Item 1.01. Entry Into a Material Definitive Agreement.

The information required by this item is included in Item 2.03 below and is incorporated herein by reference.

Item 2.03. Creation of a Direct Financial Obligation or an Obligation under an Off-Balance Sheet Arrangement.

On November 24, 2020, Axalta Coating Systems, LLC (the “Issuer”), an indirect, wholly owned subsidiary of Axalta Coating Systems Ltd. (the “Company”), issued \$700.0 million in aggregate principal amount of 3.375% Senior Notes due 2029 (the “Notes”). The Notes were issued pursuant to an indenture, dated November 24, 2020 (the “Indenture”), among the Issuer, the guarantors named therein and Wilmington Trust, National Association, as trustee. The Notes pay interest semi-annually in arrears. The Notes were offered in a private placement to qualified institutional buyers pursuant to Rule 144A under the Securities Act of 1933, as amended (the “Securities Act”), and to certain non-U.S. persons in transactions outside of the United States in reliance on Regulation S under the Securities Act.

Optional Redemption Provisions and Change of Control Repurchase Right

At any time prior to February 15, 2024, upon not less than 10 nor more than 60 days’ notice, the Notes will be redeemable at the Issuer’s option, in whole at any time or in part from time to time, at a price equal to 100.0% of the principal amount of the Notes redeemed, plus a make-whole premium as set forth in the Indenture, plus accrued and unpaid interest, if any, to (but not including) the applicable redemption date. Beginning February 15, 2024, the Issuer may redeem the Notes, at its option, in whole at any time or in part from time to time, subject to the payment of a redemption price together with accrued and unpaid interest, if any, to (but not including) the applicable redemption date. The redemption price includes a call premium that varies (from 1.688% to 0%) depending on the year of redemption.

In addition, at any time prior to February 15, 2024, the Issuer may redeem up to 40.0% of the aggregate principal amount of the Notes at a redemption price equal to 103.375% of the principal amount thereof, together with accrued and unpaid interest, if any, to (but not including) the applicable redemption date, with the net cash proceeds from sales of one or more equity offerings.

In connection with any tender offer or other offer to purchase Notes, including pursuant to a change of control, alternate offer or asset sale offer, each as defined in the Indenture, if not less than 90.0% of the Notes outstanding are purchased by the Issuer or a third party, the Issuer or such third party will have the right to redeem or purchase, as applicable, all Notes that remain outstanding following such purchase at a price equal to the price paid to holders of the Notes in such purchase. The holders of the Notes will also have the right to require the Issuer to repurchase their Notes upon the occurrence of a change in control, at an offer price equal to 101.0% of the principal amount of the Notes plus accrued and unpaid interest, if any, to (but not including) the date of repurchase.

Ranking

The Notes and related guarantees are the Issuer’s and the guarantors’ senior unsecured obligations. The Notes are guaranteed by the Company and each of the Company’s existing and future subsidiaries (other than the Issuer) that is a borrower, or that guarantees obligations, under the Company’s senior secured credit facilities. Under the terms of the Indenture, the Notes and related guarantees rank equally in right of payment with all of the Issuer’s and the guarantors’ existing and future senior debt, including borrowings under the Company’s senior secured credit facilities, and rank contractually senior in right of payment to the Issuer’s and the guarantors’ existing and future debt and other obligations that are, by their terms, expressly subordinated in right of payment to the Notes. The Notes and related guarantees are effectively subordinated to the Issuer’s and the guarantors’ existing and future secured indebtedness, including borrowings under the Company’s senior secured credit facilities, to the extent of the value of the assets securing such indebtedness. The Notes and related guarantees are structurally subordinated to all existing and future indebtedness and liabilities (including trade payables) of the Company’s subsidiaries that do not guarantee the Notes.

Restrictive Covenants

The Indenture contains covenants that limit the Company’s (and its subsidiaries’) ability to, among other things: (i) incur additional debt or issue certain preferred stock; (ii) pay dividends, redeem stock or make other distributions; (iii) make other restricted payments or investments; (iv) create liens on assets; (v) transfer or sell assets; (vi) create restrictions on payment of dividends or other amounts by the Company to the Company’s restricted subsidiaries; (vii) engage in mergers or consolidations; (viii) engage in certain transactions with affiliates; and (ix) designate the Company’s subsidiaries as unrestricted subsidiaries. Many of the covenants contained in the Indenture will not be applicable, and the subsidiary guarantees of the Notes will be released, during any period when the Notes have an investment grade rating.

The foregoing description does not purport to be complete and is qualified in its entirety by reference to the full text of the Indenture, a copy of which is attached as Exhibit 4.1 to this Current Report on Form 8-K, and is incorporated by reference herein.

Use of Proceeds

The net proceeds from the offering were used, together with cash on hand, to satisfy and discharge the indenture governing the Issuer’s \$500.0 million aggregate principal amount of 4.875% Senior Notes due 2024 and €335.0 million aggregate principal amount of 4.250% Senior Notes due 2024 and to pay related transaction costs and expenses.

Item 8.01. Other Events.

Concurrent with the issuance of the Notes, the Company entered into cross-currency swaps that swapped approximately \$396.3 million of the aggregate principal of the Notes into Euro-denominated indebtedness in the amount of approximately €335.0 million at a fixed interest rate of approximately 2.154%. The swaps mature on November 25, 2025.

Members of, or Participants in, the Depositary ("Agent Members") shall have no rights under this Indenture with respect to any Global Note held on their behalf by the Depositary, or the Trustee

as its custodian, and the Depositary may be treated by the Issuer, the Trustee and any agent of the Issuer or the Trustee as the absolute owner of the Global Note for all purposes whatsoever, including but not limited to notices and payments. Notwithstanding the foregoing, nothing herein shall prevent the Issuer, the Trustee or any agent of the Issuer or the Trustee from giving effect to any written certification, proxy or other authorization furnished by the Depositary or impair, as between the Depositary and its Agent Members, the operation of customary practices governing the exercise of the rights of a Holder of any Note. Notwithstanding anything to the contrary contained herein, any notice to be delivered to DTC (including, but not limited to, a notice of redemption) may be delivered electronically by the Trustee or the Issuer in accordance with applicable procedures of DTC.

SECTION 2.2. Form of Execution and Authentication. An Officer shall sign the Notes for the Issuer by manual or facsimile signature.

If an Officer whose signature is on a Note no longer holds that office at the time the Note is authenticated, the Note shall nevertheless be valid.

A Note shall not be valid until authenticated by the manual signature of the Trustee or Authenticating Agent. The signature of the Trustee or Authenticating Agent shall be conclusive evidence that the Note has been authenticated under this Indenture.

The Trustee shall authenticate (i) Initial Notes for original issue on the Issue Date in an aggregate principal amount of \$700,000,000, and (ii) subject to compliance with Section 3.3, one or more series of Notes (“Additional Notes”) for original issue after the Issue Date (such Notes to be substantially in the form of Exhibit A) in an unlimited amount, in each case upon written order of the Issuer signed by an Officer of the Issuer (an “Authentication Order”), which Authentication Order shall, in the case of any issuance of Additional Notes, certify that such issuance is in compliance with Section 3.3. In addition, each such Authentication Order shall specify the amount of Notes to be authenticated, the date on which the Notes are to be authenticated, whether the securities are to be Initial Notes or Additional Notes and the aggregate principal amount of Notes outstanding on the date of authentication, and shall further specify the amount of such Notes to be issued as Global Notes or Definitive Notes. The Notes shall initially be in the form of one or more Global Notes, which (i) shall represent, and shall be denominated in an amount equal to the aggregate principal amount of, the Notes to be issued, (ii) shall be registered in the name of the Depositary or its nominee and (iii) shall be held by the Trustee as Notes Custodian.

The Issuer shall have the right to designate the maturity date, interest rate and optional redemption provisions applicable to each series of Additional Notes, which may differ from the maturity date, interest rate and optional redemption provisions applicable to the Initial Notes. Additional Notes that differ with respect to maturity date, interest rate or optional redemption provisions from the Initial Notes will constitute a different series of Notes from the Initial Notes. Additional Notes that have the same maturity date, interest rate and optional redemption provisions as the Initial Notes will be treated as the same series as the Initial Notes unless otherwise designated by the Issuer. Except as otherwise provided in Section 9.2(a), the Initial Notes and any Additional Notes issued under this Indenture shall vote and consent together on all matters as one class, and no series of Notes shall have the right to vote or consent as a separate class on any matter. The Issuer shall also have, subject to the provisions of Section 9.2(a), the right to vary the application of the provisions of this Indenture to any series of Additional Notes.

The Initial Notes and any Additional Notes shall be resold initially only to (A) QIBs and (B) Persons other than U.S. Persons (as defined in Regulation S) in reliance on Regulation S. Such Initial Notes and Additional Notes may thereafter be transferred to, among others, QIBs, purchasers in reliance on Regulation S and institutional “accredited investors” (as defined in Rules 501(a)(1), (2), (3) and (7) under the Securities Act) who are not QIBs (“AIs”) in accordance with Rule 501 of the Securities Act in accordance with the procedures described herein.

The Trustee may appoint an authenticating agent (each, an “Authenticating Agent”) reasonably acceptable to the Issuer to authenticate Notes. Unless limited by the terms of such appointment,

an authenticating agent may authenticate Notes whenever the Trustee may do so. Each reference in this Indenture to authentication by the Trustee includes authentication by such agent. An Authenticating Agent has the same rights as an Agent to deal with the Issuer or any Affiliate of the Issuer.

SECTION 2.3. Registrar and Paying Agent. The Issuer shall maintain (i) an office or agency where Notes may be presented for registration of transfer or for exchange (including any co-registrar, the “Registrar”) and (ii) an office or agency in the United States where Notes may be presented for payment (“Paying Agent”). The Issuer may elect to maintain a Paying Agent in a member state of the European Union; *provided* that the Issuer may not elect to maintain a paying agent in any European Union member state if the maintenance of the Paying Agent in such member state requires or permits the withholding or deduction of tax pursuant to the European Council Directive 2003/48/EC regarding the taxation of savings income (the “Directive”). The Registrar shall keep a register of the Notes and of their transfer and exchange and, upon written request from the Issuer, the Registrar shall provide the Issuer with a copy of such register to enable them to maintain a register of the Notes at their registered offices. The Issuer may appoint one or more co-registrars and one or more additional paying agents. The term “Paying Agent” includes any additional paying agent. The Issuer may change any Paying Agent, Registrar or co-registrar without prior notice to any Holder. The Issuer shall notify the Trustee or the Registrar in writing and the Trustee or the Registrar shall notify the Holders of the name and address of any Agent not a party to this Indenture. Parent Guarantor or any of its Subsidiaries may act as Paying Agent, Registrar or co-registrar. The Issuer shall enter into an appropriate agency agreement with any Agent not a party to this Indenture. The agreement shall implement the provisions hereof that relate to such Agent. The Issuer shall notify the Trustee in writing of the name and address of any such Agent. If the Issuer fails to maintain a Registrar or Paying Agent, in accordance with this Section 2.3, or fails to give the foregoing notice, the Trustee shall act as such, and shall be entitled to appropriate compensation in accordance with Section 7.6.

The Issuer initially appoints the Trustee as Registrar, Paying Agent and to act as Notes Custodian with respect to the Notes.

SECTION 2.4. Paying Agent to Hold Money. The Issuer shall require each Paying Agent other than the Trustee to agree in writing that such Paying Agent shall hold in trust for the benefit of the Holders or the Trustee all money held by such Paying Agent for the payment of principal of, premium, if any, and interest on the Notes, and shall notify the Trustee in writing of any Default by the Issuer in making any such payment. While any such Default continues, the Trustee may require a Paying Agent to pay all money held by it to the Trustee. The Issuer at any time may require a Paying Agent to pay all money held by such Paying Agent to the Trustee. Upon payment over to the Trustee, such Paying Agent (if other than the Issuer) shall have no further liability for the money delivered to the Trustee. If Parent Guarantor or any of its Subsidiaries acts as Paying Agent, it shall segregate and hold in a separate trust fund for the benefit of the Holders all money held by it as Paying Agent.

SECTION 2.5. Lists of Holders of the Notes. The Trustee or the Registrar shall preserve in as current a form as is reasonably practicable the most recent list available to it of the names and addresses of Holders and shall otherwise comply with TIA § 312(a). If the Trustee is not the Registrar and Paying Agent, the Issuer shall furnish to the Trustee and Paying Agent at least seven Business Days before each Interest Payment Date and at such other times as the Trustee and Paying Agent may request in writing a list in such form and as of such date as the Trustee may reasonably require of the names and addresses of Holders, including the aggregate principal amount of the Notes held by each thereof, and the Issuer shall otherwise comply with TIA § 312(a).

SECTION 2.6. Transfer and Exchange.

(a) Transfer and Exchange of Global Notes. A Global Note may not be transferred except, as a whole, by the Depositary to a nominee of the Depositary, by a nominee of the Depositary to the Depositary or to another nominee of the Depositary, or by the Depositary or any such nominee to a successor Depositary or a nominee of such successor Depositary. Global Notes shall be exchanged by the Issuer for Definitive Notes, subject to any applicable laws, only (i) if the Issuer delivers to the Trustee

written notice from the Depositary that the Depositary is unwilling or unable to continue to act as Depositary for the Global Notes or that it is no longer a clearing agency registered under the Exchange Act and, in either case, the Issuer fails to appoint a successor Depositary within 120 days after the date of such notice from the Depositary; (ii) the Issuer in its sole discretion determines that the Global Notes (in whole but not in part) should be exchanged for Definitive Notes and delivers a written notice to such effect to the Trustee; *provided* that in no event shall the Temporary Regulation S Global Note be exchanged by the Issuer for Definitive Notes prior to (A) the expiration of the Restricted Period and (B) the receipt by the Registrar of any certificates required pursuant to Rule 903(b)(3)(ii)(B) under the Securities Act; (iii) if an Event of Default shall have occurred and is continuing with respect to the Notes and the Depositary shall have requested in writing (or a beneficial owner shall have requested in writing delivered through the Depositary) the issuance of Definitive Notes following such occurrence; or (iv) upon request of the Trustee or Holders of a majority of the aggregate principal amount of outstanding Notes if there shall have occurred and be continuing an Event of Default with respect to the Notes. In any such case, the Issuer shall notify the Trustee in writing that, upon surrender by the Participants and Indirect Participants of their interests in such Global Note, certificated Notes shall be issued to each Person that such Participants, Indirect Participants and DTC jointly identify as being the beneficial owner of the related Notes. Global Notes also may be exchanged or replaced, in whole or in part, as provided in Sections 2.7 and 2.10. Every Note authenticated and delivered in exchange for, or in lieu of, a Global Note or any portion thereof, pursuant to this Section 2.6 or Section 2.7 or 2.10 hereof, shall be authenticated and delivered in the form of, and shall be, a Global Note. A Global Note may not be exchanged for another Note other than as provided in this Section 2.6(a). However, beneficial interests in a Global Note may be transferred and exchanged as provided in Section 2.6(b) or (c) below.

(b) Transfer and Exchange of Beneficial Interests in the Global Notes. The transfer and exchange of beneficial interests in the Global Notes shall be effected through the Depositary, in accordance with the provisions hereof and the Applicable Procedures. Beneficial interests in the Restricted Global Notes shall be subject to restrictions on transfer comparable to those set forth in this Indenture to the extent required by the Securities Act. Transfers of beneficial interests in the Global Notes also shall require compliance with the applicable subparagraphs below.

(i) Transfer of Beneficial Interests in the Same Global Note. Beneficial interests in any Restricted Global Note may be transferred to Persons who take delivery thereof in the form of a beneficial interest in the same Restricted Global Note in accordance with the transfer restrictions set forth in the Private Placement Legend; *provided, however*, that prior to the expiration of the Restricted Period, no transfer of beneficial interests in a Temporary Regulation S Global Note may be made to a U.S. Person or for the account or benefit of a U.S. Person (other than an Initial Purchaser) unless permitted by applicable law and made in compliance with Sections 2.6(b)(ii) and (iii) below. Beneficial interests in any Unrestricted Global Note may be transferred to Persons who take delivery thereof in the form of a beneficial interest in an Unrestricted Global Note. No written orders or instructions shall be required to be delivered to the Registrar to effect the transfers described in this Section 2.6(b)(i) unless specifically stated above.

(ii) All Other Transfers and Exchanges of Beneficial Interests in Global Notes. In connection with all transfers and exchanges of beneficial interests that are not subject to Section 2.6(b)(i) above, the transferor of such beneficial interest must deliver to the Registrar either (A) (1) a written order from a Participant or an Indirect Participant given to the Depositary in accordance with the Applicable Procedures directing the Depositary to credit or cause to be credited a beneficial interest in another Global Note in an amount equal to the beneficial interest to be transferred or exchanged and (2) instructions given in accordance with the Applicable Procedures containing information regarding the Participant account to be credited with such increase, or (B) (1) if Definitive Notes are at such time permitted to be issued pursuant to this Indenture, a written order from a Participant or an Indirect Participant given to the Depositary in accordance with the Applicable Procedures directing the Depositary to cause to be issued a Definitive Note in an amount equal to the beneficial interest to be transferred or exchanged and (2) instructions given by the Depositary to the Registrar containing information regarding the Person in whose

name such Definitive Note shall be registered to effect the transfer or exchange referred to in (1) above; *provided* that in no event shall Definitive Notes be issued upon the transfer or exchange of beneficial interests in the Temporary Regulation S Global Note prior to (A) the expiration of the Restricted Period and (B) the receipt by the Registrar of any certificates required pursuant to Rule 903 under the Securities Act. Upon satisfaction of all of the requirements for transfer or exchange of beneficial interests in Global Notes contained in this Indenture and the Notes or otherwise applicable under the Securities Act, the Trustee shall adjust the principal amount of the relevant Global Note(s) pursuant to Section 2.6(i) below.

(iii) Transfer of Beneficial Interests to Another Restricted Global Note. A beneficial interest in any Restricted Global Note may be transferred to a Person who takes delivery thereof in the form of a beneficial interest in another Restricted Global Note if the transfer complies with the requirements of Section 2.6(b)(ii) above and the Registrar receives the following:

(A) if the transferee shall take delivery in the form of a beneficial interest in a 144A Global Note, then the transferor must deliver a certificate in the form of Exhibit B hereto, including the certifications in item (1) thereof; and

(B) if the transferee shall take delivery in the form of a beneficial interest in the Temporary Regulation S Global Note or the Permanent Regulation S Global Note, then the transferor must deliver a certificate in the form of Exhibit B hereto, including the certifications in item (2) thereof.

(iv) Transfer and Exchange of Beneficial Interests in a Restricted Global Note for Beneficial Interests in an Unrestricted Global Note. A beneficial interest in any Restricted Global Note may be exchanged by any holder thereof for a beneficial interest in an Unrestricted Global Note or transferred to a Person who takes delivery thereof in the form of a beneficial interest in an Unrestricted Global Note if the exchange or transfer complies with the requirements of Section 2.6(b)(ii) above, and

(A) the Registrar receives the following:

(y) if the holder of such beneficial interest in a Restricted Global Note proposes to exchange such beneficial interest for a beneficial interest in an Unrestricted Global Note, a certificate from such holder in the form of Exhibit C hereto, including the certifications in item (1)(a) thereof; or

(z) if the holder of such beneficial interest in a Restricted Global Note proposes to transfer such beneficial interest to a Person who shall take delivery thereof in the form of a beneficial interest in an Unrestricted Global Note, a certificate from such holder in the form of Exhibit B hereto, including the applicable certifications in item (4) thereof;

and, in each such case set forth in this subparagraph (A), if the Registrar or the Issuer so request or if the Applicable Procedures so require, an Opinion of Counsel of the Holder or the Issuer (except in the case the Issuer has so requested) in form reasonably acceptable to the Issuer to the effect that such exchange or transfer is in compliance with the Securities Act and that the restrictions on transfer contained in this Indenture and in the Private Placement Legend are no longer required in order to maintain compliance with the Securities Act.

If any such transfer is effected pursuant to subparagraph (A) above at a time when an Unrestricted Global Note has not yet been issued, the Issuer shall issue and, upon receipt of an Authentication Order in accordance with Section 2.2, the Trustee shall authenticate one or more Unrestricted Global Notes in an aggregate principal amount equal to the aggregate principal amount of beneficial interests transferred pursuant to subparagraph (A) above.

Beneficial interests in an Unrestricted Global Note cannot be exchanged for, or transferred to Persons who take delivery thereof in the form of, a beneficial interest in a Restricted Global Note.

(c) Transfer and Exchange of Beneficial Interests for Definitive Notes.

(i) Transfer and Exchange of Beneficial Interests in Restricted Global Notes for Restricted Definitive Notes. Subject to Section 2.6(a), if any holder of a beneficial interest in a Restricted Global Note proposes to exchange such beneficial interest for a Restricted Definitive Note or to transfer such beneficial interest to a Person who takes delivery thereof in the form of a Restricted Definitive Note, then upon receipt by the Registrar of the following documentation:

(A) if the holder of such beneficial interest in a Restricted Global Note proposes to exchange such beneficial interest for a Restricted Definitive Note, a certificate from such holder in the form of Exhibit C hereto, including the certifications in item (2)(a) thereof;

(F) if such beneficial interest is being transferred to Parent Guarantor or any of its Subsidiaries, a certificate to the effect set forth in Exhibit B hereto, including the certifications in item (3)(b) thereof; or

(G) if such beneficial interest is being transferred pursuant to an effective registration statement under the Securities Act, a certificate to the effect set forth in Exhibit B hereto, including the certifications in item (3)(c) thereof;

the Trustee shall cause the aggregate principal amount of the applicable Global Note to be reduced accordingly pursuant to Section 2.6(i) below, and the Issuer shall execute and the Trustee or the Authenticating Agent shall authenticate and deliver to the Person designated in the certificate a Restricted Definitive Note in the appropriate principal amount. Any Restricted Definitive Note issued in exchange for a beneficial interest in a Restricted Global Note pursuant to this Section 2.6(c) shall be registered in such name or names and in such authorized denomination or denominations as the holder of such beneficial interest shall instruct the Registrar through instructions from the Depositary and the Participant or Indirect Participant. The Trustee or the Registrar shall deliver such Restricted Definitive Notes to the Persons in whose names such Notes are so registered. Any Restricted Definitive Note issued in exchange for a beneficial interest in a Restricted Global Note pursuant to this Section 2.6(c)(i) shall bear the Private Placement Legend and shall be subject to all restrictions on transfer contained therein.

(ii) Beneficial Interests in Regulation S Temporary Global Note to Definitive Notes. Notwithstanding Sections 2.6(c)(1)(A) and (C) hereof, a beneficial interest in the Regulation S Global Note may not be exchanged for a Definitive Note or transferred to a Person who takes delivery thereof in the

(iv) Transfer and Exchange of Beneficial Interests in Unrestricted Global Notes for Unrestricted Definitive Notes. Subject to Section 2.6(a), if any holder of a beneficial interest in an Unrestricted Global Note proposes to exchange such beneficial interest for an Unrestricted Definitive Note or to transfer such beneficial interest to a Person who takes delivery thereof in the form of an Unrestricted Definitive Note, then, upon satisfaction of the conditions set forth in Section 2.6(b)(ii) above, the Trustee shall cause the aggregate principal amount of the applicable Global Note to be reduced accordingly pursuant to Section 2.6(i) below, and the Issuer shall execute and the Trustee or the Authenticating Agent shall authenticate and deliver to the Person designated in the certificate an Unrestricted Definitive Note in the appropriate principal amount. Any Unrestricted Definitive Note issued in exchange for a beneficial interest pursuant to this Section 2.6(c)(iv) shall be registered in such name or names and in such authorized denomination or denominations as the holder of such beneficial interest shall instruct the Registrar through instructions from the Depositary and the Participant or Indirect Participant. Upon receipt of a request for such an exchange or transfer, the Trustee shall cancel the applicable Unrestricted Definitive Note and increase or cause to be increased the aggregate principal amount of one of the Unrestricted Global Notes.

(iv) If any such exchange or transfer from an Unrestricted Definitive Note or a Restricted Definitive Note, as the case may be, to a beneficial interest is effected pursuant to (d)(ii)(A) or (d)(iii) above at a time when an Unrestricted Global Note has not yet been issued, the Issuer shall issue and, upon receipt of an Authentication Order in accordance with Section 2.2, the Trustee shall authenticate one or more Unrestricted Global Notes in an aggregate principal amount equal to the principal amount of Unrestricted Definitive Notes or Restricted Definitive Notes, as the case may be, so transferred.

Upon receipt of a request to register such a transfer, the Registrar shall register the Unrestricted Definitive Notes pursuant to the instructions from the Holder thereof.

(f) Temporary Regulation S Global Note.

(i) Notes offered and sold in reliance on Regulation S shall be issued initially in the form of the Temporary Regulation S Global Note, which shall be deposited on behalf of the purchasers of the Notes represented thereby with the Notes Custodian and registered in the name of the Depositary or the nominee of the Depositary for the accounts of designated agents holding on behalf of Euroclear or Clearstream, duly executed by the Issuer and authenticated by the Trustee or the Authenticating Agent as hereinafter provided.

(ii) During the Restricted Period, beneficial ownership interests in Temporary Regulation S Global Notes may only be sold, pledged or transferred (A) to the Issuer, (B) in an offshore transaction in accordance with Rule 904 of Regulation S (other than a transaction resulting in an exchange for an interest in a Permanent Regulation S Global Note) or (C) pursuant to an effective registration statement under the Securities Act, in each case in accordance with any applicable securities laws of any State of the United States; and beneficial interests in a 144A Global Note may be transferred to a Person who takes delivery in the form of an interest in a Regulation S Global Note, whether before or after the expiration of the Restricted Period, only if the transferor first delivers to the Trustee a written certificate to the effect that such transfer is being made in accordance with Rule 903 or 904 of Regulation S or Rule 144 (if applicable).

(iii) Within a reasonable period after expiration or termination of the Restricted Period, beneficial interests in each Temporary Regulation S Global Note shall be exchanged for beneficial interests in a Permanent Regulation S Global Note upon delivery to DTC of the certification of compliance and the transfer of applicable Notes pursuant to the Applicable Procedures. Simultaneously with the authentication of the corresponding Permanent Regulation S Global Note, the Trustee shall cancel the corresponding Temporary Regulation S Global Note. The aggregate principal amount of a Temporary Regulation S Global Note and a Permanent Regulation S Global Note may from time to time be increased or decreased by adjustments made on the records of the Trustee and the Depositary or its nominee, as the case may be, in connection with transfers of interest as hereinafter provided.

(iv) Notwithstanding anything to the contrary in this Section 2.6, a beneficial interest in the Temporary Regulation S Global Note may not be exchanged for a Definitive Note or transferred to a Person who takes delivery thereof in the form of a Definitive Note prior to (x) the expiration of the

Restricted Period and (y) the receipt by the Registrar of any certificates required pursuant to Rule 903(b)(3)(ii)(B) of the Securities Act, except in the case of a transfer pursuant to an exemption from the registration requirements of the Securities Act other than Rule 903 or Rule 904.

(g) Private Placement Legend.

(i) Except as permitted by subparagraph (ii) below, each Restricted Global Note and each Restricted Definitive Note (and all Notes issued in exchange therefor or substitution thereof) shall bear the Private Placement Legend.

(ii) Notwithstanding the foregoing, any Global Note or Definitive Note issued pursuant to subparagraph (b)(iv), (c)(iii), (c)(iv), (d)(ii), (d)(iii), (e)(ii) or (e)(iii) of this Section 2.6 (and all Notes issued in exchange therefor or substitution thereof) shall not bear the Private Placement Legend.

(h) Global Note Legend. Each Global Note shall bear the Global Note Legend.

(i) Cancellation and/or Adjustment of Global Notes. At such time as all beneficial interests in a particular Global Note have been exchanged for Definitive Notes or a particular Global Note has been redeemed, repurchased or canceled in whole and not in part, each such Global Note shall be returned to or retained and canceled by the Trustee or the Paying Agent in accordance with Section 2.11 hereof. At any time prior to such cancellation, if any beneficial interest in a Global Note is exchanged for or transferred to a Person who shall take delivery thereof in the form of a beneficial interest in another Global Note or for Definitive Notes, the principal amount of Notes represented by such Global Note shall be reduced accordingly and an endorsement shall be made on such Global Note by the Trustee, the Registrar or the Depositary at the direction of the Trustee to reflect such reduction; and if the beneficial interest is being exchanged for or transferred to a Person who shall take delivery thereof in the form of a beneficial interest in another Global Note, such other Global Note shall be increased accordingly and an endorsement shall be made on such Global Note by the Trustee, the Registrar or the Depositary at the direction of the Trustee to reflect such increase.

(j) General Provisions Relating to Transfers and Exchanges.

(i) To permit registrations of transfers and exchanges, the Issuer shall execute and the Trustee shall authenticate Global Notes and Definitive Notes upon receipt of an Authentication Order in accordance with Section 2.2 or at the applicable Registrar's request.

(ii) No service charge shall be made to a holder of a beneficial interest in a Global Note or to a Holder of a Definitive Note for any registration of transfer or exchange, but the Issuer may require payment of a sum sufficient to cover any transfer tax or similar governmental charge payable in connection therewith (other than any such transfer taxes or similar governmental charge payable upon exchange or transfer pursuant to Sections 2.2, 2.10, 3.7, 3.9, 5.7, 5.8 and 9.4).

(iii) [Reserved].

(iv) All Global Notes and Definitive Notes issued upon any registration of transfer or exchange of Global Notes or Definitive Notes shall be the valid obligations of the Issuer, evidencing the same debt, and entitled to the same benefits hereof, as the Global Notes or Definitive Notes surrendered upon such registration of transfer or exchange.

