All rights, remedies and powers provided in this Pledge Agreement may be exercised only to the extent that the exercise thereof does not violate any applicable provision of law, and all the provisions of this Pledge Agreement are intended to be subject to all applicable mandatory provisions of law that may be controlling and to be limited to the extent necessary so that they shall not render this Pledge Agreement invalid, unenforceable, in whole or in part, or not entitled to be recorded, registered or filed under the provisions of any applicable law.

SECTION 9.03. ***Binding Effect; Several Agreement***. This Pledge Agreement shall be binding upon the Parties and their respective permitted successors and assignees, and shall inure to the benefit of the Parties and their respective permitted successors and assignees, except that no Party shall have the right to assign or transfer its rights or obligations hereunder or any interest herein (and any such assignment or transfer shall be void) except as contemplated or permitted by this Pledge Agreement and the Credit Agreement, in the case of the Collateral Agent, and the Secured Notes Indenture, in the case of the Notes Collateral Agent. This Pledge Agreement shall be construed as a separate agreement with respect to each Party and may be amended, modified, supplemented, waived or released with respect to any Party without the approval of any other Party and without affecting the obligations of any other Party hereunder.

SECTION 9.04. ***Successors and Assignees***. Whenever in this Pledge Agreement any of the Parties hereto is referred to, such reference shall be deemed to include the permitted successors and assignees of such Party; and all covenants, promises and

agreements by or on behalf of the Pledgors, or the Pledgees that are contained in this Pledge Agreement shall bind and inure to the benefit of their respective permitted successors and assignees; provided that the Pledgors shall not assign, transfer or delegate any of their rights or obligations under this Pledge Agreement without the prior written consent of the Pledgees.

SECTION 9.05. ***Pledgees' Fees and Expenses; Indemnification***. (a) The Parties hereto agree that the Pledgees shall be entitled to reimbursement of their expenses incurred hereunder as provided in their respective Secured Documents.

(b) With respect to costs and expenses, Section 10.4 of the Credit Agreement and Section 7.6 of the Secured Notes Indenture shall apply and the terms thereof are incorporated herein by reference.

SECTION 9.06. ***Governing Law***. This Pledge Agreement and the rights and obligations of the Parties under this Pledge Agreement shall be construed in accordance with and governed by the laws of the Federative Republic of Brazil.

SECTION 9.07. ***Waivers; Amendments***.

(a) No failure or delay by a Pledgee in exercising any right, power or remedy hereunder or under any of such Pledgee's Secured Documents shall operate as a waiver thereof, nor shall any single or partial exercise of any such right, power or remedy, or any abandonment or discontinuance of steps to enforce such a right, power or remedy, preclude any other or further exercise thereof or the exercise of any other right, power or remedy. The rights, powers and remedies of each Pledgee hereunder and under any of such Pledgee's Secured Documents are cumulative and are not exclusive of any rights, powers or remedies that they would otherwise have. No waiver of any provision of this Pledge Agreement or consent to any departure by any party under any of the Secured Documents shall in any event be effective unless the same shall be permitted by paragraph (b) of this Section 9.07, and then such waiver or consent shall be effective only in the specific instance and for the purpose for which given.

(b) Subject to the terms of the Intercreditor Agreement, neither this Pledge Agreement nor any provision hereof may be waived, amended or modified except pursuant to an agreement or agreements in writing entered into by the Parties.

SECTION 9.08. ***Severability***. In the event any one or more of the provisions contained in this Pledge Agreement should be held invalid, illegal or unenforceable in any respect, the validity, legality and enforceability of the remaining provisions contained

herein and therein shall not in any way be affected or impaired thereby. The Parties shall endeavor in good-faith negotiations to replace the invalid, illegal or unenforceable provisions with valid provisions the economic effect of which comes as close as possible to that of the invalid, illegal or unenforceable provisions.

SECTION 9.09. ***Headings***. Article and Section headings used herein are for convenience of reference only, are not part of this Pledge Agreement and are not to affect the construction of, or to be taken into consideration in interpreting this Pledge Agreement.

SECTION 9.10. ***Jurisdiction***. The Parties hereby elect the courts of the City of São Paulo, State of São Paulo, as competent to judge any lawsuit or proceeding aiming at resolving any dispute or controversy arising from this Pledge Agreement, without prejudice to any other Court that may have jurisdiction over it.

SECTION 9.11. ***Termination or Release***.

(a) This Pledge Agreement, the pledges made herein, the security interest and all other security interests granted hereby shall terminate (i) solely with respect to the Credit Facility Secured Obligations, when the Aggregate Commitments have been terminated and all the Credit Facility Secured Obligations (other than (A) contingent indemnification obligations as to which no claim has been asserted; (B) obligations and liabilities under Secured Cash Management Agreements and Secured Hedge Agreements; and (C) letters of credit which have been cash collateralized in accordance with the terms and conditions of the Credit Agreement) have been paid in full in cash or immediately available funds and (ii) solely with respect to Notes Secured Obligations, when all the Notes Secured Obligations (other than contingent indemnification obligations as to which no claim has been asserted or unliquidated obligations or liabilities not then due) have been paid in full in cash or immediately available funds.

(b) Upon any sale or other transfer by any Pledgor of any Pledged Assets and Rights that is permitted under any of the Credit Facility Documents to any person that is not a Loan Party (as defined in the Credit Agreement), or upon the effectiveness of any written consent to the release of the security interest granted hereby in any Pledged Assets and Rights pursuant to the Credit Agreement, the security interest in such Pledged Assets and Rights shall be automatically released solely with respect to the Credit Facility Secured Obligations. Similarly, upon any sale or other transfer by any Pledgor of any Pledged Assets and Rights that is permitted under any of the Secured Notes Documents to any person that is not a Co-Issuer or Secured Notes Guarantor, or upon the effectiveness of any written consent to the release of the security interest granted hereby in any Pledged Assets and Rights pursuant to the Secured Notes Indenture, the security interest in such Pledged Assets and Rights shall be automatically released solely with respect to the Notes Secured Obligations.

IN WITNESS WHEREOF, the Parties hereto have duly executed this Pledge Agreement in 7 (seven) identical counterparts in the presence of the two undersigned witnesses.

SECURITY AGREEMENT dated as of May 10, 2013 (as amended, amended and restated, supplemented or otherwise modified from time to time, this "Agreement"), between Axalta Coating Systems Canada Company (formerly known as DuPont Performance Coatings Canada Company), a Nova Scotia unlimited company ("Axalta"), the Additional Grantors (as hereinafter defined) from time to time party hereto (Axalta and such Additional Grantors being, collectively, the "Grantors"), and BARCLAYS BANK PLC, ("Barclays") as collateral agent (in such capacity, together with any successor collateral agent appointed pursuant to the Credit Agreement referred to below, the "Collateral Agent") for the Secured Parties (as defined in the Credit Agreement referred to below).

PRELIMINARY STATEMENTS

(1) Flash Dutch 2 B.V. and U.S. Coatings Acquisition Inc., as Borrowers, Flash Dutch 1 B.V., as Holdings, and Coatings Co. U.S. Inc, as U.S. Holdings, have entered into that certain Credit Agreement dated as of February 1, 2013 (as it may hereafter be amended, amended and restated, supplemented, replaced, refinanced or otherwise modified from time to time, including any increases of the principal amount outstanding thereunder, the "Credit Agreement"), with Barclays, as Administrative Agent and Collateral Agent, and the other parties thereto.

(2) Pursuant to the Credit Agreement, the Grantors are entering into this Agreement in order to grant to the Collateral Agent, for the benefit of the Secured Parties, a security interest in, and pledge and assign to the Collateral Agent, for the benefit of the Secured Parties, as continuing collateral security, the Collateral (as hereinafter defined).

(3) It is a condition precedent to the making of Loans by the Lenders from time to time and the issuance of Letters of Credit by the L/C Issuers from time to time, the entry into Secured Hedge Agreements by the Hedge Banks from time to time and the entry into Secured Cash Management Agreements by the Cash Management Banks from time to time that the Grantors shall have guaranteed the Obligations of each other Loan Party pursuant to the Subsidiary Guaranty and granted the security interests and made the assignments and pledges contemplated by this Agreement pursuant to Section 6.16 of the Credit Agreement.

(4) Each Grantor will derive substantial direct and indirect benefit from the transactions contemplated by the Loan Documents and the other Secured Documents (as defined herein).

(5) Terms defined in the Credit Agreement and not otherwise defined in this Agreement are used in this Agreement as defined in the Credit Agreement. Further, unless otherwise defined in this Agreement or in the Credit Agreement, terms defined in the *Personal Property Security Act* (Ontario) as in effect from time to time in the Province of Ontario ("PPSA") shall have the meanings specified therein; provided, however, that, at any time, if by reason of mandatory provisions of law, any or all of the validity, perfection or priority of the Collateral Agent's and the Secured Parties' security interest in any item or portion of the

Collateral is governed by the personal property security laws as in effect in a jurisdiction other than the Province of Ontario, the term "PPSA" shall mean the personal property security laws as in effect, at such time, in such other jurisdiction for purposes of the provisions hereof relating to such validity, perfection or priority and for purposes of definitions relating to such provisions.

NOW, THEREFORE, in consideration of the premises and in order to induce the Lenders to make Loans from time to time, the L/C Issuers to issue Letters of Credit from time to time, the Hedge Banks to enter into Secured Hedge Agreements from time to time and the Cash Management Banks to enter into Secured Cash Management Agreements from time to time, each Grantor hereby agrees with the Collateral Agent for the benefit of the Secured Parties as follows:

Section 1a. Definitions.

"Dollar" and "$" means the lawful currency of the United States.

"Excluded Property" means, with respect to any Grantor, (a) any fee-owned real property not constituting Material Real Property and any leased real property, (b) motor vehicles and other Goods subject to certificates of title, letters of credit (other than letters of credit that can be perfected by the filing of a PPSA financing statement) with a value not in excess of $7,500,000 in the aggregate, (c) Goods, Intangibles, Investment Property, Instruments, Documents of Title, Chattel Paper and Money, to the extent a security interest in such assets would result in material adverse tax consequences, (d) pledges of, and security interests in, certain Goods, Intangibles, Investment Property, Instruments, Documents of Title, Chattel Paper and Money, in favor of the Collateral Agent which are prohibited by applicable Law; provided, that (i) any such limitation described in this clause (d) on the security interests granted hereunder shall only apply to the extent that any such prohibition could not be rendered ineffective pursuant to the PPSA or any other applicable Law or principles of equity and shall not apply to any proceeds or receivables thereof, the assignment of which is expressly deemed effective under the PPSA notwithstanding such prohibition and (ii) in the event of the termination or elimination of any such prohibition contained in any applicable Law, a security interest in such assets shall be automatically and simultaneously granted under the applicable Collateral Documents and shall be included as Collateral, (e) any governmental licenses (but not the proceeds thereof) or state or local franchises, charters and authorizations, to the extent security interests in favor of the Collateral Agent in such licenses, franchises, charters or authorizations are prohibited or restricted thereby after giving effect to the applicable anti-assignment provisions of the PPSA other than proceeds and receivables thereof, the assignment of which is expressly deemed effective under the PPSA notwithstanding such prohibition; provided that (i) any such limitation described in this clause (e) on the security interests granted hereunder shall only apply to the extent that any such prohibition or restriction could not be rendered ineffective pursuant to the PPSA or any other applicable Law or principles of equity and (ii) in the event of the termination or elimination of any such prohibition or restriction contained in any applicable license, franchise, charter or authorization, a security interest in such licenses, franchises, charters or authorizations shall be automatically and simultaneously granted under the applicable Collateral Documents and shall be included as Collateral, (f) Equity Interests in any Person other than wholly owned Restricted Subsidiaries of the Borrowers to the extent not permitted by the terms of such Person's Organization Documents (excluding any private company restriction contained therein that may be satisfied by resolutions or consents of the directors or shareholders of such

Person), (g) any lease, license or other agreement or any Goods subject to a purchase money security interest or similar arrangement in each case permitted to be incurred under this Agreement, to the extent that a grant of a security interest therein would violate or invalidate such lease, license or agreement or purchase money arrangement or create a right of termination in favor of any other party thereto (other than a Grantor or their wholly owned Subsidiaries), (h) "intent-to-use" trademark applications, (i) any Accounts, Chattel Paper or Instruments sold pursuant to a Permitted Receivables Financing, and (j) Equity Interests in excess of 65% of the voting capital stock of (A) any Controlled Foreign Subsidiary or (B) any FSHCO. Other Goods, Intangibles, Investment Property, Instruments, Documents of Title, Chattel Paper and Money shall be deemed to be "Excluded Property" if the Administrative Agent and the Borrowers agree in writing that the cost of obtaining or perfecting a security interest in such assets is excessive in relation to the value of such assets as Collateral. Notwithstanding anything herein or the Collateral Documents to the contrary, Excluded Property shall not include any Proceeds, substitutions or replacements of any Excluded Property (unless such Proceeds, substitutions or replacements would otherwise constitute Excluded Property referred to above).

"Material Real Property" means any parcel of real property (other than a parcel with a fair market value of less than $10,000,000) owned in fee by a Grantor and located in Canada; provided, however, that one or more parcels owned in fee by a Grantor and located adjacent to, contiguous with, or in close proximity to, and comprising one property with a common street address, may, in the reasonable discretion of the Administrative Agent, be deemed to be one parcel for the purposes of this definition.

"Perfection Exception" means that no Grantor shall be required to (i) enter into control agreements with respect to, or otherwise perfect any security interest by "control" (or similar arrangements) over securities accounts and deposit accounts of such Grantor, (ii) perfect the security interest in the following other than by the filing of a PPSA financing statement in respect of letters of credit, (iii) so long as no Event of Default shall have occurred and be continuing, send notices to account debtors or other contractual third-parties, (iv) enter into any security documents to be governed by the law of any jurisdiction in which assets are located unless such jurisdiction is also the jurisdiction of organization of the person granting such lien or any other grantor or Canada or any province thereof, (v) take any actions contrary to the Guaranty and Security Principles to the extent applicable to such Grantor, or (vi) deliver landlord waivers, estoppels or collateral access letters.

Section 1. Grant of Security. (iii) all copyrights, including, without limitation, copyrights in Computer Software (as hereinafter defined), internet web sites and the content thereof, whether registered or unregistered ("Copyrights");

(iv) all computer software, programs and databases (including, without limitation, source code, object code and all related applications and data files), firmware and documentation and materials relating thereto, and any substitutions, replacements, improvements, error corrections, updates and new versions of any of the foregoing ("Computer Software");

(n) all books and records (including, without limitation, customer lists, credit files, printouts and other computer output materials and records) of such Grantor pertaining to any of the Collateral;

(o) all other tangible and intangible personal property of whatever nature whether or not covered by the PPSA; and

provided that notwithstanding anything to the contrary contained in the foregoing clauses (a) through (p), the security interest created by this Agreement shall not extend to, and the terms "Collateral," "Security Collateral," "Agreement Collateral," "Intellectual Property Collateral" and other terms defining the components of the Collateral in the foregoing clauses (a) through (p) shall not include Excluded Property;

provided, further, that notwithstanding anything to the contrary contained in the foregoing clauses (a) through (p), no Grantor shall be required to (x) take any action or enter into any agreement in contravention of the Perfection Exceptions (determined, solely for the purposes of this Agreement, as if each Grantor was a Domestic Loan Party and reading clause (ii) thereof as if "PPSA" replaced "UCC" and excluding clause (iv) thereof) or (y) make any filing with respect to any Intellectual Property Collateral other than filing a financing statement under applicable personal property security laws and filings at the USPTO or USCO and any other U.S. federal governmental authorities and at the CIPO (or such other filings as agreed to by the Dutch Borrower and the Collateral Agent);

provided, further, that solely for the purposes of this Agreement, the Collateral shall not include any Equity Interests and the certificates, if any, representing such Equity Interests of any Subsidiary held by a Grantor that is organized under the laws of any jurisdiction other than the United States of America, any state thereof and the District of Columbia to the extent and for so long as such Equity Interests are subject to a valid and perfected (or the foreign equivalent) security interest under another Collateral Document; and

provided, further, that the grant of security hereunder in Trade-marks shall be limited to a grant of a security interest therein (and, for clarification, shall not include any "assignment" or "pledge" thereof).

Section 2. Security for Obligations. This Agreement secures, in the case of each Grantor, the payment of all Obligations of such Grantor now or hereafter existing under the Loan Documents, any Secured Cash Management Agreement or any Secured Hedge Agreement (the Loan Documents, Secured Cash Management Agreements and Secured Hedge Agreements, collectively, the "Secured Documents") (as such Secured Documents may be amended, amended and restated, supplemented, replaced, refinanced or otherwise modified from time to time (including any increases of the principal amount outstanding thereunder)), whether direct or indirect, absolute or contingent, and whether for principal, reimbursement obligations, interest, fees, premiums, penalties, indemnifications, contract causes of action, costs, expenses or otherwise (all such Obligations being the "Secured Obligations"). Without limiting the generality of the foregoing, this Agreement secures, as to each Grantor, the payment of all amounts that constitute part of the Secured Obligations that would be owed by such Grantor to any Secured Party under the Secured Documents but for the fact that they are unenforceable or not allowable due to the existence of a bankruptcy, reorganization or similar proceeding involving a Loan Party.

Each Grantor hereby acknowledges that (1) value has been given, (2) it has rights in the Collateral (other than after acquired Collateral) in which it grants the security interest, and makes the assignment and pledge, in each case, hereunder, (3) it has not agreed to postpone the time of attachment of the security interest granted, or the assignment or pledge made, hereunder, and (4) it has received a copy of this Agreement.

Section 3. Grantors Remain Liable. Anything herein to the contrary notwithstanding, (a) each Grantor shall remain liable under its contracts and agreements included in the Collateral to the extent set forth therein to perform all of its duties and obligations thereunder to the same extent as if this Agreement had not been executed, (b) the exercise by the

Collateral Agent of any of the rights hereunder shall not release any Grantor from any of its duties or obligations under the contracts and agreements included in the Collateral and (c) no Secured Party shall have any obligation or liability under the contracts and agreements included in the Collateral by reason of this Agreement or any other Secured Document, nor shall any Secured Party be obligated to perform any of the obligations or duties of any Grantor hereunder or thereunder or to take any action to collect or enforce any claim for payment assigned hereunder.

Section 4. Delivery and Control of Security Collateral. (a) All certificates, if any, representing or evidencing the Pledged Interests (other than Equity Interests of non-wholly owned Subsidiaries with a fair market value of less than $7,500,000) and all instruments representing or evidencing the Pledged Debt in an aggregate principal amount in excess of $7,500,000 (other than any short-term intercompany current liabilities incurred in the ordinary course of business and consistent with past practice in connection with the cash management operations of the Dutch Borrower and its Restricted Subsidiaries) shall be promptly delivered to and held by or on behalf of the Collateral Agent pursuant hereto and shall be in suitable form for transfer by delivery, or shall be accompanied by duly executed instruments of transfer or assignment in blank, all in form and substance reasonably satisfactory to the Collateral Agent. During the continuation of an Event of Default, the Collateral Agent shall have the right, at any time in its discretion and without notice to any Grantor, unless such Security Collateral is ULC Shares, in which case prior notice to the applicable Grantor shall be required, to (i) transfer to or to register in the name of the Collateral Agent or any of its nominees any or all of the Security Collateral, subject only to the revocable rights specified in Section 11(a), (ii) exchange certificates or instruments representing or evidencing Security Collateral for certificates or instruments of smaller or larger denominations and (iii) convert Security Collateral consisting of Financial Assets credited to any Securities Account to Security Collateral consisting of Financial Assets held directly by the Collateral Agent, and to convert Security Collateral consisting of Financial Assets held directly by the Collateral Agent to Security Collateral consisting of Financial Assets credited to any Securities Account.

(b) Promptly upon the request of the Collateral Agent, with respect to any Security Collateral (other than Equity Interests of non-wholly owned Subsidiaries with a fair market value of less than $7,500,000) in which any Grantor has any right, title or interest and that constitutes an uncertificated security of a Subsidiary, such Grantor will cause the issuer thereof either (i) to register the Collateral Agent as the registered owner of such security or (ii) to agree in an authenticated record with such Grantor and the Collateral Agent that such issuer will comply with instructions with respect to such security originated by the Collateral Agent without further consent of such Grantor, such authenticated record to be in form and substance reasonably satisfactory to the Collateral Agent. During the continuation of an Event of Default, with respect to any Security Collateral in which any Grantor has any right, title or interest and that is not an uncertificated security, promptly upon the request of the Collateral Agent, such Grantor will notify each issuer of Pledged Interests that such Pledged Interests are subject to the security interests granted hereunder.

(c) Each Grantor agrees that (i) to the extent each interest in any limited liability company or limited partnership controlled now or in the future by such Grantor and pledged hereunder is a “security” within the meaning of the PPSA and is governed by the PPSA,

such interest shall be certificated and (ii) each such interest shall at all times hereafter continue to be such a security and represented by such certificate. Each Grantor further acknowledges and agrees that with respect to any interest in any limited liability company or limited partnership controlled now or in the future by such Grantor and pledged hereunder that is not a "security" within the meaning of the PPSA, such Grantor shall at no time elect to treat any such interest as a "security" within the meaning of the PPSA, nor shall such interest be represented by a certificate, unless such Grantor provides written notification to the Collateral Agent of such election and such interest is thereafter represented by a certificate that is promptly delivered to the Collateral Agent pursuant to the terms hereof.

(d) During the continuation of an Event of Default, promptly upon the request of the Collateral Agent, such Grantor will notify each issuer of Pledged Debt that such Pledged Debt is subject to the security interests granted hereunder.

(e) Each Grantor acknowledges that certain of the Collateral may now or in the future consist of shares or other equity interests in the capital stock of an unlimited company or an unlimited liability company ("ULC Shares"), and that it is the intention of the Collateral Agent and each Grantor that neither the Collateral Agent nor any other Secured Party should under any circumstances prior to realization thereon be held to be a "member" or a "shareholder", as applicable, of an unlimited company or an unlimited liability company ("ULC") for the purposes of the *Companies Act* (Nova Scotia), the *Business Corporations Act* (Alberta), the *Business Corporations Act* (British Columbia), and any other present or future laws governing ULCs ("ULC Laws"). Therefore, notwithstanding any provisions to the contrary contained in this Agreement, the Credit Agreement or any other Loan Document, where any Grantor is the registered owner of ULC Shares which are Collateral, such Grantor will remain the sole registered owner of such ULC Shares until such time as such ULC Shares are effectively transferred into the name of the Collateral Agent, any other Secured Party, or any other Person on the books and records of the applicable ULC. Accordingly, after an Event of Default which shall be continuing, and subject to the terms of the Credit Agreement, such Grantor shall be entitled to receive and retain for its own account any dividend on or other distribution, if any, in respect of such ULC Shares (except for any dividend or distribution comprised of certificated Pledged Interests, which shall be delivered to the Collateral Agent to hold hereunder) and shall have the right to vote such ULC Shares and to control the direction, management and policies of the applicable ULC to the same extent as such Grantor would if such ULC Shares were not pledged to the Collateral Agent pursuant hereto. Nothing in this Agreement, the Credit Agreement or any other Loan Document is intended to, and nothing in this Agreement, the Credit Agreement or any other Loan Document shall, constitute the Collateral Agent, any other Secured Party, or any other Person other than the Grantor, a member or shareholder (whether listed or unlisted, registered or beneficial), of a ULC for the purposes of any ULC Laws until such time as notice is given to such Grantor and further steps are taken pursuant hereto or thereto so as to register the Collateral Agent, any other Secured Party, or such other Person, as specified in such notice, as the holder of the ULC Shares. To the extent any provision hereof would have the effect of constituting the Collateral Agent or any other Secured Party as a member or a shareholder, as applicable, of any ULC prior to such time, such provision shall be severed herefrom and shall be ineffective with respect to ULC Shares which are Collateral without otherwise invalidating or rendering unenforceable this Agreement or invalidating or rendering unenforceable such provision insofar as it relates to Collateral which is not ULC Shares. Except

upon the exercise of rights of the Collateral Agent to sell, transfer or otherwise dispose of ULC Shares in accordance with this Agreement, the Grantor shall not cause or permit, or enable an issuer of Pledged Interests that is a ULC to cause or permit, the Collateral Agent or any other Secured Party to: (a) be registered as a shareholder or member of such issuer; (b) have any notation entered in their favour in the share register of such issuer; (c) be held out as shareholders or members of such issuer; (d) receive, directly or indirectly, any dividends, property or other distributions from such issuer by reason of the Collateral Agent holding the security interests in the ULC Shares; or (e) act as a shareholder of such issuer, or exercise any rights of a shareholder including the right to attend a meeting of shareholders of such issuer or to vote its ULC Shares. Where the provisions of the Credit Agreement, the other Loan Documents or the other Secured Documents are inconsistent or contrary to the provisions of this Section 4(e) of this Agreement, the provisions of this Section 4(e) shall govern and apply and such provisions of such Credit Agreement, such other Loan Documents, and such other Secured Documents shall not apply.

Section 5. Maintaining Collateral Accounts; Letters of Credit. So long as any Secured Obligation of any Loan Party shall remain unpaid (other than contingent indemnification obligations as to which no claim has been asserted and obligations and liabilities under Secured Cash Management Agreements and Secured Hedge Agreements as to which arrangements satisfactory to the applicable Cash Management Bank or Hedge Bank shall have been made) or any Letter of Credit shall be outstanding (other than Letters of Credit which have been Cash Collateralized):

(a) with respect to any Accounts containing Cash Collateral, each Grantor will maintain such Accounts only with the Administrative Agent or the Collateral Agent or with another commercial bank reasonably acceptable to the Collateral Agent that has agreed with such Grantor and the Collateral Agent to comply with instructions originated by the Collateral Agent directing the disposition of funds in such accounts without the further consent of such Grantor, such agreement to be in form and substance reasonably satisfactory to the Collateral Agent; and

(b) each Grantor, by granting a security interest in Letters of Credit with a stated amount in excess of $7,500,000 to the Collateral Agent, intends to (and hereby does) collaterally assign to the Collateral Agent its rights (including its contingent rights) to the proceeds of all Letters of Credit of which it is or hereafter becomes a beneficiary or assignee.

Section 6. Representations and Warranties. Each Grantor represents and warrants as follows (it being understood that none of the foregoing applies to the Excluded Property):

Paper other than such instruments and tangible Chattel Paper as indicated on Schedule II, which Schedule correctly represents the issuers thereof, the issuers' jurisdiction, the initial principal amount, the Grantor and holder, date of issuance and maturity date of all Pledged Debt, and (iii) as of the Closing Date, the Pledged Interests pledged by such Grantor hereunder have been validly issued and, in the case of Pledged Interests issued by a corporation, are fully paid and non-assessable (to the extent such concepts are applicable in the relevant jurisdiction and subject to the assessability of shares of a Nova Scotia unlimited company under the *Companies Act* (Nova Scotia));

(e) such Grantor has full power, authority and legal right to assign and pledge all the Collateral pledged and assigned by such Grantor pursuant to this Agreement and upon the filing of appropriate financing statements under the PPSA, and the recordation of the Intellectual Property Security Agreement with the USPTO, the USCO, and the CIPO and the taking of possession or control by the Collateral Agent of such Collateral with respect to which a security interest may be perfected only by possession or control (which possession or control shall be given to the Collateral Agent to the extent required by this Agreement) and taking the actions described in Section 8 hereof with respect to the insurance policies described therein, all actions necessary to perfect the security interest, so far as perfection is possible under relevant law, in the Collateral of such Grantor created under this Agreement with respect to which a Lien may be perfected by filing or possession or control pursuant to the PPSA, and all actions necessary to validly assign the insurance policies described in Section 8 hereof, shall have been duly made or taken and are in full force and effect, and this Agreement creates in favor of the Collateral Agent for the benefit of the Secured Parties a valid, enforceable and, together with such filings and other actions, perfected, so far as perfection is possible under relevant law, first priority security interest and assignment in such Collateral of such Grantor and assignments of property and liability insurance constituting Collateral (subject to the Perfection Exceptions and Liens permitted by Section 7.01 of the Credit Agreement), securing the payment of the Secured Obligations;

(f) except with respect to Holdings and as could not reasonably be expected to have a Material Adverse Effect:

(i) to the knowledge of any Grantor, the conduct of the business of such Grantor as currently conducted does not infringe upon, misappropriate, dilute, misuse or otherwise violate the intellectual property rights of any third party;

(ii) such Grantor is the legal and beneficial owner of all of the Intellectual Property Collateral set forth on Schedule III, free and clear of any Liens, except for any security interest created under this Agreement and any Liens permitted pursuant to Section 7.01 of the Credit Agreement;

(iv) the Registered Intellectual Property Collateral is subsisting and none of the Intellectual Property Collateral has been adjudged invalid or unenforceable in whole or part, and to such Grantor's knowledge, is valid and enforceable; and such Grantor is not aware of any uses of any item of Intellectual Property Collateral that could be expected to lead to such item becoming invalid or unenforceable;

(v) [reserved];

(vi) no claim, action, suit, investigation, litigation or proceeding has been asserted or is pending or, to the knowledge of such Grantor, is threatened in writing against such Grantor (i) based upon or challenging or seeking to deny or restrict the Grantor's rights in or use of any of the Intellectual Property Collateral, (ii) alleging that the services provided by, processes used by, or products manufactured or sold by, such Grantor infringe, misappropriate, dilute, misuse or otherwise violate any patent, trade-mark, copyright, industrial design or any other intellectual property right of any third party or (iii) alleging that the Intellectual Property Collateral is being licensed or sublicensed in violation or contravention of the terms of any license; and, to the knowledge of any Grantor, no Person is engaging in any activity that infringes, misappropriates, dilutes, misuses or otherwise violates the Intellectual Property Collateral or the Grantor's rights in or use thereof;

(viii) to the knowledge of any such Grantor, no Grantor or Intellectual Property Collateral is subject to any outstanding decree, order, injunction, judgment or ruling issued or decreed since January 1, 2010 restricting the use of any Intellectual Property Collateral or that would impair the validity or enforceability of such Intellectual Property Collateral;

(h) such Grantor owns no Material Real Property other than as listed in Schedule VI, which Schedule sets out the street address, city or town or other relevant jurisdiction, province or territory, and record owner.

Section 7. Further Assurances. (a) Each Grantor agrees that from time to time, at the expense of such Grantor, such Grantor will promptly execute and deliver, or otherwise authenticate, all further instruments and documents, and take all further action, that may be necessary or that the Collateral Agent may reasonably request, in order to grant, preserve, perfect and/or protect any pledge, assignment, or security interest granted or purported to be granted by such Grantor hereunder or to enable the Collateral Agent to exercise and enforce its rights and remedies hereunder with respect to any Collateral of such Grantor, subject in each case to the Perfection Exceptions**.** Without limiting the generality of the foregoing, each Grantor will, upon the Collateral Agent's reasonable request, promptly with respect to Collateral of such Grantor: (i) if any such Collateral with a value in excess of $7,500,000 shall be evidenced by a promissory note or other instrument or Chattel Paper, deliver and pledge to the Collateral Agent hereunder such note or instrument or Chattel Paper duly endorsed and accompanied by duly executed instruments of transfer or assignment, all in form and substance reasonably satisfactory to the Collateral Agent; (ii) execute or authenticate and file such financing statements, or financing change statements, and such other instruments or notices, as may be reasonably necessary, or as the Collateral Agent may reasonably request, in order to perfect and preserve the perfected security interest granted or purported to be granted by such Grantor hereunder; (iii) deliver and pledge to the Collateral Agent for the benefit of the Secured Parties certificates representing Security Collateral that constitutes certificated securities, accompanied by undated stock or bond powers executed in blank (to the extent required to be pledged pursuant to the Credit Agreement or this Agreement); and (iv) deliver to the Collateral Agent evidence that all other action (subject to the Perfection Exceptions) that the Collateral Agent may deem reasonably necessary or desirable in order to grant, preserve, perfect and protect the security interest, assignment and pledge granted or made or purported to be granted or made by such Grantor under this Agreement has been taken.

(b) Each Grantor hereby authorizes the Collateral Agent to file one or more financing statements and financing change statements, including, without limitation, one or more financing statements indicating that such financing statements cover all assets or all personal property (or words of similar effect), whether now owned or hereafter acquired, of such Grantor, in each case without the signature of such Grantor, and regardless of whether any particular asset described in such financing statements falls within the scope of the PPSA or the granting clause of this Agreement. Each Grantor ratifies its authorization for the Collateral Agent to have filed such financing statements and financing change statements filed prior to the date hereof.

(c) Without limiting the other provisions of this Agreement, at the time of delivery of quarterly financial statements (if requested by the Collateral Agent) or annual financial statements with respect to the preceding fiscal quarter or year pursuant to Section 6.01(a) and (b) of the Credit Agreement, the Grantors shall update Schedules I through VI of this Agreement with any changes since the Closing Date or the delivery of the previous quarterly or annual financial statements, as applicable, or confirm that there have been no such changes during such period.

Section 8. As to Insurance. Each general liability (other than director and officer policies) and property insurance policy of each Grantor shall name the Collateral Agent as loss payee and additional insured thereunder, in each case in a manner reasonably satisfactory to the Collateral Agent, and shall in addition, unless otherwise agreed by the Collateral Agent in its

sole discretion, (i) provide for all losses to be paid on behalf of the Collateral Agent and such Grantor as their interests may appear, (ii) name such Grantor and the Collateral Agent as insured parties thereunder (without any representation or warranty by or obligation upon the Collateral Agent) as their interests may appear, (iii) provide that there shall be no recourse against the Collateral Agent for payment of premiums or other amounts with respect thereto and (iv) provide that at least 10 days' prior written notice of cancellation or of lapse shall be given to the Collateral Agent by the insurer.

Section 9. Post-Closing Changes; Bailees; Collections on Assigned Agreements and Accounts. (a) No Grantor will change its name, type of organization, jurisdiction of organization or incorporation, organizational identification number (if any), taxpayer identification number (if any), location of its chief executive office or registered or head office outside the jurisdiction of such office disclosed in Schedule I, governing law of its partnership agreement if it is a partnership, other than a general partnership, the governing law of the trust instrument governing the trust or, if the immediately foregoing does not apply, the jurisdiction in which the administration of the trust by the trustees is principally carried out, if the Grantor is one or more trustees acting for a trust, any office in which it maintains books or records relating to Collateral owned by it (including the establishment of any such new office), corporate structure, or the location of any tangible Collateral (including the establishment of any such new location) outside the jurisdiction (i.e. province or territory) of such office disclosed in Schedule I, from those referred to in Section 6(a) of this Agreement without first giving at least 3 days' (or such lesser period of time as the Collateral Agent may agree) prior written notice (or subsequent written notice if the Collateral Agent agrees in its reasonable discretion) to the Collateral Agent and taking all action required by the Collateral Agent for the purpose of maintaining the perfection and priority of the security interest created by this Agreement.

(b) During the continuation of an Event of Default, if Collateral of any Grantor with an aggregate value in excess of $7,500,000 is at any time in the possession or control of a warehouseman, bailee or agent, upon the request of the Collateral Agent such Grantor will (i) notify such warehouseman, bailee or agent of the security interest created hereunder and (ii) instruct such warehouseman, bailee or agent to hold all such Collateral solely for the Collateral Agent's account subject only to the Collateral Agent's instructions.

(c) Except as otherwise provided in this Section 9(c), each Grantor will continue to collect, at its own expense, all amounts due or to become due such Grantor under the Accounts. In connection with such collections, such Grantor may take (and, at the Collateral Agent's direction during the continuation of an Event of Default, shall take) such commercially reasonable action as such Grantor (or the Collateral Agent) may deem necessary or advisable to enforce collection thereof; provided, however, that the Collateral Agent shall have the right at any time upon the occurrence and during the continuance of an Event of Default, and upon written notice to such Grantor of its intention to do so, to notify the Debtors under any Accounts of the assignment of such Accounts to the Collateral Agent and to direct such Debtors to make payment of all amounts due or to become due to such Grantor thereunder directly to the Collateral Agent and, upon such notification and at the expense of such Grantor, to enforce collection of any such Accounts, to adjust, settle or compromise the amount or payment thereof, in the same manner and to the same extent as such Grantor might have done, and to otherwise exercise all rights with respect to such Accounts, including, without limitation, those set forth in

the PPSA. After receipt by any Grantor of the notice from the Collateral Agent referred to in the proviso to the preceding sentence, (i) all amounts and proceeds (including, without limitation, instruments) received by such Grantor in respect of the Accounts of such Grantor shall be received in trust for the benefit of the Collateral Agent hereunder, shall be segregated from other funds of such Grantor and shall be either (A) released to such Grantor to the extent permitted under the terms of the Credit Agreement so long as no Event of Default shall have occurred and be continuing or (B) if any Event of Default shall have occurred and be continuing, applied as provided in Section 8.04 of the Credit Agreement and (ii) except with the consent of the Collateral Agent, such Grantor will not adjust, settle or compromise the amount or payment of any Account, release wholly or partly any Debtor thereof, or allow any credit or discount thereon. No Grantor will permit or consent to the subordination of its right to payment under any of the Accounts to any other indebtedness or obligations of the Debtor thereof.

Section 10. As to Intellectual Property Collateral. (a) With respect to each item of its Intellectual Property Collateral registered with, issued by, or applied for with the CIPO, each Grantor agrees to take, at its expense, all commercially reasonable steps, including, without limitation, in the CIPO and any other Canadian federal governmental authority, to (i) maintain the validity and enforceability of such Intellectual Property Collateral and maintain such Intellectual Property Collateral in full force and effect, and (ii) pursue the registration and maintenance of each patent, industrial design, Trade-mark, or copyright registration or application, now or hereafter included in such Intellectual Property Collateral of such Grantor, including, without limitation, the payment of required fees and taxes, the filing of responses to office actions issued by the CIPO or other Canadian federal governmental authorities, the filing of applications for renewal or extension, the filing of affidavits, the filing of divisional, continuation, continuation-in-part, reissue and renewal applications or extensions, the payment of maintenance fees and the participation in interference, reexamination, opposition, cancellation, infringement and misappropriation proceedings, except, in each case, to the extent failure to do so could not reasonably be expected to cause a Material Adverse Effect.

(b) Except as could not reasonably be expected to have a Material Adverse Effect, each Grantor shall use proper statutory notice in connection with its use of Intellectual Property Collateral registered with, issued by, or applied for with the CIPO that is material to the business of each Grantor and its Restricted Subsidiaries. Except as could not be reasonably expected to have a Material Adverse Effect, no Grantor shall do or permit any act or knowingly omit to do any act whereby any of its Intellectual Property Collateral registered with, issued by, or applied for with the CIPO may lapse or become invalid or unenforceable or placed in the public domain.

(c) Except where failure to do so could not reasonably be expected to cause a Material Adverse Effect, each Grantor shall take all commercially reasonable steps which it or the Collateral Agent (during the continuation of an Event of Default) deems reasonable and appropriate under the circumstances to preserve and protect each item of its Intellectual Property Collateral registered with, issued by, or applied for with the CIPO, including, without limitation, maintaining the quality of any and all products or services used or provided in connection with any of the Trade-marks, consistent with the quality of the products and services as of the date hereof, and taking all steps necessary to ensure that all licensed users of any of the Trade-marks use such consistent standards of quality.

(d) Notwithstanding the foregoing, each Grantor may refrain from taking, or shall be permitted to take, as the case may be, any actions otherwise prohibited or required by the foregoing Section 10 clauses (a) to (c) with respect to Intellectual Property Collateral which it determines in its good faith commercially reasonable business judgment not to be useful to its business or worth protecting or maintaining (including without limitation by abandoning, failing to defend or maintain or causing any such Intellectual Property Collateral to become unenforceable, abandoned, invalidated or publicly available).

(e) With respect to its Intellectual Property Collateral registered with, issued by, or applied for with the USPTO or USCO and the CIPO, each Grantor agrees to execute or otherwise authenticate an agreement, in substantially the form set forth in Exhibit B hereto or otherwise in form and substance satisfactory to the Collateral Agent (an "Intellectual Property Security Agreement"), for recording the security interest granted hereunder to the Collateral Agent in such Intellectual Property Collateral with the CIPO and any other Canadian federal governmental authorities necessary to perfect or protect in Canada the security interest granted hereunder in such Intellectual Property Collateral.

(f) Without limiting Section 1, each Grantor agrees that should it obtain an ownership interest in any item of the type set forth in Section 1(m) that is not, as of the date hereof, a part of the Intellectual Property Collateral ("After-Acquired Intellectual Property") (i) the provisions of this Agreement shall automatically apply thereto, and (ii) any such After-Acquired Intellectual Property and, in the case of Trade-marks, the goodwill symbolized thereby, shall automatically become part of the Intellectual Property Collateral subject to the terms and conditions of this Agreement with respect thereto. Each Grantor shall, as required pursuant to Section 6.12 of the Credit Agreement, execute and deliver to the Collateral Agent, or otherwise authenticate, an agreement substantially in the form of Exhibit C hereto or otherwise in form and substance satisfactory to the Collateral Agent (an "IP Security Agreement Supplement") covering such After-Acquired Intellectual Property, which IP Security Agreement Supplement shall be recorded with the CIPO.

(g) At such time as the Collateral Agent is lawfully entitled to exercise its rights and remedies under Section 15, each Grantor grants to the Collateral Agent an irrevocable, non-exclusive license (exercisable without payment of royalty or other compensation to such Grantor) to use, assign or sublicense any Intellectual Property Collateral in which such Grantor has rights wherever the same may be located, including, without limitation, in such license access to (i) all media in which any of the licensed items may be recorded or stored, and (ii) all software and computer programs used for compilation or print-out. The license granted under this Section is to enable the Collateral Agent to exercise its rights and remedies under Section 15 and for no other purpose.

Section 11. Voting Rights; Dividends; Etc. (a) So long as no Event of Default shall have occurred and be continuing and, other than in the case of an Event of Default under Section 8.01(f) or (g) of the Credit Agreement, subject to Section 4(e) hereof, the Collateral Agent has not notified such Grantor of its intent to exercise remedies as set forth below:

(i) each Grantor shall be entitled to exercise any and all voting and other consensual rights pertaining to the Security Collateral of such Grantor or any part thereof for any purpose; provided, however, that such Grantor will not exercise or refrain from exercising any such right in a manner prohibited by the Loan Documents;

(ii) each Grantor shall be entitled to receive and retain any and all dividends, interest and other distributions paid in respect of the Security Collateral of such Grantor if and to the extent that the payment thereof is not otherwise prohibited by the terms of the Loan Documents; provided, however, that any and all:

(A) dividends, interest and other distributions paid or payable other than in cash in respect of, and instruments and other property received, receivable or otherwise distributed in respect of, or in exchange for, any Security Collateral,

(B) dividends and other distributions paid or payable in cash in respect of any Security Collateral in connection with a partial or total liquidation or dissolution or in connection with a reduction of capital, capital surplus or paid-in-surplus and

(C) cash paid, payable or otherwise distributed in respect of principal of, or in redemption of, or in exchange for, any Security Collateral,

(x) in the case of the foregoing clause (A), any such property distributed in respect of any Security Collateral shall be deemed to constitute acquired property and shall be forthwith delivered to the Collateral Agent as Security Collateral in the same form as so received (with any necessary endorsement) in accordance with the provisions of Section 6.12 of the Credit Agreement and (y) in the case of the foregoing clauses (B) and (C), any such cash distributed in respect of any Security Collateral shall be subject to the provisions of the Credit Agreement applicable to the proceeds of a Disposition of property; and

(iii) the Collateral Agent will execute and deliver (or cause to be executed and delivered) to each Grantor all such proxies and other instruments as such Grantor may reasonably request for the purpose of enabling such Grantor to exercise the voting and other rights that it is entitled to exercise pursuant to paragraph (i) above and to receive the dividends or interest payments that it is authorized to receive and retain pursuant to paragraph (ii) above.

(b) Upon the occurrence and during the continuance of an Event of Default:

(i) upon notice to the applicable Grantor (and automatically in the case of clause (y) below to the extent such Event of Default is under Section 8.01(f) or (g) of the Credit Agreement, subject to Section 4(e) hereof), all rights of each Grantor (x) to exercise or refrain from exercising the voting and other consensual rights that it would otherwise be entitled to exercise pursuant to Section 11(a)(i) shall, upon notice to such Grantor by the Collateral Agent, cease and (y) to receive the dividends, interest and other distributions that it would otherwise be authorized to receive and retain pursuant to Section 11(a)(ii) shall automatically cease, and all such rights shall thereupon become vested in the Collateral Agent, which shall thereupon have the sole right to exercise or refrain from exercising such voting and other consensual rights and to receive and hold as Security Collateral such dividends, interest and other distributions; and

(ii) all dividends, interest and other distributions that are received by any Grantor contrary to the provisions of paragraph (i) of this Section 11(b) shall be received in trust for the benefit of the Collateral Agent, shall be segregated from other funds of such Grantor and shall be forthwith paid over to the Collateral Agent as Security Collateral in the same form as so received (with any necessary endorsement).

Section 12. Collateral Agent Appointed Attorney-in-Fact. For valuable consideration, each Grantor hereby irrevocably appoints the Collateral Agent or any Receiver (as defined in Section 15(a)) appointed by the Collateral Agent pursuant to this Agreement such Grantor's attorney-in-fact, with full authority in the place and stead of such Grantor and in the name of such Grantor or otherwise, from time to time, upon the occurrence and during the continuance of an Event of Default, in the Collateral Agent's or such Receiver's discretion, to take any action and to execute any instrument that the Collateral Agent or such Receiver may deem necessary or advisable to accomplish the purposes of this Agreement (in accordance with this Agreement and each other applicable Loan Document), including, without limitation:

(a) to obtain and adjust insurance required to be paid to the Collateral Agent;

(b) to ask for, demand, collect, sue for, recover, compromise, receive and give acquittance and receipts for moneys due and to become due under or in respect of any of the Collateral;

(c) to receive, endorse and collect any drafts or other instruments, documents and Chattel Paper, in connection with clause (a) or (b) above; and

(d) to file any claims or take any action or institute any proceedings that the Collateral Agent or such Receiver may deem necessary or desirable for the collection of any of the Collateral or otherwise to enforce compliance with the terms and conditions of any Assigned Agreement or the rights of the Collateral Agent with respect to any of the Collateral.

Section 13. Collateral Agent May Perform. If any Grantor fails to perform any agreement contained herein after the expiration or termination of any applicable cure or grace periods, the Collateral Agent may, after providing notice to such Grantor of its intent to do so, but without any obligation to do so, itself perform, or cause performance of, such agreement, and the expenses of the Collateral Agent incurred in connection therewith shall be payable by such Grantor under Section 16.

Section 14. The Collateral Agent's Duties. (a) The powers conferred on the Collateral Agent hereunder are solely to protect the Secured Parties' interest in the Collateral and shall not impose any duty upon it to exercise any such powers. Except for the exercise of reasonable care with respect to the custody of any Collateral in its possession and the accounting for moneys actually received by it hereunder, the Collateral Agent shall have no duty as to any Collateral, as to ascertaining or taking action with respect to calls, conversions, exchanges, maturities, tenders or other matters relative to any Collateral, whether or not any Secured Party has or is deemed to have knowledge of such matters, or as to the taking of any necessary steps to preserve rights against any parties or any other rights pertaining to any Collateral. The Collateral

Agent shall be deemed to have exercised reasonable care in the custody and preservation of any Collateral in its possession if such Collateral is accorded treatment substantially equal to that which it accords its own property. It is expressly understood and agreed that the obligations of the Collateral Agent as holder of the Collateral and interests therein and with respect to the disposition thereof, and otherwise under this Agreement, are only those expressly set forth in this Agreement and in Article 9 of the Credit Agreement. The Collateral Agent shall act hereunder on the terms and conditions set forth herein and in Article 9 of the Credit Agreement.

(b) The Secured Parties and the Collateral Agent have no obligation to keep Collateral in their possession identifiable. The Collateral Agent has no obligation to collect dividends, distributions or interest payable on, or exercise any option or right in connection with, any Collateral. The Collateral Agent has no obligation to protect or preserve any Collateral from depreciating in value or becoming worthless and is released from all responsibility for any loss of value, whether such Collateral is in the possession of, is a security entitlement of, or is subject to the control of the Collateral Agent, a securities intermediary, the Grantor or any other Person.

(c) The Collateral Agent may from time to time, when the Collateral Agent deems it to be necessary, appoint one or more subagents (each a "Subagent") for the Collateral Agent hereunder with respect to all or any part of the Collateral. In the event that the Collateral Agent so appoints any Subagent with respect to any Collateral, (i) the assignment and pledge of such Collateral and the security interest granted in such Collateral by each Grantor hereunder shall be deemed for purposes of this Security Agreement to have been made to such Subagent, in addition to the Collateral Agent, for the ratable benefit of the Secured Parties, as security for the Secured Obligations of such Grantor, (ii) such Subagent shall automatically be vested, in addition to the Collateral Agent, with all rights, powers, privileges, interests and remedies of the Collateral Agent hereunder with respect to such Collateral, and (iii) the term "Collateral Agent," when used herein in relation to any rights, powers, privileges, interests and remedies of the Collateral Agent with respect to such Collateral, shall include such Subagent; provided, however, that no such Subagent shall be authorized to take any action with respect to any such Collateral unless and except to the extent expressly authorized in writing by the Collateral Agent.

Section 15. Remedies. If any Event of Default shall have occurred and be continuing:

(a) The Collateral Agent may appoint or reappoint, by instrument in writing, any Person or Persons, whether an officer or officers or an employee or employees of the Collateral Agent or not, to be an interim receiver, receiver or receivers (hereinafter called a "Receiver", which term when used herein shall include a receiver and manager) of the Collateral and may remove any Receiver so appointed and appoint another in his/her/its stead. Any such Receiver shall, so far as concerns responsibility for his/her/its acts, be deemed the agent of one or more of the Grantors, as applicable, and not of the Collateral Agent or any other Secured Party, and neither the Collateral Agent nor any other Secured Party shall be in any way responsible for any misconduct, negligence or non-feasance on the part of any such Receiver or his/her/its servants, agents or employees other than gross negligence or wilful misconduct. Every such Receiver may, in the discretion of the Collateral Agent, be vested with all or any of the rights and powers of the Collateral Agent. The identity of the Receiver, its replacement and its remuneration shall be within the sole and unfettered discretion of the Collateral Agent.

(b) [Reserved]

(c) The Collateral Agent may exercise in respect of the Collateral, in addition to other rights and remedies provided for herein or otherwise available to it, all the rights and remedies of a secured party upon default under the PPSA (whether or not the PPSA applies to the affected Collateral) and also may: (i) require each Grantor to, and each Grantor hereby agrees that it will at its expense and upon request of the Collateral Agent forthwith, assemble all or part of the Collateral as directed by the Collateral Agent and make it available to the Collateral Agent at a place and time to be designated by the Collateral Agent that is reasonably convenient to both parties; (ii) without notice except as specified below, sell the Collateral or any part thereof in one or more parcels at public or private sale, at any of the Collateral Agent's offices or elsewhere, for cash, on credit or for future delivery, and upon such other terms as the Collateral Agent may deem commercially reasonable; (iii) occupy any premises owned or leased by any of the Grantors where the Collateral or any part thereof is assembled or located for a reasonable period in order to effectuate its rights and remedies hereunder or under law, without obligation to such Grantor in respect of such occupation; and (iv) exercise any and all rights and remedies of any of the Grantors under or in connection with the Collateral, or otherwise in respect of the Collateral, including, without limitation, (A) any and all rights of such Grantor to demand or otherwise require payment of any amount under, or performance of any provision of, the Assigned Agreements, the Accounts and the other Collateral, (B) withdraw, or cause or direct the withdrawal of, all funds with respect to accounts containing Cash Collateral (C) exercise all other rights and remedies with respect to the Assigned Agreements, the Accounts and the other Collateral, in each case in accordance with the other provisions of this Agreement. Each Grantor agrees that, to the extent notice of sale shall be required by law, at least fifteen days' notice (or such other notice period required by applicable law) to such Grantor of the time and place of any public sale or the time after which any private sale is to be made shall constitute reasonable notification. The Collateral Agent shall not be obligated to make any sale of Collateral regardless of notice of sale having been given. The Collateral Agent may adjourn any public or private sale from time to time by announcement at the time and place fixed therefor, and such sale may, without further notice, be made at the time and place to which it was so adjourned.

(d) All payments received by any Grantor under or in connection with any Assigned Agreement or otherwise in respect of the Collateral shall be received in trust for the benefit of the Collateral Agent, shall be segregated from other funds of such Grantor and shall be forthwith paid over to the Collateral Agent in the same form as so received (with any necessary indorsement).

(e) The Collateral Agent may, without notice to any Grantor except as required by law and at any time or from time to time, charge, set-off and otherwise apply all or any part of the Secured Obligations against any funds held with respect to any Deposit Account of a Grantor that is not an Exempt Deposit Account. For purposes of this Agreement, the term "Deposit Account" means a demand, time, savings, passbook or similar account maintained with an organization that is engaged in the business of banking; and the term "Exempt Deposit Account" shall mean any Deposit Account owned by or in the name of a Loan Party with respect to which such Loan Party is acting as a fiduciary for another Person who is not a Loan Party.

(f) Any cash held by or on behalf of the Collateral Agent and all cash proceeds received by or on behalf of the Collateral Agent in respect of any sale of, collection from, or other realization upon all or any part of the Collateral may, in the discretion of the Collateral Agent, be held by the Collateral Agent as collateral for, and/or then or at any time thereafter applied (after payment of any amounts payable to the Collateral Agent pursuant to Section 16) in whole or in part by the Collateral Agent against, all or any part of the Secured Obligations, in the manner set forth in Section 8.04 of the Credit Agreement. Notwithstanding the foregoing, if an intercreditor agreement (including the Intercreditor Agreement) has been entered into in accordance with Section 9.11 of the Credit Agreement among the holders of the Secured Obligations and holders of any other Indebtedness permitted under the Credit Agreement which provides for the application of proceeds received by the Collateral Agent in respect of any sale of, collection from or other realization upon all or any part of the Collateral, then such proceeds may be applied pursuant to the terms of such intercreditor agreement (including the Intercreditor Agreement).

(g) In the event of any sale or other disposition of any of the Intellectual Property Collateral of any Grantor, the goodwill symbolized by any Trade-marks subject to such sale or other disposition shall be included therein, and such Grantor shall supply to the Collateral Agent or its designee such Grantor's know-how and expertise, and documents and things relating to any Intellectual Property Collateral subject to such sale or other disposition, and such Grantor's customer lists and other records and documents relating to such Intellectual Property Collateral and to the manufacture, distribution, advertising and sale of products and services of such Grantor.

(h) If the Collateral Agent shall determine to exercise its right to sell all or any of the Security Collateral of any Grantor pursuant to this Section 15, each Grantor agrees that, upon request of the Collateral Agent, such Grantor will, at its own expense, do or cause to be done all such other acts and things as may be necessary to make such sale of such Security Collateral or any part thereof valid and binding and in compliance with applicable law.

(i) The Collateral Agent is authorized, in connection with any sale of the Security Collateral pursuant to this Section 15, to deliver or otherwise disclose to any prospective purchaser of the Security Collateral: (i) any registration statement or prospectus, and all supplements and amendments thereto; (ii) any information and projections; and (iii) any other information in its possession relating to such Security Collateral.

(j) Except as otherwise provided in any Loan Documents, with the written consent of the Administrative Agent and the Required Lenders, to the extent permitted by any such requirement of Law, the Collateral Agent (or any other Person on its behalf) may bid for and become the purchaser (and may pay all or any portion of the purchase price by crediting Obligations against the purchase price) of the Collateral or any item thereof, offered for Disposition in accordance with this Section 15 without accountability to the relevant Grantor.

(k) Each Grantor acknowledges the impossibility of ascertaining the amount of damages that would be suffered by the Secured Parties by reason of the failure by such Grantor to perform any of the covenants contained in Section 15(h) above and, consequently, agrees that, if such Grantor shall fail to perform any of such covenants, it will pay, as liquidated damages and not as a penalty, an amount equal to the value of the Security Collateral on the date the Collateral Agent shall demand compliance with Section 15(h) above.

Section 16. Expenses. (a) Each Grantor will upon demand pay to the Collateral Agent the amount of any and all reasonable expenses, including, without limitation, the reasonable fees and expenses of its counsel, that the Collateral Agent may incur in connection with (i) the administration of this Agreement, (ii) the custody, preservation, use or operation of, or the sale of, collection from or other realization upon, any of the Collateral of such Grantor, (iii) the exercise or enforcement of any of the rights of the Collateral Agent or the other Secured Parties hereunder or (iv) the failure by such Grantor to perform or observe any of the provisions hereof, in each case, in the manner and to the extent set forth in Section 10.04 of the Credit Agreement.

(b) The parties hereto agree that the Collateral Agent shall be entitled to the benefits of, and the Grantors shall jointly and severally have the indemnification obligations described in, Section 10.05 of the Credit Agreement.

(c) Any such amounts payable as provided hereunder shall be additional Secured Obligations secured hereby and by the other Secured Documents. The provisions of this Section 16 shall remain operative and in full force and effect regardless of the termination of this Agreement or any other Loan Document, the repayment of any of the Secured Obligations, the invalidity or unenforceability of any term or provision of this Agreement or any other Loan Document, any resignation of the Collateral Agent, or any investigation made by or on behalf of the Collateral Agent or any Secured Party. Grantors shall promptly pay or promptly reimburse the Collateral Agent and each Secured Party, as applicable, for all amounts due under this Section 16.

Section 17. Amendments; Waivers; Additional Grantors; Etc. (a) Subject to Section 10.01 of the Credit Agreement, no amendment or waiver of any provision of this Agreement, and no consent to any departure by any Grantor herefrom, shall in any event be effective unless the same shall be in writing and signed by the Collateral Agent, and then such waiver or consent shall be effective only in the specific instance and for the specific purpose for which given. No failure on the part of the Collateral Agent or any other Secured Party to exercise, and no delay in exercising any right hereunder, shall operate as a waiver thereof; nor shall any single or partial exercise of any such right preclude any other or further exercise thereof or the exercise of any other right.

(b) Upon the execution and delivery, or authentication, by any Person of a security agreement supplement in substantially the form of Exhibit A hereto (each a "Security Agreement Supplement"), (i) such Person shall be referred to as an "Additional Grantor" and shall be and become a Grantor hereunder, and each reference in this Agreement, the other Loan Documents and any Secured Cash Management Agreement or Secured Hedge Agreement, to "Grantor" shall also mean and be a reference to such Additional Grantor, and each reference in this Agreement, the other Loan Documents and any Secured Cash Management Agreement or Secured Hedge Agreement, to "Collateral" shall also mean and be a reference to the Collateral of such Additional Grantor, and (ii) the supplemental schedules I through VI attached to each Security Agreement Supplement shall be incorporated into and become a part of and supplement

Schedules I through VI, respectively, hereto, and the Collateral Agent may attach such supplemental schedules to such Schedules; and each reference to such Schedules shall mean and be a reference to such Schedules as supplemented pursuant to each Security Agreement Supplement.

Section 18. Notices, Etc. All notices and other communications provided for hereunder shall be in writing (including telegraphic, telecopy or telex communication or facsimile transmission) and mailed, telegraphed, telecopied, telexed, faxed or delivered to it, if to any Grantor, addressed to it in care of the Dutch Borrower's address specified in Section 10.02 of the Credit Agreement, if to the Collateral Agent, at its address specified in Section 10.02 of the Credit Agreement. All such notices and other communications shall be deemed to be given or made at such time as shall be set forth in Section 10.02 of the Credit Agreement. Delivery by telecopier or in .pdf or similar format by electronic mail of an executed counterpart of any amendment or waiver of any provision of this Agreement or of any Security Agreement Supplement or Schedule hereto shall be effective as delivery of an original executed counterpart thereof.

Section 19. Continuing Security Interest; Assignments under the Credit Agreement. This Agreement shall create a continuing security interest in, and continuing pledge and assignment by way of security of, the Collateral and shall (a) remain in full force and effect until the termination of the Aggregate Commitments and the payment in full in cash of the Secured Obligations (other than (A) contingent indemnification obligations as to which no claim has been asserted and (B) obligations and liabilities under Secured Cash Management Agreements and Secured Hedge Agreements as to which arrangements satisfactory to the applicable Cash Management Bank or Hedge Bank shall have been made) and the termination or expiration of all Letters of Credit (other than Letters of Credit which have been Cash Collateralized), (b) be binding upon each Grantor, its successors and assigns and (c) inure, together with the rights and remedies of the Collateral Agent hereunder, to the benefit of the Secured Parties and their respective successors, transferees and assigns. Without limiting the generality of the foregoing clause (c), any Lender may assign or otherwise transfer all or any portion of its rights and obligations under the Credit Agreement (including, without limitation, all or any portion of its Commitments, the Loans owing to it and the Note or Notes, if any, held by it) to any other Person, and such other Person shall thereupon become vested with all the benefits in respect thereof granted to such Lender herein or otherwise, in each case as provided in Section 10.07 of the Credit Agreement.

Section 20. Amalgamation. Each Grantor acknowledges and agrees that in the event it amalgamates with any other corporation or corporations, it is the intention of the parties that (i) the pledge and assignment made in Section 1, and the security interest granted in Section 1, extend to: (A) all of the property and undertaking that any of the amalgamating corporations then owns, (B) all of the property and undertaking that the amalgamated corporation thereafter acquires, (C) all of the property and undertaking in which any of the amalgamating corporations then has any interest and (D) all of the property and undertaking in which the amalgamated corporation thereafter acquires any interest; and (ii) secures the payment and performance of all debts, liabilities and obligations, present or future, direct or indirect, absolute or contingent, matured or unmatured, at any time or from time to time due or accruing due and owing by or otherwise payable by each of the amalgamating corporations and the amalgamated corporation to

the Secured Parties in any currency, under, in connection with or pursuant to the Credit Agreement and any other Secured Document to which any of the amalgamating corporations is a party, and whether incurred alone or jointly with another or others and whether as principal, guarantor or surety and whether incurred prior to, at the time of or subsequent to the amalgamation; provided, notwithstanding anything to the contrary contained in the foregoing clauses of this Section 20, for clarification, the pledge and assignment made and grant of security interest hereunder shall not apply to Excluded Property. The pledge and assignment made in Section 1, and the security interest granted in Section 1, attach to the additional Collateral at the time of amalgamation and to any Collateral thereafter owned or acquired by the amalgamated corporation when such becomes owned or is acquired. Upon any such amalgamation, the defined term "Grantor" means, collectively, each of the amalgamating corporations and the amalgamated corporation, the defined term "Collateral" means all of the property and undertaking described in (i) of this Section 20, and the defined term "Secured Obligations" means the debts, liabilities and obligations described in (ii) of this Section 20.

Section 21. Release; Termination. (a) Upon any sale, transfer or other disposition of any item of Collateral of any Grantor permitted by, and in accordance with, the terms of the Loan Documents to a Person that is not a Loan Party or in connection with any other release of the Liens on the Collateral provided for in Section 9.11 of the Credit Agreement, the Collateral Agent will, at such Grantor's expense, execute and deliver without recourse and without any representation or warranty of any kind (either express or implied) to such Grantor such documents as such Grantor shall reasonably request to evidence the release of such item of Collateral from the assignment and security interest granted hereby; provided, however, that such Grantor shall have delivered to the Collateral Agent a written request for release, together with a form of release for execution by the Collateral Agent, a certificate of such Grantor to the effect that the transaction is in compliance with the Loan Documents and such other supporting information as the Collateral Agent may reasonably request.

(b) Upon the termination of the Aggregate Commitments and the payment in full in cash of the Secured Obligations (other than (A) contingent indemnification obligations as to which no claim has been asserted and (B) obligations and liabilities under Secured Cash Management Agreements and Secured Hedge Agreements as to which arrangements satisfactory to the applicable Cash Management Bank or Hedge Bank shall have been made) and the termination or expiration of all Letters of Credit (other than Letters of Credit which have been Cash Collateralized), the pledge and assignment made, and security interests granted, hereby shall automatically terminate and all rights to the Collateral shall revert to the applicable Grantor. Upon any such termination, the Collateral Agent will, at the applicable Grantor's expense, execute and deliver to such Grantor such documents as such Grantor shall reasonably request to evidence such termination.

Section 22. Execution in Counterparts. This Agreement may be executed in any number of counterparts, each of which when so executed shall be deemed to be an original and all of which taken together shall constitute one and the same agreement. Delivery of an executed counterpart of a signature page to this Agreement by telecopier or in pdf or similar format by electronic mail shall be effective as delivery of an original executed counterpart of this Agreement.

Section 23. The Mortgages. In the event that any of the Collateral hereunder is also subject to a valid and enforceable Lien under the terms of any Mortgage and the terms of such Mortgage are inconsistent with the terms of this Agreement, then with respect to such Collateral, the terms of such Mortgage shall be controlling in the case of fixtures and real estate leases, letting and licenses of, and contracts and agreements relating to the lease of, real property, and the terms of this Agreement shall be controlling in the case of all other Collateral.

Section 24. Governing Law; Jurisdiction; Etc. (a) THIS AGREEMENT SHALL BE GOVERNED BY, AND CONSTRUED IN ACCORDANCE WITH, THE LAWS OF THE PROVINCE OF ONTARIO AND CANADA APPLICABLE THEREIN, EXCEPT THOSE PROVISIONS HEREOF RELATING TO THE PLEDGE OF SHARES OR OTHER EQUITY INTERESTS IN THE CAPITAL STOCK OF AXALTA (INCLUDING THE RIGHTS AND OBLIGATIONS OF THE PARTIES HERETO RELATING TO SUCH PLEDGE), WHICH PROVISIONS SHALL BE GOVERNED BY THE LAWS OF THE PROVINCE OF NOVA SCOTIA AND CANADA APPLICABLE THEREIN.

(b) EACH PARTY HERETO IRREVOCABLY AND UNCONDITIONALLY SUBMITS, FOR ITSELF AND ITS PROPERTY, TO THE EXCLUSIVE JURISDICTION OF THE COURTS OF THE PROVINCE OF ONTARIO, OR THE COURTS OF THE PROVINCE OF NOVA SCOTIA, WHERE APPLICABLE, IN ANY ACTION OR PROCEEDING ARISING OUT OF OR RELATING TO THIS AGREEMENT, AND EACH OF THE PARTIES HERETO IRREVOCABLY AND UNCONDITIONALLY AGREES THAT ALL CLAIMS IN RESPECT OF ANY SUCH ACTION OR PROCEEDING MAY BE HEARD AND DETERMINED IN SUCH COURTS IN THE PROVINCE OF ONTARIO OR IN THE COURTS OF THE PROVINCE OF NOVA SCOTIA, WHERE APPLICABLE. EACH OF THE PARTIES HERETO AGREES THAT A FINAL JUDGMENT IN ANY SUCH ACTION OR PROCEEDING SHALL BE CONCLUSIVE AND MAY BE ENFORCED IN OTHER JURISDICTIONS BY SUIT ON THE JUDGMENT OR IN ANY OTHER MANNER PROVIDED BY LAW. NOTHING IN THIS AGREEMENT SHALL AFFECT ANY RIGHT THAT THE ADMINISTRATIVE AGENT, THE COLLATERAL AGENT, ANY LENDER OR ANY L/C ISSUER MAY OTHERWISE HAVE TO BRING ANY ACTION OR PROCEEDING RELATING TO THIS AGREEMENT AGAINST THE BORROWERS OR ANY OTHER LOAN PARTY OR ITS PROPERTIES IN THE COURTS OF ANY JURISDICTION.

(c) EACH PARTY HERETO IRREVOCABLY AND UNCONDITIONALLY WAIVES, TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, ANY OBJECTION THAT IT MAY NOW OR HEREAFTER HAVE TO THE LAYING OF VENUE OF ANY ACTION OR PROCEEDING ARISING OUT OF OR RELATING TO THIS AGREEMENT IN ANY COURT REFERRED TO IN PARAGRAPH (B) OF THIS SECTION. EACH OF THE PARTIES HERETO HEREBY IRREVOCABLY WAIVES, TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, THE DEFENSE OF AN INCONVENIENT FORUM TO THE MAINTENANCE OF SUCH ACTION OR PROCEEDING IN ANY SUCH COURT.

(d) EACH PARTY HERETO IRREVOCABLY CONSENTS TO SERVICE OF PROCESS IN THE MANNER PROVIDED FOR NOTICES IN SECTION 10.02 OF THE

CREDIT AGREEMENT. NOTHING IN THIS AGREEMENT WILL AFFECT THE RIGHT OF ANY PARTY HERETO TO SERVE PROCESS IN ANY OTHER MANNER PERMITTED BY APPLICABLE LAW.

(e) EACH PARTY TO THIS AGREEMENT HEREBY EXPRESSLY WAIVES ANY RIGHT TO TRIAL BY JURY OF ANY CLAIM, DEMAND, ACTION OR CAUSE OF ACTION ARISING UNDER THIS AGREEMENT OR IN ANY WAY CONNECTED WITH OR RELATED OR INCIDENTAL TO THE DEALINGS OF THE PARTIES HERETO OR ANY OF THEM WITH RESPECT TO THIS AGREEMENT, OR THE TRANSACTIONS RELATED THERETO, IN EACH CASE WHETHER NOW EXISTING OR HEREAFTER ARISING, AND WHETHER FOUNDED IN CONTRACT OR TORT OR OTHERWISE; AND EACH PARTY HEREBY AGREES AND CONSENTS THAT ANY SUCH CLAIM, DEMAND, ACTION OR CAUSE OF ACTION SHALL BE DECIDED BY COURT TRIAL WITHOUT A JURY, AND THAT ANY PARTY TO THIS AGREEMENT MAY FILE AN ORIGINAL COUNTERPART OR A COPY OF THIS SECTION 24(E) WITH ANY COURT AS WRITTEN EVIDENCE OF THE CONSENT OF THE SIGNATORIES HERETO TO THE WAIVER OF THEIR RIGHT TO TRIAL BY JURY.

Section 25. Intercreditor Agreement. Notwithstanding any provision to the contrary in this Agreement, if any intercreditor agreement is entered into in accordance with Section 9.11 of the Credit Agreement (including the Intercreditor Agreement), in the event of any conflict or inconsistency between the provisions of such intercreditor agreement (including the Intercreditor Agreement) and this Agreement, the provisions of such intercreditor agreement (including the Intercreditor Agreement) shall prevail.

as Collateral Agent

TABLE OF CONTENTS

SECURITY AGREEMENT dated as of May 10, 2013 (as amended, amended and restated, supplemented or otherwise modified from time to time, this "Agreement"), between Axalta Coating Systems Canada Company (formerly known as DuPont Performance Coatings Canada Company), a Nova Scotia unlimited company ("Axalta"), the Additional Grantors (as hereinafter defined) from time to time party hereto (Axalta and such Additional Grantors being, collectively, the "Grantors"), and WILMINGTON TRUST, NATIONAL ASSOCIATION ("Wilmington Trust") as collateral agent (in such capacity, together with any successor collateral agent appointed pursuant to the Euro Notes Indenture referred to below, the "Collateral Agent") for the Secured Parties (as defined in the Euro Notes Indenture referred to below).

PRELIMINARY STATEMENTS

(1) Flash Dutch 2 B.V. (the "Dutch Co-Issuer") and U.S. Coatings Acquisition Inc. (the "U.S. Co-Issuer" and, together with the Dutch Co-Issuer, the "Issuers") have entered into an indenture dated as of February 1, 2013 (such indenture, as it may hereafter be amended, amended and restated, supplemented, replaced, refinanced or otherwise modified from time to time (including any increases of the principal amount of the notes issued thereunder), the "Euro Notes Indenture") with Wilmington Trust, in its capacity as trustee under the Euro Notes Indenture (together with any successor trustee, the "Trustee") and as the Collateral Agent, pursuant to which the Issuers issued €250,000,000 5.750% Senior Secured Notes due 2021 (together with any Additional Notes (as defined in the Euro Notes Indenture) issued from time to time under the Euro Notes Indenture, the "Euro Notes").

(2) Pursuant to the Euro Notes Indenture, the Grantors are entering into this Agreement in order to grant to the Collateral Agent, for the benefit of the Secured Parties, a security interest in, and pledge and assign to the Collateral Agent, for the benefit of the Secured Parties, as continuing collateral security, the Collateral (as hereinafter defined).

(3) It is a post-closing requirement of the Euro Notes Indenture that the Grantors grant the security interests and make the assignments and pledges contemplated by this Agreement pursuant to Section 11.4 of the Euro Notes Indenture.

(4) Each Grantor will derive substantial direct and indirect benefit from the transactions contemplated by the Secured Documents (as defined herein).

(5) Terms defined in the Euro Notes Indenture and not otherwise defined in this Agreement are used in this Agreement as defined in the Euro Notes Indenture. Further, unless otherwise defined in this Agreement or in the Euro Notes Indenture, terms defined in the *Personal Property Security Act* (Ontario) as in effect from time to time in the Province of Ontario ("PPSA") shall have the meanings specified therein; provided, however, that, at any time, if by reason of mandatory provisions of law, any or all of the validity, perfection or priority of the Collateral Agent's and the Secured Parties' security interest in any item or portion of the Collateral is governed by the personal property security laws as in effect in a jurisdiction other than the Province of Ontario, the term "PPSA" shall mean the personal property security laws as

in effect, at such time, in such other jurisdiction for purposes of the provisions hereof relating to such validity, perfection or priority and for purposes of definitions relating to such provisions. In addition, the following terms shall have the following meanings:

NOW, THEREFORE, in consideration of the premises, each Grantor hereby agrees with the Collateral Agent for the benefit of the Secured Parties as follows:

Section 1a. Definitions.

"Applicable Collateral Agent" has the meaning assigned to such term in the Intercreditor Agreement.

"Dollar" and "$" means the lawful currency of the United States.

