent from any restrictions on representing several persons and self-dealing under any applicable law, and in particular from the restrictions of Section 181 of the German Civil Code (*Bürgerliches Gesetzbuch*), in each case to the extent legally possible to such Secured Party, to make use of any authorization granted under this Agreement and to perform its duties and obligations as Notes Foreign Collateral Agent hereunder and under the Security Documents. A Secured Party which is barred by its constitutional documents or by-laws from granting such exemption shall notify the Notes Foreign Collateral Agent accordingly.