(v) Neither the Registrar nor the Issuer shall be required (A) to issue, to register the transfer of or to exchange any Notes during a period beginning at the opening of business on a Business Day 15 days before the mailing of a notice of redemption of Notes and ending at the close of business on the day of such mailing, (B) to register the transfer of or to exchange any Note so selected for redemption in whole or in part, except the unredeemed portion of any Note being redeemed in part or (C) to register the transfer of or to exchange a Note between a Record Date and the next succeeding Interest Payment Date.

(vi) Prior to due presentment for the registration of a transfer of any Note, the Registrar, the Trustee, any Agent and the Issuer may deem and treat the Person in whose name any Note is registered as the absolute owner of such Note for the purpose of receiving payment of principal of and interest on such Notes and for all other purposes, and none of the Registrar, the Trustee, any Agent or the Issuer shall be affected by notice to the contrary.

(vii) The Trustee shall authenticate Global Notes and Definitive Notes in accordance with the provisions of Section 2.2.

(viii) All certifications, certificates and Opinions of Counsel required to be submitted

to the Registrar pursuant to this Section 2.6 to effect a registration of transfer or exchange may be submitted by facsimile or electronically.

(ix) The Trustee or the Registrar shall have no obligation or duty to monitor, determine or inquire as to compliance with any restrictions on transfer imposed under this Indenture or under applicable law with respect to any transfer of any interest in any Note (including any transfers between or among Participants or Indirect Participants) other than to require delivery of such certificates and other documentation or evidence as are expressly required by, and to do so if and when expressly required by the terms of, this Indenture, and to examine the same to determine substantial compliance as to form with the express requirements hereof.

(x) Neither the Trustee, the Issuer nor any Agent shall have any responsibility for any actions taken or not taken by the Depositary.

(xi) Affiliates of the Issuer may acquire, hold and dispose of the Notes and exercise voting, consent and other similar rights with respect to such Notes (subject to the express restrictions contained in this Indenture).

(k) Public Offer Test.

(i) Neither the Notes nor any interest in the Notes may be acquired by or transferred to any person known or suspected by the Issuer or any Australian Party to be an Associate of the Issuer, any Australian Party or any other Guarantor that is a tax resident in Australia or acting as Guarantor through a Permanent Establishment in Australia.

(ii) Each Holder that acquires Notes (or an interest in the Notes) or to whom Notes are (or an interest in the Notes is) transferred is deemed to represent and warrant that, except as disclosed to the Issuer and each Australian Party, it is not, so far as its relevant officers involved in the transaction on a day to day basis are actually aware, an Offshore Associate of the Issuer, any Australian Party or any other Guarantor that is a tax resident in Australia or acting as Guarantor through a Permanent Establishment in Australia.

SECTION 2.7. Replacement Notes. If any mutilated Note is surrendered to the Trustee or the Registrar, or the Issuer and the Trustee receive evidence to their satisfaction of the destruction, loss or theft of any Note, the Issuer shall issue and the Trustee or the Authenticating Agent, upon receipt of an Authentication Order, shall authenticate a replacement Note if the Trustee's requirements for replacements of Notes are met. The Holder must supply indemnity or security sufficient in the judgment of the Trustee (with respect to the Trustee) and the Issuer (with respect to the Issuer) to protect the Issuer, the Trustee, any Agent or any authenticating agent from any loss which any of them may suffer if a Note is replaced. The Issuer and the Trustee may charge for their fees and expenses in replacing a Note including amounts to cover any tax, assessment, fee or other governmental charge that may be imposed in relation thereto.

Every replacement Note is an obligation of the Issuer.

SECTION 2.8. Outstanding Notes. The Notes outstanding at any time are all the Notes authenticated by the Trustee except for those canceled by it or the Paying Agent, those delivered to it for cancellation and those described in this Section 2.8 as not outstanding.

If a Note is replaced pursuant to Section 2.7, it ceases to be outstanding unless the Trustee receives proof satisfactory to it that the replaced Note is held by a protected purchaser.

If the principal amount of any Note is considered paid under Section 3.1 hereof, it shall cease to be outstanding and interest on it shall cease to accrue.

Subject to Section 2.9, a Note does not cease to be outstanding because Parent Guarantor, a Subsidiary of Parent Guarantor or an Affiliate of Parent Guarantor holds the Note.

SECTION 2.9. Treasury Notes. In determining whether the Holders of the requisite majority of outstanding Notes have concurred in any request, demand, authorization, direction, notice, waiver or consent (other than in respect of any action pursuant to Section 9.2(a), which requires the consent of each Holder of an affected Note), Notes owned by Parent Guarantor, any Subsidiary of Parent Guarantor or any Affiliate of Parent Guarantor shall be disregarded and considered as though not outstanding, except that for purposes of determining whether the Trustee shall be protected in relying on any such request, demand, authorization, direction, notice, waiver or consent, only Notes which a Trust Officer actually knows to be owned by Parent Guarantor, any Subsidiary of Parent Guarantor, or any Affiliate of Parent Guarantor shall be considered as not outstanding. Upon request of the Trustee, the Issuer shall promptly furnish to the Trustee an Officer's Certificate listing and identifying all Notes, if any, known by the Issuer to be owned or held by or for the account of any of the above-described persons, and the Trustee shall be entitled to accept such Officer's Certificate as conclusive evidence of the facts therein set forth and of the fact that all Notes not listed therein are outstanding for the purpose of any such determination.

SECTION 2.10. Temporary Notes. Until Definitive Notes are ready for delivery, the Issuer may prepare and the Trustee shall upon receipt of an Authentication Order authenticate temporary Notes. Temporary Notes shall be substantially in the form of Definitive Notes but may have variations that the Issuer consider appropriate for temporary Notes. Without unreasonable delay, the Issuer shall prepare and the Trustee, upon receipt of an Authentication Order, shall authenticate Definitive Notes in exchange for temporary Notes. Until such exchange, temporary Notes shall be entitled to the same rights, benefits and privileges as Definitive Notes.

SECTION 2.11. Cancellation. The Issuer at any time may deliver Notes to the Trustee for cancellation. The Registrar and Paying Agent shall forward to the Trustee any Notes surrendered to them for registration of transfer, exchange or payment. The Trustee shall cancel all Notes surrendered for registration of transfer, exchange, payment, replacement or cancellation and shall dispose of all canceled Notes in its customary manner (subject to the record retention requirements of the Exchange Act and the Trustee), and upon the written request of the Issuer, the Trustee shall deliver copies of such canceled Notes to the Issuer. The Issuer may not issue new Notes to replace Notes that it has redeemed or paid or that have been delivered to the Trustee for cancellation.

SECTION 2.12. Payment of Interest; Defaulted Interest. Interest on any Note which is payable, and is punctually paid or duly provided for, on any Interest Payment Date shall be paid to the Person in whose name such Note (or one or more predecessor Notes) is registered at the close of business on the regular Record Date for such interest at the office or agency of the Issuer maintained for such purpose pursuant to Section 2.3.

Any interest on any Note which is payable, but is not paid when the same becomes due and payable and such nonpayment continues for a period of 30 days shall forthwith cease to be payable to the Holder on the regular Record Date by virtue of having been such Holder, and such defaulted interest and (to the extent lawful) interest on such defaulted interest at the rate borne by the Notes (such defaulted

interest and interest thereon herein collectively called “Defaulted Interest”) shall be paid by the Issuer, at its election in each case, as provided in clause (a) or (b) below:

(a) The Issuer may elect to make payment of any Defaulted Interest to the Persons in whose names the Notes (or their respective predecessor Notes) are registered at the close of business on a Special Record Date (as defined below) for the payment of such Defaulted Interest, which shall be fixed in the following manner. The Issuer shall notify the Trustee or the Paying Agent in writing of the amount of Defaulted Interest proposed to be paid on each Note and the date (not less than 30 days after such notice unless a shorter period shall be acceptable to the Trustee or the Paying Agent) of the proposed payment (the “Special Interest Payment Date”), and at the same time the Issuer shall deposit with the Trustee or the Paying Agent an amount of money equal to the aggregate amount proposed to be paid in respect of such Defaulted Interest or shall make arrangements for such deposit prior to the date of the proposed payment, such money when deposited to be held in trust for the benefit of the Persons entitled to such Defaulted Interest as in this clause provided. Thereupon the Issuer shall fix a record date (the “Special Record Date”) for the payment of such Defaulted Interest, which shall be not more than 15 days and not less than 10 days prior to the Special Interest Payment Date and not less than 10 days after the receipt by the Trustee or the Paying Agent of the notice of the proposed payment. The Issuer shall promptly notify the Trustee or the Paying Agent of such Special Record Date and shall, or at the written request and in the name and expense of the Issuer, the Trustee or the Paying Agent shall, cause notice of the proposed payment of such Defaulted Interest and the Special Record Date and Special Interest Payment Date therefor to be given in the manner provided for in Section 12.1, not less than 10 days prior to such Special Record Date. Notice of the proposed payment of such Defaulted Interest and the Special Record Date and Special Interest Payment Date therefor having been so given, such Defaulted Interest shall be paid on the Special Interest Payment Date to the Persons in whose names the Notes (or their respective predecessor Notes) are registered at the close of business on such Special Record Date and shall no longer be payable pursuant to the following clause (b).

(b) The Issuer may make payment of any Defaulted Interest in any other lawful manner not inconsistent with the requirements of any securities exchange on which the Notes may be listed, and upon such notice as may be required by such exchange, if, after notice given by the Issuer to the Trustee or the Paying Agent of the proposed payment pursuant to this clause (b), such manner of payment shall be deemed practicable by the Trustee or the Paying Agent.

Subject to the foregoing provisions of this Section, each Note delivered under this Indenture upon registration of transfer of or in exchange for or in lieu of any other Note shall carry the rights to interest accrued and unpaid, and to accrue, which were carried by such other Note.

SECTION 2.13. CUSIP and ISIN Numbers. The Issuer in issuing the Notes may use “CUSIP” and/ or “ISIN” numbers (if then generally in use). The Trustee shall not be responsible for the use of CUSIP or ISIN numbers, and the Trustee makes no representation as to their correctness as printed on any Note or notice to Holders. The Issuer shall promptly notify the Trustee in writing of any change in the CUSIP or ISIN numbers. A separate CUSIP or ISIN or number will be issued for any Additional Notes, unless (i) the Initial Notes and such Additional Notes have the same maturity date, interest rate and optional redemption provisions and are treated as “fungible” for U.S. federal income tax purposes, (ii) both the Initial Notes and such Additional Notes are issued in the same series (as set forth in Section 2.2 without (or with less than a de minimis amount of)) original issue discount for U.S. federal income tax purposes or (iii) another then-recognized identifier is used.

SECTION 2.14. Record Date. The Record Date for purposes of determining the identity of Holders entitled to vote or consent to any action by vote or consent authorized or permitted under this Indenture shall be determined as provided for in TIA § 316(c).

SECTION 2.15. [Reserved].

SECTION 2.16. Conversion of Currency. The U.S. dollar is the sole currency (the “Required Currency”) of account and payment for all sums payable by the Issuer or any Guarantor under or in connection with the Notes, this Indenture and the Guarantees, including damages. Any amount with respect to the Notes, Indenture or Guarantees received or recovered in a currency other than the Required Currency, whether as a result of, or the enforcement of, a judgment or order of a court of any jurisdiction, in the winding-up or dissolution of the Issuer or any Guarantor or otherwise by any Holder or by the Trustee, in respect of any sum expressed to be due to it from the Issuer or any Guarantor will only constitute a discharge to the Issuer or any Guarantor to the extent of the Required Currency amount which the recipient is able to purchase with the amount so received or recovered in that other currency on the date of that receipt or recovery (or, if it is not practicable to make that purchase on that date, on the first date on which it is practicable to do so).

If that Required Currency amount is less than the Required Currency amount expressed to be due to the recipient or the Trustee, the Issuer and each Guarantor will indemnify such recipient and/or the Trustee against any loss sustained by them as a result. In any event, the Issuer and each Guarantor will indemnify the recipient against the cost of making any such purchase. For the purposes of this currency indemnity provision, it will be *prima facie* evidence of the matter stated therein, for the Holder of a Note or the Trustee to certify in a manner satisfactory to the Issuer (indicating the sources of information used) the loss it incurred in making any such purchase. These indemnities constitute a separate and independent obligation from the Issuer’s and each Guarantor’s other obligations, will give rise to a separate and independent cause of action, will apply irrespective of any waiver granted by any Holder or the Trustee (other than a waiver of the indemnities set out herein) and will continue in full force and effect despite any other judgment, order, claim or proof for a liquidated amount in respect of any sum due under any Note or to the Trustee. For the purposes of determining the amount in a currency other than the Required Currency, such amount shall be determined using the Exchange Rate then in effect.

ARTICLE III

Covenants

SECTION 3.1. Payment of Notes. The Issuer shall promptly pay the principal of, premium, if any, and interest on the Notes on the dates and in the manner provided in the Notes and in this Indenture. Principal, premium, if any, and interest shall be considered paid on the date due if by 11:00 a.m. (New York City time) on such date the Trustee or the Paying Agent holds in accordance with this Indenture money sufficient to pay all principal, premium, if any, and interest then due and the Trustee or the Paying Agent, as the case may be, is not prohibited from paying such money to the Holders on that date pursuant to the terms of this Indenture.

The Issuer shall pay interest on overdue principal at the rate specified therefor in the Notes.

Notwithstanding anything to the contrary contained in this Indenture, the Issuer may, to the extent it is required to do so by law, deduct or withhold income or other similar taxes imposed by the United States of America from principal or interest payments hereunder. The Issuer or any Guarantor or any successor in interest to any of the foregoing (each, a “Payor”) may withhold from any interest payment made on any Note to or for the benefit of any Person who is not a “United States person” (as such term is defined for U.S. federal income tax purposes) U.S. federal withholding tax, and pay such withheld amounts to the Internal Revenue Service, unless such Person provides documentation to the Issuer or other Payor such that an exemption from U.S. federal withholding tax would apply to such payment if interest on such Note were treated entirely as income from sources within the United States for U.S. federal income tax purposes.

SECTION 3.2. Reports and Other Information.

(a) Parent Guarantor will provide to the Trustee and, upon request, to Holders of the Notes a copy of all of the information and reports referred to below:

(i) within 90 days after the end of each fiscal year (or such longer period as may be permitted by the SEC if Parent Guarantor were then subject to SEC reporting requirements as a non-accelerated filer), annual audited financial statements for such fiscal year including a “Management’s Discussion and Analysis of Financial Condition and Results of Operations” with respect to the periods presented and a report on the annual financial statements by Parent Guarantor’s independent registered public accounting firm (all of the foregoing financial information to be prepared on a basis substantially consistent with the corresponding financial information included in the Offering Memorandum);

(ii) within 45 days after the end of each of the first three fiscal quarters of each fiscal year (or such longer period as may be permitted by the SEC if Parent Guarantor were then subject to SEC reporting requirements as a non-accelerated filer), unaudited financial statements for the interim period as of, and for the period ending on, the end of such fiscal quarter including a “Management’s Discussion and Analysis of Financial Condition and Results of Operations” (all of the foregoing financial information to be prepared on a basis substantially consistent with the corresponding financial information included in the Offering Memorandum); and

(iii) within the time period specified for filing current reports on Form 8-K by the SEC, current reports that would be required to be filed with the SEC on Form 8-K if Parent Guarantor were required to file such reports for any of the following events: (1) significant acquisitions or dispositions, (2) the bankruptcy of Parent Guarantor or a Significant Subsidiary, (3) the acceleration of any Indebtedness of Parent Guarantor or any Restricted Subsidiary having a principal amount in excess of \$100.0 million, (4) a change in Parent Guarantor’s certifying independent auditor, (5) the appointment or departure of the Chief Executive Officer, Chief Financial Officer, Chief Accounting Officer, Chief Operating Officer or President (or persons fulfilling similar duties) of Parent Guarantor, (6) resignation of a director of Parent Guarantor on disagreeable terms, (7) change in fiscal year, (8) non-reliance on previously issued financial statements or audit reports, (9) change of control transactions, (10) entry into or termination of material agreements, (11) entry into material financial obligations and (12) historical financial statements of an acquired business (relating to transactions required to be reported pursuant to Item 2.01 of Form 8-K) to the extent and in the form available to Parent Guarantor (as determined by Parent Guarantor in good faith) if Parent Guarantor were a domestic reporting company under the Exchange Act; *provided* that no such current report will be required to be furnished if Parent Guarantor determines in its good faith judgment that such event is not material to Holders of the Notes or to the business, assets, operations, financial position or prospects of Parent Guarantor and its Restricted Subsidiaries, taken as a whole, or if Parent Guarantor determines in its good faith judgment that such disclosure would otherwise cause material competitive harm to the business, assets, operations, financial position or prospects of Parent Guarantor and its Restricted Subsidiaries, taken as a whole; *provided, further*, that such non-disclosure shall be limited only to those specific provisions that would cause material competitive harm and not the occurrence of the event itself;

provided, further, however, that in addition to providing such information to the Trustee and, upon request, Holders of the Notes, Parent Guarantor will, to the extent the requirements set forth in Section 3.2(h) are satisfied, make available to the Holders of the Notes, bona fide prospective investors in the Notes, bona fide market makers in the Notes affiliated with any Initial Purchaser and bona fide securities analysts (to the extent providing analysis of investment in the Notes) such information by (i) posting to the website of Parent Guarantor, any direct or indirect parent of Parent Guarantor or any Restricted Subsidiary or on a non-public, password-protected website maintained by Parent Guarantor, any direct or indirect parent of Parent Guarantor, any Restricted Subsidiary or a third party, in each case, within 15 days after the time Parent Guarantor would be required to provide such information pursuant to clause (i), (ii) or (iii) above, as applicable, or (ii) otherwise providing substantially comparable availability of such reports (as determined by Parent Guarantor in good faith) (it being understood that, without limitation, making such reports available on Bloomberg or another comparable private electronic information service shall constitute substantially comparable availability).

(b) Notwithstanding the foregoing, (i) Parent Guarantor will not be required to furnish any information, certificates or reports required by (A) Section 302, Section 404 or Section 906 of the Sarbanes-Oxley Act of 2002, or related Items 307 or 308 of Regulation S-K or (B) Regulation G or Item 10(e) of Regulation S-K promulgated by the SEC with respect to any non-generally accepted accounting principles financial measures contained therein, (ii) the information and reports referred to in Section 3.2(a) will not be required to contain the separate financial statements or other information contemplated by Rule 3-05, Rule 3-09, Rule 3-10 or Rule 3-16 of Regulation S-X, (iii) to the extent pro forma financial information is required to be provided by Parent Guarantor, Parent Guarantor may provide only pro forma revenues, net income, income before extraordinary items and the cumulative effect of accounting changes, EBITDA, Adjusted EBITDA, senior secured debt, total debt and capital expenditures (or equivalent financial information) in lieu thereof, (iv) the information and reports referred to in Section 3.2(a) shall not be required to present compensation or beneficial ownership information and (v) the information and reports referred to in Section 3.2(a) shall not be required to include any exhibits required by Item 15 of Form 10-K, Item 6 of Form 10-Q or Item 9.01 of Form 8-K.

(c) For so long as any of Parent Guarantor's Subsidiaries has been designated as an Unrestricted Subsidiary, then substantially concurrently with the provision of the quarterly and annual financial information required by Section 3.2(a), Parent Guarantor will provide the Holders of the Notes with the percentage of the Adjusted EBITDA (presented on a basis substantially consistent with the presentation of Adjusted EBITDA in the Offering Memorandum) that the Unrestricted Subsidiaries contribute to such Adjusted EBITDA for Parent Guarantor and its Subsidiaries for the applicable period; *provided*, however, that no such information shall be required to be provided to the extent Parent Guarantor determines in its reasonable judgment that any such Unrestricted Subsidiaries are not material to the operations or performance of Parent Guarantor and its Subsidiaries as a whole. Such information need not be provided in the financial report itself and may be separately provided to Holders of the Notes via a non-public, password protected website maintained by Parent Guarantor, any direct or indirect parent of Parent Guarantor, any Restricted Subsidiary or a third party in accordance with Section 3.2(g).

(d) In addition, to the extent not satisfied by the foregoing, Parent Guarantor will agree that, for so long as any Notes are outstanding, Parent Guarantor will furnish to Holders of the Notes, upon their request, the information required to be delivered pursuant to Rule 144A(d)(4) under the Securities Act (or any successor provision).

(e) Notwithstanding the foregoing, the financial statements, information, auditors' reports and other documents required to be provided as described above, may be, rather than those of Parent Guarantor, those of (i) any predecessor or successor of Parent Guarantor or any entity meeting the requirements of clause (ii) of this Section 3.2(e) or (ii) any direct or indirect parent of Parent Guarantor; *provided* that, if the financial information so furnished relates to such direct or indirect parent of Parent Guarantor, and, in the reasonable judgment of Parent Guarantor, there are material differences between the financial information of Parent Guarantor and such direct or indirect parent of Parent Guarantor, the same is accompanied by consolidating information, which may be posted to the website of Parent Guarantor, any direct or indirect parent of Parent Guarantor or any Restricted Subsidiary or on a non-public, password-protected website maintained by Parent Guarantor, any direct or indirect parent of Parent Guarantor, any Restricted Subsidiary or a third party, that explains in reasonable detail the material differences between the information relating to such parent entity (as the case may be), on the one hand, and the information relating to Parent Guarantor and its Restricted Subsidiaries on a standalone basis, on the other hand. For the avoidance of doubt, the consolidating information referred to in the proviso in the preceding sentence need not be audited or reviewed.

(f) Parent Guarantor will be deemed to have satisfied the information and reporting requirements of Section 3.2(a) if Parent Guarantor or any direct or indirect parent of Parent Guarantor (i) has filed reports or registration statements containing such information (including, to the extent required, the information required pursuant to the first sentence of Section 3.2(e)), which, for the avoidance of doubt, need not be filed with the SEC via EDGAR to the extent it is otherwise provided to Holders pursuant to this

Section 3.2) with the SEC via the EDGAR (or successor) filing system within the applicable time periods after giving effect to any extensions permitted by the SEC and that are publicly available or (ii) if Parent Guarantor or any direct or indirect parent of Parent Guarantor is no longer subject to the reporting requirements provided by the Exchange Act, with respect to the Holders of the Notes only, Parent Guarantor or such parent entity has made such reports available electronically (including by posting to a non-public, password-protected website as provided above) pursuant to this Section 3.2.

(g) So long as Notes are outstanding, Parent Guarantor will also:

(i) promptly after furnishing to the Trustee the annual and quarterly reports required by Sections 3.2(a)(i) and (ii), hold a conference call to discuss such reports and the results of operations for the relevant reporting period (which conference call, for the avoidance of doubt, may be held prior to such time that the annual or quarterly information and reports required by Section 3.2(a) are furnished to Holders); and

(ii) announce by press release or post to the website of Parent Guarantor or any direct or indirect parent of Parent Guarantor or any Restricted Subsidiary or on a non-public, password-protected website maintained by Parent Guarantor or any direct or indirect parent of Parent Guarantor, any Restricted Subsidiary or a third party, which may require a confidentiality acknowledgment (but not restrict the recipients of such information from trading securities of Parent Guarantor or its respective affiliates), prior to the date of the conference call required to be held in accordance with Section 3.2(g)(i), the time and date of such conference call and either all information necessary to access the call or informing Holders of Notes, bona fide prospective investors in the Notes, bona fide market makers in the Notes affiliated with any Initial Purchaser and bona fide securities analysts (to the extent providing analysis of an investment in the Notes) how they can obtain such information, including, without limitation, the applicable password or other login information;

provided that, for the avoidance of doubt, Parent Guarantor will be deemed to have satisfied the requirements of Section 3.2(g)(i) if Parent Guarantor or any direct or indirect parent of the Issuer holds a public earnings call to discuss such reports and the results of operations for the relevant reporting period.

(h) Any person who requests or accesses such financial information or seeks to participate in any conference calls required by this Section 3.2 will be required to provide its email address, employer name and other information reasonably requested by the Issuer and represent to the Issuer (to the Issuer's reasonable good faith satisfaction) that:

(i) it is a Holder of the Notes, a beneficial owner of the Notes, a bona fide prospective investor in the Notes, a bona fide market maker in the Notes affiliated with any Initial Purchaser or a bona fide securities analyst providing an analysis of investment in the Notes;

(ii) it will not use the information in violation of applicable securities laws or regulations;

(iii) it will keep such provided information confidential and will not communicate the information to any Person; and

(iv) it (1) will not use such information in any manner intended to compete with the business of Parent Guarantor and its Subsidiaries and (2) is not a Person (which includes such Person's Affiliates) that (A) is principally engaged in a Similar Business or (B) derives a significant portion of its revenues from operating or owning a Similar Business.

(v) Delivery of reports, information and documents (including without limitation any and all reports, information and documents contemplated under this Section 3.2) to the Trustee is for informational purposes only and the Trustee's receipt of such shall not constitute

constructive or actual notice of any information contained therein or determinable from the information contained therein, including the Issuer's and Parent Guarantor's compliance with any of their covenants hereunder (as to which the Trustee is entitled to rely exclusively on Officer's Certificates). The Trustee shall have no liability or responsibility for the filing, timeliness or content of such reports, information or documents.

(i) To the extent any such information is not provided within the time periods specified in this Section 3.2 and such information is subsequently provided, Parent Guarantor will be deemed to have satisfied its obligations with respect thereto at such time and any Default or Event of Default with respect thereto shall be deemed to have been cured.

SECTION 3.3. Limitation on Incurrence of Indebtedness and Issuance of Disqualified Stock and Preferred Stock.

(xvi) payments or distributions to satisfy dissenters' rights, pursuant to or in connection with a consolidation, merger, amalgamation or transfer of assets that complies with the provisions of this Indenture;

(xvii) the distribution, as a dividend or otherwise, of shares of Capital Stock of, or Indebtedness owed to Parent Guarantor or a Restricted Subsidiary by, Unrestricted Subsidiaries (other than Unrestricted Subsidiaries the primary assets of which are cash and/or Cash Equivalents);

(xviii) the payment of cash in lieu of the issuance of fractional shares of Equity Interests in connection with any merger, consolidation, amalgamation or other business combination, or in connection with any dividend, distribution or split of or upon exercise, conversion or exchange of Equity Interests, warrants, options or other securities exercisable or convertible into, Equity Interests of Parent Guarantor or any direct or indirect parent of Parent Guarantor;

(xix) Investments in Unrestricted Subsidiaries having an aggregate Fair Market Value, taken together with all other Investments made pursuant to this clause (xix) that are at the time outstanding, without giving effect to the sale of an Unrestricted Subsidiary to the extent the proceeds of such sale do not consist of cash, Cash Equivalents or marketable securities, not to exceed the greater of (x) \$400.0 million and (y) 6.00% of Consolidated Total Assets (with the Fair Market Value of each Investment being measured at the time made and without giving effect to subsequent changes in value);

(xxii) any Restricted Payment that is intended to prevent any Indebtedness from being treated as an "applicable high yield discount obligation" within the meaning of Section 163(i)(1) of the Code;

provided, however, that at the time of, and after giving effect to, any Restricted Payment permitted under clause (x) or clause (xxi) of this Section 3.4(b), no Event of Default shall have occurred and be continuing or would occur as a consequence thereof. For purposes of clauses (xii) and (xiii) of this Section 3.4(b), taxes and Related Taxes shall include all interest and penalties with respect thereto and all additions thereto.

(c) As of the Issue Date, all of Parent Guarantor's Subsidiaries will be Restricted Subsidiaries. Parent Guarantor will not permit (i) any Unrestricted Subsidiary to become a Restricted Subsidiary, or (ii) any Restricted Subsidiary to become an Unrestricted Subsidiary, in each case except pursuant to the definition of "Unrestricted Subsidiary." For purposes of designating any Restricted Subsidiary as an Unrestricted Subsidiary, all outstanding Investments by Parent Guarantor and its Restricted Subsidiaries (except to the extent repaid) in the Subsidiary so designated will be deemed to be Restricted Payments or Permitted Investments in an amount determined as set forth in the last sentence of the definition of "Investments." Such designation will only be permitted if a Restricted Payment or

Permitted Investment in such amount would be permitted at such time and if such Subsidiary otherwise meets the definition of an Unrestricted Subsidiary. Unrestricted Subsidiaries will not be subject to any of the restrictive covenants set forth in this Indenture.

(d) For purposes of this Section 3.4, if any Investment or Restricted Payment (or a portion thereof) would be permitted pursuant to one or more provisions described above and/or one or more of the exceptions contained in the definition of “Permitted Investments,” Parent Guarantor may divide and classify such Investment or Restricted Payment (or a portion thereof) in any manner that complies with this Section 3.4 and may later divide and reclassify any such Investment or Restricted Payment so long as the Investment or Restricted Payment (as so divided and/or reclassified) would be permitted to be made in reliance on the applicable exception as of the date of such reclassification.

SECTION 3.5. Liens.

(a) Prior to a Covenant Suspension Event, following any Reversion Date and during any Suspension Period when there is no election by the Issuer pursuant to Section 3.5(b), Parent Guarantor will not, and will not permit the Issuer or any Guarantor to, directly or indirectly, create, Incur or assume any Lien securing Indebtedness (other than Permitted Liens) on any asset or property (or the proceeds thereof) of the Issuer or such Guarantor, unless (1) in the case of Liens securing Subordinated Indebtedness, the Notes and any applicable Guarantee are secured by a Lien on such property or assets (and the proceeds thereof) that is senior in priority to such Liens; or (2) in all other cases, the Notes and the applicable Guarantee are secured by a Lien on such property or assets (and the proceeds thereof) equally and ratably with or prior to such Liens.