"Excluded Assets" means, with respect to any Grantor, (a) any fee-owned real property not constituting Material Real Property and any leased real property, (b) motor vehicles and other Goods subject to certificates of title, letters of credit (other than letters of credit that can be perfected by the filing of a PPSA financing statement) with a value not in excess of $7,500,000 in the aggregate, (c) Goods, Intangibles, Investment Property, Instruments, Documents of Title, Chattel Paper and Money, to the extent a security interest in such assets would result in material adverse tax consequences, (d) pledges of, and security interests in, certain Goods, Intangibles, Investment Property, Instruments, Documents of Title, Chattel Paper and Money, in favor of the Collateral Agent which are prohibited by applicable law; provided, that (i) any such limitation described in this clause (d) on the security interests granted hereunder shall only apply to the extent that any such prohibition could not be rendered ineffective pursuant to the PPSA or any other applicable law or principles of equity and shall not apply to any proceeds or receivables thereof, the assignment of which is expressly deemed effective under the PPSA notwithstanding such prohibition and (ii) in the event of the termination or elimination of any such prohibition contained in any applicable law, a security interest in such assets shall be automatically and simultaneously granted under the applicable Secured Documents and shall be included as Collateral, (e) any governmental licenses (but not the proceeds thereof) or state or local franchises, charters and authorizations, to the extent security interests in favor of the Collateral Agent in such licenses, franchises, charters or authorizations are prohibited or restricted thereby after giving effect to the applicable anti-assignment provisions of the PPSA other than proceeds and receivables thereof, the assignment of which is expressly deemed effective under the PPSA notwithstanding such prohibition; provided that (i) any such limitation described in this clause (e) on the security interests granted hereunder shall only apply to the extent that any such prohibition or restriction could not be rendered ineffective pursuant to the PPSA or any other applicable law or principles of equity and (ii) in the event of the termination or elimination of any such prohibition or restriction contained in any applicable license, franchise, charter or authorization, a security interest in such licenses, franchises, charters or authorizations shall be automatically and simultaneously granted under the applicable Secured Documents and shall be included as Collateral, (f) Equity Interests in any Person other than wholly owned Restricted Subsidiaries of the Issuers to the extent not permitted by the terms of such Person's organization documents (excluding any private company restriction contained therein that may be satisfied by resolutions or consents of the directors or shareholders of such Person), (g) any lease, license or other agreement or any Goods subject to a purchase money

security interest or similar arrangement in each case permitted to be incurred under this Agreement, to the extent that a grant of a security interest therein would violate or invalidate such lease, license or agreement or purchase money arrangement or create a right of termination in favor of any other party thereto (other than a Grantor or their wholly owned Subsidiaries), (h) "intent-to-use" trademark applications, (i) any Accounts, Chattel Paper or Instruments sold pursuant to a Permitted Receivables Financing (as defined in the Senior Credit Agreement), and (j) Equity Interests in excess of 65% of the voting capital stock of (A) any Controlled Foreign Subsidiary (as defined in the Senior Credit Agreement) or (B) any FSHCO (as defined in the Senior Credit Agreement). Other Goods, Intangibles, Investment Property, Instruments, Documents of Title, Chattel Paper and Money shall be deemed to be "Excluded Assets" if the Collateral Agent and the Issuers agree in writing that the cost of obtaining or perfecting a security interest in such assets is excessive in relation to the value of such assets as Collateral. Notwithstanding anything herein or the Secured Documents to the contrary, Excluded Assets shall not include any Proceeds, substitutions or replacements of any Excluded Assets (unless such Proceeds, substitutions or replacements would otherwise constitute Excluded Assets referred to above).

"Material Adverse Effect" means (a) a material adverse effect on the business, assets, property, liabilities (actual or contingent), financial condition or results of operations of the Dutch Co-Issuer and the Restricted Subsidiaries, taken as a whole, (b) a material adverse effect on the ability of the Grantors (taken as a whole) to perform their respective obligations under the Euro Notes Indenture, the Euro Notes or any Notes Security Documents or (c) a material adverse effect on the rights and remedies of the Trustee, the Collateral Agent or the Noteholders under the Euro Notes Indenture, the Euro Notes or any Notes Security Documents.

"Material Real Property" means any parcel of real property (other than a parcel with a fair market value of less than $10,000,000) owned in fee by a Grantor and located in Canada; provided, however, that one or more parcels owned in fee by a Grantor and located adjacent to, contiguous with, or in close proximity to, and comprising one property with a common street address, may, in the reasonable discretion of the Collateral Agent, be deemed to be one parcel for the purposes of this definition.

"Mortgage" means the mortgages, deeds of trust or deeds to secure debt with respect to real property that constitutes Collateral, in each case, as the same may be amended, amended and restated, extended, supplemented, substituted or otherwise modified from time to time.

"Perfection Exceptions" means that no Grantor shall be required to (i) enter into control agreements with respect to, or otherwise perfect any security interest by "control" (or similar arrangements) over securities accounts and deposit accounts of such Grantor, (ii) perfect the security interest in the following other than by the filing of a PPSA financing statement in respect of letters of credit, (iii) so long as no Event of Default shall have occurred and be continuing, send notices to account debtors or other contractual third-parties, (iv) enter into any security documents to be governed by the law of any jurisdiction in which assets are located unless such jurisdiction is also the jurisdiction of organization of the person granting such lien or any other grantor or Canada or any province thereof, (v) take any actions contrary to the Guaranty and Security Principles to the extent applicable to such Grantor, or (vi) deliver landlord waivers, estoppels or collateral access letters.

provided, further, that notwithstanding anything to the contrary contained in the foregoing clauses (a) through (p), no Grantor shall be required to (x) take any action or enter into any agreement in contravention of the Perfection Exceptions (determined, solely for the purposes of this Agreement, as if each Grantor was a Grantor organized under the laws of Canada or a Province or Territory thereof) or (y) make any filing with respect to any Intellectual Property Collateral other than filing a financing statement under applicable personal property security laws and filings at the USPTO or USCO and any other U.S. federal governmental authorities and at the CIPO (or such other filings as agreed to by the Dutch Issuer and the Bank Collateral Agent);

provided, further, that the grant of security hereunder in Trade-marks shall be limited to a grant of a security interest therein (and, for clarification, shall not include any "assignment" or "pledge" thereof).

Section 2. Security for Obligations. This Agreement secures, in the case of each Grantor, the payment of all principal, interest (including any interest accruing subsequent to the filing of a petition in bankruptcy, reorganization or similar proceeding at the rate provided for in the documentation with respect thereto, whether or not such interest is an allowed claim under applicable federal, provincial or foreign law), premium, penalties, fees, indemnifications, reimbursements (including, without limitation, reimbursement obligations with respect to letters of credit and bankers' acceptances), damages and other liabilities (including guarantee obligations) in respect of such Grantor, now or hereafter existing under the Euro Notes

Indenture, the Euro Notes, and any and all Notes Security Documents (the foregoing, collectively, the "Secured Obligations" and the Indenture, the Euro Notes and any Notes Security Document, collectively, the "Secured Documents"). Without limiting the generality of the foregoing, this Agreement secures, as to each Grantor, the payment of all amounts that constitute part of the Secured Obligations that would be owed by such Grantor to any Secured Party under the Secured Documents but for the fact that they are unenforceable or not allowable due to the existence of a bankruptcy, reorganization or similar proceeding involving a Grantor.

Each Grantor hereby acknowledges that (1) value has been given, (2) it has rights in the Collateral (other than after acquired Collateral) in which it grants the security interest and makes the assignment and pledge, in each case, hereunder, (3) it has not agreed to postpone the time of attachment of the security interest granted, or the assignment or pledge made, hereunder, and (4) it has received a copy of this Agreement.

Section 3. Grantors Remain Liable. Anything herein to the contrary notwithstanding, (a) each Grantor shall remain liable under its contracts and agreements included in the Collateral to the extent set forth therein to perform all of its duties and obligations thereunder to the same extent as if this Agreement had not been executed, (b) the exercise by the Collateral Agent of any of the rights hereunder shall not release any Grantor from any of its duties or obligations under the contracts and agreements included in the Collateral and (c) no Secured Party shall have any obligation or liability under the contracts and agreements included in the Collateral by reason of this Agreement or any other Secured Document, nor shall any Secured Party be obligated to perform any of the obligations or duties of any Grantor hereunder or thereunder or to take any action to collect or enforce any claim for payment assigned hereunder.

Section 4. Delivery and Control of Security Collateral. (a) All certificates, if any, representing or evidencing the Pledged Interests (other than Equity Interests of non-wholly owned Subsidiaries with a fair market value of less than $7,500,000) and all instruments representing or evidencing the Pledged Debt in an aggregate principal amount in excess of $7,500,000 (other than any short-term intercompany current liabilities incurred in the ordinary course of business and consistent with past practice in connection with the cash management operations of the Dutch Co-Issuer and its Restricted Subsidiaries) shall be promptly delivered to and held by or on behalf of the Collateral Agent pursuant hereto and shall be in suitable form for transfer by delivery, or shall be accompanied by duly executed instruments of transfer or assignment in blank. During the continuation of an Event of Default, the Collateral Agent shall have the right, at any time in its discretion and without notice to any Grantor, unless such Security Collateral is ULC Shares, in which case prior notice to the applicable Grantor shall be required, to (i) transfer to or to register in the name of the Collateral Agent or any of its nominees any or all of the Security Collateral, subject only to the revocable rights specified in Section 11(a), (ii) exchange certificates or instruments representing or evidencing Security Collateral for certificates or instruments of smaller or larger denominations and (iii) convert Security Collateral consisting of Financial Assets credited to any Securities Account to Security Collateral consisting of Financial Assets held directly by the Collateral Agent, and to convert Security Collateral consisting of Financial Assets held directly by the Collateral Agent to Security Collateral consisting of Financial Assets credited to any Securities Account.

(b) With respect to any Security Collateral (other than Equity Interests of non-wholly owned Subsidiaries with a fair market value of less than $7,500,000) in which any Grantor has any right, title or interest and that constitutes an uncertificated security of a Subsidiary, such Grantor will cause the issuer thereof to agree in an authenticated record with such Grantor and the Collateral Agent that such issuer will comply with instructions with respect to such security originated by the Collateral Agent without further consent of such Grantor. During the continuation of an Event of Default, with respect to any Security Collateral in which any Grantor has any right, title or interest and that is not an uncertificated security, promptly upon the request of the Collateral Agent, such Grantor will notify each issuer of Pledged Interests that such Pledged Interests are subject to the security interests granted hereunder.

(c) Each Grantor agrees that (i) to the extent each interest in any limited liability company or limited partnership controlled now or in the future by such Grantor and pledged hereunder is a "security" within the meaning of the PPSA and is governed by the PPSA, such interest shall be certificated and (ii) each such interest shall at all times hereafter continue to be such a security and represented by such certificate. Each Grantor further acknowledges and agrees that with respect to any interest in any limited liability company or limited partnership controlled now or in the future by such Grantor and pledged hereunder that is not a "security" within the meaning of the PPSA, such Grantor shall at no time elect to treat any such interest as a "security" within the meaning of the PPSA, nor shall such interest be represented by a certificate, unless such Grantor provides written notification to the Collateral Agent of such election and such interest is thereafter represented by a certificate that is promptly delivered to the Collateral Agent pursuant to the terms hereof.

(d) During the continuation of an Event of Default, promptly upon the request of the Applicable Collateral Agent, such Grantor will notify each issuer of Pledged Debt that such Pledged Debt is subject to the security interests granted hereunder.

(e) Each Grantor acknowledges that certain of the Collateral may now or in the future consist of shares or other equity interests in the capital stock of an unlimited company or an unlimited liability company ("ULC Shares"), and that it is the intention of the Collateral Agent and each Grantor that neither the Collateral Agent nor any other Secured Party should under any circumstances prior to realization thereon be held to be a "member" or a "shareholder", as applicable, of an unlimited company or an unlimited liability company ("ULC") for the purposes of the *Companies Act* (Nova Scotia), the *Business Corporations Act* (Alberta), the *Business Corporations Act* (British Columbia), and any other present or future laws governing ULCs ("ULC Laws"). Therefore, notwithstanding any provisions to the contrary contained in this Agreement, the Euro Notes Indenture, the Euro Notes, any other Notes Security Document, or any other Secured Document, where any Grantor is the registered owner of ULC Shares which are Collateral, such Grantor will remain the sole registered owner of such ULC Shares until such time as such ULC Shares are effectively transferred into the name of the Collateral Agent, any other Secured Party, or any other Person on the books and records of the applicable ULC. Accordingly, after an Event of Default which shall be continuing, and subject to the terms of the Euro Notes Indenture, such Grantor shall be entitled to receive and retain for its own account any dividend on or other distribution, if any, in respect of such ULC Shares (except for any dividend or distribution comprised of certificated Pledged Interests, which shall be delivered to the Collateral Agent to hold hereunder) and shall have the right to vote such ULC

Shares and to control the direction, management and policies of the applicable ULC to the same extent as such Grantor would if such ULC Shares were not pledged to the Collateral Agent pursuant hereto. Nothing in this Agreement, the Euro Notes Indenture, the Euro Notes, any other Notes Security Document, or any other Secured Document, is intended to, and nothing in this Agreement, the Euro Notes Indenture, the Euro Notes, any other Notes Security Document, or any other Secured Document shall, constitute the Collateral Agent, any other Secured Party, or any other Person other than the Grantor, a member or shareholder (whether listed or unlisted, registered or beneficial) of a ULC for the purposes of any ULC Laws, until such time as notice is given to such Grantor and further steps are taken pursuant hereto or thereto so as to register the Collateral Agent, any other Secured Party, or such other Person, as specified in such notice, as the holder of the ULC Shares. To the extent any provision hereof would have the effect of constituting the Collateral Agent or any other Secured Party as a member or a shareholder, as applicable, of any ULC prior to such time, such provision shall be severed herefrom and shall be ineffective with respect to ULC Shares which are Collateral without otherwise invalidating or rendering unenforceable this Agreement or invalidating or rendering unenforceable such provision insofar as it relates to Collateral which is not ULC Shares. Except upon the exercise of rights of the Collateral Agent to sell, transfer or otherwise dispose of ULC Shares in accordance with this Agreement, the Grantor shall not cause or permit, or enable an issuer of Pledged Interests that is a ULC to cause or permit, the Collateral Agent or any other Secured Party to: (a) be registered as a shareholder or member of such issuer; (b) have any notation entered in their favour in the share register of such issuer; (c) be held out as shareholders or members of such issuer; (d) receive, directly or indirectly, any dividends, property or other distributions from such issuer by reason of the Collateral Agent holding the security interests in the ULC Shares; or (e) act as a shareholder of such issuer, or exercise any rights of a shareholder including the right to attend a meeting of shareholders of such issuer or to vote its ULC Shares. Where the provisions of the Euro Notes Indenture, the Euro Notes, Notes Security Document, or any other Secured Document are inconsistent or contrary to the provisions of this Section 4(e) of this Agreement, the provisions of this Section 4(e) shall govern and apply and such provisions of the Euro Notes Indenture, the Euro Notes, other Notes Security Document, or other Secured Document shall not apply.

Section 5. Maintaining Collateral Accounts; Letters of Credit. So long as any Obligation of either Issuer or any Guarantor shall remain unpaid (other than contingent indemnification obligations as to which no claim has been asserted):

(a) with respect to any Accounts containing Cash Collateral (as defined in the Credit Agreement), each Grantor will maintain such Accounts only with the Collateral Agent or with a commercial bank that has agreed with such Grantor and the Collateral Agent to comply with instructions originated by the Collateral Agent directing the disposition of funds in such accounts without the further consent of such Grantor; and

(b) each Grantor, by granting a security interest in Letters of Credit with a stated amount in excess of $7,500,000 to the Collateral Agent, intends to (and hereby does) collaterally assign to the Collateral Agent its rights (including its contingent rights) to the proceeds of all Letters of Credit of which it is or hereafter becomes a beneficiary or assignee.

(f) except with respect to Holdings and as could not reasonably be expected to have a Material Adverse Effect:

Each Grantor ratifies its authorization for the Collateral Agent to have filed such financing statements, and financing change statements filed prior to the date hereof.

(c) Without limiting the other provisions of this Agreement, at the time of delivery of quarterly financial statements (if requested by the Collateral Agent) or annual financial statements with respect to the preceding fiscal quarter or year pursuant to Section 3.2(a)(i) and (ii) of the Euro Notes Indenture, the U.S. Co-Issuer shall update Schedules I through VI of this Agreement with any changes since the Issue Date or the delivery of the previous quarterly or annual financial statements, as applicable, or confirm that there have been no such changes during such period.

(b) During the continuation of an Event of Default, if Collateral of any Grantor with an aggregate value in excess of $7,500,000 is at any time in the possession or control of a warehouseman, bailee or agent, such Grantor will (i) notify such warehouseman, bailee or agent of the security interest created hereunder and (ii) instruct such warehouseman, bailee or agent to hold all such Collateral solely for the Collateral Agent's account subject only to the Collateral Agent's instructions.

(c) Except as otherwise provided in this Section 9(c), each Grantor will continue to collect, at its own expense, all amounts due or to become due such Grantor under the Accounts. In connection with such collections, such Grantor may take (and, at the Collateral Agent's direction during the continuation of an Event of Default, shall take) such commercially reasonable action as such Grantor (or the Collateral Agent) may deem necessary or advisable to enforce collection thereof; provided, however, that the Collateral Agent shall have the right at any time upon the occurrence and during the continuance of an Event of Default, and upon written notice to such Grantor of its intention to do so, to notify the Debtors under any Accounts, of the assignment of such Accounts to the Collateral Agent and to direct such Debtors to make payment of all amounts due or to become due to such Grantor thereunder directly to the Collateral Agent and, upon such notification and at the expense of such Grantor, to enforce collection of any such Accounts, to adjust, settle or compromise the amount or payment thereof, in the same manner and to the same extent as such Grantor might have done, and to otherwise exercise all rights with respect to such Accounts, including, without limitation, those set forth in the PPSA. After receipt by any Grantor of the notice from the Collateral Agent referred to in the proviso to the preceding sentence, (i) all amounts and proceeds (including, without limitation, instruments) received by such Grantor in respect of the Accounts of such Grantor shall be received in trust for the benefit of the Collateral Agent hereunder, shall be segregated from other funds of such Grantor and shall be either (A) released to such Grantor to the extent permitted under the terms of the Euro Notes Indenture so long as no Event of Default shall have occurred and be continuing or (B) if any Event of Default shall have occurred and be continuing, applied as provided in Section 6.10 of the Euro Notes Indenture and (ii) except with the consent of the Collateral Agent, such Grantor will not adjust, settle or compromise the amount or payment of any Account, release wholly or partly any Debtor thereof, or allow any credit or discount thereon. No Grantor will permit or consent to the subordination of its right to payment under any of the Accounts to any other indebtedness or obligations of the Debtor thereof.

Section 10. As to Intellectual Property Collateral. (a) With respect to each item of its Intellectual Property Collateral registered with, issued by, or applied for with the CIPO, each Grantor agrees to take, at its expense, all commercially reasonable steps, including, without limitation, in the CIPO and any other Canadian federal governmental authority, to (i) maintain the validity and enforceability of such Intellectual Property Collateral and maintain such Intellectual Property Collateral in full force and effect, and (ii) pursue the registration and maintenance of each patent, industrial design, Trade-mark, or copyright registration or application, now or hereafter included in such Intellectual Property Collateral of such Grantor, including, without limitation, the payment of required fees and taxes, the filing of responses to office actions issued by the CIPO or other Canadian federal governmental authorities, the filing of applications for renewal or extension, the filing of affidavits, the filing of divisional, continuation, continuation-in-part, reissue and renewal applications or extensions, the payment of maintenance fees and the participation in interference, reexamination, opposition, cancellation, infringement and misappropriation proceedings, except, in each case, to the extent failure to do so could not reasonably be expected to cause a Material Adverse Effect.

(b) Except as could not reasonably be expected to have a Material Adverse Effect, each Grantor shall use proper statutory notice in connection with its use of Intellectual Property Collateral registered with, issued by, or applied for with the CIPO that is material to the business of each Grantor and its Restricted Subsidiaries. Except as could not be reasonably

expected to have a Material Adverse Effect, no Grantor shall do or permit any act or knowingly omit to do any act whereby any of its Intellectual Property Collateral registered with, issued by, or applied for with the CIPO may lapse or become invalid or unenforceable or placed in the public domain.

(c) Except where failure to do so could not reasonably be expected to cause a Material Adverse Effect, each Grantor shall take all commercially reasonable steps which it or the Collateral Agent (during the continuation of an Event of Default) deems reasonable and appropriate under the circumstances to preserve and protect each item of its Intellectual Property Collateral registered with, issued by, or applied for with the CIPO, including, without limitation, maintaining the quality of any and all products or services used or provided in connection with any of the Trade-marks, consistent with the quality of the products and services as of the date hereof, and taking all steps necessary to ensure that all licensed users of any of the Trade-marks use such consistent standards of quality.

(d) Notwithstanding the foregoing, each Grantor may refrain from taking, or shall be permitted to take, as the case may be, any actions otherwise prohibited or required by the foregoing Section 10 clauses (a) to (c) with respect to Intellectual Property Collateral which it determines in its good faith commercially reasonable business judgment not to be useful to its business or worth protecting or maintaining (including without limitation by abandoning, failing to defend or maintain or causing any such Intellectual Property Collateral to become unenforceable, abandoned, invalidated or publicly available).

(e) With respect to its Intellectual Property Collateral registered with, issued by, or applied for with the USPTO, or USCO and the CIPO, each Grantor agrees to execute or otherwise authenticate an agreement, in substantially the form set forth in Exhibit B hereto (an "Intellectual Property Security Agreement"), for recording the security interest granted hereunder to the Collateral Agent in such Intellectual Property Collateral with the CIPO and any other Canadian federal governmental authorities necessary to perfect or protect in Canada the security interest granted hereunder in such Intellectual Property Collateral.

(f) Without limiting Section 1, each Grantor agrees that should it obtain an ownership interest in any item of the type set forth in Section 1(m) that is not, as of the date hereof, a part of the Intellectual Property Collateral ("After-Acquired Intellectual Property") (i) the provisions of this Agreement shall automatically apply thereto, and (ii) any such After-Acquired Intellectual Property and, in the case of Trade-marks, the goodwill symbolized thereby, shall automatically become part of the Intellectual Property Collateral subject to the terms and conditions of this Agreement with respect thereto. Each Grantor shall execute and deliver to the Collateral Agent, or otherwise authenticate, an agreement substantially in the form of Exhibit C hereto (an "IP Security Agreement Supplement") covering such After-Acquired Intellectual Property, which IP Security Agreement Supplement shall be recorded with the CIPO.

(g) At such time as the Collateral Agent is lawfully entitled to exercise its rights and remedies under Section 16, each Grantor grants to the Collateral Agent an irrevocable, non-exclusive license (exercisable without payment of royalty or other compensation to such Grantor) to use, assign or sublicense any Intellectual Property Collateral in which such Grantor has rights wherever the same may be located, including, without limitation, in such license

access to (i) all media in which any of the licensed items may be recorded or stored, and (ii) all software and computer programs used for compilation or print-out. The license granted under this Section is to enable the Collateral Agent to exercise its rights and remedies under Section 16 and for no other purpose.

Section 11. Voting Rights; Dividends; Etc. (a) So long as no Event of Default shall have occurred and be continuing and, other than in the case of an Event of Default under Section 6.1(v) or (vi) of the Euro Notes Indenture, subject to Section 4(e) hereof, the Collateral Agent has not notified such Grantor of its intent to exercise remedies as set forth below:

(i) each Grantor shall be entitled to exercise any and all voting and other consensual rights pertaining to the Security Collateral of such Grantor or any part thereof for any purpose; provided, however, that such Grantor will not exercise or refrain from exercising any such right in a manner prohibited by the Euro Notes Indenture;

(ii) each Grantor shall be entitled to receive and retain any and all dividends, interest and other distributions paid in respect of the Security Collateral of such Grantor if and to the extent that the payment thereof is not otherwise prohibited by the terms of the Secured Documents; provided, however, that any and all:

(A) dividends, interest and other distributions paid or payable other than in cash in respect of, and instruments and other property received, receivable or otherwise distributed in respect of, or in exchange for, any Security Collateral,

(B) dividends and other distributions paid or payable in cash in respect of any Security Collateral in connection with a partial or total liquidation or dissolution or in connection with a reduction of capital, capital surplus or paid-in-surplus and

(C) cash paid, payable or otherwise distributed in respect of principal of, or in redemption of, or in exchange for, any Security Collateral,

(x) in the case of the foregoing clause (A), any such property distributed in respect of any Security Collateral shall be deemed to constitute acquired property and shall be forthwith delivered to the Collateral Agent as Security Collateral in the same form as so received (with any necessary endorsement) in accordance with the provisions of Section 11.4 of the Euro Notes Indenture and (y) in the case of the foregoing clauses (B) and (C), any such cash distributed in respect of any Security Collateral shall be subject to the provisions of the Euro Notes Indenture applicable to the proceeds of an Asset Sale of property; and

(iii) the Collateral Agent will execute and deliver (or cause to be executed and delivered) to each Grantor all such proxies and other instruments as such Grantor may reasonably request for the purpose of enabling such Grantor to exercise the voting and other rights that it is entitled to exercise pursuant to paragraph (i) above and to receive the dividends or interest payments that it is authorized to receive and retain pursuant to paragraph (ii) above.

(b) Upon the occurrence and during the continuance of an Event of Default:

(i) upon notice to the applicable Grantor (and automatically in the case of clause (y) below to the extent such Event of Default is under Section 6.1(v) or (vi) of the Euro Notes Indenture subject to Section 4(e) hereof), all rights of each Grantor (x) to exercise or refrain from exercising the voting and other consensual rights that it would otherwise be entitled to exercise pursuant to Section 11(a)(i) shall, upon notice to such Grantor by the Collateral Agent, cease and (y) to receive the dividends, interest and other distributions that it would otherwise be authorized to receive and retain pursuant to Section 11(a)(ii) shall automatically cease, and all such rights shall thereupon become vested in the Collateral Agent, which shall thereupon have the sole right to exercise or refrain from exercising such voting and other consensual rights and to receive and hold as Security Collateral such dividends, interest and other distributions; and

(ii) all dividends, interest and other distributions that are received by any Grantor contrary to the provisions of paragraph (i) of this Section 11(b) shall be received in trust for the benefit of the Collateral Agent, shall be segregated from other funds of such Grantor and shall be forthwith paid over to the Collateral Agent as Security Collateral in the same form as so received (with any necessary endorsement).

Section 12. Additional Shares. [reserved]

Section 13. Collateral Agent Appointed Attorney-in-Fact. For valuable consideration, each Grantor hereby irrevocably appoints the Collateral Agent or any Receiver (as defined in Section 16(a)) appointed by the Collateral Agent pursuant to this Agreement such Grantor's attorney-in-fact, with full authority in the place and stead of such Grantor and in the name of such Grantor or otherwise, from time to time, upon the occurrence and during the continuance of an Event of Default, in the Collateral Agent's or such Receiver's discretion, to take any action and to execute any instrument that the Applicable Collateral Agent or such Receiver may deem necessary or advisable to accomplish the purposes of this Agreement (in accordance with this Agreement and each other applicable Secured Document), including, without limitation:

(a) to obtain and adjust insurance required to be paid to the Collateral Agent;

(b) to ask for, demand, collect, sue for, recover, compromise, receive and give acquittance and receipts for moneys due and to become due under or in respect of any of the Collateral;

(c) to receive, endorse and collect any drafts or other instruments, documents and Chattel Paper, in connection with clause (a) or (b) above; and

(d) to file any claims or take any action or institute any proceedings that the Collateral Agent or such Receiver may deem necessary or desirable for the collection of any of the Collateral or otherwise to enforce compliance with the terms and conditions of any Assigned Agreement or the rights of the Collateral Agent with respect to any of the Collateral.

Section 14. Collateral Agent May Perform. If any Grantor fails to perform any agreement contained herein after the expiration or termination of any applicable cure or grace periods, the Collateral Agent may, after providing notice to such Grantor of its intent to do so, but without any obligation to do so, itself perform, or cause performance of, such agreement, and the expenses of the Collateral Agent incurred in connection therewith shall be payable by such Grantor under Section 16.

Section 15. The Collateral Agent's Duties. (a) The powers conferred on the Collateral Agent hereunder are solely to protect the Secured Parties' interest in the Collateral and shall not impose any duty upon it to exercise any such powers. Except for the exercise of reasonable care with respect to the custody of any Collateral in its possession and the accounting for moneys actually received by it hereunder, the Collateral Agent shall have no duty as to any Collateral, as to ascertaining or taking action with respect to calls, conversions, exchanges, maturities, tenders or other matters relative to any Collateral, whether or not any Secured Party has or is deemed to have knowledge of such matters, or as to the taking of any necessary steps to preserve rights against any parties or any other rights pertaining to any Collateral. The Collateral Agent shall be deemed to have exercised reasonable care in the custody and preservation of any Collateral in its possession if such Collateral is accorded treatment substantially equal to that which it accords its own property. It is expressly understood and agreed that the obligations of the Collateral Agent as holder of the Collateral and interests therein and with respect to the disposition thereof, and otherwise under this Agreement, are only those expressly set forth in this Agreement. The Collateral Agent shall act hereunder on the terms and conditions set forth herein.

(b) The Secured Parties and the Collateral Agent have no obligation to keep Collateral in their possession identifiable. The Collateral Agent has no obligation to collect dividends, distributions or interest payable on, or exercise any option or right in connection with, any Collateral. The Collateral Agent has no obligation to protect or preserve any Collateral from depreciating in value or becoming worthless and is released from all responsibility for any loss of value, whether such Collateral is in the possession of, is a security entitlement of, or is subject to the control of the Collateral Agent, a securities intermediary, the Grantor or any other Person.

(c) The Collateral Agent may from time to time, when the Collateral Agent deems it to be necessary, appoint one or more subagents (each a "Subagent") for the Collateral Agent hereunder with respect to all or any part of the Collateral. In the event that the Collateral Agent so appoints any Subagent with respect to any Collateral, (i) the assignment and pledge of such Collateral and the security interest granted in such Collateral by each Grantor hereunder shall be deemed for purposes of this Security Agreement to have been made to such Subagent, in addition to the Collateral Agent, for the ratable benefit of the Secured Parties, as security for the Secured Obligations of such Grantor, (ii) such Subagent shall automatically be vested, in addition to the Collateral Agent, with all rights, powers, privileges, interests and remedies of the Collateral Agent hereunder with respect to such Collateral, and (iii) the term "Collateral Agent," when used herein in relation to any rights, powers, privileges, interests and remedies of the Collateral Agent with respect to such Collateral, shall include such Subagent; provided, however, that no such Subagent shall be authorized to take any action with respect to any such Collateral unless and except to the extent expressly authorized in writing by the Collateral Agent.

Section 16. Remedies. If any Event of Default shall have occurred and be continuing:

(a) The Collateral Agent may appoint or reappoint, by instrument in writing, any Person or Persons, whether an officer or officers or an employee or employees of the Collateral Agent or not, to be an interim receiver, receiver or receivers (hereinafter called a "Receiver", which term when used herein shall include a receiver and manager) of the Collateral and may remove any Receiver so appointed and appoint another in his/her/its stead. Any such Receiver shall, so far as concerns responsibility for his/her/its acts, be deemed the agent of one or more of the Grantors, as applicable, and not of the Collateral Agent or any other Secured Party, and neither the Collateral Agent nor any other Secured Party shall be in any way responsible for any misconduct, negligence or non-feasance on the part of any such Receiver or his/her/its servants, agents or employees other than gross negligence or wilful misconduct. Every such Receiver may, in the discretion of the Collateral Agent, be vested with all or any of the rights and powers of the Collateral Agent. The identity of the Receiver, its replacement and its remuneration shall be within the sole and unfettered discretion of the Collateral Agent.

(b) [Reserved]

(c) The Collateral Agent may exercise in respect of the Collateral, in addition to other rights and remedies provided for herein or otherwise available to it, all the rights and remedies of a secured party upon default under the PPSA (whether or not the PPSA applies to the affected Collateral) and also may: (i) require each Grantor to, and each Grantor hereby agrees that it will at its expense and upon request of the Collateral Agent forthwith, assemble all or part of the Collateral as directed by the Collateral Agent and make it available to the Collateral Agent at a place and time to be designated by the Collateral Agent that is reasonably convenient to both parties; (ii) without notice except as specified below, sell the Collateral or any part thereof in one or more parcels at public or private sale, at any of the Collateral Agent's offices or elsewhere, for cash, on credit or for future delivery, and upon such other terms as the Collateral Agent may deem commercially reasonable; (iii) occupy any premises owned or leased by any of the Grantors where the Collateral or any part thereof is assembled or located for a reasonable period in order to effectuate its rights and remedies hereunder or under law, without obligation to such Grantor in respect of such occupation; and (iv) exercise any and all rights and remedies of any of the Grantors under or in connection with the Collateral, or otherwise in respect of the Collateral, including, without limitation, (A) any and all rights of such Grantor to demand or otherwise require payment of any amount under, or performance of any provision of, the Assigned Agreements, the Accounts and the other Collateral, (B) withdraw, or cause or direct the withdrawal of, all funds with respect to accounts containing Cash Collateral and (C) exercise all other rights and remedies with respect to the Assigned Agreements, the Accounts and the other Collateral, in each case in accordance with the other provisions of this Agreement. Each Grantor agrees that, to the extent notice of sale shall be required by law, at least fifteen days' notice (or such other notice period required by applicable law) to such Grantor of the time and place of any public sale or the time after which any private sale is to be made shall constitute reasonable notification. The Collateral Agent shall not be obligated to make any sale of Collateral regardless of notice of sale having been given. The Collateral Agent may adjourn any public or private sale from time to time by announcement at the time and place fixed therefor, and such sale may, without further notice, be made at the time and place to which it was so adjourned.

(d) All payments received by any Grantor under or in connection with any Assigned Agreement or otherwise in respect of the Collateral shall be received in trust for the benefit of the Collateral Agent, shall be segregated from other funds of such Grantor and shall be forthwith paid over to the Collateral Agent in the same form as so received (with any necessary indorsement).

(e) The Collateral Agent may, without notice to any Grantor except as required by law and at any time or from time to time, charge, set-off and otherwise apply all or any part of the Secured Obligations against any funds held with respect to any Deposit Account of a Grantor that is not an Exempt Deposit Account. For purposes of this Agreement, the term "Deposit Account" means a demand, time, savings, passbook or similar account maintained with an organization that is engaged in the business of banking; and the term "Exempt Deposit Account" shall mean any Deposit Account owned by or in the name of a Grantor with respect to which such Grantor is acting as a fiduciary for another Person who is not a Grantor.

(f) Any cash held by or on behalf of the Collateral Agent and all cash proceeds received by or on behalf of the Collateral Agent in respect of any sale of, collection from, or other realization upon all or any part of the Collateral may, in the discretion of the Collateral Agent, be held by the Collateral Agent as collateral for, and/or then or at any time thereafter applied (after payment of any amounts payable to the Collateral Agent pursuant to Section 16) in whole or in part by the Collateral Agent against, all or any part of the Secured Obligations, in the manner set forth in Section 6.10 of the Euro Notes Indenture. Notwithstanding the foregoing, if an intercreditor agreement (including the Intercreditor Agreement) has been entered into in accordance with Section 11.3 of the Euro Notes Indenture among the holders of the Secured Obligations and holders of any other Indebtedness permitted under the Euro Notes Indenture which provides for the application of proceeds received by the Collateral Agent in respect of any sale of, collection from or other realization upon all or any part of the Collateral, then such proceeds may be applied pursuant to the terms of such intercreditor agreement (including the Intercreditor Agreement).

(g) In the event of any sale or other disposition of any of the Intellectual Property Collateral of any Grantor, the goodwill symbolized by any Trade-marks subject to such sale or other disposition shall be included therein, and such Grantor shall supply to the Collateral Agent or its designee such Grantor's know-how and expertise, and documents and things relating to any Intellectual Property Collateral subject to such sale or other disposition, and such Grantor's customer lists and other records and documents relating to such Intellectual Property Collateral and to the manufacture, distribution, advertising and sale of products and services of such Grantor.

(h) If the Collateral Agent shall determine to exercise its right to sell all or any of the Security Collateral of any Grantor pursuant to this Section 16, each Grantor agrees that, upon request of the Collateral Agent, such Grantor will, at its own expense, do or cause to be done all such other acts and things as may be necessary to make such sale of such Security Collateral or any part thereof valid and binding and in compliance with applicable law.

(i) The Collateral Agent is authorized, in connection with any sale of the Security Collateral pursuant to this Section 16, to deliver or otherwise disclose to any prospective purchaser of the Security Collateral: (i) any registration statement or prospectus, and all supplements and amendments thereto; (ii) any information and projections; and (iii) any other information in its possession relating to such Security Collateral.

(j) Except as otherwise provided in any Notes Security Document, with the written consent of the Trustee and the holders of a majority in aggregate principal amount of the then outstanding Euro Notes, to the extent permitted by any such requirement of law, the Collateral Agent (or any other Person on its behalf) may bid for and become the purchaser (and may pay all or any portion of the purchase price by crediting Obligations against the purchase price) of the Collateral or any item thereof, offered for disposition in accordance with this Section 16 without accountability to the relevant Grantor.

(k) Each Grantor acknowledges the impossibility of ascertaining the amount of damages that would be suffered by the Secured Parties by reason of the failure by such Grantor to perform any of the covenants contained in Section 16(h) above and, consequently, agrees that, if such Grantor shall fail to perform any of such covenants, it will pay, as liquidated damages and not as a penalty, an amount equal to the value of the Security Collateral on the date the Collateral Agent shall demand compliance with Section 16(h) above.

Section 17. Expenses. (a) Each Grantor will upon demand pay to the Collateral Agent the amount of any and all reasonable expenses, including, without limitation, the reasonable fees and expenses of its counsel, that the Collateral Agent may incur in connection with (i) the administration of this Agreement, (ii) the custody, preservation, use or operation of, or the sale of, collection from or other realization upon, any of the Collateral of such Grantor, (iii) the exercise or enforcement of any of the rights of the Collateral Agent or the other Secured Parties hereunder or (iv) the failure by such Grantor to perform or observe any of the provisions hereof, in each case, in the manner and to the extent set forth in Section 7.6 of the Euro Notes Indenture.

(b) The parties hereto agree that the Collateral Agent shall be entitled to the benefits of, and the Grantors shall jointly and severally have the indemnification obligations described in, Section 7.6 of the Euro Notes Indenture.

(c) Any such amounts payable as provided hereunder shall be additional Secured Obligations secured hereby and by the other Secured Documents. The provisions of this Section 17 shall remain operative and in full force and effect regardless of the termination of this Agreement or any other Secured Document, the repayment of any of the Secured Obligations, the invalidity or unenforceability of any term or provision of this Agreement or any other Secured Document, any resignation of the Collateral Agent, or any investigation made by or on behalf of the Collateral Agent or any Secured Party. Grantors shall promptly pay or promptly reimburse the Collateral Agent and each Secured Party, as applicable, for all amounts due under this Section 17.

Section 18. Amendments; Waivers; Additional Grantors; Etc. (a) Subject to Article IX of the Euro Notes Indenture, no amendment or waiver of any provision of this

Agreement, and no consent to any departure by any Grantor herefrom, shall in any event be effective unless the same shall be in writing and signed by the Collateral Agent, and then such waiver or consent shall be effective only in the specific instance and for the specific purpose for which given. No failure on the part of the Collateral Agent or any other Secured Party to exercise, and no delay in exercising any right hereunder, shall operate as a waiver thereof; nor shall any single or partial exercise of any such right preclude any other or further exercise thereof or the exercise of any other right.

(b) Upon the execution and delivery, or authentication, by any Person of a security agreement supplement in substantially the form of Exhibit A hereto (each a "Security Agreement Supplement"), (i) such Person shall be referred to as an "Additional Grantor" and shall be and become a Grantor hereunder, and each reference in this Agreement and the other Secured Documents to "Grantor" shall also mean and be a reference to such Additional Grantor, and each reference in this Agreement, and the other Secured Documents, to "Collateral" shall also mean and be a reference to the Collateral of such Additional Grantor, and (ii) the supplemental schedules I through VI attached to each Security Agreement Supplement shall be incorporated into and become a part of and supplement Schedules I through VI, respectively, hereto, and the Collateral Agent may attach such supplemental schedules to such Schedules; and each reference to such Schedules shall mean and be a reference to such Schedules as supplemented pursuant to each Security Agreement Supplement.

All such notices and other communications shall be deemed to be given or made at such time as shall be set forth in Section 12.1 of the Euro Notes Indenture. 2.3.2 more generally all Securities, other than shares, issued by the Company, of which it becomes the owner other than any such shares not required to be pledged pursuant to the Credit Agreement and the Secured Notes Indenture.

3. CREATION OF THE PLEDGE

3.1 On the date of this Agreement, the Pledgor shall execute the Statement of Pledge and deliver to the Notes Foreign Collateral Agent an original copy of the same.

Promptly upon execution, the Pledgor shall also deliver (i) to the Securities Account Holder an original copy of the Statement of Pledge and (ii) to the Cash Account Holder a copy of the Statement of Pledge and a copy of this Agreement, and shall (x) cause the Securities Account Holder, who hereby agrees, and (y) instruct the Cash Account Holder, as applicable, to:

3.2.1 promptly deliver to the Notes Foreign Collateral Agent a Certificate of Pledge of those subsequently Pledged Securities.

3.3 The Securities Account Holder shall take all necessary steps so that (i) the Pledge over the Securities Account and (ii) the Pledged Securities credited in the Securities Account, are recorded in the Company’s register of shareholders.

4. VOTING RIGHTS AND CASH DISTRIBUTIONS

4.1 Use of voting rights

In any appropriate shareholders' meeting the Pledgor shall be entitled to vote for any resolution in a way which it sees fit, provided, however, that the Pledgor will not exercise or refrain from exercising any such right in a manner prohibited by the Credit Documents.

4.2 Cash Distributions

Until the term of the Pledge, all Cash Distributions denominated in any currency arising from the Pledged Securities from time to time shall immediately be credited by the Securities Account Holder to the Cash Account, which the Securities Account Holder agrees to do.

4.1.1 Availability of Cash Distributions prior to an Enforcement Event

Prior to the occurrence of an Enforcement Event and in respect of which a notice has been served in accordance with Clause 4.1.2 (Unavailability of Cash Distributions after an Enforcement Event), the Pledgor shall be free, subject to the terms of the Credit Documents and Clause 5 (Repayment or Redemption of Pledged Securities), to use any amounts standing to the credit of the Cash Account, provided however that the Cash Account may never present a debit balance.

4.1.2 Unavailability of Cash Distributions after an Enforcement Event Upon the occurrence of an Enforcement Event, the amounts standing to the credit of the Cash Account will become unavailable to the Pledgor. To that effect, the Notes Foreign Collateral Agent will be entitled (and the Pledgor hereby expressly gives irrevocable mandate to the Notes Foreign Collateral Agent to that effect) to notify the same to the Cash Account Holder and the Pledgor by notice, a form of which is set out in Schedule 4 (Form of Notice of the Occurrence of an Enforcement Event), requesting the Cash Account Holder to freeze the Cash Account, until a notice to the contrary is received from the Notes Foreign Collateral Agent (upon such Event of Default being remedied or waived, at the satisfaction of the Notes Foreign Collateral Agent), or until the Notes Foreign Collateral Agent requests the transfer to its benefit of the amounts standing to the credit of the Cash Account in accordance with Clause 7.2 (Remedies upon Enforcement Event).

If an Enforcement Event referred to in Clause 4.1.2 (Unavailability of Cash Distributions after an Enforcement Event) above has been remedied or (for any reason whatsoever) ceased to exist to the satisfaction of the Notes Foreign Collateral Agent or if it has been waived in writing, the Notes Foreign Collateral Agent shall promptly notify the same to the Cash Account Holder and to the Pledgor, and the provisions of Clause 4.1.1 (Availability of Cash Distributions prior to an Enforcement Event) above shall apply.

5. REPAYMENT OR REDEMPTION OF PLEDGED SECURITIES

Any amounts resulting from the repayment or redemption of any Pledged Securities permitted under any Credit Document, and more generally, any amounts paid to the Pledgor which represent, by way of substitution or replacement, all or a portion of Pledged Securities, shall immediately be credited to the Cash Account.

6. FURTHER ASSURANCE

6.1 Covenant for further assurance

The Pledgor shall, at its own cost, promptly do all such acts or execute all such documents as the Notes Foreign Collateral Agent may reasonably require (and in such form as the Notes Foreign Collateral Agent may reasonably require):

6.1.1 to perfect the Pledge created or intended to be created under or evidenced by the Pledge Documents;

6.1.2 for the exercise of any rights, powers and remedies of the Notes Foreign Collateral Agent, provided by or pursuant to the Credit Documents or by law; and

6.1.3 following an Enforcement Event, to facilitate the enforcement of the Pledge, without such operation constituting in any manner a novation of the rights or security granted under the Pledge Documents.

The Pledgor shall take all such action reasonably requested by the Notes Foreign Collateral Agent (including making all filings and registrations) necessary for the purpose of the creation, perfection, protection or maintenance of the Pledge conferred or intended to be conferred on the Notes Foreign Collateral Agent by or pursuant to the Pledge Documents.

7. TERM, REMEDIES AND RELEASE OF THE PLEDGE

7.1 Term of the Pledge

The Pledge will remain in full force and effect until such date as the Secured Obligations shall be released in accordance with the provisions of the Intercreditor Agreement. At the request of the Pledgor made after that date, the Notes Foreign Collateral Agent will, at the cost of the Pledgor, promptly execute any documents necessary to release the Pledge.

7.2 Remedies upon Enforcement Event

7.2.1 Exercise of its rights by the Notes Foreign Collateral Agent

At any time after the occurrence of an Enforcement Event, provided that all or part of the Secured Obligations have become due and payable (creance certaine, liquide el exigible) and after a period of three (3) clear days (fours francs) (the last day of such period being the “Transfer Date”) starting on the date on which a written notice (mise en demeure), complying with the provisions of paragraph V of article L.211-20 of the French Code monetaire et financier and of articles D. 211-11 et seq. of the same code, has been sent by recorded delivery to the Pledgor with a copy to the Securities Account Holder and the Cash Account Holder, and if payment in full of the relevant Secured Obligations has not occurred within such period:

(a) the Notes Foreign Collateral Agent will become the owner of the Pledged Securities; and

(b) the Notes Foreign Collateral Agent may transfer to it the amounts standing to the credit of the Cash Account, up to the amount of the Secured Obligations.

The value of the Pledged Securities will be estimated at the Transfer Date by an expert appointed jointly by the Pledgor and the Notes Foreign Collateral Agent without delay, and in any event within eight (8) days following the Transfer Date, on the list of experts listed on the register of the Court of Appeal of Paris (liste des experts pres la Cour d'appel de Paris), under section "Economie et Finance", sub-section "Comptabilite" or "Finances" and the specialisation of which is the valuation of shares ("evaluation de droits sociaux — fusions, scissions et apports"), or any list coming to replace such list.

If the Parties fail to agree on the name of the expert within this period, the expert will be nominated by the President of the Commercial Court of Paris (Tribunal de commerce de Paris) (statuant en la forme des retires) in accordance with the terms of article 1843-4 of the French Code civil, to whom any of the Parties has referred the matter. In all cases, the determination of the expert (the "Valuation") shall be final and binding on the Parties.

The Parties shall cooperate with the Notes Foreign Collateral Agent in connection with any steps necessary for the appointment of an expert and the enforcement of the Notes Foreign Collateral Agent's rights pursuant to the provisions of article 2348 of the French Code civil and this Clause 7.

7.2.2 Rights of the Notes Foreign Collateral Agent discretionary

The Notes Foreign Collateral Agent may elect to exercise, or not, at the time of its choice and at its discretion, the rights conferred upon it by this Clause 7.2 as well as all other rights or actions in relation to the Pledged Assets as may then be permitted by applicable law in France. In particular, in respect of the Pledged Securities, the Notes Foreign Collateral Agent may elect at its choice not to exercise the rights conferred upon it by paragraph 7.2.1 but rather to request the public sale (vente publique) of the Pledged Securities pursuant to article L.521-3 of the French Code de commerce, or the attribution by a court of the Pledged Securities pursuant to article 2347 of the French Code civil.

7.2.3 The amount of the Secured Obligations due and payable by the Pledgor as at the Transfer Date (or any other date of transfer occurring in accordance with this Clause 7.2), will be reduced by the aggregate amount corresponding to the Valuation of the Pledged Securities and the cash held on the Cash Account of which the ownership has been transferred to the Notes Foreign Collateral Agent as set forth above.

If such aggregate amount exceeds the amount of the Secured Obligations due and payable as at the Transfer Date, the difference between those two amounts shall be paid by the Notes Foreign Collateral Agent to the Pledgor no later than thirty (30) days following the receipt by the Notes Foreign Collateral Agent of the Valuation sent by the aforementioned expert.

8. PLEDGOR'S REPRESENTATIONS AND UNDERTAKINGS

The Pledgor makes, on the date hereof, the following representations to, and gives the following undertakings to the benefit of, the Notes Foreign Collateral Agent and acknowledges that the Notes Foreign Collateral Agent has become a party to this Agreement in reliance on these representations and undertakings.

8.1 Representations

8.1.1 Ownership of Pledged Assets

It is the sole legal owner of all the Pledged Assets and has not created any other nantissement (pledge) and has not sold or disposed of, or granted any options or pre-emption rights in respect of any of its rights, in the Pledged Assets (to the extent prohibited under the Credit Documents).

8.1.2 Shares fully paid up

The 12,089,248 shares of the Company initially pledged and listed in the Statement of Pledge are fully paid up and represent 100% of the issued share capital of the Company.

8.1.3 No limitations to transferability of the Pledged Securities

There is in the constitutive documents (statuts) of the Company, or in any other corporate document or in any shareholder agreement or any other agreement between shareholders and third parties, no restriction on the transfer or the registration of the transfer of the Pledged Securities (such as for instance pre-emption clauses (clauses de preemption) or approval clauses (clauses d'agrement) or clauses prohibiting the transfer of the Pledged Securities for a given waiting period).

8.1.4 Reiteration

The representations set out in this Clause 8.1 are deemed to be made by the Pledgor by reference to the facts and circumstances then existing on the date of this Agreement (unless any such representation relates to an earlier date, in which case, such representation is deemed to be made by the Pledgor by reference to the facts and circumstances then existing on such earlier date) and are deemed to be repeated in accordance with the provisions of the Credit Agreement.

8.2 Undertakings

The undertakings in this Clause 8.2 remain in force from the date of this Agreement for so long as this Agreement or the Pledge is in force.

8.2.1 Shares fully paid up

The Pledgor shall pay all amounts due and payable by it in respect of any new shares issued by the Company which it subscribes, as and when requested to do so by the appropriate shareholders' meeting resolution or president's decision.

8.2.2 Claims

The Pledgor shall take all reasonable necessary steps to defend its rights in respect of the Pledged Assets against any claim or demand of any person in order to protect the rights of the Notes Foreign Collateral Agent over the Pledged Assets, and shall inform the Notes Foreign Collateral Agent promptly after becoming aware of the same of any such claim or demand.

8.2.3 Pledged Account

The Pledgor shall not close or transfer:

(a) the Securities Account unless a new Securities Account Holder has been approved by the Notes Foreign Collateral Agent and has agreed in writing to be bound by the terms of this Agreement;

(b) the Cash Account unless a new Cash Account Holder has been approved by the Notes Foreign Collateral Agent, it being specified that, in both cases, any transfer of the Securities Account to a new Securities Account Holder or any transfer of the Cash Account to a new Cash Account Holder shall not impair or affect the Pledge created hereunder.

8.2.4 Information

Without prejudice to article L.211-20 of the French Code monetaire et financier, the Pledgor shall procure, upon the occurrence of an Event of Default, that the Securities Account Holder or the Cash Account Holder provides to Notes Foreign Collateral Agent, upon demand, any such information, reports and records as the Notes Foreign Collateral Agent may require in respect of the Securities Account or the Cash Account as relevant, and the Pledgor shall sign all documents and take all actions necessary in relation thereto.

9. EFFECTIVENESS OF COLLATERAL

9.1 No Waiver

No failure to exercise, nor any delay in exercising, on the part of the Notes Foreign Collateral Agent, any right, power or remedy of the Notes Foreign Collateral Agent provided by this Agreement or by law shall operate as a waiver, nor shall any single or partial exercise of that right, power or remedy prevent any further or other exercise of that or any other right, power or remedy of the Notes Foreign Collateral Agent provided by this Agreement or by law.

9.2 Illegality, Invalidity, Unenforceability

If, at any time, any provision of this Agreement is or becomes illegal, invalid or unenforceable in any respect under the law of any jurisdiction, neither the legality, validity or enforceability of the remaining provisions of this Agreement nor the legality, validity or enforceability of such provision under the law of any other jurisdiction will in any way be affected or impaired.

9.3 Additional security

The Pledge is in addition to, and is not in any way prejudiced by, any other security now or hereafter held by the Notes Foreign Collateral Agent to secure all or part of the Secured Obligations. The Notes Foreign Collateral Agent shall not be obliged, before exercising any rights conferred on it by this Agreement or by law, to exercise or enforce any other rights or security it may have or hold in respect of all or part of the Secured Obligations.

9.4 Amendment to Secured Obligations

The Pledge secures the Secured Obligations as amended from time to time by any amendment agreement to the Credit Agreement, the Secured Notes Indenture or the Intercreditor Agreement, including where such amendment relates to the amount of any facility granted pursuant to the Credit Agreement, or an interest rate. The Pledgor shall at its own cost sign all documents and take all actions necessary to that effect upon request of the Notes Foreign Collateral Agent.

10. EXPENSES AND INDEMNITY

Any expenses, stamp taxes and indemnity incurred shall be paid with respect to section 5.17.(e) (Costs and Expenses; Indemnities) of the Intercreditor Agreement.

11. APPLICATION OF PROCEEDS

All moneys received or recovered by the Notes Foreign Collateral Agent pursuant to the Pledge Documents or the powers conferred by it shall (subject to the claims of any person having prior rights thereto) be applied by the Notes Foreign Collateral Agent in accordance with the order of application in section 5.17.(b) (Application of Proceeds) of the Intercreditor Agreement.

12. ASSIGNMENT

12.1 Permitted Successors

Until the term of the Pledge, all Cash Distributions denominated in any currency arising from the Pledged Securities from time to time shall immediately be credited by the Securities Account Holder to the Cash Account, which the Securities Account Holder agrees to do.

4.1.1 Availability of Cash Distributions prior to an Enforcement Event

Prior to the occurrence of an Enforcement Event and in respect of which a notice has been served in accordance with Clause 4.1.2 (Unavailability of Cash Distributions after an Enforcement Event), the Pledgor shall be free, subject to the terms of the Credit Documents and Clause 5 (Repayment or Redemption of Pledged Securities), to use any amounts standing to the credit of the Cash Account, provided however that the Cash Account may never present a debit balance.

4.1.2 Unavailability of Cash Distributions after an Enforcement Event

Upon the occurrence of an Enforcement Event, the amounts standing to the credit of the Cash Account will become unavailable to the Pledgor. To that effect, the Notes Foreign Collateral Agent will be entitled (and the Pledgor hereby expressly gives irrevocable mandate to the Notes Foreign Collateral Agent to that effect) to notify the same to the Cash Account Holder and the Pledgor by notice, a form of which is set out in Schedule 4 (Form of Notice of the Occurrence of an Enforcement Event), requesting the Cash Account Holder to freeze the Cash Account, until a notice to the contrary is received from the Notes Foreign Collateral Agent (upon such Enforcement Event being remedied or waived, at the satisfaction of the Notes Foreign Collateral Agent), or until the Notes Foreign Collateral Agent requests the transfer to its benefit of the amounts standing to the credit of the Cash Account in accordance with Clause 7.2 (Remedies upon Enforcement Event).

If an Enforcement Event referred to in Clause 4.1.2 (Unavailability of Cash Distributions after an Enforcement Event) above has been remedied or (for any reason whatsoever) ceased to exist to the satisfaction of the Notes Foreign Collateral Agent or if it has been waived in writing, the Notes Foreign Collateral Agent shall promptly notify the same to the Cash Account Holder and to the Pledgor, and the provisions of Clause 4.1.1 (Availability of Cash Distributions prior to an Enforcement Event) above shall apply.

5. REPAYMENT OR REDEMPTION OF PLEDGED SECURITIES

Any amounts resulting from the repayment or redemption of any Pledged Securities permitted under any Credit Document, and more generally, any amounts paid to the Pledgor which represent, by way of substitution or replacement, all or a portion of Pledged Securities, shall immediately be credited to the Cash Account.

6. FURTHER ASSURANCE

6.1 Covenant for further assurance

The Pledgor shall, at its own cost, promptly do all such acts or execute all such documents as the Notes Foreign Collateral Agent may reasonably require (and in such form as the Notes Foreign Collateral Agent may reasonably require):

6.1.1 to perfect the Pledge created or intended to be created under or evidenced by the Pledge Documents;

6.1.2 for the exercise of any rights, powers and remedies of the Notes Foreign Collateral Agent, provided by or pursuant to the Credit Documents or by law; and

6.1.3 following an Enforcement Event, to facilitate the enforcement of the Pledge, without such operation constituting in any manner a novation of the rights or security granted under the Pledge Documents.

The Pledgor shall take all such action reasonably requested by the Notes Foreign Collateral Agent (including making all filings and registrations) necessary for the purpose of the creation, perfection, protection or maintenance of the Pledge conferred or intended to be conferred on the Notes Foreign Collateral Agent by or pursuant to the Pledge Documents.

7. TERM, REMEDIES AND RELEASE OF THE PLEDGE

7.1 Term of the Pledge

The Pledge will remain in full force and effect until such date as the Secured Obligations shall be released in accordance with the provisions of the Intercreditor Agreement. At the request of the Pledgor made after that date, the Notes Foreign Collateral Agent will, at the cost of the Pledgor, promptly execute any documents necessary to release the Pledge.

7.2 Remedies upon Enforcement Event

7.2.1 Exercise of its rights by the Notes Foreign Collateral Agent

At any time after the occurrence of an Enforcement Event, provided that all or part of the Secured Obligations have become due and payable (creance certaine, liquide et exigible) and after a period of three (3) clear days (fours francs) (the last day of such period being the “Transfer Date”) starting on the date on which a written notice (mise en demeure), complying with the provisions of paragraph V of article L.211-20 of the French Code monetaire et financier and of articles D. 211-11 et seq. of the same code, has been sent by recorded delivery to the Pledgor with a copy to the Securities Account Holder and the Cash Account Holder, and if payment in full of the relevant Secured Obligations has not occurred within such period:

(a) the Notes Foreign Collateral Agent will become the owner of the Pledged Securities; and

(b) the Notes Foreign Collateral Agent may transfer to it the amounts standing to the credit of the Cash Account, up to the amount of the Secured Obligations.

The value of the Pledged Securities will be estimated at the Transfer Date by an expert appointed jointly by the Pledgor and the Notes Foreign Collateral Agent without delay, and in any event within eight (8) days following the Transfer Date, on the list of experts listed on the register of the Court of Appeal of Paris (liste des experts pres la Cour d'appel de Paris), under section "Economie et Finance", sub-section "Comptabilite" or "Finances" and the specialisation of which is the valuation of shares ("evaluation de droits sociaux — fusions, scissions et apports"), or any list coming to replace such list.

If the Parties fail to agree on the name of the expert within this period, the expert will be nominated by the President of the Commercial Court of Paris (Tribunal de commerce de Paris) (statuant en la forme des referes) in accordance with the terms of article 1843-4 of the French Code civil, to whom any of the Parties has referred the matter. In all cases, the determination of the expert (the "Valuation") shall be final and binding on the Parties.

The Parties shall cooperate with the Notes Foreign Collateral Agent in connection with any steps necessary for the appointment of an expert and the enforcement of the Notes Foreign Collateral Agent's rights pursuant to the provisions of article 2348 of the French Code civil and this Clause 7.

7.2.2 Rights of the Notes Foreign Collateral Agent discretionary

The Notes Foreign Collateral Agent may elect to exercise, or not, at the time of its choice and at its discretion, the rights conferred upon it by this Clause 7.2 as well as all other rights or actions in relation to the Pledged Assets as may then be permitted by applicable law in France. In particular, in respect of the Pledged Securities, the Notes Foreign Collateral Agent may elect at its choice not to exercise the rights conferred upon it by paragraph 7.2.1 but rather to request the public sale (vente publique) of the Pledged Securities pursuant to article L.521-3 of the French Code de commerce, or the attribution by a court of the Pledged Securities pursuant to article 2347 of the French Code civil.

7.2.3 The amount of the Secured Obligations due and payable by the Pledgor as at the Transfer Date (or any other date of transfer occurring in accordance with this Clause 7.2), will be reduced by the aggregate amount corresponding to the Valuation of the Pledged Securities and the cash held on the Cash Account of which the ownership has been transferred to the Notes Foreign Collateral Agent as set forth above.

If such aggregate amount exceeds the amount of the Secured Obligations due and payable as at the Transfer Date, the difference between those two amounts shall be paid by the Notes Foreign Collateral Agent to the Pledgor no later than thirty (30) days following the receipt by the Notes Foreign Collateral Agent of the Valuation sent by the aforementioned expert.

8. PLEDGOR'S REPRESENTATIONS AND UNDERTAKINGS

The Pledgor makes, on the date hereof, the following representations to, and gives the following undertakings to the benefit of, the Notes Foreign Collateral Agent and acknowledges that the Notes Foreign Collateral Agent has become a party to this Agreement in reliance on these representations and undertakings.

8.1 Representations

8.1.1 Ownership of Pledged Assets

It is the sole legal owner of all the Pledged Assets and has not created any other nantissement (pledge) and has not sold or disposed of, or granted any options or pre-emption rights in respect of any of its rights, in the Pledged Assets (to the extent prohibited under the Credit Documents).

8.1.2 Shares fully paid up

The 108,892 shares of the Company initially pledged and listed in the Statement of Pledge are fully paid up and represent 100% of the issued share capital of the Company.

8.1.3 No limitations to transferability of the Pledged Securities

There is in the constitutive documents (statuts) of the Company, or in any other corporate document or in any shareholder agreement or any other agreement between shareholders and third parties, no restriction on the transfer or the registration of the transfer of the Pledged Securities (such as for instance pre-emption clauses (clauses de preemption) or approval clauses (clauses d'agrement) or clauses prohibiting the transfer of the Pledged Securities for a given waiting period).

8.1.4 Reiteration

The representations set out in this Clause 8.1 are deemed to be made by the Pledgor by reference to the facts and circumstances then existing on the date of this Agreement (unless any such representation relates to an earlier date, in which case, such representation is deemed to be made by the Pledgor by reference to the facts and circumstances then existing on such earlier date) and are deemed to be repeated in accordance with the provisions of the Credit Agreement.

8.2 Undertakings

The undertakings in this Clause 8.2 remain in force from the date of this Agreement for so long as this Agreement or the Pledge is in force.

8.2.1 Shares fully paid up

The Pledgor shall pay all amounts due and payable by it in respect of any new shares issued by the Company which it subscribes, as and when requested to do so by the appropriate shareholders' meeting resolution or president's decision.

8.2.2 Claims

The Pledgor shall take all reasonable necessary steps to defend its rights in respect of the Pledged Assets against any claim or demand of any person in order to protect the rights of the Notes Foreign Collateral Agent over the Pledged Assets, and shall inform the Notes Foreign Collateral Agent promptly after becoming aware of the same of any such claim or demand.

8.2.3 Pledged Account

The Pledgor shall not close or transfer:

(a) the Securities Account unless a new Securities Account Holder has been approved by the Notes Foreign Collateral Agent and has agreed in writing to be bound by the terms of this Agreement;

(b) the Cash Account unless a new Cash Account Holder has been approved by the Notes Foreign Collateral Agent, it being specified that, in both cases, any transfer of the Securities Account to a new Securities Account Holder or any transfer of the Cash Account to a new Cash Account Holder shall not impair or affect the Pledge created hereunder.

8.2.4 Information

Without prejudice to article L.211-20 of the French Code monetaire et financier, the Pledgor shall procure, upon the occurrence of an Event of Default, that the Securities Account Holder or the Cash Account Holder provides to Notes Foreign Collateral Agent, upon demand, any such information, reports and records as the Notes Foreign Collateral Agent may require in respect of the Securities Account or the Cash Account as relevant, and the Pledgor shall sign all documents and take all actions necessary in relation thereto.

9. EFFECTIVENESS OF COLLATERAL

9.1 No Waiver

No failure to exercise, nor any delay in exercising, on the part of the Notes Foreign Collateral Agent, any right, power or remedy of the Notes Foreign Collateral Agent provided by this Agreement or by law shall operate as a waiver, nor shall any single or partial exercise of that right, power or remedy prevent any further or other exercise of that or any other right, power or remedy of the Notes Foreign Collateral Agent provided by this Agreement or by law.

9.2 Illegality, Invalidity, Unenforceability

If, at any time, any provision of this Agreement is or becomes illegal, invalid or unenforceable in any respect under the law of any jurisdiction, neither the legality, validity or enforceability of the remaining provisions of this Agreement nor the legality, validity or enforceability of such provision under the law of any other jurisdiction will in any way be affected or impaired.

9.3 Additional security

The Pledge is in addition to, and is not in any way prejudiced by, any other security now or hereafter held by the Notes Foreign Collateral Agent to secure all or part of the Secured Obligations. The Notes Foreign Collateral Agent shall not be obliged, before exercising any rights conferred on it by this Agreement or by law, to exercise or enforce any other rights or security it may have or hold in respect of all or part of the Secured Obligations.

9.4 Amendment to Secured Obligations

The Pledge secures the Secured Obligations as amended from time to time by any amendment agreement to the Credit Agreement, the Secured Notes Indenture or the Intercreditor Agreement, including where such amendment relates to the amount of any facility granted pursuant to the Credit Agreement, or an interest rate. The Pledgor shall at its own cost sign all documents and take all actions necessary to that effect upon request of the Notes Foreign Collateral Agent.

10. EXPENSES AND INDEMNITY

Any expenses, stamp taxes and indemnity incurred shall be paid with respect to section 5.17.(e) (Costs and Expenses; Indemnities) of the Intercreditor Agreement.

(b) incurred in violation of any of the provisions of the Secured Documents (unless neither with wilful misconduct nor gross negligence)

shall be disregarded.

The Net Assets shall be determined in accordance with the generally accepted accounting principles applicable from time to time in Germany (*Grundsätze ordnungsmäßiger Buchführung*) and be based on the same principles that were applied by the relevant Pledgor (with respect to Pledgor 2, its general partner) in the preparation of its most recent annual balance sheet (*Jahresbilanz*).

"**Protected Capital**" means in relation to a Pledgor the aggregate amount of:

(a) its (with respect to Pledgor 2, its general partner's) share capital (*Stammkapital*) as registered in the commercial register (*Handelsregister*) provided that any increase registered after the date of this Agreement shall not be taken into account unless (i) the increase has been effected out of retained earnings (*Kapitalerhöhung aus Gesellschaftsmitteln*) or such increase has been effected with the prior written consent of any of the Collateral Agents and, in any case, (ii) only to the extent it is fully paid up; and

(b) its (with respect to Pledgor 2, its general partner's) amount of profits (*Gewinne*) which are not available for distribution to its shareholder(s) in accordance with section 268 paragraph 8 HGB.

"**Up-stream and/or Cross-stream Security**" means the Pledges granted by the relevant Pledgor (which, for the purpose of this Clause 7 (*Limitations on Enforcement*), shall also include any other obligation of the relevant Pledgor to reimburse costs or pay indemnities under or in connection with any Secured Document) if and to the extent the Pledges granted by the relevant Pledgor secure the obligations of a Loan Party and/or Notes Party which is a shareholder of the relevant Pledgor (with respect to Pledgor 2, of its general partner) or an affiliated company

(*verbundenes Unternehmen*) of such shareholder within the meaning of section 16, 17 or 18 of the German Stock Corporation Act (*Aktiengesetz*) (other than such Pledgor and its subsidiaries and, in the case of Pledgor 2, the general partner and its subsidiaries), provided that it shall not constitute an Up-stream or Cross-stream Security if and to the extent the Pledges granted by the relevant Pledgor secure amounts outstanding under any Secured Document in relation to any financial accommodation made available under such Secured Document to any Borrower and/or any of the Issuers and on-lent to, or issued for the benefit of, the relevant Pledgor or any of its subsidiaries (and, with respect to Pledgor 2, to, or for the benefit of, its general partner or any of its subsidiaries) and still outstanding from time to time.

This Clause 7 (*Limitation on Enforcement*) applies if and to the extent the Pledges granted by a Pledgor are an Up-stream and/or Cross-stream Security.

7.2 The Pledgees agree that the enforcement of the Pledges granted by the relevant Pledgor shall be limited if:

7.2.1 (and to the extent that) the Pledges constitute an Upstream- and/or Cross- Stream Security; and

7.2.2 the enforcement of the Pledges pursuant to Clause 6 (*Enforcement of the Pledges*) would otherwise

(a) have the effect of reducing the relevant Pledgor's (with respect to Pledgor 2, its general partner's) Net Assets to an amount that is lower than the amount of its (with respect to Pledgor 2, its general partner's) Protected Capital or, if the amount of the Net Assets is already lower than the amount of its (with respect to Pledgor 2, its general partner's) Protected Capital, cause the Net Assets to be further reduced; and

7.2.3 the relevant Pledgor has complied with its obligation to deliver the Management Determination and the Auditor's Determination, in each case together with an up-to-date balance sheet, in accordance with the requirements set out in paragraphs 7.3 and 7.4 below.

The Pledgees shall be

entitled to enforce the Pledges in an amount which pursuant to the Management Determination would not cause the effects set out in paragraph 7.2.2 above (irrespective of whether or not the relevant Collateral Agent agrees with the Management Determination).

7.4 If any Collateral Agent disagrees with the Management Determination, it may within fifteen (15) business days of its receipt request the relevant Pledgor to deliver, at its own cost and expense, within thirty (30) business days of such request an up-to-date balance sheet of the relevant Pledgor (with respect to Pledgor 2, of its general partner), drawn-up by an auditor appointed by the relevant Pledgor in consultation with the relevant Collateral Agent, together with a detailed calculation, based on the provisions of this Agreement, of the amount of the Net Assets and Protected Capital of the relevant Pledgor (with respect to Pledgor 2, its general partner) (the "**Auditor's Determination**"). The Pledgees shall be entitled to enforce the Pledges in an amount which pursuant to the Auditor's Determination would not cause the effects set out in paragraph 7.2.2 above.

7.5 No reduction of the amount enforceable pursuant to this Clause 7 (*Limitations on Enforcement*) will prejudice the right of the Pledgees to continue to enforce the Pledges (subject always to the operation of the limitations set out above at the time of such enforcement) until full satisfaction of the Secured Obligations.

7.6 The Pledgor shall (and, with respect to Pledgor 2, shall procure that its general partner will) do everything commercially justifiable and legally permitted to avoid the enforcement of the pledges becoming limited pursuant to the terms of this Clause 7 (*Limitations on Enforcement*) and shall in particular, after the occurrence and continuation of an Enforcement Event and within three (3) months after a written request of any of the Collateral Agents realise at least at market value any of its (and, with respect to Pledgor 2, any of its general partner's) assets that are not necessary, as determined by the relevant Pledgor in its sole discretion, for its business (*nicht betriebsnotwendig*) (or, with respect to Pledgor 2, that of its general partner) and is shown in its (or, with respect to Pledgor 2, its general partner's) balance sheet with a book value that is in the reasonable opinion of the relevant Collateral Agent significantly lower than the market value.

12.2 The void, invalid or ineffective provision shall be deemed replaced by such valid and effective provision that in legal and economic terms comes closest to what the parties intended or would have intended in accordance with the purpose of this Agreement if they had considered the point at the time of conclusion of this Agreement.

12.3 No failure to exercise, nor any delay in exercising, on the part of the Pledgees, any right or remedy hereunder shall operate as a waiver thereof, nor shall any single or partial exercise of any right or remedy prevent any further or other exercise thereof or

1.2 Construction

In this Agreement:

1.2.1 Capitalised terms used but not defined in this Agreement shall have the meanings ascribed thereto in the Credit Agreement and/or EUR Notes Indenture, as applicable; and

1.2.2 any reference in this Agreement to a "Clause", a "sub-Clause" or a "Schedule" shall, subject to any contrary indication, be construed as a reference to a Clause, a sub-Clause or a Schedule in this Agreement.

1.3 This Agreement is made in the English language. For the avoidance of doubt, the English language version of this Agreement shall prevail over any translation of this Agreement. However, where a German translation of a word or phrase appears in the text of this Agreement, the German translation of such word or phrase shall prevail.

2. ASSIGNMENT

2.1 The Assignor hereby assigns to the Collateral Agent the Receivables.

2.2 The Collateral Agent hereby accepts the assignment of the Receivables.

2.3 The existing Receivables shall pass over to the Collateral Agent on execution of this Agreement, and any future Receivables shall pass over to the Collateral Agent at the date such Receivables come into existence.

3. TRANSFER OF ANCILLARY RIGHTS

The Receivables are assigned to the Collateral Agent together with all accessory security rights (akzessorische Sicherheiten) and ancillary rights (Neben-, Hilfs- und Vorzugsrechte) pursuant to (including by way of analogy) Section 401 of the German Civil Code (Bürgerliches Gesetzbuch). In case of security rights and ancillary rights pertaining to the Receivables and which are not assigned and transferred to the Collateral Agent by operation of law pursuant to Section 401 of the German Civil Code (the "Independent Ancillary Rights"), the Collateral Agent may request at any time and at its sole discretion the assignment and/or transfer (as the case may be) of such Independent Ancillary Rights.

4. PURPOSE OF THE ASSIGNMENT

The assignment hereunder is constituted in order to secure the prompt and complete satisfaction of any and all Secured Obligations. The assignment shall also cover any future extension of the Secured Obligations and the Assignor herewith expressly agrees that the assignment shall secure the Secured Obligations as extended or increased from time to time (including, for the avoidance of doubt, any Incremental Facilities).

5. LIST OF RECEIVABLES

5.1 Within15 (fifteen) business days after the end of each calendar quarter and in addition at any time upon the reasonable request of the Collateral Agent following an Enforcement Event which is continuing, the Assignor shall deliver to the Collateral Agent a list of the Receivables as of the end of the relevant calendar quarter or in case of information delivered upon reasonable request of the Collateral Agent, as of the end of the preceding calendar month, provided that, in relation to Customer

Receivables, such lists to be delivered on a regular quarterly basis shall only be delivered to receivables against customers (Kundenforderungen). This list of the Receivables shall be on a computer disk or in such other form as agreed between the Collateral Agent and the Assignor. The Collateral Agent may in its reasonable discretion request a computer print-out in addition to any other form in which the list may be delivered.