(b) Following a Covenant Suspension Event, the Issuer may elect by written notice to the Trustee to be subject to an alternative covenant with respect to the limitation on Liens in lieu of Section 3.5(a) (the date such notice is delivered, the “Election Date”). From and after an Election Date and until a Reversion Date, Parent Guarantor will not, and will not permit any of Parent Guarantor’s Principal Property Subsidiaries to, directly or indirectly, create or Incur any Lien securing Indebtedness upon any (1) Restricted Property or (2) shares of Capital Stock or evidences of Indebtedness for borrowed money issued by any Principal Property Subsidiary, whether owned at the Issue Date or thereafter acquired, without making effective provision, and Parent Guarantor in such case will make or cause to be made effective provision, whereby the Notes and the applicable Guarantees shall be secured by such Lien equally and ratably with any and all other Indebtedness or obligations thereby secured, so long as such Indebtedness or obligations shall be so secured; *provided, however*, that the foregoing shall not apply to any of the following:

- (i) Liens that exist on the date of the Covenant Suspension Event;
- (ii) Liens on property, shares of Capital Stock or evidences of Indebtedness of any corporation existing at the time such corporation becomes a Guarantor;
- (iii) Liens in favor of the Issuer or any Guarantor;
- (iv) Liens in favor of governmental bodies to secure progress, advance or other payments pursuant to contract or statute or Indebtedness incurred to finance all or a part of construction of or improvements to property subject to such Liens;
- (v) Liens (1) on property, shares of Capital Stock or evidences of Indebtedness for borrowed money existing at the time of acquisition thereof (including acquisition through merger, amalgamation or consolidation), and construction and improvement Liens that are entered into within one year from the date of such construction or improvement; *provided* that in the case of construction or improvement the Lien shall not apply to any property theretofore owned by the Issuer or any Guarantor except substantially unimproved real property on which the property so constructed or the improvement is located and (2) for the acquisition of any real property, which Liens are created within 180 days after the

completion of such acquisition to secure or provide for the payment of the purchase price of the real property acquired; provided that with respect to clauses (1) and (2), any such Liens do not extend to any other property of the Issuer or any of the Guarantors (whether such property is then owned or thereafter acquired);

(vi) mechanics', landlords' and similar Liens arising in the ordinary course of business in respect of obligations not due or being contested in good faith;

(vii) Liens for taxes, assessments, or governmental charges or levies that are not delinquent or are being contested in good faith;

(viii) Liens arising from any legal proceedings that are being contested in good faith;

(ix) any Liens that (1) are incidental to the ordinary conduct of its business or the ownership of its properties and assets, including Liens incurred in connection with workmen's compensation, unemployment insurance or other forms of governmental insurance or benefits, or to secure performance of tenders, statutory obligations, leases and contracts, (2) were not incurred in connection with the borrowing of money or the obtaining of advances or credit and (3) do not in the aggregate materially detract from the value of the property of the Issuer or any Guarantor or materially impair the use thereof in the operation of its business; and

(x) Liens for the sole purpose of extending, renewing or replacing in whole or in part any of the foregoing.

(c) Notwithstanding the provisions of Section 3.5(b), during any Suspension Period, if the Election Date has occurred, Parent Guarantor or any of Parent Guarantor's Restricted Property Subsidiaries may, without equally and ratably securing the Notes and the Guarantees, create or assume Liens that would otherwise be subject to the foregoing restrictions if at the time of such creation or assumption, and after giving effect thereto, Exempted Indebtedness does not exceed 10% of Consolidated Net Tangible Assets.

(d) Any Lien that is granted to secure the Notes or the applicable Guarantee pursuant to clauses (a), (b) or (c) of this Section 3.5 shall be automatically and unconditionally released and discharged at the same time as the release of the Lien that gave rise to the obligation to secure the Notes or the applicable Guarantee under clauses (a), (b) or (c) of this Section 3.5 (other than a release as a result of the enforcement of remedies in respect of such Lien or the Obligations secured by such Lien).

(e) With respect to any Lien securing Indebtedness that was permitted to secure such Indebtedness at the time of the Incurrence of such Indebtedness, such Lien shall also be permitted to secure any Increased Amount of such Indebtedness. The "Increased Amount" of any Indebtedness shall mean any increase in the amount of such Indebtedness in connection with any accrual of interest, the accretion of accreted value, the amortization of original issue discount, the payment of interest in the form of additional Indebtedness with the same terms, accretion of original issue discount or liquidation preference, any fees, underwriting discounts, accrued and unpaid interest, premiums and other costs and expenses incurred in connection therewith and increases in the amount of Indebtedness outstanding solely as a result of fluctuations in the exchange rate of currencies or increases in the value of property securing Indebtedness.

SECTION 3.6. Dividend and Other Payment Restrictions Affecting Subsidiaries. Parent Guarantor will not, and will not permit any of its Restricted Subsidiaries (other than the Issuer or the Guarantors) to, directly or indirectly, create or otherwise cause or suffer to exist or become effective any consensual encumbrance or consensual restriction on the ability of any Restricted Subsidiary (other than the Issuer or the Guarantors) to:

- (a) (i) pay dividends or make any other distributions to Parent Guarantor or any of its Restricted Subsidiaries on its Capital Stock; or (ii) pay any Indebtedness owed to Parent Guarantor or any of its Restricted Subsidiaries;
- (b) make loans or advances to Parent Guarantor or any of its Restricted Subsidiaries; or
- (c) sell, lease or transfer any of its properties or assets to Parent Guarantor or any of its Restricted Subsidiaries.

However, the preceding restrictions will not apply to encumbrances or restrictions existing under or by reason of:

- (1) contractual encumbrances or restrictions of Parent Guarantor or any of its Restricted Subsidiaries in effect on the Issue Date, including (i) pursuant to the Senior Credit Agreement and the other documents relating to the Senior Credit Agreement, (ii) the Existing Notes Indentures, the Existing Notes, the guarantees thereof and other documents relating to the Existing Notes Indentures, the Existing Notes and the related guarantees and other documents relating to the Existing Notes Indentures and (iii) related Swap Contracts;
- (2) this Indenture, the Notes, the Guarantees and other documents relating to this Indenture;
- (3) applicable law or any applicable rule, regulation or order;
- (4) any agreement or other instrument of a Person acquired by or merged, amalgamated or consolidated with or into Parent Guarantor or any Restricted Subsidiary that was in existence at the time of such acquisition (or at the time it merges with or into Parent Guarantor or any Restricted Subsidiary or assumed in connection with the acquisition of assets from such Person (but, in each case, not created in contemplation thereof)), which encumbrance or restriction is not applicable to any Person, or the properties or assets of any Person, other than the Person, or the property or assets of the Person, so acquired or designated; *provided* that in connection with a merger, amalgamation or consolidation under this clause (4), if a Person other than Parent Guarantor or such Restricted Subsidiary is the successor company with respect to such merger, amalgamation or consolidation, any agreement or instrument of such Person or any Subsidiary of such Person, shall be deemed acquired or assumed, as the case may be, by Parent Guarantor or such Restricted Subsidiary, as the case may be, at the time of such merger, amalgamation or consolidation;
- (5) customary encumbrances or restrictions contained in contracts or agreements for the sale of assets applicable to such assets pending consummation of such sale, including customary restrictions with respect to a Restricted Subsidiary imposed pursuant to an agreement entered into for the sale or disposition of the Capital Stock or assets of such Restricted Subsidiary;
- (6) restrictions on cash or other deposits or net worth imposed by customers under contracts entered into in the ordinary course of business;
- (7) customary provisions in operating or other similar agreements, asset sale agreements and stock sale agreements entered into in connection with the entering into of such transaction, which limitation is applicable only to the assets that are the subject of those agreements;
- (8) purchase money obligations for property acquired and Financing Lease Obligations, to the extent such obligations impose restrictions of the nature discussed in clause (c) above on the property so acquired;

(9) customary provisions contained in leases, sub-leases, licenses, sublicenses, contracts and other similar agreements to the extent such obligations impose restrictions of the type described in clause (c) above on the property subject to such lease;

(10) any encumbrance or restriction effected in connection with a Qualified Receivables Financing that, in the good faith determination of the Designating Party, is necessary or advisable to effect such Qualified Receivables Financing;

(11) other Indebtedness, Disqualified Stock or Preferred Stock of Parent Guarantor or any Restricted Subsidiary that is Incurred subsequent to the Issue Date pursuant to Section 3.3; *provided* that (1) such encumbrances and restrictions contained in any agreement or instrument will not materially affect the Issuer's ability to make anticipated principal or interest payments on the Notes (as determined by Parent Guarantor or a direct or indirect parent of Parent Guarantor in good faith) or (2) such encumbrances and restrictions contained in any agreement or instrument taken as a whole are not materially less favorable to the Holders of the Notes than the encumbrances and restrictions contained in this Indenture, the Existing Notes Indentures or the Senior Credit Agreement (as determined by Parent Guarantor in good faith);

(12) any encumbrance or restriction contained in Secured Indebtedness otherwise permitted to be Incurred pursuant to Sections 3.3 and 3.5 to the extent limiting the right of the debtor to dispose of the assets securing such Indebtedness;

(13) any encumbrance or restriction arising or agreed to in the ordinary course of business, not relating to any Indebtedness, and that do not, individually or in the aggregate, (x) detract from the value of the property or assets of Parent Guarantor or any Restricted Subsidiary in any manner material to Parent Guarantor or any Restricted Subsidiary or (y) materially affect the Issuer's ability to make future principal or interest payments on the Notes, in each case, as determined by Parent Guarantor in good faith;

(14) customary provisions in joint venture agreements or arrangements and other similar agreements or arrangements relating solely to the applicable joint venture; and

(15) any encumbrances or restrictions of the type referred to in clauses (a), (b) and (c) above imposed by any amendments, modifications, restatements, renewals, increases, supplements, refundings, replacements or refinancings of the contracts, instruments or obligations referred to in clauses (1) through (14) above; *provided* that such encumbrances and restrictions contained in any such amendment, modification, restatement, renewal, increase, supplement, refunding, replacement or refinancing are, in the good faith judgment of Parent Guarantor, not materially more restrictive, taken as a whole, than the encumbrances and restrictions prior to such amendment, modification, restatement, renewal, increase, supplement, refunding, replacement or refinancing.

For purposes of determining compliance with this Section 3.6, (i) the priority of any Preferred Stock in receiving dividends or liquidating distributions prior to dividends or liquidating distributions being paid on common stock shall not be deemed a restriction on the ability to make distributions on Capital Stock and (ii) the subordination of loans or advances made to Parent Guarantor or a Restricted Subsidiary to other Indebtedness Incurred by Parent Guarantor or any such Restricted Subsidiary shall not be deemed a restriction on the ability to make loans or advances.

SECTION 3.7. Asset Sales.

(a) Parent Guarantor shall not, and shall not permit any of its Restricted Subsidiaries to, cause or make an Asset Sale, unless:

(i) Parent Guarantor or any of its Restricted Subsidiaries, as the case may be, receives consideration (including by way of relief from, or by any other person assuming responsibility for, any liabilities, contingent or otherwise) at the time of such Asset Sale at least equal to the Fair Market Value (as determined at the time of contractually agreeing to such Asset Sale) of the assets sold or otherwise disposed of; and

(ii) except in the case of a Permitted Asset Swap, at least 75.0% of the consideration therefor received by Parent Guarantor or such Restricted Subsidiary, as the case may be, is in the form of cash or Cash Equivalents or Replacement Assets; *provided* that the amount of:

(2) any notes or other obligations or other securities or assets received by Parent Guarantor or such Restricted Subsidiary from such transferee that are converted by Parent Guarantor or such Restricted Subsidiary into cash or Cash Equivalents, or by their terms are required to be satisfied for cash or Cash Equivalents (to the extent of the cash or Cash Equivalents received), in each case, within 180 days of the receipt thereof; and

(3) any Designated Non-cash Consideration received by Parent Guarantor or any of its Restricted Subsidiaries in such Asset Sale having an aggregate Fair Market Value, taken together with all other Designated Non-cash Consideration received pursuant to this subclause (3) that is at that time outstanding, not to exceed the greater of (x) \$175.0 million and (y) 2.50% of Consolidated Total Assets, calculated at the time of the receipt of such Designated Non-cash Consideration (or, at the Issuer's option, at the time of contractually agreeing to such Asset Sale) (with the Fair Market Value of each item of Designated Non-cash Consideration being measured at the time received and without giving effect to subsequent changes in value);

(b) Within 545 days after Parent Guarantor's or any Restricted Subsidiary's receipt of the Net Cash Proceeds of any Asset Sale, Parent Guarantor or such Restricted Subsidiary may apply an amount equal to the Net Cash Proceeds from such Asset Sale, at its option:

(i) to reduce Obligations under the Senior Credit Agreement and in the case of revolving loans, to correspondingly reduce commitments with respect thereto;

(ii) to reduce Obligations under Indebtedness (other than Subordinated Indebtedness) that is secured by a Lien, which Lien is permitted by this Indenture and, in the case of revolving loans, to correspondingly reduce commitments with respect thereto;

(iii) to reduce Obligations under (x) Pari Passu Indebtedness of the Issuer or the Guarantors (including the Existing Notes); *provided* that if the Issuer or any Guarantor shall so reduce such Obligations under Pari Passu Indebtedness, the Issuer will (A) reduce Obligations

under the Notes as provided in Section 5.1 or through open-market purchases or in privately negotiated transactions, in each case at market prices (which may be below par), ratably with such Pari Passu Indebtedness or (B) make an offer (in accordance with the procedures set forth below for an Asset Sale Offer) to all Holders to purchase at a purchase price equal to 100.0% of the principal amount thereof, plus accrued and unpaid interest, if any, the principal amount of Notes that would otherwise be redeemed under subclause (A) above), or (y) Indebtedness of a Non-Guarantor Subsidiary, in each case, other than Indebtedness owed to Parent Guarantor or another Restricted Subsidiary (and, in the case of revolving loans, to correspondingly reduce commitments with respect thereto);

(iv) to make an investment in any one or more businesses, assets (other than working capital assets), or property or capital expenditures, in each case used or useful in a Similar Business;

(v) to make an investment in any one or more businesses, properties (other than working capital assets) or assets (other than working capital assets) that replace the businesses, properties and/or assets that are the subject of such Asset Sale; or

(vi) any combination of the foregoing;

provided that Parent Guarantor and its Restricted Subsidiaries shall be deemed to have complied with the provisions described in clause (iv) or (v) of this Section 3.7(b) if and to the extent that, within 545 days after the Asset Sale that generated the Net Cash Proceeds, Parent Guarantor or such Restricted Subsidiary, as applicable, has entered into and not abandoned or rejected a binding agreement to make an investment in compliance with the provision described in clauses (iv) and (v) of this Section 3.7(b), and that investment is thereafter completed within 180 days after the end of such 545-day period.

(c) Notwithstanding the foregoing, to the extent that any of or all the Net Cash Proceeds of any Asset Sales by a Foreign Subsidiary (a “Foreign Disposition”) (i) are (x) prohibited or delayed by applicable local law or (y) restricted by applicable organizational documents from being repatriated to the United States or the Netherlands or (ii) would have a material adverse Tax consequence (taking into account any foreign tax credit or other net benefit actually realized in connection with such repatriation that would not otherwise be realized), as determined by the Issuer in its sole discretion, the portion of such Net Cash Proceeds so affected will not be required to be applied in compliance with this Section 3.7, and such amounts may be retained by the applicable Foreign Subsidiary; *provided* that if at any time within 18 months following the date on which the respective payment would otherwise have been required, such repatriation of any of such affected Net Cash Proceeds is permitted under the applicable local law or the applicable organizational document (the Issuer hereby agreeing to use commercially reasonable efforts to cause the applicable Foreign Subsidiary to take all actions reasonably required by the applicable local law or the applicable organizational document to permit such repatriation), an amount equal to such amount of Net Cash Proceeds so permitted to be repatriated, to the extent they constitute Applicable Proceeds, will be promptly applied (net of any taxes, costs or expenses that would be payable or reserved against if such amounts were actually repatriated whether or not they are repatriated) in compliance with this Section 3.7. The non-application of any prepayment amounts as a consequence of the foregoing provisions will not, for the avoidance of doubt, constitute a Default or an Event of Default. For the avoidance of doubt, nothing in this Indenture shall be construed to require Parent Guarantor or any Subsidiary to repatriate cash or to apply any Net Cash Proceeds described in clause (i) of this Section 3.7(c) in compliance with this Section 3.7 in the event that such repatriation is not permitted under the applicable local law or the applicable organizational document within 18 months following the date on which the respective payment would otherwise have been required.

(d) Pending the final application of any such amount of Net Cash Proceeds, Parent Guarantor or such Restricted Subsidiary may temporarily reduce Indebtedness under a revolving credit facility, if any, or otherwise invest or utilize such Net Cash Proceeds in any manner not prohibited by this Indenture. To the extent that Parent Guarantor does not invest or apply an amount equal to the Applicable

Proceeds as provided and within the time period set forth in Section 3.7(b), the Applicable Proceeds less amounts so invested or applied will be deemed to constitute “Excess Proceeds” (provided that any amount of proceeds offered to Holders pursuant to Section 3.7(b)(iii)(x) or pursuant to an Asset Sale Offer made at any time after the Asset Sale shall be deemed to have been applied as required and shall not be deemed to be Excess Proceeds without regard to the extent to which such offer is accepted by the Holders). When the aggregate amount of Excess Proceeds exceeds \$100.0 million, the Issuer shall make an offer (an “Asset Sale Offer”) to all Holders of Notes and, if required by the terms of any Pari Passu Indebtedness, to all Holders of such Pari Passu Indebtedness, to purchase the maximum principal amount of such Notes and Pari Passu Indebtedness, as appropriate, on a pro rata basis, that may be purchased out of the Excess Proceeds at an offer price, in the case of the Notes, in cash in an amount equal to 100.0% of the principal amount thereof (or in the event such other Indebtedness was issued with original issue discount, 100.0% of the accreted value thereof), plus accrued and unpaid interest, if any (or such lesser price with respect to Pari Passu Indebtedness, if any, as may be provided by the terms of such other Indebtedness), to (but not including) the date fixed for the closing of such offer, in accordance with the procedures set forth in this Indenture and the agreement governing such Pari Passu Indebtedness. The Issuer will commence an Asset Sale Offer with respect to Excess Proceeds within ten Business Days after the date that such Excess Proceeds exceed \$100.0 million by transmitting electronically or by mailing to the Holders the notice required pursuant to the terms of this Indenture, with a copy to the Trustee or otherwise in accordance with the procedures of DTC. For Notes that are represented by global certificates held on behalf of DTC, such notice may be given by delivery of such notice to DTC for communication to entitled account holders in substitution of the aforementioned mailing. The Issuer may satisfy the foregoing obligations with respect to such Excess Proceeds from an Asset Sale by making an Asset Sale Offer with respect to such Excess Proceeds at any time prior to the expiration of the application period or by electing to make an Asset Sale Offer with respect to such Excess Proceeds before the aggregate amount of Excess Proceeds exceeds \$100.0 million.

To the extent that the aggregate amount of Notes and any other Pari Passu Indebtedness tendered or otherwise surrendered in connection with an Asset Sale Offer made with Excess Proceeds is less than the amount offered in an Asset Sale Offer, the Issuer may use any remaining Excess Proceeds (any such amount, “Retained Declined Proceeds”) for any purpose not otherwise prohibited by this Indenture. If the aggregate principal amount of Notes and Pari Passu Indebtedness tendered or otherwise surrendered by Holders thereof exceeds the amount offered in an Asset Sale Offer, the Trustee shall select the Notes (and the Issuer or its agents shall select such Pari Passu Indebtedness) to be purchased in the manner described below. Upon completion of any such Asset Sale Offer, the amount of Excess Proceeds shall be reset at zero. To the extent the Excess Proceeds exceed the outstanding aggregate principal amount of the Notes (and, if required by the terms thereof, all Pari Passu Indebtedness), the Issuer need only make an Asset Sale Offer up to the outstanding aggregate principal amount of Notes (and any such Pari Passu Indebtedness), and any additional Excess Proceeds shall not be subject to this Section 3.7 and shall be permitted to be used for any purpose in the Issuer’s discretion.

(e) The Issuer will comply with the requirements of Rule 14e-1 under the Exchange Act and any other securities laws and regulations to the extent such laws or regulations are applicable in connection with the purchase of the Notes pursuant to an Asset Sale Offer. To the extent that the provisions of any securities laws or regulations conflict with the provisions of this Indenture, the Issuer will comply with the applicable securities laws and regulations and shall not be deemed to have breached its obligations under this Section 3.7 by virtue of such compliance.

(f) The provisions of this Section 3.7 relative to the Issuer’s obligation to make an offer to repurchase the Notes as a result of an Asset Sale may be waived or modified at any time with the written consent of the Holders of a majority in principal amount of the Notes then outstanding.

(g) If more Notes are tendered pursuant to an Asset Sale Offer than the Issuer is required to purchase, selection of such Notes for purchase will be made in compliance with the requirements of the principal national securities exchange, if any, on which the Notes are listed (so long as

the Paying Agent knows of such listing) or if such Notes are not listed, on a pro rata basis based on the total amount of Notes and Pari Passu Indebtedness tendered in connection with an Asset Sale Offer (with adjustments so that only Notes in denominations of the minimum denomination of \$150,000 or integral multiples of \$1,000 in excess thereof shall be purchased) by lot or by such other method as the Paying Agent shall deem fair and appropriate (and in such manner as complies with applicable legal requirements and the procedures of DTC); *provided* that the selection of Notes for purchase shall not result in a Holder with a principal amount of Notes less than the minimum denomination of \$150,000. No Note will be repurchased in part if less than the minimum denomination of such Note would be left outstanding.

(h) Notices of an Asset Sale Offer shall be sent by first class mail, postage prepaid, or sent electronically, at least ten days but not more than 60 days before the purchase date to each Holder of Notes at such Holder's registered address or otherwise in accordance with DTC procedures. If any Note is to be purchased in part only, any notice of purchase that relates to such Note shall state the portion of the principal amount thereof that has been or is to be purchased.

(i) A new Note in principal amount equal to the unpurchased portion of any Note (other than a Global Note) purchased in part will be issued in the name of the Holder thereof upon cancellation of the Note. On and after the purchase date, unless the Issuer defaults in payment of the purchase price, interest shall cease to accrue on Notes or portions thereof purchased.

(j) In the event of an Asset Sale in accordance with the provisions of this Indenture as a result of which the Issuer is no longer a Restricted Subsidiary of Parent Guarantor, upon completion of such Asset Sale, an entity that is organized or existing under the laws of the United States, any state or territory thereof or the District of Columbia shall become an obligor of the Notes.

SECTION 3.8. Transactions with Affiliates.

(a) Parent Guarantor will not, and will not permit any of its Restricted Subsidiaries to, directly or indirectly, make any payment to, or sell, lease, transfer or otherwise dispose of any of its properties or assets to, or purchase any property or assets from, or enter into or make or amend any transaction or series of transactions, contract, agreement, understanding, loan, advance or guarantee with, or for the benefit of, any Affiliate of Parent Guarantor involving aggregate consideration in excess of \$50.0 million (each of the foregoing, an "Affiliate Transaction"), unless:

(i) such Affiliate Transaction is on terms that are not materially less favorable to Parent Guarantor or the relevant Restricted Subsidiary than those that could have been obtained in a comparable transaction by Parent Guarantor or such Restricted Subsidiary with an unrelated Person on an arm's-length basis (as determined in good faith by the senior management or the Board of Directors of Parent Guarantor or any direct or indirect parent of Parent Guarantor); and

(ii) with respect to any Affiliate Transaction or series of related Affiliate Transactions involving aggregate consideration in excess of \$75.0 million, the Issuer delivers to the Trustee a resolution adopted in good faith by the majority of the Board of Directors of Parent Guarantor or any direct or indirect parent of Parent Guarantor, approving such Affiliate Transaction, together with an Officer's Certificate certifying that the Board of Directors of Parent Guarantor or any direct or indirect parent of Parent Guarantor determined or resolved that such Affiliate Transaction complies with Section 3.8(a)(i).

(b) The provisions of Section 3.8(a) shall not apply to the following:

(i) (a) transactions between or among Parent Guarantor and/or any of its Restricted Subsidiaries (or an entity that becomes a Restricted Subsidiary as a result of such transaction) and (b) any merger, amalgamation or consolidation of Parent Guarantor or any other direct or indirect parent of Parent Guarantor; *provided* that such parent entity shall have no material liabilities and no material assets (other than cash, Cash Equivalents and the Capital Stock of Parent Guarantor)

and such merger, amalgamation or consolidation is otherwise in compliance with the terms of this Indenture and effected for a bona fide business purpose;

(ii) (a) Restricted Payments permitted by this Indenture and (b) Permitted Investments;

(iii) transactions in which Parent Guarantor or any of its Restricted Subsidiaries, as the case may be, delivers to the Trustee a letter from an Independent Financial Advisor stating that such transaction is fair to Parent Guarantor or such Restricted Subsidiary from a financial point of view or meets the requirements of Section 3.8(a)(i);

(iv) payments, loans, advances or guarantees (or cancellation of loans, advances or guarantees) to employees, officers, directors, managers, consultants or independent contractors for bona fide business purposes or in the ordinary course of business;

(v) any agreement or arrangement as in effect as of the Issue Date or as thereafter amended, supplemented or replaced (so long as such amendment, supplement or replacement agreement is not materially disadvantageous to the Holders of the Notes when taken as a whole as compared to the original agreement or arrangement as in effect on the Issue Date (as determined in good faith by the senior management or the Board of Directors of Parent Guarantor or any direct or indirect parent of Parent Guarantor)) or any transaction or payments contemplated thereby;

(vi) [Reserved];

(vii) the existence of, or the performance by Parent Guarantor or any of its Restricted Subsidiaries of its obligations under the terms of, any stockholders or similar agreement (including any registration rights agreement or purchase agreement related thereto) to which it is a party as of the Issue Date or similar transactions, arrangements or agreements which it may enter into thereafter; *provided, however*, that the existence of, or the performance by Parent Guarantor or any of its Restricted Subsidiaries of its obligations under, any future amendment to any such existing transaction, arrangement or agreement or under any similar transaction, arrangement or agreement entered into after the Issue Date shall only be permitted by this clause (vii) to the extent that the terms of any such existing transaction, arrangement or agreement, together with all amendments thereto, taken as a whole, or new transaction, arrangement or agreement are not otherwise disadvantageous to the Holders of the Notes, in any material respect when taken as a whole as compared with the original transaction, arrangement or agreement as in effect on the Issue Date (as determined in good faith by the senior management or the Board of Directors of Parent Guarantor or any direct or indirect parent of Parent Guarantor) ;

(viii) transactions with customers, clients, suppliers or purchasers or sellers of goods or services, in each case, in the ordinary course of business and otherwise in compliance with the terms of this Indenture, which are fair to Parent Guarantor and its Restricted Subsidiaries in the reasonable determination of the Board of Directors or the senior management of Parent Guarantor or any direct or indirect parent of Parent Guarantor, or are on terms at least as favorable as might reasonably have been obtained at such time from an unaffiliated party;

(ix) any transaction effected as part of a Qualified Receivables Financing;

(x) the sale, issuance or transfer of Equity Interests (other than Disqualified Stock) of Parent Guarantor;

(xi) [Reserved];

(xii) any contribution to the capital of Parent Guarantor (other than Disqualified Stock) or any investments by a direct or indirect parent of Parent Guarantor in Equity Interests (other than Disqualified Stock of Parent Guarantor) of Parent Guarantor (and payment of

reasonable out-of-pocket expenses incurred by a direct or indirect parent of Parent Guarantor in connection therewith);

(xiii) any transaction with a Person (other than an Unrestricted Subsidiary) that would constitute an Affiliate Transaction solely because Parent Guarantor or a Restricted Subsidiary owns an Equity Interest in or otherwise controls such Person; *provided* that no Affiliate of Parent Guarantor or any of its Subsidiaries (other than Parent Guarantor or a Restricted Subsidiary) shall have a beneficial interest or otherwise participate in such Person;

(xiv) transactions between Parent Guarantor or any of its Restricted Subsidiaries and any Person that would constitute an Affiliate Transaction solely because such Person is a director, or such Person has a director who is also a director, of Parent Guarantor or any direct or indirect parent of Parent Guarantor; *provided, however*, that such director abstains from voting as a director of Parent Guarantor or such direct or indirect parent of Parent Guarantor, as the case may be, on any matter involving such other Person;

(xv) the entering into of any tax sharing agreement or arrangement and any payments permitted by Section 3.4(b)(xii), (xiii)(a) or (xiii)(e);

(xvi) [Reserved];

(xvii) pledges of Equity Interests of Unrestricted Subsidiaries;

(xviii) the issuances of securities or other payments, awards or grants in cash, securities or otherwise pursuant to, or the funding of, employment arrangements, equity purchase agreements, stock options and stock ownership plans or similar employee benefit plans approved by the Board of Directors of Parent Guarantor or any direct or indirect parent of Parent Guarantor in good faith;

(xix) (1) any employment, consulting, service or termination agreement, or customary indemnification arrangements, entered into by Parent Guarantor or any of its Restricted Subsidiaries with current, former or future officers, directors, employees, managers, consultants and independent contractors of Parent Guarantor or any of its Restricted Subsidiaries (or of any direct or indirect parent of Parent Guarantor to the extent such agreements or arrangements are in respect of services performed for Parent Guarantor or any of the Restricted Subsidiaries), (2) any subscription agreement or similar agreement pertaining to the repurchase of Equity Interests pursuant to put/call rights or similar rights with current, former or future officers, directors, employees, managers, consultants and independent contractors of Parent Guarantor or any of its Restricted Subsidiaries or of any direct or indirect parent of Parent Guarantor and (3) any payment of compensation or other employee compensation, benefit plan or arrangement, any health, disability or similar insurance plan which covers officers, directors, employees, managers, consultants and independent contractors of Parent Guarantor or any of its Restricted Subsidiaries or any direct or indirect parent of Parent Guarantor (including amounts paid pursuant to any management equity plan or any other management or employee benefit plan or agreement or any stock subscription or shareholder agreement, stock option or similar plans and any successor plan thereto and any supplemental executive retirement benefit plans or arrangements), in each case in the ordinary course of business or as otherwise approved in good faith by the Board of Directors of the Issuer or any direct or indirect parent of Parent Guarantor or of a Restricted Subsidiary, as appropriate;

(xx) investments by Affiliates in Indebtedness or preferred Equity Interests of Parent Guarantor or any of its Subsidiaries, so long as non-Affiliates were also offered the opportunity to invest in such Indebtedness or preferred Equity Interests, and transactions with Affiliates solely in their capacity as holders of Indebtedness or preferred Equity Interests of Parent Guarantor or any of its Subsidiaries, so long as such transaction is with all holders of such class (and there are such

non-Affiliate holders) and such Affiliates are treated no more favorably than all other holders of such class generally;

(xxi) the existence of, or the performance by Parent Guarantor or any of its Restricted Subsidiaries of their obligations under the terms of, any registration rights agreement to which they are, or to which any direct or indirect parent of Parent Guarantor is, a party or become a party in the future;

(xxii) investments by a direct or indirect parent of Parent Guarantor in debt securities of Parent Guarantor or debt securities or Preferred Stock of any Restricted Subsidiary (and payment of reasonable out-of-pocket expenses incurred by a direct or indirect parent of Parent Guarantor in connection therewith);

(xxiii) transactions with joint ventures for the purchase or sale of goods, equipment and services entered into in the ordinary course of business;

(xxiv) any lease entered into between Parent Guarantor or any Restricted Subsidiary, as lessee, and any Affiliate of Parent Guarantor, as lessor, in the ordinary course of business;

(xxv) (1) intellectual property licenses in the ordinary course of business and (2) intercompany intellectual property licenses and research and development agreements;

(xxvi) [Reserved]; and

(xxvii) intercompany transactions undertaken in good faith for the purpose of improving the consolidated tax efficiency of Parent Guarantor and its Restricted Subsidiaries and not for the purpose of circumventing any covenant set forth herein.

SECTION 3.9. Change of Control.

(a) Upon the occurrence of a Change of Control Triggering Event after the Issue Date, each Holder will have the right to require the Issuer to purchase all or any part of such Holder's Notes at a purchase price in cash (the "Change of Control Payment") equal to 101.0% of the principal amount thereof, plus accrued and unpaid interest, if any, to (but not including) the date of purchase (subject to the right of Holders of record on the relevant record date to receive interest due on the relevant interest payment date falling prior to or on the purchase date), except to the extent the Issuer has previously elected to redeem Notes pursuant to Article V of this Indenture.

(b) Prior to or within 30 days following any Change of Control Triggering Event, except to the extent that the Issuer has exercised its right to redeem the Notes as described under Section 5.1, the Issuer shall deliver a notice (a "Change of Control Offer") to each Holder with a copy to the Trustee, or otherwise in accordance with the procedures of DTC, describing:

(i) that a Change of Control Triggering Event has occurred or, if the Change of Control Offer is being made in advance of a Change of Control Triggering Event, that a Change of Control Triggering Event is expected to occur, and that such Holder has, or upon such occurrence will have, the right to require the Issuer to purchase such Holder's Notes at a purchase price in cash equal to 101.0% of the principal amount thereof, plus accrued and unpaid interest, if any, to (but not including) the date of purchase (subject to the right of Holders of record on a record date to receive interest on the relevant interest payment date falling prior to or on the purchase date);

(ii) the transaction or transactions that constitute, or are expected to constitute, such Change of Control Triggering Event;

(iii) the purchase date (which shall be no earlier than ten days nor later than 60 days (unless delivered in advance of the occurrence of such Change of Control Triggering Event) from the date such notice is delivered) (the “Change of Control Payment Date”);

(iv) that any Note not properly tendered shall remain outstanding and continue to accrue interest;

(v) that unless the Issuer defaults in the payment of the Change of Control Payment, all Notes accepted for payment pursuant to the Change of Control Offer will cease to accrue interest on the Change of Control Payment Date;

(vi) that Holders electing to have any Notes purchased pursuant to a Change of Control Offer will be required to surrender such Notes, with the form entitled “Option of Holder to Elect Purchase” on the reverse of such Notes completed, to the Paying Agent specified in the notice at the address specified in the notice prior to the close of business on the third Business Day preceding the Change of Control Payment Date;

(vii) that Holders will be entitled to withdraw their tendered Notes and their election to require the Issuer to purchase such Notes, *provided* that the Paying Agent receives, not later than the expiration time of the Change of Control Offer, a facsimile transmission or letter setting forth the name of the Holder of the Notes, the principal amount of Notes tendered for purchase, and a statement that such Holder is withdrawing its tendered Notes and its election to have such Notes purchased;

(viii) that if a Holder (other than a Holder of a Global Note) is tendering for purchase less than all of its Notes, the Issuer will issue new Notes and such new Notes will be equal in principal amount to the unpurchased portion of the Notes surrendered and the unpurchased portion of the Notes must be equal to \$150,000 or an integral multiple of \$1,000 in excess thereof;

(ix) that if such notice is delivered prior to the occurrence of a Change of Control, stating that the Change of Control Offer is conditional on the occurrence of such Change of Control; and

(x) the other instructions determined by the Issuer, consistent with this Section 3.9, that a Holder must follow in order to have its Notes purchased.

While the Notes are in global form and the Issuer makes an offer to purchase all of the Notes pursuant to the Change of Control Offer, a Holder of the Notes may exercise its option to elect for the purchase of the Notes to be made through the facilities of DTC in accordance with the rules and regulations thereof.

(c) On the Change of Control Payment Date, all Notes purchased by the Issuer under this Section 3.9 shall be delivered by the Issuer to the Trustee for cancellation, and the Issuer shall pay the purchase price plus accrued and unpaid interest, if any, to the Holders entitled thereto. With respect to any Note purchased in part, the Issuer shall issue a new Note in a principal amount equal at maturity to the unpurchased portion of the original Note in the name of the Holder upon cancellation of the original Note.

(d) Notwithstanding the foregoing provisions of this Section 3.9, the Issuer shall not be required to make a Change of Control Offer upon a Change of Control Triggering Event if (i) a third party makes the Change of Control Offer in the manner, at the times and otherwise in compliance with the requirements set forth in this Indenture applicable to a Change of Control Offer made by the Issuer and purchases all Notes validly tendered and not validly withdrawn under such Change of Control Offer, (ii) in connection with or in contemplation of any Change of Control, the Issuer (or any Affiliate of the Issuer) or a third party has made an offer to purchase, at the times and otherwise in compliance with the requirements

set forth in this Indenture applicable to a Change of Control Offer (an “Alternate Offer”), any and all Notes validly tendered at a cash price equal to or higher than the Change of Control Payment and has purchased all Notes validly tendered and not validly withdrawn in accordance with the terms of the Alternate Offer, or (iii) the Issuer has previously issued a notice of a full redemption pursuant to Section 5.1.

(e) Prior to any Change of Control Offer or Alternate Offer by the Issuer, the Issuer shall deliver to the Trustee an Officer’s Certificate stating that all conditions precedent contained herein to the right of the Issuer to make such offer have been complied with.

(f) The Issuer will comply, to the extent applicable, with the requirements of Rule 14e-1 of the Exchange Act and any other securities laws or regulations in connection with the repurchase of Notes pursuant to this Section 3.9. To the extent that the provisions of any securities laws or regulations conflict with provisions of this Section 3.9, the Issuer will comply with the applicable securities laws and regulations and shall not be deemed to have breached its obligations under this Section 3.9 by virtue of such compliance.

(g) A Change of Control Offer or an Alternate Offer may be made in advance of a Change of Control Triggering Event, and conditioned upon such Change of Control Triggering Event.

(h) On the Change of Control Payment Date, the Issuer will, to the extent permitted by law,

(i) accept for payment all Notes issued by the Issuer or portions thereof validly tendered and not withdrawn pursuant to the Change of Control Offer;

(ii) deposit with the Paying Agent an amount equal to the aggregate Change of Control Payment in respect of all Notes or portions thereof so tendered; and

(iii) deliver, or cause to be delivered, to the Registrar for cancellation the Notes so accepted together with an Officer’s Certificate to the Registrar stating that such Notes or portions thereof have been tendered to and purchased by the Issuer.

(i) The provisions of this Section 3.9 relating to the Issuer’s obligation to make an offer to purchase the Notes as a result of a Change of Control Triggering Event, including the definition of “Change of Control” or “Change of Control Triggering Event”, may be waived or modified at any time (including after a Change of Control Triggering Event) with the written consent of the Holders of a majority in principal amount of the Notes then outstanding.

SECTION 3.10. Maintenance of Insurance. The Issuer and the Guarantors shall maintain with financially sound and reputable insurance companies not Affiliates of the Issuer, insurance with respect to their properties and business against loss or damage of the kinds customarily insured against by Persons engaged in the same or similar business, of such types and in such amounts as are customarily carried under similar circumstances by such other Persons.

SECTION 3.11. Additional Guarantors. If, after the Issue Date, (a) any Restricted Subsidiary (including any newly formed, newly acquired or newly redesignated Restricted Subsidiary, but excluding any Receivables Subsidiary, any CFC, any CFC Holdco and the Issuer) that is not then the Issuer or a Guarantor guarantees or Incurs any Indebtedness under any Credit Agreement or (b) the Issuer otherwise elects to have any Restricted Subsidiary of Parent Guarantor or any direct or indirect parent of Parent Guarantor become a Guarantor, then, in each such case, Parent Guarantor shall cause such Restricted Subsidiary, in the case of clause (a) above, within 20 Business Days of the date that such Indebtedness under such Credit Agreement has been guaranteed or Incurred, to execute and deliver, or such direct or indirect parent of Parent Guarantor shall execute and deliver, to the Trustee a supplemental indenture pursuant to which such Restricted Subsidiary or direct or indirect parent of Parent Guarantor shall become a Guarantor under this Indenture providing for a Guarantee by such Restricted Subsidiary or direct or indirect

parent of Parent Guarantor on the same terms and conditions as those set forth in this Indenture and applicable to the other Guarantors. Such supplemental indenture shall include local law limitations to the extent applicable. A form of supplemental indenture for such purpose is attached as Exhibit E hereto.

Each Guarantee shall be released in accordance with Section 10.2(b).

SECTION 3.12. Compliance Certificate; Statement by Officers as to Default. The Issuer shall deliver to the Trustee, within 120 days after the end of each fiscal year of Parent Guarantor ending after the Issue Date, an Officer's Certificate to the effect that to the best knowledge of the signer thereof on behalf of the Issuer, the Issuer is or is not in default in the performance and observance of any of the terms, provisions and conditions of this Indenture (without regard to any period of grace or requirement of notice provided hereunder) and, if the Issuer (through its own action or omission or through the action or omission of any Guarantor as applicable) shall be in default, specifying all such defaults and the nature and status thereof of which such signer may have knowledge. The individual signing any certificate given by any Person pursuant to this Section 3.12 shall be the principal executive, financial or accounting officer of such Person or the direct or indirect parent of such Person, in compliance with TIA § 314(a)(4).

So long as any of the Notes are outstanding, upon any Officer becoming aware of any Default or Event of Default (unless such Default or Event of Default has been cured or waived within such 30-day period), the Issuer shall deliver to the Trustee, within 30 days after the occurrence thereof, an Officer's Certificate specifying such Default or Event of Default and what action the Issuer is taking or propose to take with respect thereto.

SECTION 3.13. [Reserved].

SECTION 3.14. Designation of Restricted and Unrestricted Subsidiaries.

(a) The Designating Party may designate any Subsidiary of Parent Guarantor (including any existing Subsidiary and any newly acquired or newly formed Subsidiary of Parent Guarantor but excluding the Issuer) to be an Unrestricted Subsidiary unless such Subsidiary or any of its Subsidiaries owns any Equity Interests or Indebtedness of, or owns or holds any Lien on any property of, Parent Guarantor or any other Subsidiary of Parent Guarantor that is not a Subsidiary of the Subsidiary to be so designated; *provided, however*, that either:

- (i) the Subsidiary to be so designated has total consolidated assets of \$1,000 or less; or
- (ii) if such Subsidiary has consolidated assets greater than \$1,000, then such designation would be permitted under Section 3.4.

(b) The Designating Party may designate any Unrestricted Subsidiary to be a Restricted Subsidiary; *provided, however*, that immediately after giving effect to such designation:

(x) (1) Parent Guarantor could Incur \$1.00 of Ratio Debt or (2) the Fixed Charge Coverage Ratio for Parent Guarantor and its Restricted Subsidiaries would be equal to or greater than such ratio for Parent Guarantor and its Restricted Subsidiaries immediately prior to such designation,

in each case on a Pro Forma Basis taking into account such designation, and

(y) no Event of Default shall have occurred and be continuing.

(c) Any designation by the Designating Party pursuant to this Section 3.14 shall be evidenced to the Trustee by promptly filing with the Trustee a copy of the resolution of the Board of Directors of Parent Guarantor, any direct or indirect parent of Parent Guarantor or the Issuer giving effect

to such designation and an Officer's Certificate certifying that such designation complied with this Section 3.14.

SECTION 3.15. Covenant Suspension.

(a) If on any date following the Issue Date (i) the Notes have Investment Grade Ratings from at least two Rating Agencies, and (ii) no Default (other than any Default that would not constitute a Default following a Covenant Suspension Event) has occurred and is continuing under this Indenture (the occurrence of the events described in the foregoing clauses (i) and (ii) being collectively referred to as a "Covenant Suspension Event"), (x) the Guarantees will be automatically and unconditionally released and discharged as, and to the extent, set forth in Section 10.2(b)(6) and (y) Sections 3.3, 3.4, 3.5(a) (to the extent the Issuer makes an election pursuant to Section 3.5(b)), 3.6, 3.7, 3.8, 3.11 and 4.1(a)(vi) (collectively, the "Suspended Covenants") shall no longer be applicable to such Notes.

(b) In the event that Parent Guarantor and its Restricted Subsidiaries are not subject to the Suspended Covenants under this Indenture for any period of time pursuant to Section 3.15(a) (any such period, a "Suspension Period"), and on any subsequent date (the "Reversion Date") due to the withdrawal of an Investment Grade Rating or the downgrade of the rating assigned to the Notes below an Investment Grade Rating, the Notes no longer have an Investment Grade Rating from two of the Rating Agencies, then Parent Guarantor and its Restricted Subsidiaries will thereafter again be subject to the Suspended Covenants under this Indenture with respect to future events.

(c) Upon the occurrence of a Covenant Suspension Event, the amount of Excess Proceeds from Net Cash Proceeds shall be reset at zero.

(d) With respect to Restricted Payments made after the Reversion Date, the amount of Restricted Payments made shall be calculated as though Section 3.4 had been in effect prior to, but not during the Suspension Period. No Subsidiary may be designated as an Unrestricted Subsidiary during the Suspension Period unless such designation would have complied with Section 3.4 as if Section 3.4 were in effect during such period. In addition, all Indebtedness Incurred, or Disqualified Stock or Preferred Stock issued, during the Suspension Period shall be classified to have been Incurred or issued pursuant to Section 3.3(b)(iii)(1). In addition, (i) for purposes of Section 3.8, all agreements and arrangements entered into by Parent Guarantor and any Restricted Subsidiary with an Affiliate of Parent Guarantor during the Suspension Period prior to such Reversion Date shall be deemed to have been entered into pursuant to Section 3.8(b)(v), (ii) for purposes of Section 3.6, all contracts entered into during the Suspension Period prior to such Reversion Date that contain any of the restrictions contemplated by such Section shall be deemed to have been entered into pursuant to Section 3.6(1) and (iii) for purposes of Section 3.5, any Lien incurred during the Suspension Period prior to such Reversion Date will be deemed to have been incurred pursuant to clause (7) of the definition of "Permitted Liens".

(e) In addition, during the Suspension Period, the Guarantees granted by Subsidiaries of the Parent Guarantor will be automatically released and the obligation to grant further Guarantees will be suspended. Upon the Reversion Date, the obligation to grant Guarantees pursuant to Section 3.11 will be reinstated (and the Reversion Date will be deemed to be the date on which any guaranteed Indebtedness was Incurred for purposes of Section 3.11).

(f) During the Suspension Period, any reference in the definitions of "Permitted Liens" or "Unrestricted Subsidiary" to Section 3.3 or any provision thereof shall be construed as if Section 3.3 had remained in effect since the Issue Date and during the Suspension Period.

(g) Notwithstanding that the Suspended Covenants may be reinstated, no Default or Event of Default will be deemed to have occurred as a result of any failure to comply with the Suspended Covenants during any Suspension Period, and Parent Guarantor and any Subsidiary of Parent Guarantor will be permitted, without causing a Default or Event of Default or breach of any of the Suspended Covenants (notwithstanding the reinstatement thereof) under this Indenture, to honor, comply with or

otherwise perform any contractual commitments or obligations entered into during a Suspension Period following a Reversion Date and to consummate the transactions contemplated thereby; *provided* that, to the extent any such commitment or obligation results in the making of a Restricted Payment, such Restricted Payment shall be made under Section 3.4(a)(C) or Section 3.4(b) and if not permitted by Section 3.4(a)(C) or Section 3.4(b), such Restricted Payment shall be deemed permitted by Section 3.4(a)(C) and shall be deducted for purposes of calculating the amount pursuant to Section 3.4(a)(C) (such that the amount available under Section 3.4(a)(C) immediately following such Restricted Payment shall be zero).

The Issuer shall provide an Officer's Certificate to the Trustee indicating the occurrence of any Covenant Suspension Event or Reversion Date. The Trustee will have no obligation to (i) independently determine or verify if such events have occurred, (ii) make any determination regarding the impact of actions taken during the Suspension Period on Parent Guarantor and its Restricted Subsidiaries' future compliance with their covenants or (iii) notify the Holders of any Covenant Suspension Event or Reversion Date.

SECTION 3.16. Stay, Extension and Usury Laws. The Issuer and each of the Guarantors covenant (to the extent that they may lawfully do so) that they shall not at any time insist upon, plead, or in any manner whatsoever claim or take the benefit or advantage of, any stay, extension or usury law wherever enacted, now or at any time hereafter in force, that may affect the covenants or the performance of this Indenture; and the Issuer and each of the Guarantors (to the extent that they may lawfully do so) hereby expressly waive all benefit or advantage of any such law, and covenant that they shall not, by resort to any such law, hinder, delay or impede the execution of any power herein granted to the Trustee, but shall suffer and permit the execution of every such power as though no such law has been enacted.

ARTICLE IV

Merger, Consolidation or Sale of Assets

SECTION 4.1. When the Issuer, Parent Guarantor and the Guarantors May Merge or Otherwise Dispose of Assets.

(a) Neither Parent Guarantor nor the Issuer may consolidate, merge or amalgamate with or into or wind up into (whether or not Parent Guarantor or the Issuer is the surviving Person), or sell, assign, transfer, lease, convey or otherwise dispose of all or substantially all of its properties or assets in one or more related transactions, to any Person (other than the merger, amalgamation or consolidation of the Issuer into Parent Guarantor or any other Guarantor, or of Parent Guarantor into the Issuer or any other Guarantor; *provided* that to the extent the Issuer merges into Parent Guarantor or any other Guarantor, after such merger, an entity that is organized or existing under the laws of the United States, any state or territory thereof or the District of Columbia shall become an obligor of the Notes) unless:

(i) with respect to the Issuer, it is the surviving Person or the Person formed by or surviving any such consolidation, merger, amalgamation or winding up (if other than the Issuer) or to which such sale, assignment, transfer, lease, conveyance or other disposition will have been made is a corporation, limited liability company or trust organized or existing under the laws of the United States, any state or territory thereof or the District of Columbia, or, if such entity is not organized or existing under the laws of the United States, any state or territory thereof or the District of Columbia, an obligor of the Notes is organized or existing under such laws;

(ii) with respect to Parent Guarantor, it is the surviving Person or the Person formed by or surviving any such consolidation, merger, amalgamation or winding up (if other than Parent Guarantor) or to which such sale, assignment, transfer, lease, conveyance or other disposition will have been made is a corporation, limited liability company or trust, or non-U.S. analog thereof, organized or existing under the laws of the United States, any state or territory thereof or the

District of Columbia, any member of the European Union (as it is constituted on the Issue Date), or the United Kingdom or Bermuda;

(iii) [Reserved];

(iv) the Person formed by or surviving any such consolidation, merger, amalgamation or winding up (if other than Parent Guarantor or the Issuer, as applicable) or to which such sale, assignment, transfer, lease, conveyance or other disposition will have been made (such Person or, as described in the foregoing clauses (i) and (ii), Parent Guarantor or the Issuer, the “Successor Company”) expressly assumes all the obligations of Parent Guarantor or the Issuer, as applicable, under this Indenture and the Notes pursuant to supplemental indentures or other documents or instruments;

(v) immediately after giving effect to such transaction (and treating any Indebtedness that becomes an obligation of the Successor Company or any of its Restricted Subsidiaries as a result of such transaction as having been Incurred by the Successor Company or such Restricted Subsidiary at the time of such transaction), no Default or Event of Default shall have occurred and be continuing;

(vi) immediately after giving pro forma effect to such transaction, as if such transaction had occurred at the beginning of the applicable four-quarter period, either:

(1) Parent Guarantor (or a Successor Company to Parent Guarantor, if applicable) would be permitted to Incur at least \$1.00 of additional Indebtedness as Ratio Debt; or

(2) either (i) the Fixed Charge Coverage Ratio for Parent Guarantor (or a Successor Company to Parent Guarantor, if applicable) and its Restricted Subsidiaries would be equal to or greater than such ratio for Parent Guarantor and its Restricted Subsidiaries immediately prior to such transaction or (ii) the Consolidated Total Net Debt Ratio for Parent Guarantor (or a Successor Company to Parent Guarantor, if applicable) and its Restricted Subsidiaries would be equal to or less than such ratio for Parent Guarantor and its Restricted Subsidiaries immediately prior to such transaction;

(vii) each Guarantor, unless it is the other party to the transactions described above shall have by supplemental indenture confirmed that its Guarantee shall apply to such Person’s Obligations under this Indenture and the Notes; and

(viii) the Issuer shall have delivered to the Trustee an Officer’s Certificate and an Opinion of Counsel, each stating that such consolidation, merger, amalgamation, winding up, sale, assignment, transfer, lease, conveyance or other disposition, as the case may be, and such supplemental indentures (if any) comply with this Indenture.

The Successor Company (if other than Parent Guarantor or the Issuer) will succeed to, and be substituted for, Parent Guarantor or the Issuer, as the case may be, under this Indenture and the Notes, and (if the Successor Company is other than Parent Guarantor or the Issuer) the Issuer or Parent Guarantor, as applicable, will automatically be released and discharged from its obligations under this Indenture and the Notes. For the avoidance of doubt, (a) Parent Guarantor or the Issuer may consolidate or amalgamate with, merge into or sell, assign, transfer, lease, convey or otherwise dispose of all or part of its properties and assets to the Issuer or any Guarantor, (b) Parent Guarantor or the Issuer may merge, consolidate or amalgamate with an Affiliate of Parent Guarantor or the Issuer, as the case may be, incorporated or organized solely for the purpose of reincorporating or reorganizing Parent Guarantor or the Issuer in another state of the United States, the District of Columbia or any territory of the United States or any member of the European Union (as it is constituted on the Issue Date) or the United Kingdom, so long as the principal amount of Indebtedness of Parent Guarantor and its Restricted Subsidiaries is not increased

thereby (unless such increase is permitted by this Indenture), (c) Parent Guarantor or the Issuer, as the case may be, may convert into a corporation, limited liability company or trust, or non-U.S. analog thereof, organized or existing under the laws of the jurisdiction of organization of Parent Guarantor or the Issuer, as the case may be, or the laws of the United States, any state or territory thereof or the District of Columbia; *provided* that, in the case of each of clauses (a), (b) or (c), if the resulting entity is not organized or existing under the laws of the United States, any state or territory thereof or the District of Columbia, an obligor of the Notes remains in existence or is organized or existing under such laws, (d) the Issuer or any Guarantor may change its name, (e) any Restricted Subsidiary may merge, amalgamate or consolidate with Parent Guarantor or the Issuer; *provided* that Parent Guarantor or the Issuer is the Successor Company in such merger, amalgamation or consolidation, and (f) a Designating Party may designate any Guarantor (including any Person that becomes a Guarantor pursuant to Section 3.11) to be “Parent Guarantor” under this Indenture pursuant to a New Parent Guarantor Designation.

(b) Subject to Section 10.2, each Guarantor will not, and Parent Guarantor will not permit any Guarantor to, consolidate, merge or amalgamate with or into or wind up into (whether or not such Guarantor is the surviving corporation), or sell, assign, transfer, lease, convey or otherwise dispose of all or substantially all of its properties or assets in one or more related transactions to, any Person unless:

(i) (A) such Guarantor is the surviving Person or the Person formed by or surviving any such consolidation, merger, amalgamation or winding up (if other than such Guarantor) or to which such sale, assignment, transfer, lease, conveyance or other disposition will have been made is a corporation, partnership, limited partnership or, limited liability company or trust, or non-U.S. analog thereof, organized or existing under (1) the laws of the jurisdiction of organization of any Guarantor, (2) the laws of the United States, any state or territory thereof or the District of Columbia or (3) the laws of another jurisdiction so long as, in the case of this clause (3), the Guarantee provided by such surviving Guarantor is substantially equivalent to the Guarantee provided under the laws of the jurisdiction of organization of another Guarantor (such Guarantor or such Person, as the case may be, being herein called the “Successor Guarantor”);

(B) the Successor Guarantor (if other than such Guarantor) expressly assumes all the obligations of such Guarantor under this Indenture and such Guarantor’s Guarantee pursuant to a supplemental indenture or other documents or instruments;

(C) immediately after giving effect to such transaction (and treating any Indebtedness that becomes an obligation of the Successor Guarantor or any of its Restricted Subsidiaries as a result of such transaction as having been Incurred by the Successor Guarantor or such Subsidiary at the time of such transaction), no Default or Event of Default shall have occurred and be continuing; and

(D) the Successor Guarantor (if other than such Guarantor) shall have delivered or caused to be delivered to the Trustee an Officer’s Certificate and an Opinion of Counsel, each stating that such consolidation, merger, amalgamation, winding up, sale, assignment, transfer, lease, conveyance or other disposition, as the case may be, and such supplemental indenture (if any) comply with this Indenture; or

(ii) such sale or disposition or consolidation, amalgamation or merger is made in compliance with Section 3.7.

(c) Subject to Article X, the Successor Guarantor will succeed to, and be substituted for, such Guarantor under this Indenture and such Guarantor’s Guarantee, and such Guarantor will automatically be released and discharged from its obligations under this Indenture and such Guarantor’s Guarantee. Notwithstanding the foregoing, (1) a Guarantor may merge, consolidate or amalgamate with an Affiliate of Parent Guarantor incorporated or organized solely for the purpose of reincorporating or reorganizing such Guarantor in the United States, any state or territory thereof or the District of Columbia or any member of the European Union on the Issue Date or the United Kingdom, so long as the principal

amount of Indebtedness of Parent Guarantor and the Restricted Subsidiaries is not increased thereby (unless such increase is permitted by this Indenture), (2) a Guarantor may (a) consolidate, merge or amalgamate with or into or wind up into, or sell, assign, transfer, lease, convey or otherwise dispose of all or substantially all of its properties and assets to, the Issuer or a Guarantor or (b) dissolve if such Guarantor sells, assigns, transfers, leases, conveys or otherwise disposes of all or substantially all of its properties and assets to another Person in compliance with Section 3.7 and after giving effect to such sale, assignment, transfer, lease, conveyance or disposition has no or a de minimis amount of assets, (3) a Guarantor may convert into a corporation, partnership, limited partnership, limited liability company or trust, or non-U.S. analog thereof, organized or existing under the laws of the jurisdiction of organization of such Guarantor or the laws of the United States, any state or territory thereof or the District of Columbia or any member of the European Union on the Issue Date or the United Kingdom, (4) a Guarantor may change its name and (5) any Restricted Subsidiary may merge, amalgamate or consolidate with or into any Guarantor; *provided*, in the case of this clause (5), that the surviving Person (i) is a corporation, partnership, limited partnership or limited liability company or trust, or non-U.S. analog thereof, organized or existing under the laws of the United States, any state or territory thereof or the District of Columbia, any member of the European Union or the United Kingdom or the jurisdiction of organization of such Restricted Subsidiary or Guarantor and (ii) is or becomes a Guarantor upon consummation of such merger, amalgamation or consolidation.

(d) For purposes of this Section 4.1, the sale, lease, conveyance, assignment, transfer or other disposition of all or substantially all of the properties and assets of one or more Subsidiaries of Parent Guarantor, which properties and assets, if held by Parent Guarantor instead of such Subsidiaries, would constitute all or substantially all of the properties and assets of Parent Guarantor on a consolidated basis, shall be deemed to be the transfer of all or substantially all of the properties and assets of Parent Guarantor.