5.2 Unless otherwise agreed, the list of the Receivables referred to in sub-Clause 5.1 shall show the names and addresses of the debtors as well as any outstanding amounts and the due dates for payment. With respect to any Insurance Receivables, the name and address of the insurance holder (Versicherungsnehmer), the name and address of the insurant (Versicherter), the type of insurance and the insurance policy number shall also be included. In addition, the list shall include all unpaid counter claims, if any, which arise from contracts between the Assignor and the relevant debtors, and shall state the exact amount of such unpaid claim, the maturity date and the name of the respective debtor.

5.3 Any list of Receivables referred to in sub-Clauses 5.1 and 5.2 above is provided for information purposes only and if for any reason whatsoever the relevant Receivables are not, or are incompletely, contained in the list presented, then the assignment of the Receivables shall not be affected thereby.

5.4 If the Assignor employs a third party for its bookkeeping and/or data processing, the Assignor hereby authorises the Collateral Agent to obtain any list of Receivables directly from such third party at the Assignor's expense at the same times and under the same conditions as set out in this Clause 5. For the avoidance of doubt, such authorisation does not release the Assignor from its obligation to provide lists of the Receivables to the Collateral Agent under this Clause 5.

6. NOTICE OF ASSIGNMENT OF INSURANCE RECEIVABLES

6.1 The Assignor shall notify by registered mail (Einschreiben mit Rückschein) the relevant debtors of the assignment of the Insurance Receivables constituted hereunder in the form set out in Schedule 6 (Form of Notice for a Disclosed Assignment), within 10 (ten) business days from the date hereof or, with respect to the Insurance Receivables arising from future contracts within 10 (ten) business days from the date of entry into such contract. The Assignor shall send a copy of each dispatched notification letter together with the return receipt (Rückschein) to the Collateral Agent without undue delay (unverzüglich).

6.2 The Assignor shall use its reasonable endeavours to procure that debtors of the the Insurance Receivables acknowledge each notice of assignment and accept the terms of the assignment as set out in Schedule 6 (Form of Notice for a Disclosed Assignment) without undue delay. The Assignor shall provide evidence to the Collateral Agent of any such acknowledgement.

6.3 The Assignor shall deliver to the Collateral Agent dated notification letters in the form of Schedule 5 (Form of Blank Notification Letter) executed in blank within 10 (ten) business days from the date hereof for the purpose of notifying the debtors of the Receivables of this Agreement in accordance with Clause 10. The Collateral Agent is entitled to duplicate such blank notification letters executed by the Assignor.

7. RECEIVABLES UNDER EXTENDED RETENTION OF TITLE ARRANGEMENTS

7.1 If Receivables are assigned pursuant to this Agreement which are subject to extended retention of title arrangements (verlängerter Eigentumsvorbehalt) with any supplier of the Assignor, the assignment shall only become effective upon the termination (Erlöschen) of such extended retention of title. As long as any person is only partly entitled to the Receivables as a result of such person's retention of title arrangement, the assignment of such Receivables to the Collateral Agent hereunder shall be limited to the part of the relevant Receivables to which the Assignor is entitled to, the assignment of the other part shall be effective upon complete termination of the extended retention of title.

7.2 The Assignor hereby assigns to the Collateral Agent its right to reassignment of Receivables assigned to a supplier by reason of an extended retention of title arrangement as well as any contingent claims to the transfer of all proceeds paid out to the supplier, together with all rights pertaining thereto. The same applies to any possible inchoate right (Anwartschaftsrecht) with respect to the assignment of any Receivables which is subject to a dissolving condition (auflösende Bedingung). The Collateral Agent hereby accepts such assignments.

7.3 The Collateral Agent may at any time after the occurrence and during the continuation of an Enforcement Event terminate any retention of title arrangement on behalf of the Assignor by discharging the respective liability of the Assignor towards the relevant supplier. The Assignor will reimburse the Collateral Agent for any costs and expenses so incurred.

8. CHECKS AND BILLS OF EXCHANGE

If payments in respect of the Receivables are made by check or bill of exchange, the ownership in the documents shall pass to the Collateral Agent upon the Assignor acquiring such ownership, and the Assignor hereby assigns to the Collateral Agent, who accepts the assignment, in advance any of its rights arising there from as security for the Secured Obligations. Physical delivery of checks and bills of exchange to the Collateral Agent shall be replaced by an undertaking of the Assignor to hold such checks and bills of exchange in gratuitous custody (unentgeltliche Verwahrung) as direct possessor (unmittelbarer Besitzer) in the meaning of Section 868 of German Civil Code (Bürgerliches Gesetzbuch) for the Collateral Agent (Besitzmittlungsverhältnis) or, if the Assignor does not obtain actual possession of such documents, the Assignor hereby assigns to the Collateral Agent in advance all of its claims for delivery thereof against third parties as security for the Secured Obligations. The Collateral Agent accepts such assignment.

9. COLLECTION OF RECEIVABLES BY THE ASSIGNOR

The Assignor is authorised by the Collateral Agent to deal with (verfügen über) (including to collect (einziehen)) the Receivables and any checks and bills of exchange referenced in Clause 8 (Checks and Bills of Exchange) above in its own name and for its own account in the ordinary course of business and in any way not prohibited under the Secured Documents. The Assignor shall in doing so act with the care of a prudent businessman (Sorgfalt eines ordentlichen Kaufmanns). After the occurrence and during the continuation of an Enforcement Event the Collateral Agent may limit the Authorisation or impose conditions for the exercise of the Authorisation or revoke the Authorisation.

10. ENFORCEMENT

10.1 After the occurrence and during the continuation of an Enforcement Event provided that any of the Secured Obligations has become due and payable, then the Collateral Agent is entitled to enforce its rights under this Agreement, revoke the Authorisation (to the extent it has not been revoked pursuant to Clause 9), notify the debtors and arrange for the collection of the Receivables in its own name and for its own account or arrange for the sale of the Receivables.

10.2 The Collateral Agent will notify the Assignor in writing at least 5 (five) business days prior to the enforcement of any assignment pursuant hereto. No such notice shall be required if (i) the Assignor has generally ceased to make payments or (ii) an application for the institution of insolvency proceedings is filed by or against the Assignor.

10.3 To the extent that the Authorisation is revoked, the Collateral Agent may request that all documents relating to the Receivables be handed over to it and the Assignor hereby agrees to promptly comply with any such request. In the case of checks and bills of exchange, the Assignor hereby further agrees to endorse such documents in blank and to deliver them to the Collateral Agent as soon as reasonably practicable after the occurrence and during the continuation of an Enforcement Event.

10.4 On becoming entitled to enforce the security interest created hereunder in accordance with sub-Clause 10.1 the Collateral Agent may collect the Receivables in total or in part to the extent necessary to satisfy any outstanding Secured Obligations (other than (A) contingent indemnification obligations as to which no claim has been asserted, (B) obligations and liabilities under Secured Cash Management Agreements and Secured Hedge Agreements and (C) letters of credit which have been cash collateralized in accordance with the terms of the Credit Agreement), it being understood that the Collateral Agent shall apply the proceeds of such realisation towards the Secured Obligations in accordance with the Intercreditor Agreement.

10.5 On becoming entitled to enforce the security interest created hereunder in accordance with sub-Clause 10.1, the Collateral Agent may request the Assignor to collect the Receivables for and on behalf of the Collateral Agent and in accordance with the Collateral Agent's instruction. The Assignor shall promptly comply with such request.

10.6 Notwithstanding sub-Clause 10.4, the Collateral Agent may, in its sole discretion, determine which of several security interests (created under this or other security agreements) shall be used to satisfy the Secured Obligations.

10.7 Given the non-accessory nature of this security, the Assignor has no defences of revocation and set-off and no defences based on defences any Obligor might have against the Secured Obligations. The Collateral Agent is not required to proceed against or enforce any other rights or security before enforcing the security created hereunder.

10.8 The Assignor shall not at any time before, on or after an enforcement of the security created hereunder and as a result of the Assignor entering into this Agreement, be entitled to demand indemnification or compensation from any other Obligor or to assign any of these claims unless and until all Secured Obligations (other than (A) contingent indemnification obligations as to which no claim has been asserted, (B) obligations and liabilities under Secured Cash Management Agreements and Secured Hedge Agreements and (C) letters of credit which have been cash collateralized in accordance with the terms of the Credit Agreement)have been fully and finally discharged.

11. LIMITATIONS ON ENFORCEMENT

11.1 Definitions

"Net Assets" means an amount equal to the sum of the amounts of the Assignor's (or, in the case of a GmbH & Co. KG, its general partner's) assets (consisting of all assets which correspond to the items set forth in section 266 paragraph 2 A, B, C, D and E of the German Commercial Code (Handelsgesetzbuch – "HGB")) less the aggregate amount of the Assignor's (or, in the case of a GmbH & Co. KG, its general partner's) liabilities (consisting of all liabilities and liability reserves which correspond to the items set forth in section 266 paragraph 3 B, C, D and E HGB), save that any obligations (Verbindlichkeiten) of the Assignor (and, in the case of a GmbH & Co. KG, of its general partner)

(a) owing to Dutch Co-Borrower and/or any of Dutch Co-Borrower's (formerly Flash Dutch 2 B.V.'s) subsidiaries or any other affiliated company which are subordinated pursuant to section 39 paragraph 1 no. 5 or section 39 paragraph 2 of the German Insolvency Code (Insolvenzordnung) and including obligations under guarantees for obligations which are so subordinated; or

(b) incurred in violation of any of the provisions of the Secured Documents (unless neither with wilful misconduct nor gross negligence)

shall be disregarded.

The Net Assets shall be determined in accordance with the generally accepted accounting principles applicable from time to time in Germany (Grundsätze ordnungsmäßiger Buchführung) and be based on the same principles that were applied by the Assignor (or, in the case of a GmbH & Co. KG, its general partner) in the preparation of its most recent annual balance sheet (Jahresbilanz).

"Protected Capital" means in relation to the Assignor the aggregate amount of:

(a) its (or, where the Assignor is a GmbH & Co. KG, its general partner's) share capital (Stammkapital) as registered in the commercial register (Handelsregister) provided that any increase registered after the date of this Agreement shall not be taken into account unless (i) if the increase has been effected out of retained earnings (Kapitalerhöhung aus Gesellschaftsmitteln) such increase has been effected with the prior written consent of the Collateral Agent and, in any case, (ii) only to the extent it is fully paid up; and

(b) its (or when applicable where the Assignor is a GmbH & Co. KG, its general partner's) amount of profits (Gewinne) which are not available for distribution to its shareholder(s) in accordance with section 268 paragraph 8 HGB.

"Up-stream and/or Cross-stream Security" means the security created hereunder (which, for the purpose of this Clause 11 (Limitations on Enforcement), shall also include any other obligation of the Assignor to reimburse costs or pay indemnities under or in connection with any Secured Document) if and to the extent the security created hereunder secures the obligations of a Loan Party and/or Notes Party which is a shareholder of the Assignor (and/or, in the case of a GmbH & Co. KG, of its general partner) or an affiliated company (verbundenes Unternehmen) of such shareholder within the meaning of section 16, 17 or 18 of the German Stock Corporation Act (Aktiengesetz) (other than the Assignor and its subsidiaries and, in the case of a GmbH & Co. KG, the general partner and its subsidiaries), provided that it shall not constitute an Up-stream or Cross-stream Security if and to the extent the security created hereunder secures amounts outstanding under any Secured Document in relation to any financial accommodation made available under such Secured Document to any Borrower and/or any of the Issuers and on-lent to, or issued for the benefit of, the Assignor or any of its subsidiaries (and, where the relevant Assignor is a GmbH & Co. KG, to, or for the benefit of, its general partner or any of its subsidiaries) and still outstanding from time to time.

This Clause 11 (Limitation on Enforcement) applies if and to the extent the security created hereunder is an Up-stream and/or Cross-stream Security.

11.2 The Collateral Agent agrees that the enforcement of the security created hereunder shall be limited if:

11.2.1 (and to the extent that) the security constitutes an Upstream- and/or Cross- Stream Security; and

11.2.2 the enforcement of the security created hereunder pursuant to Clause 10 (Enforcement) would otherwise

(a) have the effect of reducing the Assignor's (or, where the Assignor is a GmbH & Co. KG, its general partner's) Net Assets to an amount that is lower than the amount of its (or, in the case of a GmbH & Co. KG, its general partner's) Protected Capital or, if the amount of the Net Assets is already lower than the amount of its (or, in the case of a GmbH & Co. KG, its general partner's) Protected Capital, cause the Net Assets to be further reduced; and

(b) thereby give rise to a violation of the capital maintenance requirement as set out in section 30 paragraph 1 of the German Limited Liability Companies Act (Gesetz betreffend die Gesellschaften mit beschränkter Haftung); and

11.2.3 the Assignor has complied with its obligation to deliver the Management Determination and the Auditor's Determination, in each case together with an up-to-date balance sheet, in accordance with the requirements set out in paragraphs 11.3 and 11.4 below.

11.3 Within ten (10) business days after the relevant Assignor's receipt of notice from the Collateral Agent that it intends to enforce the security created hereunder, the Assignor shall provide a certificate signed by its managing director(s) (Geschäftsführer) confirming in writing if and to what extent the security created hereunder is an Up- stream and/or Cross-stream Security and an enforcement of the security would have the effects referred to in paragraph 11.2.2 above (the "Management Determination"). Such confirmation shall comprise an up-to-date balance sheet of the Assignor (and, in the case of a GmbH & Co. KG, its general partner) and a detailed calculation, based on the provisions of this Agreement of the amount of the Net Assets and Protected Capital of the Assignor (or, in the case of a GmbH & Co. KG, its general partner). The Collateral Agent shall be entitled to enforce the security created hereunder in an amount which pursuant to the Management Determination would not cause the effects set out in paragraph 11.2.2 above (irrespective of whether or not the Collateral Agent agrees with the Management Determination).

11.4 If the Collateral Agent disagrees with the Management Determination, it may within fifteen (15) business days of its receipt request the Assignor to deliver, at its own cost and expense, within thirty (30) business days of such request an up-to-date balance sheet of the Assignor (and, in the case of a GmbH & Co. KG, of its general partner), drawn-up by an auditor appointed by the Assignor in consultation with the Collateral Agent, together with a detailed calculation, based on the provisions of this Agreement, of the amount of the Net Assets and Protected Capital of the Assignor (or, in the case of a GmbH & Co. KG, its general partner) (the "Auditor's Determination"). The Collateral Agent shall be entitled to enforce the security created hereunder in an amount which pursuant to the Auditor's Determination would not cause the effects set out in paragraph 11.2.2 above.

11.5 No reduction of the amount enforceable pursuant to this Clause 11 (Limitations on Enforcement) will prejudice the right of the Collateral Agent to continue to enforce the security created hereunder (subject always to the operation of the limitations set out above at the time of such enforcement) until full satisfaction of the claims guaranteed.

11.6 The Assignor shall (and, in the case of a Assignor in the form of a GmbH & Co. KG, shall procure that its general partner will) do everything commercially justifiable and legally permitted to avoid the enforcement of the security created hereunder becoming limited pursuant to the terms of this Clause 11 (Limitations on Enforcement) and shall in particular after the occurrence and continuation of an Enforcement Event and within three (3) months after a written request of the Collateral Agent realise at least at market value any of its (and, in the case of a GmbH & Co. KG, any of its general partner's) assets that are not necessary, as determined by the relevant Assignor in its sole discretion, for its business (nicht betriebsnotwendig) (or, in the case of a GmbH & Co. KG, that of its general partner) and is shown in its (or, in the case of a GmbH & Co. KG, its general partner's) balance sheet with a book value that is in the reasonable opinion of the Collateral Agent significantly lower than the market value.

12. BOOKKEEPING AND DATA-PROCESSING

12.1 The Assignor hereby assigns to the Collateral Agent, who accepts such assignment, any right it has against any third party (in particular any bookkeeping firm or tax consultant) in respect of the return of any proof or documents which the Assignor has handed over to such third party and which are necessary to identify the Receivables. The Assignor undertakes to instruct such third party, upon the occurrence and during the continuation of an Enforcement Event, to provide the Collateral Agent upon demand with such information, proof and documents which are necessary to check, assess or enforce the Receivables.

12.2 Upon the occurrence and during the continuation of an Enforcement Event, the Assignor shall allow the Collateral Agent access to any electronic data-processing system, including peripheral equipment, in which data concerning the Receivables or any part thereof have been stored. Moreover, the Assignor shall provide any assistance required to the Collateral Agent (including by making software operators available). The Assignor hereby assigns to the Collateral Agent, who accepts such assignment, all its rights against any third party which handles the electronic processing of data concerning the Receivables and undertakes to instruct such third party, upon a respective demand of the Collateral Agent following the occurrence and during the continuation of an Enforcement Event, to handle the processing of data for the Collateral Agent as it did for the Assignor provided that the Assignor shall continue to be given access to any data it requires in its ordinary course of business. The Collateral Agent hereby agrees, to the same extent required of the Assignor as a user of such electronic data-processing systems, to maintain and take reasonable measures to protect the confidentiality of any information relating to proprietary information concerning such electronic data-processing systems.

12.3 The Collateral Agent authorises the Assignor to exercise the rights assigned to the Collateral Agent pursuant to sub-Clause 12.1 and 12.2 above at all times prior to the occurrence of an Enforcement Event.

13. REPRESENTATIONS AND WARRANTIES

The Assignor represents and warrants to the Collateral Agent by way of an independent guarantee (selbständiges Garantieversprechen) that:

13.1 except for extended retention of title arrangements (verlängerter Eigentumsvorbehalt) it is the sole unrestricted owner of the Receivables and no other person is entitled to any Receivable as joint creditor (Gesamtgläubiger) or co-creditor (Mitgläubiger);

13.2 the factual information contained in Schedule 2 to Schedule 4 is true, accurate and complete in all material respects;

13.3 the Receivables are unencumbered, except to the extent encumbrances are not prohibited by the Secured Documents;

13.4 substantially all existing Receivables are and all future Receivables will be governed by German law; and

13.5 except for extended retention of title arrangements (verlängerter Eigentumsvorbehalt) the Receivables are assignable (abtretbar) and can be freely assigned by the Assignor.

14. UNDERTAKINGS OF THE ASSIGNOR

During the term of this Agreement, the Assignor undertakes to the Collateral Agent:

14.1 not to take, or participate in, any action which results or might result in a sale, transfer, encumbrance or other disposal of the Receivables or permit to subsist, create or agree to create any security interest or third party right in or over the Receivables, in each case, other than as not prohibited under the terms of this Agreement and/or the Secured Documents;

14.2 to refrain from any acts or omissions, the purpose or effect of which is or would be the material dilution of the value of the Receivables or the Receivables ceasing to be assignable or subjecting any Receivable to any law other than German law other than (i) in the Assignor's ordinary course of business or (ii) as not prohibited under the terms of the Secured Documents; and

14.3 to inform the Collateral Agent without undue delay of any attachment (Pfändung) over any of the Receivables or part thereof and any third parties bringing claims in respect of any of the Receivables or part thereof or any other measures which might impair or jeopardize the Collateral Agent's rights relating to any Receivable or materially impair its value, such notice to be accompanied by any documents the Collateral Agent might need to defend itself against any claim by a third party. In the event of an attachment, the Assignor undertakes to forward to the Collateral Agent without undue delay a copy of the attachment order (Pfändungsbeschluss), any transfer order (Überweisungsbeschluss) and all other documents necessary or expedient for a defence against such attachment. The Assignor shall inform the attaching creditor of the Collateral Agent's security interests without undue delay.

15. POWER OF ATTORNEY

The Assignor, by way of security for its obligations under this Agreement, irrevocably appoints the Collateral Agent to be its attorney (Stellvertreter) to do anything which the Assignor is required to do under this Agreement but has failed to do (and the Collateral Agent may delegate that power on such terms as it sees fit). For this purpose the Assignor relieves the Collateral Agent from the restrictions set out in Section 181 of the German Civil Code. The Collateral Agent shall only be able to exercise this power of attorney upon the occurrence of an Enforcement Event which has not been cured or waived and upon notice to the Assignor in accordance with the Credit Agreement and/or EUR Notes Indenture.

16. DURATION AND INDEPENDENCE

16.1 This Agreement shall create a continuing security and no change, amendment, or supplement whatsoever in the Secured Documents or in any document or agreement relating to any of the Secured Documents shall affect the validity or the scope of this Agreement nor the obligations which are imposed on the Assignor pursuant to it.

16.2 This Agreement is independent from any other security or guarantee which may have been or will be given to the Secured Parties or the Collateral Agent. None of such other security shall prejudice, or shall be prejudiced by, or shall be merged in any way with this Agreement.

16.3 Waiving Section 418 of the German Civil Code (applied by analogy), the Assignor hereby agrees that the security created hereunder shall not be affected by any transfer or assumption of the Secured Obligations to, or by, any third party.

17. RELEASE OF SECURITY (SICHERHEITENFREIGABE)

17.1 Upon complete and irrevocable satisfaction of the Secured Obligations (other than (A) contingent indemnification obligations as to which no claim has been asserted, (B) obligations and liabilities under Secured Cash Management Agreements and Secured Hedge Agreements and (C) letters of credit which have been cash collateralized in accordance with the terms of the Credit Agreement), the Collateral Agent will as soon as reasonably practicable, at the cost and expense of the Assignor, reassign to the Assignor the Receivables and reassign the rights assigned to it pursuant to sub- Clause 12.1 and 12.2, and surrender the excess proceeds, if any, resulting from any realisation thereof. The Collateral Agent will, however, transfer any Receivable or excess proceeds to a third person if so required by law.

17.2 At any time when the total value of the aggregate security granted by the Assignor and the other Obligors to secure the Secured Obligations (the "Security"), which can be expected to be realised in the event of an enforcement of the Security (realisierbarer Wert), more than temporarily exceeds 110% of the Secured Obligations (the "Limit"), the Collateral Agent shall on demand of the Assignor release such part of the Security (Sicherheitenfreigabe) as the Collateral Agent may in its reasonable discretion determine so as to reduce the realisable value of the Security to the Limit.

18. PARTIAL INVALIDITY; WAIVER

18.1 The parties agree that should at any time, any provisions of this Agreement be or become void (nichtig), invalid or due to any reason ineffective (unwirksam) this will indisputably (unwiderlegbar) not affect the validity or effectiveness of the remaining provisions and this Agreement will remain valid and effective, save for the void, invalid or ineffective provisions, without any party having to argue (darlegen) and prove (beweisen) the parties' intent to uphold this Agreement even without the void, invalid or ineffective provisions.

18.2 The void, invalid or ineffective provision shall be deemed replaced by such valid and effective provision that in legal and economic terms comes closest to what the parties intended or would have intended in accordance with the purpose of this Agreement if they had considered the point at the time of conclusion of this Agreement.

18.3 No failure to exercise, nor any delay in exercising, on the part of the Collateral Agent, any right or remedy hereunder shall operate as a waiver thereof, nor shall any single or partial exercise of any right or remedy prevent any further or other exercise thereof or the exercise of any other right or remedy. The rights and remedies provided hereunder are cumulative and not exclusive of any rights or remedies provided by law.

19. AMENDMENTS

Changes and amendments to this Agreement including this Clause 19 shall be made in writing.

1.2 Construction

In this Agreement:

1.2.2 any reference in this Agreement to a "Clause", a "sub-Clause" or a "Schedule" shall, subject to any contrary indication, be construed as a reference to a Clause, a sub-Clause or a Schedule in this Agreement.

1.3 This Agreement is made in the English language. For the avoidance of doubt, the English language version of this Agreement shall prevail over any translation of this Agreement. However, where a German translation of a word or phrase appears in the text of this Agreement, the German translation of such word or phrase shall prevail.

2. ASSIGNMENT

2.1 The Assignor hereby assigns to the Collateral Agent the Receivables.

2.2 The Collateral Agent hereby accepts the assignment of the Receivables.

2.3 The existing Receivables shall pass over to the Collateral Agent on execution of this Agreement, and any future Receivables shall pass over to the Collateral Agent at the date such Receivables come into existence.

3. TRANSFER OF ANCILLARY RIGHTS

The Receivables are assigned to the Collateral Agent together with all accessory security rights (akzessorische Sicherheiten) and ancillary rights (Neben-, Hilfs- und Vorzugsrechte) pursuant to (including by way of analogy) Section 401 of the German Civil Code (Bürgerliches Gesetzbuch). In case of security rights and ancillary rights pertaining to the Receivables and which are not assigned and transferred to the Collateral Agent by operation of law pursuant to Section 401 of the German Civil Code (the "Independent Ancillary Rights"), the Collateral Agent may request at any time and at its sole discretion the assignment and/or transfer (as the case may be) of such Independent Ancillary Rights.

4. PURPOSE OF THE ASSIGNMENT

The assignment hereunder is constituted in order to secure the prompt and complete satisfaction of any and all Secured Obligations. The assignment shall also cover any future extension of the Secured Obligations and the Assignor herewith expressly agrees that the assignment shall secure the Secured Obligations as extended or increased from time to time (including, for the avoidance of doubt, any Incremental Facilities).

5. LIST OF RECEIVABLES

5.1 Within 15 (fifteen) business days after the end of each calendar quarter and in addition at any time upon the reasonable request of the Collateral Agent following an Enforcement Event which is continuing, the Assignor shall deliver to the Collateral Agent a list of the Receivables as of the end of the relevant calendar quarter or in case of information delivered upon reasonable request of the Collateral Agent, as of the end of the preceding calendar month. This list of the Receivables shall be on a computer disk or in such other form as agreed between the Collateral Agent and the Assignor. The Collateral Agent may in its reasonable discretion request a computer print-out in addition to any other form in which the list may be delivered.

5.2 Unless otherwise agreed, the list of the Receivables referred to in sub-Clause 5.1 shall show the names and addresses of the debtors as well as any outstanding amounts and the due dates for payment. In addition, the list shall include all unpaid counter claims, if any, which arise from contracts between the Assignor and the relevant debtors, and shall state the exact amount of such unpaid claim, the maturity date and the name of the respective debtor.

5.3 Any list of Receivables referred to in sub-Clauses 5.1 and 5.2 above is provided for information purposes only and if for any reason whatsoever the relevant Receivables are not, or are incompletely, contained in the list presented, then the assignment of the Receivables shall not be affected thereby.

5.4 If the Assignor employs a third party for its bookkeeping and/or data processing, the Assignor hereby authorises the Collateral Agent to obtain any list of Receivables directly from such third party at the Assignor's expense at the same times and under the same conditions as set out in this Clause 5. For the avoidance of doubt, such authorisation does not release the Assignor from its obligation to provide lists of the Receivables to the Collateral Agent under this Clause 5.

6. NOTICE OF ASSIGNMENT

The Assignor shall deliver to the Collateral Agent dated notification letters in the form of Schedule 3 (Form of Blank Notification Letter) executed in blank within 10 (ten) business days from the date hereof for the purpose of notifying the debtors of the Receivables of this Agreement in accordance with Clause 10. The Collateral Agent is entitled to duplicate such blank notification letters executed by the Assignor.

7. RECEIVABLES UNDER EXTENDED RETENTION OF TITLE ARRANGEMENTS

7.1 If Receivables are assigned pursuant to this Agreement which are subject to extended retention of title arrangements (verlängerter Eigentumsvorbehalt) with any supplier of the Assignor, the assignment shall only become effective upon the termination (Erlöschen) of such extended retention of title. As long as any person is only partly entitled to the Receivables as a result of such person's retention of title arrangement, the assignment of such Receivables to the Collateral Agent hereunder shall be limited to the part of the relevant Receivables to which the Assignor is entitled to, the assignment of the other part shall be effective upon complete termination of the extended retention of title.

7.2 The Assignor hereby assigns to the Collateral Agent its right to reassignment of Receivables assigned to a supplier by reason of an extended retention of title arrangement as well as any contingent claims to the transfer of all proceeds paid out to the supplier, together with all rights pertaining thereto. The same applies to any possible inchoate right (Anwartschaftsrecht) with respect to the assignment of any Receivables which is subject to a dissolving condition (auflösende Bedingung). The Collateral Agent hereby accepts such assignments.

7.3 The Collateral Agent may at any time after the occurrence and during the continuation of an Enforcement Event terminate any retention of title arrangement on behalf of the Assignor by discharging the respective liability of the Assignor towards the relevant supplier. The Assignor will reimburse the Collateral Agent for any costs and expenses so incurred.

8. CHECKS AND BILLS OF EXCHANGE

If payments in respect of the Receivables are made by check or bill of exchange, the ownership in the documents shall pass to the Collateral Agent upon the Assignor acquiring such ownership, and the Assignor hereby assigns to the Collateral Agent, who accepts the assignment, in advance any of its rights arising there from as security for the Secured Obligations. Physical delivery of checks and bills of exchange to the Collateral Agent shall be replaced by an undertaking of the Assignor to hold such checks and bills of exchange in gratuitous custody (unentgeltliche Verwahrung) as direct possessor (unmittelbarer Besitzer) in the meaning of Section 868 of German Civil Code (Bürgerliches Gesetzbuch) for the Collateral Agent (Besitzmittlungsverhältnis) or, if the Assignor does not obtain actual possession of such documents, the Assignor hereby assigns to the Collateral Agent in advance all of its claims for delivery thereof against third parties as security for the Secured Obligations. The Collateral Agent accepts such assignment.

9. COLLECTION OF RECEIVABLES BY THE ASSIGNOR

The Assignor is authorised by the Collateral Agent to deal with (verfügen über) (including to collect (einziehen)) the Receivables and any checks and bills of exchange referenced in Clause 8 (Checks and Bills of Exchange) above in its own name and for its own account in the ordinary course of business and in any way not prohibited under the Secured Documents. The Assignor shall in doing so act with the care of a prudent businessman (Sorgfalt eines ordentlichen Kaufmanns). After the occurrence and during the continuation of an Enforcement Event the Collateral Agent may limit the Authorisation or impose conditions for the exercise of the Authorisation or revoke the Authorisation.

10. ENFORCEMENT

10.1 After the occurrence and during the continuation of an Enforcement Event provided that any of the Secured Obligations has become due and payable, then the Collateral Agent is entitled to enforce its rights under this Agreement, revoke the Authorisation (to the extent it has not been revoked pursuant to Clause 9), notify the debtors and arrange for the collection of the Receivables in its own name and for its own account or arrange for the sale of the Receivables.

10.2 The Collateral Agent will notify the Assignor in writing at least 5 (five) business days prior to the enforcement of any assignment pursuant hereto. No such notice shall be required if (i) the Assignor has generally ceased to make payments or (ii) an application for the institution of insolvency proceedings is filed by or against the Assignor.

10.3 To the extent that the Authorisation is revoked, the Collateral Agent may request that all documents relating to the Receivables be handed over to it and the Assignor hereby agrees to promptly comply with any such request. In the case of checks and bills of exchange, the Assignor hereby further agrees to endorse such documents in blank and to deliver them to the Collateral Agent as soon as reasonably practicable after the occurrence and during the continuation of an Enforcement Event.

10.4 On becoming entitled to enforce the security interest created hereunder in accordance with sub-Clause 10.1 the Collateral Agent may collect the Receivables in total or in part to the extent necessary to satisfy any outstanding Secured Obligations (other than (A) contingent indemnification obligations as to which no claim has been asserted, (B) obligations and liabilities under Secured Cash Management Agreements and Secured Hedge Agreements and (C) letters of credit which have been cash collateralized in accordance with the terms of the Credit Agreement), it being understood that the Collateral Agent shall apply the proceeds of such realisation towards the Secured Obligations in accordance with the Intercreditor Agreement.

10.5 On becoming entitled to enforce the security interest created hereunder in accordance with sub-Clause 10.1, the Collateral Agent may request the Assignor to collect the Receivables for and on behalf of the Collateral Agent and in accordance with the Collateral Agent's instruction. The Assignor shall promptly comply with such request.

10.6 Notwithstanding sub-Clause 10.4, the Collateral Agent may, in its sole discretion, determine which of several security interests (created under this or other security agreements) shall be used to satisfy the Secured Obligations.

10.7 Given the non-accessory nature of this security, the Assignor has no defences of revocation and set-off and no defences based on defences any Obligor might have against the Secured Obligations. The Collateral Agent is not required to proceed against or enforce any other rights or security before enforcing the security created hereunder.

10.8 The Assignor shall not at any time before, on or after an enforcement of the security created hereunder and as a result of the Assignor entering into this Agreement, be entitled to demand indemnification or compensation from any other Obligor or to assign any of these claims unless and until all Secured Obligations (other than (A) contingent indemnification obligations as to which no claim has been asserted, (B) obligations and liabilities under Secured Cash Management Agreements and Secured Hedge Agreements and (C) letters of credit which have been cash collateralized in accordance with the terms of the Credit Agreement) have been fully and finally discharged.

11. LIMITATIONS ON ENFORCEMENT

11.1 Definitions

"Net Assets" means an amount equal to the sum of the amounts of the Assignor's (or, in the case of a GmbH & Co. KG, its general partner's) assets (consisting of all assets which correspond to the items set forth in section 266 paragraph 2 A, B, C, D and E of the German Commercial Code (Handelsgesetzbuch – "HGB")) less the aggregate amount of the Assignor's (or, in the case of a GmbH & Co. KG, its general partner's) liabilities (consisting of all liabilities and liability reserves which correspond to the items set forth in section 266 paragraph 3 B, C, D and E HGB), save that any obligations (Verbindlichkeiten) of the Assignor (and, in the case of a GmbH & Co. KG, of its general partner)

(a) owing to Dutch Co-Borrower and/or any of Dutch Co-Borrower's (formerly Flash Dutch 2 B.V.'s) subsidiaries or any other affiliated company which are subordinated pursuant to section 39 paragraph 1 no. 5 or section 39 paragraph 2 of the German Insolvency Code (Insolvenzordnung) and including obligations under guarantees for obligations which are so subordinated; or

(b) incurred in violation of any of the provisions of the Secured Documents (unless neither with wilful misconduct nor gross negligence)

shall be disregarded.

The Net Assets shall be determined in accordance with the generally accepted accounting principles applicable from time to time in Germany (Grundsätze ordnungsmäßiger Buchführung) and be based on the same principles that were applied by the Assignor (or, in the case of a GmbH & Co. KG, its general partner) in the preparation of its most recent annual balance sheet (Jahresbilanz).

"Protected Capital" means in relation to the Assignor the aggregate amount of:

(a) its (or, where the Assignor is a GmbH & Co. KG, its general partner's) share capital (Stammkapital) as registered in the commercial register (Handelsregister) provided that any increase registered after the date of this Agreement shall not be taken into account unless (i) if the increase has been effected out of retained earnings (Kapitalerhöhung aus Gesellschaftsmitteln) such increase has been effected with the prior written consent of the Collateral Agent and, in any case, (ii) only to the extent it is fully paid up; and

(b) its (or when applicable where the Assignor is a GmbH & Co. KG, its general partner's) amount of profits (Gewinne) which are not available for distribution to its shareholder(s) in accordance with section 268 paragraph 8 HGB.

"Up-stream and/or Cross-stream Security" means the security created hereunder (which, for the purpose of this Clause 11 (Limitations on Enforcement), shall also include any other obligation of the Assignor to reimburse costs or pay indemnities under or in connection with any Secured Document) if and to the extent the security created hereunder secures the obligations of a Loan Party and/or Notes Party which is a shareholder of the Assignor (and/or, in the case of a GmbH & Co. KG, of its general partner) or an affiliated company (verbundenes Unternehmen) of such shareholder within the meaning of section 16, 17 or 18 of the German Stock Corporation Act (Aktiengesetz) (other than the Assignor and its subsidiaries and, in the case of a GmbH & Co. KG, the general partner and its subsidiaries), provided that it shall not constitute an Up-stream or Cross-stream Security if and to the extent the security created hereunder secures amounts outstanding under any Secured Document in relation to any financial accommodation made available under such Secured Document to any Borrower and/or any of the Issuers and on-lent to, or issued for the benefit of, the Assignor or any of its subsidiaries (and, where the relevant Assignor is a GmbH & Co. KG, to, or for the benefit of, its general partner or any of its subsidiaries) and still outstanding from time to time.

This Clause 11 (Limitation on Enforcement) applies if and to the extent the security created hereunder is an Up-stream and/or Cross-stream Security.

11.2 The Collateral Agent agrees that the enforcement of the security created hereunder shall be limited if:

11.2.1 (and to the extent that) the security constitutes an Upstream- and/or Cross- Stream Security; and

11.2.2 the enforcement of the security created hereunder pursuant to Clause 10 (Enforcement) would otherwise

(a) have the effect of reducing the Assignor's (or, where the Assignor is a GmbH & Co. KG, its general partner's) Net Assets to an amount that is lower than the amount of its (or, in the case of a GmbH & Co. KG, its general partner's) Protected Capital or, if the amount of the Net Assets is already lower than the amount of its (or, in the case of a GmbH & Co. KG, its general partner's) Protected Capital, cause the Net Assets to be further reduced; and

(b) thereby give rise to a violation of the capital maintenance requirement as set out in section 30 paragraph 1 of the German Limited Liability Companies Act (Gesetz betreffend die Gesellschaften mit beschränkter Haftung); and

11.2.3 the Assignor has complied with its obligation to deliver the Management Determination and the Auditor's Determination, in each case together with an up-to-date balance sheet, in accordance with the requirements set out in paragraphs 11.3 and 11.4 below.

11.3 Within ten (10) business days after the relevant Assignor's receipt of notice from the Collateral Agent that it intends to enforce the security created hereunder, the Assignor shall provide a certificate signed by its managing director(s) (Geschäftsführer) confirming in writing if and to what extent the security created hereunder is an Up- stream and/or Cross-stream Security and an enforcement of the security would have the effects referred to in paragraph 11.2.2 above (the "Management Determination"). Such confirmation shall comprise an up-to-date balance sheet of the Assignor (and, in the case of a GmbH & Co. KG, its general partner) and a detailed calculation, based on the provisions of this Agreement of the amount of the Net Assets and Protected Capital of the Assignor (or, in the case of a GmbH & Co. KG, its general partner). The Collateral Agent shall be entitled to enforce the security created hereunder in an amount which pursuant to the Management Determination would not cause the effects set out in paragraph 11.2.2 above (irrespective of whether or not the Collateral Agent agrees with the Management Determination).

11.4 If the Collateral Agent disagrees with the Management Determination, it may within fifteen (15) business days of its receipt request the Assignor to deliver, at its own cost and expense, within thirty (30) business days of such request an up-to-date balance sheet of the Assignor (and, in the case of a GmbH & Co. KG, of its general partner), drawn-up by an auditor appointed by the Assignor in consultation with the Collateral Agent, together with a detailed calculation, based on the provisions of this Agreement, of the amount of the Net Assets and Protected Capital of the Assignor (or, in the case of a GmbH & Co. KG, its general partner) (the "Auditor's Determination"). The Collateral Agent shall be entitled to enforce the security created hereunder in an amount which pursuant to the Auditor's Determination would not cause the effects set out in paragraph 11.2.2 above.

11.5 No reduction of the amount enforceable pursuant to this Clause 11 (Limitations on Enforcement) will prejudice the right of the Collateral Agent to continue to enforce the security created hereunder (subject always to the operation of the limitations set out above at the time of such enforcement) until full satisfaction of the claims guaranteed.

11.6 The Assignor shall (and, in the case of a Assignor in the form of a GmbH & Co. KG, shall procure that its general partner will) do everything commercially justifiable and legally permitted to avoid the enforcement of the security created hereunder becoming limited pursuant to the terms of this Clause 11 (Limitations on Enforcement) and shall in particular after the occurrence and continuation of an Enforcement Event and within three (3) months after a written request of the Collateral Agent realise at least at market value any of its (and, in the case of a GmbH & Co. KG, any of its general partner's) assets that are not necessary, as determined by the relevant Assignor in its sole discretion, for its business (nicht betriebsnotwendig) (or, in the case of a GmbH & Co. KG, that of its general partner) and is shown in its (or, in the case of a GmbH & Co. KG, its general partner's) balance sheet with a book value that is in the reasonable opinion of the Collateral Agent significantly lower than the market value.

12. BOOKKEEPING AND DATA-PROCESSING

12.1 The Assignor hereby assigns to the Collateral Agent, who accepts such assignment, any right it has against any third party (in particular any bookkeeping firm or tax consultant) in respect of the return of any proof or documents which the Assignor has handed over to such third party and which are necessary to identify the Receivables. The Assignor undertakes to instruct such third party, upon the occurrence and during the continuation of an Enforcement Event, to provide the Collateral Agent upon demand with such information, proof and documents which are necessary to check, assess or enforce the Receivables.

12.2 Upon the occurrence and during the continuation of an Enforcement Event, the Assignor shall allow the Collateral Agent access to any electronic data-processing system, including peripheral equipment, in which data concerning the Receivables or any part thereof have been stored. Moreover, the Assignor shall provide any assistance required to the Collateral Agent (including by making software operators available). The Assignor hereby assigns to the Collateral Agent, who accepts such assignment, all its rights against any third party which handles the electronic processing of data concerning the Receivables and undertakes to instruct such third party, upon a respective demand of the Collateral Agent following the occurrence and during the continuation of an Enforcement Event, to handle the processing of data for the Collateral Agent as it did for the Assignor provided that the Assignor shall continue to be given access to any data it requires in its ordinary course of business. The Collateral Agent hereby agrees, to the same extent required of the Assignor as a user of such electronic data-processing systems, to maintain and take reasonable measures to protect the confidentiality of any information relating to proprietary information concerning such electronic data-processing systems.

12.3 The Collateral Agent authorises the Assignor to exercise the rights assigned to the Collateral Agent pursuant to sub-Clause 12.1 and 12.2 above at all times prior to the occurrence of an Enforcement Event.

13. REPRESENTATIONS AND WARRANTIES

The Assignor represents and warrants to the Collateral Agent by way of an independent guarantee (selbständiges Garantieversprechen) that:

13.1 except for extended retention of title arrangements (verlängerter Eigentumsvorbehalt) it is the sole unrestricted owner of the Receivables and no other person is entitled to any Receivable as joint creditor (Gesamtgläubiger) or co-creditor (Mitgläubiger);

13.2 the factual information contained in Schedule 2 is true, accurate and complete in all material respects;

13.3 the Receivables are unencumbered, except to the extent encumbrances are not prohibited by the Secured Documents;

13.4 substantially all existing Receivables are and all future Receivables will be governed by German law; and

13.5 except for extended retention of title arrangements (verlängerter Eigentumsvorbehalt) the Receivables are assignable (abtretbar) and can be freely assigned by the Assignor.

14. UNDERTAKINGS OF THE ASSIGNOR

During the term of this Agreement, the Assignor undertakes to the Collateral Agent:

14.1 not to take, or participate in, any action which results or might result in a sale, transfer, encumbrance or other disposal of the Receivables or permit to subsist, create or agree to create any security interest or third party right in or over the Receivables, in each case, other than as not prohibited under the terms of this Agreement and/or the Secured Documents;

14.2 to refrain from any acts or omissions, the purpose or effect of which is or would be the material dilution of the value of the Receivables or the Receivables ceasing to be assignable or subjecting any Receivable to any law other than German law other than (i) in the Assignor's ordinary course of business or (ii) as not prohibited under the terms of the Secured Documents; and

14.3 to inform the Collateral Agent without undue delay of any attachment (Pfändung) over any of the Receivables or part thereof and any third parties bringing claims in respect of any of the Receivables or part thereof or any other measures which might impair or jeopardize the Collateral Agent's rights relating to any Receivable or materially impair its value, such notice to be accompanied by any documents the Collateral Agent might need to defend itself against any claim by a third party. In the event of an attachment, the Assignor undertakes to forward to the Collateral Agent without undue delay a copy of the attachment order (Pfändungsbeschluss), any transfer order (Überweisungsbeschluss) and all other documents necessary or expedient for a defence against such attachment. The Assignor shall inform the attaching creditor of the Collateral Agent's security interests without undue delay.

15. POWER OF ATTORNEY

The Assignor, by way of security for its obligations under this Agreement, irrevocably appoints the Collateral Agent to be its attorney (Stellvertreter) to do anything which the Assignor is required to do under this Agreement but has failed to do (and the Collateral Agent may delegate that power on such terms as it sees fit). For this purpose the Assignor relieves the Collateral Agent from the restrictions set out in Section 181 of the German Civil Code. The Collateral Agent shall only be able to exercise this power of attorney upon the occurrence of an Enforcement Event which has not been cured or waived and upon notice to the Assignor in accordance with the Credit Agreement and/or EUR Notes Indenture.

16. DURATION AND INDEPENDENCE

16.1 This Agreement shall create a continuing security and no change, amendment, or supplement whatsoever in the Secured Documents or in any document or agreement relating to any of the Secured Documents shall affect the validity or the scope of this Agreement nor the obligations which are imposed on the Assignor pursuant to it.

16.2 This Agreement is independent from any other security or guarantee which may have been or will be given to the Secured Parties or the Collateral Agent. None of such other security shall prejudice, or shall be prejudiced by, or shall be merged in any way with this Agreement.

16.3 Waiving Section 418 of the German Civil Code (applied by analogy), the Assignor hereby agrees that the security created hereunder shall not be affected by any transfer or assumption of the Secured Obligations to, or by, any third party.

17. RELEASE OF SECURITY (SICHERHEITENFREIGABE)

17.1 Upon complete and irrevocable satisfaction of the Secured Obligations (other than (A) contingent indemnification obligations as to which no claim has been asserted, (B) obligations and liabilities under Secured Cash Management Agreements and Secured Hedge Agreements and (C) letters of credit which have been cash collateralized in accordance with the terms of the Credit Agreement), the Collateral Agent will as soon as reasonably practicable, at the cost and expense of the Assignor, reassign to the Assignor the Receivables and reassign the rights assigned to it pursuant to sub- Clause 12.1 and 12.2, and surrender the excess proceeds, if any, resulting from any realisation thereof. The Collateral Agent will, however, transfer any Receivable or excess proceeds to a third person if so required by law.

17.2 At any time when the total value of the aggregate security granted by the Assignor and the other Obligors to secure the Secured Obligations (the "Security"), which can be expected to be realised in the event of an enforcement of the Security (realisierbarer Wert), more than temporarily exceeds 110% of the Secured Obligations (the "Limit"), the Collateral Agent shall on demand of the Assignor release such part of the Security (Sicherheitenfreigabe) as the Collateral Agent may in its reasonable discretion determine so as to reduce the realisable value of the Security to the Limit.

18. PARTIAL INVALIDITY; WAIVER

18.1 The parties agree that should at any time, any provisions of this Agreement be or become void (nichtig), invalid or due to any reason ineffective (unwirksam) this will indisputably (unwiderlegbar) not affect the validity or effectiveness of the remaining provisions and this Agreement will remain valid and effective, save for the void, invalid or ineffective provisions, without any party having to argue (darlegen) and prove (beweisen) the parties' intent to uphold this Agreement even without the void, invalid or ineffective provisions.

18.2 The void, invalid or ineffective provision shall be deemed replaced by such valid and effective provision that in legal and economic terms comes closest to what the parties intended or would have intended in accordance with the purpose of this Agreement if they had considered the point at the time of conclusion of this Agreement.

18.3 No failure to exercise, nor any delay in exercising, on the part of the Collateral Agent, any right or remedy hereunder shall operate as a waiver thereof, nor shall any single or partial exercise of any right or remedy prevent any further or other exercise thereof or the exercise of any other right or remedy. The rights and remedies provided hereunder are cumulative and not exclusive of any rights or remedies provided by law.

19. AMENDMENTS

Changes and amendments to this Agreement including this Clause 19 shall be made in writing.

4. PURPOSE OF THE ASSIGNMENT

The assignment hereunder is constituted in order to secure the prompt and complete satisfaction of any and all Secured Obligations. The assignment shall also cover any future extension of the Secured Obligations and the Assignor herewith expressly agrees that the assignment shall secure the Secured Obligations as extended or increased from time to time (including, for the avoidance of doubt, any Incremental Facilities).

5. LIST OF RECEIVABLES

5.1 Within 15 (fifteen) business days after the end of each calendar quarter and in addition at any time upon the reasonable request of the Collateral Agent following an Enforcement Event which is continuing, the Assignor shall deliver to the Collateral Agent a list of the Receivables as of the end of the relevant calendar quarter or in case of information delivered upon reasonable request of the Collateral Agent, as of the end of the preceding calendar month, provided that, in relation to Customer Receivables, such lists to be delivered on a regular quarterly basis shall only be delivered to receivables against customers (Kundenforderungen). This list of the Receivables shall be on a computer disk or in such other form as agreed between the Collateral Agent and the Assignor. The Collateral Agent may in its reasonable discretion request a computer print-out in addition to any other form in which the list may be delivered.

5.2 Unless otherwise agreed, the list of the Receivables referred to in sub-Clause 5.1 shall show the names and addresses of the debtors as well as any outstanding amounts and the due dates for payment. With respect to any Insurance Receivables, the name and address of the insurance holder (Versicherungsnehmer), the name and address of the insurant (Versicherter), the type of insurance and the insurance policy number shall also be included. In addition, the list shall include all unpaid counter claims, if any, which arise from contracts between the Assignor and the relevant debtors, and shall state the exact amount of such unpaid claim, the maturity date and the name of the respective debtor.

5.3 Any list of Receivables referred to in sub-Clauses 5.1 and 5.2 above is provided for information purposes only and if for any reason whatsoever the relevant Receivables are not, or are incompletely, contained in the list presented, then the assignment of the Receivables shall not be affected thereby.

5.4 If the Assignor employs a third party for its bookkeeping and/or data processing, the Assignor hereby authorises the Collateral Agent to obtain any list of Receivables directly from such third party at the Assignor's expense at the same times and under the same conditions as set out in this Clause 5. For the avoidance of doubt, such authorisation does not release the Assignor from its obligation to provide lists of the Receivables to the Collateral Agent under this Clause 5.

6. NOTICE OF ASSIGNMENT OF INSURANCE RECEIVABLES

6.1 The Assignor shall notify by registered mail (Einschreiben mit Rückschein) the relevant debtors of the assignment of the Insurance Receivables constituted hereunder in the form set out in Schedule 8 (Form of Notice for a Disclosed Assignment), within 10 (ten) business days from the date hereof or, with respect to the Insurance Receivables arising from future contracts within 10 (ten) business days from the date of entry into such contract. The Assignor shall send a copy of each dispatched notification letter together with the return receipt (Rückschein) to the Collateral Agent without undue delay (unverzüglich).

6.2 The Assignor shall use its reasonable endeavours to procure that debtors of the the Insurance Receivables acknowledge each notice of assignment and accept the terms of the assignment as set out in Schedule 8 (Form of Notice for a Disclosed Assignment) without undue delay. The Assignor shall provide evidence to the Collateral Agent of any such acknowledgement.

6.3 The Assignor shall deliver to the Collateral Agent dated notification letters in the form of Schedule 7 (Form of Blank Notification Letter) executed in blank within 10 (ten) business days from the date hereof for the purpose of notifying the debtors of the Receivables of this Agreement in accordance with Clause 10. The Collateral Agent is entitled to duplicate such blank notification letters executed by the Assignor.

7. RECEIVABLES UNDER EXTENDED RETENTION OF TITLE ARRANGEMENTS

7.1 If Receivables are assigned pursuant to this Agreement which are subject to extended retention of title arrangements (verlängerter Eigentumsvorbehalt) with any supplier of the Assignor, the assignment shall only become effective upon the termination (Erlöschen) of such extended retention of title. As long as any person is only partly

entitled to the Receivables as a result of such person's retention of title arrangement, the assignment of such Receivables to the Collateral Agent hereunder shall be limited to the part of the relevant Receivables to which the Assignor is entitled to, the assignment of the other part shall be effective upon complete termination of the extended retention of title.

7.2 The Assignor hereby assigns to the Collateral Agent its right to reassignment of Receivables assigned to a supplier by reason of an extended retention of title arrangement as well as any contingent claims to the transfer of all proceeds paid out to the supplier, together with all rights pertaining thereto. The same applies to any possible inchoate right (Anwartschaftsrecht) with respect to the assignment of any Receivables which is subject to a dissolving condition (auflösende Bedingung). The Collateral Agent hereby accepts such assignments.

7.3 The Collateral Agent may at any time after the occurrence and during the continuation of an Enforcement Event terminate any retention of title arrangement on behalf of the Assignor by discharging the respective liability of the Assignor towards the relevant supplier. The Assignor will reimburse the Collateral Agent for any costs and expenses so incurred.

8. CHECKS AND BILLS OF EXCHANGE

If payments in respect of the Receivables are made by check or bill of exchange, the ownership in the documents shall pass to the Collateral Agent upon the Assignor acquiring such ownership, and the Assignor hereby assigns to the Collateral Agent, who accepts the assignment, in advance any of its rights arising there from as security for the Secured Obligations. Physical delivery of checks and bills of exchange to the Collateral Agent shall be replaced by an undertaking of the Assignor to hold such checks and bills of exchange in gratuitous custody (unentgeltliche Verwahrung) as direct possessor (unmittelbarer Besitzer) in the meaning of Section 868 of German Civil Code (Bürgerliches Gesetzbuch) for the Collateral Agent (Besitzmittlungsverhältnis) or, if the Assignor does not obtain actual possession of such documents, the Assignor hereby assigns to the Collateral Agent in advance all of its claims for delivery thereof against third parties as security for the Secured Obligations. The Collateral Agent accepts such assignment.

9. COLLECTION OF RECEIVABLES BY THE ASSIGNOR

The Assignor is authorised by the Collateral Agent to deal with (verfügen über) (including to collect (einziehen)) the Receivables and any checks and bills of exchange referenced in Clause 8 (Checks and Bills of Exchange) above in its own name and for its own account in the ordinary course of business and in any way not prohibited under the Secured Documents. The Assignor shall in doing so act with the care of a prudent businessman (Sorgfalt eines ordentlichen Kaufmanns). After the occurrence and during the continuation of an Enforcement Event the Collateral Agent may limit the Authorisation or impose conditions for the exercise of the Authorisation or revoke the Authorisation .

10. ENFORCEMENT

10.1 After the occurrence and during the continuation of an Enforcement Event provided that any of the Secured Obligations has become due and payable, then the Collateral Agent is entitled to enforce its rights under this Agreement, revoke the Authorisation (to the extent it has not been revoked pursuant to Clause 9), notify the debtors and arrange for the collection of the Receivables in its own name and for its own account or arrange for the sale of the Receivables.

10.2 The Collateral Agent will notify the Assignor in writing at least 5 (five) business days prior to the enforcement of any assignment pursuant hereto. No such notice shall be required if (i) the Assignor has generally ceased to make payments or (ii) an application for the institution of insolvency proceedings is filed by or against the Assignor.

10.3 To the extent that the Authorisation is revoked, the Collateral Agent may request that all documents relating to the Receivables be handed over to it and the Assignor hereby agrees to promptly comply with any such request. In the case of checks and bills of exchange, the Assignor hereby further agrees to endorse such documents in blank and to deliver them to the Collateral Agent as soon as reasonably practicable after the occurrence and during the continuation of an Enforcement Event.

10.4 On becoming entitled to enforce the security interest created hereunder in accordance with sub-Clause 10.1 the Collateral Agent may collect the Receivables in total or in part to the extent necessary to satisfy any outstanding Secured Obligations (other than (A) contingent indemnification obligations as to which no claim has been asserted, (B) obligations and liabilities under Secured Cash Management Agreements and Secured Hedge Agreements and (C) letters of credit which have been cash collateralized in accordance with the terms of the Credit Agreement), it being understood that the Collateral Agent shall apply the proceeds of such realisation towards the Secured Obligations in accordance with the Intercreditor Agreement.

10.5 On becoming entitled to enforce the security interest created hereunder in accordance with sub-Clause 10.1, the Collateral Agent may request the Assignor to collect the Receivables for and on behalf of the Collateral Agent and in accordance with the Collateral Agent's instruction. The Assignor shall promptly comply with such request.

10.6 Notwithstanding sub-Clause 10.4, the Collateral Agent may, in its sole discretion, determine which of several security interests (created under this or other security agreements) shall be used to satisfy the Secured Obligations.

10.7 Given the non-accessory nature of this security, the Assignor has no defences of revocation and set-off and no defences based on defences any Obligor might have against the Secured Obligations. The Collateral Agent is not required to proceed against or enforce any other rights or security before enforcing the security created hereunder.

10.8 The Assignor shall not at any time before, on or after an enforcement of the security created hereunder and as a result of the Assignor entering into this Agreement, be entitled to demand indemnification or compensation from any other Obligor or to assign any of these claims unless and until all Secured Obligations (other than (A) contingent indemnification obligations as to which no claim has been asserted, (B) obligations and liabilities under Secured Cash Management Agreements and Secured Hedge Agreements and (C) letters of credit which have been cash collateralized in accordance with the terms of the Credit Agreement)have been fully and finally discharged.

11. LIMITATIONS ON ENFORCEMENT

11.1 Definitions

"Net Assets" means an amount equal to the sum of the amounts of the Assignor's (or, in the case of a GmbH & Co. KG, its general partner's) assets (consisting of all assets which correspond to the items set forth in section 266 paragraph 2 A, B, C, D and E of the German Commercial Code (Handelsgesetzbuch – "HGB")) less the aggregate amount of the Assignor's (or, in the case of a GmbH & Co. KG, its general partner's) liabilities (consisting of all liabilities and liability reserves which correspond to the items set forth in section 266 paragraph 3 B, C, D and E HGB), save that any obligations (Verbindlichkeiten) of the Assignor (and, in the case of a GmbH & Co. KG, of its general partner)

(a) owing to Dutch Co-Borrower and/or any of Dutch Co-Borrower's (formerly Flash Dutch 2 B.V.'s) subsidiaries or any other affiliated company which are subordinated pursuant to section 39 paragraph 1 no. 5 or section 39 paragraph 2 of the German Insolvency Code (Insolvenzordnung) and including obligations under guarantees for obligations which are so subordinated; or

(b) incurred in violation of any of the provisions of the Secured Documents (unless neither with wilful misconduct nor gross negligence)

shall be disregarded.

The Net Assets shall be determined in accordance with the generally accepted accounting principles applicable from time to time in Germany (Grundsätze ordnungsmäßiger Buchführung) and be based on the same principles that were applied by the Assignor (or, in the case of a GmbH & Co. KG, its general partner) in the preparation of its most recent annual balance sheet (Jahresbilanz).

"Protected Capital" means in relation to the Assignor the aggregate amount of:

(a) its (or, where the Assignor is a GmbH & Co. KG, its general partner's) share capital (Stammkapital) as registered in the commercial register (Handelsregister) provided that any increase registered after the date of this Agreement shall not be taken into account unless (i) if the increase has been effected out of retained earnings (Kapitalerhöhung aus Gesellschaftsmitteln) such increase has been effected with the prior written consent of the Collateral Agent and, in any case, (ii) only to the extent it is fully paid up; and

(b) its (or when applicable where the Assignor is a GmbH & Co. KG, its general partner's) amount of profits (Gewinne) which are not available for distribution to its shareholder(s) in accordance with section 268 paragraph 8 HGB.

"Up-stream and/or Cross-stream Security" means the security created hereunder (which, for the purpose of this Clause 11 (Limitations on Enforcement), shall also include any other obligation of the Assignor to reimburse costs or pay indemnities under or in connection with any Secured Document) if and to the extent the security

created hereunder secures the obligations of a Loan Party and/or Notes Party which is a shareholder of the Assignor (and/or, in the case of a GmbH & Co. KG, of its general partner) or an affiliated company (verbundenes Unternehmen) of such shareholder within the meaning of section 16, 17 or 18 of the German Stock Corporation Act (Aktiengesetz) (other than the Assignor and its subsidiaries and, in the case of a GmbH & Co. KG, the general partner and its subsidiaries), provided that it shall not constitute an Up-stream or Cross-stream Security if and to the extent the security created hereunder secures amounts outstanding under any Secured Document in relation to any financial accommodation made available under such Secured Document to any Borrower and/or any of the Issuers and on-lent to, or issued for the benefit of, the Assignor or any of its subsidiaries (and, where the relevant Assignor is a GmbH & Co. KG, to, or for the benefit of, its general partner or any of its subsidiaries) and still outstanding from time to time.

This Clause 11 (Limitation on Enforcement) applies if and to the extent the security created hereunder is an Up-stream and/or Cross-stream Security.

11.2 The Collateral Agent agrees that the enforcement of the security created hereunder shall be limited if:

11.2.1 (and to the extent that) the security constitutes an Upstream- and/or Cross- Stream Security; and

11.2.2 the enforcement of the security created hereunder pursuant to Clause 10 (Enforcement) would otherwise

(a) have the effect of reducing the Assignor's (or, where the Assignor is a GmbH & Co. KG, its general partner's) Net Assets to an amount that is lower than the amount of its (or, in the case of a GmbH & Co. KG, its general partner's) Protected Capital or, if the amount of the Net Assets is already lower than the amount of its (or, in the case of a GmbH & Co. KG, its general partner's) Protected Capital, cause the Net Assets to be further reduced; and

(b) thereby give rise to a violation of the capital maintenance requirement as set out in section 30 paragraph 1 of the German Limited Liability Companies Act (Gesetz betreffend die Gesellschaften mit beschränkter Haftung); and

11.2.3 the Assignor has complied with its obligation to deliver the Management Determination and the Auditor's Determination, in each case together with an up-to-date balance sheet, in accordance with the requirements set out in paragraphs 11.3 and 11.4 below.

11.3 Within ten (10) business days after the relevant Assignor's receipt of notice from the Collateral Agent that it intends to enforce the security created hereunder, the Assignor shall provide a certificate signed by its managing director(s) (Geschäftsführer) confirming in writing if and to what extent the security created hereunder is an Up- stream and/or Cross-stream Security and an enforcement of the security would have the effects referred to in paragraph 11.2.2 above (the "Management Determination"). Such confirmation shall comprise an up-to-date balance sheet of the Assignor (and, in the case of a GmbH & Co. KG, its general partner) and a detailed

calculation, based on the provisions of this Agreement of the amount of the Net Assets and Protected Capital of the Assignor (or, in the case of a GmbH & Co. KG, its general partner). The Collateral Agent shall be entitled to enforce the security created hereunder in an amount which pursuant to the Management Determination would not cause the effects set out in paragraph 11.2.2 above (irrespective of whether or not the Collateral Agent agrees with the Management Determination).

11.4 If the Collateral Agent disagrees with the Management Determination, it may within fifteen (15) business days of its receipt request the Assignor to deliver, at its own cost and expense, within thirty (30) business days of such request an up-to-date balance sheet of the Assignor (and, in the case of a GmbH & Co. KG, of its general partner), drawn-up by an auditor appointed by the Assignor in consultation with the Collateral Agent, together with a detailed calculation, based on the provisions of this Agreement, of the amount of the Net Assets and Protected Capital of the Assignor (or, in the case of a GmbH & Co. KG, its general partner) (the "Auditor's Determination"). The Collateral Agent shall be entitled to enforce the security created hereunder in an amount which pursuant to the Auditor's Determination would not cause the effects set out in paragraph 11.2.2 above.

11.5 No reduction of the amount enforceable pursuant to this Clause 11 (Limitations on Enforcement) will prejudice the right of the Collateral Agent to continue to enforce the security created hereunder (subject always to the operation of the limitations set out above at the time of such enforcement) until full satisfaction of the claims guaranteed.

11.6 The Assignor shall (and, in the case of a Assignor in the form of a GmbH & Co. KG, shall procure that its general partner will) do everything commercially justifiable and legally permitted to avoid the enforcement of the security created hereunder becoming limited pursuant to the terms of this Clause 11 (Limitations on Enforcement) and shall in particular after the occurrence and continuation of an Enforcement Event and within three (3) months after a written request of the Collateral Agent realise at least at market value any of its (and, in the case of a GmbH & Co. KG, any of its general partner's) assets that are not necessary, as determined by the relevant Assignor in its sole discretion, for its business (nicht betriebsnotwendig) (or, in the case of a GmbH & Co. KG, that of its general partner) and is shown in its (or, in the case of a GmbH & Co. KG, its general partner's) balance sheet with a book value that is in the reasonable opinion of the Collateral Agent significantly lower than the market value.

12. BOOKKEEPING AND DATA-PROCESSING

12.1 The Assignor hereby assigns to the Collateral Agent, who accepts such assignment, any right it has against any third party (in particular any bookkeeping firm or tax consultant) in respect of the return of any proof or documents which the Assignor has handed over to such third party and which are necessary to identify the Receivables. The Assignor undertakes to instruct such third party, upon the occurrence and during the continuation of an Enforcement Event, to provide the Collateral Agent upon demand with such information, proof and documents which are necessary to check, assess or enforce the Receivables.

12.2 Upon the occurrence and during the continuation of an Enforcement Event, the Assignor shall allow the Collateral Agent access to any electronic data-processing system, including peripheral equipment, in which data concerning the Receivables or any part thereof have been stored. Moreover, the Assignor shall provide any assistance

required to the Collateral Agent (including by making software operators available). The Assignor hereby assigns to the Collateral Agent, who accepts such assignment, all its rights against any third party which handles the electronic processing of data concerning the Receivables and undertakes to instruct such third party, upon a respective demand of the Collateral Agent following the occurrence and during the continuation of an Enforcement Event, to handle the processing of data for the Collateral Agent as it did for the Assignor provided that the Assignor shall continue to be given access to any data it requires in its ordinary course of business. The Collateral Agent hereby agrees, to the same extent required of the Assignor as a user of such electronic data-processing systems, to maintain and take reasonable measures to protect the confidentiality of any information relating to proprietary information concerning such electronic data-processing systems.

12.3 The Collateral Agent authorises the Assignor to exercise the rights assigned to the Collateral Agent pursuant to sub-Clause 12.1 and 12.2 above at all times prior to the occurrence of an Enforcement Event.

13. REPRESENTATIONS AND WARRANTIES

The Assignor represents and warrants to the Collateral Agent by way of an independent guarantee (selbständiges Garantieversprechen) that:

13.1 except for extended retention of title arrangements (verlängerter Eigentumsvorbehalt) it is the sole unrestricted owner of the Receivables and no other person is entitled to any Receivable as joint creditor (Gesamtgläubiger) or co-creditor (Mitgläubiger);

13.2 the factual information contained in Schedule 2 to Schedule 5 is true, accurate and complete in all material respects;

13.3 the Receivables are unencumbered, except to the extent encumbrances are not prohibited by the Secured Documents;

13.4 substantially all existing Receivables are and all future Receivables will be governed by German law; and

13.5 except for extended retention of title arrangements (verlängerter Eigentumsvorbehalt) the Receivables are assignable (abtretbar) and can be freely assigned by the Assignor.

14. UNDERTAKINGS OF THE ASSIGNOR

During the term of this Agreement, the Assignor undertakes to the Collateral Agent:

14.1 not to take, or participate in, any action which results or might result in a sale, transfer, encumbrance or other disposal of the Receivables or permit to subsist, create or agree to create any security interest or third party right in or over the Receivables, in each case, other than as not prohibited under the terms of this Agreement and/or the Secured Documents;

14.2 to refrain from any acts or omissions, the purpose or effect of which is or would be the material dilution of the value of the Receivables or the Receivables ceasing to be assignable or subjecting any Receivable to any law other than German law other than (i) in the Assignor's ordinary course of business or (ii) as not prohibited under the terms of the Secured Documents; and

14.3 to inform the Collateral Agent without undue delay of any attachment (Pfändung) over any of the Receivables or part thereof and any third parties bringing claims in respect of any of the Receivables or part thereof or any other measures which might impair or jeopardize the Collateral Agent's rights relating to any Receivable or materially impair its value, such notice to be accompanied by any documents the Collateral Agent might need to defend itself against any claim by a third party. In the event of an attachment, the Assignor undertakes to forward to the Collateral Agent without undue delay a copy of the attachment order (Pfändungsbeschluss), any transfer order (Überweisungsbeschluss) and all other documents necessary or expedient for a defence against such attachment. The Assignor shall inform the attaching creditor of the Collateral Agent's security interests without undue delay.

15. POWER OF ATTORNEY

The Assignor, by way of security for its obligations under this Agreement, irrevocably appoints the Collateral Agent to be its attorney (Stellvertreter) to do anything which the Assignor is required to do under this Agreement but has failed to do (and the Collateral Agent may delegate that power on such terms as it sees fit). For this purpose the Assignor relieves the Collateral Agent from the restrictions set out in Section 181 of the German Civil Code. The Collateral Agent shall only be able to exercise this power of attorney upon the occurrence of an Enforcement Event which has not been cured or waived and upon notice to the Assignor in accordance with the Credit Agreement and/or EUR Notes Indenture.

16. DURATION AND INDEPENDENCE

16.1 This Agreement shall create a continuing security and no change, amendment, or supplement whatsoever in the Secured Documents or in any document or agreement relating to any of the Secured Documents shall affect the validity or the scope of this Agreement nor the obligations which are imposed on the Assignor pursuant to it.

16.2 This Agreement is independent from any other security or guarantee which may have been or will be given to the Secured Parties or the Collateral Agent. None of such other security shall prejudice, or shall be prejudiced by, or shall be merged in any way with this Agreement.

16.3 Waiving Section 418 of the German Civil Code (applied by analogy), the Assignor hereby agrees that the security created hereunder shall not be affected by any transfer or assumption of the Secured Obligations to, or by, any third party.

17. RELEASE OF SECURITY (SICHERHEITENFREIGABE)

17.1 Upon complete and irrevocable satisfaction of the Secured Obligations (other than (A) contingent indemnification obligations as to which no claim has been asserted, (B) obligations and liabilities under Secured Cash Management Agreements and Secured Hedge Agreements and (C) letters of credit which have been cash collateralized in accordance with the terms of the Credit Agreement), the Collateral Agent will as soon as reasonably practicable, at the cost and expense of the Assignor, reassign to the Assignor the Receivables and reassign the rights assigned to it pursuant to sub- Clause 12.1 and 12.2, and surrender the excess proceeds, if any, resulting from any realisation thereof. The Collateral Agent will, however, transfer any Receivable or excess proceeds to a third person if so required by law.

17.2 At any time when the total value of the aggregate security granted by the Assignor and the other Obligors to secure the Secured Obligations (the "Security"), which can be expected to be realised in the event of an enforcement of the Security (realisierbarer Wert), more than temporarily exceeds 110% of the Secured Obligations (the "Limit"), the Collateral Agent shall on demand of the Assignor release such part of the Security (Sicherheitenfreigabe) as the Collateral Agent may in its reasonable discretion determine so as to reduce the realisable value of the Security to the Limit.

18. PARTIAL INVALIDITY; WAIVER

18.1 The parties agree that should at any time, any provisions of this Agreement be or become void (nichtig), invalid or due to any reason ineffective (unwirksam) this will indisputably (unwiderlegbar) not affect the validity or effectiveness of the remaining provisions and this Agreement will remain valid and effective, save for the void, invalid or ineffective provisions, without any party having to argue (darlegen) and prove (beweisen) the parties' intent to uphold this Agreement even without the void, invalid or ineffective provisions.

18.2 The void, invalid or ineffective provision shall be deemed replaced by such valid and effective provision that in legal and economic terms comes closest to what the parties intended or would have intended in accordance with the purpose of this Agreement if they had considered the point at the time of conclusion of this Agreement.

18.3 No failure to exercise, nor any delay in exercising, on the part of the Collateral Agent, any right or remedy hereunder shall operate as a waiver thereof, nor shall any single or partial exercise of any right or remedy prevent any further or other exercise thereof or the exercise of any other right or remedy. The rights and remedies provided hereunder are cumulative and not exclusive of any rights or remedies provided by law.

19. AMENDMENTS

Changes and amendments to this Agreement including this Clause 19 shall be made in writing.

The Assignor shall in doing so act with the care of a prudent businessman (Sorgfalt eines ordentlichen Kaufmanns). After the occurrence and during the continuation of an Enforcement Event the Collateral Agent may limit the Authorisation or impose conditions for the exercise of the Authorisation or revoke the Authorisation.

(b) its (or when applicable where the Assignor is a GmbH & Co. KG, its general partner's) amount of profits (Gewinne) which are not available for distribution to its shareholder(s) in accordance with section 268 paragraph 8 HGB.

KG, its general partner's) Net Assets to an amount that is lower than the amount of its (or, in the case of a GmbH & Co. KG, its general partner's) Protected Capital or, if the amount of the Net Assets is already lower than the amount of its (or, in the case of a GmbH & Co. calculation, based on the provisions of this Agreement of the amount of the Net Assets and Protected Capital of the Assignor (or, in the case of a GmbH & Co. KG, its general partner). The Collateral Agent shall be entitled to enforce the security created hereunder in an amount which pursuant to the Management Determination would not cause the effects set out in paragraph 11.2.2 above (irrespective of whether or not the Collateral Agent agrees with the Management Determination).

11.4 If the Collateral Agent disagrees with the Management Determination, it may within fifteen (15) business days of its receipt request the Assignor to deliver, at its own cost and expense, within thirty (30) business days of such request an up-to-date balance sheet of the Assignor (and, in the case of a GmbH & Co. KG, of its general partner), drawn-up by an auditor appointed by the Assignor in consultation with the Collateral Agent, together with a detailed calculation, based on the provisions of this Agreement, of the amount of the Net Assets and Protected Capital of the Assignor (or, in the case of a GmbH & Co. KG, its general partner) (the "Auditor's Determination"). The Collateral Agent shall be entitled to enforce the security created hereunder in an amount which pursuant to the Auditor's Determination would not cause the effects set out in paragraph 11.2.2 above.

11.5 No reduction of the amount enforceable pursuant to this Clause 11 (Limitations on Enforcement) will prejudice the right of the Collateral Agent to continue to enforce the security created hereunder (subject always to the operation of the limitations set out above at the time of such enforcement) until full satisfaction of the claims guaranteed.

11.6 The Assignor shall (and, in the case of a Assignor in the form of a GmbH & Co. KG, shall procure that its general partner will) do everything commercially justifiable and legally permitted to avoid the enforcement of the security created hereunder becoming limited pursuant to the terms of this Clause 11 (Limitations on Enforcement) and shall in particular after the occurrence and continuation of an Enforcement Event and within three (3) months after a written request of the Collateral Agent realise at least at market value any of its (and, in the case of a GmbH & Co. KG, any of its general partner's) assets that are not necessary, as determined by the relevant Assignor in its sole discretion, for its business (nicht betriebsnotwendig) (or, in the case of a GmbH & Co. KG, that of its general partner) and is shown in its (or, in the case of a GmbH & Co. KG, its general partner's) balance sheet with a book value that is in the reasonable opinion of the Collateral Agent significantly lower than the market value.