ARTICLE V

Redemption of Notes

SECTION 5.1. Optional Redemption.

(a) The Notes may be redeemed, in whole at any time, or in part from time to time, subject to the conditions and at the redemption prices set forth in Paragraph 6 of the form of Note set forth in Exhibit A hereto, which is hereby incorporated by reference and made a part of this Indenture, together with accrued and unpaid interest to, but excluding, the Redemption Date.

(b) In connection with any redemption of Notes (including with the net cash proceeds of an Equity Offering), any such redemption may, at the Issuer's discretion, be subject to one or more conditions precedent, including, but not limited to, consummation of any related Equity Offering. The Redemption Date of any redemption that is subject to satisfaction of one or more conditions precedent may, in the Issuer's discretion and to the extent stated in the applicable redemption notice, be delayed until such time as any or all such conditions shall be satisfied (or waived by the Issuer in its sole discretion), or such redemption may not occur and any notice with respect to such redemption may be modified, extended or rescinded in the event that any or all such conditions shall not have yet been satisfied (or waived by the Issuer in its sole discretion) by the Redemption Date, or by the Redemption Date so delayed (which may exceed 60 days from the date of the redemption notice in such case), by providing notice thereof to the Holders.

(c) Unless the Issuer defaults in the payment of the redemption price, interest shall cease to accrue on the Notes or portions thereof called for redemption on the applicable Redemption Date.

SECTION 5.2. Election to Redeem; Notice to Trustee of Optional and Mandatory Redemptions. If the Issuer elect to redeem Notes pursuant to Section 5.1, the Issuer shall furnish to the Trustee, at least two Business Days for Global Notes and 10 calendar days for Definitive Notes before notice of redemption is required to be mailed or caused to be mailed to Holders pursuant to Section 5.4 (or,

in each case, such shorter period as may be acceptable to the Trustee), an Officer's Certificate setting forth (a) the paragraph or subparagraph of such Note and/or Section of this Indenture pursuant to which the redemption shall occur, (b) the Redemption Date, (c) the principal amount of the Notes to be redeemed and (d) the redemption price. The Issuer may also include a request in such Officer's Certificate that the Trustee give the notice of redemption in the Issuer's name and at its expense and setting forth the information to be stated in such notice as provided in Section 5.4. The Issuer shall deliver to the Trustee such documentation and records as shall enable the Trustee to select the Notes to be redeemed pursuant to Section 5.3.

SECTION 5.3. Selection by Paying Agent of Notes to Be Redeemed. If less than all of the Notes are to be redeemed at any time, the Paying Agent shall select the Notes for redemption in compliance with the requirements of the principal national securities exchange, if any, on which such Notes are listed (so long as the Paying Agent knows of such listing), or if such Notes are not so listed, on a pro rata basis, by lot or by such other method as the Paying Agent shall deem fair and appropriate (and in such manner as complies with applicable legal requirements and, in the case of Global Notes, the procedures of DTC) in minimum denominations of \$150,000 and in integral multiples of \$1,000 in excess thereof; *provided* that the selection of Notes for redemption shall not result in a Holder of Notes with a principal amount of Notes less than the minimum denomination of \$150,000. If any Note is to be purchased or redeemed in part only, the notice of purchase or redemption relating to such Note shall state the portion of the principal amount thereof that has been or is to be purchased or redeemed. A new Note in principal amount equal to the unredeemed portion thereof shall be issued in the name of the Holder thereof upon cancellation of the original Note in accordance with Section 5.7. On and after the Redemption Date, interest will cease to accrue on Notes or portions thereof called for redemption so long as the Issuer has deposited or caused to be deposited with the Paying Agent funds sufficient to pay the principal and premium, if any, plus accrued and unpaid interest, if any, on the Notes to be redeemed.

The Paying Agent shall promptly notify the Issuer in writing of the Notes selected for redemption and, in the case of any Notes selected for partial redemption, the principal amount thereof to be redeemed.

For all purposes of this Indenture, unless the context otherwise requires, all provisions relating to redemption of Notes shall relate, in the case of any Note redeemed or to be redeemed only in part, to the portion of the principal amount of such Note which has been or is to be redeemed.

SECTION 5.4. Notice of Redemption. The Issuer shall mail or cause to be mailed by first class mail to each Holder's registered address or otherwise in accordance with the procedures of DTC a notice of redemption to each Holder whose Notes are to be redeemed not less than ten nor more than 60 days prior to a date fixed for redemption (a "Redemption Date"); *provided, however*, that redemption notices may be mailed more than 60 days prior to a Redemption Date if the notice is issued pursuant to Article VIII or, in the case of a redemption that is subject to one or more conditions precedent, if the Redemption Date is extended as permitted under this Indenture. At the Issuer's written request, the Trustee may give notice of redemption in the Issuer's name and at the Issuer's expense.

All notices of redemption shall be prepared by the Issuer and shall state:

- (a) the Redemption Date,
- (b) the redemption price and the amount of accrued interest to, but excluding, the Redemption Date payable as provided in Section 5.6, if any,
- (c) if less than all outstanding Notes are to be redeemed, the identification of the particular Notes (or portion thereof) to be redeemed, as well as the aggregate principal amount of Notes to be redeemed and the aggregate principal amount of Notes to be outstanding after such partial redemption,

- (d) in case any Note is to be redeemed in part only, the notice that relates to such Note shall state that on and after the Redemption Date, upon surrender of such Note, the Holder shall receive, without charge, a new Note or Notes of authorized denominations for the principal amount thereof remaining unredeemed,
- (e) that on the Redemption Date the redemption price (and accrued interest to, but excluding, the Redemption Date payable as provided in Section 5.6, if any) shall become due and payable upon each such Note, or the portion thereof, to be redeemed, and, unless the Issuer defaults in making the redemption payment, that interest on Notes called for redemption (or the portion thereof) shall cease to accrue on and after said date,
- (f) the place or places where such Notes are to be surrendered for payment of the redemption price and accrued interest, if any,
- (g) the name and address of the Paying Agent,
- (h) that Notes called for redemption must be surrendered to the Paying Agent to collect the redemption price,
- (i) the CUSIP or ISIN number, as applicable, and that no representation is made as to the accuracy or correctness of the CUSIP or ISIN number, if any, listed in such notice or printed on the Notes, and
- (j) the Section of this Indenture pursuant to which the Notes are to be redeemed.

At the Issuer's request, the Trustee or the Paying Agent shall give the notice of redemption in the Issuer's name and at its expense; *provided, however*, that the Issuer shall have delivered to the Trustee or the Paying Agent, at least 1 Business Day prior to when the notice of redemption is to be given, an Officer's Certificate requesting that the Trustee or the Paying Agent give such notice and setting forth the information to be stated in such notice as provided in the preceding paragraph. Such Officer's Certificate shall state that all conditions precedent to the delivery of such notice have been complied with.

SECTION 5.5. Deposit of Redemption Price. Prior to 11:00 a.m. New York City time on any Redemption Date, the Issuer shall deposit with the Trustee or the Paying Agent (or, if the Parent Guarantor or any of its Subsidiaries is acting as the Paying Agent, segregate and hold in trust as provided in Section 2.4) an amount of money sufficient to pay the redemption price of, and accrued interest on, all the Notes which are to be redeemed on that date.

SECTION 5.6. Notes Payable on Redemption Date. Notice of redemption having been given as aforesaid, the Notes so to be redeemed shall, on the Redemption Date, become due and payable at the redemption price therein specified (together with accrued interest, if any, to, but excluding, the Redemption Date), and from and after such date (unless the Issuer shall default in the payment of the redemption price and accrued interest, if any, to, but excluding, the Redemption Date) such Notes shall cease to bear interest. Upon surrender of any such Note for redemption in accordance with said notice, such Note shall be paid by the Issuer at the redemption price, together with accrued interest, if any, to, but excluding, the Redemption Date (subject to the rights of Holders of record on the relevant Record Date to receive interest due on the relevant Interest Payment Date).

If any Note called for redemption shall not be so paid upon surrender thereof for redemption, the principal (and premium, if any) shall, until paid, bear interest from the Redemption Date at the rate borne by the Notes.

If a Redemption Date is on or after a Record Date and on or before the related Interest Payment Date, the accrued and unpaid interest, if any, shall be paid to the Person in whose name the Note is registered at the close of business on such Record Date, and no further interest shall be payable to Holders whose Notes shall be subject to redemption by the Issuer.

SECTION 5.7. Notes Redeemed in Part. Any Note which is to be redeemed only in part (pursuant to the provisions of this Article) shall be surrendered at the office or agency of the Issuer maintained for such purpose pursuant to Section 2.3 (with, if the Issuer so require, due endorsement by, or a written instrument of transfer in form satisfactory to the Issuer duly executed by, the Holder thereof or such Holder's attorney duly authorized in writing), and the Issuer shall execute, and the Trustee (or Authenticating Agent, as applicable) upon receipt of an Authentication Order shall authenticate and make available for delivery to the Holder of such Note at the expense of the Issuer, a new Note or Notes, of any authorized denomination as requested by such Holder, in an aggregate principal amount equal to and in exchange for the unredeemed portion of the principal of the Note so surrendered, *provided* that each such new Note shall be in a minimum principal amount of \$150,000 and integral multiples of \$1,000 in excess thereof.

SECTION 5.8. Offer to Repurchase. In the event that, pursuant to Section 3.7, the Issuer is required to commence an offer to all Holders to purchase the Notes (an "Offer to Repurchase"), it shall follow the procedures specified below:

(a) The Offer to Repurchase shall remain open for a period of at least 20 Business Days following its commencement and not more than 30 Business Days, except to the extent that a longer period is required by applicable law (the "Offer Period"). No later than five Business Days after the termination of the Offer Period (the "Purchase Date"), the Issuer shall apply all Excess Proceeds (the "Offer Amount") to the purchase of Notes and such Pari Passu Indebtedness, if any (in each instance, on a pro rata basis, if applicable), or, if less than the Offer Amount has been tendered, all Notes and other Indebtedness tendered in response to the Offer to Repurchase. Payment for any Notes so purchased shall be made pursuant to Section 3.1.

(b) If the Purchase Date is on or after a Record Date and on or before the related Interest Payment Date, any accrued and unpaid interest, if any, shall be paid to the Person in whose name a Note is registered at the close of business on such Record Date, and no additional interest shall be payable to Holders who tender Notes pursuant to the Offer to Repurchase.

(c) Upon the commencement of an Offer to Repurchase, the Issuer shall send, by first class mail, a notice to the Trustee, the Paying Agent and each of the Holders. The notice shall contain all instructions and materials necessary to enable such Holders to tender Notes pursuant to the Offer to Repurchase. The notice, which shall govern the terms of the Offer to Repurchase, shall state:

(i) that the Offer to Repurchase is being made pursuant to this Section 5.8 and Section 3.7, and the length of time the Offer to Repurchase shall remain open;

(ii) the Offer Amount, the purchase price and the Purchase Date;

(iii) that any Note not tendered or accepted for payment shall continue to accrue interest;

(iv) that, unless the Issuer defaults in making such payment, any Note accepted for payment pursuant to the Offer to Repurchase shall cease to accrue interest after the Purchase Date;

(v) that Holders electing to have a Note purchased pursuant to an Offer to Repurchase may elect to have Notes purchased in a minimum amount of \$150,000 or an integral multiple of \$1,000 in excess thereof only;

(vi) that Holders electing to have Notes purchased pursuant to any Offer to Repurchase shall be required to surrender the Note, with the form entitled "Option of Holder to Elect Purchase" attached to the Notes completed, or transfer by book-entry transfer, to the Issuer, the Depositary, if appointed by the Issuer, or the Paying Agent at the address specified in the notice at least three days before the Purchase Date;

(vii) that Holders shall be entitled to withdraw their election if the Issuer, the Depositary or the Paying Agent, as the case may be, receives, not later than on the expiration of the Offer Period, a facsimile transmission or letter setting forth the name of the Holder, the principal amount of Notes the Holder delivered for purchase and a statement that such Holder is withdrawing his election to have such Notes purchased;

(viii) that, if the aggregate principal amount of Notes and, if applicable, Pari Passu Indebtedness, if any, surrendered by Holders thereof exceeds the Offer Amount, the Trustee or the Paying Agent shall select the Notes and, if applicable, the Issuer shall select such Pari Passu Indebtedness to be purchased or prepaid, on a pro rata basis based on the principal amount of Notes and Pari Passu Indebtedness, if any, surrendered (with such adjustments as may be deemed appropriate by the Issuer so that only Notes in minimum denominations of \$150,000, or integral multiples of \$1,000 in excess thereof, shall be purchased); and

(ix) that Holders whose Notes were purchased only in part shall be issued new Notes equal in principal amount to the unpurchased portion of the Notes surrendered (or transferred by book-entry transfer).

(d) On or before the Purchase Date, the Issuer shall, to the extent lawful, accept for payment, on a pro rata basis to the extent necessary, the Offer Amount of Notes or portions thereof tendered pursuant to the Offer to Repurchase, or if less than the Offer Amount has been tendered, all Notes tendered, and shall deliver or cause to be delivered to the Trustee the Notes properly accepted together with an Officer's Certificate stating that such Notes or portions thereof were accepted for payment by the Issuer in accordance with the terms of this Section 5.8. The Issuer, the Depositary or the Paying Agent, as the case may be, shall promptly (but in any case not later than five days after the Purchase Date) mail or deliver to each tendering Holder an amount equal to the purchase price of the Notes tendered by such Holder and accepted by the Issuer for purchase, and the Issuer shall promptly issue a new Note, and the Trustee, upon written request from the Issuer, shall authenticate and mail or deliver (or cause to be transferred by book entry) such new Note to such Holder, in a principal amount equal to any unpurchased portion of the Note surrendered. Any Note not so accepted shall be promptly mailed or delivered by the Issuer to the Holder thereof. The Issuer shall publicly announce the results of the Offer to Repurchase on the Purchase Date.

SECTION 5.9. [Reserved].

SECTION 5.10. Additional Redemptions and Repurchases. At any time, in connection with any tender offer or other offer to purchase any series of Notes (including pursuant to a Change of Control Offer, Alternate Offer or Asset Sale Offer), if not less than 90.0% in aggregate principal amount of the outstanding Notes are purchased by the Issuer, or any third party purchasing or acquiring in lieu of the Issuer, the Issuer or such third party will have the right to redeem or purchase, as applicable, all Notes that remain outstanding following such purchase at a price equal to the price paid to Holders in such purchase (which may be less than par and shall exclude any early tender premium and any accrued and unpaid interest paid to any Holder in such tender offer payment), plus, to the extent not included in the tender offer payment, accrued and unpaid interest, if any, to (but not including) the date of redemption or purchase (subject to the right of Holders of record on the relevant record date to receive interest due on the relevant interest payment date falling prior to or on the date of redemption or purchase).

ARTICLE VI

Defaults and Remedies

SECTION 6.1. Events of Default. Each of the following is an Event of Default with respect to the Notes:

- (i) a default in any payment of interest on any Note when due, continued for 30 days;

(ii) a default in the payment of principal or premium, if any, of any Note when due at its Stated Maturity, upon optional redemption (in the case of optional redemption, to the extent such Event of Default arises from the failure to pay the redemption price that is then due and is not subject to any conditions in connection with such optional redemption that have not been satisfied), upon required purchase, upon acceleration or otherwise;

(iii) the failure by Parent Guarantor or any Restricted Subsidiary to comply for 60 days after receipt of written notice with any of its obligations, covenants or agreements (other than a default pursuant to Sections 6.1(i) or 6.1(ii)) contained in the Notes or this Indenture; *provided* that in the case of a failure to comply with Section 3.2, such period of continuance of such default or breach shall be 180 days;

(iv) the failure by Parent Guarantor or any Restricted Subsidiary to pay the principal amount of any Indebtedness for borrowed money (other than Indebtedness for borrowed money owing to Parent Guarantor or a Restricted Subsidiary) within any applicable grace period after final maturity or the acceleration of any such Indebtedness by the holders thereof because of a default, in each case, if the total amount of such Indebtedness unpaid at final maturity or acceleration exceeds \$100.0 million or its foreign currency equivalent;

(v) Parent Guarantor or any Significant Subsidiary pursuant to or within the meaning of any Bankruptcy Law:

- (1) commences a voluntary case;
- (2) consents to the entry of an order for relief against it in any voluntary case;
- (3) consents to the appointment of a Custodian of it or for any substantial part of its property; or
- (4) makes a general assignment for the benefit of its creditors;

or takes any comparable action under any foreign laws relating to insolvency;

(vi) a court of competent jurisdiction enters an order or decree under any Bankruptcy Law that:

- (1) is for relief against Parent Guarantor or any Significant Subsidiary in an involuntary case;
- (2) appoints a Custodian of Parent Guarantor or any Significant Subsidiary or for any substantial part of its property; or
- (3) orders the winding up or liquidation of Parent Guarantor or any Significant Subsidiary;

or any similar relief is granted under any foreign laws and the order or decree remains unstayed and in effect for 60 days;

(vii) failure by Parent Guarantor or any Significant Subsidiary to pay final and non-appealable judgments aggregating in excess of \$100.0 million or its foreign currency equivalent (net of any amounts which are covered by enforceable insurance policies issued by solvent insurance companies), which judgments are not discharged, waived or stayed for a period of 60 days after such judgment becomes final and, in the event such judgment is covered by insurance, an enforcement proceeding has been commenced by any creditor upon such judgment or decree that is not promptly stayed; or

(viii) the Guarantee of a Significant Subsidiary ceases to be in full force and effect (except as contemplated by the terms thereof or of this Indenture), or any Guarantor that is a Significant Subsidiary denies in writing that it has any further liability under its Guarantee or gives written notice to such effect (other than by reason of the termination or discharge of this Indenture or the release of any such Guarantee in accordance with this Indenture) and such Default continues for ten days.

The foregoing will constitute Events of Default whatever the reason for any such Event of Default and whether it is voluntary or involuntary or is effected by operation of law or pursuant to any judgment, decree or order of any court or any order, rule or regulation of any administrative or governmental body.

However, a default under Section 6.1(iii) shall not constitute an Event of Default until the Trustee or the Holders of at least 30.0% in principal amount of outstanding Notes notify the Issuer in writing of the default and such default is not cured within the time specified in Section 6.1(iii) after receipt of such notice; *provided* that if such default is only with respect to one series of Notes (or less than all series of Notes) then outstanding under this Indenture, then only Holders of at least 30.0% in principal amount of outstanding Notes of such series shall be required to notify the Issuer in writing of the default in accordance with this paragraph.

SECTION 6.2. Acceleration. If an Event of Default (other than an Event of Default specified in Section 6.1(v) or (vi)) above with respect to Parent Guarantor or the Issuer) occurs and is continuing, the Trustee or the Holders of at least 30.0% in principal amount of outstanding Notes by written notice to the Issuer may declare the principal of, premium, if any, and accrued but unpaid interest, on all Notes to be due and payable; *provided* that if such Event of Default is only with respect to one series of Notes (or less than all series of Notes) then outstanding under this Indenture, then only Holders of at least 30.0% in principal amount of outstanding Notes of such series shall be required to declare the principal of, premium, if any, and accrued but unpaid interest, on all Notes to be due and payable in accordance with this Section 6.2. Upon such a declaration, such principal and interest will be due and payable immediately. If an Event of Default arising from Section 6.1(v) or (vi) of Parent Guarantor or the Issuer occurs, the principal of, premium, if any, and interest on all the Notes shall become immediately due and payable without any declaration or other act on the part of the Trustee or any Holders.

SECTION 6.3. Other Remedies. If an Event of Default with respect to a series of Notes occurs and is continuing, the Trustee may pursue any available remedy to collect the payment of principal of or interest on the Notes of such series or to enforce the performance of any provision of the Notes of such series, this Indenture (including sums owed to the Trustee and its agents and counsel) and the Guarantees.

The Trustee may maintain a proceeding even if it does not possess any of the Notes or does not produce any of them in the proceeding. A delay or omission by the Trustee or any Holder in exercising any right or remedy accruing upon an Event of Default shall not impair the right or remedy or constitute a waiver of or acquiescence in the Event of Default. No remedy is exclusive of any other remedy. All available remedies are cumulative.

SECTION 6.4. Waiver of Past Defaults. Holders of the Notes, by written notice to the Trustee may, in accordance with Section 9.2, waive, rescind or cancel any declaration of an existing or past Default or Event of Default and its consequences under this Indenture if such waiver, rescission or cancellation would not conflict with any judgment or decree, except a continuing Default or Event of Default in the payment of interest or premium on, or the principal of, the Notes (other than such nonpayment of principal or interest that has become due as a result of such acceleration). Upon any such waiver, such Default shall cease to exist, and any Event of Default arising therefrom shall be deemed to have been cured for every purpose of this Indenture; but no such waiver shall extend to any subsequent or other Default or impair any right consequent thereon.

In the event of any Event of Default arising from Section 6.1(iv), such Event of Default and all consequences thereof (excluding, however, any resulting payment default, other than as a result of acceleration of the Notes) shall be annulled, waived and rescinded, automatically and without any action by the Trustee or the Holders, if prior to 20 days after such Event of Default arose, the Issuer delivers an Officer's Certificate to the Trustee stating that (x) the Indebtedness or guarantee that is the basis for such Event of Default has been discharged or (y) the Holders thereof have rescinded or waived the acceleration, notice or action (as the case may be) giving rise to such Event of Default or (z) the default that is the basis for such Event of Default has been cured.

SECTION 6.5. Control by Majority. The Holders of a majority in principal amount of the then outstanding Notes of a series may direct the time, method and place of conducting any proceeding for any remedy available to the Trustee or of exercising any trust or power conferred on the Trustee. The Trustee, however, may refuse to follow any direction that conflicts with law or this Indenture or that the Trustee determines is unduly prejudicial to the rights of any other Holder or that would involve the Trustee in personal liability unless such Holders have offered to the Trustee security and indemnity satisfactory to it against any loss, liability or expense. Prior to taking any action under this Indenture, the Trustee shall be entitled to security or indemnification satisfactory to it in its sole discretion against all losses, liabilities and expenses that may be caused by taking or not taking such action, and shall be entitled to rely on, and not liable for any action taken or omitted pursuant to, the advice of legal counsel acceptable to the Trustee. The Trustee may act through attorneys or agents but will not be liable or responsible for the acts or omissions of any such attorney or agent appointed with due care.

SECTION 6.6. Limitation on Suits. In case an Event of Default occurs and is continuing, the Trustee will be under no obligation to exercise any of the rights or powers under this Indenture at the request or direction of any of the Holders unless such Holders have offered to the Trustee indemnity or security satisfactory to it against any loss, liability or expense. Except to enforce the right to receive payment of principal, premium (if any) or interest when due, no Holder may pursue any remedy with respect to this Indenture or the Notes unless:

- (i) such Holder has previously given the Trustee written notice that an Event of Default is continuing;
- (ii) Holders of at least 30.0% of the aggregate principal amount of the outstanding Notes of the applicable series have requested in writing the Trustee to pursue the remedy;
- (iii) such Holders have offered the Trustee security or indemnity satisfactory to it in respect of any loss, liability or expense;
- (iv) the Trustee has not complied with such request within 60 days after the receipt of the request and the offer of security or indemnity; and
- (v) the Holders of a majority in principal amount of the outstanding Notes have not given the Trustee a written direction inconsistent with such request within such 60-day period.

SECTION 6.7. [Reserved].

SECTION 6.8. Collection Suit by Trustee. If an Event of Default specified in Section 6.1(i) or (ii) occurs and is continuing, the Trustee may recover judgment in its own name and as trustee of an express trust against the Issuer for the whole amount then due and owing (together with interest on any unpaid interest to the extent lawful) and the amounts provided for in Section 7.6.

SECTION 6.9. Trustee May File Proofs of Claim. The Trustee may file such proofs of claim and other papers or documents as may be necessary or advisable in order to have the claims of the Trustee (including any claim for the reasonable compensation, expenses, disbursements and advances of the Trustee, its agents and counsel) and the Holders allowed in any judicial proceedings relative to the Issuer,

its Subsidiaries or their respective creditors or properties and, unless prohibited by law or applicable regulations, may vote on behalf of the Holders (pursuant to the written direction of Holders of a majority in principal amount of the then outstanding Notes of the applicable series) in any election of a trustee in bankruptcy or other Person performing similar functions, and any Custodian in any such judicial proceeding is hereby authorized by each Holder to make payments to the Trustee and, in the event that the Trustee shall consent to the making of such payments directly to the Holders, to pay to the Trustee any amount due it for the reasonable compensation, expenses, disbursements and advances of the Trustee, its agents and its counsel, and any other amounts due the Trustee under Section 7.6. Nothing herein contained shall be deemed to authorize the Trustee to authorize or consent to or accept or adopt on behalf of any Holder any plan or reorganization, arrangement, adjustment or composition affecting the Notes or the rights of any Holder thereof, or to authorize the Trustee to vote in respect of the claim of any Holder in such proceeding.

SECTION 6.10. Priorities. The Trustee shall pay out any money or property received by it in the following order:

First: to the Trustee and Agents, as applicable, for amounts due under Section 7.6;

Second: to Holders for amounts due and unpaid on the Notes for principal, premium, if any, and interest, ratably, without preference or priority of any kind, according to the amounts due and payable on the Notes for principal, premium, if any, and interest, respectively; and

Third: to the Issuer or, to the extent the Trustee receives any amount for any Guarantor, to such Guarantor as a court of competent jurisdiction shall direct.

The Trustee may fix a record date and payment date for any payment to Holders pursuant to this Section. At least 15 days before such record date, the Issuer (or Trustee) shall mail to each Holder and the Trustee a notice that states the record date, the payment date and amount to be paid.

SECTION 6.11. Undertaking for Costs. In any suit for the enforcement of any right or remedy under this Indenture or in any suit against the Trustee for any action taken or omitted by it as Trustee, a court in its discretion may require the filing by any party litigant in the suit of an undertaking to pay the costs of the suit, and the court in its discretion may assess reasonable costs, including reasonable attorneys' fees and expenses, against any party litigant in the suit, having due regard to the merits and good faith of the claims or defenses made by the party litigant. This Section does not apply to a suit by the Trustee, or a suit by Holders of more than 10.0% in outstanding principal amount of the Notes.

ARTICLE VII

Trustee

SECTION 7.1. Duties of Trustee.

(a) If an Event of Default has occurred and is continuing, the Trustee shall, in the exercise of its rights and powers under this Indenture, use the same degree of care and skill in its exercise of such rights and powers as a prudent Person would exercise or use under the circumstances in the conduct of such Person's own affairs, subject to the provisions of clause (h) below.

(b) Except during the continuance of an Event of Default of which a Trust Officer has actual knowledge, the Trustee and the Agents, as applicable:

(i) undertake to perform such duties and only such duties as are specifically set forth in this Indenture and no implied covenants or obligations shall be read into this Indenture against the Trustee or the Agents; and

(ii) in the absence of gross negligence or bad faith on its part, may conclusively rely and shall be protected in acting or refraining from acting upon any resolution, certificate, statement, instrument, opinion, report, notice, request, direction, consent, order, bond, debenture, note, other evidence of indebtedness or other paper or document believed by them to be genuine and to have been signed or presented by the proper party or parties, not only as to due execution, validity and effectiveness, but also as to the truth and accuracy of any information contained therein. In the case of any such certificates or opinions which by any provisions hereof are specifically required to be furnished to the Trustee, the Trustee shall examine such certificates and opinions to determine whether or not they conform to the requirements of this Indenture, the Notes and the Guarantees as the case may be (but need not confirm or investigate the accuracy of mathematical calculations or other facts stated therein).

(c) Each of the Trustee and the Agents, as applicable, shall not be relieved from liability for its own negligent action, its own negligent failure to act or its own willful misconduct, except that:

(i) this Section 7.1(c) does not limit the effect of Section 7.1(b);

(ii) the Trustee shall not be liable for any error of judgment made in good faith by its Trust Officer or Trust Officers unless it is proved in a final non-appealable decision of a court of competent jurisdiction that the Trustee was negligent in ascertaining the pertinent facts; and

(iii) the Trustee and the Agents, as applicable, shall not be liable with respect to any action it takes or omits to take in good faith in accordance with a direction received by it pursuant to Section 6.5.

(d) The Trustee and the Agents shall not be liable for interest on any money received by it except as the Trustee and the Agents may agree in writing with the Issuer.

(e) Neither the Trustee nor any Agent shall be under any fiduciary duty or other obligation towards, or have any relationship of agency and trust for or with, any Person, including the Issuer and Parent Guarantor.

(f) Money held in trust by the Trustee (in any capacity) or any Paying Agent need not be segregated from other funds except to the extent required by law.

(g) The Trustee and any applicable Paying Agent hold all money as banker subject to the terms of this Indenture and, as a result, such money will not be held in accordance with the FCA Rules in relation to client money from time to time. For purposes of the foregoing provision, "FCA Rules" means the rules established by the FCA in the Financial Conduct Authority's Handbook of rules and guidance from time to time.

(h) No provision of this Indenture, the Notes or the Guarantees shall require the Trustee or an Agent to expend or risk its own funds or otherwise incur any financial liability in the performance of any of its duties hereunder or thereunder or in the exercise of any of its rights or powers.

(i) Every provision of this Indenture relating to the conduct or affecting the liability of or affording protection to the Trustee and the Agents, as applicable, shall be subject to the provisions of this Section 7.1.

(j) The Trustee shall be under no obligation to exercise any of the rights or powers vested in it by this Indenture at the request or direction of any of the Holders unless such Holders shall have offered to the Trustee, security, prefunding or indemnity satisfactory to it against the costs, expenses (including reasonable attorneys' fees and expenses) and liabilities that might be incurred by it in compliance with such request or direction.

(k) Money held for the benefit of Holders by any Agent need not be segregated from other funds except to the extent required by law.

(l) No permissive right of the Trustee to take any action under this Indenture will be construed as a duty to exercise such right.

SECTION 7.2. Rights of Trustee.

(a) The Trustee and the Agents may conclusively rely and shall be protected in acting upon any resolution, certificate, statement, instrument, opinion, notice, request, direction, consent, order, bond or any other paper or document believed by it to be genuine and to have been signed or presented by the proper Person or Persons. The Trustee and the Agents need not investigate any fact or matter stated in the document.

(b) Before the Trustee acts or refrains from acting, it may require an Officer's Certificate of Parent Guarantor or the Issuer or an Opinion of Counsel or both. The Trustee shall not be liable for any action it takes or omits to take in good faith in reliance on an Officer's Certificate or Opinion of Counsel. The Trustee or any applicable Paying Agent shall be entitled to request and receive written instructions from the Parent Guarantor or the Issuer, and shall have no responsibility or liability for any losses or damages of any nature that may arise from any action taken or not taken by the Trustee or Agent in accordance such written direction.

(c) The Trustee may act through its attorneys, custodians, nominees and agents and shall not be responsible for the acts or omissions of or for the supervision of any agent, custodians, nominees or attorney appointed with due care.

(d) The Trustee shall not be liable for any action it takes or omits to take in good faith; *provided, however*, that the Trustee's conduct does not constitute willful misconduct or gross negligence as determined in a final non-appealable decision of a court of competent jurisdiction.

(e) Each of the Trustee and the Agents, as applicable, may consult with counsel of its selection, and, subject to Section 7.1, the advice or opinion of counsel shall be full and complete authorization and protection from liability in respect to any action taken, omitted or suffered by it hereunder or under the Notes and the Guarantees in accordance with the advice or opinion of such counsel.

(f) The Trustee and the Agents shall not be bound to make any investigation into any statement, warranty or representation, or the facts or matters stated in any resolution, certificate, statement, instrument, opinion, notice, request, direction, consent, order, bond or other paper or document made or in connection with this Indenture; moreover, the Trustee and the Agents shall not be bound to make any investigation into (i) the performance or observance of any of the covenants, agreements or other terms or conditions set forth herein, (ii) the occurrence of any default, or the validity, enforceability, effectiveness or genuineness of this Indenture or any other agreement, instrument or document, or (iii) the facts or matters stated in any resolution, certificate, statement, instrument, opinion, report, notice, request, direction, consent, order, bond, debenture, note or other evidence of indebtedness or other paper or document, but the Trustee or an Agent, in its discretion, may make such further inquiry or investigation into such facts or matters as it may see fit, and, if the Trustee or an Agent, as applicable, shall determine to make such further inquiry or investigation, it shall be entitled to examine the books, records and premises of the Issuer, personally or by agent or attorney and shall incur no liability or additional liability of any kind by reason of such inquiry or investigation.

(g) The Trustee shall not be deemed to have knowledge of any Default or Event of Default except any Default or Event of Default of which a Trust Officer shall have obtained "actual knowledge" thereof. "Actual knowledge" shall mean the actual fact or statement of knowing by a Trust Officer without independent investigation with respect thereto.

(h) In no event shall the Trustee or an Agent be responsible or liable for any special, indirect, punitive or consequential loss or damage of any kind whatsoever (including, but not limited to, loss of profit) irrespective of whether the Trustee or such Agent has been advised of the likelihood of such loss or damage and regardless of the form of action.

(i) The rights, privileges, protections, immunities and benefits given to the Trustee, including, without limitation, its right to be indemnified, are extended to, and shall be enforceable by, the Trustee in each of its capacities hereunder, and each agent (including the Agents), custodian and other Person employed to act hereunder.

(j) The Trustee may request that the Issuer delivers a certificate setting forth the names of individuals and/or titles of officers authorized at such time to take specified actions pursuant to this Indenture.

(k) The Trustee shall not have any duty (A) to see to any recording, filing, or depositing of this Indenture or any agreement referred to herein, or to see to the maintenance of any such recording or filing or depositing or to any rerecording, re-filing or redepositing of any thereof or (B) to see to any insurance.

(l) The right of the Trustee or an Agent to perform any discretionary act enumerated in this Indenture shall not be construed as a duty.

(m) In the event that the Trustee or any applicable Paying Agent receives conflicting, unclear or equivocal instructions, the Trustee or such applicable Paying Agent shall be entitled not to take any action until such instructions have been resolved or clarified to its satisfaction and neither the Trustee nor any applicable Paying Agent shall be or become liable in any way to any Person for any failure to comply with any such conflicting, unclear or equivocal instructions.

(n) The Trustee shall not be liable or responsible for any action or inaction of any Agent (unless, subject to the terms hereof, the Trustee is acting in such capacity), the Depositary, or any Participant thereof.

(o) The Trustee shall have no obligation to undertake any calculation or currency conversion or exchange hereunder or have any liability for any calculation, conversion or exchange performed in connection herewith or the transactions contemplated hereunder.

SECTION 7.3. Individual Rights of Trustee. Subject to the TIA, the Trustee, in its individual or any other capacity, may become the owner or pledgee of Notes and may otherwise deal with the Issuer, the Guarantors or their Affiliates with the same rights it would have if it were not Trustee. Any Paying Agent, Registrar, co-registrar or co-paying agent may do the same with like rights. However, the Trustee must comply with Section 7.9. In addition, the Trustee shall be permitted to engage in transactions with the Issuer; *provided, however*, that if the Trustee acquires any conflicting interest the Trustee must (i) eliminate such conflict within 90 days of acquiring such conflicting interest, (ii) apply to the SEC for permission to continue acting as Trustee or (iii) resign.

SECTION 7.4. Disclaimer. Neither the Trustee nor any Agent shall be responsible for and neither of them makes any representation as to the validity or adequacy of this Indenture, the Notes or the Guarantees, neither of them shall be accountable for the Issuer's use of the Notes or the proceeds from the Notes, and neither of them shall be responsible for any statement of the Issuer in this Indenture or in any document issued in connection with the sale of the Notes or in the Notes other than the Trustee's certificate of authentication or for the use or application of any funds received by any Paying Agent other than the Trustee.

SECTION 7.5. Notice of Defaults. If a Default occurs and is continuing and is actually known to the Trustee, the Trustee shall deliver to each Holder notice of the Default within 90 days after it is

known to the Trustee (unless such Default is cured or waived prior to delivery thereof). The Trustee shall not be deemed to have any knowledge of any Default or Event of Default unless and until a responsible officer of the Trustee has actual knowledge thereof. Except in the case of a Default in the payment of principal of, premium (if any) or interest on any Note, the Trustee may withhold notice if and so long as a committee of its Trust Officers in good faith determines that withholding notice is in the interests of the Holders.

SECTION 7.6. Compensation and Indemnity. The Issuer shall pay to the Trustee (acting in any capacity hereunder) and the Agents from time to time such compensation for their services as the parties shall agree in writing from time to time. The Trustee's compensation shall not be limited by any law on compensation of a trustee of an express trust. The Issuer shall reimburse the Trustee and the Agents upon request for all reasonable out-of-pocket expenses incurred or made by it, including, but not limited to, costs of collection, costs of preparing and reviewing reports, certificates and other documents, costs of preparation and mailing of notices to Holders and reasonable costs of counsel, in addition to the compensation for its services. Such expenses shall include the reasonable compensation and expenses, disbursements and advances of the Trustee's agents, counsel, accountants and experts. The Issuer shall indemnify the Trustee (acting in any capacity hereunder) or any predecessor Trustee in each of its capacities hereunder (including as Paying Agent and Registrar), and each of their officers, directors, employees, counsel and agents, against any and all loss, liability or expense (including, but not limited to, reasonable attorneys' fees and expenses) incurred by it in connection with the administration of this trust and the performance of their duties hereunder and under the Notes and the Guarantees, including the costs and expenses of enforcing this Indenture (including this Section 7.6), the Notes and the Guarantees and of defending itself against any claims (whether asserted by any Holder, the Issuer or otherwise). The Trustee and the Agents shall notify the Issuer promptly of any claim for which they may seek indemnity. Failure by the Trustee or an Agent to so notify the Issuer shall not relieve the Issuer of its obligations hereunder. The Issuer shall defend the claim and the Trustee and the Agents may have separate counsel and the Issuer shall pay the reasonable fees and expenses of such counsel. The Issuer need not reimburse any expense or indemnify against any loss, liability or expense incurred by the Trustee or an Agent as a result of its own willful misconduct or gross negligence.

To secure the Issuer's payment obligations in this Section, the Trustee shall have a lien prior to the Notes on all money or property held or collected by the Trustee other than money or property held in trust to pay principal of and interest on particular Notes. The right of the Trustee to receive payment of any amounts due under this Section 7.6 shall not be subordinate to any other liability or indebtedness of the Issuer.

The Issuer's obligations pursuant to this Section and any lien arising hereunder shall survive the satisfaction and discharge of this Indenture and the resignation or removal of the Trustee or an Agent. When the Trustee or an Agent incurs expenses after the occurrence of a Default specified in Section 6.1(v) or (vi) with respect to the Issuer, the expenses are intended to constitute expenses of administration under any Bankruptcy Law.

Pursuant to Section 10.1, the obligations of the Issuer hereunder are jointly and severally guaranteed by the Guarantors.

SECTION 7.7. Replacement of Trustee. (a) The Trustee may resign at any time by providing the Issuer with at least 30 days written notice. The Holders of a majority in principal amount of the Notes may remove the Trustee by so notifying the Issuer and the Trustee, with at least 30 days written notice, and may appoint a successor Trustee. The Issuer shall remove the Trustee if:

- (i) the Trustee fails to comply with Section 7.9;
- (ii) the Trustee is adjudged bankrupt or insolvent;
- (iii) a receiver or other public officer takes charge of the Trustee or its property; or

(iv) the Trustee otherwise becomes incapable of acting.

If the Trustee resigns or is removed by the Issuer or by the Holders of a majority in principal amount of the Notes and such Holders do not reasonably promptly appoint a successor Trustee, or if a vacancy exists in the office of Trustee for any reason (the Trustee in such event being referred to herein as the retiring Trustee), the Issuer shall promptly appoint a successor Trustee.

A successor Trustee shall deliver a written acceptance of its appointment to the retiring Trustee and to the Issuer. Thereupon the resignation or removal of the retiring Trustee shall become effective, and the successor Trustee shall have all the rights, powers and duties of the Trustee under this Indenture. The successor Trustee shall mail a notice of its succession to Holders. The retiring Trustee shall promptly transfer all property held by it as Trustee to the successor Trustee, subject to the lien provided for in Section 7.6. All costs reasonably incurred in connection with any resignation or removal hereunder shall be borne by the Issuer.

If a successor Trustee does not take office within 60 days after the retiring Trustee resigns or is removed, the retiring Trustee or the Holders of at least 10.0% in principal amount of the Notes may petition, at the Issuer's expense, any court of competent jurisdiction for the appointment of a successor Trustee.

If the Trustee fails to comply with Section 7.9, unless the Trustee's duty to resign is stayed, any Holder may petition any court of competent jurisdiction for the removal of the Trustee and the appointment of a successor Trustee.

Notwithstanding the replacement of the Trustee pursuant to this Section 7.7, the Issuer's obligations under Article VII shall continue for the benefit of the retiring or removed Trustee or for the benefit of the Trustee or any removed or retiring Trustee following termination of this Indenture.

(b) Any Agent may resign its appointment upon not less than 30 days' notice to the Issuer; *provided, however*, that:

(i) if such resignation would otherwise take effect less than 30 days before or after the maturity date or other date for redemption of the Notes or any interest payment date in relation to the Notes, such resignation will not take effect until the 30th day following such date;

(ii) such resignation shall not take effect until a successor has been duly appointed by the Issuer, and notice of such appointment has been given to the Holders.

(c) If any Agent gives notice of its resignation in accordance with Section 7.7(b) and a successor thereto has not been duly appointed by the Issuer by the 10th day before the expiry of such notice, such Agent may itself, following such consultation with the Issuer as is practicable in the circumstances, appoint as its successor any reputable and experienced financial institution and give notice of such appointment to the Issuer, the other Agents and the Holders, whereupon the Issuer, the other Agents and the successor appointed pursuant to this Section 7.7(c) shall acquire and become subject to the same rights and obligations between themselves as if they had entered into an agreement in the form *mutatis mutandis* of this Indenture. None of Section 7.7(b) or Section 7.7(c) shall apply to the Trustee acting in any such Agent capacities.

SECTION 7.8. Successor Trustee by Merger. If the Trustee consolidates with, merges or converts into, or transfers all or substantially all its corporate trust business or assets to, another corporation or banking association, the resulting, surviving or transferee corporation shall be the successor Trustee and shall have and succeed to the rights, powers, duties, immunities and privileges as its predecessor, without the execution or filing of any instrument or paper or the performance of any further act.

In case at the time such successor or successors by merger, conversion or consolidation to the Trustee shall succeed to the trusts created by this Indenture, any of the Notes shall have been authenticated but not delivered, any such successor to the Trustee may adopt the certificate of authentication of any predecessor trustee, and deliver such Notes so authenticated; and in case at that time any of the Notes shall not have been authenticated, any successor to the Trustee may authenticate such Notes either in the name of any predecessor hereunder or in the name of the successor to the Trustee; and in all such cases such certificates shall have the full force which it is anywhere in the Notes or in this Indenture *provided* that the certificate of the Trustee shall have.

SECTION 7.9. Eligibility; Disqualification. The Trustee shall have a combined capital and surplus of at least \$50 million as set forth in its most recent filed annual report of condition.

This Indenture shall always have a Trustee who satisfies the requirements of TIA § 310(a)(1), (2) and (5). The Trustee is subject to TIA § 310(b).

SECTION 7.10. Limitation on Duty of Trustee. The Trustee shall not have any duty to ascertain or inquire as to the performance or observance of any of the terms of this Indenture, the Notes and the Guarantees by the Issuer, the Guarantors or any other Person.

The Issuer shall promptly notify the Trustee in writing when any Notes are voluntarily listed on any stock exchange and of any delisting thereof.

SECTION 7.11. Preferential Collection of Claims Against the Issuer. The Trustee is subject to TIA § 311(a), excluding any creditor relationship listed in TIA § 311(b). A Trustee who has resigned or been removed shall be subject to TIA § 311(a) to the extent indicated therein.

ARTICLE VIII

Discharge of Indenture; Defeasance

SECTION 8.1. Discharge of Liability on Notes; Defeasance. This Indenture shall be discharged and shall cease to be of further effect (except as to surviving rights of registration of transfer or exchange of Notes, as expressly provided for in this Indenture) as to all outstanding Notes of a series when:

(a) either (i) all the Notes of such series theretofore authenticated and delivered (other than Notes pursuant to Section 2.7 which have been replaced or paid and Notes for whose payment money has theretofore been deposited in trust or segregated and held in trust by the Issuer and thereafter repaid to the Issuer or discharged from such trust) have been delivered to the Trustee or Paying Agent, as applicable, for cancellation or (ii) all of the Notes of such series not previously delivered to the Trustee or Paying Agent, as applicable, for cancellation (A) have become due and payable, (B) will become due and payable at their Stated Maturity within one year or (C) have been called for redemption or are to be called for redemption within one year under arrangements satisfactory to the Trustee for the giving of notice of a full redemption by the Trustee in the name, and at the expense, of the Issuer, and the Issuer or any Guarantor has irrevocably deposited or caused to be deposited with the Paying Agent U.S. Dollars or U.S. Government Obligations in an amount sufficient to pay and discharge the entire Indebtedness on the Notes of such series not theretofore delivered to the registrar for cancellation, for principal of, premium, if any, and interest on the Notes of such series to the date of maturity or redemption, as the case may be, together with irrevocable instructions from the Issuer directing the Paying Agent to apply such funds to the payment thereof at maturity or redemption, as the case may be;

(b) the Issuer and/or the Guarantors have paid all other sums payable under this Indenture with respect to such series of Notes; and

(c) Parent Guarantor has delivered to the Trustee an Officer's Certificate and an Opinion of Counsel stating that all conditions precedent under this Indenture relating to the satisfaction and discharge of this Indenture have been complied with.

Subject to Sections 8.1(c) and 8.2, the Issuer at any time may terminate (i) all of its obligations under the Notes of a series and this Indenture (with respect to such Notes) and have each Guarantor's obligation discharged with respect to its Guarantee and cure any then-existing Events of Default ("legal defeasance option") or (ii) its obligations under Sections 3.2, 3.3, 3.4, 3.5, 3.6, 3.7, 3.8, 3.9 and 3.10 and the operation of Section 4.1 (other than Sections 4.1(a)(i), (ii) and (viii)) and Sections 6.1(iii) (with respect to any Default under Sections 3.2, 3.3, 3.4, 3.5, 3.6, 3.7, 3.8, 3.9 and 3.10), 6.1(iv), 6.1(v) (with respect to Significant Subsidiaries of Parent Guarantor only), 6.1(vi) (with respect to Significant Subsidiaries of Parent Guarantor only) and 6.1(vii) ("covenant defeasance option"). The Issuer may exercise its legal defeasance option notwithstanding its prior exercise of the covenant defeasance option. In the event that the Issuer terminates all of its obligations under the Notes of a series and this Indenture (with respect to such Notes) by exercising the legal defeasance option or the covenant defeasance option, the obligations of each Guarantor under its Guarantee of such Notes shall be terminated simultaneously with the termination of such obligations.

If the Issuer exercises its legal defeasance option, payment of the Notes so defeased may not be accelerated because of an Event of Default. If the Issuer exercises its covenant defeasance option, payment of the Notes so defeased may not be accelerated because of an Event of Default specified in Section 6.1(iii) (with respect to any Default by Parent Guarantor or any of its Restricted Subsidiaries with any of their obligations under Article III other than Sections 3.1, 3.11, 3.15), 6.1(iv), 6.1(v) (with respect to Significant Subsidiaries of Parent Guarantor only (other than the Issuer)), 6.1(vi) (with respect to Significant Subsidiaries of Parent Guarantor only (other than the Issuer)) or 6.1(vii).

Upon satisfaction of the conditions set forth herein and upon request of the Issuer, the Trustee shall acknowledge in writing the discharge of those obligations that the Issuer terminate.

(d) Notwithstanding clauses (a) and (b) above, the Issuer's obligations in Sections 2.3, 2.4, 2.5, 2.6, 2.7, 2.8, 7.6, 7.7 and in this Article VIII shall survive until the Notes have been paid in full. Thereafter, the Issuer's obligations in Sections 7.6, 8.5 and 8.6 shall survive such satisfaction and discharge.

SECTION 8.2. Conditions to Defeasance.

(a) The Issuer may exercise its legal defeasance option or its covenant defeasance option only if:

(i) the Issuer irrevocably deposit or cause to be deposited in trust with the Paying Agent cash in U.S. Dollars or U.S. Government Obligations, the principal of and the interest on which shall be sufficient, or a combination thereof sufficient, to pay the principal of, and premium (if any) and interest on the applicable Notes when due at maturity or redemption, as the case may be (*provided* that if such redemption is made pursuant to Paragraph 6(b) of the form of Note set forth in Exhibit A hereto (or any corresponding paragraph of a Global Note or a Definitive Note), (x) the amount of money or U.S. Government Obligations that the Issuer must irrevocably deposit or cause to be deposited will be determined using an assumed Applicable Premium calculated as of the date of such deposit, as calculated by the Issuer in good faith, and (y) the Issuer must irrevocably deposit or cause to be deposited additional money in trust on the redemption date as necessary to pay the Applicable Premium as determined on such date);

(ii) the Issuer delivers to the Trustee a certificate from a nationally recognized firm of independent accountants expressing their opinion that the payments of principal and interest when due and without reinvestment on the deposited U.S. Government Obligations plus any deposited money without investment shall provide cash at such times and in such amounts as shall

be sufficient to pay principal, premium, if any, and interest when due on all such Notes to maturity or redemption, as the case may be;

(iii) 91 days pass after the deposit is made and during the 91-day period no Default specified in Section 6.1(v) or (vi) with respect to Parent Guarantor or the Issuer occurs which is continuing at the end of the period;

(iv) the deposit does not constitute a default under any other agreement binding on Parent Guarantor or the Issuer;

(v) the Issuer delivers to the Trustee an Opinion of Counsel to the effect that the trust resulting from the deposit does not constitute, or is qualified as, a regulated investment advisor under the Investment Advisors Act of 1940;

(vi) in the case of the legal defeasance option, the Issuer shall have delivered to the Trustee an Opinion of Counsel stating that (1) the Issuer has received from, or there has been published by, the Internal Revenue Service a ruling, or (2) since the date of this Indenture there has been a change in the applicable U.S. federal income tax law, in either case to the effect that, and based thereon such Opinion of Counsel shall confirm that, the Holders shall not recognize income, gain or loss for U.S. federal income tax purposes as a result of such deposit and defeasance and shall be subject to U.S. federal income tax on the same amounts, in the same manner and at the same times as would have been the case if such deposit and defeasance had not occurred;

(vii) in the case of the covenant defeasance option, the Issuer shall have delivered to

the Trustee an Opinion of Counsel to the effect that the Holders shall not recognize income, gain or loss for U.S. federal income tax purposes as a result of such deposit and defeasance and shall be subject to U.S. federal income tax on the same amounts, in the same manner and at the same times as would have been the case if such deposit and defeasance had not occurred; and

(viii) the Issuer delivers to the Trustee an Officer's Certificate and an Opinion of

Counsel, each stating that all conditions precedent to the defeasance and discharge of the Notes to be so defeased and discharged as contemplated by this Article VIII have been complied with.

Before or after a deposit, the Issuer may make arrangements satisfactory to the Trustee for the redemption of such Notes at a future date in accordance with Article V.

SECTION 8.3. Application of Trust Money. The Trustee shall hold in trust money or U.S. Government Obligations deposited with it pursuant to this Article VIII. It shall apply the deposited money and the money from U.S. Government Obligations through the Paying Agent and in accordance with this Indenture to the payment of principal of and interest on the Notes.

SECTION 8.4. Repayment to Issuer. Anything herein to the contrary notwithstanding, the Trustee or the Paying Agent shall deliver or pay to the Issuer from time to time upon Company Order any money or U.S. Government Obligations held by it as provided in this Article VIII which, in the opinion of a nationally recognized firm of independent public accountants expressed in a written certification thereof delivered to the Trustee or the Paying Agent, are in excess of the amount thereof which would then be required to be deposited to effect legal defeasance or covenant defeasance, as applicable, *provided* that the Trustee or the Paying Agent shall not be required to liquidate any U.S. Government Obligations in order to comply with the provisions of this Section 8.4.

Subject to any applicable abandoned property law, the Trustee and the Paying Agent shall pay to the Issuer upon written request any money held by them for the payment of principal of or interest on the Notes that remains unclaimed for two years, and, thereafter, Holders entitled to the money must look to the Issuer for payment as general creditors.

SECTION 8.5. Indemnity for U.S. Government Obligations. The Issuer shall pay and shall indemnify the Trustee or the Paying Agent against any tax, fee or other charge imposed on or assessed against deposited U.S. Government Obligations or the principal and interest received on such U.S. Government Obligations.

SECTION 8.6. Reinstatement. If the Trustee or Paying Agent is unable to apply any money or U.S. Government Obligations in accordance with this Article VIII by reason of any legal proceeding or by reason of any order or judgment of any court or governmental authority enjoining, restraining or otherwise prohibiting such application, the obligations of the Issuer and each Guarantor under this Indenture, the Notes and the Guarantees shall be revived and reinstated as though no deposit had occurred pursuant to this Article VIII until such time as the Trustee or Paying Agent is permitted to apply all such money or U.S. Government Obligations in accordance with this Article VIII; *provided, however*, that, if any of the Issuer or Guarantors has made any payment of interest on or principal of any Notes because of the reinstatement of its obligations, the Issuer or any Guarantor, as the case may be, shall be subrogated to the rights of the Holders of such Notes to receive such payment from the money or U.S. Government Obligations held by the Trustee or Paying Agent.

ARTICLE IX

Amendments

SECTION 9.1. Without Consent of Holders. Notwithstanding Section 9.2 hereof, this Indenture, the Notes and Guarantees may be amended or supplemented by the Issuer, any Guarantor (with respect to this Indenture or a Guarantee to which it is a party) and the Trustee without notice to or consent of any Holder:

- (i) to cure any ambiguity, omission, mistake, defect or inconsistency identified in an Officer's Certificate delivered to the Trustee by or on behalf of Parent Guarantor or the Issuer;
- (ii) to conform the text of this Indenture (including any supplemental indenture or other instrument pursuant to which Additional Notes are issued), the Guarantees or the Notes to the "Description of Notes" in the Offering Memorandum or, with respect to any Additional Notes and any supplemental indenture or other instrument pursuant to which such Additional Notes are issued, to the "Description of Notes" relating to the issuance of such Additional Notes, solely to the extent that such "Description of Notes" provides for terms of such Additional Notes that differ from the terms of the Initial Notes, as contemplated by Section 2.2;
- (iii) to comply with the Section 4.1;
- (iv) to provide for the assumption by a successor Person of the obligations of the Issuer or any Guarantor under this Indenture and the Notes or Guarantee, as the case may be;
- (v) to provide for uncertificated Notes in addition to or in place of certificated Notes; *provided, however*, that the uncertificated Notes are issued in registered form for purposes of Section 163(f) of the Code;
- (vi) (A) to add or release Guarantees in accordance with the terms of this Indenture with respect to the Notes, (B) to add co-issuers of the Notes to the extent it does not result in adverse tax consequences to the Holders or otherwise as expressly contemplated by this Indenture or (C) to designate a Guarantor as "Parent Guarantor" under this Indenture pursuant to a New Parent Guarantor Designation;
- (vii) to secure the Notes;
- (viii) to add to the covenants of Parent Guarantor or the Issuer for the benefit of the Holders or to surrender any right or power herein conferred upon the Issuer or any Guarantor;

(ix) to make any change that does not adversely affect the rights of any Holder in any material respect upon delivery to the Trustee of an Officer's Certificate by or on behalf of Parent Guarantor or the Issuer certifying the absence of such adverse effect;

(x) to comply with any requirement of the SEC in connection with the qualification of this Indenture under the TIA;

(xi) to make any amendment to the provisions of this Indenture relating to the transfer and legending of Notes as permitted by this Indenture, including, without limitation, to facilitate the issuance and administration of the Notes; *provided, however*, that (i) compliance with this Indenture as so amended would not result in Notes being transferred in violation of the Securities Act or any applicable securities law and (ii) such amendment does not materially and adversely affect the rights of Holders to transfer Notes;

(xii) to evidence and provide for the acceptance of appointment by a successor Trustee, *provided* that the successor Trustee is otherwise qualified and eligible to act as such under the terms of this Indenture; or

(xiii) to provide for or confirm the issuance of Additional Notes.

SECTION 9.2. With Consent of Holders.

(a) This Indenture, the Notes and the Guarantees may be amended or supplemented with the consent of the Holders of at least a majority in aggregate principal amount of the Notes then outstanding (including, without limitation, consents obtained in connection with a purchase of, or tender offer or exchange offer for, Notes) and any existing or past Default or Event of Default or compliance with any provisions of such documents may be waived with the consent of the Holders of a majority in principal amount of the Notes then outstanding other than the Notes beneficially owned by Parent Guarantor or its Affiliates (including, without limitation, consents obtained in connection with a purchase of, or tender offer or exchange offer for, such series of the Notes); *provided* that (x) if any such amendment or waiver will only affect one series of Notes (or less than all series of Notes) then outstanding under this Indenture, then only the consent of the Holders of a majority in principal amount of the Notes of such series then outstanding (including, without limitation, consents obtained in connection with a purchase of, or tender offer or exchange offer for, Notes) shall be required, and (y) if any such amendment or waiver by its terms will affect a series of Notes in a manner that is different from and materially adverse relative to the manner in which such amendment or waiver affects other series of Notes, then the consent of the Holders of a majority in principal amount of the Notes of such series then outstanding (including, without limitation, consents obtained in connection with a purchase of, or tender offer or exchange offer for, Notes) shall be required. However, without the consent of each Holder of a Note affected (including, for the avoidance of doubt, any Notes held by Affiliates), no amendment, supplement or waiver may (with respect to any Notes held by a non-consenting Holder):

(i) reduce the percentage of the aggregate principal amount of Notes whose Holders must consent to an amendment, supplement or waiver;

(ii) reduce the rate of or extend the time for payment of interest on any Note;

(iii) reduce the principal of or change the Stated Maturity of any Note;

(iv) waive a Default in the payment of principal of or premium, if any, or interest on the Notes, except a rescission of acceleration of the Notes by the Holders of at least a majority in aggregate principal amount of the Notes and a waiver of the payment default that resulted from such acceleration;

(v) reduce the premium payable upon the redemption of any Note or change the time at which any Note may be redeemed as described under Section 5.1;

- (vi) make any Note payable in money other than that stated in such Note;
- (vii) impair the right of any Holder to institute suit for the enforcement of any payment on or with respect to such Holder's Notes;
- (viii) make any change in the amendment or waiver provisions of this Indenture that require each Holder's consent, as described in clauses (i) through (vii) above;
- (ix) make any change in the provisions of this Indenture relating to waivers of past Defaults or the rights of Holders to receive payments of principal or of premium, if any, or interest on the Notes; or
- (x) make the Notes or any Guarantee subordinated in right of payment to any other obligations.