12. BOOKKEEPING AND DATA-PROCESSING

12.1 The Assignor hereby assigns to the Collateral Agent, who accepts such assignment, any right it has against any third party (in particular any bookkeeping firm or tax consultant) in respect of the return of any proof or documents which the Assignor has handed over to such third party and which are necessary to identify the Receivables. The Assignor undertakes to instruct such third party, upon the occurrence and during the continuation of an Enforcement Event, to provide the Collateral Agent upon demand with such information, proof and documents which are necessary to check, assess or enforce the Receivables.

12.2 Upon the occurrence and during the continuation of an Enforcement Event, the Assignor shall allow the Collateral Agent access to any electronic data-processing system, including peripheral equipment, in which data concerning the Receivables or any part thereof have been stored. Moreover, the Assignor shall provide any assistance

required to the Collateral Agent (including by making software operators available). The Assignor hereby assigns to the Collateral Agent, who accepts such assignment, all its rights against any third party which handles the electronic processing of data concerning the Receivables and undertakes to instruct such third party, upon a respective demand of the Collateral Agent following the occurrence and during the continuation of an Enforcement Event, to handle the processing of data for the Collateral Agent as it did for the Assignor provided that the Assignor shall continue to be given access to any data it requires in its ordinary course of business. The Collateral Agent hereby agrees, to the same extent required of the Assignor as a user of such electronic data-processing systems, to maintain and take reasonable measures to protect the confidentiality of any information relating to proprietary information concerning such electronic data-processing systems.

12.3 The Collateral Agent authorises the Assignor to exercise the rights assigned to the Collateral Agent pursuant to sub-Clause 12.1 and 12.2 above at all times prior to the occurrence of an Enforcement Event.

13. REPRESENTATIONS AND WARRANTIES

The Assignor represents and warrants to the Collateral Agent by way of an independent guarantee (selbständiges Garantieversprechen) that:

13.1 except for extended retention of title arrangements (verlängerter Eigentumsvorbehalt) it is the sole unrestricted owner of the Receivables and no other person is entitled to any Receivable as joint creditor (Gesamtgläubiger) or co-creditor (Mitgläubiger);

13.2 the factual information contained in Schedule 2 to Schedule 5 is true, accurate and complete in all material respects;

13.3 the Receivables are unencumbered, except to the extent encumbrances are not prohibited by the Secured Documents;

13.4 substantially all existing Receivables are and all future Receivables will be governed by German law; and

13.5 except for extended retention of title arrangements (verlängerter Eigentumsvorbehalt) the Receivables are assignable (abtretbar) and can be freely assigned by the Assignor.

14. UNDERTAKINGS OF THE ASSIGNOR

During the term of this Agreement, the Assignor undertakes to the Collateral Agent:

14.1 not to take, or participate in, any action which results or might result in a sale, transfer, encumbrance or other disposal of the Receivables or permit to subsist, create or agree to create any security interest or third party right in or over the Receivables, in each case, other than as not prohibited under the terms of this Agreement and/or the Secured Documents;

14.2 to refrain from any acts or omissions, the purpose or effect of which is or would be the material dilution of the value of the Receivables or the Receivables ceasing to be assignable or subjecting any Receivable to any law other than German law other than (i) in the Assignor's ordinary course of business or (ii) as not prohibited under the terms of the Secured Documents; and

14.3 to inform the Collateral Agent without undue delay of any attachment (Pfändung) over any of the Receivables or part thereof and any third parties bringing claims in respect of any of the Receivables or part thereof or any other measures which might impair or jeopardize the Collateral Agent's rights relating to any Receivable or materially impair its value, such notice to be accompanied by any documents the Collateral Agent might need to defend itself against any claim by a third party. In the event of an attachment, the Assignor undertakes to forward to the Collateral Agent without undue delay a copy of the attachment order (Pfändungsbeschluss), any transfer order (Überweisungsbeschluss) and all other documents necessary or expedient for a defence against such attachment. The Assignor shall inform the attaching creditor of the Collateral Agent's security interests without undue delay.

15. POWER OF ATTORNEY

The Assignor, by way of security for its obligations under this Agreement, irrevocably appoints the Collateral Agent to be its attorney (Stellvertreter) to do anything which the Assignor is required to do under this Agreement but has failed to do (and the Collateral Agent may delegate that power on such terms as it sees fit). For this purpose the Assignor relieves the Collateral Agent from the restrictions set out in Section 181 of the German Civil Code. The Collateral Agent shall only be able to exercise this power of attorney upon the occurrence of an Enforcement Event which has not been cured or waived and upon notice to the Assignor in accordance with the Credit Agreement and/or EUR Notes Indenture.

16. DURATION AND INDEPENDENCE

16.1 This Agreement shall create a continuing security and no change, amendment, or supplement whatsoever in the Secured Documents or in any document or agreement relating to any of the Secured Documents shall affect the validity or the scope of this Agreement nor the obligations which are imposed on the Assignor pursuant to it.

16.2 This Agreement is independent from any other security or guarantee which may have been or will be given to the Secured Parties or the Collateral Agent. None of such other security shall prejudice, or shall be prejudiced by, or shall be merged in any way with this Agreement.

16.3 Waiving Section 418 of the German Civil Code (applied by analogy), the Assignor hereby agrees that the security created hereunder shall not be affected by any transfer or assumption of the Secured Obligations to, or by, any third party.

17. RELEASE OF SECURITY (SICHERHEITENFREIGABE)

17.1 Upon complete and irrevocable satisfaction of the Secured Obligations (other than (A) contingent indemnification obligations as to which no claim has been asserted, (B) obligations and liabilities under Secured Cash Management Agreements and Secured Hedge Agreements and (C) letters of credit which have been cash collateralized in accordance with the terms of the Credit Agreement), the Collateral Agent will as soon as reasonably practicable, at the cost and expense of the Assignor, reassign to the Assignor the Receivables and reassign the rights assigned to it pursuant to sub- Clause 12.1 and 12.2, and surrender the excess proceeds, if any, resulting from any realisation thereof. The Collateral Agent will, however, transfer any Receivable or excess proceeds to a third person if so required by law.

17.2 At any time when the total value of the aggregate security granted by the Assignor and the other Obligors to secure the Secured Obligations (the "Security"), which can be expected to be realised in the event of an enforcement of the Security (realisierbarer Wert), more than temporarily exceeds 110% of the Secured Obligations (the "Limit"), the Collateral Agent shall on demand of the Assignor release such part of the Security (Sicherheitenfreigabe) as the Collateral Agent may in its reasonable discretion determine so as to reduce the realisable value of the Security to the Limit.

18. PARTIAL INVALIDITY; WAIVER

18.1 The parties agree that should at any time, any provisions of this Agreement be or become void (nichtig), invalid or due to any reason ineffective (unwirksam) this will indisputably (unwiderlegbar) not affect the validity or effectiveness of the remaining provisions and this Agreement will remain valid and effective, save for the void, invalid or ineffective provisions, without any party having to argue (darlegen) and prove (beweisen) the parties' intent to uphold this Agreement even without the void, invalid or ineffective provisions.

18.2 The void, invalid or ineffective provision shall be deemed replaced by such valid and effective provision that in legal and economic terms comes closest to what the parties intended or would have intended in accordance with the purpose of this Agreement if they had considered the point at the time of conclusion of this Agreement.

18.3 No failure to exercise, nor any delay in exercising, on the part of the Collateral Agent, any right or remedy hereunder shall operate as a waiver thereof, nor shall any single or partial exercise of any right or remedy prevent any further or other exercise thereof or the exercise of any other right or remedy. The rights and remedies provided hereunder are cumulative and not exclusive of any rights or remedies provided by law.

19. AMENDMENTS

Changes and amendments to this Agreement including this Clause 19 shall be made in writing.

5.1 Within 15 (fifteen) business days after the end of each calendar quarter and in addition at any time upon the reasonable request of the Collateral Agent following an Enforcement Event which is continuing, the Assignor shall deliver to the Collateral Agent a list of the Receivables as of the end of the relevant calendar quarter or in case of information delivered upon reasonable request of the Collateral Agent, as of the end of the preceding calendar month, provided that, in relation to Customer Receivables, such lists to be delivered on a regular quarterly basis shall only be delivered to receivables against customers (Kundenforderungen). This list of the Receivables shall be on a computer disk or in such other form as agreed between the Collateral Agent and the Assignor. The Collateral Agent may in its reasonable discretion request a computer print-out in addition to any other form in which the list may be delivered.

5.2 Unless otherwise agreed, the list of the Receivables referred to in sub-Clause 5.1 shall show the names and addresses of the debtors as well as any outstanding amounts and the due dates for payment. With respect to any Insurance Receivables, the name and address of the insurance holder (Versicherungsnehmer), the name and address of the insurant (Versicherter), the type of insurance and the insurance policy number shall also be included. In addition, the list shall include all unpaid counter claims, if any, which arise from contracts between the Assignor and the relevant debtors, and shall state the exact amount of such unpaid claim, the maturity date and the name of the respective debtor.

5.3 Any list of Receivables referred to in sub-Clauses 5.1 and 5.2 above is provided for information purposes only and if for any reason whatsoever the relevant Receivables are not, or are incompletely, contained in the list presented, then the assignment of the Receivables shall not be affected thereby.

5.4 If the Assignor employs a third party for its bookkeeping and/or data processing, the Assignor hereby authorises the Collateral Agent to obtain any list of Receivables directly from such third party at the Assignor's expense at the same times and under the same conditions as set out in this Clause 5. For the avoidance of doubt, such authorisation does not release the Assignor from its obligation to provide lists of the Receivables to the Collateral Agent under this Clause 5.

6. NOTICE OF ASSIGNMENT OF INSURANCE RECEIVABLES

6.1 The Assignor shall notify by registered mail (Einschreiben mit Rückschein) the relevant debtors of the assignment of the Insurance Receivables constituted hereunder in the form set out in Schedule 7 (Form of Notice for a Disclosed Assignment), within 10 (ten) business days from the date hereof or, with respect to the Insurance Receivables arising from future contracts within 10 (ten) business days from the date of entry into such contract. The Assignor shall send a copy of each dispatched notification letter together with the return receipt (Rückschein) to the Collateral Agent without undue delay (unverzüglich).

6.2 The Assignor shall use its reasonable endeavours to procure that debtors of the the Insurance Receivables acknowledge each notice of assignment and accept the terms of the assignment as set out in Schedule 7 (Form of Notice for a Disclosed Assignment) without undue delay. The Assignor shall provide evidence to the Collateral Agent of any such acknowledgement.

6.3 The Assignor shall deliver to the Collateral Agent dated notification letters in the form of Schedule 6 (Form of Blank Notification Letter) executed in blank within 10 (ten) business days from the date hereof for the purpose of notifying the debtors of the Receivables of this Agreement in accordance with Clause 10. The Collateral Agent is entitled to duplicate such blank notification letters executed by the Assignor.

7. RECEIVABLES UNDER EXTENDED RETENTION OF TITLE ARRANGEMENTS

7.1 If Receivables are assigned pursuant to this Agreement which are subject to extended retention of title arrangements (verlängerter Eigentumsvorbehalt) with any supplier of the Assignor, the assignment shall only become effective upon the termination (Erlöschen) of such extended retention of title. As long as any person is only partly

entitled to the Receivables as a result of such person's retention of title arrangement, the assignment of such Receivables to the Collateral Agent hereunder shall be limited to the part of the relevant Receivables to which the Assignor is entitled to, the assignment of the other part shall be effective upon complete termination of the extended retention of title.

7.2 The Assignor hereby assigns to the Collateral Agent its right to reassignment of Receivables assigned to a supplier by reason of an extended retention of title arrangement as well as any contingent claims to the transfer of all proceeds paid out to the supplier, together with all rights pertaining thereto. The same applies to any possible inchoate right (Anwartschaftsrecht) with respect to the assignment of any Receivables which is subject to a dissolving condition (auflösende Bedingung). The Collateral Agent hereby accepts such assignments.

7.3 The Collateral Agent may at any time after the occurrence and during the continuation of an Enforcement Event terminate any retention of title arrangement on behalf of the Assignor by discharging the respective liability of the Assignor towards the relevant supplier. The Assignor will reimburse the Collateral Agent for any costs and expenses so incurred.

8. CHECKS AND BILLS OF EXCHANGE

If payments in respect of the Receivables are made by check or bill of exchange, the ownership in the documents shall pass to the Collateral Agent upon the Assignor acquiring such ownership, and the Assignor hereby assigns to the Collateral Agent, who accepts the assignment, in advance any of its rights arising there from as security for the Secured Obligations. Physical delivery of checks and bills of exchange to the Collateral Agent shall be replaced by an undertaking of the Assignor to hold such checks and bills of exchange in gratuitous custody (unentgeltliche Verwahrung) as direct possessor (unmittelbarer Besitzer) in the meaning of Section 868 of German Civil Code (Bürgerliches Gesetzbuch) for the Collateral Agent (Besitzmittlungsverhältnis) or, if the Assignor does not obtain actual possession of such documents, the Assignor hereby assigns to the Collateral Agent in advance all of its claims for delivery thereof against third parties as security for the Secured Obligations. The Collateral Agent accepts such assignment.

9. COLLECTION OF RECEIVABLES BY THE ASSIGNOR

The Assignor is authorised by the Collateral Agent to deal with (verfügen über) (including to collect (einziehen)) the Receivables and any checks and bills of exchange referenced in Clause 8 (Checks and Bills of Exchange) above in its own name and for its own account in the ordinary course of business and in any way not prohibited under the Secured Documents. The Assignor shall in doing so act with the care of a prudent businessman (Sorgfalt eines ordentlichen Kaufmanns). After the occurrence and during the continuation of an Enforcement Event the Collateral Agent may limit the Authorisation or impose conditions for the exercise of the Authorisation or revoke the Authorisation.

10. ENFORCEMENT

10.1 After the occurrence and during the continuation of an Enforcement Event provided that any of the Secured Obligations has become due and payable, then the Collateral Agent is entitled to enforce its rights under this Agreement, revoke the Authorisation (to the extent it has not been revoked pursuant to Clause 9), notify the debtors and arrange for the collection of the Receivables in its own name and for its own account or arrange for the sale of the Receivables.

10.2 The Collateral Agent will notify the Assignor in writing at least 5 (five) business days prior to the enforcement of any assignment pursuant hereto. No such notice shall be required if (i) the Assignor has generally ceased to make payments or (ii) an application for the institution of insolvency proceedings is filed by or against the Assignor.

10.3 To the extent that the Authorisation is revoked, the Collateral Agent may request that all documents relating to the Receivables be handed over to it and the Assignor hereby agrees to promptly comply with any such request. In the case of checks and bills of exchange, the Assignor hereby further agrees to endorse such documents in blank and to deliver them to the Collateral Agent as soon as reasonably practicable after the occurrence and during the continuation of an Enforcement Event.

10.4 On becoming entitled to enforce the security interest created hereunder in accordance with sub-Clause 10.1 the Collateral Agent may collect the Receivables in total or in part to the extent necessary to satisfy any outstanding Secured Obligations (other than (A) contingent indemnification obligations as to which no claim has been asserted, (B) obligations and liabilities under Secured Cash Management Agreements and Secured Hedge Agreements and (C) letters of credit which have been cash collateralized in accordance with the terms of the Credit Agreement), it being understood that the Collateral Agent shall apply the proceeds of such realisation towards the Secured Obligations in accordance with the Intercreditor Agreement.

10.5 On becoming entitled to enforce the security interest created hereunder in accordance with sub-Clause 10.1, the Collateral Agent may request the Assignor to collect the Receivables for and on behalf of the Collateral Agent and in accordance with the Collateral Agent's instruction. The Assignor shall promptly comply with such request.

10.6 Notwithstanding sub-Clause 10.4, the Collateral Agent may, in its sole discretion, determine which of several security interests (created under this or other security agreements) shall be used to satisfy the Secured Obligations.

10.7 Given the non-accessory nature of this security, the Assignor has no defences of revocation and set-off and no defences based on defences any Obligor might have against the Secured Obligations. The Collateral Agent is not required to proceed against or enforce any other rights or security before enforcing the security created hereunder.

10.8 The Assignor shall not at any time before, on or after an enforcement of the security created hereunder and as a result of the Assignor entering into this Agreement, be entitled to demand indemnification or compensation from any other Obligor or to assign any of these claims unless and until all Secured Obligations (other than (A) contingent indemnification obligations as to which no claim has been asserted, (B) obligations and liabilities under Secured Cash Management Agreements and Secured Hedge Agreements and (C) letters of credit which have been cash collateralized in accordance with the terms of the Credit Agreement)have been fully and finally discharged.

11. LIMITATIONS ON ENFORCEMENT

11.1 Definitions

"Net Assets" means an amount equal to the sum of the amounts of the Assignor's (or, in the case of a GmbH & Co. KG, its general partner's) assets (consisting of all assets which correspond to the items set forth in section 266 paragraph 2 A, B, C, D and E of the German Commercial Code (Handelsgesetzbuch – "HGB")) less the aggregate amount of the Assignor's (or, in the case of a GmbH & Co. KG, its general partner's) liabilities (consisting of all liabilities and liability reserves which correspond to the items set forth in section 266 paragraph 3 B, C, D and E HGB), save that any obligations (Verbindlichkeiten) of the Assignor (and, in the case of a GmbH & Co. KG, of its general partner)

(a) owing to Dutch Co-Borrower and/or any of Dutch Co-Borrower's (formerly Flash Dutch 2 B.V.'s) subsidiaries or any other affiliated company which are subordinated pursuant to section 39 paragraph 1 no. 5 or section 39 paragraph 2 of the German Insolvency Code (Insolvenzordnung) and including obligations under guarantees for obligations which are so subordinated; or

(b) incurred in violation of any of the provisions of the Secured Documents (unless neither with wilful misconduct nor gross negligence)

shall be disregarded.

The Net Assets shall be determined in accordance with the generally accepted accounting principles applicable from time to time in Germany (Grundsätze ordnungsmäßiger Buchführung) and be based on the same principles that were applied by the Assignor (or, in the case of a GmbH & Co. KG, its general partner) in the preparation of its most recent annual balance sheet (Jahresbilanz).

"Protected Capital" means in relation to the Assignor the aggregate amount of:

(a) its (or, where the Assignor is a GmbH & Co. KG, its general partner's) share capital (Stammkapital) as registered in the commercial register (Handelsregister) provided that any increase registered after the date of this Agreement shall not be taken into account unless (i) if the increase has been effected out of retained earnings (Kapitalerhöhung aus Gesellschaftsmitteln) such increase has been effected with the prior written consent of the Collateral Agent and, in any case, (ii) only to the extent it is fully paid up; and

(b) its (or when applicable where the Assignor is a GmbH & Co. KG, its general partner's) amount of profits (Gewinne) which are not available for distribution to its shareholder(s) in accordance with section 268 paragraph 8 HGB.

"Up-stream and/or Cross-stream Security" means the security created hereunder (which, for the purpose of this Clause 11 (Limitations on Enforcement), shall also include any other obligation of the Assignor to reimburse costs or pay indemnities under or in connection with any Secured Document) if and to the extent the security

created hereunder secures the obligations of a Loan Party and/or Notes Party which is a shareholder of the Assignor (and/or, in the case of a GmbH & Co. KG, of its general partner) or an affiliated company (verbundenes Unternehmen) of such shareholder within the meaning of section 16, 17 or 18 of the German Stock Corporation Act (Aktiengesetz) (other than the Assignor and its subsidiaries and, in the case of a GmbH & Co. KG, the general partner and its subsidiaries), provided that it shall not constitute an Up-stream or Cross-stream Security if and to the extent the security created hereunder secures amounts outstanding under any Secured Document in relation to any financial accommodation made available under such Secured Document to any Borrower and/or any of the Issuers and on-lent to, or issued for the benefit of, the Assignor or any of its subsidiaries (and, where the relevant Assignor is a GmbH & Co. KG, to, or for the benefit of, its general partner or any of its subsidiaries) and still outstanding from time to time.

This Clause 11 (Limitation on Enforcement) applies if and to the extent the security created hereunder is an Up-stream and/or Cross-stream Security.

11.2 The Collateral Agent agrees that the enforcement of the security created hereunder shall be limited if:

11.2.1 (and to the extent that) the security constitutes an Upstream- and/or Cross- Stream Security; and

11.2.2 the enforcement of the security created hereunder pursuant to Clause 10 (Enforcement) would otherwise

(a) have the effect of reducing the Assignor's (or, where the Assignor is a GmbH & Co. KG, its general partner's) Net Assets to an amount that is lower than the amount of its (or, in the case of a GmbH & Co. KG, its general partner's) Protected Capital or, if the amount of the Net Assets is already lower than the amount of its (or, in the case of a GmbH & Co. KG, its general partner's) Protected Capital, cause the Net Assets to be further reduced; and

(b) thereby give rise to a violation of the capital maintenance requirement as set out in section 30 paragraph 1 of the German Limited Liability Companies Act (Gesetz betreffend die Gesellschaften mit beschränkter Haftung); and

11.2.3 the Assignor has complied with its obligation to deliver the Management Determination and the Auditor's Determination, in each case together with an up-to-date balance sheet, in accordance with the requirements set out in paragraphs 11.3 and 11.4 below.

11.3 Within ten (10) business days after the relevant Assignor's receipt of notice from the Collateral Agent that it intends to enforce the security created hereunder, the Assignor shall provide a certificate signed by its managing director(s) (Geschäftsführer) confirming in writing if and to what extent the security created hereunder is an Up- stream and/or Cross-stream Security and an enforcement of the security would have the effects referred to in paragraph 11.2.2 above (the "Management Determination"). Such confirmation shall comprise an up-to-date balance sheet of the Assignor (and, in the case of a GmbH & Co. KG, its general partner) and a detailed

calculation, based on the provisions of this Agreement of the amount of the Net Assets and Protected Capital of the Assignor (or, in the case of a GmbH & Co. KG, its general partner). The Collateral Agent shall be entitled to enforce the security created hereunder in an amount which pursuant to the Management Determination would not cause the effects set out in paragraph 11.2.2 above (irrespective of whether or not the Collateral Agent agrees with the Management Determination).

11.4 If the Collateral Agent disagrees with the Management Determination, it may within fifteen (15) business days of its receipt request the Assignor to deliver, at its own cost and expense, within thirty (30) business days of such request an up-to-date balance sheet of the Assignor (and, in the case of a GmbH & Co. KG, of its general partner), drawn-up by an auditor appointed by the Assignor in consultation with the Collateral Agent, together with a detailed calculation, based on the provisions of this Agreement, of the amount of the Net Assets and Protected Capital of the Assignor (or, in the case of a GmbH & Co. KG, its general partner) (the "Auditor's Determination"). The Collateral Agent shall be entitled to enforce the security created hereunder in an amount which pursuant to the Auditor's Determination would not cause the effects set out in paragraph 11.2.2 above.

11.5 No reduction of the amount enforceable pursuant to this Clause 11 (Limitations on Enforcement) will prejudice the right of the Collateral Agent to continue to enforce the security created hereunder (subject always to the operation of the limitations set out above at the time of such enforcement) until full satisfaction of the claims guaranteed.

11.6 The Assignor shall (and, in the case of a Assignor in the form of a GmbH & Co. KG, shall procure that its general partner will) do everything commercially justifiable and legally permitted to avoid the enforcement of the security created hereunder becoming limited pursuant to the terms of this Clause 11 (Limitations on Enforcement) and shall in particular after the occurrence and continuation of an Enforcement Event and within three (3) months after a written request of the Collateral Agent realise at least at market value any of its (and, in the case of a GmbH & Co. KG, any of its general partner's) assets that are not necessary, as determined by the relevant Assignor in its sole discretion, for its business (nicht betriebsnotwendig) (or, in the case of a GmbH & Co. KG, that of its general partner) and is shown in its (or, in the case of a GmbH & Co. KG, its general partner's) balance sheet with a book value that is in the reasonable opinion of the Collateral Agent significantly lower than the market value.

12. BOOKKEEPING AND DATA-PROCESSING

12.1 The Assignor hereby assigns to the Collateral Agent, who accepts such assignment, any right it has against any third party (in particular any bookkeeping firm or tax consultant) in respect of the return of any proof or documents which the Assignor has handed over to such third party and which are necessary to identify the Receivables. The Assignor undertakes to instruct such third party, upon the occurrence and during the continuation of an Enforcement Event, to provide the Collateral Agent upon demand with such information, proof and documents which are necessary to check, assess or enforce the Receivables.

12.2 Upon the occurrence and during the continuation of an Enforcement Event, the Assignor shall allow the Collateral Agent access to any electronic data-processing system, including peripheral equipment, in which data concerning the Receivables or any part thereof have been stored. Moreover, the Assignor shall provide any assistance

required to the Collateral Agent (including by making software operators available). The Assignor hereby assigns to the Collateral Agent, who accepts such assignment, all its rights against any third party which handles the electronic processing of data concerning the Receivables and undertakes to instruct such third party, upon a respective demand of the Collateral Agent following the occurrence and during the continuation of an Enforcement Event, to handle the processing of data for the Collateral Agent as it did for the Assignor provided that the Assignor shall continue to be given access to any data it requires in its ordinary course of business. The Collateral Agent hereby agrees, to the same extent required of the Assignor as a user of such electronic data-processing systems, to maintain and take reasonable measures to protect the confidentiality of any information relating to proprietary information concerning such electronic data-processing systems.

12.3 The Collateral Agent authorises the Assignor to exercise the rights assigned to the Collateral Agent pursuant to sub-Clause 12.1 and 12.2 above at all times prior to the occurrence of an Enforcement Event.

13. REPRESENTATIONS AND WARRANTIES

The Assignor represents and warrants to the Collateral Agent by way of an independent guarantee (selbständiges Garantieversprechen) that:

13.1 except for extended retention of title arrangements (verlängerter Eigentumsvorbehalt) it is the sole unrestricted owner of the Receivables and no other person is entitled to any Receivable as joint creditor (Gesamtgläubiger) or co-creditor (Mitgläubiger);

13.2 the factual information contained in Schedule 2 to Schedule 5 is true, accurate and complete in all material respects;

13.3 the Receivables are unencumbered, except to the extent encumbrances are not prohibited by the Secured Documents;

13.4 substantially all existing Receivables are and all future Receivables will be governed by German law; and

13.5 except for extended retention of title arrangements (verlängerter Eigentumsvorbehalt) the Receivables are assignable (abtretbar) and can be freely assigned by the Assignor.

14. UNDERTAKINGS OF THE ASSIGNOR

During the term of this Agreement, the Assignor undertakes to the Collateral Agent:

14.1 not to take, or participate in, any action which results or might result in a sale, transfer, encumbrance or other disposal of the Receivables or permit to subsist, create or agree to create any security interest or third party right in or over the Receivables, in each case, other than as not prohibited under the terms of this Agreement and/or the Secured Documents;

14.2 to refrain from any acts or omissions, the purpose or effect of which is or would be the material dilution of the value of the Receivables or the Receivables ceasing to be assignable or subjecting any Receivable to any law other than German law other than (i) in the Assignor's ordinary course of business or (ii) as not prohibited under the terms of the Secured Documents; and

14.3 to inform the Collateral Agent without undue delay of any attachment (Pfändung) over any of the Receivables or part thereof and any third parties bringing claims in respect of any of the Receivables or part thereof or any other measures which might impair or jeopardize the Collateral Agent's rights relating to any Receivable or materially impair its value, such notice to be accompanied by any documents the Collateral Agent might need to defend itself against any claim by a third party. In the event of an attachment, the Assignor undertakes to forward to the Collateral Agent without undue delay a copy of the attachment order (Pfändungsbeschluss), any transfer order (Überweisungsbeschluss) and all other documents necessary or expedient for a defence against such attachment. The Assignor shall inform the attaching creditor of the Collateral Agent's security interests without undue delay.

15. POWER OF ATTORNEY

The Assignor, by way of security for its obligations under this Agreement, irrevocably appoints the Collateral Agent to be its attorney (Stellvertreter) to do anything which the Assignor is required to do under this Agreement but has failed to do (and the Collateral Agent may delegate that power on such terms as it sees fit). For this purpose the Assignor relieves the Collateral Agent from the restrictions set out in Section 181 of the German Civil Code. The Collateral Agent shall only be able to exercise this power of attorney upon the occurrence of an Enforcement Event which has not been cured or waived and upon notice to the Assignor in accordance with the Credit Agreement and/or EUR Notes Indenture.

16. DURATION AND INDEPENDENCE

16.1 This Agreement shall create a continuing security and no change, amendment, or supplement whatsoever in the Secured Documents or in any document or agreement relating to any of the Secured Documents shall affect the validity or the scope of this Agreement nor the obligations which are imposed on the Assignor pursuant to it.

16.2 This Agreement is independent from any other security or guarantee which may have been or will be given to the Secured Parties or the Collateral Agent. None of such other security shall prejudice, or shall be prejudiced by, or shall be merged in any way with this Agreement.

16.3 Waiving Section 418 of the German Civil Code (applied by analogy), the Assignor hereby agrees that the security created hereunder shall not be affected by any transfer or assumption of the Secured Obligations to, or by, any third party.

17. RELEASE OF SECURITY (SICHERHEITENFREIGABE)

17.1 Upon complete and irrevocable satisfaction of the Secured Obligations (other than (A) contingent indemnification obligations as to which no claim has been asserted, (B) obligations and liabilities under Secured Cash Management Agreements and Secured Hedge Agreements and (C) letters of credit which have been cash collateralized in accordance with the terms of the Credit Agreement), the Collateral Agent will as soon as reasonably practicable, at the cost and expense of the Assignor, reassign to the Assignor the Receivables and reassign the rights assigned to it pursuant to sub- Clause 12.1 and 12.2, and surrender the excess proceeds, if any, resulting from any realisation thereof. The Collateral Agent will, however, transfer any Receivable or excess proceeds to a third person if so required by law.

17.2 At any time when the total value of the aggregate security granted by the Assignor and the other Obligors to secure the Secured Obligations (the "Security"), which can be expected to be realised in the event of an enforcement of the Security (realisierbarer Wert), more than temporarily exceeds 110% of the Secured Obligations (the "Limit"), the Collateral Agent shall on demand of the Assignor release such part of the Security (Sicherheitenfreigabe) as the Collateral Agent may in its reasonable discretion determine so as to reduce the realisable value of the Security to the Limit.

18. PARTIAL INVALIDITY; WAIVER

18.1 The parties agree that should at any time, any provisions of this Agreement be or become void (nichtig), invalid or due to any reason ineffective (unwirksam) this will indisputably (unwiderlegbar) not affect the validity or effectiveness of the remaining provisions and this Agreement will remain valid and effective, save for the void, invalid or ineffective provisions, without any party having to argue (darlegen) and prove (beweisen) the parties' intent to uphold this Agreement even without the void, invalid or ineffective provisions.

18.2 The void, invalid or ineffective provision shall be deemed replaced by such valid and effective provision that in legal and economic terms comes closest to what the parties intended or would have intended in accordance with the purpose of this Agreement if they had considered the point at the time of conclusion of this Agreement.

18.3 No failure to exercise, nor any delay in exercising, on the part of the Collateral Agent, any right or remedy hereunder shall operate as a waiver thereof, nor shall any single or partial exercise of any right or remedy prevent any further or other exercise thereof or the exercise of any other right or remedy. The rights and remedies provided hereunder are cumulative and not exclusive of any rights or remedies provided by law.

19. AMENDMENTS

Changes and amendments to this Agreement including this Clause 19 shall be made in writing.

21. APPLICABLE LAW; JURISDICTION

21.1 This Agreement is governed by the laws of the Federal Republic of Germany.

The Collateral Agent, however, shall also be entitled to take action against the Assignor in any other court of competent jurisdiction. Each Pledgor undertakes that no resolutions are passed which constitute a breach of its obligations under Clause 10.

7. **ENFORCEMENT OF THE PLEDGES**

7.1 If an Enforcement Event has occurred and is continuing and provided that the requirements set forth in Sections 1273 para 2, 1204 *et seq*. of the German Civil Code with regard to the enforcement of any of the Pledges are met (*Pfandreife*), in particular, if any of the Secured Obligations has become due and payable, then in order to enforce the Pledges (or any of them), any of the Pledgees may at any time thereafter avail themselves of all rights and remedies that a pledgee has against a pledgor under the laws of the Federal Republic of Germany.

7.2 Notwithstanding Section 1277 of the German Civil Code, any of the Pledgees are entitled to exercise their rights without obtaining an enforceable judgment or other instrument (*vollstreckbarer Titel*). 7.3 Each Pledgor hereby expressly agrees that 5 (five) business days' prior written notice to the respective Pledgor of the place and time of any such sale shall be sufficient and the Pledgees shall not be obliged to deliver any further notices (including, but not limited to the notices set out under Section 1234 of the German Civil Code) to any Pledgor prior to such sale. The sale may take place at any place in the Federal Republic of Germany designated by any of the Pledgees.

7.4 If any of the Pledgees should seek to enforce the Pledges under sub-Clause 7.1 each Pledgor shall, at its own expense, render forthwith all necessary assistance in order to facilitate the prompt sale of the Interests or any part thereof and/or the exercise by any of the Pledgees of any other right they may have as Pledgee.

However, each Pledgor shall, upon occurrence of an event which allows any of the Pledgees to enforce the Pledges, have the obligations and each Pledgees shall have the rights set forth in sub-Clause 10.4 below regardless of which resolutions are intended to be adopted.

7.7 Each of the Pledgees may, in its sole discretion (acting reasonably) determine which of several security interests, if applicable, shall be used to satisfy the Secured Obligations. Each Pledgor hereby expressly waives its right pursuant to Section 1230 sentence 2 of the German Civil Code to limit the realisation of the Pledges and pledges over the partnership interests or shares in one or more other companies to such number of pledges as are necessary to satisfy the Secured Obligations and agrees further that each of the Pledgees may decide to enforce the Pledges in the Company individually at separate proceedings or together with pledges over partnership interests or shares in one or more other companies at one single proceeding (*Gesamtverwertung*).

7.8 Each Pledgor hereby expressly waives all defences of revocation (*Einrede der Anfechtbarkeit*) and set-off (*Einrede der Aufrechenbarkeit*) pursuant to Sections 770, 1211 of the German Civil Code.

7.9 Each Pledgor hereby expressly waives its defences based on defences any Obligor might have against any of the Secured Obligations (*Einreden des Hauptschuldners*) pursuant to Section 1211 para 1 sentence 1 alternative 1 of the German Civil Code.

7.10 If the Pledges are enforced or if any Pledgor has discharged any of the Secured Obligations (or any part of them), Section 1225 of the German Civil Code (legal subrogation of claims to a pledgor - *Forderungsübergang auf den Verpfänder*) shall not apply and no rights of the Pledgees shall pass to such Pledgor by subrogation or otherwise, unless and until all Secured Obligations have been fully and finally discharged (other than (A) contingent indemnification obligations as to which no claim has been asserted, (B) obligations and liabilities under Secured Cash Management Agreements and Secured Hedge Agreements and (C) letters of credit which have been cash collateralized in accordance with the terms of the Credit Agreement). Further, no Pledgor shall at any time before, on or after an enforcement of the Pledges and as a result of any Pledgor entering into this Agreement, be entitled to demand indemnification or compensation from the Company or any of the Company's affiliates or to assign any of these claims, unless and until all Secured Obligations have been fully and finally discharged (other than (A) contingent indemnification obligations as to which no claim has been asserted, (B) obligations and liabilities under Secured Cash Management Agreements and Secured Hedge Agreements and (C) letters of credit which have been cash collateralized in accordance with the terms of the Credit Agreement).

8. **RELEASE OF ENFORCEMENT PROCEEDS**

"**Net Assets**" means an amount equal to the sum of the amounts of the GP Pledgor's assets (consisting of all assets which correspond to the items set forth in section 266 paragraph 2 A, B, C, D and E of the German Commercial Code (*Handelsgesetzbuch* – "**HGB**")) less the aggregate amount of the GP Pledgor's liabilities (consisting of all liabilities and liability reserves which correspond to the items set forth in section 266 paragraph 3 B, C, D and E HGB), save that:

any obligations (*Verbindlichkeiten*) of the GP Pledgor owing to the Dutch Co- Borrower and/or any of the Dutch Co-Borrower's subsidiaries or any other affiliated company which are subordinated pursuant to section 39 paragraph 1 no. 5 or section 39 paragraph 2 of the German Insolvency Code (*Insolvenzordnung*) and including obligations under guarantees for obligations which are so subordinated; or

(a) incurred in violation of any of the provisions of the Secured Documents (unless neither with wilful misconduct nor gross negligence)

shall be disregarded.

The Net Assets shall be determined in accordance with the generally accepted accounting principles applicable from time to time in Germany (*Grundsätze ordnungsmäßiger Buchführung*) and be based on the same principles that were applied by the GP Pledgor in the preparation of its most recent annual balance sheet (*Jahresbilanz*).

"**Protected Capital**" means in relation to the GP Pledgor the aggregate amount of:

(a) its share capital (*Stammkapital*) as registered in the commercial register (*Handelsregister*) provided that any increase registered after the date of this Agreement shall not be taken into account unless (i) if the increase has been effected out of retained earnings (*Kapitalerhöhung aus Gesellschaftsmitteln*) such increase has been effected with the prior written consent of any of the Collateral Agents and, in any case, (ii) only to the extent it is fully paid up; and

(b) its amount of profits (*Gewinne*) which are not available for distribution to its shareholder(s) in accordance with section 268 paragraph 8 HGB.

"**Up-stream and/or Cross-stream Security**" means the Pledges granted by the GP Pledgor if and to the extent the Pledges secure the obligations of a Loan Party and/or a Notes Party which is a shareholder of the GP Pledgor or an affiliated company (*verbundenes Unternehmen*) of such shareholder within the meaning of section 16, 17 or 18 of the German Stock Corporation Act (*Aktiengesetz*) (other than the GP Pledgor and its subsidiaries), **provided that** it shall not constitute an Up-stream or Cross- stream Security if and to the extent the Pledges secure amounts outstanding under any Secured Document in relation to any financial accommodation made available under such Secured Document to any Borrower and/or Issuer and on-lent to, or issued for the benefit of, the GP Pledgor or any of its subsidiaries and still outstanding from time to time.

8.2 The Pledgees agree not to apply in satisfaction of the Secured Obligations, but to release the proceeds of an enforcement of the Pledges granted by the GP Pledgor (the "**Enforcement Proceeds**") if:

(a) (and to the extent that) the Pledges granted by the GP Pledgor constitute an Upstream- and/or Cross-Stream Security; and

(b) the application of the Enforcement Proceeds towards the satisfaction of the Secured Obligations would otherwise

(i) have the effect of reducing the GP Pledgor's Net Assets to an amount that is lower than the amount of its Protected Capital or, if the amount of the Net Assets is already lower than the amount of its Protected Capital, cause the Net Assets to be further reduced; and

(ii) thereby give rise to a violation of the capital maintenance requirement as set out in section 30 paragraph 1 of the German Limited Liability Companies Act (*Gesetz betreffend die Gesellschaften mit beschränkter Haftung*); and

(c) the GP Pledgor has complied with its obligation to deliver the Management Determination and the Auditor's Determination, in each case together with an up-to-date balance sheet, in accordance with the requirements set out in paragraphs 8.3 and 8.4 below.

8.3 Within ten (10) business days after the GP Pledgor's receipt of notice from any of the Collateral Agents, that it intends to enforce the Pledges, the GP Pledgor shall provide a certificate signed by its managing director(s) (*Geschäftsführer*) confirming in writing if and to what extent the Pledges are an Up-stream and/or Cross-stream Security and to what extent an application of the Enforcement Proceeds towards the satisfaction of the Secured Obligations would have the effects referred to in paragraph 8.2(b) above (the "**Management Determination**"). Such confirmation shall comprise an up-to-date balance sheet of the GP Pledgor and a detailed calculation, based on the provisions of this Clause 8 (*Release of Enforcement Proceeds*) of the amount of the Net Assets and Protected Capital of the GP Pledgor as well as the amount which should be released in order to prevent that the Net Assets of the GP Pledgor fall below its Protected Capital (the "**Release Amount**"). The Pledgees shall be entitled to apply the Enforcement Proceeds towards the satisfaction of the Secured Obligations in an amount which pursuant to the Management Determination would not cause the effects set out in paragraph 8.2(b) above (irrespective of whether or not the relevant Collateral Agent agrees with the Management Determination).

8.4 If any Collateral Agent disagrees with the Management Determination, it may within fifteen (15) business days of its receipt request the GP Pledgor to deliver, at its own cost and expense, within thirty (30) business days of such request an up-to-date balance sheet of the GP Pledgor, drawn-up by an auditor appointed by the GP Pledgor in consultation with the relevant Collateral Agent, together with a detailed calculation, based on the provisions of this Clause 8 (*Release of Enforcement Proceeds*), of the amount of the Net Assets and Protected Capital of the GP Pledgor and the Release Amount (the "**Auditor's Determination**"). The Pledgees shall be entitled to apply the

Enforcement Proceeds towards the satisfaction of the Secured Obligations in an amount which pursuant to the Auditor's Determination would not cause the effects set out in paragraph 8.2(b) above.

The Pledgees shall, not later than 5 business days after receipt of such Auditor's Determination, release an amount equivalent to the Release Amount as determined in the Auditor's Determination (or an amount equivalent to the additional amount (if any) by which the Release Amount as defined in the Auditor's Determination exceeds the amount of Enforcement Proceeds already released to the GP Pledgor (if any) as applicable). For the avoidance of doubt, any Pledgee shall only be obligated to release amounts actually received by it out of the Enforcement Proceeds.

8.5 No reduction of the Enforcement Proceeds will prejudice the right of the Pledgees to apply the Enforcement Proceeds towards the satisfaction of the Secured Obligations (subject always to the operation of the limitations set out above at the time of such enforcement).

The GP Pledgor shall do everything commercially justifiable and legally permitted to avoid the Enforcement Proceeds becoming limited pursuant to the terms of this Clause 8 (*Release of Enforcement Proceeds*) and shall in particular, after the occurrence and continuation of an Enforcement Event and within three (3) months after a written request of any of the Collateral Agents realise at least at market value any of its assets that are not necessary, as determined by the GP Pledgor in its sole discretion, for its business (*nicht betriebsnotwendig*) and is shown in its balance sheet with a book value that is in the reasonable opinion of the relevant Collateral Agent significantly lower than the market value.

9. REPRESENTATIONS AND WARRANTIES

Each Pledgor represents and warrants to each of the Pledgees by way of an independent guarantee (*selbstständiges Garantieversprechen*) that:

9.1 the statements made in Clause 2 above are true and correct;

9.2 the compulsory contribution (*Pflichteinlage*) owed by the LP Pledgor under the partnership agreement is fully contributed and there is no nor will be an obligation for a limited partner pursuant to the partnership agreement to make additional contributions (*keine Nachschusspflicht*);

9.3 the stated liable capital (*Haftsumme*) owed by the LP Pledgor under the partnership agreement is fully paid in and is registered in the commercial register (*Handelsregister*) as the aggregate stated liable capital (*Haftsumme*) and has not been repaid to the LP Pledgor in any way;

9.5 it is and will be the sole legal and beneficial owner, free from encumbrances (other than the Pledges created hereunder), of all Interests and has the corporate power and authority to enter into this Agreement;

9.6 all necessary authorisations to enable or entitle each Pledgor to enter into this Agreement have been obtained and are in full force and effect;

9.7 there are no silent partnership agreements or similar arrangements by which a third party is entitled to a participation in the profits or revenue of the Company; and

9.8 the place from which the Company is in fact administered and where all material managerial decisions are taken (*tatsächlicher Verwaltungssitz*) is situated in the Federal Republic of Germany.

10. UNDERTAKINGS OF THE PLEDGORS

During the term of this Agreement, each Pledgor undertakes to each of the Pledgees:

10.1 not to take, or participate in, any action which results or might reasonable result in the relevant Pledgor's loss of ownership of all or part of the Interests, or any other transaction which would have the same result as a sale, transfer or other disposal of the Interests or which would for any other reason materially adversely affect the security interest of the Pledgees or the security purpose (as described in Clause 5) or defeat, impair or circumvent the rights of the Pledgees except as permitted by the Secured Parties or unless permitted under the terms of the Secured Documents;

10.2 not to encumber, permit to subsist, create or agree to create any other security interest or third party right in or over the Interests or other rights which are subject to the Pledges except as set out in this Agreement or permitted under the terms of the Secured Documents;

10.3 to promptly effect any contributions in cash (*Bareinlage*) or kind (*Sacheinlage*) to be made in respect of the Interests;

10.4 to promptly notify the Pledgees, by notification in writing to each of the Collateral Agents, of any change in the partners, the compulsory contribution (*Pflichteinlage*) or stated liable capital (*Haftsumme*) of the Company or any encumbrance over the Interests (or part of them). In the case of any attachment (*Pfändung*) in respect of any of the Interests or any ancillary rights set out in sub-Clause 4.1, the relevant Pledgor shall promptly notify the Pledgees, by notification in writing to each of the Collateral Agents, such notice to be accompanied by any documents the Pledgees might need to defend themselves against any claim of a third party. In particular, the relevant Pledgor shall promptly forward to each of the Collateral Agents a copy of the attachment order (*Pfändungsbeschluss*), any transfer order (*Überweisungsbeschluss*) and all other documents necessary for a defence against the attachment;

10.5 unless not prohibited under the terms of the Secured Documents, not to allow, without the prior written consent of the Secured Parties, acting through any of the Pledgees, any other party to become a partner of the Company and not to defeat, impair or circumvent in any way the rights of the Pledgees created hereunder;

10.6 to refrain from any acts or omissions, the purpose or effect of which is or would be the dilution of the value of the Interests or the Interests ceasing to exist unless permitted or not prohibited under the terms of the Secured Documents;

10.7 not to change the partnership agreement with a view to stipulating certain requirements for the effective transfer of the Interests in addition to the general legal requirements pursuant to German Corporate law;

10.8 not to amend, or vote for any amendment of, the partnership agreement of the Company to the extent that such amendment would or would be likely to materially and adversely affect the security interest of the Pledgees created hereunder without the prior written consent of the Secured Parties, acting through any of the Collateral Agents; and

10.9 insofar as additional declarations or actions are necessary for the creation of the Pledges (or any of them) in favour of the Pledgees (or any of them), to make such declarations and undertake such actions at the relevant Pledgor's costs and expenses.

11. DURATION AND INDEPENDENCE

11.1 This Agreement shall remain in full force and effect until complete satisfaction of the Secured Obligations (other than (A) contingent indemnification obligations as to which no claim has been asserted, (B) obligations and liabilities under Secured Cash Management Agreements and Secured Hedge Agreements and (C) letters of credit which have been cash collateralized in accordance with the terms of the Credit Agreement). The Pledges shall not cease to exist, if the Loan Parties and/or the Notes Parties under the applicable Secured Documents have only temporarily discharged the respective Secured Obligations.

11.2 This Agreement shall create a continuing security and no change, amendment, or supplement whatsoever in the Secured Documents or in any document or agreement related to any of the Secured Documents shall affect the validity or the scope of this Agreement nor the obligations which are imposed on each Pledgor pursuant to it.

11.3 This Agreement is independent from any other security or guarantee which may have been or will be given to the Secured Parties or the Collateral Agents (or any of them). None of such other security shall prejudice, or shall be prejudiced by, or shall be merged in any way with this Agreement.

11.4 Waiving Section 418 of the German Civil Code, each Pledgor hereby agrees that the security created hereunder shall not be affected by any transfer or assumption of the Secured Obligations to, or by, any third party.

12. RELEASE OF PLEDGE (*PFANDFREIGABE*)

12.1 Upon complete and irrevocable satisfaction of the Secured Obligations (other than (A) contingent indemnification obligations as to which no claim has been asserted, (B) obligations and liabilities under Secured Cash Management Agreements and Secured Hedge Agreements and (C) letters of credit which have been cash collateralized in accordance with the terms of the Credit Agreement), the Pledgees will as soon as reasonably practicable declare the release of the Pledges (*Pfandfreigabe*) to the

Pledgor. For the avoidance of doubt, the parties are aware that upon full and complete satisfaction of the Secured Obligations the Pledges, due to their accessory nature (*Akzessorietät*) cease to exist by operation of German mandatory law.

12.2 At any time when the total value of the aggregate security granted by the relevant Pledgor and any of the other Obligors to secure the Secured Obligations (the "**Security**"), which can be expected to be realised in the event of an enforcement of the Security (*realisierbarer Wert*), more than temporarily exceeds 110% of the Secured Obligations (the "**Limit**"), the Pledgees shall on demand of the relevant Pledgor release such part of the Security (*Sicherheitenfreigabe*) as the Pledgees may in their reasonable discretion determine so as to reduce the realisable value of the Security to the Limit.

13. PARTIAL INVALIDITY; WAIVER

13.1 The parties agree that should at any time, any provisions of this Agreement be or become void (*nichtig*), invalid or due to any reason ineffective (*unwirksam*) this will indisputably (*unwiderlegbar*) not affect the validity or effectiveness of the remaining provisions and this Agreement will remain valid and effective, save for the void, invalid or ineffective provisions, without any party having to argue (*darlegen*) and prove (*beweisen*) the parties' intent to uphold this Agreement even without the void, invalid or ineffective provisions.

13.2 The void, invalid or ineffective provision shall be deemed replaced by such valid and effective provision that in legal and economic terms comes closest to what the parties intended or would have intended in accordance with the purpose of this Agreement if they had considered the point at the time of conclusion of this Agreement.

13.3 No failure to exercise, nor any delay in exercising, on the part of the Pledgees, any right or remedy hereunder shall operate as a waiver thereof, nor shall any single or partial exercise of any right or remedy prevent any further or other exercise thereof or the exercise of any other right or remedy. The rights and remedies provided hereunder are cumulative and not exclusive of any rights or remedies provided by law.

13.4 In particular, the Pledges shall not be affected and shall in any event extend to any and all interests in the Company even if the nominal value of the Existing Interests or the aggregate stated liable capital (*Haftsumme*) of the Company as stated in Clause 2 are inaccurate or deviate from the actual facts.

14. AMENDMENTS

Changes and amendments to this Agreement including this Clause 14 shall be made in writing, unless notarial form by operation of law is required.

6. **EXERCISE OF MEMBERSHIP RIGHTS**

The membership rights, including the voting rights, attached to the Shares remain with the Pledgor. The Pledgor, however, shall at all times until the full satisfaction of all Secured Obligations or the release of the Pledges exercise its membership rights, including its voting rights, in good faith to ensure that the validity and enforceability of the Pledges and the existence or value of all or part of the Shares are not in any way adversely affected, other than through dividend payments pursuant to Clause 4.2 above. The Pledgor undertakes that no resolutions are passed which constitute a breach of its obligations under Clause 10.

7. **ENFORCEMENT OF THE PLEDGES**

7.1 If an Enforcement Event has occurred and is continuing and provided that the requirements set forth in Sections 1273 para 2, 1204 *et seq*. of the German Civil Code with regard to the enforcement of any of the Pledges are met (*Pfandreife*), in particular, if any of the Secured Obligations has become due and payable, then in order to enforce the Pledges (or any of them), any of the Pledgees, may at any time thereafter avail themselves of all rights and remedies that a pledgee has against a pledgor under the laws of the Federal Republic of Germany.

7.2 Notwithstanding Section 1277 of the German Civil Code, any of the Pledgees are entitled to exercise their rights without obtaining an enforceable judgment or other instrument (*vollstreckbarer Titel*). The Pledgees shall be entitled to have the Pledges enforced in any manner allowed under the laws of the Federal Republic of Germany, in particular have the Pledges sold (including at public auction).

7.3 The Pledgor hereby expressly agrees that 5 (five) business days' prior written notice to the Pledgor of the place and time of any such sale shall be sufficient and the Pledgees, shall not be obliged to deliver any further notices (including, but not limited to the notices set out under Section 1234 of the German Civil Code) to the Pledgor prior to such sale. The sale may take place at any place in the Federal Republic of Germany designated by any of the Pledgees.

7.4 If any of the Pledgees should seek to enforce the Pledges under sub-Clause 7.1, the Pledgor shall, at its own expense, render forthwith all necessary assistance in order to facilitate the prompt sale of the Shares or any part thereof and/or the exercise by any of the Pledgees of any other right they may have as a Pledgee.

7.5 Following satisfaction of the requirements for enforcement under sub-Clause 7.1, all subsequent dividend payments and all payments based on similar ancillary rights attributed to the Shares may be applied by any of the Pledgees in satisfaction in whole or in part of the Secured Obligations or treated as additional collateral.

7.6 Even if the requirements for enforcement referred to under sub-Clause 7.1 above are met, none of the Pledgees shall, whether as proxy or otherwise, be entitled to exercise the voting rights attached to the Shares.

7.7 Each of the Pledgees may, in its sole discretion (acting reasonably), determine which of several security interests, if applicable, shall be used to satisfy the Secured Obligations. The Pledgor hereby expressly waives its right pursuant to Section 1230 sentence 2 of the German Civil Code to limit the realisation of the Pledges and pledges over the shares or partnership interests in one or more other companies to such number of pledges as are necessary to satisfy the Secured Obligations and agrees further that each of the Pledgees may decide to enforce the Pledges individually in separate proceedings or together with pledges over shares or partnership interests in one or more other companies at one single proceeding (*Gesamtverwertung*).

7.8 The Pledgor hereby expressly waives all defences of revocation (*Einrede der Anfechtbarkeit*) and set-off (*Einrede der Aufrechenbarkeit*) pursuant to Sections 770, 1211 of the German Civil Code.

7.9 The Pledgor hereby expressly waives its defences based on defences any Obligor might have against any of the Secured Obligations (*Einreden des Hauptschuldners*) pursuant to Section 1211 para 1 sentence 1 alternative 1 of the German Civil Code.

7.10 If the Pledges are enforced or if the Pledgor has discharged any of the Secured Obligations (or any part of them), Section 1225 of the German Civil Code (legal subrogation of claims to a pledgor - *Forderungsübergang auf den Verpfänder*) shall not apply and no rights of the Pledgees shall pass to the Pledgor by subrogation or otherwise, unless and until all Secured Obligations have been fully and finally discharged (other than (A) contingent indemnification obligations as to which no claim has been asserted, (B) obligations and liabilities under Secured Cash Management Agreements and Secured Hedge Agreements and (C) letters of credit which have been cash collateralized in accordance with the terms of the Credit Agreement). Further, the Pledgor shall not at any time before, on or after an enforcement of the Pledges and as a result of the Pledgor entering into this Agreement, be entitled to demand indemnification or compensation from the Company or any of a Company's affiliates or to assign any of these claims, unless and until all Secured Obligations have been fully and finally discharged (other than (A) contingent indemnification obligations as to which no claim has been asserted, (B) obligations and liabilities under Secured Cash Management Agreements and Secured Hedge Agreements and (C) letters of credit which have been cash collateralized in accordance with the terms of the Credit Agreement).

8. RELEASE OF ENFORCEMENT PROCEEDS

8.1 Definitions

"**Net Assets**" means an amount equal to the sum of the amounts of the Pledgor's (or, in the case of a GmbH & Co. KG, its general partner's) assets (consisting of all assets which correspond to the items set forth in section 266 paragraph 2 A, B, C, D and E of the German Commercial Code (*Handelsgesetzbuch* – "**HGB**")) less the aggregate amount of the Pledgor's (or, in the case of a GmbH & Co. KG, its general partner's) liabilities (consisting of all liabilities and liability reserves which correspond to the items set forth in section 266 paragraph 3 B, C, D and E HGB), save that:

any obligations (*Verbindlichkeiten*) of the Pledgor (and, in the case of a GmbH & Co. KG, of its general partner)

(a) owing to the Dutch Co-Borrower and/or any of the Dutch Co-Borrower's subsidiaries or any other affiliated company which are subordinated pursuant to section 39 paragraph 1 no. 5 or section 39 paragraph 2 of the German Insolvency Code (*Insolvenzordnung*) and including obligations under guarantees for obligations which are so subordinated; or

(b) incurred in violation of any of the provisions of the Secured Documents (unless neither with wilful misconduct nor gross negligence)

shall be disregarded.

The Net Assets shall be determined in accordance with the generally accepted accounting principles applicable from time to time in Germany (*Grundsätze ordnungsmäßiger Buchführung*) and be based on the same principles that were applied by the Pledgor (or, in the case of a GmbH & Co. KG, its general partner) in the preparation of its most recent annual balance sheet (*Jahresbilanz*).

"**Protected Capital**" means in relation to the Pledgor the aggregate amount of:

(a) its (or, where the Pledgor is a GmbH & Co. KG, its general partner's) share capital (*Stammkapital*) as registered in the commercial register (*Handelsregister*) provided that any increase registered after the date of this Agreement shall not be taken into account unless (i) if the increase has been effected out of retained earnings (*Kapitalerhöhung aus Gesellschaftsmitteln*) such increase has been effected with the prior written consent of any of the Collateral Agents and, in any case, (ii) only to the extent it is fully paid up; and

(b) its (or when applicable where the Pledgor is a GmbH & Co. KG, its general partner's) amount of profits (*Gewinne*) which are not available for distribution to its shareholder(s) in accordance with section 268 paragraph 8 HGB.

"**Up-stream and/or Cross-stream Security**" means the Pledges granted by the Pledgor if and to the extent the Pledges secure the obligations of a Loan Party and/or a Notes Party which is a shareholder of the Pledgor (and/or, in the case of a GmbH & Co. KG, of its general partner) or an affiliated company (*verbundenes Unternehmen*) of such shareholder within the meaning of section 16, 17 or 18 of the German Stock Corporation Act (*Aktiengesetz*) (other than the Pledgor and its subsidiaries and, in the case of a GmbH & Co. KG, the general partner and its subsidiaries), **provided that** it shall not constitute an Up-stream or Cross-stream Security if and to the extent the Pledges secure amounts outstanding under any Secured Document in relation to any financial accommodation made available under such Secured Document to any Borrower and/or Issuer and on-lent to, or issued for the benefit of, the Pledgor or any of its subsidiaries (and, where the Pledgor is a GmbH & Co. KG, to, or for the benefit of, its general partner or any of its subsidiaries) and still outstanding from time to time.

8.2 The Pledgees agree not to apply in satisfaction of the Secured Obligations, but to release the proceeds of an enforcement of the Pledges granted by the Pledgor (the "**Enforcement Proceeds**") if:

(a) (and to the extent that) the Pledges granted by the Pledgor constitute an Upstream- and/or Cross-Stream Security; and

(b) the application of the Enforcement Proceeds towards the satisfaction of the Secured Obligations would otherwise

(i) have the effect of reducing the Pledgor's (or, where the Pledgor is a GmbH & Co. KG, its general partner's) Net Assets to an amount that is lower than the amount of its (or, in the case of a GmbH & Co. KG, its general partner's) Protected Capital or, if the amount of the Net Assets is already lower than the amount of its (or, in the case of a GmbH & Co. KG, its general partner's) Protected Capital, cause the Net Assets to be further reduced; and

(ii) thereby give rise to a violation of the capital maintenance requirement as set out in section 30 paragraph 1 of the German Limited Liability Companies Act (*Gesetz betreffend die Gesellschaften mit beschränkter Haftung*); and

(c) the Pledgor has complied with its obligation to deliver the Management Determination and the Auditor's Determination, in each case together with an up-to-date balance sheet, in accordance with the requirements set out in paragraphs 8.3 and 8.4 below.

8.3 Within ten (10) business days after the Pledgor's receipt of notice from any of the Collateral Agents, that it intends to enforce the Pledges, the Pledgor shall provide a certificate signed by its managing director(s) (*Geschäftsführer*) (in case of a GmbH & Co. KG, on behalf of the Pledgor's general partner) confirming in writing if and to what extent the Pledges are an Up-stream and/or Cross-stream Security and to what extent an application of the Enforcement Proceeds towards the satisfaction of the Secured Obligations would have the effects referred to in paragraph 8.2(b) above (the "**Management Determination**"). Such confirmation shall comprise an up-to-date balance sheet of the Pledgor (and, in the case of a GmbH & Co. KG, its general partner) and a detailed calculation, based on the provisions of this Clause 8 (*Release of Enforcement Proceeds*) of the amount of the Net Assets and Protected Capital of the Pledgor (or, in the case of a GmbH & Co. KG, its general partner) as well as the amount which should be released in order to prevent that the Net Assets of the Pledgor (or, in the case of a GmbH & Co. KG, its general partner) fall below its Protected Capital (the "**Release Amount**"). The Pledgees shall be entitled to apply the Enforcement Proceeds towards the satisfaction of the Secured Obligations in an amount which pursuant to the Management Determination would not cause the effects set out in paragraph 8.2(b) above (irrespective of whether or not the relevant Collateral Agent agrees with the Management Determination).

8.4 If any Collateral Agent disagrees with the Management Determination, it may within fifteen (15) Business Days of its receipt request the Pledgor to deliver, at its own cost

and expense, within thirty (30) business days of such request an up-to-date balance sheet of the Pledgor (and, in the case of a GmbH & Co. KG, of its general partner), drawn-up by an auditor appointed by the Pledgor in consultation with the relevant Collateral Agent, together with a detailed calculation, based on the provisions of this Clause 8 (*Release of Enforcement Proceeds*), of the amount of the Net Assets and Protected Capital of the Pledgor (or, in the case of a GmbH & Co. KG, its general partner) and the Release Amount (the "**Auditor's Determination**"). The Pledgees shall be entitled to apply the Enforcement Proceeds towards the satisfaction of the Secured Obligations in an amount which pursuant to the Auditor's Determination would not cause the effects set out in paragraph 8.2(b) above.

The Pledgees shall, not later than 5 business days after receipt of such Auditor's Determination, release an amount equivalent to the Release Amount as determined in the Auditor's Determination (or an amount equivalent to the additional amount (if any) by which the Release Amount as defined in the Auditor's Determination exceeds the amount of Enforcement Proceeds already released to the Pledgor (if any) as applicable). For the avoidance of doubt, any Pledgee shall only be obligated to release amounts actually received by it out of the Enforcement Proceeds.

8.5 No reduction of the Enforcement Proceeds will prejudice the right of the Pledgees to apply the Enforcement Proceeds towards the satisfaction of the Secured Obligations (subject always to the operation of the limitations set out above at the time of such enforcement).

8.6 The Pledgor shall (and, in the case of a GmbH & Co. KG, shall procure that its general partner will) do everything commercially justifiable and legally permitted to avoid the Enforcement Proceeds becoming limited pursuant to the terms of this Clause 8 (*Release of Enforcement Proceeds*) and shall in particular, after the occurrence and continuation of an Enforcement Event and within three (3) months after a written request of any of the Collateral Agents realise at least at market value any of its (and, in the case of a GmbH & Co. KG, any of its general partner's) assets that are not necessary, as determined by the relevant Pledgor in its sole discretion, for its business (*nicht betriebsnotwendig*) (or, in the case of a GmbH & Co. KG, that of its general partner) and is shown in its (or, in the case of a GmbH & Co. KG, its general partner's) balance sheet with a book value that is in the reasonable opinion of the relevant Collateral Agent significantly lower than the market value.

9. REPRESENTATIONS AND WARRANTIES

The Pledgor represents and warrants to each of the Pledgees by way of an independent guarantee (*selbstständiges Garantieversprechen*) that:

9.1 the statements made in Clause 2 above are true and correct;

9.2 the Existing Shares are and the Future Shares will be fully paid in and there is no nor will there be any obligation for a shareholder to make additional contributions (*keine Nachschusspflicht*);

9.3 the share capital has not been repaid in any way;

9.4 all facts capable of being entered into the commercial register (*Handelsregister*) of the Company have been entered into the commercial register (*Handelsregister*);

9.5 it is and will be the sole legal and beneficial owner, free from encumbrances (other than the Pledges created hereunder or otherwise not prohibited by the Credit Agreement and/or the EUR Notes Indenture), of all Shares;

9.6 all necessary authorisations to enable or entitle the Pledgor to enter into this Agreement have been obtained and are in full force and effect;

9.7 there are no silent partnership agreements or similar arrangements by which a third party is entitled to a participation in the profits or revenue of the Company; and

9.8 the Existing Shares are not and the Futures Shares will not be subject to any pre-emption rights (*Vorkaufsrechte*) or other restrictions upon disposals which would operate to restrict in any way their disposal upon enforcement.

10. UNDERTAKINGS OF THE PLEDGOR

During the term of this Agreement, the Pledgor undertakes to each of the Pledgees:

10.1 not to take, or participate in, any action which results or might reasonably result in the Pledgor's loss of ownership of all or part of the Shares, or any other transaction which would have the same result as a sale, transfer or other disposal of the Shares or which would for any other reason materially adversely affect the security interest of the Pledgees or the security purpose (as described in Clause 5) or defeat, impair or circumvent the rights of the Pledgees except as permitted by the Secured Parties or unless permitted under the terms of the Secured Documents;

10.2 not to encumber, permit to subsist, create or agree to create any other security interest or third party right in or over the Shares or other rights subject to the Pledges except as set out in this Agreement or permitted under the terms of the Secured Documents;

10.3 to promptly effect any contributions in cash (*Bareinlage*) or kind (*Sacheinlage*) to be made in respect of the Shares;

10.4 to promptly notify the Pledgees, by notification in writing to each of the Collateral Agents, of any change in the shareholding in or capital of the Company and to promptly deliver to the Pledgees, by sending the same to each of the Collateral Agents, in their capacity as agent for and on behalf of the Pledgees, a copy of the updated shareholders list (*Gesellschafterliste*) and a copy of the amended articles of association (*Satzung*) both as filed (*aufgenommen*) with the commercial register (*Handelsregister*);

10.5 to promptly notify the Pledgees, by notification in writing to each of the Collateral Agents, of any encumbrance over the Shares (or part of them) or of the registration of an objection (*Widerspruch*) in relation to the Shares of the Pledgor in the shareholders list (*Gesellschafterliste*) as filed (*aufgenommen*) with the commercial register (*Handelsregister*). In the case of any attachment (*Pfändung*) in respect of any of the Shares, the Pledgor shall promptly notify the Pledgees, by notification in writing to each of the Collateral Agents, such notice to be accompanied by any documents the Pledgees might need to defend themselves against any claim of a third party. In

particular, the Pledgor shall promptly forward to each of the Collateral Agents a copy of the attachment order (*Pfändungsbeschluss*), any transfer order (*Überweisungsbeschluss*) and all other documents necessary for a defence against the attachment;

10.6 in the event of any increase in the capital of the Company and unless not prohibited under the terms of the Secured Documents, not to allow, without the prior written consent of the Secured Parties, acting through any of the Pledgees, any party other than himself to subscribe for any Future Shares, and not to defeat, impair or circumvent in any way the rights of the Pledgees created hereunder;

10.7 to refrain from any acts or omissions, the purpose or effect of which is or would be the dilution of the value of the Shares or the Shares ceasing to exist, unless permitted or not prohibited under the terms of the Secured Documents;

10.8 not to change the articles of association of the Company to the effect that any transfer of Shares shall only be possible with the consent of the shareholders;

10.9 not to amend, or vote for any amendment of, the articles of association of the Company to the extent that such amendment would or would be likely to materially and adversely affect the security interest of the Pledgees created hereunder without the prior written consent of the Secured Parties, acting through any of the Collateral Agents; and

10.10 insofar as additional declarations or actions are necessary for the creation of the Pledges (or any of them) in favour of the Pledgees (or any of them), to make such declarations and undertake such actions at its own costs and expenses at any of the Collateral Agent's request.

11. DURATION AND INDEPENDENCE

11.1 This Agreement shall remain in full force and effect until complete satisfaction of the Secured Obligations (other than (A) contingent indemnification obligations as to which no claim has been asserted, (B) obligations and liabilities under Secured Cash Management Agreements and Secured Hedge Agreements and (C) letters of credit which have been cash collateralized in accordance with the terms of the Credit Agreement). The Pledges shall not cease to exist, if the Loan Parties and/or the Notes Parties under the applicable Secured Documents have only temporarily discharged the respective Secured Obligations.

11.2 This Agreement shall create a continuing security and no change, amendment, or supplement whatsoever in the Secured Documents or in any document or agreement related to any of the Secured Documents shall affect the validity or the scope of this Agreement nor the obligations which are imposed on the Pledgor pursuant to it.

11.3 This Agreement is independent from any other security or guarantee which may have been or will be given to the Secured Parties or the Collateral Agents (or any of them). None of such other security shall prejudice, or shall be prejudiced by, or shall be merged in any way with this Agreement.

11.4 Waiving Section 418 of the German Civil Code, the Pledgor hereby agrees that the security created hereunder shall not be affected by any transfer or assumption of the Secured Obligations to, or by, any third party.

12. RELEASE OF PLEDGE (*PFANDFREIGABE*)

12.1 Upon complete and irrevocable satisfaction of the Secured Obligations (other than (A) contingent indemnification obligations as to which no claim has been asserted, (B) obligations and liabilities under Secured Cash Management Agreements and Secured Hedge Agreements and (C) letters of credit which have been cash collateralized in accordance with the terms of the Credit Agreement), the Pledgees will as soon as reasonably practicable declare the release of the Pledges (*Pfandfreigabe*) to the Pledgor. For the avoidance of doubt, the parties are aware that upon full and complete satisfaction of the Secured Obligations the Pledges, due to their accessory nature (*Akzessorietät*) cease to exist by operation of German mandatory law.

12.2 At any time when the total value of the aggregate security granted by the Pledgor and any of the other Obligors to secure the Secured Obligations (the "**Security**"), which can be expected to be realised in the event of an enforcement of the Security (*realisierbarer Wert*), more than temporarily exceeds 110% of the Secured Obligations (the "**Limit**"), the Pledgees shall on demand of the Pledgor release such part of the Security (*Sicherheitenfreigabe*) as the Pledgees may in their reasonable discretion determine so as to reduce the realisable value of the Security to the Limit.

13. PARTIAL INVALIDITY; WAIVER

13.1 The parties agree that should at any time, any provisions of this Agreement be or become void (*nichtig*), invalid or due to any reason ineffective (*unwirksam*) this will indisputably (*unwiderlegbar*) not affect the validity or effectiveness of the remaining provisions and this Agreement will remain valid and effective, save for the void, invalid or ineffective provisions, without any party having to argue (*darlegen*) and prove (*beweisen*) the parties' intent to uphold this Agreement even without the void, invalid or ineffective provisions.

13.2 The void, invalid or ineffective provision shall be deemed replaced by such valid and effective provision that in legal and economic terms comes closest to what the parties intended or would have intended in accordance with the purpose of this Agreement if they had considered the point at the time of conclusion of this Agreement.

13.3 No failure to exercise, nor any delay in exercising, on the part of the Pledgees, any right or remedy hereunder shall operate as a waiver thereof, nor shall any single or partial exercise of any right or remedy prevent any further or other exercise thereof or the exercise of any other right or remedy. The rights and remedies provided hereunder are cumulative and not exclusive of any rights or remedies provided by law.

13.4 In particular, the Pledges shall not be affected and shall in any event extend to any and all shares in the Company even if the number or nominal value of the relevant Existing Shares or the aggregate share capital of the Company as stated in Clause 2 are inaccurate or deviate from the actual facts.

14. **AMENDMENTS**

Changes and amendments to this Agreement including this Clause 14 shall be made in writing, unless notarial form by operation of law is required.

15. **NOTICES AND THEIR LANGUAGE**

The Notary advised the persons appearing:

- that a pledge is a security instrument of strictly accessory nature (which means that it comes into legal existence only if, to the extent that, and as long as, the underlying secured claims do in fact exist, and that the owners of the secured claims and the pledgees must be identical);
- that notwithstanding Section 16 para 3 German Limited Liability Companies Act (*Gesetz betreffend die Gesellschaft mit beschränkter Haftung*) there is no *bona fide* creation, acquisition nor ranking of a pledge of shares (in the sense that the pledgees are protected if the shares purported to be pledged do not exist or have been previously encumbered for the benefit of a third party); and
- that the English original version of this Agreement will not be acceptable for enforcement but will have to be translated, by a certified translator, into German for such purposes.

The Notary is hereby instructed to give notice of this Agreement and the Pledges of the rights pursuant to Clause 3 and Clause 4 to the Company by means of sending to the Company a notice substantially in the form of Schedule 3 hereto which shall be accompanied by a certified copy of this Agreement.

The above Agreement including the Schedules was read aloud by the Notary to the persons appearing, approved by them and signed by the persons appearing and by the Notary in their own hand as follows:

1.2 Construction

In this Agreement:

1.2.2 any reference in this Agreement to a "**Clause**", a "**sub-Clause**" or a "**Schedule**" shall, subject to any contrary indication, be construed as a reference to a Clause, a sub-Clause or a Schedule in this Agreement.

1.3 This Agreement is made in the English language. For the avoidance of doubt, the English language version of this Agreement shall prevail over any translation of this Agreement. However, where a German translation of a word or phrase appears in the text of this Agreement, the German translation of such word or phrase shall prevail.

2. **ASSIGNMENT OF RESTITUTION CLAIMS**

2.1 In respect of all land charges ranking prior to or *pari passu* with the Land Charge at present or in future, the Chargor hereby assigns to the Collateral Agent all its present and future rights and claims for restitution (*Rückgewähransprüche*) of such land charges (or any part thereof), together with interest and ancillary rights, including without limitation all claims to assignment, all claims to be provided with an authority for cancellation (*Löschungsbewilligung*), a waiver deed (*Verzichtserklärung*) or a declaration of non-valuation (*Nichtvalutierungserklärung*) and all claims to delivery of the excess proceeds (*Übererlös*), if any, resulting from the realisation of such land charges (including all claims to current account balances (*Saldoforderungen*) arising from inclusion of such excess proceeds in a current account arrangement (*Kontokorrentvereinbarung*)). In case any of the aforementioned claims have already been assigned to a third party, the Chargor herewith assigns all its present and future rights and claims to reassignment of such claims to the Collateral Agent.

2.2 In case any land charges ranking prior to or *pari passu* with the Land Charge are certificated land charges (*Briefgrundschulden*), the Chargor hereby also assigns to the Collateral Agent all its present and future rights and claims to delivery of the respective land charge certificate (*Grundschuldbrief*) or to presentation of the same at the land registry (*Grundbuchamt*) (the assignments made in this Clause 2 are collectively referred to as the "**Assignment of Claims**").

2.3 The Collateral Agent hereby accepts the Assignment of Claims.

2.4 The Assignment of Claims is made with the proviso that each prior or *pari passu* ranking land charge transferred or to be transferred to the Collateral Agent upon maturity of any restitution claim assigned to the Collateral Agent shall serve as security for, and may be enforced to satisfy, the Secured Obligations in addition to and without limitation to the amount (*Grundschuldbetrag*) of the Land Charge. In respect of such additional land charges, the provisions of this Agreement shall apply correspondingly.

2.5 The Collateral Agent is entitled to give notice of the Assignment of Claims to the relevant third party obligors in any way it reasonably deems appropriate following the occurrence and during the continuation of an Enforcement Event, including by sending a copy of this Agreement. Following the occurrence and during the continuation of an Enforcement Event, the Collateral Agent is also entitled to obtain information from the beneficiaries of any prior or *pari passu* ranking land charges with respect to the claims secured by such land charges.

2.6 The Chargor shall inform the Collateral Agent without undue delay (*unverzüglich*) when any claims assigned pursuant to the Assignment of Claims arise. The Chargor shall, at its own expense, upon reasonable request of the Collateral Agent make all declarations and carry out all acts necessary to confer on the Collateral Agent the security intended to be conferred pursuant to the Assignment of Claims.

3. **PURPOSE OF SECURITY**

3.1 The Land Charge, together with interest and additional benefits, the Promise of Debt and the Assignment of Claims are constituted in order to secure the prompt and complete satisfaction of any and all Secured Obligations. The Land Charge, together with interest and additional benefits, the Promise of Debt and the Assignment of Claims shall also cover any future extension of the Secured Obligations and the Chargor herewith expressly agrees that the Land Charge, the Promise of Debt and the Assignment of Claims shall secure the Secured Obligations as extended or increased from time to time (including, for the avoidance of doubt, any Incremental Facilities).

3.2 All amounts from time to time received by the Collateral Agent from the Chargor (if any) shall be applied towards the Secured Obligations in accordance with the Intercreditor Agreement and shall not reduce the nominal amount of the Land Charge or the Promise of Debt unless the Chargor in an individual case legitimately makes payment on the Land Charge or the Promise of Debt.

4. **ENFORCEMENT**

4.1 In addition to any termination right arising under the laws of the Federal Republic of Germany, the Collateral Agent is entitled to terminate (*kündigen*) the Land Charge (in particular any land charge that is not already due for payment) upon the occurrence of a Default. For the avoidance of doubt, if the Collateral Agent after terminating the Land Charge refrains from enforcing such Land Charge (e.g. because the respective Default has been remedied or waived at any time after the declaration of termination), the Collateral Agent is entitled to enforce such Land Charge without any further declaration of termination provided that the requirements set out in sub-Clause 4.2 below are met.

4.2 If an Enforcement Event has occurred and is continuing provided that any of the Secured Obligations has become due and payable, then the Collateral Agent is entitled to (i) enforce (*verwerten*) the Land Charge (or any part thereof) and all claims, rights and interests relating thereto and (ii) enforce its rights and claims under the Promise of Debt, it being understood that the Collateral Agent shall apply the proceeds of such enforcement in accordance with the Intercreditor Agreement. The Collateral Agent may enforce the Land Charge (or any part thereof) in its free discretion by way of public auction (*Zwangsversteigerung*), forced administration (*Zwangsverwaltung*) or a private sale (*freihändiger Verkauf*) of the Land Charge. For the avoidance of doubt, the Collateral Agent may only enforce any land charge granted after 19 August 2008 (or any part thereof) by way of public auction or forced administration in accordance with the mandatory requirements of Section 1193 of the German Civil Code (*Bürgerliches Gesetzbuch*). If the Collateral Agent decides in its free discretion to enforce the Land Charge by way of private sale, it may only sell the Land Charge together with and in an amount which is adequate in proportion to the claims secured thereby.

4.3 The Collateral Agent will notify the Chargor in writing at least 5 (five) business days prior to any realisation or enforcement pursuant to sub-Clause 4.2. This notice may be served together with the declaration of termination referred to in sub-Clause 4.1. No notice under this sub-Clause 4.3 shall be required if (i) the Chargor has generally ceased to make payments or (ii) an application for the institution of insolvency proceedings is filed by or against the Chargor.

4.4 If the Collateral Agent should seek to realise the Land Charge (or any part thereof) or enforce its rights and claims under the Promise of Debt in accordance with the provisions of this Agreement, the Chargor shall, at its own expense, render forthwith all necessary assistance in order to facilitate the prompt realisation of the Land Charge (or any part thereof) and/or the exercise by the Collateral Agent of any other right it may have in relation to the Land Charge or the Promise of Debt.

4.5 The Collateral Agent may, in its sole discretion, determine which of several security interests (created under this or other security agreements) shall be used to satisfy the Secured Obligations.

4.6 Given the non-accessory nature of this security, the Chargor has no defences of revocation and set-off and no defences based on defences any Obligor might have against the Secured Obligations. The Collateral Agent is not required to proceed against or enforce any other rights or security before enforcing the security created hereunder.

4.7 The Chargor shall not at any time before, on or after an enforcement of the security created hereunder and as a result of the Chargor entering into this Agreement, be entitled to demand indemnification or compensation from any other Obligor or to assign any of these claims unless and until all Secured Obligations (other than (A) contingent indemnification obligations as to which no claim has been asserted, (B) obligations and liabilities under Secured Cash Management Agreements and Secured Hedge Agreements and (C) letters of credit which have been cash collateralized in accordance with the terms of the Credit Agreement) have been fully and finally discharged.

5. LIMITATIONS ON ENFORCEMENT

5.1 Definitions

"**Net Assets**" means an amount equal to the sum of the amounts of the Chargor's (or, in the case of a GmbH & Co. KG, its general partner's) assets (consisting of all assets which correspond to the items set forth in section 266 paragraph 2 A, B, C, D and E of the German Commercial Code (*Handelsgesetzbuch* – "**HGB**")) less the aggregate amount of the Chargors's (or, in the case of a GmbH & Co. KG, its general partner's) liabilities (consisting of all liabilities and liability reserves which correspond to the items set forth in section 266 paragraph 3 B, C, D and E HGB), save that any obligations (*Verbindlichkeiten*) of the Chargor (and, in the case of a GmbH & Co. KG, of its general partner)

(a) owing to Dutch Co-Borrower and/or any of Dutch Co-Borrower's (formerly Flash Dutch 2 B.V.'s) subsidiaries or any other affiliated company which are subordinated pursuant to section 39 paragraph 1 no. 5 or section 39 paragraph 2 of the German Insolvency Code (*Insolvenzordnung*) and including obligations under guarantees for obligations which are so subordinated; or

(b) incurred in violation of any of the provisions of the Secured Documents (unless neither with wilful misconduct nor gross negligence)

shall be disregarded.

The Net Assets shall be determined in accordance with the generally accepted accounting principles applicable from time to time in Germany (*Grundsätze ordnungsmäßiger Buchführung*) and be based on the same principles that were applied by the Chargor (or, in the case of a GmbH & Co. KG, its general partner) in the preparation of its most recent annual balance sheet (*Jahresbilanz*).

"**Protected Capital**" means in relation to the Chargor the aggregate amount of:

(a) its (or, where the Chargor is a GmbH & Co. KG, its general partner's) share capital (*Stammkapital*) as registered in the commercial register (*Handelsregister*) provided that any increase registered after the date of this Agreement shall not be taken into account unless (i) the increase has been effected out of retained earnings (*Kapitalerhöhung aus Gesellschaftsmitteln*) such increase has been effected with the prior written consent of the Collateral Agent and, in any case, (ii) only to the extent it is fully paid up; and

(b) its (or when applicable where the Chargor is a GmbH & Co. KG, its general partner's) amount of profits (*Gewinne*) which are not available for distribution to its shareholder(s) in accordance with section 268 paragraph 8 HGB.

"**Up-stream and/or Cross-stream Security**" means the security created hereunder (which, for the purpose of this Clause 5 (*Limitations on Enforcement*), shall also include any other obligation of the Chargor to reimburse costs or pay indemnities under or in connection with any Secured Document) if and to the extent the security created hereunder secures the obligations of a Loan Party and/or Notes Party which is a shareholder of the Chargor (and/or, in the case of a GmbH & Co. KG, of its general partner) or an affiliated company (*verbundenes Unternehmen*) of such shareholder within the meaning of section 16, 17 or 18 of the German Stock Corporation Act (*Aktiengesetz*) (other than the Chargor and its subsidiaries and, in the case of a GmbH & Co. KG, the general partner and its subsidiaries), provided that it shall not constitute an Up-stream or Cross-stream Security if and to the extent the security created hereunder secures amounts outstanding under any Secured Document in relation to any financial accommodation made available under such Secured Document to any Borrower and/or any of the Issuers and on-lent to, or issued for the benefit of, the Chargor or any of its subsidiaries (and, where the relevant Chargor is a GmbH & Co. KG, to, or for the benefit of, its general partner or any of its subsidiaries) and still outstanding from time to time.

This Clause 5 (*Limitation on Enforcement*) applies if and to the extent the security created hereunder is an Up-stream and/or Cross-stream Security.

5.2 The Collateral Agent agrees that the enforcement of the security created hereunder shall be limited if:

5.2.1 (and to the extent that) the security constitutes an Upstream- and/or Cross- Stream Security; and

5.2.2 the enforcement of the security created hereunder pursuant to Clause 4 (*Enforcement*) would otherwise

(a) have the effect of reducing the Chargor's (or, where the Chargor is a GmbH & Co. KG, its general partner's) Net Assets to an amount that is lower than the amount of its (or, in the case of a GmbH & Co. KG, its general partner's) Protected Capital or, if the amount of the Net Assets is already lower than the amount of its (or, in the case of a GmbH & Co. KG, its general partner's) Protected Capital, cause the Net Assets to be further reduced; and

(b) thereby give rise to a violation of the capital maintenance requirement as set out in section 30 paragraph 1 of the German Limited Liability Companies Act (*Gesetz betreffend die Gesellschaften mit beschränkter Haftung*); and

5.2.3 the Chargor has complied with its obligation to deliver the Management Determination and the Auditor's Determination, in each case together with an up-to-date balance sheet, in accordance with the requirements set out in paragraphs 5.3 and 5.4 below.

5.3 Within ten (10) business days after the relevant Chargor's receipt of notice from the Collateral Agent that it intends to enforce the security created hereunder, the Chargor shall provide a certificate signed by its managing director(s) (*Geschäftsführer*) confirming in writing if and to what extent the security created hereunder is an Up- stream and/or Cross-stream Security and an enforcement of the security would have the effects referred to in paragraph 5.2.2 above (the "**Management Determination**"). Such confirmation shall comprise an up-to-date balance sheet of the Chargor (and, in the case of a GmbH & Co. KG, its general partner) and a detailed calculation, based on the provisions of this Agreement of the amount of the Net Assets and Protected Capital of the Chargor (or, in the case of a GmbH & Co. KG, its general partner). The Collateral Agent shall be entitled to enforce the security created hereunder in an amount which pursuant to the Management Determination would not cause the effects set out in paragraph 5.2.2 above (irrespective of whether or not the Collateral Agent agrees with the Management Determination).

5.4 If the Collateral Agent disagrees with the Management Determination, it may within fifteen (15) business days of its receipt request the Chargor to deliver, at its own cost and expense, within thirty (30) business days of such request an up-to-date balance sheet of the Chargor (and, in the case of a GmbH & Co. KG, of its general partner), drawn-up by an auditor appointed by the Chargor in consultation with the Collateral Agent, together with a detailed calculation, based on the provisions of this Agreement, of the amount of the Net Assets and Protected Capital of the Chargor (or, in the case of a GmbH & Co. KG, its general partner) (the "**Auditor's Determination**"). The Collateral Agent shall be entitled to enforce the security created hereunder in an amount which pursuant to the Auditor's Determination would not cause the effects set out in paragraph 5.2.2 above.

5.5 No reduction of the amount enforceable pursuant to this Clause 5 (*Limitations on Enforcement*) will prejudice the right of the Collateral Agent to continue to enforce the security created hereunder (subject always to the operation of the limitations set out above at the time of such enforcement) until full satisfaction of the claims guaranteed.

The Chargor shall (and, in the case of a Chargor in the form of a GmbH & Co. KG, shall procure that its general partner will) do everything commercially justifiable and legally permitted to avoid the enforcement of the security created hereunder becoming limited pursuant to the terms of this Clause 5 (*Limitations on Enforcement*) and shall in particular after the occurrence and continuation of an Enforcement Event and within three (3) months after a written request of the Collateral Agent realise at least at market value any of its (and, in the case of a GmbH & Co. KG, any of its general partner's) assets that are not necessary, as determined by the relevant Chargor in its sole discretion for its business (*nicht betriebsnotwendig*) (or, in the case of a GmbH & Co. KG, that of its general partner) and is shown in its (or, in the case of a GmbH & Co. KG, its general partner's) balance sheet with a book value that is in the reasonable opinion of the Collateral Agent significantly lower than the market value.

6. REPRESENTATIONS AND WARRANTIES

The Chargor represents and warrants to the Collateral Agent by way of an independent guarantee (*selbständiges Garantieversprechen*) that:

6.1 it is the owner of the Properties and is registered as such in the relevant land registries and has the right to freely charge and dispose of the Properties without the consent of any person or authority other than those set out in the relevant land registers attached hereto as Schedule 4 (*Copies of Land Register Excerpts*); and

6.2 except for the Land Charge and the respective applications for registration in the land register, the Properties are free from any mortgages (*Grundpfandrechte*) and other encumbrances (*Lasten*) or restrictions (*Beschränkungen*) except for those which were registered in the relevant land registers attached hereto as Schedule 4 (*Copies of Land Register Excerpts*) and the Chargor has neither granted nor approved the registration of any such encumbrances nor is aware that any third party has filed or will file an application for any registrations in the land register in relation to the Properties.

7. UNDERTAKINGS OF THE CHARGOR

During the term of this Agreement, the Chargor undertakes to the Collateral Agent:

7.1 to keep the Properties (including all buildings and fixtures located on each Property) insured at its own expense in accordance with the provisions of the Secured Documents;

7.2 to inform the Collateral Agent without undue delay of all existing building fire insurances (*Gebäudefeuerversicherung*) and of any new building fire insurances taken out in the future for the Properties (or any of them) so as to enable the Collateral Agent to notify the respective insurers of the Land Charge substantially in the form set out in Schedule 2 (*Form of Notice to Building Fire Insurance Provider*);

7.3 not to defeat, impair or circumvent in any way the rights of the Collateral Agent created hereunder or under the Land Charge and in particular not to participate in any action which could impair the legality, validity or enforceability of, or otherwise materially adversely affect or jeopardise the security interests of the Collateral Agent created hereunder or under the Land Charge which would be inconsistent with the security purpose set out in Clause 3 unless permitted under the terms of the Secured Documents;

7.4 to notify the Collateral Agent without undue delay of any change in the ownership or any further encumbrance of the Properties (or any of them);

7.5 to inform the Collateral Agent without undue delay of any attachment (*Beschlagnahme*) in respect of any of the Properties or part thereof and any third parties bringing claims in respect of any of the Properties or part thereof or any other measures which might impair or jeopardize the Collateral Agent's rights relating to any of the Properties or materially impair their value, such notice to be accompanied by any documents the Collateral Agent might need to preserve its rights in relation to the Properties. In the event of an attachment, the Chargor undertakes to forward to the Collateral Agent without undue delay a copy of the public auction or forced administration order (*Beschluss über die Anordnung der Zwangsversteigerung oder Zwangsverwaltung*) and all other documents necessary or expedient to enable the Collateral Agent to preserve its rights in relation to the Properties. The Chargor shall inform the attaching creditor of the Collateral Agent's security interests without undue delay;

7.6 to assist with and consent to any legally permitted divisions of the Land Charges, any rank which the Collateral Agent may assign to the resulting Land Charges, any transformation of a registered Land Charge (*Buchgrundschuld*) into a certificated Land Charge (*Briefgrundschuld*) (and vice versa) or any transformation of a Land Charge into a mortgage (*Hypothek*) (and vice versa) and to do all acts and make all declarations related thereto provided that the Collateral Agent has a legitimate interest to require such actions; and

7.7 to keep safe and readily available all its records relating to the Properties and to provide the Collateral Agent upon its reasonable request with all information and documentation it considers necessary for the assessment, administration or realisation of the Land Charge or any other security granted under or in connection with this Agreement.

8. POWER OF ATTORNEY

The Chargor, by way of security for its obligations under this Agreement, irrevocably appoints the Collateral Agent to be its attorney (*Stellvertreter*) to do anything which the Chargor is required to do under this Agreement but has failed to do (and the Collateral Agent may delegate that power on such terms as it sees fit). For this purpose the Chargor relieves the Collateral Agent from the restrictions set out in Section 181 of the German Civil Code. The Collateral Agent shall only be able to exercise this power of attorney upon the occurrence of an Enforcement Event which has not been cured or waived and upon a notice to the Chargor in accordance with the Credit Agreement and/or EUR Notes Indenture.

9. **DURATION AND INDEPENDENCE**

9.1 This Agreement shall create a continuing security and no change, amendment, or supplement whatsoever in the Secured Documents or in any document or agreement related to any of the Secured Documents shall affect the validity or the scope of this Agreement nor the obligations which are imposed on the Chargor pursuant to it.

9.2 This Agreement is independent from any other security or guarantee which may have been or will be given to the Secured Parties or the Collateral Agent. None of such other security shall prejudice, or shall be prejudiced by, or shall be merged in any way with this Agreement.

9.3 Waiving Section 418 of the German Civil Code (applied by analogy), the Chargor hereby agrees that the security created hereunder shall not be affected by any transfer or assumption of the Secured Obligations to, or by, any third party.

10. **RELEASE OF SECURITY (*SICHERHEITENFREIGABE*)**

10.1 Upon complete and irrevocable satisfaction of the Secured Obligations (other than (A) contingent indemnification obligations as to which no claim has been asserted, (B) obligations and liabilities under Secured Cash Management Agreements and Secured Hedge Agreements and (C) letters of credit which have been cash collateralized in accordance with the terms of the Credit Agreement),, the Collateral Agent will as soon as reasonably practicable, at request and at the cost and expense of the Chargor, release the Land Charge, the Promise of Debt and the Assignment of Claims and surrender the excess proceeds, if any, resulting from any realisation thereof. The Collateral Agent will, however, transfer the Land Charge, the Promise of Debt, the claims assigned under the Assignment of Claims and/or any excess proceeds to a third person, at the cost and expense of the Chargor, if so required by law.

10.2 At any time when the total value of the aggregate security granted by the Chargor and the other Obligors to secure the Secured Obligations (the "**Security**"), which can be expected to be realised in the event of an enforcement of the Security (*realisierbarer Wert*), more than temporarily exceeds 110% of the Secured Obligations (the "**Limit**"), the Collateral Agent shall on demand of the Chargor release such part of the Security (*Sicherheitenfreigabe*) as the Collateral Agent may in its reasonable discretion determine so as to reduce the realisable value of the Security to the Limit.

11. **PARTIAL INVALIDITY; WAIVER**

11.1 The parties agree that should at any time, any provisions of this Agreement be or become void (*nichtig*), invalid or due to any reason ineffective (*unwirksam*) this will indisputably (*unwiderlegbar*) not affect the validity or effectiveness of the remaining provisions and this Agreement will remain valid and effective, save for the void, invalid or ineffective provisions, without any party having to argue (*darlegen*) and prove (*beweisen*) the parties' intent to uphold this Agreement even without the void, invalid or ineffective provisions.

11.2 The void, invalid or ineffective provision shall be deemed replaced by such valid and effective provision that in legal and economic terms comes closest to what the parties they had considered the point at the time of conclusion of this Agreement.

11.3 No failure to exercise, nor any delay in exercising, on the part of the Collateral Agent, any right or remedy hereunder shall operate as a waiver thereof, nor shall any single or partial exercise of any right or remedy prevent any further or other exercise thereof or the exercise of any other right or remedy. The rights and remedies provided hereunder are cumulative and not exclusive of any rights or remedies provided by law.

12. **AMENDMENTS**

Changes and amendments to this Agreement including this Clause 12 shall be made in writing.

13. **NOTICES AND THEIR LANGUAGE**

1.2.2 any reference in this Agreement to a "Clause", a "sub-Clause" or a "Schedule" shall, subject to any contrary indication, be construed as a reference to a Clause, a sub-Clause or a Schedule hereof.

1.3 This Agreement is made in the English language. For the avoidance of doubt, the English language version of this Agreement shall prevail over any translation of this Agreement. However, where a German translation of a word or phrase appears in the text of this Agreement, the German translation of such word or phrase shall prevail.

2. TRANSFER OF TITLE

2.1 The Transferor hereby transfers all title to the Charged Assets to the Collateral Agent.

2.2 To the extent that the Transferor has only part ownership (Miteigentum) of the Charged Assets or the Transferor has only inchoate rights (Anwartschaftsrechte) in respect of the Charged Assets, the Transferor hereby transfers to the Collateral Agent such part ownership or inchoate rights.

2.3 The Collateral Agent hereby accepts such transfers.

2.4 Title in form of ownership, part ownership and/or inchoate rights to the Charged Assets (except Future Charged Assets) shall pass over to the Collateral Agent on execution of this Agreement or, where the Transferor at such time has no such rights, at the time when it obtains such ownership, part ownership and/or inchoate rights. Title in the form of ownership, part ownership and/or inchoate rights to the Future Charged Assets shall pass over to the Collateral Agent when the Transferor provides the Collateral Agent with an updated asset identification list pursuant to paragraph (b) of sub-Clause 4.1 or, if later, at the time the Transferor acquires ownership, part ownership and/or inchoate rights in respect of such Charged Asset.

2.5 In lieu of delivering the Charged Assets to the Collateral Agent, the Transferor and the Collateral Agent hereby agree that the Transferor will hold the Charged Assets in gratuitous custody (unentgeltliche Verwahrung) for the Collateral Agent. To the extent that any third party holds or will in future hold actual possession (unmittelbarer Besitz) of the Charged Assets, the Transferor hereby assigns to the Collateral Agent all its present and future claims to surrender (Herausgabeansprüche) of the Charged Assets and the Collateral Agent accepts such assignment.

3. PURPOSE OF THE TRANSFER OF TITLE

The transfer of title hereunder is constituted in order to secure the prompt and complete satisfaction of any and all Secured Obligations. The transfer of title shall also cover any future extension of the Secured Obligations and the Transferor herewith expressly agrees that the transfer of title shall secure the Secured Obligations as extended or increased from time to time (including, for the avoidance of doubt, any Incremental Facilities).

4. LIST OF CHARGED ASSETS

4.1 Within 15 (fifteen) business days after the end of each calendar quarter and in addition at any time upon reasonable request of the Collateral Agent after the occurrence of an Enforcement Event which is continuing, the Transferor shall deliver to the Collateral Agent an updated list substantially in the form of Schedule 2 (Asset Identification List) identifying all assets which shall replace the then current Schedule 2 (Asset Identification List) and form an integral part of this Agreement and which shall specify the nature of the Transferor's entitlement to the Charged Assets (including any retention of title arrangements) and comprise details on the type and number of the Charged Assets and (i) with respect to movable fixed assets, their cost of purchase (Anschaffungswert) and their current book value (Buchwert) and (ii) with respect to all other Charged Assets, their book value together with a written confirmation that such list is a correct and complete list.

4.2 Each list may be delivered to the Collateral Agent in the form of a computer disc or in such other form as from time to time agreed between the Collateral Agent and the Transferor. If the list is delivered in the form of an electronic file (including a computer disc), the Collateral Agent may in its reasonable discretion request a printout in addition to any other form.

4.3 If the Transferor employs a third party for its bookkeeping and/or data processing, the Collateral Agent is hereby authorised to obtain the information on the Charged Assets directly from such third party at the Transferor's expense at the same times and under the same conditions as set out in sub-Clause 4.1 above. For the avoidance of doubt, such authorisation does not release the Transferor from its obligation to provide lists of the Charged Assets to the Collateral Agent under this Clause 4.

5. CHARGED ASSETS UNDER RETENTION OF TITLE ARRANGEMENTS

The Transferor shall, upon request of the Collateral Agent following the occurrence and during the continuation of an Enforcement Event, terminate any person's retention of title arrangements (Eigentumsvorbehalt) arising in respect of any Charged Asset by paying the purchase price therefore. The Collateral Agent is entitled, but not obliged, at any time following the occurrence and during the continuation of an Enforcement Event to terminate such retention of title arrangements in respect of any Charged Asset by paying the purchase price therefore, or any part thereof, on behalf and at the expense of the Transferor.

6. STATUTORY LIEN

6.1 If at any time following the occurrence and during the continuation of an Enforcement Event the Charged Assets or any part thereof are or become subject to a statutory lien (gesetzliches Pfandrecht) in favour of any third party, the Transferor shall inform the Collateral Agent without undue delay.

6.2 If so requested by the Collateral Agent following the occurrence and during the continuation of an Enforcement Event, the Transferor shall provide evidence to the Collateral Agent of the punctual payment of the sums secured by any statutory lien (including any landlord's or lessor's lien) within 10 (ten) business days after the due date for payment. Upon request of the Collateral Agent following the occurrence and during the continuation of an Enforcement Event, the Transferor shall use its reasonable efforts to provide the Collateral Agent with a written confirmation of such third party confirming it has no right to hold back or enforce its rights in respect of any of the Charged Assets and will inform the Collateral Agent by fax without undue delay if the Transferor fails to pay any of the obligations secured under the relevant statutory lien.

6.3 If the Transferor does not comply with its obligations under this Clause 6, the Collateral Agent is entitled, but not obliged, to pay the sums secured under any statutory lien on behalf and at the expense of the Transferor in order to ward off any statutory lien.

7. DISPOSAL, PROCESSING AND REMOVAL OF CHARGED ASSETS

7.1 Disposal

The Transferor is authorised by the Collateral Agent to hold, dispose of (verfügen), process (verarbeiten), remodel (umbilden) and use the Charged Assets in the ordinary course of business to the extent permitted under the terms of the Secured Documents. The Transferor shall in doing so act with the care of a prudent businessman (Sorgfalt eines ordentlichen Kaufmanns).

7.2 Processing

7.2.1 If the Transferor processes (verarbeiten) or remodels (umbilden) the Charged Assets, such processing or remodelling is effected free of charge for and on behalf of the Collateral Agent in such a way that the Collateral Agent shall be regarded as producer within the meaning of Section 950 of the German Civil Code (Bürgerliches Gesetzbuch) and shall retain or acquire title in the form of ownership, part ownership or inchoate rights in the produced or remodelled goods (such goods being hereinafter referred to as "New Products" and each as a "New Product") at any time during each stage of processing or remodelling.

7.2.2 The Transferor and the Collateral Agent agree that if as a result of any production process carried on by the Transferor (whether or not by incorporation of any Charged Assets into a New Product), the Collateral Agent is not the owner, part-owner or holder of an inchoate right in respect of the New Product, then as soon as the Transferor gains such rights such rights shall pass over to the Collateral Agent. It is further agreed that subject to sub- Clause 7.2.1, if as a result of any production process carried on by the Transferor the Transferor co-mingles (vermischen, vermengen) goods or materials that constitute Charged Assets with goods or materials owned by third parties and the Transferor becomes owner, part-owner or holder of an inchoate right in respect of the co-mingled product, then as soon as the Transferor gains such rights such rights shall pass over to the Collateral Agent. Sub-Clause 2.5 shall apply mutatis mutandis.

7.2.3 To the extent the Transferor holds or will in future hold any claims entitling it to demand from any third party the transfer or assignment of ownership, part ownership or inchoate rights in respect of any New Product, the Transferor hereby assigns such claims to the Collateral Agent who accepts such assignment.

7.2.4 As far as ownership, part ownership or inchoate rights in respect of any New Products pass over to the Collateral Agent in accordance with this Clause 7, the Transferor shall hold the respective assets in gratuitous custody for, instead of delivering them to, the Collateral Agent. To the extent that any third party holds or will in future hold actual possession of such assets, the Transferor hereby assigns to the Collateral Agent all its present and future claims to surrender and the Collateral Agent accepts such assignment.

7.2.5 The Transferor hereby assigns to the Collateral Agent all its present and future claims it may have against a third party with respect to the processing or remodelling of the Charged Assets or the New Products resulting therefrom and the Collateral Agent accepts such assignment.

7.2.6 If an Enforcement Event has occurred and is continuing, the Collateral Agent shall be entitled to mark, or to request the Transferor to mark, the Charged Assets as the Collateral Agent's property if this seems appropriate to the Collateral Agent in its reasonable discretion to safeguard its legitimate interests.

8. TAKING POSSESSION BY THE COLLATERAL AGENT

After the occurrence of an Enforcement Event which is continuing and in addition for the purpose of protecting any Secured Party's legitimate interests (berechtigte Interessen) the Collateral Agent may limit the Authorisation or impose conditions for the exercise of the Authorisation or revoke the Authorisation and take possession of the Charged Assets. To the extent that the Authorisation is revoked or altered, the Collateral Agent may request that all documents relating to the Charged Assets be handed over to it and the Transferor hereby agrees to promptly comply with any such request.

9. ENFORCEMENT

9.1 If an Enforcement Event has occurred and is continuing provided that any of the Secured Obligations has become due and payable, then the Collateral Agent is entitled to enforce its rights under this Agreement, revoke the Authorisation (to the extent it has not been revoked pursuant to Clause 8) and realise the Charged Assets.

9.2 The Collateral Agent will notify the Transferor in writing at least 5 (five) business days prior to the enforcement of any transfer of title pursuant hereto. No such notice shall be required if (i) the Transferor has generally ceased to make payments or (ii) an application for the institution of insolvency proceedings is filed by or against the Transferor.

9.3 On becoming entitled to enforce the security interest created hereunder in accordance with sub-Clause 9.1, the Collateral Agent may, in particular, but without limitation, sell the Charged Assets by way of private sale in total or in part to the extent necessary to satisfy any outstanding Secured Obligations (other than (A) contingent indemnification obligations as to which no claim has been asserted, (B) obligations and liabilities under Secured Cash Management Agreements and Secured Hedge Agreements and (C) letters of credit which have been cash collateralized in accordance with the terms of the Credit Agreement),, it being understood that the Collateral Agent shall apply the proceeds of such realisation towards the Secured Obligations in accordance with the Intercreditor Agreement.

9.4 On becoming entitled to enforce the security interest created hereunder in accordance with sub-Clause 9.1, the Collateral Agent may request the Transferor to sell the Charged Assets for and on behalf of the Collateral Agent and in accordance with the Collateral Agent's instruction. The Transferor shall promptly comply with such request.

9.5 If the Collateral Agent sells any Charged Assets pursuant to sub-Clause 9.3 hereof, it may take all measures and enter into all agreements which it considers to be expedient.

9.6 Notwithstanding sub-Clause 9.3, the Collateral Agent may, in its sole discretion, determine which of several security interests (created under this or other security agreements) shall be used to satisfy the Secured Obligations.

9.7 Given the non-accessory nature of this security, the Transferor has no defences of revocation and set-off and no defences based on defences any Obligor might have against the Secured Obligations. The Collateral Agent is not required to proceed against or enforce any other rights or security before enforcing the security created hereunder.

9.8 The Transferor shall not at any time before, on or after an enforcement of the security created hereunder and as a result of the Transferor entering into this Agreement, be entitled to demand indemnification or compensation from any other Obligor or to assign any of these claims unless and until all Secured Obligations (other than (A) contingent indemnification obligations as to which no claim has been asserted, (B) obligations and liabilities under Secured Cash Management Agreements and Secured Hedge Agreements and (C) letters of credit which have been cash collateralized in accordance with the terms of the Credit Agreement) have been fully and finally discharged.

The Net Assets shall be determined in accordance with the generally accepted accounting principles applicable from time to time in Germany (Grundsätze ordnungsmäßiger Buchführung) and be based on the same principles that were applied by the Transferor (or, in the case of a GmbH & Co. KG, its general partner) in the preparation of its most recent annual balance sheet (Jahresbilanz).

"Protected Capital" means in relation to the Transferor the aggregate amount of:

(a) its (or, where the Transferor is a GmbH & Co. KG, its general partner's) share capital (Stammkapital) as registered in the commercial register (Handelsregister) provided that any increase registered after the date of this Agreement shall not be taken into account unless (i) the increase has been effected out of retained earnings (Kapitalerhöhung aus Gesellschaftsmitteln) such increase has been effected with the prior written consent of the Collateral Agent and, in any case, (ii) only to the extent it is fully paid up; and

(b) its (or when applicable where the Transferor is a GmbH & Co. KG, its general partner's) amount of profits (Gewinne) which are not available for distribution to its shareholder(s) in accordance with section 268 paragraph 8 HGB.

"Up-stream and/or Cross-stream Security" means the security created hereunder (which, for the purpose of this Clause 10 (Limitations on Enforcement), shall also include any other obligation of the Transferor to reimburse costs or pay indemnities under or in connection with any Secured Document) if and to the extent the security created hereunder secures the obligations of a Loan Party and/or Notes Party which is a shareholder of the Transferor (and/or, in the case of a GmbH & Co. KG, of its general partner) or an affiliated company (verbundenes Unternehmen) of such shareholder within the meaning of section 16, 17 or 18 of the German Stock Corporation Act (Aktiengesetz) (other than the Transferor and its subsidiaries and, in the case of a GmbH & Co. KG, the general partner and its subsidiaries), provided that it shall not constitute an Up-stream or Cross-stream Security if and to the extent the security created hereunder secures amounts outstanding under any Secured Document in relation to any financial accommodation made available under such Secured Document to any Borrower and/or any of the Issuers and on-lent to, or issued for the benefit of, the Transferor or any of its subsidiaries (and, where the relevant Transferor is a GmbH & Co. KG, to, or for the benefit of, its general partner or any of its subsidiaries) and still outstanding from time to time.

This Clause 10 (Limitation on Enforcement) applies if and to the extent the security created hereunder is an Up-stream and/or Cross-stream Security.

10.2 The Collateral Agent agrees that the enforcement of the security created hereunder shall be limited if:

10.2.1 (and to the extent that) the security constitutes an Upstream- and/or Cross- Stream Security; and

10.2.2 the enforcement of the security created hereunder pursuant to Clause 9 (Enforcement) would otherwise

(a) have the effect of reducing the Transferor's (or, where the Transferor is a GmbH & Co. KG, its general partner's) Net Assets to an amount that is lower than the amount of its (or, in the case of a GmbH & Co. KG, its general partner's) Protected Capital or, if the amount of the Net Assets is already lower than the amount of its (or, in the case of a GmbH & Co. KG, its general partner's) Protected Capital, cause the Net Assets to be further reduced; and

(b) thereby give rise to a violation of the capital maintenance requirement as set out in section 30 paragraph 1 of the German Limited Liability Companies Act (Gesetz betreffend die Gesellschaften mit beschränkter Haftung); and

10.2.3 the Transferor has complied with its obligation to deliver the Management Determination and the Auditor's Determination, in each case together with an up-to-date balance sheet, in accordance with the requirements set out in paragraphs 10.3 and 10.4 below.

10.3 Within ten (10) business days after the relevant Transferor's receipt of notice from the Collateral Agent that it intends to enforce the security created hereunder, the Transferor shall provide a certificate signed by its managing director(s) (Geschäftsführer) confirming in writing if and to what extent the security created hereunder is an Up-stream and/or Cross-stream Security and an enforcement of the security would have the effects referred to in paragraph 10.2.2 above (the "Management Determination"). Such confirmation shall comprise an up-to-date balance sheet of the Transferor (and, in the case of a GmbH & Co. KG, its general partner) and a detailed calculation, based on the provisions of this Agreement of the amount of the Net Assets and Protected Capital of the Transferor (or, in the case of a GmbH & Co. KG, its general partner). The Collateral Agent shall be entitled to enforce the security created hereunder in an amount which pursuant to the Management Determination would not cause the effects set out in paragraph 10.2.2 above (irrespective of whether or not the Collateral Agent agrees with the Management Determination).

10.4 If the Collateral Agent disagrees with the Management Determination, it may within fifteen (15) business days of its receipt request the Transferor to deliver, at its own cost and expense, within thirty (30) business days of such request an up-to-date balance sheet of the Transferor (and, in the case of a GmbH & Co. KG, of its general partner), drawn-up by an auditor appointed by the Transferor in consultation with the Collateral Agent, together with a detailed calculation, based on the provisions of this Agreement, of the amount of the Net Assets and Protected Capital of the Transferor (or, in the case of a GmbH & Co. KG, its general partner) (the "Auditor's Determination"). The Collateral Agent shall be entitled to enforce the security created hereunder in an amount which pursuant to the Auditor's Determination would not cause the effects set out in paragraph 10.2.2 above.

10.5 No reduction of the amount enforceable pursuant to this Clause 10 (Limitations on Enforcement) will prejudice the right of the Collateral Agent to continue to enforce the security created hereunder (subject always to the operation of the limitations set out above at the time of such enforcement) until full satisfaction of the claims guaranteed.

10.6 The Transferor shall (and, in the case of a Transferor in the form of a GmbH & Co. KG, shall procure that its general partner will) do everything commercially justifiable and legally permitted to avoid the enforcement of the security created hereunder becoming limited pursuant to the terms of this Clause 10 (Limitations on Enforcement) and shall in particular after the occurrence and continuation of an Enforcement Event and within three (3) months after a written request of the Collateral Agent realise at least at market value any of its (and, in the case of a GmbH & Co. KG, any of its general partner's) assets that are not necessary, as determined by the relevant Transferor in its sole discretion, for its business (nicht betriebsnotwendig) (or, in the case of a GmbH & Co. KG, that of its general partner) and is shown in its (or, in the case of a GmbH & Co. KG, its general partner's) balance sheet with a book value that is in the reasonable opinion of the Collateral Agent significantly lower than the market value.

11. BOOKKEEPING AND DATA-PROCESSING

11.1 The Transferor hereby assigns to the Collateral Agent, who accepts such assignment, any right it has against any third party (in particular any bookkeeping firm or tax consultant) in respect of the return of any proof or documents which the Transferor has handed over to such third party and which are necessary to identify the Charged Assets. The Transferor undertakes to instruct such third party, upon the occurrence and during the continuation of an Enforcement Event, to provide the Collateral Agent upon demand with such information, proof and documents which are necessary to check, assess or enforce the Charged Assets.

11.2 Upon the occurrence and during the continuation of an Enforcement Event, the Transferor shall allow the Collateral Agent access to any electronic data-processing system, including peripheral equipment, in which data concerning the Charged Assets or any part thereof have been stored. Moreover, the Transferor shall provide any assistance required to the Collateral Agent (including by making software operators available). The Transferor hereby assigns to the Collateral Agent, who accepts such assignment, all its rights against any third party which handles the electronic processing of data concerning the Charged Assets and undertakes to instruct such third party, upon a respective demand of the Collateral Agent following the occurrence and during the continuation of an Enforcement Event, to handle the processing of data for the Collateral Agent as it did for the Transferor provided that the Transferor shall continue to be given access to any data it requires in its ordinary course of business. The Collateral Agent hereby agrees, to the same extent required of the Transferor as a user of such electronic data-processing systems, to maintain and take reasonable measures to protect the confidentiality of any information relating to proprietary information concerning such electronic data-processing systems.

11.3 The Collateral Agent authorises the Transferor to exercise the rights assigned to the Collateral Agent pursuant to sub-Clause 11.1 and 11.2 above at all times prior to the occurrence of an Enforcement Event.

12. REPRESENTATIONS AND WARRANTIES

12.1 The Transferor hereby represents and warrants to the Collateral Agent by way of an independent guarantee (selbständiges Garantieversprechen) that:

12.2 except for any retention of title arrangements, it is the sole unrestricted owner of the Charged Assets and no other person is entitled to any Charged Assets as joint owner (Gesamthandseigentümer), co-owner (Miteigentümer) or holder of an inchoate right;

12.3 the lists attached hereto in Schedule 2 (Asset Identification List) is correct and sufficient to identify each Charged Asset and, with respect to the list attached hereto in Schedule 2 Part A, in particular the material numbers included in such list are identical to the numbers set out physically on the Charged Assets referred to therein;

12.4 substantially all movable assets of the Transferor are included in the list attached hereto in Schedule 2 (Asset Identification List);

12.5 except as not prohibited under the terms of the Secured Documents and save for any landlord's or lessor's statutory lien, the Charged Assets are not subject to any encumbrance (including any real estate security interest); and

12.6 except for any retention of title arrangements, the Transferor has the right to transfer or otherwise freely dispose of the Charged Assets as anticipated in sub-Clauses 2.1 and 2.2 above without the consent of any person.

13. UNDERTAKINGS OF THE TRANSFEROR

During the term of this Agreement, the Transferor undertakes to the Collateral Agent:

13.1 not to defeat, impair or circumvent in any way the rights of the Collateral Agent created hereunder;

13.2 subject to sub-Clause 7.1 not to take, or participate in, any action which results or might result in a sale, transfer, encumbrance or other disposal of the Charged Assets or permit to subsist, create or agree to create any security interest or third party right in or over the Charged Assets;

13.3 subject to sub-Clause 7.1 to refrain from any acts or omissions, the purpose or effect of which is or would be the material dilution of the value of the Charged Assets or the Charged Assets ceasing to be transferable;

13.4 to inform the Collateral Agent without undue delay of any attachment (Pfändung) over any of the Charged Assets and any third parties bringing claims in respect of any of the Charged Assets or any other measures which might impair or jeopardize the Collateral Agent's rights to any of the Charged Assets or materially impair their value, such notice to be accompanied by any documents the Collateral Agent might need to defend itself against any claim by a third party. In the event of an attachment, the Transferor undertakes to forward to the Collateral Agent without undue delay a copy of the attachment order (Pfändungsbeschluss) and all other documents necessary or expedient for a defence against such attachment. The Transferor shall inform the attaching creditor of the Collateral Agent's security interests without undue delay; and

13.5 upon the Collateral Agent's reasonable request following an Event of Default which is continuing, to provide the Collateral Agent promptly with all information and documents which are necessary or desirable in relation to the Charged Assets to protect the legitimate interests of the Collateral Agent and/or the Secured Parties or to enforce any claim assigned hereunder.

14. POWER OF ATTORNEY

The Transferor, by way of security for its obligations under this Agreement, irrevocably appoints the Collateral Agent to be its attorney (Stellvertreter) to do anything which the Transferor is required to do under this Agreement but has failed to do (and the Collateral Agent may delegate that power on such terms as it sees fit). For this purpose the Transferor relieves the Collateral Agent from the restrictions set out in Section 181 of the German Civil Code. The Collateral Agent shall only be able to exercise this power of attorney upon the occurrence of an Enforcement Event which has not been cured or waived and upon a notice to the Transferor in accordance with the Credit Agreement and/or EUR Notes Indenture.

15. DURATION AND INDEPENDENCE

15.1 This Agreement shall create a continuing security and no change, amendment, or supplement whatsoever in the Secured Documents or in any document or agreement related to any of the Secured Documents shall affect the validity or the scope of this Agreement nor the obligations which are imposed on the Transferor pursuant to it.

15.2 This Agreement is independent from any other security or guarantee which may have been or will be given to the Secured Parties or the Collateral Agent. None of such other security shall prejudice, or shall be prejudiced by, or shall be merged in any way with this Agreement.

15.3 Waiving Section 418 of the German Civil Code (applied by analogy), the Transferor hereby agrees that the security created hereunder shall not be affected by any transfer or assumption of the Secured Obligations to, or by, any third party.

16. RELEASE OF SECURITY (SICHERHEITENFREIGABE)

16.1 Upon complete and irrevocable satisfaction of the Secured Obligations (other than (A) contingent indemnification obligations as to which no claim has been asserted, (B) obligations and liabilities under Secured Cash Management Agreements and Secured Hedge Agreements and (C) letters of credit which have been cash collateralized in accordance with the terms of the Credit Agreement),, the Collateral Agent will as soon as reasonably practicable, at the cost and expense of the Transferor, retransfer to the Transferor the Charged Assets, reassign the rights assigned to it pursuant to sub- Clause 11.1 and 11.2 and surrender the excess proceeds, if any, resulting from any realisation thereof. The Collateral Agent will, however, transfer any Charged Assets or excess proceeds to a third person if so required by law.

16.2 At any time when the total value of the aggregate security granted by the Transferor and the other Obligors to secure the Secured Obligations (the “Security”), which can be expected to be realised in the event of an enforcement of the Security (realisierbarer Wert), more than temporarily exceeds 110% of the Secured Obligations (the “Limit”), the Collateral Agent shall on demand of the Transferor release such part of the Security (Sicherheitenfreigabe) as the Collateral Agent may in its reasonable discretion determine so as to reduce the realisable value of the Security to the Limit.

17. PARTIAL INVALIDITY, WAIVER

17.1 The parties agree that should at any time, any provisions of this Agreement be or become void (nichtig), invalid or due to any reason ineffective (unwirksam) this will indisputably (unwiderlegbar) not affect the validity or effectiveness of the remaining provisions and this Agreement will remain valid and effective, save for the void, invalid or ineffective provisions, without any party having to argue (darlegen) and prove (beweisen) the parties' intent to uphold this Agreement even without the void, invalid or ineffective provisions.

17.2 The void, invalid or ineffective provision shall be deemed replaced by such valid and effective provision that in legal and economic terms comes closest to what the parties intended or would have intended in accordance with the purpose of this Agreement if they had considered the point at the time of conclusion of this Agreement.

17.3 No failure to exercise, nor any delay in exercising, on the part of the Collateral Agent, any right or remedy hereunder shall operate as a waiver thereof, nor shall any single or partial exercise of any right or remedy prevent any further or other exercise thereof or the exercise of any other right or remedy. The rights and remedies provided hereunder are cumulative and not exclusive of any rights or remedies provided by law.

18. AMENDMENTS

Changes and amendments to this Agreement including this Clause 18 shall be made in writing.

However, where a German translation of a word or phrase appears in the text of this Agreement, the German translation of such word or phrase shall prevail.

2. ASSIGNMENT

2.1 The Assignor hereby assigns to the Collateral Agent the Receivables.

2.2 The Collateral Agent hereby accepts the assignment of the Receivables.

2.3 The existing Receivables shall pass over to the Collateral Agent on execution of this Agreement, and any future Receivables shall pass over to the Collateral Agent at the date such Receivables come into existence.

3. TRANSFER OF ANCILLARY RIGHTS

The Receivables are assigned to the Collateral Agent together with all accessory security rights (*akzessorische Sicherheiten*) and ancillary rights (*Neben-, Hilfs- und Vorzugsrechte*) pursuant to (including by way of analogy) Section 401 of the German Civil Code (*Bürgerliches Gesetzbuch*). In case of security rights and ancillary rights pertaining to the Receivables and which are not assigned and transferred to the Collateral Agent by operation of law pursuant to Section 401 of the German Civil Code (the "**Independent Ancillary Rights**"), the Collateral Agent may request at any time and at its sole discretion the assignment and/or transfer (as the case may be) of such Independent Ancillary Rights.

4. PURPOSE OF THE ASSIGNMENT

The assignment hereunder is constituted in order to secure the prompt and complete satisfaction of any and all Secured Obligations. The assignment shall also cover any future extension of the Secured Obligations and the Assignor herewith expressly agrees that the assignment shall secure the Secured Obligations as extended or increased from time to time (including, for the avoidance of doubt, any Incremental Facilities).

5. LIST OF RECEIVABLES

5.1 Within 15 (fifteen) business days after the end of each calendar quarter and in addition at any time upon the reasonable request of the Collateral Agent following an Enforcement Event which is continuing, the Assignor shall deliver to the Collateral Agent a list of the Receivables as of the end of the relevant calendar quarter or in case of information delivered upon reasonable request of the Collateral Agent, as of the end of the preceding calendar month, provided that, in relation to Customer

Receivables, such lists to be delivered on a regular quarterly basis shall only be delivered to receivables against customers (*Kundenforderungen*). This list of the Receivables shall be on a computer disk or in such other form as agreed between the Collateral Agent and the Assignor. The Collateral Agent may in its reasonable discretion request a computer print-out in addition to any other form in which the list may be delivered.

5.2 Unless otherwise agreed, the list of the Receivables referred to in sub-Clause 5.1 shall show the names and addresses of the debtors as well as any outstanding amounts and the due dates for payment. With respect to any Insurance Receivables, the name and address of the insurance holder (*Versicherungsnehmer*), the name and address of the insurant (*Versicherter*), the type of insurance and the insurance policy number shall also be included. In addition, the list shall include all unpaid counter claims, if any, which arise from contracts between the Assignor and the relevant debtors, and shall state the exact amount of such unpaid claim, the maturity date and the name of the respective debtor.

5.3 Any list of Receivables referred to in sub-Clauses 5.1 and 5.2 above is provided for information purposes only and if for any reason whatsoever the relevant Receivables are not, or are incompletely, contained in the list presented, then the assignment of the Receivables shall not be affected thereby.

5.4 If the Assignor employs a third party for its bookkeeping and/or data processing, the Assignor hereby authorises the Collateral Agent to obtain any list of Receivables directly from such third party at the Assignor's expense at the same times and under the same conditions as set out in this Clause 5. For the avoidance of doubt, such authorisation does not release the Assignor from its obligation to provide lists of the Receivables to the Collateral Agent under this Clause 5.

6. NOTICE OF ASSIGNMENT OF INSURANCE RECEIVABLES

6.1 The Assignor shall notify by registered mail (*Einschreiben mit Rückschein*) the relevant debtors of the assignment of the Insurance Receivables constituted hereunder in the form set out in Schedule 6 (*Form of Notice for a Disclosed Assignment*), within 10 (ten) business days from the date hereof or, with respect to the Insurance Receivables arising from future contracts within 10 (ten) business days from the date of entry into such contract. The Assignor shall provide evidence to the Collateral Agent of any such acknowledgement.

6.3 The Assignor shall deliver to the Collateral Agent dated notification letters in the form of Schedule 5 (*Form of Blank Notification Letter*) executed in blank within 10 (ten) business days from the date hereof for the purpose of notifying the debtors of the Receivables of this Agreement in accordance with Clause 10. The Collateral Agent is entitled to duplicate such blank notification letters executed by the Assignor.

7. **RECEIVABLES UNDER EXTENDED RETENTION OF TITLE ARRANGEMENTS**

7.1 If Receivables are assigned pursuant to this Agreement which are subject to extended retention of title arrangements (*verlängerter Eigentumsvorbehalt*) with any supplier of the Assignor, the assignment shall only become effective upon the termination (*Erlöschen*) of such extended retention of title. As long as any person is only partly entitled to the Receivables as a result of such person's retention of title arrangement, the assignment of such Receivables to the Collateral Agent hereunder shall be limited to the part of the relevant Receivables to which the Assignor is entitled to, the assignment of the other part shall be effective upon complete termination of the extended retention of title.

7.2 The Assignor hereby assigns to the Collateral Agent its right to reassignment of Receivables assigned to a supplier by reason of an extended retention of title arrangement as well as any contingent claims to the transfer of all proceeds paid out to the supplier, together with all rights pertaining thereto. The same applies to any possible inchoate right (*Anwartschaftsrecht*) with respect to the assignment of any Receivables which is subject to a dissolving condition (*auflösende Bedingung*). The Collateral Agent hereby accepts such assignments.

7.3 The Collateral Agent may at any time after the occurrence and during the continuation of an Enforcement Event terminate any retention of title arrangement on behalf of the Assignor by discharging the respective liability of the Assignor towards the relevant supplier. The Assignor will reimburse the Collateral Agent for any costs and expenses so incurred.

8. **CHECKS AND BILLS OF EXCHANGE**

If payments in respect of the Receivables are made by check or bill of exchange, the ownership in the documents shall pass to the Collateral Agent upon the Assignor acquiring such ownership, and the Assignor hereby assigns to the Collateral Agent, who accepts the assignment, in advance any of its rights arising there from as security for the Secured Obligations. Physical delivery of checks and bills of exchange to the Collateral Agent shall be replaced by an undertaking of the Assignor to hold such checks and bills of exchange in gratuitous custody (*unentgeltliche Verwahrung*) as direct possessor (*unmittelbarer Besitzer*) in the meaning of Section 868 of German Civil Code (*Bürgerliches Gesetzbuch*) for the Collateral Agent (*Besitzmittlungsverhältnis*) or, if the Assignor does not obtain actual possession of such documents, the Assignor hereby assigns to the Collateral Agent in advance all of its claims for delivery thereof against third parties as security for the Secured Obligations. The Collateral Agent accepts such assignment.

9. **COLLECTION OF RECEIVABLES BY THE ASSIGNOR**

The Assignor is authorised by the Collateral Agent to deal with (*verfügen über*) (including to collect (*einziehen*)) the Receivables and any checks and bills of exchange referenced in Clause 8 (*Checks and Bills of Exchange*) above in its own name and for its own account in the ordinary course of business and in any way not prohibited under the Secured Documents. The Assignor shall in doing so act with the care of a prudent businessman (*Sorgfalt eines ordentlichen Kaufmanns*). After the

occurrence and during the continuation of an Enforcement Event the Collateral Agent may limit the Authorisation or impose conditions for the exercise of the Authorisation or revoke the Authorisation.

10. **ENFORCEMENT**

10.1 After the occurrence and during the continuation of an Enforcement Event provided that any of the Secured Obligations has become due and payable, then the Collateral Agent is entitled to enforce its rights under this Agreement, revoke the Authorisation (to the extent it has not been revoked pursuant to Clause 9), notify the debtors and arrange for the collection of the Receivables in its own name and for its own account or arrange for the sale of the Receivables.

10.2 The Collateral Agent will notify the Assignor in writing at least 5 (five) business days prior to the enforcement of any assignment pursuant hereto. No such notice shall be required if (i) the Assignor has generally ceased to make payments or (ii) an application for the institution of insolvency proceedings is filed by or against the Assignor.

10.3 To the extent that the Authorisation is revoked, the Collateral Agent may request that all documents relating to the Receivables be handed over to it and the Assignor hereby agrees to promptly comply with any such request. In the case of checks and bills of exchange, the Assignor hereby further agrees to endorse such documents in blank and to deliver them to the Collateral Agent as soon as reasonably practicable after the occurrence and during the continuation of an Enforcement Event.

10.4 On becoming entitled to enforce the security interest created hereunder in accordance with sub-Clause 10.1 the Collateral Agent may collect the Receivables in total or in part to the extent necessary to satisfy any outstanding Secured Obligations (other than (A) contingent indemnification obligations as to which no claim has been asserted, (B) obligations and liabilities under Secured Cash Management Agreements and Secured Hedge Agreements and (C) letters of credit which have been cash collateralized in accordance with the terms of the Credit Agreement), it being understood that the Collateral Agent shall apply the proceeds of such realisation towards the Secured Obligations in accordance with the Intercreditor Agreement.

10.5 On becoming entitled to enforce the security interest created hereunder in accordance with sub-Clause 10.1, the Collateral Agent may request the Assignor to collect the Receivables for and on behalf of the Collateral Agent and in accordance with the Collateral Agent's instruction. The Assignor shall promptly comply with such request.

10.6 Notwithstanding sub-Clause 10.4, the Collateral Agent may, in its sole discretion, determine which of several security interests (created under this or other security agreements) shall be used to satisfy the Secured Obligations.

10.7 Given the non-accessory nature of this security, the Assignor has no defences of revocation and set-off and no defences based on defences any Obligor might have against the Secured Obligations. The Collateral Agent is not required to proceed against or enforce any other rights or security before enforcing the security created hereunder.

10.8 The Assignor shall not at any time before, on or after an enforcement of the security created hereunder and as a result of the Assignor entering into this Agreement, be entitled to demand indemnification or compensation from any other Obligor or to assign any of these claims unless and until all Secured Obligations (other than (A) contingent indemnification obligations as to which no claim has been asserted, (B) obligations and liabilities under Secured Cash Management Agreements and Secured Hedge Agreements and (C) letters of credit which have been cash collateralized in accordance with the terms of the Credit Agreement)have been fully and finally discharged.

11. LIMITATIONS ON ENFORCEMENT

11.1 Definitions

"**Net Assets**" means an amount equal to the sum of the amounts of the general partner's (*Komplementär*) assets (consisting of all assets which correspond to the items set forth in section 266 paragraph 2 A, B, C, D and E of the German Commercial Code (*Handelsgesetzbuch* – "**HGB**")) less the aggregate amount of the Assignor's general partner's (*Komplementär*) liabilities (consisting of all liabilities and liability reserves which correspond to the items set forth in section 266 paragraph 3 B, C, D and E HGB), save that any obligations (*Verbindlichkeiten*) of the Assignor's general partner (*Komplementär*):

(a) owing to Dutch Co-Borrower and/or any of Dutch Co-Borrower's (formerly Flash Dutch 2 B.V.'s) subsidiaries or any other affiliated company which are subordinated pursuant to section 39 paragraph 1 no. 5 or section 39 paragraph 2 of the German Insolvency Code (*Insolvenzordnung*) and including obligations under guarantees for obligations which are so subordinated; or

(b) incurred in violation of any of the provisions of the Secured Documents (unless neither with wilful misconduct nor gross negligence)

shall be disregarded.

The Net Assets shall be determined in accordance with the generally accepted accounting principles applicable from time to time in Germany (*Grundsätze ordnungsmäßiger Buchführung*) and be based on the same principles that were applied by the Assignor's general partner (*Komplementär*) in the preparation of its most recent annual balance sheet (*Jahresbilanz*).

"**Protected Capital**" means in relation to the Assignor the aggregate amount of:

(a) its general partner's (*Komplementär*) share capital (*Stammkapital*) as registered in the commercial register (*Handelsregister*) provided that any increase registered after the date of this Agreement shall not be taken into account unless (i) if the increase has been effected out of retained earnings (*Kapitalerhöhung aus Gesellschaftsmitteln*) such increase has been effected with the prior written consent of the Collateral Agent and, in any case, (ii) only to the extent it is fully paid up; and

(b) its general partner's (*Komplementär*) amount of profits (*Gewinne*) which are not available for distribution to its shareholder(s) in accordance with section 268 paragraph 8 HGB.

"**Up-stream and/or Cross-stream Security**" means the security created hereunder (which, for the purpose of this Clause 11 (*Limitations on Enforcement*), shall also include any other obligation of the Assignor to reimburse costs or pay indemnities under or in connection with any Secured Document) if and to the extent the security created hereunder secures the obligations of a Loan Party and/or Notes Party which is a shareholder of the Assignor's general partner (*Komplementär*) or an affiliated company (*verbundenes Unternehmen*) of such shareholder within the meaning of section 16, 17 or 18 of the German Stock Corporation Act (*Aktiengesetz*) (other than the Assignor's general partner (*Komplementär*) and its subsidiaries), provided that it shall not constitute an Up-stream or Cross-stream Security if and to the extent the security created hereunder secures amounts outstanding under any Secured Document in relation to any financial accommodation made available under such Secured Document to any Borrower and/or any of the Issuers and on-lent to, or issued for the benefit of, the Assignor's general partner (*Komplementär*) or any of its subsidiaries and still outstanding from time to time.

This Clause 11 (*Limitation on Enforcement*) applies if and to the extent the security created hereunder is an Up-stream and/or Cross-stream Security.

11.2 The Collateral Agent agrees that the enforcement of the security created hereunder shall be limited if:

11.2.1 (and to the extent that) the security constitutes an Upstream- and/or Cross- Stream Security; and

11.2.2 the enforcement of the security created hereunder pursuant to Clause 10 (*Enforcement*) would otherwise

(a) have the effect of reducing the Assignor's general partner's (*Komplementär*) Net Assets to an amount that is lower than the amount of the Assignor's general partner's (*Komplementär*) Protected Capital or, if the amount of the Net Assets is already lower than the amount of the Assignor's general partner's (*Komplementär*) Protected Capital, cause the Net Assets to be further reduced; and

(b) thereby give rise to a violation of the capital maintenance requirement as set out in section 30 paragraph 1 of the German Limited Liability Companies Act (*Gesetz betreffend die Gesellschaften mit beschränkter Haftung*); and

11.2.3 the Assignor has complied with its obligation to deliver the Management Determination and the Auditor's Determination, in each case together with an up-to-date balance sheet, in accordance with the requirements set out in paragraphs 11.3 and 11.4 below.

11.3 Within ten (10) business days after the relevant Assignor's receipt of notice from the Collateral Agent that it intends to enforce the security created hereunder, the Assignor shall provide a certificate signed by its general partner's (*Komplementär*) managing director(s) (*Geschäftsführer*) confirming in writing if and to what extent the security created hereunder is an Up-stream and/or Cross-stream Security and an enforcement of the security would have the effects referred to in paragraph 11.2.2 above (the "**Management Determination**"). Such confirmation shall comprise an up-to-date balance sheet of the Assignor's general partner (*Komplementär*) and a detailed calculation, based on the provisions of this Agreement of the amount of the Net Assets and Protected Capital of the Assignor's general partner (*Komplementär*). The Collateral Agent shall be entitled to enforce the security created hereunder in an amount which pursuant to the Management Determination would not cause the effects set out in paragraph 11.2.2 above (irrespective of whether or not the Collateral Agent agrees with the Management Determination).

11.4 If the Collateral Agent disagrees with the Management Determination, it may within fifteen (15) business days of its receipt request the Assignor to deliver, at its own cost and expense, within thirty (30) business days of such request an up-to-date balance sheet of the Assignor's general partner (*Komplementär*), drawn-up by an auditor appointed by the Assignor in consultation with the Collateral Agent, together with a detailed calculation, based on the provisions of this Agreement, of the amount of the Net Assets and Protected Capital of the Assignor's general partner (*Komplementär*) (the "**Auditor's Determination**"). The Collateral Agent shall be entitled to enforce the security created hereunder in an amount which pursuant to the Auditor's Determination would not cause the effects set out in paragraph 11.2.2 above.

11.5 No reduction of the amount enforceable pursuant to this Clause 11 (*Limitations on Enforcement*) will prejudice the right of the Collateral Agent to continue to enforce the security created hereunder (subject always to the operation of the limitations set out above at the time of such enforcement) until full satisfaction of the claims guaranteed.

11.6 The Assignor shall procure that its general partner (*Komplementär*) will do everything commercially justifiable and legally permitted to avoid the enforcement of the security created hereunder becoming limited pursuant to the terms of this Clause 11 (*Limitations on Enforcement*) and in particular after the occurrence and continuation of an Enforcement Event and within three (3) months after a written request of the Collateral Agent the Assignor's general partner (*Komplementär*) shall realise at least at market value any of its general partner's (*Komplementär*) assets that are not necessary, as determined by the Assignor's general partner (*Komplementär*) in its sole discretion, for its business (*nicht betriebsnotwendig*) and is shown in its balance sheet with a book value that is in the reasonable opinion of the Collateral Agent significantly lower than the market value.

12. BOOKKEEPING AND DATA-PROCESSING

12.1 The Assignor hereby assigns to the Collateral Agent, who accepts such assignment, any right it has against any third party (in particular any bookkeeping firm or tax consultant) in respect of the return of any proof or documents which the Assignor has handed over to such third party and which are necessary to identify the Receivables. The Assignor undertakes to instruct such third party, upon the occurrence and during

the continuation of an Enforcement Event, to provide the Collateral Agent upon demand with such information, proof and documents which are necessary to check, assess or enforce the Receivables.

12.2 Upon the occurrence and during the continuation of an Enforcement Event, the Assignor shall allow the Collateral Agent access to any electronic data-processing system, including peripheral equipment, in which data concerning the Receivables or any part thereof have been stored. Moreover, the Assignor shall provide any assistance required to the Collateral Agent (including by making software operators available). The Assignor hereby assigns to the Collateral Agent, who accepts such assignment, all its rights against any third party which handles the electronic processing of data concerning the Receivables and undertakes to instruct such third party, upon a respective demand of the Collateral Agent following the occurrence and during the continuation of an Enforcement Event, to handle the processing of data for the Collateral Agent as it did for the Assignor provided that the Assignor shall continue to be given access to any data it requires in its ordinary course of business. The Collateral Agent hereby agrees, to the same extent required of the Assignor as a user of such electronic data-processing systems, to maintain and take reasonable measures to protect the confidentiality of any information relating to proprietary information concerning such electronic data-processing systems.

12.3 The Collateral Agent authorises the Assignor to exercise the rights assigned to the Collateral Agent pursuant to sub-Clause 12.1 and 12.2 above at all times prior to the occurrence of an Enforcement Event.

13. REPRESENTATIONS AND WARRANTIES

The Assignor represents and warrants to the Collateral Agent by way of an independent guarantee (*selbständiges Garantieversprechen*) that:

13.1 except for extended retention of title arrangements (*verlängerter Eigentumsvorbehalt*) it is the sole unrestricted owner of the Receivables and no other person is entitled to any Receivable as joint creditor (*Gesamtgläubiger*) or co-creditor (*Mitgläubiger*);

13.2 the factual information contained in Schedule 2 to Schedule 3 is true, accurate and complete in all material respects;

13.3 the Receivables are unencumbered, except to the extent encumbrances are not prohibited by the Secured Documents;

13.4 substantially all existing Receivables are and all future Receivables will be governed by German law; and

13.5 except for extended retention of title arrangements (*verlängerter Eigentumsvorbehalt*) the Receivables are assignable (*abtretbar*) and can be freely assigned by the Assignor.

14. UNDERTAKINGS OF THE ASSIGNOR

During the term of this Agreement, the Assignor undertakes to the Collateral Agent:

14.1 not to take, or participate in, any action which results or might result in a sale, transfer, encumbrance or other disposal of the Receivables or permit to subsist, create or agree

to create any security interest or third party right in or over the Receivables, in each case, other than as not prohibited under the terms of this Agreement and/or the Secured Documents;

14.2 to refrain from any acts or omissions, the purpose or effect of which is or would be the material dilution of the value of the Receivables or the Receivables ceasing to be assignable or subjecting any Receivable to any law other than German law other than (i) in the Assignor's ordinary course of business or (ii) as not prohibited under the terms of the Secured Documents; and

14.3 to inform the Collateral Agent without undue delay of any attachment (*Pfändung*) over any of the Receivables or part thereof and any third parties bringing claims in respect of any of the Receivables or part thereof or any other measures which might impair or jeopardize the Collateral Agent's rights relating to any Receivable or materially impair its value, such notice to be accompanied by any documents the Collateral Agent might need to defend itself against any claim by a third party. In the event of an attachment, the Assignor undertakes to forward to the Collateral Agent without undue delay a copy of the attachment order (*Pfändungsbeschluss*), any transfer order (*Überweisungsbeschluss*) and all other documents necessary or expedient for a defence against such attachment. The Assignor shall inform the attaching creditor of the Collateral Agent's security interests without undue delay.

15. POWER OF ATTORNEY

The Assignor, by way of security for its obligations under this Agreement, irrevocably appoints the Collateral Agent to be its attorney (*Stellvertreter*) to do anything which the Assignor is required to do under this Agreement but has failed to do (and the Collateral Agent may delegate that power on such terms as it sees fit). For this purpose the Assignor relieves the Collateral Agent from the restrictions set out in Section 181 of the German Civil Code. The Collateral Agent shall only be able to exercise this power of attorney upon the occurrence of an Enforcement Event which has not been cured or waived and upon notice to the Assignor in accordance with the Credit Agreement and/or EUR Notes Indenture.

16. DURATION AND INDEPENDENCE

16.1 This Agreement shall create a continuing security and no change, amendment, or supplement whatsoever in the Secured Documents or in any document or agreement relating to any of the Secured Documents shall affect the validity or the scope of this Agreement nor the obligations which are imposed on the Assignor pursuant to it.

16.2 This Agreement is independent from any other security or guarantee which may have been or will be given to the Secured Parties or the Collateral Agent. None of such other security shall prejudice, or shall be prejudiced by, or shall be merged in any way with this Agreement.

16.3 Waiving Section 418 of the German Civil Code (applied by analogy), the Assignor hereby agrees that the security created hereunder shall not be affected by any transfer or assumption of the Secured Obligations to, or by, any third party.

17. **RELEASE OF SECURITY (*SICHERHEITENFREIGABE*)**

17.1 Upon complete and irrevocable satisfaction of the Secured Obligations (other than (A) contingent indemnification obligations as to which no claim has been asserted, (B) obligations and liabilities under Secured Cash Management Agreements and Secured Hedge Agreements and (C) letters of credit which have been cash collateralized in accordance with the terms of the Credit Agreement), the Collateral Agent will as soon as reasonably practicable, at the cost and expense of the Assignor, reassign to the Assignor the Receivables and reassign the rights assigned to it pursuant to sub-Clause 12.1 and 12.2, and surrender the excess proceeds, if any, resulting from any realisation thereof. The Collateral Agent will, however, transfer any Receivable or excess proceeds to a third person if so required by law.

17.2 At any time when the total value of the aggregate security granted by the Assignor and the other Obligors to secure the Secured Obligations (the "**Security**"), which can be expected to be realised in the event of an enforcement of the Security (*realisierbarer Wert*), more than temporarily exceeds 110% of the Secured Obligations (the "**Limit**"), the Collateral Agent shall on demand of the Assignor release such part of the Security (*Sicherheitenfreigabe*) as the Collateral Agent may in its reasonable discretion determine so as to reduce the realisable value of the Security to the Limit.

18. **PARTIAL INVALIDITY; WAIVER**

18.1 The parties agree that should at any time, any provisions of this Agreement be or become void (*nichtig*), invalid or due to any reason ineffective (*unwirksam*) this will indisputably (*unwiderlegbar*) not affect the validity or effectiveness of the remaining provisions and this Agreement will remain valid and effective, save for the void, invalid or ineffective provisions, without any party having to argue (*darlegen*) and prove (*beweisen*) the parties' intent to uphold this Agreement even without the void, invalid or ineffective provisions.

18.2 The void, invalid or ineffective provision shall be deemed replaced by such valid and effective provision that in legal and economic terms comes closest to what the parties intended or would have intended in accordance with the purpose of this Agreement if they had considered the point at the time of conclusion of this Agreement.

18.3 No failure to exercise, nor any delay in exercising, on the part of the Collateral Agent, any right or remedy hereunder shall operate as a waiver thereof, nor shall any single or partial exercise of any right or remedy prevent any further or other exercise thereof or the exercise of any other right or remedy. The rights and remedies provided hereunder are cumulative and not exclusive of any rights or remedies provided by law.

19. **AMENDMENTS**

Changes and amendments to this Agreement including this Clause 19 shall be made in writing.

3.2 Each of the Original Pledgees hereby accepts its Pledge for itself.

3.3 The validity and effect of each of the Pledges shall be independent from the validity and the effect of the other Pledges created hereunder. The Pledges to each of the Pledgees shall be separate and individual pledges ranking *pari passu* with the other Pledges created hereunder.

4. SCOPE OF THE PLEDGES

4.1 The Pledges constituted by this Agreement include:

4.2 Notwithstanding that the profits are pledged hereunder, each Pledgor shall be entitled to receive and retain all payments of profits in respect of the respective Interests until such time as the Pledgees are entitled to enforce the Pledges constituted hereunder.

5. **PURPOSE OF THE PLEDGES**

The Pledges hereunder are constituted in order to secure the prompt and complete satisfaction of any and all Secured Obligations. The Pledges shall also cover any future extension of the Secured Obligations (including, for the avoidance of doubt, any Incremental Facilities) and each Pledgor herewith expressly agrees that the provisions of Section 1210 para 1 sentence 2 of the German Civil Code (*Bürgerliches Gesetzbuch*) shall not apply to this Agreement.

6. **EXERCISE OF MEMBERSHIP RIGHTS**

The membership rights, including the voting rights, attached to the Interests remain with the Pledgors. Each Pledgor, however, shall at all times until the full satisfaction of all Secured Obligations or the release of the Pledges exercise its membership rights, including its voting rights, in good faith to ensure that the validity and enforceability of the Pledges and the existence or value of all or part of the Interests are not in any way adversely affected, other than through profit payments pursuant to sub-Clause 4.2 above. Each Pledgor undertakes that no resolutions are passed which constitute a breach of its obligations under Clause 10.

7. **ENFORCEMENT OF THE PLEDGES**

7.1 If an Enforcement Event has occurred and is continuing and provided that the requirements set forth in Sections 1273 para 2, 1204 *et seq*. of the German Civil Code with regard to the enforcement of any of the Pledges are met (*Pfandreife*), in particular, if any of the Secured Obligations has become due and payable, then in order to enforce the Pledges (or any of them), any of the Pledgees may at any time thereafter avail themselves of all rights and remedies that a pledgee has against a pledgor under the laws of the Federal Republic of Germany.

7.2 Notwithstanding Section 1277 of the German Civil Code, any of the Pledgees are entitled to exercise their rights without obtaining an enforceable judgment or other instrument (*vollstreckbarer Titel*). The Pledgees shall be entitled to have the Pledges enforced in any manner allowed under the laws of the Federal Republic of Germany, in particular have the Pledges sold (including at public auction).

7.3 Each Pledgor hereby expressly agrees that 5 (five) business days' prior written notice to the respective Pledgor of the place and time of any such sale shall be sufficient and the Pledgees shall not be obliged to deliver any further notices (including, but not limited to the notices set out under Section 1234 of the German Civil Code) to any Pledgor prior to such sale. The sale may take place at any place in the Federal Republic of Germany designated by any of the Pledgees.

7.4 If any of the Pledgees should seek to enforce the Pledges under sub-Clause 7.1 each Pledgor shall, at its own expense, render forthwith all necessary assistance in order to facilitate the prompt sale of the Interests or any part thereof and/or the exercise by any of the Pledgees of any other right they may have as Pledgee.

7.5 Following satisfaction of the requirements for enforcement under sub-Clause 7.1 all subsequent payments of profits attributable to the Interests and all payments based on similar ancillary rights attributed to the Interests may be applied by any the Pledgees in satisfaction in whole or in part of the Secured Obligations or treated as additional collateral.

7.6 Even if the requirements for enforcement referred to under sub-Clause 7.1 above are met, none of the Pledgees shall, whether as proxy or otherwise, be entitled to exercise the voting rights attached to the Interests. However, each Pledgor shall, upon occurrence of an event which allows any of the Pledgees to enforce the Pledges, have the obligations and each Pledgees shall have the rights set forth in sub-Clause 10.4 below regardless of which resolutions are intended to be adopted.