(b) It shall not be necessary for the consent of the Holders under this Section 9.2 to approve the particular form of any proposed amendment, but it shall be sufficient if such consent approves the substance thereof. For the avoidance of doubt, no amendment to, or deletion of any of the covenants contained in Article III of this Indenture shall be deemed to impair or affect any rights of Holders of the Notes to institute suit for the enforcement of any payment on or with respect to, or to receive payment of principal of, or premium, if any, or interest on, the Notes.

(c) After an amendment under this Section 9.2 becomes effective, the Issuer shall (or shall cause the Trustee, at the expense of and at the written request of the Issuer, to) mail to the Holders of Notes affected thereby a notice briefly describing such amendment. The failure of the Issuer to mail such notice, or any defect therein, shall not in any way impair or affect the validity of an amendment under this Section 9.2.

SECTION 9.3. Effect of Consents and Waivers. A consent to an amendment or a waiver by a Holder of a Note shall bind the Holder and every subsequent Holder of that Note or portion of the Note that evidences the same debt as the consenting Holder's Note, even if notation of the consent or waiver is not made on the Note. After an amendment or waiver becomes effective, it shall bind every Holder unless it makes a change described in clauses (i) through (ix) of Section 9.2(a), in which case the amendment or waiver or other action shall bind each Holder who has consented to it and every subsequent Holder that evidences the same debt as the consenting Holder's Notes. An amendment or waiver made pursuant to Section 9.2 shall become effective upon receipt by the Trustee of the requisite number of written consents.

The Issuer may, but shall not be obligated to, fix a record date for the purpose of determining the Holders entitled to give their consent or take any other action described above or required or permitted to be taken pursuant to this Indenture. If a record date is fixed, then notwithstanding the immediately preceding paragraph, those Persons who were Holders at such record date (or their duly designated proxies), and only those Persons, shall be entitled to give such consent or to take any such action, whether or not such Persons continue to be Holders after such record date.

SECTION 9.4. Notation on or Exchange of Notes. If an amendment changes the terms of a Note, the Trustee may require the Holder of the Note to deliver it to the Trustee. The Trustee may place an appropriate notation on the Note regarding the changed terms and return it to the Holder. Alternatively, if the Issuer or the Trustee so determines, the Issuer in exchange for the Note shall issue and the Trustee shall authenticate a new Note that reflects the changed terms. Failure to make the appropriate notation or to issue a new Note shall not affect the validity of such amendment.

SECTION 9.5. Trustee To Sign Amendments. The Trustee shall sign any amendment, supplement or waiver authorized pursuant to this Article IX, provided that if the amendment, supplement or waiver, in the sole determination of the Trustee, affects the rights, obligations, immunities or indemnities of

the Trustee, the Trustee may, but shall not be obligated to, execute such amendment, supplement or waiver. In signing any amendment, supplement or waiver pursuant to this Article IX, the Trustee shall be entitled to receive, and (subject to Sections 7.1 and 7.2) shall be fully protected in relying upon, an Officer's Certificate of Parent Guarantor or the Issuer and an Opinion of Counsel stating that such amendment, supplement or waiver is authorized or permitted by or complies with this Indenture, that all conditions precedent to such amendment required by this Indenture have been complied with and that such amendment, supplement or waiver is the legal, valid and binding obligation of the Issuer, enforceable against the Issuer in accordance with its terms, subject to customary exceptions. Notwithstanding the foregoing, no Opinion of Counsel will be required for the Trustee to execute any amendment or supplement adding a new Guarantor under this Indenture or designating a Guarantor as a "Parent Guarantor" under this Indenture pursuant to a New Parent Guarantor Designation. All fees, cost and expenses (including reasonable and documented attorney's fees, costs and expenses) incurred in connection with any amendment, modification or supplement shall be payable by the Issuer.

ARTICLE X

Guarantees

SECTION 10.1. Guarantees

(a) Subject to the provisions of this Article X, each Guarantor hereby jointly and severally, irrevocably, fully and unconditionally guarantees, as guarantor and not as a surety, with each other Guarantor, to each Holder of the Notes, to the extent lawful, and the Trustee the full and punctual payment when due, whether at maturity, by acceleration, by redemption or otherwise, of the principal of, premium, if any, and interest on the Notes and all other Obligations of the Issuer under this Indenture and the Notes (including, without limitation, interest accruing after the filing of any petition in bankruptcy, or the commencement of any insolvency, reorganization or like proceeding, relating to the Issuer or any Guarantor whether or not a claim for post-filing or post-petition interest is allowed in such proceeding and the obligations under Section 7.6) (all the foregoing being hereinafter collectively called the "Guarantor Obligations"). Each Guarantor agrees (to the extent lawful) that the Guarantor Obligations may be extended or renewed, in whole or in part, without notice or further assent from it, and that it shall remain bound under this Article X notwithstanding any extension or renewal of any Guarantor Obligation.

(b) Each Guarantor waives (to the extent lawful) presentation to, demand of, payment from and protest to the Issuer of any of the Guarantor Obligations and also waives (to the extent lawful) notice of protest for nonpayment. Each Guarantor waives (to the extent lawful) notice of any default under the Notes or the Guarantor Obligations.

(c) Each Guarantor further agrees that its Guarantee herein constitutes a Guarantee of payment when due (and not a Guarantee of collection) and waives any right to require that any resort be had by any Holder to any security held for payment of the Guarantor Obligations.

(d) Except as set forth in Section 10.2 and Article VIII, the obligations of each Guarantor hereunder shall not be subject to any reduction, limitation, impairment or termination for any reason (other than payment of the Guarantor Obligations in full), including any claim of waiver, release, surrender, alteration or compromise, and shall not (to the extent lawful) be subject to any defense of setoff, counterclaim, recoupment or termination whatsoever or by reason of the invalidity, illegality or unenforceability of the Guarantor Obligations or otherwise. Without limiting the generality of the foregoing, the obligations of each Guarantor herein shall not (to the extent lawful) be discharged or impaired or otherwise affected by (i) the failure of any Holder to assert any claim or demand or to enforce any right or remedy against the Issuer or any other Person under this Indenture, the Notes or any other agreement or otherwise; (ii) any extension or renewal of any thereof; (iii) any rescission, waiver, amendment or modification of any of the terms or provisions of this Indenture, the Notes or any other agreement; (iv) the release of any security held by any Holder for the Guarantor Obligations or any of them; (v) the failure of any Holder to exercise any right or remedy against any other Guarantor; (vi) any

change in the ownership of the Issuer; (vii) any default, failure or delay, willful or otherwise, in the performance of the Guarantor Obligations; or (viii) any other act or thing or omission or delay to do any other act or thing which may or might in any manner or to any extent vary the risk of any Guarantor or would otherwise operate as a discharge of such Guarantor as a matter of law or equity.

(e) Each Guarantor agrees that its Guarantee herein shall remain in full force and effect until payment in full of all the Guarantor Obligations or such Guarantor is released from its Guarantee in compliance with Section 4.1, Section 10.2 and Article VIII. Each Guarantor further agrees that its Guarantee herein shall continue to be effective or be reinstated, as the case may be, if at any time payment, or any part thereof, of principal of, premium, if any, or interest on any of the Guarantor Obligations is rescinded or must otherwise be restored by any Holder upon the bankruptcy or reorganization of the Issuer or otherwise.

(f) In furtherance of the foregoing and not in limitation of any other right which any Holder has at law or in equity against any Guarantor by virtue hereof, upon the failure of the Issuer to pay any of the Guarantor Obligations when and as the same shall become due, whether at maturity, by acceleration, by redemption or otherwise, each Guarantor hereby promises to and shall, upon receipt of written demand by the Trustee, forthwith pay, or cause to be paid, in cash, to the Trustee or the Trustee on behalf of the Holders an amount equal to the sum of (i) the unpaid amount of such Guarantor Obligations then due and owing and (ii) accrued and unpaid interest on such Guarantor Obligations then due and owing (but only to the extent not prohibited by law) (including interest accruing after the filing of any petition in bankruptcy or the commencement of any insolvency, reorganization or like proceeding relating to the Issuer or any Guarantor whether or not a claim for post-filing or post-petition interest is allowed in such proceeding).

(g) Each Guarantor further agrees that, as between such Guarantor, on the one hand, and the Holders, on the other hand, (x) the maturity of the Guarantor Obligations guaranteed hereby may be accelerated as provided in this Indenture for the purposes of its Guarantee herein, notwithstanding any stay, injunction or other prohibition preventing such acceleration in respect of the Guarantor Obligations guaranteed hereby and (y) in the event of any such declaration of acceleration of such Guarantor Obligations, such Guarantor Obligations (whether or not due and payable) shall forthwith become due and payable by the Guarantor for the purposes of this Guarantee.

(h) Each Guarantor also agrees to pay any and all reasonable and documented costs and expenses (including reasonable and documented attorneys' fees) incurred by the Trustee or the Holders in enforcing any rights under this Section.

(i) None of the Issuer or the Guarantors shall be required to make a notation on the Notes to reflect any Guarantee or any release, termination or discharge thereof and any such notation shall not be a condition to the validity of any Guarantee.

(j) Each Guarantee shall be subject to limitations in accordance with local law in the jurisdiction of organization of the applicable Guarantor and defenses generally available to guarantors in such jurisdiction. For the avoidance of doubt, such limitations and defenses may include, but are not limited to, (i) those related to fraudulent conveyance, fraudulent transfer, voidable preference, financial assistance, corporate purpose, corporate benefit, capital maintenance, earnings stripping, retention of title claims and similar laws, regulations and defenses affecting the rights of creditors generally, (ii) such limitations and defenses as are described in the Offering Memorandum under the caption "Limitations on Validity and Enforceability of the Guarantees" and (iii) other considerations under applicable law.

(k) If and to the extent that a Guarantor incorporated in Switzerland (a "Swiss Guarantor") is liable under the Guarantees or any other provision of the Notes or this Indenture, for obligations other than obligations of one of its wholly owned subsidiaries (being obligations of its direct or indirect parent companies (an up-stream guarantee) or other group companies except fully owned direct or indirect subsidiaries of each Swiss Guarantor (a cross-stream guarantee)) (for purposes of this clause (k),

the “**Restricted Obligations**”), and that the making of a payment in fulfilling Restricted Obligations would under Swiss law (*inter alia*, prohibiting capital repayments or restricting distributions) at the time payment is due, not be permitted, then such obligations and payment amount shall from time to time be limited to the amount permitted to be paid under Swiss law; such amount currently considered to be the equivalent of the Swiss Guarantor’s distributable capital at the time or times payment is requested from the relevant Swiss Guarantor, and further *provided* that such limitation (as may apply from time to time or not) shall not (generally or definitively) release such Swiss Guarantor from payment obligations hereunder in excess thereof, but merely postpone the payment date therefore until such times as payment is again permitted notwithstanding such limitation. Any and all indemnities and guarantees contained in the Notes or this Indenture shall be construed in a manner consistent with the provisos herein contained.

In case a Swiss Guarantor who must make a payment in respect of Restricted Obligations under its Guarantee is obliged to withhold Swiss Withholding Tax (*Verrechnungssteuer*) in respect of such payment, such Swiss Guarantor shall:

(i) procure that such payments can be made without deduction of Swiss Withholding Tax, or with deduction of Swiss Withholding Tax at a reduced rate, by discharging the liability to such tax by notification pursuant to applicable law (including double tax treaties) rather than payment of the tax;

(ii) if the notification procedure pursuant to sub-paragraph (i) above does not apply, deduct Swiss Withholding Tax at the rate of 35% (or such other rate as in force from time to time), or if the notification procedure pursuant to sub-paragraph (i) above applies for a part of the Swiss Withholding Tax only, deduct Swiss Withholding Tax at the reduced rate resulting after the discharge of part of such tax by notification under applicable law, from any payment made by it in respect of Restricted Obligations and promptly pay any such taxes to the Swiss Federal Tax Administration (*Eidgenössische Steuerverwaltung*);

(iii) notify the Trustee that such notification, or as the case may be, deduction has been made and provide the Trustee with evidence that such a notification of the Swiss Federal Tax Administration has been made or, as the case may be, such taxes deducted have been paid to the Swiss Federal Tax Administration;

(iv) in the case of a deduction of Swiss Withholding Tax:

(1) use its best efforts to ensure that any Person other than the Trustee which is entitled to a full or partial refund of the Swiss Withholding Tax deducted from such payment in respect of Restricted Obligations, will, as soon as possible after such deduction (A) request a refund of the Swiss Withholding Tax under applicable law (including tax treaties) and (B) pay to the Trustee upon receipt any amounts so refunded; and

(2) if the Trustee is entitled to a full or partial refund of the Swiss Withholding Tax deducted from such payment, shall provide the Trustee those documents that are required by law and applicable tax treaties to be *provided* by the payer of such tax, in order to enable the Trustee to prepare a claim for refund of Swiss Withholding Tax.

If a Swiss Guarantor is obliged to withhold Swiss Withholding Tax in accordance with the previous paragraph, the Trustee shall be entitled to further enforce the Guarantees or any other indemnity granted by the respective Swiss Guarantor under the Notes or this Indenture and apply proceeds therefrom against the Restricted Obligations up to an amount which is equal to that amount which would have been obtained if no withholding of Swiss Withholding Tax were required, whereby such further enforcements shall always be limited to the maximum amount of the freely distributable capital of the respective Swiss Guarantor as set out in this Section 10.1(k).

If and to the extent a demand for payment against a Swiss Guarantor is made by the Trustee and if and to the extent required under Swiss mandatory law (with regards to restricting distributions) applicable at the relevant time, in order to allow the Trustee to obtain a maximum benefit under the Guarantees, the relevant Swiss Guarantor shall, and any parent company of the Swiss Guarantor being a party to this Indenture shall procure that the Swiss Guarantor will, promptly implement all such measures and/or promptly procure the fulfillment of all prerequisites allowing it to promptly make the (requested) payment(s) hereunder from time to time, including the following:

- (i) preparation of an up-to-date audited balance sheet of the Swiss Guarantor;
- (ii) obtain a confirmation of the auditors of the Swiss Guarantor confirming the maximum amount of the freely distributable capital of the relevant Swiss Guarantor;
- (iii) approval by a shareholders' meeting of the Swiss Guarantor of the capital distribution;
- (iv) to the extent permitted by applicable law write up or realize any of the Swiss Guarantor's assets that are shown in its balance sheet with a book value that is significantly lower than the market value of the assets, in case of realization, however, only if such assets are not necessary for the Swiss Guarantor's business (*nicht betriebsnotwendig*); and
- (v) all such other measures necessary or useful to allow the Swiss Guarantor to make the payments and perform the obligations hereunder with a minimum of limitations.

(l) The obligations and liabilities of each Guarantor incorporated in Sweden (each a "Swedish Guarantor") incurred under its Guarantee shall be limited if (and only if) required by an application of the provisions of the Swedish Companies Act (Sw. Aktiebolagslagen (2005:551)) governing distribution of assets (Chapter 17, Sections 1-4 of the Swedish Companies Act) and also taking into account any other security granted and/or guarantee given by such Swedish Guarantor subject to the corresponding limitation, and it is understood that the obligations and liabilities of each such Swedish Guarantor in its capacity as Guarantor under its Guarantee shall only apply to the extent permitted by the above-mentioned provisions, and the obligations and liabilities shall be limited in accordance herewith.

(m) (i) The obligations and liabilities of any Guarantor incorporated in France (each such Guarantor, a "French Guarantor") under the Notes or this Indenture and in particular under this Article X shall not include any obligation or liability which, if incurred, would constitute the provision of financial assistance within the meaning of article L.225-216 of the French *Code de Commerce* and/or would constitute a misuse of corporate assets within the meaning of articles L.242-6 or L.244-1 of the French *Code de Commerce* or any other law or regulation having the same effect, as interpreted by French courts.

(ii) The obligations and liabilities of each French Guarantor under this Article X for the obligations under the Notes or this Indenture of any other obligor which is not a Subsidiary of such French Guarantor shall be limited, at any time to an amount equal to the proceeds from the offering of the Notes which the Issuer has applied for the direct or indirect benefit of each French Guarantor through the intercompany loan agreements and cash pooling arrangements that are outstanding on the date a payment is requested to be made by such French Guarantor under this Article X; it being specified that any payment made by a French Guarantor under this Article X in respect of the obligations of the Issuer shall reduce *pro tanto* the outstanding amount due by such French Guarantor under the intercompany loan agreements or cash pooling arrangements referred to above and that any repayment of the intercompany loans or of the cash pooling arrangements by the French Guarantor shall reduce *pro tanto* the amount payable under this Article X.

(iii) The obligations and liabilities of each French Guarantor under this Article X for the obligations under the Notes or this Indenture of any other obligor which is its Subsidiary shall not be limited, and shall therefore cover all amounts due by such obligor. However, where such Subsidiary is

itself a Guarantor that guarantees the obligations of an obligor that is not a Subsidiary of the relevant French Guarantor, the amounts payable by such French Guarantor under this paragraph (iii) in respect of the obligations of this Subsidiary as Guarantor, shall be limited as set out in paragraph (ii) above.

(n) With respect to any Guarantor incorporated or established in Germany in the legal form of a limited liability company (*GmbH*) or a limited partnership with a limited liability company as general partner (*GmbH & Co. KG*) (each a “German Guarantor”), the following shall apply:

(i) Definitions

“Net Assets” means an amount equal to the sum of the amounts of the German Guarantor’s (or, in the case of a GmbH & Co. KG, its general partner’s) assets (consisting of all assets which correspond to the items set forth in section 266 paragraph 2 A, B, C, D and E of the German Commercial Code (*Handelsgesetzbuch – “HGB”*)) less the aggregate amount of such German Guarantor’s (or, in the case of a GmbH & Co. KG, its general partner’s) liabilities (consisting of all liabilities and liability reserves which correspond to the items set forth in section 266 paragraph 3 B, C, D and E HGB), save that any obligations (*Verbindlichkeiten*) of the German Guarantor (and, in the case of a GmbH & Co. KG, of its general partner) (A) owing to a direct or indirect shareholder of the relevant German Guarantor which are subordinated pursuant to section 39 paragraph 1 no. 5 or section 39 paragraph 2 of the German Insolvency Code (*Insolvenzordnung*) and including obligations under guarantees for obligations which are so subordinated or (B) incurred in violation of any of the provisions of this Indenture (unless neither with willful misconduct nor gross negligence) shall be disregarded.

The Net Assets shall be determined in accordance with the generally accepted accounting principles applicable from time to time in Germany (*Grundsätze ordnungsmäßiger Buchführung*) and be based on the same principles that were applied by the German Guarantor (or, in the case of a GmbH & Co. KG, its general partner) in the preparation of its most recent annual balance sheet (*Jahresbilanz*).

“Protected Capital” means in relation to a German Guarantor the aggregate amount of:

(A) its (or, where the German Guarantor is a GmbH & Co. KG, its general partner’s) share capital (*Stammkapital*) as registered in the commercial register (*Handelsregister*) provided that any increase registered after the date of this Indenture (or in case of a new Guarantor, the date it has become a party to this Indenture) shall not be taken into account unless (i) if the increase has been effected out of retained earnings (*Kapitalerhöhung aus Gesellschaftsmitteln*) such increase has been effected with the prior written consent of the Trustee and, in any case, (ii) only to the extent it is fully paid up; and

(B) its (or when applicable where the German Guarantor is a GmbH & Co. KG, its general partner’s) amount of profits (*Gewinne*) which are not available for distribution to its shareholder(s) in accordance with section 268 paragraph 8 HGB.

“Up-stream and/or Cross-stream Guarantee” means the Guarantee (which, for the purpose of this Section 10.1(n), shall also include any other obligation of the German Guarantor to reimburse costs or pay indemnities under or in connection with this Indenture) if and to the extent the Guarantee secures the obligations of an obligor which is a shareholder of the German Guarantor (and/or, in the case of a GmbH & Co. KG, of its general partner) or an affiliated company (*verbundenes Unternehmen*) of such shareholder within the meaning of section 16, 17 or 18 of the German Stock Corporation Act (*Aktiengesetz*) (other than the German Guarantor and its Subsidiaries and, in the case of a GmbH & Co. KG, the general partner and its Subsidiaries), provided that it shall not constitute an Up-stream or Cross-stream Guarantee if and to the extent the Guarantee guarantees amounts outstanding under this Indenture in relation to any financial accommodation made available under this Indenture to the Issuer and on-lent to, or issued for the

benefit of, the relevant German Guarantor or any of its Subsidiaries (and, where the German Guarantor is a GmbH & Co. KG, to, or for the benefit of, its general partner or any of its Subsidiaries) and still outstanding from time to time.

(ii) This Section 10.1(n) applies if and to the extent the Guarantee is given by a German Guarantor and is an Up-stream and/or Cross-stream Guarantee.

(iii) The Trustee (acting for the Holders of the Notes) agrees that the enforcement of the Guarantee given by a German Guarantor shall be limited if:

(A) (and to the extent that) the Guarantee constitutes an Upstream- and/or Cross-Stream Guarantee; and

(B) payment under the Guarantee would otherwise

(1) have the effect of reducing the German Guarantor's (or, where the German Guarantor is a GmbH & Co. KG, its general partner's) Net Assets to an amount that is lower than the amount of its (or, in the case of a GmbH & Co. KG, its general partner's) Protected Capital or, if the amount of the Net Assets is already lower than the amount of its (or, in the case of a GmbH & Co. KG, its general partner's) Protected Capital, cause the Net Assets to be further reduced; and

(2) thereby give rise to a violation of the capital maintenance requirement as set out in section 30 paragraph 1 of the German Limited Liability Companies Act (*Gesetz betreffend die Gesellschaften mit beschränkter Haftung*); and

(C) the relevant German Guarantor has complied with its obligation to deliver the Management Determination and the Auditor's Determination, in each case together with an up-to-date balance sheet, in accordance with the requirements set out in paragraphs (iv) and (v) below.

(iv) Within ten (10) Business Days after a Holder of the Notes has made a demand under the Guarantee, the German Guarantor shall provide a certificate signed by its managing director(s) (*Geschäftsführer*) confirming in writing if and to what extent the Guarantee is an Up-stream and/or Cross-stream Guarantee and an enforcement of the Guarantee would have the effects referred to in paragraph (c) (ii) above (the "Management Determination"). Such confirmation shall comprise an up-to-date balance sheet of the German Guarantor (and, in the case of a GmbH & Co. KG, its general partner) and a detailed calculation, based on the provisions of this Indenture of the amount of the Net Assets and Protected Capital of the German Guarantor (or, in the case of a GmbH & Co. KG, its general partner). The relevant German Guarantor shall fulfill its obligations under the Guarantee within three (3) Business Days of providing the Management Determination (and each Holder of the Notes and/or the Trustee shall be entitled to enforce the Guarantee) in an amount which pursuant to the Management Determination would not cause the effects set out in paragraph (iii) (B) above (irrespective of whether or not the Trustee agrees with the Management Determination).

(v) If the Trustee (acting on the instructions of the Holder of the Notes) disagrees with the Management Determination, it may within fifteen (15) Business Days of its receipt request the German Guarantor to deliver, at its own cost and expense, within thirty (30) Business Days of such request an up-to-date balance sheet of the German Guarantor (and, in the case of a GmbH & Co. KG, of its general partner), drawn-up by an auditor appointed by the German Guarantor in consultation with the Trustee, together with a detailed calculation, based on the provisions of this Indenture, of the amount of the Net Assets and Protected Capital of the German Guarantor (or, in the case of a GmbH & Co. KG, its general partner) (the "Auditor's Determination"). The German Guarantor shall fulfill its obligations under the Guarantee within three (3) Business Days of providing the Auditor's Determination (and each Holder of the Notes

and/or the Trustee shall be entitled to enforce the Guarantee) in an amount which pursuant to the Auditor's Determination would not cause the effects set out in paragraph (iii) (b) above.

(vi) No reduction of the amount enforceable pursuant to this clause (n) will prejudice the right of the Holders of the Notes and/or the Trustee to continue to enforce the Guarantee (subject always to the operation of the limitations set out above at the time of such enforcement) until full satisfaction of the claims guaranteed.

(vii) Each German Guarantor shall (and, in the case of a German Guarantor in the form of a GmbH & Co. KG, shall procure that its general partner will) do everything commercially justifiable and legally permitted to avoid the enforcement of the Guarantee becoming limited pursuant to the terms of this Schedule and shall in particular, after the occurrence and continuation of an Event of Default and exercise by the Trustee of any of its rights under Section 6.3 of this Indenture and within three (3) months after a written request of the Trustee realize at least at market value any of its (and, in the case of a GmbH & Co. KG, any of its general partner's) assets that are not necessary, as determined by the relevant German Guarantor in its sole discretion, for its business (*nicht betriebsnotwendig*) (or, in the case of a GmbH & Co. KG, that of its general partner) and is shown in its (or, in the case of a GmbH & Co. KG, its general partner's) balance sheet with a book value that is in the reasonable opinion of the Trustee significantly lower than the market value.

(o) (i) Notwithstanding anything to the contrary contained in this Indenture, the aggregate maximum amount payable by any Guarantor incorporated in Luxembourg (each, a "Luxembourg Guarantor") in respect of the aggregate amount of its Guarantee obligations under this Indenture for the obligations of the Issuer which is not its direct or indirect subsidiary shall be limited at any time to an amount (the "Amount") not exceeding the higher of:

(A) 95 percent of such Luxembourg Guarantor's net assets (*capitaux propres*) and the subordinated debt (*dettes subordonnées*) owed by such Luxembourg Guarantor (excluding however any amounts borrowed by such Luxembourg Guarantor as per Section 10.1(o)(ii)) (the "Luxembourg Subordinated Debt"), as referred to in annex I to the Grand-Ducal Regulation dated 18 December 2015 setting out the form and content of the presentation of the balance sheet and profit and loss account, enforcing the Law of 19 December 2002 on the register of commerce and companies and the accounting and annual accounts of undertakings, as amended ("Annex I") as of October 26, 2018; and

(B) 95 percent of such Luxembourg Guarantor's net assets (*capitaux propres*) and the Luxembourg Subordinated Debt as referred to in Annex I at the date the guarantee is called.

(ii) The above limitation shall not apply to any amounts (if any) issued by the Issuer under this Indenture where the issued amounts have been directly or indirectly lent or otherwise made available by the Issuer to a Luxembourg Guarantor or to any direct or indirect subsidiary of a Luxembourg Guarantor;

(iii) Any Amount called under the Guarantee of a Luxembourg Guarantor is to be deducted from the Amount as defined in the Subsidiary Guaranty (as defined in the Senior Credit Agreement) and from the Amount as defined in the Existing Notes Indentures at the moment of such calling.

(p) (i) The obligations, covenants, acknowledgments, consents, agreements, representations and warranties contained in the Notes or this Indenture shall, with respect to any Guarantor which is (A) a public company or (B) a company incorporated in Singapore whose holding company is a public company (each such Guarantor, a "Relevant Singapore Guarantor"), only be effective and deemed to be given by such Relevant Singapore Guarantor on and from, but not prior to, such time that the Singapore

Whitewash Process is completed in accordance with the applicable provisions of the Companies Act, Chapter 50 of Singapore (the “Singapore Companies Act”); and

(ii) The obligations of any Relevant Singapore Guarantor under the Notes or this Indenture shall not at any time extend to or include any liability or obligation which would, if so extended to or included, result in any violation of Section 76 of the Singapore Companies Act.

(iii) For the purposes of this Section 10.1(p),

(A) “holding company” has the meaning given to it in the Singapore Companies Act;

(B) “public company” has the meaning given to it in the Singapore Companies Act; and

(C) “Singapore Whitewash Process” means the approval by the shareholders and/or (as the case may be) the board of directors of the relevant Relevant Singapore Guarantor of the provision of financial assistance (being financial assistance which would otherwise be prohibited by Section 76 of the Singapore Companies Act) by that Relevant Singapore Guarantor in relation to its undertaking of any obligations under the Notes or this Indenture, and the satisfaction by that Relevant Singapore Guarantor of all other conditions required to be fulfilled under Singapore law prior to the provision of such financial assistance by that Relevant Singapore Guarantor, in accordance with the requirements of Section 76 of the Singapore Companies Act.

(q) (i) The obligations and liabilities of any Guarantor incorporated in South Africa (each such Guarantor, a “South Africa Guarantor”) under the Notes or this Indenture and in particular under this Article X shall not include any obligation or liability which, if incurred, would constitute the provision of unlawful financial assistance within the meaning of section 44 or section 45 (to the extent applicable) of the South African Companies Act or any other law or regulation having the same effect, as interpreted by South African courts or any other limitation imposed on that South African Guarantor by the South African Reserve Bank.

(r) Notwithstanding anything to the contrary contained in this Indenture, with respect to a Guarantor incorporated in Brazil (a “Brazilian Guarantor”) (i) whenever the obligation guaranteed by a guarantee is deemed to be invalid and unenforceable, any ancillary obligation in connection therewith (such as a guarantee given by a Brazilian Guarantor under the Indenture) shall also be regarded as invalid and unenforceable; and (ii) any extension, renewal or modification to the Guaranteed Obligations shall require the assent of the Brazilian Guarantor, all pursuant to the provisions of Federal Law No. 10,406/2002 (the Brazilian Civil Code).

SECTION 10.2. Limitation on Liability; Termination, Release and Discharge.