7.7 Each of the Pledgees may, in its sole discretion (acting reasonably) determine which of several security interests, if applicable, shall be used to satisfy the Secured Obligations. Each Pledgor hereby expressly waives its right pursuant to Section 1230 sentence 2 of the German Civil Code to limit the realisation of the Pledges and pledges over the partnership interests or shares in one or more other companies to such number of pledges as are necessary to satisfy the Secured Obligations and agrees further that each of the Pledgees may decide to enforce the Pledges in the Company individually at separate proceedings or together with pledges over partnership interests or shares in one or more other companies at one single proceeding (*Gesamtverwertung*).

7.8 Each Pledgor hereby expressly waives all defences of revocation (*Einrede der Anfechtbarkeit*) and set-off (*Einrede der Aufrechenbarkeit*) pursuant to Sections 770, 1211 of the German Civil Code.

7.9 Each Pledgor hereby expressly waives its defences based on defences any Obligor might have against any of the Secured Obligations (*Einreden des Hauptschuldners*) pursuant to Section 1211 para 1 sentence 1 alternative 1 of the German Civil Code.

7.10 If the Pledges are enforced or if any Pledgor has discharged any of the Secured Obligations (or any part of them), Section 1225 of the German Civil Code (legal subrogation of claims to a pledgor - *Forderungsübergang auf den Verpfänder*) shall not apply and no rights of the Pledgees shall pass to such Pledgor by subrogation or otherwise, unless and until all Secured Obligations have been fully and finally discharged (other than (A) contingent indemnification obligations as to which no claim has been asserted, (B) obligations and liabilities under Secured Cash Management Agreements and Secured Hedge Agreements and (C) letters of credit which have been cash collateralized in accordance with the terms of the Credit Agreement). Further, no Pledgor shall at any time before, on or after an enforcement of the Pledges and as a result of any Pledgor entering into this Agreement, be entitled to demand indemnification or compensation from the Company or any of the Company's affiliates or to assign any of these claims, unless and until all Secured Obligations have been fully and finally discharged (other than (A) contingent indemnification obligations as to which no claim has been asserted, (B) obligations and liabilities under Secured Cash Management Agreements and Secured Hedge Agreements and (C) letters of credit which have been cash collateralized in accordance with the terms of the Credit Agreement).

any obligations (*Verbindlichkeiten*) of the GP Pledgor owing to the Dutch Co-Borrower and/or any of the Dutch Co-Borrower's subsidiaries or any other affiliated company which are subordinated pursuant to section 39 paragraph 1 no. 5 or section 39 paragraph 2 of the German Insolvency Code (*Insolvenzordnung*) and including obligations under guarantees for obligations which are so subordinated; or

(a) incurred in violation of any of the provisions of the Secured Documents (unless neither with wilful misconduct nor gross negligence)

shall be disregarded.

The Net Assets shall be determined in accordance with the generally accepted accounting principles applicable from time to time in Germany (*Grundsätze ordnungsmäßiger Buchführung*) and be based on the same principles that were applied by the GP Pledgor in the preparation of its most recent annual balance sheet (*Jahresbilanz*).

"**Protected Capital**" means in relation to the GP Pledgor the aggregate amount of:

(a) its share capital (*Stammkapital*) as registered in the commercial register (*Handelsregister*) provided that any increase registered after the date of this Agreement shall not be taken into account unless (i) if the increase has been effected out of retained earnings (*Kapitalerhöhung aus Gesellschaftsmitteln*) such increase has been effected with the prior written consent of any of the Collateral Agents and, in any case, (ii) only to the extent it is fully paid up; and

8.2 The Pledgees agree not to apply in satisfaction of the Secured Obligations, but to release the proceeds of an enforcement of the Pledges granted by the GP Pledgor (the "**Enforcement Proceeds**") if:

(a) (and to the extent that) the Pledges granted by the GP Pledgor constitute an Upstream- and/or Cross-Stream Security; and

(b) the application of the Enforcement Proceeds towards the satisfaction of the Secured Obligations would otherwise

(i) have the effect of reducing the GP Pledgor's Net Assets to an amount that is lower than the amount of its Protected Capital or, if the amount of the Net Assets is already lower than the amount of its Protected Capital, cause the Net Assets to be further reduced; and

(ii) thereby give rise to a violation of the capital maintenance requirement as set out in section 30 paragraph 1 of the German Limited Liability Companies Act (*Gesetz betreffend die Gesellschaften mit beschränkter Haftung*); and

(c) the GP Pledgor has complied with its obligation to deliver the Management Determination and the Auditor's Determination, in each case together with an up-to-date balance sheet, in accordance with the requirements set out in paragraphs 8.3 and 8.4 below.

8.3 Within ten (10) business days after the GP Pledgor's receipt of notice from any of the Collateral Agents, that it intends to enforce the Pledges, the GP Pledgor shall provide a certificate signed by its managing director(s) (*Geschäftsführer*) confirming in writing if and to what extent the Pledges are an Up-stream and/or Cross-stream Security and to what extent an application of the Enforcement Proceeds towards the satisfaction of the Secured Obligations would have the effects referred to in paragraph 8.2(b) above (the "**Management Determination**"). Such confirmation shall comprise an up-to-date balance sheet of the GP Pledgor and a detailed calculation, based on the provisions of this Clause 8 (*Release of Enforcement Proceeds*) of the amount of the Net Assets and Protected Capital of the GP Pledgor as well as the amount which should be released in order to prevent that the Net Assets of the GP Pledgor fall below its Protected Capital (the "**Release Amount**"). The Pledgees shall be entitled to apply the Enforcement Proceeds towards the satisfaction of the Secured Obligations in an amount which pursuant to the Management Determination would not cause the effects set out in paragraph 8.2(b) above (irrespective of whether or not the relevant Collateral Agent agrees with the Management Determination).

8.4 If any Collateral Agent disagrees with the Management Determination, it may within fifteen (15) business days of its receipt request the GP Pledgor to deliver, at its own cost and expense, within thirty (30) business days of such request an up-to-date balance sheet of the GP Pledgor, drawn-up by an auditor appointed by the GP Pledgor in consultation with the relevant Collateral Agent, together with a detailed calculation, based on the provisions of this Clause 8 (*Release of Enforcement Proceeds*), of the amount of the Net Assets and Protected Capital of the GP Pledgor and the Release Amount (the "**Auditor's Determination**"). The Pledgees shall be entitled to apply the

Enforcement Proceeds towards the satisfaction of the Secured Obligations in an amount which pursuant to the Auditor's Determination would not cause the effects set out in paragraph 8.2(b) above.

The Pledgees shall, not later than 5 business days after receipt of such Auditor's Determination, release an amount equivalent to the Release Amount as determined in the Auditor's Determination (or an amount equivalent to the additional amount (if any) by which the Release Amount as defined in the Auditor's Determination exceeds the amount of Enforcement Proceeds already released to the GP Pledgor (if any) as applicable). For the avoidance of doubt, any Pledgee shall only be obligated to release amounts actually received by it out of the Enforcement Proceeds.

8.5 No reduction of the Enforcement Proceeds will prejudice the right of the Pledgees to apply the Enforcement Proceeds towards the satisfaction of the Secured Obligations (subject always to the operation of the limitations set out above at the time of such enforcement).

The GP Pledgor shall do everything commercially justifiable and legally permitted to avoid the Enforcement Proceeds becoming limited pursuant to the terms of this Clause 8 (*Release of Enforcement Proceeds*) and shall in particular, after the occurrence and continuation of an Enforcement Event and within three (3) months after a written request of any of the Collateral Agents realise at least at market value any of its assets that are not necessary, as determined by the GP Pledgor in its sole discretion, for its business (*nicht betriebsnotwendig*) and is shown in its balance sheet with a book value that is in the reasonable opinion of the relevant Collateral Agent significantly lower than the market value.

9. REPRESENTATIONS AND WARRANTIES

Each Pledgor represents and warrants to each of the Pledgees by way of an independent guarantee (*selbstständiges Garantieversprechen*) that:

9.1 the statements made in Clause 2 above are true and correct;

9.2 the compulsory contribution (*Pflichteinlage*) owed by the LP Pledgor under the partnership agreement is fully contributed and there is no nor will be an obligation for a limited partner pursuant to the partnership agreement to make additional contributions (*keine Nachschusspflicht*);

9.3 the stated liable capital (*Haftsumme*) owed by the LP Pledgor under the partnership agreement is fully paid in and is registered in the commercial register (*Handelsregister*) as the aggregate stated liable capital (*Haftsumme*) and has not been repaid to the LP Pledgor in any way;

9.4 all facts capable of being entered into the commercial register of the Company have been entered into the commercial register, and, in particular, no partners' resolutions regarding changes to the partnership agreement of the Company have been passed which are not notified to the Pledgees;

9.5 it is and will be the sole legal and beneficial owner, free from encumbrances (other than the Pledges created hereunder), of all Interests and has the corporate power and authority to enter into this Agreement;

9.6 all necessary authorisations to enable or entitle each Pledgor to enter into this Agreement have been obtained and are in full force and effect;

9.7 there are no silent partnership agreements or similar arrangements by which a third party is entitled to a participation in the profits or revenue of the Company; and

9.8 the place from which the Company is in fact administered and where all material managerial decisions are taken (*tatsächlicher Verwaltungssitz*) is situated in the Federal Republic of Germany.

10. UNDERTAKINGS OF THE PLEDGORS

During the term of this Agreement, each Pledgor undertakes to each of the Pledgees:

10.1 not to take, or participate in, any action which results or might reasonable result in the relevant Pledgor's loss of ownership of all or part of the Interests, or any other transaction which would have the same result as a sale, transfer or other disposal of the Interests or which would for any other reason materially adversely affect the security interest of the Pledgees or the security purpose (as described in Clause 5) or defeat, impair or circumvent the rights of the Pledgees except as permitted by the Secured Parties or unless permitted under the terms of the Secured Documents;

10.2 not to encumber, permit to subsist, create or agree to create any other security interest or third party right in or over the Interests or other rights which are subject to the Pledges except as set out in this Agreement or permitted under the terms of the Secured Documents;

10.3 to promptly effect any contributions in cash (*Bareinlage*) or kind (*Sacheinlage*) to be made in respect of the Interests;

10.4 to promptly notify the Pledgees, by notification in writing to each of the Collateral Agents, of any change in the partners, the compulsory contribution (*Pflichteinlage*) or stated liable capital (*Haftsumme*) of the Company or any encumbrance over the Interests (or part of them). In the case of any attachment (*Pfändung*) in respect of any of the Interests or any ancillary rights set out in sub-Clause 4.1, the relevant Pledgor shall promptly notify the Pledgees, by notification in writing to each of the Collateral Agents, such notice to be accompanied by any documents the Pledgees might need to defend themselves against any claim of a third party. In particular, the relevant Pledgor shall promptly forward to each of the Collateral Agents a copy of the attachment order (*Pfändungsbeschluss*), any transfer order (*Überweisungsbeschluss*) and all other documents necessary for a defence against the attachment;

10.5 unless not prohibited under the terms of the Secured Documents, not to allow, without the prior written consent of the Secured Parties, acting through any of the Pledgees, any other party to become a partner of the Company and not to defeat, impair or circumvent in any way the rights of the Pledgees created hereunder;

10.6 to refrain from any acts or omissions, the purpose or effect of which is or would be the dilution of the value of the Interests or the Interests ceasing to exist unless permitted or not prohibited under the terms of the Secured Documents;

10.7 not to change the partnership agreement with a view to stipulating certain requirements for the effective transfer of the Interests in addition to the general legal requirements pursuant to German Corporate law;

10.8 not to amend, or vote for any amendment of, the partnership agreement of the Company to the extent that such amendment would or would be likely to materially and adversely affect the security interest of the Pledgees created hereunder without the prior written consent of the Secured Parties, acting through any of the Collateral Agents; and

10.9 insofar as additional declarations or actions are necessary for the creation of the Pledges (or any of them) in favour of the Pledgees (or any of them), to make such declarations and undertake such actions at the relevant Pledgor's costs and expenses.

11. DURATION AND INDEPENDENCE

11.1 This Agreement shall remain in full force and effect until complete satisfaction of the Secured Obligations (other than (A) contingent indemnification obligations as to which no claim has been asserted, (B) obligations and liabilities under Secured Cash Management Agreements and Secured Hedge Agreements and (C) letters of credit which have been cash collateralized in accordance with the terms of the Credit Agreement). The Pledges shall not cease to exist, if the Loan Parties and/or the Notes Parties under the applicable Secured Documents have only temporarily discharged the respective Secured Obligations.

11.2 This Agreement shall create a continuing security and no change, amendment, or supplement whatsoever in the Secured Documents or in any document or agreement related to any of the Secured Documents shall affect the validity or the scope of this Agreement nor the obligations which are imposed on each Pledgor pursuant to it.

11.3 This Agreement is independent from any other security or guarantee which may have been or will be given to the Secured Parties or the Collateral Agents (or any of them). None of such other security shall prejudice, or shall be prejudiced by, or shall be merged in any way with this Agreement.

11.4 Waiving Section 418 of the German Civil Code, each Pledgor hereby agrees that the security created hereunder shall not be affected by any transfer or assumption of the Secured Obligations to, or by, any third party.

12. RELEASE OF PLEDGE (*PFANDFREIGABE*)

12.1 Upon complete and irrevocable satisfaction of the Secured Obligations (other than (A) contingent indemnification obligations as to which no claim has been asserted, (B) obligations and liabilities under Secured Cash Management Agreements and Secured Hedge Agreements and (C) letters of credit which have been cash collateralized in accordance with the terms of the Credit Agreement), the Pledgees will as soon as reasonably practicable declare the release of the Pledges (*Pfandfreigabe*) to the

Pledgor. For the avoidance of doubt, the parties are aware that upon full and complete satisfaction of the Secured Obligations the Pledges, due to their accessory nature (*Akzessorietät*) cease to exist by operation of German mandatory law.

12.2 At any time when the total value of the aggregate security granted by the relevant Pledgor and any of the other Obligors to secure the Secured Obligations (the "**Security**"), which can be expected to be realised in the event of an enforcement of the Security (*realisierbarer Wert*), more than temporarily exceeds 110% of the Secured Obligations (the "**Limit**"), the Pledgees shall on demand of the relevant Pledgor release such part of the Security (*Sicherheitenfreigabe*) as the Pledgees may in their reasonable discretion determine so as to reduce the realisable value of the Security to the Limit.

13. PARTIAL INVALIDITY; WAIVER

13.1 The parties agree that should at any time, any provisions of this Agreement be or become void (*nichtig*), invalid or due to any reason ineffective (*unwirksam*) this will indisputably (*unwiderlegbar*) not affect the validity or effectiveness of the remaining provisions and this Agreement will remain valid and effective, save for the void, invalid or ineffective provisions, without any party having to argue (*darlegen*) and prove (*beweisen*) the parties' intent to uphold this Agreement even without the void, invalid or ineffective provisions.

13.2 The void, invalid or ineffective provision shall be deemed replaced by such valid and effective provision that in legal and economic terms comes closest to what the parties intended or would have intended in accordance with the purpose of this Agreement if they had considered the point at the time of conclusion of this Agreement.

13.3 No failure to exercise, nor any delay in exercising, on the part of the Pledgees, any right or remedy hereunder shall operate as a waiver thereof, nor shall any single or partial exercise of any right or remedy prevent any further or other exercise thereof or the exercise of any other right or remedy. The rights and remedies provided hereunder are cumulative and not exclusive of any rights or remedies provided by law.

13.4 In particular, the Pledges shall not be affected and shall in any event extend to any and all interests in the Company even if the nominal value of the Existing Interests or the aggregate stated liable capital (*Haftsumme*) of the Company as stated in Clause 2 are inaccurate or deviate from the actual facts.

14. AMENDMENTS

Changes and amendments to this Agreement including this Clause 14 shall be made in writing, unless notarial form by operation of law is required.

2. PLEDGE

2.1 The Pledgor hereby pledges to each of the Pledgees all its present and future rights and claims (whether conditional or unconditional) arising against any Account Bank from or in relation to any of the Accounts (other than any Excluded Account) held by it, including without limitation:

2.1.1 all rights and claims in respect of present and future cash deposits (*Guthaben*) (including without limitation saving deposits (*Spareinlagen*), time deposits (*Termineinlagen*) (including fixed deposits (*Festgeldguthaben*) and termination monies (*Kündigungsgelder*)) and call money deposits (*Tagesgeldeinlagen*) (including deposits for overnight money, tom/next money, spot/next money and money until further notice (*Geld b ..a. w.*))) standing from time to time to the credit of the Accounts, including all claims to interest payable;

(each a "**Pledge**" and together the "**Pledges**").

2.2 Each of the Pledgees hereby accepts the Pledges.

2.3 The validity and effect of each of the Pledges shall be independent from the validity and the effect of the other Pledges created hereunder. The Pledges to each of the Pledgees shall be separate and individual pledges ranking *pari passu* with the other Pledges created hereunder.

2.4 Each of the Pledges is in addition, and without prejudice, to any other security the Pledgees may now or hereafter hold in respect of the Secured Obligations.

3. PURPOSE OF THE PLEDGES

The Pledges hereunder are constituted in order to secure the prompt and complete satisfaction of any and all Secured Obligations. The Pledges shall also cover any future extension of the Secured Obligations (including, for the avoidance of doubt, any Incremental Facilities) and the Pledgor herewith expressly agrees that the provisions of Section 1210 para 1 sentence 2 of the German Civil Code (*Bürgerliches Gesetzbuch*) shall not apply to this Agreement.

4. NOTICE OF PLEDGE

4.1 The Pledgor undertakes that it will without undue delay, but not later than within 10 (ten) business days after the date of this Agreement, notify each Account Bank of the Pledges by delivering a notification substantially in the form set out in Schedule 3 (*Form of Notice of Pledge*) by registered mail (*Einschreiben mit Rückschein*). The Pledgor shall provide the Bank Collateral Agent and the Notes Collateral Agent with a copy of each such notification and of the corresponding return receipt (*Rückschein*). In addition, the Pledgor shall use reasonable efforts to procure that each Account Bank promptly acknowledges receipt of the respective notification, and acceptance of the terms thereof, to each of the Collateral Agents and to the Pledgor.

4.2 Without prejudice to the obligations imposed on the Pledgor in Clause 4.1 and, in the case of future Accounts, Clause 9.3, the Pledgor hereby authorises each of the Bank Collateral Agent and the Notes Collateral Agent and releases it for this purpose from the restrictions of self-dealing under Section 181 of the German Civil Code to notify each Account Bank on its behalf of this Agreement and the Pledges constituted hereunder by delivering a notification substantially in the form set out in Schedule 3 (*Form of Notice of Pledge*), or in such form as any of the Collateral Agents deems appropriate.

5. PLEDGOR'S RIGHT OF DISPOSAL

The Pledgor may exercise all rights and powers, and withdraw any amounts, in respect of each Account. After the occurrence of an Enforcement Event which is continuing the Pledgees may impose conditions for the exercise of the Authorisation or revoke the Authorisation and give notice in that respect to the Account Bank.

6. ENFORCEMENT OF THE PLEDGES

6.1 If an Enforcement Event has occurred and is continuing and provided that the requirements set forth in Sections 1273 para 2, 1204 *et seq*. of the German Civil Code with regard to the enforcement of any of the Pledges are met (*Pfandreife*), in particular, if any of the Secured Obligations has become due and payable, then in order to enforce the Pledges (or any of them), the Pledgees may at any time thereafter avail themselves of all rights and remedies that a pledgee has against a pledgor under the laws of the Federal Republic of Germany.

6.2 Notwithstanding Section 1277 of the German Civil Code, any of the Pledgees are entitled to exercise their rights without obtaining an enforceable judgment or other instrument (*vollstreckbarer Titel*). The Pledgees shall be entitled to have the Pledges enforced in any manner allowed under the laws of the Federal Republic of Germany.

6.3 Any of the Pledgees will notify the Pledgor 5 (five) business days prior to the enforcement of the Pledges (or any of them) according to Clause 6. No such notification shall be required if (i) the Pledgor has generally ceased to make payments (*Zahlungseinstellung*) or (ii) an application for the institution of insolvency proceedings is filed by or against the Pledgor.

6.4 If the Pledgees, should seek to enforce the Pledges pursuant to Clause 6.1 hereof, the Pledgor shall, at its own expense, render forthwith all necessary assistance in order to facilitate the prompt realisation of the Pledges (or any of them) and/or the exercise by the Pledgees, of any other right they may have as Pledgee.

6.5 Each of the Pledgees may, in its sole discretion (acting reasonably), determine which of several security interests (created under this or other security agreements) shall be used to satisfy the Secured Obligations.

6.6 The Pledgor hereby expressly waives all defences of revocation (*Einrede der Anfechtbarkeit*) and set-off (*Einrede der Aufrechenbarkeit*) pursuant to Sections 770, 1211 of the German Civil Code.

6.7 The Pledgor hereby expressly waives its defences based on defences any Obligor might have against any of the Secured Obligations (*Einreden des Hauptschuldners*) pursuant to Section 1211 para 1 sentence 1 alternative 1 of the German Civil Code.

6.8 If the Pledges are enforced or if the Pledgor has discharged any of the Secured Obligations (or any part of them), Section 1225 of the German Civil Code (legal subrogation of claims to a pledgor - *Forderungsübergang auf den Verpfänder*) shall not apply and no rights of the Pledgees shall pass to the Pledgor by subrogation or otherwise, unless and until all Secured Obligations have been fully and finally discharged (other than (A) contingent indemnification obligations as to which no claim has been asserted, (B) obligations and liabilities under Secured Cash Management Agreements and Secured Hedge Agreements and (C) letters of credit which have been cash collateralized in accordance with the terms of the Credit Agreement). Further, the Pledgor shall not at any time before, on or after an enforcement of the Pledges, and as a result of the Pledgor entering into this Agreement, be entitled to demand indemnification or compensation from an Obligor or any affiliate of an Obligor or assign any of these claims, unless and until all Secured Obligations have been fully and finally discharged (other than (A) contingent indemnification obligations as to which no claim has been asserted, (B) obligations and liabilities under Secured Cash Management Agreements and Secured Hedge Agreements and (C) letters of credit which have been cash collateralized in accordance with the terms of the Credit Agreement).

7. LIMITATIONS ON ENFORCEMENT

7.1 Definitions

"**Net Assets**" means an amount equal to the sum of the amounts of the Pledgor's general partner's (*Komplementär*) assets (consisting of all assets which correspond to the items set forth in section 266 paragraph 2 A, B, C, D and E of the German Commercial Code (*Handelsgesetzbuch* – "**HGB**")) less the aggregate amount of the Pledgor's general partner's (*Komplementär*) liabilities (consisting of all liabilities and liability reserves which correspond to the items set forth in section 266 paragraph 3 B, C, D and E HGB), save that any obligations (*Verbindlichkeiten*) of the Pledgor's general partner (*Komplementär*):

(a) owing to Dutch Co-Borrower and/or any of Dutch Co-Borrower's (formerly Flash Dutch 2 B.V.'s) subsidiaries or any other affiliated company which are subordinated pursuant to section 39 paragraph 1 no. 5 or section 39 paragraph 2 of the German Insolvency Code (*Insolvenzordnung*) and including obligations under guarantees for obligations which are so subordinated; or

(b) incurred in violation of any of the provisions of the Secured Documents (unless neither with wilful misconduct nor gross negligence)

shall be disregarded.

The Net Assets shall be determined in accordance with the generally accepted accounting principles applicable from time to time in Germany (*Grundsätze ordnungsmäßiger Buchführung*) and be based on the same principles that were applied by the Pledgor's general partner (*Komplementär*) in the preparation of its most recent annual balance sheet (*Jahresbilanz*).

"**Protected Capital**" means in relation to the Pledgor the aggregate amount of:

(a) its general partner's (*Komplementär*) share capital (*Stammkapital*) as registered in the commercial register (*Handelsregister*) provided that any increase registered after the date of this Agreement shall not be taken into account unless (i) the increase has been effected out of retained earnings (*Kapitalerhöhung aus Gesellschaftsmitteln*) or such increase has been effected with the prior written consent of any of the Collateral Agents and, in any case, (ii) only to the extent it is fully paid up; and

(b) its general partner's (*Komplementär*) amount of profits (*Gewinne*) which are not available for distribution to its shareholder(s) in accordance with section 268 paragraph 8 HGB.

"**Up-stream and/or Cross-stream Security**" means the Pledges granted by the Pledgor (which, for the purpose of this Clause 7 (*Limitations on Enforcement*), shall also include any other obligation of the Pledgor to reimburse costs or pay indemnities under or in connection with any Secured Document) if and to the extent the Pledges granted by the Pledgor secure the obligations of a Loan Party and/or Notes Party which is a shareholder of the Pledgor's general partner (*Komplementär*) or an affiliated company (*verbundenes Unternehmen*) of such shareholder within the meaning of section 16, 17 or 18 of the German Stock Corporation Act (*Aktiengesetz*) (other than the Pledgor's general partner (*Komplementär*) and its subsidiaries), provided that it shall not constitute an Up-stream or Cross-stream Security if and to the extent the Pledges granted by the Pledgor secure amounts outstanding under any Secured Document in relation to any financial accommodation made available under such Secured Document to any Borrower and/or any of the Issuers and on-lent to, or issued for the benefit of, the Pledgor's general partner (*Komplementär*) or any of its subsidiaries and still outstanding from time to time.

This Clause 7 (*Limitation on Enforcement*) applies if and to the extent the Pledges granted by the Pledgor are an Up-stream and/or Cross-stream Security.

7.2 The Pledgees agree that the enforcement of the Pledges granted by the Pledgor shall be limited if:

7.2.1 (and to the extent that) the Pledges constitute an Upstream- and/or Cross- Stream Security; and

7.2.2 the enforcement of the Pledges pursuant to Clause 6 (*Enforcement of the Pledges*) would otherwise

(a) have the effect of reducing the Pledgor's general partner's (*Komplementär*) Net Assets to an amount that is lower than the amount of the Pledgor's general partner's (*Komplementär*) Protected Capital or, if the amount of the Net Assets is already lower than the amount of the Pledgor's general partner's (*Komplementär*) Protected Capital, cause the Net Assets to be further reduced; and

(b) thereby give rise to a violation of the capital maintenance requirement as set out in section 30 paragraph 1 of the German Limited Liability Companies Act (*Gesetz betreffend die Gesellschaften mit beschränkter Haftung*); and

7.2.3 the Pledgor has complied with its obligation to deliver the Management Determination and the Auditor's Determination, in each case together with an up-to-date balance sheet, in accordance with the requirements set out in paragraphs 7.3 and 7.4 below.

7.3 Within ten (10) business days after the Pledgor's receipt of notice from any of the Collateral Agents, that it intends to enforce the Pledges, the Pledgor shall provide a certificate signed by its general partner's (*Komplementär*) managing director(s) (*Geschäftsführer*) confirming in writing if and to what extent the Pledges granted by it is an Up-stream and/or Cross-stream Security and an enforcement of the Pledges would have the effects referred to in paragraph 7.2.2 above (the "**Management Determination**"). Such confirmation shall comprise an up-to-date balance sheet of the Pledgor's general partner (*Komplementär*) and a detailed calculation, based on the provisions of this Agreement of the amount of the Net Assets and Protected Capital of the Pledgor's general partner (*Komplementär*). The Pledgees shall be entitled to enforce the Pledges in an amount which pursuant to the Management Determination would not cause the effects set out in paragraph 7.2.2 above (irrespective of whether or not the relevant Collateral Agent agrees with the Management Determination).

7.4 If any Collateral Agent disagrees with the Management Determination, it may within fifteen (15) business days of its receipt request the Pledgor to deliver, at its own cost and expense, within thirty (30) business days of such request an up-to-date balance sheet of the Pledgor's general partner (*Komplementär*), drawn-up by an auditor appointed by the Pledgor in consultation with the relevant Collateral Agent, together with a detailed calculation, based on the provisions of this Agreement, of the amount of the Net Assets and Protected Capital of the Pledgor's general partner (*Komplementär*) (the "**Auditor's Determination**"). The Pledgees shall be entitled to enforce the Pledges in an amount which pursuant to the Auditor's Determination would not cause the effects set out in paragraph 7.2.2 above.

7.5 No reduction of the amount enforceable pursuant to this Clause 7 (*Limitations on Enforcement*) will prejudice the right of the Pledgees to continue to enforce the Pledges (subject always to the operation of the limitations set out above at the time of such enforcement) until full satisfaction of the Secured Obligations.

7.6 The Pledgor shall procure that its general partner (*Komplementär*) will do everything commercially justifiable and legally permitted to avoid the enforcement of the pledges becoming limited pursuant to the terms of this Clause 7 (*Limitations on Enforcement*) and in particular, after the occurrence and continuation of an Enforcement Event and

within three (3) months after a written request of any of the Collateral Agents the Pledgor's general partner (*Komplementär*) shall realise at least at market value any of its general partner's (*Komplementär*) assets that are not necessary, as determined by the Pledgor's general partner (*Komplementär*) in its sole discretion, for its business (*nicht betriebsnotwendig*) and is shown in its balance sheet with a book value that is in the reasonable opinion of the relevant Collateral Agent significantly lower than the market value.

8. REPRESENTATIONS AND WARRANTIES

The Pledgor represents and warrants to the Pledgees by way of an independent guarantee (*selbständiges Garantieversprechen*) that:

8.1 the Accounts (other than any Excluded Accounts) are neither pledged nor assigned to any other person and no rights of third parties exist in relation thereto other than the Pledges created hereunder and the pledges existing by operation of the general business conditions (*Allgemeine Geschäftsbedingungen*) of the respective Account Bank and unless not prohibited by the Credit Agreement and/or the EUR Notes Indenture;

8.2 all agreements with any Account Bank in relation to the Accounts (other than any Excluded Accounts) are governed by German law;

8.3 it is the sole legal and beneficial owner of the Accounts (other than any Excluded Accounts) and may freely dispose thereof without any restrictions; and

8.4 the information contained in Schedule 2 (*List of Accounts*) is true, accurate and complete in all respects and it maintains no accounts with any credit institution other than those listed in Schedule 2 (*List of Accounts*).

9. UNDERTAKINGS OF THE PLEDGOR

During the term of this Agreement, the Pledgor undertakes to each of the Pledgees:

9.1 to use reasonable efforts to procure that each Account Bank releases any existing lien, including without limitation any pledge existing by operation of its general business conditions (*Allgemeine Geschäftsbedingungen*), and waives any right of set-off and right of retention in respect of the Accounts by countersigning and returning an acknowledgement of notice of pledge substantially in the form set out in Schedule 3 (*Form of Notice of Pledge*) to the Pledgor and each of the Collateral Agents;

9.2 to instruct each Account Bank to provide each of the Collateral Agents with all information requested by it in respect of the Accounts (which, Collateral Agents hereby agree, will not be requested until the occurrence and the continuation of an Enforcement Event) and to that extent to release each Account Bank from its obligation to maintain confidentiality (*Bankgeheimnis*) by delivering a notice of pledge to the respective Account Bank in accordance with the requirements set out in Clause 4.1 or, in the case of any future Account, Clause 9.3. The Pledgor undertakes not to revoke such instruction during the term of this Agreement;

9.3 to notify each of the Collateral Agents substantially in the form set out in Schedule 4 (*Form of Notification of Future Accounts*) of each new bank account opened by the

Pledgor with a credit institution in the Federal Republic of Germany (other than an Excluded Account) not later than on the date on which such new bank account is opened and to notify the respective Account Bank of the Pledges in accordance with Clause 4 above within 10 (ten) business days after the opening of such account. For the avoidance of doubt, the Pledgor is aware that any new bank account opened within the Federal Republic of Germany (other than an Excluded Account) will become an Account in the meaning of this Agreement upon notice to the Account Bank and will be subject to the Pledge and the obligations assumed by the Pledgor hereunder without any further agreement;

9.4 to notify each of the Collateral Agents promptly after opening of an account in the Federal Republic of Germany which shall be deemed to be an Excluded Account together with a written statement about for which purpose such account shall be deemed to be an Excluded Account;

9.5 except as permitted under the terms of the Secured Documents, to close any of the Accounts only upon giving 5 (five) business days prior notice to each of the Collateral Agents and provided that the Pledgees have not given a notice pursuant to Clause 5 and that any proceeds standing to the credit of that Account at the time of closing are transferred only to other Accounts pledged pursuant to this Agreement;

9.6 to deliver to each of the Collateral Agents, within 15 (fifteen) business days after the end of each calendar quarter, and at any time upon reasonable request of any of the Collateral Agents, up-to date account statement sheets (*Kontoauszüge*) showing the balance on each of the Accounts;

9.7 upon the Collateral Agent's reasonable request following an Enforcement Event which is continuing to deliver to each of the Collateral Agents without undue delay any documents or other information concerning the Accounts, in particular (but not limited to) the account opening documents and any agreements between the Account Bank and the Pledgor in relation to the Accounts. With regard to any account books (*Sparbücher*) and any other documents which are necessary to dispose over any of the Accounts, the Pledgor undertakes to deliver the originals of such documents to each of the Collateral Agents without undue delay if the Pledgees have given a notice pursuant to Clause 5;

9.8 unless not prohibited under the terms of the Secured Documents, not to grant any security or otherwise encumber any of the Accounts or any claims or parts thereof without the prior written consent of any of the Collateral Agents;

9.9 unless not prohibited under the terms of the Secured Documents, not to grant to any third party any rights in respect of the Accounts (*keine Und-Konten oder Oder-Konten oder sonstige Rechte Dritter*) without the prior written consent of any of the Collateral Agents and not to take, or participate in, any other action which would be inconsistent with the security interest of the Secured Parties or the security purpose (as described in Clause 3); and

9.10 to inform each of the Collateral Agents without undue delay of any attachment (*Pfändung*) and any third parties bringing claims in respect of any of the Accounts, such notice to be accompanied by any documents the Pledgees (or any of them) might need to defend themselves against any claim by a third party. In the case of any

attachment (*Pfändung*) in respect of any of the Accounts, the Pledgor undertakes to forward to each of the Collateral Agents without undue delay a copy of the attachment order (*Pfändungsbeschluss*), any transfer order (*Überweisungsbeschluss*) and all other documents necessary or expedient for a defence against the attachment. The Pledgor shall inform the attaching creditor of the Pledges without undue delay.

10. **DURATION AND INDEPENDENCE**

10.1 This Agreement shall remain in full force and effect until complete satisfaction of the Secured Obligations (other than (A) contingent indemnification obligations as to which no claim has been asserted, (B) obligations and liabilities under Secured Cash Management Agreements and Secured Hedge Agreements and (C) letters of credit which have been cash collateralized in accordance with the terms of the Credit Agreement). The Pledges shall not cease to exist, if any Loan Party and/or Notes Party under the applicable Secured Documents have only temporarily discharged the Secured Obligations.

10.2 This Agreement shall create a continuing security and no change, amendment, or supplement whatsoever in the Secured Documents or in any document or agreement related to any of the Secured Documents shall affect the validity or the scope of this Agreement nor the obligations which are imposed on the Pledgor pursuant to it.

10.3 This Agreement is independent from any other security or guarantee which may have been or will be given to the Secured Parties or the Collateral Agents. None of such other security shall prejudice, or shall be prejudiced by, or shall be merged in any way with this Agreement.

10.4 Waiving Section 418 of the German Civil Code, the Pledgor hereby agrees that the security created hereunder shall not be affected by any transfer or assumption of the Secured Obligations to, or by, any third party.

11. **RELEASE (*PFANDFREIGABE*)**

11.1 Upon complete and irrevocable satisfaction of the Secured Obligations (other than (A) contingent indemnification obligations as to which no claim has been asserted, (B) obligations and liabilities under Secured Cash Management Agreements and Secured Hedge Agreements and (C) letters of credit which have been cash collateralized in accordance with the terms of the Credit Agreement), the Pledgees will as soon as reasonably practicable declare the release of the Pledges (*Pfandfreigabe*) to the Pledgor. For the avoidance of doubt, the parties are aware that upon full and complete satisfaction of the Secured Obligations the Pledges, due to their accessory nature (*Akzessorietät*), cease to exist by operation of German mandatory law.

11.2 At any time when the total value of the aggregate security granted by the Pledgor and any of the other Obligors to secure the Secured Obligations (the "**Security**"), which can be expected to be realised in the event of an enforcement of the Security (*realisierbarer Wert*), more than temporarily exceeds 110% of the Secured Obligations (the "**Limit**"), the Pledgees shall on demand of the Pledgor release such part of the Security (*Sicherheitenfreigabe*) as the Pledgees may in their reasonable discretion determine so as to reduce the realisable value of the Security to the Limit.

12. **PARTIAL INVALIDITY; WAIVER**

12.1 The parties agree that should at any time, any provisions of this Agreement be or become void (*nichtig*), invalid or due to any reason ineffective (*unwirksam*) this will indisputably (*unwiderlegbar*) not affect the validity or effectiveness of the remaining provisions and this Agreement will remain valid and effective, save for the void, invalid or ineffective provisions, without any party having to argue (*darlegen*) and prove (*beweisen*) the parties' intent to uphold this Agreement even without the void, invalid or ineffective provisions.

12.2 The void, invalid or ineffective provision shall be deemed replaced by such valid and effective provision that in legal and economic terms comes closest to what the parties intended or would have intended in accordance with the purpose of this Agreement if they had considered the point at the time of conclusion of this Agreement.

12.3 No failure to exercise, nor any delay in exercising, on the part of the Pledgees, any right or remedy hereunder shall operate as a waiver thereof, nor shall any single or partial exercise of any right or remedy prevent any further or other exercise thereof or the exercise of any other right or remedy. The rights and remedies provided hereunder are cumulative and not exclusive of any rights or remedies provided by law.

13. **AMENDMENTS**

Changes and amendments to this Agreement including this Clause 13 shall be made in writing.

1.2.2 any reference in this Agreement to a "**Clause**", a "**sub-Clause**" or a "**Schedule**" shall, subject to any contrary indication, be construed as a reference to a Clause, a sub-Clause or a Schedule hereof.

1.3 This Agreement is made in the English language. For the avoidance of doubt, the English language version of this Agreement shall prevail over any translation of this Agreement. However, where a German translation of a word or phrase appears in the text of this Agreement, the German translation of such word or phrase shall prevail.

2. **TRANSFER OF TITLE**

2.1 The Transferor hereby transfers all title to the Charged Assets to the Collateral Agent.

2.2 To the extent that the Transferor has only part ownership (*Miteigentum*) of the Charged Assets or the Transferor has only inchoate rights (*Anwartschaftsrechte*) in respect of the Charged Assets, the Transferor hereby transfers to the Collateral Agent such part ownership or inchoate rights.

2.3 The Collateral Agent hereby accepts such transfers.

2.4 Title in form of ownership, part ownership and/or inchoate rights to the Charged Assets (except Future Charged Assets) shall pass over to the Collateral Agent on execution of this Agreement or, where the Transferor at such time has no such rights, at the time when it obtains such ownership, part ownership and/or inchoate rights. Title in the form of ownership, part ownership and/or inchoate rights to the Future Charged Assets shall pass over to the Collateral Agent when the Transferor provides the Collateral Agent with an updated asset identification list pursuant to paragraph (b) of sub-Clause 4.1 or, if later, at the time the Transferor acquires ownership, part ownership and/or inchoate rights in respect of such Charged Asset.

2.5 In lieu of delivering the Charged Assets to the Collateral Agent, the Transferor and the Collateral Agent hereby agree that the Transferor will hold the Charged Assets in gratuitous custody (*unentgeltliche Verwahrung*) for the Collateral Agent. To the extent that any third party holds or will in future hold actual possession (*unmittelbarer Besitz*) of the Charged Assets, the Transferor hereby assigns to the Collateral Agent all its present and future claims to surrender (*Herausgabeansprüche*) of the Charged Assets and the Collateral Agent accepts such assignment.

3. **PURPOSE OF THE TRANSFER OF TITLE**

The transfer of title hereunder is constituted in order to secure the prompt and complete satisfaction of any and all Secured Obligations. The transfer of title shall also cover any future extension of the Secured Obligations and the Transferor herewith expressly agrees that the transfer of title shall secure the Secured Obligations as extended or increased from time to time (including, for the avoidance of doubt, any Incremental Facilities).

4. **LIST OF CHARGED ASSETS**

4.1 Within 15 (fifteen) business days after the end of each calendar quarter and in addition at any time upon reasonable request of the Collateral Agent after the occurrence of an Enforcement Event which is continuing, the Transferor shall deliver to the Collateral Agent an updated list substantially in the form of Schedule 2 (*Asset Identification List*) identifying all assets which shall replace the then current Schedule 2 (*Asset Identification List*) and form an integral part of this Agreement and which shall specify the nature of the Transferor's entitlement to the Charged Assets (including any retention of title arrangements) and comprise details on the type and number of the Charged Assets and (i) with respect to movable fixed assets, their cost of purchase (*Anschaffungswert*) and their current book value (*Buchwert*) and (ii) with respect to all other Charged Assets, their book value together with a written confirmation that such list is a correct and complete list.

4.2 Each list may be delivered to the Collateral Agent in the form of a computer disc or in such other form as from time to time agreed between the Collateral Agent and the Transferor. If the list is delivered in the form of an electronic file (including a computer disc), the Collateral Agent may in its reasonable discretion request a printout in addition to any other form.

4.3 If the Transferor employs a third party for its bookkeeping and/or data processing, the Collateral Agent is hereby authorised to obtain the information on the Charged Assets directly from such third party at the Transferor's expense at the same times and under the same conditions as set out in sub-Clause 4.1 above. For the avoidance of doubt, such authorisation does not release the Transferor from its obligation to provide lists of the Charged Assets to the Collateral Agent under this Clause 4.

5. CHARGED ASSETS UNDER RETENTION OF TITLE ARRANGEMENTS

The Transferor shall, upon request of the Collateral Agent following the occurrence and during the continuation of an Enforcement Event, terminate any person's retention of title arrangements (*Eigentumsvorbehalt*) arising in respect of any Charged Asset by paying the purchase price therefore. The Collateral Agent is entitled, but not obliged, at any time following the occurrence and during the continuation of an Enforcement Event to terminate such retention of title arrangements in respect of any Charged Asset by paying the purchase price therefore, or any part thereof, on behalf and at the expense of the Transferor.

6. STATUTORY LIEN

6.1 If at any time following the occurrence and during the continuation of an Enforcement Event the Charged Assets or any part thereof are or become subject to a statutory lien (*gesetzliches Pfandrecht*) in favour of any third party, the Transferor shall inform the Collateral Agent without undue delay.

6.2 If so requested by the Collateral Agent following the occurrence and during the continuation of an Enforcement Event, the Transferor shall provide evidence to the Collateral Agent of the punctual payment of the sums secured by any statutory lien (including any landlord's or lessor's lien) within 10 (ten) business days after the due date for payment. Upon request of the Collateral Agent following the occurrence and during the continuation of an Enforcement Event, the Transferor shall use its reasonable efforts to provide the Collateral Agent with a written confirmation of such third party confirming it has no right to hold back or enforce its rights in respect of any of the Charged Assets and will inform the Collateral Agent by fax without undue delay if the Transferor fails to pay any of the obligations secured under the relevant statutory lien.

6.3 If the Transferor does not comply with its obligations under this Clause 6, the Collateral Agent is entitled, but not obliged, to pay the sums secured under any statutory lien on behalf and at the expense of the Transferor in order to ward off any statutory lien.

7. **DISPOSAL, PROCESSING AND REMOVAL OF CHARGED ASSETS**

7.1 Disposal

The Transferor is authorised by the Collateral Agent to hold, dispose of (*verfügen*), process (*verarbeiten*), remodel (*umbilden*) and use the Charged Assets in the ordinary course of business to the extent permitted under the terms of the Secured Documents. The Transferor shall in doing so act with the care of a prudent businessman (*Sorgfalt eines ordentlichen Kaufmanns*).

7.2 Processing

7.2.1 If the Transferor processes (*verarbeiten*) or remodels (*umbilden*) the Charged Assets, such processing or remodelling is effected free of charge for and on behalf of the Collateral Agent in such a way that the Collateral Agent shall be regarded as producer within the meaning of Section 950 of the German Civil Code (*Bürgerliches Gesetzbuch*) and shall retain or acquire title in the form of ownership, part ownership or inchoate rights in the produced or remodelled goods (such goods being hereinafter referred to as "**New Products**" and each as a "**New Product**") at any time during each stage of processing or remodelling.

7.2.2 The Transferor and the Collateral Agent agree that if as a result of any production process carried on by the Transferor (whether or not by incorporation of any Charged Assets into a New Product), the Collateral Agent is not the owner, part-owner or holder of an inchoate right in respect of the New Product, then as soon as the Transferor gains such rights such rights shall pass over to the Collateral Agent. It is further agreed that subject to sub-Clause 7.2.1, if as a result of any production process carried on by the Transferor the Transferor co-mingles (*vermischen*, *vermengen*) goods or materials that constitute Charged Assets with goods or materials owned by third parties and the Transferor becomes owner, part-owner or holder of an inchoate right in respect of the co-mingled product, then as soon as the Transferor gains such rights such rights shall pass over to the Collateral Agent. Sub-Clause 2.5 shall apply *mutatis mutandis*.

7.2.3 To the extent the Transferor holds or will in future hold any claims entitling it to demand from any third party the transfer or assignment of ownership, part ownership or inchoate rights in respect of any New Product, the Transferor hereby assigns such claims to the Collateral Agent who accepts such assignment.

7.2.4 As far as ownership, part ownership or inchoate rights in respect of any New Products pass over to the Collateral Agent in accordance with this Clause 7, the Transferor shall hold the respective assets in gratuitous custody for, instead of delivering them to, the Collateral Agent. To the extent that any third party holds or will in future hold actual possession of such assets, the Transferor hereby assigns to the Collateral Agent all its present and future claims to surrender and the Collateral Agent accepts such assignment.

7.2.5 The Transferor hereby assigns to the Collateral Agent all its present and future claims it may have against a third party with respect to the processing or remodelling of the Charged Assets or the New Products resulting therefrom and the Collateral Agent accepts such assignment.

7.2.6 If an Enforcement Event has occurred and is continuing, the Collateral Agent shall be entitled to mark, or to request the Transferor to mark, the Charged Assets as the Collateral Agent's property if this seems appropriate to the Collateral Agent in its reasonable discretion to safeguard its legitimate interests.

8. TAKING POSSESSION BY THE COLLATERAL AGENT

After the occurrence of an Enforcement Event which is continuing and in addition for the purpose of protecting any Secured Party's legitimate interests (*berechtigte Interessen*) the Collateral Agent may limit the Authorisation or impose conditions for the exercise of the Authorisation or revoke the Authorisation and take possession of the Charged Assets. To the extent that the Authorisation is revoked or altered, the Collateral Agent may request that all documents relating to the Charged Assets be handed over to it and the Transferor hereby agrees to promptly comply with any such request.

9. ENFORCEMENT

9.1 If an Enforcement Event has occurred and is continuing provided that any of the Secured Obligations has become due and payable, then the Collateral Agent is entitled to enforce its rights under this Agreement, revoke the Authorisation (to the extent it has not been revoked pursuant to Clause 8) and realise the Charged Assets.

9.2 The Collateral Agent will notify the Transferor in writing at least 5 (five) business days prior to the enforcement of any transfer of title pursuant hereto. No such notice shall be required if (i) the Transferor has generally ceased to make payments or (ii) an application for the institution of insolvency proceedings is filed by or against the Transferor.

9.3 On becoming entitled to enforce the security interest created hereunder in accordance with sub-Clause 9.1, the Collateral Agent may, in particular, but without limitation, sell the Charged Assets by way of private sale in total or in part to the extent necessary to satisfy any outstanding Secured Obligations (other than (A) contingent indemnification obligations as to which no claim has been asserted, (B) obligations and liabilities under Secured Cash Management Agreements and Secured Hedge Agreements and (C) letters of credit which have been cash collateralized in accordance with the terms of the Credit Agreement),, it being understood that the Collateral Agent shall apply the proceeds of such realisation towards the Secured Obligations in accordance with the Intercreditor Agreement.

9.4 On becoming entitled to enforce the security interest created hereunder in accordance with sub-Clause 9.1, the Collateral Agent may request the Transferor to sell the Charged Assets for and on behalf of the Collateral Agent and in accordance with the Collateral Agent's instruction. The Transferor shall promptly comply with such request.

9.5 If the Collateral Agent sells any Charged Assets pursuant to sub-Clause 9.3 hereof, it may take all measures and enter into all agreements which it considers to be expedient.

9.6 Notwithstanding sub-Clause 9.3, the Collateral Agent may, in its sole discretion, determine which of several security interests (created under this or other security agreements) shall be used to satisfy the Secured Obligations.

9.7 Given the non-accessory nature of this security, the Transferor has no defences of revocation and set-off and no defences based on defences any Obligor might have against the Secured Obligations. The Collateral Agent is not required to proceed against or enforce any other rights or security before enforcing the security created hereunder.

9.8 The Transferor shall not at any time before, on or after an enforcement of the security created hereunder and as a result of the Transferor entering into this Agreement, be entitled to demand indemnification or compensation from any other Obligor or to assign any of these claims unless and until all Secured Obligations (other than (A) contingent indemnification obligations as to which no claim has been asserted, (B) obligations and liabilities under Secured Cash Management Agreements and Secured Hedge Agreements and (C) letters of credit which have been cash collateralized in accordance with the terms of the Credit Agreement) have been fully and finally discharged.

10. LIMITATIONS ON ENFORCEMENT

10.1 Definitions

"**Net Assets**" means an amount equal to the sum of the amounts of the Transferor's general partner's (*Komplementär*) assets (consisting of all assets which correspond to the items set forth in section 266 paragraph 2 A, B, C, D and E of the German Commercial Code (*Handelsgesetzbuch* – "**HGB**")) less the aggregate amount of the Transferor's general partner's (*Komplementär*) liabilities (consisting of all liabilities and liability reserves which correspond to the items set forth in section 266 paragraph 3 B, C, D and E HGB), save that any obligations (*Verbindlichkeiten*) of the Transferor's general partner (*Komplementär*):

(a) owing to Dutch Co-Borrower and/or any of Dutch Co-Borrower's (formerly Flash Dutch 2 B.V.'s) subsidiaries or any other affiliated company which are subordinated pursuant to section 39 paragraph 1 no. 5 or section 39 paragraph 2 of the German Insolvency Code (*Insolvenzordnung*) and including obligations under guarantees for obligations which are so subordinated; or

(b) incurred in violation of any of the provisions of the Secured Documents (unless neither with wilful misconduct nor gross negligence)

shall be disregarded.

The Net Assets shall be determined in accordance with the generally accepted accounting principles applicable from time to time in Germany (*Grundsätze ordnungsmäßiger Buchführung*) and be based on the same principles that were applied by the Transferor's general partner (*Komplementär*) in the preparation of its most recent annual balance sheet (*Jahresbilanz*).

"**Protected Capital**" means in relation to the Transferor the aggregate amount of:

(a) its general partner's (*Komplementär*) share capital (*Stammkapital*) as registered in the commercial register (*Handelsregister*) provided that any increase registered after the date of this Agreement shall not be taken into account unless (i) the increase has been effected out of retained earnings (*Kapitalerhöhung aus Gesellschaftsmitteln*) such increase has been effected with the prior written consent of the Collateral Agent and, in any case, (ii) only to the extent it is fully paid up; and

(b) its general partner's (*Komplementär*) amount of profits (*Gewinne*) which are not available for distribution to its shareholder(s) in accordance with section 268 paragraph 8 HGB.

"**Up-stream and/or Cross-stream Security**" means the security created hereunder (which, for the purpose of this Clause 10 (*Limitations on Enforcement*), shall also include any other obligation of the Transferor to reimburse costs or pay indemnities under or in connection with any Secured Document) if and to the extent the security created hereunder secures the obligations of a Loan Party and/or Notes Party which is a shareholder of the Transferor's general partner (*Komplementär*) or an affiliated company (*verbundenes Unternehmen*) of such shareholder within the meaning of section 16, 17 or 18 of the German Stock Corporation Act (*Aktiengesetz*) (other than the Transferor's general partner (*Komplementär*) and its subsidiaries), provided that it shall not constitute an Up-stream or Cross-stream Security if and to the extent the security created hereunder secures amounts outstanding under any Secured Document in relation to any financial accommodation made available under such Secured Document to any Borrower and/or any of the Issuers and on-lent to, or issued for the benefit of, the Transferor's general partner (*Komplementär*) or any of its subsidiaries and still outstanding from time to time.

This Clause 10 (*Limitation on Enforcement*) applies if and to the extent the security created hereunder is an Up-stream and/or Cross-stream Security.

10.2 The Collateral Agent agrees that the enforcement of the security created hereunder shall be limited if:

10.2.1 (and to the extent that) the security constitutes an Upstream- and/or Cross-Stream Security; and

10.2.2 the enforcement of the security created hereunder pursuant to Clause 9 (*Enforcement*) would otherwise

(a) have the effect of reducing the Transferor's general partner's (*Komplementär*) Net Assets to an amount that is lower than the amount

of the Transferor's general partner's (*Komplementär*) Protected Capital or, if the amount of the Net Assets is already lower than the amount of the Transferor's general partner's (*Komplementär*) Protected Capital, cause the Net Assets to be further reduced; and

(b) thereby give rise to a violation of the capital maintenance requirement as set out in section 30 paragraph 1 of the German Limited Liability Companies Act (*Gesetz betreffend die Gesellschaften mit beschränkter Haftung*); and

10.2.3 the Transferor has complied with its obligation to deliver the Management Determination and the Auditor's Determination, in each case together with an up-to-date balance sheet, in accordance with the requirements set out in paragraphs 10.3 and 10.4 below.

10.3 Within ten (10) business days after the relevant Transferor's receipt of notice from the Collateral Agent that it intends to enforce the security created hereunder, the Transferor shall provide a certificate signed by its general partner's (*Komplementär*) managing director(s) (*Geschäftsführer*) confirming in writing if and to what extent the security created hereunder is an Up-stream and/or Cross-stream Security and an enforcement of the security would have the effects referred to in paragraph 10.2.2 above (the "**Management Determination**"). Such confirmation shall comprise an up-to-date balance sheet of the Transferor's general partner (*Komplementär*) and a detailed calculation, based on the provisions of this Agreement of the amount of the Net Assets and Protected Capital of the Transferor's general partner (*Komplementär*). The Collateral Agent shall be entitled to enforce the security created hereunder in an amount which pursuant to the Management Determination would not cause the effects set out in paragraph 10.2.2 above (irrespective of whether or not the Collateral Agent agrees with the Management Determination).

10.4 If the Collateral Agent disagrees with the Management Determination, it may within fifteen (15) business days of its receipt request the Transferor to deliver, at its own cost and expense, within thirty (30) business days of such request an up-to-date balance sheet of the Transferor's general partner (*Komplementär*), drawn-up by an auditor appointed by the Transferor in consultation with the Collateral Agent, together with a detailed calculation, based on the provisions of this Agreement, of the amount of the Net Assets and Protected Capital of the Transferor's general partner (*Komplementär*) (the "**Auditor's Determination**"). The Collateral Agent shall be entitled to enforce the security created hereunder in an amount which pursuant to the Auditor's Determination would not cause the effects set out in paragraph 10.2.2 above.

10.5 No reduction of the amount enforceable pursuant to this Clause 10 (*Limitations on Enforcement*) will prejudice the right of the Collateral Agent to continue to enforce the security created hereunder (subject always to the operation of the limitations set out above at the time of such enforcement) until full satisfaction of the claims guaranteed.

10.6 The Transferor shall procure that its general partner (*Komplementär*) will do everything commercially justifiable and legally permitted to avoid the enforcement of the security created hereunder becoming limited pursuant to the terms of this Clause 10

(*Limitations on Enforcement*) and in particular after the occurrence and continuation of an Enforcement Event and within three (3) months after a written request of the Collateral Agent the Transferor's general partner (*Komplementär*) shall realise at least at market value any of its general partner's (*Komplementär*) assets that are not necessary, as determined by the Transferor's general partner (*Komplementär*) in its sole discretion, for its business (*nicht betriebsnotwendig*) and is shown in its balance sheet with a book value that is in the reasonable opinion of the Collateral Agent significantly lower than the market value.

11. BOOKKEEPING AND DATA-PROCESSING

11.1 The Transferor hereby assigns to the Collateral Agent, who accepts such assignment, any right it has against any third party (in particular any bookkeeping firm or tax consultant) in respect of the return of any proof or documents which the Transferor has handed over to such third party and which are necessary to identify the Charged Assets. The Transferor undertakes to instruct such third party, upon the occurrence and during the continuation of an Enforcement Event, to provide the Collateral Agent upon demand with such information, proof and documents which are necessary to check, assess or enforce the Charged Assets.

11.2 Upon the occurrence and during the continuation of an Enforcement Event, the Transferor shall allow the Collateral Agent access to any electronic data-processing system, including peripheral equipment, in which data concerning the Charged Assets or any part thereof have been stored. Moreover, the Transferor shall provide any assistance required to the Collateral Agent (including by making software operators available). The Transferor hereby assigns to the Collateral Agent, who accepts such assignment, all its rights against any third party which handles the electronic processing of data concerning the Charged Assets and undertakes to instruct such third party, upon a respective demand of the Collateral Agent following the occurrence and during the continuation of an Enforcement Event, to handle the processing of data for the Collateral Agent as it did for the Transferor provided that the Transferor shall continue to be given access to any data it requires in its ordinary course of business. The Collateral Agent hereby agrees, to the same extent required of the Transferor as a user of such electronic data-processing systems, to maintain and take reasonable measures to protect the confidentiality of any information relating to proprietary information concerning such electronic data-processing systems.

11.3 The Collateral Agent authorises the Transferor to exercise the rights assigned to the Collateral Agent pursuant to sub-Clause 11.1 and 11.2 above at all times prior to the occurrence of an Enforcement Event.

12. REPRESENTATIONS AND WARRANTIES

The Transferor hereby represents and warrants to the Collateral Agent by way of an independent guarantee (*selbständiges Garantieversprechen*) that:

12.1 except for any retention of title arrangements, it is the sole unrestricted owner of the Charged Assets and no other person is entitled to any Charged Assets as joint owner (*Gesamthandseigentümer*), co-owner (*Miteigentümer*) or holder of an inchoate right;

12.2 the lists attached hereto in Schedule 2 (*Asset Identification List*) is correct and sufficient to identify each Charged Asset and, with respect to the list attached hereto in Schedule 2 Part A, in particular the material numbers included in such list are identical to the numbers set out physically on the Charged Assets referred to therein;

12.3 except as not prohibited under the terms of the Secured Documents and save for any landlord's or lessor's statutory lien, the Charged Assets are not subject to any encumbrance (including any real estate security interest); and

12.4 except for any retention of title arrangements, the Transferor has the right to transfer or otherwise freely dispose of the Charged Assets as anticipated in sub-Clauses 2.1 and 2.2 above without the consent of any person.

13. UNDERTAKINGS OF THE TRANSFEROR

During the term of this Agreement, the Transferor undertakes to the Collateral Agent:

13.1 not to defeat, impair or circumvent in any way the rights of the Collateral Agent created hereunder;

13.2 subject to sub-Clause 7.1 not to take, or participate in, any action which results or might result in a sale, transfer, encumbrance or other disposal of the Charged Assets or permit to subsist, create or agree to create any security interest or third party right in or over the Charged Assets;

13.3 subject to sub-Clause 7.1 to refrain from any acts or omissions, the purpose or effect of which is or would be the material dilution of the value of the Charged Assets or the Charged Assets ceasing to be transferable;

13.4 to inform the Collateral Agent without undue delay of any attachment (*Pfändung*) over any of the Charged Assets and any third parties bringing claims in respect of any of the Charged Assets or any other measures which might impair or jeopardize the Collateral Agent's rights to any of the Charged Assets or materially impair their value, such notice to be accompanied by any documents the Collateral Agent might need to defend itself against any claim by a third party. In the event of an attachment, the Transferor undertakes to forward to the Collateral Agent without undue delay a copy of the attachment order (*Pfändungsbeschluss*) and all other documents necessary or expedient for a defence against such attachment. The Transferor shall inform the attaching creditor of the Collateral Agent's security interests without undue delay; and

13.5 upon the Collateral Agent's reasonable request following an Event of Default which is continuing, to provide the Collateral Agent promptly with all information and documents which are necessary or desirable in relation to the Charged Assets to protect the legitimate interests of the Collateral Agent and/or the Secured Parties or to enforce any claim assigned hereunder.

14. POWER OF ATTORNEY

The Transferor, by way of security for its obligations under this Agreement, irrevocably appoints the Collateral Agent to be its attorney (*Stellvertreter*) to do anything which the Transferor is required to do under this Agreement but has failed to do (and the Collateral Agent may delegate that power on such terms as it sees fit). For

this purpose the Transferor relieves the Collateral Agent from the restrictions set out in Section 181 of the German Civil Code. The Collateral Agent shall only be able to exercise this power of attorney upon the occurrence of an Enforcement Event which has not been cured or waived and upon a notice to the Transferor in accordance with the Credit Agreement and/or EUR Notes Indenture.

15. **DURATION AND INDEPENDENCE**

15.1 This Agreement shall create a continuing security and no change, amendment, or supplement whatsoever in the Secured Documents or in any document or agreement related to any of the Secured Documents shall affect the validity or the scope of this Agreement nor the obligations which are imposed on the Transferor pursuant to it.

15.2 This Agreement is independent from any other security or guarantee which may have been or will be given to the Secured Parties or the Collateral Agent. None of such other security shall prejudice, or shall be prejudiced by, or shall be merged in any way with this Agreement.

15.3 Waiving Section 418 of the German Civil Code (applied by analogy), the Transferor hereby agrees that the security created hereunder shall not be affected by any transfer or assumption of the Secured Obligations to, or by, any third party.

16. **RELEASE OF SECURITY (*SICHERHEITENFREIGABE*)**

16.1 Upon complete and irrevocable satisfaction of the Secured Obligations (other than (A) contingent indemnification obligations as to which no claim has been asserted, (B) obligations and liabilities under Secured Cash Management Agreements and Secured Hedge Agreements and (C) letters of credit which have been cash collateralized in accordance with the terms of the Credit Agreement),, the Collateral Agent will as soon as reasonably practicable, at the cost and expense of the Transferor, retransfer to the Transferor the Charged Assets, reassign the rights assigned to it pursuant to sub-Clause 11.1 and 11.2 and surrender the excess proceeds, if any, resulting from any realisation thereof. The Collateral Agent will, however, transfer any Charged Assets or excess proceeds to a third person if so required by law.

16.2 At any time when the total value of the aggregate security granted by the Transferor and the other Obligors to secure the Secured Obligations (the "**Security**"), which can be expected to be realised in the event of an enforcement of the Security (*realisierbarer Wert*), more than temporarily exceeds 110% of the Secured Obligations (the "**Limit**"), the Collateral Agent shall on demand of the Transferor release such part of the Security (*Sicherheitenfreigabe*) as the Collateral Agent may in its reasonable discretion determine so as to reduce the realisable value of the Security to the Limit.

17. **PARTIAL INVALIDITY, WAIVER**

17.1 The parties agree that should at any time, any provisions of this Agreement be or become void (*nichtig*), invalid or due to any reason ineffective (*unwirksam*) this will indisputably (*unwiderlegbar*) not affect the validity or effectiveness of the remaining provisions and this Agreement will remain valid and effective, save for the void, invalid or ineffective provisions, without any party having to argue (*darlegen*) and prove (*beweisen*) the parties' intent to uphold this Agreement even without the void, invalid or ineffective provisions.

17.2 The void, invalid or ineffective provision shall be deemed replaced by such valid and effective provision that in legal and economic terms comes closest to what the parties intended or would have intended in accordance with the purpose of this Agreement if they had considered the point at the time of conclusion of this Agreement.

17.3 No failure to exercise, nor any delay in exercising, on the part of the Collateral Agent, any right or remedy hereunder shall operate as a waiver thereof, nor shall any single or partial exercise of any right or remedy prevent any further or other exercise thereof or the exercise of any other right or remedy. The rights and remedies provided hereunder are cumulative and not exclusive of any rights or remedies provided by law.

18. AMENDMENTS

Changes and amendments to this Agreement including this Clause 18 shall be made in writing.

CLAUSES

FIRST. Creation of the Pledge. (a) The Pledgor hereby creates a non-possessory pledge pursuant to Title II, Chapter IV, Section VII, of the General Law of Negotiable Instruments and Credit Transactions (*Ley General de Títulos y Operaciones de Crédito*) of Mexico (the "LGTOC"), over any and all of the assets (including any rights) owned by the Pledgor, present or future, of any nature whatsoever, used for its principal activities, present or future, including, without limitation, accounts receivable, bank accounts, machinery and equipment, contractual rights and cash other than any property or assets not required to be pledged in accordance with the Credit Agreement and the Secured Note Indenture (hereinafter, collectively, the "Pledged Property"), in favor and for the benefit of the Secured Parties, acting through the Pledgee, as Collateral Agent, to secure, as a first priority lien, the full and timely performance of any and all of the Secured Obligations. While any Secured Obligation shall remain unsatisfied (other than (i) contingent indemnification obligations as to which no claim has been asserted, (ii) obligations and liabilities under Secured Cash Management Agreements and Secured Hedge Agreements and (iii) letters of credit that have been cash collateralized in accordance with the terms of the Credit Agreement), the Pledgor agrees not to withdraw or request the partial release of any of the Pledged Property pledged under this Agreement.

(b) For the pledge created hereunder to be effective before third parties, the Pledgor agrees and is hereby obligated to (i) ratify this Agreement before a notary public, (ii) request the registration of this Agreement as soon as possible, but in no event later than within five (5) Business Days after the date hereof, before the Single Registry of Security on Movable Assets (*Registro Único de Garantías Mobiliarias;* the "RUG"), and (iii) obtain written confirmation of the definitive registration of this Agreement before the RUG, within five (5) Business Days following the request for registration before such RUG.

(c) For purposes of this Agreement, the term "Business Day" shall mean any day, other than Saturday, Sunday or day in which Mexican banks are not authorized to open or are required to close in Mexico City, Mexico.

SECOND. Possession of the Pledged Property. The parties hereto hereby agree that the Pledgor shall remain in material possession of the Pledged Property, pursuant to the provisions of Article 346 of the LGTOC, and shall be subject to the obligations and responsibilities set forth in Articles 361 and 380 of the LGTOC. The Pledgee hereby expressly waives the rights granted to it pursuant to the last paragraph of Article 361 of the LGTOC.

THIRD. Use of the Pledged Property. The Pledgor shall have, in respect of the Pledged Property, the rights conferred by Article 356 of the LGTOC.

FOURTH. Covenants and Negative Covenants. (a) Until any and all Secured Obligations shall have been paid in full (other than (i) contingent indemnification obligations as to which no claim has been asserted, (ii) obligations and liabilities under Secured Cash Management Agreements and Secured Hedge Agreements and (iii) letters of credit that have been cash collateralized in accordance with the terms of the Credit Agreement), the Pledgor agrees to:

(1) take any and all action necessary to maintain any internal or third party authorizations or approvals in effect, for the pledge created pursuant to this Agreement to remain in full force and effect, except to the extent that failure to do so could not reasonably be expected to cause a Material Adverse Effect;

(2) enter into, execute, deliver and file, promptly, any instruments and additional documents and perform any and all additional action that the Pledgee shall reasonably request, to perfect and protect the pledge created hereunder, and to permit the Pledgee (and the Secured Parties) to exercise its or their rights and remedies hereunder, including the request to register, and obtain the definitive registration of, this Agreement before the RUG, pursuant to the terms set forth in Clause First, paragraph (b), of this Agreement;

(3) abstain from selling, assigning, exchanging or otherwise disposing the Pledged Property, except as not prohibited by the Secured Documents;

(4) abstain from creating or allowing the existence of any lien or limitation of domain with regards to any of the Pledged Property, except for the pledge created hereunder; and any other lien not prohibited by the Secured Documents.

FIFTH. Term and Release. (a) The pledge created pursuant to this Agreement shall remain in full force and effect until released pursuant to the terms of the Credit Agreement or the Secured Notes Indenture, as applicable.

(b) Each of the parties hereto hereby agrees that, upon termination of this Agreement pursuant to the provisions of Clause Fifth, paragraph (a), the Pledgee shall execute, at any subsequent time and upon request by the Pledgor, the documents and instruments reasonably necessary and requested by the Pledgor, for the total cancellation of the pledge set forth herein, provided that the Pledgor shall be solely responsible for the payment of any costs or expenses, of any nature whatsoever, arising from the cancellation of the pledge set forth herein.

(c) Each of the parties hereto hereby agrees that the Pledgee shall have no liability whatsoever in connection with the release of the Pledged Property as set forth herein, or as a result of any action taken to release

the Pledged Property, for purposes of which the Pledgor waives, expressly and irrevocably, any right of remedy against the Pledgee in respect of such release.

SIXTH. Novation, Amendment, Etc. The execution of this Agreement and the creation of the pledge set forth herein shall not constitute a novation, amendment or payment, or delivery as payment (*dación en pago*) of any of the Secured Obligations.

SEVENTH. Substituted Assets. If, for any reason and to the extent permitted pursuant to this Agreement, the Pledged Property were substituted by other assets, it shall be considered that such substituted assets have replaced the Pledged Property, remaining those substituted assets pledged pursuant to this Agreement as "Pledged Property"; provided that, in that event, the original Pledged Property shall be considered as released from the pledge created hereunder.

EIGHTH. Enforcement. (a) Upon the occurrence and confirmation of an Enforcement Event (and after delivery of an Enforcement Notice), the Pledgee, as collateral agent and for the benefit of the Secured Parties, may enforce the pledge granted hereunder, in accordance with the provisions of the LGTOC, the Commerce Code and applicable law.

(b) Proceeds resulting from the sale of the Pledged Property or any portion thereof, as a consequence of the occurrence and continuation of an Enforcement Event (and after delivery of an Enforcement Notice), shall be applied by the Pledgee pursuant to the terms set forth in the Secured Documents and subject to the terms of the Intercreditor Agreement, in connection with the sale of the Pledged Property. For the avoidance of doubt, such application of payment requires that such proceeds be applied first to the payment of all amounts owing to any relevant collateral agent (including the Pledgee). The Intercreditor Agreement further states that each collateral agent (including the Pledgee) is indemnified by the grantors set forth in the Intercreditor Agreement for any and all taxes incurred by or in connection with the acceptance or administration of such collateral agent's performance of its duties under the Intercreditor Agreement and under applicable law, including the costs and expenses of enforcing the Intercreditor Agreement and any collateral thereunder.

(c) Failure by the Pledgee to exercise its rights hereunder, shall not have the effect, under any circumstance, of a waiver of such rights, nor the individual or partial exercise by the Pledgee of any rights hereunder, shall be understood as excluding the possibility of exercising any other right.

NINTH. Taxes. CLAUSES

FIRST. Creation of the Pledge. (a) The Pledgor hereby creates a non-possessory pledge pursuant to Title II, Chapter IV, Section VII, of the General Law of Negotiable Instruments and Credit Transactions (*Ley General de Títulos y Operaciones de Crédito*) of Mexico (the "LGTOC"), over any and all of the assets (including any rights) owned by the Pledgor, present or future, of any nature whatsoever, used for its principal activities, present or future, including, without limitation, accounts receivable, bank accounts, machinery and equipment, contractual rights and cash other than any property or assets not required to be pledged in accordance with the Credit Agreement

and the Secured Note Indenture (hereinafter, collectively, the "Pledged Property"), in favor and for the benefit of the Secured Parties, acting through the Pledgee, as Collateral Agent, to secure, as a first priority lien, the full and timely performance of any and all of the Secured Obligations. While any Secured Obligation shall remain unsatisfied (other than (i) contingent indemnification obligations as to which no claim has been asserted, (ii) obligations and liabilities under Secured Cash Management Agreements and Secured Hedge Agreements and (iii) letters of credit that have been cash collateralized in accordance with the terms of the Credit Agreement), the Pledgor agrees not to withdraw or request the partial release of any of the Pledged Property pledged under this Agreement.

(b) For the pledge created hereunder to be effective before third parties, the Pledgor agrees and is hereby obligated to (i) ratify this Agreement before a notary public, (ii) request the registration of this Agreement as soon as possible, but in no event later than within five (5) Business Days after the date hereof, before the Single Registry of Security on Movable Assets (*Registro Único de Garantías Mobiliarias;* the "RUG"), and (iii) obtain written confirmation of the definitive registration of this Agreement before the RUG, within five (5) Business Days following the request for registration before such RUG.

(c) For purposes of this Agreement, the term "Business Day" shall mean any day, other than Saturday, Sunday or day in which Mexican banks are not authorized to open or are required to close in Mexico City, Mexico.

SECOND. Possession of the Pledged Property. The parties hereto hereby agree that the Pledgor shall remain in material possession of the Pledged Property, pursuant to the provisions of Article 346 of the LGTOC, and shall be subject to the obligations and responsibilities set forth in Articles 361 and 380 of the LGTOC. The Pledgee hereby expressly waives the rights granted to it pursuant to the last paragraph of Article 361 of the LGTOC.

THIRD. Use of the Pledged Property. The Pledgor shall have, in respect of the Pledged Property, the rights conferred by Article 356 of the LGTOC.

FOURTH. Covenants and Negative Covenants. (a) Until any and all Secured Obligations shall have been paid in full (other than (i) contingent indemnification obligations as to which no claim has been asserted, (ii) obligations and liabilities under Secured Cash Management Agreements and Secured Hedge Agreements and (iii) letters of credit that have been cash collateralized in accordance with the terms of the Credit Agreement), the Pledgor agrees to:

(1) take any and all action necessary to maintain any internal or third party authorizations or approvals in effect, for the pledge created pursuant to this Agreement to remain in full force and effect, except to the extent that failure to do so could not reasonably be expected to cause a Material Adverse Effect;

(2) enter into, execute, deliver and file, promptly, any instruments and additional documents and perform any and all additional action that the Pledgee shall reasonably request, to perfect and protect the pledge created

hereunder, and to permit the Pledgee (and the Secured Parties) to exercise its or their rights and remedies hereunder, including the request to register, and obtain the definitive registration of, this Agreement before the RUG, pursuant to the terms set forth in Clause First, paragraph (b), of this Agreement;

(3) abstain from selling, assigning, exchanging or otherwise disposing the Pledged Property, except as not prohibited by the Secured Documents;

(4) abstain from creating or allowing the existence of any lien or limitation of domain with regards to any of the Pledged Property, except for the pledge created hereunder; and any other lien not prohibited by the Secured Documents.