(a) Any term or provision of this Indenture to the contrary notwithstanding, the

obligations of each Guarantor hereunder shall be limited to the maximum amount as shall, after giving effect to all other contingent and fixed liabilities of such Guarantor and after giving effect to any collections from or payments made by or on behalf of any other Guarantor in respect of the obligations of such other Guarantor under its Guarantee or pursuant to its contribution obligations under this Indenture, result in the obligations of such Guarantor under its Guarantee not constituting a fraudulent conveyance or fraudulent transfer under federal or state law or the laws of the jurisdiction of organization of such Guarantor and not otherwise being void or voidable under any similar laws affecting the rights of creditors generally.

(b) A Guarantee by a Guarantor shall be automatically and unconditionally released and discharged, and each Guarantor and its obligations under the Guarantee and this Indenture shall be released and discharged upon:

(1) the sale, exchange, disposition or other transfer (including through merger, consolidation or dissolution) of (x) the Capital Stock of such Guarantor, if after such transaction the Guarantor is no longer a Restricted Subsidiary, or (y) all or substantially all the assets of such Guarantor if such sale, exchange, disposition or other transfer (including through merger, consolidation or dissolution) is made in compliance with this Indenture;

(2) the designation of such Guarantor as an Unrestricted Subsidiary in accordance with the provisions set forth in Section 3.4, Section 3.14 and the definition of “Unrestricted Subsidiary;”

(3) in the case of any Restricted Subsidiary that after the Issue Date is required to guarantee the Notes pursuant to Section 3.11, the release or discharge of the guarantee by such Restricted Subsidiary of Indebtedness of the Issuer or any Restricted Subsidiary or the repayment of the Indebtedness or Disqualified Stock, in each case, which resulted in the obligation to guarantee the Notes, except if a release or discharge is by or as a result of payment in connection with the enforcement of remedies under such other guarantee;

(4) the Issuer’s exercise of its legal defeasance option or covenant defeasance option as described under Article VIII or if the Issuer’s Obligations under this Indenture are satisfied and discharged (including through redemption or repurchase of all the Notes or otherwise) in accordance with the terms of this Indenture;

(5) with respect to a Guarantee granted by a Subsidiary of Parent Guarantor, the release or discharge of the Guarantee by, or direct obligation of, such Guarantor of the Obligations under the Senior Credit Agreement, except a discharge or release by or as a result of payment in connection with the enforcement of remedies under such guarantee or direct obligation; or

(6) with respect to a Guarantee granted by a Subsidiary of Parent Guarantor, the Notes having an Investment Grade Rating from two of the Rating Agencies.

A Guarantee granted by a Subsidiary of Parent Guarantor also will be automatically released upon the applicable Subsidiary ceasing to be a Subsidiary as a result of any foreclosure of any pledge or security interest securing the Senior Credit Agreement or other exercise of remedies in respect thereof.

(c) [Reserved].

(d) If any Guarantor is released from its Guarantee, any of its Subsidiaries that are Guarantors shall be released from their Guarantees, if any.

(e) In the case of Section 10.2(b), the Issuer shall deliver to the Trustee an Officer’s Certificate and Opinion of Counsel, each stating that all conditions precedent provided for in this Indenture relating to such transaction have been complied with.

(f) The release of a Guarantor from its Guarantee and its obligations under this Indenture in accordance with the provisions of this Section 10.2 shall not preclude the future applications of Section 3.11 to such Person.

SECTION 10.3. Right of Contribution. Each Guarantor hereby agrees that to the extent that any such Guarantor shall have paid more than its proportionate share of any payment made on the obligations under its Guarantee, such Guarantor shall be entitled to seek and receive contribution from and against the Issuer or any other Guarantor who have not paid their proportionate share of such payment. The provisions of this Section 10.3 shall in no respect limit the obligations and liabilities of each Guarantor to

the Trustee and the Holders and each Guarantor shall remain liable to the Trustee and the Holders for the full amount guaranteed by such Guarantor hereunder.

SECTION 10.4. No Subrogation. Notwithstanding any payment or payments made by each Guarantor hereunder, no Guarantor shall be entitled to be subrogated to any of the rights of the Trustee or any Holder against the Issuer or any other Guarantor or any collateral security or guarantee or right of offset held by the Trustee or any Holder for the payment of the Guarantor Obligations, nor shall any Guarantor seek or be entitled to seek any contribution or reimbursement from the Issuer or any other Guarantor in respect of payments made by such Guarantor hereunder, until all amounts owing to the Trustee and the Holders by the Issuer on account of the Guarantor Obligations are paid in full. If any amount shall be paid to any Guarantor on account of such subrogation rights at any time when all of the Guarantor Obligations shall not have been paid in full, such amount shall be held by such Guarantor in trust for the Trustee and the Holders, segregated from other funds of such Guarantor, and shall, forthwith upon receipt by such Guarantor, be turned over to the Trustee in the exact form received by such Guarantor (duly indorsed by such Guarantor to the Trustee, if required), to be applied against the Guarantor Obligations.

If a payment date, Redemption Date or purchase date is not a Business Day, payment shall be made on the next succeeding day that is a Business Day, and no interest shall accrue for the intervening period. If a regular Record Date is not a Business Day, the Record Date shall not be affected.

SECTION 12.7. Governing Law. This Indenture, the Notes and the Guarantees shall be governed by, and construed in accordance with, the laws of the State of New York.

SECTION 12.8. Jurisdiction and Service. In relation to any legal action or proceedings arising out of or in connection with this Indenture, the Notes or the Guarantees, (a) the Issuer and each of the Guarantors hereby (i) irrevocably submits to the jurisdiction of the federal and state courts in the Borough of Manhattan in the City, County and State of New York, United States and (ii) waives, to the fullest extent permitted by law, any objection to any suit, action or proceeding that may be brought in connection with this Indenture, the Notes or the Guarantees in such courts on the grounds of venue, residence or domicile or on the ground that any such suit, action or proceeding has been brought in an inconvenient forum and (b) the Parent Guarantor and each Guarantor that is organized under laws other than those of the United States or a state or territory thereof or the District of Columbia hereby (i) designates and appoints the Issuer as its authorized agent upon which process may be served in any such suit, action or proceeding that may be instituted in any such court and (ii) agrees that service of any process, summons, notice or document by U.S. registered mail addressed to the Issuer, with written notice of said service to such Person at the address of the Issuer set forth in Section 12.1, shall be effective service of process for any such legal action or proceeding brought in any such court.

No manager, managing director, incorporator, director, officer, employee or Holder of any Equity Interests of Parent Guarantor, the Issuer, any Subsidiary or any direct or indirect parent of Parent Guarantor, as such, shall have any liability for any obligations of the Issuer or any Guarantor under the Notes, the Guarantees or this Indenture or for any claim based on, in respect of or by reason of such obligations or their creation. By accepting a Note, each Holder shall waive and release all such liability. The waiver and release shall be part of the consideration for the issuance of the Notes. This waiver may not be effective to waive liabilities under the federal securities laws and it is the view of the SEC that such a waiver is against public policy.

SECTION 12.11. Successors. All agreements of the Issuer and each Guarantor in this Indenture and the Notes shall bind their respective successors. All agreements of the Trustee in this Indenture shall bind its successors.

SECTION 12.12. Multiple Originals. The parties may sign any number of copies of this Indenture. Each signed copy shall be an original, but all of them together represent the same agreement. SECTION 12.15. Force Majeure. In no event shall the Trustee be responsible or liable for any failure or delay in the performance of its obligations hereunder arising out of or caused by, directly or indirectly, forces beyond its control, including, without limitation, any act or provision of any present or future law or regulation or governmental authority, strikes, work stoppages, accidents, acts of war or terrorism, civil or military disturbances, nuclear or natural catastrophes or acts of God, and interruptions, loss or malfunctions of utilities, communications or computer (software and hardware) services, or the unavailability of the Federal Reserve Bank wire or telex or other wire communication facility; it being understood that the Trustee shall use reasonable efforts which are consistent with accepted practices in the banking industry to resume performance as soon as practicable under the circumstances.

SECTION 13.1. Compliance in Connection with Certain Investments and Repayments.

(a) With respect to any (x) Investment or acquisition, merger, amalgamation or similar transaction that has been definitively agreed to or publicly announced, (y) repayment, repurchase or refinancing of Indebtedness, Disqualified Stock or Preferred Stock with respect to which a notice of prepayment (or similar notice), which may be conditional, has been delivered and (z) Restricted Payment that has been declared, in each case for purposes of determining:

(1) whether any Indebtedness (including Acquired Indebtedness), Disqualified Stock or Preferred Stock that is being Incurred in connection with such Investment, acquisition, merger, amalgamation or similar transaction, repayment, repurchase or refinancing of Indebtedness, Disqualified Stock or Preferred Stock or Restricted Payment is permitted to be Incurred in compliance with Section 3.3;

(2) whether any Lien being incurred in connection with such Investment, acquisition, merger, amalgamation or similar transaction, repayment, repurchase or refinancing of Indebtedness, Disqualified Stock or Preferred Stock or to secure any such Indebtedness is permitted to be incurred in accordance with Section 3.5 or the definition of "Permitted Liens";

(3) whether any other transaction undertaken or proposed to be undertaken in connection with such Investment, acquisition, merger, amalgamation or similar transaction, repayment, repurchase or refinancing of Indebtedness, Disqualified Stock or Preferred Stock or Restricted Payment complies with the covenants or agreements contained in this Indenture or the Notes;

(4) any calculation of the ratios, baskets or financial metrics, including Fixed Charge Coverage Ratio, Consolidated Total Net Debt Ratio, Consolidated Senior Secured Net Debt Ratio, Consolidated Net Income, Consolidated EBITDA, Consolidated Net Tangible Assets, Consolidated Total Assets and/or Pro Forma Cost Savings and whether a Default or Event of Default exists in connection with the foregoing; and

(5) whether any condition precedent to the Incurrence of Indebtedness (including Acquired Indebtedness), Disqualified Stock, Preferred Stock or Liens, in each case that is being Incurred in connection with such Investment, acquisition, merger, amalgamation or similar transaction, repayment, repurchase or refinancing of Indebtedness, Disqualified Stock or Preferred Stock or Restricted Payment is satisfied,

at the option of Parent Guarantor, any of its Restricted Subsidiaries, any direct or indirect parent of Parent Guarantor or any successor entity of any of the foregoing (the "Testing Party"), the date that the definitive agreement for such Investment, acquisition, merger, amalgamation or similar transaction or repayment, repurchase or refinancing of Indebtedness, Disqualified Stock or Preferred Stock is entered into or the date of any notice, which may be conditional, of such repayment, repurchase or refinancing of Indebtedness, Disqualified Stock or Preferred Stock is given to the holders thereof, or the date of declaration of a Restricted Payment (the "Transaction Commitment Date"), may be used as the applicable date of determination, as the case may be, in each case with such pro forma adjustments as are appropriate and consistent with the pro forma adjustment provisions set forth in the definition of "Pro Forma Basis" or "Consolidated EBITDA." For the avoidance of doubt, if the Testing Party elects to use the Transaction Commitment Date as the applicable date of determination in accordance with the foregoing, (a) any fluctuation or change in the Fixed Charge Coverage Ratio, Consolidated Total Net Debt Ratio, Consolidated Senior Secured Net Debt Ratio, Consolidated Net Income, Consolidated EBITDA,

Consolidated Net Tangible Assets, Consolidated Total Assets and/or Pro Forma Cost Savings of Parent Guarantor from the Transaction Commitment Date to the date of consummation of such transaction, will not be taken into account for purposes of determining whether any Indebtedness or Lien that is being incurred in connection with such Investment, acquisition, merger, amalgamation or similar transaction, repayment, repurchase or refinancing of Indebtedness, Disqualified Stock or Preferred Stock or Restricted Payment or in connection with compliance by Parent Guarantor or any of the Restricted Subsidiaries with any other provision of this Indenture or the Notes or any other transaction undertaken in connection with such Investment, acquisition, merger, amalgamation or similar transaction, repayment, repurchase or refinancing of Indebtedness, Disqualified Stock or Preferred Stock or Restricted Payment is permitted to be Incurred, (b) if financial statements for one or more subsequent fiscal quarters shall have become available, the Testing Party may elect, in its sole discretion, to re-determine all such baskets, ratios and financial metrics on the basis of such financial statements, in which case such date of redetermination shall thereafter be deemed to be the applicable Transaction Commitment Date for purposes of such baskets, ratios and financial metrics, (c) if any ratios or financial metrics improve or baskets increase as a result of such fluctuations, such improved ratios, financial metrics or baskets may be utilized, (d) until such Investment, acquisition, merger, amalgamation or similar transaction, repayment, repurchase or refinancing of Indebtedness, Disqualified Stock or Preferred Stock or Restricted Payment is consummated, such definitive agreements are terminated or such notice is rescinded, such Investment or acquisition or other transaction and all transactions proposed to be undertaken in connection therewith (including the incurrence of Indebtedness and Liens) will be given pro forma effect when determining compliance of other transactions (including the incurrence of Indebtedness and Liens unrelated to such Investment, acquisition, merger, amalgamation or similar transaction, repayment, repurchase or refinancing of Indebtedness, Disqualified Stock or Preferred Stock or Restricted Payment) that are consummated after the Transaction Commitment Date and on or prior to the date of consummation of such Investment, acquisition, merger, amalgamation or similar transaction, repayment, repurchase or refinancing of Indebtedness, Disqualified Stock or Preferred Stock or Restricted Payment and any such transactions (including any incurrence of Indebtedness and the use of proceeds thereof and Liens) will be deemed to have occurred on the Transaction Commitment Date and outstanding thereafter for purposes of calculating any baskets or ratios under this Indenture after such date and before the date of consummation of such Investment, acquisition, merger, amalgamation or similar transaction, repayment, repurchase or refinancing of Indebtedness, Disqualified Stock or Preferred Stock or Restricted Payment and (e) Consolidated Interest Expense and Fixed Charges for purposes of the Fixed Charge Coverage Ratio will be calculated using an assumed interest rate based on the indicative interest margin (without giving effect to any step-ups) contained in any financing commitment documentation with respect to such Indebtedness or, if no such indicative interest margin exists, as reasonably determined by Parent Guarantor in good faith. In addition, compliance with any requirement relating to the absence of a Default or Event of Default may be determined as of the Transaction Commitment Date and not as of any later date as would otherwise be required under this Indenture, except as contemplated by clause (b) of the immediately preceding sentence.

(b) For purposes hereof, the “Maximum Fixed Repurchase Price” of any Disqualified Stock or Preferred Stock that does not have a fixed repurchase price shall be calculated in accordance with the terms of such Disqualified Stock or Preferred Stock as if such Disqualified Stock or Preferred Stock were purchased on any date on which Consolidated Total Indebtedness shall be required to be determined pursuant to this Indenture, and if such price is based upon, or measured by, the fair market value of such Disqualified Stock or Preferred Stock, such fair market value shall be determined reasonably and in good faith by Parent Guarantor.

(c) To the extent the date of delivery of any document required to be delivered pursuant to any provision of this Indenture falls on a day that is not a Business Day, the applicable date of delivery shall be deemed to be the next succeeding Business Day.

(d) For purposes of determining the maturity date of any Indebtedness, customary bridge loans subject to customary conditions that would be extended as, converted into or required to be exchanged for permanent refinancing either automatically or subject to customary conditions (including no

payment or bankruptcy event of default) shall be deemed to have the maturity date as so extended, converted or exchanged.

(e) For purposes of covenant compliance, the amount of any Investment shall be the amount actually invested, without adjustment for subsequent increases or decreases in the value of such Investment but giving effect to any returns or distributions of capital or repayment of principal actually received in cash by such Person with respect thereto.

(f) Notwithstanding anything to the contrary herein, so long as an action was taken (or not taken) in reliance upon a basket or ratio that was calculated or determined in good faith by a responsible financial or accounting officer of Parent Guarantor based upon financial information available to such officer at such time and such action (or inaction) was permitted hereunder at the time of such calculation or determination, any subsequent restatement, modification or adjustments made to such financial information (including any restatement, modification or adjustment that would have caused such basket or ratio to be exceeded as a result of such action or inaction) shall not result in any Default or Event of Default.

(g) Notwithstanding anything to the contrary herein, in the event an item of Indebtedness, Disqualified Stock or Preferred Stock (or any portion thereof) is incurred or issued, any Lien is incurred, any Investment or Restricted Payment is made or other transaction is undertaken in reliance on a ratio basket based on the Fixed Charge Coverage Ratio, Consolidated Senior Secured Net Debt Ratio or Consolidated Total Net Debt Ratio, such ratio(s) shall be calculated with respect to such incurrence, issuance or other transaction without giving effect to amounts being utilized under any other basket (other than another ratio basket based on the Fixed Charge Coverage Ratio, Consolidated Senior Secured Net Debt Ratio or Consolidated Total Net Debt Ratio) on the same date, and each item of Indebtedness, Disqualified Stock or Preferred Stock that is incurred or issued, each Lien incurred, each Investment or Restricted Payment made and each other transaction undertaken will be deemed to have been incurred, issued, made or taken first, to the extent available, pursuant to the relevant Fixed Charge Coverage Ratio, Consolidated Senior Secured Net Debt Ratio or Consolidated Total Net Debt Ratio test.

5. Guarantee

To guarantee the due and punctual payment of the principal, premium, if any, and interest (including post-filing or post-petition interest) on the Notes and all other amounts payable by the Issuer under the Indenture and the Notes when and as the same shall be due and payable, whether at maturity, by acceleration or otherwise, according to the terms of the Notes and the Indenture, the Guarantors have unconditionally Guaranteed (and future guarantors shall unconditionally Guarantee), jointly and severally, such obligations on a senior unsecured basis, subject to the limitations described in Article X of the Indenture.

(d) At any time, in connection with any tender offer or other offer to purchase any series of Notes (including pursuant to a Change of Control Offer, Alternate Offer or Asset Sale Offer), if not less than 90.0% in aggregate principal amount of the outstanding Notes are purchased by the Issuer, or any third party purchasing or acquiring in lieu of the Issuer, the Issuer or such third party will have the right to redeem or purchase, as applicable, all Notes that remain outstanding following such purchase at a price equal to the price paid to Holders in such purchase (which may be less than par and shall exclude any early tender premium and any accrued and unpaid interest paid to any Holder in such tender offer payment), plus, to the extent not included in the tender offer payment, accrued and unpaid interest, if any, to (but not including) the date of redemption or purchase (subject to the right of Holders of record on the relevant record date to receive interest due on the relevant interest payment date falling prior to or on the date of redemption or purchase).

The Redemption Date of any redemption that is subject to satisfaction of one or more conditions precedent may, in the Issuer's discretion and to the extent stated in the applicable redemption notice, be delayed until such time as any or all such conditions shall be satisfied (or waived by the Issuer in its sole discretion), or such redemption may not occur and any notice with respect to such redemption may be modified, extended or rescinded in the event that any or all such conditions shall not have yet been satisfied (or waived by the Issuer in its sole discretion) by the Redemption Date, or by the Redemption Date so delayed (which may exceed 60 days from the date of the redemption notice in such case), by providing notice thereof to the Holders.

(f) Unless the Issuer defaults in the payment of the redemption price, interest shall cease to accrue on the Notes or portions thereof called for redemption on the applicable Redemption Date.

(g) Any redemption pursuant to this paragraph 6 shall be made pursuant to the provisions of Article V of the Indenture.

7. Change of Control: Asset Sales

(a) Upon the occurrence of a Change of Control Triggering Event, unless the Issuer has exercised its right to redeem all of the Notes under Section 5.1 of the Indenture, each Holder will have the right to require the Issuer to repurchase all or any part (in minimum denominations of \$150,000 and in integral multiples of \$1,000 in excess thereof; *provided* that the Notes submitted or selected for purchase shall not result in a Holder with a principal amount of Notes less than the minimum denomination of \$150,000) of such Holder's Notes at a purchase price in cash equal to 101.0% of the principal amount of the Notes plus accrued and unpaid interest, if any, to, but excluding, the date of purchase (subject to the right of Holders of record on the relevant Record Date to receive interest due on the relevant Interest Payment Date) as provided in, and subject to the terms of, the Indenture.

(b) Any Change of Control Offer may, at the Issuer's discretion, be subject to one or more conditions precedent, including, but not limited to, consummation of any related Equity Offering. In addition, if such Change of Control Offer or notice is subject to satisfaction of one or more conditions precedent, such notice shall state that, in the Issuer's discretion, the purchase date may be delayed until such time as any or all such conditions shall be satisfied (or waived by the Issuer in its sole discretion), or such purchase may not occur and such notice may be rescinded in the event that any or all such conditions shall not have been satisfied (or waived by the Issuer in its sole discretion) by the purchase date, or by the purchase date so delayed.

(c) In the event of an Asset Sale Offer that requires the purchase of Notes pursuant to Section 3.7(d) of the Indenture, the Issuer shall be required to make an offer to all Holders to purchase Notes in accordance with Section 3.7(d) and 5.8 of the Indenture at an offer price in cash in an amount equal to 100.0% of the principal amount of the Notes, plus accrued and unpaid interest to, but excluding, the date of purchase (subject to the rights of Holders of record on any Record Date to receive payments of interest on the related Interest Payment Date). Holders that are the subject of an offer to purchase shall receive an Asset Sale Offer from the Issuer prior to any related purchase date and may elect to have such Note purchased pursuant to such offer by completing the form entitled "Option of Holder To Elect Purchase" attached hereto, or transferring its interest in such Note by book-entry transfer, to the Issuer, a Depositary, if appointed by the Issuer, or a Paying Agent at the address specified in the notice at least three Business Days before the Purchase Date.

8. Denominations; Transfer; Exchange

The Notes are in registered form without coupons in minimum denominations of principal amount of \$150,000 and whole multiples of \$1,000 in excess thereof. A Holder may transfer or exchange Notes in accordance with the Indenture. The Registrar may require a Holder to, among other things, furnish appropriate endorsements or transfer documents and to pay any taxes and fees required by law or permitted by the Indenture. The Registrar need not register the transfer of or exchange any Notes for a period beginning 15 Business Days before an Interest Payment Date and ending on such Interest Payment Date.

9. Persons Deemed Owners

The registered Holder of this Note may be treated as the owner of it for all purposes.

10. Unclaimed Money

If money for the payment of the principal of or premium, if any, or interest remains unclaimed for two years, the Trustee or the Paying Agent shall pay the money back to the Issuer at its request unless an abandoned property law designates another person. After any such payment, Holders entitled to the money must look only to the Issuer and not to the Trustee for payment.

11. Discharge and Defeasance

Subject to certain conditions set forth in the Indenture, the Issuer at any time may terminate some or all of its obligations under the Notes and the Indenture if the Issuer irrevocably deposit in trust with the Trustee money or U.S. Government Obligations or a combination thereof for the payment of principal, premium (if any) and interest on the Notes to redemption or maturity, as the case may be.

12. Amendment, Waiver

The Indenture and the Notes may be amended or waived as set forth in Article IX of the Indenture.

13. Defaults and Remedies

Events of Default shall be as set forth in Article VI of the Indenture.

If an Event of Default occurs and is continuing, the Trustee or Holders of at least 30.0% in aggregate principal amount of the outstanding Notes then outstanding may declare all the Notes to be due and payable immediately. Certain events of bankruptcy or insolvency with respect to the Issuer or Parent Guarantor are Events of Default which shall result in the Notes being due and payable immediately upon the occurrence of such Events of Default.

Holders may not enforce the Indenture or the Notes except as provided in the Indenture. The Trustee may refuse to enforce the Indenture or the Notes unless it receives indemnity or security satisfactory to the Trustee. Subject to certain limitations, Holders of a majority in principal amount of the Notes may direct the Trustee in its exercise of any trust or power. The Trustee may withhold from Holders notice of any continuing Default or Event of Default (except a Default or Event of Default in payment of principal or interest) if it determines that withholding notice is in their interest.

14. Trustee Dealings with the Issuer

Subject to certain limitations set forth in the Indenture, the Trustee under the Indenture, in its individual or any other capacity, may become the owner or pledgee of Notes and may otherwise deal with and collect obligations owed to it by the Issuer or its Affiliates and may otherwise deal with the Issuer or its Affiliates with the same rights it would have if it were not Trustee.

15. No Recourse Against Others

No manager, managing director, director, officer, employee, incorporator or Holder of any Equity Interests in Parent Guarantor, the Issuer, any Subsidiary or any direct or indirect parent of Parent Guarantor, as such, shall have any liability for any obligations of the Issuer or any Guarantor under the Notes, the Indenture or the Guarantees or for any claim based on, in respect of, or by reason of, such obligations or their creation. By accepting a Note, each Holder waives and releases all such liability. The waiver and release shall be part of the consideration for the issuance of the Notes. This waiver may not be effective to waive liabilities under the federal securities laws and it is the view of the SEC that such a waiver is against public policy.

16. Authentication

This Note shall not be valid until an authorized signatory of the Trustee (or an authenticating agent acting on its behalf) manually signs the certificate of authentication on the other side of this Note.

17. Abbreviations

Customary abbreviations may be used in the name of a Holder or an assignee, such as TEN COM (=tenants in common), TEN ENT (=tenants by the entirety), JT TEN (=joint tenants with rights of survivorship and not as tenants in common), CUST (=custodian) and U/G/M/A (=Uniform Gift to Minors Act).

18. CUSIP Numbers

Pursuant to a recommendation promulgated by the Committee on Uniform Note Identification Procedures the Issuer has caused CUSIP numbers to be printed on the Notes. No representation is made as to the accuracy of such numbers as printed on the Notes and reliance may be placed only on the other identification numbers placed thereon.

19. Successor Entity

When a successor entity assumes, in accordance with the Indenture, all the obligations of its predecessor under the Notes and the Indenture, and immediately before and thereafter no Default or Event of Default exists and all other conditions of the Indenture are satisfied, the predecessor entity shall be released from those obligations.

20. Governing Law

This Note shall be governed by, and construed in accordance with, the laws of the State of New York.

WITNESSETH

WHEREAS, the Issuer, certain guarantors listed on the signature pages thereto and the Trustee are parties to an indenture dated as of November 24, 2020 (the “Indenture”), providing for the issuance of the Issuer’s 3.375% Senior Notes due 2029 (the “Notes”);

WHEREAS, [Section 3.11 – Additional Guarantors] of the Indenture provides that under certain circumstances the New Guarantors shall execute and deliver to the Trustee a supplemental indenture pursuant to which the New Guarantors shall unconditionally guarantee all of the Issuer’s obligations under the Notes and the Indenture on the terms and conditions set forth herein; and

WHEREAS, pursuant to [Section 9.1 – Amendments Without Consent of Holders] of the Indenture, the Trustee is authorized to execute and deliver this Supplemental Indenture.

NOW, THEREFORE, in consideration of the foregoing and for other good and valuable consideration, the receipt of which is hereby acknowledged, the Issuer, the New Guarantors and the Trustee mutually covenant and agree for the equal and ratable benefit of the Holders as follows:

1. Capitalized Terms. Capitalized terms used herein without definition shall have the meanings assigned to them in the Indenture.

2. Agreements to Become Guarantors. (a) Each of the New Guarantors hereby unconditionally guarantees the Issuer’s obligations for the due and punctual payment of the principal of, premium, if any, and interest on all the Notes and the performance and observance of each other obligation and covenant set forth in the Indenture to be performed or observed on the part of the Issuer, on the terms and subject to the conditions set forth in [Article X - Guarantees] of the Indenture and agrees to be bound by all other provisions of the Indenture and the Notes applicable to a Guarantor therein.

(b) [Local law limitations to be inserted, if applicable.]

3. Ratification of Indenture: Supplemental Indenture Part of Indenture. Except as expressly amended hereby, the Indenture is in all respects ratified and confirmed and all the terms, conditions and provisions thereof shall remain in full force and effect. This Supplemental Indenture shall form a part of the Indenture for all purposes, and every Holder of Notes heretofore or hereafter authenticated and delivered shall be bound hereby.

4. No Recourse Against Others. No manager, managing director, director, officer, employee, incorporator or holder of any Equity Interests in Parent Guarantor, the Issuer, any Subsidiary or any direct or indirect parent of Parent Guarantor, as such, shall have any liability for any obligations of the Issuer or the New Guarantors under the Notes, the Indenture, the Guarantees or for any claim based on, in respect of, or by reason of, such obligations or their creation. Each Holder of Notes, by accepting a Note, waives and releases all such liability. This waiver and release are part of the consideration for issuance of the Notes. This waiver may not be effective to waive liabilities under the federal securities laws and it is the view of the SEC that such a waiver is against public policy.

5. Notices. For purposes of [Section 12.1 - Notices] of the Indenture, the address for notices to each of the New Guarantors shall be:

Delivery of an executed counterpart of a signature page to this Supplemental Indenture by telecopier, facsimile or other electronic transmission (i.e. a “pdf” or “tif”) shall be effective as delivery of a manually executed counterpart thereof. Unless otherwise provided herein or in any other related document, the words “execute”, “execution”, “signed”, and “signature” and words of similar import used in or related to any document to be signed in connection with this Indenture, any other related document or any of the transactions contemplated hereby (including amendments, waivers, consents and other modifications) shall be deemed to include electronic signatures and the keeping of records in electronic form, each of which shall be of the same legal effect, validity or enforceability as a manually executed signature in ink or the use of a paper-based recordkeeping system, as applicable, to the fullest extent and as provided for in any applicable law, including the Federal Electronic Signatures in Global and National Commerce Act, the New York State Electronic Signatures and Records Act, and any other similar state laws based on the Uniform Electronic Transactions Act.

9. The Trustee. The Trustee shall not be responsible in any manner whatsoever for or in respect of the validity or sufficiency of this Supplemental Indenture or for or in respect of the recitals contained herein, all of which recitals are made solely by each of the New Guarantors and the Issuer.