FIFTH. Term and Release. (a) The pledge created pursuant to this Agreement shall remain in full force and effect until released pursuant to the terms of the Credit Agreement or the Secured Notes Indenture, as applicable.

(b) Each of the parties hereto hereby agrees that, upon termination of this Agreement pursuant to the provisions of Clause Fifth, paragraph (a), the Pledgee shall execute, at any subsequent time and upon request by the Pledgor, the documents and instruments reasonably necessary and requested by the Pledgor, for the total cancellation of the pledge set forth herein, provided that the Pledgor shall be solely responsible for the payment of any costs or expenses, of any nature whatsoever, arising from the cancellation of the pledge set forth herein.

(c) Each of the parties hereto hereby agrees that the Pledgee shall have no liability whatsoever in connection with the release of the Pledged Property as set forth herein, or as a result of any action taken to release the Pledged Property, for purposes of which the Pledgor waives, expressly and irrevocably, any right of remedy against the Pledgee in respect of such release.

SIXTH. Novation, Amendment, Etc. The execution of this Agreement and the creation of the pledge set forth herein shall not constitute a novation, amendment or payment, or delivery as payment (*dación en pago*) of any of the Secured Obligations.

SEVENTH. Substituted Assets. If, for any reason and to the extent permitted pursuant to this Agreement, the Pledged Property were substituted by other assets, it shall be considered that such substituted assets have replaced the Pledged Property, remaining those substituted assets pledged pursuant to this Agreement as "Pledged Property"; provided that, in that event, the original Pledged Property shall be considered as released from the pledge created hereunder.

EIGHTH. Enforcement. (a) Upon the occurrence and confirmation of an Enforcement Event (and after delivery of an Enforcement Notice), the Pledgee, as collateral agent and for the benefit of the Secured Parties, may enforce the pledge granted hereunder, in accordance with the provisions of the LGTOC, the Commerce Code and applicable law.

(b) Proceeds resulting from the sale of the Pledged Property or any portion thereof, as a consequence of the occurrence and continuation of an Enforcement Event (and after delivery of an Enforcement Notice), shall be applied by the Pledgee pursuant to the terms set forth in the Secured Documents and subject to the terms of the Intercreditor Agreement, in connection with the sale of the Pledged Property. For the avoidance of doubt, such application of payment requires that such proceeds be applied first to the payment of all amounts owing to any relevant collateral agent (including the Pledgee). The Intercreditor Agreement further states that each collateral agent (including the Pledgee) is indemnified by the grantors set forth in the Intercreditor Agreement for any and all taxes incurred by or in connection with the acceptance or administration of such collateral agent's performance of its duties under the Intercreditor Agreement and under applicable law, including the costs and expenses of enforcing the Intercreditor Agreement and any collateral thereunder.

(c) Failure by the Pledgee to exercise its rights hereunder, shall not have the effect, under any circumstance, of a waiver of such rights, nor the individual or partial exercise by the Pledgee of any rights hereunder, shall be understood as excluding the possibility of exercising any other right.

NINTH. Taxes. The Pledgor agrees, in accordance with the Secured Documents, to pay or reimburse the Pledgee, the other Agents and each Lender (or any Tax authorities directly, if applicable) for all reasonable and documented out-of-pocket costs and expenses incurred in connection with the enforcement of any rights or remedies under this Agreement or the other Loan Documents (including all such costs and expenses incurred during any legal proceeding), and to pay directly to the Tax authorities, if applicable, or reimburse the Pledgee for Indemnified Taxes (as defined in the Credit Agreement) or Other Taxes (as defined in the Credit Agreement) paid or required to be indemnified pursuant to Sections 3.01 and 3.04 of the Credit Agreement (except, in each case, such taxes, interest, fines, surcharges and other accessories that are being contested in good faith by appropriate proceedings diligently conducted and adequate reserves in accordance with GAAP are being maintained by the Pledgor), any proceeding under any Debtor Relief Law (as defined in the Credit Agreement) or in connection with any workout or restructuring and all documentary taxes associated with the pledge granted under this Agreement), the fees, disbursements and other charges of counsel (limited to the reasonable fees, disbursements and other charges of one counsel to the Pledgee, the other Agents and the Lenders taken as a whole, and, if necessary, of one local counsel acting in Mexico for the Pledgee), in each case without duplication for any amounts paid (or indemnified) under Section 3.01 of the Credit Agreement. For the avoidance of doubt, Indemnified Taxes or Other Taxes shall include those arising from the pledge granted under this Agreement or those imposed on the Pledgor or the Pledgee by relevant Tax authorities solely in connection with the sale of the Pledged Property upon any foreclosure hereunder.

TENTH. Waiver. The Pledgor waives the three year statute of limitation period set forth in Article 375 of the LGTOC.

ELEVENTH. Notices. All notices or other communications relating to this Agreement, shall be made in writing, and shall be delivered or sent to the domiciles and fax numbers specified in the signature pages hereof, to each of the parties hereto. Such notices and communications shall be deemed to have been given when sent, the party confirms its delivery by fax or, if the relevant notice or communication was delivered to the applicable domicile, at the time of delivery to any agent of the receiving party.

TWELFTH. Assignment. The rights and obligations arising from this Agreement may not be assigned or in any other manner transferred, without the prior written consent of the other party to this Agreement, except that the Pledgee and the Secured Parties may assign their respective rights hereunder pursuant to the terms set forth in, and as agreed to under, the Secured Documents (including their rights arising from this Agreement).

THIRTEENTH. Exhibits. All Exhibits attached hereto are part of this Agreement as if they were inserted herein.

FOURTEENTH. Severability. In the event any provision of this Agreement shall be held invalid, illegal or unenforceable, such provision shall be severable from the rest of this Agreement, and the validity, legality and enforceability of the remaining provisions of this Agreement shall not in any way be affected or impaired thereby.

FIFTEENTH. Amendments. Any amendment or supplement to the terms set forth in this Agreement shall be entered into in writing and duly signed by each of the parties hereto.

SIXTEENTH. Appointment of an Expert. (a) If necessary for purposes of the provisions set forth in Article 363 of the LGTOC and Article 1414 Bis of the Commerce Code, the parties agree to designate an expert appraiser duly authorized by the *Comisión Nacional Bancaria y de Valores* designated and approved by the Pledgee, as expert appraiser of the Pledged Property, provided that, the costs and expenses of the expert appraiser shall be borne by the Pledgor.

(b) In the event that the Pledgor does not pay the costs and expenses of the expert appraiser, after the occurrence of and during the continuation of an Enforcement Event (provided that an Enforcement Notice is delivered), the Pledgee may (but shall not be obligated to) pay such costs and expenses, in which case the Pledgee may initiate a claim against the Pledgor for the sum of such costs and expenses, plus interest at a rate per annum equal to the default interest rate contemplated under the Credit Agreement, provided that (i) such interest shall be calculated from the date on which such payment was made by the Pledgee, until the date on which the aggregate amounts shall have been fully reimbursed to the Pledgee, and (ii) any such amount shall be deemed and form a part of the Secured Obligations.

SEVENTEENTH. Costs and Expenses. As provided for under the Secured Documents, the Pledgor shall pay all fees, costs, expenses, taxes, duties and charges arising from the preparation, negotiation and execution of this Agreement pursuant to the provisions of the Secured Documents. Additionally,

the Pledgor shall pay to the Pledgee pursuant to the provisions of the Secured Documents, all the Pledgee's legal advisors' fees incurred in connection with any amendment to this Agreement, as well as any fee, cost and expenses related to the enforcement of this pledge created pursuant to this Agreement.

EIGHTEENTH. Governing Law. This Agreement shall be governed by and construed in accordance with the laws of Mexico.

NINETEENTH. Jurisdiction. For the interpretation, performance and enforcement of this Agreement, each of the parties hereto, hereby irrevocably submits to the jurisdiction of the competent federal courts sitting in Mexico City, Federal District, Mexico, and expressly waives any other jurisdiction to which it may be entitled now or hereafter, by reason of its present or future domicile.

TWENTIETH. Intercreditor Agreement. Notwithstanding any provision to the contrary in this Agreement, if any intercreditor agreement is entered into in accordance with section 9.11 of the Credit Agreement and section 11.3 of the Secured Notes Indenture (including the Intercreditor Agreement), in the event of any conflict or inconsistency between the provisions of such intercreditor agreement (including the Intercreditor Agreement) and this Agreement, the provisions of such intercreditor agreement (including the Intercreditor Agreement) shall prevail and this Agreement shall be amended to so reflect and such Intercreditor Agreement shall be attached to this Agreement to form an integral part hereof.

SIXTH. Covenants and Negative Covenants. (a) Until any and all Secured Obligations shall have been paid in full (other than (i) contingent indemnification obligations as to which no claim has been asserted, (ii) obligations and liabilities under Secured Cash Management Agreements and Secured Hedge Agreements and (iii) letters of credit that have been cash collateralized in accordance with the terms of the Credit Agreement), the Pledgors agree to:

CLAUSES

FIRST. Creation of the Pledge. (a) The Pledgor hereby creates a pledge pursuant to Article 334, section II, of the General Law of Negotiable Instruments and Credit Transactions of Mexico (*Ley General de Títulos y Operaciones de Crédito*; the "LGTOC") over the Pledged Shares and their corresponding share certificates, including, by way of example and not limitation, all corporate and economic rights arising therefrom, in favor and for the benefit of the Secured Parties, acting through the Pledgee, to secure, as a first priority lien, the full and timely performance of any and all of the Secured Obligations. While any Secured Obligation shall remain unsatisfied (other than (i) contingent indemnification obligations as to which no claim has been asserted, (ii) obligations and liabilities under Secured Cash Management Agreements and Secured Hedge Agreements and (iii) letters of credit that have been cash collateralized in accordance with the terms of the Credit Agreement), the Pledgor agrees not to withdraw or request the partial release of any of the Pledged Shares under this Agreement, other than as not prohibited by the Secured Documents.

(b) For purposes of perfecting the pledge over the Pledged Shares created hereunder, the Pledgor, simultaneously to the execution of this Agreement:

(i) delivers to the Pledgee the share certificates of the Pledged Shares, duly endorsed as guarantee in favor of the Pledgee; and,

(ii) delivers to the Pledgee a certified copy of the Shares Registry Book of the Company, together with a copy of the notation signed by the Secretary of the Board of Directors of the Company or any other officer authorized by the Company, evidencing that the Pledged Shares have been pledged in favor and for the benefit of the Secured Parties, acting through the Pledgee, as Collateral Agent and Notes Foreign Collateral Agent, pursuant to the terms of this Agreement.

(c) The Pledgor and the Pledgee herein agree that the execution of this Pledge Agreement constitutes the deposit and receipt by the Pledgee of the share certificates representative of the Pledged Shares pursuant to article 337 of the LGTOC.

(c) For purposes of this Agreement, the term "Business Day" shall mean any day, other than Saturday, Sunday or day in which Mexican banks are not authorized to open or are required to close in Mexico City, Mexico.

SECOND. Economic and Corporate Rights. (a) Each of the parties hereto hereby agrees that each Pledgor shall have the right to exercise any and all the corporate rights (including voting rights) and economic rights that arise from the Pledged Shares, except upon the occurrence of an Enforcement Event that is continuing (for which an Enforcement Notice was provided to the relevant Pledgor), in which case the Pledgor hereby agrees that, from the date of such Enforcement Notice, the corporate and economic rights pertaining to the Pledged Shares, shall be exercised by the Pledgee.

(b) Each of the parties hereto hereby agrees that upon the occurrence and continuation of an Enforcement Event (for which an Enforcement Notice has been delivered to the relevant Pledgor), the Pledgee shall have the right to vote the Pledged Shares as it deems convenient and appropriate, but in any event consistent with the terms of the Secured Documents and this Agreement, and that in such event, the Pledgee shall have no obligation and incur no responsibility to the Pledgor or the Company, in connection with the exercise of such rights. The right of the Pledgee to exercise the voting and economic rights contemplated herein shall not be affected by the commencement of the enforcement proceedings set forth in Clause Seventh below.

(c) Pursuant to Article 344 of the LGTOC, each Pledgor by executing this Agreement, expressly authorizes the Pledgee, upon the occurrence and continuation of an Enforcement Event (for which an Enforcement Notice has been delivered to the relevant Pledgor), to take possession of the Pledged Shares (and any related rights, amounts and assets) pledged by such Pledgor to the Pledgee pursuant to this Agreement.

THIRD. Distributions. (a) Subject to the provisions set forth in Clause Third, paragraph (b), if the Company redeems or reimburses, at any time, any of the Pledged Shares, or pays a dividend or distribution in respect of such Pledged Shares (whether in cash or in kind or by issuing additional shares), (i) the additional shares arising therefrom shall be pledged or deemed to be pledged, as applicable, pursuant to this Agreement, and for purposes of this Agreement, such additional shares shall be considered as "Pledged Shares", and (ii) with respect to any payments in cash resulting from such redemption, reimbursement or dividend payment, each of the Pledgor and the Pledgee hereby agree that, if an Enforcement Event shall have occurred and be continuing (and for which an Enforcement Notice has been delivered to the relevant Pledgor), such cash shall be paid exclusively to the Pledgee in accordance with paragraph (b) below and the Intercreditor Agreement, and if no Enforcement Event shall have occurred, such cash shall be released to the Pledgor. If any such cash or additional shares were received by the Pledgor, and such cash or additional shares are to remain pledged hereunder, the Pledgor agrees to immediately deliver to the Pledgee the share certificates of corresponding to said shares, duly endorsed as guarantee, or the cash, together with a copy of the notation made by the Secretary or authorized officer of the Company in the Shares Registry Book of the Company, evidencing that such additional shares have been pledged in favor and for the benefit of the Secured Parties, acting through the Pledgee, as Collateral Agent and Notes Foreign Collateral Agent.

(b) Notwithstanding the terms of Clause Third, paragraph (a), if no Enforcement Event shall have occurred and no Enforcement Notice provided, the Pledgor shall have the right to receive any cash arising from a redemption, reimbursement or dividend, in cash or in kind (other than shares), that shall have been approved and paid in respect of the Pledged Shares. Upon the occurrence and continuation of an Enforcement Event (for which an Enforcement Notice has been delivered to the relevant Pledgor), any cash resulting from a redemption, reimbursement or dividend shall be paid exclusively to the Pledgee to be applied exclusively to the payment of the Secured Obligations, subject to the provisions of the Intercreditor Agreement.

FOURTH. Term and Release. (a) The pledge created pursuant to this Agreement shall remain in full force and effect until released pursuant to the terms of the Credit Agreement or the Secured Notes Indenture, as applicable.

(b) The parties hereto hereby agree that, upon termination of this Agreement pursuant to the provisions of Clause Fourth, paragraph (a), the Pledgee shall execute, at any subsequent time and upon request by the Pledgor, the documents and instruments reasonably necessary and requested by the Pledgor, for the total cancellation of the pledge set forth herein, provided that the Pledgor shall be solely responsible for the payment of any costs or expenses, of any nature whatsoever, arising from the cancellation of the pledge set forth herein.

(c) The parties hereto hereby agree that the Pledgee shall have no liability whatsoever in connection with the release of the Pledged Shares as set forth herein, or as a result of any action taken to release the Pledged Shares, for purposes of which the Pledgor waives, expressly and irrevocably, any right of remedy against the Pledgee in respect of such release.

FIFTH. Novation, Amendment, Etc. The execution of this Agreement and the creation of the pledge set forth herein, shall not constitute a novation, amendment or payment, or delivery as payment (*dación en pago*) of any of the Secured Obligations.

SIXTH. Covenants and Negative Covenants. (a) Until any and all Secured Obligations shall have been paid in full (other than (i) contingent indemnification obligations as to which no claim has been asserted, (ii) obligations and liabilities under Secured Cash Management Agreements and Secured Hedge Agreements and (iii) letters of credit that have been cash collateralized in accordance with the terms of the Credit Agreement), the Pledgor agrees to:

(1) take any and all action necessary to maintain any internal or third party authorizations or approvals in effect, for the pledge created pursuant to this Agreement to remain in full force and effect, except to the extent that failure to do so could not reasonably be expected to cause a Material Adverse Effect;

(2) enter into, execute, deliver and file, promptly, any instruments (including powers-of-attorney) and additional documents, and perform any and all additional action that the Pledgee shall reasonably request, to perfect and protect the pledge created hereunder, and to permit the Pledgee (and the Secured Parties) to exercise its or their rights hereunder, including the notarization of this Agreement before a notary public or commercial notary *(corredor público)*, and the granting and delivery, within a ten (10) Business Day period counted from the execution of this Agreement, of a special irrevocable power-of-attorney before a notary public in favor of the Pledgee in the specific format that for such purposes is hereby attached to this Agreement as **Exhibit D**, that authorizes the Pledgee to exercise its rights hereunder;

(3) abstain from selling, assigning, exchanging or otherwise disposing the Pledged Shares, except as not prohibited by the Secured Documents; and

(4) abstain from creating or allowing the existence of any lien or limitation of domain with regards to any of the Pledged Shares, except for the pledge created hereunder; and any other lien not prohibited by the Secured Documents.

SEVENTH. Enforcement.

(a) Upon the occurrence and continuation of an Enforcement Event (and after delivery to the Pledgor of an Enforcement Notice), the Pledgee, as collateral agent and for the benefit of the Secured Parties, may enforce the pledge granted hereunder, in accordance with the provisions of the LGTOC, the Commerce Code and applicable law.

(b) Proceeds resulting from the sale of the Pledged Shares or any portion thereof, as a consequence of the occurrence and continuation of an Enforcement Event (and after delivery of an Enforcement Notice), shall be applied by the Pledgee pursuant to the terms set forth in the Secured Documents, and subject to the terms of the Intercreditor Agreement, in connection with the sale of the Pledged Shares. For the avoidance of doubt, such application of payment requires that such proceeds be applied first to the payment of all amounts owing to any relevant collateral agent (including the Pledgee). The Intercreditor Agreement further states that each collateral agent (including the Pledgee) is indemnified by the grantors set forth in the Intercreditor Agreement for any and all taxes incurred by or in connection with the acceptance or administration of such collateral agent's performance of its duties under the Intercreditor Agreement and under applicable law, including the costs and expenses of enforcing the Intercreditor Agreement and any collateral thereunder.

(c) Failure by the Pledgee to exercise its rights hereunder, shall not have the effect, under any circumstance, of a waiver of such rights, nor the individual or partial exercise by the Pledgee of any rights hereunder, shall be understood as excluding the possibility of exercising any other right.

EIGHT. Taxes. The Pledgor agrees, in accordance with the Secured Documents, to pay or reimburse the Pledgee, the other Agents and each Lender (or any Tax authorities directly, if applicable) for all reasonable and documented out-of-pocket costs and expenses incurred in connection with the enforcement of any rights or remedies under this Agreement or the other Loan Documents (including all such costs and expenses incurred during any legal proceeding), and to pay directly to the Tax authorities, if applicable, or reimburse the Pledgee for Indemnified Taxes (as defined in the Credit Agreement) or Other Taxes (as defined in the Credit Agreement) paid or required to be indemnified pursuant to Sections 3.01 and 3.04 of the Credit Agreement (except, in each case, such taxes, interest, fines, surcharges and other accessories that are being contested in good faith by appropriate proceedings diligently conducted and adequate reserves in accordance with GAAP are being maintained by the Pledgor), any proceeding under any Debtor Relief Law (as defined in the Credit Agreement) or in connection with any workout or restructuring and all documentary taxes associated with the pledge granted under this Agreement), the fees, disbursements and other charges of counsel (limited to the reasonable fees, disbursements and other charges of one counsel to the Pledgee, the other Agents and the Lenders taken as a whole, and, if necessary, of one local counsel acting

7.3 **Consents**

Each Chargor shall, on the occurrence of an Enforcement Event, use its best endeavours to obtain any consents necessary or to remove any restriction on the creation of Security (in each case in form and substance satisfactory to the Notes Collateral Agent, acting reasonably) to enable the assets of that Chargor to be the subject of the relevant Fixed Security pursuant to this Debenture. Immediately upon obtaining any such consent or removing any such restriction, the asset concerned will become subject to that Fixed Security and each relevant Chargor shall promptly deliver a copy of such consent or evidence of such removal to the Notes Collateral Agent.

8. **SHARES AND INVESTMENTS**

8.1 **Dividends prior to an Enforcement Event**

Prior to the occurrence of an Enforcement Event and receiving notice from the Notes Collateral Agent (unless such Enforcement Event has occurred as a result of an Event of Default pursuant to paragraphs (v) or (vi) of Section 6.1 (*Events of Default*) of the Secured Notes Indenture, in which case no notice will be required) and following the cure or waiver of the relevant Enforcement Event, each Chargor shall be entitled to receive all dividends, interest and other monies or distributions of an income nature arising from the Shares in accordance with the Secured Notes Indenture.

Each Chargor shall pay when due (taking any applicable grace period into account) all calls or other payments which may be or become due in respect of any of the Investments and Shares, and in any case of default by it in such payment, the Notes Collateral Agent may, if it thinks fit, make such payment on its behalf in which case any sums paid by the Notes Collateral Agent shall be reimbursed by each relevant Chargor to the Notes Collateral Agent on demand and shall carry interest from the date of payment by the Notes Collateral Agent until reimbursed in accordance with Section 2.12 (*Payment of Interest; Defaulted Interest*) of the Secured Notes Indenture.

following the occurrence of an Enforcement Event and having given notice to the applicable Chargor **provided that** such notice shall be deemed to have been automatically given if an Event of Default pursuant to paragraphs (v) or (vi) of Section 6.1 (*Events of Default*) of the Secured Notes Indenture has occurred.

20.2 **Ratification**

Each Chargor shall ratify and confirm all things done and all documents executed by any attorney in the exercise or purported exercise of all or any of his powers.

21. EFFECTIVENESS OF SECURITY

21.1 **Continuing security**

(a) The Security created by or pursuant to this Debenture shall remain in full force and effect as a continuing security for the Secured Obligations until the payment in full of the Secured Obligations (other than contingent indemnification obligations as to which no claim has been asserted).

(b) No part of the Security from time to time intended to be constituted by this Debenture will be considered satisfied or discharged by an intermediate payment, discharge or satisfaction of the whole or any part of the Secured Obligations.

21.2 **Cumulative rights**

The Security created by or pursuant to this Debenture, and the Collateral Rights, shall be cumulative, in addition to and independent of every other Security which the Notes Collateral Agent or any Secured Party may at any time hold for the Secured Obligations or any other obligations or any rights, powers and remedies provided by law and shall operate as an independent security notwithstanding any receipt, release or discharge endorsed on or given in respect of or under any such other Security. No prior Security held by the Notes Collateral Agent (whether in its capacity as trustee or otherwise) or any of the other Secured Parties over the whole or any part of the Charged Assets shall merge into the Security constituted by this Debenture.

21.3 **No prejudice**

The Security created by or pursuant to this Debenture, and the Collateral Rights, shall not be prejudiced by any unenforceability or invalidity of any other agreement or document or by any time or indulgence granted to any Chargor or any other person, or the Notes Collateral Agent or any of the other Secured Parties or by any variation of the terms of the trust upon which the Notes Collateral Agent holds the Security or by any other thing which might otherwise prejudice that Security or any Collateral Right.

21.4 **Remedies and waivers**

No failure on the part of the Notes Collateral Agent to exercise, nor any delay on its part in exercising, any Collateral Right, shall operate as a waiver of that Collateral

Right or constitute an election to affirm this Debenture. No election to affirm this Debenture on the part of the Notes Collateral Agent shall be effective unless it is in writing. No single or partial exercise of any Collateral Right shall preclude any further or other exercise of that or any other Collateral Right.

21.5 **No liability**

None of the Notes Collateral Agent, its nominee(s) or any Receiver shall be liable:

(a) to account as a mortgagee or mortgagee in possession; or

(b) for any loss arising by reason of taking any action permitted by this Debenture or any neglect or default in connection with the Charged Assets or taking possession of or realising all or any part of the Charged Assets,

except in the case of gross negligence or wilful default upon its part.

21.6 **Partial invalidity**

If, at any time, any provision of this Debenture is or becomes illegal, invalid or unenforceable in any respect under the law of any jurisdiction, neither the legality, validity or enforceability of the remaining provisions of this Debenture nor of such provision under the laws of any other jurisdiction shall in any way be affected or impaired thereby and, if any part of the Security intended to be created by or pursuant to this Debenture is invalid, unenforceable or ineffective for any reason, that shall not affect or impair any other part of the Security.

21.7 **Waiver of defences**

The obligations assumed, and the Security created, by each Chargor under this Debenture, and the Collateral Rights, will not be affected by any act, omission, matter or thing which, but for this Clause 21.7, would reduce, release or prejudice any of its obligations under, or the Security created by, this Debenture (without limitation and whether or not known to that Chargor or any Secured Party) including:

(a) any time, waiver or consent granted to, or composition with, any Grantor or other person;

(b) the release of any other Grantor or any other person under the terms of any composition or arrangement with any creditor of any member of the Group;

(c) the taking, variation, compromise, exchange, renewal or release of, or refusal or neglect to perfect, take up or enforce, any rights against, or Security over assets of, any Grantor or other person or any non-presentation or non- observance of any formality or other requirement in respect of any instrument or any failure to realise the full value of any Security;

(d) any incapacity or lack of power, authority or legal personality of or dissolution or change in the members or status of, any Grantor or any other person;

(e) any amendment, novation, supplement, extension (whether of maturity or otherwise) or restatement (in each case, however fundamental and of whatever

nature, and whether or not more onerous) or replacement of the Secured Notes, the Secured Notes Indenture or any other document or Security or of the Secured Obligations;

(f) any unenforceability, illegality or invalidity of any obligation of any person under the Secured Notes, the Secured Notes Indenture or any other document or Security or of the Secured Obligations; and

(g) any insolvency or similar proceedings.

21.8 **Chargor intent**

Without prejudice to the generality of Clause 21.7 (*Waiver of Defences*), each Chargor expressly confirms that it intends that the Security created under this Debenture, and the Collateral Rights, shall extend from time to time to any (however fundamental and of whatsoever nature, and whether or not more onerous) variation, increase, extension or addition of or to the Secured Notes, the Secured Notes Indenture and/or any facility or amount made available under any of the Secured Notes or the Secured Notes Indenture for the purposes of or in connection with any of the following: acquisitions of any nature; increasing working capital; enabling investor distributions to be made; carrying out restructurings; refinancing existing facilities; refinancing any other indebtedness; making facilities available to new borrowers; any other variation or extension of the purposes for which any such facility or amount might be made available from time to time; and any fees, costs and/or expenses associated with any of the foregoing.

21.9 **Immediate recourse**

Each Chargor waives any right it may have of first requiring any Secured Party (or any trustee or agent on its behalf) to proceed against or enforce any other rights or Security or claim payment from any other person before claiming from that Chargor under this Debenture. This waiver applies irrespective of any law or any provision of this Debenture to the contrary.

21.10 **Deferral of rights**

Until the end of the Security Period, no Chargor will exercise any rights which it may have by reason of performance by it of its obligations under this Debenture:

(a) to be indemnified by an Grantor;

(b) to claim any contribution from any guarantor of any Grantor's obligations under this Debenture;

(c) to take the benefit (in whole or in part and whether by way of subrogation or otherwise) of any rights of any Secured Party under this Debenture or of any other guarantee or Security taken pursuant to, or in connection with, this Debenture by any Secured Party;

(d) to bring legal or other proceedings for an order requiring any Grantor to make any payment, or perform any obligation, in respect of which any Grantor has given a guarantee, undertaking or indemnity under any Secured Notes, Secured Notes Indenture or Notes Security Document;

(e) to exercise any right of set-off against any Grantor; and/or

(f) to claim or prove as a creditor of any Grantor in competition with any Secured Party.

If any Chargor receives any benefit, payment or distribution in relation to such rights it shall hold that benefit, payment or distribution on trust for the Secured Parties to the extent necessary to enable all amounts which may be or become payable to any Secured Party by the Grantors under or in connection with this Debenture to be repaid in full and shall promptly pay or transfer the same to the Notes Collateral Agent or as the Notes Collateral Agent may direct for application in accordance with Clause 18 (*Application of Proceeds*).

22. **PRIOR SECURITY INTERESTS**

(a) In the event of any action, proceeding or step being taken to exercise any powers or remedies conferred by any prior ranking Security against any of the Charged Assets or in case of exercise by the Notes Collateral Agent or any Receiver of any power of sale under this Debenture, the Notes Collateral Agent may redeem such prior Security or procure the transfer thereof to itself unless such prior Security is permitted by the Secured Notes Indenture or the Collateral Agreement.

(b) The Notes Collateral Agent may settle and agree the accounts of the prior Security and any accounts so settled and agreed will be conclusive and binding on each Chargor unless such prior Security is permitted by the Secured Notes Indenture or the Collateral Agreement.

(c) All principal monies, interest, costs, charges and expenses of and incidental to any redemption or transfer will be paid by each Chargor to the Notes Collateral Agent on demand together with accrued interest thereon calculated in accordance with Section 2.12 (*Payment of Interest, Defaulted Interest*) of the Secured Notes Indenture.

23. **SUBSEQUENT SECURITY INTERESTS**

If the Notes Collateral Agent (acting in its capacity as trustee or otherwise) or any of the other Secured Parties at any time receives or is deemed to have received notice of any subsequent Security, assignment or transfer affecting all or any part of the Charged Assets which is prohibited by the terms of the Loan Documents, all payments thereafter by or on behalf of the relevant Chargor to the Notes Collateral Agent (whether in its capacity as trustee or otherwise) or any of the other Secured Parties will (in the absence of any express contrary appropriation by that Chargor) be treated as having been credited to a new account of that Chargor and not as having been applied in reduction of the Secured Obligations at the time that notice was received.

24. **SUSPENSE ACCOUNTS**

All monies received, recovered or realised by the Notes Collateral Agent under this Debenture (including the proceeds of any conversion of currency) may in the discretion of the Notes Collateral Agent be credited to any interest bearing suspense or impersonal account(s) maintained with any bank, building society, financial institution or other person which the Notes Collateral Agent considers appropriate (including itself) for so long as any Enforcement Event is continuing (the interest being credited to the relevant account) pending their application from time to time at the Notes Collateral Agent's discretion, in or towards the discharge of any of the Secured Obligations and save as provided herein no party will be entitled to withdraw any amount at any time standing to the credit of any suspense or impersonal account referred to above.

25. **RELEASE OF SECURITY**

25.1 **Release of Security**

Upon the expiry of the Security Period, the Security granted by this Debenture shall automatically terminate and all rights to the Charged Assets shall revert to the Chargor subject to Clause 25.2 (*Clawback*). The Notes Collateral Agent shall, at the request and cost of the applicable Chargor, execute and deliver such documents as such Chargor shall reasonably request to evidence such determination and without recourse to, or any representation or warranty by, the Notes Collateral Agent or any of its nominees.

25.2 **Clawback**

If any amount paid or credited to any Secured Party is capable of being avoided or reduced by virtue of any bankruptcy, insolvency, liquidation or similar laws, the liability of each Chargor under this Debenture and the Security constituted by that documents will continue and such amount will not be considered to have been irrevocably discharged.

26. **ASSIGNMENT**

The Notes Collateral Agent may assign and transfer all or any of its rights and obligations under this Debenture subject to the terms of the Secured Notes Indenture. The Notes Collateral Agent shall be entitled to disclose such information concerning any Chargor and this Debenture as the Notes Collateral Agent considers appropriate to any actual or proposed direct or indirect successor or to any person to whom information may be required to be disclosed by any applicable law in accordance with the terms of the Secured Notes Indenture.

27. **DISCRETION AND DELEGATION**

27.1 **Discretion**

Any liberty or power which may be exercised or any determination which may be made under this Debenture by the Notes Collateral Agent or any Receiver may, subject to the terms and conditions of the Secured Notes Indenture and following an Enforcement Event which has not been cured or waived, be exercised or made in its absolute and unfettered discretion without any obligation to give reasons.

27.2 **Delegation**

Each of the Notes Collateral Agent and any Receiver shall have full power to delegate (either generally or specifically) the powers, authorities and discretions conferred on it by this Debenture (including the power of attorney) on such terms and conditions as it shall see fit which delegation shall not preclude the subsequent exercise, any subsequent delegation or any revocation of such power, authority or discretion by the Notes Collateral Agent or the Receiver itself.

28. **GOVERNING LAW**

This Debenture and all non-contractual obligations arising out of or in connection with it are governed by English law.

29. **JURISDICTION**

29.1 **English Courts**

For this purpose, the parties agree that the value of that Charged Asset shall be:

(b) in the case of any Investments and/or Shares, the market value of such Investments and/or Shares determined by the Collateral Agent by reference to a public index or independent valuation, or by such other process as the Collateral Agent may select.

In each case, the parties agree that the method of valuation provided for in this Debenture shall constitute a commercially reasonable method of valuation for the purposes of the Regulations.

The powers of appointment of a Receiver shall be in addition to all statutory and other powers of appointment of the Collateral Agent under the Law of Property Act 1925 (as extended by this Debenture) or otherwise and such powers shall remain exercisable from time to time by the Collateral Agent in respect of any part of the Charged Assets.

17. **POWERS OF RECEIVERS**

Every Receiver shall (subject to any restrictions in the instrument appointing him but notwithstanding any winding-up or dissolution of any Chargor) have and be entitled to exercise, in relation to the Charged Assets (and any assets of any Chargor which, when got in, would be Charged Assets) in respect of which he was appointed, and as varied and extended by the provisions of this Debenture (in the name of or on behalf of any Chargor or in his own name and, in each case, at the cost of that Chargor):

(a) all the powers conferred by the Law of Property Act 1925 on mortgagors and on mortgagees in possession and on receivers appointed under that Act;

19. PROTECTION OF PURCHASERS

19.1 Consideration

The receipt of the Collateral Agent or any Receiver shall be conclusive discharge to a purchaser and, in making any sale or disposal of any of the Charged Assets or making any acquisition, the Collateral Agent or any Receiver may do so for such consideration (whether cash or non-cash), in such manner and on such terms as it thinks fit.

19.2 Protection of purchasers

No purchaser or other person dealing with the Collateral Agent or any Receiver shall be bound to inquire whether the right of the Collateral Agent or such Receiver to exercise any of its powers has arisen or become exercisable or be concerned with any propriety or regularity on the part of the Collateral Agent or such Receiver in such dealings.

20. POWER OF ATTORNEY

20.1 Appointment and powers

Each Chargor by way of security irrevocably appoints the Collateral Agent and any Receiver severally to be its attorney and in its name, on its behalf and as its act and deed to execute, deliver and perfect all documents and do all things which the attorney may consider to be required or desirable for:

(b) enabling the Collateral Agent and any Receiver to exercise (subject to Clause 8.5 (*Waiver of voting rights by Collateral Agent*)), or delegate the exercise of, any of the rights, powers and authorities conferred on them by or pursuant to this Debenture or by law (including, after the occurrence of an Enforcement Event, the exercise of any right of a legal or beneficial owner of the Charged Assets),

following the occurrence of an Enforcement Event and having given notice to the applicable Chargor **provided that** such notice shall be deemed to have been automatically given if an Event of Default pursuant to Section 8.01(f) or 8.01(g) of the Credit Agreement has occurred.

20.2 **Ratification**

Each Chargor shall ratify and confirm all things done and all documents executed by any attorney in the exercise or purported exercise of all or any of his powers.

21. EFFECTIVENESS OF SECURITY

21.1 **Continuing security**

(a) The Security created by or pursuant to this Debenture shall remain in full force and effect as a continuing security for the Secured Obligations until the payment in full of the Secured Obligations (other than (A) contingent indemnification obligations as to which no claim has been asserted and (B) obligations and liabilities under Secured Cash Management Agreements and Secured Hedge Agreements).

(b) No part of the Security from time to time intended to be constituted by this Debenture will be considered satisfied or discharged by an intermediate payment, discharge or satisfaction of the whole or any part of the Secured Obligations.

21.2 **Cumulative rights**

The Security created by or pursuant to this Debenture, and the Collateral Rights, shall be cumulative, in addition to and independent of every other Security which the Collateral Agent or any Secured Party may at any time hold for the Secured Obligations or any other obligations or any rights, powers and remedies provided by law and shall operate as an independent security notwithstanding any receipt, release or discharge endorsed on or given in respect of or under any such other Security. No prior Security held by the Collateral Agent (whether in its capacity as trustee or otherwise) or any of the other Secured Parties over the whole or any part of the Charged Assets shall merge into the Security constituted by this Debenture.

21.3 **No prejudice**

The Security created by or pursuant to this Debenture, and the Collateral Rights, shall not be prejudiced by any unenforceability or invalidity of any other agreement or document or by any time or indulgence granted to any Chargor or any other person, or the Collateral Agent or any of the other Secured Parties or by any variation of the terms of the trust upon which the Collateral Agent holds the Security or by any other thing which might otherwise prejudice that Security or any Collateral Right.

21.4 **Remedies and waivers**

No failure on the part of the Collateral Agent to exercise, nor any delay on its part in exercising, any Collateral Right, shall operate as a waiver of that Collateral Right or constitute an election to affirm this Debenture. No election to affirm this Debenture on the part of the Collateral Agent shall be effective unless it is in writing. No single or partial exercise of any Collateral Right shall preclude any further or other exercise of that or any other Collateral Right.

21.5 **No liability**

None of the Collateral Agent, its nominee(s) or any Receiver shall be liable:

(a) to account as a mortgagee or mortgagee in possession; or

(b) for any loss arising by reason of taking any action permitted by this Debenture or any neglect or default in connection with the Charged Assets or taking possession of or realising all or any part of the Charged Assets,

except in the case of gross negligence or wilful default upon its part.

21.6 **Partial invalidity**

If, at any time, any provision of this Debenture is or becomes illegal, invalid or unenforceable in any respect under the law of any jurisdiction, neither the legality, validity or enforceability of the remaining provisions of this Debenture nor of such provision under the laws of any other jurisdiction shall in any way be affected or impaired thereby and, if any part of the Security intended to be created by or pursuant to this Debenture is invalid, unenforceable or ineffective for any reason, that shall not affect or impair any other part of the Security.

21.7 **Waiver of defences**

The obligations assumed, and the Security created, by each Chargor under this Debenture, and the Collateral Rights, will not be affected by any act, omission, matter or thing which, but for this Clause 21.7, would reduce, release or prejudice any of its obligations under, or the Security created by, this Debenture (without limitation and whether or not known to that Chargor or any Secured Party) including:

(a) any time, waiver or consent granted to, or composition with, any Obligor or other person;

(b) the release of any other Obligor or any other person under the terms of any composition or arrangement with any creditor of any member of the Group;

(c) the taking, variation, compromise, exchange, renewal or release of, or refusal or neglect to perfect, take up or enforce, any rights against, or Security over assets of, any Obligor or other person or any non-presentation or non-observance of any formality or other requirement in respect of any instrument or any failure to realise the full value of any Security;

(d) any incapacity or lack of power, authority or legal personality of or dissolution or change in the members or status of, any Obligor or any other person;

(e) any amendment, novation, supplement, extension (whether of maturity or otherwise) or restatement (in each case, however fundamental and of whatever nature, and whether or not more onerous) or replacement of a Loan Document or any other document or Security or of the Secured Obligations;

(f) any unenforceability, illegality or invalidity of any obligation of any person under any Loan Document or any other document or Security or of the Secured Obligations; and

(g) any insolvency or similar proceedings.

21.8 **Chargor intent**

Without prejudice to the generality of Clause 21.7 (*Waiver of Defences*), each Chargor expressly confirms that it intends that the Security created under this Debenture, and the Collateral Rights, shall extend from time to time to any (however fundamental and of whatsoever nature, and whether or not more onerous) variation, increase, extension or addition of or to any of the Loan Documents and/or any facility or amount made available under any of the Loan Documents for the purposes of or in connection with any of the following: acquisitions of any nature; increasing working capital; enabling investor distributions to be made; carrying out restructurings; refinancing existing facilities; refinancing any other indebtedness; making facilities available to new borrowers; any other variation or extension of the purposes for which any such facility or amount might be made available from time to time; and any fees, costs and/or expenses associated with any of the foregoing.

21.9 **Immediate recourse**

Each Chargor waives any right it may have of first requiring any Secured Party (or any trustee or agent on its behalf) to proceed against or enforce any other rights or Security or claim payment from any other person before claiming from that Chargor under this Debenture. This waiver applies irrespective of any law or any provision of this Debenture to the contrary.

21.10 **Deferral of rights**

Until the end of the Security Period, no Chargor will exercise any rights which it may have by reason of performance by it of its obligations under this Debenture:

(a) to be indemnified by an Obligor;

(b) to claim any contribution from any guarantor of any Obligor's obligations under this Debenture;

(c) to take the benefit (in whole or in part and whether by way of subrogation or otherwise) of any rights of any Secured Party under this Debenture or of any other guarantee or Security taken pursuant to, or in connection with, this Debenture by any Secured Party;

(d) to bring legal or other proceedings for an order requiring any Obligor to make any payment, or perform any obligation, in respect of which any Obligor has given a guarantee, undertaking or indemnity under any Loan Document;

(e) to exercise any right of set-off against any Obligor; and/or

(f) to claim or prove as a creditor of any Obligor in competition with any Secured Party.

If any Chargor receives any benefit, payment or distribution in relation to such rights it shall hold that benefit, payment or distribution on trust for the Secured Parties to the extent necessary to enable all amounts which may be or become payable to any Secured Party by the Obligors under or in connection with this Debenture to be repaid in full and shall promptly pay or transfer the same to the Collateral Agent or as the Collateral Agent may direct for application in accordance with Clause 18 (*Application of Proceeds*).

22. **PRIOR SECURITY INTERESTS**

(a) In the event of any action, proceeding or step being taken to exercise any powers or remedies conferred by any prior ranking Security against any of the Charged Assets or in case of exercise by the Collateral Agent or any Receiver of any power of sale under this Debenture, the Collateral Agent may redeem such prior Security or procure the transfer thereof to itself unless such prior Security is permitted pursuant to the terms of the Credit Agreement.

(b) The Collateral Agent may settle and agree the accounts of the prior Security and any accounts so settled and agreed will be conclusive and binding on each Chargor unless such prior Security is permitted pursuant to the terms of the Credit Agreement.

(c) All principal monies, interest, costs, charges and expenses of and incidental to any redemption or transfer will be paid by each Chargor to the Collateral Agent on demand together with accrued interest thereon calculated in accordance with section 2.08 (*Interest*) of the Credit Agreement.

23. **SUBSEQUENT SECURITY INTERESTS**

If the Collateral Agent (acting in its capacity as trustee or otherwise) or any of the other Secured Parties at any time receives or is deemed to have received notice of any subsequent Security, assignment or transfer affecting all or any part of the Charged Assets which is prohibited by the terms of the Loan Documents, all payments thereafter by or on behalf of the relevant Chargor to the Collateral Agent (whether in its capacity as trustee or otherwise) or any of the other Secured Parties will (in the

absence of any express contrary appropriation by that Chargor) be treated as having been credited to a new account of that Chargor and not as having been applied in reduction of the Secured Obligations at the time that notice was received.

24. SUSPENSE ACCOUNTS

All monies received, recovered or realised by the Collateral Agent under this Debenture (including the proceeds of any conversion of currency) may in the discretion of the Collateral Agent be credited to any interest bearing suspense or impersonal account(s) maintained with any bank, building society, financial institution or other person which the Collateral Agent considers appropriate (including itself) for so long as any Enforcement Event is continuing (the interest being credited to the relevant account) pending their application from time to time at the Collateral Agent's discretion, in or towards the discharge of any of the Secured Obligations and save as provided herein no party will be entitled to withdraw any amount at any time standing to the credit of any suspense or impersonal account referred to above.

25. RELEASE OF SECURITY

25.1 Release of Security

Upon the expiry of the Security Period, the Security granted by this Debenture shall automatically terminate and all rights to the Charged Assets shall revert to the Chargor subject to Clause 25.2 (*Clawback*). The Collateral Agent shall, at the request and cost of the applicable Chargor, execute and deliver such documents as such Chargor shall reasonably request to evidence such determination and without recourse to, or any representation or warranty by, the Collateral Agent or any of its nominees.

25.2 Clawback

If any amount paid or credited to any Secured Party is capable of being avoided or reduced by virtue of any bankruptcy, insolvency, liquidation or similar laws, the liability of each Chargor under this Debenture and the Security constituted by that documents will continue and such amount will not be considered to have been irrevocably discharged.

26. ASSIGNMENT

26.1 No assignments or transfers by Chargor

No Chargor may assign any of its rights or transfer any of its rights or obligations under this Debenture other than as permitted under the Credit Agreement.

26.2 Assignments and transfers by the Collateral Agent

The Collateral Agent may assign and transfer all or any of its rights and obligations under this Debenture subject to Section 10.07 (*Successors and Assigns*) of the Credit Agreement). The Collateral Agent shall be entitled to disclose such information concerning any Chargor and this Debenture as the Collateral Agent considers appropriate to any actual or proposed direct or indirect successor or to any person to whom information may be required to be disclosed by any applicable law in accordance with Section 10.08 (*Confidentiality*) of the Credit Agreement.

27. **DISCRETION AND DELEGATION**

27.1 **Discretion**

Any liberty or power which may be exercised or any determination which may be made under this Debenture by the Collateral Agent or any Receiver may, subject to the terms and conditions of the Credit Agreement and following an Enforcement Event which has not been cured or waived, be exercised or made in its absolute and unfettered discretion without any obligation to give reasons.

4.1 **Dividends prior to an Enforcement Event**

Prior to the occurrence of an Enforcement Event and receiving notice from the Notes Collateral Agent (unless such Enforcement Event has occurred as a result of an Event of Default pursuant to paragraphs (v) or (vi) of Section 6.1 (*Events of Default*) of the Secured Notes Indenture, in which case no notice will be required) and following the cure or waiver of the relevant Enforcement Event, the Chargor shall be entitled to receive all dividends, interest and other monies or distributions of an income nature arising from the Shares in accordance with the Secured Notes Indenture.

(a) exercise (or refrain from exercising) any voting rights in respect of the Shares; and

(b) exercise (or refrain from exercising) the powers and rights conferred on or exercisable by the legal or beneficial owner of the Shares including the right, in relation to any company whose shares or other securities are included in the Shares, to concur or participate in:

(i) the reconstruction, amalgamation, sale or other disposal of such company or any of its assets or undertaking (including the exchange, conversion or reissue of any shares or securities as a consequence thereof);

(ii) the release, modification or variation of any rights or liabilities attaching to such shares or securities; and

(iii) the exercise, renunciation or assignment of any right to subscribe for any shares or securities,

in each case in the manner and on the terms the Notes Collateral Agent thinks fit, and the proceeds of any such action shall form part of the Shares.

(a) The Notes Collateral Agent may, in its absolute discretion and without any consent or authority from the other Noteholder Secured Parties or the Chargor, at any time, by notice to the Chargor (which notice shall be irrevocable) elect to give up the right to exercise (or refrain from exercising) all voting rights and powers in respect of the Shares conferred or to be conferred on the Notes Collateral Agent pursuant to Clause 4.4 (*Voting rights after Notes Collateral Agent Notice*) and the other Noteholder Secured Parties unconditionally waive any rights they may otherwise have to require the Notes Collateral Agent not to make such election or to require the Notes Collateral Agent to indemnify,

compensate or otherwise make good for any losses, costs or liabilities incurred by any of them in relation to or as a consequence of the Notes Collateral Agent making such election.

(b) Once a notice has been issued by the Notes Collateral Agent under paragraph (a) of this Clause 4.5, on and from the date of such notice the Notes Collateral Agent shall cease to have the rights to exercise or refrain from exercising voting rights and powers in respect of the Shares conferred or to be conferred on it pursuant to Clause 4.4 (*Voting rights after Notes Collateral Agent Notice*) or any other provision of this Agreement and all such rights will be exercisable by the Chargor. Save as permitted by the Secured Notes Indenture or the Collateral Agreement, the Chargor shall not exercise (and shall procure that any nominee acting on its behalf does not exercise) its voting rights in relation to the Shares in any manner, or otherwise permit or agree to or concur or participate in any:

(a) variation of the rights attaching to or conferred by all or any part of the Shares;

(b) increase in the issued share capital of any company whose shares are charged pursuant to this Agreement;

(c) exercise, renunciation or assignment of any right to subscribe for any shares or securities; or

(d) reconstruction, amalgamation, sale or other disposal of any company or any of the assets or undertaking of any company (including the exchange, conversion or reissue of any shares or securities as a consequence thereof) whose shares are charged pursuant to this Agreement, which, in the opinion of the Notes Collateral Agent, would prejudice the value of, or the ability of the Notes Collateral Agent to realise, the Security created pursuant to this Agreement **provided that** the proceeds of any such action shall form part of the Shares,

which would adversely affect the validity or enforceability of the Security created by this Agreement or the value of the Charged Portfolio.

4.7 **Shares: Payment of calls**

The Chargor shall pay when due (taking any applicable grace period into account) all calls or other payments which may be or become due in respect of any of the Shares, and in any case of default by it in such payment, the Notes Collateral Agent may, if it thinks fit following an Enforcement Event, make such payment on its behalf in which case any sums paid by the Notes Collateral Agent shall be reimbursed by each relevant Chargor to the Notes Collateral Agent on demand and shall carry interest from the date of payment by the Notes Collateral Agent until reimbursed in accordance with Section 2.12 (*Payment of Interest; Defaulted Interest*) of the Secured Notes Indenture.

(e) The Chargor shall immediately on becoming aware of the same, notify the Notes Collateral Agent of any investigation or proposed investigation by the Pensions Regulator which is reasonably likely to lead to the issue of a Pensions Notice to it or one of its Subsidiaries.

(f) The Chargor shall immediately notify the Notes Collateral Agent if it or any of its Subsidiaries receives a Pensions Notice.

6. FURTHER ASSURANCE

6.1 Covenant for Further Assurance

The Chargor will promptly at its own cost do all such acts or execute all such documents (including assignments, transfers, mortgages, charges, notices and instructions) as the Notes Collateral Agent may reasonably specify (and in such form as the Notes Collateral Agent may reasonably require in favour of the Notes Collateral Agent or its nominee(s)):

(a) to perfect the Security created or intended to be created in respect of the Charged Portfolio (which may include the execution by the Chargor of a mortgage, charge or assignment over all or any of the assets constituting, or intended to constitute, the Charged Portfolio) or for the exercise of the Collateral Rights;

(b) for the exercise of the rights, powers and remedies of the Notes Collateral Agent provided by or pursuant to this Agreement or by law in each case in accordance with the rights vested in it under this Agreement.

(c) enabling any Receiver to exercise, or delegate the exercise of, any of the rights, powers and authorities conferred on them by or pursuant to this Agreement or by law, (including, after the occurrence of an Enforcement Event, the exercise of any right of a legal or beneficial owner of the Charged Portfolio),

following the occurrence of an Enforcement Event and having given notice to the Chargor **provided that** such notice shall be deemed to have been automatically given if an Event of Default pursuant to paragraphs (v) or (vi) of Section 6.1 (*Events of Default*) of the Secured Notes Indenture has occurred.

The Chargor shall ratify and confirm all things done and all documents executed by any attorney in the exercise or purported exercise of all or any of his powers.

8. SECURITY ENFORCEMENT

8.1 **Time for Enforcement**

Any time after the occurrence of an Enforcement Event and upon the Notes Collateral Agent giving notice to the Chargor (unless the Enforcement Event was caused by an Event of Default pursuant to paragraph (v) or (vi) of Section 6.1 (*Events of Default*) of the Secured Notes Indenture in which case no notice is required) the security created by or pursuant to this Agreement is immediately enforceable and the Notes Collateral Agent may, without notice to the Chargor or prior authorisation from any court, in its absolute discretion:

(b) The restrictions contained in Sections 93 and 103 of the Law of Property Act 1925 shall not apply to this Agreement or to the exercise by the Notes Collateral Agent of its right to consolidate all or any of the Security created by or pursuant to this Agreement with any other security in existence at any time or to its power of sale, which powers may be exercised by the Notes Collateral Agent without notice to the Chargor on or at any time after this Agreement has become enforceable in accordance with Clause 8 (*Security Enforcement*).

8.3 **Chargee's liability**

8.4 **Right of Appropriation**

To the extent that any of the Charged Portfolio constitutes "financial collateral" and this Agreement and the obligations of the Chargor hereunder constitute a "security financial collateral arrangement" (in each case as defined in, and for the purposes of, the Financial Collateral Arrangements (No. 2) Regulations 2003 (SI 2003 No. 3226), as amended, (the "**Regulations**") the Notes Collateral Agent shall have the right to appropriate all or any part of such financial collateral in or towards discharge of the Secured Obligations and may exercise such right to appropriate upon giving written notice to the Chargor. For this purpose, the parties agree that the value of such financial collateral so appropriated shall be the market price of the Shares determined by the Notes Collateral Agent by reference to a public index or by such other process as the Notes Collateral Agent may select, including independent valuation. The parties agree that the method of valuation provided for in this Agreement shall constitute a commercially reasonable method of valuation for the purposes of the Regulations.

(c) all the powers and rights of an absolute owner and power to do or omit to do anything which the Chargor itself could do or omit to do;

(d) the power to delegate (either generally or specifically) the powers, authorities and discretions conferred on it by this Agreement or any of the Loan Documents (including the power of attorney) on such terms and conditions as it shall see fit which delegation shall not preclude either the subsequent exercise any subsequent delegation or any revocation of such power, authority or discretion by the Receiver itself; and

(iii) bringing to his hands any assets of the Chargor forming part of, or which when got in would be, Charged Portfolio.

9.5 **Consideration**

The receipt of the Notes Collateral Agent or any Receiver shall be a conclusive discharge to a purchaser and, in making any sale or disposal of any of the Charged Portfolio or making any acquisition, the Notes Collateral Agent or any Receiver may do so for such consideration, in such manner and on such terms as it thinks fit.

9.6 **Protection of purchasers**

No purchaser or other person dealing with the Notes Collateral Agent or any Receiver shall be bound to inquire whether the right of the Notes Collateral Agent or such Receiver to exercise any of its powers has arisen or become exercisable or be concerned with any propriety or regularity on the part of the Notes Collateral Agent or such Receiver in such dealings.

9.7 **Discretions**

Any liberty or power which may be exercised or any determination which may be made under this Agreement by the Notes Collateral Agent or any Receiver may, subject to the terms and conditions of the Secured Notes Indenture and following an Enforcement Event which has not been cured or waived, be exercised or made in its absolute and unfettered discretion without any obligation to give reasons.

10. **EFFECTIVENESS OF COLLATERAL**

10.1 **Collateral Cumulative**

The collateral constituted by this Agreement and the Collateral Rights shall be cumulative, in addition to and independent of every other security which the Notes Collateral Agent or any other Secured Party may at any time hold for the Secured Obligations or any rights, powers and remedies provided by law. No prior security held by the Notes Collateral Agent or any other Secured Party over the whole or any part of the Charged Portfolio shall merge into the collateral constituted by this Agreement.

10.2 **No Waiver**

No failure on the part of the Notes Collateral Agent to exercise, nor any delay on its part in exercising, any Collateral Right, shall operate as a waiver of that Collateral Right or constitute an election to affirm this Agreement. No election to affirm this Agreement on the part of the Notes Collateral Agent shall be effective unless it is in writing. No single or partial exercise of any Collateral Right shall preclude any further or other exercise of that or any other Collateral Right.

10.3 **Illegality, Invalidity, Unenforceability**

If, at any time, any provision of this Agreement is or becomes illegal, invalid or unenforceable in any respect under the law of any jurisdiction, neither the legality, validity or enforceability of the remaining provisions of this Agreement nor of such provision under the laws of any other jurisdiction shall in any way be affected or impaired thereby and, if any part of the Security intended to be created by or pursuant to this Agreement is invalid, unenforceable or ineffective for any reason, that shall not affect or impair any other part of the Security.

10.4 **No liability**

None of the Notes Collateral Agent, its nominee(s) or any Receiver shall be liable:

(a) to account as a mortgagee or mortgagee in possession; or

(b) for any loss arising by reason of taking any action permitted by this Agreement or any neglect or default in connection with the Charged Portfolio or taking possession of or realising all or any part of the Charged Portfolio,

except in the case of gross negligence or wilful default upon its part.

10.5 **Implied Covenants for Title**

(a) The covenants set out in Sections 3(1), 3(2) and 6(2) of the Law of Property (Miscellaneous Provisions) Act 1994 will not extend to Clause 2.2 (*Charge*).

(b) It shall be implied in respect of Clause 2.2 (*Charge*) that the Chargor is charging the Charged Portfolio free from all charges and encumbrances (whether monetary or not) and from all other rights exercisable by third parties (including liabilities imposed and rights conferred by or under any enactment) other than any charges and encumbrances permitted by Section 3.5 (*Liens*) of the Secured Notes Indenture.

10.6 **Continuing security**

(a) The Security created by or pursuant to this Agreement shall remain in full force and effect as a continuing security for the Secured Obligations until the payment in full of the Secured Obligations (other than (A) contingent indemnification obligations as to which no claim has been asserted and (B) obligations and liabilities under Secured Cash Management Agreements and Secured Hedge Agreements).

(b) No part of the Security from time to time intended to be constituted by this Agreement will be considered satisfied or discharged by an intermediate payment, discharge or satisfaction of the whole or any part of the Secured Obligations.

10.7 **Immediate recourse**

The Chargor waives any right it may have of first requiring the Notes Collateral Agent or a Secured Party to proceed against or enforce any other rights or Security or claim payment from any person before claiming from the Chargor under this Agreement. This waiver applies irrespective of any law or any provision of this Agreement to the contrary.

10.8 **Avoidance of Payments**

Notwithstanding Clause 3.3 (*Release*) if any amount paid or credited to it is capable of being avoided or reduced by virtue of any bankruptcy, insolvency, liquidation or similar laws the liability of the Chargor under this Agreement and the security constituted by this Agreement shall continue and that amount shall not be considered to have been irrevocably paid.

10.9 **No prejudice**

The Security created by or pursuant to this Agreement and the Collateral Rights, shall not be prejudiced by any unenforceability or invalidity of any other agreement or document or by any time or indulgence granted to the Chargor or any other person, or the Notes Collateral Agent or any of the other Noteholder Secured Parties or by any variation of the terms of the trust upon which the Notes Collateral Agent holds the Security or by any other thing which might otherwise prejudice that Security or any Collateral Right.

11. **APPLICATION OF PROCEEDS**

All monies received or recovered and any non-cash recoveries made or received by the Notes Collateral Agent or any Receiver pursuant to this Agreement or the powers conferred by it shall (subject to the claims of any person having prior rights thereto and by way of variation of the provisions of the Law of Property Act 1925) be applied in accordance with Section 6.10 (*Priorities*) of the Secured Notes Indenture.

12. **OTHER SECURITY INTERESTS**

12.1 **Redemption or transfer**

In the event of any action, proceeding or step being taken to exercise any powers or remedies conferred by any prior ranking security in case of exercise by the Notes Collateral Agent or any Receiver of any power of sale under this Agreement the Notes Collateral Agent may redeem such prior security or procure the transfer thereof to itself.

12.2 **Accounts**

The Notes Collateral Agent may, at any time after the occurrence of an Enforcement Event, settle and pass the accounts of the prior security and any accounts so settled and passed will be conclusive and binding on the Chargor.

12.3 **Costs of redemption or transfer**

All principal monies, interest, costs, charges and expenses of and incidental to any redemption or transfer will be paid by the Chargor to the Notes Collateral Agent on demand together with accrued interest thereon (after as well as before judgment) at the rate from time to time applicable to unpaid sums specified in the Secured Notes Indenture from the time or respective times of the same having been paid or incurred until payment thereof (after as well as before judgment).

12.4 **Subsequent Interests**

If the Notes Collateral Agent at any time receives notice of any subsequent mortgage, assignment, charge or other interest affecting all or any part of the Charged Portfolio, all payments made by the Chargor to the Notes Collateral Agent or any of the Noteholder Secured Parties after that time shall be treated as having been credited to a new account of the Chargor and not as having been applied in reduction of the Secured Obligations as at the time when the Notes Collateral Agent received notice.

13. **ASSIGNMENT**

13.1 **No assignments or transfers by Chargor**

The Chargor may not assign any of its rights or transfer any of its rights or obligations under this Agreement other than as permitted under the Secured Notes Indenture.

13.2 **Assignments and transfers by the Notes Collateral Agent**

The Notes Collateral Agent may assign and transfer all or any of its rights and obligations under this Agreement subject to the terms of the Secured Notes Indenture. The Notes Collateral Agent shall be entitled to disclose such information concerning the Chargor and this Agreement as the Notes Collateral Agent considers appropriate to any actual or proposed direct or indirect successor or to any person to whom information may be required to be disclosed by any applicable law in accordance with the terms of the Secured Notes Indenture.

14. WAIVERS AND COUNTERPARTS

14.1 **Waivers**

No waiver by the Notes Collateral Agent of any of its rights under this Agreement shall be effective unless given in writing.

14.2 **Counterparts**

This Agreement may be executed in any number of counterparts, and this has the same effect as if the signatures on the counterparts were on a single copy of this Agreement.

15. LAW

This Agreement and any non-contractual obligations arising out of or in connection with it are governed by English law.

16. ENFORCEMENT

16.1 **Jurisdiction of English Courts**

(a) The courts of England have exclusive jurisdiction to settle any dispute arising out of or in connection with this Agreement (including a dispute relating to the existence, validity or termination of this Agreement or the consequences of its nullity) or any non-contractual obligations arising out of or in connection with this Agreement (a "**Dispute**").

(b) The parties agree that the courts of England are the most appropriate and convenient courts to settle disputes and accordingly no party will argue to the contrary.

16.2 **Service of process**

The Chargor agrees that the documents which start any proceedings before the English courts in relation to the Secured Notes, the Secured Notes Indenture or any Notes Security Agreement, and any other documents required to be served in connection with those proceedings, may be served on it by being delivered to CECP Advisors LLP, a limited liability partnership registered in England and Wales with number OC357077, at its registered office currently Lansdowne House, 57 Berkeley Square, London W1J 6ER, or to such other address in England and Wales as the Chargor may specify by notice in writing to the Notes Collateral Agent. Nothing in

this paragraph shall affect the right of any Secured Party to serve process in any other manner permitted by law. This Clause applies to proceedings in England and proceedings elsewhere.

THIS AGREEMENT has been signed on behalf of the Notes Collateral Agent and executed as a deed by the Chargor and is delivered by it on the date specified above.

4. **VOTING RIGHTS AND DIVIDENDS**

4.1 **Dividends prior to an Enforcement Event**

Prior to the occurrence of an Enforcement Event and receiving notice from the Collateral Agent (unless such Enforcement Event has occurred as a result of an Event of Default pursuant to Section 8.01(f) (*Insolvency Proceedings, Etc.*) or Section 8.01(g) (*Inability to Pay Debts; Attachment*) of the Credit Agreement, in which case no notice will be required) and following the cure or waiver of the relevant Enforcement Event, the Chargor shall be entitled to receive all dividends, interest and other monies or distributions of an income nature arising from the Shares in accordance with the Credit Agreement.

4.2 **Dividends after an Enforcement Event**

Following an Enforcement Event and before the cure or waiver of the relevant Enforcement Event, the Collateral Agent may, at its discretion and upon giving notice to the relevant Chargor (unless such Enforcement Event has occurred as a result of an Event of Default pursuant to Section 8.01(f) (*Insolvency Proceedings, Etc.*) or Section 8.01(g) (*Inability to Pay Debts; Attachment*) of the Credit Agreement, in which case no notice will be required), in the name of the Chargor or otherwise and without any further consent or authority from the Chargor, apply all dividends, interest and other monies arising from the Shares as though they were the proceeds of sale in accordance with Clause 11 (*Application of Proceeds*) or otherwise in accordance with the Credit Agreement.

4.3 **Voting rights prior to Collateral Agent Notice**

Prior to the giving of notice pursuant to Clause 4.4 (*Voting rights after Collateral Agent Notice*) (and following the cure or waiver of the relevant Enforcement Event), the Chargor shall be entitled to exercise all voting rights in relation to the Shares.

Subject to Clause 4.5 (*Waiver of voting rights by Collateral Agent*), upon the occurrence of an Enforcement Event, the Collateral Agent may (but without having any obligation to do so) give notice to the Chargor that this Clause 4.4 will apply. (a) exercise (or refrain from exercising) any voting rights in respect of the Shares; and

(b) exercise (or refrain from exercising) the powers and rights conferred on or exercisable by the legal or beneficial owner of the Shares including the right, in relation to any company whose shares or other securities are included in the Shares, to concur or participate in:

(i) the reconstruction, amalgamation, sale or other disposal of such company or any of its assets or undertaking (including the exchange, conversion or reissue of any shares or securities as a consequence thereof);

(ii) the release, modification or variation of any rights or liabilities attaching to such shares or securities; and

(iii) the exercise, renunciation or assignment of any right to subscribe for any shares or securities,

(a) The Collateral Agent may, in its absolute discretion and without any consent or authority from the other Secured Parties or the Chargor, at any time, by notice to the Chargor (which notice shall be irrevocable) elect to give up the right to exercise (or refrain from exercising) all voting rights and powers in respect of the Shares conferred or to be conferred on the Collateral Agent pursuant to Clause 4.4 (*Voting rights after Collateral Agent Notice*) and the other Secured Parties unconditionally waive any rights they may otherwise have to require the Collateral Agent not to make such election or to require the Collateral Agent to indemnify, compensate or otherwise make good for any losses, costs or liabilities incurred by any of them in relation to or as a consequence of the Collateral Agent making such election.

(b) Once a notice has been issued by the Collateral Agent under paragraph (a) of this Clause 4.5, on and from the date of such notice the Collateral Agent shall cease to have the rights to exercise or refrain from exercising voting rights and powers in respect of the Shares conferred or to be conferred on it pursuant to Clause 4.4 (*Voting rights after Collateral Agent Notice*) or any other provision of this Agreement and all such rights will be exercisable by the Chargor. (b) increase in the issued share capital of any company whose shares are charged pursuant to this Agreement;

(c) exercise, renunciation or assignment of any right to subscribe for any shares or securities; or

(d) reconstruction, amalgamation, sale or other disposal of any company or any of the assets or undertaking of any company (including the exchange, conversion or reissue of any shares or securities as a consequence thereof) whose shares are charged pursuant to this Agreement, which, in the opinion of the Collateral Agent, would prejudice the value of, or the ability of the Collateral Agent to realise, the Security created pursuant to this Agreement **provided that** the proceeds of any such action shall form part of the Shares,

which would adversely affect the validity or enforceability of the Security created by this Agreement or the value of the Charged Portfolio.

4.7 **Shares: Payment of calls**

The Chargor shall pay when due (taking any applicable grace period into account) all calls or other payments which may be or become due in respect of any of the Shares, and in any case of default by it in such payment, the Collateral Agent may, if it thinks fit following an Enforcement Event, make such payment on its behalf in which case any sums paid by the Collateral Agent shall be reimbursed by each relevant Chargor to the Collateral Agent on demand and shall carry interest from the date of payment by the Collateral Agent until reimbursed in accordance with Section 2.08 (*Interest*) of the Credit Agreement.

5. **PENSIONS REPRESENTATIONS AND UNDERTAKINGS**

5.1 **Representations**

The Chargor makes the following representations and warranties to the Collateral Agent and acknowledges that the Collateral Agent has become a party to this Agreement in reliance on these representations and warranties:

(a) except in relation to the UK DB Plans, neither it nor any of its Subsidiaries is or has at any time been an employer (for the purposes of sections 38 to 51 of the Pensions Act 2004) of an occupational pension scheme which is not a money purchase scheme (both terms as defined in the Pension Schemes Act 1993);

(b) except in relation to the UK DB Plans, neither it nor any of its Subsidiaries is or has at any time in the last six (6) years been "connected" with or an "associate" of (as those terms are used in sections 39 and 43 of the Pensions Act 2004) such an employer and

5.2 **Undertakings**

(a) The Chargor shall ensure that all pension schemes operated by or maintained for the benefit of it and its Subsidiaries and/or any of its employees are funded in accordance with Part 3 of the Pensions Act 2004 if applicable and that no action or omission is taken by it or any of its Subsidiaries in relation to such a pension scheme which has or is reasonably likely to have a Material Adverse Effect (including, without limitation, the termination or commencement of winding-up proceedings of any such pension scheme or the Chargor or any of its Subsidiaries ceasing to employ any member of such a pension scheme).

(b) The Chargor shall ensure that, except in relation to the UK DB Plans, neither it nor any of its Subsidiaries is or has been at any time an employer (for the purposes of sections 38 to 51 of the Pensions Act 2004) of an occupational pension scheme which is not a money purchase scheme (both terms as defined in the Pension Schemes Act 1993) or is or has at any time last six (6) years been "connected" with or an "associate" of (as those terms are used in sections 38 or 43 of the Pensions Act 2004) such an employer.

(d) The Chargor shall promptly on becoming aware of the same, notify the Collateral Agent of any material change in the rate of contributions to any pension schemes mentioned in (a) above, paid or recommended to be paid (whether by the scheme actuary or otherwise) or required by law or otherwise.

(e) The Chargor shall immediately on becoming aware of the same, notify the Collateral Agent of any investigation or proposed investigation by the Pensions Regulator which is reasonably likely to lead to the issue of a Pensions Notice to it or one of its Subsidiaries.

(f) The Chargor shall immediately notify the Collateral Agent if it or any of its Subsidiaries receives a Pensions Notice.

6. FURTHER ASSURANCE

6.1 Covenant for Further Assurance

The Chargor will promptly at its own cost do all such acts or execute all such documents (including assignments, transfers, mortgages, charges, notices and instructions) as the Collateral Agent may reasonably specify (and in such form as the Collateral Agent may reasonably require in favour of the Collateral Agent or its nominee(s)):

(a) to perfect the Security created or intended to be created in respect of the Charged Portfolio (which may include the execution by the Chargor of a mortgage, charge or assignment over all or any of the assets constituting, or intended to constitute, the Charged Portfolio) or for the exercise of the Collateral Rights;

(b) enabling the Collateral Agent to exercise, or delegate the exercise of, all or any of the Collateral Rights;

(c) enabling any Receiver to exercise, or delegate the exercise of, any of the rights, powers and authorities conferred on them by or pursuant to this Agreement or by law, (including, after the occurrence of an Enforcement Event, the exercise of any right of a legal or beneficial owner of the Charged Portfolio),

8. SECURITY ENFORCEMENT

8.1 **Time for Enforcement**

9.3 **Statutory powers of appointment**

The powers of appointment of a Receiver shall be in addition to all statutory and other powers of appointment of the Collateral Agent under the Law of Property Act 1925 (as extended by this Agreement) or otherwise and such powers shall remain exercisable from time to time by the Collateral Agent in respect of any part of the Charged Portfolio.

9.4 **Powers of Receivers**

Every Receiver shall (subject to any restrictions in the instrument appointing him but notwithstanding any winding-up or dissolution of the Chargor) have and be entitled to exercise, in relation to the Charged Portfolio in respect of which he was appointed, and as varied and extended by the provisions of this Agreement (in the name of or on behalf of the Chargor or in his own name and, in each case, at the cost of the Chargor):

9.6 **Protection of purchasers**

No purchaser or other person dealing with the Collateral Agent or any Receiver shall be bound to inquire whether the right of the Collateral Agent or such Receiver to exercise any of its powers has arisen or become exercisable or be concerned with any propriety or regularity on the part of the Collateral Agent or such Receiver in such dealings.

9.7 **Discretions**

Any liberty or power which may be exercised or any determination which may be made under this Agreement by the Collateral Agent or any Receiver may, subject to the terms and conditions of the Credit Agreement and following an Enforcement Event which has not been cured or waived, be exercised or made in its absolute and unfettered discretion without any obligation to give reasons.

10. **EFFECTIVENESS OF COLLATERAL**

10.1 **Collateral Cumulative**

The collateral constituted by this Agreement and the Collateral Rights shall be cumulative, in addition to and independent of every other security which the Collateral Agent or any other Secured Party may at any time hold for the Secured Obligations or any rights, powers and remedies provided by law. No prior security held by the Collateral Agent or any other Secured Party over the whole or any part of the Charged Portfolio shall merge into the collateral constituted by this Agreement.

10.2 **No Waiver**

No failure on the part of the Collateral Agent to exercise, nor any delay on its part in exercising, any Collateral Right, shall operate as a waiver of that Collateral Right or constitute an election to affirm this Agreement. No election to affirm this Agreement on the part of the Collateral Agent shall be effective unless it is in writing. No single or partial exercise of any Collateral Right shall preclude any further or other exercise of that or any other Collateral Right.

10.3 **Illegality, Invalidity, Unenforceability**

If, at any time, any provision of this Agreement is or becomes illegal, invalid or unenforceable in any respect under the law of any jurisdiction, neither the legality, validity or enforceability of the remaining provisions of this Agreement nor of such provision under the laws of any other jurisdiction shall in any way be affected or impaired thereby and, if any part of the Security intended to be created by or pursuant to this Agreement is invalid, unenforceable or ineffective for any reason, that shall not affect or impair any other part of the Security.

10.4 **No liability**

None of the Collateral Agent, its nominee(s) or any Receiver shall be liable:

(a) to account as a mortgagee or mortgagee in possession; or

(b) for any loss arising by reason of taking any action permitted by this Agreement or any neglect or default in connection with the Charged Porfolio or taking possession of or realising all or any part of the Charged Portfolio,

except in the case of gross negligence or wilful default upon its part.

10.5 **Implied Covenants for Title**

(a) The covenants set out in Sections 3(1), 3(2) and 6(2) of the Law of Property (Miscellaneous Provisions) Act 1994 will not extend to Clause 2.2 (*Charge*).

(b) It shall be implied in respect of Clause 2.2 (*Charge*) that the Chargor is charging the Charged Portfolio free from all charges and encumbrances

(whether monetary or not) and from all other rights exercisable by third parties (including liabilities imposed and rights conferred by or under any enactment) other than any charges and encumbrances permitted by Section 7.01 (*Liens*) of the Credit Agreement.

10.6 **Continuing security**

(a) The Security created by or pursuant to this Agreement shall remain in full force and effect as a continuing security for the Secured Obligations until the payment in full of the Secured Obligations (other than (A) contingent indemnification obligations as to which no claim has been asserted and (B) obligations and liabilities under Secured Cash Management Agreements and Secured Hedge Agreements).

(b) No part of the Security from time to time intended to be constituted by this Agreement will be considered satisfied or discharged by an intermediate payment, discharge or satisfaction of the whole or any part of the Secured Obligations.

10.7 **Immediate recourse**

The Chargor waives any right it may have of first requiring the Collateral Agent or a Secured Party to proceed against or enforce any other rights or Security or claim payment from any person before claiming from the Chargor under this Agreement. This waiver applies irrespective of any law or any provision of this Agreement to the contrary.

10.8 **Avoidance of Payments**

Notwithstanding Clause 3.3 (*Release*) if any amount paid or credited to it is capable of being avoided or reduced by virtue of any bankruptcy, insolvency, liquidation or similar laws the liability of the Chargor under this Agreement and the security constituted by this Agreement shall continue and that amount shall not be considered to have been irrevocably paid.

10.9 **No prejudice**

The Security created by or pursuant to this Agreement and the Collateral Rights, shall not be prejudiced by any unenforceability or invalidity of any other agreement or document or by any time or indulgence granted to the Chargor or any other person, or the Collateral Agent or any of the other Secured Parties or by any variation of the terms of the trust upon which the Collateral Agent holds the Security or by any other thing which might otherwise prejudice that Security or any Collateral Right.

11. **APPLICATION OF PROCEEDS**

All monies received or recovered and any non-cash recoveries made or received by the Collateral Agent or any Receiver pursuant to this Agreement or the powers conferred by it shall (subject to the claims of any person having prior rights thereto and by way of variation of the provisions of the Law of Property Act 1925) be applied in accordance with Section 8.04 (*Application of Funds*) of the Credit Agreement.

12. **OTHER SECURITY INTERESTS**

12.1 **Redemption or transfer**

In the event of any action, proceeding or step being taken to exercise any powers or remedies conferred by any prior ranking security in case of exercise by the Collateral Agent or any Receiver of any power of sale under this Agreement the Collateral Agent may redeem such prior security or procure the transfer thereof to itself.

12.2 **Accounts**

The Collateral Agent may, at any time after the occurrence of an Enforcement Event, settle and pass the accounts of the prior security and any accounts so settled and passed will be conclusive and binding on the Chargor.

12.3 **Costs of redemption or transfer**

All principal monies, interest, costs, charges and expenses of and incidental to any redemption or transfer will be paid by the Chargor to the Collateral Agent on demand together with accrued interest thereon (after as well as before judgment) at the rate from time to time applicable to unpaid sums specified in the Credit Agreement from the time or respective times of the same having been paid or incurred until payment thereof (after as well as before judgment).

12.4 **Subsequent Interests**

If the Collateral Agent at any time receives notice of any subsequent mortgage, assignment, charge or other interest affecting all or any part of the Charged Portfolio, all payments made by the Chargor to the Collateral Agent or any of the Secured Parties after that time shall be treated as having been credited to a new account of the Chargor and not as having been applied in reduction of the Secured Obligations as at the time when the Collateral Agent received notice.

13. **ASSIGNMENT**

13.1 **No assignments or transfers by Chargor**

The Chargor may not assign any of its rights or transfer any of its rights or obligations under this Agreement other than as permitted under the Credit Agreement.

13.2 **Assignments and transfers by the Collateral Agent**

The Collateral Agent may assign and transfer all or any of its rights and obligations under this Agreement subject to Section 10.07 (*Successors and Assigns*) of the Credit Agreement. The Collateral Agent shall be entitled to disclose such information concerning the Chargor and this Agreement as the Collateral Agent considers appropriate to any actual or proposed direct or indirect successor or to any person to whom information may be required to be disclosed by any applicable law in accordance with Section 10.08 (*Confidentiality*) of the Credit Agreement.

14. **WAIVERS AND COUNTERPARTS**

14.1 **Waivers**

No waiver by the Collateral Agent of any of its rights under this Agreement shall be effective unless given in writing.

14.2 **Counterparts**

This Agreement may be executed in any number of counterparts, and this has the same effect as if the signatures on the counterparts were on a single copy of this Agreement.

15. **LAW**

This Agreement and any non-contractual obligations arising out of or in connection with it are governed by English law.

16. **ENFORCEMENT**

16.1 **Jurisdiction of English Courts**

(a) The courts of England have exclusive jurisdiction to settle any dispute arising out of or in connection with this Agreement (including a dispute relating to the existence, validity or termination of this Agreement or the consequences of its nullity) or any non-contractual obligations arising out of or in connection with this Agreement (a "**Dispute**").

(b) The parties agree that the courts of England are the most appropriate and convenient courts to settle disputes and accordingly no party will argue to the contrary.

16.2 **Service of process**

The Chargor agrees that the documents which start any proceedings before the English courts in relation to any Loan Document, and any other documents required to be served in connection with those proceedings, may be served on it by being delivered to CECP Advisors LLP, a limited liability partnership registered in England and Wales with number OC357077, at its registered office, currently Lansdowne House, 57 Berkeley Square, London W1J 6ER or to such other address in England and Wales as the Chargor may specify by notice in writing to the Collateral Agent. Nothing in this paragraph shall affect the right of any Secured Party to serve process in any other manner permitted by law. This Clause applies to proceedings in England and proceedings elsewhere.

20.1 **Appointment and powers**

The Chargor by way of security irrevocably appoints the Notes Collateral Agent and any Receiver severally to be its attorney and in its name, on its behalf and as its act and deed to execute, deliver and perfect all documents and do all things which the attorney may consider to be required or desirable for:

(a) carrying out any obligation imposed on the Chargor by this Debenture or any other agreement binding on the Chargor to which the Notes Collateral Agent is party (including the execution and delivery of any deeds, charges, assignments or other security and any transfers of the Charged Assets and perfecting and/or releasing the Security created or intended to be created in respect of the Charged Assets); and

(b) enabling the Notes Collateral Agent and any Receiver to exercise (subject to Clause 8.5 (*Waiver of voting rights by Notes Collateral Agent*)), or delegate the exercise of, any of the rights, powers and authorities conferred on them by or pursuant to this Debenture or by law (including, after the occurrence of an Enforcement Event, the exercise of any right of a legal or beneficial owner of the Charged Assets),

following the occurrence of an Enforcement Event and having given notice to the Chargor **provided that** such notice shall be deemed to have been automatically given if an Event of Default pursuant to paragraphs (v) or (vi) of Section 6.1 (*Events of Default*) of the Secured Notes Indenture has occurred.

20.2 **Ratification**

The Chargor shall ratify and confirm all things done and all documents executed by any attorney in the exercise or purported exercise of all or any of his powers.

21. **EFFECTIVENESS OF SECURITY**

21.1 **Continuing security**

(a) The Security created by or pursuant to this Debenture shall remain in full force and effect as a continuing security for the Secured Obligations until the payment in full of the Secured Obligations (other than contingent indemnification obligations as to which no claim has been asserted).

(b) No part of the Security from time to time intended to be constituted by this Debenture will be considered satisfied or discharged by an intermediate payment, discharge or satisfaction of the whole or any part of the Secured Obligations.

21.2 **Cumulative rights**

The Security created by or pursuant to this Debenture, and the Collateral Rights, shall be cumulative, in addition to and independent of every other Security which the Notes Collateral Agent or any Secured Party may at any time hold for the Secured Obligations or any other obligations or any rights, powers and remedies provided by law and shall operate as an independent security notwithstanding any receipt, release or discharge endorsed on or given in respect of or under any such other Security. No prior Security held by the Notes Collateral Agent (whether in its capacity as trustee or otherwise) or any of the other Secured Parties over the whole or any part of the Charged Assets shall merge into the Security constituted by this Debenture.

21.3 **No prejudice**

The Security created by or pursuant to this Debenture, and the Collateral Rights, shall not be prejudiced by any unenforceability or invalidity of any other agreement or document or by any time or indulgence granted to the Chargor or any other person, or the Notes Collateral Agent or any of the other Secured Parties or by any variation of the terms of the trust upon which the Notes Collateral Agent holds the Security or by any other thing which might otherwise prejudice that Security or any Collateral Right.

21.4 **Remedies and waivers**

No failure on the part of the Notes Collateral Agent to exercise, nor any delay on its part in exercising, any Collateral Right, shall operate as a waiver of that Collateral Right or constitute an election to affirm this Debenture. No election to affirm this Debenture on the part of the Notes Collateral Agent shall be effective unless it is in writing. No single or partial exercise of any Collateral Right shall preclude any further or other exercise of that or any other Collateral Right.

21.5 **No liability**

None of the Notes Collateral Agent, its nominee(s) or any Receiver shall be liable:

(a) to account as a mortgagee or mortgagee in possession; or

(b) for any loss arising by reason of taking any action permitted by this Debenture or any neglect or default in connection with the Charged Assets or taking possession of or realising all or any part of the Charged Assets,

except in the case of gross negligence or wilful default upon its part.

21.6 **Partial invalidity**

If, at any time, any provision of this Debenture is or becomes illegal, invalid or unenforceable in any respect under the law of any jurisdiction, neither the legality, validity or enforceability of the remaining provisions of this Debenture nor of such provision under the laws of any other jurisdiction shall in any way be affected or impaired thereby and, if any part of the Security intended to be created by or pursuant to this Debenture is invalid, unenforceable or ineffective for any reason, that shall not affect or impair any other part of the Security.

21.7 **Waiver of defences**

The obligations assumed, and the Security created, by the Chargor under this Debenture, and the Collateral Rights, will not be affected by any act, omission, matter or thing which, but for this Clause 21.7, would reduce, release or prejudice any of its obligations under, or the Security created by, this Debenture (without limitation and whether or not known to the Chargor or any Secured Party) including:

(a) any time, waiver or consent granted to, or composition with, any Grantor or other person;

(b) the release of any other Grantor or any other person under the terms of any composition or arrangement with any creditor of any member of the Group;

(c) the taking, variation, compromise, exchange, renewal or release of, or refusal or neglect to perfect, take up or enforce, any rights against, or Security over assets of, any Grantor or other person or any non-presentation or non- observance of any formality or other requirement in respect of any instrument or any failure to realise the full value of any Security;

(d) any incapacity or lack of power, authority or legal personality of or dissolution or change in the members or status of, any Grantor or any other person;

(e) any amendment, novation, supplement, extension (whether of maturity or otherwise) or restatement (in each case, however fundamental and of whatever nature, and whether or not more onerous) or replacement of the Secured Notes, the Secured Notes Indenture or any other document or Security or of the Secured Obligations;

(f) any unenforceability, illegality or invalidity of any obligation of any person under the Secured Notes, the Secured Notes Indenture or any other document or Security or of the Secured Obligations; and

(g) any insolvency or similar proceedings.

21.8 **Chargor intent**

Without prejudice to the generality of Clause 21.7 (*Waiver of Defences*), the Chargor expressly confirms that it intends that the Security created under this Debenture, and the Collateral Rights, shall extend from time to time to any (however fundamental and of whatsoever nature, and whether or not more onerous) variation, increase, extension or addition of or to the Secured Notes, the Secured Notes Indenture and/or any facility or amount made available under any of the Secured Notes or the Secured Notes Indenture for the purposes of or in connection with any of the following: acquisitions of any nature; increasing working capital; enabling investor distributions to be made; carrying out restructurings; refinancing existing facilities; refinancing any other indebtedness; making facilities available to new borrowers; any other variation or extension of the purposes for which any such facility or amount might be made available from time to time; and any fees, costs and/or expenses associated with any of the foregoing.

21.9 **Immediate recourse**

The Chargor waives any right it may have of first requiring any Secured Party (or any trustee or agent on its behalf) to proceed against or enforce any other rights or Security or claim payment from any other person before claiming from the Chargor under this Debenture. This waiver applies irrespective of any law or any provision of this Debenture to the contrary.

21.10 **Deferral of rights**

Until the end of the Security Period, the Chargor will not exercise any rights which it may have by reason of performance by it of its obligations under this Debenture:

(a) to be indemnified by an Grantor;

(b) to claim any contribution from any guarantor of any Grantor's obligations under this Debenture;

(c) to take the benefit (in whole or in part and whether by way of subrogation or otherwise) of any rights of any Secured Party under this Debenture or of any other guarantee or Security taken pursuant to, or in connection with, this Debenture by any Secured Party;

(d) to bring legal or other proceedings for an order requiring any Grantor to make any payment, or perform any obligation, in respect of which any Grantor has given a guarantee, undertaking or indemnity under any Secured Notes, Secured Notes Indenture or Notes Security Document;

(e) to exercise any right of set-off against any Grantor; and/or

(f) to claim or prove as a creditor of any Grantor in competition with any Secured Party.

If the Chargor receives any benefit, payment or distribution in relation to such rights it shall hold that benefit, payment or distribution on trust for the Secured Parties to the extent necessary to enable all amounts which may be or become payable to any

Secured Party by the Grantors under or in connection with this Debenture to be repaid in full and shall promptly pay or transfer the same to the Notes Collateral Agent or as the Notes Collateral Agent may direct for application in accordance with Clause 18 (*Application of Proceeds*).

22. **PRIOR SECURITY INTERESTS**

(a) In the event of any action, proceeding or step being taken to exercise any powers or remedies conferred by any prior ranking Security against any of the Charged Assets or in case of exercise by the Notes Collateral Agent or any Receiver of any power of sale under this Debenture, the Notes Collateral Agent may redeem such prior Security or procure the transfer thereof to itself unless such prior Security is permitted by the Secured Notes Indenture or the Collateral Agreement.

(b) The Notes Collateral Agent may settle and agree the accounts of the prior Security and any accounts so settled and agreed will be conclusive and binding on the Chargor unless such prior Security is permitted by the Secured Notes Indenture or the Collateral Agreement.

(c) All principal monies, interest, costs, charges and expenses of and incidental to any redemption or transfer will be paid by the Chargor to the Notes Collateral Agent on demand together with accrued interest thereon calculated in accordance with Section 2.12 (*Payment of Interest, Defaulted Interest*) of the Secured Notes Indenture.

23. **SUBSEQUENT SECURITY INTERESTS**

If the Notes Collateral Agent (acting in its capacity as trustee or otherwise) or any of the other Secured Parties at any time receives or is deemed to have received notice of any subsequent Security, assignment or transfer affecting all or any part of the Charged Assets which is prohibited by the terms of the Secured Notes Indenture or the Notes Security Documents, all payments thereafter by or on behalf of the Chargor to the Notes Collateral Agent (whether in its capacity as trustee or otherwise) or any of the other Secured Parties will (in the absence of any express contrary appropriation by the Chargor) be treated as having been credited to a new account of the Chargor and not as having been applied in reduction of the Secured Obligations at the time that notice was received.

24. **SUSPENSE ACCOUNTS**

All monies received, recovered or realised by the Notes Collateral Agent under this Debenture (including the proceeds of any conversion of currency) may in the discretion of the Notes Collateral Agent be credited to any interest bearing suspense or impersonal account(s) maintained with any bank, building society, financial institution or other person which the Notes Collateral Agent considers appropriate (including itself) for so long as any Enforcement Event is continuing (the interest being credited to the relevant account) pending their application from time to time at the Notes Collateral Agent's discretion, in or towards the discharge of any of the Secured Obligations and save as provided herein no party will be entitled to withdraw any amount at any time standing to the credit of any suspense or impersonal account referred to above.

25. **RELEASE OF SECURITY**

25.1 **Release of Security**

Upon the expiry of the Security Period, the Security granted by this Debenture shall automatically terminate and all rights to the Charged Assets shall revert to the Chargor subject to Clause 25.2 (*Clawback*). The Notes Collateral Agent shall, at the request and cost of the Chargor, execute and deliver such documents as the Chargor shall reasonably request to evidence such determination and without recourse to, or any representation or warranty by, the Notes Collateral Agent or any of its nominees.

25.2 **Clawback**

If any amount paid or credited to any Secured Party is capable of being avoided or reduced by virtue of any bankruptcy, insolvency, liquidation or similar laws, the liability of the Chargor under this Debenture and the Security constituted by that documents will continue and such amount will not be considered to have been irrevocably discharged.

26. **ASSIGNMENT**

26.1 **No assignments or transfers by Chargor**

The Chargor may not assign any of its rights or transfer any of its rights or obligations under this Debenture other than as permitted by the Secured Notes Indenture or the Collateral Agreement.

26.2 **Assignments and transfers by the Notes Collateral Agent**

The Notes Collateral Agent may assign and transfer all or any of its rights and obligations under this Debenture subject to the terms of the Secured Notes Indenture. The Notes Collateral Agent shall be entitled to disclose such information concerning the Chargor and this Debenture as the Notes Collateral Agent considers appropriate to any actual or proposed direct or indirect successor or to any person to whom information may be required to be disclosed by any applicable law in accordance with the terms of the Secured Notes Indenture.

27. **DISCRETION AND DELEGATION**

27.1 **Discretion**

Any liberty or power which may be exercised or any determination which may be made under this Debenture by the Notes Collateral Agent or any Receiver may, subject to the terms and conditions of the Secured Notes Indenture and following an Enforcement Event which has not been cured or waived, be exercised or made in its absolute and unfettered discretion without any obligation to give reasons.

27.2 **Delegation**

Each of the Notes Collateral Agent and any Receiver shall have full power to delegate (either generally or specifically) the powers, authorities and discretions conferred on it by this Debenture (including the power of attorney) on such terms and conditions as it shall see fit which delegation shall not preclude the subsequent exercise, any subsequent delegation or any revocation of such power, authority or discretion by the Notes Collateral Agent or the Receiver itself.

28. **GOVERNING LAW**

This Debenture and all non-contractual obligations arising out of or in connection with it are governed by English law.

29. **JURISDICTION**

29.1 **English Courts**

The courts of England have exclusive jurisdiction to settle any dispute (a "**Dispute**") arising out of, or in connection with this Debenture (including a dispute relating to the existence, validity or termination of this Debenture or the consequences of its nullity or any non-contractual obligations arising out of or in connection with this Debenture).

29.2 **Convenient Forum**

21.3 **No prejudice**

The Security created by or pursuant to this Debenture, and the Collateral Rights, shall not be prejudiced by any unenforceability or invalidity of any other agreement or document or by any time or indulgence granted to the Chargor or any other person, or the Collateral Agent or any of the other Secured Parties or by any variation of the terms of the trust upon which the Collateral Agent holds the Security or by any other thing which might otherwise prejudice that Security or any Collateral Right.

21.4 **Remedies and waivers**

No election to affirm this Debenture on the part of the Collateral Agent shall be effective unless it is in writing. No single or partial exercise of any Collateral Right shall preclude any further or other exercise of that or any other Collateral Right.

21.5 **No liability**

None of the Collateral Agent, its nominee(s) or any Receiver shall be liable:

(a) to account as a mortgagee or mortgagee in possession; or

(b) for any loss arising by reason of taking any action permitted by this Debenture or any neglect or default in connection with the Charged Assets or taking possession of or realising all or any part of the Charged Assets,

except in the case of gross negligence or wilful default upon its part.

21.6 **Partial invalidity**

If, at any time, any provision of this Debenture is or becomes illegal, invalid or unenforceable in any respect under the law of any jurisdiction, neither the legality, validity or enforceability of the remaining provisions of this Debenture nor of such provision under the laws of any other jurisdiction shall in any way be affected or impaired thereby and, if any part of the Security intended to be created by or pursuant to this Debenture is invalid, unenforceable or ineffective for any reason, that shall not affect or impair any other part of the Security.

21.7 **Waiver of defences**

The obligations assumed, and the Security created, by the Chargor under this Debenture, and the Collateral Rights, will not be affected by any act, omission, matter or thing which, but for this Clause 21.7, would reduce, release or prejudice any of its obligations under, or the Security created by, this Debenture (without limitation and whether or not known to the Chargor or any Secured Party) including:

(a) any time, waiver or consent granted to, or composition with, any Obligor or other person;

(b) the release of any other Obligor or any other person under the terms of any composition or arrangement with any creditor of any member of the Group;

(c) the taking, variation, compromise, exchange, renewal or release of, or refusal or neglect to perfect, take up or enforce, any rights against, or Security over assets of, any Obligor or other person or any non-presentation or non- observance of any formality or other requirement in respect of any instrument or any failure to realise the full value of any Security;

(d) any incapacity or lack of power, authority or legal personality of or dissolution or change in the members or status of, any Obligor or any other person;

(e) any amendment, novation, supplement, extension (whether of maturity or otherwise) or restatement (in each case, however fundamental and of whatever nature, and whether or not more onerous) or replacement of a Loan Document or any other document or Security or of the Secured Obligations;

(f) any unenforceability, illegality or invalidity of any obligation of any person under any Loan Document or any other document or Security or of the Secured Obligations; and

(g) any insolvency or similar proceedings.

21.8 **Chargor intent**

Without prejudice to the generality of Clause 21.7 (*Waiver of Defences*), the Chargor expressly confirms that it intends that the Security created under this Debenture, and the Collateral Rights, shall extend from time to time to any (however fundamental and of whatsoever nature, and whether or not more onerous) variation, increase, extension or addition of or to any of the Loan Documents and/or any facility or amount made available under any of the Loan Documents for the purposes of or in connection with any of the following: acquisitions of any nature; increasing working capital; enabling investor distributions to be made; carrying out restructurings; refinancing existing facilities; refinancing any other indebtedness; making facilities available to new borrowers; any other variation or extension of the purposes for which any such facility or amount might be made available from time to time; and any fees, costs and/or expenses associated with any of the foregoing.

21.9 **Immediate recourse**

The Chargor waives any right it may have of first requiring any Secured Party (or any trustee or agent on its behalf) to proceed against or enforce any other rights or Security or claim payment from any other person before claiming from the Chargor under this Debenture. This waiver applies irrespective of any law or any provision of this Debenture to the contrary.

21.10 **Deferral of rights**

Until the end of the Security Period, the Chargor will not exercise any rights which it may have by reason of performance by it of its obligations under this Debenture:

(a) to be indemnified by an Obligor;

(b) to claim any contribution from any guarantor of any Obligor's obligations under this Debenture;

(c) to take the benefit (in whole or in part and whether by way of subrogation or otherwise) of any rights of any Secured Party under this Debenture or of any other guarantee or Security taken pursuant to, or in connection with, this Debenture by any Secured Party;

(d) to bring legal or other proceedings for an order requiring any Obligor to make any payment, or perform any obligation, in respect of which any Obligor has given a guarantee, undertaking or indemnity under any Loan Document;

(e) to exercise any right of set-off against any Obligor; and/or

(f) to claim or prove as a creditor of any Obligor in competition with any Secured Party.

If the Chargor receives any benefit, payment or distribution in relation to such rights it shall hold that benefit, payment or distribution on trust for the Secured Parties to the extent necessary to enable all amounts which may be or become payable to any Secured Party by the Obligors under or in connection with this Debenture to be repaid in full and shall promptly pay or transfer the same to the Collateral Agent or as the Collateral Agent may direct for application in accordance with Clause 18 (*Application of Proceeds*).

22. **PRIOR SECURITY INTERESTS**

(a) In the event of any action, proceeding or step being taken to exercise any powers or remedies conferred by any prior ranking Security against any of the Charged Assets or in case of exercise by the Collateral Agent or any Receiver of any power of sale under this Debenture, the Collateral Agent may redeem such prior Security or procure the transfer thereof to itself unless such prior Security is permitted pursuant to the terms of the Credit Agreement.

(b) The Collateral Agent may settle and agree the accounts of the prior Security and any accounts so settled and agreed will be conclusive and binding on the Chargor unless such prior Security is permitted pursuant to the terms of the Credit Agreement.

(c) All principal monies, interest, costs, charges and expenses of and incidental to any redemption or transfer will be paid by the Chargor to the Collateral Agent on demand together with accrued interest thereon calculated in accordance with section 2.08 (*Interest*) of the Credit Agreement.

23. **SUBSEQUENT SECURITY INTERESTS**

If the Collateral Agent (acting in its capacity as trustee or otherwise) or any of the other Secured Parties at any time receives or is deemed to have received notice of any subsequent Security, assignment or transfer affecting all or any part of the Charged Assets which is prohibited by the terms of the Loan Documents, all payments thereafter by or on behalf of the Chargor to the Collateral Agent (whether in its capacity as trustee or otherwise) or any of the other Secured Parties will (in the absence of any express contrary appropriation by the Chargor) be treated as having been credited to a new account of the Chargor and not as having been applied in reduction of the Secured Obligations at the time that notice was received.

24. **SUSPENSE ACCOUNTS**

All monies received, recovered or realised by the Collateral Agent under this Debenture (including the proceeds of any conversion of currency) may in the

discretion of the Collateral Agent be credited to any interest bearing suspense or impersonal account(s) maintained with any bank, building society, financial institution or other person which the Collateral Agent considers appropriate (including itself) for so long as any Enforcement Event is continuing (the interest being credited to the relevant account) pending their application from time to time at the Collateral Agent's discretion, in or towards the discharge of any of the Secured Obligations and save as provided herein no party will be entitled to withdraw any amount at any time standing to the credit of any suspense or impersonal account referred to above.

25. RELEASE OF SECURITY

25.1 Release of Security

Upon the expiry of the Security Period, the Security granted by this Debenture shall automatically terminate and all rights to the Charged Assets shall revert to the Chargor subject to Clause 25.2 (*Clawback*). The Collateral Agent shall, at the request and cost of the Chargor, execute and deliver such documents as the Chargor shall reasonably request to evidence such determination and without recourse to, or any representation or warranty by, the Collateral Agent or any of its nominees.

25.2 Clawback

If any amount paid or credited to any Secured Party is capable of being avoided or reduced by virtue of any bankruptcy, insolvency, liquidation or similar laws, the liability of the Chargor under this Debenture and the Security constituted by that documents will continue and such amount will not be considered to have been irrevocably discharged.

26. ASSIGNMENT

26.1 No assignments or transfers by Chargor

The Chargor may not assign any of its rights or transfer any of its rights or obligations under this Debenture other than as permitted under the Credit Agreement.

26.2 Assignments and transfers by the Collateral Agent

The Collateral Agent may assign and transfer all or any of its rights and obligations under this Debenture subject to Section 10.07 (*Successors and Assigns*) of the Credit Agreement). The Collateral Agent shall be entitled to disclose such information concerning the Chargor and this Debenture as the Collateral Agent considers appropriate to any actual or proposed direct or indirect successor or to any person to whom information may be required to be disclosed by any applicable law in accordance with Section 10.08 (*Confidentiality*) of the Credit Agreement.

27. DISCRETION AND DELEGATION

27.1 Discretion

Any liberty or power which may be exercised or any determination which may be made under this Debenture by the Collateral Agent or any Receiver may, subject to the terms and conditions of the Credit Agreement and following an Enforcement Event which has not been cured or waived, be exercised or made in its absolute and unfettered discretion without any obligation to give reasons.

27.2 **Delegation**

Each of the Collateral Agent and any Receiver shall have full power to delegate (either generally or specifically) the powers, authorities and discretions conferred on it by this Debenture (including the power of attorney) on such terms and conditions as it shall see fit which delegation shall not preclude the subsequent exercise, any subsequent delegation or any revocation of such power, authority or discretion by the Collateral Agent or the Receiver itself.

28. **GOVERNING LAW**

This Debenture and all non-contractual obligations arising out of or in connection with it are governed by English law.

29. **JURISDICTION**

29.1 **English Courts**

The courts of England have exclusive jurisdiction to settle any dispute (a "**Dispute**") arising out of, or in connection with this Debenture (including a dispute relating to the existence, validity or termination of this Debenture or the consequences of its nullity or any non-contractual obligations arising out of or in connection with this Debenture).

29.2 **Convenient Forum**

The parties agree that the courts of England are the most appropriate and convenient courts to settle Disputes between them and, accordingly, that they will not argue to the contrary.

THIS DEBENTURE has been executed as, and is intended to take effect as, a deed by the Chargor and has been signed by the Collateral Agent on the date written on the first page of this Debenture.

Subject to Clause 4.5 (*Waiver of voting rights by Notes Collateral Agent*), upon the occurrence of an Enforcement Event, the Notes Collateral Agent may (but without having any obligation to do so) give notice to the Chargor that this Clause 4.4 will apply. (a) exercise (or refrain from exercising) any voting rights in respect of the Shares; and

(b) exercise (or refrain from exercising) the powers and rights conferred on or exercisable by the legal or beneficial owner of the Shares including the right, in relation to any company whose shares or other securities are included in the Shares, to concur or participate in:

(i) the reconstruction, amalgamation, sale or other disposal of such company or any of its assets or undertaking (including the exchange, conversion or reissue of any shares or securities as a consequence thereof);

(ii) the release, modification or variation of any rights or liabilities attaching to such shares or securities; and

(iii) the exercise, renunciation or assignment of any right to subscribe for any shares or securities,

in each case in the manner and on the terms the Notes Collateral Agent thinks fit, and the proceeds of any such action shall form part of the Shares.

4.5 **Waiver of voting rights by Notes Collateral Agent**

(a) The Notes Collateral Agent may, in its absolute discretion and without any consent or authority from the other Noteholder Secured Parties or the Chargor, at any time, by notice to the Chargor (which notice shall be irrevocable) elect to give up the right to exercise (or refrain from exercising) all voting rights and powers in respect of the Shares conferred or to be conferred on the Notes Collateral Agent pursuant to Clause 4.4 (*Voting rights after Notes Collateral Agent Notice*) and the other Noteholder Secured Parties unconditionally waive any rights they may otherwise have to require the Notes Collateral Agent not to make such election or to require the Notes Collateral Agent to indemnify, compensate or otherwise make good for any losses, costs or liabilities incurred by any of them in relation to or as a consequence of the Notes Collateral Agent making such election.

(b) Once a notice has been issued by the Notes Collateral Agent under paragraph (a) of this Clause 4.5, on and from the date of such notice the Notes Collateral Agent shall cease to have the rights to exercise or refrain from exercising voting rights and powers in respect of the Shares conferred or to be conferred on it pursuant to Clause 4.4 (*Voting rights after Notes Collateral Agent Notice*) or any other provision of this Agreement and all such rights will be exercisable by the Chargor. 4.6 **Shares: Voting rights**

Save as permitted by the Secured Notes Indenture or the Collateral Agreement, the Chargor shall not exercise (and shall procure that any nominee acting on its behalf does not exercise) its voting rights in relation to the Shares in any manner, or otherwise permit or agree to or concur or participate in any:

(a) variation of the rights attaching to or conferred by all or any part of the Shares;

(b) increase in the issued share capital of any company whose shares are charged pursuant to this Agreement;

(c) exercise, renunciation or assignment of any right to subscribe for any shares or securities; or

(d) reconstruction, amalgamation, sale or other disposal of any company or any of the assets or undertaking of any company (including the exchange, conversion or reissue of any shares or securities as a consequence thereof) whose shares are charged pursuant to this Agreement, which, in the opinion of the Notes Collateral Agent, would prejudice the value of, or the ability of the Notes Collateral Agent to realise, the Security created pursuant to this Agreement **provided that** the proceeds of any such action shall form part of the Shares,

which would adversely affect the validity or enforceability of the Security created by this Agreement or the value of the Charged Portfolio.

4.7 **Shares: Payment of calls**

The Chargor shall pay when due (taking any applicable grace period into account) all calls or other payments which may be or become due in respect of any of the Shares, and in any case of default by it in such payment, the Notes Collateral Agent may, if it thinks fit following an Enforcement Event, make such payment on its behalf in which case any sums paid by the Notes Collateral Agent shall be reimbursed by each relevant Chargor to the Notes Collateral Agent on demand and shall carry interest from the date of payment by the Notes Collateral Agent until reimbursed in accordance with Section 2.12 (*Payment of Interest; Defaulted Interest*) of the Secured Notes Indenture.

(b) The Chargor shall ensure that, except in relation to the UK DB Plans, neither it nor any of its Subsidiaries is or has been at any time an employer (for the purposes of sections 38 to 51 of the Pensions Act 2004) of an occupational

pension scheme which is not a money purchase scheme (both terms as defined in the Pension Schemes Act 1993) or is or has at any time in the last six (6) years been "connected" with or an "associate" of (as those terms are used in sections 38 or 43 of the Pensions Act 2004) such an employer.

(c) The Chargor shall, if the Notes Collateral Agent requests, deliver or procure the delivery to the Notes Collateral Agent of any actuarial reports in relation to all pension schemes mentioned in (a) above.

(d) The Chargor shall promptly on becoming aware of the same, notify the Notes Collateral Agent in writing of any material change in the rate of contributions to any pension schemes mentioned in (a) above, paid or recommended to be paid (whether by the scheme actuary or otherwise) or required by law or otherwise.

(e) The Chargor shall immediately on becoming aware of the same, notify the Notes Collateral Agent of any investigation or proposed investigation by the Pensions Regulator which is reasonably likely to lead to the issue of a Pensions Notice to it or one of its Subsidiaries.

(f) The Chargor shall immediately notify the Notes Collateral Agent in writing if it or any of its Subsidiaries receives a Pensions Notice.

6. FURTHER ASSURANCE

6.1 Covenant for Further Assurance

The Chargor will promptly at its own cost do all such acts or execute all such documents (including assignments, transfers, mortgages, charges, notices and instructions) as the Notes Collateral Agent may reasonably specify (and in such form as the Notes Collateral Agent may reasonably require in favour of the Notes Collateral Agent or its nominee(s)):

(a) to perfect the Security created or intended to be created in respect of the Charged Portfolio (which may include the execution by the Chargor of a mortgage, charge or assignment over all or any of the assets constituting, or intended to constitute, the Charged Portfolio) or for the exercise of the Collateral Rights;

The following covenants shall be implied in respect of any action taken by the Chargor to comply with its obligations under Clause 6.1:

(a) the Chargor has the right to take such action in respect of the Charged Portfolio; and

7. **POWER OF ATTORNEY**

7.1 **Appointment and powers**

The Chargor by way of security irrevocably appoints the Notes Collateral Agent and any Receiver severally to be its attorney and in its name, on its behalf and as its act and deed to execute, deliver and perfect all documents and do all things which the attorney may consider to be required or desirable for:

(a) carrying out any obligation imposed on the Chargor by this Agreement or any other agreement binding on the Chargor to which the Notes Collateral Agent is a party (including the execution and delivery of any deeds, charges, assignments or other security and any transfers of the Charged Portfolio); and

(b) enabling the Notes Collateral Agent to exercise, or delegate the exercise of, all or any of the Collateral Rights; and

(c) enabling any Receiver to exercise, or delegate the exercise of, any of the rights, powers and authorities conferred on them by or pursuant to this Agreement or by law, (including, after the occurrence of an Enforcement Event, the exercise of any right of a legal or beneficial owner of the Charged Portfolio),

following the occurrence of an Enforcement Event and having given notice to the Chargor **provided that** such notice shall be deemed to have been automatically given if an Event of Default pursuant to paragraphs (v) or (vi) of Section 6.1 (*Events of Default*) of the Secured Notes Indenture has occurred.

7.2 **Ratification**

The Chargor shall ratify and confirm all things done and all documents executed by any attorney in the exercise or purported exercise of all or any of his powers.

8. **SECURITY ENFORCEMENT**

8.1 **Time for Enforcement**

Any time after the occurrence of an Enforcement Event and upon the Notes Collateral Agent giving notice to the Chargor (unless the Enforcement Event was caused by an Event of Default pursuant to paragraph (v) or (vi) of Section 6.1 (*Events of Default*) of the Secured Notes Indenture in which case no notice is required) the security created by or pursuant to this Agreement is immediately enforceable and the Notes Collateral Agent may, without notice to the Chargor or prior authorisation from any court, in its absolute discretion:

(a) secure and perfect its title to all or any part of the Charged Portfolio (including transferring the Charged Portfolio into the name of the Notes Collateral Agent or its nominees);

(b) enforce all or any part of that Security (at the times, in the manner and on the terms it thinks fit and take possession of and hold or dispose of all or any part of the Charged Portfolio (at the times, in the manner and on the terms it thinks commercially reasonable (including whether for cash or non-cash consideration)); and

(c) whether or not it has appointed a Receiver, exercise all or any of the rights, powers, authorities and discretions conferred by the Law of Property Act 1925 (as varied or extended by this Agreement) on mortgagees and by this Agreement on any Receiver or otherwise conferred by law on mortgagees or Receivers.

8.2 **Power of sale**

(a) The power of sale or other disposal conferred on the Notes Collateral Agent and on the Receiver by this Agreement shall operate as a variation and extension of the statutory power of sale under Section 101 of the Law of Property Act 1925 and such power shall arise (and the Secured Obligations shall be deemed due and payable for that purpose) on the date of this Agreement.

(b) The restrictions contained in Sections 93 and 103 of the Law of Property Act 1925 shall not apply to this Agreement or to the exercise by the Notes Collateral Agent of its right to consolidate all or any of the Security created by or pursuant to this Agreement with any other security in existence at any time or to its power of sale, which powers may be exercised by the Notes Collateral Agent without notice to the Chargor on or at any time after this Agreement has become enforceable in accordance with Clause 8 (*Security Enforcement*).

8.3 **Chargee's liability**

Neither the Notes Collateral Agent nor any Receiver will be liable to account as mortgagee or mortgagee in possession in respect of the Charged Portfolio or be liable for any loss upon realisation or for any neglect or default of any nature whatsoever in connection with the Charged Portfolio for which a mortgagee or mortgagee in possession might as such be liable.

8.4 **Right of Appropriation**

To the extent that any of the Charged Portfolio constitutes "financial collateral" and this Agreement and the obligations of the Chargor hereunder constitute a "security financial collateral arrangement" (in each case as defined in, and for the purposes of, the Financial Collateral Arrangements (No. 2) Regulations 2003 (SI 2003 No. 3226), as amended, (the "**Regulations**") the Notes Collateral Agent shall have the right to appropriate all or any part of such financial collateral in or towards discharge of the Secured Obligations and may exercise such right to appropriate upon giving written notice to the Chargor. For this purpose, the parties agree that the value of such financial collateral so appropriated shall be the market price of the Shares determined by the Notes Collateral Agent by reference to a public index or by such other process as the Notes Collateral Agent may select, including independent valuation. The parties agree that the method of valuation provided for in this Agreement shall constitute a commercially reasonable method of valuation for the purposes of the Regulations.

8.5 **Statutory powers**

The powers conferred by this Agreement on the Notes Collateral Agent are in addition to and not in substitution for the powers conferred on mortgagees and mortgagees in possession under the Law of Property Act 1925, the Insolvency Act 1986 or otherwise by law and in the case of any conflict between the powers contained in any such Act and those conferred by this Agreement the terms of this Agreement will prevail.

9. **RECEIVERS AND ADMINISTRATORS**

9.1 **Appointment and removal**

(a) without prior notice to the Chargor:

(i) appoint one or more persons to be a Receiver of the whole or any part of the Charged Portfolio;

(ii) appoint two or more Receivers of separate parts of the Charged Portfolio; or

(iii) remove (so far as it is lawfully able) any Receiver so appointed; and

(iv) appoint another person(s) as an additional or replacement Receiver(s). (i) appoint one or more persons to be an administrator of the Chargor pursuant to paragraph 14 of Schedule B1 of the Insolvency Act 1986; and

(b) following notice to the Chargor, appoint one or more persons to be an administrator of the Chargor pursuant to paragraph 12 of Schedule B1 of the Insolvency Act 1986.

9.2 **Capacity of Receivers**

Each person appointed to be a Receiver pursuant to Clause 9.1 (*Appointment and removal*) will be:

(a) entitled to act individually or together with any other person appointed or substituted as Receiver;

(b) for all purposes deemed to be the agent of the Chargor which shall be solely responsible for his acts, defaults and liabilities and for the payment of his remuneration and no Receiver shall at any time act as agent for the Notes Collateral Agent; and

(c) entitled to remuneration for his services at a rate to be fixed by the Notes Collateral Agent from time to time (without being limited to the maximum rate specified by the Law of Property Act 1925).

9.3 **Statutory powers of appointment**

The powers of appointment of a Receiver shall be in addition to all statutory and other powers of appointment of the Notes Collateral Agent under the Law of Property Act 1925 (as extended by this Agreement) or otherwise and such powers shall remain exercisable from time to time by the Notes Collateral Agent in respect of any part of the Charged Portfolio.

9.4 **Powers of Receivers**

Every Receiver shall (subject to any restrictions in the instrument appointing him but notwithstanding any winding-up or dissolution of the Chargor) have and be entitled to exercise, in relation to the Charged Portfolio in respect of which he was appointed, and as varied and extended by the provisions of this Agreement (in the name of or on behalf of the Chargor or in his own name and, in each case, at the cost of the Chargor):

(a) all the powers conferred by the Law of Property Act 1925 on mortgagors and on mortgagees in possession and on receivers appointed under that Act;

(b) all the powers of an administrative receiver set out in Schedule 1 to the Insolvency Act 1986 (whether or not the Receiver is an administrative receiver);

(c) all the powers and rights of an absolute owner and power to do or omit to do anything which the Chargor itself could do or omit to do;

(d) the power to delegate (either generally or specifically) the powers, authorities and discretions conferred on it by this Agreement or any of the Note Security Documents (including the power of attorney) on such terms and conditions as it shall see fit which delegation shall not preclude either the subsequent exercise any subsequent delegation or any revocation of such power, authority or discretion by the Receiver itself; and

(e) the power to do all things (including bringing or defending proceedings in the name or on behalf of the Chargor) which seem to the Receiver to be incidental or conducive to:

(i) any of the functions, powers, authorities or discretions conferred on or vested in him;

(ii) the exercise of any rights, powers and remedies of the Notes Collateral Agent provided by or pursuant to this Agreement or by law (including realisation of all or any part of the Charged Portfolio); or

(iii) bringing to his hands any assets of the Chargor forming part of, or which when got in would be, Charged Portfolio.

9.5 **Consideration**

The receipt of the Notes Collateral Agent or any Receiver shall be a conclusive discharge to a purchaser and, in making any sale or disposal of any of the Charged Portfolio or making any acquisition, the Notes Collateral Agent or any Receiver may do so for such consideration, in such manner and on such terms as it thinks fit.

9.6 **Protection of purchasers**

No purchaser or other person dealing with the Notes Collateral Agent or any Receiver shall be bound to inquire whether the right of the Notes Collateral Agent or such Receiver to exercise any of its powers has arisen or become exercisable or be concerned with any propriety or regularity on the part of the Notes Collateral Agent or such Receiver in such dealings.

9.7 **Discretions**

Any liberty or power which may be exercised or any determination which may be made under this Agreement by the Notes Collateral Agent or any Receiver may, subject to the terms and conditions of the Secured Notes Indenture and following an Enforcement Event which has not been cured or waived, be exercised or made in its absolute and unfettered discretion without any obligation to give reasons.

10. EFFECTIVENESS OF COLLATERAL

10.1 **Collateral Cumulative**

The collateral constituted by this Agreement and the Collateral Rights shall be cumulative, in addition to and independent of every other security which the Notes Collateral Agent or any other Secured Party may at any time hold for the Secured Obligations or any rights, powers and remedies provided by law. No prior security held by the Notes Collateral Agent or any other Secured Party over the whole or any part of the Charged Portfolio shall merge into the collateral constituted by this Agreement.

10.2 **No Waiver**

No failure on the part of the Notes Collateral Agent to exercise, nor any delay on its part in exercising, any Collateral Right, shall operate as a waiver of that Collateral Right or constitute an election to affirm this Agreement. No election to affirm this Agreement on the part of the Notes Collateral Agent shall be effective unless it is in writing. No single or partial exercise of any Collateral Right shall preclude any further or other exercise of that or any other Collateral Right.

10.3 **Illegality, Invalidity, Unenforceability**

If, at any time, any provision of this Agreement is or becomes illegal, invalid or unenforceable in any respect under the law of any jurisdiction, neither the legality, validity or enforceability of the remaining provisions of this Agreement nor of such provision under the laws of any other jurisdiction shall in any way be affected or impaired thereby and, if any part of the Security intended to be created by or pursuant to this Agreement is invalid, unenforceable or ineffective for any reason, that shall not affect or impair any other part of the Security.

10.4 **No liability**

None of the Notes Collateral Agent, its nominee(s) or any Receiver shall be liable:

(a) to account as a mortgagee or mortgagee in possession; or

(b) for any loss arising by reason of taking any action permitted by this Agreement or any neglect or default in connection with the Charged Portfolio or taking possession of or realising all or any part of the Charged Portfolio, except in the case of gross negligence or wilful default upon its part.

10.5 **Implied Covenants for Title**

(a) The covenants set out in Sections 3(1), 3(2) and 6(2) of the Law of Property (Miscellaneous Provisions) Act 1994 will not extend to Clause 2.2 (*Charge*).

(b) It shall be implied in respect of Clause 2.2 (*Charge*) that the Chargor is charging the Charged Portfolio free from all charges and encumbrances (whether monetary or not) and from all other rights exercisable by third parties (including liabilities imposed and rights conferred by or under any enactment) other than any charges and encumbrances permitted by Section 3.5 (*Liens*) of the Secured Notes Indenture.

10.6 **Continuing security**

(a) The Security created by or pursuant to this Agreement shall remain in full force and effect as a continuing security for the Secured Obligations until the payment in full of the Secured Obligations (other than (A) contingent indemnification obligations as to which no claim has been asserted and (B) obligations and liabilities under Secured Cash Management Agreements and Secured Hedge Agreements).

(b) No part of the Security from time to time intended to be constituted by this Agreement will be considered satisfied or discharged by an intermediate payment, discharge or satisfaction of the whole or any part of the Secured Obligations.

10.7 **Immediate recourse**

The Chargor waives any right it may have of first requiring the Notes Collateral Agent or a Secured Party to proceed against or enforce any other rights or Security or claim payment from any person before claiming from the Chargor under this Agreement. This waiver applies irrespective of any law or any provision of this Agreement to the contrary.

10.8 **Avoidance of Payments**

Notwithstanding Clause 3.3 (*Release*) if any amount paid or credited to it is capable of being avoided or reduced by virtue of any bankruptcy, insolvency, liquidation or similar laws the liability of the Chargor under this Agreement and the security constituted by this Agreement shall continue and that amount shall not be considered to have been irrevocably paid.

10.9 **No prejudice**

The Security created by or pursuant to this Agreement and the Collateral Rights, shall not be prejudiced by any unenforceability or invalidity of any other agreement or document or by any time or indulgence granted to the Chargor or any other person, or the Notes Collateral Agent or any of the other Noteholder Secured Parties or by any variation of the terms of the trust upon which the Notes Collateral Agent holds the Security or by any other thing which might otherwise prejudice that Security or any Collateral Right.

11. **APPLICATION OF PROCEEDS**

All monies received or recovered and any non-cash recoveries made or received by the Notes Collateral Agent or any Receiver pursuant to this Agreement or the powers conferred by it shall (subject to the claims of any person having prior rights thereto and by way of variation of the provisions of the Law of Property Act 1925) be applied in accordance with Section 6.10 (*Priorities*) of the Secured Notes Indenture.

12. **OTHER SECURITY INTERESTS**

12.1 **Redemption or transfer**

In the event of any action, proceeding or step being taken to exercise any powers or remedies conferred by any prior ranking security in case of exercise by the Notes Collateral Agent or any Receiver of any power of sale under this Agreement the Notes Collateral Agent may redeem such prior security or procure the transfer thereof to itself.

12.2 **Accounts**

The Notes Collateral Agent may, at any time after the occurrence of an Enforcement Event, settle and pass the accounts of the prior security and any accounts so settled and passed will be conclusive and binding on the Chargor.

12.3 **Costs of redemption or transfer**

All principal monies, interest, costs, charges and expenses of and incidental to any redemption or transfer will be paid by the Chargor to the Notes Collateral Agent on demand together with accrued interest thereon (after as well as before judgment) at the rate from time to time applicable to unpaid sums specified in the Secured Notes Indenture from the time or respective times of the same having been paid or incurred until payment thereof (after as well as before judgment).

12.4 **Subsequent Interests**

If the Notes Collateral Agent at any time receives notice of any subsequent mortgage, assignment, charge or other interest affecting all or any part of the Charged Portfolio, all payments made by the Chargor to the Notes Collateral Agent or any of the Noteholder Secured Parties after that time shall be treated as having been credited to a new account of the Chargor and not as having been applied in reduction of the Secured Obligations as at the time when the Notes Collateral Agent received notice.

13. **ASSIGNMENT**

13.1 **No assignments or transfers by Chargor**

The Chargor may not assign any of its rights or transfer any of its rights or obligations under this Agreement other than as permitted under the Secured Notes Indenture.

13.2 **Assignments and transfers by the Notes Collateral Agent**

The Notes Collateral Agent may assign and transfer all or any of its rights and obligations under this Agreement subject to the terms of the Secured Notes Indenture. The Notes Collateral Agent shall be entitled to disclose such information concerning the Chargor and this Agreement as the Notes Collateral Agent considers appropriate to any actual or proposed direct or indirect successor or to any person to whom information may be required to be disclosed by any applicable law in accordance with the terms of the Secured Notes Indenture.

14. **WAIVERS AND COUNTERPARTS**

14.1 **Waivers**

No waiver by the Notes Collateral Agent of any of its rights under this Agreement shall be effective unless given in writing.

14.2 **Counterparts**

This Agreement may be executed in any number of counterparts, and this has the same effect as if the signatures on the counterparts were on a single copy of this Agreement.

15. **LAW**

This Agreement and any non-contractual obligations arising out of or in connection with it are governed by English law.

16. **ENFORCEMENT**

16.1 **Jurisdiction of English Courts**

(a) The courts of England have exclusive jurisdiction to settle any dispute arising out of or in connection with this Agreement (including a dispute relating to the existence, validity or termination of this Agreement or the consequences of its nullity) or any non-contractual obligations arising out of or in connection with this Agreement (a "**Dispute**").

(b) The parties agree that the courts of England are the most appropriate and convenient courts to settle disputes and accordingly no party will argue to the contrary.

16.2 **Service of process**

The Chargor agrees that the documents which start any proceedings before the English courts in relation to the Secured Notes, the Secured Notes Indenture or any Notes Security Agreement, and any other documents required to be served in connection with those proceedings, may be served on it by being delivered to Axalta Coating Systems U.K. (2), Unit 1, Quadrant Park, Mundells, Welwyn Garden City, Hertfordshire, England AL7 1FS, or to such other address in England and Wales as the Chargor may specify by notice in writing to the Notes Collateral Agent. Nothing in this paragraph shall affect the right of any Secured Party to serve process in any other manner permitted by law. This Clause applies to proceedings in England and proceedings elsewhere.

THIS AGREEMENT has been signed on behalf of the Notes Collateral Agent and executed as a deed by the Chargor and is delivered by it on the date specified above.

This Agreement was executed outside Belgium.

in each case in the manner and on the terms the Collateral Agent thinks fit, and the proceeds of any such action shall form part of the Shares.

4.5 **Waiver of voting rights by Collateral Agent**

(a) The Collateral Agent may, in its absolute discretion and without any consent or authority from the other Secured Parties or the Chargor, at any time, by notice to the Chargor (which notice shall be irrevocable) elect to give up the right to exercise (or refrain from exercising) all voting rights and powers in respect of the Shares conferred or to be conferred on the Collateral Agent pursuant to Clause 4.4 (*Voting rights after Collateral Agent Notice*) and the other Secured Parties unconditionally waive any rights they may otherwise have to require the Collateral Agent not to make such election or to require the Collateral Agent to indemnify, compensate or otherwise make good for any losses, costs or liabilities incurred by any of them in relation to or as a consequence of the Collateral Agent making such election.

(b) Once a notice has been issued by the Collateral Agent under paragraph (a) of this Clause 4.5, on and from the date of such notice the Collateral Agent shall cease to have the rights to exercise or refrain from exercising voting rights and powers in respect of the Shares conferred or to be conferred on it pursuant to Clause 4.4 (*Voting rights after Collateral Agent Notice*) or any other provision of this Agreement and all such rights will be exercisable by the Chargor. The Chargor shall be entitled, on and from the date of such notice, to exercise all voting rights and powers in relation to the Shares.

4.6 **Shares: Voting rights**

Save as permitted by the Loan Documents, the Chargor shall not exercise (and shall procure that any nominee acting on its behalf does not exercise) its voting rights in relation to the Shares in any manner, or otherwise permit or agree to or concur or participate in any:

(a) variation of the rights attaching to or conferred by all or any part of the Shares;

(b) increase in the issued share capital of any company whose shares are charged pursuant to this Agreement;

(c) exercise, renunciation or assignment of any right to subscribe for any shares or securities; or

(d) reconstruction, amalgamation, sale or other disposal of any company or any of the assets or undertaking of any company (including the exchange, conversion or reissue of any shares or securities as a consequence thereof) whose shares are charged pursuant to this Agreement, which, in the opinion of the Collateral Agent, would prejudice the value of, or the ability of the Collateral Agent to realise, the Security created pursuant to this Agreement **provided that** the proceeds of any such action shall form part of the Shares,

which would adversely affect the validity or enforceability of the Security created by this Agreement or the value of the Charged Portfolio.

4.7 **Shares: Payment of calls**

The Chargor shall pay when due (taking any applicable grace period into account) all calls or other payments which may be or become due in respect of any of the Shares, and in any case of default by it in such payment, the Collateral Agent may, if it thinks fit following an Enforcement Event, make such payment on its behalf in which case any sums paid by the Collateral Agent shall be reimbursed by each relevant Chargor to the Collateral Agent on demand and shall carry interest from the date of payment by the Collateral Agent until reimbursed in accordance with Section 2.08 (*Interest*) of the Credit Agreement.

5. **PENSIONS REPRESENTATIONS AND UNDERTAKINGS**

5.1 **Representations**

The Chargor makes the following representations and warranties to the Collateral Agent and acknowledges that the Collateral Agent has become a party to this Agreement in reliance on these representations and warranties:

(a) except in relation to the UK DB Plans, neither it nor any of its Subsidiaries is or has at any time been an employer (for the purposes of sections 38 to 51 of the Pensions Act 2004) of an occupational pension scheme which is not a money purchase scheme (both terms as defined in the Pension Schemes Act 1993);

(b) except in relation to the UK DB Plans, neither it nor any of its Subsidiaries is or has at any time in the last six (6) years been "connected" with or an "associate" of (as those terms are used in sections 39 and 43 of the Pensions Act 2004) such an employer and

(c) neither it nor any of its Subsidiaries has at any time been served with a Pensions Notice and is not aware of any action having been taken by the Pensions Regulator that is preparatory to the issue of a Pensions Notice to it or any of its Subsidiaries.

5.2 **Undertakings**

(a) The Chargor shall ensure that all pension schemes operated by or maintained for the benefit of it and its Subsidiaries and/or any of its employees are funded in accordance with Part 3 of the Pensions Act 2004 if applicable and that no action or omission is taken by it or any of its Subsidiaries in relation to such a pension scheme which has or is reasonably likely to have a Material Adverse Effect (except in relation to the UK DB Plans, including, without limitation, the termination or commencement of winding-up proceedings of any such pension scheme or the Chargor or any of its Subsidiaries ceasing to employ any member of such a pension scheme).

(b) The Chargor shall ensure that, except in relation to the UK DB Plans, neither it nor any of its Subsidiaries is or has been at any time an employer (for the purposes of sections 38 to 51 of the Pensions Act 2004) of an occupational pension scheme which is not a money purchase scheme (both terms as defined in the Pension Schemes Act 1993) or is or has at any time last six (6) years been "connected" with or an "associate" of (as those terms are used in sections 38 or 43 of the Pensions Act 2004) such an employer.

(c) The Chargor shall, if the Collateral Agent requests, deliver or procure the delivery to the Collateral Agent, of any actuarial reports in relation to all pension schemes mentioned in (a) above.

(d) The Chargor shall promptly on becoming aware of the same, notify the Collateral Agent of any material change in the rate of contributions to any pension schemes mentioned in (a) above, paid or recommended to be paid (whether by the scheme actuary or otherwise) or required by law or otherwise.

(e) The Chargor shall immediately on becoming aware of the same, notify the Collateral Agent of any investigation or proposed investigation by the Pensions Regulator which is reasonably likely to lead to the issue of a Pensions Notice to it or one of its Subsidiaries.

(f) The Chargor shall immediately notify the Collateral Agent if it or any of its Subsidiaries receives a Pensions Notice.

6. FURTHER ASSURANCE

6.1 Covenant for Further Assurance

The Chargor will promptly at its own cost do all such acts or execute all such documents (including assignments, transfers, mortgages, charges, notices and instructions) as the Collateral Agent may reasonably specify (and in such form as the Collateral Agent may reasonably require in favour of the Collateral Agent or its nominee(s)):

(a) to perfect the Security created or intended to be created in respect of the Charged Portfolio (which may include the execution by the Chargor of a mortgage, charge or assignment over all or any of the assets constituting, or intended to constitute, the Charged Portfolio) or for the exercise of the Collateral Rights;

(b) for the exercise of the rights, powers and remedies of the Collateral Agent provided by or pursuant to this Agreement or by law in each case in accordance with the rights vested in it under this Agreement.

6.2 Prescribed Wording

The following covenants shall be implied in respect of any action taken by the Chargor to comply with its obligations under Clause 6.1:

(a) the Chargor has the right to take such action in respect of the Charged Portfolio; and

(b) the Chargor will at its own cost do all that it reasonably can to give the Collateral Agent or its nominee the title and/or rights that it purports to give.

7. **POWER OF ATTORNEY**

7.1 **Appointment and powers**

The Chargor by way of security irrevocably appoints the Collateral Agent and any Receiver severally to be its attorney and in its name, on its behalf and as its act and deed to execute, deliver and perfect all documents and do all things which the attorney may consider to be required or desirable for:

(a) carrying out any obligation imposed on the Chargor by this Agreement or any other agreement binding on the Chargor to which the Collateral Agent is a party (including the execution and delivery of any deeds, charges, assignments or other security and any transfers of the Charged Portfolio); and

(b) enabling the Collateral Agent to exercise, or delegate the exercise of, all or any of the Collateral Rights;

(c) enabling any Receiver to exercise, or delegate the exercise of, any of the rights, powers and authorities conferred on them by or pursuant to this Agreement or by law, (including, after the occurrence of an Enforcement Event, the exercise of any right of a legal or beneficial owner of the Charged Portfolio),

following the occurrence of an Enforcement Event and having given notice to the Chargor **provided that** such notice shall be deemed to have been automatically given if an Event of Default pursuant to Section 8.01(f) or 8.01(g) of the Credit Agreement has occurred.

7.2 **Ratification**

The Chargor shall ratify and confirm all things done and all documents executed by any attorney in the exercise or purported exercise of all or any of his powers.

8. **SECURITY ENFORCEMENT**

8.1 **Time for Enforcement**

Any time after the occurrence of an Enforcement Event and upon the Collateral Agent giving notice to the Chargor (unless the Enforcement Event was caused by an Event of Default pursuant to Section 8.01(f) (*Insolvency Proceedings, Etc.*) or Section 8.01(g) (*Inability to Pay Debts; Attachment*) of the Credit Agreement, in which case no notice is required) the security created by or pursuant to this Agreement is immediately enforceable and the Collateral Agent may, without notice to the Chargor or prior authorisation from any court, in its absolute discretion:

(a) secure and perfect its title to all or any part of the Charged Portfolio (including transferring the Charged Portfolio into the name of the Collateral Agent or its nominees);

(b) enforce all or any part of that Security (at the times, in the manner and on the terms it thinks fit and take possession of and hold or dispose of all or any part of the Charged Portfolio (at the times, in the manner and on the terms it thinks commercially reasonable (including whether for cash or non-cash consideration)); and

(c) whether or not it has appointed a Receiver, exercise all or any of the rights, powers, authorities and discretions conferred by the Law of Property Act 1925 (as varied or extended by this Agreement) on mortgagees and by this Agreement on any Receiver or otherwise conferred by law on mortgagees or Receivers.

8.2 **Power of sale**

(a) The power of sale or other disposal conferred on the Collateral Agent and on the Receiver by this Agreement shall operate as a variation and extension of the statutory power of sale under Section 101 of the Law of Property Act 1925 and such power shall arise (and the Secured Obligations shall be deemed due and payable for that purpose) on the date of this Agreement.

(b) The restrictions contained in Sections 93 and 103 of the Law of Property Act 1925 shall not apply to this Agreement or to the exercise by the Collateral Agent of its right to consolidate all or any of the Security created by or pursuant to this Agreement with any other security in existence at any time or to its power of sale, which powers may be exercised by the Collateral Agent without notice to the Chargor on or at any time after this Agreement has become enforceable in accordance with Clause 8 (*Security Enforcement*).

8.3 **Chargee's liability**

Neither the Collateral Agent nor any Receiver will be liable to account as mortgagee or mortgagee in possession in respect of the Charged Portfolio or be liable for any loss upon realisation or for any neglect or default of any nature whatsoever in connection with the Charged Portfolio for which a mortgagee or mortgagee in possession might as such be liable.

8.4 **Right of Appropriation**

To the extent that any of the Charged Portfolio constitutes "financial collateral" and this Agreement and the obligations of the Chargor hereunder constitute a "security financial collateral arrangement" (in each case as defined in, and for the purposes of, the Financial Collateral Arrangements (No. 2) Regulations 2003 (SI 2003 No. 3226), as amended, (the "**Regulations**") the Collateral Agent shall have the right to appropriate all or any part of such financial collateral in or towards discharge of the Secured Obligations and may exercise such right to appropriate upon giving written notice to the Chargor. For this purpose, the parties agree that the value of such financial collateral so appropriated shall be the market price of the Shares determined by the Collateral Agent by reference to a public index or by such other process as the Collateral Agent may select, including independent valuation. The parties agree that the method of valuation provided for in this Agreement shall constitute a commercially reasonable method of valuation for the purposes of the Regulations.

8.5 **Statutory powers**

The powers conferred by this Agreement on the Collateral Agent are in addition to and not in substitution for the powers conferred on mortgagees and mortgagees in possession under the Law of Property Act 1925, the Insolvency Act 1986 or otherwise by law and in the case of any conflict between the powers contained in any such Act and those conferred by this Agreement the terms of this Agreement will prevail.

9. **RECEIVERS AND ADMINISTRATORS**

9.1 **Appointment and removal**

After this Agreement becomes enforceable in accordance with Clause 8 (*Security Enforcement*), the Collateral Agent may by deed or otherwise (acting through an authorised officer of the Collateral Agent):

(a) without prior notice to the Chargor:

(i) appoint one or more persons to be a Receiver of the whole or any part of the Charged Portfolio;

(ii) appoint two or more Receivers of separate parts of the Charged Portfolio; or

(iii) remove (so far as it is lawfully able) any Receiver so appointed; and

(iv) appoint another person(s) as an additional or replacement Receiver(s).

(v) appoint one or more persons to be an administrator of the Chargor pursuant to paragraph 14 of Schedule B1 of the Insolvency Act 1986; and

(b) following notice to the Chargor, appoint one or more persons to be an administrator of the Chargor pursuant to paragraph 12 of Schedule B1 of the Insolvency Act 1986.

9.2 **Capacity of Receivers**

Each person appointed to be a Receiver pursuant to Clause 9.1 (*Appointment and removal*) will be:

(a) entitled to act individually or together with any other person appointed or substituted as Receiver;

(b) for all purposes deemed to be the agent of the Chargor which shall be solely responsible for his acts, defaults and liabilities and for the payment of his remuneration and no Receiver shall at any time act as agent for the Collateral Agent; and

(c) entitled to remuneration for his services at a rate to be fixed by the Collateral Agent from time to time (without being limited to the maximum rate specified by the Law of Property Act 1925).

9.3 **Statutory powers of appointment**

The powers of appointment of a Receiver shall be in addition to all statutory and other powers of appointment of the Collateral Agent under the Law of Property Act 1925 (as extended by this Agreement) or otherwise and such powers shall remain exercisable from time to time by the Collateral Agent in respect of any part of the Charged Portfolio.

9.4 **Powers of Receivers**

Every Receiver shall (subject to any restrictions in the instrument appointing him but notwithstanding any winding-up or dissolution of the Chargor) have and be entitled to exercise, in relation to the Charged Portfolio in respect of which he was appointed, and as varied and extended by the provisions of this Agreement (in the name of or on behalf of the Chargor or in his own name and, in each case, at the cost of the Chargor):

(a) all the powers conferred by the Law of Property Act 1925 on mortgagors and on mortgagees in possession and on receivers appointed under that Act;

(b) all the powers of an administrative receiver set out in Schedule 1 to the Insolvency Act 1986 (whether or not the Receiver is an administrative receiver);

(c) all the powers and rights of an absolute owner and power to do or omit to do anything which the Chargor itself could do or omit to do;

(d) the power to delegate (either generally or specifically) the powers, authorities and discretions conferred on it by this Agreement or any of the Loan Documents (including the power of attorney) on such terms and conditions as it shall see fit which delegation shall not preclude either the subsequent exercise any subsequent delegation or any revocation of such power, authority or discretion by the Receiver itself; and

(e) the power to do all things (including bringing or defending proceedings in the name or on behalf of the Chargor) which seem to the Receiver to be incidental or conducive to:

(i) any of the functions, powers, authorities or discretions conferred on or vested in him;

(ii) the exercise of any rights, powers and remedies of the Collateral Agent provided by or pursuant to this Agreement or by law (including realisation of all or any part of the Charged Portfolio); or

(iii) bringing to his hands any assets of the Chargor forming part of, or which when got in would be, Charged Portfolio.

9.5 **Consideration**

The receipt of the Collateral Agent or any Receiver shall be a conclusive discharge to a purchaser and, in making any sale or disposal of any of the Charged Portfolio or making any acquisition, the Collateral Agent or any Receiver may do so for such consideration, in such manner and on such terms as it thinks fit.

9.6 **Protection of purchasers**

No purchaser or other person dealing with the Collateral Agent or any Receiver shall be bound to inquire whether the right of the Collateral Agent or such Receiver to exercise any of its powers has arisen or become exercisable or be concerned with any propriety or regularity on the part of the Collateral Agent or such Receiver in such dealings.

9.7 **Discretions**

Any liberty or power which may be exercised or any determination which may be made under this Agreement by the Collateral Agent or any Receiver may, subject to the terms and conditions of the Credit Agreement and following an Enforcement Event which has not been cured or waived, be exercised or made in its absolute and unfettered discretion without any obligation to give reasons.

10. **EFFECTIVENESS OF COLLATERAL**

10.1 **Collateral Cumulative**

The collateral constituted by this Agreement and the Collateral Rights shall be cumulative, in addition to and independent of every other security which the Collateral Agent or any other Secured Party may at any time hold for the Secured Obligations or any rights, powers and remedies provided by law. No prior security held by the Collateral Agent or any other Secured Party over the whole or any part of the Charged Portfolio shall merge into the collateral constituted by this Agreement.

10.2 **No Waiver**

No failure on the part of the Collateral Agent to exercise, nor any delay on its part in exercising, any Collateral Right, shall operate as a waiver of that Collateral Right or constitute an election to affirm this Agreement. No election to affirm this Agreement on the part of the Collateral Agent shall be effective unless it is in writing. No single or partial exercise of any Collateral Right shall preclude any further or other exercise of that or any other Collateral Right.

10.3 **Illegality, Invalidity, Unenforceability**

If, at any time, any provision of this Agreement is or becomes illegal, invalid or unenforceable in any respect under the law of any jurisdiction, neither the legality, validity or enforceability of the remaining provisions of this Agreement nor of such provision under the laws of any other jurisdiction shall in any way be affected or impaired thereby and, if any part of the Security intended to be created by or pursuant to this Agreement is invalid, unenforceable or ineffective for any reason, that shall not affect or impair any other part of the Security.

10.4 **No liability**

None of the Collateral Agent, its nominee(s) or any Receiver shall be liable:

(a) to account as a mortgagee or mortgagee in possession; or

(b) for any loss arising by reason of taking any action permitted by this Agreement or any neglect or default in connection with the Charged Portfolio or taking possession of or realising all or any part of the Charged Portfolio, except in the case of gross negligence or wilful default upon its part.

10.5 **Implied Covenants for Title**

(a) The covenants set out in Sections 3(1), 3(2) and 6(2) of the Law of Property (Miscellaneous Provisions) Act 1994 will not extend to Clause 2.2 (*Charge*).

(b) It shall be implied in respect of Clause 2.2 (*Charge*) that the Chargor is charging the Charged Portfolio free from all charges and encumbrances (whether monetary or not) and from all other rights exercisable by third parties (including liabilities imposed and rights conferred by or under any enactment) other than any charges and encumbrances permitted by Section 7.01 (*Liens*) of the Credit Agreement.

10.6 **Continuing security**

(a) The Security created by or pursuant to this Agreement shall remain in full force and effect as a continuing security for the Secured Obligations until the payment in full of the Secured Obligations (other than (A) contingent indemnification obligations as to which no claim has been asserted and (B) obligations and liabilities under Secured Cash Management Agreements and Secured Hedge Agreements).

(b) No part of the Security from time to time intended to be constituted by this Agreement will be considered satisfied or discharged by an intermediate payment, discharge or satisfaction of the whole or any part of the Secured Obligations.

10.7 **Immediate recourse**

The Chargor waives any right it may have of first requiring the Collateral Agent or a Secured Party to proceed against or enforce any other rights or Security or claim payment from any person before claiming from the Chargor under this Agreement. This waiver applies irrespective of any law or any provision of this Agreement to the contrary.

10.8 **Avoidance of Payments**

Notwithstanding Clause 3.3 (*Release*) if any amount paid or credited to it is capable of being avoided or reduced by virtue of any bankruptcy, insolvency, liquidation or similar laws the liability of the Chargor under this Agreement and the security constituted by this Agreement shall continue and that amount shall not be considered to have been irrevocably paid.

10.9 **No prejudice**

The Security created by or pursuant to this Agreement and the Collateral Rights, shall not be prejudiced by any unenforceability or invalidity of any other agreement or document or by any time or indulgence granted to the Chargor or any other person, or the Collateral Agent or any of the other Secured Parties or by any variation of the terms of the trust upon which the Collateral Agent holds the Security or by any other thing which might otherwise prejudice that Security or any Collateral Right.

11. **APPLICATION OF PROCEEDS**

All monies received or recovered and any non-cash recoveries made or received by the Collateral Agent or any Receiver pursuant to this Agreement or the powers conferred by it shall (subject to the claims of any person having prior rights thereto and by way of variation of the provisions of the Law of Property Act 1925) be applied in accordance with Section 8.04 (*Application of Funds*) of the Credit Agreement.

12. **OTHER SECURITY INTERESTS**

12.1 **Redemption or transfer**

In the event of any action, proceeding or step being taken to exercise any powers or remedies conferred by any prior ranking security in case of exercise by the Collateral Agent or any Receiver of any power of sale under this Agreement the Collateral Agent may redeem such prior security or procure the transfer thereof to itself.

12.2 **Accounts**

The Collateral Agent may, at any time after the occurrence of an Enforcement Event, settle and pass the accounts of the prior security and any accounts so settled and passed will be conclusive and binding on the Chargor.

12.3 **Costs of redemption or transfer**

All principal monies, interest, costs, charges and expenses of and incidental to any redemption or transfer will be paid by the Chargor to the Collateral Agent on demand together with accrued interest thereon (after as well as before judgment) at the rate from time to time applicable to unpaid sums specified in the Credit Agreement from the time or respective times of the same having been paid or incurred until payment thereof (after as well as before judgment).

12.4 **Subsequent Interests**

If the Collateral Agent at any time receives notice of any subsequent mortgage, assignment, charge or other interest affecting all or any part of the Charged Portfolio, all payments made by the Chargor to the Collateral Agent or any of the Secured Parties after that time shall be treated as having been credited to a new account of the Chargor and not as having been applied in reduction of the Secured Obligations as at the time when the Collateral Agent received notice.

13. **ASSIGNMENT**

13.1 **No assignments or transfers by Chargor**

The Chargor may not assign any of its rights or transfer any of its rights or obligations under this Agreement other than as permitted under the Credit Agreement.

13.2 **Assignments and transfers by the Collateral Agent**

The Collateral Agent may assign and transfer all or any of its rights and obligations under this Agreement subject to Section 10.07 (*Successors and Assigns*) of the Credit

Agreement. The Collateral Agent shall be entitled to disclose such information concerning the Chargor and this Agreement as the Collateral Agent considers appropriate to any actual or proposed direct or indirect successor or to any person to whom information may be required to be disclosed by any applicable law in accordance with Section 10.08 (*Confidentiality*) of the Credit Agreement.

14. WAIVERS AND COUNTERPARTS

14.1 Waivers

No waiver by the Collateral Agent of any of its rights under this Agreement shall be effective unless given in writing.

14.2 Counterparts

This Agreement may be executed in any number of counterparts, and this has the same effect as if the signatures on the counterparts were on a single copy of this Agreement.

15. LAW

This Agreement and any non-contractual obligations arising out of or in connection with it are governed by English law.

16. ENFORCEMENT

16.1 Jurisdiction of English Courts

(a) The courts of England have exclusive jurisdiction to settle any dispute arising out of or in connection with this Agreement (including a dispute relating to the existence, validity or termination of this Agreement or the consequences of its nullity) or any non-contractual obligations arising out of or in connection with this Agreement (a "**Dispute**").

(b) The parties agree that the courts of England are the most appropriate and convenient courts to settle disputes and accordingly no party will argue to the contrary.

16.2 Service of process

The Chargor agrees that the documents which start any proceedings before the English courts in relation to the Secured Notes, the Secured Notes Indenture or any Notes Security Agreement, and any other documents required to be served in connection with those proceedings, may be served on it by being delivered to Axalta Coating Systems U.K. (2), Unit 1, Quadrant Park, Mundells, Welwyn Garden City, Hertfordshire, England AL7 1FS, or to such other address in England and Wales as the Chargor may specify by notice in writing to the Notes Collateral Agent. Nothing in this paragraph shall affect the right of any Secured Party to serve process in any other manner permitted by law. This Clause applies to proceedings in England and proceedings elsewhere.

THIS AGREEMENT has been signed on behalf of the Collateral Agent and executed as a deed by the Chargor and is delivered by it on the date specified above.

This Agreement was executed outside Belgium.
